UNION VS. JAYTON AT CUB STADIUM

Regional Tilt Set Saturday

The Union Wildcats, still limping from injuries in their bi-district tilt with Mobeetie last week, will host the Jayton Jaybirds in a Regional Six-Man game here at 2:30 p.m. Saturday in Cub Stadium.

The Cat's advanced to the regional playoffs with a 43-38 win over the Hornets at Pampa Saturday in a game hampered by frigid 23 degree temperatures and a hard-frozen gridiron.

Jayton moved into the final round with a penetration win over Weinert Friday. The Jays, tied 20-20 by Weinert, took the decision by rolling up four penetrations while holding Weinert to none.

Jay Powerful

The Jays, who possess a 11-0 record against opponents this season, is a powerful team, according to Coach Kenneth Sams of Union. "They run off the short punt formation and an occasional spread," said Sams. "They use a lot of short passes to loosen up the defense."

Sams said the Jays utilize the power running of Gene Murrell, a 177-pounder, and the shifty sprints of Red Murdoch. Though possessing only an average-sized line, it is anchored by a 197-pound center, Beryle Murdoch. "He is plenty tough on defense," noted Sams.

The Union coach revealed Jayton normally is not a high-scoring team but has the potential to break loose and score when it is needed.

The Jays will be representing District 3-B in the Six-Man tilt.

Passing Game Seen

Wildcat gridgers will go into the game with an 11-0 record for the 1957 season, having won nine district tilts, gaining a forfeit in a non-conference battle with Gail (Borden), and the bi-district win.

Fans are likely to see a passing display from the county team this week. Unable to move against Mobeetie's bruising big line last week, the Wildcats took to the air for 12 completions.

See No. 1 Page 3

BY GOODFELLOWS

Used, New Toys Are Sought Here

Used toys, New toys. Goodfellows this week began their search for new and used toys.

Headquarters for repair of the toys is DeWitt's Welding Service on Seagraves Highway.

The playthings will be distributed just before Christmas to Brownfield's less fortunate children.

Said DeWitt Stafford: "We are all set to repair any used toy. Our headquarters is the first business house beyond the Mid-Continent Supply building."

Used, new toys — they're needed at DeWitt's Welding Service.

BI-DISTRICT PLAY

Wylie Kay breaks around his right end (Photo No. 1) to pick up good yardage against Mobeetie at Pampa Saturday night. Photo No. 2 shows one of the main thorns in the Wildcats' side, big Ferrel Baird of the Hornets. David Cabe, Union's 140-pound quarterback, lays the block on Baird but he still got the tackle. In photo No. 3, Alfred Newsom shakes one tackler as he moves over the frozen sod in Pampa's Harvester Stadium. Jimmy Howell (4) pulls the old end-around play for yardage in photo No. 4 while Jimmy Sargent (14) looks on. Newsom is the blocker in the background. Photos No. 5 and 6 show the fleet Newsom in action as he skirts would be tacklers. Pursuing Newsom is Archie Scribner (17) and Tommy Corcoran (22). (Pictures by Charles Luker of Union)

THE WINNERS!

Mrs. Johnson Is Tops in Contest

Grand prize winner in the seventh annual Football Contest was Mrs. Albert Johnson of 805 East Lons, who called a total of 90 correct games during the past season.

By reason of her 89 winners for the season, Mrs. Bill Williams of Route 2 came in second.

Mrs. Johnson's reward, to be given by the NEWS, will be two tickets to the Cotton Bowl game New Year's Day, rooms in the Baker Hotel at Mineral Wells, \$10 cash and two tanks of gasoline.

Mrs. Williams will receive Cotton Bowl tickets and rooms at the Baker.

Week of Nov. 23 was last of current contest. High man in that event was R. J. Clements of 608 East Tate, who called 13 winners out of a possible 15.

First Baptist To Have Eight-Day Campaign Here

Dr. Jones Weathers, pastor of First Baptist Church, has announced the coming of Evangelist Eddie Martin to direct an eight-day crusade, starting Sunday.

Said Dr. Weathers: "Martin currently and consistently is preaching to larger religious crowds than any other evangelist working strictly with Southern Baptist sponsorship."

"This past year, he led united crusades in Odessa, Midland, drawing crowds of 5,000 and 6,000, respectively. At Knoxville, Tenn., a crowd of nearly 10,000 attended a single service last July."

Martin's evangelistic party has set all-time religious attendance records in more than 60 Southwestern and southern cities during the past 10 years.

EVANGELIST MARTIN

Two Are Injured In Traffic Mishap Here

A Pool resident suffered serious injuries about 6:45 p.m. Tuesday when the car in which she was riding overturned 7 miles north of Gomez.

She is Miss Alene Brown, daughter of Mr. and Mrs. Jack Brown of Pool, who is in Methodist Hospital at Lubbock for treatment of a fractured pelvis and other internal injuries.

The girl was riding in a car driven by Kenneth Cary, son of Mr. and Mrs. Tracy Cary of 921 East Tate. He was taken to Treadaway-Daniell Hospital, treated and released.

Brownfield Funeral Home ambulance made the Tuesday call, and took Miss Brown to Lubbock Wednesday morning.

Thanksgiving Day! It's Just Pure American....

"HEY, RANDY!" — Inset is Sandy Ervin, and light of her eye is her 6-year-old twin, Randy, both children of Mr. and Mrs. Roy Ervin of 901 East Harris. The twins spent part of Monday at the turkey farm of Crede Gore, southeast of Brownfield, where Sandy directed Randy's efforts to catch a huge gobble.

for today's Thanksgiving dinner at the Ervin home. Transaction of business in Brownfield today will be at a virtual standstill — and the NEWS extends a "Happy Thanksgiving" to everyone everywhere! (NEWSphotos)

A SHORT EDITORIAL

Since 1821, when the first settlers paused to give thanks for their blessings, Thanksgiving Day has been an American tradition. On this Thanksgiving day we give thanks for the good fortune of being citizens of a mighty Democracy . . . for the peace, prosperity and freedoms it offers us. We offer a prayer that it will continue to be here through the years for ourselves and our children to live in and enjoy. Let us count our blessings everyday! Here's wishing you and yours a happy Thanksgiving.

Shelton's is having a big End-of-Month sale, beginning tomorrow — and it's first in time for your Christmas gift shopping. You will find many outstanding values throughout the sale.

TO CONVENTION

Possemen Plan Trip

Four members of Terry County Sheriff's Posse are to leave next Thursday for Fort Worth, where they will take part in the fourth annual convention of the American Association of Sheriff Posses and Riding Clubs.

The Brownfield quartet will comprise Mozell Ratliff, Crate Snider, Ray Christopher and Charles S. Kersh. Ratliff is captain of the Terry posse, and Snider, its secretary.

Said Ratliff: "In Fort Worth, there will be a business session for the election of officers, to pick a site for the 1958 convention and round-up, to study Palmetto Polo rules, awarding of trophies, luncheons and style show — for the women — and several dances."

Between 700 and 1,000 association members are expected to be in Cow Town from all parts of the United States and Canada, representing some 8,000 persons from

Annual Dance Set By South Plains Oil Industry's Members

Brownfield members of the oil industry took part Monday in a meeting of the American Petroleum Institute's South Plains Chapter in Levelland.

Meeting in the San Andres Hotel, the chapter members made plans for their annual dance, to be held at 9 p.m., Dec. 13, in the Women's Building, Levelland Fairgrounds.

Admission will be \$3 a couple, and music will be furnished by the Harrod-Raley Orchestra. Tickets may be obtained at the door and from the following directors who attended the Monday session.

Don Hewitt of Brownfield, Cities Service; R. P. Broutherin of Sundown, The Texas Company; P. M. Baker of Sundown, The Texas Company; L. L. Cox of Cities Service, Roy Milburn of Pan American, C. O. McCullough of Cardinal Chemical, Joe Miller of Service Pipeline and W. H. Wadlington of Pan American, all of Levelland, and C. E. Smith of Lubbock, The Western Company.

Final Services Are Held Here Monday For W. O. Salmon

Funeral services for W. O. Salmon, 52, of 915 East Cardwell, were held Monday in First Christian Church, with the Rev. Marion Nilsson, pastor, officiating.

Burial was in Terry County Memorial Cemetery, under the direction of Brownfield Funeral Home.

Pallbearers were H. J. Cleveland, H. D. Moorhead, H. A. Bardin, Lee Brummell, L. L. Cope and John Terry. Honorary pallbearers were Otis Lerner, George Germany, Coke Tollyer, Ralph Hedrick, Ben Phillips, Ola Daugherty, Gordon Crosskill and Pete Mobley.

Graveside services also were held by Brownfield Masonic Lodge 903.

Survivors Are Listed
Salmon was pronounced dead on arrival at 9:15 a.m., Sunday by doctors at Treadaway-Daniell Hospital. He apparently had suffered a heart attack.

Born Dec. 5, 1904, Salmon married Mary McCullough on Feb. 24, 1934 in Wink and moved here from Odessa in 1947. He was employed by Panama

Meadow-Challis Set Annual Yule Event In Pettigrew Home

Members of Meadow-Challis Home Demonstration Club met Tuesday afternoon in the home of Mrs. W. J. Moss.

Mrs. Sam Gossett, president, was in charge of the business meeting.

Each member answered roll call by telling "What HD means to me."

Mrs. Joe Dale Doak gave a program on Christmas decorating, both for the wall and table.

Refreshments of sea foam pie, coffee and Cokes were served to Meses. Price, I. C. Casco, Henson, Doak, T. C. Pettigrew, Sam Gossett, W. J. Henderson and T. C. Finley.

The Christmas party will be held in the home of Mrs. Pettigrew on Dec. 17.

VACATION IN BROWNWOOD Mr. and Mrs. George Wilson of Magnolia Camp will be vacationing the coming week with relatives in Brownwood.

Seeking Bargains? Monday Is Dollar Day in Brownfield!

Brownfield News-Herald, Thursday, Nov. 28, 1957 PAGE THREE

MR. and MRS. WILLIAM LEES

Former Resident Weds Eastland Girl On Nov. 9

Miss Patty Humpherys, daughter of Mr. and Mrs. T. J. Humpherys of Eastland, and William Richard (Dick) Lees, son of Mrs. Gertrude Lees Copeland of Alamogordo, were united in marriage Nov. 9 in Carol Ann Hill Memorial Prayer Chapel of First Methodist Church of Eastland.

The Rev. Richard R. Smith read the double ring ceremony before a background of white chrysanthemums with tall tapers and baskets of gladiolus, camellias and greenery.

The bride wore a sheath of pale pink with silver accessories and carried white gardenias tied with streamers of seeded pearls. A tiny pink feather hat and elbow-length white gloves completed her ensemble.

Miss Jeannette Caton of Eastland was bridesmaid and wore navy blue with white gardenias. The bridegroom was attended by his brother, H. G. Lees Jr., of Fort Worth.

Live In El Paso

A buffet dinner was held at the home of the bride following the ceremony. Her chosen colors of pink, yellow and white were used in decorating. Large baskets of gladiolus flanked the traditional three-tiered wedding cake. Mrs. David Key of Lubbock, sister of the bride, assisted at the table.

The bride wore an aqua and brown striped cotton with brown accessories for going away.

She is a graduate of Eastland

VISITING IN CAMERON

Mr. and Mrs. C. L. McLendon of 407 East Tate left last week-end to visit with relatives in Cameron. Their daughter, Donna, who has been visiting her grandparents in Cameron, will return home with her parents.

No. 1

pletions in 18 attempts to rack up 168 yards.

The "Cat offense likely will be hampered by the loss of stellar end Kermit Shults, who suffered a twisted knee in bi-district. Physicians said Shults "possibly might" be able to play if his knee responds to treatment.

Most of the other Wildcats will be available for action despite numerous cuts and abrasions received from the frozen turf at Pampa.

Tickets to the Regional franchises here have been set at \$1 for adults and 50 cents for students. The pasteboards will go on sale at boxoffices at Cub Stadium at noon Saturday.

Kermit's Champs To Be Here Overnight

Kermit's District 2-AAA champion Yellow Jackets will arrive here Friday for a work-out and over-night rest before traveling on to Levelland for their bi-district clash with the Lobos.

Coach Doug Cox of the Cubs said the champions will arrive Friday afternoon and hold a short practice session at Cub Stadium about 4 p.m. The team will spend the night at Plaza

Motel.

The Yellow Jackets claimed their first district title since 1951 when they held Brownfield to a 13-13 tie Friday night at Kermit. Levelland won the 1-AAA title by crushing Littlefield, 27-14.

The bi-district clash is set for 2 p.m. Saturday in Lobo Stadium.

UCT COUNCIL IN BROWNFIELD — Pictured in the upper panels are men who took part Saturday in the chartering here of a United Commercial Travelers of America council. The event was unique in that Brownfield Council 825 was the largest ever chartered in UCT history in the United States and Canada. There are more than 600 councils in the two countries. Held in First Presbyterian Church, the charter members elected officers, shown in left panel. From left seated: Don Bynum, senior counselor; Bob Sampson, junior counselor; Sid

Lowery, conductor; Bob Clements, immediate past senior counselor, and Sawyer Graham, sentinel. From left standing: R. H. Casstevens, secretary; J. E. (Buddy) Gilham, two-year executive board member; Mozell Ratliff, one-year executive; the Rev. Ralph O'Dell, chaplain; Jack Bailey, two-year executive, and Johnny Harrison, standing in for Cliff Jones, page. The nine men shown in right panel were here to charter the council. From left seated: Jake Saunders of Arlington, Grand Page; William A. Wilbanks of Lubbock Council 777 — which spon-

sored the Brownfield charter — and Grand public relations chairman; Jack Faulkner of Waco, past Grand Councilor and "grand old man of UCT in Texas"; Tom Morton of 777, Grand Councilor, and W. H. (Bill) Martin of Tyler, Supreme Sentinel. From left standing: Orville Morris of Amarillo Council 225, whose wife is the Grand Councilor for women in Texas; W. H. (Dub) Harrison of 777, chairman of UCT youth work in Texas; H. G. Gribble of Tyler, Grand Secretary, and A. H. Blackwell of Tyler, veteran UCT member. In addition, wives of most

visitors and new members attended the event, and made plans for an auxiliary. Mrs. Casstevens was elected secretary of the group. UCT comprises three levels: council (local), grand (state) and supreme (nationwide). Several 825 members will attend a meeting Dec. 12 of the Lubbock council, in honor of the Supreme Councilor, Larry Hart of Ohio. The event will be held at 7 p.m., in Plains Co-Op Oil Mill's directors room. Not pictured is Leonard Ellington, one-year executive. (NEWS-fotos)

By **BILL KENNEDY**
Taylor Daily Press

ing fast. Already many Texas lakes have been completely "sold out" . . . that is insofar as desirable lake frontage is concerned.

Most folks, seeking to spend their leisure time near water, want to see the water from their cabins. Sometimes that is not easy to arrange. Most land development is secondary frontage, near the water, but perhaps some distance away from the shoreline.

Many Texans have solved this problem by building their cabins right on the water. That's right. On floating rafts, supported either by steel drums or pontoons. And these cabins are complete in every detail.

How To Build One
Just how are these floating homes built?

Most are constructed with steel "runners" under the deck. Average size of the deck is 26 feet long by 20 feet wide. Runners are spaced so that drums may be placed end to end the length of the boat.

After the steel underpinning is welded into a single unit, the 2"x8" decking is secured by large screws through the steel frame.

Once the deck is completed, the rest of the houseboat is constructed in the same manner as a cabin would be built on land. Here the houseboater can give free rein to his own ideas about comfort. Some simply use 2"x4" studs and weatherproof wallboard, with a shed-type roof of corrugated aluminum. Others build the cabin as sturdily as any seen on shore.

Interiors remind you of house trailers, with every inch of space utilized. Nearly all have a refrigerator, cook stove, either electric or bottled gas, sink with running water, and rest room.

I think the primary reason that houseboating appeals to so many lovers of water is the sliding-cost scale. From a raft with canvas awning and a few chairs, to luxurious factory-built combination houseboat-house trailer, a houseboat can cost just about as much as you want to spend.

Conventional houseboats,

those in the 26-foot class, with cabin, range in price from under \$1,000 to over \$5,000. I have seen houseboats entirely made by a "do-it-yourselfer" and these boats are comfortable and sturdy.

Empty oil drums are used to buoy most houseboats. However, steel pontoons are becoming more popular because they give steadier support and increase running speed. Drums cost from \$2 to \$3 each, and the average houseboat will need at least 24 to float. Your local welding shop can turn out pontoons from sheet steel.

Here in Central Texas the concentration of houseboaters belongs to Lake Travis. It is one of the Highland Lakes chain formed on the Colorado River as the river meanders through this part of the State. Travis, with hundreds of miles of shoreline, snakes for 65 miles, and gives the houseboater the opportunity to take overnight cruises without having to navigate strange waters.

These houseboats range from open deck rafts to at least one that features two rooms and bath. This houseboat was built by a veteran houseboater from Round Rock, Ed Walsh.

Ed bought an Austin Transit Company bus body as the start of this comfortable home. A Taylor man, Bob Sims, used a school bus body to make the cabin of his houseboat. Both these boats are sleek looking craft with such features as combination sofa-beds, running water, electric ranges, refrigerators, ample storage space, and sundecks built above the cabin roof.

Houseboaters are a gregarious lot, preferring community-type living to isolated moorings "away from it all". They gather, usually in groups of four to six, at some spot on the lake that is convenient to their land-based homes. The spot they pick usually is a fishing camp. Here electricity is available and usually there is someone to keep an eye on the boats. The camp owner, glad to have the additional traffic that houseboaters bring, charges from \$5 to 10 per month for the privilege of dock space and electricity.

Lakes and rivers in Texas were on flood rampages last spring. Lake Travis, used as a flood control lake, rose to unexpected heights. Houseboaters were glad to have someone on hand to advise when their boats needed moving up or down. Four steel cables tied onto trees or posts on shore, served as mooring for the floating cabin. As the lake rose and fell the cables were shortened or lengthened to hold the boat close to shore.

This entailed some work. But after Travis returned to normal, houseboats had ridden out the trouble without mishap. Not so with many cabins and homes that were flooded.

Two other veteran houseboaters, Ott Miller and Dr. Aubrey House, both of Taylor, enjoy owning and maintaining their crafts. Miller has added six feet of deck space to his boat and finished the inside of the cabin with plywood.

FOURTH BEEF WEEK IN TEXAS PROCLAIMED . . . Governor Price Daniel this week proclaimed December 1-7 as Beef Week in Texas and urged Texans to salute the state's oldest and largest industry. Officers of the Texas Beef Council, J. D. Sartwell, Houston, first vice president (center) and Leo Welder, Victoria, president, receive the proclamation.

Both men bought houseboat built on Lake Travis and the added the refinements that make living easier. Now on pontoons, these boats originally used drums. The drums have been pressed into service for

an outboard, in the 10 to 25 hp class, to shove it along in grand cruising style. After all, the houseboat was built for easy-style living.

For those who want speed on

the water, a small runabout can always be added to the fleet.

The American Legion plans a mass visit to Europe.

TWIN BROTHER, WESLEY, IS HIS BEST MAN

Anna Dale Wilson and Leslie Britton Are Married Nov. 17 in Oklahoma

MR. and MRS. LESLIE BRITTON

Given in marriage by her grandfather, the bride wore a wedding gown of white nylon lace and tulle over net and satin. The high neckline was framed with a Mandarin collar of lace.

Appliques of lace enhanced the sheer yoke of the fitted bodice. The long sleeves ended in points over the hands. The voluminous floor length skirt was fully shirred with the bottom edge being outlined by a wide ruffle of tulle. Fullness was emphasized by hoops worn underneath. She carried a white orchid with streamers on a white Bible.

Dorothy Patton of Brownfield was maid of honor. Bridesmaids were Misses Barbara Britton, his sister, of Brownfield, Norma Jean Driver and Jerry Henderson both of Eldorado.

Wesley Britton, twin brother was best man. Candle lighters were Boyd Lee Wilson and Fran Toma of Eldorado. Johnny O'Neal, Avon Floyd and William Smyrl of Brownfield were ushers.

The maid of honor wore a smoke gray dress of street length with a full skirt. Her bouquet was of pink and white carnations. The bridesmaids wore similar dresses in pastel colors. Their bouquets were of pink carnations and white mums.

Following the wedding there was a reception in the church parlor. A cut work linen cloth was used on the table. The flower arrangement was made up of the attendant's bouquets.

Guests attended the wedding from Brownfield, Lubbock, Eldorado, Gould, Okla. and Hollis, Okla.

For going away the bride wore a navy blue tailored suit with light blue accessories.

The bride is a former resident of Brownfield. She finished school at Eldorado High School. Britton is a graduate of Brownfield High School. At present he is attending barber school in Lubbock, where they will make their home.

Miss Anna Dale Wilson, daughter of Mrs. Olene Wilson of Eldorado, Okla., was married to Donald Leslie Britton, son of Mr. and Mrs. A. V. Britton of Route 4, Nov. 17 in Corinth Baptist Church of Eldorado.

The kneeling bench was used with standing baskets of pink gladiolus, pink tapers in the candelabrum and greenery for decorations.

Eudene Miller sang "Because" and "Oh Promise Me." She was accompanied by Paula Brewer at the piano. Miss Brewer also played "Bridal Chorus" and "The Wedding March."

The double ring ceremony was read by the Rev. James Criswell, pastor of First Baptist Church of Headrick, Okla.

TEL Sunday School Class Slates Party

The TEL Sunday School class of First Baptist Church met with Mrs. H. D. Leach of 1009 East Hester Thursday morning. Monthly reports were given

and adopted. Cards of sympathy were sent and an offering of \$16 was given to benevolence.

The class voted to have their Christmas social Dec. 19 in the home of Mrs. E. B. McBurnett Sr. of 806 East Tate, with Mrs. L. R. Pounds as hostess.

Evangelist Dell Young At Church of Christ

Evangelist Dell Young will be doing the preaching for a revival to be held at East Hill Church of Christ, 1204 East Hill, Nov. 30-Dec. 8.

During the week there will be services each day at 7:30 p.m. Time for Sunday services will be 10:20 a.m. and 7 p.m. The public is invited.

Girl Scout Troop Make Presents For Fathers

Brownfield Girl Scout Troop 9 met in the recreation room of First Methodist Church Tuesday afternoon to work on Christmas presents for their fathers.

Those attending the meeting were Jamie Rodgers, Vicky Walker, Margaret Blackstock, Jane Weiss, Reene Landers, Carole Cates, Jean Kendrick, Carolyn Jones, Linda Leach, Linda Reast and their leader, Helen Powell.

Error of opinion may be tolerated where reason is left free to combat it.—Jefferson.

Thanksgiving Key Of Chapter Meeting

Brownfield Chapter 785, Order of the Eastern Star, met Tuesday night in Masonic Temple with Irma Smith, Working Matron, and Othel Reeves, Associate Patron, presiding.

A total of 29 members and one guest attended. Louise Bynum was chairman of the Thanksgiving program, and Oleta Toliver presented her original story entitled, "The-Hundredth Pilgrim."

ENTERTAIN GUESTS

Sunday guests in the home of Mr. and Mrs. Gus Jacobs of 522 North Fifth were Mr. and Mrs. J. M. Casbeer of Midland, Mr. and Mrs. Charlie Casbeer and Mrs. Viola Liptrap of Colorado City and Mrs. C. A. Simpson of Goldthwaite. Mrs. Simpson is Mrs. Jacob's mother, and will remain here for an extended visit.

Pumpkin pie and coffee were served by Leonard Ellington, Virgil Bynum, B. F. Hutson, Cecil Smith and George Steele.

SUFFERS HEART ATTACK

W. S. McGee of 403 North A, chief dispatcher for Halliburton Oil Well Cementing Company, was admitted last Friday to Treadaway-Daniell Hospital after he suffered a heart attack.

CONTINENTAL AIR LINES CONVAIR DEMONSTRATES AMAZING NEW AUTO TIRE SAFETY

LANDING 21-TON AIRLINER WITH TWO U. S. ROYAL MASTER TIRES MOUNTED ON NOSE LANDING GEAR

TEST PILOT George Miller deplanes as observers approach to inspect tires. Note: Car at left uses same tires.

STAPLETON AIRFIELD, Denver: Before a distinguished gathering of safety and air-line officials, Continental Air Lines' 42,000-lb. Convair swooped out of the sky, roared onto the landing strip for the eighth consecutive time and taxied to a halt. On its nosewheels were two 7.50 x 14 tubeless motorcar tires.

These unusual landings were made to demonstrate the astounding strength of the New High-Performance U. S. Royal Master motorcar tires . . . and to prove how their aircraft tire construction can add to your safety on the highway.

The Convair is the largest and heaviest airplane available that can be fitted with regular motorcar tires of any size. In each of the Denver landings, it subjected the new U. S. Royal Master tires to seven times the load that motorcars impose, with take-off speeds of 112 mph and landing speeds of nearly 100 mph.

The source of the U. S. Royal Master's unprecedented strength is its airplane tire engineering . . . exclusive features that bring the safety of jet-plane tire constructions down to earth for your highway safety. To you, this means motoring safety never available before . . . speed safety and blowout safety of such a new high degree that you owe it to yourself and your family to investigate immediately.

See the New High-Performance U. S. Royal Master—now ready for sale. Discover not only its safety features but its new advances in comfort, stability, ease of handling and mileage economy. Come in today.

New HIGH-PERFORMANCE U.S. ROYAL MASTER

NEVER DID YOU NEED IT MORE!
Under today's critical traffic conditions and when you may be least aware of your tires, they may be undergoing stress and strain that tax them to the limits of their strength. Whether on city streets or super highways, you want an extra safety margin in your tires, and you get this safety in greater measure in the New High-Performance U. S. Royal Master.

- SPEED SAFETY**
8 times the high-speed endurance of ordinary tires
- STOPPING SAFETY**
stops 57.3 feet quicker at 60 mph
- BLOWOUT SAFETY**
strong enough to land a plane
- PUNCTURE SAFETY**
survived 5,000-mile test without a flat

NEW COTTON STRIPPER

SAVES COTTON HARVEST DOLLARS AS NEVER BEFORE!

Here's the high-speed, high-capacity cotton harvest machine that can make the BIG profit-difference on your cotton crop. By the bale, by the acre, by the hour worked, this new Minneapolis-Moline 2-Row Cotton Stripper pays you dollars you never thought you could make on cotton! MM cotton stripping lowers labor costs, protects you from untimely labor shortages.

LOOK AT THESE NEW ADVANTAGES!

- Mounts in units...not in parts
- Easy-to-lubricate bearings reduce service time
- Big capacity 16-inch elevator directs cotton to all parts of the wagon...you don't need an extra man to build the load
- Overhaul blower mounted on elevator aids distribution
- Handles row widths from 36 to 42 inches
- Hydraulic height control of stripper units
- Separate hand levers control height of each stripper and angle and height of plant lifters
- Thorough cleaning with 12-inch louvers along the sugar trough and the entire length of the elevator.

See all the many new advantages of this MM Cotton Stripper for yourself! Stop in the next time you're in town!

a Dog's Life

SUPERSTITIONS

by Dr. E. M. Gildow
Director, Friskies Research Kennels

In spite of all the up-to-date data on dog care, there's many a superstition floating around that dog owners believe as gospel truth.

Dogs are said to get worms, for example, from eating raw meat, milk, sugar and candy.

A sure symptom of worms is tail-chasing. Actually, dogs don't get worms from most foods unless they have been infested by an outside source.

Although there are many symptoms of worms, tail-chasing is not one of them. You can also forget the old belief that dogs can't digest starches, sugars or fats, and that they must have lean, raw meat. You can also forget about raw meat causing viciousness. Another old belief is that a block of sulphur in the drinking water is a water purifier, blood purifier, worm exterminator, tonic and goodness knows what else. Sulphur is on the way out as a dog remedy, just as sulphur and molasses have gone out as human medications.

Then there is the popular and lamentable old wife's tale that dogs should be given bones. "Save the bones for the dog" you hear as the dishes are cleared away. No dog should be allowed within a block of chicken bones, fish bones or other small bones, as they may lodge in the throat or intestines. A little chewing on a large knuckle bone helps keep tartar off teeth, but continued chewing may wear away the enamel.

Feeding Tip: Young puppies, at the time of birth, have a very poor store of vitamin A. It is important, therefore, that the mother supply high levels of vitamin A in the milk. This can be done easily by feeding the mother a top-grade prepared dog food such as Friskies, before and after the pups are born.

Truth forever on the scaffold, wrong forever on the throne.—Lowell.

You Are Giving To Eight Organizations – Not One!

WHEN YOU **GIVE** to your Community Chest

Our Goal Is . . . \$15,475

Give TO YOUR COMMUNITY CHEST

GIRL SCOUTS . . .

When you give to the Community Chest you are helping to make better citizens out of little girls who participate in Scouting. We are now a member of the Caprock Girl Scout Council and have access to trained scouting assistance which in turn makes our local efforts more effective.

Give TO YOUR COMMUNITY CHEST

CRIPPLED CHILDREN'S FUND . . .

This fine organization assists our local people who have crippled children. They buy crutches, braces, eye glasses, etc. for families who cannot afford these items for their children. They also call on the National Society when the problem is too big for local unit to handle. They also help get scarred tissue removed by getting injured children to plastic surgeons over the state. Your giving the united way gives some crippled child a better chance and a way for a better life.

Give TO YOUR COMMUNITY CHEST

BOY SCOUTS . . .

The boy scout organization is well known to all of us and certainly we know what a marvelous training job they are doing. We belong to the South Plains Boy Scout Council and have one full time salaried man living in Brownfield now, Mr. Dan Reese. When you give the united way you are helping to train young men with the moral fiber for the future.

Give TO YOUR COMMUNITY CHEST

SALVATION ARMY . . .

The salvation army is the one organization who assists citizens in our community when they are in need of food, gas to get to the next town, housing when they are cold and out of money, medicine when they are sick, and in many instances help them to find work. These are destitute people who live here or who are passing through. The most of this money goes for food. This is another example of how you help others by giving through the Community Chest.

GIVE till it feels good

EVERYBODY BENEFITS

The Red Feather Symbol Of The Community Chest Stands For Service, Not Charity
GIVE TODAY . . . 1 DAY'S PAY!

YOU CAN PAY AS YOU PLEASE . . .

- . . . By Draft Monthly, Quarterly, Annually.
- . . . Check or Cash During Campaign.

The health, welfare, and recreational organizations of this community and the people served by them . . . greatly appreciate the splendid support you have given them in the past. With your one generous contribution one time each year, you help all of our charitable groups in giving aid where it's needed most . . . To the young, the ill, the aged, to the cripples, and to keep devastating diseases from healthy bodies like mine and yours.

LET US NOT FORGET . . . This Is Not My Community Chest, or Your Community Chest . . . It Is Ours!

Give TO YOUR COMMUNITY CHEST
GOOD FELLOW FUND . . .

It has been an American tradition for a long time to try to make some under privileged family happy during the Christmas Season by giving them toys, food, etc. If you would like a heart warming experience Christmas, volunteer to help deliver these baskets Christmas day. See the smiles from little children's faces, hear the words from these mothers, and give yourself a thrill you will never forget by helping some poor family have a good Christmas. Your Community Chest is so worthwhile . . . Give generously today!

Give TO YOUR COMMUNITY CHEST

RED CROSS . . .

The American Red Cross is another organization that has been with us a long time and if they were not doing an all over good job, they would fold up! About 30% of the Red Cross allocation stays in the County, and we hope Brownfield will never have a big enough catastrophe to need the national's assistance. The local money is used to assist U. S. Soldiers in getting home during emergencies, etc.

Give TO YOUR COMMUNITY CHEST

HEART FUND . . .

As we all know, heart ailments are taking a terrific toll each year. A lot of money is needed for experimental purposes to determine the causes as well as how to take care of different heart ailments after the attacks have come. The most of this money goes to the national association to be used on research, etc.

Give TO YOUR COMMUNITY CHEST

VOLUNTEER FIREMEN . . .

This is the first year to include this group in our Community Chest. This money goes towards a retirement and pension fund for volunteer firemen who serve us here in Terry County. This fund provides for a \$25 per month income for volunteer firemen who serve for 20 years and who are 57 years of age. As you know our volunteer firemen draw no salary, yet they pay \$5 per year dues and since that is not enough income to take care of the retirement fund, your community chest felt it their duty to help. There are 8 volunteer firemen who are getting \$25 per month and 1 fireman's widow here in Terry County.

The Polio Fund and American Cancer Society Have Been Invited to Participate in The Community Chest, but Have Refused to Come In!

One Day's Pay Is All You Are Expected To Give!

TERRY COUNTY COMMUNITY CHEST

Unique PTA Will Be Organized At BHS Library for Parents of Pre-School Tots

"Parents can do a great deal toward getting their children physically, mentally and emotionally ready for school," said Kenneth Browning.

Browning is principal of Colonial Heights School, and publicity director for a new parent-teachers group which will be organized at 7:30 p.m., Monday in BHS library.

The new group will comprise parents of pre-school youngsters throughout the county, and will be a PTA unit here. Officers will be elected, said Browning.

He also explained: "There are a great many things which parents can do toward preparing themselves for their child's entrance into formal education for the first time."

Film Is Scheduled
A moving picture, "Preface To a Life," will be shown Monday night, portraying the critical and formative years of a child's life when his personality is being affected by the attitudes and actions of his family and associates.

The film will deal primarily with a man who is maladjusted because he had a too-demanding father and a too-protective mother when he was a child.

"All parents are invited to be with us Monday," said the principal, and: "We especially urge parents with pre-school children to become members of this new PTA, an organization unique in Brownfield."

ing father and a too-protective mother when he was a child.

Ronald G. Swan Is Back in U.S. After Far Eastern Cruise

Ronald G. Swan, damage controlman fireman, USN, son of Mr. and Mrs. H. N. Swan of 317 East Hill, arrived last week in San Diego abroad the destroyer USS Shields after completing a six-month cruise in the Far East.

During the stay in those waters, the Shields was a unit of the U.S. 7th Fleet, participating in fleet exercises and anti-submarine warfare training.

Between operations, the destroyer's crew visited in Hawaii; Midway; Hong Kong; Kaohsiung, Formosa; and in Yokosuka, Yokohama, Kobe and Nagoya, Japan.

Meadow Loses Cage Opener To McAdoo

George Scott scored 18 points Tuesday as McAdoo downed Meadow, 52-43, in a basketball game.

Don Teague dumped in 13 points, three more than Leroy Scott. For Meadow, Harold Hinson had 12 and Ronnie Bell 11.

In the girl's game, Meadow won, 53-47. Linda Hendricks led the winning attack with 32 points. Ellen McCormick was high for McAdoo with 24. Linda Dennis got 17.

McAdoo won the B-team contest, 55-27.

Meadow Girls Drop Two To Sundown

Sundown won a pair of girls' basketball games from Meadow at Meadow Monday night, winning the B-team game, 61-45, and the "A" contest, 60-54.

Mary Domengious, with 27 points, led the A-team's victory. Meadow was leading 33-29 at halftime and 41-40 going into the fourth quarter.

Betty Eubanks hit 20 points and Linda Hendricks 19 for Meadow.

In the B-team game, Barbara Scott scored 24 and Glenda Huffman 21 for Sundown. Clara Duncan had 18 and Jeanie Salisbury 15 for Meadow.

YEAR END TAX TIPS NUMBER 1

Act Now To Trim Your Federal Income Tax Bill

This is one of a series of four articles on federal income taxes. The articles are based on information provided by the American Institute of Certified Public Accountants and the Texas Society of Certified Public Accountants.

You still have time—but not much time—to do a little year-end tax planning and assure yourself of the best possible break when you file your tax return next April.

Millions of high, low and middle income taxpayers, realizing that careful planning of their financial affairs between now and the first of the year can pay off handsomely when the tax collector calls next spring, have already begun to establish those extra deductions and special exemptions that will reduce their tax bills.

You can do this too, but you must act so late that December 31. To alert you to the tax-saving steps you may be able to take before the end of the year, this newspaper is printing a series of articles prepared with the help of the national and state organizations of certified public accountants. These articles—if you keep them and follow their advice—can save you money.

Evaluate Income Prospects
If you are like most individual taxpayers, your goal at this time should be to level off income for this year and next year. Needless or careless bunching of income in either year can be costly. The sharp rise of today's progressive tax rates—which you can assume will be as high or possibly only slightly less in 1958—makes it much better to have an income of \$8,000 in each of two years, rather than \$6,000 in one and \$10,000 in the other.

Special Income Situations
If you are planning to be married in 1958, remember that the income-splitting privileges you gain will set like a rat cut for you. At \$2,000 of income, your taxes will be \$240 less than if you were single, assuming that you take the standard deduction and claim only exemptions for you and your wife. For this reason, young couples planning marriage might consider postponing income from 1957 to 1958, while accelerating deductions from 1958 to 1957.

How to Shift Income
For example, if your two-year income estimate shows that your income for this year will be significantly higher than next year's, you should take immediate steps to throw as much income as possible from 1957 to 1958. At the same time you should speed up the payment of all expenses that can be deducted on your 1957 return. By concentrating deductions in the higher year and switching income to the lower, you will keep your taxes for both years in the lowest possible tax bracket.

Determined End . . .

Despite miserable 23 degree weather and a field frozen solid, the Union Wildcats came from behind in the last two periods to hand Mobeetie a 43-38 licking and claimed their bi-district tilt played Saturday at Pampa.

After trailing, 13-6, at the end of the first period, and 26-18 at the half, the 'Cats rallied for four TD's in the second half to pull the game out of the fire.

Union will move into the final round of playoffs Saturday when they host the Jayton Jaybirds here in Cub Stadium. Kickoff time is set for 2:30 p.m.

Short-Lived lead
Alfred Newsom gave the Wildcats a short-lived lead as he went over for a touchdown from the three after the 'Cats had driven 50 yards from the opening kickoff. Try for point failed.

Minutes later Mobeetie drove 50 yards in eight plays to knot the score. A pass play from LaWayne Hogan to Archie Scribner went the final 20 yards. Point was no good.

Scribner tallied the second Mobeetie score on an end-around play that covered 17 yards, capping a 60-yard

march. Clinton Simpson added the extra point on a run.

A Newsom to Wylie Kay pass combination clicked for the second Union touchdown early in the second quarter. The 17-yard aerial climaxed a four-play, 50-yard drive. The try for point failed.

The Panhandle lads added two more tallies in the second period on a 50-yard drive, Ferrell Baird going the final four yards, and a 26-yard dash by Tommy Corcoran. Baird ran the extra point on the second score.

Passes Click
Kay broke loose for a 54-yard dash following the kickoff to close the margin to 26-18 at the half.

In the third period, two Kay to Newsom aerials clicked for touchdowns. The first, a 30-yarder, capped a 50-yard drive in seven plays. Newsom added the point on a run.

Minutes later Kay flipped to his running partner for 22 yards to wind up a 72-yard drive in a 12 play series.

Baird passed 10 yards to Paul Hathaway for the lone Mobeetie score in the third period, giving them a 32-31 edge. See No. 2 Page 4

A Dozen Cubs Complete Eligibility

With the completion of the 1957 gridiron season, 12 Cubs ended their high school eligibility.

Much of the Cubs' success can be attributed to these seniors who provided the leadership and experience necessary for a football team.

Numbered among the group are six offensive starters, whose positions are expected to be hard to fill.

Though the Cubs could claim only a 3-5-2 record for the season, they could not be called a soft touch by any of their opponents.

Opposing coaches vowed this was the hardest-hitting team in the district—Kermit, for instance, lost four starters for bi-district play after their clash with Brownfield.

Thumbnail sketches of graduating seniors:

Johnny Mack Jones — After transferring to Brownfield his junior year, he played on the B team. Moving up to a first string slot this year, he developed into one of the top ends in the district.

Mike Browning—A three-year letterman for the Cubs, "Little Mike" proved to be the spark that ignited the team on numerous occasions. An all-district selection last year, he is expected to repeat again.

Ellis Cox — Without a doubt the most underrated player on the Cub squad. He is one of the top defensive backs in the district and turned in numerous gaining runs on the offensive side as well. Ellis is a three year letterman for the Cubs.

Donald Godwin — Though seldom playing offensively, Donald likely will long be remembered for his pressure extra point kicking that preserved ties with Plainview and Kermit this season. This year will be his first varsity letter.

Robert Travis—Better known as "killer," he earns his first letter this year. He is an aggressive defensive player, providing hustle and spirit for the squad.

Eldon Johnson—Another first year letterman. Though quiet and unassuming, he has provided some excellent line play for

the Cubs this year.

Jon Fulfer—The Cubs' hard-blocking center. He earned a varsity letter this year and a reserve numeral in '56. He has turned in numerous good games this season, especially on the offensive side of the ledger.

Eugene Hughlett — Probably the scrappiest player on the squad. Though of slight stature, he never stopped mixing it up — either in practice or in a game. His second lettering year was highlighted last week as he caught a 30-yard pass for a TD and turned in a sparkling defensive show.

George Fugitt — Without a doubt one of the top linemen in District 2-AAA. After a slow start this season, he developed into one of the toughest tackles in the area. He was named to the second all-district team in '56 and has a good chance of copying first team honors this season. He is a three year letterman.

George McDonald — Another of the Cubs' tough defensive

See No. 1 Page 2

Why use two when one will do?

You'll do better to protect your motor with this one all-weather oil than to change from heavy oil to light oil according to the season.

Users of Trop-Artic* All-Weather Motor Oil never have to worry about using different grades of oil at different seasons of the year. TROP-ARTIC is a light oil and heavy oil in one (grades 10W through 30). Furthermore, it lubricates and protects your motor far better than any of the old-fashioned "single grade" oils.

The reason is that TROP-ARTIC never gets too thick or too thin. In a cold engine it flows quickly for easy starting. In a hot engine it retains the "body" necessary to prevent wear. It reduces friction to save you gasoline. It keeps your engine clean. Compared to old-fashioned oils it can even double engine life. Get TROP-ARTIC All-Weather Motor Oil today from your Phillips 66 Dealer. *A trademark.

PHILLIPS PETROLEUM COMPANY

AT CHICAGO MEETING

Science Fiction Featured in Twin-Bill Running Friday and Saturday at Regal

Science-fiction entertainment will take over the screen of the Rialto Theatre, starting Friday and Saturday when "Kronos" and "She Devil," both in Regal scope and released by Twentieth Century-Fox, comprise the new double feature.

plants in this country, wreaking havoc among the people. How the three principals cope with this monster, which stands over 100 feet high, provides the hair-raising entertainment. The special effects, especially created and designed by Jack Rabin Irving Block and Louis De Witt, make "Kronos" an awesome sight to behold.

Marine Corps Sergeant To Discuss Recruiting

A U. S. Marine Corps recruiting sergeant will be in Brownfield on Dec. 5, 12 and 19.

The sergeant will be here to discuss "No active duty with the Reserves" with prospective Marines. It's a plan offered only by the Corps and designed for the volunteer.

The recruiting sergeant will be located from 10 a.m. until 1 p.m., in Local Board 116, Brownfield Savings & Loan building.

"She Devil," also produced and directed by Kurt Neumann, stars Mari Blanchard, Jack Kelly and Albert Dekker. It tells the spine-tingling story of two scientists who use a new and untried serum on a tubercular patient in the hope of curing what appears to be a hopeless case.

The serum works but, to their amazement, causes a complete change in the subject's appearance and personality. The subject, Mari Blanchard, turns into a thief and murderer but the scientists are unable to cure her, since the serum has established an immunity to any pain in her body. The film's dramatic conclusion promises audiences highly suspenseful screen action.

I speak truth, not so much as I would, but as much as I dare; and I dare a little thus more as I grow older.—Montaigne.

Full Round of Activities Slated for National 4-H

The program provided for delegates to national 4-H Congress in Chicago, December 1-9 would make any teen-age boy or girl work for chance to go — and that's what the 31 4-H Club boys and girls who will represent Texas did.

They are all junior leaders. Some are winners in home economics and agricultural subject-matter fields such as food, clothing, field crops, soil and water conservation, and home improvement. Others represent all-around achievement in personal development and community activity.

Scheduled to leave Fort Worth Friday afternoon, the delegates will be accompanied by assistant State 4-H leaders, Gerald York and Erma Wines, and county extension agents, Mrs. Velma Slaughter of Brown county, and Al Petty of Denton county, and Texas Extension Director John Hutchison, who is a special guest at Congress this year.

The Congress theme, "IMPROVING FAMILY AND COMMUNITY LIVING," will be developed in group assemblies by outstanding speakers and discussion leaders. Secretary Benson will speak at one of the special sessions on Tuesday.

Congress activities. Headline acts from the entertainment world will add fun and festivity. Delegates will have a chance to hear a "pop" concert by the Chicago Symphony Orchestra, with two 4-H'ers as guest soloists.

They will hear Purdue University Glee Club, see Cinema's "Seven Wonders of the World" and top novelty and musical acts. In short, it will be the kind of entertainment that many of these boys and girls have never had an opportunity to experience.

Award winners in all fields will be honored at meal events by host donors, friends of 4-H. Sometimes the entire group, nearly 2,000 strong, will be together in one ballroom. Atmosphere, fellowship and entertainment make mealtime a special time at Congress.

Wednesday all delegates and leaders will attend the International Livestock Exposition to enjoy the horse show and see exhibits. That evening they will give their own show — their annual 4-H Club parade for the exposition audience.

Clark Gable, Yvonne DeCarlo Starring In Warner Brothers' 'Band of Angels'

"Band of Angels," the tumultuous best seller by Pulitzer Prize-winner Robert Penn Warren, has been made into a powerful motion picture by Warner Bros.

Starring Clark Gable, Yvonne DeCarlo, Sidney Poitier and Efram Zimbalist Jr., the Warner Color film premieres Sunday at the Regal Theatre.

The story, set in the South at the time of the Civil War, focuses itself on the romance of its two main characters, Hamish Bond, wealthy New Orleans gentleman and former freebooting slave-runner. He is portrayed by Clark Gable in his first Civil War role since his memorable Rhett Butler in "Gone With The Wind." Opposite him is Yvonne DeCarlo who plays a Southern aristocrat who falls to the lowest depth of degradation known to her society, and finally is taken in by Gable and made mistress of his house.

Meadow Places Two On 4-B 'Dream Team'

Whiteface's District 4-B champions dominated all-district selections released this week.

Meadow, Wilson, New Deal and New Home placed two players each on the "dream team." A tie for left half placed 12 men on the squad.

The Broncos also placed three men on the second team and two were given honorable mention.

Meadow gridders selected include Harold Henson, senior end; Don Bowman, guard; Royce Terry, guard; James Smith, quarterback, and Bobby McCallister, tackle.

Bell, though ranking fourth high scorer in the district, was the victim of too many top-notch halfbacks.

McCallister missed the first team by only one vote.

Grubbs Emphasizes Rules Toward High School Recruiting

It is a violation of Southwest Conference rules for college recruiters to contact high school athletes during football season...

These regulations and others were pointed out by Howard Grubbs, Southwest Conference executive secretary.

The rules are embodied in resolutions passed by the conference in May, 1956...

The cited resolutions read as follows:

- 1. To bar official visitations to college campuses, prior to graduation... 2. To allow official visitations to college campuses... 3. To allow contacts with prospective athletes...

It takes dissatisfaction to make efficient government — Atchison Globe.

Tech Stadium To Be Feature Of 'Review'

The most interesting play from three Southwest Conference football games will be shown at 7:30 p.m. Tuesday on Channel 13 on the Humble Company's, Football Review.

Kern Tips will describe the plays taken from the Texas A&M-Texas, Baylor-Rice and SMU-TCU games.

Football features on the program show how Texas Tech is building up its athletic program...

The annual Thanksgiving football classic between Tech and Texas AM will be broadcast by Humble Oil & Refining Company.

Kern Tips and Alec Chessel will be in College Station to describe all the action and color beginning at 1:15 p.m. on KDUB radio.

Maj. and Mrs. James Shelton Are Parents

A baby girl, weighing 7 pounds 14 ounces, was born Nov. 14 to Mrs. Judy Shelton, wife of Maj. James A. Shelton, USA, at Tripler Army Hospital, Honolulu, Hawaii.

Maj. Shelton, who is stationed with Headquarters, U.S. Army Pacific, Fort Shafter, is the son of Mr. and Mrs. J. E. Shelton of Brownfield.

THEY'LL BENEFIT FROM CHEST CAMPAIGN — One of eight Brownfield groups which will share in the Community Chest funds during the 1958 is the Girl Scouts. The Chest search for funds is under way now in Terry County. Some 100 volunteers are giving much time to push the search to a successful end, which is the last day of the second week in December.

No. 2

going into the final frame. Hogan tacked on the final Mobeetie score in the fourth quarter on an 11-yard canter, setting the stage for two more Union scores via the aerial route. Newsom unlimbered his throwing arm in the final period to hit Jimmy Sargent for 20 yards and a touchdown, ending a 50-yard drive. Newsom tossed to Kay for 25 yards and a touchdown late in

Eight-Man Football Offered To Schools

Schools with enrollment of less than 100 may elect to play either six or eight-man football next year, according to an announcement by the University Interscholastic League.

A Six-Man district must vote for the change before it can be adopted. Coach Kenneth Sams of Union said the vote probably will come up in 2-B soon and that he hopes it will make the step up.

UIL noted the policy will offer the possibility of a Six-Man champion meeting an Eight-Man winner at the bi-district level. However, a compromise policy will be forthcoming from the league before the 1958 season.

The new league was tried on an experimental basis in District 22-B this fall.

Mrs. Herod Hostess To Bridge Gathering

Ideal Bridge Club met with Mrs. Roy Herod of 702 Old Lamesa Road Wednesday afternoon, with Mrs. C. F. Hafer taking high score prize.

Mrs. R. L. Bowers took second high and Mrs. Al Muldrow took the traveling prize. The Thanksgiving theme was used in decorations. Refreshments were honey spice apple cake with whipped cream and coffee.

Guests at the party were Mrs. Orb Stice, James Murchough and Leonard Chessier. Members present were Mrs. Bill Anderson, Coy Barnett, Rovers, Hafer, Earl Layman, Joe McGowan, Muldrow, Frank Beck and E. Y. Wilder.

VISIT IN HEROD HOME
Mr. and Mrs. Homer Albrecht of Lubbock were recent guest in the home of Mr. and Mrs. Roy Herod of 702 Old Lamesa Road. Albrecht is with the Continental Oil Co., and he is to be transferred to Brownfield in the near future.

Woman is more efficient. She can talk for forty minutes with out a pitcher of water on a stand nearby. — San Francisco Chronicle.

FFA DISTRICT WINNERS — The trio pictured above, all members of Brownfield Chapter, Future Farmers of America, took top honors here Monday in FFA farm skill demonstrations, participated in by members of Brownfield District. The youths will compete Saturday in Big Spring on the area level. From left: Homer Pendergrass, Gene Purcell and Leon Clark. Sponsors are Walter Meyer and Robert Beckner, vocational agriculture teachers in Brownfield High School. Said Meyer: "Purpose of the farm skill demonstration is to promote a better understanding of agriculture, to enable farm boys to become more proficient in public speaking, and to provide programs for different organizations." Title of the trio's skill was "Soil and Plant Tissue Testing." Beckner explained that with the knowledge which the trio has gained, the youths now are able to turn out professional tests of the soil.

Immanuel Intermediates Change Meeting Dates

Intermediate II girls of Immanuel Baptist Church met Wednesday for a business meeting.

They voted to name their class "The Kingdom Seekers" and to hold regular meetings each first Wednesday.

After the meeting they went to the home of their teacher, Mrs. Howard Sherwin of 602 East Cactus Lane, for a hamburger supper. Those attending were Gem Wells, Sue Burris, Bobbie Bailey, Phoebe Key, Sharon McCarley, Ethelyn Burris, Nancy Moses and Carolyn Rankin a former member.

CHRISTMAS CARD SCENE — This scene, taken during last week's snow storm. The brief storm, in the 900 Block on East Broadway, was only one that dumped an estimated 5 1/2 inches here, is believed to be the earliest major snow in this area of many homes that took on a holiday atmosphere in history. (NEWSfoto)

Challis News

The Women's Missionary Union met in the home of Mrs. Wayne Bagwell Monday. Mrs. Clark, president, led the business meeting. Plans were made for the Lottie Moon week of prayer program Dec. 2-6.

Mrs. Slater gave a short talk on stewardship and a round table discussion was held on "Gentle House" and other mission books. Mrs. Slater led the opening prayer and Mrs. Langford closed the meeting with prayer.

Cookies, Cokes and coffee were served to Meses. E. N. Corley, L. P. Price, L. R. Bagwell, L. P. Carroll, C. Clark, Henderson, Newman, Slater, Langford, Holcombe and four Sunbeams.

Miss Sandra Pipkin from Andrews spent last weekend attending the ball game in Brownfield.

Those visiting in the C. S. Carroll home Sunday were Mr. and Mrs. John Garner, Mr. and Mrs. Wayne Bagwell, Mr. and Mrs. Loyal Henson and Kathy E. N. Corley, Banks, Mr. and Mrs. Edd Whitaker, the Rev. and Mrs. Frankie Rainey and Mr. and Mrs. Norrein Neeman. Mrs. Clarence Clark and Lucet visited Mrs. E. R. Slater recently.

Mrs. E. L. Coppage and Mrs. E. S. Henderson and boys of Hobbs, NM, visited W. J. Henderson Monday afternoon.

Mrs. E. N. Corley and Mrs. Price visited Miss Fay Hucildeberry, who has been ill, Sunday afternoon.

Mr. and Mrs. C. S. Carroll and children visited Mr. and Mrs. J. C. Armstrong of Ropes Friday evening.

Halliburton Employees Attend Friday Dance

Employees of Halliburton Oil Well Cementing Co. and guests met in The Boy Scout Hut Friday night for a party and dance.

Jack Eickie and Paul Rogers furnished the music for dancing. Those attending were Mr. and Mrs. Gene Smith, Mr. and Mrs. Gene James, Mr. and Mrs. Eickie, Mr. and Mrs. Bob Moore, Mr. and Mrs. O. R. Roberts, Mr. and Mrs. Paul Savage, Mr. and Mrs. Leonard Hanson and Mr. and Mrs. Johnnie Stillwell.

They say no auditorium has ever been built large enough to hold a convention of the daughters of the Mexican revolutionists. — The Hartford Daily Times.

UNEXPECTED 'VACATION' — Jerry Don Roedler, son of Mr. and Mrs. J. D. Roedler of 308 West Buckley, was one of many Brownfield youths who used their unscheduled vacation from school to scoop snow from their doors and yards. However, most youngsters preferred to do the job by building snowmen. (NEWSfoto)

FAVORITE WINTER PASTIME — Pat Hoey, left, daughter of Dr. and Mrs. Bob Hoey of 1213 East Cardwell, and Jan Nicholson, daughter of A. R. Nicholson of 1102 East Cardwell, struggled to complete their snowmen before Friday's thaw set in. Brownfield was dotted with hundreds of these "winter people" before the day was over. (NEWSfoto)

Mrs. Jack Everitt Is Shower Honoree

Mrs. Jack Everitt of Venezuela, South America was honored with a pink and blue shower Nov. 16 in the home of Mrs. Ervin Moore of 707 East Oak. Mrs. Everitt is a former resident of Brownfield.

The table was covered in a white cloth. The center arrangement was of white and

pink rosebuds flanked by pink tapers. Crystal completed the setting. Other arrangements in the home included a styrofoam stork surrounded by miniature baby dolls.

An arrangement of mums centered the mantle. Co-hostess was Mrs. Truman Du Bees. Guests registering were served

Guest Day Is Held By Junior Woman's Study Club Monday

Mmes. Bill Gorby and Bill Blankenship were hostesses for Junior Woman's Study Club guest day party Monday at Seleta Jane Brownfield Clubhouse.

Mrs. E. B. McBurnett Jr. took high score prize for bridge spiced tea, cookies and nuts.

and Mrs. Bobby Green for canasta. Mrs. Alton Martin binged. Thanksgiving theme was carried out by the use of fall flowers, dried foliage and paper pumpkins.

Guests attending the party were Meses. Loe Baxter, H. I. Nelson, Joe E. Woods, Buddy Rambo and Dale Ray. Mem-

bers present were Meses. Ulee McPherson, Buddy Orr, L. G. Moore, Harley Rogers, Martin, McBurnett Jr., Erwin Moore, Tom Adams, Green, Don Hewitt, Leo Wenzel and Bob Campbell.

**You'll discover
a whole new world
in the 58 FORD**

Smooth as they come... smart as they go. The Fairlane 500 Town Victoria gathers gazers wherever it goes.

You'll discover... just as the whole world discovered... that Ford's dramatic new features for 58 make it the most exciting value ever offered the American car buyer. It's the fine car at half the fine-car price!

You'll ride in a new world of fashion with Ford's deep-sculptured styling. From new Honeycombed grille and Power-Flow hood to the new Slipstream roof and Sculptured rear deck, Ford's 58 styling is a standout!

You'll be ahead with Ford's all-new Interceptor V-8 with Precision Fuel Induction. Gives up to 300 hp. Smoother power... more power... from less gas! The secret is Precision Fuel Induction, a great new fuel feeding system!

You'll get gas savings up to 15% with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position lets you move smoothly, automatically from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with optional Ford-Air Suspension. This is the way you've always dreamed of driving—floating on air! Four air pillows soak up bumps. Car reveals when someone gets in or baggage is loaded. All this is yours at low Ford prices!

You'll steer with a feather touch with new Magic-Circle steering. Nothing rolls like a ball and that's the secret of Ford's steering ease. Free-moving steel balls bring you the closest thing yet to power steering!

Your night driving is safer with Ford's Safety-Twin headlights and taillights. It's the biggest advance since sealed-beam headlights! And only Ford can offer you Lifeguard Design and other "Inner Ford" safety features!

Nothing newer in the world **58 FORD** Proved and approved around the world
