NO. 27

## CITY NEWS BRIEFLY TOLD

MRS. M. L. PRICE AND SON, Louis, left this morning for Dallas, where they will attend the wedding of a friend.

GEORGE BENSON, OF THE Lubbock Auto company, was planning to leave today for a business trip to Dallas.

A. B. DAVIS, MANAGER OF THE Lubbock Chamber of Commerce, leaves this afternoon for Dallas where he will attend meetings of the state chamber of commerce and retail merchants association.

MRS. N. H. McCURE, OF THE victrola department of the Rix Furniture company, has gone to Dallas where she will attend the State Fair, now in progress.

GARNETT LEEVES, ASSISTANT manager of the Chamber of Commerce, who at the present time is in Dallas with the Lubbock county exhibit at the State Fair, informed the Daily Journal that the agricultural exhibits at the fair this year are much better than they have ever been before.

G. E. LOCKHART AND TOM Garrad, members of the local legal firm of Lockhart and Garrad, told the Daily Journal last night that J. R. Hill, Brownfield hotel man who is charged with the murder of Sam Parker, Yoakum county farmer three weeks ago, had been released from jail following the action of the state court criminal appeals at Austin, yesterday. The thousand dollars was posted to permit the temporary release of Hill. Bond had been refused by the county judge of Yoakum county and also by District Judge Gordon H. McGuire of Lamesa. Habeas corpus proceedings were successful in arranging for the release on bond.

MRS. HAL BUCKNER AND LITTLE daughter, Betty Jo, are expected home the first of next week. They have been visiting relative sin Annaheim, California, for some time.

DR. PEYTON IRVING, OF Tusita, state college inspector, was very complimentary toward the Texas Technological College and its faculty while in the city yesterday. It was Doctor Irving's first visit to the school.

ROBERT I. CAMPBELL, OF Dallas will be added to the engineering faculty of the Tech College, it was given out today. Mr. Campbell is expected to arrive in Lubbock late today.

R. MORTIMER CHITWOOD, Business manager of the Texas Technological College, left yesterday for Ft. Worth where he will attend to business matters pertaining to the school.

REVEREND AND MRS. WALTER P. Jennings, of this city, have returned from a trip to Oklahoma City where Mr. Jennings attended the annual convention of the Christian Church of America. Mr. Jennings is pastor of the Christian Church here.

MR. AND MRS. W. N. WOODS, OF Buda, Texas, are visiting here. Mr. Woods is interested in Hurlwood, a new town west of Lubbock, in this county.

## EXPLOSION ROCKS DOWNTOWN OF ABILENE

ABILENE, Texas, Oct. 15. (P)—Property damage of \$12,000 was done and a negro seriously injured as a result of an explosion here at six o'clock Thursday morning, which occurred when the negro, Rufus Payne, entered a barber shop and lighted a match. The explosion was caused by a leakage of natural gas, which had collected during the night. The force of the explosion blew forty plate glass show windows in the neighborhood, besides many dozens of other windows.

The building just completed at a cost of \$4,500 is total loss. It is located in the center of the south business district.

## Strike Of Railway Employes Effective

BALTIMORE, Md., Oct. 15. (P)—A strike of engineers, firemen and hostlers of the Western Maryland Railroad became effective today because of the failure of negotiations over changes in the wage scale of working. The stock order was issued last night approximately 500 men were affected.

## The Weather

WEST TEXAS: Tonight and Friday generally cloudy, cooler in east except the Panhandle.  
EAST TEXAS: Tonight partly cloudy, rain in extreme east, cooler Friday, partly cloudy, somewhat colder south.  
LOUISIANA: Tonight and Friday occasional rain, cooler tonight except in southeast, cooler Friday.  
OKLAHOMA: Tonight partly cloudy, cooler in southeast; Friday generally fair.

## DOCKET SET FOR COMING TERM OF DISTRICT COURT

NUMBER OF CASES SHOWS DECREASE OVER DOCKET AT AUGUST TERM

The court machinery of the 72nd Judicial district is facing a light docket in the term which is to open here next Monday in comparison to the August term, it was revealed, Thursday with the release of the docket from the office of District Clerk Louis P. Moore.

Plas for divorce have shown little decrease over the past term, there being a total of 44 of this style cases set for hearing in the coming session. The criminal docket hinges largely around charges of violation of the prohibition laws, with an occasional charge of forgery and robbery. Five cases charging theft of cattle, the most of which concerned local men are also set for trial.

Charges of murder in connection with the death of Roy Dalton, prominent South Plains ranchman also are set for trial, as is the Jess Harvey murder case, from Idado, which was called twice during the last term, but on account of technicalities, was held over.

The following list includes all criminal cases, except such cases as are on appeal:  
The State of Texas vs. Hugh Walker, vio. pro. law.  
The State of Texas vs. (No arrest has been made). Forgery.  
The State of Texas vs. Lewis Davis, passing forged instrument.  
The State of Texas vs. A. L. Hoffman, manufacturing liquor.  
The State of Texas vs. D. Mathews, Theft by Bailee.  
The State of Texas vs. L. A. Moore, vio. pro. law.  
The State of Texas vs. Bass Mullins, vio. pro. law.  
The State of Texas vs. Jess Harvey, Murder.

The State of Texas vs. Emmett Nickel, vio. pro. law.  
The State of Texas vs. P. E. Nickel, vio. pro. law.  
The State of Texas vs. C. E. Monroe, vio. pro. law.  
The State of Texas vs. A. L. Hoffman, vio. pro. law.  
The State of Texas vs. (no arrest). vio. pro. law.  
The State of Texas vs. Jack Atkins, Transporting liquor.  
The State of Texas vs. Frank Long, Transporting liquor.

The State of Texas vs. George Nicholson, vio. pro. law.  
The State of Texas vs. Emmett Nickel, vio. pro. law.  
The State of Texas vs. Emmett Nickel, vio. pro. law.  
The State of Texas vs. Finis Nicholson, vio. pro. law.  
The State of Texas vs. (no arrest). Forgery.  
The State of Texas vs. Will Luman, Murder.

The State of Texas vs. Ed Walker, Murder.  
The State of Texas vs. Ed Walker, and Will Luman, vio. pro. law.  
The State of Texas vs. Ed Walker, vio. pro. law.  
The State of Texas vs. Ed Walker, vio. pro. law.  
The State of Texas vs. Lawrence Wheeler, vio. pro. law.

The State of Texas vs. Fred Cobb, vio. pro. law.  
The State of Texas vs. S. E. Melton, vio. pro. law.  
The State of Texas vs. C. C. Reed, vio. pro. law.  
The State of Texas vs. Jim Sena, vio. pro. law.

The State of Texas vs. Dan Henderson, Assault to rape.  
The State of Texas vs. Benarbe Chabes, Robbery.  
The State of Texas vs. (no arrest). Forgery.  
The State of Texas vs. (no arrest). Forgery.  
The State of Texas vs. Benarbe Chabes, Burglary.  
The State of Texas vs. Benarbe Chabes, Burglary.

The State of Texas vs. (no arrest). Forgery.  
The State of Texas vs. Walter Houston, Burglary.  
The State of Texas vs. Jim Hayes, Burglary.  
The State of Texas vs. Wiley Escue, vio. pro. law.  
The State of Texas vs. J. W. Boyd, Theft of cattle.  
The State of Texas vs. J. W. Boyd, Theft of cattle.

The State of Texas vs. M. O. Myrick, Theft of cattle.  
The State of Texas vs. R. G. Aschbacher, Theft of cattle.  
The State of Texas vs. R. G. Aschbacher, Theft of cattle.  
The State of Texas vs. J. H. Dumas, Theft of cattle.  
The State of Texas vs. D. W. Puckett Jr., Perjury.

The State of Texas vs. John Rogers, vio. pro. law.  
The State of Texas vs. R. E. Rogers, vio. pro. law.  
The State of Texas vs. Pont Pierce, vio. pro. law.  
The State of Texas vs. Dude Falkner, vio. pro. law.  
The State of Texas vs. Mrs. Annie Herman, Forgery.  
The State of Texas vs. Mrs. Annie Herman, Forgery.  
The State of Texas vs. Mrs. Annie Herman, Forgery.

The State of Texas vs. Fred Herman and Annie Herman, Swindling.

## Tech Officials Plan Employment Bureau At School

An employment bureau at the Tech college, which would handle all calls for help, many of which daily are registered with college officials, is being sought by a committee of three members of the faculty, which has been placed in charge of arrangements.

It is the plan of this committee to employ one student, who is yet to be selected, and place him or her, as the case might be, in charge of the bureau, according to F. D. Galbraith, chairman of the committee, and all calls for help placed with the school officials would be given over to this student for attention.

This action, in the opinion of Mr. Galbraith, would not only relieve instructors and officials of a certain amount of responsibility, but would aid to the efficiency of the bureau. The committee is expected to announce the student selected for this task within a day or two.

## 3 MORE COUNTIES ON PLAINS ADD HEALTH NURSE

Three more counties on the South Plains will offer their people the benefits derived from the employment of a public health nurse, Miss Kathryn Hagquist, of the state board of health announced here Thursday morning following her return here from Muleshoe, where she spent Wednesday in closing up final details in connection with the employment of a nurse in Bailey county.

The three counties are Bailey, Hale and Crosby, and all will add the health nurse department to the county governments on Nov. 1. This action, in the opinion of Miss Hagquist, sets a new record in this work, as this is the first time recalled in the history of the work in the state that three counties have entered into the work at the same time.

Various club organizations throughout the counties involved have been working with the commissioner's efforts of the different counties for some time to raise the funds necessary to carry on the work, and in each instance the commissioners have concurred heartily in the move, and have appropriated all funds that are available for this purpose.

The work is carried on through the health department, which is a part of health, which matches the appropriation of each county dollar for dollar, and in addition to this the state department works in complete co-operation with the nurses in different counties, offering advice and instructions for the carrying on of the work.

## Work Progressing Nicely On Dairy Barns At College

Construction work on the dairy barns at the Tech College here is progressing nicely, and the building out at the college Thursday, and although the inclement weather is holding up work to a certain extent, it is believed that the barns will be ready for occupancy not later than the first of November, when instruction in the livestock department may begin to move along normal channels.

Officials in the agricultural and livestock departments are planning to begin to move their stock here, possibly by the first. Several animals are now owned by the college, some having been bought and others donated, but delivery has been held up pending completion of the barns. Only one pig has been brought here to the present, and is being cared for at the experiment station.

The barns, plans for which were reviewed and the site of the building out head will provide for about sixteen head of stock in addition to the approximately forty head of dairy cattle, according to A. H. Leidigh, Dean of the Agriculture department.

## UNION MEN VOTE UNFAVORABLY ON PLAN

ATLANTIC CITY, Oct. 15. (P)—The American Federation of Labor, today voted after an animated debate against the formation of an independent labor party. President William Green said there may come a time when it may be necessary to organize such a party, but at present labor's interests can best be served by supporting candidates friendly to labor.

The convention turned down a resolution introduced by J. Shaffie, of the Chicago bank clerks' association, proposing that the United States recognize Soviet Russia. Two delegates voted in favor of recognition. A committee report on the subject "whole communist philosophy."

## STATE COLLEGE EXAMINER HERE TO INSPECT TECH

BELIEVES TECH WILL BE ACCEPTED BY BOARD IN NEAR FUTURE

The Texas Technological college within a short time will be recognized by the Board of Education of the State, and will be entitled to all privileges offered by the organization, in the opinion of Peyton Irving, Jr., college examiner from the state department of education, at Austin, who is to leave here tonight after a two-day inspection of the college. Mr. Irving is one of the three members of the state board of examiners, and is a member of the board who makes all recommendations in regard to the standing of colleges and universities. He came here at the invitation of Dr. Paul W. Horn, president of the college.

The regulations for ranking of institutions by the department of education are virtually the same as those required for membership in the Association of Texas Colleges, Mr. Irving said. The only difference in the requirements is that the state board requires a course in education, and the association of colleges does not.

At the present there are 63 institutions of higher learning in the state that meet the requirements of the board of education, including Junior College, of the state board of health announced here Thursday morning following her return here from Muleshoe, where she spent Wednesday in closing up final details in connection with the employment of a nurse in Bailey county.

The three counties are Bailey, Hale and Crosby, and all will add the health nurse department to the county governments on Nov. 1. This action, in the opinion of Miss Hagquist, sets a new record in this work, as this is the first time recalled in the history of the work in the state that three counties have entered into the work at the same time.

Various club organizations throughout the counties involved have been working with the commissioner's efforts of the different counties for some time to raise the funds necessary to carry on the work, and in each instance the commissioners have concurred heartily in the move, and have appropriated all funds that are available for this purpose.

The work is carried on through the health department, which is a part of health, which matches the appropriation of each county dollar for dollar, and in addition to this the state department works in complete co-operation with the nurses in different counties, offering advice and instructions for the carrying on of the work.

## METHODISTS VOTE FAVORABLY ON UNITY

GREENVILLE, Texas, Oct. 15. (P)—The North Conference of the Methodist Episcopal Church South, the first in Texas to act on unification with the Methodist Episcopal Church, North voted in favor of the proposition here, yesterday, 161 to 127. The vote failed by 34 of being the required constitutional majority. With the selection of seven lay delegates to the National conference also one clerical delegate, balloting by the ministers was continued today.

Though the vote on unification was taken without debate intensity of feeling on the issue was indicated in the unsating of Sherwood Spotts, of Richardson, publisher of the Texas Christian Advocate. Mr. Spotts, a leading unificationist, was unseated as a delegate over a technicality because he had transferred his vows from the Bonham Church to Richardson without also transferring his certificate.

## Train Speeds On Though Engineer Is Dead At Post

SYRACUSE, N. Y., Oct. 15. (P)—With a dead man's hand gripping the throttle, the Western Express, New York Central sleeper train, bound for Chicago sped westward for nearly 15 miles yesterday. The fireman discovered "Engineer William Vandenberg" dead with his head crushed, in the Minnesota yards, just east of Syracuse, Vandenberg is believed to have been struck by a glider on the Canadota Bridge.

## New Controversy In Air Squabble Bobs Up Thursday

WASHINGTON, Oct. 15. (P)—An entirely new aircraft controversy bopped up today with the conflicting roles assigned to Comptroller General McCarl and Lieutenant Lockwood E. Schulze, army air service officer, who acted as advance man for the World Flight.

## Final Announcement Of Tech Game Against Motnezuma Saturday Calls For Battle On Fair Grounds Field

Announcement after announcement has been flying back and forth from the Tech College this week in connection with the football game Saturday between the Matadors and the Mountaineers of Montezuma College, New Mexico, one to the effect that the game will be held at Tech campus, another that the game will be played at the Fair park, and rumors have been going through the city that so and so is the truth of the matter, and counter rumors have come back in denial.

But matters now have assumed the normal again, and the final announcement from the committee in charge of arrangements for the game, following a meeting of the athletic committee with directors of the fair association late Wednesday says that the game will be played at the fair grounds, and in the words of W. A. Jackson, a member of the athletic committee all former announcements in regard to the game and all publicity previous to Wednesday night, are to be disregarded, and the Matadors will move into action against the invading New Mexico squad Saturday afternoon at 3:30 at the Fair park, the scene of the two former battles of the Tech crew.

Grew Out of Misunderstanding. The muddle, it might be explained, grew out of a slight misunderstanding between the committee from the college and the fair officials, but now that things have been straightened out and complete harmony exists, it is needless to go into details of explanation.

Showing their willingness to go their full length if necessary, for any move that is for the good of the college, fair officials have agreed, and very willingly so, to permit the college to use the field on the fair grounds absolutely free, except for care of the bleacher seats that were purchased by the association this year at quite a cost, and the committee from the college announces that all future games will be played on these grounds until such time as a field can be constructed on the college campus that will be suited for play.

## DAVIS TO ATTEND Q.A.&P. HEARING IN FT. WORTH

A. R. Davis, manager of the Lubbock chamber of commerce and the Retail Merchants Association, is to attend the hearing before the Interstate Commerce Commission in Fort Worth Monday as a representative of Lubbock, when the application of the Quahak, Acme and Pacific for authority to extend their line, possibly from Roaring Springs into Floydada, will be heard.

While nothing would be said as to what action will be taken by Lubbock at the hearing, it was said that no protest would be filed, either by the chamber of commerce here, or by the Port Worth and Denver.

Mr. Davis is to leave here this afternoon by stage for Sweetwater, where he will take a train to Dallas to be in attendance at a statewide meeting of secretaries of chambers of commerce which convenes there Friday. He will also attend a meeting of secretaries of the Retail Merchants Association which will hold a two-day session Friday and Saturday in Dallas.

## Local Boy Slashes Foot With Axe In Kent County Tues.

Guy Pierce, of the City Engineers office here, son of C. A. Pierce, sustained a very painful but not serious injury Tuesday morning when he slashed his foot with a broad axe while working with a surveying crew from the office here, in Kent county, near Snyder.

The bone leading to the third toe on the right foot was almost severed by the blow, an examination by Snyder physicians, where the injured man was taken, revealed. The wound was dressed, and Pierce was returned to his home here Tuesday night.

## Treasury May Ask Maximum Surtax Of 20 Per Cent

WASHINGTON, Oct. 15. (P)—The treasury is prepared to suggest to Congress that a maximum surtax of 20 per cent be written into the next tax law, but Secretary Mellon has been unable thus far to arrive at a figure which may be proposed as the maximum amount by which the nation's tax bill may be reduced.

The secretary and under-secretary Winston are figuring on how much the total tax receipts may be cut and are expected to have statistics ready when the house ways and means committee Monday begins consideration of a new bill. Both officials will appear before the committee at that time.

## LUBBOCK TAKES 24TH PLACE IN FAIR AT DALLAS

EAST TEXAS COUNTY WINS FIRST WITH GARZA TAKING SECOND

Lubbock county took twenty-fourth place in the agricultural exhibits at the State Fair at Dallas, but was only a little over 100 points under the winner of first place, according to a telegram to the chamber of commerce here from Garnett Reeves, assistant manager of the South Plains fair, who had charge of the county exhibit at Dallas. The score for Lubbock was 821.

Harrison county, which took 25th place, took first prize with a score of 928, but only one other east Texas county came within the first eight high scores. This was Smith, with the county seat at Tyler. The other six were all South Plains or Panhandle counties.

Garza county, which won second prize at the South Plains fair here, won second also at the state fair, with a score of 916. Other winners up to eighth place in their scoring order, are as follows: Hartley, Dallas (which county incidentally took first prize at the South Plains fair), Smith, Gray, Randall, and Hale.

Thirty-six counties in the state offered exhibits at the fair, the message stated, and the lowest score registered was 618.

According to advice received by the Daily Journal from John Boswell, former secretary of the Plainview chamber of commerce, who now is with the southwest development service of the Dallas chamber of commerce, the quality of all exhibits at the fair this year is about 100 per cent above any previous year. Boswell is very complimentary in his remarks with regard to the work done by Reeves in placing the exhibit, and says that it is attracting much favorable comment from this city and county.

Much of the material sent from this county was damaged in shipment, advice from Boswell said, the grain sorghums in particular being beyond use. The quality of parts of the exhibit also is low, he said, probably due to the fact that excessively heavy rains have fallen throughout this section during the maturing season.

## CONVICTS ESCAPE FROM TEXAS FARMS

HUNTSVILLE, Texas, Oct. 15. (P)—Penitentiary agents today were on the trail of six convicts who escaped from two prison farms Tuesday night. Seven others took French leave with the missing six but subsequently were rounded up. Ten prisoners escaped from the Wynne Farm for tuberculars, while three escaped from the Hobart Farm in Fort Bend County. In both cases the men gained their freedom by saving their way out of bunk houses.

## Heaviest Rain In Laredo's History Falls Last Month

LAREDO, Texas, Oct. 15. (P)—Total rainfall for the month of September in Laredo was 7.85 inches, monthly report of William Nelson, cooperative observer at the Fort McIntosh observatory shows. The records show this precipitation to be the heaviest in years for the month of September. Heaviest rainfall in the history of the district was 7.85 inches, monthly report of William Nelson, cooperative observer at the Fort McIntosh observatory shows. The records show this precipitation to be the heaviest in years for the month of September.

Following the copious rains, recuperation from effects of the nine-months drought was almost immediately visible. The rain started young grasses and other growth on the ranges. Sections in which the fields and seeds had been sown and had germinated, took on starting growth, while spinach, carrots, beets, turnips, lettuce, cabbage, romain, parsley and other fall crops took on new life.

## Federal Officers May Draw Penalty In Bootleg Cases

CHICAGO, Oct. 15. (P)—Discipline for Federal officials may follow jail sentences for contempt imposed by Federal Judge Wilkinson yesterday upon Wesley Wascott, former Cook county jail warden, and Sheriff Peter M. Hoffman, in connection with favors and liberties given Terry Druggan and Frank Lake, beer barons, while in jail. Judge Wilkinson indicated further consideration was required on the part of Edwin A. Olson, Federal district attorney, and Palmer E. Anderson, United States marshal, had sent in the release of Lake 82 days before the expiration of his sentence of a year for contempt. They advised Hoffman, it was learned, the use of his own discretion about good behavior allowances.

### BEST RAIL LINE IN NATION SEEN AS ROADS MERGE

#### LAST ROAD PASSES FROM UNDER CONTROL OF GOULD FAMILY

(By Associated Press.)  
 NEW YORK, Oct. 15.—Plans for the creation of the premier railroad of the country are a step nearer materialization with the purchase by the Kansas City Southern Railway of the Kansas City Southern Railway and of the Chicago Rock Island and Pacific's practically controlling interest in the St. Louis-Southwestern, the Cotton Belt Railway, the last road to pass from the control of the Gould family.

It was the dream of Arthur E. Stillwell, builder of the Kansas City Southern.

L. F. Lorce, chairman of the executive committee of the Kansas City Southern and president of the Delaware and Hudson, recently told the Interstate Commerce Commission of his ambitions to create "the premier railroad."

He has an application pending before the Interstate Commerce Commission from the back home of a trunk line of the Pennsylvania, the York Central.

It is proposed that the Kansas City Southern and Cotton Belt be joined with the Missouri Pacific Railway with the control which was required recently by the Kansas City Southern.

"Certain possible additions" referred to by Mr. Lorce without names, included the Louisiana Railway and Navigation Company, for which the Kansas City is known to have made the offer and the Vicksburg, Shreveport and Pacific, which the Illinois Central wants to lease and whose application before the Interstate Commerce Commission says Mr. Lorce is opposing on the grounds that it would diminish competition in that territory.

Combination of the three southwestern roads named in Mr. Lorce's proposal would produce a system with a trackage of six thousand miles and would follow closely a regional plan suggested by the Interstate Commerce

### Long Attempted Air Maneuver In England Success

FULHAM, Eng., Oct. 15. (AP)—An experiment in releasing an airplane from an airship while in flight was successfully carried out today when the dirigible R-33 took the air with a DH-12 monoplane suspended from a trapeze beneath the hull. The monoplane was released at an altitude of about 30,000 feet and made a successful flight, circling around the dirigible for half an hour and then was attached again to the dirigible.

### BIRD DENIES ALL "HAPHAZARD" METHODS

WASHINGTON, Oct. 15. (AP)—Back from the far north Lieutenant Commander Richard E. Bird denied before the President's air board today that "haphazard" preparations were made in arrangements in the navy flying contingent sent with the MacMillan Arctic expedition.

Although not mentioning by name Colonel William Mitchell, he made clear that in his opinion the navy was not guilty of "amateur bungling" of plans for the Hawaiian trip.

"These plans," he said, "are undoubtedly the best for the work. They are the best amphibian plans in the world and are most desirable."

He asserted that with more time and better season the unexplored region in the Polar Sea could be reached by airplane.

"There is no part of the world that cannot be conquered by aircraft," he said. "The idea of the trip was not to make a sensational, spectacular dash but to do some exploring and to advance gradually toward the objective."

### MILLING WORK TO SHOW GAIN IN FLOUR CITY

MINNEAPOLIS, Oct. 15. (AP)—A return to extensive flour milling activity here this winter as the result of conditions which place Minneapolis in a position decidedly favorable over other production centers, is predicted by prominent milling interests.

Millers state they have sufficient orders to tax the milling capacity for several months, and one of the leading concerns announced that all of its nine equipped flour mills here were operating for the first time in more than a year.

Local mills are running at a 20 per cent greater capacity than last year. The normal production capacity of the 26 mills here is approximately 190,000 barrels a day.

The position in which this city finds itself this year is the result of a short wheat crop in the Southwest and the fact that flour and wheat sales are on a domestic basis. Minneapolis millers declare flour from local mills can be laid down at New York and in

### Lamesa's Schools Apply For Aid In Carrying On Work

LAMESA, Tex., Oct. 15. (AP)—At this time there are 30 schools in Dawson County, 25 of these have applied for State Aid. There are four brick buildings. Three of these are six-room structures. Buildings like these are a credit to any county. The County Superintendent, Miss Annie Baker, is using her untiring efforts in assisting the county teachers and county trustees will make this the best school year in Dawson County.

### Religious Program Launched at Texas U.

AUSTIN, Texas, Oct. 15.—To instill the principles of right living in the minds of University of Texas men students a number of Bible study groups have been organized in rooming houses and fraternities by A. H. Johnson, the new associate secretary of the University Y. M. C. A. Johnson stated that the organization of these groups is only a part of an extensive religious program now being sponsored by the University Y. M. C. A.

# A RARE THING

It is indeed a rare thing when a Public Utility Company voluntarily reduces an already low rate. That very thing was done by the Texas Utilities Company and made retroactive from October 1.

This clearly shows the spirit of this company—the fairness demonstrated in a voluntary reduction of its profits. Although thousands of dollars are being spent and have been spent in extensions and improvements of Texas Utilities property on the Plains during the past year—this investment is being made for the future.

With increased volume of business without a corresponding increased expense, this company is enabled to pass the saving on to the user of light and power service. This gain was not added to the profit of the company but is being divided among every customer. That is a spirit of fairness.

CITATION BY PUBLICATION

THE STATE OF TEXAS. To the Sheriff or any Constable of Lubbock County - Greeting: You are hereby commanded to summon A. E. Mitchell by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 72nd Judicial District, to appear at the next regular term of the County Court of Lubbock County, to be holden at the Court House thereof, in Lubbock Texas, on the 2d Monday in November A. D. 1925, the same being the 16th day of November A. D. 1925, then and there

to answer a petition filed in said Court on the 23rd day of April A. D. 1925 in a suit, numbered on the docket of said Court No. 1889, wherein Dan Alldredge is plaintiff and L. E. Mitchell is defendant, and said petition alleging that on about Jan. 28, 1925, plaintiff and defendant entered into a contract which is as follows: "This contract and agreement made and entered into by and between L. E. Mitchell of Lovelock, Texas, and Dan Alldredge of Lubbock, Texas, witness: The said L. E. Mitchell has contracted to Dan Alldredge 750 acres of land to be grubbed by the said Dan Alldredge at \$1.50 per acre on his land in Hockley Co., Texas, less what every amount of acreage that Mr. E. Cunningham's two sons grub, and it is understood that the Cunningham boys are to do what grubbing they do on one farm and it is further agreed that the said Dan Alldredge is to take out said grubs from 7 to 10 inches and agrees to leave holes after grubs are taken out open for inspection, also agrees to furnish all tools at his expense, and further agrees to keep said grubbing out of the way of said plowing, and agrees not to delay the said Mitchell in plowing and the said L. E. Mitchell has this day paid to the said Dan Alldredge the sum of \$200.00 as part payment of said grubbing, and further agrees to pay the said Dan Alldredge money from time to time as grubbing has been completed, and it is further agreed that the said Dan Alldredge is to begin grubbing on said land by Jan. 28th, 1925. Witness our hands this 22nd day of Jan. 1925. L. E. Mitchell, Dan Alldredge.

Witness: J. R. Price, Jas. P. Posey.

That pursuant to the terms of said contract, the plaintiff undertook to grub and dig grub as provided in said contract 750 acres of said land whereby the debt became bound and liable to pay this plaintiff the sum of \$541.50.

That when this plaintiff had grubbed said amount of acres and become under the terms of said contract entitled to the sum aforesaid, the defendant wrongfully and without cause breached said contract and forbid this plaintiff to grub the remaining portion of said land and ordered this plaintiff off the premises and forbid this plaintiff grubbing the remainder of said land.

That had the plaintiff been permitted to finish said grubbing as aforesaid he would have made a profit on said acreage of to-wit, the sum of 50c per acre over and above the expense of grubbing same, which would have amounted in the aggregate to the sum of \$24.50, but because of the unlawful and unwarranted interference of the defendant and the breach of contract committed by the defendant as aforesaid this plaintiff was prevented from making said last named sum to his damage in the sum of \$94.50.

Plaintiff prays for judgment in the sum of \$600.00 and costs, etc.

Herein full not but have before said Court, at the aforesaid regular term, this writ with your return thereon, showing how you have executed same.

Given under my hand and the seal of said Court, at office in Lubbock, Texas, on this 28th day of September A. D. 1925.

(Seal) Herbert Stubbs, Clerk.

County Court, Lubbock Co., Texas, 25-4.

THE STATE OF TEXAS

To the Sheriff or any Constable of Lubbock County - Greeting:

You are hereby commanded to cause to be posted and published for twenty days in three of the most public places in your county, one of which shall be at the courthouse door, and no two in the same city, town or village, copies of the following notice: THE STATE OF TEXAS.

To all persons interested in the estate of Abraham Vanderwalker, deceased.

Know ye, that J. M. Denman, Administrator of the Estate of Abraham Vanderwalker, deceased, filed in the County Court of Lubbock County, Texas, his application to sell the following described land belonging to said Estate to-wit:

All the Northwest quarter (NW 1/4) of Survey No. 38, Block D. L. and S. V. R. Co., Certificate No. 56, containing 160 acres situated in Lubbock County, Texas, together with all improvements thereon.

Now, therefore, these are to notify all persons interested in said Estate to be and personally appear at the next regular term of the honorable County Court to be held at the courthouse in the City of Lubbock on the third Monday of November, 3. D. 1925, the same being the 16th day of said month, and then and there to show cause why said sale should not be made should they choose to do so.

Given under my hand and seal of office this 12 day of October, A. D. 1925.

(Seal) HERBERT STUBBS, Clerk of County Court, Lubbock County, Texas.

By IRMA PRYOR, Deputy.

SHERIFF'S SALE

THE STATE OF TEXAS, County of Lubbock.

Whereas, by virtue of an Order of Sale issued out of the County Court of Lubbock County, Texas, on a judgment rendered in said Court on the 19th day of May, A. D. 1925, in favor of The First State Bank of Slaton, and against Duncan McNeil, No. 1261 on the docket of said Court, and to me, as Sheriff, directed and delivered, I did, on the 12th day of October, A. D. 1925, at 10 o'clock a. m., levy upon the following described tracts and parcels

of land situated in Lubbock County, Texas, and belonging to Duncan McNeil, to-wit:

Lots Nos. 5 and 6, in Block No. 75; Lots Nos. 8 and 9 in Block No. 76; and Lots Nos. 8 and 9 in Block No. 80; all of said lots being in the South Slaton Addition to the town of Slaton, Lubbock County, Texas, on the 3rd day of November, A. D. 1925, being the first Tuesday of said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m., on said day, at the Courthouse door of Lubbock County, Texas, in the town of Lubbock, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said R. O. Rogers, in and to said property.

Witness my hand, this 12th day of October, A. D. 1925.

Deficiency Warrant To Pay For Plague Slain Cattle Asked

AUSTIN, Oct. 15. (AP)—Issuance of deficiency warrants, which the legislature later could redeem through an appropriation is the legal and correct method for paying for cattle killed in the eradication of the foot and mouth disease in south Texas, the assistant Attorney General held today. He ruled that no one can legally borrow money on credit of the state for use by the Livestock Sanitary Commission.

INJUNCTION SUIT DISMISSED NEW ORLEANS, Oct. 15. (AP)—Federal Judge Louis H. Burns today dismissed an injunction suit filed by former Bishop William Montgomery Brown, in which he sought to enjoin the House of Bishops of the Protestant Episcopal Church in the United States of America, from depositing him.

HOUSTON PIONEER DIES HOUSTON, Oct. 15. (AP)—Mrs. Theresa Freed, 76, one of Houston's pioneer business women died today.

THERE is no GOOD TOWN WITHOUT

Good Light and Power Service

Light and Power Service is a community builder. It is what has been aptly called Essential Public Service. That means that the public can not get along without it under conditions of this day.

This service has been developed by the inventive genius of American people. It has grown into an essential public service through the enterprise of American men and women who have put their talents and means into machinery for supplying it.

The people who are supplying the service and the people who are using it to a very great extent understand that their interest in regard to it are the same—the best possible service at the lowest reasonable cost.

Whatever this company can do to help build up this community is a part of its job, particularly when it is your own company, operated by and for the citizens of Lubbock. It has accomplished wonders by bringing to Lubbock one of the lowest rates in the state.

THE STATE OF TEXAS

TO THE SHERIFF OR ANY CONSTABLE OF LUBBOCK COUNTY—GREETING:

You are hereby commanded to summon H. E. Brannon, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Lubbock County, to be held at the Court House thereof in Lubbock, on the 23rd Monday in October, A. D. 1925, the same being the 19th day of October, A. D. 1925, then and there to answer a petition filed in said Court on the 12th day of September, A. D. 1925 in a suit, numbered on the docket of said Court No. 2275, wherein Industrial Finance Corporation, a corporation, is Plaintiff, and H. E. Brannon, individually, and Dyke Cullum & W. D. Cullum, individually and composing a Firm of Cullum Brothers, are Defendants, and said petition charging on January 24, 1924, the defendant, H. E. Brannon delivered his certain promissory note in the principal sum of \$1425.00, payable in a series of installments of \$118.80, each, the first of said notes being due and payable one month after date of same, and a like amount due monthly thereafter until the full amount is fully paid, which installments should draw interest at the highest lawful rate after maturity thereof, and further providing that if any installment was not paid when due, that the remaining installments should become due at the option of owner of said note, and providing for 10 per cent additional for Attorney's fee if placed in the hands of attorneys for collection. The following credits have been allowed on said note: Feb. 6, 1925, \$118.80; May 6, 1925, \$118.80, leaving the principal sum of \$1188.00 now due and unpaid, which amount the defendants have failed and refused to pay. Said note and chattel mortgage being originally given by H. E. Brannon to Cullum Brothers, and said chattel mortgage covered the following property: 1 Studebaker Big Six Touring Car, Motor No. E-K 27525, and whereas Dyke Cullum, a member of said partnership firm thereafter, for a valuable consideration, endorsed transferred, assigned and delivered said note, together with all right, title and interest therein in anywise belonging to said Cullum Brothers, to Plaintiff herein, Industrial Finance Corporation, the present legal owner and holder of said note and rights under said chattel mortgage.

Whereas, default has been made in the payment thereof, as above set out, and plaintiff herein sues for the amount of its debt, interest, Attorney's fees and cost of court, as against all of said defendants herein mentioned herein Fail Not, but have before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Lubbock, this 12th day of Sept., A. D. 1925. (SEAL) LOUIE F. MOORE, Clerk, District Court of Lubbock County. By Olive Fluke, Deputy.

SHERIFF'S SALE

THE STATE OF TEXAS, County of Lubbock.

Notice is hereby given that by virtue of a certain order of sale issued out of the honorable District Court of Hale County, on the 22nd day of September, 1925, by M. Della Ansley, clerk of said District Court, for the sum of One Hundred Forty-nine and 19-100 Dollars and costs of suit, under a judgment, in favor of J. C. Isdale, in a certain cause in said Court, No. 2483, and styled J. C. Isdale vs. Lois Puck et al, placed in my hands for service, I, H. L. Johnston, as Sheriff of Lubbock County, Texas, did on the 6th day of October, 1925, levy on certain Real Estate, situated in Lubbock County, Texas, described as follows, to-wit: Lots No. 12, 14 and 16 in block 29, and lots No. 17, 18 and 20 in block 31, all in the original town of Lubbock, in Lubbock County, Texas. Said order of sale commanding me to sell said property to satisfy the above described judgment, and also if there is any remaining to apply the proceeds to a certain judgment and costs in the County Court of Hale County, Texas, the judgment amounting to \$221.62, and the costs amounting to \$6.95, with ten per cent interest from Dec. 14, 1922, and if there is any remaining after the above two judgments are satisfied to a judgment secured in the Justice Court of Hale County, Precinct No. 1, in the sum of \$94.66, with \$2.75 costs, and if there is any remaining to a certain judgment secured in the County Court of Hale County, Texas, in the sum of \$260.34, and \$5.50 costs, all of the above judgments being ab-

stracted in Lubbock County, and being said item upon the property I will sell, in the order named, all being against Lois Puck, and levied upon as the property of Lois Puck, and that on the first Tuesday in November, 1925, the same being the 2nd day of said month, at the Court House door, of Lubbock County, in the City of Lubbock, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said order of sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Lois Puck.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Plains Journal, a newspaper published in Lubbock County.

Witness my hand this 6th day of October, 1925. H. L. Johnston, Sheriff of Lubbock County, Texas. By Vernice Ford, Deputy.

CITATION BY PUBLICATION

THE STATE OF TEXAS. To the Sheriff or any Constable of Lubbock County—Greeting:

You are hereby commanded to summon Bertha G. Helmer, Frank Helmer, and the heirs of Paul J. Kraetsch, deceased, and their heirs and legal representatives, and the heirs of Anna Kraetsch, deceased, their heirs and legal representatives, as Defendants, and said petition alleging that said suit is an action to remove cloud from title to the south-quarter of section 12, block D-8, abstract No. 152, E. L. & R. R. Co. certificate No. 1242, containing 158.3 acres of land, situated in Lubbock County, Texas. Plaintiffs alleging they are absolute owners in fee simple of said land, and that on Aug. 1st, 1925, plaintiffs were lawfully seized and possessed of said land and premises and entitled to possession thereof, and on said date, defendants unlawfully entered upon said land, and ejected plaintiffs therefrom, and have since that date withheld from plaintiffs, the possession thereof, to plaintiffs' damage in the sum of \$1,000.00.

Said petition further alleges that defendants base their claim to said land, upon the claim that an undivided one-eleventh (1-11th) interest therein was bequeathed to Harry F. Graefe, in trust for Bertha G. Helmer, by Paul J. Kraetsch, deceased; that the will of said Paul J. Kraetsch, which bequeathed said one-eleventh interest to said Harry F. Graefe, in trust for said Bertha G. Helmer, expressly provided that the share devised, and bequeathed to said Harry F. Graefe, in trust, should be held and disposed of by said trustee, paying to her the income from her share and so much of the principal as said Trustee should believe to be in her best interest and greatest comfort, and that in event of her death, the remaining part of her share should be held in trust for her son, Frank Helmer, and therefore, was not subject to sale. That plaintiffs allege, that, under

the will of said Paul J. Kraetsch, deceased, the Executors were expressly given authority to sell and convey and otherwise dispose of any real estate owned by said Paul J. Kraetsch, and to convert into money any and all property of the estate and to pay to said Bertha G. Helmer, the sum of \$500.00 per year until the estate is distributed, said payments to be charged to the share bequeathed to said Harry F. Graefe in trust for said Bertha G. Helmer; that acting under said will and carrying out the provisions thereof, Charles H. Kraetsch, and George H. Kraetsch, Executors of the estate of Paul J. Kraetsch, deceased, joined by all the beneficiaries in said will, including Bertha G. Helmer, conveyed the above land to W. S. Posey, by warranty deed, dated April 9, 1924, recorded in vol. 91, pg. 75, deed records of Lubbock County, Texas, and that the plaintiffs hold title under said deed from W. S. Posey; that Harry F. Graefe is dead, and such will did not provide any mode for appointment of a substitute trustee, and there was no intention to have such appointment; that to make the payments for benefit of said Bertha G. Helmer, provided for, it was necessary to consume the estate in Texas, bequeathed in trust and that the same was sold for its market value.

Wherefore, plaintiffs pray for judgment upon final hearing hereof, holding that under the will of said Paul J. Kraetsch, deceased, the Executors, and Bertha G. Helmer had authority to convey said land to W. S. Posey; and that plaintiffs have judgment against all of said defendants for the title to, and possession thereof, for writ, etc. Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the Seal of said Court, at office in Lubbock, Texas, this 14th day of Sept. A. D. 1925. (SEAL) LOUIE F. MOORE, Clerk, District Court, Lubbock County, Texas.

THE STATE OF TEXAS To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to summon, by making publication of this citation and notice once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in Lubbock County, Texas, Thad Tubbs, who is a non-resident of the State of Texas, to be and appear before a sitting of the undersigned Special Commissioners, duly and legally appointed and qualified, to be held at the court room in the Court House of Lubbock County, Texas, in the town of Lubbock, the County Seat of Lubbock County, Texas, on the 21 day of October, A. D. 1925 at two o'clock p. m., then and there to answer the statement and petition for condemnation of

the Pecos and Northern Texas Railway Company filed with the County Judge of Lubbock County, Texas, on the 24 day of September, A. D. 1925, in a suit wherein said The Pecos and Northern Texas Railway Company is Plaintiff and Thad Tubbs is Defendant, No. 1501.

The nature of Plaintiff's demand being as follows: That by the terms of its Charter it is authorized and empowered to locate, own, operate and maintain a railroad through certain cities, towns and counties in the State of Texas, including the City of Lubbock, Lubbock County, Texas, and for that purpose has authority, among other things, by the General Laws of the State of Texas, to receive, take, hold and obtain any lands necessary for the purpose of locating, constructing and maintaining its railway. That for railroad and other lawful purposes, as hereinafter set out, it is necessary for the Plaintiff to have the possession and use of the following described land situated in the Original Town of Lubbock, Lubbock County, Texas, to-wit:

An undivided one-half interest in the fractional part of lot No. 4 in block No. 91, lying Southwesterly of a line which is parallel with and one hundred (100) feet Southwesterly from, measured at right angles to the center line of the main track of the Pecos and Northern Texas Railway Company as the same is located and constructed over and across said block No. 91, said fractional part of said lot No. 4 containing an area of 1,004 square feet, more or less.

That the Plaintiff desires to obtain the possession and use of the above described land for additional right-of-way, depot and station grounds, to be used in connection with and as a part of its depot and station grounds in the

City of Lubbock in the operation of its trains, and for any other lawful railroad purpose.

That the Plaintiff owns an undivided one-half interest in said land and the said Thad Tubbs the other undivided one-half interest therein.

That Plaintiff can not agree with said owner for the purchase price of said real estate and, through its agent, offered to said owner, the sum of \$162.34 in payment for the damage that may be caused to said owner by the possession and use by Plaintiff of said tract of land as aforesaid, which has been refused.

Wherefore, Plaintiff prays for the condemnation of said land for the purposes and uses aforesaid, for the appointment of Commissioners to assess the damages in accordance with the Statute in such cases made and provided, and for general relief.

Herein fail not, but have you this writ with your return thereon, showing how you have executed the same, before us at the time and place aforesaid.

HEAVIEST RAINS IN SEVEN YEARS FLOODS CAPITAL

WATER SURGES INTO FEW BUILDINGS; FAMILIES ARE RESCUED

AUSTIN, Texas, Oct. 13. (AP)—Seven inches of rain fell here between eleven p. m. Monday and seven o'clock Tuesday morning, according to the local weather bureau. The rain was the heaviest here in seven years. Mr. Henderson, chief of the bureau, said. The downpour halted about seven a. m., but has resumed shortly before nine o'clock. Damage Heavy. At noon more than nine inches of rain had fallen here and damage was estimated at \$10,000. A heavy rain continues this afternoon. More than \$1,000 damage was done to books in the state capital building basement, while the Pease school was closed because of the falling plaster walls. The University of Texas "shacks," where classes are held, were flooded by leaking roofs. Several houses were damaged when water rushed over the sidewalks and into the buildings. Numerous negro and Mexican shacks were flooded and several families were rescued by firemen. Central Texas Drenched. Heavy rains will be resorted over all central Texas within a radius of fifty miles of Austin. Creeks in Williamson County were flooded, while the streets of Austin this morning were littered with debris. The groins of the Stephen F. Austin hotel was flooded Monday night when water along Congress Avenue overflowed sidewalks. Firemen and policemen were called out several times to rescue negro families from the low sections of the city. Little material damage was reported, however, and farmers said that the downpour would aid fall feed crops.

MATADORS EXPECT HARD TUSSLE SATURDAY

Coaches Freeland and Higginbotham of the Tech College matadors, are this week offering the best of the best in plays, and little additional information pursuant to an offensive machine, but are largely confining their efforts to the routine of straight football in preparation for the third clash of the season when the matadors meet Montezuma College, New Mexico, on the local gridiron Saturday. Higginbotham's backfield machinery will be somewhat handicapped in the loss of Ernie Wilson from the lineup, especially as far as the game of forward passing is concerned, for Ernie is considered one of the most consistent passers on the squad, and has been given special attention along this line. Wilson is slowly recovering from the back injury sustained in the game here last Friday against the Austin College Kangaroos, but will not be able to go into the lineup Saturday, for the least that he can do at the present is to hobble around slowly to attend his classes. Not much is known here in regard to the strength of the New Mexico crew, but they are reputed to have one of the strongest squads in the state which they represent. They have won from New Mexico Military Institute, and recently held the Canyon Normal Buffaloes to six points at Canyon. They are being given the Baylor style of coaching by Biggs, former Baylor man, and fans who see the game here Saturday may expect to see the Baylor style of play. Rumors here have it that Biggs, who is now in his first year with Montezuma, brought eight of the Baylor boys with him when he moved, but he is in a measure facing the same kind of a situation that is faced by the Tech coaches in that he is new with the school. But he has the advantage over Freeland and Higginbotham of at least having some idea as to the material on hand.

"Doc" Is Favorite Nickname In Texas Athletic Circles

AUSTIN, Tex., Oct. 14. (AP)—"Doc" is a favorite nickname for athletic celebrities at Texas University. E. J. Stewart, head football and basketball coach; S. N. Eldahl, athletic trainer; and W. E. Wislan, masseur, all are known to the students as "Doc." Coach Stewart may well lay claim to the title for he was a medical student for a number of years at Western Reserve University. He said the knowledge obtained in his medical studies has proved valuable to him in conditioning his athletes.

Body of Haughton Shipped To Vernon

The body of J. M. Haughton, who died here late last Friday from injuries sustained when a brick fell on a scaffold at the Crump building on Broadway, where he was working, was shipped Tuesday by the Rix Undertaking company to Vernon, where burial is to be made Wednesday. The body will be met at Geron by a brother of deceased.

Lincoln's Proposition To Houston To Keep Texas In Union Explained By Sam Dixon, Texas Man Of Letters

HOUSTON, Oct. 13. (AP)—A first-hand story of how Abraham Lincoln attempted to hold Texas in the Union by offering Governor Sam Houston support of federal troops in Texas is told by Sam Houston Dixon, Houston, author and publisher. Houston, who was not in favor of secession rejected Lincoln's offer, however, stepped out of the Governor's chair, when Lieutenant-Governor Lanham usurped it, and died in 1865 in Huntsville. Mr. Dixon knew Judge John Hancock of Austin, the intermediary, who took Major Frederick W. Dander, President Lincoln's messenger, to Governor Houston. He also knew Frank W. Maddox, of Austin, who was in close touch with events of that time, and from him got the facts which Mr. Dixon subsequently verified in a number of conversations about the episode. Major Lander, it appears from Mr. Dixon's book, "Romance and Tragedy of Texas History," from which these excerpts are taken with Mr. Dixon's permission, appeared before Judge Hancock, a Union supporter, in guise of a buyer of horses and mules for the army. Judge Hancock, however, somehow discerned that was not his real mission to Austin and motioned him to a rear room of his office, where Lander handed him a letter of identification. The letter apparently coincided with Judge Hancock's previous suspicions that a messenger would visit him and transmit important state secrets. Major Lander disclosed his mission, which was the offering to Houston federal aid. Judge Hancock told Lander that Houston, "While he is doing every honorable thing to avoid a clash, I do not believe he will entertain for a moment Mr. Lincoln's proposition." However, he accompanied the messenger to Governor Houston's office, introduced him and stayed while the conference was in progress. "It was a moment freighted with weighty concern and required insuperable courage and unswerving fidelity, for there was at stake the destinies of a nation," Mr. Dixon writes. "A nervous tremor passed through Houston's frame. He finally cast his eyes downward for a moment, as if deeply affected. Finally he arose, straightened his body as if for a great leap and said: "I can never sanction an act that will cause the spilling of one drop of my countrymen's blood. I feel that a fatal mistake is about to be made, but right or wrong, I shall never betray them." "Looking Lander squarely in the eye, Houston continued, 'I am not sure, major, that I fully understand the proposition you have just submitted. My heart and mind were aflame. Will you kindly repeat it since I feel more composed.' "Taking memoranda from his inside pocket, Major Lander in a low voice began to repeat the proposition he had been commissioned to make: "I am authorized by the president," he proceeded, "to advise you that in the event you wish to resist removal from the office of governor, that the military authorities now in Texas will sustain you. An additional force will land on the Texas coast at Indianola, if thought advisable, and declare a general blockade. The troops now in Texas will be placed at your disposal to enforce your authority." "You have my answer and I do not care to add to it," Houston replied. In response to Lander's urging, Houston finally sent a message to President Lincoln. Lander previously had said that he regretted going back to Washington without a message. "Tell Mr. Lincoln," Houston said to Lander, "that if he wishes to bring a quick ending to the war and lessen bloodshed on both sides, to take command immediately of the Mississippi River from head to mouth. This will force a quick compromise and result in saving many lives and much property." Lander said if he succeeded in getting back to Washington he would deliver the message to the president in person. With this exchange of remarks, the incident closed, Lander and Judge Hancock leaving. Houston who was under the fire of bitter criticism for his attitude toward secession apparently had been immediately silenced his critics with a recital of the offer but he chose to wait until Major Lander was safely out of the country. A little later Houston stepped aside and Texas became a member of the Confederate States of America. Direct links between that time and this age are few. Mr. Dixon, whose life has been spent in compiling an exhaustive history of Texas, is among the last of these links.

Lightfoot Wins First In Ticket Selling For Fair

Sam Lightfoot, of the City Drug Store, won the first prize of \$25, offered by the management of the South Plains fair for the highest individual sale of season tickets to the exposition, it was announced Monday morning after a final check-up had been made of the contest. Lightfoot's sales totaled \$361.50. Scott Ballard, at Bowen's Drug Store, won second prize of \$10, with total sales of \$204, and C. A. Echols, of the Lubbock Drug, took third prize of \$5 with sales totalling \$277.25. There were several others, the records show, who approached the third prize mark in some of the liveliest selling competition ever known since this fair was inaugurated by the fair management. The contest was open to all salespeople in the business firms of the city, the most of whom entered.

Saturday Game Of Tech To Be Held On Campus

As far as is known at the present time, the Tech college matadors and Montezuma Mountaineers will play Saturday at the temporary field on the college campus, it was stated Wednesday afternoon by W. L. Stangel, chairman of the committee on athletics at the college. Material is now being assembled on site for the erection of a fence to the collection of the gate receipts, and although seats will not be available for the spectators, cars probably will be allowed to park all along the fence with an open view of the entire field. As a usual thing, seats are in the way at a football game, anyway, in the opinion of Mr. Stangel, and are one of the least desired things around the grid.

Forty-six Divorce Suits Clog Court Docket This Term

Forty-six petitions for divorce are on the civil docket of District court, which will convene Monday before Judge Clark M. Mullison on Monday morning and which will carry over for a period of five weeks. This is one of the largest numbers of divorce cases ever facing one term of court here. Out of the total, of forty-six cases fifteen are filed by husbands against wives, a larger percentage of this type of divorce case. Divorce cases are tried at odd times during the court term, court officials say.

MEADOW CHILD DIES HERE

Luther Prentice, infant son of Mr. and Mrs. P. E. Chesire, of Meadow, died here Tuesday morning. The body was prepared for burial by the Rix company, and was taken to Meadow, where burial will be made Wednesday.

COOLIDGE GIVES VACANT POST TO VETERAN OF WAR

MISSOURI MAN, HERO OF ST. MIHIEL, CHOSEN FOR CABINET

(By Associated Press) WASHINGTON, Oct. 13.—Dwight F. Davis, of Missouri, today was appointed Secretary of War. In selecting Davis, President Coolidge followed the recommendation of the Republican organization of Missouri and the advice of a powerful group of political associates who contended that the cabinet place should be allotted to the west or middle west. Massachusetts Out. The change wipes out the representation of the President's home state, Massachusetts, in his official family and the advice of a powerful group of political associates who contended that the cabinet place should be allotted to the west or middle west. The French government did not look kindly upon de Castro's scheme, because it was engaged at the same time in a project to settle Algerian territory. Nevertheless, de Castro Nov. 13, 1842 sent the ship Elbro from Havre with 113 immigrants bound for Texas. This pioneering party was followed by others, among them those who reached this country Sept. 3, 1844. De Castro purchased the land between the Medina river and the site of his colony and the river became the eastern boundary of his settlement. Advant of the colonists was a bold step. Samuel E. Gilden, professor of architecture in Texas University, who has made a study of the de Castro colonization project, said. The settlement was far more hazardous than that of earlier Texas colonists, since the Indians knew the use of firearms and the little settlement was exposed to hostilities of the savages and Mexican depredations of bandits and guerrilla Mexicans.

LATE WIRE BULLETINS

(By Associated Press) CULVER CITY, Calif.—The De Mille Studio, operated by Cecil B. De Mille, announces that as a result of recent suits involving the authorship of screen plays, all scenarios submitted by mail are being returned unopened. LOS ANGELES.—Ben Turpin, motion picture comedian, was named as the sole heir of his wife, Carrie Turpin, in will filed for probate yesterday. Mrs. Turpin, who died two weeks ago, left an estate valued at approximately \$53,000. ST. PAUL.—Spend more time on each diagnosis, do a thorough job and charge a larger fee was part of the advice offered to doctors at the Interstate Post-Graduate Assembly, here today. E. J. Beardsley, Philadelphia, pleaded for plenty of time for each diagnosis. CHICAGO.—Charles Appeal, former manager of the Northside Turner Hall, and father of Lila Lee, film actress, today has been found guilty of charges of larceny and embezzlement involving \$250,000, has been located in Dresden, Germany. Requests have been made of the State Department to arrange with the German government for his return. SCRANTON, Pa.—Anthracite coal miners who quit work September 1 are returning from farms where they had temporary employment. Harvesting is over and there is no longer much demand for extra farm labor. Thousands of coal diggers aided farmers in gathering their late crops in which women and children usually assist when the colliers are going. DES MOINES.—Meetings are being held in Iowa this week to organize farmers to withhold their corn from market till it can be sold for top-plus prices. PITTSBURGH.—Reports are that scalpers, who hitherto had found little business, are reaping a rich harvest from the demand for tickets to the World Series, today. HARVEL BLACKSTONE, EDITOR of the Meadow Review, at Meadow, in Terry county, was a Journal office visitor yesterday.

TEXAS MAY STILL GET LATE FEED CROPS

HOUSTON, Oct. 12. (AP)—Hope for a good feed crop and forches on a doorstep of the Texas farms. September rains have come in time to save the hard-pressed soil tiller from disaster and if the other enemy, frost, does not come too early, a large addition will be made to the expected feed crops. H. H. Schultz, government agriculture statistician, announced here today. The October 1 report indicates it is possible to cut the feed bill to a minimum this fall and winter. "Farmers and stockmen are again hopeful after a year of very hard conditions," said the report. "Some of the corn is turning out better than expected and the late plant has been helped by the rains. An average of only nine bushels an acre is indicated, which makes the estimated production \$5,694,000 bushels in Texas this year." Tame hay also has shown a similar improvement over the late rains. Sudan, millet, alfalfa, cowpeas, soy beans, velvet beans, peanuts and sorghum have felt the reviving influence of September's moisture.

Husband Held As Man Is Killed In Fight In Houston

HOUSTON, Oct. 14. (AP)—George Hodge is dead and Harvey Harrison is charged with murder following a quarrel in Harrison's place of business yesterday. No bond had been set. Examining trial will be held Monday. Hodge was hit over the head with a monkey wrench when he refused to stop swearing at the request of Mrs. Harrison, according to a statement made to investigators.

SANITARY DRIVE IS OPENED HERE

Declaring that sanitary conditions in hotels and eating houses in Lubbock must be bettered, city officials have started a cleanup campaign and as a result one restaurant proprietor has been fined and others have been warned. It was stated by a city official today. The campaign will continue until the restaurants, confectioneries, hotels and rooming houses are maintained in a sanitary condition, it was said. Alleys, too, must be kept clean, the authorities have ordained and one man was fined \$5 this morning in police court because the alley behind his place was, according to officials, in an unsanitary condition. Other arrests and fines will follow if sanitary conditions are not bettered.

Castroville, Texas, Has Birthday But No One Knows About It; Town Is 81 Years Old, Of French Origin

CASTROVILLE, Texas, Oct. 14. (AP)—Castroville has just had a birthday, its eighty-first, but none of its 500 odd inhabitants took public notice of the event which dates back to September 3, 1844, when the first band of French immigrants set foot on the site of the town and decided to call their new home Castroville. The name was in honor of Henri de Castro, who brought 2,000 immigrants to Texas in 27 ships which he chartered in 1842. Most of the immigrants were farmers and fruit growers. Preceding arrival of his ships, de Castro, a cultured Frenchman, made a contract January 15, 1842 with Sam Houston, president of the Republic of Texas, to found a colony in Medina county. At the same time Houston appointed de Castro Texas consul general to France. The French government did not look kindly upon de Castro's scheme, because it was engaged at the same time in a project to settle Algerian territory. Nevertheless, de Castro Nov. 13, 1842 sent the ship Elbro from Havre with 113 immigrants bound for Texas. This pioneering party was followed by others, among them those who reached this country Sept. 3, 1844. De Castro purchased the land between the Medina river and the site of his colony and the river became the eastern boundary of his settlement. Advant of the colonists was a bold step. Samuel E. Gilden, professor of architecture in Texas University, who has made a study of the de Castro colonization project, said. The settlement was far more hazardous than that of earlier Texas colonists, since the Indians knew the use of firearms and the little settlement was exposed to hostilities of the savages and Mexican depredations of bandits and guerrilla Mexicans. All the churches of the city, through a suggestion of the Pastors' Association, have joined in a movement for the entertainment of Tech College students during their vacation. The churches will hold open houses for a general get-together meeting, beginning at 7:30. Every college student is urged to attend the meeting at the church of his or her choice. The pastors, realizing that no one church in the city could accommodate the entire student body, entered into the co-operative move so that all students might have some part in the entertainment. Some of the churches are planning to furnish automobiles for the transportation of students to and from the entertainment, and those interested in this phase of the movement are urged to advise their pastors, when they will be given directions as to where and when to report. City officials of Lubbock have opened active as unsanitary alleys, both in the residential section and the business district, it is revealed by the records of desk sergeant Metcalf, of the police force, and they announce that this is the first step in the enforcement of all the sanitation laws of the state and city. Several local people have been haled before Corporation Court Judge Jas. H. Goodman, charged with permitting unsanitary conditions to exist around their premises, especially in the alleys of the business district, some of whom have paid fines for the offense. "It is the aim of city officials that if local people do not have pride enough in their places to keep them cleaned up, we will force them to do it, or suffer the consequences," Judge Goodman told the Daily Journal Wednesday. While it is not to be inferred that the city is going to wreck and ruin from these few cases, it must also be admitted that a few places of this nature might encourage others to do likewise if steps are not taken to prevent it, and this preliminary action is being taken more as a warning to others than for any other purpose now, according to Judge Goodman. A. & M. Man Chosen On Electrical Post

GOVERNOR BACKS PLEA FOR MORE TECH FUNDS

As evidence of her earnestness in her plea for the support of the Texas Technological College here, Mrs. Miriam A. Ferguson, Governor of the State, has agreed to allow the issuance of deficiency warrants by college officials to the extent of approximately \$60,000, so that the work of the young school might go on unhampered, it was announced Monday by R. M. Chitwood, business manager of the college, following his return from Austin, where he discussed the matter with the Governor. Mrs. Chitwood was accompanied by Hon. H. T. Kimbro, local member of the Board of Regents of the college, who has probably done as much for the good of the school as any individual in the state. The necessity for the warrants is brought about by the heavy enrollment of students, which has exceeded the funds heretofore in charge, and has set another new record, for which the Tech and West Texas is known throughout the south. Enrollment in every department of the college is heavier than expected, but this is especially true in the engineering branch. The money derived from the warrants will provide for about six new instructors, and for the purchase of additional equipment. MOODY FILES HIS BRIEF ON RED RIVER

MOODY FILES HIS BRIEF ON RED RIVER

WASHINGTON, Oct. 12. (AP)—Attorney General Dan Moody, of Texas, filed in the supreme court today, the brief of his state's dispute with Oklahoma over the location of the hundredth meridian. Texas contends that the location of the meridian at Red River, by Kinder, a surveyor, had been approved by Congress and accepted by Texas and that all that remained was to run the line from that point to parallel 34 degrees, 30 minutes and mark with proper monuments. Should the court be unable to accept the Kinder location of the 100th meridian on the ground be established scientifically and marked. Approximately 24,200 acres are involved in the dispute. The Federal government in intervening, pointed out that all of this land except 118 acres has been disposed of under the Federal homestead laws, while Texas insisted that it already has disposed of some of the land to its citizens and wanted to sell the remainder. A. & M. Man Chosen On Electrical Post

Internal Revenue Officer Succumbs

Word was received here today of the death of G. C. Brazeeale, Internal Revenue officer, yesterday in Plainview. The body was shipped to Lubbock, his former home, from Plainview, this morning. Death was due to ruptured appendix. Mr. Brazeeale's son, Foster, who is selling books in this section of the state, has not been located and does not yet know of his father's death. The deceased had a great many friends in Lubbock county and was widely known over the Plains territory.

LEGAL SNAGS ON HOOF AND MOUTH FINANCES FOUND

MATTER PASSED TO DAN MOODY FOR ULTIMATE DECISION

(By Associated Press.) HOUSTON, Oct. 14.—A special session of the State Legislature loomed today from an entirely new angle. Those engaged in raising a \$500,000 fund to defray the state's share of the cost of defraying the state's share of the cost of mouth disease campaign have run against a legal snag, which has tied up the money and may make it impossible to expend a cent of it. The matter has been passed up to Attorney General Moody for decision, while the money raised by business men and banks of Texas lies idle in banks here and in Galveston. Admittedly a serious situation has been created by a legal opinion that the next legislature cannot legally make an appropriation to meet any obligation that has not been previously incurred. Meantime, the State Sanitary Livestock Commission is urgently insisting that it must have funds to meet the Federal government in paying for cattle, while cattle owners clamor for money which they say has been pledged to them.

INSTRUCTORS WILL BE ADDED TO TECH MON.

About seven additional instructors will be assigned work with the Texas Tech here next Monday, following approval of the issuance of deficiency warrants by Governor Miriam A. Ferguson, according to an announcement Tuesday by Dr. Paul W. Horn, president of the college. These instructors will be added in the engineering, chemistry, and English departments, the first two of which are at the present exceptionally light on account of the increased enrollment over expectations. Wednesday and Thursday of this week, Paton Irving, state examiner for colleges, will be with the officials on an inspection tour of the school. A convocation of the student body was held Tuesday morning when routine matters in connection with their work was discussed, and the students are fast picking up the college spirit that counts for so much in an institution of this nature. Preliminary plans for the organization of a Y. W. C. A. were laid at a meeting of the girl students Monday, and it is expected that the boys will organize a Y. M. C. A. in the very near future.

SIX THOUSAND TO ATTEND GUARD CAMP

HOUSTON, Oct. 14. (AP)—More than 6,000 fighting men from 56 towns and cities of Texas are looking forward to assembling at Palestine here today for a brief session of drill and mimic warfare. They are contrasting the prospect with the sweltering period under gone this summer at Camp Mabry in Houston, where the 36th Division, Texas National Guard, held its annual encampment, and believe victories of drill and review will be minimized by bay breezes and improved recreational facilities. The camp site, one and a half miles from Palestine, includes 1,300 acres, with right to maneuver on 20,000 adjoining acres. To date the federal government has allotted \$102,773.24 for the camp and is ready to spend \$20,000 more when estimates for a drainage area have been prepared. Colonel Preston R. Weatherford, chief of staff of the 36th Division here, said. The federal appropriation is for construction of a waterworks system, sewer, baths, mess hall, latrines, rifle range, incinerator, and other facilities. Actual construction of buildings awaits completion of a Southern Pacific railroad spur from Palestine to the camp site on the bay front. It is expected the spur will be ready within a month. Estimates are that 4,671 officers and men probably will participate in the next encampment. This number includes 129 different units and will require 177 pullman cars, 63 baggage cars, 16 box cars, 110 flat cars and 26 stock cars to move the personnel, baggage, ammunition and artillery material. The railroad facilities are expected to be capable of moving the entire division with equipment in or out of camp within eight hours. One of the outstanding features of the permanent camp is recreation centers which, it is planned, will include a dance pavilion, bathing pool, motion picture theatre, facilities for athletics, and Y. M. C. A. and Knights of Columbus centers. Families and friends of the soldiers have not been forgotten. Permission has been obtained to use the nearby camp of the Baptist Young People's Union. This camp is composed of camp houses, dormitories, and bathing piers. "The new camp, because of its ideal location and climate, should be a great boost for the National Guard in Texas," Colonel Weatherford said.

Open War Here On Unsanitary Alleys

City officials of Lubbock have opened active as unsanitary alleys, both in the residential section and the business district, it is revealed by the records of desk sergeant Metcalf, of the police force, and they announce that this is the first step in the enforcement of all the sanitation laws of the state and city. Several local people have been haled before Corporation Court Judge Jas. H. Goodman, charged with permitting unsanitary conditions to exist around their premises, especially in the alleys of the business district, some of whom have paid fines for the offense. "It is the aim of city officials that if local people do not have pride enough in their places to keep them cleaned up, we will force them to do it, or suffer the consequences," Judge Goodman told the Daily Journal Wednesday. While it is not to be inferred that the city is going to wreck and ruin from these few cases, it must also be admitted that a few places of this nature might encourage others to do likewise if steps are not taken to prevent it, and this preliminary action is being taken more as a warning to others than for any other purpose now, according to Judge Goodman.

## MISS MEADOR IS HOSTESS AT BRIDGE

Honoring Mrs. Chas. A. Guy, Sr. of Tulsa, who is visiting in Lubbock for several days, Miss Mary Meador, and her mother, Mrs. W. H. Meador, entertained at bridge this morning at the Meador home on West Main street. Three tables made up the play and the counting of scores Mrs. Neil H. Wright won first prize, and second prize, Stevens was awarded second prize. The guest prize, a beautiful hand embroidered doily, was presented to Mrs. Guy.

At the conclusion of play a two-course luncheon was served to the following: Mesdames Neil Wright, A. V. Weaver, W. O. Stevens, Price, T. B. Duggan, J. A. Rix, Sam S. Dentman, Hub Jones, Miss Della Wilkinson, Mrs. D. D. Roderick, Mrs. J. S. Johnson, Mrs. Fred Schmidt, Mrs. Guy, Mrs. W. H. Meador and Miss Mary Meador.

### 1921 BRIDGE CLUB

Mrs. W. D. Green was charming hostess to the 1921 Bridge Club and several guests on Monday evening.

Halloween decorations were used throughout the reception suite. Black cats and pumpkins were in evidence everywhere.

As the guests arrived the hostess presented the ladies with horns, which were worn on their hats during the evening and the men received large bow ties in orange and black. Sliced almonds were served in pumpkin cups.

Mrs. Veltan Spikes won a pretty bowl in Italian pottery and Mrs. Cermany was presented with a silver cigar lighter as prizes to the club members.

Mrs. Louis Hunter was awarded a pair of porcelain vases and Mr. Elmer Conley an imported jewel holder as guest prizes. Other unusual prizes were awarded Miss Betty Reynolds of Slaton, Dr. Ray and Mr. James McDonald.

A delicious menu symbolic of Halloween was served at the close of the evening's entertainment by Mrs. W. D. Green Sr., Miss Della Wilkinson, Mrs. Corey Price, Miss Betty Reynolds, Miss Alice Johnson, Mr. and Mrs. Roderick, Mr. and Mrs. Elmer Conley, Mr. and Mrs. Ernest Conley, Mr. and Mrs. Reed, Mr. and Mrs. Hard Jones, Mr. and Mrs. Germany, Mr. and Mrs. Houston Spikes, Mr. and Mrs. Yilton Spikes, Mr. and Mrs. Louis Hunter, Mr. and Mrs. L. Lumsden, Mr. and Mrs. Peterman, Dr. Ray, Dr. Ingrham, Mr. Harold Griffith and Mr. James McDonald.

### AUXILIARY OF FIRST PRESBYTERIAN CHURCH

Ladies of Auxiliary of First Presbyterian church met in the basement of the church Monday afternoon with Circle No. 2 as hostess to a Dollar Social.

A most unusual program was thoroughly enjoyed. After the devotional, ably led by Mrs. McClery, Mrs. Wagner favored the guests with scenes taken on her recent tour in Europe, thrown on a curtain by a picture machine, and made a few interesting remarks about each picture.

At the close of the program a delicious salad course was served.

### 19TH STREET CHURCH

The 19th St. M. E. Church, South, Woman's Missionary Society met Monday 2:30 P. M. Devotional—Mrs. D. E. Ross. Subject—Prayer. Scripture—Psalm 61. Challenge of Love—Mrs. J. P. King. Our dear Mrs. Edgar is able to write us a letter and it was read to us by Mrs. W. J. Bonds. It was spiritual

food for us to feast on. Next Monday, Oct. 19th, at 2:30 the Rev. J. W. Robinson will be with us. A special program is being arranged. All the women of our church are especially urged to be present.

### TECH STUDENTS ENTERTAINED

An occasion long to be remembered was the entertainment of the Tech students and members of the Tech faculty who are Presbyterians, in the basement of the First Presbyterian church on Tuesday evening. Beautiful fall flowers in gay colors were artistically arranged and formed a pretty background for the interesting program that followed.

As the guests arrived they were asked to register.

Messrs. Jack Adair, H. D. Woods and Doctor Gordon made interesting talks on various subjects dealing with the church.

Much talent was displayed in appropriate solos and readings that were thoroughly enjoyed by all. Various games that were full of life and fun were indulged in until delicious mint punch was served.

### MRS. RICHARDSON HONOREE AT PARTY MONDAY

The ladies of the Mary Helm Auxiliary of the Methodist church complimented Mrs. Richardson, who has recently moved here and whose husband is associated in work at the Methodist church, and other new ladies of the church, Monday afternoon with a party at the home of Mrs. E. E. White on Broadway.

The spacious living room was inviting with its red damask and zennias while other fall flowers were used in conspicuous places in the other rooms of the entertaining suite.

The special feature of the party was the "get acquainted" one and many new ladies called to identify themselves and give others the pleasant chance of acquaintanceship.

A varied program was rendered and each feature was a specialty. A brief review of the birth and work of the auxiliary that is less than two years old, by Mrs. Raymond George was an incentive to those who help in its work, and also to those who are yet enjoined.

A few words of welcome by Mrs. Rush followed by a concise talk on "Why you should be in the auxiliary," by Mrs. E. E. Robinson was well received.

A group of entertaining readings was given by little Miss Virginia Smallwood that was delightfully enjoyed by all.

Elizabeth Louise White sang a clever little song with gestures to the delight of all and Miss Pirtle provoked much laughter and many smiles by two humorous readings. A contest was well enjoyed followed by the serving of a plate of dainty pie topped with whipped cream and coffee. About forty-five were present.

### MENUS FOR THE FAMILY

By Sister Mary. Breakfast.—Halves of grapefruit, broiled bacon, scrambled eggs with

rice, graham muffins, milk, coffee. Luncheon—Cauliflower au gratin, roasted mutton, apple sauce, ginger bread, milk, tea.

Dinner—Baked halibut with tomato sauce, twice baked potatoes, buttered Brussels sprouts, endive salad, grapes, rolled oats bread, milk, coffee. Brussels sprouts are an excellent vegetable for young children. They belong to the cabbage family but are more delicate than cabbage itself. Cook uncovered and there will be no objectionable odor through the house.

### Cauliflower Au Gratin

One head cauliflower, 1 1/2 cups milk, 1 tablespoon flour, 2 tablespoons butter, 2 tablespoons grated cheese, 1/2 teaspoon salt, 1-1/2 cup coarse bread crumbs, 2 tablespoons melted butter.

Remove outer green leaves from cauliflower. Put head into a pan of cold water with 1 tablespoon salt, head down, and let stand 1/2 hour. Drain and cook in boiling water, head up, 1-1/2 to 20 minutes. Drain and separate into flowerettes. Put into a buttered baking dish, sprinkle lightly with salt and pour over the sauce made as follows: Melt butter, stir in flour and slowly add milk, stirring constantly. When thick and smooth add salt and pepper and cheese. Cook and stir until cheese is melted. Pour over cauliflower and cover with bread crumbs moistened with melted butter. Bake in a moderately hot oven until brown, and serve in the baking dish. (Copyright, 1925, NEA Service, Inc.)

### STUDY OF MISSION BOOK AT METHODIST CHURCH INTERESTING

The Missionary society of the Methodist church met in study session Monday afternoon with a large number present. The book "Life as a Stewardship" under the tutorage of Rev. E. E. White is increasing in interest at each lesson with a larger number being present each time.

Mrs. W. O. Stevens in her usual pleasant way led a devotional greatly enjoyed.

Mesdames R. T. Campbell, R. Q. Pierce, B. C. Waffarth, and H. T. Gooch took part in the lesson and each made a splendid discussion.

As Thursday is Kiwanis luncheon day, all ladies south of 13th street will take part in the serving for that day. —Reporter.

### MRS. T. G. MEDDERS LEAVES AFTER EXTENDED VISIT

Mrs. T. G. Medders of Lamesa, mother of Mrs. Chas. A. Bush, left Tuesday morning for her home after a stay of several weeks with her daughter, who has just returned to her home from the West Texas hospital where she was operated on.

A. R. Wright, of San Antonio, representing the Alamo Exposition shows, was in the city today attending to business for his organization. The Alamo shows, which have played here several times before, will open here Saturday night for a week's stand. According to Mr. Wright the carnival is bigger and better than ever and bids fair to pass its attendance records established here on former visits.

## Local News

Mrs. C. T. Freeman of Sherman will leave soon after an extended visit with her friend, Mrs. P. R. Aiken.

Mr. and Mrs. J. E. Hamilton and children spent last week end visiting in Roswell, N. M.

Mesdames O. B. Hewett, J. D. Acton and L. A. Howard will return home Friday after several days spent in Dallas.

John Jarrott, traveling salesman for Y. B. Cigar Company, out of Ft. Worth, spent several days here last week attending to business.

Mr. Willie Cochran of Coleman was a Lubbock visitor several days last week. Mr. and Mrs. Jim Jones of Mount Calm, are in Lubbock and plan to locate here in order to send their son to the Tech.

Jim Shedd of Waco is in the city and plans moving here in the near future.

Mr. and Mrs. George Slaughter spent last night with Mr. Slaughter's father, Joe Dick Slaughter, enroute to Dallas.

Mr. and Mrs. W. D. Johnson Jr., are in from their ranch in Borden county visiting Mr. and Mrs. Albert Taylor and other friends for several days.

Mrs. Walter Posey left Tuesday for Florida for a visit with her sister, who is ill at her home there.

Mr. and Mrs. Tom Foster and Mrs. Lindsey Harker returned Sunday from Plainview where they have been visiting relatives for several days. Mr. Lindsey went to Plainview Sunday, returning with them in the late afternoon.

Mrs. Walter Posey left Tuesday for Florida for a visit with her sister, who is ill at her home there.

Mr. and Mrs. Dick Jarrott of Post were visiting relatives in the city yesterday and attending the ball game.

Several Littlefield people motored to Lubbock yesterday to see the ball game. Among them being Miss Nell Ruf Ernest, Mr. Gus Shaw and Mr. N. M. Teltton.

Mr. and Mrs. Joe Moss of Slaton were pleasant visitors here Sunday in the home of Mrs. Geo. McMeen.

## Slaton Church Is To Be Benefit To Neighboring City

Special to the Daily Journal: SLATON, Tex., Oct. 14.—The Church of Christ has under construction a new building that is to cost, when completed, \$25,000, according to D. E. Scott, member of the building committee. It is to be of Abilene pressed brick and will be built on the old Spanish Mission style of architecture. The main building of one story is to be 50x64 feet and will house the main church auditorium and will have a seating capacity of 500 people. The annex is to be two stories high and will house ten class rooms for Sunday school work.

The pastor of the church is the Rev. T. L. Kimmel. D. E. Scott is foreman of the work of construction, but M. O. Napps, local contractor, is overseer.

The Women's Joint Legislative council may receive attention from many delegates who do not believe that it truly represents the sentiment of the organizations which sponsor it. The criticism has been made, Mrs. Menezes said, that the stand of the council on many legislative matters had not been endorsed by the various organizations responsible for appointing the council. Many members of the league believe, she said, that before the council endorses or disapproves a legislative proposition, it should obtain an expression from the component organizations.

Mrs. Elizabeth M. Speer of Austin is to deliver an address on the prison survey. She is secretary of the Texas Prison Survey. The Texas Educational Survey is to be the subject of an address by Tom Flinty, Jr., of Dallas. Mrs. Dave Deane of Austin, chairman of the committee on legislation, will give the report of this committee and will preside at the session Wednesday afternoon, Oct. 14, which has been called "A Survey of the Surveys."

Dr. Altee G. Merchant of El Paso, president, will preside at the general session. Miss Adele Clark of Richmond, Va., national second vice president, is scheduled for a talk Wednesday morning. Senator John W. Davis of Dallas is on the program at the same session for an address on "A Republican Form of Government."

At a dinner Wednesday night the general theme of international cooperation to prevent war will be followed.

## PARTY PLEDGE IN TEXAS MAY BE ATTACKED

DALLAS, Oct. 14. (AP)—An attack on the primary party pledge and a possible investigation of methods used by the Texas Women's Joint Legislative committee may give the League of Women Voters many hours of debate at their sixth annual convention here Oct. 13-15.

The legal provision which binds a

ent organizations. Mrs. Elizabeth M. Speer of Austin is to deliver an address on the prison survey. She is secretary of the Texas Prison Survey. ### History Of Forts In Texas Is One Of Most Colorful In Nation; Many Skirmishes Have Been Entered Into

BRACKETTVILLE, Texas, Oct. 12.—Texas forts have had a colorful history, comparable perhaps, with no other in America by reason of the part they played in border warfare, struggles with the Indians, and their evacuation by Federal troops when the war between the states began.

Fort Clark, an army establishment near this city, has had a notable history. Captain Cephus C. Bateman has delved into the records and brought forth unwritten chapters of its history. The site was chosen early in 1852. It was considered not only eligible but strategic. On June 15, the post was established upon the mesa, a site affording a splendid view of the rugged square plains on all sides. The post July 14 of the same year was named Fort Clark, in honor of Major John R. Clark, first infantry, who died while the war with Mexico was in progress.

First troops to occupy the post were commanded by Major Joseph Hatch La Motte and included two companies of the First Infantry, accompanied by an advance and rear guard of United States Mounted Rifles.

For four years the post was held as a cantonment before erection of permanent quarters began. Tradition has it that the first buildings erected in-

cluded the post hospital, bakery, and guardhouse. The next year the headquarters building was constructed.

Fort Clark was surrendered to Confederates in February, 1861, and evacuated March 19, following. Shortly thereafter, Lieutenant Colonel John H. Baylor occupied it for the Confederacy, with Texas volunteers.

The post was again garrisoned by Federal troops December 12, 1866. To Company C, Fourth Cavalry, was committed the double task of fighting Indians and restoring the place. In March, 1868, Company C was reinforced by the Forty-first Infantry under Brevet Brigadier General R. S. McKenzie, whose signature is plentifully sprinkled through the records. Other names in the records are W. H. Lawson and W. R. Shafter.

The old post cemetery, no longer used, offers a suggestion of the violence and bloodshed of the Mexican border in other days. Within the walled enclosure, 102 of the 146 graves are marked "Unknown." Tradition here says that it was the border custom to inter in the post cemetery bodies of white persons found within a radius of many miles. Most of them apparently were victims of Indian raids or of engagements with Mexicans.

### MARTIN LAWYERS MAY ASK FOR NEW TRIAL

DALLAS, Texas, Oct. 12 (AP)—The question of asking a new trial for W. A. Martin, given a 99-year sentence for the killing of R. B. Parsons, Denton county deputy sheriff, was considered today by Martin's attorney. The effect such a move might have on the outcome of indictment for robbery against Martin was a large element in the consideration of counsel.

The jury in Judge Charles Pippen's court returned its verdict early yesterday, Martin, who had wept on the witness stand and again during a plea by his attorney for mercy, received the verdict without a sign of emotion. He was returned to his cell immediately after announcement of the verdict. The case went to the jury Saturday about 2 p. m.

With its verdict of 99-years to Martin, the jury also gave a box of cigars to Judge Pippen for his considerate treatment during the week of trial.

Martin was charged with killing Parsons on August sixth. The defense alleged Martin had been told Parsons had been hired to kill him, and, in fear of his life, had killed the deputy sheriff. The state claimed Martin killed Parsons to prevent the latter from uncovering evidence of bank robberies in which it was alleged Martin was implicated.

### Cantata Planned By Music Dept. Of Public Schools

The music department of the public schools, headed by Miss Mary Dunn, is fostering the production of the cantata, "Pan," by Paul Bliss, to be directed by Mrs. Dana Harmon Trent. This musical production will be a rare treat for music lovers of Lubbock and no small amount of work and practice will be expended before it is ready to be given to the public. Such work as the committee praise and favorable affirmation from all who are musically interested and will be well received by the general public, no doubt.

with notes on them, has won litigation against him. He was denied an injunction against her.

NEW YORK.—The stork has visited twin sisters on the same day, making the same sized package to each, 5½ pounds.

KARLSTAD, Sweden.—Christian, of Denmark, and Gustave, of Sweden, all-Viking Kings, are hunting the Monarch of the Swedish Forest, the elk.

BOSTON.—Fifteen candidates for mayor have filled the necessary nomination papers. The election is non-partisan and 3,000 signatures of voters are necessary for nomination.

EASTON, Pa.—A farmer is blocking a new concrete motor road with wires and planks because he says the road is on his property and that the state has not paid him.

OSSINING, N. Y.—Twenty-six lifers at Sing Sing volunteered for a blood transfusion operation to save the life of a dying prisoner.

TOKYO.—The government has given final instructions to the Japanese delegate to the Chinese custom tariff conference, that the policy of Japan is to listen to any "reasonable" proposition from China and that the question of loans is not to be brought up, except if initiated by other powers.

NEW YORK.—Curiosity as to what makes a golf ball lively is threatening a boy's sight. He cut a ball open and acid exploded.

### Mrs. Granbery Is Named Chairman of Xmas Seal Drive

Mrs. J. C. Granbery, wife of Dr. J. C. Granbery, Professor of history at the Tech College, has been named by the Texas Public Health Association to lead the campaign of the association in Lubbock in the sale of Christmas seals this year. It was announced here Monday by Mrs. M. A. Turner, of El Paso, representative of the Health Association, who arrived here last Friday, pursuant to the selection of a leader in the campaign here.

While Mrs. Granbery has not yet announced any definite plans for the campaign here, it is presumed that she will within a short time appoint a committee to assist her.

The purpose of the sale of these seals each year during the Holiday season is well known, and the benefits derived cannot be disputed. The funds go entirely for the care of tubercular patients in the state.

### U. S. CENSUS MEN MAKE ESTIMATES ON TEXAS TOWNS

LUBBOCK NOT GIVEN BUT AMARILLO LISTED AS 17,780

(By Associated Press.)

WASHINGTON, Oct. 12.—Census Bureau calculations of city populations as of July 1 this year made public yesterday included:

Arlene 10,456; Amarillo 17,780; Austin 37,717; Beaumont 50,619; Brownsville 12,512; Cleburne 14,162; Corpus Christi 11,825; Corsicana 12,364; Dallas 194,459; Del Rio (as of January 1, 1924) 10,559; Denison 13,902; El Paso 104,329; Fort Worth 154,947; Galveston 48,375; Greenville 14,536; Houston 164,954; Laredo 27,159; Marshall 15,567; Palestine 11,453; Paris 17,274; Port Arthur 21,512; Ranger (January 1, 1925) 15,295; San Angelo (January 1, 1925) 10,059; San Antonio 195,069; Sherman 15,578; Temple 11,955; Texarkana (Texas side) 12,427; Tyler 11,037; Waco 43,912; Wichita Falls 58,626.

### Giant Diamond Rattler Killed In Palo Duro Canyon

CANYON, Oct. 13.—A diamond rattler five feet and four inches long and having the greatest circumference of any snake captured in this section in recent years, was killed this week in the Palo Duro Canyon, twenty miles from Canyon.

Allan Dickinson, E. J. Cooksey and J. H. News killed the snake. The specimen will be mounted and placed in the museum of the Panhandle Plains Historical Society. Although most of the snake's rattles had broken off, it was guessed by those acquainted with diamond backs that the snake was twenty or more years old.

HOLLYWOOD, Cal.—Douglas Fairbanks has torn a rib loose by helping his leading lady too vigorously in a leap aboard ship.

ABOARD H. M. S. REPULSE.—The Prince of Wales has taken the part of a woman in a blue packet's play.

MOSCOW.—Women are acting as sergeants at arms in the Soviet parliament now, sitting in the throne room of the Czars, transformed by the installation of walnut furniture in place of golden thrones.

PROVIDENCE, R. I.—Mrs. Jesse Margaret Budlong, who threw many of her husband's silk shirts out of the window of his New York apartment

### L. C. C. EXAMINER TO LOOK OVER ROUTE OF NEW LINE

AMARILLO, Texas, Oct. 12 (AP)—G. T. Mattingley, Interstate Commerce Commission examiner, was asked by Rock Island representatives today to inspect the proposed route of the North Plains Line of the Rock Island from Amarillo to Liberal, Kansas. He indicated he will make the trip over this route this week.

Mattingley is here for the hearing on the proposed Rock Island Line. At the opening of the session this morning, representatives of the Rock Island, the Santa Fe, the B. M. and E., and the Fort Worth and Denver City railroads, the Amarillo and Liberal chambers of commerce, and Moore county were present.

### Hill To Ask For Two New Buildings At Canyon College

CANYON, Oct. 12.—President J. A. Hill, of the West Texas State Teachers College, stated in an address before the ex-students of the institution at Amarillo this week that when the next legislature convenes he will ask for an appropriation of \$500,000 for two new buildings. One of these will be an education building costing \$300,000, the other a library costing \$200,000.

Eleven thousand ex-students are behind the movement to provide buildings to take care of the 2,500 students who annually attend the Teachers College at Canyon.

NEW YORK.—Notwithstanding threats of black balls, the city bar association has elected to membership a young lawyer who got evidence for Federal Attorney Buckner for liquor selling in cabarets.

MR. AND MRS. WILLIAM B. POWELL, who have been in attendance at the state fair, at Dallas, were to return to their home here this afternoon.

MR. AND MRS. HARRY HAZLETT of Breckenridge, arrived in Lubbock Sunday and will establish their home here. Mr. Hazlett will be connected with the Halsey Hall drug store, number one, as prescription clerk, while Mrs. Hazlett will have charge of the toilet goods department. Both have had valuable experience in their respective lines and will no doubt be valuable additions to the Halsey Hall force.

PAUL PAYNE, REALTOR and ranchman of the El Paso community, was in Lubbock on business today.

### Federal Employment Agency Opened Here Monday In Effort To Supply Demands For Labor On South Plains

Rollin Roach of the Federal employment bureau, Port Worth, arrived in Lubbock Monday morning, and opened a branch office of the employment service in the Chamber of Commerce rooms at the Municipal building, where he will give heed to the cries for labor from South Plains farmers.

He issues a plea that all applications for labor from throughout the section termed the South Plains, be filed at once, so that he may begin to turn the tide of labor that is fast finishing up the cotton fields of the central part of the state, in this direction. While he does not have a supply of labor in warehouses at different places, as some seem to believe, Roach stated that he has in mind the possibility of labor to handle the crops in this section, would be available in the near future.

**Eastern Harvest Nears Finish**  
He estimated that crops through the eastern and central portions of the state have been harvested to the extent of about 85 per cent, saying that even now cotton pickers are heading westward by the hundreds. He said that all pickers have been taken from the drought stricken section, which comprises 51 counties around Waco and Austin, and that cotton pickers from throughout the south are continually working the area for labor, which it is evidently believed is there in abundance on account of the almost complete failure of crops there.

Nothing definite in connection with the number of pickers needed on the south Plains has been known since the announcement of the opening of the office here, telegrams have poured in and many farmers have called in person seeking aid of the employment bureau. A telegram received at the

office Monday called for 1,500 pickers in Garza county, and placing an estimate on the crop open now at 5,000 bales. Other counties throughout this section have issued pleas in like proportion.

**Plains Crops Late**  
Cotton throughout the greater part of the Plains is late in opening this year on account of the excessive rainfall and cloudy weather for the past two or three weeks, but with a week or two of open weather, which with present indications is very probable, the staple will open at the rate of thousands of bales daily, with the consequent increased demand for pickers.

Roach believes, however, that by this time labor will be flowing freely into this section from other parts of the state. It is his aim to have this labor available on call, and to this end he issues a plea for co-operation from the chambers of commerce at all county seats.

**CLUB BOYS LEAVE WITH EATON FOR ENCAMPMENT**  
County farm agent, David F. Eaton, accompanied by three Lubbock county boys, who were awarded the special prizes offered by the Lubbock chamber of commerce in boys' club work of this county, left Monday on the noon train for Dallas to be in attendance at the educational encampment which is being offered by the extension department of the Texas A. and M. College in connection with the state fair. The boys who will make the trip are Casey Fine, of Posey; Myer Dawson, of New Hope, and Marvin Newton, of Wolfarth.

The encampment, which will be under the supervision of S. C. Evans as general superintendent, will open Tuesday, and will close late Thursday afternoon, so that the visiting delegations will be given an opportunity to catch the afternoon trains for home, if they so desire.

Next Sunday Miss Lela DuRose, Lubbock county home demonstration agent, who has been selected by the state department as chaperone for several West Texas delegations of girls who will attend a similar encampment a few days later, will leave here with the prize winners from Lamb and Lubbock counties.

They will be joined at Slaton by the Lawson and Lynn county girls, and at Snyder by those who will go from Scurry county. At Sweetwater, the delegations from other counties further south, under the chaperonage of Miss Mamie Lou Parr, will join the

### IN WEST TEXAS

**West Texas Chamber of Commerce**  
FLOYDADA.—A poultry association has recently been organized for Floyd county and plans are under way for a big poultry show this fall. Officers elected were: H. P. Coleman of Lockney, president; Judge L. G. Matthews, vice president and E. S. Shoaf, secretary.

**CROWELL**—A white way will soon be installed in Crowell, as the iron posts have been mounted on the cement blocks and are ready for the lighting of the streets.

**MARYNEAL**—Within the next few weeks the first field meet of the West Texas Wolf Hunters association, of which Dr. P. C. Coleman of Colorado is president, will be held near Maryneal, Nolan county. The hunters expect to enter more than 300 dogs for the big hunt, which will be a three-day affair. The dogs will be secured from the standpoint of training, speed driving and endurance.

**LAREDO**—San Antonio will get gas under the wells of the Laredo district, production of which is now estimated at more than 500,000 cubic feet a day. The survey for the pipe line from the Cole field to the Callahan field was completed several weeks ago and the route staked out. Connections will be made from the Callahan field with the Southern Natural Gas company that supplies San Antonio with gas.

**COMANCHE**—The entire plant of Higginbotham Bros. and Company of this city was destroyed by fire with a total property loss of more than \$200,000. General Manager, T. J. Williams stated the firm would soon have a new stock of merchandise and ready for business again.

**FLOYDADA**—Construction is now under way on the new highway connecting Floydada with Crosbyton. The highway will come up the Blanco Canyon making it a beautiful scenic drive for this section. Floyd county commissioners are contemplating the construction of this highway with the road leading into Floydada, connecting with the highway here leading into Silverton.

**ESTELLE**—The business men of Estelle organized a Chamber of Commerce here recently. More than forty business men and farmers were present at the organization. The aim of the new Chamber is to do two things immediately to benefit the city and community—incorporate the city, and build a larger and better school. Officers elected were: R. H. Wibley, president; R. L. Erwin, secretary; and a vice president will be elected later.

**SWEETWATER**—J. W. Carpenter, general manager of the Texas Power and Light company has announced enlargement of the Sweetwater Ice and Cold Storage Company also the construction of a 40-mile high tension electric transmission line from Sweetwater to Snyder since the purchase of the Snyder Electric plant. It is planned to have the new plant in operation before next spring.

**BURKBURNETT**—Travel across

the bridge near Burkburnett has been impossible, the past few days due to a wash out during high water near middle of the stream. It has not been possible to ford the high stream as was at first anticipated and traffic has been detoured over two other bridges near Burkburnett.

**CHILDRESS**—A branch of the United Tire company, associated with the Hicks Rubber Company has located an office and warehouse in this city. The business will be managed by H. H. Hering of McGregor.

**PLAINVIEW**—The new Plainview Theatre under the management of Roy Mitchell opened here recently with an estimated attendance of 1,500. This is one of the most modern equipped theatres in the Panhandle and would be a credit to a town much larger.

**GEORGE C. COWAN, PUBLISHER** of the Ideal Echo, states that he will install a linotype machine in his shop in the near future. Mr. Cowan is giving Ideal people a good weekly newspaper. He was in the city today.

### Former High Klan Officer Is Given Charge Of Church

BEAUMONT, Texas, Oct. 13. (AP)—Dr. Caleb Ridley, former National Chaplain of the Knights of the Ku Klux Klan, with headquarters in Atlanta, Ga., has taken temporary charge of the First Baptist Church of Sour Lake, a town of 3,000 population, 18 miles west of Beaumont in Hardin county. Dr. Ridley said he would remain at least the remainder of this year.

Dr. W. E. Stevenson of Amarillo has returned to his home after spending the week-end in Lubbock.

Mr. and Mrs. R. H. Todd of Slaton spent a part of yesterday in Lubbock visiting friends.

"Always Ready To Serve"

Editor Of Temple Telegram Writes Lee Duggan About Building; City Building Of Both Places Shows Great Progress

Some time ago the Temple Telegram which by the way is a credit to Temple, Bell county and its part of Texas from a newspaper standpoint, printed an article about its city's building record this year.

Lee Duggan, of the Temple Trust company, who is a former Temple resident but who has been here several years and who has caught the "Lubbock spirit," wrote his friend, the editor of the Telegram, and told him what Lubbock was doing along building lines.

The other day the Telegram's editor, in his editorial columns, wrote Lee an open letter, about Lubbock and Temple. The letter reads:

October 10, Lubbock, Texas.

"Dear Sir: We were not kidding when we told you that Temple is one of the outstanding towns in Texas for building this year for we are now nearing the \$1,000,000 mark and before the month ends the new Santa Fe hospital building will be contracted for, giving us a chance to chalk up \$1,750,000 worth of building before the year is out.

"Hill Gresham and the bunch gassed when you wrote that long serious letter to Hill about Lubbock's doing nearly \$1,000,000 worth of building this year, and we are not jealous or disputing it because Lubbock is our sister town, built largely by Temple people with Temple money and ideas and by our good old Santa Fe railroad.

"On the level, though, Temple has been doing some wonderful improving and Mr. Rand and McNally will be thoroughly ashamed of himself for copying the census figures in his atlas if he were to give this town a look over. Why, that census didn't include anything beyond Jackson avenue on the north and a part of the southwest side of town—left out 2,500 people then. And besides we have built 400 new houses here since 1920! Yes, and more than that a lot of them have been apartment houses and ten passenger houses and different kinds of arrangements for putting a lot of people in smaller spaces.

"Everybody here is working on the idea of building for the future. There are lots of buildings going up or already up that represent thousands of dollars bet on the future and there are two or three pretty big projects that are dark secrets now which are to materialize within a year.

"Let me tell you some things we have done in the last few years. You know the big lot back of Vandiver school that was there when you were in school—right in back of your house on French avenue? Well, it has a \$12,000 or \$13,000 athletic field and gymnasium on it. We also have another ball park—the Surgeon park home of the Surgeons who won the pennant and gave it to the Corsicans Oilers when the latter got peeved. I've already told you about the 400 new houses and in addition to that we have been building a new house about every three days.

"All of the business section is paved, that means about 40 blocks and altogether we have 15 miles of pavement now. The business section has stretched down to Sixth street and second street is paved and the First Methodist corner is now a paved street down town. They are going to pave the Adams avenue side with 50 feet wide brick and go right on out the avenue with pavement to Rosebud.

"The business section has crisscrossed out North First and they are building a two and half story automatic telephone exchange building up at First and Barton.

"The business section has gone wild on South First and there are about 20 restaurants, markets and the like in a row, so that it is like a trip to a big carnival to walk along there. Duck Thompson has just finished a concrete building out there and the permanent buildings are getting started out that way.

"Near the hospitals on both sides of town little business centers have sprung up. The hospitals are a big thing and somebody estimated the other day that they bring \$2,750,000 a year to Temple.

"We are spending \$210,000 on new schools this year and are going to have a regular high school with a lot of fancy touches and conveniences you and I wouldn't know anything about.

"And J. C. Mitchell, Col. Downs and that bunch have loosened up along with their New York friends and are building a \$150,000 new ice plant. They seem to be building for the present as well as the future, though, because they made these New York financiers believe right off that it was needed and they are bound to have proved it. We furnish lots of ice for people outside Temple.

"But the main thing we are building

down here is a big, happy area. It isn't just Temple, because Temple isn't a bit ahead of the other people in this big community. We are getting roads and more friendly relations with our neighbors and are building up a wonderful community. Take Oenaville, Little River, the new consolidated school district, Salado and some others, all of these have new schools. They have community clubs, dramatic clubs, new parks, county meetings and many things that are making this a fine place to live.

"With kind regards, and wishing you and your city continued success, I am,

Cordially yours,

THE EDITOR."

Dramatic Club Is To Make Debut At Canyon This Fall

CANYON, Texas, Oct. 13.—The Panhandle Players, a new dramatic organization under the leadership of Miss Mary Morgan Brown, head of the public speaking department of the West Texas State Teachers College, is making its debut this fall. The new organization will spend its time in preparing and presenting plays which have already proved themselves suitable for the use of groups interested in the Little Theatre movement.

The organization will be available to schools, P. T. A., clubs, and churches which wish to provide high class entertainments for the community without underwriting an expensive undertaking.

The public speaking department of the West Texas State Teachers College has been rendering this type of service since 1916, and the new organization has developed out of the needs as shown by previous experience. The Panhandle Players will have a membership of twenty, of whom most are students of the Teachers College. Miss Brown will be assisted in the direction of the Players by Professor Earl C. Bryan of the public speaking department. The Club is already working upon several plays including "The Rector," by Rachel Crothers, and "The Bank Account," a Harvard play, which will be ready for presentation within a short time.

Math Students At W.T.S.T.C. Always Get Certificates

CANYON, Texas, Oct. 13.—Every student who has majored in Mathematics at the West Texas State Teachers College and has been granted a degree is in the teaching profession. This interesting discovery was made by Miss Edna Graham, acting head was found that more than twenty per cent of those graduated from the Teachers College with mathematics as their major are now assisting in State Universities.

Ernest Atkins of the class of 1920 has a professorship in the University of North Carolina; Harper Allen (1923) is first assistant to Dr. H. L. Rietz, President of the American Mathematical Association, in the University of Iowa; Charles Wilson (1924) is assistant in mathematics in the University of Iowa, and L. W. Hiaz (1925) is assistant in physics in the University of Texas.

Another twenty per cent of the same group are teaching in State Teachers Colleges: Golda Gruver (1920), Bernice Graves (1923), F. E. Savage (1924), and Jim Webb (1925). Fifteen per cent are in administrative positions; more than fifteen percent have received their masters degree, and twenty-five per cent are now working toward advanced degrees. The remainder of the group are teaching mathematics in the high schools of Texas and New Mexico.

Charles Dupre Is Father Of Fine Boy

Announcement has been received here of the birth of Charles Jr., son of Mr. and Mrs. Charles Dupre, at Grapevine, Texas, on October 10.

Mr. Dupre is the son of the late M. M. Dupre, who was superintendent of the Lubbock public schools from 1914 until his death here early this year.

Mrs. J. P. Posey had as her visitor Sunday, her sister, Mrs. L. C. Odum, of Slaton.

DELINQUENT TAX COLLECTION IS SOUGHT HERE

The filing of suits in the 72nd Judicial Court for the collection of delinquent taxes in Lubbock county was begun Tuesday by Louis F. Moore, District clerk. It is estimated that there will be approximately 2,000 suits before the filing is complete.

The instruments, which cover all delinquent taxes as far back as 1888, seek the collection of state and county taxes from this time until 1924. City property, acreage and all other articles that are subject to tax will be included in the suits.

This is the first attempt at a general clean-up of delinquent tax matters in the history of the court here. Some suits were filed in 1914, and more in 1922, but not filings included only a small per cent of delinquencies.

Some of the cases probably will come up for hearing at the October term of court, which opens here Oct. 19. Mr. Moore said, but the most of them it is believed will be carried over to the January term.

Electrical Men Plan To Assist Texas Farm Men

COLLEGE STATION, Texas, Oct. 12.—For the purpose of carrying on a study of the possibilities of greater application of electricity to farm uses and needs, the Southwest Geographical Division of the National Electric Light association has provided a special committee to work in conjunction with the Texas A. and M. College research specialists here.

R. E. Sively, of the San Antonio Public Service Company; Carl Cox, of the Texas Power and Light Company; P. F. McChesney, of the Eastern Texas Electric Company; Paul Freeman, representing the Western Public Service Company of Houston; and D. Scates, professor of agricultural engineering at the college, recently drafted a report on this phase of farm development. The report was submitted to John W. Carpenter, Dallas, of the Texas Power and Light Company, he is chairman of the rural committee, and it is under his direction the special committee considered what how to "step down" the electricity from the high tension lines traversing the state, so as to make the power economically available for the needs of the farmer.

TEXAS PROGRESS

San Benito.—An additional power unit of 5,000 kilowatts is to be installed in the plant of the Valley Electric and Ice Company here.

Ballinger.—Construction has been started on an electric power transmission line between this city and Mason by the West Texas Utilities Company.

Ablene.—An additional electric generator of 2,750 kilowatt capacity is being placed in the power plant of the West Texas Utilities Company here.

Orange.—Management of the Orange Ice, Light and Water Company has been taken over by the Gulf States Utilities Company, a subsidiary of the Eastern Texas Electric Company. A transmission line will connect Beaumont and Orange and extend into Louisiana.

Childress.—Construction is under way on an electric transmission line between Childress and Estelline, Memphis, and Clarendon. It connects properties of the Central Power Company.

Pecos.—The Pecos and Northwestern Telephone Company is now occupying a new building built by the company especially for its own use.

Amarillo.—The Southwestern Public Service Company will build a transmission line from Amarillo to Pampa to supply Panhandle, White Deer, and Pampa.

Texas Educator To Attend State Meet

COLLEGE STATION, Texas, Oct. 13.—Professor J. B. Bagley, head of the department of Textile Engineering at the A. and M. College of Texas, will attend the meeting of the Texas Textile Association in Denton this week and will take part on the program of that Association. Professor Bagley is director of the complete cotton mill which is operated by the Textile Engineering Department of the College.

Explains System Of Libraries In State Of Texas

At the regular weekly staff meeting of the Texas State Library a talk was given by Miss Wilcox on the traveling library system of the State Library. She said that there are now thirty-five libraries in circulation with six new ones to be added soon. During the last fiscal year 61 libraries were sent out. This is equivalent to the circulation of 3050 books. Libraries were sent to 50 counties, 21 counties in which there had never been traveling libraries. Forty-four new applications were received. Thirty-eight libraries were kept in schools; 5 in residences, one each in Red Cross headquarters, chamber of commerce, community center building, bank, public library building, court house, and postoffice.

Since the inauguration of the traveling library system one community has had 21 libraries, making a total of 1,050 books; another 11 libraries, totaling 550 books; and a third, 9 libraries, totaling 450 books.

A map made by Miss Wilcox showing where traveling libraries had been sent in Texas was exhibited. She pointed out that in localities was greatest. Around San Antonio, Fort Worth, Dallas, Austin, El Paso and around Cooke, Harris, Dallas and Potter counties, where there are public or county libraries, traveling library stations were most numerous.

Aggies Prepare To Seat Record Crowd

COLLEGE STATION, Texas, Oct. 12.—Preparation for accommodating a record crowd expected here for the Thanksgiving Day clash between the Texas Aggies and Texas Longhorns are already under way. It is expected on that day, the college community of 2,800 will be expanded to include 28,000. President Walton has designated Colonel F. H. Turner, commandant, and Colonel Ike Ashburn, executive secretary of the Association of Former Students, to have charge of all arrangements. Traffic control, police protection, and establishing of temporary dining rooms capable of feeding the thousands of visitors are some of the matters with which these two are concerned.

Send Body Of U. S. Agriculturist To Home For Burial

EL PASO, Oct. 14.—The body of Dr. Walter D. Hunter, 49, entomologist of the department of agriculture, who died of apoplexy late yesterday in a local hospital, will be forwarded to Houston today.

Dr. Hunter was here to investigate charges by El Paso Valley farmers that Sidney D. Smith, federal horticulturalist, discriminated against them in issuing a quarantine on cotton. The farmers claim there is no pink boll worm infestation in the valley.

Reference Books Received Daily At College Library

New reference books for use in connection with the courses of study being offered at the Tech college here are being received daily, according to a statement of Miss Elizabeth West, librarian, Tuesday.

The most recent arrival is the encyclopedia of national biographies, which according to Miss West, will be of special interest to students in sophomore English.

Another shipment of reference works that will be of special benefit to the students is expected to arrive within a day or two from Dallas.

Trophy Offered Canyon Student By West Texas C.C.

CANYON, Oct. 13.—The West Texas Chamber of Commerce through B. F. Bennett, has announced to the authorities of the West Texas State Teachers College that it will give a twenty-five dollar gold medal annually to the boy in the West Texas State Teachers College who makes the highest average in athletics and scholarship.

President J. A. Hill and Coach S. D. Burton have been named by the Chamber of Commerce to select one other member of the committee which will work out the regulations concerning the award.

KELL TESTIFIES IN AMARILLO CASE

AMARILLO, Texas, Oct. 12.—(AP)—Frank Kell, Wichita Falls capitalist, today told S. H. Mattigley, examiner for the Interstate Commerce Commission, conducting a hearing here on the Rock Island petition for a line from Amarillo to Liberal, Kansas, that

Texas Men Elected To Important Posts

COLLEGE STATION, Texas, Oct. 13.—Officers for the ensuing year were elected at a meeting of the Science Seminar of the A. and M. College of Texas this week. Dr. J. H. Hanco, formerly of the University of Illinois and of the U. S. Geological Survey, now head of the Department of Geology of this College, was named as chairman and Dean C. E. Friley as secretary. At this meeting Dr. O. M. Ball read a paper on "Persistence of Plants." Dr. Ball is head of the Department of Biology.

State Fair To See Aggie Drawing Work

COLLEGE STATION, Texas, Oct. 13.—One of the interesting features of the A. and M. College exhibit at the Dallas Fair will be a collection of 26 drawings worked out by junior and senior architectural students in the course of a year's classroom work in designing. Professor H. N. June, head of the department of Architecture, is of the opinion that these drawings are of special merit and is glad of the opportunity to show them to the public.

Labor Federation To Help Strikers

ATLANTIC CITY, Oct. 13.—(AP)—The American Federation of Labor today voted to use its best efforts to assist the United Textile Workers of America in the defeat of the American Thread company of Williamette, Conn. in "their unjustified reduction of wages and their attempt to destroy the textile unions in their mills."

CHICHESTER'S PILLS

CHICHESTER'S PILLS. THE DIABLO BRAND. "I have tried many other pills but only Chichester's Pills have done me any good. I feel like a new man now."—J. H. Hanco, formerly of the University of Illinois and of the U. S. Geological Survey, now head of the Department of Geology of this College, was named as chairman and Dean C. E. Friley as secretary. At this meeting Dr. O. M. Ball read a paper on "Persistence of Plants." Dr. Ball is head of the Department of Biology.

If YOU HAVE LOSS

If YOU HAVE LOSS of appetite, indigestion, Wind, Stomach, Sick Headache, Nervousness, you will find Tatt's Pills what you need. They tone the weak stomach, and build up the system.
