Project Christmas Card Set To Begin

Signup group for the 1995 "Project Christmas Card" is now underway and will continue through December 15. It was announced this week by Modern Study Club and The Friona Star.

Project Christmas Card is being co-sponsored by the study club and the Friona Star for the 49th consecutive Christmas season.

Proceeds from the project will go to benefit Panhandle County Community Hospital. Since its inception, Project Christmas Card has raised over $110,500.

This is in addition to over $15,000 in advertising space which has been donated to the project by the newspaper.

Last year the project raised $3,825, which was used to purchase a new range for the hospital's kitchen. It was the first new range for the kitchen in a number of years.

A spokesperson for the hospital said they could use the 1995 funds to purchase new IV pumps, which cost about $1800 each. "As it is, we might have an IV pump for use in "normal" use when an emergency comes in, and we might have to take that person off, in order to treat the emergency. It would be nice to have a pump ready and waiting for an emergency," said director of nursing Lynn Nelson.

Donations to Project Christmas Card may be made at Friona State Bank, as well as at a number of business firms throughout the community.

Deadline to donate and participate in the project has been established as Friday, December 15.

The proceeds behind Project Christmas Card is that residents are asked to donate the amount of money which they would customarily spend to send out Christmas cards to local friends.

In turn, those who donate to the project will have their names published as a community-wide Christmas greeting in the Friona Star's annual Christmas edition.

Donors are reminded, if they have not mailed cards recently, that the price of both cards and postage has increased over the years—in case they hadn't noticed.

Xmas Promotion Kicks Off Nov. 11

Friona Chamber of Commerce kicks off its 40th-anniversary for the Holiday promotions on Saturday, November 11, and continues through Christmas.

Customers will be given one ticket per purchase to fill in their name, address and number of cards.

Tickets will be collected from the participating merchants on Friday, November 10, when a drawing will be held from the box of each participating merchant.

Winners will receive $15 in Friona Bucks to send out Christmas cards to that special somebody.

Names from all stores will then be combined for a final drawing, and a grand prize winner will receive $500 in Friona Bucks, which can be spent at any of the participating merchants.

Participating in the promotion are the following businesses: A-1 Christmas Tree Stand, Pizza, Hi-Wire Hardware, County Charm, Custom Cutters, D.L. Thriftway, Friona Motors, Friona State Farm Insurance, Ingram's Department Store, A&J Equipment, Kendrick Oil Company, Lakeside Parts & Machine, Many's Flowers & Gifts and TV & Appliance.

Free Tickets Available For Concert

Tickets for the "Living Christmas Tree" Christmas Concert will be available free of charge beginning Monday, November 20. Tickets may be obtained from Mrs. Herring at Friona State Bank or from the Memorial Hospital, County Community Hospital.

There will be three performances of the Christmas Concert to be held at Friona's First Baptist Church, Thursday, December 2 at 7:30 p.m.; Friday, December 3 at 7:30 p.m.; and Saturday, December 4 at 7:30 p.m.

The "Living Christmas Tree" is a unique Christmas tree decorated with highlights of red and white artificial lights, 30 children's voices and the bell choir.

"Everyone is welcome, so get your tickets early and begin the Christmas season by attending the Friona Christmas Choir's presentation of "The Living Christmas Tree,"" said Mrs. Herring, spokesperson for the project.

Blood Drive Is Set Here November 30

We are all aware that before someone can receive blood the person who gives blood, Friona blood donors have always donated in the special "Commitment to Care" Card Drive Promotion. To make that happen, we are asking everyone to set aside Saturday, November 11, to invite you to join them in a "Commitment to Care," by attending the Blood Drive on Thursday, November 30 from 3-7 p.m., in the Friona State Bank Conference Room.

This is your opportunity to help the community by being a willing blood donor. The success of these Blood Drives depends on your participation. Please give us your most recent and immediate attention. Your blood donation is a vital part of your community's lifeblood.

Ornament Sales Will Benefit Depot Group

A Commemorative Christmas tree ornament featuring a cast brass platter with a picture of Friona's old Tents IV Depot Building on it will be sold by the Friona Christmas Society of Friona.

The ornament is priced at $12.00 each and each one will be signed by Mayor Christmas and Christmas Chair Frances Bracken.

Proceeds from the sale of the ornament will go to the Friona Depot in the City Park.

MILL RE-CONSTRUCTION... Progress is being made daily on re-paving the Hi-Pro Feed mill located outside Friona's east city limits. The entire operation was destroyed by the June 2 tornado. Construction crews have just completed pouring these concrete walkways with new hins that will be installed in the near future.
Thanksgiving Celebrated...Ruby Nguyen and Nestor Mendoza show off their teepee for the 41-20 at the half. Longhorns, 56-49. But on Tuesday, ahead, 19-9 after one quarter, and led Quint Ellis led the scoring with 12 the team dropped its first game of Tuesday night at Dalhart. The Chiefs were hot from the field, Friona again had a good first half. Ellis paced the team in the first second half. meanwhile, the Squaws ran their Ellis led the team in scoring 14 points, which included a pair of three-point baskets. But Dalhart made some defensive adjustments at halftime, and headed the Chiefs, 47-36 in the second half. Ellis led the team in scoring with 16 points. Tony Mejia added 11.

**THANKSGIVING CELEBRATED...**

Ruby Nguyen and Nestor Mendoza show off their teepee for the 41-20 at the half. Longhorns, 56-49. But on Tuesday, ahead, 19-9 after one quarter, and led Quint Ellis led the scoring with 12 the team dropped its first game of Tuesday night at Dalhart. But Dalhart made some defensive adjustments at halftime, and headed the Chiefs, 47-36 in the second half. Ellis led the team in scoring with 16 points. Tony Mejia added 11.

**WITH BEST WISHES On Thanksgiving**

Just like the Pilgrims and the Indians, we've seen first-hand how the entire community pulls together.

We'd proud to be a part of the team and want to thank all of those who help make Friona #1!

If this happens to your car, you'll feel better about the right auto coverage with Allstate. Call us today.

Kendrick Tops Chieftain Offense

Junior running back Andy Kendrick led the 1995 Chieftains in both rushing yardage and in scoring, according to a compilation of season football statistics. Kendrick led the scoring with 56 points on 11 touchdowns. Rusty Simmons scored 36 points. Kendrick led the rushing statistics with 818 yards on 109 carries, 7.5 yards per carry. Lance Looper gained 563 yards on 102 carries, 5.5 yards per carry, and Simmons had 391 yards on 80 carries.

Sophomore Quint Ellis was second unassisted. Simmons led in tackles for losses (14), while Renner and Juan Santiago led in interceptions with five. Casey Leonard Alvarado led the team in fumble recoveries with three each. Ellis led in tackles with three, including one for a safety. Simmons led in tackles for losses with six.

LEGAL NOTICE

The Board of Trustees of Friona Independent School District wish to invite all those interested in the building of a new school to attend a public meeting on the school activity bus.

The meeting will be held on the west side of Friona at the Central Administration Building at 7:00 P.M. on Monday, December 1, 1994. At that time, sealed bids will be accepted. All bids must be in full before they will be published.

All classified ads are in CASH. All legal notices must be prepaid. All classified ads are subject to editorial approval.

LEGAL NOTICE

The City of Friona, Texas, hereby gives notice to all bidders that sealed bids will be accepted for the purchase of a new school activity bus.

Sealed bids shall be submitted to the Central Administration Building on or before 4:00 P.M. on the first day of December, 1994, and will be opened and read aloud. All bids must be submitted in writing and must be signed by an authorized representative of the bidder. The City reserves the right to reject any and all bids.

Bids will be received until 4:00 P.M. on December 1, 1995, and will be opened and read aloud at the Central Administration Building at 7:00 P.M. on Monday, December 11, 1995.

The bid must be sealed in a manila envelope and must be accompanied by a non-refundable bid fee of $2,500.00.

All specifications will be available at the Central Administration Building.

The City reserves the right to accept or reject any and all bids.

All bids must be in the form of a sealed bid and must be submitted in writing and must be signed by an authorized representative of the bidder. The City reserves the right to reject any and all bids.

If you have a couple of coins in your pockets to rub together, just how important are these to you? Let us give you a little history on the old two-cent piece.

Minted in 1922, the two-cent piece was produced for two years, and then another two years, 1937 and 1938. Old-timers will tell you that the two-cent piece was the most frequent coin found in circulation.

These two-cent pieces were once a part of the nation's currency. They were produced as a part of the "small coinage" category, which includes the one-cent, two-cent, and five-cent pieces.

The two-cent piece was designed by J.E. Barnard and was known as the "Jefferson nickel." Its obverse features a profile of Thomas Jefferson, while the reverse has a design of a sheaf of wheat and the words "United States of America".

The two-cent piece was discontinued because of its low metal content and high production costs. It was replaced by the nickel, which was introduced in 1913.

Now, back to the history of the two-cent piece. The two-cent piece was one of the first coins to be mass-produced. The minting process involved the use of a large number of dies, which were turned by hand.

The two-cent piece was known to be a popular coin among children, who would save them for future use.

The two-cent piece was also popular among collectors, who would often trade them for other coins or use them to pay for small purchases.

In conclusion, the two-cent piece was a popular coin during its time, and its history is a testament to the importance of money in our society.

One of the most important fixtures in the conduction of electric current are those familiar utility poles. These sturdy giants hold the wires high above the ground, out of the reach of children and livestock. Once in a great while, however, severe conditions on the power line can cause accidents or damage to the poles, resulting in extremely hazardous conditions.

Should you come across a damaged or fallen utility pole, contact DEER or (575) 376-2501. Do not attempt to repair the pole. Call DEER or (575) 376-2501. In case of emergency, dial 911. Do not approach the pole or enter the area around it. Stay away from any downed power lines.

Call for your appointment at the Bovina Medical Clinic and save a trip to Friona.
There is nothing that can compare to the feelings of warmth, support and the sense of belonging we receive from our families. What can be more special than family? And what can be more important than protecting our families?

Although we've been in the Panhandle for only a short time, helping to keep families safe and healthy has been our goal for more than 25 years. During that time, our High Plains Baptist Health Systems family has grown a lot. In addition to the Bovina Rural Health Clinic, here are some of our family members you should know:

* Southwest Arthritis Center
* Sports & Occupational Medicine Center
* Bivins Center for Physical Medicine & Rehabilitation
* CareCenter 24 at High Plains Baptist Hospital
* FIRSTCARE
* Senior Health Center
* Southwest Spine Center

You can depend on our family and your Bovina Rural Health Clinic to care for you and your family in sickness and in health. After all, isn't that what families are for?

**Veterans’ Benefits And The Budget Standstill**

Veterans’ benefits are one of the things that you think you stand to lose should the budget not be balanced. Last week, a simple decision that our country should not have been a foregone conclusion turned out to be a suicide for our nation’s veterans.

It is now clear to me that President Clinton’s administration is committing the country to the most severe and far-reaching cutbacks in veterans’ benefits.

The ladies returned home Saturday.

An out-of-town visitor in Friona on Monday was Gordon Boster, who lives in Durango, Colorado. He has never lived here, but his parents, Gene and Yvonne White Boster, who also live in Durango, have a lot of relatives and friends here.

In fact one of Gordon's cousins, Venice, has been married to another cousin, Clarence Martin. They married at the last minute and left for their honeymoon in New Mexico.

Saturday was a nice day for Opie, Joel and Debra Spivey. These three drove down to Abilene and spent some time with Steve and Valerie Spivey Grants, who live in New Caney, Texas.

Guest speaker at the Sixth Street Church of Christ, Sunday, was David Mussen of Lubbock. He was accompanied to Friona by his wife, Tonya.

The Minors were guests in the home of Gerald and Mary Beth Wyly and daughters.

Another sister, Mildred Guinn of Hereford, came over for church services with the family Sunday morning.

One of his sisters and brothers-in-law, Inez and Lloyd Bratcher, who live at Wanette, Oklahoma, were weekend visitors in the Perkins home.

Agriculture Faces New Challenges

By JENNIFER SMITH

Science major from Friona, said, “In the year 2000 is very difficult. I believe with increased technology the producer will become more knowledgeable about his end product as he tries to correlate it with the product desired by the consumer.”

Dr. James Evans, a professor of Agricultural Economics at Texas Tech, said trying to predict price, economics for the year 2000 is very difficult.

“In agricultural economics will depend a lot on the farm programs, foreign markets and governmental values. With so many variables, it makes predicting the economics of the year 2000 very hard to do.”

Kelly Jack, a junior agronomy major from Friona, said, “In aggregate some of the goals for the year 2000 are to maintain top soil moisture, increase crop yields and conserve crop water.”

Modern Study Club Presents

PROJECT CHRISTMAS CARD

For the past few years, Project Christmas Card has been a big success. This year we are again offering the people in our community the opportunity to wish their friends and loved ones a heartfelt Merry Christmas through our project.

Between now and December 15, you may deposit to the Project Christmas Card account at Friona State Bank the amount of money you normally spend on local Christmas cards. Boxes will be placed at other locations in town.

Names of depositors will appear in the giant greeting in the Christmas edition of The Friona Star.

Your Participation Is Invited. Proceeds Go To Our Hospital—

LEANNA RENE HUMPHRIES and JUSTIN HEETH DELEON...Mr. and Mrs. Raymond Humphries of Pocola, Oklahoma announce the engagement and approaching marriage of their daughter, Leanna Rene, to Justin Heeth DeLeon. His parents are Carol McIntosh of Friona and Oberlin DeLeon of Wyoming. Norbert and Oretta Schueler of Spring, Texas and Ruben DeLeon of Friona are his grandparents. The couple will exchange wedding vows Saturday, December 2 at 2 p.m. in the Panama Assembly of God, Panama, Oklahoma. The bride-elect is a graduate of Pocola High School and attends Western Community College. The prospective bridegroom is a graduate of Friona High School, served in the U.S. Army and is employed by Pickup Warehouse.

Michel Rodriguez Is Honored By Mar.-Ed.

By Michel Rodriguez

Michel Rodriguez is the seventeenth year old daughter of Mariano and Maria Rodriguez. This is her second year in the cooperative education program as well as being employed at Friona State Bank. She is a senior at Friona High School.

Being in the cooperative training program helps students become experienced in different job fields. It helps students become independent, responsible adults and prepare them for what is to come in the future. It helps students realize that not everything comes so easily. There is a time for fun and a time for work.

This program allows students to go to school and work part time. Michel hopes that her working at the bank will serve her as a marketable skill to be used in the future.

Thank you, Friona State Bank, for giving me a job and the opportunity to work. I would especially like to thank Tara Martin, Larry Rawlin and the rest of the employees for their support while on the job.

1915 was a very good year... J.R. Baker was born.

Join us in celebrating his 80th BIRTHDAY on December 2, 1995 from 2-4 p.m.

Tom & Sharon Griesam are hosting a casual celebration at their new home which showcases the extraordinary woodwork done by the honoree.

By: Chris Phenic

CHRISTMAS CARD
CONNIE RANEA CLARK and BRANDON KEITH TEBEEST....Junior and Lynnise Clark of Friona announce the engagement and approaching marriage of their daughter, Connie Ranea, to Brandon Keith TeBeest, son of Kathy Ortiz of Friona. The couple will exchange wedding vows Saturday, December 2 at 2 p.m. in the Friona Union Congregational Church. Ms. Clark is a graduate of Friona High School. The prospective bridegroom is employed by Western Family.
