Friona Noon Lions, l-r, John Gurley, Dale Houlette, Allan Haile, and Fred Cook, are busy preparing for the tailgate cookout at Friday's Bushland game. Lions Club members working at the game wore pink t-shirts in honor of Breast Cancer Awareness Month. The shirts were furnished by Becky Jones, a breast cancer survivor and wife of Lion Robert Jones, and Sylvia Ingram, owner of Ingram's Department Store who also donated some shirts to the Lions.

## Council approves bond refinance plan

The Friona city council met in regular session Tuesday October 12, 2010, in council chambers at 619 Main St. Mayor J.B. Douglas presided.

Sam McIntosh addressed the council during the public comments item on the agenda. McIntosh expressed concerns about a recent incident when Friona police did not respond to a call and enforcement of the junk vehicle ordinance. The Friona Star was ap-

proved as the official newspaper for the city in posting of legal notices, public notices, bids, etc.

Approval was given for city manager Patricia Phipps to pursue a non-matching funds grant to purchase an oil recycler at the city barn to be used for oil disposal by the public.

The major portion of the meeting was spent discussing a plan to refinance two bonds issued in 2002 and 2003. The plan, to be ad-

ministered by Specialized Public Finance, Inc. of Lubbock, would save the city more than \$80,000 in interest payments over the next 10 years.

Vince Vialle, Managing Director of Specialized Public Finance, addressed the council about the specifics of the refinancing of the \$2,540,000 in bonds. The refinance plan includes the remaining \$415,000 general obligation bond of Prairie Acres issued in

2003 and \$1,945,000 water and sewer bonds issued in 2002.

In separate actions the council approved Specialized Public Finance as financial advisors to the city, approved the Underwood Law Firm of Amarillo to act as bond counsel to the city, and authorized Specialized Public Finance to proceed with the lower interest refinance plan based on improved market conditions.

After reviewing the ac-

counts payable and monthly and quarterly financial statements, the council went into executive session to discuss employee evaluations. When the council returned from executive session, no further actions were taken and the meeting was adjourned.

The next meeting of the city council is Monday, November 8, 2010, in the council chambers. All city council meetings are open to the public.

## License plates available at Friona chamber office

As of October 18, 2010, the Friona Chamber of Commerce will again be issuing license plates. Last February the Texas Department of Motor Vehicles ruled that county subcontractors couldn't sell license plates.

Parmer County Tax Assessor Bobbie Pierson said, "At the June tax assessors-collectors conference I voiced my concern for the need to help our county residents on this issue. I explained the mileage situation our residents have to deal with, as well as the importance of customer service."

Upon renewal of registration, new license plates are issued every seven years. If your registration hasn't expired you can renew your vehicle license at the Chamber of Commerce office. For additional convenience you can mail renewals to Farwell or renew registrations online at txonline.com.

# Out Here

By Ron Carr

Today the average American household is forced to spend more on transportation each year than food.

Our infrastructure is crumbling. Other nations are going all-in on their infrastructure. As a percentage of GDP America invests less than half of what Russia does in their infrastructure and less than one-third of what Western Europe does.

China is building thousands of miles of new roads and plans to build dozens of new airports. Everywhere else they are thinking big. Our shortsightedness has come due. We can no longer afford to sit still.

All of the above words are from remarks made Monday by President Obama on rebuilding America's infrastructure. The nations mentioned: Russia, China, and Western Europe, could invest their entire GDP on improving infrastructure and still be years behind America. Yet our President puts forth another negative view of America.

There is no doubt that some of the country's infrastructure needs attention. Sometimes gas and water pipelines break. Levees have broken causing flooding. A bridge collapsed in Minnesota.

County roads have to be graded, highways develop a few potholes, airports are often crowded, and if you live in a big city, the traffic jams can be

maddening, especially for the impatient world of today.

There is no answer to traffic jams in big cities. Expand the highways to 10 lanes and there will still be jams. It will never be a perfect world.

More remarks from BHO: "Tens of thousands of projects employing hundreds of thousands of workers are already underway across America. We're moving forward with projects that connect communities across the country to broadband internet and connect 31 states via a true high-speed rail network." He didn't name any of the 31 states. Google "high speed rail 31 states" if you want to know about the proposed project. (Editor's note: Friona is not among the proposed high speed rail cities.)

All of the government's infrastructure plans will be fully paid for, he says. (HA!) One of the plans to pay for it all is this government-speak quote: "It will establish an infrastructure bank to leverage federal dollars and focus on the smartest investments." What does that mean exactly. Don't know. Guess you will be able to open an account at the infrastructure bank. Perhaps Barney Frank will manage the investments.

Here's more. Obama actually said this today: "We want to cut waste and bureaucracy by consolidating and collapsing more than 100 different,

often duplicative programs." What? The current administration is going to cut waste and bureaucracy? That's funny.

Could this be strictly election talk? Democrats and the left are confused and disoriented in the face of the November 2 election. They will be saying words they think voters want to hear in order to steal a vote or two. Few of them are campaigning on the success of the healthcare bill.

If you doubt this was a campaign speech, try these statements made at the conclusion of his remarks: "these investments.....will create good, middle-class jobs right now. This is a season for choices, and this is the choice: between choice—between decline and prosperity, and between the past and the future."

Key election words: middle

class, jobs, right now. Those are buzz words directed at angry voters. Choice is another disguised word for vote. Decline and prosperity, i.e. Republican (decline) and Democrat (prosperity), and the past (Republican) and the future (Democrat).

I'm not concerned about the outcome of the November 2 election. No matter who wins it will be government as usual.

I'll end with this quote from an article written by Mark Halperin, senior political analyst for Time Magazine and a liberal journalist: "The White House is in over its head, isolated, insular, arrogant, and clueless about how to get along with or persuade members of Congress, the media, the business community, or working class voters." Hope and Change.

## Old fashioned cookies

BY RON CARR

I received a recipe from Clara Trowbridge in Hereford. It was handwritten on a 3x5 card. On every inch of the 3x5 card. Reminded me of letters I used to get from my grandmother back in the day when people wrote letters. A challenge to read but written with lots of love.

Clara sent along a cookie recipe. I think I was able to read all the ingredients and instructions accurately. I'll bet she has made a bunch of these over the years. You'll need some Post Grape Nuts cereal and some other stuff.

Sounds like a good holiday recipe. Cookies and Christmas. Doesn't get much better. If you make a batch, bring me a couple, will you?

### Grape Nuts Oatmeal Cranberry Cookies

Makes 5 dozen

- 1 1/2 cup flour
- 1 tsp soda
- 1 1/2 cups (3 sticks) margarine
- 2/3 cup firmly packed brown sugar
- 2/3 cup granulated sugar
- 1 egg
- 1 tsp vanilla
- 2 cups Post Grape Nuts cereal
- 2 cups quick cooking oats
- 1 cup dried cranberries (or raisins)

Heat oven to 375. Mix flour and soda in a small bowl. Beat margarine in a large bowl with electric mixer on medium speed to soften and gradually add sugars, beating until light and fluffy. Beat in egg and vanilla. Gradually add flour mixture, beating well after each addition.

Stir in cereal, oats, and cranberries by hand. Drop by rounded tablespoons onto ungreased cookie sheets. Bake 8 minutes or until lightly browned. Cool one minute. Remove from cookie sheet. Enjoy.

## Letters to the Editor

Dear Ron,

I would like to say "Thank you so much" to the Cargill employees who have taken the interest and time to clean up the Friona Memorial Cemetery.

My parents, Coon and Tress Tannahill, are buried there and I appreciate the people at Cargill for caring enough to take time to help families who have loved ones buried in the Friona Memorial Cemetery.

I say thanks again to you Cargill employees. We appreciate your efforts for trying to improve things at the cemetery.

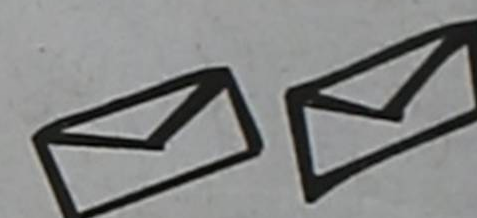

Sherri Taylor

Dear Ron,

I would personally like to take the opportunity to thank those that were involved in the clean up of the Friona Memorial Park cemetery. I know the mess it was in and what a beautiful job they did in making it look as nice as it looks now. As a point of clarification, your article left the impression that the cemetery can no longer be used, which is not the case. If someone owns property there and want to use it, then it can be used. In the 31 years that I have been here there has been several interments but there have been quite a few disinterments as well. The main point I want to make is the cemetery is not closed but there is no marketing or sale of any spaces at this time. Again, I want to commend the Cargill crew that took the time and effort in making the cemetery presentable.

John R. Blackwell

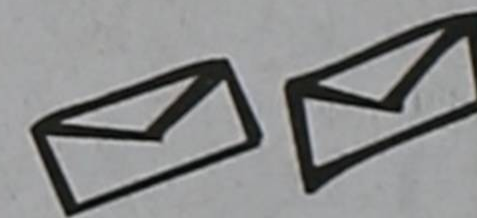

A big thank you to the Cargill employees and those responsible for the hard work and time spent cleaning and clearing the cemetery west of town.

It looks great and is greatly appreciated. You are a thoughtful bunch to have taken care of this need and are a definite asset to our community.

The family of Roy and Della Daniel

The person or persons who took Miss Opal's bench stooped pretty low. Paul and Miss Opal were always befriending some stranger on the road with oil and gas. I worked for them as a teenager. Where has the respect for our elders gone to? Whoever the low class that did this needs to return the bench. Hope they have to listen to Miss Opal scold them.

Raymond White  
Class of 1956

Dear Editor,

Today, as I do every week, I read the online version of the Star and saw the picture of the Cargill workers cleaning up the cemetery on west Highway 60. The Friona Memorial Park Cemetery has been in dire need of upkeep for years now. God bless the Cargill workers for giving their time and energy to this much-needed task.

The location might no longer be used as a cemetery but it still is one. My parents, a brother, nephew, and a brother-in-law are buried there. Every year I try to go home to Friona for our Bentley family reunion and always visit the cemetery. We usually find it all grown up with weeds and in need of care.

My family that still live around Friona do what they can to our plots but all the original organizers of the cemetery are deceased or moved away and I have no idea who to contact about the matter. I am living in Indiana now. Maybe if someone locally, whether they have family members there or not, would try to get something done it would be greatly appreciated.

The cemetery was never handled as it was intended and I've been told the city was not willing to take it over. I just feel that the people buried there deserve a much better resting place. Some were very prominent citizens of Friona.

If anyone would like to take on the task of restoring this cemetery or at least insuring its upkeep, it would be great. I understand there is a fund somewhere just for that purpose. If anyone who knows anything about this matter would contact me, I'd be glad to help in any way I can. Email me at cowsinc09@mail.com.

Sincerely, Betty Fritz (Bentley)

## Football Contest Results

Week 6 winner: Juan Aguilera of Friona

Caprock, Caprock, Caprock. They beat Hereford in overtime and most of our players missed it. Plus you Dallas Cowboy loyalists were burned again, huh?

Another rough week for most contestants as we reached the halfway point in our 12-week football contest. Raul Brailiff and Juan Aguilera, both of Friona, were the two top entries that managed to pick 14 of 18 correct in Week 6. The tie-breaker Cowboys - Titans point total was 61. Brailiff's guess was 38 and Aguilera's was 44 so Juan Aguilera wins the weekly \$25 prize.

Four contestants, Raymond Diaz, Joe Bowens, Myrtle Melton, and Carmela Hernandez, all had 12 correct picks. All others were below 12 for the week. Last week's overall points leader, Matt Griffin of Lubbock, retained his lead with an 11-correct entry and a point total of 76, closely followed by his mother-in-law Dorothy Stowers at 74 total points.

There are a few sidewalk sales in town this Saturday (Oct 16). Shop local at Ingram's, Ivy Cottage, Malouf's, Vickie's Tex-Mex Store & More, and All Season's Boutique. It is going to be a great weekend of weather so go visit these gals and spend some money.

The All Season's Boutique is a new business in town in the red building next door to Headquarter's Restaurant. It is operated by Season Salinaz. Her father-in-law is Friona police chief Tino Salinaz. Among other jewelry and gift items, she is selling Jelly Watches. I'm sure a younger generation knows what those are. Go visit Season on Saturday and welcome her and her family to Friona.

Early voting for the November 2 elections begins next week. Vote everyday from October 18 thru the 29th at the County Clerk's office in Farwell. Early vot-

ing days in Friona will be October 21 and 28 at Friona State Bank. Vote please. This is an important election for America and you can show your support by voting.

Retired FISD superintendent Jim Parker had surgery for abdominal aortic aneurysm last week. Jim and wife Jan are now residents of Dublin, Texas, Jim's hometown. Best wishes for a speedy recovery.

The Clovis Zoo now has a new male giraffe to join the lady giraffe in hopes of making some little giraffes. In my years here in the Panhandle I've never been to the Clovis Zoo. Guess I should haul my camera over there and check it out.

Hereford Whiteface quarterback Ryan Martinez won the weekly Built Ford Tough award last week for his performance against Frenship. He is the son of W.T. Services technician Ed-

ward Martinez.

I'll be attending the Farm Bureau annual meeting next Tuesday. Congressman Randy Neugebauer will be speaking. Probably won't ask him any difficult questions. I would like to know why the Congress cannot shrink the government and cut spending. They don't seem to know how which is all the more reason they all need to be booted out.

Friona high school's thespians are busy working on their annual musical. This year it is Beauty and the Beast. Public performances will be scheduled Sunday October 31 and Monday November 1. More details when available.

How is this for time marching on? The first official UIL day for girls basketball practice is next Tuesday October 20 and the first Squaws basketball game is scheduled for Novem-

ber 9 here vs. Bushland. But Bushland and Friona girls are headed to the volleyball playoffs so the basketball schedule is subject to change.

New item on TV might interest some senior citizens. It is called a Tush Turner and is basically a Lazy Susan for your butt to get in and out of your vehicle easier. They are throwing in a Windshield Wonder to use on the inside of your windshield. Both are only \$10. Better check it out. If it gets to the point I need one of those I think I'll just hire a driver.

Stevens 5-Star Car and Truck Center in Hereford is having a 29th anniversary bash Saturday at the dealership in Hereford. It will be from 11 a.m. to 1 p.m. under the canopy with free hamburgers. They are giving away a 50" plasma TV and providing entertainment by Texas Star. Poky the Clown will also be there. Friona guys Glenn Reeve and Mitch Reeve are long time Stevens employees. Go see them for your next car or truck.

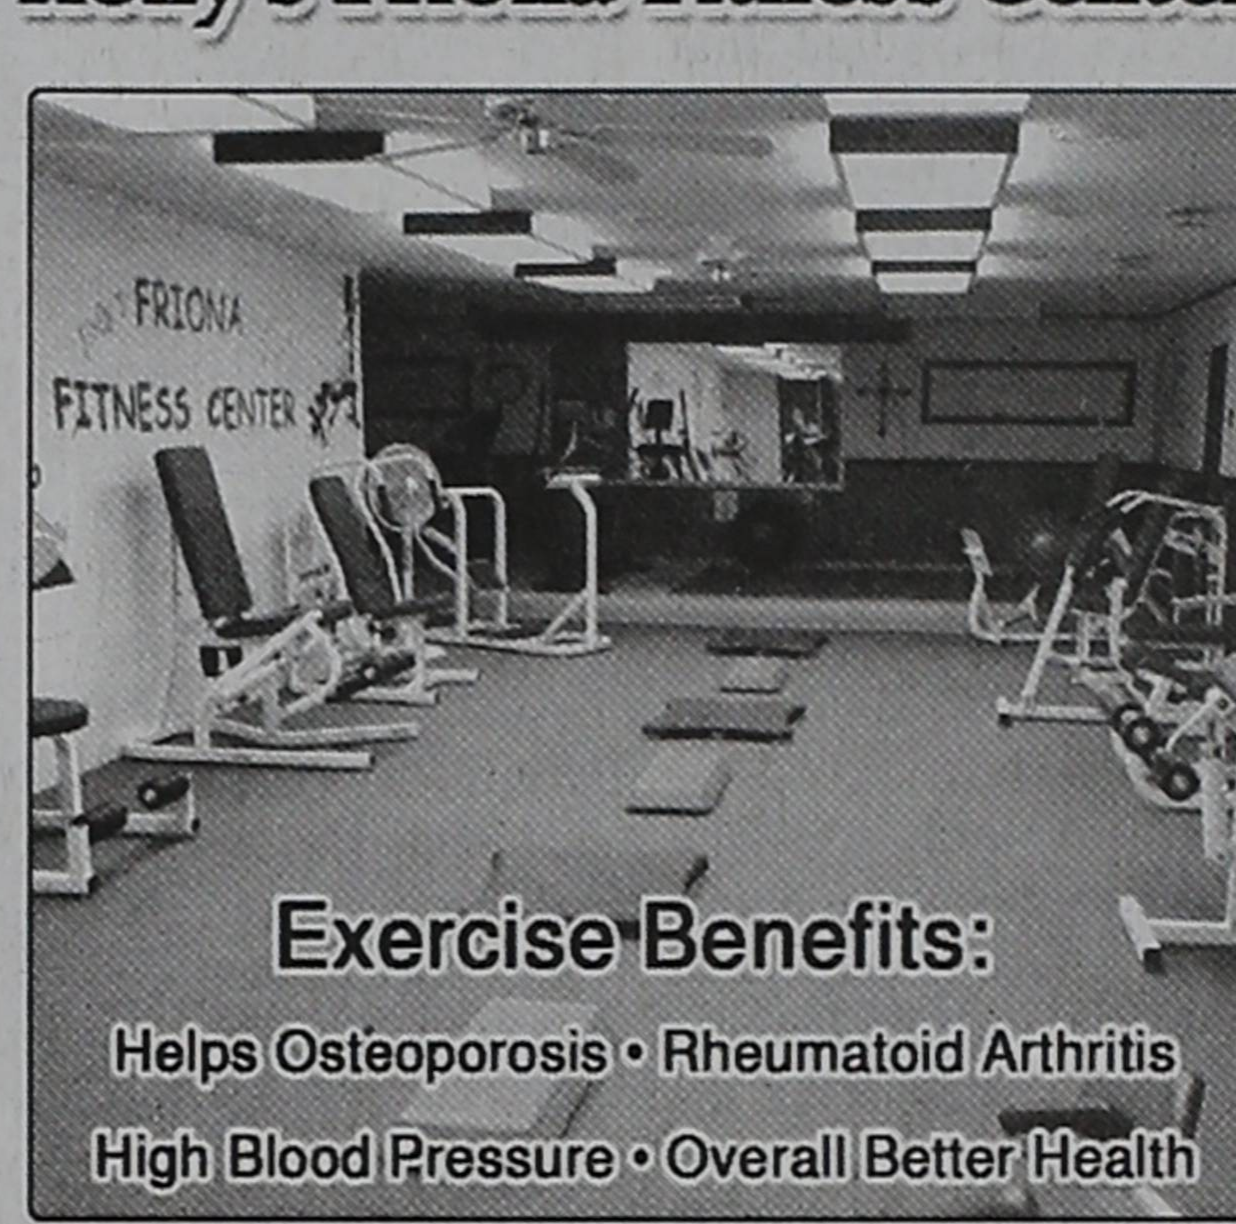

In junior high volleyball the 7th A beat Tulia 25-15, 25-9. The 8th B won in three 23-25, 26-

24, 25-21 and the 8th A won 26-24, 26-28, 25-19. Coach is Dawn Schulz.

The Parmer Medical Center grand opening is set for Friday October 22 from 2-4 p.m. with a ribbon cutting at 2:30 p.m. We will be there for photo ops. I doubt that there is a city the size of Friona in the state of Texas that has a modern hospital like this one. Let's be proud and support the medical staff.

Friday October 15 is my birthday (again). It is #71. I'm grateful for decent health although I was not always prudent about it over the years. I'll be headed to Muleshoe with the media team, Clint Mears, Danny Campbell, and Holly Campbell. No doubt will have a birthday enchilada or two at Leal's before heading to the Chiefs vs. Mules football game. Thanks for reading the Star. See you next time. Go Big Red. Until then!

### Lions Club News

The Frona Noon Lions Club regular meeting Thursday October 7 had 16 members and club sweetheart Abby Jones present. Boss Lion John Gurley went over plans for the Lions Club burger and fries tailgate cookout at the Bushland game Friday night October 8. This will be the last Lions Club burger cookout for the year.

The club will make a donation to the Lions Club seeing-eye-dog fund. It was reported that Frona High school industrial arts teacher Danny Campbell and his students are building new waist-level eyeglass collection boxes to be used at Bi-Wize Pharmacy and Frona State Bank. The club thanks Mr. Campbell and his students.

It was also noted that the local Boy Scouts chapter is being re-born. Scout leaders have come forward and it was said about 25 boys from grades 2-6 are participating. The Noon Lions will donate an American flag and stand to be used at the Boy Scout House for meetings.

Fast forward: A BIG thanks to the Noon Lions members who helped at the Friday night burgers and fries cookout at the football game. By unofficial count, about 15 Lions members volunteered and did the work to feed about 500 football fans and cook and serve 400 pounds of potatoes transformed into the Noon Lions world-famous French fries.

The Noon Lions served over 50 members of the Bushland band, the Bushland cheerleaders, a couple of Bushland coaches, plus many Bushland fans came by to eat with us. We especially thank the loyal Frona fans that always support our football tailgate cookout and other fundraisers throughout the year.

The Lions working at the game were wearing pink t-shirts in honor of Breast Cancer Awareness Month. The t-shirts were furnished by Becky Jones, a breast cancer survivor and wife of Lion Robert Jones, and by Sylvia Ingram, owner of Ingram's Department Store. Thanks to Becky and Sylvia for dressing the Lions in pink for this worthy cause.

The next meeting of the Noon Lions will be held Thursday October 21, at Parmer Medical Center, hosted by Lion Lance Gatlin, PMC administrator. Members are advised to go to the PMC conference room for lunch and a tour. The hospital grand opening will be the next day, Friday October 22, from 2-4 p.m.

Thanks again members for the hard work and long hours you volunteered Friday night at the tailgate cookout.

### Sheriff's Report

The following is reported weekly by Parmer County Sheriff Randy Geries office.

October 5, 2010, Salvador Ortiz, 31, of Frona, was arrested by the sheriff's office assaulting a public servant and unauthorized use of a vehicle. Pending district court.

### Parmer County crop update

By Benji Henderson  
County Extension Agent

Many producers across the county are in full swing of corn harvest. There are a few reports of some producers getting finished with corn harvest.

The grain sorghum for the most part is mature and some is being combined. Silage harvest is winding down with those last cuttings of alfalfa getting cut.

Many producers are spraying cotton and getting ready to strip. There should be several strippers running across the county by the end of this week.

Much of the wheat has been planted and much of the irrigated crop is up and growing. Most of the dry land is in need of a good soaking rain. The forecast is favorable for harvest over the next few days and we should see much of this year's crop harvested over the weeks to come.

### Chiefs lose to Bushland, head to Muleshoe

The Chieftains scored the first and last touchdown against the Bushland Falcons Friday night at Chieftain Field. But the Falcons sandwiched 47 points in between to hand the Chiefs a 47-33 district loss. The Chiefs will take a 1-2 district record on the road to Muleshoe Friday October 15.

Other rushing stats: Diego Licerio was 20 for 89 yards and a touchdown, Brenner Barnett carried 9 times for 55 yards, and Ernesto Monreal was 4 for 15 yards. Barnett completed 10 of 21 passes for 134 yards and one interception that was returned 70-yards for a touchdown. Caleb Monroe had 4 catches for 81

yards including a 42-yard touchdown. Monreal caught 3 for 29 yards and Fair had one catch for nine yards. The Chieftains will travel to Muleshoe Friday night October 15 to challenge the 5th-ranked Mules. Kickoff is at 7:30 p.m. Muleshoe is 2-1 in district play with their loss coming from Bushland. The Chiefs will be without two senior running backs. Duncan Welch's broken ankle from the Lubbock Roosevelt game and Fair's wrist injury have sidelined the duo for the season.

### Squaws 4-1, heading to playoffs

The Friona Squaws hosted district leader Denver City Saturday at Friona gym. The freshman and JV Squaws each won their matches in three game sweeps. In the varsity match the Squaws got off to a great start, played tough, but eventually lost to the Fillies 18-25. According to Coach Bryan Masse in game two the ladies ran out of emotion and went flat as Denver City pounded out a 9-25 win. In game three the Squaws fought hard in a good battle but Denver City, the #2 state ranked team in 2A, won

21-25. Coach Masse said, "We proved we can play with some of the best, now we need to go to work and improve on some of the small things and get better. If we can continue to improve a little bit every day we can be a pretty good volleyball team." The Squaws improved their district record to 4-1 Tuesday night against the Tulia Lady Hornets. The freshman girls won easily 25-9, 25-10. The JV girls won in two games. The varsity Squaws again beat

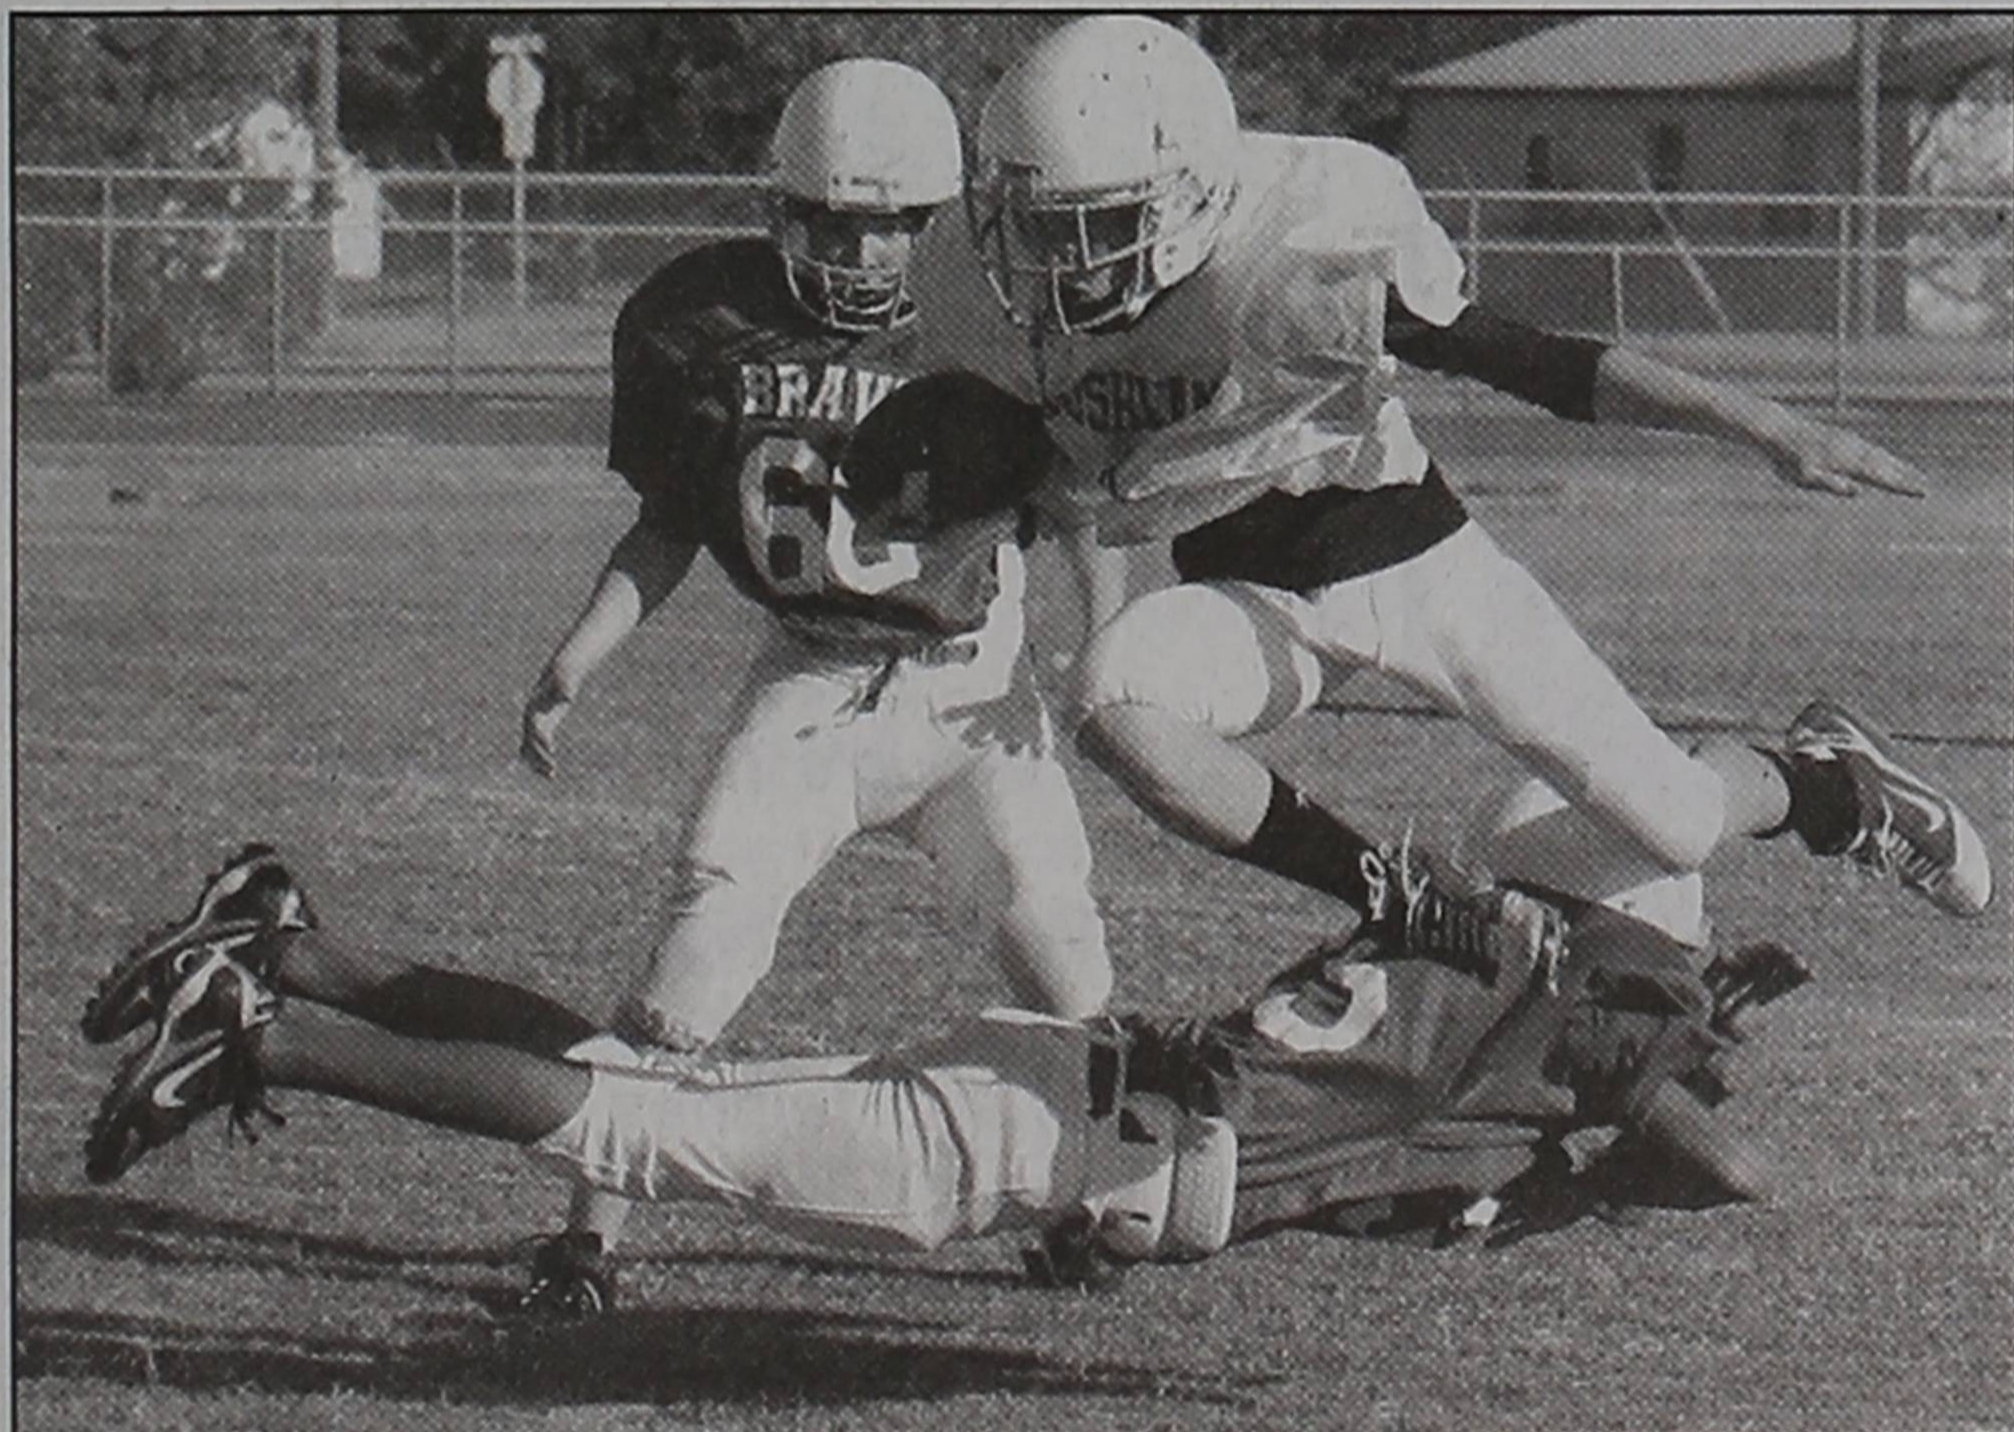

the Lady Hornets 25-16, 25-19, 25-19. The win gave Friona a 21-12 overall season record. "The girls played relaxed and had fun and we worked on some new wrinkles," Masse said. Next up is a trip to Dimmitt Saturday October 16. The 9th and JV will play at the same time, 10 a.m. and the varsity will follow about 11:15 a.m. If the Squaws make the playoffs, and it looks like they will, they will play a team out of district 1-2A, most likely River Road or Highland Park.

### Chieftain JV 16 - Bushland JV 13

The Chieftain junior varsity piled up 289 offensive yards rushing and held Bushland's JV to a total of 186 offensive yards as they battled to a 16-13 victory. Stephen Dominguez was the workhorse for the Chiefs with 19 carries for 196 yards and two touchdowns. Michael Garcia added 13 carries and 52 yards,

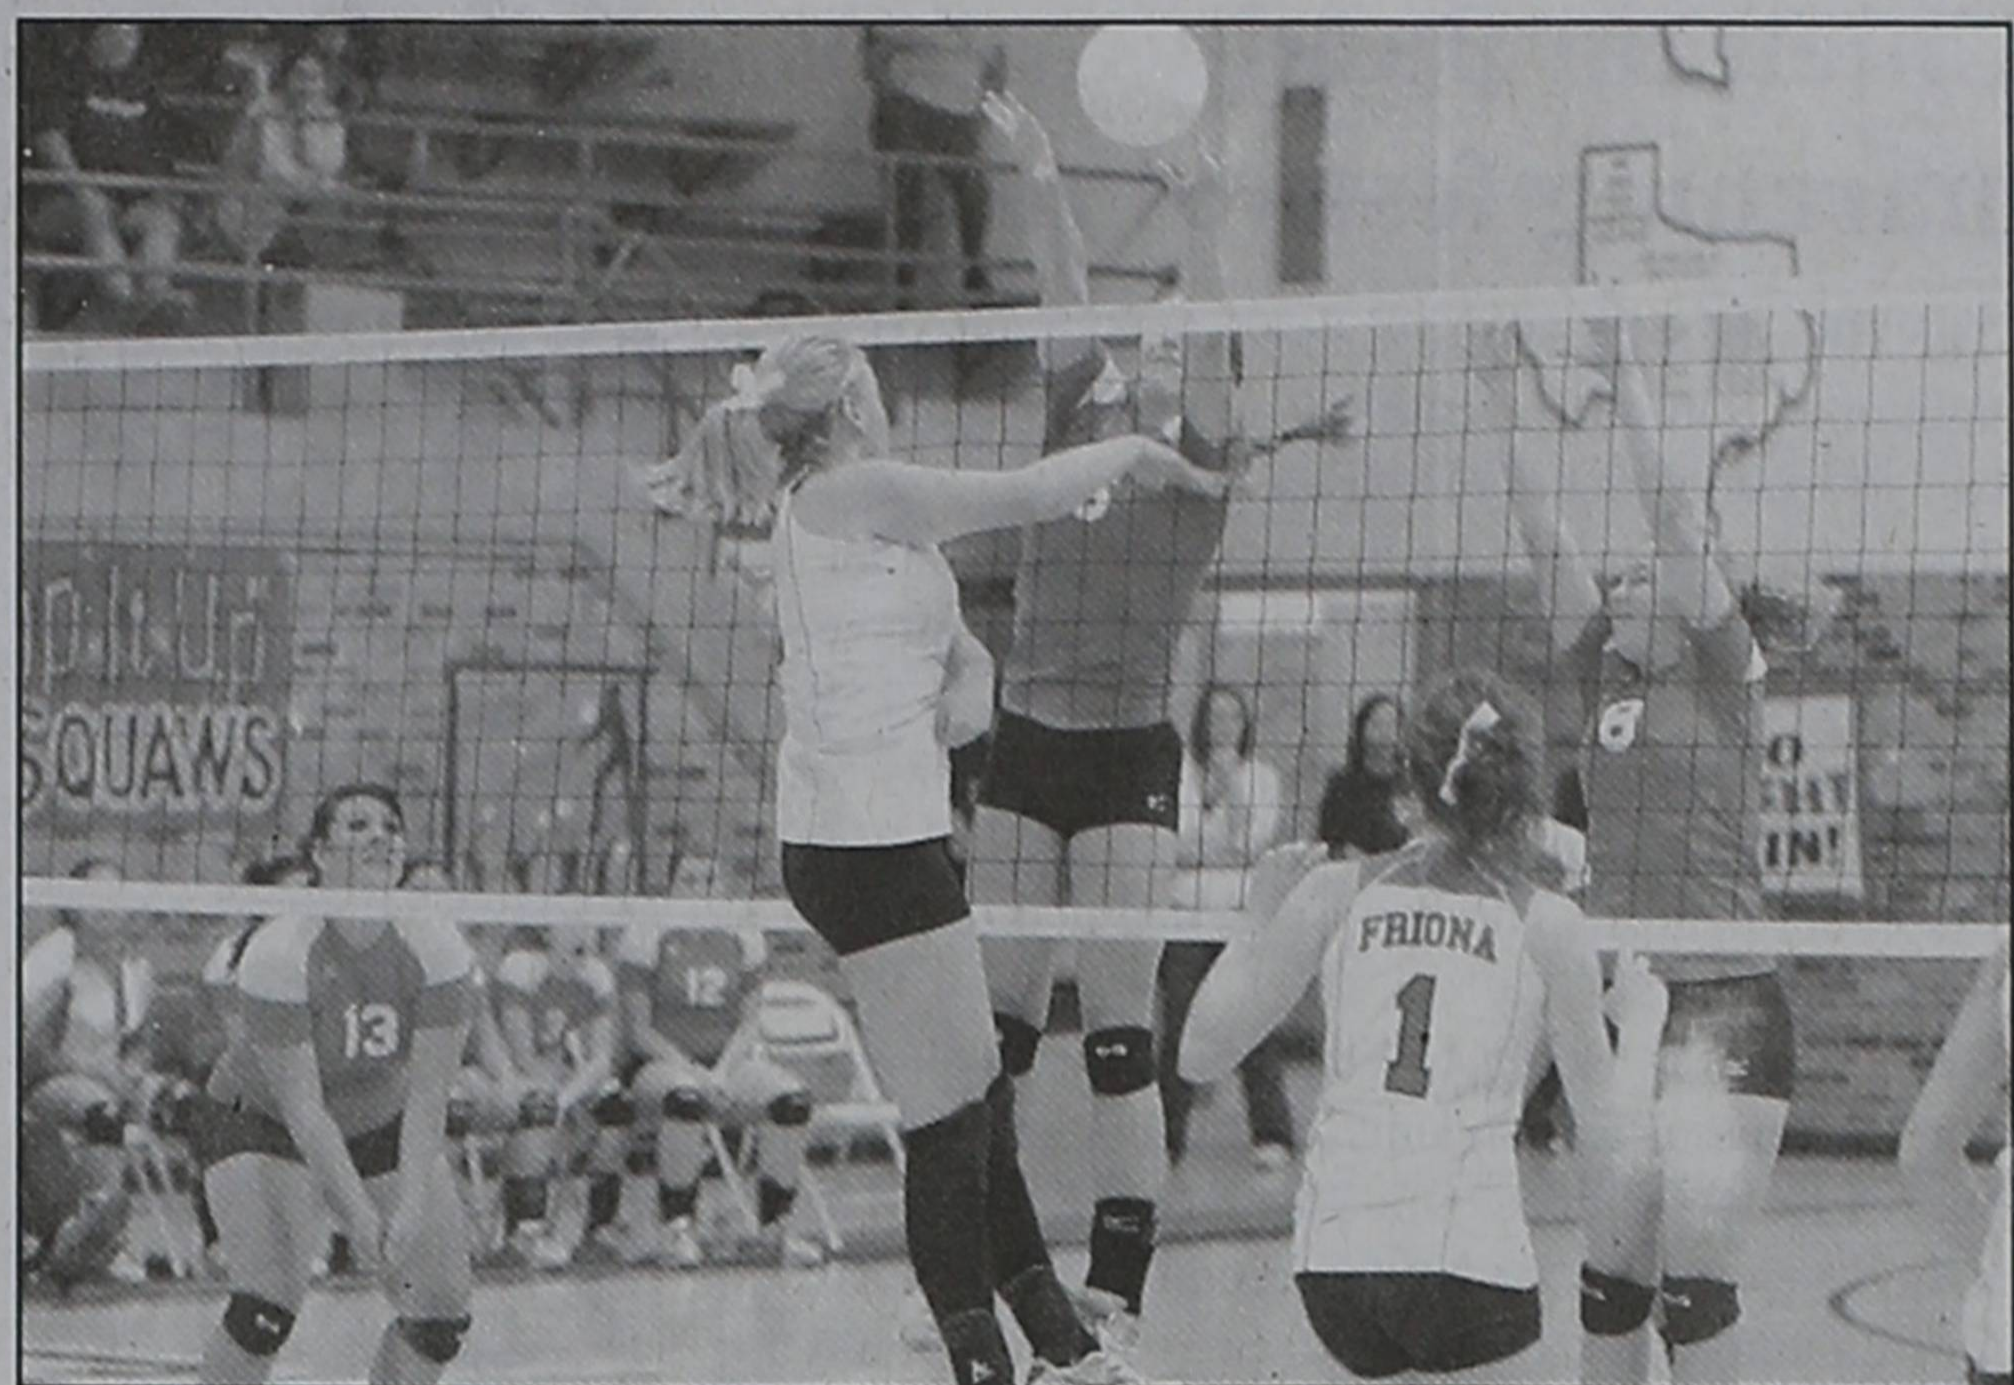

Brad Stowers was 4 for 31 yards and Eddie Garcia carried 5 times for 10 yards. Omar Hernandez had a good game at outside linebacker and had a 9-yard sack. Coach David Towner said: "The boys played well with many of them playing for the first time at the junior varsity level. This was a game with two contrasting offenses. Bushland

has a very powerful offense that is used to getting quick scores. Our defense played really well holding Bushland to 186 yards total. Our offense is a ball control offense that tries to steadily go down the field taking as much time off the clock as we can. We were able to control the ball and keep Bushland frustrated for most of the night."

## Chieftain Band marching festival results

The Chieftain Band traveled to Plainview's Bulldog Stadium on Saturday, October 9, to participate in the annual "Pioneer Marching Festival".

The band was judged by five adjudicators and all five ranked the band First Division and as overall runner-up in Class 2A.

The band will travel to Amarillo's Dick Bivins Stadium Saturday October 16 to compete in the UIL Region I marching contest. The band is scheduled to march at 3:45 p.m.

Band Director Ron McWilliams said, "We are extremely proud of our students' hard work and dedication to strive for excellence. Our kids deserve a lot of credit for their success, but without the contributions of Allison Johnston and Chris Rackley our preparations would not have been complete. Once again I am proud of our kids and our staff for this most recent accomplishment."

## FRIONA CHAMBER OF COMMERCE BUSINESS OF THE MONTH

In January 1985 I started a retail business featuring ladies and children's clothing. I eventually added ladies shoes and purses.

In January 1990 I bought out Chaney's Department Store, which was previously Foster's Dry Goods that served the area for many years.

Throughout my 25+ years I have added and expanded my inventory to include the latest fashion jewelry, home décor, lamps, bed and bath items, gifts for all ages, and more.

I strive to find unique items and new fashions in clothing, accessories, and home décor. We want to be your "one stop shopping place."

We are proud and grateful to serve the wonderful people of Friona and the surrounding area. We value our customers and appreciate your continued support.

## Saul & God

BY BRETT HOYLE, Pastor, First Baptist Church

One of the scariest realities faced today is that religion may allow someone who is evil, wicked, crazy and far from God to attempt to claim the name of God in justifying their actions. This is no doubt the case with violence regarding muslim fanatics, and it is also the case with King Saul in the Old Testament. In following Saul and David through 1 Samuel, it is abundantly clear that Saul has been rejected by God as king, is stubbornly sinful and bent on his evil agenda, which focuses on destroying David. In 1 Samuel 23:1-14 the Bible shows David, seeking the Lord, rescuing the city of Keilah, and then remaining there for a time. When Saul gets word of David's location Saul says, "God has given him into my hand," then he gathers his army to go find and slaughter David. Saul is so quick to claim the name of God to justify his actions, but he absolutely lives a lifestyle that refuses to seek and follow God's direction.

There are far too many Saul's today as well. Those who think that God is just some benevolent grandpa in the sky, who never judges your actions, but only seeks to affirm and comfort you when things may not be going your way are who I'm talking about. If the last time you prayed was at a funeral, Christmas, Mother's Day or Easter this may be you. The Bible teaches us that God is jealous for His glory, and says "For the Lord your God is a consuming fire, a jealous God" (Dt 4:24). In other words, God is passionate for His glory, and everything in your life is to be done for His glory (1 Cor 10:31). Our problem, though, is we seek to fulfill every selfish desire and try to stamp God's name on it. The question then becomes, do I live for God's glory, or simply for my good?

We would like to thank family, friends, and the community for all their acts of love and concern following the death of our loved one. Cards, visits, phone calls, flowers, and gifts of food were all greatly appreciated.

Thank you doctors and nurses at Parmer County Medical Center for the special care and concern shown during the last few months of his life.

Sincerely,  
The Richard London family
