Jessica Izaguirre, center, was surrounded by happy friends at her welcome home party Saturday in the junior high cafeteria. 11-year-old Jessica was injured when her bike was hit by a pickup September 11 on 5th St. She spent several weeks at a Children's Rehab facility in Dallas and returned to Friona last Friday evening. She has no feeling in her legs and is confined to a wheelchair for now. Jessica, daughter of Ricky and Michelle Izaguirre, will continue with rehab in Amarillo three times a week. Love funds for the family are available at the Friona Credit Union and First National Bank to help with medical expenses.

Squaw basketball kicked off Monday evening at Friona gym as the Squaws played host to the Bushland Lady Falcons. The JV and varsity girls both posted wins over Bushland. Above, Brianna Miller (25) takes a shot from the corner. The Squaws will play Vega here Saturday November 13 with JV at 2 p.m. and varsity at 3:30 p.m. More photos from the Bushland game at frionaonline.com.

Country Market this Friday & Saturday at community center

The 2nd annual Country Market will be open to the public this weekend, Friday & Saturday, November 12-13. The Friday hours are 10 a.m. to 6 p.m. Saturday hours are 9 a.m. to 4 p.m. A style show, sponsored by Ingram's Department Store, will be held at 10:30 a.m. Saturday.

The PMC Hospital Auxiliary will have bake sale items, the Friona Library will be selling raffle tickets for a Nook, and Jeff and Canna Ray will have the concession stand selling sandwiches, salads, baked potatoes, and homemade desserts.

Here are some of the items that will be available at the Country Market: lots of jewelry, t-shirts, toys, Avon, Beauti-Control, Mary Kay skincare, bath & body prod-

ucts, Christmas ornaments, santas, snowmen, quilted jackets for kids, coin jewelry, greeting cards, home décor, ladies clothing & handbags, sterling silver jewelry, wood crafts, pecans, pastries, homemade cinnamon rolls and vanilla, hair bows, baby blankets, children's books, tutus, knives, scrapbooking supplies, herbal supplements, crochet items, birdhouses, belts, and flower arrangements.

There will be more than 30 booths featuring the above items and more. This is a good opportunity to get a head start on the Christmas holidays. Jenny Riethmayer and her group of lady volunteers have worked hard to organize the Country Market. You can help make it a success by your attendance.

Empty Stocking Fund helps needy children

The time of year is approaching when many of our local children can use some help to brighten their holidays. The Empty Stocking Fund is a local charity that furnishes clothes, shoes, and an occasional toy to needy children at Christmas.

Volunteers rely on the school nurses and teachers to furnish names of needy children. They use the donated funds and their personal time to purchase the clothes, coats, shoes, and toys. The items are then bundled individually and given to the school to pass on to the child.

Organizers stress that it is not a toy giveaway. Each child gets necessary clothes and shoes first and one toy is included per child. Of all the charities available, the Empty Stocking Fund benefiting needy children should be on everybody's list of donations.

Donations to the Empty Stocking Fund can be made at Friona State Bank, or mailed to Peggy Monroe, 1202 W. 8th, Friona, 79035. For more information or to volunteer your assistance contact Mrs. Monroe.

Council had brief agenda

The Friona city council met in regular session Monday November 8 at 6:30 p.m. in council chambers at 619 Main St. Mayor pro-tem Jim Atwell presided in the absence of Mayor J.B. Douglas who is recovering from bypass surgery.

Prairie Acres administrator Nikki Brister introduced Emily Siegmund to the council. Mrs. Siegmund is the new manager of Friona Heritage Estates.

Friona Library director Darla Bracken gave a report on recent happenings at the library. They have received a Lone Star state grant for \$5,025 which will be used to update the library's server and computers. The library also has 8 new com-

puters available for public use. Funds from the Friends of the Library endowment fund were used to improve the Redeemer Center which is being used as a language and literacy center.

The council also heard and approved resolutions to participate in a PRPC grant program for regional hazard mitigation plan and denying a request by SPS for a summer credit option to interrupt service.

After discussion, the council approved the monthly accounts payable and the financial statements. The meeting was adjourned at 7:06 p.m. The next regular meeting of the city council will be Monday, December 13. All council meetings are open to the public.

Out Here

By Ron Carr

what was I thinking?

I have finally acquiesced, bit the bullet, given in, and given up.

I have online banking. I receive payments from customers via direct deposit and now I can pay my federal employment taxes via telephone. All of which scares the heck out of me.

In another giant leap I actually joined AARP. I've been getting mail from them for 15-20 years but never officially joined. I sent in a three year membership which was about 14 dollars and 27 cents. Being an AARP member is cheap. They don't make their money on membership fees.

They profit when you get an AARP Mastercard, buy AARP car insurance from the Hartford, purchase an AARP life insurance policy, or buy any of the other thousands of products AARP hustles, including sweet potato diets and polyester pants.

Several times when traveling or buying a meal at Luby's I just lied and said I was an AARP member to get the discount. They never asked for an AARP card. Could be I look like an AARP member: old, slow, and bald.

In any event I paid for a membership, got my official AARP plastic card, and am now receiving the AARP newsletter and AARP magazine.

On the front cover of the November/December AARP magazine, in big letters, it says "What Women Want". I'm thinking it is just too damn late for me to be figuring that out. By the time you get to be AARP age, who cares? I might look at the articles on Alzheimer's, sleep secrets from Dr. Oz, and getting fit without breaking a sweat.

On the pages of the AARP magazine I learned that a 91-year-old named Sidney Hartman bought Newsweek Magazine for \$1 and assumed \$50 million in liabilities. He has no publishing experience but at 91 who needs experience. Way to go Stanley. We old folks like to hear success stories too.

One fun feature in the AARP magazine is called "What Was I Thinking?" Readers are invited to submit a memoir in six words about revenge, sweet or otherwise. If they use yours you'll win it printed on a

t-shirt. Here are examples of recent six-word memoirs winners:

"Needed money. Sold my '65 Mustang".

"Divorced husband. Then he won lottery".

"Market crashed. Hadn't sold. Plan B".

"Located my childhood sweetheart. Shouldn't have".

"Skipped college. Aged. Learned from life".

"Lent friend money. Believed him. Waiting..."

"I should have danced all night".

Not everything in the AARP mag is great news.

Did you know Marlo Thomas is 72. That's depressing. There is an article about older folks not having enough to eat. Another report is titled "Just Ask the Lonely," a survey that reveals a dramatic rise in loneliness among the elderly. Not sure I want that much elderly information. I'll wait and see if old age gets any brighter with AARP.

In the meantime here is my six-word memoir. Think I'll send it in and see if I can win a t-shirt.

"Joined AARP. What was I thinking?"

Neugebauer says no back seat on jobs

Congressman Randy Neugebauer (R-TX) released the following statement in response to the federal government's disappointing October unemployment report:

"The Bureau of Labor Statistics announced that the unemployment rate remained stagnant at 9.6 percent in October. While any job creation is welcome, it's clear that the status quo is not enough to get the millions of Americans on the unemployment rolls back to work."

"The American people spoke this week and they want Congress to focus on job creation, not job-killing tax hikes and more federal spending. After 17 consecutive months of unemployment above 9 percent, it's time for a new approach. We must empower individuals and small businesses to be successful in the economy rather than saddling them with even more uncertainty and burdensome regulations."

"The top priority for the new Congress must be to repeal job-killing mandates and provide much-needed tax relief to businesses looking to hire. Job creation cannot, and will not, take a back seat this time around."

Football Contest Results

Week 10 winner: Jess Dearing of Lubbock

Our Week 10 winner is Jess Dearing of Lubbock. She was the only contestant to pick 15 of 18 correct. Her only misses were three of the college games.

The six college games on the contest caused the most chaos for contestants in Week 10. Most were pretty accurate in the high school and pro games. Scores in Week 10 were probably the highest overall since the contest began.

In addition to our winner, six contestants managed to pick 14 of 18 correct. They are: Martin Brito, Logan Loflin, Sandra Berend, Luke Barnett, Michael Hernandez, and Lester Fennell. In recent weeks 14 correct would have been a winner. Sixteen other players scored 13 of 18 correct.

Letters to the Editor

Ron:
A special thanks to Alan Monroe for helping make wonderful memories of the Pumpkin Patch for our grandchildren.
Verna Patton & Family

I have enjoyed receiving the Friona Star Newspaper here in our town Galt, California, which is a small farming community just south of Sacramento, California. With my son and his family living in Friona, I get the opportunity to read the local news, which I get to discuss with the kids and it helps fill a little part of the void in our lives with Greg, Kim, Megan and Clayton living in Friona.

I do have some good news to share. We are going to spend Thanksgiving in Friona this year. We should be arriving on November 20 and will be leaving on November 27. Looking forward to visiting and meeting Greg and Kim's great friends, they speak highly of, and get to see where they live and work. Friona has been good to my son and his family so I say, "Thank you Friona".

Sincerely,
Susan Mora

Dear Ron:
Thank you for attending the Redeemer Family Literacy Center Open House on Sunday. We appreciate your support not only for our library but also for the Friends of the Friona Public Library organization.

Public Libraries are about literacy, learning and imagination. They're the one place in the community where any person can go to use a computer, research any topic or travel anywhere in the world through reading. Especially during these tough economic times, libraries serve as a critical public resource for career and job skills information and training. The Friona Public Library serves as a vital community resource and one that deserves every bit of support we all can give.

That's why we are grateful to the Texas Book Festival for awarding the Friona Public Library a literacy grant. Because of their funding, we are able to provide our community with English as a Second Language Classes and the beginnings of our Redeemer Family Literacy Center for all kinds of literacy information and training in the future.

Thanks also to the Texas Book Festival, its patrons and its sponsors. The citizens of Friona, Texas appreciate your support and are proud of the successful 15th annual Texas Book Festival held in Austin October 16 and 17, 2010.

Sincerely,
Darla Bracken, Director
Friona Public Library

Ron,
I just completed my second session with the Texas Agriculture Lifetime Leadership (TALL) program. This session was centered on the High Plains region, especially the Lubbock and Amarillo area. The amount and diversity of agriculture in this area is obvious. I was quite proud that Parmer County was consistently listed as one of the top agriculture producing counties in the entire state. This session of TALL was broken into crop production, animal agriculture, water issues, and "other" issues.

On crop production I heard presentations from the Plains Cotton Growers Association, the Texas Corn Producers Board, the Texas Peanut Producers Board and both the Texas and National Sorghum Producers Associations. The research and innovations coming our way in drought resistant crops will be very beneficial for our area. I was able to tour several agriculture facilities including the USDA Cropping Systems Lab in Lubbock, Buster's Cotton Gin in Ropesville, and the American Cotton Growers Denim Mill in Littlefield.

Under animal agriculture, I toured the Texas Tech Animal Science complex in Lubbock, the 5,000 head Legacy Farms Dairy in Plainview, and the Pacific Cheese Plant in Amarillo. In Hereford, I toured Champion Feed Yard, Caviness Meat Packing, and the White Energy Ethanol plant. I also heard a presentation from the Texas Pork Producers Association covering the large pork operations in the Northern Texas Panhandle counties. We wrapped up animal agriculture with a tour of the Country Barn restaurant in Amarillo and their Bonsamora steaks advertised as the most tender beef in America. All of the facilities and presentations we heard focused on food safety, volatility of the commodity markets, and animal rights extremists as being their top problems.

The amount and availability of water, and the issue of water rights and right of capture are major issues in agriculture on the High Plains. I heard presentations from the Texas AgriLife Extension Service, the Texas Alliance for Groundwater Conservation, and the Panhandle Groundwater Conservation District. Given the importance of water in this area and all the competing interests and political arenas, it's understood that water is the new "liquid gold" of Texas.

In other issues I heard presentations on the challenges and opportunities for economic development, and on the need to maintain strong rural health services. I believe these issues are paramount and have been well addressed in our area. The Southwest Council of Agribusiness gave a presentation on legislative issues affecting agriculture. It was interesting to note that less than 2% of the U.S. population is involved in agriculture today. I also heard a presentation on Childhood Obesity and the effect this is having on our children. This one presentation had the most questions and discussion. When school lunches were brought up, everyone in the room had an opinion. I also took a tour of the wind farm in Oldham County. I stood beneath a huge wind turbine and was amazed at how quiet it was. Hopefully, the wind energy business will soon be in Parmer County.

My next session of TALL is in January in Austin. It will focus on state government, legislative processes, taxes and appropriations, and the judicial process. I'll write and let everyone know of my adventures with that session.

Today is Veterans Day. The Noon Lions put out American flags around town. Celebrations in honor of our veterans are being held at Friona high school and in the Farwell city park. Our veterans should be honored and respected every day but November 11 is set aside each year as a special observance. Thank you veterans, past and present, for your service to America.

A blood drive is being planned in Friona on December 2 at Calvary Baptist Church. There was a blood drive here last Friday in conjunction with the Health and Wellness Fair at the community center. Coffee Blood Center reports 16 donations were made. Watch the Star for more information about the December 2

blood drive. Blood donations will be in honor of Floyd Reeve.

An accident early Tuesday morning woke up a Hereford man on his way to work at Cargill. The gentleman was driving through Friona westbound on Hwy 60, fell asleep, crossed the eastbound lanes, ran up on the curb at the former Mr. Service location next door to Farm Bureau, and flipped his vehicle onto its top, damaging the sign pole near the street. No injuries. Tough way to start a day.

Also heard a scanner report of a semi-tractor catching fire and burning up on Highway 60 west of Bovina across from Cargill Cattle Feeders. It was pulling a milk trailer. I believe that was Saturday night. Bovina firemen, Bovina police, and

the Sheriff's department responded.

Bonnie and Mike Pope welcomed grandchild number eight last week. April Pope Guidry gave birth to Julie Paige on November 4 in Amarillo. Mother and daughter are doing fine. No doubt Bonnie will be here soon with a picture and more details. Congrats to everyone.

I don't buy much stuff at arts and crafts shows but I'm planning to visit the Country Market being held at the community center Friday and Saturday. Canna Ray is going to be preparing the food for the concession stand. That is reason enough for me to go. Jenny Riethmayer gave me a list of all the items that will be for sale. Sounds like an interesting way to spend a few hours even for a tight old grouch like me. My 91-year-old mom is one of the models in the Saturday morning style show sponsored by Sylvia Ingram. It is at 10:30 a.m. Hope to see you there.

If you don't get enough arts & crafts in Friona, don't forget the Holiday Arts & Crafts Show Saturday and Sunday at the Clovis Civic Center. 801 Schepps Blvd. I believe that is near Clovis Community College. Sunday hours are 11 a.m. - 4 p.m.

I'll also be participating in the Band Booster brisket dinner Sunday at the junior high cafeteria. Sounds like a great menu with brisket

as the featured item, along with mashed potatoes, beans, rolls and homemade desserts. Serving is 11 a.m. to 2 p.m. It is a good cause so bring the family and support the band.

The junior high school cafeteria ladies are offering their frozen dinner rolls again this year for your Thanksgiving dinner. They are selling cinnamon rolls too. Rolls are \$5 a dozen, cinnamon are \$7.50 a dozen. Thaw, let rise, bake, and enjoy they say. Call Laura at 250-3350 for details.

Our local volleyball and football seasons ended last week as the Squaws lost a bi-district match to Highland Park and the Chiefs closed out a frustrating season with a loss to River Road. Time to move on to basketball. The Chieftain/Squaw basketball schedule is printed elsewhere in today's Star. We have a different set of district opponents in basketball than in football. Teams in our basketball district are Abernathy, Floydada, Muleshoe, Littlefield, Dimmitt, Tulia, and Idalou.

The Squaws won their game with Bushland Monday night and host Vega Saturday November 13 with JV at 2 p.m. and varsity to follow at 3:30 p.m. The boys begin their season Tuesday November 16 with team and place TBA.

Good to get a look at the Redeemer Center Sunday during the open house. The Friends of the Library and library director Darla Bracken have taken over the city-owned building, which was formerly Our Redeemer

Lutheran Church, to operate a Literacy Center. It is all about books, and reading, and learning to speak English. A big round of applause to the Friends of the Library for this worthy endeavor. Thanks to Canna Ray for the chocolate covered strawberry cake that was served. Nice open house. Thank you Friends.

Information about donating to the local Empty Stocking Fund to help provide clothes and shoes to needy children at Christmas is on the front page. This is a more than worthy cause. The annual Project Christmas Card fund will be kicking off right after Thanksgiving. The intent originally was to donate the money you would spend on Christmas Cards to the fund. The money is used by the hospital auxiliary to purchase equipment for the hospital. Details coming soon. Start planning.

Faustino and Season Salinaz are having a grand opening of their All Season's Boutique on Saturday November 13. The shop, located next to Headquarters Restaurant, will stock ladies tops, Jelly watches, handbags, and a lot of jewelry. The young couple have moved to Friona from Amarillo. Faustino is the son of Police Chief Tino Salinaz. Their shop will be open Monday thru Friday from 9 a.m. to 7 p.m. Stop by and welcome them to the community.

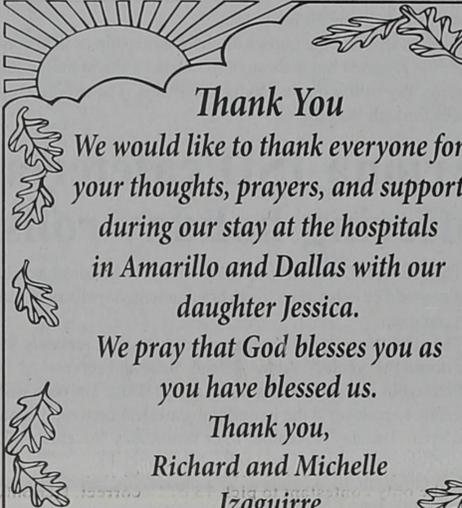

Don't forget the November 30 open houses at Ingram's and Ivy Cottage. Time to get in the holiday spirit. Thanksgiving is upon us in a couple of weeks and Christmas follows close behind. We are already planning our Thanksgiving and Christmas issues of the Star. Here come Santa letters. May I be the first to wish you a Merry Christmas. Until then!

REWARD

While driving into Friona we had a bounce house inflatable castle fall off our truck. We were approximately 3 miles out of Friona on 214 before the 2397 turn off. We lost the bounce house somewhere between the 3 mile out mark and the elementary school on 8th street.

Reward is being offered for the recovery of this inflatable bounce house jumper. The equipment looks like a rolled up piece of vinyl about 5 feet tall with a black securing strap, outside of roll is blue vinyl, writing on the vinyl would say "Rainbow Castle", weight is approximately 275 lbs. When blown up the unit is 15x15 Red, Yellow, Green, and Blue Castle Bouncer.

If you have any information regarding this piece of equipment please contact Tony at 806-773-6200 anytime day or night or Spoil Me Rotten Equipment Rentals at 806-543-6800.

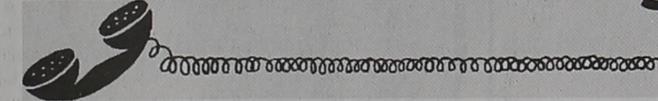

Thank You
We would like to thank everyone for your thoughts, prayers, and support during our stay at the hospitals in Amarillo and Dallas with our daughter Jessica. We pray that God blesses you as you have blessed us. Thank you, Richard and Michelle Izaguirre

Friona ISD Notice to Parents

Starting December 1, 2010, Friona ISD will be implementing a new telephone system to alert parents of any school closings, delays, or school lock down. This is a sample letter that will be sent to the parents of students. They will need to fill out the information and sign the form and return it to the campus to be contacted for any of these events.

LETTER TO INFORM PARENTS OF SCHOOLREACH MESSAGING... Friona Independent School District Telephone Broadcast Service

Dear Parent,

In our effort to improve communication between parents and school, on December 1, 2010, Friona ISD is implementing a telephone broadcast system that will enable school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. The service may also be used from time-to-time to communicate general announcements or reminders. This service is provided by SchoolReach, a company specializing in school-to-parent communications. Friona ISD will continue to report school closings due to snow or weather on radio stations 860 AM & 106.3 FM KPAN and 97.9 FM KGNC, and television channels 4 KAMR, 7 KVII and 10 KFDD and will use this system as an overlay to the public announcements.

When used, the service will call all phone numbers in our selected parent contact lists and will deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines. No answers (phones ringing over 40 sec.) and buses will be automatically retried twice in fifteen minute intervals after the initial call.

Estimados Padres,

En nuestro esfuerzo de mejorar la comunicación entre los padres y la escuela, Friona ISD esta instituyendo un sistema emisor telefónico que permitirá al personal de la escuela notificar a casas y padres por teléfono en minutos sobre alguna emergencia o algún evento imprevisto que cause el despido temprano de los estudiantes, cancelación de clases o el comienzo tarde de las clases. El servicio también puede usarse en algunas ocasiones para comunicar anuncios o recordatorios generales. El servicio es proporcionado por SchoolReach, una compañía especializada en comunicaciones de escuela a padre. Friona ISD continuará reportando si la escuela cerrará a causa de hielo o algún otro problema del clima en las estaciones de radio 860 AM, 106.3 KPAN, televisión 4 KAMR, 7 KVII, 10 KFDD utilizara este sistema como una cubierta a los anuncios públicos.

Cuando usado, el servicio llamará a todos los teléfonos programados en la lista de contactos de padres y dejará un mensaje del superintendente escuela administrador o algún otro administrador escolar. El servicio dejará el mensaje en máquinas contestadoras. Si el teléfono no es contestado o tiene un tono ocupado, la llamada será intentada automáticamente dos veces más cada quince minutos después de la llamada inicial.

OBITUARIES

Lora Dersham

Lora Dersham, 37, of Friona, Texas, passed away Friday, November 5, 2010, along with her two favorite companions, a border collie and her horse.

Celebration of life services were under the direction of Parkside Chapel Funeral Home of Hereford, Texas, and were held at 10:00 a.m. on Tuesday, November 9, 2010, at the Barn Church in Hereford, with Reverend Guy Walker officiating. A separate memorial service will be held at 1:00 p.m. (MST) Saturday, November 13, 2010, at the Pine Bluffs Baptist Church in Pine Bluffs, Wyoming, with Reverend Dan Debruyne officiating.

Lora was born July 11, 1973 in Greeley, Colorado, the daughter of Dan and Jan Dersham. She attended Zion Lutheran School in Brighton, Colorado for eight years and graduated from Brighton Sr. High School in 1990. She attended LCCC in Cheyenne, Wyoming for two years and transferred to Colorado State University.

After living and working in Pine Bluffs, Wyoming for several years, she moved to Texas where she worked in several large feed yards, as well as trained and broke horses, which was her passion. She lived in Friona, where she found God with the help of friends and a church family called "The Barn".

Survivors include her mother, Jan Dersham of Huson, Montana; her father, Dan Dersham and wife, Kay, of Pine Bluffs, Wyoming; one brother, Justin Dersham and wife, Trish, of Cheyenne, Wyoming; her maternal grandmother, Laura Knapp of Cortez, Colorado; and her aunt, Lynelle Brumley of Cortez, Colorado.

Condolences may be sent to Dan and Kay Dersham, 880 Road 156, Pine Bluffs, WY 82082.

Lora Dersham

D.T. King

Services for long-time Friona resident, D.T. King, 78, were held on Saturday, November 6, 2010, at 2:00 p.m. at the Calvary Baptist Church in Friona. He was then laid to rest in the Friona Cemetery. Arrangements were by Blackwell Funeral Home of Friona. The loving husband, father, grandfather, great-grandfather and truck driver died on Wednesday, November 3, 2010, at Northwest Texas Hospital in Amarillo.

D.T. King was born in Kress, Texas on August 28, 1932 to Carl and Clarice King. He married Joan Prosser on May 31, 1952 in Plainview, Texas and later moved to Friona in March of 1956 where he built his trucking business. He and Joan had four children. D.T. and Joan King had celebrated their 58th wedding anniversary on May 31, 2010.

He was best known for his established reputation as a long time truck driver and custom harvester. Although he was much more, he made many friends and gained vast popularity among the truck driving community. Not only did he build a solid reputation around moving cattle across the United States, he took great pride in his abilities to farm and harvest crops over the years. The King family, led by D.T. from the 1950s to the 1980s, devoted their summers to custom wheat harvesting across the Great Plains. He was considered an agricultural entrepreneur given his wide range of business over time. From trucking companies to farm land, D.T. was a pioneer and a great example of hard work and perseverance.

He may very well be remembered best as Granddaddy or most infamously as Double Trouble. He left us with memories that will bring smiles for a lifetime. He touched so many people over the course of his 78 years with his generosity, laugh and beautiful smile. D.T. will truly be missed, not only by the wide variety of people he encountered, but also by the variety of animals he loved, including his dogs, cats and llamas.

In addition to his wife, Joan, he is survived by three brothers, Charles and wife Pat King, Dale and wife Alice King, and Jimmy and wife Helen King; three sisters, Rhetha and husband Jerry Thetford, Lela and husband Bill Trussell and Kay Dorman; four children, Kathy Hobgood, Teddy and wife Connie King, Dee and wife Cindy King, Kelwin and wife Sheila King; and one nephew, Ted and wife Lisa Prosser. He also leaves behind 12 grandchildren and 9 great-grandchildren.

The family suggests any donations be made to High Plains Children's Home, Faith City Mission for the Homeless, or Cal Farley's Boys Ranch.

D.T. King

The rich fool & the wise beauty

BY BRETT HOYLE, Pastor, First Baptist Church

In 1 Samuel 25 we meet Nabal and his wife, Abigail. Nabal is a rich, selfish, alcoholic, fool, unwilling to use the things God has blessed him with to aid those in need. You see, David requested aid from Nabal and he adamantly refused to aid God's anointed leader. Thankfully, Abigail acted prudently to rescue her family from David's wrath, by giving aid to David's men.

In all reality, Nabal would fit into our world nicely because he is blinded by pride, thinks only of his desires, and is captivated by material goods. When his life is ended by God, it is clear that he reaped what he sowed, and incurred the wrath of God on his life. I'm sure you would have helped David if he asked you...but I wonder if you will aid those in need around you?

"Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also." (Matthew 6:19-21)

Adults \$8, kids 10 and under \$5. Take-outs are \$8.50. Turkey, dressing, and all the trimmings and homemade desserts will be served.

JV Chiefs rout River Road 34-0

The junior varsity Chieftains closed out the football season with a dominating performance, holding River Road to minus-24 yards rushing. The JV boys won 34-0, had 286 yards of offense, and intercepted 5 passes and recovered a fumble. River Road managed only 33 yards net offense, all on passing.

Todd Padilla carried 6 times for 135 yards, Marco Terrones was 4-58, Stephen Dominguez 5-40, Francisco Martinez 3-36, and Michael Garcia 4-17. Martinez scored one touchdown, Terrones had two TDs and a 2-point conversion, and Dominguez had two TDs and a 2-point conver-

sion. The Chiefs attempted only one pass in the game. It was incomplete. The offense averaged 13 yards every time they snapped the ball.

On defense, Omar Hernandez recovered a fumble, Cesar Huerta, Stephen Dominguez, and Jose Riveria each had a pass interception. Marco Terrones had two interceptions returning one 75-yards for a touchdown.

Coach David Townner said, "The JV team had a great year. They ended the year 6-2 after having two games cancelled due to lightning. Coach Woods and I would like to thank all the parents for their support this year."

Chiefs season ends with a loss at River Road

The 2010 Friona Chieftains found the competition intense in the new 8-team 1-2A Division I district. The Chiefs were pitted against powerhouses Muleshoe, Littlefield, and Bushland, all three of whom made the playoffs. Friona ended the season at 3-7, 2-5.

The final game was at River Road last Friday where the Wildcats cornered the Chiefs with a 41-26 road loss. The Chiefs had 44 rushing attempts for 289 yards and went 8 of 17 passing with two interceptions. They totaled 354 yards against 385 total yards for the Wildcats.

Injuries plagued Coach Herbert's team the last half of the season. Running backs Duncan Welch and team rushing leader Zack Fair both suffered season ending injuries during district play. Senior Ernesto Monreal was less than full speed for much of the year with nagging groin and knee injuries. Diego Licerio was injured in the Littlefield game and did not play at River Road. Senior

Dominique Kellum injured a knee and did not play the second half of the RR game.

Leading rusher at River Road was Serafin Vasquez with 9 carries for 145 yards and a touchdown. Monreal finished his Chieftain career with 14 carries for 85 yards and a touchdown. Other rushers were Chris Garcia 8-44, Eduardo Rojas 5-24, and Adrian Merino 2-3 and a TD. Kirby Frye caught three passes for 24 yards and a TD, Monreal had 2 catches for 16 yards, Vasquez caught 1-11, Garcia 1-10, and Caleb Monroe managed one catch for 4 yards.

In spite of missing the final four games of the season, Zack Fair was the season's leading rusher with 88 carries for 786 yards and nine touchdowns. He also had 14 pass receptions for 312 yards and three TDs. Caleb Monroe led receiving with 36 catches for 764 yards and six touchdowns. Quarterback Brenner Barnett completed 92 of 199 passes for 1,511 yards, 10 touchdowns and 12 interceptions.
