

The Friona Star

OFFICIAL NEWSPAPER OF FARMER COUNTY, TEXAS

Volume 6—Number 35.

Friona, Parmer County, Texas, Friday, March 18, 1932.

\$1.50 PER YEAR

Terms of Government Crop Loan Plan Set Out Points Necessary to Farmer Gaining Assistance

As many of the Star's readers are vitally interested in the working of the government's crop production loan plan, we give the following general provisions of the Reconstruction Finance Corporation Act relating to the granting of crop production loans:

1. **Security:** Absolute first lien on entire 1932 crop. It is thought probable that crops planted in fall of 1931 are not included, but will take second lien.
2. **Loan limit:** to individual farmer, \$400.
3. **Limit to all tenants** in single county of one landlord, \$1000.
4. **Loans will not be made** to applicants planting cotton in excess of 65 per cent of their total cotton acreage in 1931. This does not apply to applicants planting 10 acres or less of cotton.
5. **Loans will not be made** to minors, to persons who did not farm in 1931, nor to persons having a means of livelihood other than farming.
6. **Loans will only be made** to "farmers who are unable to obtain loans for crop production in 1932" from other sources.
7. **Proceeds of loan may be used** only for crop production purposes and shall not be used to purchase machinery, livestock nor to pay taxes, debts, etc.
8. **Loans will not be made** for a total acreage of crops in excess of the average acreage planted in 1930 and 1931.
9. **Maximum loan for field crops** in counties where fertilizer is not essential, \$3 per acre. Of the maximum, \$1 may be used to purchase seed; \$1 to purchase feed for work stock or fuel and oil for tractors; and \$1 for repairs and miscellaneous expense. For truck crops, including potatoes and sweet potatoes, allowance is \$12 per acre.
10. **In addition to allowance for seed, feed or fuel, and miscellaneous expense,** in counties where fertilizer is essential, \$3 per acre may be added for the purchase of fertilizer for field crops. In case of truck crops, including potatoes and sweet potatoes, maximum allowance for seed, feed or fuel for tractors, miscellaneous expense and fertilizer is \$20 per acre.
11. **In addition to seed, feed or fuel, miscellaneous expense, and fertilizer,** an allowance of \$2 per acre may be allowed for purchase of spraying and dusting materials for cotton, however, this allowance is available only in counties where spraying or dusting has been a regular practice. This allowance is \$4 per acre for truck crops in those sections in which spraying and dusting is absolutely necessary.
12. **The allowance for fertilizer and spraying and dusting materials for bearing orchards** is \$25 per acre.
13. **Applicant must agree to plant a garden sufficient for home use.**
14. **Applicant must agree to plant sufficient acreage of feed to take care of his livestock.**
15. **Applications for loans must be made before April 30, 1932.**
16. **All loans mature November 30, 1932,** but proceeds from all crops must be applied to payment of loan as soon as crops are harvested and sold.
17. **Rate of interest is 5½ per cent per annum.**
18. **Advances may be made in installments which may be discontinued if money is not used for the purpose for which it was borrowed.**
19. **Application blanks for loans may be obtained** from county committees and other agencies designated by the county committees.

Friona farmers desiring to avail themselves of the benefit of this plan should see either of the three following named committeemen: Ester Noble, F. W. Reeve or M. A. Crum.

Bought Hampshire.

Among those from Friona who attended the sale of Hampshire hogs at Hereford last week were Roy T. Slagle, A. C. Young and Clyde Goodwine. Messrs. Slagle and Young each purchased some foundation stock of this very popular breed, but which has not been introduced to any extent in this locality.

Mr. Slagle, as it reported, bought three sows and a herd boar, while Mr. Young bought two sows with pigs. Mr. Young states it is his first experience with the Hampshire breed and he cannot tell how he will like the breed until he has a further acquaintance with it.

Farm and Home Train Here Next Saturday

The Texas Farm and Home Special Demonstration Train, featuring dairying, poultry raising, better livestock, soil improvement, better farms and crops, home improvement and 4-H club work, will be in Friona Saturday evening, March 26, at 7:30 p. m.

This train is being sponsored by the Santa Fe Railroad Company and the Texas A. & M. College, and the demonstration will be given from the train at the Santa Fe depot at the time and dates given above.

The various lines of farm work that will be demonstrated by this train will or should be of great interest to all the farmers of the community and all the exhibits will be interesting to everybody, whether farmer or otherwise. It is free to all and the entire community is invited and urged to attend.

When a similar train stopped at Friona a few years ago, Friona's recorded attendance was among the largest during the entire itinerary of the train. Let us make it the largest this time.

Good Fire Record Credit.

The Texas State Fire Department has granted Friona for another year, a Good Fire Record Credit of 15 per cent, which will be deducted from all fire premiums written within the city limits until February 28, 1933.

This credit was secured for the city last year through the efforts of one of the local insurance offices, but the credit expired with the month of February, and it was feared it would not be reinstated owing to the heavy fire loss sustained by some of the companies doing business here. This fire loss occurred on October 20, and \$1000 more was paid on this loss than was collected in premiums by all the companies doing business here during the year. It was feared that this fact would cause the loss of the 15 per cent credit, for the ensuing year, but such has not been the case, and the credit has been reinstated.

Some Influenza.

There has been several cases of influenza in Friona for the past two weeks, most of which are gradually convalescing. Among those so afflicted are J. H. Remy, Rev. O. B. Annis, pastor of the Methodist church, Rev. E. Ray Lawndown, pastor of the Baptist church, and Arden Fallwell, son of Mr. and Mrs. C. H. Fallwell. Arden was reported as considerably improved Thursday afternoon.

Having Two Days Vacation.

F. W. Reeve drove to Canyon Monday afternoon and his daughter, Miss Esther, and sons, Hadley and Glenn, accompanied him home. These young people are attending college at Canyon this year, and having completed their spring examinations, they had two days at their disposal before resuming their regular studies, and took advantage of the occasion to visit with home folks and friends in Friona. They returned to Canyon Wednesday evening.

Report Superintendent Heath Re-Elected

Information from a reliable source comes to the Star office to the effect that our present superintendent of schools, George A. Heath, has been re-elected by the board of trustees for another term.

This action was taken at a recent meeting of the board by a unanimous vote of the members, and, so far as the Star has been able to ascertain, meets with the approval of the entire citizenry of the district, all of whom hope Mr. Heath will see his way clear to accept the election and remain with us for another term.

Bussell Family Almost Lose Home by Fire

Mrs. R. R. Bussell and daughter, Miss Jewell, whose farm home is 16 miles northwest of Friona, were in town Tuesday morning shopping and looking after business matters.

They report that they came very close to losing their home last Monday when a blaze started in one of the bedrooms.

The supposed origin of the blaze is that when Mrs. Bussell arose in the morning she struck a match in her room with which to light a lamp. The match failed to burn and thinking it no good she struck another and passed on into another room. In a few minutes one of her sons came in and told her she had a real live blaze in the other room.

It is supposed that the first match had broken off close to the head and had fallen on the scarf of a dresser, but that it had received enough friction to ignite it, and not being noticed by Mrs. Bussell, had continued to burn, thus setting fire to the scarf, which spread to the wall of the room after having spoiled the dresser and some other articles in the room.

Water was obtained and the fire was extinguished before it could spread to the other rooms and with no serious loss except the scorching of the wall in one place and soiling all the walls and ceiling with smoke.

Mr. and Mrs. Bussell carried fire insurance on their building and a loss report was filed while in town Tuesday.

S. L. (Leo) McClellan Announces.

In another column of this issue of the Friona Star will be found the political announcement of S. L. McClellan, of Friona, better known as "Leo," who is entering the political race as an aspirant for the nomination for the office of county tax assessor of Parmer county.

Mr. McClellan has been a resident of Parmer county for the past nine years, having spent his time as an energetic farmer and business man in which he has been as successful as economic conditions would allow, and has exhibited a kind of "stick-to-itiveness" and desire to accomplish that forms a very desirable trait of character for a public official.

He spent four years of hard study in the University of Oklahoma, of which he is a graduate, and which has fitted him theoretically for the duties of the office he now is seeking. In addition to his college training, he has had two years of practical work as bookkeeper for the Friona Gin Company here in Friona. He is 29 years old, is married and is the father of one child. He takes an active interest in all civic affairs of his town and community, and is eminently fitted for the administration of the duties of the office of county tax assessor.

This young man sincerely and courteously solicits the suffrage and patronage of the voters of the county at the primary election, and if chosen to the office he seeks, will give the best of his ability to the services of the people of the county.

Bovina Man Here Monday.

J. W. Ellison, a prominent citizen of the Bovina precinct, was a business visitor here Monday. Mr. Ellison says he has been suffering considerably for some time with an attack of rheumatism, which makes it quite painful for him to look after his duties on the farm. He has a lot of good friends in Friona who sincerely wish for him a speedy recovery.

School Board Election Gets Much Attention

Considerable interest is being manifested in the coming election for school trustees, owing to the fact that many people are anxious about what many think to be exorbitant school taxes, and others who are anxious lest the prestige of the school shall suffer if too much reduction is made in the running expenses of the school. They favor economy in every way that will not jeopardize the standing or state affiliation of the school.

Three trustees are to be elected and at least three candidates have allowed the use of their names as candidates, agreeing to serve should they be elected. The names of these three men, which have been handed to the Star for publication are F. W. Reeve, J. B. McFarland and David Mosley. Mr. Reeve lives in Friona, Mr. McFarland lives four miles west and Mr. Mosley lives five or six miles south of town. They are noble, upright, progressive citizens and favor the best school for the youth of Friona that can be maintained and at the same time practice the most diligent economy. These three men accept and endorse the following platform, which is handed in for publication:

Horses and Mules Find a Ready Market Here

One of the largest crowds of people that has been seen in Friona for some time was that gathered to witness the auction sale of about forty head of horses and mules at the J. B. Walker farm just south of town Tuesday afternoon.

Col. Ray Barber of Hereford was the auctioneer and was assisted by J. J. Taylor of this place. The stock, among which was some mighty good looking work animals, was owned by J. C. Wilkinson and W. F. Cogdill.

Although the wind was a little high and some dirt was moving in the air, the large crowd was quiet and bidding was fairly brisk and the stock, which was all sold out, brought satisfactory prices as was expressed by one of the owners.

Many of the animals were sold in spans with their harness, and judging by the rapidity with which they were taken from the block, horse-power farming must be coming back in this locality.

Hostess at Bridge.

Mrs. Fred White was hostess to twenty of her lady friends at a bridge party at her home in the north part of town Wednesday afternoon.

There were five tables of bridge, which was the chief diversion, but added interesting and amusing features were presented between the games of bridge. One of the most amusing of these was the telling of a story by each of the guests, who was required to retain in her mouth at the same time an all-day sucker. As each lady did her best to tell her story under the handicap, she produced a vast amount of merriment for the other guests.

Following the games, refreshments of hot punch, whipped cream, fruit salad, angel food cake and meat and vegetable sandwiches were served to Mmes. Lange, Morris, Roden, Wilkinson, Warren, Osborn, Maples, Crawford, Goodwine, Hanson, Stevens, Echoles, Johnson, King, Willis, Blackwell, Sympon, Fleet and Sylvester, and the hostess.

Rev. O. B. Annis III.

We understand that Rev. O. B. Annis is considerably improved of the influenza, but as a complication resulting from it he is suffering with bronchitis. It is believed and hoped that he will soon be among us again in his usual capacities.

Community Singing Here.

The Star is authorized to announce that there will be a community singing held here on Sunday afternoon, March 27, at the Texan theatre building, beginning at 1:30 o'clock.

All lovers of song are cordially invited to be present and enjoy the program which will consist of choruses, quartets, trios, duets and solos, both by local singers and by visiting singers from the neighboring towns and communities.

This promises to be a real feast of song and none can afford to miss this afternoon of the most wholesome and inspiring recreation.

If you have used machinery for sale, advertise it in the Star's classified column.

When we patronize home institutions we are befriending our friends—the friends who befriend us when we need befriending. Get it?

Work On Buildings Resumed Monday

Owing to the severely cold weather of last week, work on the two new buildings now in process of construction in town was at a standstill.

With the return of mild weather this week operations were resumed Monday and have been steadily progressing throughout the week.

The two buildings referred to are the new cafe building now being constructed on Main Street at the south side of the Texan Theatre building, and Fred White's new home in the north part of town at the corner of Summit Avenue and Eleventh Street.

Both buildings bid fair to be completed within the near future, and the cafe building will be occupied by Mrs. Crousch now of Black, who will conduct an eating room therein.

Horses and Mules Find a Ready Market Here

One of the largest crowds of people that has been seen in Friona for some time was that gathered to witness the auction sale of about forty head of horses and mules at the J. B. Walker farm just south of town Tuesday afternoon.

Fire of Undetermined Origin Destroys Friona Cotton Gin; Loss Several Thousand Dollars

Many of the people were surprised and saddened Friday morning when they awoke to learn that the Friona Gin had been consumed by fire while they slept.

According to the best reports obtainable, the fire originated at 3:30 this morning and the gin building was almost entirely enveloped in flames when first discovered, and there is no clue as to the origin of the fire.

C. S. Waddell, superintendent of the gin plant, was the first on the ground and states that there was no visible evidence as to how the fire started. He stated that he was awakened at three o'clock by a car passing his home, which is near the gin, and that he saw its light as it passed by the gin and on south of it, and turn and drove back by the gin. At 3:30 he was again awakened to find the storage room at the west side of the gin building covered with flames, which seemed to spread almost instantly to the main building.

W. W. Standiford, who owns and operates a feed mill on the block adjoining the gin property on the west, was also early on the scene and realizing that nothing could be done to check the fire at the gin, he drove over to town and awakened Mayor Landrum and secured the city fire hose and took it to the gin to have in readiness to prevent any spread of the fire to other property. Water was thrown on the flames to the extent that they were kept under control and spread prevented.

The gin, which was a total loss, was valued at \$30,000 and carried \$12,000 insurance in the Glinners Mutual.

In addition to the gin there were several tons of high grade cotton seed contained in the storage room which had been shipped in from Oklahoma to be sold for seed here this season. Many bales of cotton in the yard and the office building and scales were unburned.

The loss of the gin is a severe blow to Friona as a business and industrial institution, and the sincere sympathy of the entire community goes out to Ben F. Ridge, of Duncan, Oklahoma, who was the owner of the gin.

As to whether or not the gin will be replaced is not known, and probably will be a conjecture for some time. Hope is entertained, however, that the institution will be rebuilt.

Leo McClellan In Hospital.

The many friends of Leo McClellan were surprised and grieved when they learned Tuesday evening that he was in the hospital at Hereford, where he had that day undergone an operation for appendicitis.

Mr. McClellan was out on the streets the day previous and apparently was in good health, but became ill that night and was hurried to the hospital Tuesday. He stood the operation well and on Thursday morning was reported as getting along nicely. Leo has announced this week as a candidate for county assessor and his many friends wish for him a speedy recovery from his misfortune.

ONE-ACT PLAY CONTEST ENTERED BY FRIONA

Canyon.—Friona high school's one-act play cast, with their play, "Mansions" coached by Wayne C. Burbanks, will compete first in the Interscholastic League One-Act play contest for the first district which takes place in Canyon, with Panhandle presenting the same play coached by Mary Hicks Raymond.

This match will take place at 9:00 a. m., March 18, and the winner of it will compete that night at 8:00 with Canadian high school, who drew a bye in the opening contests.

Fans from out of town can secure season tickets which will admit them to all plays during the meet for 25 cents, according to arrangements made by Director General W. E. Lockhart.

Friona Boy Makes Good at A. and M.

Friona friends of Charles Coney will be pleased to learn that he is making good in his choice of profession, that of architect.

Charles is the son of our esteemed townspeople, Mr. and Mrs. O. F. Lange, and is a graduate of the Friona high school, where he always stood in the front rank as a student, and where he won a state scholarship during his commencement year.

Last year he completed his four year term at the A. & M. College at College Station, and at that time won second place in a statewide contest for original architectural designs and drawings.

Having secured his B. A. degree last year, he is now doing clerical work in the registrar's office at the college, and taking an advanced course in preparation for his M. A. degree.

An opportunity was afforded him recently to display his skill in landscape designing when one of the state highways cut off a part of the college campus, making a new system of driveways and landscaping necessary. Charles presented a plan of his own designing for this work and the plan was accepted by the college authorities and Charles was placed in charge of the work as director. His many friends in Friona wish him continued success in his career.

Debuske-Sheets Wedding.

The many friends of Mr. and Mrs. Chester Sheets are busy this week giving their congratulations and best wishes for a long and happy life, following their marriage, which occurred at Clovis last Saturday evening.

The bride on this occasion is the winsome daughter of Mr. and Mrs. M. H. Sylvester of this city, and the groom is the son of Mr. and Mrs. Clarence Sheets, also of Friona, and is engaged with his brother in the operation of the Farmers' Produce Company here.

Mr. and Mrs. Sheets are two of Friona's popular young people and the Star joins their rank of friends in wishing for them life's utmost blessings.

Junior Women's Club.

The Junior Women's club met at the home of Mrs. Wright Williams Tuesday night, March 15, with Mrs. Williams and Mrs. M. M. Johnson as joint hostesses.

After a short but interesting program, delicious refreshments were served to ten members and two guests. The club was glad to have with them Miss Marylou Tritt, a member who has been spending the winter in Gainesville, and Mrs. Bill King and Miss Esther Reeve, both former members.

The next meeting will be held at the home of Mrs. A. C. Echols on April 5, with Mrs. Echols and Mrs. Dan Etheridge as hostesses.

Born to Mr. and Mrs. David W. Ray of Black, at the sanitarium in Hereford, Thursday, March 10, two sons.

City Installing Water Meters for Residences

City Water Superintendent L. G. Sympon is busy now looking after his regular routine duties and in addition installing meters for the patrons of the municipal water system.

In pursuance of an action of the city commission a short while ago, all water patrons of the city will be placed on individual meters and the work of installing these meters will go forward just as rapidly as the superintendent can do the work.

There has been considerable dissatisfaction among some of the city's patrons in the past owing to the fact that some were under a meter charge, while their neighbors had no meter and were under a flat rate, which they considered more liberal than the meter rate. The installation of these meters place all under the same charge and should remove the cause of complaint.

Eleven-Mile

Miss Eunita Williams, Reporter.

Among those shopping in Hereford Saturday were B. H. Kirby, Donald Holcomb, L. M. Williams and daughter, Eunita, Mr. and Mrs. C. T. Reese and children, Ben Bates, Mr. and Mrs. Fannin and three sons, Raymond, Therty and I. A.

A good snow fell in this community last week.

Bill Whitson and Mr. Stokes were in Hereford Monday.

Mr. and Mrs. Fannin called at the F. M. Green home Sunday.

J. T. Gulnn and Jody Boston were in Hereford Saturday.

Mr. and Mrs. J. A. Williams and daughter, Kathryn Fae, who have been visiting in the home of his parents, Mr. and Mrs. L. M. Williams, returned to their home in New Mexico Sunday.

Miss June Guinn was absent from school last week on account of illness.

Those on the sick list this week are Mrs. L. M. Williams and Miss Marjorie Porter.

There will be an Easter program and egg hunt at Messenger school house Sunday, March 27. It will be an all day program, with several preachers present. Everybody is invited to come and bring a basketful of dinner.

Fred Collett who has been down east the past two months returned home last week.

Mr. Donald and son, Holcomb, are working for their uncle, C. T. Guseman this week.

Fred Collett and Ben Bates were in Hereford first of the week. June and Dorothy Nell Guinn have the whooping cough this week.

Donald Holcomb was in Hereford Monday.

NOTICE OF ELECTION.

Notice is hereby given that an election will be held in the City of Friona, Texas, on the first Tuesday in April, this being the fifth day of April, 1932, for the purpose of electing the following City Officers, each to serve for a term of two years:

One City Mayor
Two City Commissioners.

This election will be held in the J. W. White insurance office in the W. H. Warren building on Sixth Street. The polls will be open from 8:00 a. m. until 7:00 o'clock p. m.

J. L. LANDRUM, Mayor.
J. W. WHITE, City Secretary.

Insurance Men Here.

J. A. Dixon of Hereford and Walker N. Moore of Wichita, Kansas, were business visitors here Monday. Both these gentlemen are insurance men and were here in the interest of their companies. Mrs. Dixon accompanied her husband on this occasion.

Wedding Anniversary Surprise.

A most enjoyable affair was the surprise party given Mr. and Mrs. O. F. Lange Tuesday night by about 14 of their intimate friends in honor of their wedding anniversary, it being the eighth.

The usual pastimes and games, which included bridge, were enjoyed until late bed time, when refreshments of chicken tamales and chili were served, after which the guests, wishing Mr. and Mrs. Lange, many more years of happiness and prosperity, departed for their homes.

W. H. Warren Out.

W. H. Warren, one of Friona's pioneer citizens, was confined to his home a few days the past week with a slight attack of pleurisy. Mr. Warren has been troubled with this complaint in the past and is quite careful of his health when threatened. He was able to be at his office Tuesday.

The Mounting Toll of Automobile Fatalities Is a Challenge That Must Be Met By Law-Abiding Citizens

(By B. G. Wells)

The appalling indecency, the inhumanity of the human element contributing to the factors resulting in the killing and maiming, by the automobile, of over a million of other humans! The toll in these United States for 1931 is 34,400 dead and 997,600 injured! What price, automobile? What price, gasoline?

A Boston, a St. Louis wiped out! Through indifference and through carelessness. A world rushes to give aid—freely giving their all to stop misery and suffering—giving gladly.

Yet the automobile toll of a million dead and injured is met with smug complacency. Shame on you, decent Americans!! Shame on you, Law Enforcing agencies!

The cost is \$2,500,000,000! That's the economic loss due to automobile accidents. Public school education in the United States costs only \$2,200,000,000. Do you realize that \$2,500,000,000 is more than the sum to be appropriated for the Reconstruction Finance Corporation to aid in the return of prosperity?

A car moving 50 miles an hour has the same potential destructive force as though that same car dropped from a height of 101 feet. Imagine the death-dealing force of one and a half tons falling 101 feet!

At 40 miles per hour you travel 20 feet before you react to danger and then it takes 80 feet to stop the car with 4-wheel brakes. A total of 100 feet.

Join this fight against human irresponsibility. Don't wait until your child is a victim! Snap into action! Forsake your comfortable indifference.

Help to stem the rising tide of slaughter!

Birthday Surprise Party.

Buck Fallwell was most completely surprised Tuesday evening when he returned home from an errand on which his mother had sent him, to find the home filled with the young folk of the community of near his own age.

The occasion of this sudden gathering of young people was the sixteenth anniversary of Buck's birth, and his many friends had gathered at his home to assist him in its celebration, which they did with a hearty good will, with games and the usual pastimes until the evening was far spent.

Following the games and jollity Buck's mother served his delighted guests with refreshments consisting of angel food cake and hot cocoa. Following the refreshments the happy young guests departed, having spent a most joyous evening, and wishing Buck many happy returns of the day; which Buck, no doubt, will remember, perhaps, as the happiest of all his birthdays.

Guest present were Wilma York, Frances Lacy, Conway Frost, Bud Barnett, Donald Livings, Virginia Short, Imogene Short, Fay Hughes, Ray Johnson, Vaden Coventry, Douglas Frost, Lucile Ruth, Ervin Welch, Jannet Hanson, Helen Schlenker, Olalee Calloway, Juanaita Crow, Pauline Parr, Paul Spring, Wilbur Meade, Dorothy Crawford, Bennah Burton, Clyde Crow, and the host, Buck Fallwell.

Singing at Homeland.

There will be a community singing at the Homeland church building Sunday night, where people from all surrounding localities will be heartily welcome.

Echols Brothers Trio of Clovis, New Mexico, have promised to be present and render a number of their best selections, and this will be one of the most entertaining features of the program.

The people of Homeland enjoy good singing and this program will furnish an opportunity for all lovers of song to enjoy an hour or two of this most inspiring recreation.

Attend Hereford Show.

Several Friona young people drove to Hereford Sunday afternoon to witness the movie show, "Ben Hur" at the Star Theatre.

All who made the trip report a good show, and were pleased with the trip. Among those who went were Mr. and Mrs. L. G. Symson and Miss Orma White, and Weldon Whitefield, Charles Reeve and Merie Harry.

Will Compete at Canyon.

Home talent play fans will receive a treat by attending the home talent play contest to be held in Canyon today (Friday) where the Friona team will be a contestant, as described in another article in this issue of the Star.

POLITICAL ANNOUNCEMENTS PARMER COUNTY, TEXAS

WALTER LANDER
(Re-election)

For County Attorney:
J. D. THOMAS (Re-election)

For Commissioner, Precinct No. 1:
J. M. W. ALEXANDER
(Re-election)

Seen On the Screen at the Star

A series of excellent programs have been used by Manager J. C. Parker for the past several weeks, some of the best pictures of the year coming to Hereford as soon as they were shown in any other Panhandle point. The titles and names of the stars of coming attractions indicate that the very best entertainment possible to secure is being booked for Star patrons.

Beginning today and showing again tomorrow, Jack Holt is the star performer in "Makers of Men," a terrific story of football in which a father, who is coach, quits his job because of the latter's fear, only to see the son rise to heights of playing to defeat his father's team. It is a thriller.

None other than the favorite Hoot Gibson brings a western classic to the screen here for one day only, Saturday, for the afternoon matinee and evening performance in "Clearing the Range." Sunday's afternoon matinee at 2:00 and 4:00 o'clock brings the first presentation of Charles Farrell and Janet Gaynor's newest picture, "Delicious," said to be among the best these two screen lovers have produced. As usual with them, the story is a clean-cut youthful romance with none of the tawdry exhibitions that make so many pictures repulsive and objectionable. Any Charles Farrell and Janet Gaynor picture is sure to be clean, wholesome and delightfully entertaining. El Brendel helps make the story funny.

Wednesday and Thursday of next week the Star will bring a laugh riot for its patrons with its customary 1 cent special picture, Slim Summerville and Zasu Pitts take leading parts in "Unexpected Father," and not to be outdone in entertaining, Stan Laurel and Oliver Hardy come along with a comedy, "Any Old Port". Special health pictures sponsored by the Deaf Smith county health council will be shown at the same time and all children accompanied by their parents will be admitted free as usual at a 1c special feature two persons will be admitted for one cent more than the price of one ticket.

Stork-o-Gram.

Born to Mr. and Mrs. Roy Price at their home near Black, Wednesday, March 16, a son.

Pentecostal Church Notes.

Pentecostal services are now being held in the music room of the grade school building at 2:30 p. m. each Sunday.

To this service the public is invited and welcomed. We are endeavoring to establish a work here on purely Bible principles, and invite all those who are in need of spiritual aid to come and seek the Lord with us.

E. W. HOULETTE, Pastor.

UNION LAYMEN'S MEETING NEXT SUNDAY EVENING

As was announced in last week's issue of the Star, the next meeting of the Union Laymen will be held at the Congregational church at 8:30 o'clock, Sunday evening, March 20.

The program as arranged by the committee was printed last week and everybody is cordially invited to attend.

On Texas Farms

By W. H. Darrow, Extension Service Editor.

What Our Neighbors Are Doing.

For every dollar's worth of home grown food consumed by 75 cows in five dairy herd demonstrations in Goliad county last year, their owners received \$1.91 in dairy products. The county agent reports the average price of butter fat to have been 25 cents a pound and that skim milk was valued at 20 cents per 100 pounds.

In an effort to insure food in all years, the county agent of Stephens county, helped by a civic organization, succeeded in getting 20 surface tanks for home irrigation systems last year.

Buildings a thousand feet high as they have been putting them up in America, would overwhelm and destroy architecturally all we have inherited from the past.—Prof. C. H. Reilly, Department of Architecture, Liverpool University.

Confronting with inability to sell cheese, a cheese plant at Abernathy in Hale county, secured the help of a U. S. Department of Agriculture dairy manufacturing specialist through the county agent last year. The cheese maker learned how to make a high quality full cream cheese for which the plant has not been able to fill the demand, although the volume of business has increased 650 per cent.

A cooperative creamery organized last year in Cooke county is said to have handled 59,132 pounds of butterfat last year and paid members bonuses totaling \$2365.

Community plays and games for adults and children were revived in 339 farm communities in Texas last year with the help of county and home demonstration agents.

In 122 counties where home demonstration agents worked last year 10,280 steam pressure canners and 6,474 sealers were purchased by farm people.

The best pasture rotation for the Panhandle that P. C. Bennett, county agent of Potter county, has used in demonstrations is wheat for fall pasture, barley for spring and sudan for summer and fall. He says it works well with hogs and fairly well with dairy and beef cattle. Last year 16 pasture demonstrators planted 345 acres in this way, sowing in small tracts and using a double pasture or double pen system to allow rotation.

DIMITT NOW HAS ITS OWN MORTICIAN

Last week's issue of the Castro County News tells of the coming of Grady C. Crager of Lockney to Dimmitt in search of a location as mortician. Thus progress is gradually made over the Plains country, new industries locating and plying their trade when occasion demands their operation.

That the neighboring city to the south has further growing pains is attested by stories of the passing of paving ordinances there, the location of a jeweler and the organization of a city band.

Highly Interesting Trip to Old Mexico Is Available to Our Citizens

Folks in this surrounding territory will have an opportunity to visit Mexico for Easter with a party of Texans under the direction of Fred L. Haskett, 623 Adolphus Hotel, Dallas, Texas.

The party will leave Dallas at 11 p. m., Wednesday, March 23, in special standard pullmans over the Katy railroad. A special breakfast will be served in San Antonio the next morning at the Plaza hotel.

Continuing on to Laredo the party will enter Mexico and will arrive at Mexico City at 9:40 p. m., Friday, March 25. The party will then be transferred to the Imperial Hotel, where double rooms with bath have been reserved.

The six full days to be spent in Mexico City will have plenty of entertainment, yet there will be sufficient time for individuals to arrange visits not specially outlined.

To See Famous Trees.

Mr. Haskett will conduct the party by motor to Tacuba, where the members will see the Tree of the Dismal Night, beneath which the brave Cortes sat in 1520 and wept as the straggling remains of his army crept by in their retreat from the Aztec capital.

A trip will be taken to the famous Floating Garden at Xochimilco. On the return trip also will be seen Cortes' old palace at Coyocacan. The largest artificial mounts in North America will be seen at San Juan Tzothuacan, 30 miles from Mexico City. They are called the pyramids of the Sun and Moon. They are connected by the Highway of the Dead, so termed because of the tumuli which flanked it.

A delightful 50 mile motor drive

CLASSIFIED

FOR SALE: 120 bushels of good cotton seed. O. R. Owens' crop. 60c a bushel. Ralph Tedford, Friona. 34-4p

FOR SALE: Buy your chicks from a high production flock that is also high exhibition bred. Eggs \$3.50 per hundred, chicks \$10.00 per hundred; 300 for \$27.50. S. F. Warren, Friona. 35-1fe

BUY your baby chicks from J. A. Blackwell, State Accredited, 300 egg strain White Leghorns. 32

City of McLean Wins Fight for Lower Gas Rate

A story appearing in a recent issue of the McLean News tells of the decision of the Texas Railroad Commission authorizing the reduction of the natural gas rate in the city of McLean from 50 cents to 30 cents per thousand cubic feet. Last summer McLean filed an injunction against its gas company restraining the company from charging over 30 cents for gas, in place of the company's stated rate of 50 cents.

The gas company made bond last fall for the difference in the rates and proceeded to collect the full 50 cents per thousand feet. As the gas company contended the district court had no jurisdiction in the case, the injunction was dissolved by the court of civil appeals in Amarillo February 25. The matter has been under advisement by the State Railroad Commission since last fall, and the present decision is taken to mean the final settlement of the case. How far reaching its effect will be in other cities and towns remains to be seen.

Summerfield

By Mrs. L. Johnson

The W. M. S. had an all day meeting last Thursday with Mrs. Walter Huntley. It was the week of prayer for the home missions. Each lady brought a covered dish and this made a delightful luncheon. Mrs. Mae Abbot of Bovina talked on the Mexican work. They also had an interesting program on different foreign countries and the people.

Messrs. and Mrs. Walter Hawkins and H. D. Hill and families of Ford were Sunday guests in the B. A. Atchley home. Earl Lance of Hereford spent

Friday night in the C. R. Walsler home.

W. D. Kelicheur and wife of Hereford spent Sunday in the Louie Hucker home.

Mrs. L. Johnson has returned from a visit in Waco, Temple and Fredericksburg.

Mr. and Mrs. John Kirk of Canyon were week end visitors in the Britt Clark and Geo. Story homes.

Densil Long of Texico visited friends here Sunday.

Walter Huntley and Wilburn Eddleman were business visitors

Miss Billie Valentine of Hereford spent Sunday with Miss Maud Noland.

B. Davis who has been staying with his sister, Mrs. Lee Curry, left Monday for Claude where his sister, Mrs. R. A. Baker, will join him, going to Walsh, Colorado after Mrs. W. A. Davis, who has been with her daughter there the past six weeks.

J. P. Davis has returned to his home in Weatherford after a stay with his brother, Ben Davis and family.

MACHINERY

DEMONSTRATION

We will give a demonstration of some of our latest "Power Farm Machinery" at Friona on

THURSDAY AFTERNOON MARCH 24

On D. W. Hanson's land, adjoining the north side of Friona.

Among the things that we will have in active operation are:

- OUR NEW NO. 1 HAMMER MILL.
- OUR NEW F-30 FARMALL.
- OUR NEW NO. 83 THREE-ROW LISTER.
- ROD WEEDER.
- NINE-FOOT HARROW-PLOW.
- AND OUR TRACTOR.

We cordially invite everyone to attend this demonstration and will take special pains to make you feel

WELL REPAID FOR YOUR TIME.

Bad weather on March 9 caused the demonstration to be postponed until March 24.

International Sunday School Lesson

BY DR. J. E. NUNN

March 20

JESUS DIES ON THE CROSS

John 19:17-22, 25-30

John 19:17. They took Jesus, therefore; and he went out, bearing the cross for himself, unto the place called The Place of a Skull, which is called in Hebrew Golgotha:

18. Where they crucified him, and with him two others, on either side one, and Jesus in the midst.

19. And Pilate wrote a title also, and put it on the cross. And there was written, JESUS OF NAZARETH, THE KING OF THE JEWS.

20. This title therefore read many of the Jews, for the place where Jesus was crucified was nigh to the city; and it was written in Hebrew, and in Latin, and in Greek.

21. The chief priests of the Jews therefore said to Pilate, Write not, The King of the Jews; but, that he said, I Am King of the Jews.

22. Pilate answered, What I have written I have written.

23. These things therefore the soldiers did. But there were standing by the cross of Jesus his mother, and his mother's sister, Mary the wife of Clopas, and Mary Magdalene.

24. When Jesus therefore saw his mother, and the disciple standing by whom he loved, he saith unto his mother, Woman, behold thy son!

25. Then saith he to the disciple, Behold, thy mother! And from that hour the disciple took her unto his own home.

26. After this Jesus, knowing that all things are now finished, that the scripture might be accomplished, saith, I thirst.

27. There was set there a vessel full of vinegar: so they put a

sponge full of the vinegar upon hyssop, and brought it to his mouth.

28. When Jesus therefore had received the vinegar, he said, It is finished: and he bowed his head, and gave up his Spirit.

Golden Text: Christ died for our sins according to the scriptures. —1 Cor. 15:3.

Time: Friday, April 7, 30 A. D. Place: Calvary, just outside the city of Jerusalem beside the main road which extends north.

Historical Setting.

In the preceding lesson Jesus was in the upper room in Jerusalem with his disciples. He there celebrated the passover with his disciples the last time. Near the close of the passover supper, Judas deserted the company and went to the rulers of the Jews to complete the arrangements for the betrayal of Jesus. "He then having received the sop, went immediately out."—John 13:30.

Jesus then instituted the Lord's Supper. John does not record the institution of this memorial supper. All biblical scholars agree in placing the Lord's Supper between verses 30 and 31 of John 13. The account of the institution of the Lord's Supper is found in Matt. 26:26-29; Mark 14:22-25; Luke 22:17-20; 1 Cor. 11:23-26.

Jesus in Gethsemane.

At the close of the events recorded in chapter 14, Jesus went out of the upper room (John 14:31), and across the brook Kidron into the garden of Gethsemane. Entering the garden, he asked eight of the disciples to abide near the garden gate and pray (Mark 14:32) while he went into the garden a little further to pray (Matt. 26:36). He took with him Peter, James and John (Mark 14:33). Here in an agony of pray-

er he talked to his heavenly Father about the events of the next day.

Judas Betrays With a Kiss.
Some time after midnight, Judas came leading a band of Roman soldiers and Jews. Jesus offered himself to the soldiers, who fell backward awed by the very majesty of the Master. Judas betrayed him with a kiss. Peter cut off the ear of Malchus. The soldiers arrested Jesus and led him away to Annas, the former high priest.

Here a brief examination was made of Jesus and he was taken to the home of Casaphas.

Peter's Denials.

Though all the disciples fled at Christ's arrest, Peter and John came into a more courageous mood, John, who was acquainted with the high priest's family, entered his palace, and obtained entrance for Peter also. Peter, thrice charged by the servants who were there about the fire, thrice denied that he was a follower of Jesus or even knew him, thus fulfilling to the letter the prophecy that Christ had made, that very night, before the cock should crow twice, the over-confident disciple would deny him thrice.

Jesus Before Pilate.

There were three Roman trials. The first was before Pilate, the governor of Judea. When he heard that Jesus was a citizen of Galilee, Herod being in the city at the time and being ruler of Galilee, Pilate sent Jesus to Herod. After many remarks to Jesus and much questioning Herod in disgust sent Jesus back to Pilate (Luke 23:6-12). Pilate struggled in vain to liberate Jesus, but he was caught in a trap and was forced to pronounce sentence—forced by his own weak nature and the clamor of the Jews, who threatened to send a report to Caesar if Pilate allowed this new king to be set at liberty. Pilate delivered Jesus to the Jews and appointed a Roman centurion and four soldiers as a guard to perform the actual crucifixion. These led Jesus away to Calvary and there crucified him between two robbers.

The Via Dolorosa.

"They took Jesus therefore." The chief priests, to whom Jesus

had been delivered by Pilate, in charge of a quaternion of four Roman soldiers, headed by a centurion. "And he went out." Out of Jerusalem, for no execution could take place in the Holy City. The street along which he probably passed is still called the Via Dolorosa, or Sorrowful Way. "Bearing the cross for himself." The Redeemer, however, was so faint with the terrible scourging which had been inflicted upon him that he fell beneath the heavy burden when part way to Calvary, and the soldiers impressed a man coming in from the country, ordering him to carry Christ's cross the rest of the way. This man was a Grecian Jew named Simon, from Cyrene in Northern Africa. "They crucified him." The actual work of crucifixion was done by the experienced soldiers, though really the Jewish leaders crucified the world's Saviour, fully sharing the guilt of Judas and of Christ's judges.

"Jesus of Nazareth, the King of the Jews."

Above the head of the victim was placed the name, the place of residence, and the charge on which he was convicted. This title was in three languages: Hebrew, Latin and Greek. Hebrew was the language spoken by the people of Palestine. Latin was the official language of the Roman empire. Greek was the language of the people other than Jews, and was the language spoken by the great hosts of people east of Italy and beyond Palestine to the east. Thus Pilate wanted all men who passed that way to know who was being crucified and why.

The Disciple Whom Jesus Loved.

"The disciple standing by, whom Jesus loved." Characteristic of John in his writing (John 13:23) not to mention his own name. Nor does he call his mother's name—he merely refers to her as the sister of Mary, the mother of Jesus. He never mentions his brother James by name. "Woman, behold thy son." It was a term of utmost respect (John 2:4).

"And from that hour the disciple took her unto his own home." A sidelight on the situation at Nazareth. Joseph was dead, the residence at Nazareth was no long-

er the home of Mary and her children. John seems to have moved his residence to Jerusalem. John took her home with him immediately. The darkness was coming on and the agony of the death of Jesus. Mary had stood all that she could, and it was best for her to go to the city.

The Seven Sayings On the Cross.

John records three of them, vs. 26, 27, 28, 30. The others are in the other Gospels. Here they are: 1. "Father, forgive them; for they know not what they do." 2. "Verily, I say unto thee, Today shalt thou be with me in Paradise." 3. "Woman, behold thy son!" "Behold thy mother!" 4. "Eli, Eli, lama sabachthani (that is to say) My God, my God, why hast thou forsaken me?" 5. "I thirst." 6. "It is finished." 7. "Father, into thy hands I commend my spirit."

The Burial of Jesus.

With the burial of the sacred form of the Crucified two figures emerge unexpectedly. Nicodemus and Joseph of Arimathea (northwest of Jerusalem). Both were members of the Sanhedrin. The first had held with our Lord the conference by night recorded in John 3, and later on had ventured to speak a word for Jesus in the Sanhedrin (John 7:50-52). The second was a rich man (Matt. 27:57), a righteous man (Luke 23:51), who was "looking for the kingdom of God." (Mark 15:32). He threw off the secrecy of his discipleship, obtained from Pilate the body of Jesus, and, with Nicodemus to aid in a hasty embalming, buried the body in his own new tomb, hewn from the solid rock, in a garden near Calvary.

"O sacred Head, now wounded, With grief and shame bowed down, Now scornfully surrounded With thorns, thine only crown; O sacred Head, what glory, What bliss, till now was thine! Yet, though despised and gory, I enjoy to call thee mine."

Congregational Church Notes.

Not quite so many out to Sunday school as usual, but those present had a very interesting session.

The special feature of the Sunday school was a vocal duet by

little Misses Jacquelin Wilkison and Sister Weir. It was a pretty song and was well rendered by the little ladies who did their part nobly.

Owing to the fact that Rev. Annis, pastor of the Methodist church was ill with an attack of influenza, and the party who was to take his place was ill also, we did not visit that congregation as had been planned. The worship hour was taken up with a short song service after which a selection on the subject of prayer, from the writing of Dr. Charles Burton was read by Logan Symson.

A radio preaching service with accompanying music from the First Christian church of Amarillo, is being talked of for next Sunday. Minister Harry Snodgrass to do the preaching.

Demonstration Next Week.

The implement demonstration that was planned for last week by the Buchanan & Rosson Implement company, and which was postponed on account of severe weather, has been announced for Thursday afternoon of next week. The demonstration will take place on the farm of D. W. Hanson at the north edge of town.

LEAD IN BUSINESS IMPROVEMENT

—Where the newspaper leads, the community follows. When the newspaper begins to show evidence of retrenchment; when it reduces in quality, the business people of the community feel that it is time for them to retrench, purse strings begin to tighten, and employment is reduced.

—When the newspaper evidences increased confidence in business conditions, when it improves in quality, the business men and the

people of the community generally feel that business conditions are improving. This confidence, born of newspaper leadership, grows rapidly, bringing with it improved business conditions.

—The Star is associated with the tremendous National movement, on the part of newspapers, demonstrating to the peoples of each community that their community is on the way to normal business conditions.

Commercial Law Answers.

1. A long time ago negotiable instruments were first used by the Athenians, then Italy began to use it, later England began to use it, and it came into our country when we adopted the Common Law.

2. The most common forms are: bills of exchange (drafts, promissory notes, bank checks).

3. It must be in writing and signed by the maker. It must contain an unconditional promise to pay a certain sum in money. It must be payable on demand or at a fixed or determinable future time. It must be payable to order or to bearer.

4. The date, which includes the place, month, day of month and year, the number of the check, the name of the bank or concern, the amount of the check and the signature of the drawer.

5. Checks can be sent by mail safely and conveniently while currency cannot. A paid check is evidence of payment having been made. Money need not be kept on hand to meet obligations. Payments made by check can be readily traced. There may be occa-

sions when this would be valuable information.

6. There are five types of indorsement for checks. Special indorsement or indorsement in full, indorsement in blank. Qualified indorsement. Conditional indorsement. Restrictive indorsement. The check with a restrictive indorsement is not negotiable.

7. A holder in due course is one who takes the instrument under the following conditions: That the instrument is complete and regular upon its face. That it must not be overdue. That he took it in good faith and for value. That at the time the instrument was negotiated (transferred) the holder had no notice of any infirmity in the instrument or defect in the title of the person negotiating it.

8. The banker is authorized to turn the latter check down because he has certified the first check which would leave his account at \$50, which would be insufficient to cover the latter check charges.

Commercial Law Questions.

1. What do we mean by title?
2. What principals constitute a valid sale?

3. When goods have been delivered to the buyer in accordance with a contract of conditional sale that the title is to remain in the seller as security for the payment, the goods are at whose risk?

4. A thief got possession of a note and watch belonging to Hill. He sold both to Jones. The real owner (Hill) seeks to recover from Jones. Will he be successful in both instances?

5. Cattle were sold for \$390, and \$50 was paid on account. The cattle were left in the seller's pasture, to be taken away by the buyer within three months. In the meantime they were swept away by an unprecedented flood. Who suffers the loss?

6. Young bought a second-hand piano from Jenkins. The two agreed that Jenkins was to re-varnish the piano before it would be delivered. It was destroyed by fire before it had been re-varnished. Jenkins carried no insurance. Would Young have to pay for the piano?

7. Mr. Jones bought a grain tank from Mr. Smith. The cost was \$75. The next year he sent back after another tank, thinking the price the same. When Mr. Smith sent him the statement showing the cost of the tank was \$90. Mr. Jones refused to pay the price. What price will Mr. Jones have to pay in court?

8. Brown, an automobile agent, sells an automobile to Smith. The automobile at the time of the sale was in the storage garage. In the terms of the sale Smith asked that the car be serviced for driving and be left in the garage until called for later. While Smith was absent from the garage, a thief, through no fault of Brown, stole Smith's car. Who was held for the loss?

9. Smith orders \$100 worth of goods from a mail order house. The house agreed to pay the transportation rates. The money was sent with the order, and the shipment was made. Through no fault of either party, the wares were lost in the mail. Which party is held liable or is either?

Notice.

The local try-out for public speaking and musical events will be held in the auditorium on Tuesday evening, March 22. All students who wish to participate in any of these events are urged to be present.

In commercial law class Laverne White declared that a stolen wheelbarrow was an act of God.

County Meet.

The county meet is near. Soon the Friona students will be facing their opponents. The baseball, volley ball and tennis will be held here in Friona March 25 and 26, the track and literary events will be held in Farwell April 1 and 2.

Many students are taking part in these events and show some good talents toward winning. The Friona school as a whole is putting forth every effort it has to make the issue a favorable one.

Sweaters Awarded.

Twelve honor sweaters were presented this year to football boys. Before the presentation of the sweaters, Dr. Willis favored the high school students with a talk on the town people backing up the school athletics. This talk was straight forward and sincere and may the students take the valuable hints that he dropped and learn to get behind themselves so that the town will support the athletics better.

Dr. Willis presented sweaters to Dennis White, "Red" Crow, Douglas Frost, Charles Reeve, Clifford Crow, "Red" Whitefield, Merle Harry, Conway Frost, Bud Barnett and Hilton Lansdown.

Five of this group will not be on the squad next year due to graduation and ineligibility. These five boys are Dennis White, Red Crow, Weldon Whitefield, Conway Frost and Merle Harry.

Basketball Sweaters.

Basketball sweaters were awarded to Lex Alexander, Russell Loflin, Wilbur Meade, Roy Johnson (captain), and Paul Spring (manager). There were three others who received letters, but due to the fact that they preferred football sweaters, only five boys received basketball sweaters.

B. E. Club, Patrol 1.

Our club met March 1 with a very interesting program, which was as follows:

Story: Mary Edna Davis.

Harmonica solo: Geo. Green.

Report, The latest facts about Chas. A. Lindbergh, Jr.

Story: Fay Hartsfield.

Pantomime: Class members.

Reading: Seva Webb.

Declamation: Gwendolyn Cowgill.

All of the members of the club were present. We also had one visitor, Preston Bullard. We invite all visitors to our club, which meets every Friday morning from 9:45 to 10:30.

IRENE BOGGESS,

Reporter.

Baptist Church Notes.

Notwithstanding the inclement weather, attendance was good for all services. The pastor was too indisposed from his recent illness that he did not preach at either service, but Prof. Applewhite filled the pulpit at the evening service and gave a message of warning as to the insidious and deadly work of sin.

During the B. Y. P. U. hour Mrs. Burton's juniors gave a very interesting and inspiring service, at the conclusion of which they presented to the church a set of wine glasses and container for the communion service which they had bought from their savings.

Because of the inclement weather and so much sickness the program which was to have been presented last Sunday evening was postponed till next Sunday evening. It is to be given during the evening service, beginning at 8:30.

Circle No. 1 meets at the church each Wednesday evening at three o'clock, the book of Luke being the present subject of study. The G. A. S. meet at the church each Tuesday evening at 4:00, and the present study is most inspiring and worthwhile, a book on foreign missions.

As the pastor was not able to fill the pulpit last Sunday, the sermon subject announced will be presented next Sunday, "The Old-time Faith and Old-time Religion." The text will be "Seek ye the old paths and walk ye in them." Old hymns will be sung. It is expected that the time and place of the baptizing will be announced at the morning service.

The senior group of the B. Y. P. U. enjoyed a social Monday evening at the home of Prof. and Mrs. Applewhite. The following is the program for the group for next Sunday evening:

Subject: Deity of Jesus Christ. Leader: Eva Dinger.

Introduction: Leader.

His Divine titles: Hazel Marie Crow.

His Divine claims: Zelma York.

His Divine Life: Bessie Richardson.

The proof of Christian history: Pearl Highfill.

The proof of Christian experience: Aalice Baker.

By Y. P. U. services begin at 7:30. All are cordially invited to attend all services.

REPORTER.

Notice, Methodists.

I have arranged with G. A. F. Parker of Hereford to fill the pulpit for me next Sunday in case I am not personally able to do so. You have had the good fortune of hearing Mr. Parker recently and I am sure you will be delighted to hear him again. We are anxious to have a good audience for him, therefore I am requesting all who can do so to be present.

POLITICAL ANNOUNCEMENT

I hereby announce myself as a candidate for the office of County Tax Assessor of Parmer County, Texas, subject to the action of the Democratic primary election on July 23.

S. L. (Leo) McCLELLAN,

Star Wants Your Renewals.

Several names are being removed from the Star's mailing list this week, these being names of subscribers whose subscriptions have expired and who have been notified of the fact several weeks ago, but have not handed in their renewal fees yet.

The Star regrets to have to remove these names from the list of subscribers, as it would like to be a welcome visitor in each home in Parmer county and then some, but while this is a fact, it still does not wish to intrude where it is not wanted, and until these parties have manifested that they desire its regular visits in a very substantial way it will refrain from making these visits.

Many people whom we have good reason to believe were absolutely sincere have said that they would like extremely well to be on the list of subscribers, but that funds are too scarce at this time to permit it. We realize that such is the case, but the Star cannot possibly exist and do its work with the small amount charged for a year's subscription.

It will be the aim of the Star to print all desirable news it can learn of and will be pleased to present such from all parts of its immediate trade territory. It desires to do all it can for the good of Friona and locality as well as all portions of Parmer county. It would like to have a regular correspondent from each town and community in the county and will be pleased to give of its space for such news matter.

The Star will boost for the farming community about Friona or in the county, just as strongly as it will boost for the business interests of the town. It will boost the Friona school in every way it can. It will be pleased to print the programs and other activities of each of the churches, if some member of the congregations will hand these items in.

It will be glad to mention all births in the locality, if the parents or friends will give us the data before the child becomes of age. It will always be ready to sympathize with its readers in times of sorrow, and to publish articles of condolence for the be-

A QUARTER at the REXALL store makes Spring cleaning a Joy!

K'LENS-ALL does so much to lighten the hardest household duties. It removes spots from carpets, rugs and drapes. Takes stains out of upholstery, cleans mirrors, windows. It's perfectly safe, too! You may get it only at Rexall Drug Stores.

reaved, as well as obituaries and cards of thanks, and while nearly all papers charge for such services, the Star never has.

The Star takes delight in giving accounts of weddings and birth-day anniversaries and other social events of the locality, but not being adept at telepathy it may not learn of some of them without the aid of those who know the facts.

T. N. Jasper Hurt.

Our esteemed citizen and county aide and animal inspector, T. N. Jasper, is getting about with difficulty with the aid of a cane this week as the result of a fall sustained last week.

Mr. Jasper was riding his cow pony and making an effort to corral a bunch of horses when, on making a short turn, the pony slipped and fell, falling in such way as to seriously injure Mr. Jasper's knee and the injury has been giving him a lot of pain.

Home for a Week.

Mrs. F. S. Truitt and daughter, Miss Mary Lou, who are spending the winter in Gainesville, drove to Friona to spend a week at home, arriving here Sunday afternoon.

Mrs. Truitt, who is staying in Gainesville for the benefit of her health, says she is feeling considerably improved, and her friends here are pleased to note that she is improving in health.

Miss Mary Lou is spending the week teaching as a substitute for Miss Alice Guyer, who is ill this week. Miss Guyer had been substituting for Mrs. Boisle Wolfman, who also has been sick.

Mrs. Truitt and daughter will return to Gainesville the latter part of this week.

Are You All Tied Down?

—Does your household equipment contain an old-time wash tub, a broom, a mop, a slow-motion, antiquated sewing machine, and other articles that your mother and grandmother had to use because they were the best that they could get?

—These articles have gone out of style just the same as has the style for women to take a back seat and consider themselves old at thirty or forty years of age.

—Electricity is severing the fetters that have tied women down in home drudgery for centuries.
