## Peddlers need permits

Last week a couple of guys were in town going door-to-door selling magazines. When one resident declined the man asked for a donation to the Cancer Society. Apparently they were aggressive in their approach and a resident reported them to the police. Police tracked them down and they did not have a permit.

City officials remind everyone that door-to-door sales people must first go to the police station and get a permit. A background check is run before a permit is issued. If a sales person comes to your door you should ask to see their permit. If they do not have one advise them to go to the police department or notify the police.

## Retired teachers meeting to discuss healthcare issue

Parmer County Retired Teachers and School Personnel will meet Tuesday September 4 at 2 p.m. at the Friona State Bank community room. Healthcare will be the focus of the meeting especially as it concerns the new Aetna Medicare Advantage Plan.

Retirees need to pay close attention to mail from Aetna/TRS-Care, especially page 2 of the "Get more, save more" booklet. Susie Spring, administrator of the Friona Rural Health Clinic and Gayla Quillin, administrator of Parmer Medical Center, plan to attend.

Legislative concerns will also be addressed. Among them is the push by some legislators to change the Texas Retirement System from a defined benefit plan to a defined contribution plan. "Retired educators should be concerned about each of these important issues," said Sharon White, president of the local organization.

The Parmer County group is affiliated with Texas Retired Teachers Association which is the only statewide group working to protect retired educators' annuity and health insurance. "You do not have to be a member of the Retired Teachers group to attend this important meeting," Mrs. White said. For questions or more information call 806-265-3874 or 806-250-2577.

Dr. Bob Alexander visits with Vernie Schacher during his retirement reception at Parmer Medical Center Sunday. Dr. A. is retiring as of August 31 after 47 years serving patients in Parmer County. Many former patients and friends, some from out of town, attended to say thanks and wish him well.

Junior high coach Nick Gonzales adjusts the helmet for 7th grade Brave Victor Davila as junior high football players checked out their equipment last Thursday. The first junior high games will be here Thursday September 13 against River Road.

## Maize Days photo contest is planned

It is time again to start thinking about the Parmer County photography show held in conjunction with Maize Days and coordinated by Shana Fleming at the County Extension office.

There are three age categories: junior for children up to age 11, senior for children aged 11-18, and adults 19+. There are seven photo categories: people, animals, landscape, still life, architectural elements, flora/plants, and special effects. Each of these categories may include color or black and white but each photo may only be entered once.

There is no limit to the number of photos you can enter. The entry fee for each photo is \$2. You can take your photos to the Friona Chamber of Commerce or the Tax Appraisal office in Bovina on September 11 (one day only), or take them to the County Extension office in Farwell at the court-

house until September 11, or deliver to Ann Rainey in Lazbuddie up until September 11.

All photos must be taken by the exhibitor within the past 24 months; no identifying marks should be on the photo, back or front; all photos and entry forms must arrive or be delivered on or before September 11 and will remain in place through September 15 at the Depot in the Friona city park; ribbons will be awarded for top three in each category by age group; additional prize for Judge's Choice and People's Choice.

Photos can be either 4 x 6 or 5 x 7 and should be mounted on foam core board. All entries will be on display at the Depot in Friona city park during Maize Days on Saturday, September 15.

For a complete set of rules contact the County Extension office at 806-481-3619.

## Credit Union robbed, suspect caught

The Friona Texas Federal Credit Union was robbed around noon Monday, August 27, by a bandit wearing a gas mask and black paint under his eyes and sporting a gun. The suspect, 22-year-old John Michael Garibay, approached a teller in his robber costume and demanded money.

After he made off with a bag containing approximately \$8,000 and driving his silver Dodge Charger with black stripes, he apparently went home. Witnesses described the vehicle to police and said they saw him turn west on 5th Street. Local police, familiar with that particular vehicle, went to the trailer park in the 1500 block

John Garibay

of 5th St. where Garibay lived.

Friona police and the Sheriff's department surrounded the trailer park and blocked entrances in their search for Mr. Garibay. Friona Police Chief Frank Mooney, in only his second week in Friona, said law enforcement had alerted an entry team in case they had to

go inside the residence to arrest him.

However Garibay and his girlfriend soon exited the residence and he was placed in custody. FBI agents transported Garibay to Randall County where he was placed on federal hold. Robbery of an institution that is FDIC insured is a federal crime.

Chief Mooney said his office notified the Fisd administration office and all four school campuses were placed on lockdown until Garibay was taken into custody. After the arrest a teller from the Credit Union identified Garibay as the robber. The gun used was later found in a pile of scrap metal near the trailer.

A reminder that tickets to the Chiefs vs. Stratford game are for sale at the school administration office. Student tickets here are \$2 and adults \$5. Tickets at the game will be \$7 for everybody, including students. Stop by and see Kathy Sandoval and save a couple of bucks.

The Chieftain football games will be video taped and replayed on Saturday mornings at 10 a.m. on WT Services channel 76. The replays are sponsored by FHS-TV and Chieftain/Squaw Boosters. The Chiefs open the season at 4:30 p.m. Friday August 31 against the Stratford Elks at Dick Bivins Stadium in Amarillo. That game will be shown Saturday September 8 during Friona's open week. Tune in each Saturday morning and follow Friona Chieftain football. I'll be along the sidelines taking action photos again this year. Our game photos are always posted at frionaonline.com and are available for purchase in several sizes.

Speaking of football, Friona Fire Chief Jim Taylor has approved a homecoming bonfire pep rally to be held Thursday night September 13. Anyone that has tree limbs to haul off can take them to the Reeve Lake area, behind Sonic, and put them on the pile that is already started. The homecoming game is Friday September 14 vs. River Road.

Cargill will be serving free hamburgers, chips, and drinks to all fans at the first home game September 14. Serving will probably start around 6-6:30 p.m. Game time is 7:30 p.m. River Road fans are welcome too.

Texas cattle raisers say more than 40% of the U.S. corn supply was used to meet corn-based ethanol requirements. In 2011 was the first year that ethanol production used more corn than feeding livestock and poultry in the U.S. Governor Perry and Texas & Southwestern Cattle Raisers say the government shouldn't be subsidizing or mandating ethanol production, especially when there's not enough corn to go around.

FHS Band Boosters are raffling a 40" TV. Tickets are available from band students or booster members. Tickets will also be available at the homecoming football game and during the September 15 Maize Days in the park. Tickets are \$1 each or 6 for \$5. The drawing will be Sep 15. Support the 90+ member Chieftain band.

A group of local ladies organized by Cathy Spencer has been getting together to go to the movies. Cathy said 12 ladies went to Amarillo a couple of weeks ago to see "Hope Springs." This week there were 9 ladies who went to Clovis to see "The Odd Life of Timothy Green." Sounds like a good way for some of the older folks to enjoy movies and each other's company.

Men's monthly breakfast will be Wednesday September 5 at 6:30 a.m. in the Methodist Church fellowship hall. Pastor Kurt Borden invites all men in the community to attend for a wonderful breakfast and great company.

I went from the Chieftain-Shallowater scrimmage & Lions Club free watermelon feed over to the Farmer's Co-Op Gin meeting last Thursday evening. Danny's Hens and Fins served their great combo of chicken and fish. Just wish they would put the gravy at the beginning of the buffet line instead of the end. By the time you get a full plate and arrive at the gravy pan there is no real place to put it.

Co-Op members received a good financial report: \$582,000 was paid out to members this year and the gin is now debt free according to auditor Jimmy Rogers, CPA. Board member Gene Welch retired from the Co-Op board after serving 30-years. Directors elected were Raymond Hamilton and Kevin Welch. Lots of folks went home with some nice door prizes.

Friona firefighters were paged to a hay fire at A-Tex Dairy near Hub about 1:30 p.m. Sunday. Fire departments from Lazbuddie and Bovina were later dispatched to assist. Firemen say there is no

way to put out a hay fire. They bring equipment to spread out the hay and keep pouring water on it. In this case many of the firemen were still there at 8 a.m. Monday morning after an overnighter. Don't forget to buy tickets to win a Polaris 4-wheeler and trailer from any fireman or at 4-Way Pump. They are \$10. Drawing is in the park September 15. The 4-wheeler will be there and you can drive it away if you win. They were also out Saturday morning at Main and Hwy 60 collecting money for Muscular Dystrophy's Fill the Boot campaign. Thanks to all of our firemen for their service to the community.

Sam Mears still in BSA. Now his wife Donna was admitted to the same hospital over the weekend suffering from food poisoning. They were on separate floors. Donna has now been released from her hospital stay. It has been a tough year for the Mears. We hope big improvements will start soon.

Former Friona Star editor Bill Ellis has been admitted to Kindred Hospital, a small hospital in Amarillo, with a serious open wound staph infection in his foot. Carol said he would be there a month or longer. Remember Bill and Carol in your thoughts and prayers.

The Amarillo Globe-News is advertising in their classified pages for a paper carrier here in Friona and a couple of other cities. Anyone interested in some extra cash should check out the opportunity. We need our daily Amarillo newspaper please.

We received word of the passing of Bron Euler. He was seriously injured several months ago in a car accident on Cemetery Road. He was taken to Covenant Hospital in Lubbock and later moved to a nursing home. The word is he died in Covenant Hospital last Thursday and his only relatives are a cousin and a nephew. Arrangements were still being worked out at our press time.

The Friona ISD school calendar for September is included in this issue of the Star.

Thanks to Kathy Sandoval over at the administration office we publish the calendar each month of the school year. She gathers the event schedules from each campus and puts them together. I suggest if you have school children, or follow school happenings, you might want to cut out the calendar each month and keep it handy.

Evelyn (Hart) Romero had some gall bladder surgery this week in Amarillo. Evelyn works for me several days a month here at the Star, helping with billing and ad sales. She had surgery Monday and an additional procedure Tuesday but is expected to recover quite well. We hope so. We miss her.

Come out Tuesday September 4 for Squaw volleyball vs. Melrose. JV is at 5 p.m. followed by varsity about 6:30 p.m. It is Fan Appreciation Night. First 100 paid admissions get a ticket for a free hot dog and water. Sponsored by the Booster Club. They will also be selling volleyball t-shirts at the game. Join the Booster Club. Costs \$20 and you get a cap or t-shirt.

The Class of 1962 invites former teachers, parents, and friends to attend their 50th class reunion September 15 at Friona State Bank from 3:30 to 5:00 p.m.

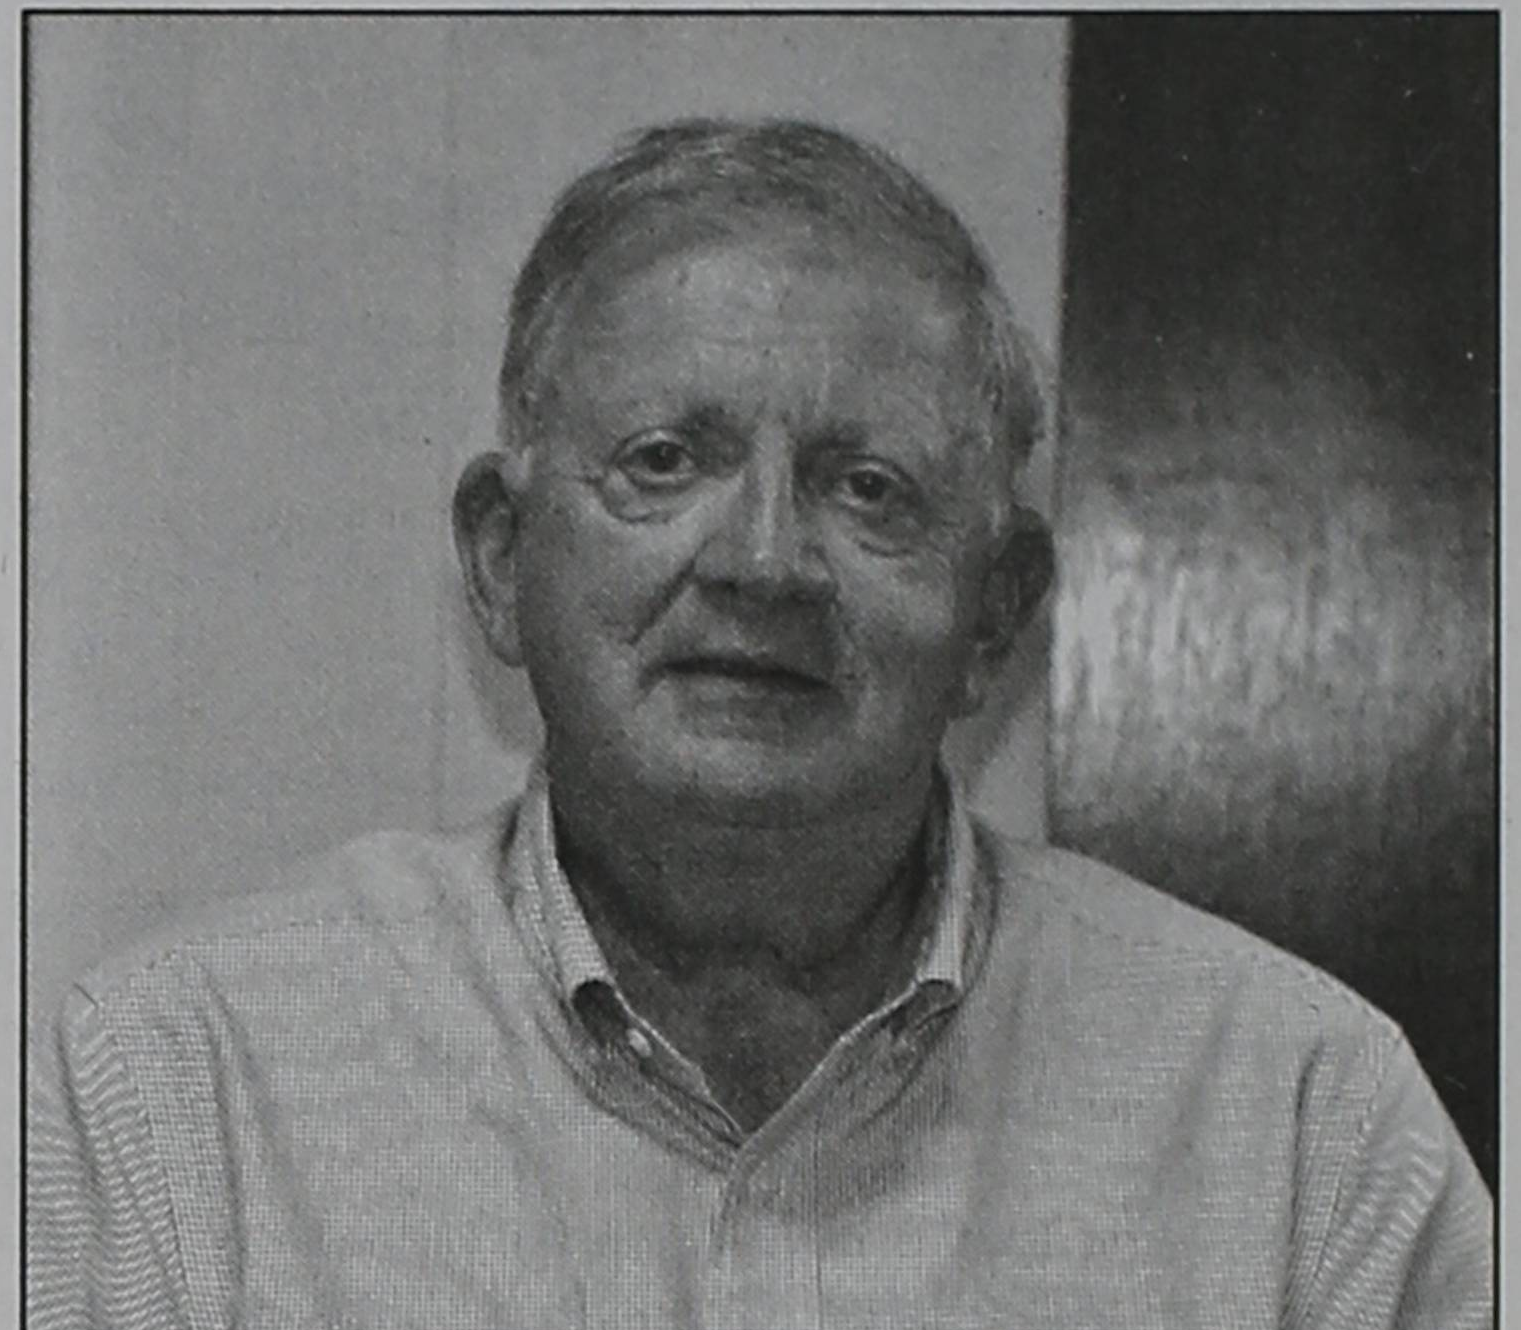

Had a visit with our new Police Chief Frank Mooney. This is his second week on the job and he had a robbery at the credit union to deal with. His first day of duty was Monday August 20, the night

the big storm rolled through town. Chief Mooney said he is excited about being in Friona and has plans to be active in the community. Welcome to Friona Chief Mooney. Good to have you.

Attended the farewell reception for Dr. Alexander Sunday at PMC. As expected there were many, many folks who stopped by. Teddy and Ruth Tucker came all the way from Wheeler, Texas. Good to see them again. Dr. Bob gave 47 years to the community and

will begin a well-deserved retirement after Friday Aug 31. Thanks to the nice ladies of the hospital auxiliary for furnishing the tempting refreshments. Good luck Dr. Alexander. Enjoy.

That's it from here this week. Thanks for sharing your news items with us. We want to remain a nice little hometown newspaper and you can help. See you at the Chiefs-Stratford game Friday in Amarillo. Until then!

The new Friona Police Chief is Frank Mooney. He began his official duties Monday August 20. Chief Mooney, 66, is an Army veteran and retired from the Air National Guard. He was born in Ithaca, New York. He has held Chief of Police positions for 11 years, most recently retiring from Ferris, Texas in 2010. He comes to Friona from Jacksboro, Texas where he was a consultant for FEMA. His son will complete his senior year at Jacksboro High School. Chief Mooney said he plans to be active in community events and welcomes the opportunity to serve the people of Friona.

Coaches look on as sophomore quarterback Mason Loflin (7) lofts a pass during practice this week. The Chiefs open the season Friday at Dick Bivins Stadium in Amarillo vs. the Stratford Elks. Game time is 4:30 p.m. The game will be shown on video replay Saturday September 8 at 10 a.m. on WT Services channel 76.

## Student Savings

Like Flowers, It grows and grows

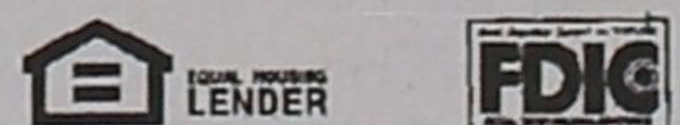

We, at Friona State Bank, believe in our young people and we want the best for them.

For years, Friona State Bank has offered a "no service charge" checking and savings account with no minimum balance to open, for our students.

As our children get older, we think it's a good idea for them to have knowledge concerning writing checks, balancing checkbooks and saving. Why not start today?

Stop by Friona State Bank and talk to us about a savings or checking account for your son or daughter. We like to watch your account grow as we like to watch your children grow.

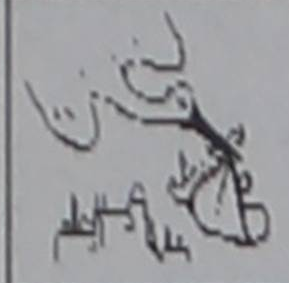

We want to be your bank, even our students!!

## New Arrival

### Archer Michael Neill

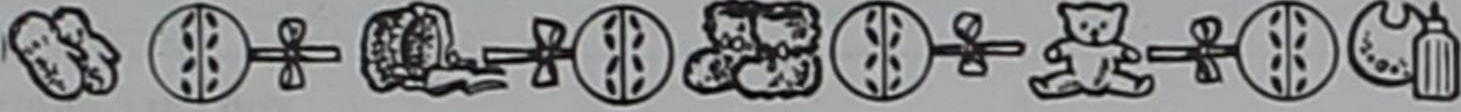

Tyson and Kiri Neill of Amarillo, Texas, are the proud parents of a baby boy born Thursday, August 2, 2012 at 2:12 p.m. at Baptist St. Anthony's Hospital in Amarillo.

The new arrival, Archer Michael Neill, weighed 5 pounds 11 ounces and was 18 1/2 inches long. He has one big brother, 3-year-old Trapper Neill.

Grandparents are Mark and Lisa Neill of Friona, and Michael and Lissa Schoenberger of Happy, Texas.

Great-grandparents are Tommy Brockman and Kenneth Neill of Friona, Ralph and Pat Waller of Lubbock, and Aurelia Schoenberger of Happy.

Great-great-grandmother is Nita Warren of Lubbock.

## Vegetable growing program

BY KAY LEDBETTER

The Texas AgriLife Extension Service offices in Hutchinson and Potter counties will present a class on vegetable production Sept. 8 at the AgriLife Extension office for Potter County, 3301 E. 10th Ave., Amarillo.

The workshop, open to anyone from the Panhandle, will be held from 8 a.m. to noon, with registration beginning at 7:30 a.m., said Brandon Boughen, AgriLife Extension agriculture and natural resources agent in Potter County. Preregistration is required by September 4. Contact Boughen at 806-373-0713 to preregister or for more information.

"Most of us have had a really tough year with some of our vegetables, especially tomatoes," Boughen said. "I hope that this class will help people understand why some of those problems occurred and how to make sure they don't face those same issues next year."

This course will provide an overview of the difficulties of growing vegetables in the Panhandle and how to overcome obstacles, Boughen said. The agenda will include soil preparation, 10 steps to successful gardening and a presentation called "90 percent organic and 10 percent common sense". Dr. Joe Masabni, AgriLife Extension state vegetable specialist in College Station, will be presenting the class.

## Small grains silage workshop

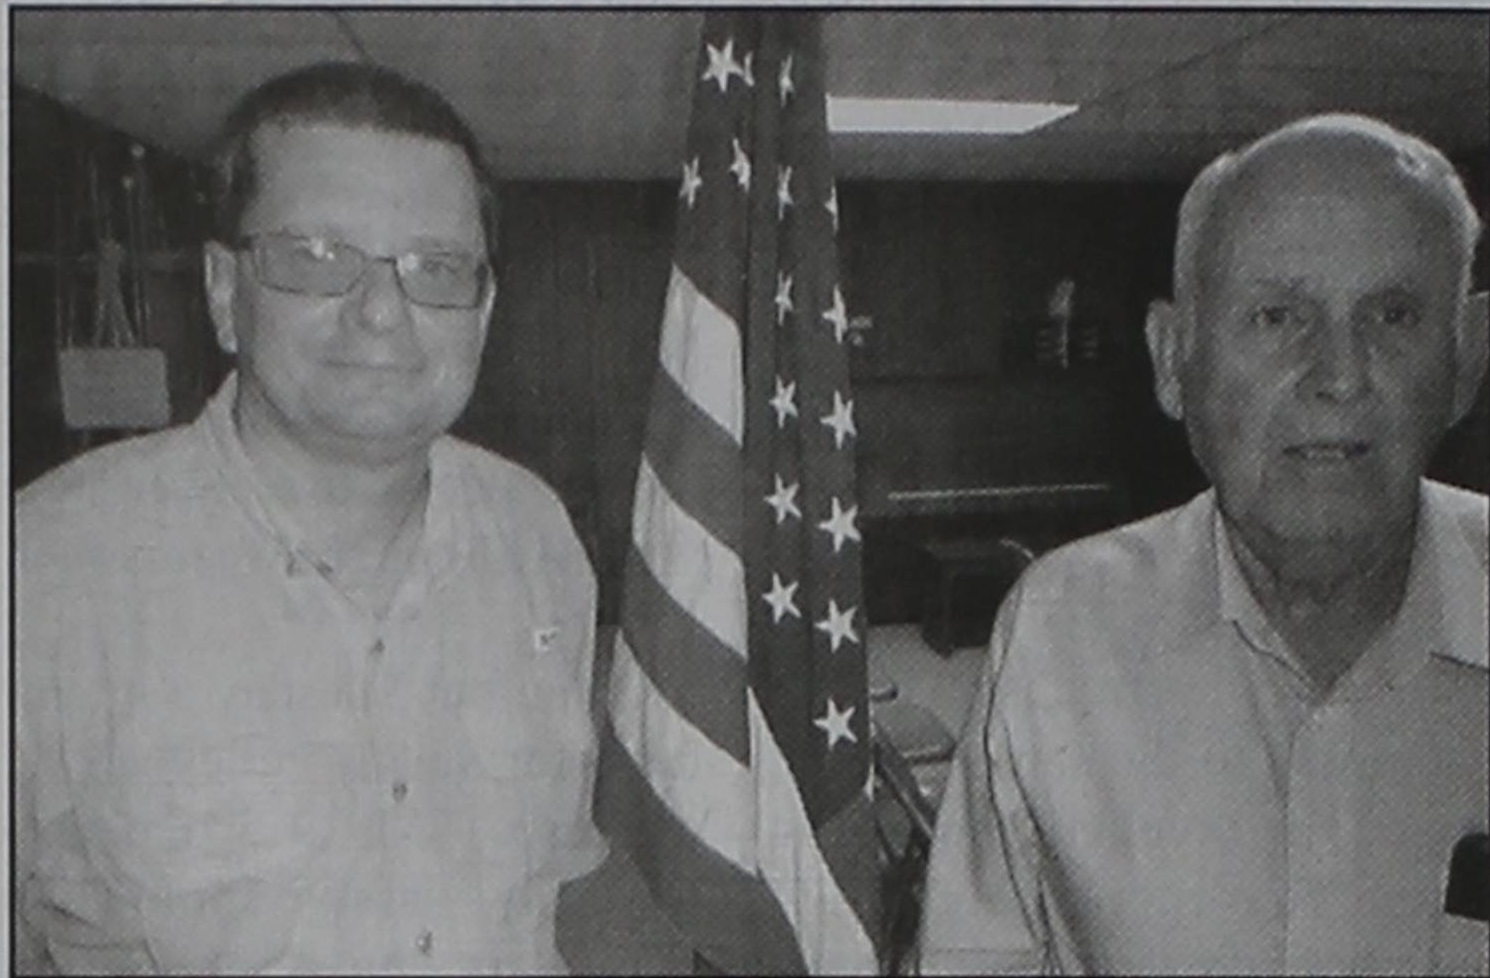

The Texas AgriLife Extension Service office in Parmer County will conduct a small grain silage workshop beginning at 10 a.m. September 4 in the Bovina EMS building.

"This workshop is specifically aimed at dairymen planning to use triticale, wheat or other small grain cereal crops for silage," said Benji Henderson, AgriLife Extension agent in Parmer County. "With feed prices as high as they are, and with no real relief in sight, we hope to provide our producers with ways to better stretch their dollars when considering this feed source."

Dr. Mark Marsalis, Extension agronomist at New Mexico State University, is the scheduled workshop speaker. Individual registration is \$10 payable at the door. For more information contact Henderson at 806-481-3619.

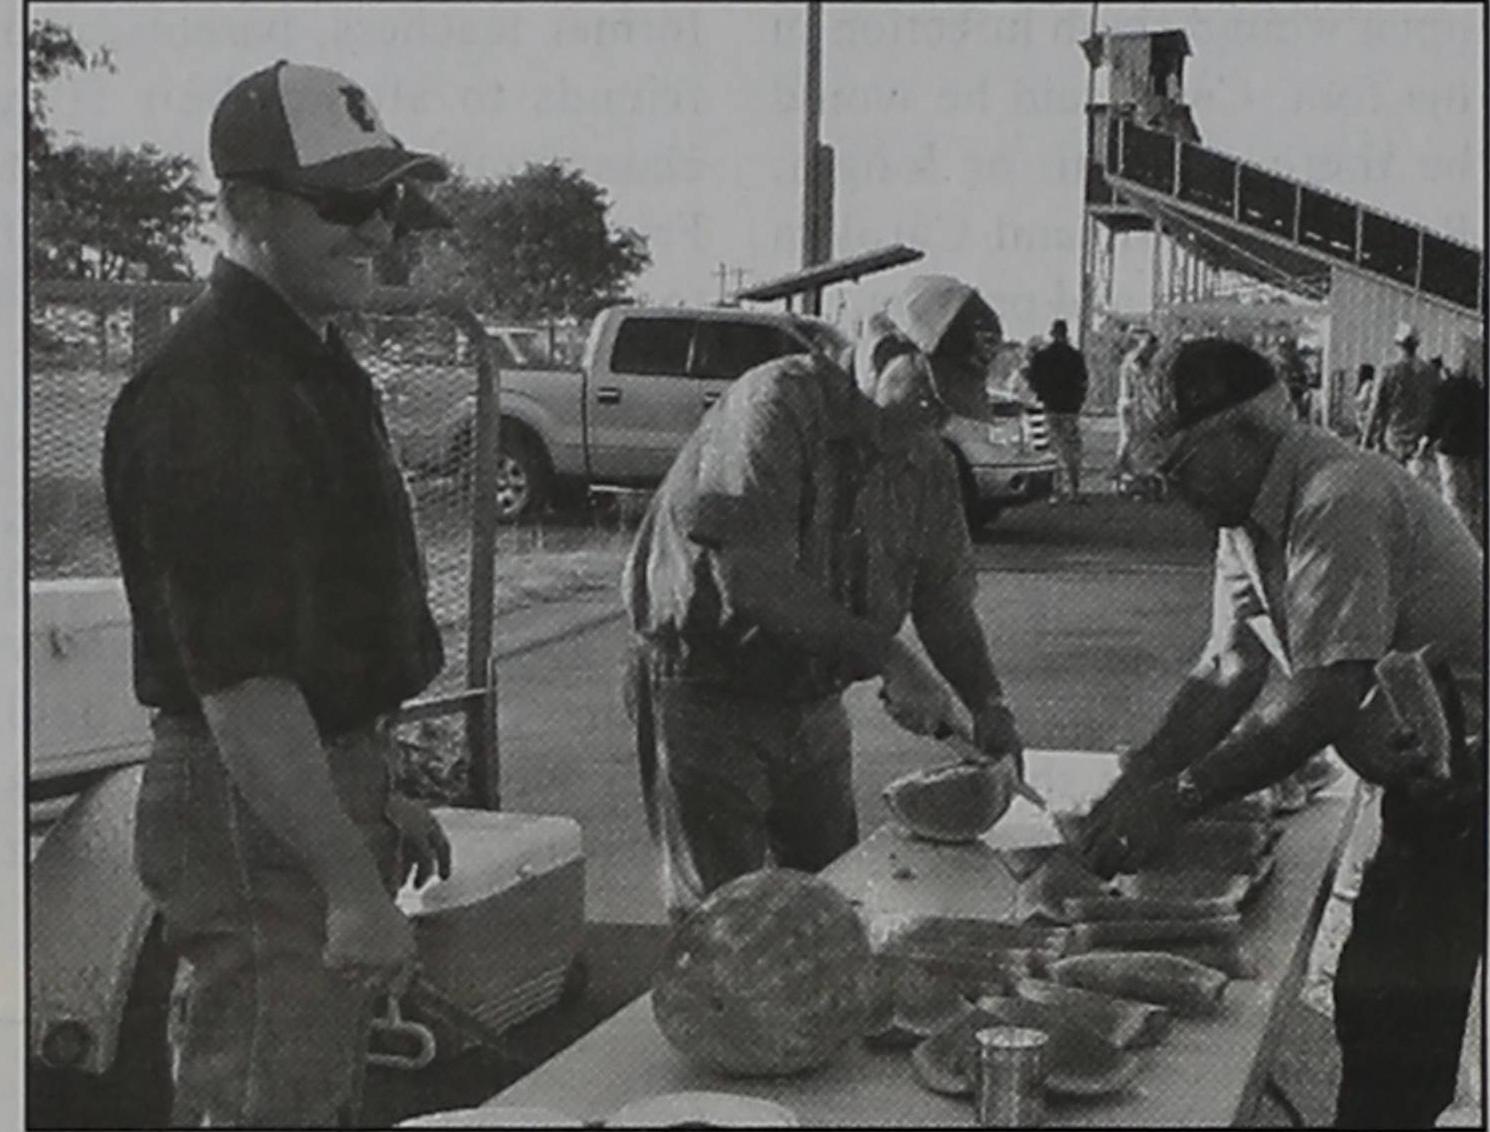

## Lions Club News

The Evening Lions Club met Thursday August 23. Boss Lion Von Edelson, right, introduced Bruce Fleming who presented a program on his participation in the Texas Agricultural Lifetime Leadership program. The two-year study program included meetings in the United States and a trip to India. Fleming noted the export of black heifers from the U.S. to Russia, which was an unfamiliar business to Lions members.

## News from the Booster Club

Chieftain Boosters will hold a weekly GameDay Breakfast each Friday at 6:30 a.m. at Headquarters Restaurant. Paid Booster members are invited to come for free biscuits and gravy. Coaches will be present to talk about the games and answer questions. First meeting is Friday August 31 and each game day after. Contact Annette Loflin and Britny Pope to pay your membership dues. Cost is \$20 and you get a cap or t-shirt.

Tuesday, September 4, is Fan Appreciation Night at the Squaws vs. Melrose volleyball games. JV starts at 5 p.m. followed by varsity. The first 100 fans that pay admission will get a ticket for a free hot dog and water. Come out and pack the gym and show your support for the Squaws. The Booster Club will also be selling volleyball t-shirts.

Tickets for the "Punt, Pass, and Kick" contest will be on sale for \$2 each or 3 for \$5. During halftime of the homecoming River Road game someone will get the chance to win two Southwest Airlines tickets. More details and rules for the contest will be available on the Chieftain/Squaw Booster Club Facebook page.

The BONFIRE is back this year. A homecoming bonfire will be held Thursday September 13 about dark at Reeve Lake behind Sonic. The city says if you have any tree limbs to dispose of you can bring them down to the lake and pile them on. A pile is already started.

Pep rallies at the high school this year will be held only for home football games and the November 2nd Littlefield game. All pep rallies will start at 2:35 p.m. The other away games will not have a pep rally.

The Chieftain/Squaw Boosters and FHS-TV will show video replay of each football game on Saturdays at 10 a.m. on WT Services channel 76. The River Road homecoming game will not be shown on September 15 because of the Maize Days parade and celebration. There will a doubleheader shown Saturday September 22, for the River Road and Idalou games.

**The First Baptist Church  
Clothes Closet will be open  
Saturday, September 1,  
from 10:00 a.m. to 11:00 a.m.  
in the Fellowship Hall.**

## Creation & Faith

**BRETT HOYLE, Pastor, First Baptist Church**

When an evolutionary scientist and a biblical creationist look at the world they are looking at the same rocks, mountains, stars and data, but why do they come up with such different conclusions? They differ so much because it all depends on where you start. When you begin with God, and interpreting the data through the Bible, you keep coming back to the reality that God is creator, His perspective is accurate and we are accountable to Him.

When your presuppositions exclude the possibility of God, and begin with man's ideas and theories, then you commit yourself to theories explaining the natural world apart from the Divine. When God is out of the creation equation, man, who is the supposed pinnacle of evolution, decides what is right and wrong.

As with any view of creation, though, where you begin ontologically is formative, but in the end, it all comes down to faith. Do I believe that slime+time=me, that earth just happens to be the only inhabitable planet, the perfect distance from the sun, with infinite variables accidentally aligning to sustain and produce life, or do I trust that God created, and that His fingerprints are all over this universe?

Hebrews 11:3 says, "By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible." It all comes back to faith for the Christian and the secular scientist. For the Christian, though, their faith in creation rests in God, just as their faith in salvation rest in His Son, Jesus Christ, to save them from their sin.

### Panhandle Parables

## First and Ten

**BY JEFF PROCTER, Minister, Sixth St. Church of Christ**

"RED 18, RED 18, SET HUT ONE, HUT, HUT!!!" From the time little boys and some girls can play, they play football. Just about everybody, during the course of a weekend, goes to or watches a football game. Every now and then you can catch one of those inspiring NFL documentaries, with the intense music and slow motion touchdowns, diving catches, incredible runs and, of course, hard hitting. From the seventh grader playing in oversized gear in his first real game, to the NFL professional who is retiring after this season, the sport revolves around a concept proven to work: *teamwork*.

What we see in a football game is the culmination of weeks of practice, yards of tape for ankles, and a desire to win. It all comes down to working as a team. To the best of my knowledge *both* teams have eleven men on the field and the side which the eleven work together usually wins. Sure, some may be more talented than others, but that talent can only be seen if the other ten do their job. Teams that tend to fail are teams that do not rely on each other; they argue, fuss and fight when things begin to go against them. Teams that tend to win, do the opposite. When the tide is against them, they encourage each other and stand firm convinced they will succeed.

The church is not unlike a team. We usually call it a family. It is important that we not think that we are alone. We are to encourage one another, carry each other's burdens, love unconditionally and practice. We should, as the saying goes, practice what we preach. Can you imagine a football team, talking about team work, encouraging one another and then going out on Saturday and doing the opposite? The Bible also tells that a house divided against itself will not stand. (Mark 3:25) We are in this together and each has a vital role. Let's GO!!!!

## OBITUARY

### Eva Kimbrough

Family and friends celebrated the life of Eva Kimbrough, 87, of Friona by giving honor to Jesus Christ, whom she met face to face on Thursday, August 23, 2012. Eva says her greatest joy was in knowing Jesus Christ as her Lord and Savior and seeing God answer prayers and work miracles.

Celebration of life services were held at 10:30 a.m., Monday, August 27, 2012, at Calvary Baptist Church in Friona with Pastor Robert Kerby of Victory Family Worship Center, and family officiating. Burial followed in the Friona Cemetery by Blackwell-Mullins Funeral Home.

Eva was born in Walters, Oklahoma to Homer A. and Lula Mae (Greer) Hyde. At age five the family moved to a farm outside Friona, Texas where Eva attended school, graduating from Friona High School in 1942.

She married Don Kimbrough on April 20, 1944. One week later Don was deployed to Europe to serve as a paratrooper for two years in WWII. (Don always joked that he went on their honeymoon to Europe while Eva went to college.) After the war, Don joined Eva to study at Hardin-Simmons University in Abilene, where both daughters were born, then moved to Ft. Worth, Texas, to study at SW Baptist Theological Seminary.

After seminary, Don and Eva were called to pastor churches in Oklahoma, where their four sons were born, before moving to Tacoma, Washington to pastor Parkland Baptist Church for eleven years. Altogether Eva and Don served eight churches in Oklahoma, Texas, Utah, and Washington.

Eva spoke of the special events in her life as: living with Don (her wonderful husband of over 66 years), working for the Lord with dear friends, and spending time with family. Eva calls her birthday especially blessed, the day on which she dedicated her life to Christ at age 16 and the day when the Lord showered her with love each time another child was born, including one daughter, granddaughter, and two great-grandchildren.

Using her talents to serve by her husband's side, Eva played the piano and organ, illustrated Don's sermons through *Chalk Talk* presentations, taught Sunday School, and directed Girl's Auxiliary and Women's Missionary Union while raising children and serving as a homemaker. Eva was known for amazing murals and backdrops that she painted for conferences in the Northwest Baptist Convention of Oregon, Washington, Idaho, and Canada.

Don and Eva enjoyed their retirement years in Friona with wonderful friends as they participated in various church and community events. Eva was active in WMU, Friona Art League, Calvary Baptist Church, Senior Center, and more.

Between birth and eternity, Eva lived a godly life that blessed a multitude of people. Eva was truly the joy of Don's life; her children rise and call her blessed.

She is survived by her six children, Sharolyn Cline of Friona; Diane Sandoval of Albuquerque; Max Kimbrough of Springfield, Missouri; Kip Kimbrough of Friona; Tip Kimbrough of Lumberton, Texas; and Cris Kimbrough of Asheville, North Carolina; 14 grandchildren; 12 great-grandchildren; a brother, Truell Hyde of Big Springs, Texas; sisters-in-law Marcia Rebhuhn and husband Dean of Woodinville, Washington, and Neva Hyde of Tacoma, Washington.

In lieu of flowers, please honor Eva's life by donating to the Billy Graham Evangelistic Association, 1 Billy Graham Parkway, Charlotte, NC 28201-0001 (billygraham.org) or the Friona Senior Center.

Revelation 14:13 - I heard a voice from heaven saying, "Write this: Blessed are the dead who die in the Lord from now on. Blessed indeed, says the Spirit, that they may rest from their labors, for their deeds follow them!"

## Friona State Bank welcomes new employee

Submitted by Marca Herring

The employees at Friona State Bank are pleased to welcome our new employee, Meagan Balli, to our banking family. Meagan was trained as a teller and she is doing an excellent job fulfilling her duties.

Meagan Louise Balli was born in Hereford to Andy and Julie Balli of Friona. Her grandparents are the late Ovidio and Mary Hellen Balli, longtime Friona residents.

Meagan attended Friona schools through 8th grade then

she was home schooled. She has an older brother, Matthew.

She likes to read, listen to music, and "hanging out" with

friends. She also enjoys animals and loves her cat, Nigel. The Ballis attend the Congregation of Jehovah's Witnesses.

We are happy to have Meagan with us at Friona State Bank. She is a quick learner and has a genuine, friendly smile and personality. We think you'll be pleased to have Meagan help you with your financial needs in the teller line. We invite our customers to meet Meagan and congratulate her on her new position.

Friona firefighters, l-r, Justin Bridges and Jason Brawley, pour water on a hay fire at A-Tex dairy. The first fire call was about 1:30 p.m. Sunday and firemen were still there as of Monday morning. Fire units from Lazbuddie and Bovina were called to assist. According to fireman experience, hay fires are impossible to put out. Firemen pumped water on the massive fire all during the night and were trying to spread the smoldering hay Monday morning to keep it from re-igniting.

## O'Brian family reunion held in Adrian

Submitted by Paula Fairchild

The descendants of Thomas and Mabel O'Brian met July 4, 2012, at the country home of Butch and Paula Fairchild in Adrian, Texas for a cousins' reunion.

At 4 p.m. three different cannons were fired by Keith Blackburn, Roy O'Brian, and Chaz Rutledge. Thirty people from the Adrian community came to see this great sight. A steak dinner with all the trimmings was served in the backyard by Butch Fairchild's family. The cousins brought a wide assortment of desserts.

There were potato guns, horseshoes, bubbles, volleyball, and a trampoline for the younger ones. There was lots of visiting that went on during the afternoon and night. Everyone brought fireworks and at dark the older boys put on an awesome show. A fun time was had by all.

T.A. and Mabel Fones O'Brian moved to Friona from Medford, Oklahoma in August 1928 with their five children: Kenneth, Russel, Marian, Tom, and Julia. They lived in the Lakeview community southeast of Friona. After they settled in, Marian went to college in Canyon, Julia and Tom went to Lakeview school, and Kenneth and Russel helped with the farming and working for others.

Four of their children married and settled in the Lakeview community and Marian moved away and married. The five children of T.A. and Mabel had 11 children. Ten of the O'Brian cousins grew up together in the Lakeview community and have remained close during all the years.

One of those 11, Leta O'Brian Eustace Pipkin, is deceased. Julia Larke, who lives in Ft. Bragg, California, was the only one of the remaining ten that did not attend the reunion. Marian O'Brian Larke's descendants attending were Lynn Larke and husband John St. Pieere from Carmichael, California.

Kenneth O'Brian's descendants attending

were Leta O'Brian Eustace Pipkin's children, Brit Eustace, and Kim Eustace Stater and husband Lance, all of Amarillo; Retta O'Brian Hand, Danny and Jiselle Hand of Friona; and Tim and Tawnya Hand Wales, Michael and Halley Wales of Dimmitt.

Also, Dwight O'Brian and wife Gayle of Friona; Sherry O'Brian Carter, Tucker Rampy, and Parker Carter of Houston; Greg O'Brian and wife Kay, John, Mike, Dan O'Brian all of Friona; Teresa O'Brian Spoon, Brad Gordon, and Michelle Jones of Friona.

Russel O'Brian's descendants attending were Linda O'Brian Chester, Cindy Chester Adams and husband Donny and Greg Reid from Amarillo; Cathy Chester Shields and husband Craig, Tyler, Shelby, Dustin Shields, and Charla Chester, all of Friona; Cristy Chester Allen and husband Dexter, Alexis Cammon, all of Buckeye, Arizona; Karen O'Brian Durham and husband Jerry of Dimmitt; and Jennifer, Paige, Macy, Zoe Howell of Boerne, Texas.

Tom O'Brian's descendants attending were Barbara O'Brian Mason and husband Tom and Roy O'Brian and wife Paula of Friona.

Julia O'Brian Fairchild's descendants attending were Marilyn "Chuck" Fairchild Blackburn and husband Rex of Friona, and David and Laura Blackburn of Amarillo; Larry "Butch" Fairchild and wife Paula from Adrian; Tammy Fairchild Gammon and husband Mark, Heath Gammon, and Sharlee Yellen, all of Friona; Jeffrey Fairchild and wife Patty and Logan Fairchild all of Amarillo; Lori Fairchild Rutledge and husband Chaz from Canadian, Texas; Tyler Fairchild and wife Molly and Trenton from Lubbock; Vicki Fairchild Crain, Caroline and Miles Crain of Round Rock, Texas.

Guests were Keith Blackburn and Pat Wright from Friona.

# Squaws volleyball win at Brownfield

## From Coach Bryan Masse

The Friona Squaws volleyball team traveled to Brownfield Tuesday for a dual match with Brownfield and Plains.

The C team only played Brownfield and had a loss, however the JV was victorious in both of their matches 2-0.

The varsity had to go a tough five games with Brownfield but after several chances in the fifth game they were able to come away with a hard fought win. After the battle with Brownfield the Squaws took on the Plains Cowgirls, a team they had beaten Saturday at the Littlefield

tournament. The ladies continued their winning ways with a 3-0 victory.

All of the Squaws played a consistent game against Plains with several great plays coming from everyone involved.

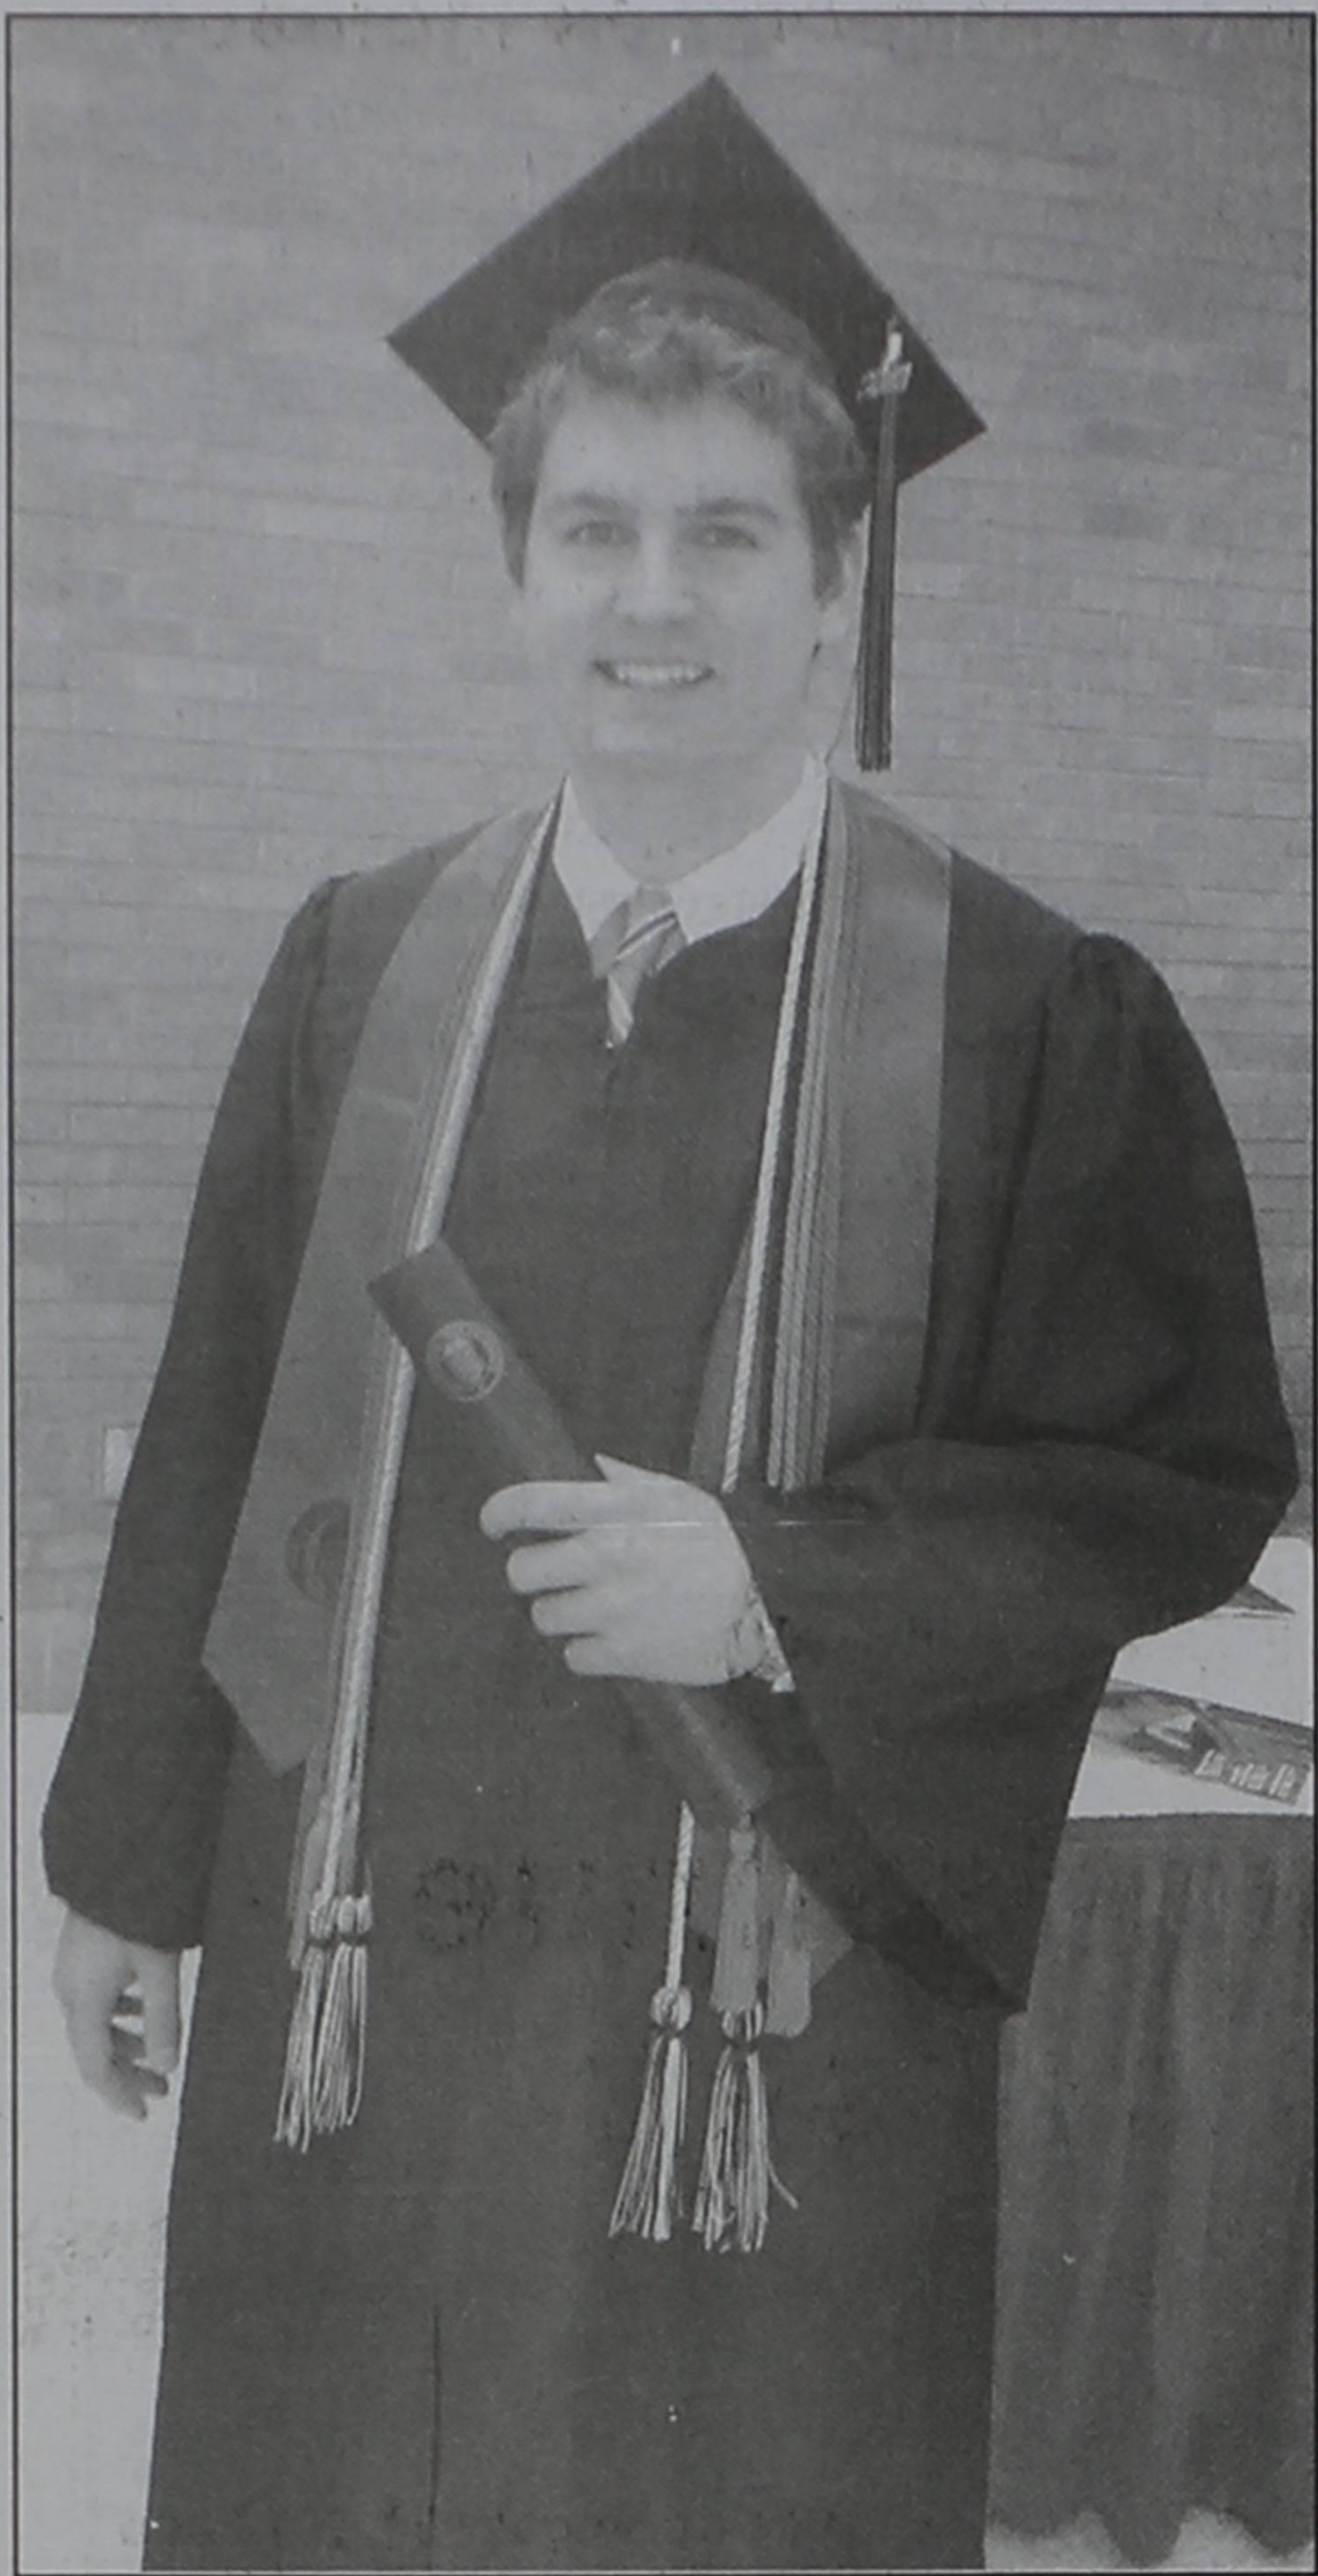

The Squaws varsity travels to Clovis Friday to compete in the Clovis Invitational Tournament. Pool play starts at 8 a.m. Friday. After Friday's pool play the teams will play the first round of bracket play Friday afternoon and evening and then finish Saturday.

The Squaws started the year with a win over Holy Cross August 13. They

lost the next match to West Texas High. The following weekend the ladies played at the Shallowater tournament and came home with the consolation trophy.

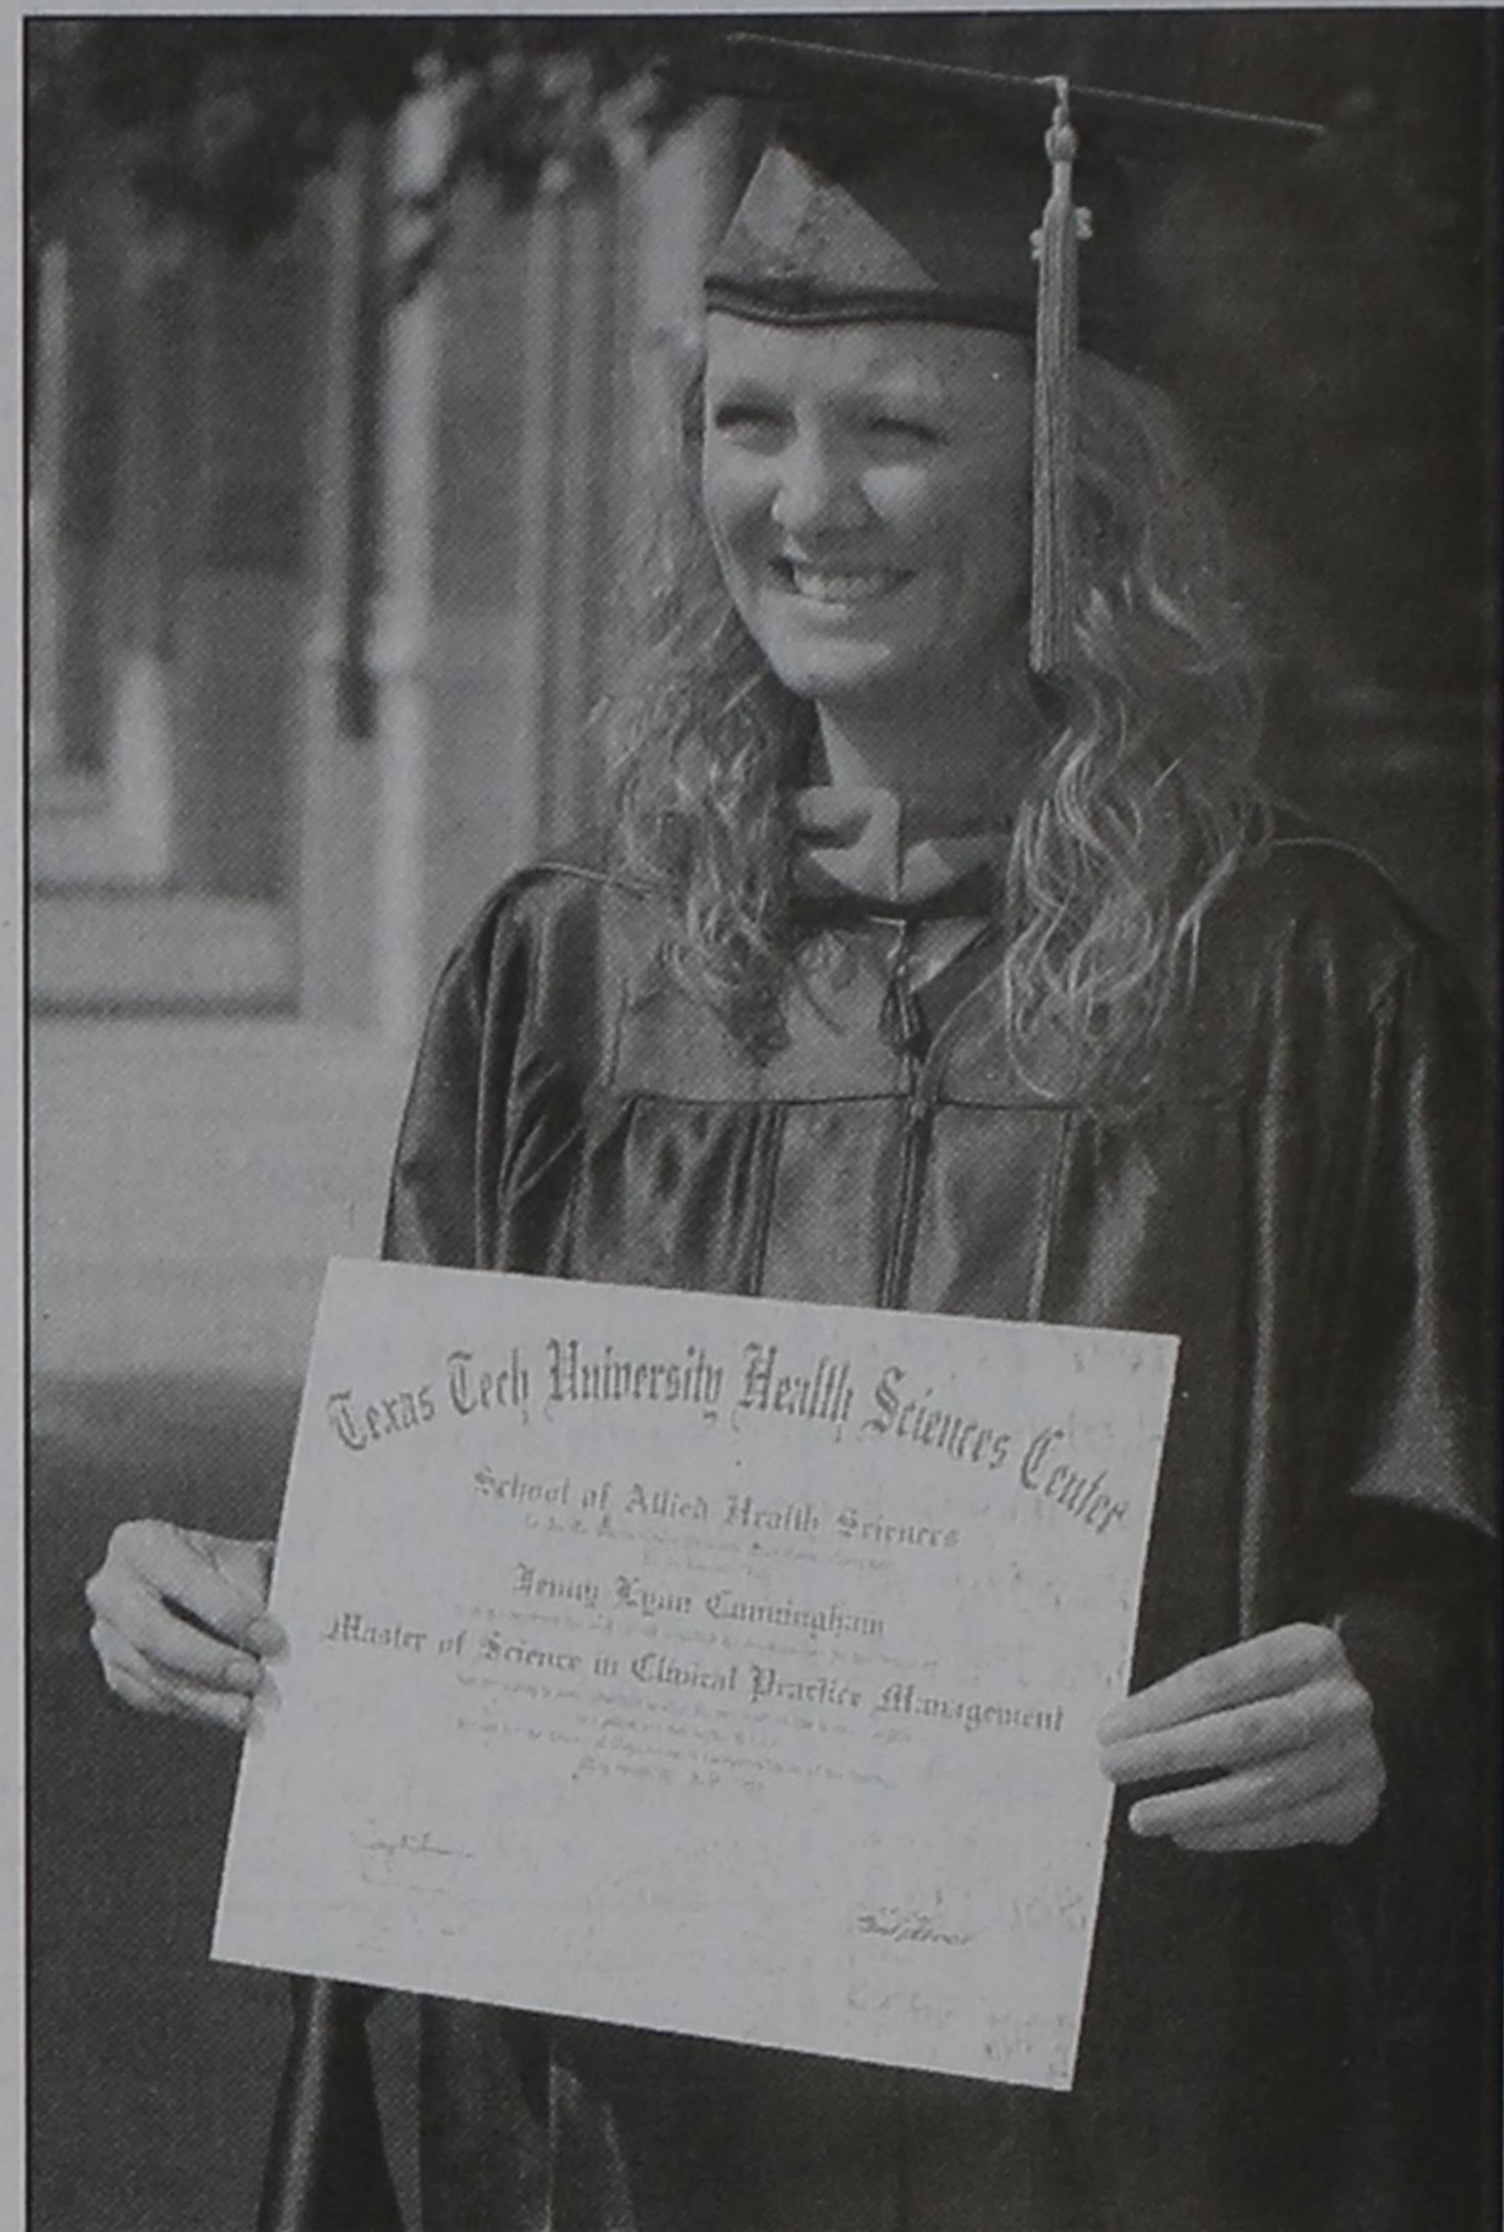

In their home opener

the Squaws beat Sanford-Fritch 3-0. Later that week the ladies went to Littlefield and came away with another trophy as they won the Silver Bracket championship.

## Notice of Public Hearing on Tax Increase

The Parmer County will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 4.547442 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on September 7, 2012 at 9:30 AM at Parmer County Courtroom.

The second public hearing will be held on September 10, 2012 at 9:30 AM at Parmer County Courtroom.

The members of the governing body voted on the proposal to consider the tax increase as follows:

FOR: Kirk Frye, Ronald Byrd, Trey Ellis  
 AGAINST: James Clayton, Lloyd Bradshaw  
 PRESENT and not voting: Collen Stover  
 ABSENT: None

The average taxable value of a residence homestead in Parmer County last year was \$59,474. Based on last year's tax rate of \$0.478200 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$284.40.

The average taxable value of a residence homestead in Parmer County this year is \$61,195. If the governing body adopts the effective tax rate for this year of \$0.457400 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$279.91.

If the governing body adopts the proposed tax rate of \$0.478200 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$292.63.

Members of the public are encouraged to attend the hearings and express their views.

\* "Appraised value" is the amount shown on the appraisal roll and defined by Section 1.04(3), Tax Code  
 \*\* "New property" is defined by Section 26.01(2)(7), Tax Code  
 \*\*\* "Taxable value" is defined by Section 1.04(10), Tax Code

## Notice of Tax Revenue Increase

The CITY OF FRIONA conducted public hearings on August 23, 2012 and August 27, 2012 on a proposal to increase the total tax revenues of the CITY OF FRIONA from properties on the tax roll in the preceding year by 13.997114 percent.

The total tax revenue raised last year at last year's tax rate of 0.790000 for each \$100 of taxable value was \$762,464.40.

The total tax revenue proposed to be raised this year at the proposed tax rate of 0.790000 for each \$100 of taxable value, excluding tax revenue to be raised from new property added to the tax roll this year, is \$868,149.15.

The total tax revenue proposed to be raised this year at the proposed tax rate of 0.790000 for each \$100 of taxable value, including tax revenue to be raised from new property added to the tax roll this year, is \$868,592.19.

The City of Friona is scheduled to vote on the tax rate that will result in that tax increase at a public meeting to be held on September 10, 2012 at Friona City Council Chamber, 619 Main, Friona, Tx 79035 at 6:30 PM
