Muleshoe UF Drive Nears End

Muleshoe area United Fund is today nearing completion of its 1963 fund drive. Although percentage totals have not yet been correlated by the various groups, it is believed that the area has attained about 97 percent of its \$13,000 goal.

Volunteer workers are making a final push in contacting their assigned prospects. Marie White, campaign chairman, yesterday stated that a few workers in each division have not yet completed their assignments, but that she expected they would do so next week.

Earlier this week Inez Bobo, president of the United Fund, stated that the organization's aim is to give every prospective contributor an opportunity to do his or her part, and urged anyone who has been overlooked to mail his donation to the United Fund, Box 409, Muleshoe.

Harmon Elliott Wins Stetson From W. Q. Casey

Harmon Elliott, vice president of 1st National Bank won the \$25 Stetson hat prize offered by Muleshoe State Bank to the person guessing which variety of hybrid grain sorghum would make the largest yield in the Lewis Scoggin Demonstration.

Elliott also guessed closest to the actual yield per acre. The winner was PA-665. It yielded 8,143 pounds. The next highest yield was made by Asgrow TT. It yielded 8,114 pounds per acre.

Elliott's guess was only 30 pounds over the actual yield. Virgil Nowell missed by 97 pounds, and Weldon Tims missed by 143 pounds.

Bobby Airhart and J. K. Adams straddled the target by missing by 118 and 190 pounds respectively.

The experiment was conducted under the direction of J. K. Adams, county agent.

Free-For-All Lands Local Man in Clink

Police today are holding Malcolm E. McCool, 123 E. Birch St. in County jail on charges of aggravated assault against a police officer.

McCool plead not guilty to the charge which stipulated that he had struck City Policeman Pete Hatfield while the officer was performing his duty.

The free-for-all took place at the McCool residence. Chief of Police Carl Neely assigned Officer Hatfield to investigate a complaint from McCool's father that the son was intoxicated and causing a disturbance.

When Hatfield arrived at the house McCool refused to accompany the officer to the station and used abusive language, according to the report.

In the meantime Chief Neely, feeling that the officer might need help, drove to the home. Just as he entered the door the prisoner attacked officer Hatfield, striking him in the face several times. The accused swung at the Chief but missed and was tripped by the chief.

Bond was fixed at \$750 in County Court. A charge of aggravated assault carries a prison sentence of not less than 30 days and not more than two years, and a possible fine of \$1,000.

In other court action this week, Moses Bryan plead guilty of carrying a pistol and was fined \$100 (See Free-For-All Page 4)

Mules Stomp Dimmitt Bobcats; Take 3-AA

By JAY SPAIN

The Muleshoe Mules tromped the Dimmitt Bobcats Friday night to finish 3-AA Conference play and moved into bi-district where they will meet Denver City here next Friday night.

The Mules controlled the game for the duration of all four quarters.

Muleshoe kicked off to Dimmitt and the Bobcats moved the ball only nine yards before having to punt to the Mules' 39 yard line. The Mules carried the pigskin to the Dimmitt 47 yard line where little Joe Adams broke loose and ran 47 yards for the first score of the ball game. Kick for extra point was blocked.

Dimmitt received on their six yard line, but could not buck the tough Mule line and had to punt to their own 48. The Bobcats then put pressure on the Muleshoe offense and the Mules had to punt to the Dimmitt 11 yard line.

The Bobcats moved out to the 17 yard line before punting to Kenny Heathington on the Muleshoe 43 yard line and he scam-

pered 57 yards for the Mules' second touchdown. The kick for extra point was wide.

The Bobcats received the kick on their 20 and moved it to the Muleshoe 49 before a fumble which was recovered by Ronnie Spint on the 45 yard line. The Mules' offense didn't click and they kicked the ball to the Dimmitt 14 yard line.

The Bobcats moved out to the 20 yard line before punting to the Muleshoe 45 where it was taken by Ronnie Johnson and ran to the Dimmitt 24 yard line. Four plays later end Larry Allison recovered a Muleshoe fumble in the end zone for another Mule score. Heathington ran over for two points.

As the Mules kicked off to the Bobcats, Dimmitt fumbled the ball and it was recovered by Gary Casey on the Dimmitt 34 yard line. The Mules could move only to the Bobcat seven yard line and on fourth down Don Murray kicked a field goal from the (See Mules Page 4)

1/2-Million Plant May Locate In Sudan Area

It's possible Sudan may be the location of a half-million dollar alcohol manufacturing plant employing 15 full-time workers. Similar plants maintain a \$75,000-a-year payroll.

Tuesday Wilber R. Gouveia, a Lake Alfred, Fla. consulting engineer specializing in fermentation and distillation processes for several pharmaceutical companies, examined the Sudan area and conferred with Chamber of Commerce officials.

In a telephone interview with the Journal, Leaster Shank, a member of the chamber's board of directors, said, "The picture looks very bright. Presently there are only two such plants west of the Mississippi. We may well be the third." He continued, "There are many problems to still work out, the major of which is the cost of grain, before we go ahead." The group is currently investigating the possibility of building a plant on either city or county

land and leasing it to a company on a dollar-a-year basis. It is also possible that the company may build it themselves.

The Sudan Chamber of Commerce contacted the consulting engineer and paid all expenses for him to examine the area.

Aside from the growth factors involved, the entire area would benefit from such a plant because it would open a market for grain normally considered too high in moisture content and provide stockmen with a source of supply of a high-protein feed, which is a by product of the process.

Construction of plants of this type requires sites with plenty of cold water available, an inexpensive fuel supply and an abundance of grain.

The force behind the chamber's drive for the industry is attributed to Kenneth Burgess, Jay Miller and Charles Garrett who conceived the plan and have executed it thus far.

Government Will Increase Seed Crops Allowables Next Year

SPECIAL TO THE JOURNAL — Bailey County farmers today had received an early final Christmas present from the Government. Although it has not yet been officially announced, and the local USDA office has no knowledge of it, the government will soon announce a 20 percent raise in percentages for Sesame, castor beans and guar crops.

The news came in a phone conversation with Congressman George Mahon in which he said, "... He'd seen the right people... and that the USDA would announce the diversion payments soon."

The Agriculture Department is liberalizing its regulations to allow more of these seed crops to catch up with the amount of seed crops concerned.

Safflower was not included in the increase. Presently the safflower crop far exceeds national consumption. Both mustard and sunflower seed will remain at the current 30 percent.

This year about 3,000 acres of Sesame was planted in Bailey County. However, only about 1,000

\$100-A-Day Penalty Now In Effect

A \$100-a-day penalty against Dan Mac Naughton, professional land appraiser, hired by the County Commissioners last Summer to appraise right of ways necessary for the widening of Highway 84-70, went into effect Friday.

As of today \$200 has been subtracted from the \$7,500 appraisal fee. At its last regular monthly meeting the County Commission voted the fine on Mac Naughton after discussing "the unreasonable delays in obtaining the app" (See Penalty Page 4)

Foundation Week To Be Celebrated By Rotary Club

The Rotary Club of Muleshoe, one of more than 11,500 Rotary clubs throughout the world, will participate next week in a world-wide observance of "Rotary Foundation Week."

Harmon Elliott, president of the Muleshoe club, said the purpose of the observance is "to create interest in, enthusiasm for, and support of The Rotary Foundation."

Muleshoe Rotarians will celebrate the week at their meeting on December 10 in Legion Hall with a program out of Lubbock.

Businessmen Attend Bad Check Clinic

Approximately 80 Muleshoe businessmen, attended a Chamber of Commerce sponsored seminar on control of bad checks Thursday night.

Meeting at the High School auditorium, the group heard Joel Teesdale, head of the Texas Department of Public Safety Criminal Identification Div., and Alonzo Miller, chief collection specialist for Piggly-Wiggly Stores, worthless check control.

The Chamber distributed a new check control system and copies of the new Texas State law governing worthless checks.

THE WINNER — Harmon Elliot, vice president of the First National Bank receiving the Stetson Hat he won by guessing which variety of hybrid grain sorghum would make the biggest yield in the Lewis Scoggin Demonstration. The hat was presented by W. Q. Casey, president of the Muleshoe State Bank.

HAIL TO THE QUEEN — Diane Chappel being crowned Muleshoe High School Homecoming Queen by Mule Darrel Burton. Runners-up were Lola Harrell & Kathy Moore.

Muleshoe Parent-Teacher Delegates To Attend 54th Annual Convention

Five delegates from the Muleshoe Parent-Teachers Association will be attending the annual convention of Texas Congress of Parents and Teachers to be held in San Antonio, November 20-22. Among them will be Mrs. Ray Daniel, District 14 Council President.

Representing DeShazo P-TA will be Mrs. Katherine Sanders and from Richland Hills will be Mrs. Clarence Mason and Mrs. Joe Wheeler.

Mrs. J. M. Farmer, Littlefield, is 14th district president. She will serve on several committees at the convention. These consist of: staging and arrangements, election committee, and budget and finance. She will assist in a parliamentary workshop, and be a member of the houseparty for a reception to be held Wednesday night. Mrs. Farmer will leave Friday for San Antonio to be there for preliminary meetings.

Mrs. Melvin Hines of Otton, aide to the district president, and 14th district reservations chairman is in charge of the hotel reservations and busses. Also, the 14th district banquet which will be on the 19th at the Bright Shawl.

Mrs. W. J. Danforth of Fort Worth, state president, will be presiding at her first state convention as president.

"We the PTA Seek to Understand the Family Story" will be the theme of the 54th convention. Municipal Auditorium will be the site of the meetings; the Granada, the headquarters hotel.

Mrs. Jennell Moorhead of Eugene, Oreg., first vice president of the National Congress of Parents and Teachers, will be the national representative, and will address the convention the first afternoon. Mrs. Edith Deen of Fort Worth, author, lecturer, and newspaper woman, will also be a guest speaker.

Other highlights will be a panel to consider school dropouts, and conferences the second day. Special features will include a life membership luncheon; luncheons for council presidents and for past district presidents; a "tamalada" for all delegates, of the San Antonio City Council of PTA's; a reception for delegates, honoring Mrs. Dan Forth and Mrs. Moorhead, special music, membership and magazine awards, exhibits, and installation of officers.

Voting for state vice presidents will take place the second day, the nominees being Mrs. Carey Snyder, Fort Worth, from Region I; Mrs. Chesley McDonald, Sterling City, Region II; Mrs. John Foomb, Irving, Region III; Mrs. John F. Weinzler, Riverside, Region IV.

This is the first time San Antonio has been host to the convention in ten years. Some 3,000 are expected to attend.

The Muleshoe delegates will leave from Lubbock at 7 a.m. Tuesday along with other from this district. They are to return on Friday.

Holiday Flower Film Shown For Local H-D Club

"Holiday With Flowers" was a film shown at an all-day meeting of the Muleshoe Home Demonstration Club held in the home of Mrs. Willie Reeder.

After the film showing, the women put in a quilt and spent the afternoon quilting.

A motion was approved to help the Club sponsored by State School for Christmas.

Attending were Alice Evans, Gail Ramsey, Johnny Parker, Dorothy Bowers, Leona Evans and guests, Ann Oyler and Jean Martin.

Mrs. Martin, Bailey County Home Demonstration Agent, will be hostess for the next meeting. All women are to bring their favorite candy recipes.

Caldwells Return Following Surgery

Mrs. S. C. Caldwell and Gene Caldwell have returned from Fort Worth where they underwent surgery for Asthma.

Mrs. Caldwell said they were well pleased with the result from this relatively new operation. She was the 39th patient to have this type surgery at Doctors General Hospital.

More than 1,000 operations have been done successfully in Boston and approximately 100 in Los Angeles.

The surgery involves the removal of a gland in the throat, she said.

They were hospitalized six days and returned home early this week.

GIFT PRESENTED — Zida Mae Black, president of the Progressive Homes Club is pictured here as she presents Carolyn Ehart with a coat from the club. MANAGING DIRECTOR — Mrs. Vivian McCracken, managing director of Girlstown, was guest speaker at a luncheon given for members of the Progressive Homes Club. She told many things which are being done to help the 35 girls who make their home there. Shown with her is one of the residents, Carolyn Ehart, who was also a guest.

Scout Pack 620 To Learn Indian Lore In Series

Boy Scout Pack 620, sponsored by Richland Hills Parent-Teachers, are making plans for a big project.

This group will be going to Littlefield soon to learn Indian dances, lore and other things concerning the Indians tribes.

This series of lessons will be taught by C. L. Walker who was raised on an Indian reservation and learned all these things by living and doing.

Troop 620 now has five den mothers and the Pack meets the third Friday night of each month.

Statisticians estimate that the earth contains 6,586 quintillion tons of matters.

"Girlstown" Is Luncheon Topic

Vivian McCracken was guest speaker for a 1 p.m. luncheon Thursday given by Mrs. Vera Engkeling for the Progressive Homes Club and guests.

Mrs. McCracken, managing director of Girlstown, U. S. A., located nine miles south of Whiteface, told the group of the rewarding pleasure of seeing 35 girls

given homes and the chance in life they did not have before going there. She spoke of those who had come and gone and were living normal lives in college and as mothers and business women, where otherwise they would have likely remained confused, uneducated social and moral outcasts as a result of broken homes, irresponsible parents and many times victims of circumstances, such as illness or death of their parents.

Mrs. McCracken also told of the anxiety . . . the heartbreak and the strong will it takes to impress the children, especially the teen age girls, that their purpose and only purpose there is to give them the care, the love, education and the home they deserve as citizens of the United States.

"Most of them", she said, "are belligerent, confused, sullen, and many very world-wise when they arrive and few have been taught obedience and responsibility. The adjustment period is the hard part for them and those who cannot adjust to life with the aid of house parents and other workers at Girlstown are given the psychiatric care they need. Several of the girls are taken regularly to psychiatrists in Lubbock and Plainview for this care at the present.

"Scores of personalities come our way and we, at Girlstown, strive to do the best we can for the good of each."

"Education for the girls is provided through college. It is often hard to determine the educational level of some of the new residents," she said.

Some have been withdrawn from school so frequently during their young school years that their basic education is scant.

"She pointed out the case of one girl who had attended 18 public schools before going to Girlstown and is presently a Junior who plans to attend college.

Muleshoe's Progressive Homes Club sponsors Carolyn Ehart at Girlstown who was also a guest for the luncheon. Mrs. McCracken told the club women of the advancement Carolyn was making in her grades and reported a great improvement in her school work over last year.

Miss Ehart, a quiet, attractive brown-haired girl, expressed her appreciation to the club for their support and for Girlstown and the work being done there.

She was presented with a coat by the local club members.

Girlstown is operated on contributions. It was founded March 13, 1949 by Amelia Anthony. There is now a board of directors consisting of 12 members and Mrs. McCracken expressed hope of having 15 directors in the near future. One of the directors is Walter W. Ross, founder of Beta Sigma Phi, the world's largest non-academic Greek letter organization.

ization in the world. This group of women number more than 150,000 in their 7,000 chapters around the world.

Beta Sigma Phi, through its International Endowment Fund has contributed substantially to the operating expense of Girlstown for many years.

Mrs. McCracken said they often wondered where money needed to continue this great program would come from, but it always came.

She summed up her work there by saying she had work and served in many capacities during her life, but seeing girls given equal opportunity and those who leave Girlstown responsible citizens is the most rewarding of all and by far, overshadows the grief and work involved in the tremendous responsibility of directing them onto the right path.

Mrs. Engkeling presented Mrs. McCracken with the hostess gift, a fall arrangement.

The Progressive Homes Club Thanksgiving Party will be held at 7 p.m. Tuesday, November 26 at Paul's Restaurant.

Mrs. Lula Embry will be hostess.

Six Muleshoe Men Home From Trip

Muleshoe men returning from a recent pheasant hunting trip near Goodland, Kansas were: Alex Williams, Gordon Doss, Morris Nowlin, Bud Shaffer, Eddie Faust, and Jim Collins.

Doss, spokesman for the group, said they had excellent hunting weather, good luck and plenty of hospitality. They got their limit each day.

They were guests of former Muleshoe residents, the V. M. Collins.

Doss said the Goodland area of Kansas was very much like that surrounding Muleshoe and Collins said it reminded him of Muleshoe 20 years ago, especially agriculture-wise. They have just begun to utilize water for irrigation and put more land into cultivation.

Doss said they found pheasants of all beautiful colored feathers and recalled the use made of the colorful array of the birds feathers by the Hawaiian women. They used them to put natural color in weaving and apparel made by hand.

Change Told For Presentation Religious Drama

Rev. J. Frank Peery, pastor of the First Methodist Church, announces a change in date and time for the Bishop Company's presentation of "The Devil and Daniel Webster."

It has been rescheduled for Sunday, November 24, at 2:30 p.m. at the First Methodist Church.

The religious drama is one of seven carefully selected works to be staged by The Bishop's Company. The play presents this situation to Webster, Mr. America himself, he is cornered by the Devil in an attempt to argue for a man's soul. Webster avoids a losing defense based on facts and figures by appealing to the jury in making them sense the dignity as well as the weakness of man.

FRANKLY SPEAKING

By REV. J. FRANK PEERY

IN THE U. S. S. R. (by request — the third of three articles) Before 1945 there were three main Russian Protestant denominations — Baptists, Evangelical Christians, and Pentecostals. Other Christian groups such as Methodists, Minnonites, and Advent-

ists were very small in number. As a matter of fact, the single Methodist congregation in Leningrad has joined the Baptists. For many years the leaders of these three large groups, who dogmas had much in common, sought to merge. In October, 1944, at a joint conference in Moscow, they

formed a single union of Evangelical Christian Baptist. The central administrative body of the union of Evangelical Christian Baptists. The central administrative body of the union is the Council of E. C. B. consisting of ten elected members. There are 40 to 50 superintendents who assist the churches and ministers in purely ecclesiastical and organize in the church is led by ministers, deacons, or preachers invited or elected by the community.

There are some 5,500 Evangelical Christian Baptist churches in the Soviet Union, with a total membership of about 545,000. Each Evangelical Baptist Church regularly holds two services on Sunday, and as many during the week as it sees fit, as long as it is a worship service. Communion is offered once a month. Each service lasts two hours or longer. Unlike the Russian Orthodox Church, the E. C. B. churches have pews and choirs. As best

I could determine, the officials, and the work of the church are supported by voluntary offerings. At the present time, the E. C. B. Church of the Soviet Union belongs to the World Council of Churches and the Baptist World Alliance. The Union of Evangelical Christian Baptists publishes an 80-page bimonthly *Brotherly Herald*, which covers the work of the church.

On Sunday night, August 6, 1962, I was a visitor at the Evangelical Christian Church in Moscow. In the two-hour packed auditorium service, I found that they concentrate the whole of religion in worship, sacraments, and prayer. The churches are prohibited in the field of Christian education, social life, or philanthropic work. They try to do it all in worship.

In an question-and-answer period after church, Alex Karev, Yakov Zhidkov and Ivanov Orlov, Ministers of the only protestant church in Moscow (7 million) said that "all of their preaching

was based on peace, love and brotherhood". This, the Communist Party approves. The ministers stated that 50 per cent of the people are buried by the church and have a cross on their graves. Only 5 per cent of the marriages are performed by the church. The people sang well and were reverent in prayer, but during the service you could feel and know that the church in the U. S. S. R. was captive. The Ministry of Religious Cults, headed by a Communist really governs the affairs of the Church.

Frankly Speaking — There is no question but that the Church in the U. S. S. R. has lost its prestige, presence, and power. Christ is there but the Church is dead.

Bula FHA-FFA "Beatniks" Hold Party

Bula FHA and the FFA held a beatnik party last week, in the school lunch room. Friday, before the party, each girl put a patch on the boy she had asked to signify that they were each others date.

Tuesday night, after each girl picked up her date, the group met at the lunch room. Those attending dressed and talked as beatniks. There was bongos playing by girls and boys all during the party.

The girls that did not have dates served following the social. Pizza and tea were served. The pizza was made by Terry Blake, Miss Nancy Mott, and Mrs. Guy Sanders.

Attending were Mr. and Mrs. Owen Young, Miss Nancy Mott, Jo Ann Autry, Linda Autry, Donna Lands, Sandra Seagler, Frankie Sanders, Lana Aduddell, Beverly Clawson, Linda Grusendorf, Barbara Autry, Lavon Autry, Juana Young, Diane Teaff. Boys were Gerald Reid, Roger Jones, Michael Overland, Mike Risinger, Pat Risinger, John Fred, Randal Robertson, Sammie Nichols, Mike Capeheart, Dennis Turner and Gene Autry.

The original contract called for completion of the appraisals by September 15th. The work is now more than 30 days late.

The Highway Department has invited contractors to submit bids for the construction job by Dec. 10. Bids will be for construction on 84 from Muleshoe to 1.9 miles County line.

The state's schedule calls for it to be completed in 175 working days.

Farmers spend about \$28 billion a year for equipment, goods and services to produce crops and livestock.

Five Killed, 29 Injured Thus Far This Year in Bailey County Cars

The scream of tires on pavement can be heard at any hour of the day or night in our town or anywhere else in the nation. The crash of automobiles slamming into one another is punctuated by the screech of crumpling metal and the ringing of car parts bouncing away from a mass of wreckage. A momentary silence is broken by cries of the injured or the straining gasp for the last breath by a person killed by the most lethal weapon ever placed in the hands of the civilian population.

This month, the Texas Highway Patrol investigated 17 accidents on rural highways in Bailey County, according to Sergeant D. S. Lawson, Highway Patrol supervisor of this area.

These wrecks accounted for four persons injured and an estimated property damage of \$5,865.00.

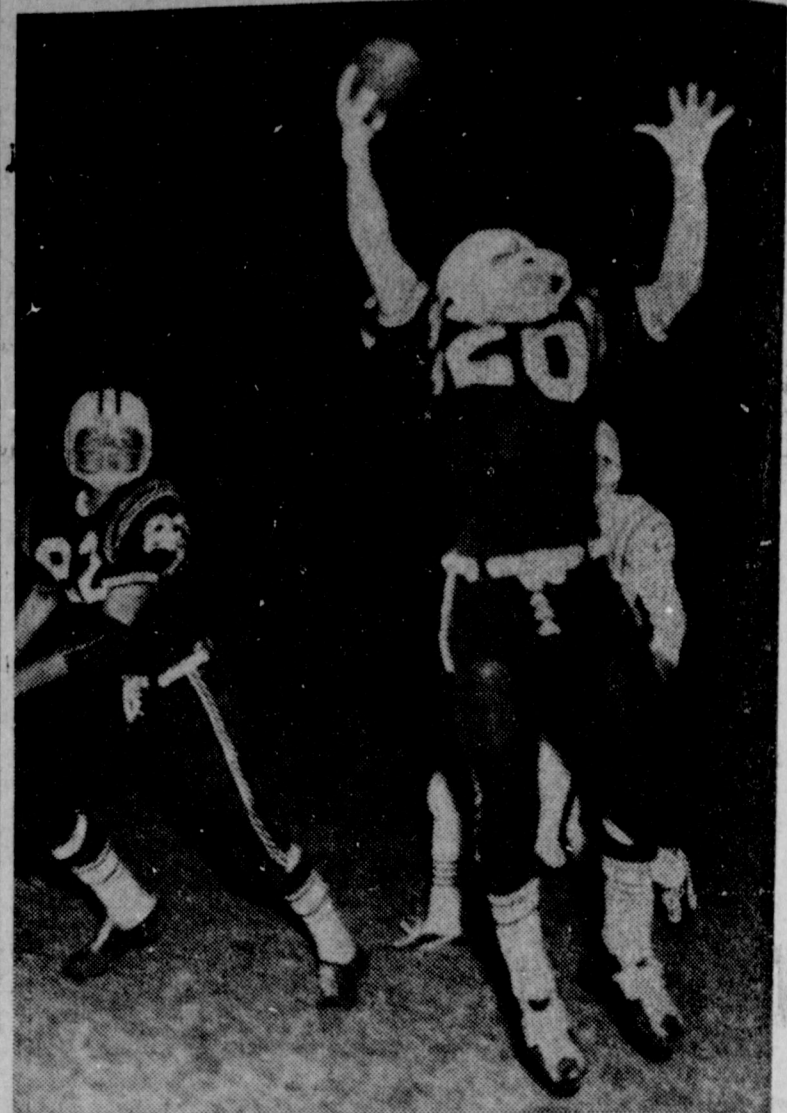

The rural traffic accident summary for this county from January through October of 1963 shows a total of 64 accidents resulting in 5 persons killed, 29 persons injured and an estimated property damage of \$46,430.00.

During the same period Lamb County accidents accounted for 11 injuries and property damage amounting to \$10,410.00.

Is the crash the end of an accident? Far from it. The job of clearing the wreckage only removes from public view the results of carelessness. The accident is never over. The person killed may have been the bread winner for a large family. Their grief and hardship in only beginning. The injured may spend many months in a hospital bed never again to regain the health that was shattered in an instant.

You and I will be paying for the accident damage for many years through increased insurance rates. This scene was repeated with varying degrees of seriousness over 360,000 times in the State of Texas during the year 1962. There were 2421 persons killed and 144,943 persons injured. While you are reading this there will be an accident every 87 seconds. A person will be injured every three and one-half minutes and there will be a traffic death within the next three hours and thirty-seven minutes. Your bill for traffic accidents will be mounting at the rate of \$738 per minute.

17 yard line. The Mules kicked off to the Bobcats and they took it on their 27 and moved to their own 32 as the half ended with the score reading 23 to 0.

Mule Joe Adams received the kick-off on the 19 yard line and ran back to the 44 before being stopped. The Mules moved only to the Dimmitt 47 yard line before losing possession of the ball on downs. Dimmitt then pushed to the Muleshoe 12 yard line before handing the ball to the Mules on downs.

The Mules then started a drive which pushed to the Dimmitt 46 yard line where Heathington broke loose and ran for the last Mule score of the ball game. Murray's kick was good.

Dimmitt received the ball and moved to the Muleshoe 43 before fumbling which was recovered by end Dwight Burkhead on the Muleshoe 31 yard line. The Mules' offense again ran into trouble and as the quarter ended Scott Oliver punted to the Dimmitt 20 yard line.

Dimmitt started a drive which reached the Muleshoe 33 before they fumbled and it was recovered by David Roberts and Greg Blackwood on the Muleshoe 22 yard line.

The Mules' offense moved to the 33 yard line and then punted to Dimmitt 32 yard line. The Bobcats then started a drive which with 12 seconds left on the clock Jim Aldredge threw a pass from the 20 yard line to Tony Young for a T. D. which was no good. On the next play Aldredge threw one to Clint Summers for a touchdown which counted. Try for extra point was no good and the ballgame ended with the score reading 30 to 6 in favor of the district 3-AA champion Mules.

Bula News
 By MRS. JOHN BLACKMAN
 Mr. and Mrs. Fred Archer enjoyed having all their children home for dinner Sunday. They were Mr. and Mrs. Monty Berry and daughter Marilyn of Sudan, Mr. and Mrs. Larry Archer of Lubbock, Curtis of the home and Jo Linda Robertson.
 Wanda Hubbard, sophomore student at LCC spent the weekend with her parents, the John Hubbards.
 The Bula School annual festival was held in the school building Tuesday evening Oct. 29, with a large crowd attending the festivities.
 Those crowned with the honors of king and queen were Dennis Newton and Barbara Clawson as queen. They were crowned by Mike Capeheart and Marilyn McCall.
 Proceeds of the festival went to the local P.T.A.
 Mrs. E. A. Hogan, Littlefield, spent Tuesday with Mrs. V. C. Weaver.
 Georgia Ann Bahlman, freshman student at McMurry college spent the weekend with her parents the George Bahlmans. She was accompanied by her grandmother Mrs. Dacey Frey of Winters.

GENERAL TELEPHONE TOWNS ON THE MOVE
Memphis wins new Textile Plant
 Today, because of aggressive leadership, this Texas Panhandle town boasts an active new textile plant making sheets for national distribution. What is more important, the plant's parent company is the world's largest manufacturer of textiles using all known fibers.
 This new industry is the Hall Plant of Postex Cotton Mills, a unit of Burlington Industries, Inc. It is designed to have in excess of 100 employees, mostly women, and is an important addition to the economy of this 3500 population community. It is another reason we say big things are happening in General Telephone towns.
 These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas

MADAM MARIE

The Canadian Lady, The 7th daughter born with a double veil.

Gifted from birth: a Spiritualist, Reader, & Advisor, that sees all, knows all, and tells all. Tells the truth good or bad. Without asking a single question, she will tell you of any business transactions, whether sweetheart, husband, or wife is true or false.

Not to be classed as a Gypsy. Come and see Madam Marie today, tomorrow may be too late. I read for white, colored, rich, or poor. No one in trouble turned away.

Tuesday is my day off. I do not make house-to-house calls.

Three Way Girl Basketball Team Wins 82 to 9

Three Way Basketball girls played a practice scrimmage on their home court Tuesday evening with Whittharrel, and smothered them with a score of 82-9. However, a scrimmage the previous week at Cotton Center resulted in a tight score of 47-51 in favor of Cotton Center varsity team.

The next cage contest for Three Way will be at Smyer next Tuesday evening, Nov. 19, with both boys and girls teams competing in non-conference play.

Freshmen Mules Dimmitt Play To Deadlock

Fumbles and miscues resulting in penalties spelled disaster for Muleshoe's freshmen football squad as they were held scoreless by Dimmitt, a team they had crushed earlier 30 to 18.

The freshmen had one touchdown called back by penalty and another drive was stopped on the 6-yard line by the clock. The Bobcats threw a stiff, aggressive defense into the high scoring Mules.

Outstanding on offense for the Mules were fullback Ransom Jones and quarterback Terry Trapp. Outstanding on defense was halfback Phillip Short. Linebackers Bruce Purdy and Ransom Jones.

Coach Bob Coleman, who led his freshmen team to a season record of seven wins, one loss, one tie, said, "Our defense was the finest I've seen it, but our offense was the poorest."

Joshua Blocher to Aubrey B. Robinson, Block 1 on Plum Street and Second Street, town of Progress.

John Smith to A. M. Thompson, Lots 17 and 18, Block 16, Highland Addition.

New Development Of Molded Cotton To Help Market

College Station — Moldable cotton fabrics are the latest development in cotton utilization research by the U. S. Department of Agriculture.

The researchers see uses for these molded materials in the manufacture of upholstered furniture, hats, shoes, and many other consumer products. The fabrics, that can be molded into three-dimensional shapes, have been worked out as the result of

a continuing effort to find new uses for agricultural products. The idea for these molded cottons came from the research to develop stretch cottons, according to the USDA. Through a process called slack mercerization, the cottons were made to stretch more than 50 percent. Since these stretched materials fitted contours well, the scientists decided that if the fabric were chemically treated and molded it would hold its shape permanently. The new molded cotton has advantages for use in the toes of women's shoes and in the manufacture of sofas, chairs and other upholstered items, say the scientists.
