COLUMN LEFT

We like the new coffee cups and saucers at the City Drug. They portray the Western theme, in case you haven't noticed. It seems to us drug stores and eating places are missing a good bet in this territory by failing to fully capitalize on the Western motif, home-grown foods, etc., which have gained such nationwide publicity.

County Clerk Loyde Brewer reports that fees in his office totaled \$7,500 for 1950. This is a considerable increase from the 1949 figure of \$4,500. These fees are turned in to county funds.

The Friona American Legion and Auxiliary urges all members to be present for the February 5th meeting. A social will be held in addition to regular business.

The Bovina American Legion and Auxiliary also will have their regular meeting on Monday night, with all members invited.

Workers of the Southwestern Public Service Company are in Friona this week preparing to erect the metal standards for the new lights in the business section. They report the poles are already delivered to Hereford, and they expect to raise them soon.

New Testaments have been placed in the 5th, 6th and 7th grades of the Friona Grade School through the courtesy of the Gideon Bible Society. This group has long been known for its work in furnishing testaments and Bibles in hotel rooms, army camps, and schools.

Work is progressing nicely on the new auditorium and gymnasium for the schools in Friona. Workmen are this week erecting the partition walls between the auditorium and gym, hoping to push completion of the auditorium in time for the graduation exercises at the school closing.

Application forms are available at the Star office for those desiring to apply for rural telephones under the Rural Telephone Cooperative plan for which allotment has been made for Palmer County. Leo Forrest, REA manager serving this area, urges those interested to act quickly, as the availability of these funds is contingent upon early signing.

The Star is glad to handle these forms at our office, enabling farmers to sign here rather than having to drive the 30 or 40 miles to the central REA office. We will continue to offer every service in our means to residents to this area, especially to save them making unnecessary trips!

Chieftians Finish Home Basketball Play With Wins Over Lazbuddie, Springlake

Squaws Take Lazbuddie; Bowing to Springlake

Wins over Lazbuddie and Springlake have put Friona basketball back in the winning bracket during the past week, with the last two home games being won by the boys, and with the girls winning over Lazbuddie but bowing to Springlake.

In the last Thursday night encounter with Lazbuddie, the Friona ball handlers ran up a 20 point lead by halftime. The B string played the last half with a goal to reach of 50 points. And they might nearly did just that, with final score reading 49-16 in favor of the Chieftians.

Tuesday the redmen played Springlake, the team which had edged the locals out by two points in the recent Farwell tournament. Tables were turned this week, however; first quarter found the visitors 3 points ahead; at halftime the score was 17-17; and the last half was anybody's game with the score

Widely-Travelled Dr. Harold Hanlin To Speak at Congregational Church Sunday

Family Dinner Slated For Members - Friends

The Congregational Church of Friona is to be host to Dr. Harold Francis Hanlin this Sunday, February 4th. According to the pastor, the Rev. George E. Meyer Dr. Hanlin is to preach the sermon at the 11:00 a.m. worship hour and be the special guest at a family dinner of the church following the morning service. Following the dinner Dr. Hanlin will show colored pictures of life in the Micronesian islands of the Pacific where he served as a U.S.A. Navy chaplain and now a Christian educator under the American Board. Dr. Hanlin has been principal of Kusale Christian training school to which selected boys and girls of the island are sent. Among these were young people from Bikini the islands nearest the USA Atomic bomb tests.

Dr. Hanlin's first meeting with the Marshall and Caroline Islanders was as a chaplain during World War II. The administration of the islands, which were "Trust Territory" of the USA was in the hands of the U.S. Navy, and Dr. Hanlin represented the nation on the islands. Following the close of the war Dr. Hanlin went back to the islands, taking his wife and three daughters.

Dr. Hanlin was skipper of "The Morning Star VI" a small sailing vessel which plied the Pacific among the Caroline Islands. The ship was called "God's Little White Ship" by the natives. According to Mr. Meyer, Dr. Hanlin has a wonderful story to tell and tells it in a most interesting and pleasing way.

The congregationalists extend their usual community-wide invitation to everyone. The Church family dinner is for members and friends and their families. It is a "pot-luck" affair.

Payroll Savings Forms Available From Legion Here

The American Legion of Friona has joined with thousands of similar organizations over the country in volunteering aid to the U. S. Treasury's Payroll Savings Campaign, now underway.

Roy Wilson, commander, says that he is maintaining a file of all necessary supplies and forms for any business which might wish to cooperate in the payroll savings plan.

The local group is one of 60,000 Veterans, Civic and Service clubs and Fraternal societies being asked by the National Organization's Advisory Committee to the Treasury Department, to help in expanding the Payroll Savings program.

standing 45-45 with only seven seconds to go. A neat shot by Max Cruse dropped through the basket just as the final gong sounded, copping the victory for the Chieftians.

Playing their last conference game of the season, the Friona Squaws won over Lazbuddie last week to the tune of 35-16. They took an early lead which they held throughout the game. Tuesday night the Squaws bowed to Springlake 52-25, with the visitors controlling play in every quarter, leading 30-16 at the half.

DAY IN NAVAL SCHOOL
Emmett Day, Jr. son of Mr. and Mrs. E. R. Day, is attending a naval electrical school in San Diego where he will be stationed for some 14 weeks or longer. Day volunteered in the U. S. Navy September 1st. took his physical at Albuquerque, and went directly to San Diego where he took his basic training. There he made C. P. O. commander of his company.

Dr. Harold Francis Hanlin

Public Poll

Do you think winters are getting milder in the Panhandle?
Mrs. Virgil Widmier:
Not hardly, as cold as it is this morning, I don't see how they could.

Mrs. Charlie Wise:
Are you kidding?
Mrs. Rosa Anderson:
Yes I do. I've been around Friona since 1929 and it seems like there's not as much wind as there used to be.

Mrs. Maek Bainum:
Yes I do, I know when I was just a girl we had "snows" then, and we don't have them much anymore.

Mrs. J. W. Baxter:
I don't know, Sunday night was a pretty cold night.

Mrs. J. O. Beene:
Not the way it is this morning, I don't. But on the average, for the past two or three years, I think so.

Mrs. Carl Bender:
I don't know, I hope so.
Mrs. Johnny Benger:
I don't know—I really believe they are.

Mrs. G. H. Blewett:
Yes, they are. Seems like the last two winters have been very mild. Long time ago we had lots of snow and it would be very of snow and it would be very

Two Feature Films Will Be Shown At Maurer Machinery

There are nations in Europe that have not been involved in a war for centuries and the are mainly agricultural nations. This fact is brought out in one of two feature films in color to be shown here on February 6th, and the showing scheduled to start at 2 p.m., is sponsored by Carl C. Maurer, local farm implement dealer.

Entitled "Havens of Peace" the film is a tour of those nations of Europe that have not been troubled by wars and shows the scenic attractions of those nations as well as the way the people live. Visited are such countries as Andorra on the border of Spain and France, San Marino in northeastern Italy, Vatican City with its throngs of holy-year pilgrims, Switzerland with its ever picturesque farming communities, Oberammergau noted for its Passion Play, and Liechtenstein, situated in the upper Rhine valley.

With this film will be shown another feature entitled "The Soil Is Good," also in color. It stresses the importance of the soil to the general welfare of a nation, what the soil has done for mankind, what is appening to it, and what must be done to conserve it. It shows, too, how the modern farmer with the help of modern machines is able to conserve his soil, increase its yields, and raise his standards of living.

Farmers are especially invited to attend this annual program at the Maurer Machinery Company in Friona, bringing their families and friends.

County Goes All Out For M.O.D.

It's Cold Outside!

How can you tell how cold it is when the thermometer's broke!
Evidently records were shattered in the Friona vicinity last night, however, with reports varying from 12 degrees below zero to 22 degrees below.

Several parties at Farwell reported 22 below zero temperatures.
Sloan Osborn told of thermometers at his home reading 11 and 12 degrees at 6 o'clock this morning; Giles Cobb reported a reading of 19 below at his place.

From three to four and one-half inches of snow fell Tuesday night and Wednesday, but bringing little moisture, being a very dry snow. Icy road conditions have made travel very treacherous, but no serious accidents in the vicinity had been reported at noon today.

Main topic of conversation around the coffee counters this morning was the number of cars that wouldn't start, with most everyone wondering if they had enough anti-freeze! With phones still in working order, the housewives were calling one another, telling of waterpipes freezing—many for the first time in the history of Friona freezes!

Forecast is for continued cold weather with the skies clearing today. No further moisture in sight at present.
Br-r-r-r-r!

Logan Told of Ever-Growing Needs of Chambers of Commerce in Rural - City Relationships; Told of Varied Benefits

Leo Forrest Reported On Trip to Washington Regarding Telephones

The concrete benefits of farmers, ranchmen, and merchants working together for a greater community were stressed by George Logan, agricultural and livestock manager of the West Texas Chamber of Commerce, in his talk before the community-wide meeting in Friona Tuesday night.

In a conversational tone and manner, Logan cited numerous projects, all featuring greater service and progress within the community, stating that the function of a chamber of commerce was to determine needs and means, ferreting out the desires of the people it serves and attempting to carry out the feasible projects with whatever resources were available.

Logan was high in his compliments of this area as a rich agricultural region, terming this as a "Bull Durham" type of farming rather than the "Levi Garrett" type he knew so well in East Texas. In fact, he dubbed this region the last frontier of productive Texas agriculture.

Telephones Discussed
Mr. Leo Forrest and Mr. Loyd Lovel of the Rural Electric Cooperative were present at the meeting, Forrest adding emphasis to the fact that rural residents desiring telephone service must make their decision in the very near future, determining the future action of the Rural Telephone Cooperative in this area. Forrest has just returned from a top level conference in Washington with officials of the RTC and the American Telephone and Telegraph, parent company of Southwestern Bell. He expressed hope that some agreement could be worked out with Bell as to territory to be covered by each organization.

Supervisor Will Be Elected At Conservation Meet

Residents of Sub-Division Two Invited To Friday Eve Program
Election of a supervisor of the Soil Conservation Sub-Division II in Palmer County will be principal item of business to be transacted at the public soil conservation meeting called for Friona, Friday, February 2nd. The meeting will be at the High School study hall at 8:00 p.m.

Sub-Division II includes all land in the North Friona and Black School districts. County Agent Joe W. Jones will show an educational film on agricultural subjects, and coffee and doughnuts have been promised by the Friona Chamber of Commerce.

With Tabulations Far from Completion, County Total Passes \$1,200.00 Mark In Contributions from every Community

Bureau Board Will Meet in Farwell

The board of directors of the Farmer County Farm Bureau will meet in Farwell, Friday for a luncheon meeting to plan their annual membership drive.

Bruce Parr, president of the County Farm Bureau, said "Farm Bureau district two, which is composed of 16 South Plains counties and 6,082 members, is beginning its district-wide membership drive very soon. This district has accepted a quota of 7,750 members in 1951 and each county is expected to reach its accepted quota. Farmer county's quota is 450 members. Therefore we are asking every farmer and rancher to join Farm Bureau with us and make Palmer county an even better agricultural county."

"The Texas legislature convened January 9 with some bills to discuss that will affect every South Plains farmer and rancher. To insure that we are represented when these pieces of legislation are presented, we must endeavor to invite everyone to join Farm Bureau during our membership drive", Parr said.

"The board of directors of the Farmer County Farm Bureau will meet and discuss the possibility of having community educational meetings during our membership drive", Parr concluded.

Poll Tax Receipts To Be Slightly Under Last Year Is Indicated

With a number of poll tax payments likely still in the mail late yesterday, Farmers County receipts had totaled 1482 according to Charles Lovelace, sheriff and tax collector. Last year 2019 were paid in the county. With this being an "off" year, so far as regularly scheduled elections are concerned, the final tabulation probably will compare quite favorably with previous totals.

Special Lenten Program Planned by Church Here

The special services of the Congregational Church for the Lenten period opens the evening of Ash Wednesday, February 7th at 8:00 p.m. According to the pastor, each Wednesday period during Lent is to be one of Study and discussion of "The Basic Facts and Ideas of Christianity."

The services are open to any interested. The presentation and discussion is not to be from any denominational angle according to Mr. Meyer. The full Lenten program of the church will be announced later Mr. Meyer states.

Spokesman Predicts 1951 As Another Polio Year

The 1951 March of Dimes ends in Palmer County this week with a note of gratitude for the support of the various communities, organizations, and individuals who have worked and contributed of their time and money.

With donations still coming in, and with incomplete returns from most communities being in, the fund for 1951 has reached \$1,219.60 with complete returns expected to increase this amount to over \$2,000.00.

In the 1950 campaign, \$3,432.06 was raised in Palmer County. Most communities of the county have sponsored programs, suppers, or dances for the March of Dimes benefit.

Returns, which are incomplete, show the following community contributions:

Lazbuddie raised \$238.54 at a community meeting, featuring a home-talent program, movie, and talk by "Mac" McAlister of Clovis.

Rhea conducted a pie social-netting \$160.32.

Robert Leach of the Rhea community donated \$92.05 raised from a dance there.

The square dance at the Maurer Machinery building in Friona raised \$21.29 for the fund.

Girl Scouts soliciting in Friona on Saturday procured \$209.07.

A community meeting at Black secured \$99.60.

Donations in Farwell have totaled \$297.86, this being incomplete.

The Oklahoma Lane community meeting added \$68.67 to the fund.

The Friona American Legion raised \$34.10 with a dance.

The jars placed in Friona business houses had not been tabulated late this morning; this together with other contributions is expected to end the local drive with a very satisfactory total.

A National Foundation for Infantile Paralysis spokesman has told Texas authorities that this state "may expect another heavy polio year in 1951". Urgency of advance preparations for such a 1951 outbreak is emphasized by the statement that, while Texas will need 50,000 new graduate nurses this year, only 25,000 will be available.

Ed S. Stewart of Abilene, Texas MOD chairman, said this week that the hopes to reach the state's \$2,500,000 MOD goal depends on the closing campaign, results and on the alertness of Texans to send in their dimes, and dollars even after the March of Dimes ends.

About seventy people attended the square dance at the Maurer Machinery building Saturday night. Guests were present from Bovina, Farwell, Clovis, Dumas, and Amarillo.

CAN FRIONA SUPPORT A PUBLIC LIBRARY?

Editorial Comment

"Anything that is worth doing at all is worth doing well"—old proverb.

If this very practical theory is worthy of practice, then the Public Library in Friona should either be modernized and supported, or it should be closed. Certainly the present pretense of a library is hardly a service to the community.

Only occasionally does anyone visit the library, and then usually in summertime. Elda Hart, custodian, reports. No charge is made for any of the literature, the browsing reader usually returns the book by slipping it under the door.

Personally, we consider a public library one of the more valuable assets of any community. Books, magazines, and newspapers still are the basic mediums of knowledge and entertainment.

An up-to-date library would cause no one undue work or effort. Aren't there many of us who would be glad to donate newer books, magazines, and regular newspaper service to a public library? And are there not many of us who would like this very evening to select some good reading to take home, spending a pleasant winter evening reading alone or to the family in front of the cozy fire?

Let this newspaper have your desires on the library. Is it, in your opinion, worthy of care and contributions? Or would you rather forget about the whole thing? Please, please send us some letters, come by the office, or phone 3172 and let's find out the desires of the public.

Valuable office space is being used by this somewhat inactive library. We suggest, without apologies, that either a full-scale re-activation program be initiated by possibly some club or sponsoring organization, or that the books, now laying inactive on the shelf, be stored.

Editorial

"A Newspaper May be Forgiven for Lack of Wisdom; But Never for Lack of Courage" Is Envia- ble Inscription Greeting Every Visitor to the Amarillo News - Globe

The Amarillo News-Globe, a justly powerful influence in the progress of the panhandle, held formal opening in its modern new quarters early this week.

We are quite sure that Gene Howe was one of the happiest men in the state as he stood beside his desk in that new building Sunday, welcoming all comers with a warm handshake, accepting the commendations of his innumerable friends. What an enviable experience!

Everywhere there were remarks of the fine architecture, the efficient new Scott presses, the well-arranged offices, the quality of the finished product—the paper itself.

But to this editor, the most impressive of all the visible attributes was the inscription high above the entrance door, "A Newspaper May Be Forgiven for Lack of Wisdom, but Never for Lack of Courage." We believe this "so human" motto has been religiously adhered to by the founders of that paper and by the younger men who have taken their positions at its helm.

But we cannot help but be a bit envious of that motto. We wish we could print it in the Star as our own guiding phrase, for we weekly

publish this paper with that principle in mind.

Such a practice is not always popular. Our very best friends are often miffed by its execution. It respects no person—only principles. We practiced that way of newspapering before coming to Friona, and temporary criticism was the rule, but never have we seen a worthy end that did not justify the courage.

This newspaper is dedicated to furthering of principles conducive to community welfare and progress. Using the best judgment within our capabilities, we publish every editorial and every news comment on that basis. Our own actions and the other man's actions are belittled as this task is executed. Community betterment is not a matter of any single campaign, any single mistake, any one profound pronouncement, but rather it is the end for which every community must continually work, with every means, if it survives as a fit dwelling place for you and your neighbor.

We shall mention no more this motto of our neighboring paper, but we do pledge to carry out its deeper meaning in every issue.

A Friend Has Been Rewarded

Last rites have been held for Homer Fox.

Old timers of this area all knew Homer; Many of the younger ones know of him or have read from his prolific hand.

During the last few months, Homer Fox contributed regularly to the Star, writing a series of tales of earlier Friona days. He wrote because he enjoyed it. He liked to tell others of those other days; he liked to remember them himself.

This writer has set and talked with Homer by the hour; it will always be amazing to our mind how this good friend could recite from history's pages without aid of notes or calendar. We dare say that he used no notes or diary when writing for the Star on the events of 1913. On November 2nd, one of Mr. Fox's most interesting chronicles was published in our paper. He told of early remembrances involving Friona residents: F. W. Reeve, the Trieders, Kaisers Reeds, Singletons, Seamands, and others. He told graphically of

early community meetings and services in the Congregational Church here. We quote here, in Homer's own words:

"Well I remember the first Sunday I attended the little Congregational Church in Friona. I was like most of the kids brought up in those days, and maybe they are still that way. I was, and am a Democrat 'cause Dad was; I was and am a Presbyterian because by mother was. I had never heard of the Congregational denomination, so the thing that eked into my dull head and left the print here for good was "Congregational" church; sure that means everybody's church, one church, one community; it sounded pretty good to me. On this first attendance, Rev. Hulbert, the minister, welcomed me at the door and said "Come in son, you are welcome to God's Church and God's House."

And last Saturday, in Hereford, the call was again sounded for this good man, "Come in son, you are welcome to God's house—on high."

A good habit to cultivate now is to like the things you get, if you can't get the things you like.

What others think about you will not cause you a moment's concern if what you think about yourself doesn't worry you.

You know, when you see an old lock, that no matter how highly polished it may be on the outside, the chances are its mechanism is rusted through and that one hammer blow will break it open

That's why you don't put old locks on new doors. That's why, too, you adopt a NEW financial security program to safeguard NEW conditions of living, and have it checked at frequent intervals.

The Law & You

By Robt. (Bob) Kirk

Do You Know that if you loan a man your car to go a short distance for a few minutes, and instead he goes to California, or some other long distance, that he may be guilty of theft.

Theft is the unlawful taking of the property of another, and asserting ownership over it. If you allow a man to use your car, he has not taken it unlawfully. He may have violated your confidence in him by exceeding the limits of the authority you gave him, but his taking was not thus unlawful. Then, if the person who borrowed your car, always declared the same to be a borrowed car, and he in no way asserted a claim to the car, he would not be guilty of theft. Of course if the car was taken without your knowledge or consent, another situation entirely exists, or if the person exceeding the authority given him, asserts that he is the owner of the car, or attempts to sell the car or mortgage, or exercises other acts of alleged ownership over the car, then he may be punished for theft.

For further information on this subject, see your attorney.

Mr. and Mrs. J. B. Kemp and sons of Amarillo visited Mrs. Kemp's Parents, Mr. and Mrs. C. L. Bracken, over the week-end.

Mr. and Mrs. R. R. Brannon and family of Big Lake, Texas, visited his parents, Mr. and Mrs. E. B. Brannon, last week.

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way

Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B₁, B₂, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at night. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at night. Thanks to HADACOL, I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

Weekly Book Review

By Corinne Jennings

"Lin Yutang on the Wisdom of America" Is Chinese Comment on American Ways

John Day Pub. \$5.00

According to Lin Yutang, Chinese philosopher, Americans would be justified in ancestor worship if they cared to practice it. He bases his reasoning on his findings of ten years living and studying in this country. In his new book, "Lin Yutang on the Wisdom of America" he sums up his reactions of the time spent here and what learned.

He uses examples of American writing under various readings to bring out the wisdom of the American way of thinking and writing. Lin Yutang seems to prefer the earlier literary men of our country to show the points which he wishes to make.

Divisions cover a wide range. The one on love is particularly or excerpts from many well known authors as Edgar Allan Poe, Abigail Adams, John Adams, Hawthorne, Giovanni, Benjamin Franklin, Thomas Jefferson, and Lincoln. The last named contributions were made by Lincoln's close friend.

These individuals differed in many ways in their thinking and the way they felt on the from the married angle. Lin Yutang does not care for Walt Whitman's writings and goes in to the mat length to tell why he believes Whitman's attitude toward love influenced his writings so that they will never be popular nor come up to the heights to which he aspired.

Under "Laughter," he has chosen representative writings from Will Rogers, Clarence Day, Mark Twain, Franklin, James Russell Lowell and three short essays by James Thurber.

Other grouping includes, Wisdom for Living, Counsel for Living, Our Animal Heritage, The Rhythm of Life, Man of Sentiment, Liberty, Life, Pursuit of Happiness, Arts of Living, Nature, God, War and Peace, and the final, Summing Up.

In closing he leaves each to his own philosophy of life. A man must decide on this and then live by it he says. For some fine examples or models he gives "Justice Holmes' Credo" as well as "Einstein's Inti-

mate Credo and last he gives the "Toast to Moderation."

The Chinese values are very different to ours and this is especially true of our way of living, to what is good, and true, and beautiful. So the author will not always agree with what we consider best, but in comparison we may find many things that we or our critics have missed. And it is nice to find he does pick some of our favorites.

Half of the writings found in this volume are the authors comment while the other half is made up of our writers' works; thus we have the Chinese commentary and the American content in one book.

Personals

Mr. and Mrs. G. H. Blewett, Mr. and Mrs. Virgil Widmier, Mrs. Ima Blewett and Wallace Rogers were business visitors in Texline over the week-end.

Mr. and Mrs. Ray Wilson, Mr. and Mrs. Leonard Haws, Mrs. Esther Haws, Mrs. Ella McDaniel and sons and Mr. and Mrs. Alford Haws and son had elk dinner Sunday with Mr. and Mrs. C. E. Houston in Clovis.

Mr. and Mrs. Bert Neeley attended the formal opening of the Amarillo News-Globe in their new building Sunday.

Mr. and Mrs. J. W. Baxter visited their grandson and family, Mr. and Mrs. Billy Dean Baxter, on Sunday. Mr. and Mrs. Charlie Baxter of Clovis were also there.

Mr. and Mrs. O. J. Beene and Mr. and Mrs. S. T. Thornton attended the Golden Gloves tournament in Amarillo Wednesday the 24th.

Shirley Maurer, who is teaching at Sunray, visited here over the week-end.

Mr. and Mrs. John H. Burrow went to Aspermont over the week-end to bring their daughter, Lavoyce, home. She had been visiting her grandparents, Mr. and Mrs. R. O. Gibson.

Mrs. Wesley Foster
Attended Advance
Fashion Market

Mrs. W. A. Foster from Friona previewed the latest 1951 spring and summer fashions last week in Dallas.

The representative of Foster's Dry Goods and some 5,000 other fashion merchants packed all Dallas hotels to capacity for the American Fashion Association's advance market.

Dealers came from 17 states and two foreign countries to see 1951 new clothing lines, accord-ing to Henry W. Stanley, man-ager of the association.

Mr. and Mrs. J. D. MacMillan of Farwell visited their daugh-ters, Mrs. Gilbert Boatman and Mrs. Ralph Roden, Friday.

Mr. and Mrs. C. L. Bracken and son visited C. W. Bracken and family of Lamar, Colorado, last week.

the Railroads **RESPECT...**

What is the **TRUTH?**

the Labor Unions **REPUDIATE** this agreement!

At various states in the present dispute with the brotherhoods of railroad operating employees ... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recom-mendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect im-mediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with in-crease of 23 cents effective October 1, 1950, and addi-tional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yard-men required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules: Initial Terminal Delay (Conductors and Train-men) Interdivisional Runs Pooling Caboose (Conductors and Trainmen) Reporting for Duty More than One Class of Service Switching Limits Air Hose (Conductors and Trainmen) Western Differential and Double Header and Ton-nage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabili-zation authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent infor-mation, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote. **

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitraries, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

Friona Public Schools
OFFICIAL PUBLICATION

the ARROW

PUBLISHED WEEKLY

STAFF
 Editor: Vera Ann Jones Sports Editor: Keith Brock Music Editor: Mary Lou Miller
 Business Manager: Helen Nita Carr Feature Editor: Joyce Miller Grade School Editor: Rose Williams
 Reporters: Ruby Shaffer, Jean Knight, Wanda Beatty Gaylord Maurer

F. H. S.

The March of Dimes campaign was officially opened for the Friona Public Schools last Monday. Here's hoping we at least reach last year's goal of \$1,000. How about it, gang? All the way!

Aubry Tucker, band master of the Bovina schools, was guest conductor and clinician at the night rehearsal of our Senior Band, last Friday. Much benefit is gained by these special band rehearsals, and it is especially nice to have visiting band conductors. We are glad to see such good will among neighboring schools.

One of our teachers was informed by her small daughter that "beautiful women smoke cigarettes." Wonder if that is the beauty secret so many of our girls have missed out on? Said teacher gave the impression that she was too far advanced to change her way of living.

WATCH FOR THE SENIOR PLAY "SUNRISE BY REQUEST" - COMING SOON!

ARROW we stated that Frank Reed was the "Most likely to remain a bachelor." Frank has protested. We apologize.

Whoops! We didn't realize that Ground Hog Day is here. What if it is only February 2nd? We are ready for some nice, warm, "typical Panhandle weather". Please, Mr. Ground Hog, don't look too hard for your shadow.

BIRTHDAY GREETINGS TO: John Fred White, February 6. Dudley Banium, February 4.

Grade School News

FIRST GRADE

There are four new cases of mumps in Mrs. Bengert's first grade. They are Tommy Sanders, Dianne Camp, Jimmy Braxton, and J. R. Norris. Tommy Sheek has re-entered the first grade here after being in Colorado three or four months.

SECOND GRADE

The second grade pupils have subscribed to a weekly newspaper "My Weekly Reader." In it there are three interesting stories and a letter from a little boy named Donny. In the comic strip we read about Peanut, the elephant, and Jacko, the monkey. We like to have a newspaper and be able to read it. Jimmy Sheek has re-entered the second grade.

FOURTH GRADE

The fourth grade elected new club officers at a recent meeting. They are: President, Gendel Jones; Secretary, Jo Ann Mayfield; Reporter, Jo Ann Beatty.

Several pupils of the fourth grade sent questions in to the Globe-News Quizdown program which is heard over KGNC, Amarillo, each Saturday afternoon.

The fourth grade pupils are going to make individual mail boxes for Valentines.

SIXTH GRADE

A new technique is being used on noisy sixth graders. The teachers make them write, "I was a bad boy", or "I was a bad girl in class" five hundred times. The results are really quite amazing.

SEVENTH GRADE

A party was scheduled for the seventh grade last Friday night, but due to the cold, it was called off. However, they did go to the show, and Nancy Crow and Freddie Chism seemed to have an awful lot of fun.

Rural Transportation System of Friona Schools Is Major Item of Operation

By Rose Williams

The Friona Schools have nine buses which run a regular route every school day. Operation for one year costs \$13,000, and a single month operation costs \$1,444. This includes insurance, fuel and oil, repairs, mechanical work, drivers' salaries, tires, and miscellaneous items.

All bus drivers are licensed and are under bond. All mechanical work, and upholstering is done by a mechanic hired full time for the job.

The buses travel 700 miles a day and transport 270 children to and from school. These nine buses cover an area of 316 square miles.

It costs the schools about \$74.00 to run these buses one day. It costs about 36c per day for each student.

Friona and the surrounding community should be well pleased with the dependable service and economic status of our transportation system.

Pow-Wow Patter Box

Couples seen in Clovis Saturday night:

1. Ralph Reed - Laura Nell
2. Jack R. - Sue Jones
3. Frank R. - Peggy C.
4. Lavon - Ruby
5. Marvin - Dorothy
6. Gaylord - Nancy
7. Lee - Gay Ann
8. Eugene - Patsy
10. Joe - Joyce
11. Bob - Jean
12. Rex - Onedia

Keith was seen in Canyon running around with some W.T. girls.

D. O. and Bobbie R. were spotted Sat. night.

What were Martha Ann and Mary Lou cooking up Saturday night???

Sue, how did Jack get the mumps????

Doyce and Mary Joyce were different Sat. Night, so they went to Hereford.

All the boys were lined up in a row Sunday. What were they up to?

Joyce, just who was that boy from Muleshoe Thursday night?

What's this about Ruby and Gaylord going to practice a love scene after school???

Dub has been seen with Gay Ann and Margie this week. Some heartbreaker, eh?

We were sorry to learn about Bettie D. being sick. Tough luck, Jimmy.

Junior is now known as the "Thing".

TOTEM POLL

Do you think thy should enforce the law that a boy can't get married until twenty-one and a girl until eighteen years of age?

Rose Williams: "No, it will just make more people lie about their age."

Ruby Shaffer: "Yes, there's enough to worry about at that age without being married."

Betty Jean Hadley: "I think the girl should be eighteen, but I don't think the boy should be 21."

Betty Ann Stevick: "Well, if it would reduce the divorce rate, it would be a good thing."

Mary Lou Miller: "I think they should because people almost have to be that age before they can decide."

Martha Blankship: "Yes, because they are older then and know what they are doing."

Dale Houlette: "No, if they are gonna get married, they're gonna get married."

Walter Haws: "No."

Rhea News

By Lucille Hoffman

A Stanley party was held Monday afternoon in the home of Mrs. Gilbert Schueler. Enjoying the afternoon were: Mrs. Charles Schlenker, Mrs. C. V. Potts and children, Mrs. Herman Schueler, Mrs. F. T. Schlenker, Mrs. Elmo Dean, Lucille Hoffman and Mrs. Albert Drager. The demonstrator was Mrs. Betty Jackson of Muleshoe.

Mr. and Mrs. F. T. Schlenker went to Roswell a week ago Monday to pick up a heater which they had purchased the week before at te Hereford sale at Brownwood.

Mr. and Mrs. E. Parsons and Bonnie Flay left early Saturday morning for Brownwood to visit with relatives and friends there. They plan to return around the first of February.

Visiting with the Herman Schuelers over the week-end was Lillian Schuler, their daughter, of Amarillo. Visiting them Sunday was Martha Woolver of Clovis, Walter Schueler's fiancee. Sunday evening visitors in celebration of Mr. Schuler's birthday were Mr. and Mrs. Gilbert Schueler, Lucille Hoffman, and Floyd Schuler.

Taking an unexpected vacation from school this week are Irene and Edmund Drager, children of Mr. and Mrs. Albert Drager. They are ill with the mumps.

Mr. and Mrs. Billy Eberling of Amarillo were week-end visitors in the Robert Leach Jr. home.

The Lutheran Walthers League met last Tuesday evening of recreation. Cake and coffee were enjoyed at the climax of the evening in celebration of Herbert Schueler's birthday.

Mrs. J. D. Stephens mother, Mrs. Purcell of Clovis visited with the Stevens several days last week.

The people of the Rhea Community gathered at the Lutheran parish hall Friday night for a March of Dimes social. A talk on polio was given by Loyd Brewer of Farwell and the movie "In Daily Battle" was shown. One hundred fifty dollars and thirty-two cents (\$150.32) was collected for the March of Dimes by voting for the loveliest lady and the homeliest man, at a penny a vote. Mrs. F. T. Schlenker received a prize for the loveliest lady and Melvin Sachs for homeliest man. Mr. Alan Romich

THE HUNTRESS

By Princess Laugh-in-the-Face

Oh, I am a huntress bold and gay,
 Eagerly now I watch my prey.
 Silently then, I slither by—
 I think that I have caught his eye.
 Casually I stop beneath a tall old tree:
 Why, the poor little dear is following me.
 As soon as I catch him I'll go show my find.
 Kill him? Oh no, he's the two-legged kind.
 — FHS —

Meet The Seniors

Our Senior of the week, Betty Ann Stevick, is a sweet and cute young lady with personality plus. She was born in Friona, April 13, 1933, and has gone to school here all her life. Betty Ann's favorite food is fried chicken, her favorite song is "Always, her favorite sport is basketball, and her favorite subject is English. She is an active member of Pep Squad, chorus, F.H.A., and the First Baptist Church.

Betty Ann doesn't know just what she'll do when she completes high school, but if she decides to attend college, her selection will be Texas Tech at Lubbock.

USE THE CLASSIFIEDS

Typewriters

We have secured two used standard typewriters, both exceptionally good machines. At the low price we are offering them, they will not remain in stock long. If you are in need of one for home, office or that student son or daughter, come and see these machines now.

Friona Star

Locals

Tia Rue Day, who is attending nursing school at Northwest Texas Hospital, is visiting her parents, Mr. and Mrs. E. R. Day, over the week-end.

Dr. and Mrs. J. W. Hendrickson and daughter and Ernest Medkiff of Hereford visited in the Herman Neff home Sunday.

Mr. and Mrs. D. E. Habbinga and Mr. and Mrs. Henry Habbinga of Lubbock visited in Dallas over the week-end. They were celebrating Mrs. Kate Habbinga's birthday.

Employees of the Parmer County Implement Company went to Clovis last Friday evening, eating at El Monterey. Attending were: Mr. and Mrs. Bud Crump, Mr. and Mrs. H. W. Jobe, Mr. and Mrs. Earl Black, Mr. and Mrs. Wright Williams, Mr. and Mrs. Edward Hall, and Mr. and Mrs. J. G. McFarland.

College students at home in Friona over the week-end for the between-semester holiday included Joe Osborn, Charles Osborn, Ray Nell Foster, Lee Cranfill, Harold Joe Wells, Mariede London, Lilah and Wanda Robison, Murra Welch, Tim Magness, Dorothy Nell Guinn and Wayne Bainum.

Mr. and Mrs. Dale Pratt and children of Fort Supply, Oklahoma, were visiting in the home of Mr. and Mrs. Cuy Latta over the week-end. They brought Mr. Latta's mother, Mrs. Bertie Latta, to spend a while with the Guy Latta's.

Of Friona assisted with the entertainment. Pie and Cake were enjoyed by the group at the climax of the evening.

Also to raise funds for the March of Dimes campaign, Mr. Robers Leach Sr. gave a dance at his home Saturday night. A total of \$87.05 has received, having collected \$66.30 through free will offerings and \$20.75 through waltz and jitterbug contests Elden Venable of Bovina won the jitterbug contest and Mr. and Mrs. McCuan of Friona were the winners of the waltz contest. A very large crowd attended and enjoyed the evening.

With several other contributions received, the grand total collected in the Rhea Community, amounted to two hundred forty-two dollars and thirty-seven cents (\$242.37).

KITCHEN MEMO

WHAT woman hasn't sighed "Food is so expensive and yet I've got to serve something hearty!" Here's your answer. A fancy name for a very inexpensive dish—Beef Stroganoff cooked on the top burner. Cut 1 1/2 lbs. boneless beef (chuck, bottom round, neck) in 1/2" cubes. Brown meat and 1 cup sliced onion in 1 tbs. lard. Add 1 silver paprika, 1 tbs. Worcestershire sauce, dash Tabasco sauce, 1 1/2 tps. salt, 1/4 tsp. pepper, 1 can mushrooms, 1 cup buttermilk, 1 can condensed tomato soup. Simmer for one hour over low flame. Before serving, thicken with 1 tbs. cornstarch mixed with 3 tbs. cold water. Serve in ring spaghetti. Yield: 6 servings.

Gas heating units are getting smaller and smaller. A 2' x 3 1/4' gas furnace adequately heats a 3-bed-room average size home.

Quick trick for sharpening saws: Cut through sandpaper a few times.

If down or feather pillows aren't dirty but need freshening up, toss them into your automatic gas dryer, set at "Low," leave for 10 minutes and they'll turn out plump and sweet-smelling.

All jams and jellies should be stored in your gas refrigerator after the containers are opened to keep them cold and firm and to prevent spoilage.

The new gas incinerators are completely automatic. A dial control can be set for garbage to burn up to two hours, then the gas automatically turns off when the trash is burned.

BUY ANGUS CATTLE

Mr. and Mrs. W. L. Thompson of Friona recently purchased twelve purebred Aberdeen-Angus cows from Mr. and Mrs. Murray Moore of Branson, Colorado.

CARD OF THANKS

We wish to thank all our friends who remembered our little girl, Cordelia Parr, while she was in the hospital in Dallas. The letters and cards helped her pass some weary hours away. Our sincere appreciation goes to each of you.

BOVINA

Murlene Crook was honored with a party for her 12th birthday on Wednesday, January 24. Refreshments of punch and cake were served to: Donnie Spring, Denny Ware, Sonnie Brito, Neil Smith, Mary and Katrina Lovelady, Jamie Wasson, Roberta Edwards, Wilma Dee Pounds, Mary Sue Moody, Betty Venable, Mrs. Howard Crook, Eurith Marie Cook, Francis Threidkel and the honoree.

Mrs. Frank Webb suffered a broken leg when the tractor which she was driving swerved and hit a tree.

Mrs. D. E. Lee spent several days in Lubbock where she was going through the clinic there. Mr. and Mrs. Buck Ellison and Janean and Mrs. Maude Rury left Thursday for Oklahoma City. Mrs. Ellison and Janean will spend a few weeks with Mrs. Howard Ellison while Howard comes home for a while. Mrs. Rury will spend awhile with her daughter, Mrs. Claude Brown of that city.

Mrs. Randolph Jester returned home the last of the week from Oklahoma City where she has spent the last few weeks with her daughter, June Ellison. Dinner guests in the home of Mrs. Frank Hastings in Monday were Mrs. Millie White and Mrs. J. G. Charles.

Mr. and Mrs. Roy Hawkins have been in various parts of Texas and Oklahoma.

Blake Hefley, Marion Carson, Don Roundtree, A. L. Reznik, A. V. Warren, Guy Delashaw, Kenneth Johnson attended the fat stock show in Fort Worth over the week-end.

Some of the college students home for the mid-term holiday are: Ella Bradshaw, Nancy Williams, Ronlyene Hawkins, and Elizabeth Bergren.

Mr. and Mrs. Gene Hawkins and daughter visited here over the week-end from Plainview. Mr. and Mrs. Charles Hawkins and daughter visited Mr. and Mrs. J. T. Swin at Roaring Springs over the week-end.

Mrs. O. L. Hamy visited in the home of Mr. and Mrs. Henry Minter.

Mrs. Don Roundtree and daughter spent the week-end visiting friends and relatives in Littlefield.

Mr. and Mrs. Edsel Paden spent Saturday night in the home of her parents, Mr. and Mrs. Lee Thompson. Then on Sunday the Thompsons and the Paden's visited Mr. and Mrs. Thurman Chandler and family of Bellview, New Mexico.

Mrs. Lloyd Battey was surprised with a birthday party Saturday night. Refreshments of home-made candy, cake and coffee were served to Mr. and Mrs. Sam Sides, Mr. and Mrs. Walter Verner, Mr. and Mrs. Arnold Hromas and family, Mr. Lloyd Battey and Keith and the honoree.

Mr. and Mrs. Dave Wines had as guest in their home the past week, Mr. and Mrs. John Wines and Sue from Borger.

Mr. and Mrs. H. Blalock are visiting relatives in Dumas this week.

Mr. and Mrs. Lewis Pesch had as Sunday dinner guests, Mr. and Mrs. Jake Clifton of Morse, Texas, Mr. and Mrs. Russell Rucker and daughter of Olton, Texas, Mr. and Mrs. Paul Wright and family of Portales, New Mexico, Mr. and Mrs. James Aaron and son of Lovington, New Mexico.

Mr. and Mrs. Frank P. Wilson have as their guests this week their mothers, Mrs. Edgar Wilson and Mrs. Kirk. They are both from Amarillo.

Visitors in the Charley Ross home this week were, Mr. and Mrs. Buck Slaughter of Shamrock, Mrs. Douglas and Mrs. Malone of Muleshoe, Mrs. W. A. Brasher and Mrs. R. H. Brasher of Levelland.

Mr. and Mrs. Tom Caldwell and Mr. and Mrs. J. R. Caldwell have returned from a trip to Houston and New Orleans.

Word has been received by the Lee H. Sudderth, that Opl Lee, H. Sudderth Jr. will be home soon for a twenty-one day leave from Brooks Hospital in San Antonio.

Mr. and Mrs. Arnold Hromas and family and Mr. and Mrs. Sam Sides visited Rev. and Mrs. Jess Terry and family in Grady on Sunday.

Mr. and Mrs. Steve Calhoun have returned from a visit in East Texas.

Mrs. Alma Vessey and Mrs. Horace Moody went to Plainview Friday to visit Mr. and Mrs. Gene Hawkins and daughter.

Mrs. Wade received medical treatment at the hospital in Friona, Friday.

Mr. and Mrs. Montgomery are spending the week in Floydade. Mr. Montgomery's mother passed away in a Plainview hospital.

Bob Williford came home the hospital this week and at the present is some better.

Examinations Announced For Positions With State Health Program

Open competitive examinations for professional and sub-professional positions with the Texas State Department of Health are being announced this week by Mr. Russell E. Shrader, Supervisor of the Merit System Council.

Applications and information are available on request from Merit System Council, 105 Littlefield building, Austin, Texas. Closing date for receiving applications is February 17, 1951.

Examinations will consist of an evaluation of education and experience and an oral examination. Examinations are open for the following positions: Pediatric Consultant, Veterinarian, Consultant Psychiatrist, Social Worker I, Junior Psychiatric Social Worker, Psychological Examiner, Administrative Assistant, and Sanitation Consultant.

Fire caused damage of only 1-100th of one percent to the Navy's \$15 billion shore properties during fiscal year 1950—a 10-year low figure.

Mr. and Mrs. Joe Hromas have had as their guest Mrs. Hromas's mother.

Mr. and Mrs. Hershall Lowe from Crosbyton spent the weekend in his home of Mr. and Mrs. C. R. Elliott.

Mr. and Mrs. Buck Ellison and Janean returned from a trip to California on Tuesday. They say that they got to see some of the Bovina boys who have recently left for service, Wesley Ayres, Fred Hoffer and Don Tabor and they also visited Mr. and Mrs. Otis Murphy and family of Pomona, California, formerly of Bovina.

Mr. and Mrs. Charley Ayres and Mr. and Mrs. Frank Ayres left Thursday morning for Fredrick, Oklahoma, where they will visit their brother and wife Mr. and Mrs. Edd Ayres. They will also go to the Possum Kingdom Lake and fish a few days.

Lessons Learned from Korean Conflict Of Far Greater Scope than Korea Itself

From the Wellington Leader

Reverses in Korea have been a bitter pill for the Americans to swallow, and weaknesses in the administration at home have made the dose doubly bitter for many.

In view of this, it may be a good time to stop and look at some of the lessons that have come out of the Korean war. In brief summary, they might be these:

1. Whatever the military outcome of the Korean war may be, the safety and security from creeping aggression by Soviet communism on the part of freedom-loving nations of the western world is regarded by many observers as better off, for the fact of their having united.

Some of these nations would want to have acted differently.

2. These same nations, described as "the heart of collective security," have demonstrated to communism that the fruits of aggressions cannot be had for nothing. Neither can they be had cheaply. It is apparent, both by word and deed, that the free world is standing together, more than it ever has.

3. Many observers feel there is grave doubt that the democracies would have roused themselves adequately to the danger of the Korean invasion had not occurred. Later may have been too late.

Responsible military leadership most frequently gives the following causes for setback of the United Nations troops in Korea:

Inadequate and inefficient military intelligence.

Insufficient training for the troops—a condition which tends to prevail in most democracies short of war.

The wrong kind of equipment, with emphasis so much on heavy equipment that the UN forces lacked mobility. This, said in other words, was what Wellington was told at the Chambers of Commerce banquet, and it is what we have read. The forces in Korea were simply prisoners of their own by an enemy that moved and fought by night, using human and pack animals, that primitive though they may be, largely escape the monopoly the UN has on air superiority.

An enemy used to the difficult conditions to the terrain and climate and able to live off the country.

A local population providing cover for the enemy, sometimes by consent, sometimes by compulsion.

The western world, both United States and European, is pondering earnestly the lessons of Korea, and they will use them it is hoped, as a guide to what needs to be learned.

The prevailing view at present is that Korea from a military standpoint, should be taken in the perspective of the struggle ahead, that it is not the Korean war, but the battle of Korea, one part of a longer, harder struggle.

Texas Venture

In Education • 1876-1951

Our first state college—Texas A. and M. is now in its seventy-fifth year

The Texas cattle industry was in dire distress around the turn of the century as the result of splenic or tick fever, commonly known as Texas fever. Carried by ticks, it killed few native cattle in Texas, but when transplanted to Northern states was deadly. Texas cattle were quarantined, and could find no outlet on the northern markets. Dr. Mark Francis, a young veterinarian from Ohio State University, came to the A. and M. College of Texas and started the search for a means of combating the scourge. He developed the technique of dipping to free the cattle of ticks, which in time led to lifting of the quarantine. A major problem still remained; purebred cattle could not be brought into Texas to improve our herds, because they lacked the immunity of Texas cattle and immediately fell victims to the fever. Dr. Francis developed the means of immunizing these cattle by inoculation and made possible the development of the modern Texas cattle industry, with its fine cattle in beef and dairy strains. Dr. Francis served as chief of veterinary research and Dean of Veterinary Medicine at the A. and M. College of Texas until his death in 1936.

Caution Is Imperative When Speaking For a Group, Perryton Publisher Says

Use of the name of a large professional, religious or fraternal group in letters and telegrams to national leaders often carry the misleading inference that the opinion expressed is supported by all members of that group.

There is seldom if ever such accord throughout such a large group.

A recent example of this is a letter to Amarillo, advocating withdrawal from Europe and Asia and defending our own hemisphere against communism.

A letter to General Eisenhower from another "cowboy" group in Memphis takes the opposite view. It expresses confidence in the Atlantic Pact Military program, confidence in General Eisenhower to carry it out, and

above all, a willingness to HELP it succeed.

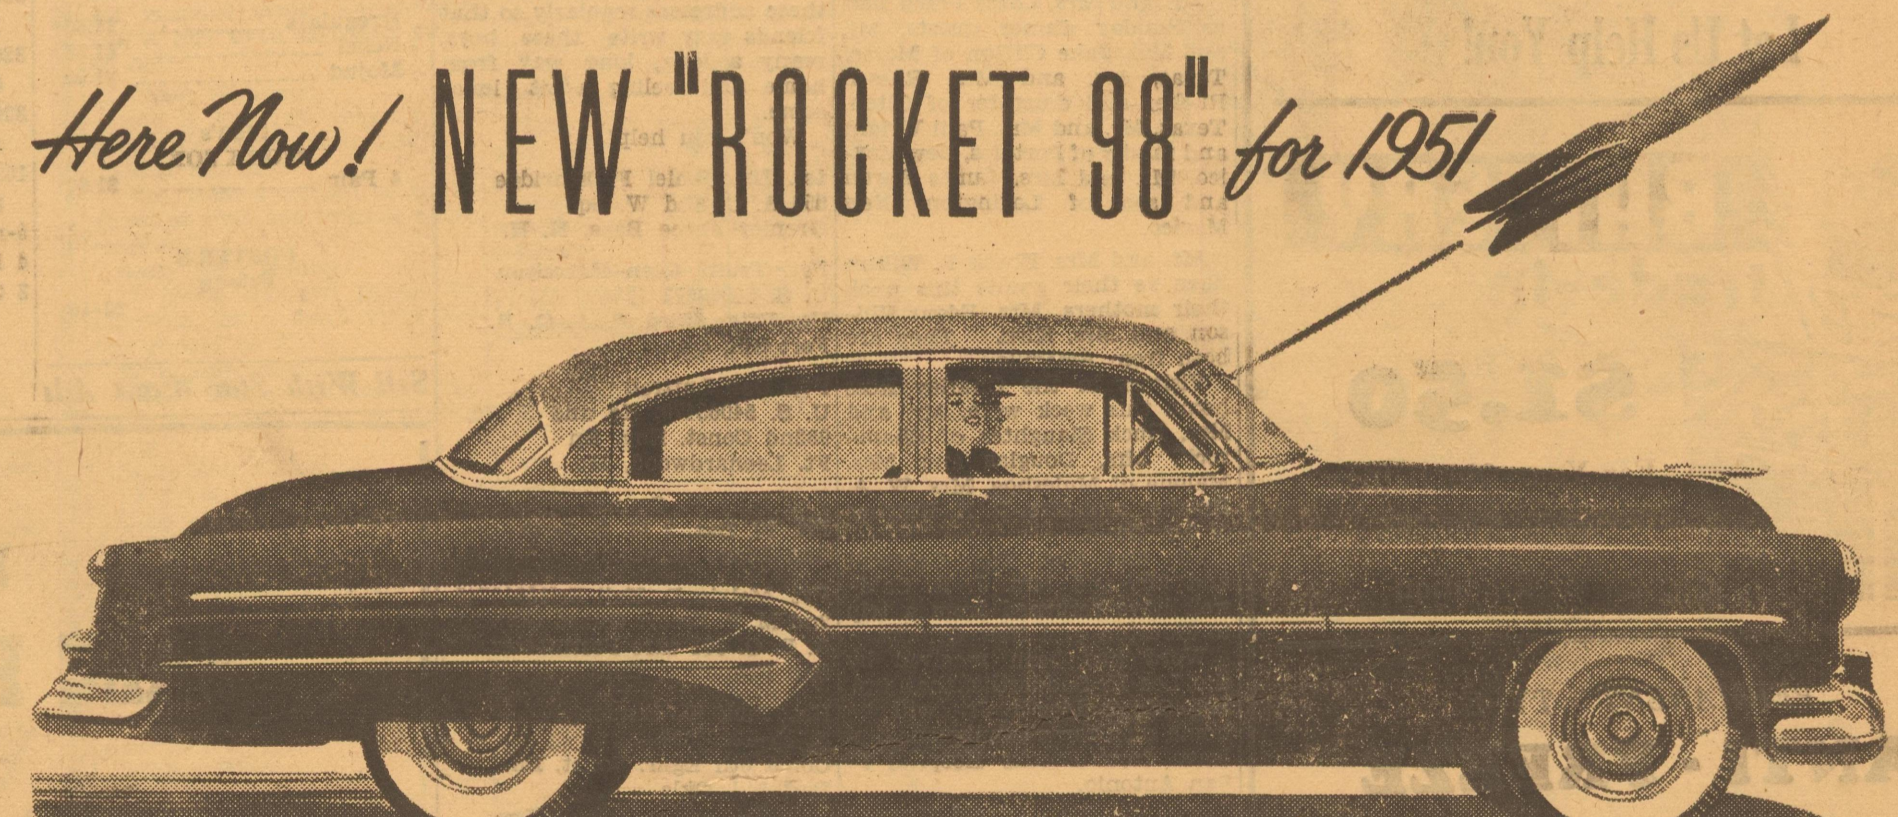

These two communiques from the Panhandle show clearly that there are at least two "cowboy" views on current national problems.

Of the two opinions expressed, we feel that the letter from the group in Memphis should carry the greatest weight in Washington. All members of the Memphis group are veterans as well as cowboys, and many of them are in a position to know from personal observation the terrible disadvantages of fighting a war on the home soil.

They saw the destruction of the German industrial establishment gradually weaken the effectiveness of the Army in the field. Having seen the demolished German cities, they realize that similar destruction of only two or three American cities would cost more in dollars than all we have spent in Europe or anticipat spending. More important, they saw starved orphans and old people who were obliged to fight World War II on their own soil and therefore understand that all the disadvantages of fighting at home cannot be measured in dollars.

Further, they express confidence and belief in a program and a leader, and above all, a willingness to HELP! The Am-

Congressman Walter Rogers Sends News Letter Reporting on Activities of The 82nd Congress; Promises Weekly Report

By Walter Rogers

Speaker Rayburn echoed the serious tone of the 82nd Congress as he called on all members to "do the things that make the international desperadoes and despots fear to get in our path." This session is deep in debate about taxes, finances and other urgent policies. But above all, it is concerned about arms for the United States and aid to the free non-communist world. These are some of the searching problems confronting this section as it bends its energies to building up the nation's defensive and protective strength for survival while this country stands in the gravest perils of its history.

Congressman Rogers says quite a few business men, both big and little, have expressed opinions to him about a Federal General Sales Tax. Many are in favor of it. He would like for folks in the district to write him their ideas about it. He feels that this is a matter of vital interest to all tax payers and that they should not hesitate to express their views to their representatives and senators without delay.

The price-wage freeze is coming sooner than anticipated. Charles E. Wilson, as Director of Defense Mobilization, is in charge of the entire home-front defense program, and he is satisfied that piecemeal controls will not work.

Congressmen have been bombarded with anxious inquiries and protests against drafting eighteen year-olds. Their mail reflects the serious thoughts of the people on this issue. Defense Secretary Marshall has presented an eighteen year-old draft bill to Congress with the promise that none of the youths would be sent to the combat areas before they are nineteen "except in dire emergency." The bill also disclosed for the first time that seventeen year-old registration is planned. As things look at present Marshall assured no sending of eighteen year-olds to combat areas, but opposed writing any flat prohibition of this as proposed by Chairman Lyndon Johnson, as it would

cripple the services in meeting a sudden ruthless and violent attack by any possible enemy. Mr. Rogers said he doubted the authority of Congress to limit services for eighteen year-olds once they are drafted. He feels that draftees, once under the jurisdiction of the military, could be ordered any place the military wanted. Even if an eighteen year-old draft bill should include a prohibition against active service, it is the opinion of Mr. Rogers that it will be only a short time before the military will be asking Congress to release that limitation in that eighteen year-olds had been placed in units with older men and that to limit their service would cause a disruption of the units.

G I Insurance

The Committee on Veterans Affairs, on which Congressman Rogers serves, unanimously reported favorably to the House the bill which provides \$10,000 free indemnity for those serving in the Armed Forces. The bill is retroactive to June 27, 1950. It provides insurance, without cost, in the amount of \$10,000.00 for each person in the Armed Services. It is in effect from the time of induction into active service until ninety days after leaving service. If a person is injured while in the service so that he becomes uninsurable at normal rates, he may obtain a policy under the National Service Life Insurance act. Indemnity is paid monthly installments of \$92.00 over a ten-year period. Creditors can not attach it, and it is exempt from taxation. The Comptroller General stated that had this program been effect during the period 1940-1949, the cost to the Government would have been \$587,000,000 less. Congressman Rogers, on a recent Mutual Newsreel Broadcast said, "This legislation is a major step toward the needed economy in administrative costs, and the curtailing of bureaucracy."

Panhandle Defense Program

There is much interest in the Panhandle as to how the district can help in the defense program. Mr. Rogers has been receiving many letters, telegrams and telephone calls from builders, jobbers and manufacturers in the district who are ready to participate in the construction of Amarillo air base and other proposed installations in the Panhandle. One of his first moves was to register a demand with the Army Corps of Engineers that contracts be let direct to builders on the ground, in all cases where possible, and that builders on the ground be given first opportunity to qualify for the major construction projects. In the meantime, those persons seeking construction contracts should contact the office of the Army Corps of Engineers, at 2600 Memorial Drive, Tulsa, Okla., until otherwise advised.

Since funds have been appropriated for the Amarillo field, other cities in the district are busy getting former training fields re-activated. Congressman Rogers has been submitting briefs on behalf of these cities to authorities in Washington. He is expecting a visit from a Pampa delegation on behalf of the Pampafield. He has received excellent commitments of the good citizens of Childress offering their facilities and offering to cooperate fully with all Government activities in re-activating the Childress field. Many of the other counties in the district have conveyed their expressed wishes to be of whatever service they can in the mobilization program. One of the former training sites, Dalhart, has already sent a committee to Washington in behalf of the re-opening of its air base. Mayor Schuhart, Floyd Richards and S. E. Brown, of Dalhart, were recent visitors here. They were given the assistance of Mr. Rogers' office and that of Senator Lyndon Johnson in making appointments with Air Force officials.

Mr. Rogers at long last found a house in this over-crowded city. Mrs. Rogers is at present in Pampa attending to unfinished

business there before returning to Washington. They were the recipients of several nice courtesies during the opening week of this 2nd session. The office is now in full swing and the employees are working overtime to keep all matters current.

The Atomic Energy Commission has been very cooperative in trying to work out a program for the Panhandle of Texas.

The sentiment of the House of Representatives was expressed with the passage of a resolution calling for Red China to be branded an aggressor. This resolution was spear-headed by democratic majority leader John McCormack and he was joined by Republican Leader Joe Martin. One republican congressman sought to have the resolution re-committed for further study, but this motion failed. This is only a fore-runner to the activity that will be seen in the present congress to solve the international problems that now confront our country. The people are entitled to and can look for action on the congressional front.

Friona Girl Admitted To Scottish Rite Hospital

Cordelia Parr, five year old daughter of Mr. and Mrs. Roscoe W. Parr of Friona, was admitted to the Scottish Rite Hospital for Crippled Children in Dallas on January 18.

In its 26 years of operation the Scottish Rite hospital has treated over 16,000 children in the wards and 68,000 clinic patients through the contributions and gifts of the general public.

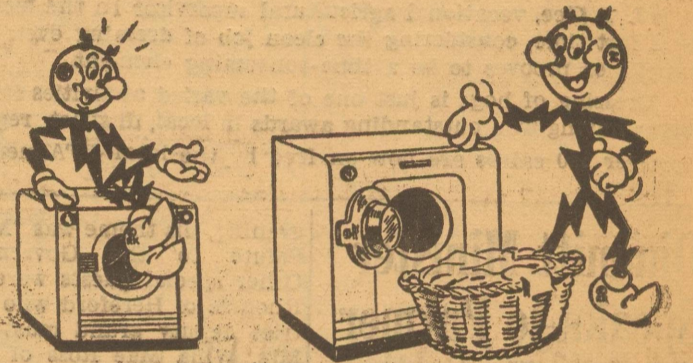

Cordelia joins children from all over the state of Texas of all faiths and colors who come hopefully to the hospital where a staff of doctors, nurses, and technicians offer the best possible medical treatment at no cost to the patient.

The first American newspaper, Public Occurrences, was started with the intent of "curbing or at least charming, of that spirit of lying which prevails..." in Massachusetts colony. It was suppressed after the first issue.

HAS THE Electric HOME LAUNDRY

The glamour girl, of course. All she does is put the clothes in her automatic washer, set the dials, and leave the rest to Reddy. Then, when they're washed sparkling clean, into the dryer they go and once more, Reddy takes over the hard work. Reddy keeps the water hot, too, with an automatic electric water heater, that's as clean and dazzling as an electric light bulb. Ironing is easier, too, when it's done on a modern, electric ironer. Don't get worn out by back-breaking wash days. Be drudgery-free, be happy, let low cost electric service do the hard work.

You Might Take a Few Lessons From the F. F. A. Boys!

Wayne Houlette, right, and Virgil Phipps, left, are shown here after dressing a hog in local F.F.A. competition in the near-record time of 3 minutes and 10 seconds!

Teams competing in the contest were Claude Hayes and W. A. Tinney, Glenn Reeve and Jim Dickson, Kenneth McLellan and Gary Crow, Jackie Rule and Eddie Wilkins, and the winning team, Reeve and Dickson dressed their hog in only 3 minutes, 45 seconds to place a close second.

J. T. Gee, vocational agricultural supervisor in the local schools, pointed out that this was indeed fast time, considering the clean job of dressing even including taking the tongue out, which sometimes proves to be a time-consuming element.

Dressing of hogs is just one of the varied activities for which the local group is noted, various teams having won outstanding awards in local, district, regional, and statewide competition.

Over 150 calves are now on feed by the local FFA members.

Magician Slated At Lazbuddie Meet

Farm Bureau Official Will Give Address

An evening of fun and education for both children and grown-ups is scheduled at the Lazbuddie School House, Tuesday evening, Feb. 6, at 7:15 o'clock. Tom Tillson, accomplished magician and entertainer will open his bag of slight of hand tricks and illusions in professional defense of the adage, "The Hand is Quicker than the Eye."

Bill Tillson, District Director for Texas Farm Bureau, will talk to farmers about the things farmers have accomplished through organization, and point out subjects of importance for the future of agricultural and ranching people.

A large attendance is expected and everyone is invited to meet with Lazbuddie folks for this evening of enjoyment. Is't all free.

Parmer Boys Exhibit At Fort Worth Show

Parmer County entries being shown at the Fort Worth Fat Stock Show January 26 through February 4 include a steer in the boys' livestock division being shown by Wayne Clark of Friona. From Bovina, Kenneth Joe Lowrie is exhibiting three pigs, and Huey Lowrie is entering two pigs.

A record-breaking number of livestock from 30 states, Canada, and Cuba is being displayed this year. Premiums for the exposition total \$146,000.

Girl Scout News

TROOP II

Ten scouts and leaders were present at the Troop II meeting Monday night at the Methodist Church. Carolyn Stowers served, and the group completed the pottery in which they had been working. A get-well card was sent Mrs. O'Brien, scout leader who was ill.

The group is talking of fixing jewel boxes at the next meeting.

Dimmitt Minister Speaks to Parmer County Shriners

Members of the Parmer County Shriners club entertained ladies with a fish fry in the Masonic building in Bovina Monday night. About 80 members and their guests were present.

Rev. Bresherea of Dimmitt was principal speaker of the

evening, his theme was "Masonic Salute to the Government." Other special guests were W. C. Rhomas of Hereford who is district deputy grand master, and Mrs. Willa Mae Ross of Bovina who is district deputy grand matron of the O.E.S.

The Shriners meet every 5th Monday night.

Lee Cranfill, who is attending the University of Texas, was to return to Austin this morning after visiting his parents, Mr. and Mrs. G. Cranfill, for the past few days.

Officers Nominated At Bovina Moman's Club

The Bovina Women's Study club met last Thursday in the home of Mrs. Loyde Batty, with Mrs. I. W. Quickel as co-hostess. The club observed Roosevelt's birthday. Mrs. Lonnie McFarland talked on "Outstanding Personalities of other Races."

The club contributed to the March of Dimes and also sent a box of Christmas cards to the Cerebral Palsy association.

The nominating committee submitted nomination for officers for the new year. They were: President, Mrs. Frank Truitt; Vice-President, Mrs. Robert E. Wilson; Secretary, Mrs. Lonnie McFarland; Treasurer, Mrs. W. H. Willoughby; Parliamentarian, Mrs. Arland Hartzog; and Reporter, Mrs. A. G. White.
