Have a letter from a group of school teachers, including several of her own, seen in Galena, proclaiming their friendship, and their appreciation of the work done by the teachers association and their support of their activities. The group was in town last week, and the teachers association was pleased to have the opportunity to express their appreciation for the work they are doing. The teachers association is one of the most important organizations in the world, and it is wonderful to see the appreciation they receive for the work they do.

Texas Farmers-Ranchers
WARNED OF CIO LABOR PLANS

AUSTIN, Tex. Farmers and ranchers of Texas were warned this week that the
CIO plans to organize the farm workers
of Texas if its candidate wins the Gov-
ernor's seat.

The warning came from Governor Al-
lan Shivers who charged that the backers
of his opponents want to turn the west
and central part of the state over to
them without a fight.

"The head of this organization, Port
Arthur, is not an impartial labor
commissioner. It is a Southern
organization, and the time has come when
we can no longer stand the
exploitation of labor in this state.

"We are going to stand for
Free Texas. I appeal to
people of all political
affiliations to stand for
the welfare of our state.
