Ladybugs Imported To Combat Greenbugs

Modern farming methods in Parmer County, with the self-guiding tractor, scientific fertilization of the soil, crop dusting via conventional plane and helicopter, etc.—were joined this week by another modern practice—the extensive use of ladybugs in dealing with the greenbug problem on young wheat.

G. H. Whittaker, Woodrow Whittaker and Frank Zinzer distributed twenty-one gallons of ladybugs in the cool mornings early this week. Largest user of the bugs, G. H. Whittaker, "spread" ten gallons over nearly 260 acres; he and helpers walking the rows, throwing the ladybugs out by hand.

Immensity of the operation can be gauged by the fact that each gallon contains some 140,000 ladybugs, totaling almost 3 million ladybugs turned loose here. Each of the bugs lays from 10 to 80 eggs, the reproduction process beginning within 10 days after loosing of the bright colored little insects in the fields.

Cost of the bugs for Whittaker was \$12 per gallon, delivered at Plainview, from the W. M. Draper ladybug farms at Oroville, California.

G. H. Whittaker, Woodrow Whittaker and helper are shown here in process of distributing gallons of lady bugs in fight against green bug infestation of wheat

Emergency Unit In Heroic Role

About mid-morning last Thursday, Fire Chief Charlie Bainum answered an emergency call to the local hospital when the power went off over town due to the high winds.

Dr. Tom Smith and Dr. Lee Spring were performing surgery at the time and required immediate restoration of the electricity.

Bainum had the emergency power unit hooked onto the hospital unit in about five minutes after receiving the call, and the operation was resumed.

This is the third time within the past two years that the emergency unit has been used at the hospital, said Bainum.

Mr. E. O. Moyer will celebrate his 92nd birthday Tuesday, April 12. He is living with his son and family, Mr. and Mrs. Joe Moyer.

Zoning Panel Submits Plan; Few Revisions

Minor adjustments were made in the proposed zoning map of Friona by the Zoning Committee at the Tuesday night meeting of that group.

The proposal now goes to the city commission for another hearing and then final action by that council.

Changes set forth by the zoning group included the switch from "C" to "E" classification of west half of Block 75 from 5th to 6th streets, enabling the Massey Bros. property to be included in the business rather than residential zones.

Also frontage setbacks in the A districts were recommended for

change from 30 feet to 25 feet; and in the B and C zones from 25 feet to 20 feet.

Applications Considered

Building applications were approved for J. G. Baker, G. W. Jones, G. Cranfill and the General Telephone Company.

Denied were permits requested by Cecil Porter for an addition to the Friona Oliver, and a second request by Gib Boatman for remodeling of his cleaning plant here.

In turning down these applications, the board through its chairman, Glenn Reeve, pointed out that although the fire ordinances at present were rescinded, Friona still operates under a building code which must be met. (Reeve referred to Ordinance No. 59, passed by the commission in March of 1951.)

The much-discussed Application No. 120 (Boatman's) was brought to the floor via statements of Boatman, who was present, followed by motion by Forrest Osborn that the permit be granted. The motion died for want of a second. Forrest Osborn, throughout the meeting, called for simplified regulations with leniency in granting of permits. Other board members pointed out in various statements that the board did not wish to hamper repairs, but did feel that regulations were necessary with all applications judged against a definite standard and treated alike, when re-modeling or new building was at stake. Majority board opinion in the Application 120 case and the Porter application was that standards of the building code were not being met.

The zoning board will meet weekly, with the group expected next week to commence preparation of a new building code, with building requirements governed by the use of the structure and the zone in which it is to be located.

"Highway" Postal Service Commences on April 24th

Friona will be one of the scheduled stops for the first Highway Post Office for the Texas-Panhandle and New Mexico area, which will go into operation officially between Amarillo and Roswell, N. M., on April 24.

Cecil Hodges of Fort Worth, assistant general superintendent of the Postal Transportation Service

of the Post Office Department, was in Friona, Wednesday afternoon in connection with arrangements for the new mobile post office which will be operated on the highway between Amarillo and Roswell with two schedules daily. Hodges stated that the mobile unit would arrive in Friona, Saturday, April 23, at 11:00 a. m., and would be open for inspection to anyone interested, for

at least twenty minutes. This will be a run strictly for publicity and carrying only souvenir mail.

The mail bus will leave Amarillo at 10:30 p. m. and arrive in Roswell at 4:55 a. m. From Roswell the departure will be at 8:50 p. m., arriving in Amarillo at 6:15 a. m. The service on the Amarillo-Roswell route will be performed by Postal Transportation Clerks now living in Amarillo, Hodges said, and will be equipped in the same manner as a railway mail car.

The mail buses will run from the Amarillo post office, make stops at the Santa Fe and Ft. Worth & Denver depots, then will continue to Canyon, Hereford, Friona, and on to Roswell making stops at most of the towns between Amarillo and Roswell.

Two Incumbents Replaced on Board; Drake, H. Reeve and Potts Win

Two new members were placed on the Friona School District board this week, resulting from election Saturday wherein seven names were on a ballot for three to be selected.

Incumbent Cordie Potts was returned by the heaviest ballot cast 122 votes. Arthur Drake and Had-

ley Reeve followed with 77 and 76 votes, nosing out incumbents Roy Clements and George Jones who polled 61 and 58 votes respectively. Candidates Eugene Boggess and Russell O'Brien trailed with 39 and 45 votes.

Jim Shaffer, incumbent county school trustee, held that post with a 89-72 vote over Nelson Welch.

Only 162 votes were cast in the school election, less than the total votes in recent city bond election. All in all, the election was very quiet with no outstanding issues publicized.

Holdover members are D. C. Her-ring, Clyde Hays and Hoyt Smith.

Only Portion Of Bonds Being Sold

In keeping with their pledge of selling the recently-voted municipal bonds only as needed was thought present, Friona city commissioners Monday night announced initial plans for the bond issue.

Believed necessary was selling at an early date of all sewer bonds, \$35,000 worth, as preliminary sewer work would be advantageous before laying of any paving.

Though water bonds in amount of \$70,000 were voted, only \$50,000 of these were believed necessary for immediate sale.

Sale of \$30,000 of paving bonds was deemed advisable, from a total authorization of \$45,000 here.

The question of city hall bonds was tabled, with no immediate sale of these to be attempted, Mayor Allen said.

Engineer "Red" Smith met with the commission in the Monday night session. Contract was signed with his firm of Parkhill, Smith and Cooper for engineering services during the length of these projects.

Two petitions for additional street lighting were passed on by the commission, lights from 8th to 11th on Prospect, and one at 7th and Columbia near the fair barns.

Also a paving petition was accepted, filed by Keith Blackburn, Santa Fe Elevator and Magnolia Petroleum, asking for paving on the block adjoining their property on 5th street, from Main one block east.

Funeral Today For Mrs. Rule

Funeral services for Mrs. Myrtle Bell Rule, 68, are being held today at the United Pentecostal Church in Friona.

Mrs. Rule died Wednesday night at the Parmer County Community Hospital.

Surviving are seven sons and three daughters, Sons are S. D. of Bovina, Ben Forrest of Hereford, Dale Boyd of Raymondville, and Robert, Buford, Riley Ray and Donald R. of Friona; daughters Zaydee Blackmore and Myrtle Deaton of Friona, and Avis Wilkerson of Oklahoma City.

Two children, three grandchildren and her husband preceded her in death.

Also surviving are two sisters, Goldie Free and Mrs. Alice Dunagan of Kingfisher, Oklahoma.

Mrs. Rule was born August 23, 1886 in Peola, Kansas. The family came to Friona in 1928 from Cheyenne, Oklahoma.

She was a member of Pentecostal Church.

Funeral services are being held at 2:30 o'clock today in the Pentecostal Church, with Rev. E. E. Houlette and Bro. Sam Stowers officiating.

Pall bearers are David Moseley, Joe Johnson, Frank Griffith, Kenneth Houlette, P. W. Hughes and W. C. Wilkerson.

Burial will be in the Friona Cemetery under direction of Marcum-Claborn Funeral Home.

Show Coming

The Friona Lions Club is sponsoring a show at the school auditorium Tuesday, April 12, at 8:00 p. m.

Featured on the program will be the Nat Fleming Show, a group of radio and TV entertainers from Wichita Falls. There will be new songs, old songs, comedy, harmony and novelty acts.

Admission prices will be 60 cents for adults and 30 cents for all children under 12 years of age.

Edelmon Named Head County Farmers Union

W. L. Edelmon Friday night was elected president of the newly-organized Farmers Union in Parmer County.

In a meeting attended by more

than 50 members of the organization, John W. Renner was named vice-president, and Bill Woodley was elected secretary and treasurer.

Seven new members were added at the meeting, bringing total membership to 115.

Doyle Cummings talked to the group on the "growing of Sesame in Parmer County". Jay Boston and Edelmon reported on the recent Washington trip made with the Texas delegation of Farmers Union members. E. E. Jacobs, assistant to the national president of Farmers Union, and organizational director for Texas, urged that "farmers decide what they want and to join forces with those who are working for the same things."

State Farmers Union President Alex Dickie presented the main address at the Friona meeting. "We must know what we want, be informed as to what is being done, know who is working in our interest, and join with them if we are to regain what has been lost be the flexible price support program of the present Department of Agriculture", he said in pointing out the testimony before the House Agriculture Committee in the present session of Congress.

In pointing to the decline in farm income as recently reported by the Agriculture Department, he said, "It is the women on the farms that should be concerned, for it is them who will be hurt most. The essentials, gas, oils, repairs, seed, fertilizers, etc., will have to come first, but profits from which she gets the things she wants will be lost by declining prices."

EDITOR'S NOTE: Mr. Edelmon submitted a column for print this week, beginning of a regular feature in the Star. Because of late receipt of the column this week, it will be printed next week instead, with others following from week to week. We regret inability to commence with this issue.

MONDAY MORNING MUSINGS

A Solemn Old Judge says marriage may be made in heaven, but man is responsible for the maintenance work.

Lost and Found: A rhinestone necklace found on Thursday night at the Style Show. Contact Mrs. Mack Bainum.

We have been asked on several occasions why we bothered to print any report or comment on the weather, inasmuch as folks already were aware of the climatic status quo.

Explanation: We have had not one, but several, requests from out-of-state readers, local property owners who live elsewhere, soldiers in the services, young folks who have married and moved away, wanting to know how deep the water was running in furrows here, or how bad it was blowing over in New Mexico!

Hence the feature, "The Weatherman Says."

Weddings in the news recalls to mind the old story of the bride of a few days who had noticed that hubby was looking down his nose. "Darling," she pleaded, "I know something is bothering you, and I want you to tell me what it is. After all, your worries are not just your worries anymore — they're OUR worries."

"Well," sighed the husband of a month, "we've just had a letter from a girl in Oklahoma—and she's suing us for breach of promise."

BIRTHDAYS OF THE WEEK:

- April 10: Gary Brown, Hadley Reeve, Mrs. Jack Knox
- April 11: Ranza Boggess, Jr., Guy Latta
- April 12: Jamie Lu Lillard
- April 13: Mary Gibson, Brenda Iris Collier
- April 14: M. B. Luttrell, Erma Moody
- April 15: M. C. Osborn, Barry Jay Potts, Mrs. Grace Hart

BUILDING PERMITS

Harry McCauley, residence, 1102 W. Fifth. Brick veneer, \$13,500.

A. W. Anthony, 510 W. Ninth, Haydite block fence.

Massey Bros., 520 Cleveland, 40 x 80 warehouse and machine shop, steel frame, corrugated construction.

G. W. Jones, move in house and add addition, lot 2, block 40, stucco residence.

General Telephone Company, 6 x 13 addition to present structure on block 49, lot 22. Brick veneer, \$985.

The Wag on the Next Block wants to know why they call them slacks when there's never any slack in them.

NEW RESIDENTS

Mr. and Mrs. Norman Turner moved into the B. E. Sanders apartment.

Mr. and Mrs. L. R. Pittman from Hereford, living in Mrs. Bartlett's house. He drives the Meade Bread truck.

Mr. and Mrs. W. B. Taylor from San Saba, moved into Mrs. Bartlett's house recently vacated by the James Colliers.

Mr. and Mrs. Tom L. Pruitt from Snyder, Okla., moved into the house recently vacated by the Ralph Sheltons.

Mr. and Mrs. Ernest Davis from San Saba, moved into Mrs. Bartlett's apartment.

Guess the TV repairmen have their problems, what with the urgency of Dragnet and Hopalong, etc. Hear of one, whom we won't name, that was trying to locate the trouble in a young friend's set. The 7-year-old had watched the entire repair operation and came up with the suggestion: "I'll bet if you clean out the dead cowboys from the bottom of the set it would work again!"

Error in baseball contributions (found in second section of this issue) listed Friona State Bank with \$100. It should have read \$100.00. Also Granville McFarland has contributed two poles at value of \$200.

HOW TO KEEP AMERICA GREAT—AN ADDRESS TO MY COUNTRY

By Gay Cass

Where there is no vision, the people perish. —Proverbs 29:18.

America, I see you today as the bright threshold of my future. The generations before me have kept you great, and now those generations, after years of patient toil, give you to me. How can I keep you great, America?

First, I must keep you great through love: love for my countrymen, love for the soil upon which I was born, and love for the freedom which you possess so abundantly. Greatness comes from preserving that freedom. To preserve it, I need only love it, for I can not destroy that which I love.

Patience is an essential factor in greatness. I know you are not perfect, America. In past history you have at times turned away from the world and adopted a policy of isolationism, but it is more characteristic of your personality not to withdraw, but to help. When a mistake is made, when a depression occurs, the clamant voices of Americans must not censure or play the critic, but instead show patience.

Through pride and patriotism I can preserve your greatness. The political machines that consist only of corruption, the river of Communism that flows unceasingly, wearing away the banks of resistance, internal strife and dissatisfaction are not of you, America. I am proud that you can push them away and because I am proud, I can assist you in your fight against these destroyers of a nation's pride.

Your eminence depends, in part, upon the quality and efficiency of your leaders. I believe strongly in your future, America, and I will help elect and support such leaders as I deem strong enough to shape that future adequately. New leaders will emerge from my generation. It is necessary that they show the qualities of leadership and the acceptance of responsibility that are foremost in molding the

life of a country.

You must give, America! Give of your happiness, your security, your pity. Remain a nation to be praised, and scorn the shame of the world's lost millions of confused, terrified people. These people turn to their way of life because it looks good on paper and become Communists because of the promise they believe to exist.

Through faith, I know that you will remain as you are today, as long as there are freedom-loving Americans and the desire for peace. The world is like a top and you, America, are the string that keeps it spinning.

Keep the little things that make you great, America! Keep the broad thoroughfares in your cities, the busy intersections of your highways, the rich land that supports the agricultural regions, the expressions that are all-American, the meaning of Thanksgiving and Christmas, the homes filled with love. These things are prevalent in the minds and hearts of your people.

You are united, America, and thereby unconquerable. All types of people compose this unity. Because of numerous nationalities and occupations of your population, you have been called the Melting Pot of the World. Perceive, America, that when anything is melted, the precious materials rise to the top, leaving the impurities. It is this topping of which you are composed, and in it is the essence of today's civilization.

You are a Christian nation, America, and I can preserve your magnanimity through my own personal faith in God. The things here spoken of are compulsory in the plan for preservation of your greatness: love, patience, pride, patriotism, support of capable leaders, charity, faith, small things, unity. But Christianity is the ever-present key. The prayers of the millions of United States citizens are identical in the desire to keep you as you are. My prayer for you, America, is offered this day for your tomorrows, offered for the days when I, too, shall bequeath you to a new generation: "Walk over my country, God. Keep it great!"

Point Won

At any rate, the Governor won his point on the bill regulating securities.

As the legislature headed for what looked like its worst jam in the final month of session, he made a firm request that the House adopt a Senate bill regulating securities, particularly bringing certain trust company stocks under state supervision.

"I hope the House will disregard frantic efforts of certain speculators, promoters and others . . . and vote final passage . . ." he said. It did.

Land Case

Bascom Giles' legal troubles mounted when a group of San Antonio GIs filed a civil recovery suit in 53rd District Court.

Asking \$33,000 judgment against Giles, the veterans charged that he made that much in "personal profit" out of a veterans land deal.

At the latest count, Giles faced two criminal indictments, charging conspiracy to commit theft of state funds and accepting a bribe; four felony theft charges, and four civil recovery suits.

Twice Giles has refused to testify in court about the veterans land scandals and charges against him.

'Open Door' Bills

Attorney General Sheppard has expressed "deep hope that action will be taken on the Open Door to Good Government bills during this session of the Legislature."

Most of the bills have been reported favorably by House committees, he pointed out, but some still are being held for further committee study.

"They are sound, logical proposals to aid better government in Texas, to give the people a bigger voice and to more quickly reveal official wrong-doing," he said. Sheppard referred to 13 bills dealing with full public disclosure of public records and funds. All are pending in the House of Representatives.

Most of the 13 bills have been introduced and are backed by the Texas Press Association and other groups interested in good government.

By VERN SANFORD
Texas Press Association

AUSTIN. — Two big proposals for the state's water conservation program won in the Senate.

One is Sen. Dorsey Hardeman's \$100 million state bond issue for aid to local projects. It calls for a constitutional amendment vote in September. The other is an enabling bill to start operations if and when the amendment is passed.

House sponsors on this, and on the Parish \$200 million bond bill to all local projects have delayed action for final action. They don't think they have enough votes.

Tax Blank

An openly hostile revenue and taxation committee shunted Rep. Jerry Sadler's \$160 million-a-year gas processing tax bill to sub-committee.

It would levy a 1-cent tax on all Texas gasoline and repeal the 4-cent gas sales tax. Opponents said it would bring a 19-cent cut in crude oil prices, costing Texas \$190 million a year.

The committee left buried the two bills embodying Gov. Shivers' original tax program. It declined a 2-cent hike in the 4-cent gas tax and a 1-cent boost in the 4-cent cigarette tax.

This confirmed last week's report that administration forces had abandoned the two single-shot revenue bills and pinned new hopes on Revenue Chairman Stone's omnibus bill. It would permit increases in any of the 100-odd present taxes. The billion and a half dollar House general appropriation bill (for two years) was passed by the Senate which substituted its own

version.

When the House refused to concur in Senate changes, the way was opened for a joint conference committee to resolve the differences. Lieutenant Governor Ramsey has named five Senators to the Committee and House Speaker Jim Lindsey five.

Delaying Action

Special session speculation again comes up.

Sen. Jimmy Phillips saw his filibuster record fall this week to Sen. Wayne Wagonseller. Like Phillips, however, Wagonseller lost his battle. As soon as he stopped talking the bus registration fee measure he was fighting.

When it was all over, weary Senators suddenly discovered the marathon talks had killed two full "House bill" periods in the Senate, with only one House bill passed in two weeks.

Observers saw that, with Shivers' entire program still hanging fire, and four more Wednesday filibusters in the Senate capable of killing all of it, a new switch in administration strategy might be possible.

Thought was that Governor Shivers might ask the Legislature to lay aside the tax bill and the appropriation whopper, and pass other legislation before theoretical adjournment May 11.

That would mean his calling a special session on taxes and the appropriation bill. Appropriations must be in effect September 1 to keep the wheels of government turning. He would have control in a special session, lacking now.

SMALL BUSINESS

By C. WILSON HARDER

Already Washington prepares for great debate late this summer when United Nations will be brought before Congress. Occasion will be appropriation request for U. S. share in maintaining U. N.

Senator William Knowland (R., Calif.) is expected to spearhead attack. It is not hard to imagine what "one worlders" and other global schemers will say about Sen. Knowland.

C. W. Harder

Yet fact remains despite American hopes, aspirations and good faith that attended birth of U. N. in San Francisco, organization has been a failure in solving world problems.

Sen. Knowland is already on record opposing continuation of forum in New York for Russians to blast U. S. at every occasion.

As evidenced by President's remarks on wartime meeting with Marshall Zhukov it appears obvious Russian mind is incapable of understanding any strong nation permitting such vehement attacks to be made on itself within its own boundaries.

In addition, many authorities maintain U. N. is downright dangerous to U. S. safety inasmuch as Congress has failed to pass Bricker amendment, or similar legislation to safeguard U. S. citizens from loss of their constitutional rights through UN actions which would supersede all U. S. federal and local laws.

During UN's ten years existence, American taxpayers have poured millions into organization, not counting billions of dollars.

lars and thousands of lives thrown into United Nations "police action" in Korea.

Many Washington observers feel concept of UN is inferior to that of old League of Nations. In League, weapon of economic sanctions to preserve peace was recognized even though not invoked due to timidity.

However, it is felt use of economic blockades today with Red China needing food, with Russians facing starvation, would do much to bring about honorable world peace. However, too many nations of free world whose industrial capacity was built up by U. S. foreign aid grants are too eager to trade with the communists to expect use of this bloodless weapon.

Thus ten years of UN have failed to make any great accomplishments, and cost to U. S. has been heavy.

Leaving aside wisdom of permitting persons from all the world to enter U. S. with special immunities as UN personnel, the great steel and glass birdcage on the East River has been hatching on U. S. soil many ideas foreign to American way of life.

It is significant that one of major accomplishments of UN has been setting up of a cooperative store for its employees. Thus socialistic methods of business have been created on free American soil under banner of UN.

Undoubtedly, as freely predicted in Washington, when Sen. Knowland launches his attack on the UN, some will try to make it appear he is also capable of assailing Mother's Day.

However, despite emotional appeal of world peace, it will be a time to analyze debate from viewpoint of cold business logic.

Five Girls Qualify for State FHA Degrees

GAY CASS

DEANN BUSKE

Five senior girls from the Friona FHA Chapter received word from the Area 1 Advisor, Miss Ester Sorenson, that they had passed the qualifications for the State Homemaker Degree. The awards will be presented to them at the State FHA Convention in Galveston, April 22.

The girls are Gay Cass, Deniese Magness, Carol Blackburn, Jane Phipps and Deann Buske.

The girls began work on these degrees in July of last year and completed their work on March 20 of this year. In order to obtain the State Homemaker Degree, the girls were required to submit a written record of the following: To have been a Chapter Homemaker at least since the close of the regular school years previous to the year that the State Degree is to be conferred; to have a 2-year record of active membership in a local FHA chapter; to have completed 2 years

of homemaking instruction beyond the eighth grade; to have thought through her personal goals in the light of her needs, interests, and abilities and is following a plan for the wise use of her resources to achieve her goals; to have held responsible positions in connection with school and FHA chapter and/or district, area, or state activities; to have participated effectively in community activities which contribute to better family life; to have participated in an outstanding way in activities provided for in the State FHA program of work; to have assumed responsibility for worthwhile homemaking activities for a period of time long enough to show definite improvement and to have helped others in the community to understand the goals of a broad homemaking education program.

Gay Ann McFarland received the first State Homemaker Degree from the Friona Chapter last year. Only 200 degrees were awarded at the State meeting in 1954.

A very small number of degrees are awarded each year in comparison to the number of FHA girls in Texas, totaling approximately 35,000. It is certainly an honor to receive such an award as the degrees are judged on a strict basis and very few girls are privileged to be selected as winners. Only through outstanding homemaking activities and ability in leadership is it possible for a girl to receive the State Degree.

The five girls, two chapter representatives, their sponsor, Miss Pat Rhymer, and three mothers will leave April 20 to attend the State Convention in Galveston.

Friona Concert membership drive will be April 12-16.

G. A. Carlton spent Saturday night and Sunday with the W. C. Williams, Jr., and Mr. and Mrs. J. D. Carpenter of Lazbuddie ate dinner with them on Sunday.

CAROL BLACKBURN

DENIESE MAGNESS

JANE PHIPPS

PERSONALS

Don McMann and Roy Young were the guests of Bill Dennis on Saturday and Sunday.

Mr. E. H. Ball of Gage, Oklahoma spent the week-end with Mr. and Mrs. Ashford Hill. Jack London was a Sunday dinner guest.

Mr. and Mrs. Zed Robinson of Enochs, Texas, spent Sunday in the W. S. Ingram home. Mr. and

Mrs. Kenneth Cass called in the afternoon.

Mr. and Mrs. Claude Heath went to House on Friday to spend the night with their daughter and family, Rev. and Mrs. Harvey Hudnough.

Mr. and Mrs. C. P. Harper visited Tuesday afternoon in the J. R. Southward home.

Mrs. D. H. Nelson of Memphis and Mr. and Mrs. J. R. Latham of Tulsa visited with W. E. Watson

and family over the week-end.

After the Jr. and Sr. Banquet on Friday night Nelda May had a slumber party for Eugenia Landrum, Phyllis Fairchild, and Marilyn Fairchild.

Mrs. T. J. Presley and Mrs. Woodrow Whitaker were in Hereford on Monday shopping.

Mr. and Mrs. Glen Harrelson had supper in the Pug Collier home on Thursday night. Mr. and Mrs. Preach Collier and Mrs. Joe Blythe

were Sunday visitors.

Mr. and Mrs. Newman Jarrell, have been called to Rush Springs, Okla., to the bedside of her brother, Asa Shoots, who is ill. Mr. and Mrs. H. L. May and Arlen left Wednesday to spend some time with him also.

Mr. and Mrs. K. J. Jones of Borger and Mr. and Mrs. L. J. Jones, Jr., of Hereford and W. S. Ingram were guests in the Kenyth Cass Monday night.

Modern Study Group Heard Talk, Spirituals

"This Is the Life" was the program theme at the meeting of the Modern Study Club, Tuesday night at the Clubhouse. There were 23 members present and three guests, Mrs. Katy Osborn, Mrs. Willis Wyckoff and Don Lewis.

Several arrangements of spring flowers were used to decorate the club room.

Melba Miller gave an interesting discussion on "God's Teachings," based on the 4th, 5th and 6th chapters of Matthew. Two Negro spirituals were sung by Don Lewis, accompanied at the piano by Mrs. Eva Miller.

During the short business session, Lucille Latta read the delegate's report which will be given at the Federated Clubs convention in Snyder later this month.

Hostesses for the evening were Marie Roden and Sarah Ann Miller. They served individual cakes decorated with miniature chickens, and coffee.

Senior Bridge Club Met in Maurer Home

Mrs. Carl Maurer was hostess to the Senior Bridge Club, Saturday afternoon at her home. High score prize was won by Mrs. Maurer.

Refreshments of cake and strawberries and coffee were served to Mesdames Roy Slagle, Bert Chitwood, Wayne Stark, Bert Shackelford, Pearl Bartlett, Pat Woodley, and H. K. Kendrick.

Rhea Home Demonstration Club

The Rhea Home Demonstration Club met Friday afternoon, April 1, in the home of Mrs. Malinda Schlenker.

Following the business session, Mrs. Velma Schlenker gave a demonstration on methods of sewing a zipper into a dress or skirt.

Refreshments of cake and ice cream were served by the hostess to Mesdames Dorothy Bauer, Emma Schueler, Mattie Lawrence, Irene Markham, Velma Schlenker, Paul Hall, Watson, Florence Siford, and two guests, Dixie Calaway and Tink Nixon.

Church Feted Juniors, Seniors

The Woman's Missionary Union of the First Baptist Church honored the students of the Junior and Senior classes with a banquet Friday night, April 1, in the Educational building of the church.

There were seventy-three present. Toastmaster for the evening was Clyde Hays. The invitation was given by Rev. C. M. Fields; the welcome by Betty Talley, and the response by John Thomas.

Musical numbers on the program included a solo, "Easter Parade" by June White, and "My Baby Don't Love Me," sung by Don Lewis and Deniese Magness. Evelyn Ray gave a reading, "Romantic Notes."

A skit entitled, "In the Spring a Young Man's Fancy," was presented by John Thomas, Deann Buske, Sally Osborn, Gerald Wright and Jerry Scarbrough.

Guest speaker was Rev. Bill King, pastor of the Central Baptist Church in Clovis. The benediction was given by Raymond Cook.

Easter Motif Featured Past - Matrons Session

The Kinsley Past Matrons Club met in the home of Mrs. Ed Bogness Friday, April 1. Mrs. Bert Chitwood read the lesson, and Mrs. Charles Russell read the scripture, John 12.

The Easter theme was used in the table decorations, and plate favors were minute egg timers.

Refreshments of sandwiches, salad, cookies and coffee were served to Mrs. Bert Chitwood, Mrs. Charles Russell, Mrs. Lem Miller, Mrs. Pearl Bartlett and the hostess.

Kendricks Entertain Town and Country Club

Mr. and Mrs. H. K. Kendrick were hosts to members of the Town and Country Bridge Club at their home Saturday night with a dinner and bridge party.

The serving tables were beautifully decorated with the Easter theme.

Attending were Mr. and Mrs. Bill Buchanan, Mr. and Mrs. Hollis Horton, Mr. and Mrs. Louis Welch, Mr. and Mrs. Newman Jarrell, Jr., and two guests, Mr. and Mrs. Roy Miller.

Easter Devotional Held By Homemakers Class

The Homemakers Sunday School Class of the First Baptist Church held a business meeting and social in the home of Mrs. Calvin Tally on Monday night.

After the business meeting a devotional on Easter was given. Refreshments of Easter baskets made out of sponge cake and filled with fruit salad with small eggs and coffee were served to Mrs. Luther Shelton, Mrs. Press Hill, Mrs. Noel Wood, Mrs. Ralph Smith, Mrs. W.S. Crow, Mrs. Tracy Smith and Mrs. Gordon Massey by the hostess, Mrs. Tally.

Concert Association to Launch Member Drive After Easter; Good Programs

The Friona Concert Association will launch its annual spring drive the first week after Easter, according to the drive chairman, Mrs. O. J. Beene.

All new residents within the community are urged to join the association. If a newcomer is interested, and is not contacted by a member selling tickets, they can be secured at The Friona Star, Bi-Wize Drug or City Drug Store.

Other programs receiving favorable comment from board members are: The Alard Quartet and Harrison Wood. Each member of the quartet is a gifted young artist in

Spring Fashions Modeled at Show

Despite the blowing sand and snow, Spring came to town briefly last Thursday night, complete with the latest spring and summer fashions—and a summer park filled with blooming flowers. The occasion was an Easter style show at the school auditorium, sponsored jointly by the three study clubs of Friona, the Modern Study Club, Friona Woman's Club and the Progressive Study Club.

Over one hundred and twenty models from age two and up, participated in the showing of the latest and most beautiful spring and summer clothes. The wearing apparel was furnished by Knox's, Foster's and LuNora's of Friona, Harmon's of Bovina and Little Fashion Shop and Vogue of Hereford. Mrs. Pat Hughes and Mrs. Hayden Cayson, of the Vogue Beauty Shop, designed new and different hair-dos for many of the models, even changing the hair color of some, to match the frock modeled.

"Sunday in the Park" was the theme used on the stage, which was beautifully decorated with potted plants, flowers that were actually blooming, shrubs, a large tree with red carnations tied to the branches, park benches, a large umbrella and a lemonade stand. Two clowns completed the setting—one serving lemonade to the models and the other displaying a handful of colorful balloons, which caught the eyes of the small children who were modeling their new Easter apparel.

The stage was decorated by Marcum Florist, who furnished the flowers, and Glenn Hughes, who furnished the shrubs and trees.

Narrator for the evening was Mrs. Deke Kendrick, member of the Modern Study Club.

The various garments modeled included formal attire, clothes for dress-up occasions, suits, all types of sport clothes, swim suits and Western togs. One of the women participating carried an over-size model's hat box, furnished by Allen's Jewelry.

One of the chairmen of the style show reported that the affair was such a success it would probably become an annual event. The three clubs made about \$300, which will go into the joint Clubhouse fund for repair of the grounds and building.

Teen-Twenty Dance Attended by Near 60

About fifty-five members of the Teen-Twenty Club attended the dance Saturday night at the Legion Hall.

Western music was provided by a string band, which will also play at the next scheduled dance on April 16.

Sponsors were Mr. and Mrs. Claude Miller, Mr. and Mrs. Joe Mann, and Mr. and Mrs. Dean Hall. The door prize was won by Kenneth McLellan.

Cokes, coffee and cookies were served the group by the sponsors.

his own right, yet in a short time they have blended their talents to the point where a remarkable unity has emerged. The members of this quartet hold teaching fellowships at the University of Texas, and are studying chamber music with Horace Britt.

Harrison Wood, noted correspondent and commentator, makes people think, and makes them laugh. The anecdotes of his visits with world leaders would fill an evening's program, and he uses them generously in all his lectures. A noted student of global demographic trends, Harrison Wood participated in the very first conferences leading up to the signing of the Charter of the United Nations. Walter Winchell is quoted as saying, "Harrison Wood adds the paprika touch to 'This Changing World'."

The board of directors of the Concert Association will meet the first of next week to make a tentative program for the next year. They will also make plans for the membership drive.

New officers and directors for the year are: President, H. K. Kendrick; vice-president, Mrs. O. J. Beene; second vice-president, Mrs. Newman Jarrell, Jr.; secretary, Mrs. Dan Elthridge; treasurer, Mrs. Zola Cranfill; press reporter, Bert Neelley. Directors are: F. W. Reeve, Mrs. J. T. Gee, Mrs. Frank Spring, Mrs. Sloan Osborn, Mrs. Nelson Welch, Mrs. Claude Osborn, Mrs. H. K. Kendrick, Mrs. Bert Neelley, Dalton Caffey, J. L. Marcum, Harry Hamilton, and Carl Maurer.

Ivys Surprised With Housewarming

A housewarming was given on Thursday afternoon from 2 to 4 o'clock for Mr. and Mrs. Roscoe Ivy in their new home. Hostesses were Mesdames R. E. Barnett, Fern Barnett, Odie Hinds and Ralph Price. Seventeen were present.

Mr. and Mrs. Ivy received many nice gifts which were items for their new home.

China Subject of WMU Mission Study

Fourteen members of the Baptist WMU met at the church Tuesday afternoon for their regular weekly meeting. Also present was one guest, Mrs. DeWayne Carter.

Following group singing, the program on Hong Kong was given as the mission study.

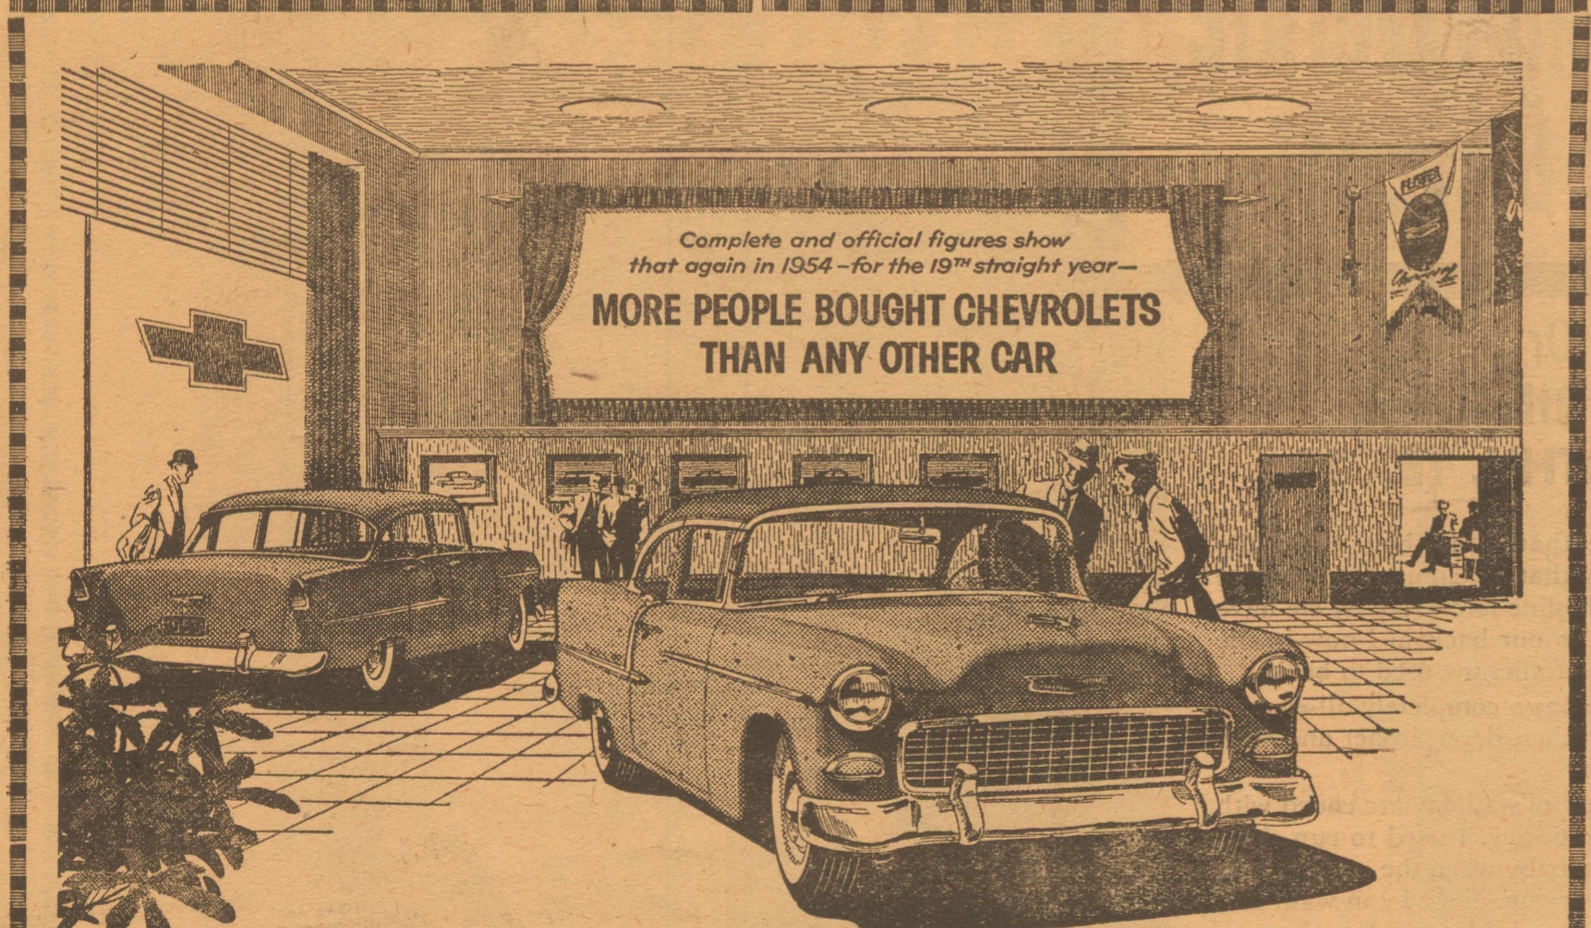

Attending were Mesdames C. W. Dixon, Elmer Euler, Roy Miller, Robert Widner, Johnny Mars, Spencer Hough, C. M. Fields, Red Crow, Florence Buske, Joe Talley, Clayton Taylor, N. E. Woods, J. N. Wise, Ralph Taylor and Mrs. Carter.

Jerry Coker Elected President of Sunbeams

The Golden Light Sunbeams met at the Baptist Church, Tuesday afternoon, with the leaders, Mrs. Jeanne Coker and Mrs. Ruth Williams.

A short business meeting was held for the election of president and vice-president. Jerry Coker was elected as president, and Karen Lynn Maynard as vice-president. Becky Turner will be the song leader for the month of April. Following group singing, Mrs. Coker explained the meaning of Easter to the group. For her work the children cut out white bunnies and pasted on cotton tails.

Almond Hershey bars were served to Joyce Williams, David Widner, Nicki Dudley, Philip Coker, Ronnie Williams, Becky Turner, Karen Maynard, Jerry Coker, Judy England and Linda Evans. Ronnie Williams and Nicki Dudley were added to the roll as new members.

No other low-priced car even comes close

to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motoramic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built-in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engines! That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving! There's silky, peppery Powerglide (even

better this year!), new Overdrive (both extra-cost options), and a new Synchron-Mesh transmission that's as smooth as they come.

All the power helpers you want! Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key! There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!

"I just don't know how I ever got along without my ELECTRIC CLOTHES DRYER!"

... says Mrs. Orval Wallace
1206 13th STREET ABERNATHY, TEXAS

"The feature that I like best about the clothes dryer is that it eliminates tiresome trips to the clothesline forever. Why we have a croquet court in our backyard now in the place where the clothesline used to be."

Mrs. Wallace has a completely all-electric laundry, with washer, dryer, ironer and electric water heater.

"The 'problems' of washday are ended with an all-electric laundry. I used to run short of diapers for the baby when the weather was too bad for line drying. Now, I can wash and dry clothes for the children in less than an hour. Also, many of the garments need little or no ironing when they come out of the dryer."

Make your washing, drying, ironing — water heating, too — modern, make them electric.

FARM, RANCH and HOME NEWS

U. S. FARM EXPORTS UP 15 PERCENT OVER YEAR AGO

COLLEGE STATION. — U. S. farm exports were 15 per cent higher for the period July to February compared with the same period 12 months earlier.

This country's farm shipments for the first eight months of the current fiscal year are estimated at about \$2.2 billion against \$1.9 billion for the July-February period of 1953-54, reports John G. McHanev, extension farm economist.

This is the second straight year that farm exports have exceeded the previous year. Grains and feeds were the only major commodity groups falling below the previous year's level. The other major groups—cotton, tobacco, vegetable fats and oils and livestock and livestock products were all ahead. Most impressive gains for individual commodities were made by cotton, cottonseed oil, flaxseed and lard.

Among the grains, larger shipments of wheat flour, barley and grain sorghums offset part of the losses in rice and corn exports, the economist says.

Mr. and Mrs. Jack Stanley and urday night with Mr. and Mrs. Rodger of Lubbock stayed Sat-Bill McGlothlin. Mrs. Stanley returned home with them to spend a few days.

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stabbing agony. Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex exclusively perfected to curb chronic, deep-seated pains. Why AR-PAN-EX Helps Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pains. Nothing Like AR-PAN-EX Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions. Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim is equal. If your druggist is out of it, he will be glad to order it for you.

Livestock Report

By TED GOULDY

CATTLE TRADE EASY ON MOST KINDS

FORT WORTH. — Cattle and calf prices were inclined to be on the low side of steady in most cases Monday at Fort Worth. Buyers points to a number of factors as influencing the trend, despite the fact that runs reported around the nation were somewhat below a week earlier.

Most important factor in the weakness of fat cattle and fat calves is the expected domination of the Easter dinner tables by ham and turkey. Nationwide promotion of Easter hams as handled by the National Livestock and Meat Board has all the purveyors of red meat certain that ham will dominate the holiday board.

The Texas Turkey Federation and the National Turkey Federation are also pushing turkey as an Easter dinner specialty and between this drive and the ham promotion the Easter lamb trade took a bad tumble last week.

Eastern seaboard wholesale meat dealers, the No. 1 handlers of lamb, openly expressed fears for the lamb market last week in the face of the all-out ham drive.

Another factor that weakens the immediate cattle trade is the continuation of sub-normal moisture in much of the Southwest and the accompanying blowing of the soil. Even the most optimistic cattle

buyers are wary of going into the Summer without a season in the ground, and much of the Southwest needs rain right now.

Fed steers and yearlings and cows opened steady to 50 cents lower. Stockers and feeders were mostly 50 cents lower. Fat calves and bulls sold about steady at Fort Worth, Monday. Top fat cattle were club steers sold at \$26.50, and some commercially fed cattle sold at \$23 to \$24. Fat cows drew \$12 to \$14.50, and canners and cutters sold from \$8 to \$12. Bulls \$10 to \$15. Fat calves \$21.50 down. Stocker calves and yearlings \$16 to \$22.

PACK MEETING POSTPONED

The monthly Cub Scout Pack meeting for March has been postponed until the last Friday night in April, according to the Scoutmaster, Fred Barker.

The Cubs have the theme "Circus in Town" for their den meetings in April, and this subject will also be used in the Pack meeting. They are also practicing on the contests which will be held during the Scout "Palava" in Amarillo on May 14, including baseball throwing, tug-of-war, hoop racing and sack racing.

Mr. and Mrs. Ernest Acton of Tayah, Texas, visited a day in the home of W. L. Hannold this past week.

Big news about

Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the good news.

And the second is just as wonderful—the dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in

its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

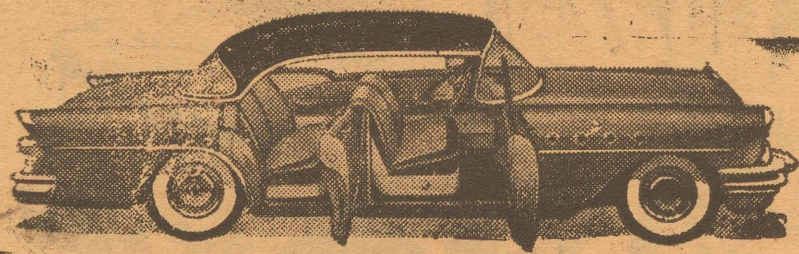

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift get-away and gas saving of Variable Pitch Dynaflo—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

PERSONALS

Mr. and Mrs. C. O. Houser drove to Hereford Sunday to spend the day with her sister and family, Mrs. F. G. Witherspoon.

Louis Jackson held a slumber party in her home on Thursday were Denise Bender, Barbara O'Brien, Billy Ray McKee, and Peggy Sue Taylor.

Mr. and Mrs. Saerling Holcomb of Radland, California, visited with F. W. Molcomb and family all day Thursday.

Mr. and Mrs. O. C. Jones and Tommy attended the Home Show in Amarillo on Friday evening. Mr. and Mrs. Boud Knox spent

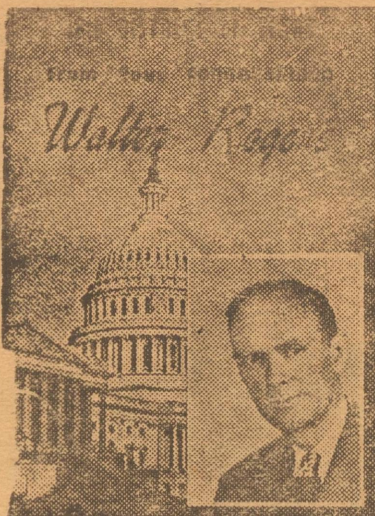

Saturday night and Sunday in Amarillo with her sister, Wilma Davis, and her father, J. T. Dennis.

Mrs. Joyce McEvoy and Randall Williams of Albuquerque, New Mexico, visited over the week-end with Mr. and Mrs. Walter Loveless.

Mr. and Mrs. Odie Hinds, Phyllis and Waylon visited Sunday night with Mr. and Mrs. C. W. Martin.

Mr. and Mrs. C. L. Dunn went to Muleshoe Sunday to visit with his brother, Mr. and Mrs. Glenn Dunn.

Washington Views -

WALTER ROGERS

The President's condemnation of those who engage in war talk met with general approval in Washington. Many had become alarmed at some of the statements that were being made about this country getting into war with Red China within a matter of days or weeks. In the first place, if there had been any intention of this country getting into war with Red China in the immediate future, the worst possible thing that could be done would be to advertise it to the enemy. In the second place, an immediate war between this country and Red China would be the most tasteful morsel that Russia could desire.

It seems that there are certain forces in this country who are bent on trying to force an international incident that could trigger the present cold war into a hot war in the Far East. Quemoy and Matsu could make perfect triggers for this purpose. It is very easy to scream in a loud voice about this country going to war if Red China attempts to take Quemoy and Matsu. Frankly, I detest this kind of talk because it is nothing but war talk. The truth is that Quemoy and Matsu are now in the hands of the Nationalist Chinese who allies of ours. If the Red Chinese attack these islands, certainly we have the right to defend them and stand up against aggression with all of the resources at our disposal. However, if the President chose not to expend any of our resources in the defense of these two islands, it would hardly behoove anyone to condemn and criticize him. There are many, many items to be carefully considered concerning the action of this country with regard to these two islands. I think that the loud-mouths should stop trying to put the President and Mr. Dulles on the spot concerning them. In my opinion, either or both of these islands could well prove to be a military liability. Certainly, either or both of them are not worth the blood of one American boy.

Regardless of the clamor of the war mongers, and the perennial critics of whoever might be in charge of our foreign affairs, I do not believe that this country is going to be drawn into any sizeable conflict over Quemoy or Matsu. If we ever go to war with Red China, and God forbid that circumstances ever require it, it will be for reasons of much greater weight than two islands off the Asiatic coast.

The Grain Sorghum Problem

Changing from the international to the domestic scene, Washington has been honored with the presence of some honest to goodness grassrooters from the Southwest. I speak of the delegation who came to Washington on behalf of the grain sorghum growers. We had a nice visit with Dr. Gabriel Hauge, economic advisor of the President. The problem was laid out to Dr. Hauge for conveyance to the President in the straightforward and easily understood language of our great section of the country. The following morning this group entertained about fifteen senators and congressmen at a breakfast in the Congressional Hotel. At this meeting the problem was again laid out in the plain, simple and understandable English to which

we are accustomed. There wasn't a man present who didn't thoroughly understand and appreciate what these people are up against. That afternoon we went to the office of Secretary Benson, and the whole gang, the folks from home, the U. S. Senators, the Congressmen and the agricultural aides, all gathered in the Secretary's private office and sat down for an hour's heart to heart talk on the subject. The Secretary was visibly impressed, which incidentally is unusual. He remained in the meeting for its full length, which is also unusual. His able assistants were gathering figures together before we got out of the building. We sincerely hope that something comes of this meeting and that the problem is corrected. The Secretary promised us that he would thoroughly review it and re-evaluate it with the hope of being able to make some adjustments. The official committee that came to Washington were as follows:

R. G. Peeler, Hereford, Texas
Leo Witkowski, Happy Texas
W. M. Sherley, Lazbuddy, Texas
John Venneman, Spearman, Texas
George Hammond, Clovis, New Mexico

Raymond Boles, Liberal, Kansas
Roy T. Nall, Boise City, Okla.

Others who attended the breakfast, some of whom went to the Secretary's office, were as follows:
Joe Pittman, Liberal, Kansas
Julius Cox, Boise City, Okla.
Gabe Anderson, Bovina, Texas
John Pittman, Hereford, Texas

This group has made a deep and lasting impression on the people in Washington. They have visited with the Senators and Representatives and have carried the banner for our entire section of the country. By this I mean that they have talked about the general economy of all, and have not appeared to be a group interested only in some problem that concerns them personally. It was undoubtedly this approach that appealed to Mr. Benson and is also appealing to the other officials of government. It shows that our people appreciate the fact that when one segment of our economy suffers, none of the other segments can fully escape the disease.

John Venneman brought along his pretty wife and Joe T., his fine son. Bill Sherley brought along his fine boy, Billy Bob. These folks have been doing some sightseeing around Washington, and we are certainly glad they were able to make the trip.

We also enjoyed nice visits this past week with the following: Mayor S. T. Curtis, Judge W. M. Adams and Kenneth Grenwald of Amarillo; Mr. and Mrs. J. W. Miller of Tulla, and their granddaughter, Shirley Ann Miller, of Morton, Texas. Also saw Horace Smith of Miami (the new oil man), Mr. and Mrs. Truman Miller of Wildorado and Frank Triplett, Kenneth Loyd and Oscar Applequist all of Amarillo.

WALTER ROGERS,
Member of Congress,
18th District of Texas.

PERSONALS

Timm Magness spent the week-end with his parents, Mr. and Mrs. H. T. Magness. Tim, who has been in training at San Antonio, is being transferred to Hondo, Texas.

Mr. and Mrs. J. W. Baxter left Friday for Truth or Consequences, New Mexico. Mrs. S. S. Pritchard accompanied them to visit her father.

Mr. and Mrs. Russell Massey attended the 18th District Convention of the American Legion in Hereford on Sunday night and Sunday.

Mr. and Mrs. Flemings and Rev. and Mrs. M. B. McKinney drove to Melrose, New Mexico on Sunday afternoon where Rev. McKinney conducted a funeral of an old friend, B. F. Fletcher, who died on Friday.

**Social Security
Question Corner:**

People who continue to work after becoming eligible for old-age and survivors insurance payments will find two provisions of the 1954 amendments to the social security law of vital importance to them. Both of the new provisions are effective for 1955 and later years.

The first of these new provisions exempts beneficiaries who have attained the age of 72 from the "retirement test" in the law. This means that persons eligible for payments who are 72 or older need not retire in order to receive regular monthly social security checks.

The other new provision in the law affects those under 72 years of age. For this group the "retirement test" provision still applies;

however, it has been modified. The new law puts both wage earners and self-employed persons on the same annual basis and increases the amount that can be earned without loss of benefit payments from \$900 to \$1,200. If the total of a person's earnings (including all wages and self-employment income whether covered or not) is \$1,200 or less in a year, he is entitled to 10 months benefit. One month's benefit will be withheld for each \$80 (or part thereof) in excess of \$1,200, but no benefit will be withheld for any month in which the individual neither earned wages of more than \$80 nor rendered substantial services as a self-employed person in his trade or business. For example, a beneficiary may work four months during the year at \$300 a month and lose no benefits.

Friona Concert membership drive will be April 12-16.

Guaranteed ROOF PROTECTION

CARBOZITE
THE MINERAL RUBBER COATING
Made from an exclusive WURTZILITE formula, CARBOZITE is a long-lasting coating for EVERY type roof. CARBOZITE produces a surface that is remarkable for its rubbery toughness and long life. It will not run, sag, peel, chip or crack. It's ready to use... easy to apply right from the can.

Introducing: New Homes of Friona

- Friona Star Photo

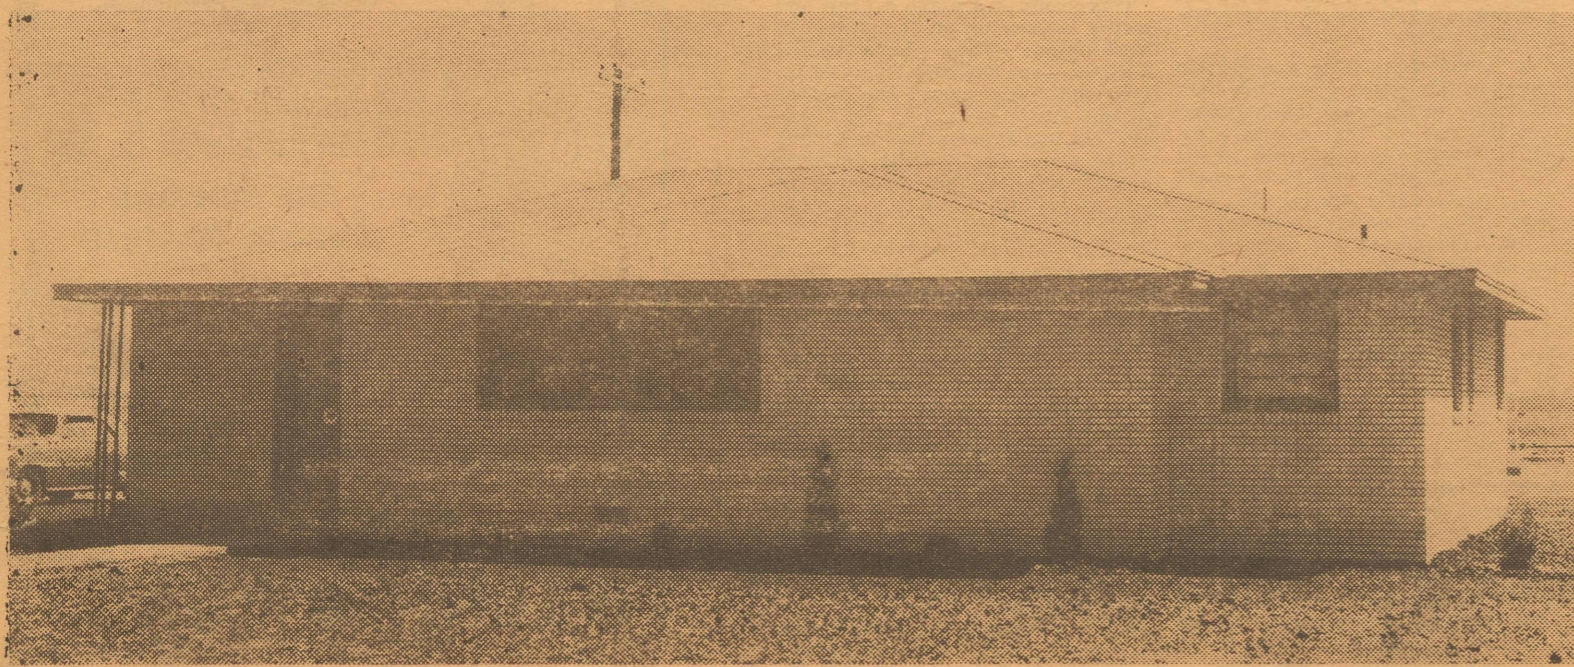

Both of the homes featured in the new home series this week were completed about two months ago.

In the top picture is the home of Mr. and Mrs. R. L. Fleming. It contains three bedrooms, a kitchen and den combined, living room, utility room and car port. It has one both and the Flemings plan to add

another bath in part of the large utility room later. The interior decorations are done mostly in brown and green tones. Outside finish is gray asbestos shingle with light brick finish one the front.

In the bottom picture is the home of Mr. and Mrs. Glenn Hughes. One of the outstanding features of this home is the large

closet and storage space. It contains central heating, three bedrooms, large living and dining room combined, two baths, and kitchen and utility room combined. In the kitchen is a built-in oven, and surface burners placed on the bar which divides the utility room from the kitchen. Outside finish is light brick.

FRIONA ITEMS FROM THE SCHOOLS

Dear Uncle Bert,

Gay Cass was awarded a \$1,000 scholarship this week by The Shrine Temple of Texas for writing an essay on "The Greatness of America."

Many of the first place winners at the Interscholastic League Meet held at Vega last Friday were from Friona. Among those students from high school were: Declamation—Don Lewis, Evelyn Ray, and Odell Ivy; extemporaneous speech—Harold Taylor; typing—Sandra Brock; spelling—Judy Barnett and Denise Bender. The students who obtained a second place rating were: Declamation—Betty Agee; and ready writing—Ann McKee. These students will go to Lubbock April 23 to enter the Regional competition. The Freshman Volleyball team won a blue ribbon also.

The annual Junior-Senior Banquet sponsored by the local WMU was last Friday night. About seventy students and faculty members were present. The theme for the banquet was "Spring" and the speaker, Bill King from Clovis, talked about "Spring Flowing." On the menu was: Tomato juice, rolled roast with gravy, green beans with potatoes, Spanish corn, jello salad, rolls, butter, tea and zoop.

Pat Cranfill represented the Friona High School Band last Saturday at the Ensemble and solo contest held at Canyon. Pat was awarded a second division rating.

The Junior Class is sponsoring the Green Valley Boys and Johnny Lynn, Tuesday, April 5 at the auditorium. The admission price will be 25c, 50c, and 75c.

This year's last Southern School Assembly will be Wednesday at 3 p. m. This is a magician show and should be thoroughly enjoyed by all who attend.

The Junior-Senior Banquet which is given each year by the Junior class will be Saturday, April 9, at the cafeteria. The Juniors have really been working hard and the

INJURED ON JOB

E. E. "Dutch" Sparkman, Friona city employee, suffered a cracked elbow last Friday while manning the trash pickup truck. Sparkman, still off the job, was injured when handling a large trash barrel.

Plan to Join the Friona Concert Association.

Mr. and Mrs. Oran Stout and daughters enjoyed a Saturday night supper with the L. C. Tims in their home.

Mr. and Mrs. J. W. Ganmon had visitors on Monday. They were Mrs. G. W. Harwood of Canyon, mother of Mrs. Ganmon, and two sisters, Mrs. Joe Pritchard of Canyon and Mrs. Ed Gretman of Elk City, Oklahoma.

Mr. C. L. Lillard and Scott and her mother, Mrs. J. Ray Scott, left Friday for Del Rio to visit this week with her sister and family. Mr. and Mrs. Glenn Brown.

Mr. V. M. Ferguson spent Tuesday in Plainview on business.

Mrs. D. B. Ivy made a trip to Lubbock on Tuesday to get her mother-in-law, Mrs. Henry Ivy and bring her back to her home in Muleshoe.

Visiting Tuesday with Mrs. Forrest Osborn and Mrs. Henry White was their mother, Mrs. E. D. Matlock, and their sister, Mrs. W. D. Skipworth and son, of Plainview.

Cpl. George Price is the guest of Miss Gay Cass this week in the home of her parents, Mr. and Mrs. Kenneth Cass. George returned Friday from Korea, where he has been stationed for the past 16 months. After a thirty-day leave, he will be stationed at Camp Pendleton, Calif.

Earl Miller and Roy Burt of South Dakota were the week-end guests of Mr. and Mrs. Roy M. Miller. Mr. and Mrs. Blackie Seymour of Sudan were Sunday dinner guests.

LET'S GO TO CHURCH

The doors of your church are open and the blessings of this Holiday Season are waiting. Share this joy with your family and friends. Attend your chosen Church this Eastertime.

WELCH Auto Supply

banquet is sure to be a great success. The Interscholastic track meet will be at Friona, Saturday. There will be entrants from about six neighboring schools.

School will be dismissed for the Easter holidays Thursday at 3:45 and will not commence again until Tuesday at 8:40 a. m.

Too bad Mr. Fry has the mumps this week. I heard that there are some more teachers who are eligible to take them also.

I'll see you in the funny papers. Big Minnie.

Baseball's Here!

Developments came fast and thick this week in progress of the baseball diamond for Friona.

One hundred and thirty eight grade school boys alone signed, with parents endorsement, for summer play.

Lighting has been assured, with deal being made for the lights and poles from the Friona Chieftain Field. New lights are to be erected at the football field. The older ones, with poles, were sold to the baseball association for \$1250, considerably cheaper than new installations would have been.

The "outsiders" team was admitted to the area league, with games to be scheduled with Bovina, Dimmitt, Lazbuddie, Hereford, Nezaireth, Olton and Umbarger.

First outsider game will be played on the local diamond on April 24th, against Umbarger, at 2:30 p. m.

Work is progressing on the fence, dugouts, and all installations of the field. Volunteer workers still are needed to assist John Renner, Truitt Johnson and others of the committee taking a lead in the activity.

Crossties for the wall fence have been obtained, and the tin from the old Friona What Growers elevator has been obtained for the fence proper.

Individual contributions are listed on page 2 of Section 2 in this issue of the Star. More funds are needed badly, and donations should be made to a member of the baseball committee at an early date or left at the Friona Star office.

Week-end visitors in the Jimmy Baxter home were Mr. and Mrs. N. G. Smith and family, sister of Mrs. Baxter, and Jimmy's parents, Mr. and Mrs. L. R. Baxter of Clovis who spent Saturday with them.

Leonard L. Grissom, Mrs. Dan Ethridge, Carl C. Maurer, Eugene Bogess, Mrs. Woodrow Lovelace, R. G. Treider, Oscar Baxter, Joe Crume, Ralph G. Wilson, Lacy Hardage, Jimmy Ivy, Mrs. T. W. Fuller, L. D. Gonsler, Mrs. Claude Rose, J. H. Gammon, Frank Hinkson, Otho Whitefield, Loyde A. Brewer, Clyde Magness, John Armstrong, M. H. Carson, Harold Carpenter, Coy Patton, M. T. Glasscock, Gilbert Schueler, Nelson Welch, Mrs. Joe Jesko, Mrs. John W. Lamb, A. B. Wilkinson, Mrs. Roy Clements, Dee Brown, Henry Lewis, Mrs. Willie Stenbock, J. T. Hammonds, Bass Elliott, Boone Allison, Roy Williams, Fred Gerles, Sam Rundell, L. L. Norton, E. M. Rushing, Mrs. J. P. Macon, Billy B. Sides, Steve H. Bavousette, Joe Blair, Fern Barnett, Mrs. G.

Cranfill, Earl Derrick, Donald Watkins, Wright Williams, A. D. Compton, Bruce Parr, Walter Kreigel, G. W. Crain, Sloan H. Osborn, R.E. Snead, Durwood Bell, E. V. Isham, and Glenn E. Reeve.

List of Grand Jurors

Clyde Hays, Ernest Anthony, Claude Miller, Charles E. Allen, Robert Wilson, Joe Wilson, A. L. Hartzog, Lee Jones, Roy Daniel, Al E. Jennings, Tom Caldwell, J. T. Jones, Carl Schlenker, Kenneth O'Brian, David Carson, L. E. McKillip.

HOUSEWARMING GIVEN

A housewarming was given the Curtiss Murphrees on Wednesday night after the regular prayer meeting held at the First Baptist Church. About thirty-five persons attended. The guests brought gifts for the Murphrees' new home. Refreshments of cake and coffee were served.

DISTRICT SCOUT COMMITTEE MEETS

A business meeting and luncheon for the District Scout committee of the Hereford and Friona area was held in the Jim Hill Hotel in Hereford, Tuesday, April 1. Attending from Friona were Frank Spring and H. K. Kendrick. Reports were given by each of the committeemen concerning their district.

Also attending were Mr. Roy Hiatt and Mr. W. M. Teague of the Amarillo Scout Office.

STORK FEATHERS

Mr. and Mrs. R. J. Renner, Jr., are the parents of a girl born March 30. She weighed 6 pounds, 11 ounces and has been named Mikala Sharlene.

A 7-pound, 8-ounce boy was born to Mr. and Mrs. J. W. Squyres on April 1. They have named him Buddy Gale.

Mr. and Mrs. Robert V. White are the parents of a boy born April 4. He weighed 7 pounds, 15 ounces and has been named Rickey Varnell.

Kay Cole — Med. — Summerfield.
Mrs. Clyde Sherreid — Med. — Friona.

Dismissed—
Mrs. W. L. Venable, Dudley Banum, Mrs. L. C. Johnson, Mrs. D. G. Hand, Mr. Herschel Johnson, Mr. Everett Davis, Mrs. Maria Esquivel, Mr. Bud Elmore, Mrs. Harold Hodges, Mr. Ike Worley, Lupe Gonzales, Mr. G. H. Brock, Mrs. Rudolph Renner and baby girl, Mrs. J. B. Taylor, Mrs. M. E. Ramsey, Mrs. J. W. Squyres and baby boy.

\$1,000 Scholarship Given Gay Cass

Miss Gay Cass, Friona High School senior, was notified by phone Friday that she had won a \$1,000 scholarship to any college of her choice.

Miss Cass entered the state-wide contest, sponsored by the Knights Templar organization of the Masonic Lodge, during Public School Week. Her winning entry appears this week on the editorial page. The award was won last year by a student in the Plainview schools.

The presentation of the scholarship will be made soon by Mr. W.L. Brown, of the Shrine organization in Amarillo, at a special assembly, according to Principal Dillie Kelley.

Gay is planning to attend Texas Tech College at Lubbock, and major on journalism.

Rhea Farm Bureau

Mr. and Mrs. Cordie Potts and Mr. and Mrs. Jack Patterson were hosts to members of the Rhea Farm Bureau, Friday night, at the Parish Hall.

After the business meeting, slides were shown of Korea and Japan. These slides were sent from Korea and Japan by Arnold and Herbert Schueler, who are in the service.

Refreshments of cake and cold drinks were served those present.

Farm Bureau Report

"You cannot really help men by having the government tax them to do for them what they can and should do for themselves." (From the Texas Tax Journal).

From the Dallas Morning News, in an article called, "Political 'Care' — Not Medical Care," appears this statement: "Eight of every ten American workers have hospitalization insurance." Most of the others could have such protection if they wanted it. These are things we hope you will remember when you read frequent proposals for a government health plan, designed not to help you, but to obligate you to its proponents while they tell you which doctor and hospital to use, if you can get in when they tell you to go.

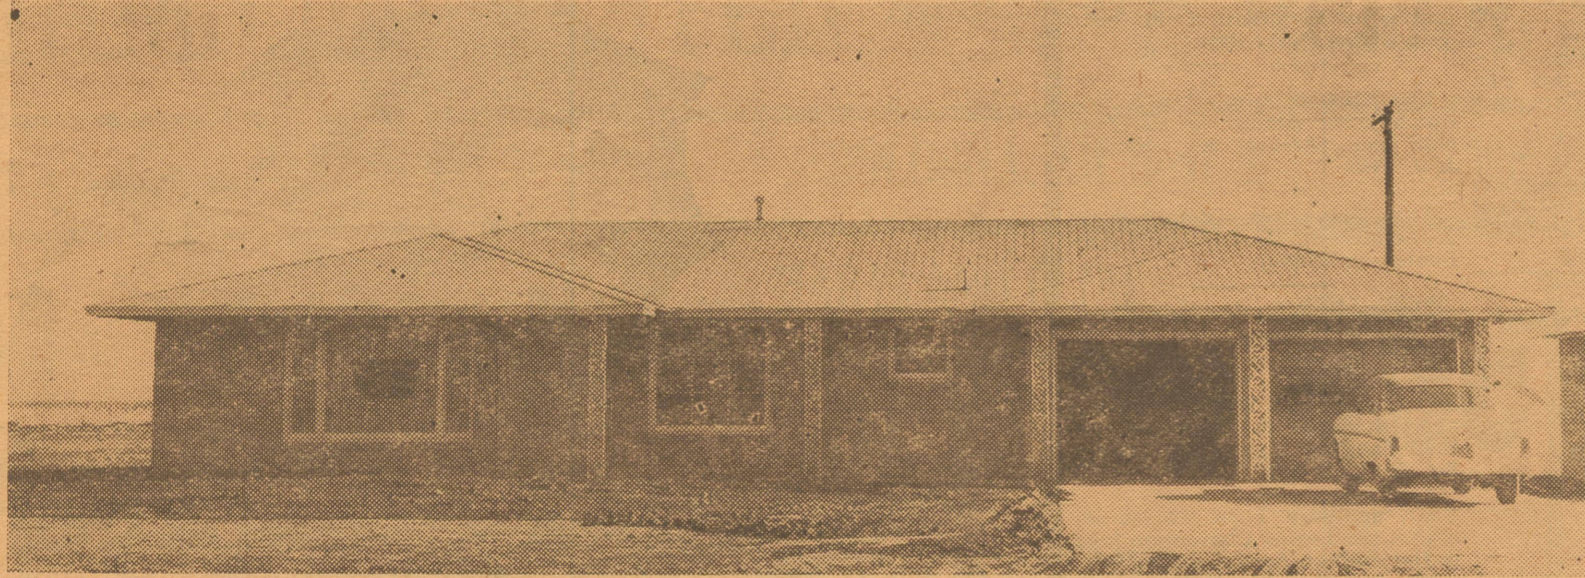

You have heard quite a bit about the desperate plight of farmers who may be forced to plant and harvest "dollar and a half maize" the last few weeks. The fact of the matter is, as you know, that the lowest published figure for 70 percent supports has been \$1.58, not \$1.50. A further fact of the matter is that the latest national figure for 70 percent is not a "dollar and a half," not even \$1.58, but \$1.78; 20 cents above the other published figure, and 28 cents above the "street talk

figure.' We believe the market will exceed the highest of these. On the subject of government rigid or flexible supports, it might be well to take a look at the proponents of each and see who is actually plugging for the tiller of the soil—First, who insists on 90 percent to 100 percent "rigid" supports without regard for supply or demand? Here they are: Some (not all) elevator and grain storage companies and individuals; many bankers; the smallest farm organization in America; the Communist Party of America; and the Congress of Industrial Organization (CIO).

Who believes there is hope for a more stable market under less government control? The greatest farm organization in the world, whose voting members receive at least fifty-one percent of their income from farming or ranching, and who renew their membership voluntarily (not by "check off methods") every year. Which group is actually interested in the welfare of the American Farmer? Think it over.

CONSIDER THIS: Whoso boasteth himself of a false gift is like clouds and wind without rain. Proverbs 25:14.

We Salute Another New Homebuilder in Friona

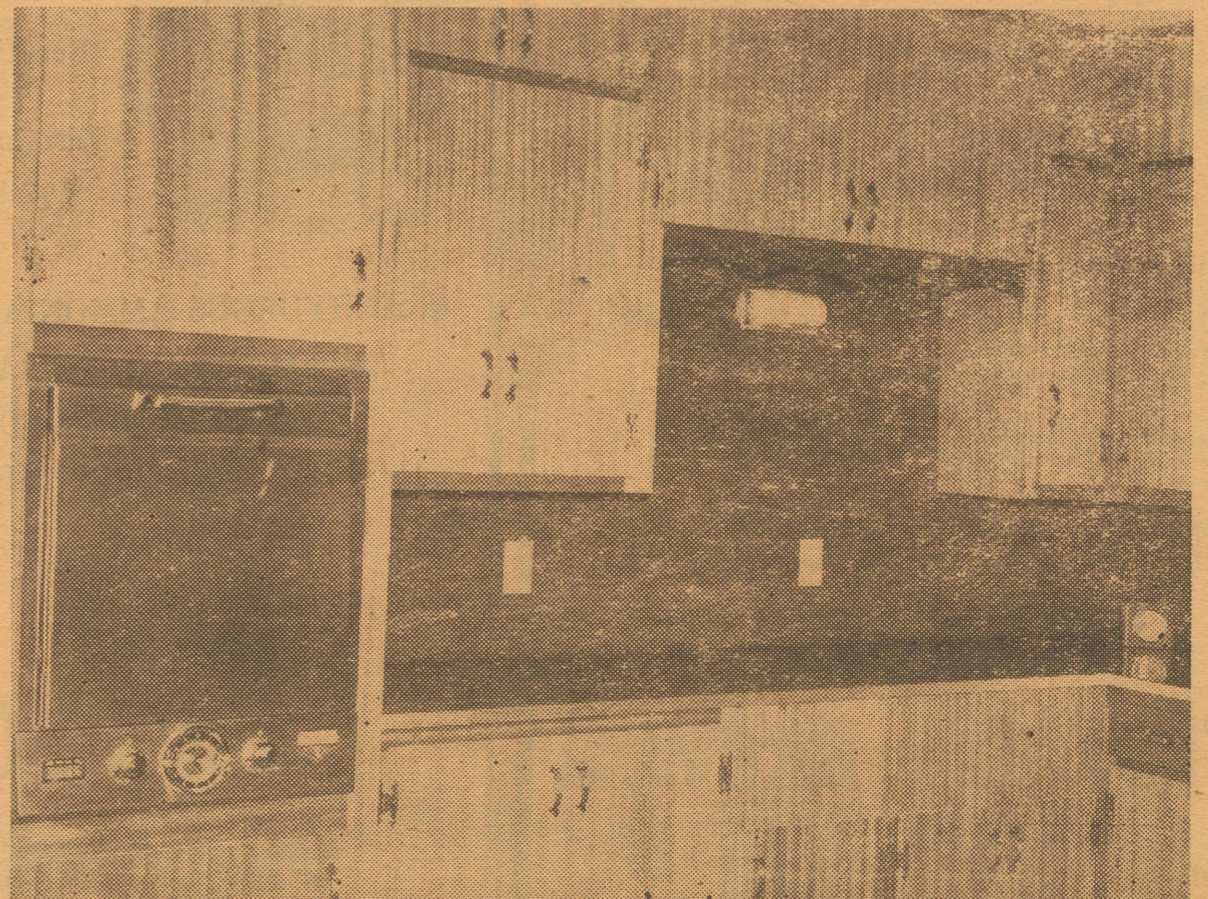

THE BEAUTIFUL RECENTLY-COMPLETED HOME OF MR. AND MRS. RALPH SHELTON CAN BE GROUPED WITH THE NICEST, MOST MODERN, AND BEST CONSTRUCTED FOUND IN ANY COMMUNITY

PERSONALS

Mr. and Mrs. W. H. Long spent the week-end in Hale Center with Mr. and Mrs. John Robertson. They attended a big fish fry while there.

Rev. and Mrs. David E. Moore of Roswell visited with Mr. and Mrs. Claude Miller on Thursday and Friday of last week.

Mr. and Mrs. Eugene Coffman and baby of Farwell called Sunday afternoon in the Fred Barker home.

Dr. L. B. Barnett and family had dinner Sunday in the home of his parents, Mr. and Mrs. R. E. Barnett.

The Glenn Robinsons are wondering what to do with a "calling card" dropped from an army plane that flew over their home about noon Tuesday. They watched the object fall from the plane and plow up the field for some distance. When they investigated they found, of all things, the gas tank! Maybe this proves that old saying, at least for the pilot, that what we don't know, won't hurt us.

Friona Concert membership drive will be April 12-16.

Mr. and Mrs. Rosco Ivy and mother of Amarillo visited Saturday night in the R. E. Barnett home.

Visitors in the C. H. Horner home this past week were Mrs. Everett Horner and son, and Mrs. J. D. Dodson and daughter on Thursday; Jimmy Mac Reed spent Friday night and Saturday with his grandparents; Mr. and Mrs. Jim Owens of Bovina called on Saturday morning, and Jim Rickie and Jim Owens and Mrs. Robert Lloyd and children called in the afternoon.

Mrs. T. B. Armstrong was a visitor in the E. R. Day home on Sunday.

Mr. and Mrs. A. E. Bainum from Clovis spent Sunday afternoon in the home of Mr. and Mrs. M. A. Bartlett.

Sunday dinner guests in the home of Mrs. Florence Buske were Mr. and Mrs. Pete Buske and family, Mr. and Mrs. J. B. Buske and family, Mr. and Mrs. J. F. Buske and family, Mr. and Mrs. W. F. Buske of Abernathy and a grandson, W. D. Buske and wife, and a nephew, U. S. Akens, and family. Mr. and Mrs. W. F. Buske have been visiting their son, W. D., this past week.

Friona Wheat Growers INCORPORATED

Designed for Dependable Service

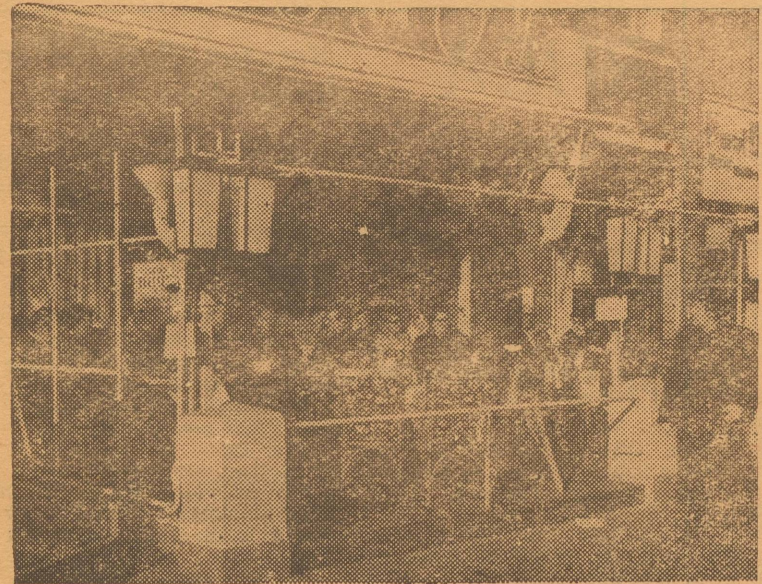

Illustrated above is a Preway "built-in" Gas range. The Preway features functional eye-level controls that eliminate all stooping and bending.

Naturally...it's Gas

Nothing adds visible value to the kitchen of today as does built-in Gas cooking equipment. When you buy a built-in unit, look for the American Gas Association "Blue Star Seal of Approval." This seal is your assurance that you are buying tested and approved equipment. See your dealer, builder or architect. Install a built-in gas range in your home... a range that will give you dependable service.

Twelve Churches Were Represented At Meet

The Ladies Auxiliary of the Pentacostal Church held their first Texas District meeting here in Friona, Tuesday afternoon, with 12 churches represented.

The church officials who attended were Mrs. Aran Thames of Borger, national secretary; Mrs. Frank Martin of Hobbs, N. M., district president; Mrs. Margaret Gentry of Hobbs, district secretary; and three sectional presidents.

Also attending were Rev. and Mrs. A. H. Browning, Texas district superintendent; and three presbyters, Rev. Aran Thames of Borger, Rev. Bill Wilkerson of Oklahoma City and Rev. Orvel Branson of Texico.

Reports were given on the things each church is doing for the Home and Foreign Missions. Members of the local church were hosts at a dinner at the school cafeteria that night.

WINTER SIDEWALK CAFE — Shivering pedestrians walk by as patrons of sidewalk cafe on Berlin's Kurfurstendamm enjoy a leisurely cup of coffee. Ultra-red heating lamps keep outdoor restaurant warm enough for the customers, even in middle winter.

Larry Truax Promoted At Military Academy

CLAREMORE, Okla.—Oklahoma Military Academy Cadet Larry Truax, son of Mr. and Mrs. Rolla L. Truax, Friona Texas, was awarded the rank of private first class during parade retreat ceremonies Sunday afternoon. Pfc. Truax entered OMA in August of the present school year.

Col. George Butler, commandant of cadets, said that the award of the private first class rank to new men was made on the basis of acceptable grades in military training and on the demeanor and cooperation of the cadet.

New cadets must go through a period of "rabbit" training during which they observe a rigorous physical training program and learn a good deal of basic soldiery. They must show considerable ability to be honored with rank during their first year at the Academy.
