A railroad type pocket watch has been left at the Farmer County Hospital. The owner may claim this at the hospital office by giving identification.

Rev. Fields, local Baptist minister, this week is enjoying a new Pontiac, gift of the Men's Brotherhood of the church.

We take this opportunity again to point out that Friona is most fortunate in its caliber of ministers, its interest in churches and the tenets which they represent.

Clyde Fields, Friona city employee, attended a Waterworks short course at Texas A. & M., College Station, last week.

Incidentally, Clyde tells us he saw the performance of Dr. Polgar there Thursday night. (The same hypnotist-mathematician who was at Hereford the next evening, and Friona the next.)

Several of us might remind ourselves this week that we should have known better than submit ourselves to the hypnotic powers of Dr. Polgar. Anyway, Attorney Bill Sheehan, Glenn Reeve, Granville McFarland, yours truly and a few others were sent right back off the stage when we failed to submit to the "magic" influence. And NOW we recall that Dr. Polgar said in the beginning that a certain amount of intelligence was required of any hypnotic subject! We are not surprised in our own situation, but sure hope the inference doesn't hurt Bill's chances of reelection.

Believe most everyone enjoyed that program, though quite different from the usual concert series presentation.

The present concert series is over for the season, and we believe it has in this second year proved its value to the community, affording a high-type entertainment unusual in so small a community. We only trust the people see fit to continue the concert series from year to year; the minimum cost small payment for this wholesome and entertaining contribution to good living in Friona.

An inebriated man walked into an elevator shaft, fell four floors to the bottom, stood up, brushed himself off, and shouted, "I said UP!" — Santa Fe Magazine.

Mr. and Mrs. Deon Autry and two children have moved into their new home in West Loop Drive, just west of the Wright Williams residence. The Autrys come here from Muleshoe.

BIRTHDAYS OF THE WEEK

March 20: J. B. McFarland, Doris Jane McFarland.

March 22: Jess Sparkman, Mrs. Dillie Kelley, Byron Weis, Sam Weir.

March 23: T. E. Parson III, Jim Dixon.

March 24: C. L. Lillard, Carl Schlenker.

March 25: Bert Shackelford.

"A warning is like an alarm clock: If you don't pay any heed to its ringing, some day it will go off and you won't hear it."—Harris.

Thanks to a thoughtful Dan Ethridge for sending us some good quotations for use in our column. We appreciate these and any other contributions our good readers offer.

Here's one of Dan's we offer now: "Morale is what makes your legs do what your head knows is impossible."

But we won't say who offered this stinker:

A bored cat and an interested cat were watching a tennis game.

Bored cat: "You seem to be interested in tennis."

Interested cat: "It's not that. My old man's in the racket."

A check with the Friona Federal Credit Union this week showed assets totaling \$4,374.56.

There are 147 members, and loans totaling \$2,759.00 have been made to date.

BUILDING PERMITS

T. L. (Buddy) Lloyd, move existing house. Construct brick veneer, 32 x 45 at 812 Woodland, \$9500.

W. L. Long, 57 feet sidewalk at 711 West Ninth.

Assembly of God Church, move in residence, 27 x 34, for parsonage at 1006 Ashland, \$4000.

Repair roof on American Legion Hall, \$100 mop job.

Repair roof on R. H. Schueler residence, lot 24, block 22, 90 lb. slate, \$100.

NEW RESIDENTS

Mr. and Mrs. Lupe Rodriguez and family moved into the T. D. Light house on Truitt block.

Mr. and Mrs. J. H. Robbins purchased and moved into the B. J. Roberts house near O. J. Beene.

H. R. Franklin moving here from Muleshoe, into house recently vacated by Ruby Barnett.

We'll take it that the limited number of visitors to the local school is good indication that most think the school is in good hands. Anyway, 26 parents visited in the high school last week, 173 in the grades. The cafeteria fed 186 visitors.

Only 55 future first-graders visited on pre-school day. We'll hazard a guess that this is about half of the first grade enrollment next term.

Methodist Church Dedicated Sunday

The Friona Methodist Church was formally dedicated Sunday afternoon, March 13, with Dr. Earl G. Hamlett, District Superintendent, conducting the services. Assisting with the dedication were Rev. James Tidwell, Paducah; Rev. H. DeWitt Seago, Lubbock; Rev. Naugle, Hereford; and Rev. U. S. Sherrill, local pastor.

Keneth Cass, as chairman of the board, presented the church for dedication. The choir, under the direction of Don Lewis, sang the anthem, "All Hail the Power of Jesus Name." They were accompanied by Mrs. G. L. Hough at the organ. The congregation gave the responses.

Rev. H. DeWitt Seago, pastor of the Forrest Heights Methodist Church in Lubbock, conducted the Sunday morning services. Lunch was served in the Fellowship Hall. Rev. James Tidwell, former pastor, now of Paducah, preached at the Sunday evening services. A solo was sung by Mrs. Tidwell.

There were a number of guests from the other churches in Friona present, and also guests from out of town.

Lazbuddie Patrons Plan School Building Program

Announcement comes this week from Superintendent James G. Ward of Lazbuddie, that a public meeting of patrons of that school has been set for this Saturday night at 8 p. m. there.

The Board of Trustees has asked the patrons to visit with them in discussion of a school building program for that district.

Mrs. Jack Knox and boys of Portales were visiting Monday with Mr. and Mrs. Boyd Knox and Mrs. Thelma Coffey.

Mrs. Hollis Horton left by plane Monday morning for Rome, Ga., to be one of the attendants at the wedding of her sister-in-law. Mr. Horton will leave Friday by plane to attend the wedding and visit with his family.

FIRE ORDINANCE IS SUBMITTED

Second reading of Ordinance 115, regulating fire zones within Friona city limits, will be held at city commission meeting Monday night, March 21. Final reading will be two weeks later on April 4.

Complete text of the ordinance was published last week in The Star and is re-printed in this issue.

Closely following the state fire code, the ordinance sets forth zone boundaries and building requirements. Actually, intent and content of the plan differs little from the old ordinance presently on the city books but which has remained more or less unenforced.

Definite marking of boundaries and specifications for building has for several months been sought by business and home builders and property owners here, this being actuated by stepped-up requests for building and remodeling permits this winter.

The city commission has agreed that a definite plan must be established immediately, and they have unanimously agreed to enforce the final plans when they are determined.

New Grade School Occupancy is Near

High School Principal Dillie Kelley announced this week that the new grade school building should be completed and ready for occupancy by the first of next week.

All electrical facilities have been installed including a public address system, bell system and lights. The floors have been laid and are being waxed this week.

All that remains to be done to completely finish the construction is connecting the plumbing to sewer lines, and should be completed this week-end.

Mr. and Mrs. Jimmy Hays of Dimmitt visited Sunday with his brother and family, Mr. and Mrs. Clyde Hays.

More on Civic Improvement Necessity:

City improvement bonds will be considered at election called for Tuesday, March 29, in Friona.

Notwithstanding news stories reporting the details of the election, causes and needs, etc., two or three points might well be re-emphasized at this time, in answer to queries on the street, to the city management, and to The Star.

FIRST: The waterworks, sewer and paving bonds are not proposed solely because of and for the new residential additions. Though development of the additions of course depends on outcome of the election, the necessity for expansion and re-modeling of many existing facilities was voiced months before announcement was made of the new residential areas.

For example: The paving proposal comes as result of petitions presented the city commission, these petitions circulated and signed only by property owners scattered throughout the town, incidentally none of these living in the new additions.

Since the latest paving project here, demands have been on the increase for "gap-filling" and extensions. It was in recognition of these requests from long-time tax-paying citizens that the paving bond election was called. But builders in the new additions, now taxpayers or soon to be so, are entitled to equal benefits and privileges, and we are glad to report the paving will benefit them also.

The paving is an OVERALL program, designed to favor all.

ture. This plot lies 1-1/4 mile north of the town section on the farm-to-market road slated for pavement this summer.

Five-year lease, without fee, has been offered by the Reeves to the Chamber of Commerce Baseball Committee and/or the local schools. Truitt Johnson, as newly-appointed chairman of the C-C baseball group, began work early last week on definite plans for providing a field and organizing teams here. Estimates are being drawn on necessary expenses. Lighting is planned for night games.

Baseball activity, offered for the first time this year in the local schools, is anticipated to increase interest in ball for both the junior groups and adult spectators.

Anyone wishing to make suggestion or contribute in time or funds should contact a member of the baseball committee composed of Johnson, John Renner, Howard Mayfield, Ralph Roden and Weldon Dickson.

FUNERAL HOME, FLORISTS OPEN

Formal opening of the Marcum-Claborn Funeral Home and Florists of Friona has been announced for this Saturday and Sunday afternoons, 2 to 5 o'clock each day.

Much remodeling of quarters has been underway for the past two weeks at the location of the firm, with all now reaching completion to provide a most creditable addition to Friona and Parker County professional services.

A complete flower selection already is being assembled, displayed in attractive new glassed and refrigerated cases. Entrance to the flower shop is on the south of the building, separate from the funeral home entrance.

Partners Marcum and Claborn cordially invite visitors from the entire area to attend the opening this week-end. Their personal message appears on an inside page of this issue.

Mr. and Mrs. Jean K. Anthony and son spent the week-end in Fort Worth visiting his sister and husband, Mr. and Mrs. H. C. Biggers.

Mrs. George Brock of Lubbock spent Sunday with her parents, Mr. and Mrs. R. E. Barnett.

School Election Set for April 2nd

Local school board election has been called for Saturday, April 2. Secretary Paul Fortenberry announced this week.

Deadline for filing of names for the ballot falls ten days prior to election date, or by midnight, March 23.

Terms of three board members expire this year, those of Cordie Potts, George Jones and Roy Clements. Other members are D. C. Herring, Clyde Hays and Hoyt Smith.

Also the member of the county school board is to be voted at this ballot. Jim Shaffer is present member.

Names may be placed on the ballot by petition bearing five signatures, Fortenberry stated, or anyone may place his own name merely by application over his own signature, presented to the board secretary.

Planning Board Ready With Zoning Proposal

Appearing on pages 4 and 5 of this issue is the map of proposed zoning of all tracts within the Friona city boundaries.

Coming as culmination of weeks of study by the Planning and Zoning Commission, City Commission and City Engineer, the plan is intended to make for orderly development of the city, with present building trends taken into full consideration.

Public hearing on the zone plan will be held Tuesday, April 5.

Formal notice of the meeting reads:

Notice is hereby given to owners of the property within the City Limits of the City of Friona, Texas, and to all other interested persons as provided by law, that the Planning and Zoning Commission will hold a public hearing on the 5th day of April, 1955, at 8 o'clock P. M., in the City Hall in Friona, Texas, to consider the recommendation it will make to the City Commission concerning the comprehensive zoning plan of the City of Friona, Texas; and at said hearing all interested persons will be given an opportunity to be heard.

Noticeable is extension of the central business district to include an area the length of Highway 60 through Friona, and the inclusion of the new Staley, West Loop and Whiteway subdivisions in the residential section. With eye to future development, a community-business

Announcement of Main Street real estate transactions and building plans this week in Friona has stolen heretofore top billing of the grain price supports and irrigation, development in sidewalk talk.

Two choice corner lot locations this week changed hands, with the purchasers immediately telling plans for business construction.

James Mabry negotiated for two lots across from Piggly Wiggly, seller being L. F. Lillard. Mabry expects to begin construction within two weeks of an ultra-modern office building on the property.

Announced plans call for a 50' by 140' one-story brick structure, with office fronts both to the east and south. Four or five offices will be housed. Air conditions, fixed

Red Cross Drive Is Seen Successful

Charles Allen, city chairman for the Red Cross fund raising drive, reported Wednesday afternoon that Parker County has probably gone over the county quota of \$1450, with most of the communities donating more than the assigned quotas.

To date, \$1121.18 has been turned in, and several community donations are still out. Drive chairmen from Bovina, Lariat, Oklahoma Lane and Rhea have not as yet turned in funds collected during the drive last week.

Amounts collected and turned in are: Friona, \$509.71; Black, \$150.40; Hub, \$71.35; Farwell, \$284.72; and Lakeview, \$105.

windows (forced air ventilation permitting this) and central heating will be featured, Mabry informs The Star.

Mabry has for several weeks been eyeing Friona business property, this week completing the Lillard contract.

The Carl Maurer property on the corner north of the Marcum-Claborn Funeral Home this week was contracted to Kenneth Williams, lately of points in Ohio. Williams is planning a small retail business there, probably of the drive-in eating establishment type.

Wright Williams, owner of the property between Gib's Cleanery and Plains Hardware on the east side of Main, yesterday disclosed intention of beginning construction next week of a 50' by 100' retail business building there. The one-story brick, glass front, structure will be rented to a retail concern, probably of the department store type. Williams has not announced the tenant at this date.

These transactions fill prominent gaps in Main Street locations, leaving, however, two prominent heart-of-the-town locations still vacant. The corner lots east and southeast of the postoffice still are bare.

Colored Minstrel Coming March 29

The Friona Lions Club will present a Negro Minstrel in the Friona High School auditorium March 29 at 8:00 o'clock. All proceeds from the show will go to the Farmer County Community Hospital Building Fund.

J. D. Fry, Music Director of the Friona schools, will be in charge of the chorus, which will be composed of all members of the Lions Club. Mrs. Maurine Dunn will also present her dancing classes in various numbers.

The cast of the Minstrel is composed of the following club members: Interlocutor, Pete Buske; Alkali, Weldon Dickson; Barlow, Jimmie Baxter; Calabash, Charles Allen; Drizzle, A. L. Black; Fritter, Hank Outland; Epizootic, John Land.

Admission prices will be 25 cents for grade school students, 50 cents for high school students, and \$1.00 for adults.

Mr. and Mrs. T. F. Rodgers of Lubbock spent the week-end with their daughter and family, Mr. and Mrs. J. T. Gee. Tom Gee had visited with his grandparents since Thursday, and returned home with them.

Farm Bureau Report

By RAYMOND EULER

"The Right to Work," an editorial in the Farm Journal, is a comprehensive article we would like to know everyone had read and studied. Why don't you?

When we looked in on the 4-H boys and girls in Friona Legion Hall, Saturday afternoon, we saw young folks and their sponsors from every section of the county,

numbering about fifty. Miss Stinson was directing them in some folk games and everyone was participating except Miss Johnnie Tomlin, who said she was just recovered from the numps. Our congratulations to Corinne and Joe Jones and Community sponsors, for their work with the rural youth of our county.

We believe we are speaking for the five hundred people who have to sit in the rear half of the Friona School Auditorium at public programs: We are justly proud of the auditorium. We would be even prouder if the right kind of public address system was in working order so that we could hear, as well as see what is going on on the stage; and if a blackboard is required for a program, one on which chalk would snow, would be extremely helpful. These two things could be remedied at very little expense, by incorporating some non-directional mikes for plays and similar activities; and everyone knows how inexpensive blackboards are.

The Farm Bureau members' drive has, to date, netted over a hundred "new members," that is members who have not been in good standing in this county within the last six months. The total figure for the drive will not be known until next week.

Weeds will be growing again soon. Farm Bureau Directors Archie McCutchan and Gilbert Kaltwasser, in cooperation with County Agent Joe Jones have again set up a committee to cope with the noxious plants, as they did last year. Continued cooperation from county commissioners and State Highway Officials assures an even more extensive battle against bindweed this year. Railroad officials are expected to join in combating these weeds on their right of ways, too. Those composing the committee to date are: Archie McCutchan, Gilbert Kaltwasser, Nelson Welch, Ovid Lawlis, R. E. Snead and Charlie Calaway. They will meet soon for formal organization.

CONSIDER THIS: All the ways of a man are clean in his own eyes; but the Lord weigheth the spirits. Proverbs 16:2.

It seems as though the South has risen too many times in one particular place in this country. The story here is that in a certain New York night club, the owner has forbidden the orchestra to play either "The Eyes of Texas" or "Dixie," even though the Governors of all the Southern states might be present. The reason: The last four times the stirring strains of these southern favorites came from the orchestra pit, the owner had to refurbish his establishment completely.

and the Treasury Department concerning these firearms. I recently received a communication from the Alcohol and Tobacco Tax Division of the U. S. Treasury Department, who has jurisdiction of this particular situation, concerning the importation of Russian army rifles. This communication disclosed that the Pasadena Firearms Company of 927 E. Colorado Street, Pasadena, California, imported 1,000 Mosin rifles (Russian), caliber 7.62 m.m., from Spain under U. S. Import Permit No. 541, dated June 18, 1954. These guns were a portion of the rifles captured from the rebels in the Spanish Revolution and were offered to United States arms dealers for several years. The Department advised me that this company is owned by Mr. Alvin D. Gettler. The advertisement furnished me by Mr. J. C. Phillips had been placed in the magazine by the Golden State Arms Corporation. The Treasury Department advised me that this company had obtained the firearms which it had offered for sale in December of 1954 from the Pasadena Arms Company. The Golden State Arms Corporation was also owned by Mr. Alvin D. Gettler. The letter concluded that the Treasury Department had found no violation by the Golden State Arms Corporation. I have some other information on Russian Army rifles that is very interesting and that I am going to run down. It seems that there are quite a few of these in this country.

THE SOUTH WILL RISE AGAIN

Washington Views

To the People of the 18th District:
VOICE IN THE WILDERNESS

The continued trend toward federal control makes those of us who have constantly fought centralized government feel that our may be a "voice in the wilderness." However, there is a hard and unyielding group in the Congress who will continue this fight until the bitter end or until success grows our efforts. Our ranks have been thinned to some extent during the last few years, but the true test will probably come during this session of Congress if some of the legislation now pending is brought to the floor for a vote. I shall not attempt to explain any of these bills, because the space available for this newsletter is wholly inadequate to touch the surface. I do warn the people to watch with a wary eye pieces of legislation that are represented to you as being very beneficial for your particular group or interests. What is happening is simply this. The obvious concessions to be

gained by a particular group are pointed out and blown up by propagandists for the purpose of selling the bill of goods. In the merchandising business it can be called "puffing one's wares." This puffing is done by the lobbyist representing the group and being paid for his services. He knows what his group wants and moves forward to get it. But, he fails to tell the people the price that is being paid. The Constitution of this country recognized that the success of the democratic form of government depended upon the government being close to the people. Our forefathers recognized that a central-government in Washington could not be close to the people because of the great diversity of economic pursuits available to people in a land so richly endowed as ours. They realized that if this land was governed from a central point, whether it be Washington, New York or Denver, it could not be a democratic form of government but must be an iron hand government of either monopoly or statism, either of which would make economic slaves of the people. Yet various groups who are seeking legislative favors are daily asking for the passage of laws that actually circumvent the intentions and purposes of the Constitution and would move this country and our people into that central federal control that you and I know must lead to socialism. Do not misunderstand me. I am not talking about any one particular group, because I can show you proposed legislation from many groups, rich, poor and intermediate, who are deeply sincere in what they are asking for, but who obviously fail to realize the price they are offering to pay. Let us all remember that with every right there is a responsibility. When you are told that you will gain certain things, never fail to ask about the price you are pay-

ing.

HABEAS CORPUS

Produce the body!
That in effect is what a writ of "habeas corpus" demands of a sheriff or jailer. That means: Bring the prisoner to court on a valid charge or turn him loose.

Habeas corpus has long been a standby of the "who-done-it" writer, but it has been a standby for us and our liberties for a much longer time.

In old times, the king or tyrant could jail you on a whim, with no chance of a day in court. No one dared to question him.

In 1215 the English barons had taken all they could stand from King John. They demanded his written guarantee of their rights—the Magna Charta. Among their rights, they wanted the right to a day in court.

The English Petition of Rights asked for habeas corpus in 1628. It said, "no man should be put in jail or held without cause shown to which he may answer according to law."

The Habeas Corpus Act became law 51 years later.

Our national Constitution says that "the privilege of the writ of

habeas corpus shall not be suspended, unless when in cases of rebellion or invasion the public safety may require it."

Let's see how habeas corpus works.

Suppose a policeman arrests and puts you in jail. You have the right to be brought to court for a hearing. In court the judge should tell

you of the charges against you and your rights to counsel and a fair trial.

But what if you don't get a hearing—in a reasonable time? Then somebody is unlawfully taking away your freedom. Consequently, your lawyer may go into court and get a writ of habeas corpus on your behalf.

The writ commands your jailer to "produce the body." Your jailer must show that he holds you lawfully or turn you loose. In court, the judge looks into the charges against you. He may hear witnesses. If he cannot find that you are held lawfully, he will order you turned loose. If he finds cause, you then can ask for reasonable bail.

SAVE NEW-BORN PIGS WITH INFRARED LAMPS

COLLEGE STATION, Feb. 23.—Use of infrared lamps during and after farrowing can save an average of three pigs in every two litters for Texas hog raisers.

Such lamps provide adequate heat for sows and their new-born pigs and will help reduce the heavy loss of pigs from chilling or crushing by the sow, says E. M. Regenbrecht, extension swine husbandman.

Use the lamps when the temperature dips below 60 degrees, he advises. Switch them on a few hours before farrowing and leave them on the young animals three days to two weeks, depending upon the temperature.

After farrowing, the lamps may be placed above a protected area of the pen where the young pigs can benefit from the heat without danger of being crushed.

Regenbrecht cites several other advantages of infrared lamps. Producers can farrow at different seasons without worrying too much about cold weather. Or they can adjust to meet high markets or take advantage of green pasture.

The lamps are inexpensive to operate—a 250-watt lamp costs about 18 cents a day to operate. The saving of one pig would more than cover the cost of operation for several weeks.

Local county agricultural agents can supply blueprints and additional information on infrared lamps for brooding pigs, he concludes.

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!

Want standard steering . . . or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering* carries a reduced price!

Apply the brakes like this . . . or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Chevrolet Power Brakes* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing-type brake pedal.

Position the seat yourself . . . or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

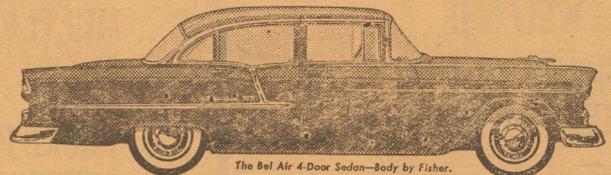

Automatically—

Chevrolet's stealing the thunder from the high-priced cars! What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

SLAUGHTER CATTLE STEADY TO 50c OFF

FORT WORTH. — Fed steers and yearlings were weak to 50 cents lower and cows also sold around 25 to 50 cents lower at Fort Worth, Monday. Yearlings and heifers sold mostly at the longer end of the decline. Fat sows were under more pressure than boning classes.

Stocker trade gained strength with the greening pastures and both calves and older replacement cattle were selling actively at strong to 50 cents higher prices. Bulls sold steady.

DICKENS CLUB STEERS TOP MARKET AT \$25

The feature of the day's trade at Fort Worth, Monday, was the fed steers from Dickens County 4-H and FFA boys which topped at \$25. Commercially fattened cattle sold from \$23 down. Common, medium and fairly good butcher cattle sold from \$12 to \$20.

Fat cows sold for \$11 to \$12.50, with canners and cutters \$7 to \$11. Bulls sold from \$10 to \$13.50. Stocker calves of the better kinds

SHEEP AND LAMBS OPEN WEEK STEADY

One of the largest runs since early last Summer was at hand Monday in the sheep barns at Fort Worth and prices held steady. Top milk fat lambs topped at \$23.50, and old crop shorn fat lambs sold from \$20.50 down. Woolled fat lambs topped at \$21, and feeders cashed at \$16 to \$20. Slaughter ewes sold for \$6 to \$6.9, and old bucks sold from \$5 to \$6. Slaughter yearlings were quotable from \$12 to \$17, and old wethers at \$10 to \$14.

WOOL GROWERS CAN BORROW ON PAYMENTS

USDA announced last week that wool growers could assign their incentive payments to financing and marketing agencies, and thus get funds for current operations pending government payment. It requires that growers make only one assignment, and that a record of it must be filed with the growers county agricultural stabilization and conservation office.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Congress now faces fact it is bad business to rob Peter to pay Paul. However, situation has been that of robbing American children to pay foreign monopolies under guise of foreign aid.

Administration's put school aid proposal points to debate. One of Republics strong cornerstones is system of free public schools, traditionally responsibility of local communities.

However, due to fact Federal government has taken over revenue sources needed for local government and schools to throw away around world, American school system is in dire need.

Authorities claim today a million children cannot attend school for full day due to lack of facilities. Other estimates claim a \$10 to \$12 billion school building program is needed if American children are to receive their birthright "one worders" sold for a mess of pottage.

Local communities cannot tax any more for schools. Yet idle school age children are breeding ground for future misfits. And obviously communistic doctrines find strongest support among misfits.

By refusing to vote new billions asked for foreign aid, plus freezing additional foreign aid billions voted but not yet spent, Congress could solve school problem. These billions could be returned to states on a pro-rata basis for school needs.

But instead, it is asked of Congress to set up plan which may or may not solve problem, but will do much to help investment bankers.

A sum of \$7 billion is sought. The plan is for Federal government to guarantee local communities credit, and even make direct loans when a school district cannot get money at a reasonable rate of interest. The reasonable rate of interest is considered not over 3 1/2%.

Thus, a pitiful situation involving nation's children is being used to promote further indebtedness, further enrichment of huge investment interests.

Already tax payers are paying \$6 billion per year interest on federal debt. Three per cent interest on \$7 billion for schools, plus 3% on another great domestic plan, financing of \$50 billion in highways, would bring yearly interest charge up to \$7,710,000,000 year, or \$48 for every man, woman and child in nation.

This appears strange financial reasoning to a government which talks about "pay as you go", which enforces this doctrine in collection of income taxes.

Yet amount of money thrown away on foreign aid would have taken care of nation's school and highway needs.

Some say fact does not yet seem to have dawned on Washington that money does not grow on trees.

Many feel because of emotional element involved, school aid program will be passed by House. But in Senate, where head of the finance committee, Sen. Harry Byrd, (D. Va.) has already stated solution to American financial problem is to eliminate all foreign aid, it is quite possible that a different method will be taken.

Issue appears to boil down to fact that America cannot afford both foreign aid and education for American children. One or the other will have to go.

Mr. and Mrs. Tramp Lance visited Thursday night in the R. E. Barnett home.

Mr. L. Y. Crow of Hereford spent last week in the home of his daughter, Mrs. Leslie Deaton.

Clyde Hays was home over the week-end from Texas Tech at Lubbock visiting his parents, Mr. and Mrs. Clyde Hays.

Mr. and Mrs. M. A. Bartlett returned last Thursday from a two week's stay at Mineral Wells. They also went to Lake Whitney and visited with Mr. and Mrs. J. C. Wilkerson.

Mr. and Mrs. Bert Shackelford spent the week-end in Midland visiting their daughter and family, Mr. and Mrs. Ray Hurst.

Kendrick Chosen Concert Association Prexy; Dates Undecided for Drive

H. K. Kendrick was this week named president of the Friona Concert Association, succeeding Carl Maurer who served during the 1955 season.

In a board meeting of the directors Tuesday afternoon, Kendrick was elected by majority vote, together with new directors J. L. Marcum and Melba Neelley. Maurer becomes a member of the board under rules of the organization, assuming a three-year term. All new directors are named for three years.

Mrs. Hugh Craig of the concert booking agency met with the group, and plans were made for continuation of the series for another year, with programs to be selected after careful study at later date and a membership drive date to be determined.

Mrs. Decimae Beene was re-named drive chairman, with co-chairman Mrs. Newman Jarrell, Jr., elected to assist.

Directors present Tuesday were Mrs. Claude Osborn, Mrs. J. T. Gee, Mrs. S. H. Osborn, Mrs. Beene, Mrs. Jarrell, Mrs. Dan Ethridge, Clyde Goodwine, Bert Neelley and Carl

Maurer. A financially successful '55 season was reported. Main topic of discussion throughout the meeting centered on study of all available programs for the oncoming season, with careful selection of programs and program dates to be made.

Frieda Allen Excels In Tech Academics

LUBBOCK. — Nearly 70 freshmen Texas Tech students will be honored at a banquet here Saturday night for outstanding academic achievements.

Guest speaker for the banquet will be Dr. Evan Allard Reiff, president of Hardin-Simmons University. He will speak to new initiates of Phi Eta Sigma, freshman women's honor society, and Alpha Lambda Delta, freshman women's honor society.

Requirements for membership in both societies include a 2.5 grade point average, half way between "A" and a "B".

Among those eligible to become a member Saturday is Frieda Elaine Allen, Rt. 1, Friona.

Friona Is First In One-Act Plays

Friona won first place in the Interscholastic League one-act play contests held Tuesday night in the Friona Auditorium, with their presentation of the play, "Andante."

Lazbuddie was named second place winner. Other schools participating were Vega and Adrian.

Don Lewis and Deniese Magness of Friona were selected as best actor and actress, and the all-star cast included Lynn Hardin of Vega, Judy Tomlinson of Adrian, Jimmy Ivy and Glenda Hall of Lazbuddie.

Friona will present their play in the bi-district contests to be held soon. Others in the cast besides Don and Deniese are Eugenia Landrum, Gerald Floyd and Morris Bruns.

Week-end visitors in the Fred Barker home were Mr. and Mrs. Burl Henry of McLean and Mrs. Mary Lou Holerson and two sons of Ashtola.

Dr. and Mrs. Bud Barnett arrived home Sunday from Hawaii where he had gone for spinal surgery.

Mrs. John Blackburn left Sunday for Alabama to be with her father who is ill.

'Japanese in America' Studied by Fellowship

Mrs. Wilma Jones and Mrs. Jean K. Anthony met with twenty-eight members of the Junior Fellowship at the Methodist Church, Tuesday afternoon.

Mrs. Jones continued the study on City Missions with the Bible study on "A Japanese Family in America." The group had a song service and worship service, ending with sentence prayers.

Refreshments were served by W.S.C.S. members, Mrs. A. W. Anthony and Mrs. Jim Shaffer.

All parents and Cubs are asked to be present for the meeting.

Mrs. Lorraine Welch was in Amarillo, Wednesday.

Hi-Point Club Met At Renner Home

The Hi-Point Home Demonstration Club met in the home of Mrs. Rudolph Renner, March 10, with Mrs. F. M. Woolbright in charge of the meeting.

Roll call was answered with "my most cherished keepsake." Reports were given by the clothing demonstrator and the council delegate. Mrs. Joe Brummett was in charge of the program, which was continuing work on copper pictures.

Refreshments were served by the hostess to Mesdames F. M. Woolbright, Spencer Hough, Lee Renner, Harry Hamilton, Lloyd Rector, Floyd Rector, Foister Rector, Joe Brummett, Glen Mingus, G. L. Jordon, Billy Dean Baxter, J. H. Boyles, G. A. Collier, Elmer Oldham, Theresa McGee, and two guests, Mrs. Max Cruse and Mrs. Doyce Barnett.

The next meeting of the club will be March 24 in the home of Mrs. Lee Renner.

Visiting in the Harold Lillard home this week is Mr. Hammonds of Lubbock, Veterans Training Officer.

Letters to the Editor

By "UNCLE" JOHN WHITE

JUDGE NOT — THAT YE BE NOT JUDGED

He was my friend. I had known him for something like a quarter of a century, both intimately and as a casual acquaintance, on the streets and in the shop, on Sundays and on week days; but he was always the same. He was always kind to me and treated me without affectation. I never saw him when he seemed melancholy or morose, although I know he suffered under circumstances, physically, mentally and socially, that are calculated to produce gloomy and morose appearances with the average man.

I cannot recall that I ever heard him use profanity or unchaste words in his conversation, or speak ill of his neighbors. I do not know that he ever uttered a falsehood. He was kindly by nature and charitable by disposition. He was not rich financially or in the possession of worldly goods, yet it seemed that he always provided comfortably for his family and showed his love for them in many ways.

He was always honest with me in all our business dealings, and so far as I know, he was thus honest with the world as a whole; and,

though his funds were small, he seemed always ready to aid the less fortunate.

He was my friend, and I liked him. I cannot justly bring any charges against him.

Yes, verily. He had his faults. Should he have had no faults he would probably never have offered his intimate friendship to me. He may have tipped, but I can recall no instance wherein he was under the influence of liquor. Anyway, there are very many mighty good men who do so. He may have been fond of gaming. There are many, many mighty good men who are so afflicted. He may at some time, have mildly betrayed or mistreated his neighbor, but not to the extent of a reputation.

Somehow, away down in my innermost being I feel that I will have communion again with him if there be such a thing as a future existence—and I firmly believe there is such a condition. I do not believe that I shall go to hell—if there is such a place and I may not be able to reach heaven—and I know not of any intervening place or condition. I may never communicate with him again. But he was my friend.

I cannot conceive the idea that an all-wise all-powerful and Omniscient God of justice and mercy can or will in any future existence fail to give due credit for his many virtues. In view of such event I must refuse censure and do withhold judgment.

He was my friend. I love my friends.

His name was Buford Hughes.

Sincerely,
"Uncle" John.

Friona Students In Recognition Service at Tech

More than 400 of Texas Tech's outstanding students were honored Sunday at the College's ninth annual Recognition Service. The program began at 2:00 o'clock in the Student Union Ballroom. Four of the students honored were from Friona.

The College saluted both individual students and student organizations for achievements in the areas of scholarship, leadership, and athletics.

President E. N. Jones of Tech gave the recognition address. Dr. James Allen, dean of Student Life, served as Master of Ceremonies.

The Friona students who were honored for academic achievement are as follows:

Scholarship Recognition: Students who ranked in the upper 3 per cent of their class in their division for either semester of 1954 and who maintained an over-all grade point average of 2.5 for both semesters.

Individual Honors (Awarded to students being recognized for the first time), Frieda Allen, freshman, Friona.

Class Honors (Awarded to students being recognized for the second time), Edmund Schlabs, senior, Friona.

Divisional Honors (Awarded to students being recognized for the third time), Joyce Cunningham, junior, Bowie.

Recognition of Scholarship Holders: Holders of Texas Tech Scholarships an Adwards were honored for maintaining a 2.0 average during both semesters of 1954.

The Ethel Foster Scholarship in Town Economics: Mary Lou Miller, Friona.

The Agronomy Club Scholarship: Fred A. Schiabe, Friona.

National Competition Recognition: Students honored for national competition have represented the college in national and international collegiate competition and have won first place; Edmund A. Schiabe, Friona.

Book Reviewed At Northside Meeting

The Northside Home Demonstration Club met in the home of Mrs. Curtis Murphree, Friday afternoon, March 11, with eleven members and one guest, Mrs. M. C. Osborn, present.

Following the business session, Mrs. Osborn gave a book review on "The Power of Positive Thinking," by Norman Vincent Peale.

Mrs. Glenn Taylor held the number for the hostess and Mrs. Murphree was surprised with a pink and blue shower.

The next meeting will be March 25 in the home of Mrs. L. D. Chiles.

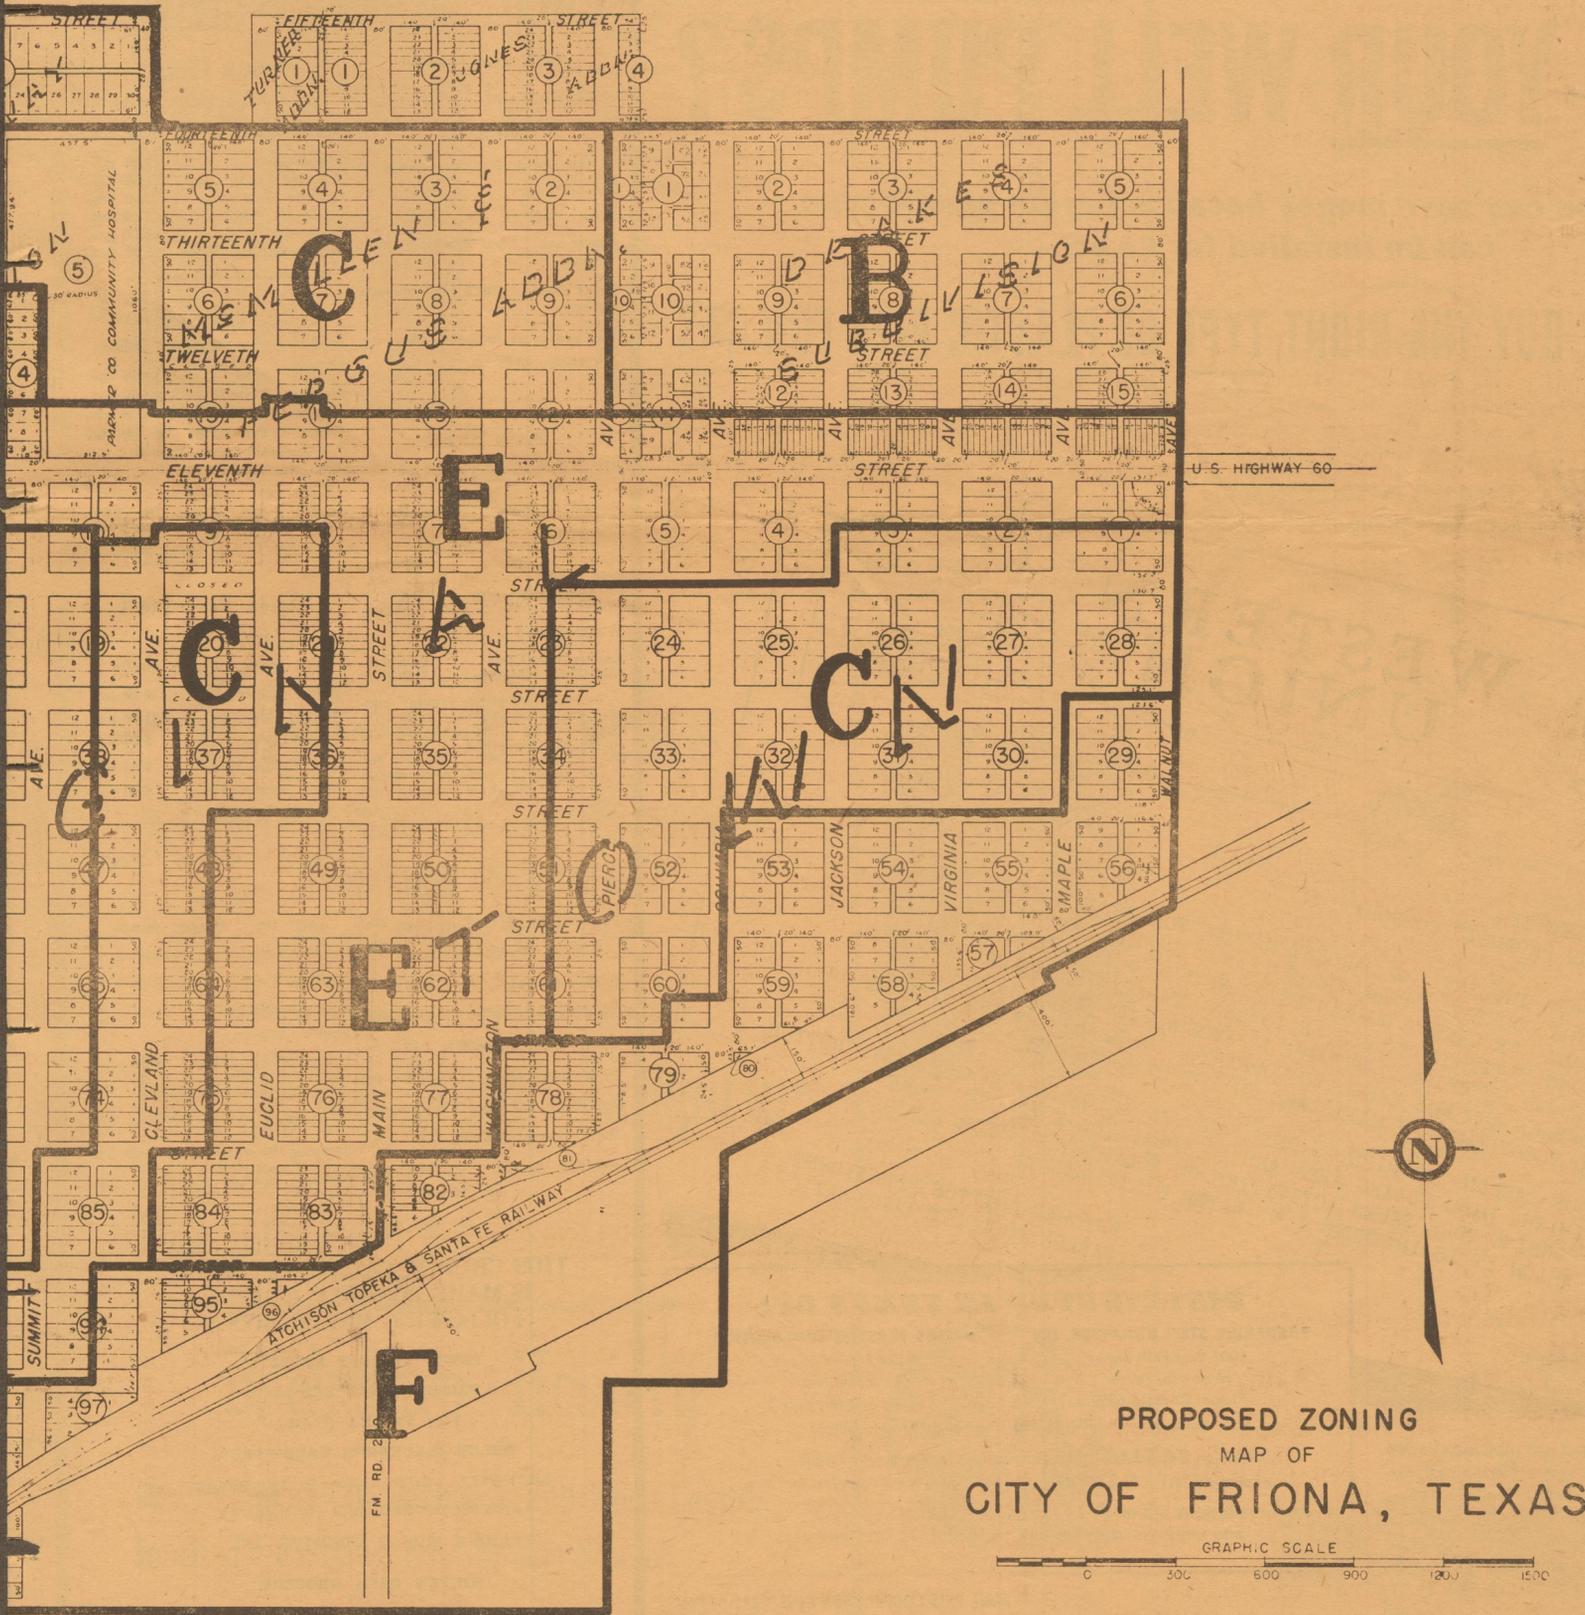

PLAN SUMMER SOCIALS

Members of the Women's Society of Christian Service of the Methodist Church who will have birthdays during the months of June, July and August met at the church annex Monday afternoon to organize their group and plan their socials for the summer months.

Mrs. Jim Shaffer was hostess and served refreshments of cookies and Cokes.

Present were Mrs. Opal Buchanan, Mrs. Dorothy Ellis, Mrs. Fern White, Mrs. Fay Coconougher, Mrs. Janice Patton and Mrs. Shaffer.

Mrs. Frances Howard of Abernathy spent last week with her parents, Mr. and Mrs. A. O. Drake. The Drakes returned home with her and spent the week-end visiting in Abernathy.

COTTON INSECT CONTROL GUIDE IS READY

COLLEGE STATION, Feb. 23.—Entomologists are trying to stay ahead of their worst enemies — cotton insects. The 1955 guide for controlling cotton pests is already out and available from county agents.

The guide lists each insect, the insecticides best suited for its control and includes proper insecticide dosages. A spray program for both early and late season control is given in simple, easy to understand form.

Saute onion in butter or margarine until brown. Add flour and soup stock gradually, then add remaining ingredients. Boil 10 minutes. Heat the sliced meat in the sauce. Serve with minced parsley sprinkled on top.

The bulletin gives information on how to make insect infestation counts and tells when to spray.

Again in 1955 the control program is divided into three phases — early season control, late season control and early stalk destruction and farm cleanup.

This bulletin should be a helpful and profitable guide to every cotton grower.

Copies of L-218, Guide for Controlling Cotton Insects in Texas, 1955, are available from county agent's offices or from the Agricultural Information Office, College Station, Texas.

No permit shall be issued unless such construction is in accordance with this ordinance.

Section V. The owner or other person in charge of the construction work shall notify the city engineer not less than 24 hours not counting Sundays and holidays in advance of the time of placing any foundation concrete and the city engineer shall inspect all foundation trenches or excavations after such notification and after excavation has been completed and the necessary forms and reinforcements have been set in place and when all materials for the foundation have been delivered on the job. Where concrete from a mixing plant, commonly termed transit mix, is to be used, materials need not be on the job but in no case shall any foundation concrete be placed before inspection. The city engineer shall inspect as often as practice, construction in progress, to see that all provisions of this ordinance are being complied with.

Section VI. A. No building or structure of wooden, iron-clad (either wood or metal supports), stucco or veneer type construction or any building whose walls contain any wooden supports shall be permitted, except as indicated in Section VII. B. No building shall hereafter be built, enlarged, remodeled, or

Section VII. The following frame structures are permissible in the fire limits: A. Temporary one-story frame buildings for the use of builders. B. Wooden fences not over 8 feet high and no roof or cover. Section VIII. All buildings or structures hereafter constructed in the fire limits shall have incombustible roof coverings. No roofing on an existing roof shall be renewed or repaired to a greater extent than 10 per cent of the roof surface except in conformity with this ordinance and in no instance shall one permit be issued each existing building in any one year. Section IX. Any existing building within the fire limits which may hereafter be damaged by fire, decay or otherwise to an amount greater than 50 per cent of its present value exclusive of the foundation shall not be repaired or rebuilt but shall be removed. Section X. Extensions, remodeling, or additions to existing buildings shall not be considered as repairs and shall not be permitted except when conforming with Section IV of this ordinance. Section XI. Whenever an application for a permit to repair any existing building already located within the fire limits is made by any person or firm and the Board of City Commissioners and the applicant disagree on the extent of the repairs to be made and the permit is denied by the city engineer then the Board of City Commissioners shall appoint a competent and disinterested person and the applicant shall appoint a competent and disinterested person, which said two persons so appointed, shall select a third member and these said three persons shall appraise the building, examine the plan of the proposed work, and the statement of materials and labor to be used in the repair or rebuilding of said building and make a signed written report of their findings to the Board of City Commissioners. If such report reflects clearly that said rebuilding and repairing would be a violation of this ordinance then such application for permit shall be denied by the Board of City Commissioners and if such report reflects the person seeking said permit has complied with this ordinance and the requested rebuilding and repairing is not in violation of this ordinance then said Board of City Commissioners shall issue a permit for the proposed rebuilding or repairing. Section XII. If any section, paragraph, sub-division, clause, phrase, or provision of this ordinance shall be adjudged invalid or held unconstitutional by a court of competent jurisdiction the same shall not affect the validity of this ordinance as a whole or any part or provision thereof other than the part so decided to be invalid or unconstitutional. Section XIII. Approved—as applied to a material, device or mode of construction means approved by the city engineer under the provisions of this ordinance or by other authority designated by law to give approval in the matter in question. Brick—means a solid masonry unit being shaped approximately a rectangular prism not larger than 12x4x4 inches. A brick may be made of burned clay, of shale, or lime aggregate, or cement and suitable aggregate, of fire clay or other approved materials. Building—means a combination of materials to form a construction that is safe and stable and adapted to permanent or continuous occupancy for public institutions, residences, business or storage purposes. The term "building" shall be construed as if followed by the words "or part thereof" for the purpose of this ordinance. Each portion of a building separated from other portions by a fire wall shall be considered as a separate building. Hollow Masonry Unit—means a masonry unit whose net cross sectional area in any plane parallel to the bearing surface is less than 75 per cent of its gross cross sectional area measured in the same plane. Masonry—means a brick, stone, plain concrete, hollow block, solid brick or other similar building units or materials or combinations of them bonded together with mortar. Reinforced concrete is not classed as masonry. Solid Masonry—means that masonry consisting of solid masonry units laid contiguously with the joints between the units filled with mortar or consisting of plain concrete. Solid Masonry Unit—means a masonry unit whose net cross sectional area in every plane parallel to the bearing surface is 75 per cent or more of its gross cross sectional area measured in the same plane. Party Wall—means a wall used or adapted for joint service between two buildings. Division Fire Wall—means a wall constructed in accordance with Section VI of this ordinance for the purpose of subdividing a building or separating buildings to restrict the spread of fire and which starts at the foundation and extends continuously through all stories to and above the roof except where the roof is fire proof or semi-fire proof and the wall is carried up directly against the underside of the roof slab. Section XIV. Any person desiring a building permit shall at the time of filing the application therefore pay to the city engineer a fee as required by this section. For buildings costing \$1,000 or less the fee shall be \$1. For buildings costing more than \$1,000 and for each additional \$1,000 or fraction thereof, 50c. For one-story buildings that are to be raised the fee shall be \$3 — for each additional story, \$2. For installation and remodeling of elevators, \$2. For erection of retaining walls, \$1. For mechanical installation where not included in the general contract, \$1; minimum and \$1 per thousand. Section XV. Any person, firm or corporation who violates any of the provisions of this ordinance or who shall fail to comply with the requirements of this ordinance, upon conviction shall be fined in any sum not to exceed \$100 and each and every day's continuance of any violation or each and every day's non-compliance with these provisions shall constitute and be deemed a separate offense. That in case of any such violation of these terms or provisions of this ordinance by any corporation the officers and agents, actually in charge of the business of such corporation shall be subject to the penalties herein provided. Section XVI. All ordinances in conflict herewith are hereby repealed but only so far as they conflict herewith. It is the intention of the Board of Commissioners in passing this ordinance to clarify Ordinance No. 15, dated the 11th day of June, 1931.

Miss Phyllis Allmon

Engagement Revealed

Mr. and Mrs. D. C. Allmon of Hereford have announced the engagement and approaching marriage of their daughter, Miss Phyllis Allmon, to Pat Deaton, son of Mr. and Mrs. K. E. Deaton of Black. The ceremony will be read in the home of the bride's parents on April 8.

Both Miss Allmon and Mr. Deaton are graduates of Friona High School. She has been employed in the Deaf Smith County offices for the past four years. Mr. Deaton was released from the Navy, March 1, after serving the past four years.

The couple plans to make their home in Hereford for the coming summer. He will enter college in the fall to complete a course in electronics.

FRIONA ITEMS FROM THE SCHOOLS

Dear Uncle Bert, The Seniors have really been bragging about the results of their play Friday night. They estimated that 800 people attended the play and they made approximately \$500. Last Thursday proved to be another interesting day in the history of Friona High School. Many of the student-teachers have resolved fully and completely not to be a school teacher.

The grass around our campus is getting greener and much prettier. The students and faculty will be asked to keep off so it not only will be much lovelier but will help to keep the sand from blowing and add beauty to our community.

It seems like there is a vacancy around here with Mr. Caffey gone. He is still in Denver but plans to return Wednesday.

The Pep Club held their tea Saturday to announce next year's officers and cheerleaders. The officers are: President, Patsy Anthony; vice-president, Doris McFarland; secretary-treasurer, Barbara Deaton. Those selected as cheerleaders are: Phyllis Fairchild, Mary Tatum, Eugenia Landrum, and Barbara Deaton. The alternate is Shirley Hogue.

The baseball field is almost completed. The boys should be able to start playing on it by the end of the week.

We understand that the Chamber of Commerce has set up as one of its goals to fix the baseball field for night and summer use. We are behind them on everything and are convinced that this project will help our community.

There was a new student enrolled in school Monday. He is Joe Dean Carlisle, a sophomore from Olton.

The chairman of the survey committees from Farmer County met in Farwell, Monday, to discuss the county's appraisal program.

The one-act plays will be presented Tuesday night in the auditorium at 7:30. The order of the plays will be: Friona, Vega, Lazbuddie and Adrian.

The regular meeting of the PTA will be Thursday evening. The SFC has a planned program for the children.

Several boys from Friona will be entered in a track meet at Hereford, Friday afternoon. We are sure these boys will win first place.

The Bovina Junior Play will be presented in our auditorium, March 25. This is a three-act comedy and should provide us with some good entertainment.

The Band Banquet will be in the cafeteria March 26. The theme has been chosen, the decorations have been ordered, and those who had the courage have asked dates.

March 29, the Friona Lions Club

ODDS AND ENDS

Mr. and Mrs. L. F. Lillard are planning to leave this week-end on a vacation trip to Denver, Colorado.

Mrs. C. M. Hawkins and daughter, Patsy Ann, of Lubbock spent Friday with her mother, Mrs. J.W. Ashcraft, who was celebrating her eighty-eighth birthday, and visited with her brother and family, Mr. and Mrs. Clarence Ashcraft.

Mrs. Tommie Parker and Mrs. Meryle Dodson took Janie and Carolyn Parker, Barbara Edens and Elnore Dodson to Clovis to the skating rink Saturday night.

Mrs. Tommie Parker and Carolyn and Mrs. Meryle Dodson and Elnore visited Mrs. Dodson's sons at Boys Town, Sunday.

Mr. and Mrs. Jerry Lawrence of El Paso visited over the week-end with her parents, Mr. and Mrs. U. S. Aken. Also visiting in the Aken home were Mr. and Mrs. Jerry Lawrence, Sr., and daughter and son of Sweetwater.

Mr. and Mrs. Murray Ford, Carol Blackburn, Jimmy Sue Fallwell and Benny Grubbs were in Amarillo, Thursday night, to advertise the Senior play over an Amarillo television station.

Mrs. Cordia Slagle was in Farwell on business Thursday.

Mrs. F. L. Snyder of Muleshoe is visiting this week with her parents, Mr. and Mrs. E. C. Chitwood, and her sister, Mrs. Lucy Jones. Mrs. Snyder had surgery last week in a Lubbock hospital and is recovering rapidly.

Mr. and Mrs. L. L. Deaton visited in Hereford, Sunday, with her brother and family, Mr. and Mrs. W. G. Crow.

is sponsoring a Negro Minstrel in the High School Auditorium. The stars of this show will be some of the most famous colored white people in Friona. Let's not miss it, Uncle Bert.

Plans are being made for the entrance of the new grade school the last of this week. The workmen are applying the finishing touches such as a public address system, bell system, waxing floors, and many minor details.

I'll see you at the one-act plays.
Love,

Live Music Slated For Teen-Twenty

A five-piece string band will play the music for the Teen-Twenty Club dance Saturday night, March 19, at the Friona Legion Hall.

Members of the band are Max and Rex Steinbock and Leroy Burnett of Lazbuddie, and Sam Mears and Gene Mercer of Friona. The band also played for the club dance Saturday night, March 5, with a large attendance reported.

Sponsors for the last dance were Mr. and Mrs. L. D. Gosner, Mr. and Mrs. E. L. Fairchild, Mr. and Mrs. Leonard Coffey and Mr. and Mrs. Charlie Gustin of Lazbuddie.

Margaret Page To Wed J. C. Mears

Mrs. Margaret Page has announced the engagement and approaching marriage of her daughter, Margaret Evelyn, to J. C. Mears, son of Mr. Jim Mears.

The wedding vows will be read by Rev. U. S. Sherrill, Saturday, March 26, at 6:00 o'clock in the home of the bride's mother.

Stowers - Edens Engagement Told

Mr. and Mrs. C. T. Stowers of Texhoma, Oklahoma, are announcing the engagement and approaching marriage of their daughter, Clet Rea, to A. D. Edens, son of Mr. and Mrs. Tomie Edens of Friona.

The wedding vows will be exchanged March 25, in the Friona Methodist Church.

Bovina Study Club Host to Frionans

Members of the Modern Study Club, the Progressive Study Club and the Friona Woman's Club were guests at the tea given by the Bovina Study Club, Thursday afternoon, March 10, at the Bovina Baptist Church.

A tea table was decorated in the St. Patrick's Day motif with white plastic foam, white stock and green napkins. Frozen lime punch, cookies, nuts and mints were served.

A review of the book, "Gabriel's Horn," was given by Mrs. Glenn Dunn of Muleshoe.

Attending from Friona were Mrs. Ralph Miller, Mrs. Howard Ford, Mrs. Granville McFarland and Mrs. Willard Stewart of the Modern Study Club; Mrs. Hollis Horton of the Progressive Study Club; and Mrs. Roy Slagle, Mrs. Lucille Collier, Mrs. J. F. Miller, Mrs. F. L. Reed and Mrs. Fred White, of the Friona Woman's Club.

COLLEGE STATION, (Spec.) — McFarland C. Osborn from Friona has been designated distinguished student for the fall semester, 1934, at Texas A. and M. College. A distinguished student must have a grade point ratio of 2.25 or better and had no grade below that of "C".

Personals

Mrs. Pat Woodley and Mrs. Melba Neelley attended a Beta Sigma Phi Sorority meeting in the home of Mrs. Neil Cooper in Hereford, Tuesday night.

Mr. and Mrs. J. H. Wise and Mrs. Dan Ethridge were in Clovis, Tuesday afternoon to attend a lecture by Dr. R. G. Lee.

Mrs. Bud Minor and children of Hereford spent Sunday with Mr. and Mrs. A. O. Drake.

Mrs. F. N. Welch and Mr. and Mrs. France Welch of San Angelo left this week for Detroit, Michigan, to purchase a new car for Mrs. Welch.

Mrs. Irene McFarland, Mrs. Hollis Horton, Mrs. Cordia Slagle and Mrs. Willard Stewart were in Clovis, Thursday shopping. They had dinner at El Monterrey while there.

Rev. and Mrs. Jimmie Tidwell and children of Paducah attended the dedication service of the Methodist Sanctuary, Sunday, and visited with friends. They returned home Monday.

Club Welcomes Newcomers to City

"Friendship Day" was the theme for the program at the Tuesday night meeting of the Modern Study Club. Newcomers to Friona were guests.

Attending were twenty-eight club members and the guests: Mesdames U. S. Aken, Maxine Price, Jo Faye Brooks, Leo Reed, Dean Autry, John Dukes, Gwen Buckley, Ray Pruitt, Loyde Brewer, Lloyd Shackelford, J. L. Marcum, Luther Shelton, McMahan, Engram and Charles Tyler.

A musical reading, "Alice Blue Gown," was given by Kitty Black, accompanied at the piano by Mrs. Eva Miller.

The devotional, A Mother's Day, was given by Thelma Ford, and President Melba Miller was in charge of the business session. The club members voted to join with the other Friona study clubs and sponsor a style show to be given in the near future.

A review of the book, "Rain on the Wind," was given by Jamie Lu Lillard.

The hostesses, Valoris Osborn, Mildred May and Willard Stewart, served refreshments of orange peel, sponge cake with layers of ice cream, and coffee to the members and guests present.

Record Awards To Scouts of District

Thirteen Friona Scouts Monday night were recognized at the District Court of Honor held in Hereford, with more merit badges being presented at this meeting than at any ever held previously in this district.

Over 100 badges were awarded the Friona and Hereford Troops.

Local boys attending the session held in the Methodist Church at Hereford were Dale Panzer, Jim Roy Wells, Ted Sanders, Rodney Weis, Tommy Sanders, Bill Leafman, Chauncy Woody, Jimmy Patton, Robert Neelley, Johnny Miller, Ira Parr, Tommy Barker and Tommy Scales.

Friona parents attending were Mr. and Mrs. Coy Patton, Mr. and Mrs. Claude Miller, Mr. and Mrs. Bill Buchanan, Bill Sheehan, Jay Sanders and Everett Talley. About 120 adults were at the meeting. W. M. Teague of Amarillo supervised the program.

Book Review Given By Mrs. Talley

Mrs. W. A. Tinney and Mrs. Frank Markham were hostesses to members of the Friona Women's Club at their regular meeting Wednesday afternoon, March 9, in the Clubhouse.

The program was an exchange with the Progressive Study Club. Quotation was "There is no book like the Bible for excellent wisdom and use."

A review of the book, "A Man Called Peter," was given by Mrs. Patsy Talley, member of the Progressive Club.

The hostesses carried out the St. Patrick's Day theme in the room decoration and refreshment plate of lime jello salad and coffee. Plate favors were green shamrocks. Refreshments were served to nineteen members and one guest, Mrs. Talley.

Mission Study Held By Sunbeam Membrs

The Bonnie Baptist Sunbeams met Tuesday afternoon with the leaders, Mrs. Ralph Miller and Mrs. G. B. Buske.

Patsy Robbins was a new Sunbeam.

The study of the Mission book, "Tabo in Panama," was continued. David Widner directed the games, and sings were led by Betty Fields. Mission offering was taken by John Grant Mars, and Danny Murphree presided during the business session.

Opening prayers were said by Leonard Whitten, Marcus Connelly, Larry Dabes and Eddy Wood. Closing prayers were led by Kim Buske, Mary Sheehan, Danny Murphree, Jerry Carlton and Dean Evans.

Charles Verner In Austrian Maneuvers

SALZBURG, Austria. — PFC Charles E. Verner, son of Walter E. Verner, Route 1, Farwell, Texas, recently participated in Exercise Roundup, an Army training maneuver in Austria. Held under simulated combat

conditions, the week-long exercise included attacks by a "Aggressor Force" of British soldiers. In anticipation of the attacks, U. S. troops evacuated the area in a test of mobility.

Private First Class Verner, a radar operator in Headquarters Battery of the 510th Field Artillery Battalion, arrived overseas in September, 1954.

A 1952 graduate of Bovina, Texas, High School, Verner attended Texas Technological College, Lubbock, before entering the Army in April, 1954. He completed basic training at Fort Bliss, Texas.

Mrs. James McLean and Luellen and Mrs. Nettie Collier and Brenda were shopping in Clovis, Saturday.

T. Sgt. Bainum In Vital Work, Germany

Technical Sergeant Albert E. Bainum, son of Mrs. Mary Bainum of Friona, is currently serving as supply chief with the 1807th Airways and Air Communications Service Wing at Furstenfeldbruck, Germany. It has been announced by Brigadier General Daniel C. Doubleday, Commander.

The 1087th AACWS Wing is responsible for Air and Ground communications, Navigational Aids for aircraft and Globecom (Global Communications System) in Africa, Europe and Great Britain.

Sergeant Bainum has been assigned to the 1807th AACWS Wing since October, 1953.

PROCLAMATION

Praising the American Legion as "one of the great bulwarks of the American way of life," Mayor Charles Allen has proclaimed the week of March 13 to 19 as American Legion Birthday Week.

The week has been set apart as a tribute to the 36th birthday anniversary of the world's largest veterans' organization, born of a caucus in Paris, France, March 15-17, 1919.

The birthday proclamation states:

WHEREAS: The American Legion, dedicated to service "for God and Country," has become one of the great bulwarks of the American way of life through its leadership in all movements designed to preserve our free institutions and liberties; and

WHEREAS: The American Legion, with millions of members who have served in three wars, has grown into the greatest veterans' organization in the world and has rendered notable and patriotic services to the community, state and nation, in times of both peace and of war; and

WHEREAS: The American Legion will celebrate the 36th anniversary of its birth, March 15 to 17, 1955;

NOW THEREFORE, I, Charles E. Allen, as Mayor of the City of Friona, do hereby proclaim the week of March 13 to 19, 1955, as AMERICAN LEGION BIRTHDAY WEEK, and do call upon all citizens and all organizations to join in paying tribute to the good works of the American Legion in its unselfish endeavors in national defense, Americanism, rehabilitation, child welfare, law and order, spiritual encouragement and good citizenship, and do urge all places of business, the schools and the churches to display the American Legion emblem as a token of appreciation of the wartime and peacetime services of the City's Legionnaires.

(Signed) CHARLES E. ALLEN, Mayor

ALL AMERICA SALUTES AN ALL AMERICAN

Happy Birthday! American Legion!

The American Legion will celebrate the 36th Anniversary of its birth March 15 to 17, 1955. All America joins in a salute to this "All American" team.

It's been a long, long trail from Paris, France, when on those March 15 to 17 dates, a handful of AEF veterans met to organize The American Legion.

The American Legion, the world's largest veterans' organization, has been dedicated always to the interests of America and the defenders of America—dedicated from its inception to continue serving "For God and Country"!

Another of its prime purposes has been to "inculcate a sense of individual obligation to the community, state and nation." The American Legion programs of Americanism, Child Welfare, National Security and Rehabilitation were founded on those basic principles.

We wish all American Legionnaires all over the world a Happy American Legion Birthday. Eligible veterans of World War I, World War II and the Korean War can help make it the greatest by joining The American Legion today.

AUSTIN.—ExLand Commissioner Bascom Giles continues to make headlines as investigation of the veterans' land program expands in an ever-widening circle.

Giles, former chairman of the Veterans Land Board, was indicted at San Antonio on a charge that he accepted a bribe of \$30,000 from real estate and cattlemen, C. B. Wynn and Arthur McKenzie. They too were indicted. Giles made bond of \$50,000; Wynn and Arthur McKenzie bonds were \$2,500 each.

Earlier, Giles and L. V. Ruffin and C. B. Sheffield were indicted by the Travis County grand jury on conspiracy to defraud the state of \$82,500. Giles made bond of \$60,000 in the Travis cases.

In San Antonio, Giles was reported as saying that when he comes to trial he will have plenty to say.

"I welcome an opportunity to stand trial on this case so that the full facts can be developed," Giles stated. "There's certainly another side to this whole story, and I'll tell it to the proper authorities at the proper time."

Governor Shivers has released a letter to investigators offering to testify publicly. He said, "The public is entitled to have the facts and to have them now—without a smokescreen of veiled threats, rumors and insinuations."

Attorney General John Ben Shepperd already has appeared before every grand jury investigating block land sales, and before both houses of the Legislature. He has stated publicly that he would testify at any time.

A full investigation of every phase of land office operations since Giles took office as commissioner on Jan. 1, 1939, was called for by Rep. D. B. Hardeman of Demission. He introduced a bill in the House appropriating \$500,000 for the special investigation.

Meanwhile Shepperd filed a civil suit for the state, against Giles, for recovery of \$171,428 assertedly paid out in two block land deals with Ruffin and Sheffield.

A special grand jury to continue the land investigations was empaneled at Austin, on request of District Attorney Les Procter. The State has provided Procter legal aid.

State police arrested B. R. Sheffield of Brady, jointly indicted with Giles. Conspiracy to commit theft of \$83,500 in state money was the basis of the indictment. Sheffield was released after posting \$110,800 in bonds.

Senator Gus Strauss of Hallettsville appeared voluntarily before the Senate investigating committee to testify that he had been employed as attorney in five veteran's land transactions and had received "normal" fees for his service.

Congressman John J. Bell of Cuero, who introduced the original Veterans' Land Bill while a member of the Texas Senate, stated that he had received legal fees in connection with land transactions. He volunteered to testify in DeWitt County as well as before the investigating committees of the Texas Senate and House.

Lt. Gov. Ben Ramsey and Atty. James E. Cox of Conroe.

Gen. John Ben Shepperd are on opposite sides of what promises to be a long and involved legal tussle over rural electrification.

Ramsey is attorney for the Co. Ops. Shepperd has filed a suit to determine the authority of an REA to serve residents of Gilmer, Texas.

Tax Bills Pending
Deadline for introduction of new bill in the Legislature arrived at midnight Friday. It found a wide variety of "big" tax bills out of which the House may choose its selection of \$35 million in new money for general purposes—and a possible \$45 million for highways.

Administration-sponsored were the Murphy two-cent gasoline tax increase and the Kirkin one-cent cigarette tax increase. Neither has been set for committee hearing.

Heard by committee and sent to sub-committee was Rep. Jerry Sadler's \$3.0 per barrel beer tax.

Other top tax bills included:
1. A bill by Rep. Curtis Ford to apply the chain store tax to filling stations.

2. Rep. Jerry Sadler's \$160 million-a-year one-cent processing tax on gasoline and condensates.

3. A constitutional amendment by Rep. Robert Patten, to raise a billion dollar permanent school fund surplus by added taxes, one-fourth to one-cent on gas, one to five cents on oil, and increase on other natural resources.

4. A constitutional amendment by Rep. Jerry Sadler and Rep. M.O. Bell to require statewide voter approval of any new tax before it becomes effective.

5. Rep. C. D. Kirkham's proposal for a "road use" tax on trucks.

6. Revenue Chairman Stanton Stone's omnibus revision of the tax code, with the gasoline and cigarette increases included.

7. Rep. Robert Patten's "added value" bill on manufactured goods, estimated to produce \$20 million a year.

8. Rep. Charles Sandahl's bill for a three percent levy on radio and TV sets.

9. An indirect revenue-producer, Rep. J. B. Walling's "anti-waste" minimum price bill for natural gas, estimated to add \$20 million a year to income from the present tax.

SHORT SNORTS: Herbert C. Petry Jr. of Carrizo Springs was appointed to the state highway commission, succeeding R. J. Potts of Harlingen. . . . E. Harold Beck of Texarkana and J. M. Patterson, Jr., of Austin were named members of the Board of Control. . . . Latest pay-raise talk calls for a hike of 10 per cent on the first \$3600 annual salary of all state employees; increasing the salaries of the three railroad commissioners from \$10,600 to \$20,000 a year; and increasing the minimum retirement benefits for teachers to \$100 monthly. . . . Building of the Dallas-Houston, Dallas-San Antonio privately financed toll roads will not stop the highway commission's plans for developing free terminals between the same terminals, says E. H. Thornton, Jr., chairman of the highway commission. . . . A bill to prohibit the sale of merchandise below cost was introduced by Rep. James E. Cox of Conroe.

It's been developed by a noted scientist at a world-famous university, working with all new tests about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stinging agony. Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex is exclusively perfected to curb chronic, deep-seated pains. Why AR-PAN-EX Helps Ar-Pan-Ex does not dissolve uselessly in the stomach—over the stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate aches. Nothing Like AR-PAN-EX Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions. Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

Legal Notice

NOTICE OF ELECTION

The State of Texas County of Parmer, City of Friona
To the resident, qualified electors of the City of Friona, Texas, who own taxable property in said city and who have duly rendered the same for taxation:

Take notice that an election will be held in the City of Friona, Texas, on the 29th day of March, 1955, on the propositions and at the place more particularly set forth in the election order adopted by the Board of Commissioners on the 4th day of March, 1955, which is as follows:

RESOLUTION

By the Board of Commissioners of the City of Friona, Texas, calling an election on the question of the issuance of \$70,000.00 waterworks im-

provement and extension bonds; on the question of the issuance of \$35,000.00 sewer improvement and extension bonds; on the question of the issuance of \$45,000.00 street improvement bonds, and on the question of the issuance of \$25,000.00 city hall bonds.

Whereas, the Board of Commissioners of the City of Friona, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned;

BE IT RESOLVED by the Board of Commissioners of the City of Friona, Texas:

1. That an election be held in the City of Friona, Texas, on the 29th day of March, 1955, at which election the following propositions shall be submitted:

PROPOSITION No. 1

Shall the Board of Commissioners of the City of Friona, Texas, be authorized to issue the bonds of said City in the sum of \$70,000.00,

maturing serially in such installments as may be fixed by the Board of Commissioners, the maximum maturity being not more than Thirty-five (35) years from their date, bearing interest at a rate not to exceed Four and one-half (4½) per cent per annum, and to levy a tax sufficient to pay interest as it accrues and principal as it matures on said issue of bonds, for the purpose of improving and extending the City's Waterworks System as authorized by the Constitution and laws of the State of Texas.

PROPOSITION No. 2

Shall the Board of Commissioners of the City of Friona, Texas, be authorized to issue the bonds of said City in the sum of \$35,000.00, maturing serially in such installments as may be fixed by the Board of Commissioners, the maximum maturity being not more than Thirty-five (35) years from their date, bearing interest at a rate not to exceed Four and one-half (4½) per cent per annum, and to levy a tax sufficient to pay interest as it accrues and principal as it matures on said issue of bonds, for the purpose of improving and extending the City's Sewer System, as authorized by the Constitution and laws of the State of Texas."

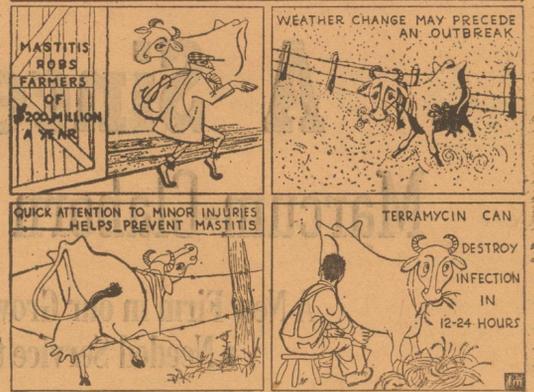

PROPOSITION No. 3

Shall the Board of Commissioners of the City of Friona, Texas, be authorized to issue the bonds of said City in the sum of \$45,000.00, maturing serially in such installments as may be fixed by the Board of Commissioners, the maximum maturity being not more than Thirty-five (35) years from their date, bearing interest at a rate not to exceed Four and one-half (4½) per cent per annum, and to levy a tax sufficient to pay interest as it accrues and principal as it matures on said issue of bonds, for the purpose of improving the streets of said City, as authorized by the Constitution and laws of the State of Texas.

PROPOSITION No. 4

Shall the Board of Commissioners of the City of Friona, Texas, be authorized to issue the bonds of said City in the sum of \$25,000.00, maturing serially in such install-

Millions For Mastitis

The nation's dairy farmers are being robbed of 200 million dollars this year. The thief is a stubborn, puzzling disease called bovine mastitis. An inflammation of the udder, mastitis is commonly caused by the same type of germ responsible for "strep" throat in humans. The disease is usually classified as either acute or chronic. In acute mastitis, the animal will run a high temperature, lose her appetite and may stop giving milk. Chronic mastitis is hard to diagnose and may flare up at intervals. It is frequently spread in secret to other herd animals.

Some bruise or damage to the udder generally precedes an outbreak, although sudden change in weather or feed may also play a part. If allowed to go unchecked, mastitis may be fatal or it may do permanent damage to the udder, leaving scar tissue in place of productive milk tissue.

Mastitis May Be Prevented

Careful sanitary practices and good farm management reduce the chances of an outbreak. Dairy cattle, if kept well bedded and out of dampness and drafts, are less apt

to contract the infection. Immediate attention to minor injuries also serves to prevent mastitis.

Antibiotic Hits Infection

Terramycin, if administered in time, generally destroys the infection and leaves the infected quarter undamaged. The antibiotic is suspended in a water base and packaged for easy udder infusion. Although antibiotics have been prepared in oil or jelly base materials, recent experiments by scientists at the Pfizer Experimental Farm in Terre Haute, Indiana, proved that water infusions yielded the best results. Terramycin, in many cases, cleared up mastitis infections within 12 to 24 hours. The scientists found that it could be milked out sooner than an oil or jelly base antibiotic, returning the cow to perfect health and normal production.

on said issue of bonds, for the purpose of improving a building to be used as the City Hall, as authorized by the Constitution and laws of the State of Texas.

2. That said election shall be held at the City Hall, within said City, and the following named persons are hereby appointed officers of said election, to-wit:

F. W. REEVE, Presiding Judge.
GEORGE BAKER, Judge.
ROSE LANGE, Clerk,
BILLIE FAIRCHILD, Clerk.

3. The said election shall be held under the provisions of Chapter 1, Title 22, of the Revised Civil Statutes of Texas, 1925, as amended, including the provisions of Article 704, as amended by Chapter 332, passed at the First Called Session of the Forty-fourth Legislature, and only legally qualified electors who own taxable property in the City and who have duly rendered the same for taxation shall be qualified to vote.

4. The ballots for said election shall have written or printed thereon the following:

PROPOSITION No. 1
"For the issuance of Waterworks Improvements and extension bonds."
"Against the issuance of Waterworks improvement and extension bonds."

PROPOSITION No. 2
"For the issuance of Sewer improvement and extension bonds."
"Against the issuance of Sewer improvement and extension bonds."

PROPOSITION No. 3

"Against the issuance of Street Improvement bonds."

PROPOSITION No. 4
"For the issuance of City Hall bonds."
"Against the issuance of City Hall bonds."

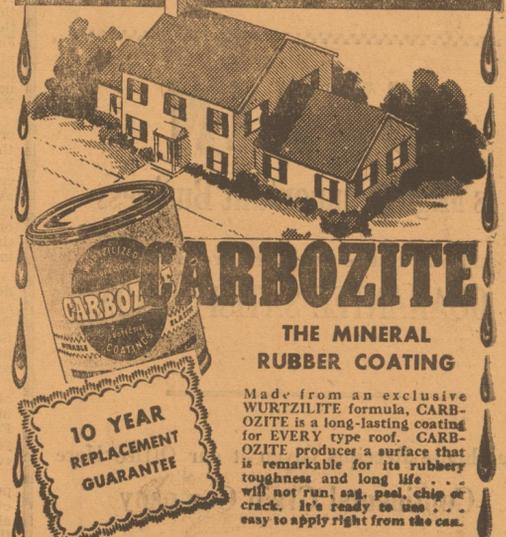

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

5. A substantial copy of this resolution signed by the Mayor of said City and attested by the City Clerk shall serve as proper notice of said election. Notice shall be given in accordance with Article 704, Revised Civil Statutes of 1925, as amended by Chapter 332, passed at the First Called Session of the Forty-fourth Legislature, supra. The Mayor is authorized and directed to have a copy of said notice posted at the City Hall and at two other public places within said City not less than fifteen days prior to the date fixed for holding said election. He shall also cause said notice to be published on the same day in each of two successive weeks in the "Friona Star," a newspaper of general circulation published within said City, the date of the fourteen days prior to the date set for said election. Except as otherwise provided in said Article 704, as amended, the manner of holding said election shall be governed by the laws governing general elections.

Adopted and approved this 14th day of March, 1955.
CHARLES H. HILLEN,
Mayor, City of Friona, Texas.

Benefit Deadlines: VETERANS ? Box

Veterans Administration today issued a checklist of deadline dates before which eligible veterans of the Korean conflict must act if they wish to take advantage of certain benefits.

Most of the deadlines resulted from the President's proclamation setting January 31, 1955, as the end of the Korean conflict period governing eligibility for the benefits. The conflict period began June 27, 1950.

One of the most important deadlines not affected by the President's proclamation requires that eligible veterans who wish to go to school or train under the Korean GI Bill must start training within three years after they leave service or forfeit all further rights to the benefits.

This requirement is contained in the law itself and, therefore, was not affected by the President's proclamation.

Those who start their education or training within the required three-year period must complete their Korean GI Bill Training by January 31, 1963, or eight years after discharge, whichever is earlier. The terminating date of January 31, 1963, resulted from the President's proclamation.

For GI loans on homes, farms or businesses, eligible veterans of the Korean conflict period now have until January 31, 1965, to receive a VA guarantee or insurance as a result of the President's proclamation. No further guaranties or insurance may be issued after that date on loans made to veterans under the present law.

For vocational rehabilitation under Public Law 895, eligible disabled veterans of the Korean conflict period must start in time to finish their rehabilitation by January 31, 1964, or nine years after separation, whichever is earlier.

These termination dates apply to all eligible veterans except those in certain "hardship" categories. For the latter, an additional four years is granted by law in which to complete their rehabilitation.

For a \$1,600 grant toward the purchase of an automobile or other conveyance, seriously disabled veterans of the Korean conflict who are eligible must apply for the grant within three years after they leave service or forfeit the benefit.

tained in active service on or before that date.

No application deadlines prevail for the other VA-administered benefits affected by the President's proclamation. These benefits for eligible veterans of the Korean conflict period on a wartime basis are:

- Hospitalization and domiciliary care for nonservice-connected disabilities.
- Compensation for service-connected disabilities or death at war-time rates.
- Pension for total and permanent nonservice-connected disabilities or death.
- Reimbursement of burial expenses and a flag to drape the casket.

The President's proclamation did not change the deadlines previously established by Congressional action for certain benefits available to eligible World War II veterans.

These benefits and the applicable deadlines are:

World War II GI Bill Education or Training.—For those now in training, no additional training may be afforded after July 25, 1956, except for veterans who may have additional training time under the Armed Forces Voluntary Recruitment Act of 1945.

Vocational Rehabilitation Under Public Law 16.—In general, no training based on World War II service may be afforded beyond July 25, 1956, except for certain hardship cases who are granted an additional four years in which to train.

World War II GI Bill Loans for Homes, Farms or Businesses.—No guaranty or insurance will be available on loans made to eligible World War II veterans after July 25, 1957, except for those who have established a later terminal date under the Armed Forces Voluntary Recruitment Act of 1945.
