Let Our Community be Known for Its Service to the Youth

An Editorial

Communities have personalities; they have a reputation. Sometimes publicity of the attributes of a town or area stems from a pet project or a motto that has gained wide recognition. Life magazine in this month gave a large spread to a little mid-western town known for its projects in art. A community closer to home is known as "A Town Without a Toothache."

For what is Friona known?

Then let us be known for our interest in our youth!

During recent days, there has been more talk than at any time in our knowledge of Friona in support of a youth center. A need is recognized, and clubwomen, civic workers, ministers and parents all have been through our doors recently advocating a concrete effort toward development of a center.

Then why wait?

We suggest a recreation center as a beginning. A building is available. The desire is here, among both students and parents. Financing would be of minimum difficulty. There are businessmen, parents, organizations—all so vitally interested in youth welfare that contributions of funds, time and leadership would be forthcoming.

In a recreation building we visualize game facilities—ping-pong tables, shuffleboard, a music box, Coke machine, table games, a magazine library, lounging facilities. Possibly open

from 4 to 6 or 7 p. m. daily, later on Saturday evenings, wouldn't the project be worthwhile?

No place to go! Nothing to do! We wonder if you have heard these remarks from our teenagers as much as we have. And it is no one's error but our own.

We have had occasion to admire the effectiveness and the wholesome and sound activities of the Student Congress in our local schools. We believe this body could do much in planning and assisting in operating a youth center. Talk it over with them.

Methods, means, rules—all can be worked out. The important thing NOW is to take the initial step—for your son and mine, for your daughter and your neighbor's.

All right, it has been too often said, "We didn't have anything done for us when we were kids, and we've done O.K." We suggest these are fatal last words.

The present generation is in a different world to that of two decades ago. War-time years found many of us parents away in the service or working in a war-factory, with the children in care of a disinterested baby sitter, alone at home or at the neighbor's, or loose with keys to a new car and with \$25 in the pockets! The sorry truth is that we didn't know where they were or what they were doing.

So, what is there to lose in waking up to some responsibilities, working with these activity-thirsty children of ours and reap some real benefits. We cannot do less.

Curb-Gutter Contracts Are Being Completed

With majority of property owners along Highway 60 in Friona this week signing escrow agreements for curb and gutter construction along the proposed 4-lane route, actual highway construction is expected to progress on schedule, according to word of city officials and the highway department.

Most of the landholders contacted have placed money in escrow for the curb-gutter work. Though contract price is not yet known, \$2 per front foot has been set as a fee believed more than ample to cover low bid. At time of construction any excess funds will be returned to those having paid the \$2.

Traffic Accidents Still Taking Expensive Toll

Area traffic accidents over the week-end centered in Bovina, with Highway Patrolman James Kirkwood called three times Sunday to investigate collision there.

At 4:35 a.m. a '50 Mercury driven by Galdino H. Garcia, 17, crashed through the front of the new Gene Snell quonset building at the intersection of FM 1730 and State Highway 86, inflicting an estimated \$100 damage to the building and \$150 to the vehicle. Garcia was charged with driving without license and driving with defective brakes. His father was fined on for permitting an unauthorized person to drive.

At the same location only three hours later, a '55 Mercury driven by Joseph C. Rountree, Jr., of the Amarillo Air Force Base collided with a '50 Model GMC pickup driven by Trop N. Fuller of Bovina. About \$350 damage was done to each vehicle. Fuller was charged with making improper left turn.

At 12:10 noon, two cars collided at intersection of 4th and D streets there, damages exceeding \$350, but with no charges filed. A '49 Ford was driven by Norman Killough and a '55 Ford pickup was driven by William E. Sudderth.

Agitation was commenced some months ago for city operation of the cemetery on a perpetual care basis.

Though no agreements have been signed to date city workers this week commenced leveling of the vacant lots south of the present cemetery development. Plans are to plant grass on a sizable strip in the next few days.

Actual development on any extensive scale actually will hinge on the placing of a new and larger well on the property.

The Friona Wheat Growers elevator received their first load of 1955 grain Tuesday afternoon.

The load was cut from the E. L. Clark field, near Lazbuddie and tested 14.95 per cent moisture, said Arthur Drake, elevator manager.

Reports from elevators around Friona show that it will be several weeks before the grain harvest will begin in earnest.

First Grain Has Been Delivered

The Texas Highway Commission has taken the first step to inaugurate a new two-year Farm-to-Market road program for Texas. E. R. Thornton, Jr., chairman of the Texas Highway Commission, stated the funds for this program are being derived from the fund established by Senate Bill 287, 51st Legislature.

Mr. S. C. McCarty, district engineer of the highway department of Lubbock, has stated that the following farm-to-market roads in this area are scheduled for work under this program: In Parmer County, farm-to-market roads will be built from farm-to-market road 690 at Oklahoma Lane south to Bailey County line, a distance of approximately 5.5 miles, and from farm-to-market road 1731 west of north to Rhea school, a distance of approximately 5 miles.

Mr. McCarty stated that this year the Commission has authorized the development of some area roads which will serve the dual purpose of service to the adjacent land as well as aiding in the development of the entire area of the state.

It was announced that work will begin on these projects just as soon as final planning is completed and right-of-way secured. Resident Engineer W. H. Garrett, will be in charge of the work in this area.

Mr. and Mrs. F. Bass of Stillwater, Okla., spent last week-end with Mr. and Mrs. Cecil Bass.

Mr. and Mrs. Everett Horner and children spent Sunday with Mr. and Mrs. C. H. Horner.

FRIONA SCHOOL NEWSLETTER

Dear Uncle Bert, School has been going on for two weeks now, and I know we are all glad to get back to our books and pens.

Things have started to roll again and we're all familiarizing ourselves with the routine of school work.

We have had two ball games already and are even, with one win and one loss.

The Student Faculty Congress is re-organizing, and I feel a hot race coming on for president. We have four capable contenders fighting for the presidency and vice-presidency. They are Marie White and Don Reeve for president and Ann McKee and Mickey Ready for vice-

president. I'm wishing luck to all of them.

We had our first Southern School Assembly of the year Tuesday morning and were entertained and thrilled by the Downies aerealists. I enjoyed it very much and am sure everyone else did, also.

The band went to Amarillo, Monday, to the Tri-State Fair. They all had a wonderful time from the reports and from what I hear, were one of the best-dressed bands in the parade.

Well, Uncle Bert, I guess that's all for now but I'll see you next week.

Love, BIG MINNIE

Class Officers Elected At Friona Schools

Class officers, sponsors and room parents were elected in the high school classes this week. Also elected were representatives to the Student Faculty Congress. Voting for the presidency and vice-presidency will be held this Friday.

Elected this week were: SENIORS—Sponsors, Mr. Means, Mr. Watkins, Mr. Childers. Room Parents, Mr. and Mrs. E. L. Fairchild, Mr. and Mrs. Ray Landrum, Mr. and Mrs. Grubbs; alternate, Tatum. SFC Representatives, Phyllis Fairchild, Shirley Houge, Jerry Scarborough; alternate, Jerry Houlette. Class Officers: President, Charles Kirk; vice-president, Ismo Vera; secretary, Sally Osborn; treasurer, Ann McKee; sergeant-at-arms, Donald Petty, Roy Young.

JUNIORS—Sponsors, Mr. Frye, Mr. Duggins, Miss Jones. Room Parents, Mr. and Mrs. Chiles, Mr. and Mrs. Glenn Reeve; Mr. and Mrs. F. W. Barnett. SFC Representatives, Don Reeve, Doris McFarland, Philip Weatherly, Patsy Anthony; alternate, Wesley Barnett. Class Officers, President, Don Reeve; vice-president, Doris McFarland; secretary, Loretta O'Brian; Reporter, Patsy Anthony.

SOPHOMORE—Sponsors, Miss Rudd, Miss Smith. Room Parents, Mr. and Mrs. Gordon Massey, Mr. and Mrs. Ellis Tatum, Mr. and Mrs. Carl Fairchild. SFC Representatives, Ruby Grubbs, Randy Dickson, Denise Bender, Luellen McLean; alternate, Phila Mae Buske. Class Officers, President, Larry Trux; vice-president, Alan Neff; secretary and treasurer, Phyllis Rockway; reporter, Betty Agee.

FRESHMEN—Sponsors, Mr. Rogers, Mrs. Theford. Room Parents, Mr. and Mrs. Elmo Drake, Mr. and Mrs. F. W. Holcomb, Mr. and Mrs. G. Cranfill. SFC Representatives, Pat Cranfill, Mary Tom Spring, Owen Huston, Carol Oldham, LaVon Fleming; alternate, Dale Smith. Class Officers, President, Gene Pope; vice-president, Ruth Ann O'Neal; secretary, John Tomlin.

Mr. and Mrs. Lee Campbell visited in Canyon, Sunday, with Mr. and Mrs. H. P. Campbell.

Mr. and Mrs. John Davis and Mr. and Mrs. Bee Westbrook spent last week-end at Ruidoso, N. M.

Mr. and Mrs. Everett Horner and children spent Sunday with Mr. and Mrs. C. H. Horner.

Mr. and Mrs. F. Bass of Stillwater, Okla., spent last week-end with Mr. and Mrs. Cecil Bass.

Mr. and Mrs. John Davis and Mr. and Mrs. Bee Westbrook spent last week-end at Ruidoso, N. M.

Mr. and Mrs. Everett Horner and children spent Sunday with Mr. and Mrs. C. H. Horner.

Improvements Are Commenced At Friona Cemetery

Solution of the Friona Cemetery problem this week appeared nearer with the city agreeing to accept the plot should the Cemetery Association desire to give the city a deed to the property.

Agitation was commenced some months ago for city operation of the cemetery on a perpetual care basis.

Though no agreements have been signed to date city workers this week commenced leveling of the vacant lots south of the present cemetery development. Plans are to plant grass on a sizable strip in the next few days.

Actual development on any extensive scale actually will hinge on the placing of a new and larger well on the property.

The Friona B squad football team played Springlake last Thursday night at Friona. Final score was Springlake 32, Friona 0.

There will be a G squad game with Farwell, Thursday, at Friona, and a game with Lazbuddie next Thursday, at Lazbuddie, at 7:30 p.m.

Shake-Up Seen In Chief Lineup

The Friona Chiefs played their second game of the season last Saturday at Stinnett.

The starting lineup for the Chiefs was: Micky Ready, end; Phillip Weatherly, end; Joe Allen, tackle; Weldon Fairchild, tackle; Weldon Tatum, guard; Charles Kirk, guard; Don Reeve, center; Wesley Barnett, quarterback; Jerry Chiles, halfback; Leon Massey, halfback; Nolen Johnson, fullback.

There were no injuries in this game.

Wesley Barnett scored in the fourth quarter on a quarterback sneak play. Jerry Chiles ran the extra point. Final score was Stinnett 33, Friona 7.

Phillip Weatherly has been moved from end to fullback, and Charles Kirk moved from guard to halfback. Jerry Houlette will soon be back playing, which should prove a help, said Coach Means.

This week the Chiefs have been stressing defense and blocking fundamentals, in preparation for the Friday night game with Bovina which will be played in Friona.

ever witnessed—publicity-wise. You know and I know that a candidate like to extend the glad hand to as many as possible; he likes to have the comment of the news disseminating mediums. Yet the Friona conference, with a selected few, was held behind locked doors, and we repeat that literally. And the local press brazenly crashed the party to which we were uninvited.

However we do not hold Mr. Yarborough responsible for the hush-hush atmosphere; we know from past contacts that he has a rare flare for wanting and attracting public attention to his campaigns.

NEW RESIDENTS

Mr. and Mrs. Claude Gaines have moved to Friona from Clarksville, Texas. They are living in the T. D. Light rent house, and Mr. Gaines is employed at Herring Implement Company.

BUILDING PERMITS

M. A. Wilson, construct a residence in Lakeside Addition, 31 feet by 48 feet, brick veneer, \$9,500. Friona Construction Company, contractor.

Birthday Calendar:

September 28: Florence A. Dean, Bill Kennedy, Wesley Foster, Mrs. O. B. Moyer.

September 29: Neal Parson, Lois Norwood.

September 30: Spencer Hough, Mrs. V. R. Jordan, Fred White.

October 1: Jerry Lovelace, Teddy Osborn.

Mrs. Zora Douglas Funeral Held

Funeral services for Mrs. Zora Ann Douglas, 77, were held Friday morning, September 16, at 10:30 o'clock in the First Baptist Church in Childress. Officiating were Rev. O. L. Bryant of Spearman and Rev. Clifton Tension of Childress.

Mrs. Douglas had been in ill health for several months, and died Wednesday in a rest home in Amarillo where she had been staying.

Survivors are four sons: Frank, Childress; Joe, Friona; Bob, Bovina; and Bud, Monahans; six daughters, Mrs. Myrtle Marchbanks, Shamrock; Mrs. Moselle Slagle, Los Angeles, Calif.; Mrs. Alma Alverson, Bovina; Mrs. Grace Worley, Quanah; Mrs. Lois Moore, Spearman; and Mrs. Blanche Parker, Allison, Texas; and 39 grandchildren and 33 great-grandchildren.

Marcum-Claborn Funeral Home of Friona was in charge of the services, and interment was in the Childress cemetery.

Parmer Boys Win Pig Awards at Fair

Two Friona boys won honors for prize pigs shown in the Area Sear Show, at the Tri-State Fair in Amarillo this week.

Larry Mabry, son of Mr. and Mrs. Walt Mabry, placed first with his boar pig, and Jerry Rankin, son of Mr. and Mrs. Olaf Rankin, placed ninth with his Sear pig. Both boys are members of the 4-H Club.

Entries for the Sear Gilt Show are the winners from 17 counties. The pigs were judged Monday morning by E. M. Rickenbach of Texas A. & M. College.

Grade Enrollment Reaches 364

Enrollment in the elementary school is now 364 students, according to Principal John LeMay. There are 88 enrolled in the first grade, 96 in the second, 102 in the third and 78 in the fourth grade. LeMay states that he invites all parents to come by and visit and get acquainted.

Enrollment in the grade school has reached the 301 mark. Principal Fields stated that the attendance has not been very good this week due to the fair in Amarillo. School day pictures were made Wednesday in the Friona schools.

Rev. Harry Hudenall and Mr. C. W. Youngblood of House, N. M., spent Wednesday with the Claude Heaths.

Well over 100 people have signed a petition to secure a traffic signal light at the Hub corner. Control there is needed as in few other locations in the entire area. You might remember the many collisions, or you might cover the stories involved as we have, with gruesome pictures to remind us of ineffective control somewhere.

And we still are plugging for a light at the City Drug Store corner in Friona—and for the one so vitally needed on the highway by the high school.

Our scooper-scooper reports that the Bovina bank appears a certainty, with applications meeting approval up the line.

A posse for The Friona Star and its well-known summer staff-member, Miss Gay Cass.

Gubernatorial Candidate Ralph Yarborough, in his visit here this week, reminisced about the interview he enjoyed with Miss Cass during the last campaign. Said Mr. Yarborough, "I will never forget the interview at the Friona airport by a 17-year-old reporter of your paper; her intelligent approach and the comprehensive, though tricky, questions were unmatched in my entire campaign!"

The Friona Piggy Wiggly and its genial manager, Bonnie Wilson, together with Villa Cafe Owner V. C. Krueger come in for commendation for their attention to the Chieftian football squad. These two firms give the football boys a free feed after each home game. And that is no small item!

Incidentally, scores on all out-of-town Chieftian games are posted at Krueger's at half-time and at the game end.

Betty Louise Rector vows that she knows something of how a hurricane might feel!

She, Lloyd, son Larry, Mr. and Mrs. Charles Rector and Romalee were at the Tri-State Fair the other evening when the wind, rain and hail converged to wreck havos on the fair grounds.

Luckily, the Rector party found shelter in a Bingo stand south of the midway, and experienced no trouble other than getting soaking wet! Betty reports she had to wade water near knee high to get back to the car. However, she saw the little stands and tents come blowing by, no doubt being a bit hard on the nerves. She remarked on one phase of the situation that certainly deserves mention. Though many of the carnival wares, bingo prizes, etc. were scattered and left unguarded, she saw none steal or appropriate any item.

Kinda helps one's faith in humanity, doesn't it?

In a left-handed salute to another Friona business, we find more and more that a community needs and should appreciate a funeral and ambulance service. We sincerely think our own Marcum-Claborn firm to be one of the most valuable assets to the area.

Wesley Foster has been on the ailing list in recent days; glad to see him back on the job for a few hours each day now.

Acting and perambulating like a 1956 candidate, Ralph Yarborough, erstwhile gubernatorial candidate, visited in Friona, Tuesday.

Despite the direct quotations from Mr. Yarborough, "I am not now a candidate," "I am not running," "This trip has no political significance," he was fooling no one, nor was he attempting to. The sly twinkle unmistakably came back into his eye each time he evaded the significance of his visit.

Nearest he came to explaining the faint, in our opinion, was his remarks that he did quite well in some East Texas localities in last election, but failed to convince the voters here of his aptitude for the governor seat, hence he was asking questions here as to voting trends and wants. He seemed happiest when any of his local supporters lended words of encouragement! Mr. Yarborough proved no exception, any candidate likes for folks to ASK him to run!

Whether you or I support Mr. Yarborough in 1956 is a matter of personal choice. The significant point is that the good old democratic way of election of government officials is beginning to function again, though a mite early this season it seems.

Mr. Yarborough and entourage were present at one of the most unusual conferences here that we surmise he has found. The Friona meeting was one of the most unusual political meetings we have

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN. — Granite in the capitol building is more radioactive than the dirt being used by Texas' mushrooming "uranium dirt-sitting" businesses. So say state health department officials.

Landowners near uranium strikes have erected benches and charge patrons \$2 to \$3 an hour to sit with their feet in the supposedly irradiated dirt. Hundreds of people seeking relief from arthritis and other aches have patronized the places.

After analyzing the dirt, Dr. Henry Holle, health commissioner, said that dirt-sitting does no actual harm—except that it may encourage an ill person to delay visiting a physician.

Farm Hearing Stated

Texas farmers can have their say on federal farm policy at a U. S. Senate committee hearing November 5 in Fort Worth.

John C. White, state agriculture commissioner, is arranging the meeting at the request of the committee chairman.

Drought Air Sought

Federal disaster aid is being sought for Texas' drought-stricken areas.

Gov. Allan Shivers asked President Eisenhower to designate as disaster areas counties to be specified by the U. S. Department of Agriculture state drought committee.

Crop Production Falls

Texas crops are falling below estimates, according to the USDA. Although above-normal amounts of rain fell in some areas, it did not come where and when it was needed most, said the reporter. Eastern and southeastern counties, where harvest already had begun, were soaked. But in the west and northwest, dryland cotton and sorghum fields languished.

Water Application Undecided

Still to be decided upon is the application for more Pedernales River water to irrigate U. S. Sen. Lyndon Johnson's Gillespie County farm.

Originally scheduled in July, hearing before the State Board of Water Engineers has been postponed three times. No new date was set last week.

Downstream landowners had protested that Johnson's water storage already worked a hardship.

Hospitals Approved

Five Texas hospital projects have been approved by the State Board of Health for federal aid money.

They are the Collin County Hospital at McKinney, City Hospital at Graham, city-county health center and All Saints Hospital at Fort Worth, and the Shelby County Hospital at Center.

Short Snorts

Former Deputy Secretary of Defense Robert B. Anderson, once considered a possible gubernatorial candidate, is apparently out of the running. He is to become president of Ventures, Ltd., a Canadian holding company with mineral interests spread over two continents.

Atty. Gen. John Ben Shepperd is the newly-elected president of the 53-member National Association of Attorneys General. He was elevated from vice-president until October 6. Also it will meet in Waco instead of Fort Worth.

Over the week-end Gov. Allan Shivers attended his first meeting of the National Civil Defense Advisory Commission, to which he was appointed by President Eisenhower. It was held in Omaha, Neb.

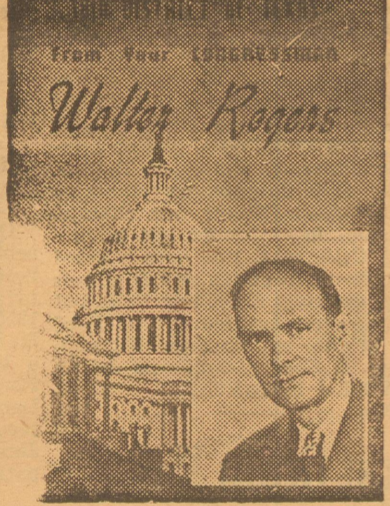

Mrs. Mary Joe Carroll, wife of a UT history professor, made feminine legal history by emerging as high scorer in state bar exams. She works for the Austin law firm of Looney, Clark and Moorhead.

Texas' new Advisory Committee on Atomic Energy, created by the Legislature, was appointed by Governor Shivers, with Dallas Attorney Frank Norton as chairman. Its 17 members were selected from major fields of actual and potential ac-

tivity in atomic energy research, development and application. Texas received another batch of 157,644 "shots" of Salk polio vaccine from Eli Lilly and Co., of Indianapolis. It went direct to commercial drug channels, to be used outside the school program, on doctors' prescriptions.

Irving school teachers, accused of "going on strike" in protest when their superintendent was temporarily fired, won a victory in district court in Austin. Judge Jack Roberts denied an application of Irving taxpayers seeking to compel Commissioner of Education J. W. Edgar to forfeit the teachers' certificates. Judge Roberts ruled that the plaintiffs had no "justifi-

Washington Views:

To the People of the 18th District:

TRANSPORTATION

One of the big battles shaping up in our domestic economy is the one that will be between the several segments of the transportation industry. This is a three-sided problem between the railroads on one side, the motor transportation (trucks and buses) on another side and the water carriers on the third side. The other mode of freight transportation, to wit, the airlines, are not primarily concerned in this fight because they are outside of the competitive field in which the railroads, the trucks and the boats find themselves. Their freight is very costly and does not appear to be in position to cause any trouble in the lower freight rate areas for many, many years. The entire fight will center around rates and regulations, because it is through this particular medium that each segment of the industry feels that it can gain benefits or be subjected to unbearable hardships.

President Eisenhower appointed a Presidential Advisory Committee on Transportation Policy and Organization to make a study of the problems and to recommend action thereon. This committee was composed of three members with an additional four persons who were listed as ad hoc participating members. The three member committee was headed by Secretary of Commerce Sinclair Weeks as chairman and the other members were Charles E. Wilson, secretary of defense, and Arthur S. Fleming, director of the office of defense mobilization. The ad hoc members were George M. Humphrey, secretary of the Treasury, Arthur E. Summerfield, postmaster general, Ezra Taft Benson, secretary of agriculture, and Rowland R. Hughes, director, bureau of the budget. This committee issued a report on Monday, April 18. This report has become highly controversial, and many people in this country are alarmed about it, especially those in the motor freight business. These people feel this report is definitely a pronouncement of administration policy because the members making up the committee are in either Cabinet or semi-cabinet status. It will be remembered that the report filed by the President's Fuel Committee

able interest" in the matter, and that the courts probably had no jurisdiction.

Texas Turnpike Authority received a low bid of \$1,856,822.07 on the first unit of construction of the Dallas-Fort Worth toll expressway. It was made by Austin Bridge Company and Austin Road Company, both of Dallas.

Lyle C. Harris, long-time member of the Board of Pardons and Paroles, died only two months after his appointment for a new six-year term.

Adlai Stevenson will make a non-political speech in Austin on September 28 in UT's Gregory gym.

Texas contractors look to 1956 as one of their biggest years in history. Future building projects already approved by federal, state and local government units total \$1,760,909,219.00. Construction during the first eight months of 1955 totaled \$861,610,219.00. That's \$58,000,000.00 over the same period last year.

Low bids totaling \$12,960,408.00 on 46 road building projects were tabulated last week by the State Highway Department.

Bond issues hit an all-time high of \$426,000,000.00 on public works projects in Texas cities, counties and school districts during the past year.

recommending discontinuance of federal control of the production and gathering of natural gas became highly controversial because of the possible political repercussions. At that time the President took the position that he did not consider that report pronouncement of administration policy, but only the recommendations of an advisory committee which he was not bound to follow. It might be pointed out that the Transport Advisory Committee had members on it who are much closer to the President and who have much more influence on the President than did the members on the Fuel Committee. This is the thing that is disturbing many of the people in the motor freight industry. They feel that the report is definitely a pronouncement of policy by those who are shaping many of the governmental policies at the present time.

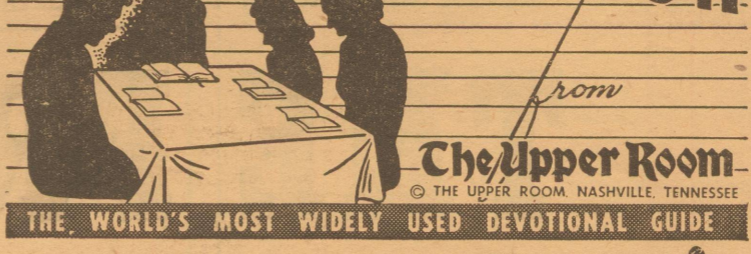

AN INVOLUNTARY VISITOR IN D. C.

The genial and able Carson County Agricultural Agent, H. M. "Nick" Nichols, has been recuperating in the Walter Reed Army Hospital. I have had some good visits with Nick, and he is getting along fine and hopes to be back on the job before long. He sends his regards to all of his good friends scattered throughout the Panhandle. He is getting more fan mail than most movie stars, although Nick has never tried to win any beauty contests. He was disturbed about not being able to answer these welcome letters because he had lost his glasses. However, he has now found them and is doing his best to catch up with his correspondence. It is good to have a chance to visit with Nick and be brought up to date with the many agricultural activities that he keeps up with so well.

QUESTIONS AND ANSWERS

We all worry about the many international and domestic problems and where we are going to find the answers. There are always so many questions and so few answers. I found out the other day that grown-ups are not the only ones who are plagued with this trouble. On our way back to Washington, we had stopped overnight in a southern town and had gotten up the next morning for an early start. I took the smaller children next door to a cafe for a bite of breakfast. One of them, between bites of a cantaloupe, asked me this question, "Daddy, why do they call a cantaloupe a cantaloupe?" If anyone has an answer to this, I would be glad to hear from them. Frankly, I had to refer him to his older brothers and sisters who have not yet been willing to listen to him. I don't think they know the answer.

TODAY'S Meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Luke 6:46-49.

When a flood arose, the stream brake against that house, and could not shake it: because it had been well builded. (Luke 6:48, ASV.)

History records many instances of chained Bibles but not so many, if any, of a chained church. About the turn of this century, a church in Darwin, North Australia, was wrecked by a cyclone. The faithful band of worshippers determined to guard against a repetition of such a disaster. They replaced the destroyed church by a steel-framed building chained at the corners to concrete anchor-blocks.

How important it is for us to anchor ourselves in God through faith in His Son, the Christ, so as to be able to withstand the storms of life! How subtly easy it is, when things are going well, to let faith slacken! We are then prone to imagine that keeping hold of God through prayer, Bible reading, worship, and by Christian fellowship and service does not matter much. But when sorrows, setbacks, and losses come; when illness, accident, or bereavement overtakes us, then we realize afresh the need for a daily virile, steadfast faith. As the result of such faith Jesus Christ can keep us serene and strong.

Prayer

O God, the all-loving and all-discerning, we seek Thy forgiveness for the feebleness of our faith. Inspire us afresh to a fuller commitment of our lives to Thee. In the face of storms, from within or without, keep us this day serene and strong; through Jesus Christ our Lord, Amen.

Thought for the Day

Secure in Christ, we are ready for any storm.
A. F. Ellemor (Australia)

Do You Remember...

28 YEARS AGO —

Mrs. Lula Harris opened Friona's first bakery.

Misses Virginia Lillard and Helen Crawford were injured while riding a horse. The horse became frightened and threw the girls into a barbed wire fence.

The Santa Fe Grain Co., owned by Carl Maurer, was robbed of \$90.00.

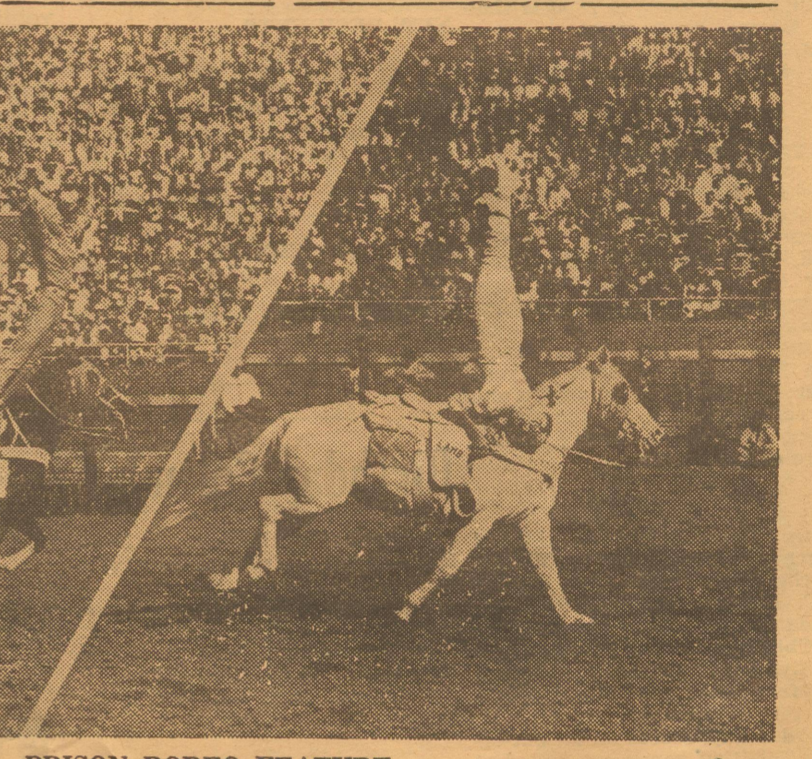

schools, with over 100 in high school.

The Star gave away many fine prizes in a contest to see who could sell the most subscriptions to The Friona Star. First prize was a 1927 Chevrolet Coach, won by Mrs. Erma Taylor. Second prize was a diamond ring won by Miss Ilene McFarland. Third prize was a white gold watch won by Miss Geneva Jones.

Many improvements were being made at Friona. A flour and feed mill was built, electric lights were installed in homes and businesses in Friona, and plans were being made for a paved road from Canyon to the New Mexico state line.

E. S. White fell from an 8-foot ladder and sprained one of his ankles. Mr. White was employed at the T. J. Crawford store when the accident occurred.

Carolyn Lange celebrated her second birthday with a party in her home. A few of the guests were Misses June Maurer, Jacquelin Wilkinson, Mary Sue Osborn and Masters Bobby Blackwell and Wilton Lillard.

PRISON RODEO FEATURE

Those perennial favorites for Prison Rodeo fans, Ted and Betty Lamb, will be on hand again at this year's 24th annual presentation of the famous penitentiary show when the Trick Riding event is called. The fancy riding Sister Act is booked for all five big Sunday afternoon performances, each Sunday in October in Prison Stadium, Huntsville.

VETERANS ? Box

Q—I am taking Korean GI farm training, and my monthly GI allowances so far have been reduced twice. Under the new law calling for top allowance rates for the first year, will VA make a retroactive adjustment, paying me the difference between what I received so far and what I would have received under the new system?

A—Under the law, retroactive adjustments will not be made. But, beginning in October, your monthly allowances will be refigured under the new system. You will receive the maximum allowance rate for the rest of your first year in training, after which your checks will be reduced at four-month intervals.

Q—I am getting a VA pension, and I recently inherited enough money to push my yearly income above the limit set for pensions. Am I supposed to report this fact to the VA?

A—Yes. You should promptly report your additional income, so that VA can discontinue your pension payments. If you do not report it, you may find yourself hard put, later on, to repay a sizable sum of money to the VA.

Q—I have a World War II GI term insurance policy. Is it possible to convert just part of it to a permanent plan, or must I convert all of it at once?

A—If you wish, you may convert only part of your GI term insurance to permanent insurance. However, the insurance must be converted in multiples of \$500, and the minimum amount that may be converted is \$1,000.

Q—I plan to start school this fall under the Korean GI Bill. Would it be possible for me to receive my GI allowance pay in advance, before I start class?

A—No. Under the law, the allowances are paid some time after the end of each month of training completed, an dnot before. Furthermore, after the month, you and your school will have to sign a certification stating you were in class all month. VA is allowed up to 20 days, after receipt of that certification, to send your check.

Mr. and Mrs. W. S. Ingram, Joy and Cindy were in Amarillo, Sunday afternoon, visiting Mr. and Mrs. Cleve Ingram.

Mr. and Mrs. Vernon Roberts and children were in Littlefield, Sunday, visiting Mr. and Mrs. Melvin Ross.

Mr. and Mrs. I. T. Graves, Sr., of Stanton, Texas, spent last week-end with Mr. and Mrs. I. T. Graves, Jr. Rev. Sharp of Hereford was a dinner guest of Mr. and Mrs. Fred Helmke, Sunday.

CHECKMATE, or who got me in this predicament, seems to be the philosophy of Cicquot. The poodle's master played in the Valley of The Moon Chess Festival at Sonoma, Calif. (UP PHOTO)

SPECIAL INTEREST

\$134.⁶⁸ for your \$75

Your money's more than safe—it's earning a handsome return
... when you put it into Savings Bonds.

Savings Bonds yield a handsome return!

Friona State Bank

Your money's more than safe—it's earning a handsome return
... when you put it into Savings Bonds.

Savings Bonds are a great way of saving for things like new farm buildings ... a tractor replacement ... the children's education and your take-it-easy years. For every \$75 you put away now you can count on \$100 in 9 years 8 months ... \$134.68 in 19 years 8 months.

And buying Savings Bonds at our bank is easy. There's no red tape. If you like, we'll enroll you in the Bond-A-Month plan—your account with us will automatically buy you a Savings Bond each month. So get aboard the "Bond wagon" right away!

If you're interested in Savings Bonds for current income, by check every 6 months, ask for details on Series "H" Savings Bonds.

Your banker can show you how Savings Bonds fit into your picture. Come in and talk it over!

Social Events, Parties, Clubs

Game Night Conducted
By Legion, Auxiliary

Tuesday night was game and social night for the Friona Legion and Auxiliary. Hosts were Mr. and Mrs. Joe Mann and Mr. and Mrs. Casey Adams. Games of forty-two and canasta were played during the evening.

Attending were Mr. and Mrs. Joe Brummett, Mrs. Earl Drake, Mr. and Mrs. Lloyd Mings, Mr. and Mrs. V. R. Jordan, Mr. and Mrs. Runt Massey, Mr. and Mrs. Joe Mann, and Mr. and Mrs. Casey Adams. Commander Joe Brummett reminds all Legion members that dues should be paid before October 1, as price of dues will be raised after that date.

FACULTY SOCIAL PLANNED

The Crusaders Class of the Methodist Church will entertain members of the Friona school faculty Monday night, September 26, at 7:30 o'clock in the Methodist Church annex.

All faculty members are invited to attend.

Surprise Party Was Given Dan Tims

Mr. Dan Tims was honored with a surprise birthday party Tuesday night in his home.

Guests were Mr. and Mrs. Eugene Bandy and boy, Mr. and Mrs. Doyce Barnett and baby girl, Mr. and Mrs. Max Cruise and baby girl, Mr. and Mrs. Billy Dean Baxter and children, and Mrs. Dan Tims.

Refreshments of ice cream topped with fresh peaches and cake were served. The group then played games.

Next Teen Twenty Dance Scheduled October 1st

There will be a Teen-Twenty dance Saturday night, October 1, at the Friona American Legion hall beginning at 8:30. Arrangements are being made to have a string band.

The dance will be a "come as you are" dance. Refreshments of Cokes and cookies will be served. The dance will be chaperoned by three married couples. All young, single people are urged to attend.

Sunday afternoon visitors in the Calvin Martin home were Mr. and Mrs. Earl Williams and Mr. and Mrs. Bill Lock of Lamar, Colo.

Mr. V. M. Ferguson visited in Plainview, Sunday, with his sister and family, Mr. and Mrs. Lewis Miller.

Large Number Present At Carter Reunion

The annual Carter family reunion was held Sunday, September 18, at the Mackenzie State Park at Lubbock. A large basket dinner was served. Seventy-two people were present, and a lot of friends from Crosbyton, Brownfield, Lubbock and Tahoka visited that afternoon.

The five brothers of Mrs. J. M. Bradley of Friona were there to meet her. Others from Friona attending were Mr. and Mrs. C. D. Carter, Mrs. Carol Dean Dunn, Dona and Roy, Mr. and Mrs. Clarence Martin, Martha, Larry and Mike, Mr. and Mrs. W. S. Crow, Joy and Earl.

Attending from Amarillo were Mr. and Mrs. D. E. Coldiron, David and Ronnie, Mr. and Mrs. Boots Deatherage and Gary, Mr. and Mrs. Carlos Moore, Lavon and Jackie.

The reunion was dismissed at 4 o'clock Sunday afternoon with a talk from Mr. C. C. Carter of Rotan, the oldest brother of the Carter family, and with a prayer by Roy Carter.

A prayer of thanksgiving was given at the lunch hour by Harce Carter. The next Carter family reunion will be held the fourth Sunday of August next year, at the same place.

Mesdames Schlenker And Dean Were Hostesses

The Ladies Aid of the Friona Congregational church met Wednesday afternoon. Hostesses were Mrs. F. T. Schlenker and Mrs. Elmo Dean.

The devotional was given by Mrs. George Treider, and a talk on Indian Attitudes was given by Mrs. Zola Cranfill.

Refreshments were served to the following members: Mesdames L. F. Lillard, Walter Loveless, C. C. Maurer, F. W. Reeve, Bert Shackelford, Otho Whitefield, Charles Wise, George Treider, O. F. Lange, and the hostesses, F. T. Schlenker and Elmo Dean.

Betrothal of Iva Brooks Announced by Parents

Mr. and Mrs. Alvin Brooks of Friona announce the engagement and approaching marriage of their daughter, Iva, to Urschel Perkins, son of Mr. and Mrs. A. W. Perkins of Troupsdale, Okla.

Wedding vows will be read on Saturday evening, October 1, at 6 o'clock, at the Sixth Street Church of Christ.

All friends of the couple are cordially invited to attend.

Personals

Mr. and Mrs. Buford Taylor and Mr. and Mrs. S. J. Sanders all of Mineola, Texas, are visiting this week with Mr. and Mrs. B. E. Sanders and other relatives in Friona.

Mrs. Kenneth Cass had supper with her parents, Mr. and Mrs. L. J. Jones of Snoech, Monday night.

Mr. B. E. Sanders was in Hereford on business Tuesday morning.

Mr. and Mrs. Nelson Coon visited with her parents, Mr. and Mrs. M. C. Holcomb, in Seminole last week-end.

Mr. and Mrs. M. B. Buchanan attended the sixtieth wedding anniversary of Mr. and Mrs. J. W. Sides of Bovina, Sunday. Mrs. Mabelle Hartwell and Mrs. Schlenker of Friona also attended the anniversary.

Mr. and Mrs. G. H. Brock attended the funeral of Will Wimberly in Lubbock last Thursday. The funeral was held in the St. Johns Methodist Church.

Mr. and Mrs. Eules Miles of Hereford spent Sunday with Mr. and Mrs. J. R. Coker.

Sunday dinner guests in the Billy Turner home were Mr. and Mrs. Bob Coker.

Mr. and Mrs. C. M. Reese and children of Amarillo spent Saturday night with Mr. and Mrs. J. A. Wimberly.

Mr. and Mrs. J. Wimberly of Muleshoe and Mr. and Mrs. Warren Powers of Lubbock spent Sunday with Mr. and Mrs. J. A. Wimberly.

Tuesday visitors of Mr. and Mrs. W. D. Howard were Mrs. Don Kennedy and Mrs. Homer Smith of Clovis.

Mr. and Mrs. C. M. Mears visited in Lubbock and Shallowater last week-end with friends and relatives.

Mrs. G. L. Hough, Sally and Larry, and Jannie Parker spent last Sunday at Lake Conchas.

Mr. and Mrs. C. L. Smith of Lexington, Okla., are visiting this week with Mr. and Mrs. W. D. Howard.

Mr. and Mrs. Jake Lamb spent last week-end at Memphis visiting Mr. and Mrs. Jim Valence and Mr. and Mrs. D. V. Sasser. They also attended a homecoming at the Memphis park.

Mr. and Mrs. W. H. Gammon were vacationing in California last week.

Kitchen Features, Methods Presented In "TV" Program of Modern Study Club

Thirty-two members of the Modern Study Club met Tuesday night at the clubhouse for a study program on "Kitchen Capers." Quotation for the program was "No matter where I serve my guests, they always like my kitchen best."

Roll call was answered by each member telling of an outstanding feature of her kitchen—good or bad.

Naomi Class Met In Rudolph Renner Home

The Naomi Sunday School class of the First Baptist church met Thursday, September 15, in the home of Mrs. Rudolph Renner. Mrs. Homer Hyde was assistant hostess.

After the business meeting a social hour was held. The Sunday school teacher, Mrs. Clyde Hayes, was presented with a Lazy Susan as a gift of appreciation for her work.

Refreshments of cake and punch were served to Mesdames Cenia Brown, T. E. Wood, Beatrice Stevick, Wesley Hardesty, Fred Dennis, Bess Elliott, Truitt Pool, Clyde Hayes, Mrs. Homer Hyde, Mrs. Rudolph Renner, and Mrs. Price.

Dunn-Parker Vows Were Exchanged

Mr. and Mrs. Cayce L. Dunn have announced the recent marriage of their daughter, Kathryn Anne, to Billy Lee Parker of Friona.

Rev. Harris, pastor of the Guymon, Okla., Methodist Church, read the double-ring ceremony in the wedding chapel of the Guymon Methodist Church.

Mr. Parker is the son of Mr. and Mrs. Lee Parker of Friona.

Hub H. D. Club Met at Bingham's

The Hub Home Demonstration club met Thursday, September 15 in the home of Mrs. O. D. Bingham. A business meeting was held and Mrs. Gertrude Renner gave a report on the Home Demonstration convention that she had attended in San Antonio recently.

Refreshments of coffee, cake and cokes were served to the following members: Mesdames Mildred Walters, Underwood, Ted Thompson, Clyde Black, John Renner, John Thomas, James Mabry, Dorothy Ellis, O. D. Bingham, and Gertrude Renner.

The next meeting of the club will be on October 6 in the home of Mrs. Clyde Black.

Legion Post Feted Girls Who Helped in Fair

All girls who assisted the Legion and Auxiliary during the fair were entertained by the local post with a dinner in the Silver Grill and a movie in Clovis Friday night, Sept. 16. Phyllis Fairchild, who was sponsored by the Legion and Auxiliary in the fair queen contest, also attended.

Each of the girls were presented with corsages. Attending were Phyllis Buske, Doris Jane McFarland, Betty Agie, Phyllis Fairchild, Eugenia Landrum, Sally Osborn and the adult sponsors, Mr. and Mrs. L. A. Jones, Mr. and Mrs. Lloyd Mings, Mr. and Mrs. Casey Adams and Mr. and Mrs. Joe Brummett.

Commander Joe Brummett also wishes to express the post's appreciation to all who helped in any way during the fair.

The program was presented as a TV show, with Willard Stewart discussing "Space Capers," or ways to plan a kitchen to fit individual needs and to utilize space; Valoris Osborn told of "Time Capers," or effective use of time in cooking, shortcuts and ready-prepared time savers. "Cooking Capers" were discussed by Louisa Wilson, Vera Bainum, and Ilene Osborn. They told of short cuts for cooking vegetables, salads, oven meals, one-dish meals and desserts.

Miss Sally Osborn presented two piano numbers during the evening. The serving table was laid with a white linen cloth and held a centerpiece of petunias and Bells of Ireland. The speaker's table featured an arrangement of assorted sizes and vari-colored tomatoes.

The hostesses, Louisa Wilson, Vera Bainum and Ilene Osborn served different kinds of hot rolls, sweet rolls and orange bread, butter and preserves and hot tea and coffee to the members and two guests, Doris Boggess and Fern Awtry.

Frionans Attended Open House at J. W. Anthonys

Mr. and Mrs. John W. Anthony of Elida, N. M., celebrated their 60th wedding anniversary Sunday with an informal open house.

Attending the anniversary celebration from Friona were the following: Mr. and Mrs. Jean Anthony and Darrell, Mr. and Mrs. A. W. Anthony, Jr., and Dennis, Mr. and Mrs. Elmo Drake, Mr. and Mrs. A. W. Anthony, Sr., Mrs. Estis Bass, Barbara, Betty and Ernest Anthony, Mr. and Mrs. Lewis Smith and David, Mr. and Mrs. Hoyt Smith, Danny, Adele, Mike and Linda, Mr. and Mrs. J. L. Smith, and Mr. and Mrs. C. L. Vestol and children.

Mr. John Anthony is a brother of Mr. A. W. Anthony, Sr., and Mrs. J. L. Smith.

Club to Conduct Bake Sale Saturday

Members of the Home Study Club met in the home of Mrs. Erma Lea Tims Thursday afternoon, September 15. President Lillie Baxter was in charge of the business session, with the minutes read by Mrs. Mary Barnett, secretary.

The club voted to have a bake sale Saturday, Sept. 24, in the Maurer Machinery Company show room. They also voted to elect officers each September, and discontinue the club meetings in May and begin the new club year in September. Officers will be elected at the next meeting. The club constitution was read by the secretary and approved by the members.

Refreshments were served to eleven members and several children, by the hostess, Mrs. Tims.

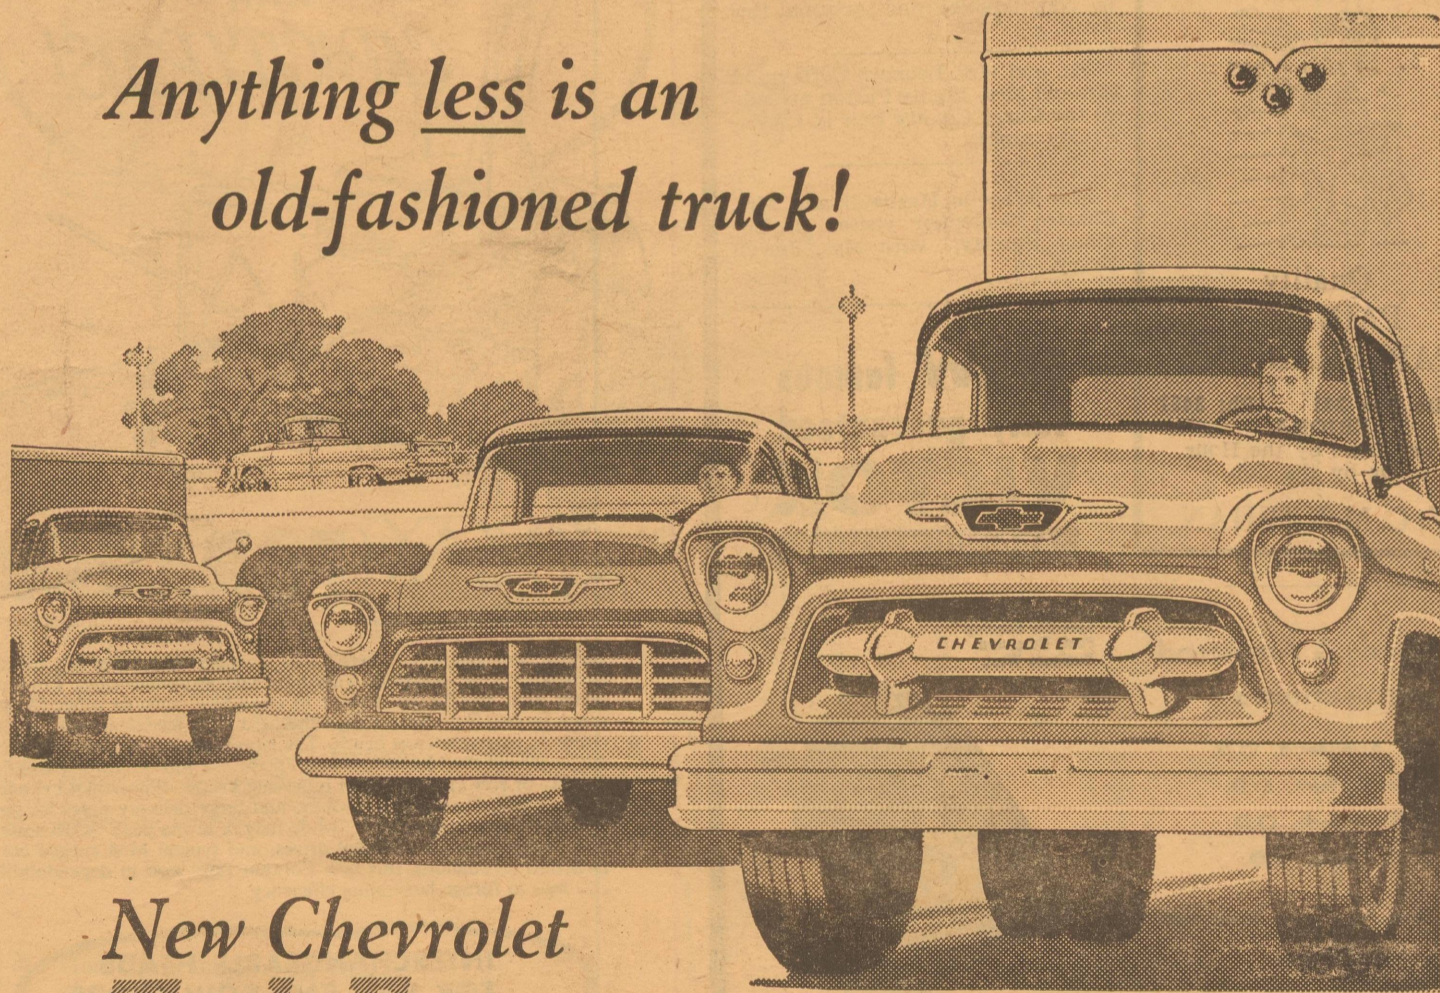

The next meeting of the club will be Sept. 29 at 2:30 p. m. in the home of Mrs. Charles Sanders. There will be a party for members and their families at the home of Mrs. Joy Linderman September 22.

Seventy Girls Join Jr. High Pep Club

The Junior High Pep Club has been organized with approximately 70 girls joining. Pep leaders are LaVada Hand, Cynthia Caffey, Jacquelyn Magness, and Barbara Verner. Twirlers are Darla Bingham, Mary Jane Grubbs, Gwen Green, and Carolyn Crump. Sponsor is Mrs. Clyde Butler.

The Pep Club will go to Hart, Tuesday, with the Junior High football boys. The game will be at 7:30.

Anything less is an
old-fashioned truck!

New Chevrolet Task-Force Trucks

Most modern trucks on the road! If you don't get all the advantages they offer, you stand to lose money on the job today... and again at trade-in-time!

Most modern power—V8 or 6. In most new Chevrolet truck models, you have your choice of V8* or 6. Chevrolet's new truck V8's have the shortest stroke of any V8 in any leading truck! That means less friction and wear per mile. And all Chevrolet truck engines have a modern 12-volt electrical system for quicker starting, better ignition and a greater electrical reserve.

The truck driver's "dream cab" With wide panoramic windshield, concealed Safety Step and High-Level ventilation system.

Work Styling—a Chevrolet exclusive. Two fresh, functional styling treatments—one for light- and medium-

Chevrolet Truck Work Styling is well illustrated in these four models ranging from the Low Cab Forward and Come Carrier at left to the pickup and tractor-trailer unit at right.

duty models, another for heavy-duty. Your Chevrolet truck will do your job better—and look better!

Most modern features throughout. Advanced suspensions! More rigid, ladder-type frames! Tubeless tires standard on 1/2-ton models! Come in and see all the ways you're way ahead with new Chevrolet trucks!

*V8 standard in L.C.F. models, an extra-cost option in all others except Forward Control models.

Year after year, America's best selling truck!

HERE'S THE FORAGE HARVESTOR WITH CAPACITY PLUS!

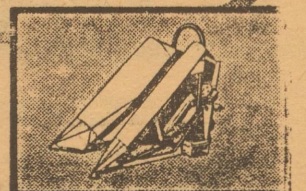

the NEW MINNEAPOLIS-MOLINE FORAGOR MODERN MACHINERY

Hay or row crops... here's new capacity that takes big forage harvesting jobs in stride! This new Minneapolis-Moline Foragor teams with any 2-plow tractor to chop hay, corn or other forage crops in one fast trip through the field. The feeder apron mounts either hay or row-crop heads. The heavy-duty cutter mounts four 16" hardened steel knives on a 3/4" plate... you set cutting length for hay or row crops without removing knives. Powerful 4-cylinder MM engine, big capacity blower, and large delivery pipes let you handle forage crops fast... while they're at the peak. With sealed ball bearings on all principal drives, and typical MM rugged construction throughout, this new Foragor rates tops in dependability... tops in forage harvesting efficiency.

INTERCHANGEABLE HEADS FOR HAY AND ROW CROPS

This hay pickup does a fast, clean job of picking up windrowed crops. Features: 1" wide pickup drum; rake-bar feeds two speeds for green or dry hay.

Row crops go from field to cutter knives in 1/2 time when you harvest them with this row-crop head. Simple height adjustments get more of your crop.

Scouting Events: Legionaires Go To Clarendon Meet

TROOP I
Brownie Troup I met Monday, September 19, at the Clubhouse. Officers for this year were elected. Elected were: President, Sheryl Long; Secretary, Merlene Massey; Treasurer, Jan Wells; Reporter, Karen Sue Osborn.
Refreshments of Fudge Sticks were served to the following members and leaders: Betty Ann Bass, Dixie Chitwood, Linda Joe Davis, Kathryn Evans, Donna Fulks, Suzan Lamb, Sheryl Long, Merlene Massey, Jerene Massey, Barbara Neff, Karen Sue Osborn, Linda Rector, Brenda Sherley, Susy Smith, Carol Struve, Jennie Taylor, Jan Wells, Jenene Wyly, Lynn Wilson, Sherry Woodley, Mrs. Bill Stewart, Mrs. West Long, Mrs. Earnest Osborn.
Brownie Troup I will meet each Monday at the Friona Club house.

CLARENDON. — Members of the American Legion and Auxiliary from posts in the 18th Congressional District will gather here Saturday and Sunday, September 23 and 24, for their annual fall convention and will hear two outstanding speakers.
These will be Joe L. Matthews of Fort Worth, state membership and post activities chairman for the American Legion, and Earl Rudder, the latter commissioner of the general land office. Matthews and Rudder will address the convention Sunday.
An election will be held at the Sunday afternoon business session to elect an 18th District Commander to fill the un-expired term of Paul Spillman of Wellington. Spillman has been elevated to department vice-commander when recently elected Fifth Division Commander.

TROOP VIII
Officers were elected for Brownie Troup VIII at the meeting Monday afternoon.
Elected were Sharon Reeve, president; Cynthia Guinn, vice-president; LaVoyce Burrow, secretary-treasurer; and Wanda Ready, reporter.
After the business meeting, refreshments were served by Linda Johnson.

The annual convention dance will be held Saturday evening. A number of strong local committees have been named from the Clarendon post to make the convention an outstanding success.
Division Commander Spillman will preside at the session until his successor as district commander is chosen.

CARD OF THANKS

We wish to take this means of thanking the people who sent flowers, and food, and for their kindness shown during our recent loss of our mother.
May God bless each of you.
The Douglas Family.

Porter Wyly and Lynston Averitt of Tucumcari spent Monday night with the James A. Wyllys.

Mr. and Mrs. Leonard Coffey visited their parents in Melrose, Sunday. Mr. and Mrs. Floyd Skeen are Mrs. Coffey's parents, and Mr. and Mrs. J. L. Coffey are Mr. Coffey's parents.

TROOP VII
Girls Scout Troup 7 met Monday afternoon at the Sixth Street Church of Christ. A business meeting was held and officers were elected. Elected were Pamela Sue Roden, president; Jimette McClain, secretary; Karen O'Brian, treasurer; Donna Baker, song leader; and Carol Coffey, sergeant-at-arm.
Leaders are Mrs. Lynn Chitwood and Mrs. Ella Lamb. Janet Whitten served refreshments of cookies and Kool-Aid to 10 members and the two leaders.
The Girl Scouts will meet next Monday at the Sixth Street Church of Christ.

COOKING WITH DOUGH — Marine Capt. Richard Sherrill McCutchen and wife, Betty, look over books on cooking after he reached the \$16,000 level on television quiz show "The \$64,000 Question". McCutchen selected food and cooking as his category.

Pvt. Paul Lloyd Finishes Personals Ft. Benning Course

FORT BENNING, Ga.—Pvt. Paul R. Lloyd, 20, son of Paul L. Lloyd, Bovina, Texas, recently was graduated from the Infantry School's airborne course at Fort Benning, Ga. The course trains volunteer officers and enlisted men of the Army to be qualified parachutists. Students are required to make five jumps.
Private Lloyd entered the Army last January and completed basic training at Fort Ord, Calif. He was last stationed at Fort Leonard Wood, Mo.
He attended Bovina High school. His wife, Paula, lives at 4424 Poinsette Dr., Fort Worth.

Mrs. Sam Jones visited Sunday with Mrs. Eddie Meil.

The J. V. Housers and the Steve Struves were in Amarillo for the Ice Follies, Tuesday night.

Mr. and Mrs. Gilbert Wenner and baby, and Alfred Beavers and Joyce Hadley attended the fair at Amarillo, Tuesday.

Billy Hanks and George Hanks of Hobbs, N. M., visited Mr. and Mrs. Jimmy Baxter, Monday. Billy Hanks is Mrs. Baxter's brother.

Sunday dinner guests of the Charles Mercers were Mr. and Mrs. Jim Shaffer, Mr. and Mrs. James Boyle, and Mr. and Mrs. Joe Estray of Earth, Texas.

Mrs. Mayme Adams and a cousin, William Stone, returned Thursday from Oklahoma. They were visiting friends and relatives near Woodward.

Long Range Scout Program Is Told

The Boy Scouts of America will launch on January 1, 1956, a four-year program known as "Onward for God and My Country" to help prepare America's boyhood to live in today's world and to prepare them to carry their full share in the days ahead, it was announced by W. J. Hiatt, Scout executive of the Llano Estacado Council of the organization.

Mr. Hiatt and three men on this staff are leaving Wednesday, August 31, for the Tenth National Training Conference of over 2,700 Boy Scout executives, full-time professional leaders of the organization, to be held at the University of Michigan, Ann Arbor, Mich., from September 2 to 9.

Attending the conference with Mr. Hiatt from this area are: Harry DeLashmatt, Jr., and W. M. Teague of Amarillo, and O. D. Ferguson of Dalhart.

Before starting for the conference, Scout executives throughout the nation have been evaluating successful methods and techniques to make effective the new program. There are six major study areas in the fields of Administration, Program Enrichment, Financial Support, Membership, Manpower and Planning and Use of Tools. Each major subject has been developed by 90 local Boy Scout Councils among all of the twelve Scout regions into which the nation is divided.

Throughout the conference there will be elective subjects, discussion groups, guest speakers, exhibits and special programs. The electives alone cover 94 subjects. Among them are Cub Scouting, Boy Scouting, Exploring, all types of outdoor and indoor activities, finance, relationships with other agencies and local Council procedures in administration.

Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts of America and chairman of the conference, will present the opening challenge during the first formal session Friday evening, September 2, in the Hill Auditorium. He has been active in Scouting for 42 years both as a volunteer and professional leader.

Dr. Herold C. Hunt, Elliot Professor of Education, Harvard University, Cambridge, Mass., will speak Saturday evening, September 3, on "American Ideals and Their Promotion Through Scouting."

At a Convocation Sunday morning at 10:45 in Hill Auditorium, four religious leaders will speak.

Most Rev. Richard A. Gerow, T.T.D., Bishop of Natchez, Miss., Roman Catholic Church, chairman of the Catholic committee of Scouting will speak for the Roman Catholic Church.

Elder Elbert R. Curtis, of Salt Lake City, Utah, general superintendent of the Young Men's Mutual Improvement Association, church of Jesus Christ of Latter-Day Saints, will speak for the Mormon Church.

Rabbi Abraham J. Feldman, D.D., of Hartford, Conn., president of the Synagogue Council of America, will speak for the synagogues of the nation.

Rt. Rev. Hazen G. Werner, D.D., L.L.D., of Columbus, Ohio, Bishop of the Ohio Area of the Methodist Church, will speak for Protestant and Eastern Orthodox Catholic churches. Dr. Arthur A. Schuck, Chief Scout executive, will express the appreciation of the Scout executives to these religious leaders.

An international brotherhood night will be the feature of the Sunday evening (September 4) program. Col. John Skinner Wilson of London, Honorary President of the Boy Scouts' International Committee, will speak on "Development of World Scouting" and Major General Dan C. Spry, director of the Boy Scouts' International Bureau in London, will talk on "Present International Scouting and Its Future." Representatives of 50 nations having Scout Associations will attend the conference.

John M. Schiff of Oyster Bay, New York, president of the Boy Scouts of America, will deliver the "President's Message," Monday evening, September 5.

Harold E. Stassen, special assistant to the President of the United States, will speak on "Youth in a Free World," the same evening.

"I'm a Gangster" will be the subject of the address Tuesday evening, September 6, by William G. Power, advertising manager, Chevrolet Motor Division of the General Motors Corporation.

Congressman Walter H. Judd of Minneapolis, Minn., will speak Wednesday evening, September 7.
Bishop Donald H. Tippett of the Methodist church, San Francisco, Calif., will speak Thursday evening, September 8, on "America's Spiritual Needs and Their Promotion Through Scouting."

At the final evening session, Friday, September 9, Dr. Stephen B. Withey of the Survey Research Center, University of Michigan, will present highlights from the "Study of Adolescent Boys," recently conducted by that organization for the Boy Scouts of America.

Dr. Schuck will then deliver the final challenge and the conference will end with a tableau entitled "Onward for God and My Country."

Reporting to the nation's Scout executives, Dr. Schuck announced that 4,000 persons, including executives and their families will be in attendance.

"We have received scores of letters from men of position and importance throughout America," wrote Dr. Schuck, "congratulating us on our 'Onward for God and My Country' Four-Year Program. Many have expressed the belief that the National Training Conference will contribute much to further the value of our program in the life of America."

Castro County Water Reserve Study Is Third in Water Conservation District Series

Local Church Notes

The portion of Castro County within the boundary of the High Plains Underground Water Conservation District covers about 540,000 acres of land. (The total area of the county is 560,640 acres.) The underground reservoir in the Okallala formation beneath the area within the district contains approximately 15,900,000 acre-feet of ground water in storage available for pumping.

The map in plate 1 shows the thickness of the water-bearing strata and the redbeds in 1938 before an appreciable amount of water had been pumped from the reservoir. The map in plate 2 shows the decline of the water table from the spring of 1938 to January, 1955.

The volume of water remaining in the underground reservoir was determined by subtracting the volume of material unwatered since 1938 from the total volume of saturated material in 1938 and multiplying the remainder by the coefficient of storage of 15 percent. These data show that 17,200,000 acre-feet of water was in storage available for pumping in 1938, and that 1,300,000 acre-feet of water has been removed from storage since 1938. In other words, 7.6 per cent of the volume of the available water has been removed from storage since 1938. Approximately 850,000 acre-feet or about 65 per cent of the volume of water removed from storage was pumped during the 5-year period from January, 1950, to January, 1955.

Early Migration Of Waterfowl Seen

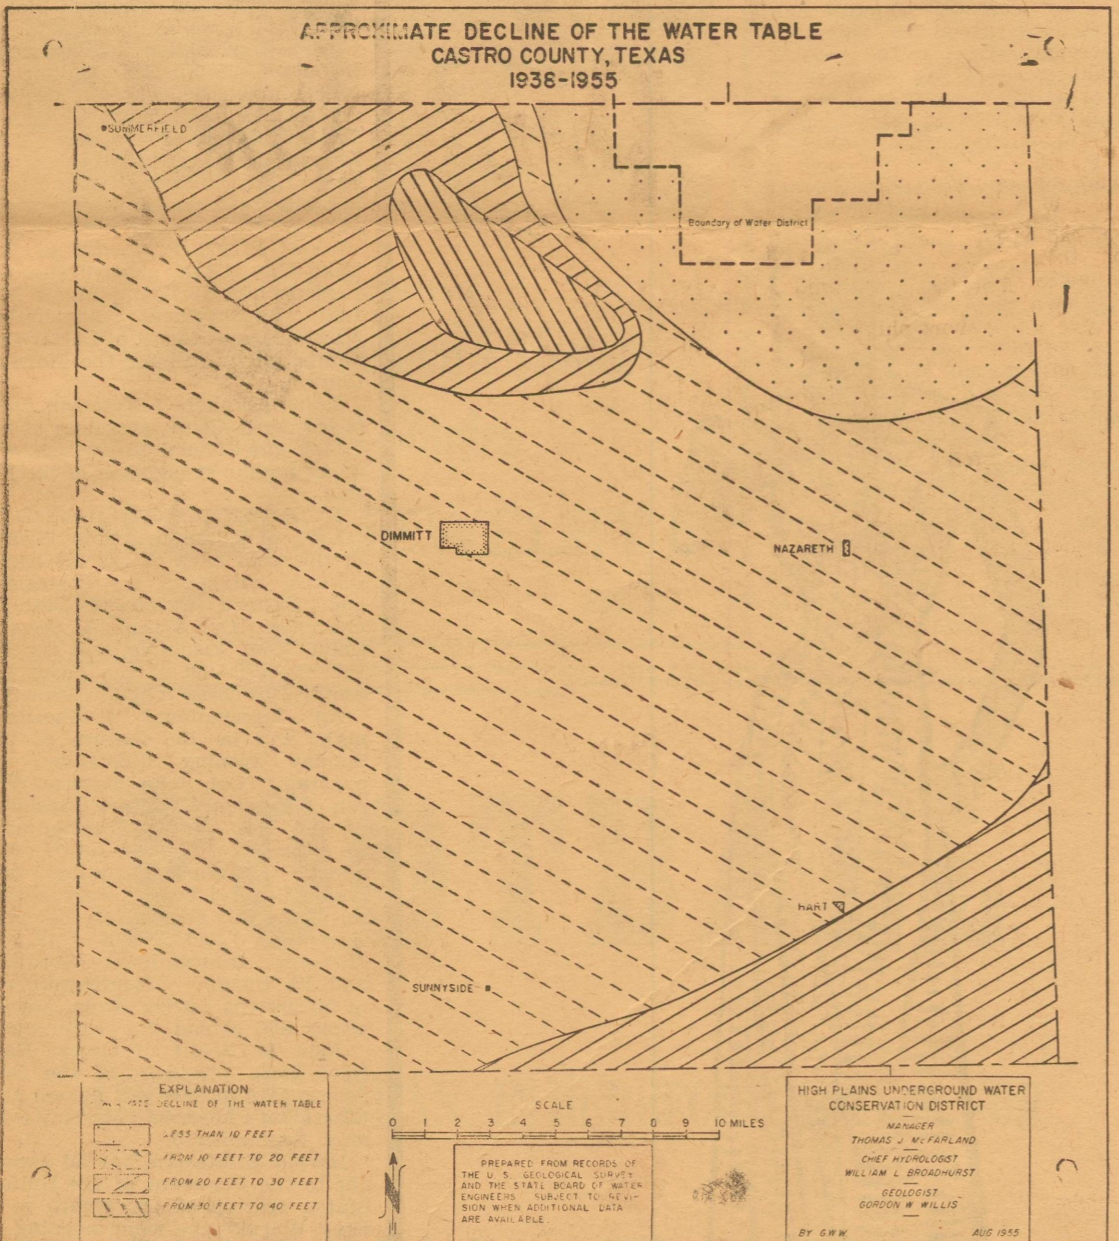

AUSTIN. — The migration trend among the preliminary flights of southward bound birdlife seems a little ahead of schedule this fall, Game Warden Tom Waddell of Eagle Lake reported to Austin headquarters of the Game and Fish Commission.

Waddell, veteran field observer down in the Colorado County concentration area, said the first cool spell reached the fringe of the Gulf Coast area about ten days early and had a proportionate effect on migrants.

Among the ducks, blue wing teals and pintails arrived on the average time and in normal numbers but the fleet green winged teal came in unusually large numbers yet at about the usual time.

Assorted song birds moved in, bunched up and got ready for further southward movement strictly on schedule, said Waddell, who has kept comparative records on wildlife movement for more than 30 years.

And he noted that live oak acorns started falling ten days earlier this year than last and the buck deer began rubbing velvet off their horns 14 days earlier this year. "So fall looks a little early," he concluded.

LEGAL NOTICE

THE STATE OF TEXAS
COUNTY OF PARMER

Know all men by these presents: That we, Nelson Welch and John W. Blackburn, doing business as WELCH AUTO SUPPLY, a partnership, located at 507 Main Street, Friona, Parmer County, Texas, hereby give notice to the public of our intention to incorporate said business partnership as a business corporation effective immediately, by and under the laws of the State of Texas; we also hereby give notice that said business corporation will continue to be known as WELCH AUTO SUPPLY, but that said business is now a corporation rather than a partnership as it formerly was before incorporation.

Witness our hands at Friona, Parmer County, Texas, this 30th day of August, A. D., 1955.

(Signed) Nelson Welch
(Signed) John W. Blackburn

THE STATE OF TEXAS
COUNTY OF PARMER

BEFORE ME, the undersigned, a Notary Public in and for said County and State, on this day personally appeared Nelson Welch and John W. Blackburn known to me to be the persons whose names are subscribed to the foregoing instrument, and acknowledged to me that they executed the same for the purposes and consideration therein expressed.

GIVEN UNDER MY HAND AND SEAL OF OFFICE this the 30th day of August, A. D., 1955.

(Notary) W. H. Sheehan
Notary Public in and for Parmer County, Texas

Farm Bureau Report

BY RAYMOND EULER

Texas Farm Bureau "Leadership Pins" will be presented to leaders in 4-H, FFA and FHA young people at your county convention this year. Recipients will be selected by their teacher or sponsor.

Your county officers and directors are deeply interested in your being present at the county wide open forum meeting, date of which will be announced soon, to discuss your desires on state and national issues that determine your income and freedom in your vocation. From these discussions, the resolutions committee will endeavor to draw up resolutions embodying those desires, for presentation at the county convention, which will be held ten days or so following the open forum meeting. Resolutions approved the convention will be presented to delegates of Texas Farm Bureau at Fort Worth in November. If you want 90 per cent of parity government supports without regard for supply and demand, all you have to do to get Farmer County Farm Bureau to support that is attend meetings to which you are invited and vote with the majority for that. If you think parity percentages should be dependent on supply and demand by a reasonable formula, then vote with the majority on that, and that will be the county policy. If you like the idea of producing on all but ten or fifteen per cent of your acreage, and planting what you want to, you may favor the "Land Fertility Bank" program, presently supported by Farm Bureau. But whatever you want, come and say so. That is the only way your representatives can know what you want them to work for. And you can be sure they are working on these things when they would like to be spending the time on their own farm, producing.

Here are a few short philosophical lines we think you may enjoy thinking on: A fool always finds some greater foll to admire him. (Boileau) Wouldn't it be wonderful if all the people who are educated were also intelligent? (N. J. Maberry) Live only today, and you ruin tomorrow. (C. Simmons) The less men think, the more they talk. (Montesquieu)

These quotes from the Defender Magazine.

CONSIDER THIS: Be not thou one of them that strike hands, or of them that are sureties for debts. Proverbs 22:26.

Hunters Inflict Power Line Damage In Friona Vicinity, REA Office Reports

Now that dove hunting season is here, we hope you will not shoot at birds resting on electric line insulators! Every year in hunting season, we replace electric line insulators which have been shot with rifles or shotguns. The most unfortunate part of this practice is that many times insulators cracked with rifle or shot gun shells continue to operate days or weeks later when the rain comes along and then the power line is shorted out.

As an example of the damage that shooting insulators by unthinking hunters can do, Saturday afternoon at 3:35 o'clock, September 19, our lineman was called and informed that a circuit was out southwest of Summerfield. In fact, we got calls from almost everyone in that area who had telephones, which included among others, the O. T. Patterson family, Mary Schlab, J. R. Southward, Mrs. Flip-pin, Loyce Carmichael, the Greens and the Eulers. With all of this trouble reported, the men also found that the Black area was out of service.

The men closed the breaker and it stayed on about twenty minutes, which led them to believe that lightning had caused the trouble. After the second failure, the linemen were dispatched to patrol the entire line and on Sunday morning, after fourteen hours of searching, they found that someone had shot insulators south of Mrs. Flippins place. In fact the shot insulators were all along the line. This is an example of what careless shooting can do to service in the rural areas. We only hope that all you people who were out of service Saturday night and Sunday will start out after the insulator shooters, as they are the only ones that can help you avoid such outrages.

During this same Saturday night, we were called to the Bovina area and four miles north of Bovina, where we eventually found four shot insulators.

Between the J. T. Guinn place northwest of Friona, and the E. M. Jack farm, the hunters really hit the jackpot in that they found nine insulators that had been destroyed by hunters, either through maliciousness or carelessness.

Please! Mr. Hunter, if you are going to be out with a gun, use a little common courtesy and do not shoot at anything on a power line as you will probably cause a number of your neighbors to be out of service for an indefinite length of time. In addition, remember that it often costs as much as \$200.00 to fine one insulator that has been shot.

The poet said, "Woodman, spare that tree." We say, "Hunter, spare that insulator!" Please!!

Mr. and Mrs. Gordon Massey and Weldon visited with Mr. and Mrs. Charles Richardson in Amarillo, Saturday night, then went on to Stinnett for the football game.

Mr. and Mrs. Ralph B. Miller and Mr. and Mrs. J. F. Miller returned home this week from La Guna Beach, Calif. They were there to visit Mr. Lee Miller who is critically ill. Mr. J. F. Miller and Mr. Lee Miller are brothers.

Mr. and Mrs. Vincent Etheridge and family of Earth, Texas, spent Sunday with Mr. and Mrs. J. R. Southward.

Mr. and Mrs. Joe Talley attended the Tri-State Fair, Monday.

Mr. and Mrs. Leroy White of Happy and Mr. and Mrs. Tete White of Friona visited Mr. and Mrs. N. C. White, Sr., Sunday.

Week-end guests of Mr. and Mrs. D. H. Nelson were Mrs. O. E. Morgan and Marilyn, Mr. and Mrs. George Morgan and family and Mr. and Mrs. Roger organ and family all of Tulla, Texas.

Mrs. John Renner and children spent Sunday in Lubbock visiting her parents, Mr. and Mrs. A. E. Daize.
