### Bulk of Grain Moved From Field this Week

Something over 4500 carloads of grain has poured from farms of the central Farmer County area into community elevators in this, the largest grain sorghum harvest in local history.

### Mexican Youths Draw Sentences

Two Clovis Latin American youths were sentenced yesterday in the juvenile court of Judge A. D. Smith in Farwell, both being sent to the Texas reform school at Gatesville.

Harvest weather has been ideal this week, with exception of one or two windy nights when some feed standing in the field was damaged.

The grain has tested exceptionally dry in the last of the harvest period, with all being eligible for the loan and storage.

Average weight has run around 55 lbs., some lighter probably because of freak weather conditions in July that affected the crop.

Though the grain now piled on the ground near most elevators is a spectacular sight to passers-by, the bulk of course is in storage in the elevators that can provide well over 10 million bushels storage for the immediate area.

### "Teen Talk" Course Offered at Church

M. B. McKinney, minister of the Sixth Street Church of Christ, has commenced a series of weekly meetings for the young people of this area, with meetings each Monday night at 7:00 o'clock in the church.

McKinney will talk to the young people each week on teen-age problems such as dating, moral principles, and applied morality.

This will be the second year Mr. McKinney has offered this course to young people. About 100 teenagers attended the meetings last year, and McKinney stated that many of them requested the class be offered again this year.

### Mother of Mrs. E.S. White Died in Kansas

Funeral services for Mrs. Lena Hamm, 92, of Yates Center, Kan., were held Friday, October 28, in Cairo, Kans. Mrs. Hamm was the mother of Mrs. E. S. White of Friona.

Mrs. Hamm died October 26 at the home of her daughter, Mrs. S. W. Huffman, in Yates Center. She had been ill for several weeks.

Mrs. Hamm had many acquaintances in Friona, having spent several months last year visiting in the E. S. White home. Mrs. White and son, Edward, attended the funeral.

Mrs. Hamm is survived by three daughters and three sons.

### STORK FEATHERS

Mr. and Mrs. Alfonso Saldivar are the parents of a daughter born October 31. She weighed 6 pounds 12 ounces and has been named Elia.

A 9-pound, 4-ounce daughter was born October 31 to Mr. and Mrs. Everett Horner. They have named her Janet Irene.

Mr. and Mrs. Bill Steward are the parents of a 7-pound, 8-ounce daughter, born October 28. She has been named Rebecca Arlice.

Mr. and Mrs. Tommie Jones are the parents of a boy born October 31, weighing 6 pounds, 8 ounces. He has been named Joe Edwin.

### NEW RESIDENTS

Mr. and Mrs. Roy Fitzgerald moved to Friona from Hereford. They are living in the Joe Collier rent house and he is employed by Adams and Brookfield Drilling.

### Farm Bureau Report

as they would as individuals. If you will make the comparison, you are quite likely to find that the national farm program being most highly favored by farmers and agricultural officers at this time, originated with Texas Farm Bureau.

Parmer County Farm Bureau is an affiliate of the state and national organizations, and has had a real part in the formulation of improvements in the program.

Though we don't expect everyone to ever know, we want to say now that your local president and other officials and directors are giving freely of their time to try to find the solution to all the problems you think of and discuss every day.

They make regular monthly night meetings (to which you are also welcome) in addition to called meetings at various times when special needs arise.

We are reasonably sure that no one has ever talked with one of these FB directors without receiving due consideration of his suggestion. They want you to talk to them more, so they will know what you want them to do.

Whether there is any significance attached or not, this writer is glad to note that a Parmer County newspaper had a "United Nations" promotional item in it last week. And we hope that has a significance!

CONSIDER THIS: Accuse not a servant unto his master, lest he curse thee, and thou be found guilty. Proverbs 30:10.

### S. A. Whiteside Died Wednesday Youth Center Organization Set Up; Groups Exploring Wants and Needs

Funeral services for Samuel A. Whiteside, 67, were held Friday at 10:30 a. m., in the Bovina Methodist Church. Rev. W. R. Beard, pastor, officiated, assisted by the Rev. Virgil Goodwin, pastor of the Bovina Baptist Church.

Final rites will be at Wolf City, Texas, Saturday, at 3 p. m. Interment under the direction of the Marcum-Claborn Funeral Home will be in Wesley Chapel Cemetery at Wolf City.

Mr. Whiteside was stricken with a heart attack Wednesday while hauling grain to an elevator. He was pronounced dead on arrival at the Parmer County Community hospital. He had been farming near Bovina since 1944.

Survivors include the widow, Marva; two daughters, Mrs. L. E. Vandever, Spiro, Okla., and Mrs. W. L. Tucker, Lovington, N. M.; seven sons, S. T. Whiteside, Commerce; T. O. Whiteside, Ft. Worth; Francis Whiteside, Memphis, Tenn.; J. E., G. A., Grady and George, all of Bovina; three step-daughters, Mrs. C. A. Morgan and Mrs. Bill Norrell, Sunray; Mrs. J. D. Hankins, Lancaster, Calif.; a step-son, J. D. Harvey, Dumas; two brothers, Eli Whiteside, Debine, and Bob Whiteside, Mooreville; one sister, Mrs. Vera Maddox, Fulton, Miss.; 17 grandchildren and one great-grandchild.

Palbearers were J. T. Hammonds, Fred Langer, O. W. Rhinehart, Wibur Charles, Elton Venable, Lewis Pesch, Herman Estes and Ike Quickel.

Mr. and Mrs. Oscar Pope were in Manitou, Okla., last week attending the wedding of a niece.

Twenty-five local citizens and youths of the community met Tuesday evening at the J. G. McFarland home, voicing desire for a youth program and youth center in Friona.

Considerable agitation for a youth center has been evident for several months, with adult club groups, student youth bodies, and two meetings of interested citizens discussing the topic.

From the meeting of this week, it was gathered that a center would be established if the youth made initial steps of outlining their desires and pledged cooperation in the improvement and maintenance of a building guaranteed by interested adults.

The American Legion Post 206 has made available its basement building. Appraisal committees now are at work determining needs and costs in readying the structure as a desirable youth center, considering putting in a small kitchen, two rest rooms, game rooms, lounging quarters, etc.

A committee consisting of Mrs. Dick Rockey, Mrs. Steve Bavousett and Mrs. Ray Landrum has contacted other communities providing youth centers. Details of operation and facilities in these other towns were read at the meeting.

Present were Mr. Paul Fortenberry, Mrs. J. G. McFarland, Mrs. Winnie Beaton, Mrs. Judy Cummings, Mrs. T. E. Lovett, Mrs. Dick Rockey, Bert Neelley, Mrs. A. S. Grubbs, Wes Long, Mr. and Mrs. Steve Bavousett, Deon Axway, and Kenneth Houlette, John Renner, and Mrs. Lee Renner. Students at the meeting were Wesley Barnett, Burr Blake, Carolyn Drake, Ruby Grubbs, Doris McFarland, Ella Gay Buske Alan Neff, Nolen Johnson, Mickey Ready, Bryant Duke, Lefty Floyd and Jon Mack Roden.

Wesley Long was elected a permanent chairman of the adult board of directors for planning and operating the center. Steve Bavousett was named vice-president, Mrs. Beaton as secretary, and Mrs. McFarland as treasurer.

To date, fifteen club organizations and five churches have named delegates to work as directors in the youth program.

Next step in the program evi-ment with them to present their ideas and desires for type of operation. Then the directors, working with the students, will feel free to put "full steam ahead" into a comprehensive operation.

### County Round-Up Of 4-H Club Activities:

secretary, Don Clements is pledge leader and David Massey is reporter.

The members of the Friona 4-H appointed a committee of Ronnie Woods, Jim Greeson, Don Clements, Tommy Barker, and Jerry Rankin to work on Safety.

Our next regular meeting will be in November.

Farwell Junior Boys 4-H Club met at 10:00 Thursday, October 27, in the Grade School at Farwell. Secretary Dickie Gerles read the minutes of the last meeting and Scotty Turner, pledge leader, led the 4-H Club pledge.

We discussed our 4-H Achievement day and party to be held on the night of November 12 at Bovina, our 4-H Club calendars, the Safety Program Day coming up soon, and our projects for the coming year.

Suggestions for Adult Leaders were accepted from the group. Men suggested as possible adult leaders this year were: Ray Mears, John Aldridge, Ed Hardage, Aubert Smith. Groups were appointed to talk to these men about accepting this leadership.

David Watkins will talk to Mr. Smith, Pete Rolland, Jimmie Cain and Aubrey White will see Mr. Mears, Billy McDonald and Mike Getz will see Mr. Aldridge, David Rounton, Scotty Turner, and Kenneth Taylor will see Mr. Hardage, Maurice Smith, president, presided over the meeting.

### New Office Is Voted

Next election, in 1956, will find Parmer County residents voting for a new county elective office, that of County Tax Assessor and Collector.

In a special election this Tuesday, the new office was authorized by one of the narrowest margins in local voting records, 97 affirmative and 81 against. Friona sanctioned the division by a slim 21-19 vote, with Farwell polling the heaviest ballot, 54 for, 23 against the measure.

Other unofficial returns were: Black 6 to 1 in favor, Lazbuddie 7 to 1; Rhea, 11 to 2; Lakeview, 5 to 2; Bovina 10 to 7; and Okla-Loma Lane tied 2 to 2.

From standpoint of the few ballots cast, this election also might set a record in per capita expense for a special election.

The new office calls for a four year term, same as that of the sheriff. Mr. Lovelace will hold both positions until the 1957 term begins.

Salary for the new office has not been set at this date.

From standpoint of some critics, the election might have been uncalculated for, inasmuch as Texas law provides for automatic division of the offices upon a 10,000 population figure being reached in a county. Some observers estimate the Parmer population at that figure, or more, at the present time.

### FRIONA SCHOOL NEWSLETTER

Dear Uncle Bert, Well, the big Homecoming game is over. The Queen was crowned in the auditorium at 2:45, and at 3 p. m. the parade commenced. The F.F.A. won first prize for the best float. The Freshmen and Juniors came for with second and third places.

Friday night our queen, Doris McFarland, and her attendants, Mary Tatum, Phyllis Fairchild, Ruby Grubbs and Phyllis Dean, field by Mickey Ready, Joe Allen, were escorted onto the football field by Jerry Houlette, Donald Petty and Charles Kirk. It was a very picturesque performance.

Everything was a success except the game, which of course you know, we lost 41-13. Both teams played very well and Happy was a worthy opponent.

After the game, a Sock Party was given in the gymnasium. We all removed our shoes and put them in a box. When the party was over, all our shoes were put in the middle of the floor, the lights were turned out and it was Finders Keepers-Loosers Weepers, with the shoes.

Everyone sure fought for the right shoes and the left too, if they could get it.

Suppose we should join in lauding the young folks for their generally good behavior in this the quietest Halloween observance we can recall.

We do commend the youngsters, but will not go overboard in our praise, inasmuch as their action was no more than should be expected of good citizens, at any age.

The mature thinking and acting of these young people is the most healthy sign we know pointing toward a greater community in future years. Our government and businesses and homes will be in good hands, if we have these young people figured correctly.

Put anti-freeze in your motors yet?

What with Jake Lamb recently winning a diamond ring on a popular radio quiz show, Carl Mauer bringing back a prize fish and an award plaque from his Florida jaunt, and Glenn Reeve in his newly won car, we really have the lucky celebrities in Friona as our down the street neighbors.

Just one more game for the winning Friona Braves. They play against Hart here next Tuesday night. The loss to Muleshoe (certainly no mark against the local hustlers) is only defeat for these boys during the season.

### BIRTHDAY CALENDAR

FRIONA PARMER COUNTY TEXAS

AUSTIN. — Texas, and possibly the nation, may have a new political group—the "moderates." Sen. Lyndon Johnson started it when he commented that he was neither a liberal nor a conservative, but that he was a "moderate."

Since then the term has cropped up in increasing frequency in comments by leading figures over the state.

Governor Shivers has announced that he plans a tour into other states to urge selection of a "moderate" Democratic candidate for President.

With a Johnson-for-president move gaining momentum, Shivers commented, when asked if Sen. Johnson fitted the middle-of-the-road pattern, that he seemed "more moderate than extreme."

The Governor emphasized that he will not be working for any specific candidate on his tour. He also has no view, he said, of trying to form a "coalition" of Southerners, as has been suggested. "I hope to get into the West, the Middle West and possibly the East," he said.

Harmony in the Texas Democratic Party moved slowly. Speaker Sam Rayburn, leader of the liberals, has demanded a state delegation pledged to support the party nominee.

Governor Shivers, conservative leader, has opposed an advance pledge to support "any nominee."

Rayburn, however, has spoken approvingly of Lt. Gov. Ben Ramsey, recently named national committeeman with the hope of bringing the two factions together.

Meanwhile the conservative Democratic State Executive Committee has launched a drive to get 3,500,000 persons to pay poll taxes

or secure exemptions, for a big turnout next year. It expressed hope for 30,000 delegates at the convention set for May 26 in Dallas.

Rival liberalists have charged that the State Committee has "frozen" hotel space in Dallas with the design of keeping the liberals away.

### Committee Clears Sheppard

In a closed session, a Texas Bar Association grievance committee voted to take no action on remarks Atty. Gen. John Ben Sheppard made about the Court of Criminal Appeals and Judge Lloyd W. Davidson.

Sheppard frequently has expressed himself as being opposed to closed sessions. He went to the meeting with a marked rule book containing passages on open and closed sessions of grievance committees, and requested that the hearing be open. The committee overrode the request.

Newsmen, sent by their respective newspapers to report the committee meeting, were told to leave the room before the committee convened. No previous announcement of the session's being closed was made.

The hearing resulted after the election of Judge Davidson brought an about face in 104 indictments in turbulent Duval County. Sheppard commented that Davidson had expressed an opinion on the cases before they were presented to the court.

Following their four-hour session, the grievance committee said they had considered the matter and found that "no action should be taken. The matter is closed."

Highways Become Laboratories Research to determine specific

causes of injuries in passenger automobile accidents begins on Texas rural highways this week.

Sponsoring the cooperative program are the Texas Highway Patrol, Texas State Department of Health, and Cornell University Medical College.

Purpose of the project is to discover exactly what kills persons in traffic accidents. The inquiry may lead to a major revolution of car design.

### Centex Chiefs Meet

Police chiefs from seven cities and patrolmen from Central Texas counties met in Austin to discuss measures for slowing an area traffic toll which now nears an all-time record.

Safe Driving Day, set by President Eisenhower for December 1, will begin this year ten days before that date and extend 10 days after, according to an announcement by Capt. Jim Musick at the meeting. Musick is manager of the Texas Safety Association.

He called on policemen and patrolmen to be particularly alert and much more severe on traffic violations during the period.

### New Secretary of State

Texas' third secretary of state in nine months has been appointed by Governor Shivers, effective November 1. He is 34-year-old Tom Reavley, Jasper attorney.

Reavley succeeds A. M. Muldrow of Brownfield who took the office last February after C. E. Fulgham of Lubbock resigned. Muldrow will return to business interests.

Reavley is a World War II navy veteran, graduate of the University of Texas and a Harvard law graduate.

### Court Gets Giles Appeal

Texas Court of Criminal Appeals is to hand down a decision, probably within a month, on Bascom Giles' first conviction.

Appeal was filed in the court on the two-to-three year sentence imposed on the former land commissioner by an Austin district court in July.

Slated, but not yet filed, is a perfunctory appeal on a two-to-six year conviction on the case in which Giles pled guilty. It is designed, according to the defendant's son, Attorney Rogan Giles, to "gain time."

SHORT SNORTS: Texas draft call for December will total 873 men for the Army and Navy, as compared with 1,006 in November. Texas population has reached an estimated 8,479,000, a 10 per cent increase over the official census report in 1950, according to the latest Federal Census report.

A booklet seeking to distinguish right from left in the Texas legislature is being circulated by state labor groups. A group of 10 Russian housing experts visiting in Austin, scooped up armfuls of pamphlets at model homes and said principles used in the "Air Conditioned Village" will be used in Russia.

Mr. and Mrs. Carl Maurer returned home last Thursday from Miami, Fla., where they attended a national retail farm convention. They also toured Havana, Cuba.

Mr. and Mrs. Oscar Pope and four children moved to Friona from Tipton, Okla.

Mrs. M. Lacey raised radishes that were 27 1/2 inches in circumference.

A Mexican farm laborer working for a farmer in the Homeland community shot himself in the head, before death reached him he explained that he shot himself because his wife insisted he get up first each morning and build a fire.

Plans were being made to improve the looks of the local cemetery.

Friona market was: Eggs, 30 cents a dozen; old roosters, 3 cents a pound; heavy hens, 15 cents a pound; wheat per bu., 1.60; maize per cwt., 1.50.

Ferne Hamm and Ed S. White were married in Bovina by Rev. I. E. Walker, pastor of the Bovina Methodist church.

## Texas Motorists are Urged to Consider Pedestrians in Latest Safety Campaign

"Be your brother's keeper. Watch out for others in traffic!" Mr. E. C. McFadden, vice-president, Employers' Casualty Company, Dallas, Texas, and president, Texas Safety Association, Inc., made that plea to Texas drivers today as he urged them to cooperate with the Pedestrian Safety program the Texas Safety Association, Department of Public Safety and the National Safety Council are conducting.

Mr. McFadden reminded drivers to be especially considerate of three types of pedestrians who are extremely vulnerable in traffic. These are children, old people, and the blind.

Youngsters are often heedless and forget safety rules in the excitement of play, the motorist must keep a constant look out for them," Mr. McFadden said.

He said that oldsters are likely to have slowed reactions and impaired sight and hearing, so the driver must give them plenty of time to cross streets and must not frighten them or confuse them. "The most vulnerable pedestrians of all, of course, are the blind," Mr. McFadden said. "They carry a white cane to let the sighted know that they must help the blind when possible."

The way in which a driver can help is to realize that although the blind person may look as if he is aware of the traffic situation it's safer to assume that he is not and to proceed with extreme caution. "Although the driver has a special obligation to the pedestrian just mentioned, he also has an obligation to every other pedestrian and driver he meets in traffic," Mr. McFadden said. "If every driver would discharge this obligation to the full, there would be far fewer traffic accidents."

## More Deer Likely To be Shot in Texas

AUSTIN, Oct. 2. — Harvest of between three and five thousand antlerless deer in six Hill country counties may be authorized on the basis of plans now underway, said the executive secretary of the Game and Fish commission.

Slightly more than three thousand head of antlerless deer were taken last year when the method of reducing deer overpopulation was given emergency status in Mason, Llano and Gillespie counties.

This year the special harvest has been approved in those three counties. Commission action has paved the way for the antlerless hunts in Medina, Kerr, and Blanco counties, subject to final approval of county commissioners' courts.

"These special harvests are dictated by sound game management policies in the face of overpopulation of deer on drought stricken, over-grazed ranges," said the executive secretary. "Removing surplus deer in these counties this fall will be another step toward balancing the herds and will mean a higher survival rate next winter. We know that this action improves the vigor of individual animals and generally improves deer hunting in the long run."

Hunters will get the special permits from landowners. The limit will be two antlerless deer or one buck deer and one antlerless deer. Hunting lease cost is expected to range from \$10 to \$25, depending on prices set by landowners for hunting privileges. Dates for the special hunts in all counties affected will be from December 2 to 11 inclusive.

"Our reports indicate the deer generally are in good condition up to this time," said the executive secretary. "Feed temporarily is adequate and the venison made available under these special harvests should be choice."

Mrs. Bob Rule and Mrs. Jim Griffith were shopping in Clovis, Saturday afternoon.

Mr. and Mrs. Carl Maurer returned home last Thursday from Miami, Fla., where they attended a national retail farm convention. They also toured Havana, Cuba.

Mr. and Mrs. Oscar Pope and four children moved to Friona from Tipton, Okla.

## WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Come Congressional session in January all out try will be made to saddle additional burdens on small employers in holy name of social welfare. Another attempt will be made to broaden social security benefits with increased payroll taxes to support the venture.

As it stands now, 90% of nation's employed are covered by social security. Out of their checks comes 2% of their earnings up to \$4200 per year. Employers contribute like amount.

It is now planned to raise this to 2.5% in 1956, to 3% in 1960, and up 1/4% every five years until by 1975 it will be 4.5%.

An employee now making \$80 per week has \$83.20 per year, more than a full week's wages deducted. This would jump to \$104 and by 1975 to \$189.20 or about 2 1/2 weeks wages.

But at same time employer is paying more than 53 weeks wages for 52 weeks of work, not counting any paid vacations. By 1975 employer will be paying for 54 1/2 weeks wages.

To some industries apparently operating on rigged prices, the burden makes little difference.

But under proposed ambitious plans, all employers, the small engaged in highly competitive enterprises and the huge, are lumped together.

Few Congressmen take stand if expanded social security is good for employees, then em-

ployees should bear the increased costs. In last Congressional session measure passed House with 203 democrats for, 8 against; 169 republicans for, 23 against.

Only handful opposed measure. In House Ways and Means Committee, Reps. John Byrnes, Wis., Thos. Curtis, Mo., Noah Mason, Ill., voted against it.

There seems no end to amendments proposed to social security, either. It often appears there is an attempt to make social security the greatest "con" game in history.

For example, it is now proposed that everyone, regardless of payments to fund, receive equal benefits. Thus one whose pay check has been clipped 40 years would receive no more than a contributor of one year.

This theory could have long reaching consequences carried to logical conclusion.

It would be just as sensible to pass law every bank depositor has same balance regardless of amounts deposited.

Perhaps if law required all social security collections to be placed in untouchable reserve instead of being used to finance foreign give away programs and other grandiose schemes, there would be a change.

It is noteworthy in 20 years of operation, social security collections exceed what has been paid out by more than \$20 billion. This could be crux of entire matter, as it has long been aim of politicians through history to devise some means of collecting taxes for splurging under some other name.

That name could now well be social security.

This week a bull fell into the elevator owned by Carl Schlenker. The men around the place pulled the bull out with ropes. Carl has had snakes, chickens, and skunks fall into the pit of his elevator, but this is the first time for a bull.

Marilyn Potts visited Sunday afternoon with Gail Potts at Rosedale, N. M.

A Hallowe'en party was given to the community Saturday night, sponsored by the Rhea Home Demonstration Club. The games were Hallowe'en games, with the partygoers being unmasked as their identity was guessed. Everyone had a wonderful time.

Mrs. Lou Bezell visited Monday morning with Mrs. W. M. Lloyd.

Boys' Ranchers lay 8-inch tile which connects the 26 buildings at America's First Boys' Ranch, Amarillo, Texas, to a central disposal unit. The new system will eliminate the many septic tanks at the Ranch which require frequent cleaning and will provide for future buildings.

America's First Boys' Ranch, from the Dalhart Air Base and Amarillo, Texas, becomes a city within a few years the Ranch had a new sewer and disposal plant under construction at the Ranch will give the boys all the facilities of a city including gas, lights, water and the sewer system.

When the Ranch started 16 years ago there were no utilities on the location, once the site of historic old Tascosa and later the headquarters for the Bivins ranch. Rancher Julian Bivins gave the old Courthouse and the original 120 acres in order to give a home to America's homeless and unwanted youngsters. There was no fuel and the wood for heat and cooking was brought by mule and wagon from the riverbed. The dry cottonwood limbs were dragged up to a buzz saw on the banks of the Canadian river where they were cut into firewood. Butane was later used, but this could not be supplied in large enough quantities as the Ranch began to grow to care for more boys and the Ranch made plans to try to get a gas line. The Shamrock Oil and Gas company and the Phillips Petroleum company agreed to pipe the gas to the Ranch from their nearest gas line 8 miles from the Ranch.

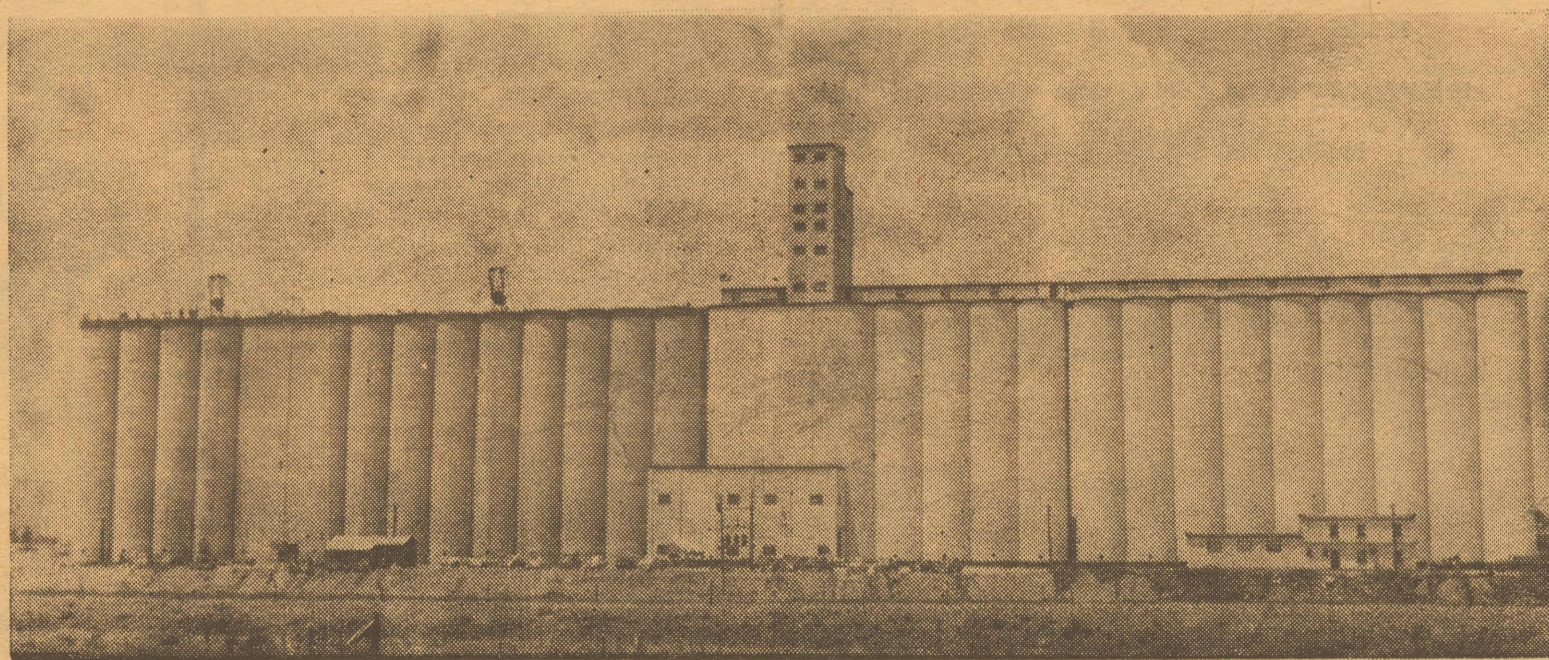

In early years the water system at the Ranch consisted of a natural flowing spring and a pressure pump and it was necessary for one of the boys to stay at the pump when it was running to keep it going. A small water tower was moved in

**What Your Children Are Doing This Week:**

**1A—MRS. BENDER**

We are proud that we can read. Some of us are starting our fourth little book.

We had a lot of fun Hallowe'en and brought a lot of our treats to school to send to the State Hospital at Abilene.

Gerline Houston is back in school after an absence of two and one-half weeks. She has been at Olton.

Our Hallowe'en party was lots of fun. The room mothers served orange pop, cup cakes with funny faces, and whistles for favors.

**1B—MRS. STARK**

Everyone enjoyed our Hallowe'en party last Friday. Our room mothers in charge of the party were Mrs. B. J. Roberts, Mrs. Glenn Mings, Mrs. Ready and Mrs. Curtis Murphree, with Mrs. Bob Mann as chairman. This gives each mother a turn at visiting and helping with a party during the school term.

Joe Bob Mann fell and broke his collar bone while playing at school. We are happy that he is

back in school and recovering fast. We have Humpty-Dumpty on our bulletin board. We hope we can keep him there for a few days.

**3A—MISS WALKER**

The 3A group, Miss Walker teacher, has had a very busy week. We have gone through the entire alphabet in writing and have now begun to write our lessons instead of printing.

We have had several boys and girls sick this week. They are Robert Stewart, Maria Esquivel, Betty Wages and Roberta Medina. We do hope they will soon be back with us.

The group now has the pictures that we made as a group, and the Hallowe'en pictures. We are certainly enjoying them. If any of the mothers would like one of these pictures, they can contact the teacher.

**3B—MISS PHILLIPS**

The third graders reported that they had fun Hallowe'en night going "tricks or treating."

Everyone enjoyed the Hallowe'en party in our room Friday afternoon. Refreshments were served by Mrs. Dennis, Mrs. Houlette, Mrs. Gutierrez, Mrs. Massie, Mrs. Evans, Mrs. Carter and Mrs. Cunningham. Ronnie Brookfield was absent two days this week on account of illness.

The class has written letters this week to Johnny Allen, who moved from our room to Hereford.

**3C—MRS. WEATHERFORD**

We all had a good time during Hallowe'en. We were glad to bring our treats to school, so they could be sent to children who needed them more than we.

In our reading we are studying about Colonial days in one group. Another group is reading about big cities.

Our attendance is holding up exceptionally well, and we hope it continues.

**2B—MRS. BAVOURETT**

We had a Hallowe'en party last Friday. We heard a story and played games. We had orange pop, sandwiches and cup cakes for refreshments.

Tuesday we brought our trick or treats for the children's hospital, but we didn't win the \$10 prize. Some of the students in our room have been absent. They are Frieda Floyd, Kaye Hartness, Alicia Martinez, Kim Buske and Rosita Aragon.

**4A—MRS. MABEL JONES**

We are still having trouble with long division. That is our big problem at the present time.

In geography we are making a notebook. The purpose is to increase our geographical vocabulary. We do this by defining words and using picture illustrations.

**4C—MRS. FIELDS**

Since November 11 is Veteran's Day, we are learning some things about our flag. We also learned why the name was changed from Armistice Day to Veteran's Day.

We are very grateful to the mothers who gave us such an enjoyable Hallowe'en party. They are Mrs. Renner, Hand, Crump, Watson and Dodge.

The Homecoming festivities were also enjoyed by all of us.

**FELLOWSHIP ACTIVITIES:**

**PRIMARY FELLOWSHIP**

The Primary Fellowship met Tuesday in the Methodist annex. The children continued their study of the Navajo Indians and made Indian necklaces from macaroni. Later outside games were played.

Attending were James Edgar Sides, Elda Long, Ronnie Ellis, Eugene and Bill Weatherly, Sylvia Stokes, Gail Varner, David Smith, Mike Smith, Danny Parker, Travis Graves, Kenny Squires, Delbert Davis and Jim Bob Jones, and the teachers, Mrs. Billy Sides and Mrs. W. H. Long. The WSCS served cookies.

**JUNIOR ONE**

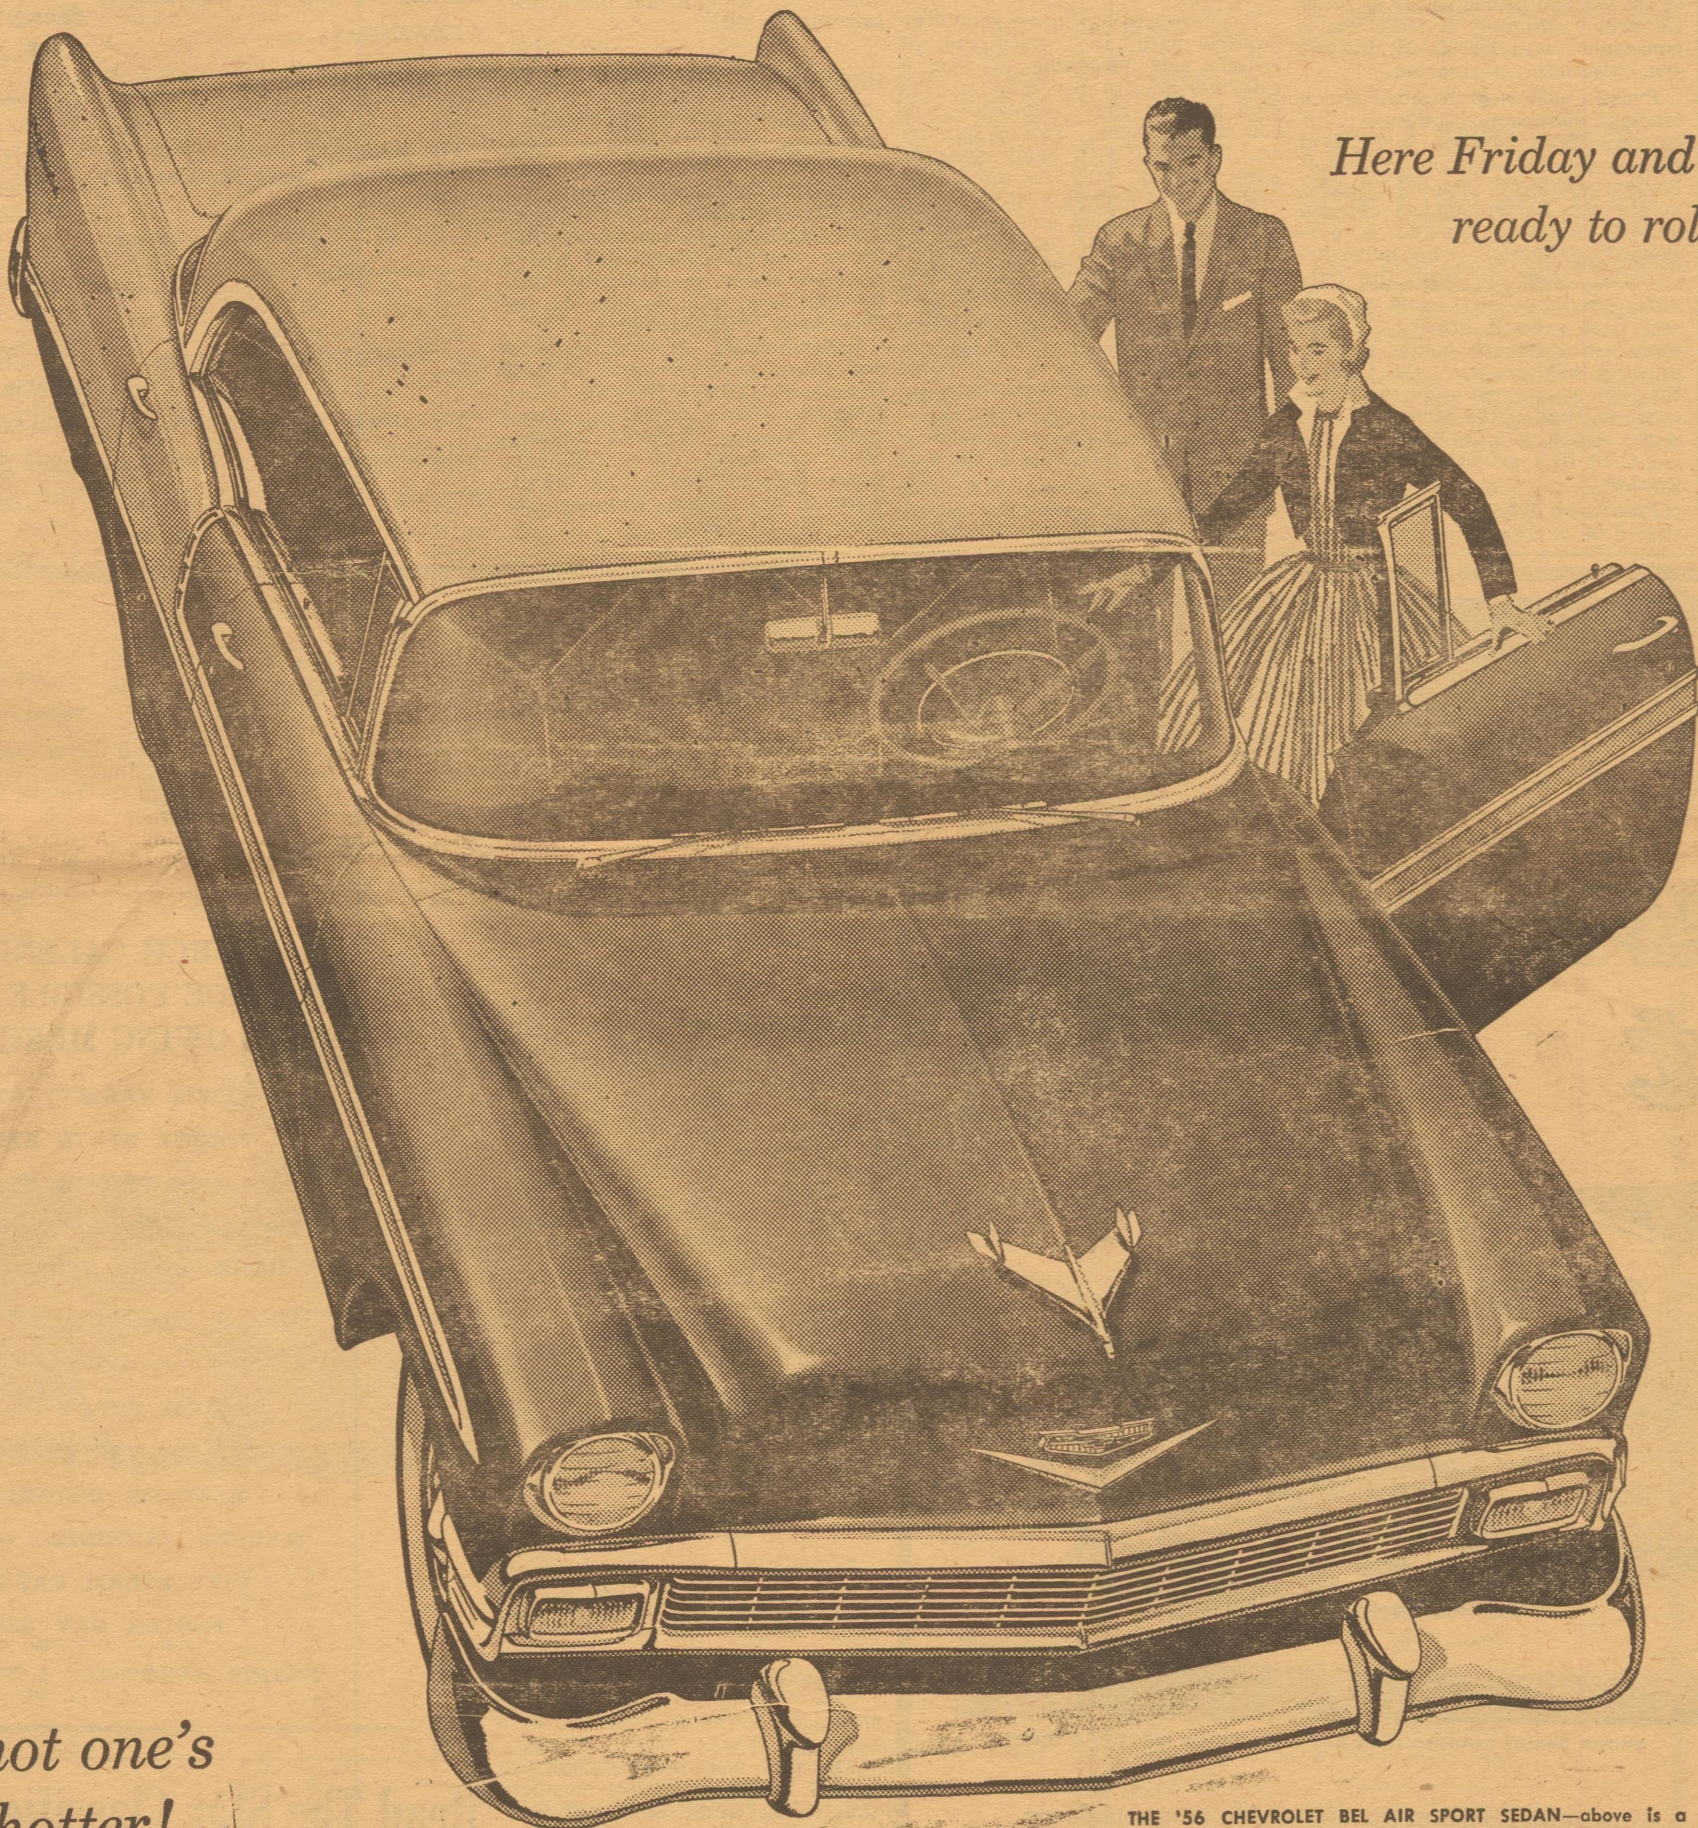

Seventeen children were present at the Junior 1 meeting Tuesday. The children composed a litany and continued their study of the Yakama Indians. A story about the Indians was read then they played outside games.

The WSCS served cookies. The teachers present were Mrs. Joe Moyer and Mrs. Newman Jarrell, Jr.

**JUNIOR TWO**

The Junior 2 Fellowship class met Tuesday afternoon in the Methodist annex. Mrs. Lewis Gore was the only teacher present. There were several new students in this class. They continued their study of the "Indian American." A story about the Indian American was enjoyed by the students. Outside games were played and the WSCS served cookies before class was dismissed.

Barbara Edens of Guymon, Okla., visited Sunday with Janie Parker.

**Parmer County Community Hospital**  
 TUESDAY, NOV. 8, AT 7:30 P. M.  
 AMERICAN LEGION HALL — FRIONA  
 REFRESHMENTS WILL BE SERVED

**COLLEGE STATION.** — The next few weeks may be considered as the critical period so far as prussic acid poisoning in livestock is concerned, says Dr. C. M. Patterson, extension veterinarian.

Prussic acid is a chemical which forms in members of the grass family, especially Johnson and sudan grasses and the sorghum group, following wilting. The old belief, points out Patterson, that second growth sorghum grazing is particularly dangerous is not necessarily true. For, he says, the only difference between second growth and first growth grazing is that there are apt to be young, rapidly growing lush sprouts at this time of the year when frost and drouth can cause wilting. If the second growth is not wilted, it is no more dangerous than first growth material for grazing.

Patterson does say that caution should be exercised in putting live-

stock on susceptible plants following frosts.

Farmers and stockmen should be familiar with the symptoms of prussic acid poisoning so that a veterinarian can be summoned as soon as the first indications of poisoning appears. Time is important for even with early warning some animals may be lost. The first signs of prussic acid poisoning are rapid breathing and a staggering gait. Bloating doesn't necessarily precede or go along with prussic acid poisoning.

Since prussic acid is a volatile material, it is safe, says Patterson, to graze frosted or wilted fields within five to ten days following the cause of wilt. After the material has resumed normal growth or has cured out following frost, it is again safe for grazing and fields should be utilized, says the veterinarian.

**Scouting Events:**

**GIRL SCOUT TROOP VI**  
 Troop VI met Monday afternoon at the Baptist annex, with their leaders, Mrs. Ben Wayne Jordan and Mrs. Dan Ethridge. Following group singing the Scouts worked on the Good Grooming Badge. Mrs. Mary Lou Cason talked to the Troop about good grooming. Present were Celia Weatherly, Joyce Whitten, Virginia Patton, Carolyn Sue Baxter, Faye Taylor, Linda Brummett, Carolyn Parker and the leaders.

**SENIOR GIRL SCOUTS**  
 The Senior Girl Scout Troop met Monday afternoon at the Methodist church for a business meeting and practice of the flag ceremony. Four Scouts, Faye Scales, Janie Parker, Sally Hough and Dolores Elmore, took lunches and bicycled seven miles to the G. L. Hough farm. This completed the Senior Badge for the four girls. Lanette Prichard and Margaret Mabry served refreshments of Cokes and candy bars to Linda O'Brian, Delores Elmore, Marilyn Potts, Faye Scales, Frances McGlothlin, Jolynda Stokes, Janie Parker, Janet Snead, Carolyn LeMay, Erma Drake, Sally Hough, Jacquelyn Magness, Mary Tom Spring, Peggy Widner, and the leaders, Mrs. Russell O'Brian and Mrs. G. L. Hough, and one guest, Legunia Guinn.

**BROWNIE TROOP 9**  
 Brownie Troop 9 met Monday afternoon in the Church of Christ social room to decorate the room for their Hallowe'en party which was Monday night. The girls played games and had group singing. They also had a birthday party in honor of Julia Gordon Low, the founder of the Girl Scout organization. Refreshments of birthday cake and punch were served to Jo Beth Brummett, Carolyn Herring, Karen Helmke, Diana Jennings, Marcella Lynn Massie, Marcella Massey, Helen Stowers, Carol Williams, Elaine Parsons, Kay Coffey and the leaders, Mrs. Fred Helmke and Mrs. W. M. Massie.

**BROWNIE TROOP PARTY**  
 Brownie Troop 9 entertained Brownie Troop 1 with a Hallowe'en party Monday night in the social room of the Church of Christ. Approximately forty Brownies and Mrs. Leonard Coffey, D. C. Herring, Joe Brummett, Christine Wilson, Ross Terry, Bill Stewart, Earnest Osborn, and W. H. Long attended. The room was decorated with the Hallowe'en characters and black and orange streamers. Everyone wore a costume. The Brownies played games and had a group singing.

**GIRL SCOUT TROOP 8**  
 Girl Scout Troop VIII met in the Congregational Church basement Monday for a Hallowe'en party. One patrol of Scouts was in charge of refreshments, which was cookies and punch. The other patrol was in charge of the decorations and program. The basement was decorated in fall colors, and the group played games. Scouts present were Gail Crabs, Wilene Baxter, LaRoyce Burrows, Linda Gibson, Cynthia Guinn, Iva Parr, Joy Ingram, Cordelia Parr, Linda Johnson, Mary and Martha Knight, Susan Terry, Wanda Ready, Sharon Reeve, and the two leaders, Mrs. C. V. Potts and Ann McKee.

Here it is for '56 —

**Best Buick yet**

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score. In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it. For here is performance without parallel. A new advance in Variable Pitch Dynaflo\* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you do need that

extra surge, it's there *instantly*—and in extra abundance. The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks — ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## NEW WORLD'S RECORD CORN YIELD SET

A new world's record of 304.38 bushels of corn per acre has been made this year by Lamar Ratliff, 16 year old Prentiss County 4-H Club member.

Lamar's variety was Funk's G-711. The rows were 30 inches apart with stalks eight inches apart in the drill.

He fertilized the acre with 1,000 pounds of 14-14-14 mixed fertilizer and 200 pounds of ammonium nitrate under the crop, and 300 pounds of ammonium nitrate as side dressing.

Lamar plowed the corn twice and no irrigation was practiced. Lamar says Funk's G-711 is the best corn he ever planted.
