

Coryell County—located in the heart of the diversified section of Texas. Where home necessities are raised with a surplus to sell.

# The Coryell County News

A Newspaper devoted to the best interests of Coryell County. Proposing to give the news while it is news to those who want news.

VOLUME 1

GATESVILLE, TEXAS, FRIDAY, FEBRUARY 24, 1933

NUMBER 10

## ACTUAL WORK TO START ON HIGHWAY 36 NORTH SOON

### HERE and THERE

By Joe Quinn

EUROPE will not stand to be outdone by Asia, never has and likely never will. At least that's the way things look to the outsider. While the fire of battle gets hotter and hotter between Japan and China around Jehol, clouds of war begin to rise over the Balkan States and the first to sight the smoke is Italy's Mussolini. The Dictator of Italy wasted no time in making a profound accusation through the medium of his own newspaper in which he directly pointed out that France is arming Balyin allies against Italy. The whole mess started over armaments, and it seems such a pity too that both France and Italy have become so eager to disarm that they have made a dumping ground out of poor little Balkan States. Everyone that believes that "Aye"....The "Nays" have it.

THERE will be no more unemployment relief fights in Washington. There is a bill up now that will provide \$22,000,000.00 for the organization of a real army camp. From now on when a jobless youngster (between the ages of 15 and 21) comes into Washington he will immediately be drafted into the Washington "army of occupation" and there he will be given food and shelter for a year, incidentally at the taxpayers expense, and all he will be required to do will be to get up at six o'clock in the morning and be in bed by ten in the evening. Of course he will be expected to eat three square meals a day, and should his appetite wane he will be put under expert medical observation until the source of the trouble is determined.

About the only advantage the boys might have socially will be in their extra-curricular activities, in the organization of such duties as the I. W. W. Club, the Who-Wants-to-Work Club and the Federation of Future Loafers.

What provision will be made to provide education for boys at this age? Why not establish camps in the vicinity of State schools, and then with the help of each state provide real education for each boy for the term of one year?

LET'S pass up the subject of "repeal." In fact it isn't wise to mention the recent action of Congress in regard to the 18th Amendment. Whatever you say are bound to be attacked. Repeal is one subject that will always be the source of much argument. Yes, it's a pity to think how much argument has been wasted on the subject. There are people today arguing over prohibition who haven't brains enough to enter into any other controversy intelligently.

ASCORCHING lampshade was the source of great disturbances resulting in a semi-panic at a downtown theater in Beaumont recently. A score of people received injuries in an effort to get out of the theater when someone smelled smoke. Most of the injured were negroes, some of whom jumped from the balcony to the lower floor in an effort to reach the exits before the rest of the crowd. This is just one incident which goes to show what the consequences might be when some people insist in jumping at conclusions.

EVERY big circus has its "Human Cannon-Ball," but there is one big-top now that is without ammunition. During an afternoon performance not long ago the center ring was set for the main act. A human was ready to be shot from the muzzle of a mammoth cannon. The shot was fired, as it had been many times before. The man shot forward over a large net; landed on his neck but failed to get up. A broken spine was the verdict of the coroner's inquest.

We sometimes wonder at the senselessness of some stunt promoters. Frankly, there seems to be no reason for acquitting the owner of any such concern that would allow his employees to expose themselves to the actual danger of suicide.

### Governor Approves \$7,800 R. F. C. Loan for This County

#### Committee To Be Appointed To Work With County Commissioners in Distribution of the R. F. C. Funds.

Some weeks ago a committee of Coryell County citizens filed an application with the Governor of Texas for a loan through the R. F. Corporation. This application was approved by Governor Ferguson for \$7,800.00 and has been in Washington for some time.

Monday morning another committee was appointed including the Chairman of the Board of Trustees of every school in Coryell County who are asked to work with the four commissioners and act as a distribution committee when these funds are received.

The application has not yet been approved but it is hoped that it will be approved and funds made available in the near future.

As soon as the funds are made available a notice will be carried in this paper and also notice given as to whom application for employment must be made to and all necessary details.

### J. W. Harper Asks To Be Elected to Office City Secretary

To the Voters of the City of Gatesville: Having decided to make the race for the office of City Secretary, I take this method of soliciting the votes and influence of the voters of the city.

I have lived in Gatesville for 15 years and during most of that time have been employed by various firms of the city, having recently been connected with the firm of G. M. Carlton Bros. & Co. As most of you know I am married and have two children. I believe I am qualified to fill the office I seek, and if elected, promise to give my entire time and attention to the duties of the office. I assure each and every one of you that I will deeply appreciate any favors shown me.

J. W. HARPER.

### Record of Pearl "Dragons," 1933 Coryell Co. Champs

Coach Tharp's Dragons have played 15 games up to February 18th, 1933. Two games with club teams, two games with Junior Colleges, eleven games with school teams.

Most of the school games have been played outside of the county due to the fact that games in the county could not be secured. So far the next school term Coach Tharp will return all games and will be glad to play all teams in the county. You will not be bothered with Doyle Preston, Theo Whatley and Doad Simms.

In the eleven school games Pearl has scored 397 points an average of 36 points a game against 172 points an average of 15 points a game. In the two games with Junior Colleges Pearl scored 41 points against 95 points.

Averages of all 15 games Pearl's total points 513 for an average of 34 points a game against 310 points an average of 21 points a game.

Individual scores for the "Dragons": Doyle Preston, 93, Claud Huff 44, Theo Whatley 174, Grady Keaton 161, Jack Elam 13, Eldon Morgan 5, Cy Smith 8, Pete Nabors 2, Bazel Whatley 3, James Preston 2, Glen Barington 2, and Doad Simms 7.

### Bryan Arnold Appointed Coryell County Surveyor

Bryan Arnold, well known here as the youngest son of the late Judge Jay Arnold, was recently appointed County Surveyor of Coryell County by the Commissioners Court while in regular session.

Mr. Arnold has been a student of civil engineering and specialized in this study while attending John Tarleton College at Stephenville and since attending school has been employed by the State Highway department here in Coryell County, where he received much valuable information in different phases of engineering and surveying. Mr. Arnold can be found at the court house any time by those who desire the services of a civil engineer or surveyor.

### Methodist Plan Annual Revival

The Board of Stewards adopted definite plans Monday evening at their regular meeting for the annual Methodist Revival. The date was set for March 19-April 2. They have asked Rev. Roy A. Langston, Presiding Elder of the Gatesville District, to do the preaching, and instructed the pastor to secure a song leader. Rev. Langston is now closing his fourth year on the Gatesville District, and according to Methodist rules, must move this fall. It is fitting that he be asked to do the preaching in the revival, and plans will be made to enlist the entire city in co-operating to the end that much good will come as a result of the meeting. Rev. Mr. Langston is known by our entire citizenship, and his many friends will be glad to know that he has consented to lead in the campaign.

### Bishop Kern to Speak

Bishop Paul B. Kern of Shanghai, China, representative of the Methodist Church in the Orient, covering China, Japan and Siberia, will deliver two addresses in Waco next Thursday, March 2nd. He will speak at 10 a. m. and again at 7:30 p. m. in Austin Avenue Church. Bishop Kern was in Shanghai during the Japanese and China war of last year, and his evening address will deal wholly of the situation in that section of the world. Bishop Kern is said to be a forceful speaker, and one who has full grasp of the situation. People who are interested in having first hand information from the war zone of the East, regardless of denomination relations, will be glad to hear this able speaker.

### Texas-La. Power Company Manager Attends Meeting

Manager C. H. Wallace, accompanied by Mrs. Wallace and Miss Margaret McMordie, attended the Division meeting of the officers and employees of the Texas-Louisiana Power Company Wednesday at Clinton.

The company is always on the alert for methods and ideas that will enable them to render better service for their customers. At present all employees of this company are to make a special study of methods of giving the homes better illumination without any increased cost.

### The Little Theatre's Fourth Play

The Little Theatre stages their next play soon. This will be the fourth play of the season, which is entitled "Cowboy Sheriff." It is a typical western play, and has its setting in Arizona. Everything pertaining to the wild western life, such as cowboys, Indians and etc. will be included. Anyone who enjoys the west will enjoy this play.

Date of the play and cast will be announced in a later issue.

### Pearl Dragons Win Two Recent Games

Tuesday night at Crawford, Coach Tharp's Dragons defeated Cranfills Gap, Basque County 33 champs 36 to 20. Keeton, high point man, with 16 points. The second game Pearl defeated all stars 44 to 27. Keeton again came in with 29 of the 44 Pearl points. Was he not and how?

### Robert Stout Opens Radio Repair Shop

Robert Stout, who for some time has been engaged in the radio sales and service work with the Mayos Music Company, has moved his repair department to the building adjoining that of his father between the Leaird Department Store and the Jake Stout Garage on West Main Street.

Mr. Stout has had many years experience in radio repair work and those who have radios that are not operating properly, may do well to read Mr. Stout's advertisement in this issue of the News.

### City of Gatesville to Issue \$500 in Trade Certificates

In a meeting at the court house Thursday afternoon where practically every business concern in Gatesville was represented a plan was approved whereby the City of Gatesville is to issue \$500 in trade certificates to be used for payment of labor.

This plan is something entirely new for Gatesville, due to the fact that the city is almost without funds for regular city labor; and that many families here in town are depending solely upon one or two days each week for a livelihood. This plan was devised where the city would

### 3126 Poll Taxes Paid in Coryell County

A total of 3126 poll taxes were paid in Coryell County for the year of 1932, excluding exemptions for under and over ages. The following is the number of poll taxes issued to the respective voting precincts: Gatesville, Pre. 1, 381; Coryell, Pre. 2, 388; Mound, Pre. 3, 49; Purmela, Pre. 4, 95; Pearl, Pre. 5, 86; Harmon, Pre. 6, 67; Evans, Pre. 7, 69; Eliga, Pre. 8, 41; Sugar Loaf, Pre. 9, 65; Brown Creek, Pre. 10, 7; Ewing, Pre. 11, 48; The Grove, Pre. 12, 53; Hubbard, Pre. 13, 52; Eagle Springs, Pre. 14, 16; Oglesby, Pre. 15, 170; Osage, Pre. 16, 105; Turnersville, Pre. 17, 134; Hurst, Pre. 18, 65; Jonesboro, Pre. 19, 97; Ames, Pre. 20, 43; Copperas Cove, Pre. 21, 285; Levita, Pre. 22, 76; Pidcoke, Pre. 23, 96; Spring Hill, Pre. 24, 21; Gatesville, Pre. 25, 574; Hillsdale, Pre. 26, 17; Leon Junction, Pre. 27, 34; Whitson, Pre. 28, 21; State, Pre. 29, 29; Ireland, Pre. 30, 192; Arnett, Pre. 31, 47; Flat, Pre. 32, 45; Cave Creek, Pre. 33, 47.

Total for 1932, 3126. The total number of automobiles registered up until that date is 2979 and trucks 224. There remains the month of March for registration of cars, under the recent act of the legislature.

### P.-T. A. Executive Committee to Meet

The Executive Committee of the Gatesville Parent-Teacher Association will meet next Tuesday evening February 28, at 7:30 o'clock, at the high school building. Mrs. Joe Hanna, the president, urges a full attendance of committee members.

Plans are being made for the next regular meeting which will be held March 7, at this meeting, Mrs. J. M. Dawson will deliver an address on "The Home." Mrs. T. E. McDonald who is scheduled to speak in March will appear in April instead.

### Granddaughter of Boone Gordon is Mascot of Present Texas Legislature

According to the Texas Legislature Bulletin, little Miss Catherine Ann Roberts, the ten day old daughter of Representative and Mrs. Morris Roberts, of Pettus, Texas, and the latter so well remembered here by her many friends as Miss Camille Gordon, daughter of Boone Gordon, goes the honor of having the present session of the Texas Legislature adopt resolutions this week making her the mascot of the Legislature which is now in session.

### Death of Sister of Mrs. Lowery in Calif.

Mrs. Mike Livesay died at her home in Lindsay, California, recently. Deceased was a sister of Mrs. Lowery of this place and was well known, having visited here on several occasions. Her last visit to Gatesville was during the summer of 1931. Deceased is survived by a husband, two children, a mother and other relatives.

### Construction Work To Start Near Training School and Extend to Jonesboro; Completing of Right-of-Way.

#### Rules for Playground Ball; Junior Boys and Junior Girls

Since each year in the County Meet, there is some confusion concerning the rules for Junior boys and girls playground ball, the Director General requested Mr. D. W. Disrens to compile a set of rules embodying the main issues of the game.

These rules have not been adopted by the committee, but will be discussed at the next meeting. In the meantime, it is hoped that the coaches of the event in the county will study them and offer any suggestions for the rules are not intended to be all inclusive. The rules are as follows:

The following rules are copied from the university of Texas Bulletin on Constitution and Rules:

1. Eligibility—The rules laid down in Article VIII of the Constitution shall be strictly observed in this contest. This contest is open only to boys and girls of junior age.

Playing Rules—The standard regulation outdoor baseball rules shall apply in this League with the following exceptions: (a) The diamond—the bases, except the home plate, shall be 1 1/2 feet square. The home plate shall be one foot square. Each side of the diamond shall measure 45 feet. The pitching distance shall be 30 feet. (b) Equipment—the ball shall be a standard playground or indoor baseball 14 inches in circumference, either in seam or out seam. The bat shall be a standard indoor or playground bat. (c) Number of players—a team may be composed of seven to ten players, inclusive.

If ten players are used there shall be two short stops, one playing between first and second and one between second and third. (d) Pitching regulations—the pitcher shall take his position facing the batter with both feet on the pitcher's plate. In the act of delivering the ball he may step forward with one foot but the other must be kept in contact with the plate until the ball has left his hand. The arm must be swung underhand and kept parallel with the body. (The pitcher is not required to throw underhanded except to a batter.) (e) Base running—a base runner shall not leave his base while the pitcher has the ball standing in his box. On a pitched ball the base runner shall not leave his base until the ball has reached or passed the batter. A runner who leaves his base too soon shall be called out. (f) Hit by pitched ball, the ball is dead and no runner may advance. The batter is not entitled to first base but the play counts as a "ball" against the pitcher except as provided in the following: If the batter intentionally gets in the way of the ball, it counts as a strike. If it is the third strike the batter is out. (g) No spiked shoes—spiked shoes shall not be worn by any players. (Additional rules, taken from Spalding's Official Rules of Playground Base Ball are as follows:

The Game—A game shall consist of seven innings, unless the team which bats first scores less than the seventh inning makes the winning score before the third man is out, the game shall end. A tie game shall be continued until one side scores more runs than the other in an equal number of innings. The four complete innings shall constitute a game, except in championship series when a full game must be played. The choice of innings shall be decided by the toss of a coin.

When batsman is out—Batting out of turn. If he delays the game unnecessarily, if he makes a foul or fair hit, and the ball is held by a fielder before the ball touches the ground. Immediately after three strikes have been called on the batter. If he bats illegally, if he bunts or attempts to bunt. After a caught foul tip after a second strike. On the third strike whether the ball is caught or not. (For additional rules on this point of the game see Spalding's rule 17.)

Base Runner is out—If any base runner be hit by a fair batted ball before such ball has been touched by fielder. Base runner is out if he fails to touch each base in order provided that the ball is returned to a fielder touching the base missed. This omission must be called to the attention of the umpire for a ruling.

Dead Ball—A pitched ball that

As soon as all details are completed in the securing of right-of-way for Highway No. 36, between Gatesville and Jonesboro the State Highway Department has assured County Judge Robert W. Brown that actual construction work will begin.

It has been planned to start work near the State Training school and proceed northwest to Jonesboro where this road will connect with the same highway from Hamilton to Jonesboro. The following is a letter from Division Engineer E. C. Woodard, of Division No. 9.

"Hon. Robert W. Brown, County Judge, Coryell County.

"Dear Judge Brown:

"I am authorized to state to you that we will begin the construction of Highway No. 36 between the Training School north of Gatesville and Jonesboro just as soon as you are able to procure a portion of the Right-of-Way in which you most desire the work to start.

"Owing to the necessity for the Department to conserve its cash funds at this time it will be necessary that this work start on a rather small scale, but as additional funds are available the forces will be increased, and it is anticipated now that this work will be prosecuted continuously until completion.

"Yours very truly, "E. C. WOODWARD, Division Engineer."

The extensiveness of the construction work for the beginning is not known for certain, but it is presumed that only a few teams and machines will be put into operation for the present and as other equipment is released from similar work at other places the crews and equipment will be increased.

Judge Brown, with others who are interested in good roads for Coryell County, have been exerting every energy possible for better roads in Coryell County and they are to be congratulated for securing the construction of this road, due to the fact that the State Highway Department is inclined to reduce appropriations for road construction at present.

### Fred G. Prewitt Announces for City Secretary

I am again placing my name before the voters of the City of Gatesville for election as City Secretary. My policies of the past are well known to the people of Gatesville, and if they meet with your approval I will appreciate your support in the coming election.

Under the present economic conditions I have been trying to assist the City Council in mapping out a program in harmony with the present needs of our people. I believe this program should be to reduce taxes and all other expenses to a minimum and at the same time all work necessary to be done should be equitably distributed among our local labor.

I feel that my past experience in this work will enable me to pass on to our people a valuable city program in the light of our present conditions.

Any favors shown me will be greatly appreciated.

Respectfully submitted, FRED G. PREWITT.

Hon. Joe Eldson, district judge of this judicial district and Herry Chesley, district court reporter, left the middle of the week for their homes in Hamilton, after spending the greater part of the past seven weeks here in attendance upon the duties of the January term of district court. These gentlemen have a host of friends here who are always glad to have them here.

hits the batter. Batter does not take his base and it is called a ball.

No Scoring on Passed Ball—A runner can advance from first to second or second to third on a passed ball but no score can be made unless a play occurs or the batter hits the ball.

Foul Tip and Foul Fly Defined—Any ball that does not go directly off the bat into the catcher's hand, or to the ground, is a foul fly.

Regarding points of the game not coming under rules mentioned above Spalding's Official Rules of Playground Baseball shall be taken as the official guide.

Protest Change 52nd Judicial District

A bill has been introduced in the Legislature to abolish the Fifty-second Judicial District and to place Hamilton, Coryell and Comanche counties with Erath County and make it the Twenty-ninth District.

The bill provided for three terms of District Court in Hamilton County, of three weeks each. Under the present law this county has two terms of District Court a year of seven weeks each.

The Herald-Record has observed closely the course of the courts in this county and the administration of the law, and along with other citizens of the county is interested in having the court function as effectively and economically as practicable.

Life for Jobless Won't Be All Milk And Honey at Army Camps

Washington, Feb. 22.—Three square meals a day are provided for 88,000 jobless youths to be benefited by the War Department appropriation bill now in the House for consideration of a Senate amendment.

There will be plenty of bunks and blankets and maybe sheets and pillow cases, but the military camp relief measure will not be all milk and honey even if the bill goes through with its \$22,000,000 provision.

Reveille will be sounded for the boys at 6 a. m. Sleepy heads will not be tolerated. The same conditions will prevail as at the civilian military training camps which are held each summer under regular army supervision.

Long before 8 a. m. each morning, Sunday included, breakfast will have been served, the beds all made, and the drill grounds cleared for action.

The evening will be devoted to recreation. But at 8:30 p. m. taps will be sounded, and out go the lights.

By the amendment offered Senator Couzens, Republican, of Michigan, youths ranging from 15 to 21 years of age will be eligible for the camps.

Enlistment will be for one year. But if any one of the boys, or any group of youngsters, has an opportunity of landing a job he may be discharged on the spot, to make space for some other young man awaiting his turn to be taken under the army's wing.

The Bible Quoted in Plan To Bring Depression's End

Dalhart, Feb. 20.—A native Texan who became foreman of his father's ranch when he was 14 years old is leader of the farm moratorium movement in northwest Texas.

of Texline, a stalwart appearing man with iron-gray hair and a quick, youthful step. McGowan uses reading glasses only when the type is unusually small or the light poor and his appearance belies his age.

His purpose in fathering the moratorium movement in this section of Texas, he said, is two-fold—that of establishing agriculture in a prominent place in the American economic structure and to prevent disorder.

Proud of Experience "I am one of them," he said proudly relating his experiences on Texas and Oklahoma farms. His father's ranch in Wise County came under his supervision in 1884 when McGowan was 14 years old, and when the senior McGowan became partially blind. With few exceptions, the remaining years of his life have been on the farm or in farming communities.

"And I am proud of it," McGowan continued. "Right now I am trying with every ounce of my strength to gain for the farmers and for agriculture the place it rightfully deserves in the American economic structure."

More seriously, he added: "My real purpose is in fostering the moratorium movement is to prevent revolution and bloodshed. I want now to go to the core of the trouble—restitution."

He Quotes the Bible McGowan believes that restorative action ridding the farmer of economic worries is necessary today. He quotes from the Bible citing passages wherein Nehemiah commanded the lenders to leave off usury, to restore the people to their homes, lands, vineyards and olive groves and the hundredth part of money spent for corn, wine and oil.

"If the five per cent who control the wealth could see fit to make restitution, restoring to the people their lands and homes, all people would have plenty," McGowan said.

Chicken Profits Are Best Pay on Farm in Present Conditions

Chickens Live at Home, Provide Farm chickens are living at home. Low egg prices forced it. Since the spring grain crop was harvested in 1931 hens have managed to live mostly on a farm raised diet, lay just as many eggs, and live on 7 cents per month instead of the 15 cents per month it used to take.

This is the statement of E. N. Holmgreen, poultry husbandman in the Extension Service at Texas A. & M. College, and he backs it up with figures from 6355 poultry flock demonstrations reported by county farm and home demonstration agents.

Home-raised and home-mixed rations, balanced up in most flocks with generous amounts of skim milk or meat scraps, have kept the average feed cost per hen in demonstration flocks to 53 cents for the year. This is about 60 per cent of the total cost, Mr. Holmgreen says, which means that the total cost was about \$1.39 per bird. The total average income was \$1.87, and the net profit per hen 48 cents. In 1930 it was 66 cents. The average price of eggs in 1930 was 24 1-2 cents per dozen but in 1932 it had dropped to 12.7 cents per dozen. Egg production per flock advanced during this time from 142 eggs per hen per year to 150 eggs per hen in demonstration flocks. The state average is about 80 eggs per hen.

The figure most farmers look at, however, is the income above feed cost which represents the farmer's return for his labor and investment. Mr. Holmgreen points out. This is money that is readily available to apply on living and other expenses. Last year the demonstration flock owners made \$1.04 per hen above feed cost, or nearly as much as they made the previous year, largely because of the fall spurt in egg prices.

The ration most demonstration flocks received is known as "The Big Five," made up of 100 pounds of ground corn or grain sorghums, 200 pounds ground wheat, 100 pounds ground oats, 100 pounds meat and bone scrap of 50 per cent protein, and 2 pounds of salt. Where plenty of skim milk is available the meat scrap is omitted. For scratch grain a mixture composed of three parts corn or grain sorghums and one part wheat is provided.

Texas Industrial Activities

Three hundred new industries were located on the Southern Pacific lines in Texas during 1932, according to statement of J. C. Mangham, industrial commissioner of that system. The new industries are counted on to supply annually around 35,000 carloads of freight.

Recent new industrial incorporations in Texas include: Roto Dent Tooth Brush Co., Laredo, capital stock \$10,000. Lower Valley Compress Co., Fabens; to operate mills, gins, cotton compresses, capital \$10,000. Neat Foot Corporation, San Antonio, capital \$10,000. San Angelo Dr. Pepper Bottling Co., San Angelo, capital \$3,000. Dallas Hat Manufacturing Co., Dallas, capital \$25,000.

ON TEXAS FARMS

They're teaming up in Falls County to try to help every farm family cut up beehives for canning "The A. & M. Way" to save time and to get better meat. The county farm agent has trained teams of farmers who are showing others how to butcher beef by modern methods. Last month 50 beehives were reported.

Now that a few farmers have demonstrated that alfalfa will grow in Gonzales County, several more are trying the crop. One of them, H. F. Waggoner, is feeding green-cut alfalfa from his first cutting to beef calves in a ration with corn with excellent results.

After trying vainly for four years to build up a certain piece of land without terracing, Earl Sealy in Harrison County has turned to the County Agent for help and has terraced 40 acres. With few exceptions, land can't grow richer until it is first terraced.

A campaign against rats in Coleman County by the U. S. Biological Survey is co-operation with the county agent has resulted in killing 65,000 rats by the use of 151 pounds of red squill.

Wholesale yard improvement is being attempted in Childress County where 200 home demonstration club women have 2000 cuttings of shrubs set out in cutting beds ready for transplanting into their farm yards this spring. They are also getting Chinese elm shade trees from the Chillicothe Experiment Station with the aid of a local civic organization, and rebuds in quantity from East Texas.

Breckenridge—Fourteen hundred acres of farm land terraced in 1932 and a start toward home irrigation systems in Stephens County are results of the work of County Agent C. F. Lochridge. An example of the value of the irrigation work is the experience of Joe Blackburn of Gun-sight community, who irrigated 16 acres of truck crops from a home built lake, and harvested 400 bushels of tomatoes, 600 bushels of potatoes, together with large quantities of peppers, peas, beans, beets, cucumbers, onions and other vegetables. All last summer Mr. Blackburn made two trips a week to Breckenridge with vegetables to sell. His sales ran from \$3 to \$25 per trip.

Vernon—The hot bed not only furnished early plants for the family garden but played an important part in financing interior home improvement carried on by Mrs. C. T. Hines, bedroom demonstrator for the Five-In-One Home Demonstration Club, according to the 1932 report of Miss Doris Leggett, home demonstration agent of Wilbarger County. Mrs. Hines sold early tomato plants in order to get the money to buy paint, cretonne and mirror with which she, aided by Mr. Hines, transformed their bedroom. A bed, an unfinished quilt box and an old oak table were the furnishings with which they started. Mrs. Hines scrubbed the painted walls and ceilings, cleaned and oiled the floor and made an awning for the south window while Mr. Hines repaired the screens, made a bedside table and a dressing table cut out of the old table, and remodeled and repapered the closet, making shelves and placing a rod for hanging garments, and a hanging rack on the floor. The quilt box Mrs. Hines upholstered for a window seat, enameled the inside and put a tray in for linens. Another old table that was a gift Mr. Hines made into a washstand. She made a braided rug for the floor and a braided mat for the bedside table and draped the dressing table with cretonne, enameled the secondhand mirror and hung it above the dressing table.

Jacksonville—Not having enough home orchard to furnish fruit for the family table, Mrs. Henry Todd, members of Central High Home Demonstration Club, exchanged \$15 worth of surplus pecans for apple, pear and peach trees, and a dew berry and grape vines sufficient to plant an orchard that will meet the needs of an adequate diet, according to the report of Miss Irene Price, home demonstration agent of Cherokee County. Having gotten the planting fever, Mrs. Todd went to her yard and put out 120 shrubs, 100 of which are living, among them eight varieties of native shrubs. And then, looking to further inexpensive beautification of the farmstead, she started a cutting bed with 12 varieties of native and nursery shrub cuttings.

Groesbeck—Fresh meat of first quality is due to appear on farm family tables in Limestone County with the spread of the beef cattle work being done in that county by the farmers who have been working with county agent T. B. Lewis to secure better sires for the farm herds. Mr. Lewis states that four years ago there were about 29 registered bulls

in the county and that there are now 125, most of them Herefords, and that several hundred head of "white faced" cows have been brought in by the farmers as fann-

ation stock. Beef feeding is following naturally in the wake of this herd improvement work and last winter six farmers in different parts of the county fed out 374 calves and according to their figures received a good price for their home grown feed and made \$450. In addition to this about 750 heaves were killed for home use in 1932, the quality of which excelled the previous general run of beef in Limestone County.

Gonzales—It is said that one-sixth of the pecan crop of Texas comes from Gonzales County, and that the nuts are of such quality and flavor as to command a premium on most markets. The crop in 1931 amounted to 4 million pounds and brought \$225,000 into the county. The best native groves are along the banks of the Gaudalope river, and some of the farmers owning this acreage are working with county agent J. M. Saunders top working the native trees and budding onto them improved varieties, clearing out the underbrush and taking out surplus pecan trees and improving the pasture so obtained. In some cases this work has paid so well that the cost of it has been met by the first year's increased income on nuts and pasturage.

The county agent assisted by the extension horticulturist has held an annual pecan school where all phases of pecan work have been taken up, and as a result of these schools 50 men and boys are now doing top work and budding and many hundreds of trees that bore small inferior nuts have reworked and are now bearing nuts that bring a premium on the market.

FLAT NEWS

Mr. and Mrs. R. L. Homan, also Evah and Ocie Palmer, visited in the Howard Lowery home at Mound Sunday.

Miss Myrtle Fincher of Sparta spent several days visiting her aunts, Mrs. Walter Homan and Mrs. Lorain Brazzil.

Miss Bertha Jones visited home-folks at Turnersville last week-end. Miss Nora Campbell and Messrs. Vern Waddell and Dan Cross were week-end visitors with Miss Treva Campbell in Ft. Worth.

The Flat Epworth League put on a program at Ft. Gates Sunday night.

The musical entertainment at the

home of Mrs. Addie Whigham's last Saturday night was enjoyed by a large crowd.

Uncle Dock Brazzil has gone to spend the summer fishing on the Colorado.

Messrs. Will and Cleo Carrol made a business trip to Ft. Worth the first of the week.

The carnival at the school last Friday night was enjoyed by a large crowd.

Mr. and Mrs. Sam Ludwick, also two of their sons and Mrs. P. E. Short, visited in the home of Mr. and Mrs. Dick Ludwick Sunday.

Mr. and Mrs. Bill J. Parish of Hamilton and Miss Pauline and Dorothy Jave Parrish of Hico were all guests in the L. M. Mayberry home Saturday night.

Messrs. Dock and Burney Brazzil were visitors in Dallas last week.

Mrs. Jack Palmer is visiting relatives in West Texas this week.

Miss Margaret Cross spent last week-end with her sister, Mrs. Johnnie Mayberry, at Mound.

Messrs. Burney Brazzil, Oran Clawson and Dick Ludwick spent Tuesday and Wednesday fishing at Lake Waco.

Mrs. Emma Lee Carlile returned from Dallas one day last week from a two months' visit with her sister, Mrs. Holloway.

Mr. and Mrs. C. H. Wallace and Miss Margaret McMordie were in Clifton Wednesday to attend an Employee's Meeting of the Texas-La. Power and Light Co.

Mr. and Mrs. J. B. Graves and daughter, Mildred, motored to Meridian Saturday to see Mrs. Hattie Bush who is visiting her sister, Mrs. Jennie Crow and niece, Mrs. Cureton. It is a regret that Mrs. Bush is returning to her home in Des Moines, Iowa, before making a visit to her friends in her former home Gatesville.

Mrs. Richard Moore and Mrs. Francis Powell spent the past week-end in Austin and Lockhart, Texas.

EDITH DYSON, Editor

### Editorial

"Honesty is the Best Policy" is an old adage but never the less true. Sometimes we think we are honest when we are far from honest. We refer to certain people as being honest, but I often wonder if we stop to think just what the term honesty means anyway. Half the time you kid yourself along about the little petty everyday affairs of life. When you would be happier and so would your associate if you would only be frank and honest in your opinions and sometimes of course we all realize we should meet our obligations promptly and wholeheartedly. With some of us, though, all that honesty means is "To pay your debts," but honesty covers far more than that. For honesty means truthfulness, consideration of others, sincerity, frankness, straightforwardness and courage. Are you honest in your dealings with your friends, classmates, teachers, parents and above all yourself? Remember we must be honest in all our dealings and all our thoughts. Unless we are we cannot have self-respect and self-respect is the keynote to contentment.

I have to live with myself and so I want to be fit for myself to know. I want to be able as the days go by. Always to look myself in the eye. I don't want to stand with the setting sun

And take myself for the things I've done.

I want to go out with my head erect I want to deserve all men's respect. But here in the struggle for fame and self.

I want to be able to like myself. I don't want to look at myself and know

That I'm bluster and bluff and empty show.

I never can hide myself from me. I see what others may never know. I never can fool myself, and no whatever happens, I want to be Self-respecting and conscience free.

### Primary News

We are very busy now working on our chapel program, which we will present Friday morning, March 3, at 8:45. We have twenty minutes to put this program on as the time has been limited for chapel.

We are working on some new health posters for our room. Each poster is for each letter in the alphabet.

In Physical Education we are learning to keep step with our leaders.

We have six students in the second grade almost ready for their reading certificate.

Those on the honor roll for the fourth month are:

First grade—Erwin Davis, Ervin Davis, Winifred Andrew, Katherine Andrew, Jackie Harper, Vesta Mae Ballard, Gene Lucy, J. C. Ballard and Knox Whitte.

2nd grade—Oma Lee Medart.

### 3rd, 4th and 5th grade

The third grade are studying children of other nations. We are learning some of their habits, foods, and clothing. We believe we had rather live in America as in either of the other nations we have studied.

The fourth grade changed the window decorations to yellow, red and blue birds. The Dutch windmills also look very attractive in the windows.

We all enjoyed our visit to the principal room to the Valentine party.

Those that have received their second reading seals are Reba Carol, Dorothy Graham, Merle Franks and Angress Harris.

### School News 6th and 7th Grades

Last week in the 6th and 7th grade spelling we made a few more headmarks.

In our 7th grade arithmetic we are still studying about square root. In our 7th grade reading we are studying the Scout Laws.

Our civics has begun to get interesting. Last Friday we took a daily test on the first two chapters about "The Home and the School."

The sixth grade have some new readers. They are interesting.

The sixth grade have been studying poems.

The sixth grade arithmetic have been studying about the radius and diameter of a circle.

Last Friday morning we had chapel. The Senior class entertained us. The program was very interesting.

### Freshmen

The past week has been a very busy week with the Freshman Class. For with our daily assignment we have been working hard for the district meet at Evant. The girls of the Freshman Class have been working with the pep squad and this takes quite a bit of time.

We entertained the sixth and seventh grades with a Valentine party. We gave the history of Valentine, then we played some games. The most enjoyable part of the party was the Valentine box which contained many beautiful Valentines for everyone. We then served grape

juice and cookies. We had refreshments left so we served the coach and basket ball boys.

Every Freshman enjoyed the joint party with the Sophomores at Mr. Tharp's. The house was beautifully decorated with valentine colors. Prizes of hearts were received by many Freshmen. In fact we think we collected more hearts than the Sophomores.

We wish to invite the Seniors in our room and especially want to call their attention to our colors which are lavender and white in order for them to know the next time they represent us in a chapel program and not to decorate Edith Dyson in green crepe paper. We admit the color suits her very well but is very misleading for us.

### Sophomore News

St. Valentine's Day has come and gone with happy valentine greetings. Everyone in the Sophomore Class and a few guests enjoyed a Valentine party with the Freshmen at Mr. Tharp's home Tuesday night after the thrilling day of winning a basketball game over Evant at Gatesville. Grady might have been tired after the day's hard playing but he seemed happy ever the face, that we won.

Everyone of the Sophomores are looking forward to the District County Meet at Evant. We are also looking forward to the basket ball district meet at Temple.

In chapel exercises Friday morning which was carried over by the Seniors, they invited certain persons of the classes and the teachers. One of them made a good joke of the Soph's president calling so many class meetings. We hope these class meetings are beneficial to our class and to the school even if they are made a joke of. So far the Sophs lead all important movements in this school. Rah! Rah! Rah! Sophomores.

### The Junior News

The Juniors are still working very diligently on their studies. We hope to finish all our text books this term. We think that we will accomplish it in everything but geometry.

The Juniors had their Valentine party Thursday night at the home of the sponsor. Several interesting games were played, some of which were "Winkum," "Heart Hunting Contest," "What I Look Like to You." After these games and several more were played. Several couples marched to the dining room and were served refreshments of cookies and punch. The Senior Class gave this party in honor of the Juniors. We appreciate it very much since everyone present had a fine time.

### Senior Class

The Senior Class took charge of the chapel program last Friday morning and furnished a very interesting program to the school students and visitors. We did not know that Theo Whatley did look so much like Mr. Tharp. The auditorium was beautifully decorated in shell pink and apple green, our class colors.

The Seniors enjoyed a Valentine party last Friday night. We had as our guests the Junior Class. Many amusing games were played. One we enjoyed most was the contest between the roosters and dogs. We did not realize we could make so much noise. Delicious punch and cake were served to those present.

The class has taken up physiology. We believe we will all be very interested in this course.

### Chapel Exercises

Our chapel exercises are looked forward to by the entire student body and many patrons. We feel that much good is derived from these exercises. Different classes take charge. Next Friday the program will be from the primary room. Last week the Seniors had charge and gave us a very interesting program. It was very amusing for some and probably very beneficial to others for us "To see ourselves as others see us."

Visitors and patrons are always welcome to come to chapel which is conducted (beginning fifteen minutes until 9:00 o'clock) every other Friday morning.

### Personals

Friday morning we had a good number of visitors for the chapel exercise which was enjoyed by everyone. We invite the patrons of the community to visit us every other Friday morning and enjoy this entertainment.

Miss Lerp and Lona Webb, ex-Seniors of Pearl High School, visited us Friday. We were proud to invite them to listen in at our classes.

The Junior girls met the Junior boys in a basket ball game Wednesday in which the boys met with disastrous defeat.

Mrs. Tom Harper and Miss Emmy Jane Keeton were visitors here last week.

We were glad to have Miss Ruth Preston of Gatesville visit us last week.

Byron Freeman, an ex-Senior of Gatesville, drew a picture of our

school building which we are very proud to exhibit.

Miss Bessie Earl Whitte, ex-Senior of Pearl, visited us last week.

Clyde Perry, ex-Senior of this place, was a visitor last week.

We welcome all visitors and appreciate their interest.

### Jokes

Mr. Tharp had been speaking about the use of cosmetics by the girls.

"The more experience I have with lip stick," he declared warmly, "the more distasteful I find it."

Ed: "What do you mean coming home at this hour?"

Rube: "I didn't mean to come home at this hour but the darn dance broke up."

Theo Whatley is a man who knows a great deal about a very little, who goes along knowing more and more about less and less until finally he knows practically everything about nothing. Whereas Rube Preston on the other hand is a man who knows a very little about a great deal and keeps knowing less and less about more until he finally knows practically nothing about everything.

Dad: "Son, your studies are costing me a lot of money."

Jack Elam: "I know it, Dad, and I don't study very much either."

Miss Laura: "Ann, can you tell me one of the uses of cowhide."

Ann: "Yessum, it keeps the cow together."

Mr. Tharp was trying to teach his basket ball boys to memorize "Be not afraid, it is I."

Mr. Tharp (the following day): "Grady, what was the sentence I taught you yesterday?"

Grady (after thinking): "Don't get skeered. Tain't nobody but me."

—All kinds of Garden Seeds at Torbett's.

# The Hornet's Nest

NEWS OF THE GATESVILLE HIGH SCHOOL

Editor-in-Chief.....J. R. Saunders  
Sports Editor.....Charles Baker  
Social Editor.....  
Class and Club Editor.....A. H. Meadows

### Loss of Staff Member

The entire student body was grieved Monday morning to find that Peyton (Bull) Morgan had withdrawn from school. He was a very popular student and served his school so willingly in keeping up the standards of the class room and detention hall. As society editor on the staff he worked faithfully and efficiently. He gives as a reason for his withdrawal, failing health. He is suffering from a bad case of writer's cramp and poor eyesight as a result of studying so much. We hate to see him go, but perhaps he will be back next year. (He usually is.)

### Debate

Thursday morning the boys debating team, composed of Lloyd Neil Kirkpatrick and Byron Laird McClellan, went to Rustin to compete in a practice debate with Austin High School. There were no judges to decide the winner but everyone was surprised at the good showing made by our team.

### One Act Play

Miss Holmes, director of the One-Act Play, kindly gave a statement to the Press, Tuesday morning. The one-act play selected for the district meet in Temple is "On Vengeance Height" by Allen Davis. The cast chosen consists of: Penelope Hardin, Dessa Lee Hair, Delmar Ramsey, and Louis Woodall. Rehearsals have been held every afternoon and the play is progressing nicely. We hope the cast has as much success as the one last year, who placed in the meet at Temple.

### Baker's Sport Flashes

Coach Lemons, of Jonesboro, was heard to say, during the tournament recently held in Gatesville, Hines is the best coach in the county because he began basket ball after foot ball season, and in a short time had a well-coached, hard-fighting team, that advanced to the semifinals. We are proud to repeat such a statement.

Last year Gatesville scored 256 points to opponents 181. This year they scored 399 points to opponents 347, and won 6 games, and lost 8. This is a good record due to the fact that Coach Hines had so much green material this year.

Track season started last Monday with Woodrow (Speedy) Wilson, Elmo Strickland, Curtis Maynard, Jack Frands, J. L. Rogers, C. Bauman, Alvin Hopson, and Boyd Bond reporting for the initial workout. Gatesville will have to work hard this year to win the County Meet, due to the loss of most of last year's track team, Saunders, Ramsey, Bond, McCoy, Wilson and Meadows are the only last year members back. But I might add that it has been several years since the Hornets have lost the track and field meet. There are several football players who should be at work but due to laziness and lack of energy they have not yet reported. I might add the boys volley ball team had been working hard and has developed beautiful form.

Tennis started Monday afternoon at a meeting called by Mr. C. L. Thompson. There is plenty of experienced material among the squad and I hope to see both singles and doubles carried off by the Hornets. Boys reporting to the meeting were Saunders, Kirkpatrick, McClellan, Woodall, Bauman, Strickland, Brown, Culberson, Hair, Witt and Alexander.

As to the girls tennis I believe that Frankie Marie Wilson will win the county singles, and with Frieda Weaver in doubles.

### Spellers' Report

Under the supervision of Mrs. Jones, spelling for the County Meet has gotten under way. Those who are trying out for places are: Delmar Ramsey, Jack "Wemp" Young, Mary Ayres, Frances Lewis, Erma Dean Phillips, Ruth Roberts, Hazel Scott, Elaine Smith, and Winnie Belle Whigham. If you are a poor speller, enroll in Mrs. Jones spelling class and we guarantee you will come out even able to spell Constantinople.

### Declamation

The declaimers, both Junior and Senior, have been working hard on their declamations under the splendid supervision of Mrs. Glass. The tryouts are to be held Thursday morning. The Senior Boy Declaimers are Curtis Maynard and Woodrow Wilson. The Senior Girl Declaimers are Pauline Haney, Iris Morse and Opal Dixon. The Junior Boy Declaimers are Dave Culberson, Sonny Hair and Albert Dickie. The Junior Girl Declaimers are Mildred Grant, Roe Beth Pruitt and Elizabeth Ann Ward.

### Senior Project

The Senior Class would be glad to hear any suggestions as to something they can leave to the school, as in the annual custom. Please make your suggestion to this editor.

### her of the Senior Class.

"A Pome"  
"I envy most Curtis Maynard  
Although he isn't handsome;  
He's just endowed with length  
enough  
To overlook a transom."

### Freshman Entrance Exam

(A grade of 6 7-8 is necessary to continue in this institution.)

1. Discuss fully, in not over four words, Einstein's theory.
2. Why is a peanut? A Freshman?
3. Give 63 reasons why you get the blues when it rains.
4. Make a report in Greek, Latin, Hebrew, and Chinese on the Harvard classics. Not over three lines.
5. What makes teachers like that? Are they wholly responsible?
6. How long would it take Ammon Dyess to pick a quart of fly specks out of a barrel of black pepper with a pair of boxing gloves on?
7. If five and five are ten, how long is a piece of one with a knot tied on the end?
8. If it is five blocks to town, how many shingles will it take to cover the court house of Gatesville?
9. Is high school the same as Sherman said was? Why?
10. Is Harry Dillashaw a pest? Why is he?
11. Did you cheat on this exam? If not, why not?

### Ideal Faculty

Superintendent, Harold "Hot Man" Chamlee.  
Office Man, Delmar Ramsey.  
Dean of Men, Winnie Belle Whigham.  
Dean of Women, Milton Cook.  
Head of English Dept., Elton Blackstock.  
Head of Science Dept., Roy T. Scott.  
Mathematics and Figures, Joyce Baker.  
Coach of Athletics, Billy Bloodworth.  
Playground Supervisor, Ollie Lee Hackney.  
Janitor, Neise Alexander.  
Head of Spanish Dept., Pauline Haney.

### Choice Gossip

Were you at the show last Thursday week night? Did you see what I saw? There sat Mildred Pattillo and Neise Alexander. Down a little further was "Wemp" Young and Louise Morgan. And who should come in and sit down behind us but Meadows, little Beverly Chamlee, McCoy and Lindsaybelle. Whatta night! Whatta night!

### Attention

The Editor-in-Chief wishes to announce he has bet Johnnie Bradford one kick that he (Bradford) will not make the Honor Roll. The Editor would like to know the sentiments of the student body concerning the payment of this bet in chapel, as it is a cinch Bradford will lose.

### Should I Become a Teacher?

The young man or woman who will graduate from high school this mid-term or in June is faced with an unusual problem. He surely will be puzzled to know which further step is best to take along educational lines.

There seems to be one of the largest surpluses of teachers ever known. Thousands will be unable to secure schools. Those who are fortunate enough to get a school will be faced with a diminished income on account of the financial distress in which the states find themselves. This is surely a discouraging outlook for the young person who has ambition to teach.

Other professions, too, seem to be overcrowded. There is a surplus of young lawyers who are barely eking out an existence. There are too many doctors for the number of patients; the talking pictures have killed the profession of music, and so on down the line.

At this time, we would advise young people to divert their minds toward the field of business. It seems to offer a quicker comeback than most of the professions. Business is dignified. It offers remunerative responsibilities. It is now considered by the masses as one of the few lucrative professions. "If I were starting my career now," says a well known educator, "I would first finish high school and then enter some reputable Business College and get a business training. Then I would become connected with some large business concern and work hard and soon I would find my name listed as one of the executives." Quoting further, "From my knowledge of various Business Colleges, I surely would investigate the Business College at Tyler, Texas. I am told this school is the best in the South."

### Seattle And County Line

Miss Nemie Saunders spent Saturday night with her sister, Mrs. Muriel Lawson, at Moffat.

Miss Frances Grimes of The Grove was a Saturday night guest of Miss Roselle Ayers.

Dick and John Watts and Winifred Taylor were guests of Dennis Dixon one evening last week.

Mrs. Ruth Simms has been real sick from a relapse of the flu.

Mr. and Mrs. A. A. Dixon's children have been real sick this week. Mrs. Bill Copeland had as guest this week her brother, Don Webster, of Temple.

Mr. and Mrs. Jack Finney and Miss Altie Finney visited their sister, Mrs. Will Scott, at Pendleton. Misses Opal and Willie-Mae Scott came home with them.

Miss Altie Finney and Miss Willie Mae Scott spent Sunday in the Bob Wolff home.

Mr. and Mrs. Hank Clearman were guests of her mother, Mrs. J. E. Lockaby Saturday night.

Mr. and Mrs. Hugh and Charlie Wolff were guests in the Charlie Wolff home Sunday.

Mrs. Lela Wolff spent Sunday in the A. A. Dixon home.

Misses Verna Finney and Opal Scott spent Sunday afternoon with Mrs. A. P. Dixon.

The singing at Mr. George Copeland's Saturday night was enjoyed by a large crowd.

Mr. and Mrs. Thomas Spurlin and children visited in the L. Dixon home Sunday.

Mr. and Mrs. Bob Taylor and Doyle and Mr. and Mrs. Lee Copeland visited Johnnie Taylor Sunday at Hubbard.

### Builds Novel Stone Fish Pond in Yard

Ernest Burchett, living in the southwest portion of Gatesville, recently completed a unique fish pond for his front yard. The pond is constructed from red stone hauled in from the George Weimer farm some eight miles south of town. The pond is about four feet wide and six feet long, complete with concrete bottom, etc. In the center of the pond there is a miniature light house, complete in every detail. Floating on the water is a small boat, manned by a lone negro lad with his fishing pole, fish bait and snake medicine container. Swimming at leisure in the water is several different varieties of gold fish, among which is a Japanese variety.

### ANTELOPE NEWS

HIGHWAY WORK IN CORYELL COUNTY

After years of patient waiting, during which time many of our citizens and officials have diligently worked with no seeming results, now comes the word comes from Austin that Highway No. 36 may be in reality a state highway through Coryell County from The Grove via Gatesville to the Coryell and Hamilton County line some three-fourths of a mile west of Jonesboro.

It is true that no road project is a highway until after it is finished, yet with the information now available it is very probable that actual work will start in the near future. It is also understood that this road is to be constructed with local labor where experienced and skilled labor is not required.

By the use of local labor and teams will mean more to Coryell County than one might suspect. In this manner a farmer with a surplus of teams on his farm can arrange for a team to be at work on the road when not needed in the field.

The beginning of work on Highway No. 36 is not the first highway in Coryell County. This project is preceded by the construction of a part of Highway No. 66 which passes through the extreme western corner of Coryell County from Lampasas to Hamilton via Evant. This piece of work has been under construction for almost a year with thousands of dollars being spent. The road has practically been relocated the entire distance from Lampasas to Hamilton, with one hundred foot right of way and a wide road bed finished with a heavy supply of gravel. All drainage structures are built of concrete and steel, while the larger bridges will also be of concrete. The building of this highway has been done by practically all home labor, and in talking to those who know, all are of the opinion that this work which is now releasing so much ready cash among the farmers in Lampasas County, are well pleased with the method used and feel that this money is being spent at a time that really means something to the farmers who have good teams, plenty of feed and nothing in sight to pay his necessary obligations. It is said that many farmers having teams on that work received from \$60 to \$110 per month for his labor and the use of his team. Not being out any cash for feed they will have a little ready cash to enter their farm work when it is necessary in the spring. All of the farmers who have teams on this particular piece of work are well pleased in the manner which the management has been conducted and the method used for such a benefit to the farmers and taxpayers of the county, besides securing such a wonderful outlet to a market.

SEEK OUT THE FACTS

The war debt problem, in the long run, will not be solved either by supporters of cancellation or by advocates of dollar-for-dollar collection. It will be settled by enlightened and unbiased consideration of all the diverse factors involved.

As the Nation recently observed, refusal to consider would imperil the few foreign trade outlets still open to us, and by provoking the erection of highway retaliatory tariff walls would cost us vast sums of money. It is an interesting fact that the decline since 1929 in our annual exports to Europe amounts to four times the 1932 installment on the total war debt.

It avails us nothing if we lose several dollars in order to get one. The problem of war debts is inextricably linked with the problem of depression, of unemployment, of industrial stagnation and disturbed monetary systems. To reconsider them is simply to admit that the way to solve a major economic problem is not to argue blindly, but to seek and discover the facts, and use best judgment accordingly.

BRINGING SILVER BACK

Some qualified observers forecast that the present Congress, before it adjourns, will pass legislation designed to restore the value of silver.

If it does, it will have done much for the country and for the world. It will have set an example that will be followed by other governments. It will have paved the way for rehabilitation of silver on an international scale.

Because of cheap silver, foreign trade—particularly with the Asiatic countries—has virtually stopped. Monetary systems have been thrown into confusion. There is not enough gold to go around as a money metal—and without another metal to do part of the work, the delicate balances controlling commerce and industrial activity are upset.

Bringing silver back will be a real step toward recovery. It is to be hoped that some sound plan for doing this will soon come into effect.

Marriage License

A. O. Borlack and Miss Ruby Symonk. Erwin Warren and Miss Bessie Wittie. John Quicksall and Mrs. O. S. Brazil.

Mr. and Mrs. Leake Ayres spent the holiday Wednesday in Waco, visiting.

Miss Ruth Sadler, Miss Willie M. Claxton, and Mrs. L. E. Kincaannon were in Waco for the day Tuesday.

Mrs. Morton Scott's niece, Miss Emma Lou Pressly, of McKinney, Texas, is visiting her.

Mrs. D. H. Burt is visiting with her son and family, Mr. and Mrs. Loraine Burt, of Waco.

Mrs. Monroe Blankenship was taken very ill Monday with pneumonia, but is some better today.

Mrs. A. D. Honeycutt's sister, Mrs. Tom Kayton, of Arlington and her daughter, Mrs. Leone Moore, of Keoville are visiting her.

Rev. and Mrs. C. A. Morton attended the funeral of Mrs. Morton's aunt, Mrs. Richard Adams, of Hamilton Wednesday afternoon.

After several days' illness, E. L. Moody is again to be found at his place of business in the Scott building on Leon Street. Mr. Moody is an experienced tire vulcanizer and has a nice plant where he does exceptionally high grade vulcanizing and tire repairing.

"A VISION OF TAXATION"

(The following verse was sent to the Chicago Daily News by G. A. Haywood):

Each day you may see me out working on the farm. I have a little forty, a chicken coop and barn. I love to work upon the farm and keep it neat and clean. But when I'm in my bed at night, I have such awful dreams.

I see taxes on the ceiling, I see taxes on the wall, I see taxes in the kitchen, I see taxes in the hall, I see taxes in the dining room, I see taxes on my plate, I believe I can taste taxes in everything I eat.

I believe in paying taxes, I believe in being sane, I believe these unjust taxes are taxation of the brain. I see taxes on my children, I see taxes on my wife, I see taxes on my income, I see taxes on my life.

The next rap that we predict with no other can compare; It's a meter on our windpipe, then tax us for the air.

TEXAS LEGISLATIVE FACTS

By Texas Press Legislative Bureau

Austin.—The Legislative News Bureau of the Texas Press Association has been established for the purpose of providing an unbiased reporting service on pending tax measures and matters pertaining to governmental costs. The reports will be free from propaganda or editorial opinion. Only facts will be given in order that the people may have definite information, leaving the people to form their own opinions and take such action as seems wise to them. The bureau will not engage in lobbying and will not support or oppose any particular programs, measure or officials.

Total receipts of the State government for the fiscal year ending Sept. 1, 1932, were \$96,894,751.25. Of this amount \$24,175,000.74 came from ad valorem taxes, \$28,213,020.59 from the gasoline tax, while the gross receipts tax yielded \$7,001,299.89.

Other receipts include: Insurance companies occupation, \$2,236,950.27; cigarette, \$3,426,645.42; franchise, \$1,490,349.73; gross receipts, \$1,553,706.88; licenses, \$3,636,619.11; fees and permits, \$1,130,384.55; land sales, rentals and royalties, \$2,355,893.84; interest and penalties, \$3,632,324.22; Federal, county and other aid, \$15,503,686.68.

Above are major sources of income. Principal expenditures follow: judicial, \$2,371,198.99; military and law enforcement, \$1,208,466.22; regulation of business and industry, \$1,137,021.79; development and conservation of natural resources, \$1,978,007.21; highways, \$39,458,336; eleemosynary and correctional, \$5,744,739; public schools, \$28,961,501.44; higher education, \$9,525,277.33; pensions, \$3,562,641.57. Figures are from the Comptroller's office. Items of income and expenditure of less than one million dollars are not included in the above.

Forty-one per cent of all State expenditures are for highways, thirty per cent for public free schools and slightly less than ten per cent for colleges and universities. These three items, plus Confederate pensions, care and education of blind, deaf and other wards of the State, account for ninety-one per cent of all State expenditures. Hence, if all other costs were eliminated, including judiciary, law enforcement, legislature and executive, saving to taxpayers would be less than ten per cent.

The first bill relating to costs of government to be passed by both House and Senate provides for 25 per cent reduction in the pay of Rangers. It takes effect immediately and continues until Aug. 31, 1933. Captains are reduced from \$225 per month to \$170; sergeants from \$175 to \$130; privates from \$150 to \$112.

The House passed the judiciary bill last week providing for 25 per cent reductions in pay of judges and district attorneys, and elimination of assistant district attorneys. The bill applies to district and higher courts.

## French Call It "Glace"; We Call It "Candied" But We All Call It "Good."

### Nuts, Fruits, Vegetables Are New When You're "The Candy Kid"

Want a new cooking thrill? Want to add a new style of cooking to your repertoire? Then learn to "glaze," learn to "candy"! Glaze or candied foods are exciting, fun to make and delectable to eat. Their sleek, glistening surfaces look different from anything else on the table prepared by another method, and even the old standbys take on a new taste appeal when they're candied. If you doubt that they are universally popular, just say "candy" to anybody and watch their eyes light up.

You are familiar, of course, with candied sweet potatoes and such. But have you tried candied turnips, candied onions? Have you turned out glaze fruits and nuts as good as any that ever came out of a royal confectioner's kitchen? Then start now!

Candying or "glazing" is not difficult if your candying syrup is just right. To make sure it will be just right, not apt to become grainy or sugary and that it will shine clear in all its crystal glory, use karo in making your candying syrup. This will not only prevent sugaring but will give you the crackless surface you want for your fruits and nuts.

Here are some of the most popular candied things. Start with them, and then turn to new ones. The standard syrup for glazing so that a hard surface is obtained is that one given in the recipe of Glaze Nuts; in making syrup in increased amounts, just remember the "one to one" rule—a cup of sugar to a cup of karo.

### Candied Bananas

6 bananas  
1-2 cup dark syrup  
1-4 cup water  
1 tablespoon butter

Peel bananas and arrange in an oiled baking dish. Mix dark syrup with water and pour over bananas. Put dots of butter on the bananas. Bake in hot oven (450degreesF.) 10 to 15 minutes until fruit begins to soften. Bathe with sauce during cooking. Serve as a dessert or as an entree with meat.

### Glaze Nuts

1-2 cup sugar  
1-2 cup white syrup

2 tablespoons hot water  
Nutmegs

Soak sugar, water and karo until syrup bubbles instantly when tried in ice water. Dip in whole or half nutmeats quickly, one at a time, taking out on the points of a fork and laying on oiled paper. They harden immediately.

### Candied Turnips and Parsnips

Peel and slice a large yellow turnip or parsnips. Cook until nearly tender in boiling salted water; remove from fire, drain and lay slices in a casserole. Spread thickly with butter and dark syrup, half cup syrup to one tablespoon of butter for six large slices. Bake until tender, basting often.

### Glaze Dates

1-4 cup nutmeats or 1 slice canned pineapple.  
1 cup sugar  
1 cup white syrup  
1-2 cup water

1 package of pasteurized dates  
Pit dates and stuff with a bit of nutmeat or well drained pineapple, wrapping the date entirely around the filling. Cook sugar, white karo and water until the syrup begins to discolor (310 degrees F.). Place pan in a larger pan of boiling water while dipping. Dip each date in to syrup, lift with a fork, let the surplus syrup drain off, then drop on oiled pan or waxed paper to cool.

### Candied Apples

(Candy on-a-stick variety)  
Cook together 1 cup brown sugar, 1-2 cup white sugar 1-2 cup maple karo and a tablespoon of mazola together to the "crack" stage (syrup crackles in cold water). Remove from fire and add flavoring. Stick skewer in end of each apple, dip one at a time in the hot syrup and place on oiled pan to cool.

### Candied Apples

Backed Stuffed Apples for Dessert  
Wash and core apples, beginning at blossom end. Pare skin down an inch from top. Fill centers of apples with chopped raisins, sliced dates, or with candied ginger and shredded coconut. Mix maple or dark karo with water (1-2 cup syrup to 1-2 cup water is enough for 6 apples) and pour over apples. Bake in hot oven about a half hour until apples are tender. Baste during cooking; if necessary, add more water during cooking.

## WOODARD NEWS

(Too Late for Last Week)

Guests for the day Wednesday in the home of Mr. and Mrs. Eli Williamson were Mrs. Drury Carolina daughter, Erlene, Mr. and Mrs. Vernon Carroll, Mr. and Mrs. Holmes Williamson of the Stampedee Community.

Mr. and Mrs. Arthur Melton and sons, Bobby and Billy, were guests of Mrs. Jim Meyers Sunday.

Mr. and Mrs. Bob Alford and daughter, Bobby Jean, and Pauline, Mr. and Mrs. Homer Robertson, Mr. and Mrs. Ernest Chitwood and daughter, Ernestine, were guests Sunday night of Mr. and Mrs. Parker Hirsch.

Mr. and Mrs. Earl Sydow and children have been spending several days with her mother, Mrs. J. D. Fegette.

Miss Estelle Cooper was a guest Sunday of her sister, Mrs. Ellie Hayes.

Mr. and Mrs. Dan Hirsch and daughter, Virginia, were guests in the home of J. D. Fegette Sunday afternoon.

Miss Margaret Melton and brother, Davis, were guests in the Collard home Sunday in Carden.

Mr. and Mrs. Ed McDonald were dinner guests of Mr. and Mrs. Parker Hirsch Thursday.

Mr. Albert Barsch of Denton and Mr. Arthur Barsch of Ireddell were guests of their parents, Mr. and Mrs. Gus Barsch, the past week-end. Mrs. Barsch has been very ill but is some better at this writing. We are hoping she will continue to improve.

Mrs. Bob Alford was a guest of Mrs. Annie Alford Wednesday.

Mrs. Parker Hirsch visited with Mrs. Dennis Kellogg Monday afternoon.

Mr. and Mrs. Arthur Melton visited in the R. E. Meeks home one day this week.

Mr. and Mrs. Edgar Franks and Mrs. Jim Osborn of Gatesville were visitors in the Ed McDonald home Sunday.

Miss Foy Shoaf spent Monday night with Miss Novella Faris.

The 84 party at the home of Bob Alford's Saturday night was enjoyed very much.

Mrs. Abb Williamson spent Wednesday with her mother, Mrs. J. D. Fegette.

Mesdames Charlie Bunnell, Edd McDonald and Miss Olga Newman of Gatesville were guests of Mrs. Gus Barsch Tuesday afternoon.

Mr. and Mrs. Otto Barsch were

guests of his mother, Mrs. Gus Barsch, Tuesday.

Miss Hazel McDonald of Waco was a week-end visitor in the home of her parents, Mr. and Mrs. E. A. McDonald.

Miss Ruth Roberts was a visitor for the week-end in her parents' home at Slater.

We are sorry to report Mrs. Geo. Schaub as having been on our sick list for the past week, but is better at this writing. Her daughter, Mrs. Sam Patterson, spent one night last week with her.

Miss Novella Faris was a visitor in the John Shoaf home Tuesday.

## WHITE HALL

### SCHOOL NEWS

Cordilla Bennett, Editor  
Winnie Beth Boyd, Asst. Editor  
Kyle Kilching, Sport Editor

(Too Late for Last Week)

### Sport

The Senior boys and girls have played basket ball every suitable day while the Junior boys and girls are playing playground ball. The little folks are playing ball, too.

### Primary Room

Miss Minnie Johnson is making great progress with the little folks. The first grade have learned all the sounds and have started making a phonics book of all the words they know.

The second grade are learning to construct their own sentences. They are making a picture book of the paintings of Sir Joshua Reynolds. They are now studying George Washington.

Both grades are fixing on the scene of George Washington in the sand table.

### 3rd and 4th Grades

The 3rd grade has finished two readers. They are studying fractions and know up to the fives in multiplication tables.

The 4th know all the multiplication tables. In English they are telling stories and studying paragraphing.

### 5th and 6th

The 5th grade are greatly interested in their Beginners History. In geography they are drawing a product map of South America.

The 6th grade is drawing a map of the United States. Texas History is greatly enjoyed.

### 7th

The 7th grade are studying about the dispute of Oregon. In English they are learning to conjugate verbs. They have finished geogra-

phy and have taken up agriculture.

### High School

The 8th grade are succeeding with their algebra. They are studying Modern European History with the 9th grade.

The 9th grade are studying letter writing.

On account of so much moving at the first half the 10th class has finished electing their class officers. They are: president, Cordilla Bennett; vice-president, J. C. Ercanbrack; treasurer, Freda Thomson; secretary and asst. treasurer, Leone Chambers; class reporter, Uta Mae Prater.

The Literature Class is studying Nathaniel Hawthorne's short stories.

The II Year Spanish class still have trouble with grammar but still have hopes of learning it, especially that subjunctive mood.

### We Wonder Why

Leone Chambers has so many boy friends.

Cordilla Bennett and Louise Garren never suck any other suckers but chocolate and strawberry.

Mr. Carson always keeps his little feet on the floor.

J. C. Ercanbrack always knows his geometry.

## HURST SPRINGS

Farmers are very busy resowing their oats.

Mr. and Mrs. C. C. Cheatham visited Mr. and Mrs. R. O. Poston of Turnersville Saturday night.

H. C. Lippe made a business trip to Ft. Worth Monday disposing of his fat yearlings.

D. H. Hollingsworth was called to his daughter, Mrs. Clarence Riddle, who is very ill in one of the hospitals at Waco.

Mr. and Mrs. Percy Leach visited their parents, Mr. and Mrs. J. R. Linton, Saturday.

Those on the sick list are Mrs. A. Walker, Mr. Rudolph Dossman and Clois Williams and we are glad to report them being better.

Miss Alvora Germstad visited Miss Oma Sellars Sunday.

Mr. and Mrs. Mike Poston of Turnersville were visiting their parents, Mr. and Mrs. Poston Sunday. Mr. and Mrs. Henry Esque and Mr. and Mrs. Sewell Walker of Waco were visiting their parents, Mr. and Mrs. A. Walker, Sunday.

Hurst Springs people enjoyed the play "Cabbage or Dollars" put on by Lane's Chapple Epworth League Friday night.

Mr. and Mrs. Rile Lofland, Mr. and Mrs. J. J. Crosley visited Mr. and Mrs. Henry Ragsdale Sunday. The Four-H Club meets 3rd Saturday night each month. We urge everyone to come out and take part.

Mr. and Mrs. L. L. Hollingsworth were shopping in Clifton Friday.

Mrs. R. H. Dossman and son, Walter, were business visitors in Clifton Thursday.

Mrs. H. R. Ragsdale and daughters were shopping in Gatesville Friday.

Mrs. Alvin Hollingsworth visited her sister, Mrs. Ray Williams, Thursday.

Miss Gladine Hinson of Turnersville spent last week with Miss Louise Short.

The young people of our community after club Saturday night stormed Mr. and Mrs. Rile Lofland for an entertainment which was enjoyed by all.

Miss Heen Lofland visited Misses Lola and Jimmie Lane Sunday.

Mrs. Carrie Sellars has returned from a visit with her brother at Hamilton.

Mrs. Laura Saffell and daughters, Misses Willie and Marie, visited Mrs. John White of Norse Sunday evening.

Mr. and Mrs. Marion Whitty visited their mother, Mrs. Carrie Sellers, Sunday.

Mrs. B. Schulz and Little Miss Hazel Cleo Schulz of Clifton were visiting relatives here during the week-end.

Mr. and Mrs. F. M. Leach had as their dinner guests, Miss Bess Ragsdale, Mr. and Mrs. Sam Leach, Mr. and Mrs. Percy Leach and Mr. W. B. Linton.

Mr. and Mrs. Joe Whitley of Lanes Chapple visited Mrs. Maggie McCandless Sunday.

Mrs. Rile Lofland visited Mrs. G. R. Young Saturday.

### Belton Woman Victim In Explosion of Gas

Belton, Texas, Feb. 13.—Mrs. S. E. Lane died at the Belton Sanitarium Sunday morning from burns and injuries received Saturday afternoon when accumulated gas ignited as she attempted to light an oil stove with a match. The apartment occupied by Mrs. Lane with her husband was piped for natural gas, but they had not been using it recently.

The force of the explosion blew the rear wall of the house loose and shattered all the windows, and was felt by residents within a block of the scene. Occupants of an adjoining apartment extinguished her blazing clothing, but she had already suffered serious burns.

## Automobiles and Trucks Take Heavy Toll of Life in Texas

### More Than 240 People Killed And 887 People Injured During Year

In a booklet handed us by J. R. Curtis, local agent of the Cotton Belt Railroad, we find that during the past year a total of more than 1000 people were either killed or injured by automobiles or trucks.

The following is the exact figures as compared by a committee to compile auto and truck accidents only: Texas Highway truck accidents, 1932:

- Number of accidents recorded, 717.
- Number of persons killed, 241.
- Number of persons injured, 887.
- Number of animals killed, 8.
- Number of bridges destroyed, 6.
- Miscellaneous accidents, 53.

The following are some of the principal causes of accidents recorded:

1. Inadequate braking power, or failing to apply brakes in time.
2. Faulty steering gear.
3. Parking without lights at night on highway, and leaving vehicle unprotected by flares or other warning to motorists.
4. Hogging highway.
5. Driver falling asleep at wheel as result exhaustion from long hours of work, without proper rest.
6. "Whipping" of trailer.

### Baruch Urges U. S. to Lease Surplus Lands

Washington, Feb. 21.—Aid for the debt-ridden farmer reached the floor of the senate Monday, while two new farm relief plans were advanced before its finance committee by an influential Democrat, Bernard M. Baruch of New York.

The senate agriculture committee meanwhile wrestled two more hours with the domestic allotment bill, accomplishing no more than the elimination of a 5-cent per pound tariff on imported fats and oils.

Farm organizations, openly critical of the way the senate agriculture and banking committees handling the domestic allotment and farm mortgage relief legislation, saw one of their recommendations favorably reported when the senate judiciary committee approved a substitute for the house bankruptcy bill.

It contained a provision framed by the farm leaders and sponsored by Senator Robinson of Arkansas, Democrat, which would set up a countrywide system of conciliation commissioners to scale down the farmers' debts by consultation between debtor and creditor.

Currency inflation, advocated by some as a means of helping the farmer, was vigorously opposed by Mr. Baruch. To solve the problems of agricultural surplus and heavy farm mortgages, however, he advanced definite plans, proposing the government should "actually lease" a portion of the nation's farm lands producing surplus crops.

From each farmer who wishes to participate in the plan, Baruch would have the government rent a prescribed percentage of his acreage on condition he does not increase his crop on the remaining acres by intensive cultivation.

The rental would be "an amount slightly larger than the profit that could be made on the reduced crops at farm prices in their pre-war relations" to general commodity prices." The average, said Baruch,

### TAKE STOCK

Among your possessions it's pretty safe to say you'll find a score of things no longer of any value to you but which some one else needs. This is particularly true of the farmer. Live stock, farm machinery, seed, anything you want to sell can be disposed of through a classified ad. You can buy through the want ad column, too. The cost of a classified ad is negligible.

THE NEWS  
Phone 60

sumption for poultry raised last spring. According to the Yearbook of Agriculture for 1931, 697,548,000 birds were raised. The amount of feed consumed by these birds, plus the amount given above would total 38,200,000 pounds, or approximately 18 to 20 per cent of the entire grain supply of the country.

### Belton Man Killed in Auto Wreck in South Texas

Corpus Christi, Texas, Feb. 21.—Two persons were killed and another was injured Sunday in an automobile accident on the Valley highway between Alice and Premont.

J. Bascom Davis of Belton, prominent Belton County planter, and his daughter, Mrs. D. L. Cummins, of Haskell, were killed. Virgil W. Meadows of Raymondville was injured. Meadows apparently lost control of the large sedan he was driving. It struck a culvert and careened into the path of an approaching truck, which crashed into the

wreckage. The impact caused the gasoline tank of the sedan to explode. Neither of the persons riding in the truck was injured.

The bodies of Davis and Mrs. Cummins were taken to an Alice mortuary pending the arrival of relatives from New York by plane. Other children are coming from Fort Worth and Nashville.

### Temple Will Be Scene District Cage Tourney

Temple, Texas, Feb. 21.—Temple will be the scene of the District 14 basket ball finals in the interscholastic league. B. A. Zinn of Temple assistant athletic coach of Temple High School, has been appointed director in charge of the meet. Eight quintets will compete for the district title. Limestone, Falls, McLennan, Freestone, Robertson, Bell Coryell and Temple High. Nine games are to be played, and the dates designated as Feb. 24 and 25.

**ONE EXAMPLE Is Worth A Hundred Arguments**

In the news columns of the newspapers are dozens of examples showing why you should not be under-insured. Accidents, deaths, fires, storms—these are only a few of the examples. Check up on your policies today. Fully 90 per cent of homes and business properties are under-insured. And, of course, it is always the man who needs it most that has no insurance at all or has only an absurdly small amount. Just keep this in mind when you read the newspapers and remember it gives you examples. And the wise example to follow is that of the man who goes to his insurance agent and makes certain he is protected as fully as he should be. It's a matter that should not be neglected. Accidents don't wait until you're ready before they happen. And how about your automobile? It is insured against fire, theft, liability, collision? Then how about property damage and personal injury? All are things which may happen to your car, the public or yourself. It's better to be safe than sorry.

We offer many forms of insurance service, and give every policyholder careful attention. We represent conservative, old line companies. We appreciate your patronage. Invest with us in safety today.

SOCIETY

A Supper And A Breakfast Complimenting Miss Ruth Sadler

Among the numerous parties and suppers planned honoring the popular Miss Ruth Sadler, was a delightful waffle supper 7:30 Saturday evening at the home of Mrs. Howard Franks on W. Leon Street.

Guests were the honoree, Misses Maude Alyce Painter, Louise Sadler, Lorene Moon, Mary Routh, Mayme Sue Halbrook, Mrs. Bob Saunders, Mrs. L. E. Kincannon of Duncan, Okla.

As a continuation of the series of entertainments of special interest, was a breakfast at 8:45 Sunday morning at the Bennet Hotel, with Miss Lorene Moon as hostess. The supper guests attended both affairs.

The hostess presented the honoree with a cretonne foot stool.

Merry Wives Club Met Friday Afternoon

Fraser's in shades of yellow and white were attractively arranged in the home of Mrs. B. B. Garrett, 391 S. 10th Street, Friday afternoon, when members and guests of the Merry Wives Club were entertained with games of 84.

Those present to enjoy this courtesy were Mesdames Levi Anderson, Frank Battle, T. R. Mears, J. O. Brown, Jeff Holt H. T. Johnson, Ed McMorde, H. W. Melburn, Earl Nesbitt, M. W. Lowery, Harsh Saunders, Robt. Brown, C. W. McCannauhy, B. B. Hines, J. M. Prewitt, E. G. Beerwinkle, C. C. Edwards, Reed Powell, C. E. Gandy, James M. McLean, Morton Scott, C. D. McCoy and Mrs. Joe Hanna called.

Refreshments in harmony with the color scheme was osgood pie topped with whipped cream, coffee, salted nuts and candied fruit peel were served.

A Baptist Sunday School Class Entertained

Mrs. Leo Jensen, Mrs. Olaf Peterson, and Mrs. Garner Stockburger acted as hostess last Tuesday evening when Mrs. Tom L. Robinson's Sunday School class entertained with a George Washington party in the Sunday School rooms.

Red, white and blue colors with red hachets served as decorations while several games and contests were played.

Piano solo's were given by Mrs. D. R. Boone and Mrs. Tom L. Robinson and readings were given by Mrs. B. K. Cooper and Mrs. E. B. Harris. After a few hours of gaiety and entertainment a course of cherry pie, hot chocolate and salted nuts were served to the following:

Mesdames Willie Lingerfelt, Price Bauman, Garland Sydow, Frank Brooks, Rufus Brown, Howard Compton, Judson Davis, Jeff Buckner, E. B. Harris, B. K. Cooper, A. M. Bonds, J. G. Morris, Olaf Peterson, Leo Jensen, Tom L. Robinson, Feno Straw, I. O. Scott, D. R. Boone, Leonard Meeks, Manson Meeks, E. D. Rutherford.

Another Courtesy Extended To Bride-Elect

One of the most enjoyable of the many social courtesies extended Miss Ruth Sadler, bride-elect, was the bridge luncheon given by Mrs. R. L. Saunders and Mrs. L. E. Kincannon at the home of Mrs. Saunders, Thursday afternoon.

Members of the bridal party were seated at the dining room table which was laid with a lovely lace cloth. A low bowl of roses centered the table and candlesticks tied with tulle were on each end. The other guests were seated at bridge tables. A delicious three course luncheon was served at one o'clock.

Miss Sadler was presented with a dainty piece of lingerie and high score was given at each table.

The guests were Miss Sadler, Miss Will Mat Claxton, Mrs. Harvey Sadler, Mrs. J. M. Prewitt, Miss Orpa Mayo, Mrs. J. F. Moore of Hunt, Texas, Mrs. Tom Carlton, Mrs. D. D. McCoy, Miss Lorene Moon, Mrs. Howard Franks, Mrs. George Painter, Mrs. Louis Holmes, Miss Mary Routh, Mrs. Harry Flentge, Miss Ila Smith, Mrs. Byron Leard, Miss Booche Wollard, Mrs. Bates Cross, Mrs. Andy Anderson, Mrs. Chesa Sadler, Mrs. Roger Miller, Mrs. Elgin Davidson, Mrs. Bythel Cooper, Mrs. Irvin McCreary, Mrs. Emmett Stuart, Mrs. R. M. Moore, Mrs. J. A. Hallman, Mrs. E. G. Beerwinkle, Miss Frances Austin and Miss Mary Brown.

Miss Painter and Miss Routh Gives Supper and Shower

Honoring Miss Ruth Sadler, bride-elect of Mr. James Watkins of Llano, Texas, Miss Maude Alyce Painter and Miss Mary Routh entertained Monday evening with the following:

Infant son of Mr. and Mrs. Vernon Burt is ill. We are hoping for a speedy recovery.

Wheeler Waites and family have moved to the Green Briar community.

Bro. Blacklock will conduct prayer meeting Sunday night. The public is invited to attend these services.

bridge supper and miscellaneous shower at Miss Routh's home on College Street.

The guests were seated at seven tables which were laid for supper in Maderia and pink glass ware, with vases of pink rosebuds as centerpieces. A large fireplace with a glowing wood fire added its cheerfulness to the happy occasion.

Place cards carried out the pink and green color theme already noted in decorations. Dainty plates contained creamed chicken in heart-shaped patty shells, pineapple cottage-cheese salad, curled celery hearts, peas in potato nests, tiny biscuit rolls, and a second course of cherry whip with angel squares lead in green.

Silhouette tallies were passed and tables were laid for bridge. The tallies, score pads and pencils were also in pink and green colors. High score favors of ladies hose and bridge cards were awarded to Mrs. Bob Saunders and Mrs. R. R. Anderson, which they presented to the bride.

At the conclusion of the games the honoree of the evening was presented with many beautiful as well as useful gifts. She was dressed in a dinner frock of cartreuse silk crepe and ribbon joined with white mousseline de toile.

Other guests for the party included Misses Ila Smith, Buchie Wollard, Doris Jones, Villa Holmes, Ila Pae Selby, Mary Wyatt, Mamie Sue Halbrook, Lorene Moon, Edna Murray, Jacelyn West, Orpa Mayo, Willie M. Claxton, Mesdames Howard Franks, Richard Moore, Rufus Brown, Bythel Cooper, Ben West, Clifford Adams, Francis Powell, Rodgers Miller, Harry Sadler, Bob Saunders, Fred Prewitt, Chesa Sadler, R. K. Anderson, L. E. Kincannon of Duncan, Okla., Byron Leard, Jr.

The Sunday School Campaign

The Sunday School Campaign Sunday, Feb. 12, in the First Baptist Church, this city, closed Friday night. The course of study on Building a Standard Sunday School was taught by the pastor, Rev. C. A. Morton. Many helpful conferences were held and plans made for the continued enlargement of the Sunday School. There were 111 enrolled in the course with 332 in attendance. Friday night the women of the church served refreshments to those in attendance. There were 298 in Sunday School Sunday.

While obtaining this information from the pastor, Rev. C. A. Morton also stated that plans were being completed for the Annual B. Y. P. U. Enlargement campaign to begin in his church Sunday, March 5, and close Friday night, March 10. There will be seven courses offered. Lunch will be served free by the women of the church each night to all those in training school. Also special musical programs will be given each night, closing with a sermon by some outstanding preacher or speaker.

At the same time Rev. Mr. Morton stated that the women of the church will hold their annual week of prayer for home missions in the afternoons.

Mr. and Mrs. L. D. Martin spent the week-end in the home of his parents near Waxahachie. Mr. Martin's mother returned with them for a short visit.

The Good Samaritans club met with Mrs. D. A. Harrison Tuesday. The afternoon was spent in quilting, embroidering and other work.

Fourteen church members attended the workers conference at Pampa Monday. They proudly brought back the attendance banner.

Miss Mary Belle Porter was a guest of Miss Ruby Lea and Pauline Rodgers Sunday.

Mrs. Allie Basham had as dinner guests Sunday Mr. and Mrs. Seth Basham, Mr. and Mrs. Matt Kemp and Mr. and Mrs. Bailey Trammal.

Miss Dot Kemp visited Mrs. Lockhart of Pidoke recently.

Mr. and Mrs. Lillard Graves entertained a few of their friends last Wednesday night. Games of 42 and 84 were played. Those present were Floyd, Ruby Lea and Pauline Rodgers, Wesley Moore, Mr. and Mrs. Seth Basham and daughter, Faye Nell.

Mrs. Wade Hampton of the State Training School was a Pidoke visitor this week.

Several families have moved into our community. Some of them visited church Sunday and we welcome them back.

Mrs. Lillard Graves attended the funeral of her cousin at Goldthwaite Monday.

Mrs. Carrie Moore who has returned from El Paso is visiting her parents here.

Visitors of Mr. and Mrs. Tom Graves Sunday were Mr. and Mrs. Woodley Basham and family of Stampede and Rev. Lollar and family of Gatesville, Mr. and Mrs. Monte Thompson and family and Mrs.

CHURCHES

NOTE—There will be no charge for church and Sunday School announcements. All announcements are urged to be in this office as early as possible each week.

Christian Church Dr. Arthur Stout will preach at the Christian Church Sunday morning at 11 o'clock. You are cordially invited to be present.

Presbyterian Church There will be services at the Presbyterian Church on next Sunday. Sunday School at 10 a. m. Preaching at 11 and Vespers Service at 5 p. m. Every member of the church is urged to be in their place. The Woman's Auxiliary will meet at the home on next Tuesday at 3 p. m. The study will be from the Febraury Survey. All the ladies of the church should attend.

The public is most cordially invited to worship with us at all services. You will receive a warm welcome.

James M. McLean, Pastor.

Methodist Church W. W. Ward, Pastor L. B. Ables, S. S. Supt.

The Sunday School Campaign got under way last Sunday and showed an increase of 25 pupils. The 3-minute speeches each Sunday are planned to keep fresh before our people the progress and need of the quiet campaign for reinstatement of members for many reasons the past week have been forced to drop out of regular attendance. The entire machinery of the church is being placed into action, and we are planning to have every home represented in Sunday School by Easter, and trust the momentum of the movement will carry, inspired by the teaching of the capable teachers in every class. Each department will visualize Sunday by Sunday to discover where there is a leak, or where there is progress. May every pupil come and bring some one next Sunday. School meets promptly at 9:45.

Our revival date has been set definitely for March 19-April 12. Further details are set forth on the front page of this paper. Turn and read the notice. Plans looking toward a revival meeting that will enrich our membership, as well as reach out into the city, will be announced later. We call upon our people now to pray and work for a gracious meeting.

Sunday morning the pastor will preach on the subject: "How Jesus Started a Revival that Stirred a Whole City." At the evening service the pastor will speak on "Yes or No—Which?"

Leagues meet at 6:45, a change forward of 15 minutes. The subject is: "Does Right Ever Change?"

Monday evening the Missionary Committee will meet for organization and work. Meet at 7:15 o'clock.

Tuesday Mrs. Johnson will lecture on the American Indians, taking for her special subject, "The Indian Relation with the White Man."

She will speak to the Adult Missionary Society at 3 p. m. and
