Death Claims Life of District Judge Eidson

District Judge Joe H. Eidson, 59, died Tuesday, at Hamilton, after several days illness from appendicitis.

Judge Eidson was born in Hamilton County, was a graduate of Hamilton High School and of The University of Texas. He was for four years County Judge of Hamilton County, for four years District Attorney of the 52nd Judicial District and at the time of his death was serving his third term as Judge of the 52nd Judicial District. It has frequently been stated that Judge Eidson was destined to fill a much higher place of public trust.

Joe Eidson has been for many years, an active member of the First Methodist Church of Hamilton but no vestige of religious intolerance found lodgment in his heart. He was a useful citizen, having membership in numerous Civic Clubs and the Masonic order. Services were held in the First Methodist Church at Hamilton, Wednesday afternoon at 4 o'clock with Rev. Wisdom, Pastor of the Hamilton Methodist Church, officiating, assisted by Rev. Shaw, Pastor of the Hamilton Baptist Church and Rev. Roy A. Langston, Presiding Elder of the Methodist Church of this district. The entire pulpit, rostrum and front of the church were bedecked with a multitude of flowers which required a truck to carry them to the cemetery. Grouped about the rostrum and in special places were some forty attorneys from Coryell, Comanche, and Hamilton Counties. More than 1000 people were present at the services. Pall bearers were Herbert Chesley, Court Reporter, Buster Gordon, Sils Allen, Mr. Williams, Jimmie Bolding of Hamilton, L. M. Stinnett, H. C. Stinnett of Gatesville and Tom Reese of Comanche, all of whom are attorneys.

Honorary Pall Bearers were the remainder of the forty attorneys who were present.

Judge Eidson is survived by his widow, his mother, one son, Joe H. Jr., a daughter, Miss Barbara Hamilton; four brothers, Arthur, John, Jim and Rhett of Hamilton; two sisters, Miss Mabel Tison of Hamilton and Mrs. Clara Buchanan of Waco as well as a number of nephews and other relatives.

Some hundred people went from Gatesville to the funeral. The Court House was closed in his honor.

Coryell County and the Judicial District are deeply grieved at the going of this great, upright, honest, honorable, just man. We have been fortunate to have such a man among our number. Joe Eidson was destined to walk in high places, to grace executive missions.

Baby Falls From Second Story Window But Lands Unhurt

The little two year old daughter of Mr. and Mrs. W. S. Hogg fell out a second story window at the Boyer Hotel Tuesday night but fortunately landed in a soft flower bed, hitting on its hip.

A local physician was called at once and after examination said no bones were broken or dislocated.

Mr. and Mrs. Hogg left Wednesday morning for their home in Fort Worth. They said they would have an X-Ray examination made to be certain of the extent of the injuries.

Mr. Lloyd Jones of San Angelo, an employee of the J. C. Penny Company, son of Mr. and Mrs. E. W. Jones, has recently received a promotion to assistant manager. Mr. Jones moved from Gatesville to San Angelo about five years ago, and has been connected with the Penny stores the past four years.

Dean Davis Delivers Commencement Address To High School Grads

An enthusiastic crowd of more than four hundred relatives and friends were present at the commencement exercises last Monday evening.

Dean J. Thomas Davis, of John Tarleton Agricultural College, delivered the address to the graduating class of the Gatesville High School at 8 o'clock p. m. Monday at the High School Auditorium.

Dean Davis used as an illustration of attainment a baby, creeping, standing alone and finally taking its first steps, after many bumps and falls, finally developing into a strong willed, determined youngster learning to walk after weeks and weeks of persistent effort. The speaker endeavored to show briefly that success is not the result of fortune but rather of continued effort, molded carefully and painstakingly. Repetition is the progress of life.

Dean Davis said one of the most important things in man's destiny is the choosing of a vocation, especially the one in which we can render the most service to mankind. In spite of many advances in arts and sciences in the world, rare opportunities continue to exist, he pointed out. Achievement is impossible without a well rounded character, built upon a solid foundation of honesty and integrity. All graduates pass from dependence to independence in thought, deeds and action, and we must realize to be most happy we must accept God's plan of life. He stressed the power of conscience, and the need of God in the formation of every personality.

Billy Bloodworth, a member of the graduating class, played the professional which opened the exercises of the evening. Rev. V. F. Lemons delivered the invocation after which George Witt saluted the class. The class then sang "Bells of Memory." Following the song, Nels Alexander, valedictorian, delivered his address. The next number was a piano selection by Billy Bloodworth.

Following the address to the graduates by Dean Davis, diplomas were presented to members of the class by Supt. H. T. Johnson, who congratulated each recipient as he presented the diplomas.

D. R. McClellan, president of the Board of Education, presented the class medals.

The Freshman medal, given by M. Prewitt, was awarded to Mayo Holt; honorable mention was given Brack Curry for winning second place, Louise Holland of Ames won the Sophomore medal given by the Guaranty Bank & Trust Company, and honorable mention was made of Elaine Smith for second place. The Junior medal given by H. S. Compton was awarded to Lois Welch; Elmo Strickland won second place. Nels Alexander was awarded the Senior medal given by Byron Leard; George Witt won second honor in the senior class. The Home Economics medal for foods was won by Merle Scott; this medal was made possible by Fletcher & Beerwinkle. The medal for clothing given by White & Brown Insurance Company was presented to Lois Welch. Mr. McClellan announced that the Boy Scout medal given by Joe Hanna would be awarded at a later date.

Edgar Franks, member of the Board made the awards of scholarships to Nels Alexander and Penelope Hardin.

Miss Mary Engers of Ft. Worth and Miss Clarice Rickman of Hico were weekend guests in the home of Mrs. J. B. Millard.

JACK REESING OPENS FINE ARTS COMMENCEMENT

As a part of the Commencement exercises of Baylor University at Waco the combined music departments presented a recital last Monday night. Jack Reesing, son of Mr. and Mrs. Jno. P. Reesing of Gatesville, was asked to play the opening numbers on the program. Jack rendered "Sonata C Major" (first movement) by Mozart, and "Araguette" by Debussy in his usual splendid style.

Jack is only twelve years of age and is termed a prodigy. Certainly he is to be congratulated on this honor.

BRYAN ARNOLD APPOINTED TO WEST POINT

Bryan Arnold, local young man and present county surveyor of Coryell County, is in receipt of his appointment to the United States Military Academy at West Point.

According to a telegram from the Honorable O. H. Cross, Congressman from this district, Mr. Arnold has been accepted and officially appointed to West Point, and will report to the Superintendent of the Academy on July 1st. This particular recognition of a Coryell County boy is the first of its kind since the appointment of Major General William Graves to West Point in 1884, and the appointment of John Bailey to Annapolis in 1921. Bryan Arnold was born in Gatesville in 1914, son of the late Judge J. H. Arnold. He finished high school in 1930 and went to John Tarleton Agricultural College until he graduated in 1932. In February of this year he was appointed county surveyor by the commissioners Court, and has been acting in that capacity since that time. He is the brother of Mrs. Irvin McGary of this city and also the brother of Jap Arnold of Austin, Texas.

For nearly a year Bryan has been working toward securing an appointment to West Point. In October 1932 he competed with ten other contestants in this district in a competitive examination given at Waco in which he was awarded second highest place. In March of that year he was notified to report at Fort Sam Houston and to appear before a body of officers for a physical examination. He was exempt from the mental examination by virtue of his certificate of graduation from John Tarleton, a creditable college. Mr. Arnold stated that there were 49 young men from various parts of the state who met in San Antonio to take the examination. The Mental Examination alone lasted three days.

According to Mr. Arnold, he plans to leave Gatesville about June 15th, and will spend a few days in Chicago attending the "Century of Progress" before reporting to the Superintendent of the United States Military Academy at West Point. The cadets will spend their summer months in camp on the Hudson river, until September 1st, at which date they will return to West Point and take up their regular academic curricula. Each cadet is paid a salary of \$1072.00 a year; out of this amount each student must pay for his own meals, uniforms, books, etc. After spending two years at the academy each boy is allowed a two weeks leave of absence. Four years is the required amount of time for completion of the regular course of study and training after which each graduate will be a regular commissioned officer in the U. S. Army.

Bryan's many friends extend congratulations to his attainment and hope for him the very best of success in his new undertaking.

COUNTY SCHOOLS TO GET FUNDS FROM NEW BILL

Under a recent deficiency appropriation by the State Legislature, Coryell County Schools are to receive \$3,469.00 to be distributed as follows: Industrial department \$575, Transportation account \$1,414, High School tuition \$1,480. These amounts are to take care of deficiency in 1931 and 1932. These various departments were authorized to expend a definite amount of money, which they did, and the same was to be repaid by the state. Heretofore the State had only paid 60 per cent of the High School Tuition budget and 50 per cent of the Transportation budget. This appropriation is to take care of these deficiencies.

Gatesville High School will be the greatest benefactor from this appropriation, in Coryell County, receiving over \$1,000.

Rev. Morton Reports on Trip to Baptist Convention

Rev. C. A. Morton, who has just returned from the Southern Baptist Convention, at Washington, D. C., spoke last Sunday evening on his trip to the convention. He described several historic scenes which he viewed enroute.

At Greenville, Tennessee, the party stopped to see the Wooden Tailor Shop building where President Andrew Johnson, began his tailor business. Near Nashville, Tennessee they saw the hermitage of President Andrew Jackson. At Lexington, Va. they visited the tomb of Stonewall Jackson and the battleground at Bull Run or Manassas. They also viewed the place where Stonewall Jackson was first buried between his wife and two Baptist preachers who were his ancestors. At Lexington they visited Washington and Lee University where the body of R. E. Lee laid in state for thirteen years. The Bible from which he read is still on display at the University. Just outside of Lexington is a bronze Plaque which marks the birthplace of General Sam Houston who was Governor of Tennessee, Governor of Texas, President of the Republic of Texas, U. S. Senator from Tennessee and U. S. Senator from Texas. General Houston was baptized into the Baptist Church at Independence, Texas. The party visited a Presbyterian Manse at Staunton, Va., whose walls bear a Plaque announcing that Woodrow Wilson was born there December 28, 1856. Wilson was the son of a preacher and a devout man. The party also visited Mt. Vernon the home of George Washington and saw the Bible, marked at the place from which Martha Washington was reading when her husband died. Rev. Morton said in conclusion that the United States has never had a President who was not a churchman. He also stated that there is not a monument, erected by the people, in America to any man who has ever been on the wrong side of any moral issue.

Mrs. E. Mayo Resident of Gatesville for Many Years Passes Away

Mrs. E. Mayo quietly passed away Tuesday morning, May 30 at 2 o'clock after an illness of a little over a week.

Mary Ella Pearson was born in Alabama 76 years ago. She was married to Elisha Mayo in 1894. To this union were born three daughters, Mrs. Pat Holt, Miss Orpa Mayo, and a daughter who died in infancy. Mrs. Mayo together with her husband and children moved to Texas and settled at Bartlett where they lived until 1903 when they moved to Coryell County. For thirty years Mrs. Mayo, by her pleasant character and lovable disposition, has been adding to her list of devoted friends. Mrs. Mayo was known and loved by the entire citizenship of Gatesville and much of Coryell County.

At the age of 12, Mrs. Mayo was converted and joined the Methodist Church, and was a member of the local church at the time of her death. Through the years she has been an inspiration toward Godliness to all who knew her.

Services were held at the family residence on Leon Street at 10 o'clock Wednesday morning with Rev. W. W. Ward and Rev. E. W. Bridges officiating. She was laid to rest in the City Cemetery by the side of her husband, who preceded her in death in 1910.

Those left to mourn her going beside her two daughters are one grandson Mayo Holt, one brother S. J. Pearson of Alabama and two sisters Mrs. W. H. Grey, and Mrs. B. C. Hammond both of Alabama and a host of other relatives and friends.

Pall bearers were: Messrs. Edgar Franks, I. F. Johnson Jr., Fred G. Prewitt, F. W. Straw, John Burleson, Jno. P. Reesing, Claude Byrom and L. M. Stinnett.

Mrs. Ethel Goodall and two daughters, Francis and Nell of the State Juvenile Training School, left for Galveston to attend the commencement exercises at the Texas Medical School, where her son, Mr. Van Doran Goodall, will receive his degree. Miss Claudine Goodall, following the closing of the Grandview schools where she has been a member of the faculty, met her mother in Waco to accompany her to Galveston.

Tom Watson and C. P. McAnnelly, representatives from Jonesboro met with a local committee Thursday morning, at which time plans were made for the final arrangements of the formal opening of the new Leon river bridge at Jonesboro on highway No. 36. The local representatives who met with the Jonesboro committee included County Judge Robert W. Brown, City Secretary Fred G. Prewitt, C. E. Alvis, P. D. Holt, L. K. Thomson, and W. C. Guggolz.

Mr. Watson gave a summary of the plans and arrangements that have already been made by the citizens of Jonesboro for the celebration. Mr. Watson stated that citizens of Jonesboro for the celebration have been purchased for the barbecue, and that construction is now under way on the platform, tables, etc. The greater part of the necessary labor is being contributed by the citizens of Jonesboro. The arrangements for the program were left in charge of the Gatesville delegation.

The program will begin promptly at 10 o'clock on Tuesday morning, June 6th. Besides a free barbecue the committee has outlined a very unique and interesting program which will include speeches from representatives of the Highway Department, County officials, and other prominent guests. After the formal dedication a double-header baseball game will be staged between teams from Gatesville, Jonesboro, and Hamilton.

The following program has been arranged by representatives from Coryell and Hamilton counties:

According to a report from the program committee, Floyd Campbell of Hamilton will be in charge of the Grand March following the dedication ceremony. Mr. Campbell will be assisted by Rev. V. F. Lemons, chaplain at the State Juvenile Training School. Led by the Gatesville and Hamilton bands, the parade will be followed by members of the American Legion, Boy Scouts, County and Highway Department officials, and the general public.

It is understood that a separate committee has already made plans for the evening entertainment, following the official program, which will probably include a bridge dance and general frolic. Goat roping and rodeo will also be added attractions of the day.

Miss Pearl Brown, who has been teaching in the Rio Hondo schools, is visiting her parents, Dr. and Mrs. Reh Brown here. Miss Brown will leave June 22 with the University of Tours for a 55 day trip. Golfers Get Hot Over Barbecued Chicken As Tourney Gets Going

"A chicken barbecue is not a thing to be sneezed at," stated Tom Carlton in a recent interview concerning the golf tournament which began the first of this week among members of the local club.

The entire membership of the Golf Club has been divided into two groups. Howard Compton and Tom Carlton have been named as captains of the rival teams.

A series of points has been arranged which will determine the winner of the two teams and the fortunate ones will be entertained with a chicken barbecue provided by members of the losing team.

The contestants will play in pairs and one point will be given

to the winner of each hole, and two points for the low total score on the eighteen holes played. There will be 19 matches in all and when the last match is played, total points will be figured for each side in determining the winning team of the tournament.

The first match was played by Leake Ayres and Claude Stewart, Tuesday, the latter winning by a small margin of six points in a closely contested battle. Mr. Stewart is a member of the Compton team and by the virtue of his victory that group obtained a starting lead.

The following is a list of the players and their opponents: Tom Carlton and H. S. Compton; E. Stewart and F. Caruth;

G. Ricketts and J. H. Hamilton; C. L. Sadler and L. S. Holmes; T. Jones and R. R. Anderson; F. G. Prewitt and Irvin McCrea; E. Chamblee and Cecil Gardner; F. W. Straw and Byron Leard Jr.; Harl McClellan and Walter Stewart; Leake Ayres and Claude Stewart; P. D. Holt and B. K. Cooper; John Morgan and Ayres Compton; Roger Miller and E. L. Cummings; Andrew Kendrick and Lewis Thomson; Johnnie Wharton and Otis Ray; Lonnie Wharton and Gene Alvis; B. Curry and L. Milner; Floyd Zeigler and Robert Scott; J. M. McLean and W. W. Ward.

Both teams seems confident of victory and a keen spirit of rivalry is evident among the individual members of each group.

THE TOLL OF MEMORIAL DAY

Memorial Day saw diverse means of commemoration and celebration, but probably the rankest and most inexcusable of all took place at the Indianapolis Motor Speedway, where death claimed two lives at the expense of speed artists and their enthusiastic promoters and fans.

On a day that was set aside for paying honor and respect to those who so heroically gave their lives upon battle fields for the sake of their country, 10,000 spectators jammed the amphitheater at Indianapolis and cheered with delight at the record-breaking speed of one motorist, while four men had previously dropped from the race—two killed instantly and two others seriously injured.

It was a victory for the driver who raced to win that day but a horrible tragedy to the families of those who met their unexpected death.

HARRIS COUNTY SETS THE PACE

If the remaining two hundred and fifty-two counties in Texas can follow the precedent set by Harris county recently the Lone Star state should not only have the unemployed situation well in hand but it will make a record that will be hard to overcome by other states.

Twelve hundred men went to work Monday in Houston and Harris county on relief work projects, and with that number already at work plans are under way to increase this figure until 8,000 are put to work in that county. The number already employed will be occupied at least six days a month each and for four days of these six they will get their pay in food and clothing provided by the county relief fund. For the other two days they will be paid \$2.00 per day in cash.

Included in the program of work to be accomplished by these men will be repairs on the city streets and county roads. About five hundred men will be detailed for this particular task while others will be consigned to the commissaries of food and clothing. Others will be sent to Goose Creek, Pelly and Baytown.

It is estimated that a new record of applicants will be reached this month of those in need of aid.

"KINGFISH" LONG OR SHIRES "THE GREAT"

It looks as though the race for supremacy in publicity has been narrowed down to two surviving contestants, namely Arthur "The Great" Shires and Huey P. "Kingfish" Long. According to late bulletins they seem to be running neck and neck. Long appears to hold a slight edge on Shires as they are both involved in law suits aggregating some several thousand dollars. The former is confronted with a suit for \$250,000 while Shires' suit is for only one-fifth this amount.

Front page position goes to Shires who is charged with pitching Jack Deacon down-stairs in a Louisville, Kentucky, rooming-house recently. It seems very unfortunate when a young man clamoring for publicity has to resort to a pugnastic encounter and suffer the physical consequences besides becoming involved in a suit for damages amounting to \$50,000. Nevertheless Shires succeeded in getting his picture on the front page for his effort.

It is inevitable that Huey P. Long has more to worry about now than Shires. Mrs. Anne Ector Pleasant, wife of former Governor Pleasant, has entered suit against Long for damages following her arrest last June, which she claims was illegal. It seems that Mrs. Pleasant's arrest was brought about by her persistency of participation in the "anti-Long" camps. It appears that the plaintiff has just grounds, and if she does Mr. Long may wish he had not been so quick on the trigger when he ordered Mrs. Pleasant's arrest and confinement for "an appreciable time."

Veteran Texas Editor Succumbs After Long Illness

Honey Grove, Texas, May 29.—James Hardy (Buttermilk Jim) Lowry, 67, one of Texas' best known newspaper men, died here Monday, after a long illness. He was a member and former president of the Texas Press Association, and, for twenty years, was a member of the board of regents of the College of Industrial Arts at Denton.

Born on a farm near Bells, Tenn., he received only a common school education. He began work in a printing office at 16 and spent the remaining years of his life in the newspaper business.

Moving to Honey Grove in 1886, Mr. Lowry began editing

the Honey Grove Signal in 1893. When the county voted dry thirty-five years ago, Mr. Lowry wrote an editorial in which he extolled the virtues of buttermilk and urged all people to drink it. This editorial was printed by a large number of leading papers in the North and East and by nearly every paper in Texas. From that time on Mr. Lowry was affectionately known by his

friends as Buttermilk Jim. The Signal was consolidated in 1929 with the Honey Grove Citizen, and, with Hugh Moyer, Jr., Lowry since has been editor-half owner.

He was married to Miss Fannie Thomson, July 22, 1888. He was a member of the Christian Church served as chairman of the official board for many years, also taught a Sunday School class for

twenty-five years and was an exceptional Bible scholar. He is survived by his wife, one daughter, Mrs. Marvin Campbell, and two granddaughters, Francis Louise and Elida Jim Campbell.

Funeral services were held on Tuesday afternoon at 4 o'clock at the Christian Church in Honey Grove. The body will lie in state at the church an hour before time for the service.

TO THE SENIOR CLASS OF GATESVILLE HIGH SCHOOL

We congratulate each member of the graduating class of 1933. You have done a great task well. Your friends, neighbors and your relatives, as well as your teachers, are showering congratulations and praising you for your courage, your persistence and your fine accomplishment. Society will applaud you because you are now more useful than you would have been had you not graduated. But your high school career has given you general and not specific training. It has laid the

foundation upon which you can and should build a structure of exact technical education that will double and treble your ability to do, and, after all, that is what the world is demanding today—action!

The tools with which you are to work need some additional polishing. They must have keener edge if you are to compete with the millions of other workmen who have not only gone through the same grind that you have, but who have submitted themselves to further discipline which has put keen, cutting edges upon their mental tools and has given them confidence in their own ability to do superior work in whatever field they invade.

In short, the class of 1933, if you are to compete with other young men and young women, you will have to add to your present education in order that you may have the sureness and confidence as well as the skill that specific training affords. Your own experience, as well as your observation, has taught you that opportunity, like a fast train, never stops at flag stations. If you are ready when opportunity comes along, you have a chance "to grasp it by the forelock" but let it pass you, and your chance is gone forever.

There has never been a more important time for young people to train themselves for business. The affairs of the world are based upon business, and if you want to get ahead and are not satisfied to remain in your present environment throughout your entire life, you will never find a more ideal time to train than now.

Young people who look forward to attending a business college where the very highest type of training can be had are invited to write to the Tyler Commercial College and School of Business Administration for "ACHIEVING SUCCESS IN BUSINESS," which is the school's current catalog. Specific information will be cheerfully given and our earnest sincere cooperation will be available without obligation to any one interested. Use the coupon below.

A Big Fish Story

By Rev. S. A. Rains

The following poem was brought to the News office by Gene Hodges. It was published by the Hamilton County News recently, a copy of which was sent to Mr. and Mrs. Hodges by their daughter, Mrs. L. A. Smith who is visiting with them at this time. The poem was the contribution of Rev. S. A. Rains to the Hamilton County News:

A Bible lesson learned while in my youth
Is a big fish story, but every word
Is the truth.
Just listen now and I'll tell you
the tale.
How Jonah, the prophet, got
caught by the whale.
Jonah had sinned and strayed
from the fold;
A big fish caught him and swallowed
him whole.
Now a part of the story is awfully
sad,
For the city of Nineveh had gone
to the bad;

The Lord looked down on their wicked ways
In hopes of repentance in forty more days;
The Lord called Jonah, but Jonah said "no!"
I'm a hardshell preacher and I will not go;
Those people in Nineveh are nothing to me;
I'm no foreign missionary, and never will be."
So Jonah started to Tarshis in greatest haste,
Boarding a ship bound for that place;
But God looked down, so the Bible records,
And spied old Jonah running from the Lord;
So God started a wind, endangering the sail
And the efforts of Jonah began to fail;
The ship began rocking, was tossed by the way;
Then old Jonah was sorry he did not obey.
He confessed it was caused by his awful sin,
The crew threw him over—the fish took him in;
The fish said to Jonah, "old fellow, don't fret,
I came to take you in out of the wet;
You are going to be punished for your awful sin."
And he opened his mouth, and old Jonah went in;
So the funniest sight that ever was seen
Was Jonah going off in this new submarine.
Well, the city of Nineveh delayed to repent,
The message of warning to them was sent.
On beds of the sea the old fish sought rest,
He had swallowed food that would not digest,
So he got mighty restless and was sorely afraid,

For he rumbled inside when the old prophet prayed;
So God's message of warning to Nineveh lays
In a dead letter office through nights and days;
The old prophet was shut in as tight as a lock,
But the Lord will open as sure as you knock.
The old prophet was down upon his face,
Praying in anguish to get out of that place.
On the third day the fish arose from his bed,
Sick at his stomach, with a pain in his head,
And he said to himself, "I must have air quick,
For this old sinner is making me sick."
So he opened his eyes and wiggled his tail
And pulled for the shore to deliver his mail.
When he got to the shore he looked all around.
Then vomited old Jonah clear out on the ground;
Then Jonah thanked God for His mercy and grace,
And looked at the whale with a great long face;
He then gazed round with a wistful eye,
Sat down in the sunshine, his clothes for to dry.
He thought what a power his preaching would be,
Just from a whale seminary a prophet set free.
After resting himself and being dried by the sun,
He set out for Nineveh as hard as he could run;
He said to himself, "I will never more sin,
For if I should I'd get swallowed again."
So he arrived in the city about four days late,
But he began preaching when he entered the gate;

He told them the message that God said tell,
And urged them to repent that they might miss hell.
They heard his message, repented and prayed,
And the hand of justice from them was stayed,
But Jonah got mad when God saved the town,
Went off to the woods, sat down on the ground;
So God caused a gourd vine to grow near by
To shade the big baby while he had his cry.
But Jonah was angry and dissatisfied,
And said, "The people will say I lied;
I told the people the city would fall,
But they repented, and God saved them all."
So God prepared a worm that very next day
And it smote the ground that it withered away.

Then the sun was so hot on old Jonah's head
That he fainted away and wished he was dead.
Then said the Lord, "You had pity on the vine,
But it was not yours, it was only mine,
You never labored nor caused it to grow,
You never reaped it, neither did you sow.
Those are my people as well as the Jew,
They are Adam's posterity and so are you.
So when any repent and turn to God,
I'll save them, Jonah, and spare the rod."
God will save the people from every load,
If they will only trust in the Savior's blood;
If they would turn and upon him call,
No person, city or town would fall.
