County Agent Sherrill Outlines AAA Cotton Program With Hints

Applications for allotments under the Bankhead Act are being received in the Cotton Belt, and the Secretary of Agriculture announced that a minimum allotment of the full amount of his base production would be made to each producer whose established base production was more than 2 bales. This is in accordance with the policy announced several weeks ago when the 1935 regulations under the Bankhead Act were approved. Under the existing regulations tenants operating a part of a farm do not have to separate base. No cotton farmer has any warrant to expect that his allotment will be in excess of 65 per cent of his base production, unless the farm which he is operating has an established base production of two bales or less. In that event, he will receive a minimum allotment equal to the amount of his average production, but no more. The 12-cent loans on the 1934 cotton holding will be extended beyond the maturity date of July 31, 1935. As to a loan on the 1935 crop, it is the purpose of the Administration to provide adequate credit facilities to cotton farmers to permit the orderly marketing of the new crop. It should be emphasized, however, that the Commodity Credit Corporation will make no loans on the 1935 cotton crop to any producer who is not co-operating in the cotton program under the Agricultural Adjustment Act nor will any loans be made on the 1935 crop to any producer for an amount of cotton in excess of his allotment under the Bankhead Act.

Un-Executed Cotton Options

Cotton option contracts on which the exercise of option was extended by the Secretary of Agriculture from May 1, 1934 have been called as of March 22, 1935. The options will be called at 12½ cents a pound, less carrying charges of 40c a bale per month for such time as charges have accrued against cotton option contracts. Approximately 1,470 options covering 10,958 bales of cotton are affected by this decision. These options were issued to produce.

Rep. Huddleston Says Pushing Rural School Bill in Legislature

Advice from Representative Earl Huddleston of Coryell county, now at Austin where the Legislature is now in session, is that Mr. Huddleston is doing all he possibly can for the Rural Aid School Bill, now being considered by that body. Several issues past, the News carried a signed article to the effect that if something was not done at this term of the Legislature, there was danger that the terms of many of the schools in this state would be closed for lack of funds. Even the Federal funds would not be forthcoming unless there was action favorable by the Legislature.

Baptist Young Men Put On Nose-Bag as Losers Entertain at Gun Club

Approximately 75 men stopped talking long enough to get filled completely with barbecued chicken, pickles, bread, potato salad and pie, last evening at 7 p. m. at Cox's Spring, when Howard Frank's division of the Dan Graves Sunday School class, as losers in a recent class contest to Leonard Meeks' division, entertained or treated. Four star "eaters" who came to the tape in dead run, ending in a tie, were Dr. Otis Carter Ray local "dentician," and Coach Ewing. Being too hungry to speak before, and too full to speak afterward, the entertainment had another four star feature—no speeches. "Chaperons" for this stag affair, were Pastor C. A. Morton of the Baptist Church and Dan E. Graves teacher of the class. Ladies of the church graciously furnished the pies, smelling them carefully before the event, since there was nothing left afterward. Franks Market barbecued the chickens without burning a feather.

FLAT BOY ON HONOR ROLL AT N. T. A. C.

Arlington, Tex. April 1.—Garlon Harper of Flat has recently compiled a total of 56 grade points to earn a place on the North Texas Agricultural College honor roll, Dean George L. Dickey has announced.

SINGING AT PEARL

There will be singing at Pearl Sunday night, April 7. Mr. L. D. Huffstutler of Dallas, Texas will be present with his quartet and other singers from various parts of the county have promised to attend. The song service will be held at the Church Of The Nazarene and will begin at 7:30. ers as part payment for participation in 1933 emergency cotton adjustment program.

Local Dealers Institute Pre-Easter Sale Prices Same as After Easter

With a dramatic Pre-Easter showing of the newest and latest for the spring and Easter season now upon us, the firm of Painter & Lee have in effect a unique sale of merchandise, a Pre-Easter Sale, with after Easter prices. This enterprising firm has been in Gatesville only a short time and have proven the veracity of their popular slogan "Shop and Compare". A careful reading of their advertisement in these pages will insure the full value of their offerings.

UNCLE SAM JOINS QUEER PLAYMATE TO PALS

"Wimpy" masticator of hamburger meat made his way into the city via a devious and precarious route. Carefully cajoled into a small wooden box measuring some 12-inches long, a couple wide and of the same depth, and, under the guidance and care of Uncle Sam's custodians of the mails, Wimpy finally ended his long journey from Florida at Ralph and Jo Ann Bailey's home here in Gatesville. Good fortune certainly came to Wimpy when the sympathetic Uncle, Commander John Bailey of Florida, put him in his "traveling case" and forwarded him here to his future playmates, and his rock and cement home in Dr. Clyde Bailey's yard. Being the outside cover to some nice lady's pocketbook wouldn't be bad, or even decorating someone's Gladstone. Wimpy might even have been mounted and turned out to be a back scratcher or some other handy household item or novelty. Wimpy is a baby alligator, Florida variety.

LIGHTER ELECTION RETURNS THAN LAST YEAR

City election returns this year were lighter this year than last by six votes. Fifty voters went to the polls Tuesday and re-elected Dr. Ralph Bailey, Alderman, Ward 1; J. O. Brown, Alderman, Ward 2; Eugene Alvis, Jr. Attorney-Secretary; F. W. Straw, City Treasurer. None of the voters scratched either of the names appearing on the ticket. This was one of the few city elections where there was no threat in blood shed or any misunderstanding what so ever on anyone part, as for as we know. Gatesville should be proud of the way such elections are carried on, in that no special officers have to be hired to keep peace, as that has to be done in many places.

Closing of Cotton Sign Up Near; Applications Forwarded to Bryan

By the end of the week practically all of the continuation of old contract forms will have been forwarded to the State Board of Review for checking for mistakes and forwarding all correct forms to Washington, D. C. for 1935 payments. All applications for new 1935 Cotton Contracts are in the county agent's office being checked for errors or being held for signatures. As soon as all applications are completed and checked for errors they will be tabulated and sent immediately to the State Board of Review at College Station, Texas. After the state board approves the applications and compares them to actual statistics the accepted applications will be transferred to 1935 Cotton Contracts and producers will have the opportunity of signing the actual contract at a later date. Cotton farmers are urged not to exceed the allowed cotton acreage for 1935. Farmers are likewise cautioned that if they expect payments in 1935 that there must be planted some cotton on the farm to evidence good faith that they are staying in the cotton producing business. Contract signers are urged to sign and return forms immediately should they be mailed to them for correction or signatures. All appraisals on corn acreage have been completed by committees and corn hog contracts will be immediately tabulated and submitted to the state board of review for approval. The revised contract accepted will be submitted to the producers who may accept the adjusted contract. Complete details as to number of new cotton and corn hog contracts will be outlined in a later issue of this paper. There has been considerable increase in the number of contract signers in 1935 over 1934. It is very gratifying to know that farmers understand the agricultural adjustment programs better now than they did last year. It is believed that the AAA programs will continue to stabilize the prices of farm products.

BENSONS ADD DEPARTMENT TO BEAUTY SHOP

As announced in this issue, Mr. and Mrs. Loree Benson, who have been operating a beauty shop here for some time, have just added to their business, a Millinery and ready-to-wear department. Mrs. Benson just returned from Dallas this week where she personally selected the stock for this new enterprise and assures all her patrons the same satisfactory service in her new line as she has given in her beauty shop. Palestine is to have air connections with India and Australia.

Judge Brown Gives Reasons Why Hiway 7 Hasn't Been Finished

By Robt. Brown, County Judge
In view of the fact that many people have recently inquired as to the status of Highway No. 7 I take this method of furnishing the best information I have at hand.
After the last Federal Allotment was made to Texas in July 1934, Judge Ely, of the Highway Commission, told me on no less than three different occasions that Highway No. 7 would be extended 2.5 miles to include the bridges on Greenbrier and Coryell Creek. This was not done, and on investigation I found all recommendations for work in this county were withdrawn by the Division Engineer's office at Waco.
On February 8th the Division Engineer at Waco informed me that he had recommended the completion of Highway No. 7 east and that it would be built out of the next Federal Allotment to be made after next July.
There is no immediate work contemplated on Highway No. 7 and it will not even be up for consideration until after the next Federal Allotment is made to Texas in July, 1935. Sometime after that date the Federal Aid Highways (including No. 7) will be considered, and selection made of those to be improved.
After the selection of the improvements to be made it takes much time to make plans, advertise for bids, etc. The last work on No. 7 was authorized in July and the actual work was not begun until the following February.
There has been no delay on account of furnishing Right-of-Way. This was completely furnished from Gatesville to the McLennan County line over 18 months ago. At that time we were promised this road complete, but the promise made when we were asked to get the right-of-way was ignored and only 5.4 miles were constructed.
I believe Judge Ely intended to do some work on Highway No. 7 in Coryell County as he told me he would. I believe the reason it was not done was because no work was recommended by the Waco office, or if the recommendation was made, it was withdrawn before it was passed on by the Highway Commission.
If the Waco office will give a favorable recommendation for this improvement there is no reason why No. 7 east cannot be completed out of the next Federal Allotment, but without the favorable consideration of the Waco office there is little chance for this improvement.
At an early date I hope to give you, through this paper, my attitude as County Judge on the Highways of Coryell County.

Painter-Willis

Miss Eloise Marie Willis, daughter of Mr. and Mrs. J. B. Willis of Bryan, became the bride of J. A. Painter, Wednesday evening, March 27 at 7 o'clock in a beautiful marriage ceremony held at Livingston with Rev. J. M. Dawson, pastor of the First Presbyterian church, officiating in the service.

Mrs. Painter, who has been teaching fourteen years, has taught the last three years in Livingston. She is a graduate of Sam Houston State Teachers College in Huntsville.

Mr. Painter, who is a former resident of this county, is a representative of the Southwestern Life Insurance Co. of Dallas. The couple will make their home at 1007 East Leon Street.

CORRECTION

In Tuesday's News a personal stated that Mrs. T. C. Walker was staying at the Dr. Johnson home. This was an error which we wish to correct.

FORMER CORYELL RESIDENT PASSES AWAY

Funeral services were held at the First Methodist Church Wednesday afternoon at 3:30 for Mrs. C. B. McGuire of Port Arthur.

Rev. M. M. Chunn assisted by Rev. C. A. Morton, both of Gatesville conducted the funeral. Interment was in the City Cemetery immediately following the services at the church.

Mrs. McGuire died April 1, at her home in Port Arthur. She was the daughter of Mrs. Rhoda Hendrickson and the late Mr. T. D. Hendrickson of Gatesville.

Born and reared in Coryell county, Mrs. McGuire was married to Cecil B. McGuire in 1922, also of this city. From this union one child, C. B. Jr., was born. Most of the time since their marriage, Mr. and Mrs. McGuire have been residents of Port Arthur, where Mr. McGuire is employed by the Gulf Refining Company.

She was a former student of Gatesville High School, and being a pianist, continued teaching and studying piano up to the time of her illness.

Besides the immediate family, Mrs. McGuire leaves many close relatives who mourn her passing, including Mr. and Mrs. Cleburne McCarver, Mr. and Mrs. Peyton Morgan, Mr. and Mrs. C. E. Jones, Mr. and Mrs. Pleas Walker, Mr. and Mrs. O. R. Hendrickson and Mr. E. B. Hendrickson of Fort Worth, Mr. and Mrs. Stoney Shirley, Mr. and Mrs. R. D. Hendrickson, all of Port Arthur, Mr. and Mrs. Dick Prickett of Mexia, Mr. Emmitt Stephenson and daughter, Mrs. Roy McGuire, of Dallas, Mr. and Mrs. Jack McGuire of Pearl.

Many other relatives and friends attending attesting their sympathy and condolence to the bereaved family.

Pall bearers were Jim Brown, Owen Crow, Jim Martin, Claude Byrom, Boe Wright, Elmer Chamlee and Mat Jones.

PLAY TO BE STAGED AT IRELAND TONIGHT

President of Convention.

Local Nimrod Bagged Heaviest Set of Deer Reports Nat'l Magazine

According to "The Arizona Whitetail" an article in April Field and Stream, Mr. Howard Compton, local insurance man and hunter of note bagged a deer in Chihuahua, Old Mexico during the 1933 deer season that is practically a world's record as far as George B. Johnson writer of the story in the Natural History Department of

this magazine can ascertain.

Mr. Johnson's article is in part: "The heaviest set of antlers of which I know was killed in Chihuahua, in 1933 by Mr. H. S. Compton of Gatesville, Texas. It measured while in the velvet, 19" on each outside curve, 19" spread, 5" in beam circumference and 6" in burr circumference. The antlers had 5 and 4 points respectively. All measurements were made unofficially with a piece of string. Tho the circumference of burr and beam would be somewhat

less with the velvet removed, they are so far and away above everything else that has been recorded, that I feel no hesitancy in naming it the world's record."

"My experience with antlers in the velvet would indicate that a circumference of beam of 5" in the velvet would be, at least 4 1/2" with the velvet removed." Mr. Compton's office and home can prove nearly any boast he may have as to his skill and luck as a hunter.

SCHOOL TRUSTEES TO BE ELECTED

An election is with us again this Saturday. Like many elections, this one may be taken as a matter of course and something that is cut and dried. No election should ever be taken this way. If a question is important enough to go to the necessary expense of holding it, it is of necessity, important enough that ever qualified voter is a slacker if he or she doesn't get out and execute that unquestioned privilege granted by the Constitution of the United States Government and vote.

The election in question is even more important because it probably materially effects the future welfare of the present generation and also future generations. We have with us this week the annual Trustee election for our schools. Of necessity, the trustee guides the school work thruout the county and his difficult decisions probably have more effect on the welfare of the citizens of the county than any other elected officer.

Truly, in a situation such as we have confronting us in this election, no citizen (who claims to be one) can let down the bars and overlook this very important occasion. As before; Go and Vote.

FOR LIGHTED ATHLETIC FIELD

Young people have always been very muchly interested in any kind of sports. The "sporting" blood now seems to be rising in the elders as well as the youngsters, from the interest in the basket ball games and tournaments held in the Gym during the past season, also, the Coryell county meet was crowded with many "sports spectators" who have stopped telling their age. Too, last summer and now from the crowd at the softball arena, Tuesday night, the elders as well as the youngsters have a "sporting" complex.

Sometime about this time last year agitation for a gymnasium for the school and the town began. Thru successful promotion of "sports-minded" citizens and the school authorities, this dream became a reality, and has proved very successful as a financial proposition as well as what it was constructed for, for the promotion of athletics and intellectual endeavors.

Talking with a number of local citizens, there seems to be another "sports edifice" in the making. This is a lighted athletic field. We understand, some of the school authorities have inquired as to the cost of a complete installation of lights for night football this fall. A number of neighboring towns, as Lampasas and Hillsboro have these plants and they are proving successful.

Not only the citizens of Gatesville benefit from these buildings, but also, it gathers crowds from even the remote sections of the county, people that citizens of Gatesville are privileged to welcome to view and use any and all equipment maintained here for the use of everyone. Besides the use of these as a sports factory, they are certainly, or should be, a creator of good-will toward people of Gatesville.

Then, let it be known the News along with many other business men and interests in Gatesville are for the lighted athletic field and our hope is that this dream may come as true and be as profitable as the gym has proved. Citizens rally, and let's have a lighted athletic field!

World Comment

By JOE BURNS

I have before me a map of Europe with the distances by air from the great continental capitals indicated. It looks to me as if Stanley Baldwin spoke more truth than poetry last summer when he said, in a speech before the British Parliament on air-armaments, "Since the day of the air the old frontiers are gone." Prime Minister James Ramsay MacDonald, in his White Paper of March 4, supplemented with: "The range of territory on the Continent of Europe from which air-attacks would be launched against this country is constantly extending and will continue to extend."

London experienced the horrors of air raids during the Grea War, when German Zeplins hovered over the metropolis and terrorized the populace, shaking the morale of the people. London is only 580 miles by air from Berlin. The modern bomber can fly 1,200 miles without refueling. This means that bombers could leave Berlin, bombard London, and return home without touching the ground. Berlin is some 200 miles from the western frontier of Germany. London is about 400 miles from the nearest German point. So London would really have something to fear from German air attacks in the event of a war between the two countries. Winston Churchill recently told the House of Commons that Germany already has 1,100 military aircraft, and could produce 125 machines a month.

Paris is only 555 air miles from Berlin. Paris is 125 miles from the German frontier. German bombers could easily bombard Paris and return home with plenty fuel to spare. Or French bombers could do likewise attack Berlin and return home with ease without refueling.

Berlin is 317 miles from Warsaw (by air); 405 miles from Brussels; 170 miles from Prague; 215 miles from Kobenhavn (Copenhagen); 328 miles from Vienna—which means that all of these cities are vulnerable to attacks from the air. Likewise Berlin can be attacked with ease by these powers.

Rome is somewhat better off than the three aforementioned cities. Rome is 690 air miles from Paris; 870 from Madrid; 470 from Vienna; 433 from Bern; 440 from Belgrade. The French frontier is only 400 miles from Rome. The key Italian industrial cities are all in the north—within 100 miles of the French boundary, and open to attack.

Thus you see that the four great European capitals—London, Berlin, Paris, and Rome—are all open to attack from the other three countries.

France has an air force of 30,000 men and 3,000 planes. The Italian air force is considered by experts among the best in the world with more than 25,000 men and some 840 fighting planes in the first line and 800 in reserve. The English aerial defenses number 31,000 men and 1,128 planes.

30,000 men man the Russian air force. The number of military planes are variously estimated at from 750 to 2,000. As said above, Germany is said to have 1,000 planes and is capable of manufacturing 125 machines a month. Jugoslavia has 20,000 men manning an air force of 600 airplanes. The Czechoslovak air force consists of 546 planes.

B. T. U. REORGANIZATION

The Associational Baptist Training Union organization, which has been inactive for a period of several months, will be reorganized at a meeting held for that purpose in the Dan Graves Sunday School Building here on Sunday afternoon, April 14, at 2:30.

About 500 representatives from the 30 Missionary Baptist Churches of the county are expected to attend. Some churches have announced that they will have large representation.

An interesting program is being planned and will be announced later.

The cost of living index in Great Britain is 42 per cent above that of 1914.

Tracy, Eilers, Durante In "Carnival" Comedy Hit, Coming to Regal

"Carnival," a fast-moving comedy-drama featuring Lee Tracy, Sally Eilers, Jimmy Durante and a new little screen star, Baby Dickie Walters, will head the new program at the Regal Theatre starting Saturday night at 10:30 also showing Sunday and Monday.

This Columbia film was authored by Robert Riskin, whose screen achievements include "Lady For a Day," "It Happened One Night," "Broadway Bill" and "The Whole Town's Talking," which he wrote in collaboration with Jo Swerling. It was directed by Walter Lang.

Lee Tracy is seen in the role of a spellbinding barker with a carnival show who finds he can't talk the police out of taking away his infant, motherless son. He changes his name and chases around the country to prevent losing the child. Then romance comes into his life, and with it the solution of all his woes. The role is Tracy's most important since he appeared "Blessed Event" and "Washington Merry-Go-Round." More recently he has been seen in "Lovelorn" and "The Lemon Drop Kid."

Sally Eilers is romantically cast as the girl whose love appears to be a lost cause—until the final fadeout. She is 'Daisy,' the pianist at the carnival puppet show. Her more noteworthy film appearances include "Bad Girl," "Dance Team" and "Disorderly Conduct."

The beschnozzled Durante, a burlesque version of Cyrano de Bergerac, is seen as "Fingers," a kleptomaniac, or just plain pickpocket as he would ruefully admit. He is more happily cast here than any of his recent films among them, "Student Tour," "Strictly Dynamite" and "Hollywood Party."

Little Dickie Walters, presented as a "bedimpled bundle of joy," makes his film debut in "Carnival." Only two-and-a-half years old, he speaks

his lines like a veteran, and winks and smiles and signs according to Hoyle. Judging by the popularity of Baby LeRoy, and the old-timers, Shirley Temple and Jane Withers, little Dickie Walters will undoubtedly find an eager fan public.

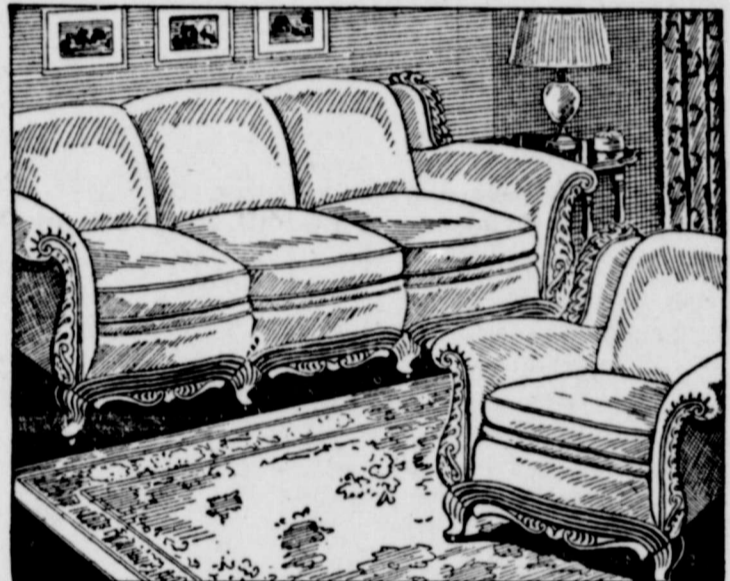

"Carnival," en toto, is a diverting admixture of comedy, romance and thrills. The large cast includes besides the principals, Thomas Jackson, Florence Rice, Fred Kelsey and Lucille Ball.

CONSIDER PLANS TO LIGHT ATHLETIC FIELD

Hornet Club formed for High School Students to push movement; Hornet Club also behind the project; Application has not been made through the State Relief Commission, but will be when the Commission allots money to pay relief labor for use of trucks and teams; Ewing and Baldrige will open Spring Football Training in the near future.

This time last year the new gym was a dream to many citizens of Gatesville, but the sport-minded people of the city kept pushing the movement for the building, and the work on the project was started the first week in August last year. The building has proven wonders for the city, as will the new lighted athletic field.

The Hornet Club is behind the movement as well as many other citizens of Gatesville and High School students. Wednesday Hornet Club members with the president, Fred Prewitt, and other officers went to the High School and formed a School Hornet Club. All seniors of this year became members of the club, and elected Dave Culbertson, Jr., president. The school organization will work with the Gatesville Hornet Club in promoting athletics for Gatesville. The general spirit for the new lighted athletic field is running high. It will put Gatesville on par with other Class B schools in promoting football, and this city is up to par in promoting basketball games due to the erecting of the new gym.

Fred Prewitt, president of the Hornet Club, has not made application to the Texas Relief Commission due to the fact that the Commission has not allotted money for the use of trucks and teams. The field is to be located on the old cotton yard. There is much dirt to be moved and it would be out of the question to start work on the project

without teams and trucks. Immediately after the District Meet this week end, Coaches Ewing and Baldrige will open Spring Football Training for the Gatesville High football squad. Probably forty men will answer their call among them will be the ten lettermen of last year. Get behind the Hornet football team this year and let's have a good football team as well as a new athletic field.

MOUNTAIN NEWS

Everyone enjoyed the fifth Sunday meeting. There was a large crowd present each time.

Bro. Willie Hopson and son visited in the Penn Hopson home last week.

Mr. and Mrs. A. J. Franks and family visited relatives over the week end.

Mrs. Ester White and daughter, Leota, of Ireland visited in the Dallas Fisher home Saturday.

Miss Jane Franks spent Monday with Ruby and Raby Burt.

Carroll Barton visited in the Joe Blacklock home Saturday night.

Mr. and Mrs. Dodge Cole entertained the young folks Saturday night.

Much chatter is being heard about the new athletic field to be located on the old cotton yard. If this dream comes true, Gatesville will be among the leaders promoting athletics projects. Many class B schools have a lighted football field that are proving very successful in a financial way as well as keeping in line with class A schools.

The Gatesville One-Act play cast will go to Waco today and participate in that division at the District Meet. All intellectual and field events will be tomorrow. Field events will be on Carroll Field at Baylor University. Coryell will have a good representation on hand for this annual meet.

The Softball season opened at the Fair Grounds Tuesday night. The Round Table defeated the Oilers 12-6. Blanton, Conoco ace, proved to be one of the two best hurlers in the league, but did not get sufficient support from his mates. Many errors were made by both clubs. Sonny Sasse, Bachelor hurler, pitched a good game, but began to weaken when Doyle Baldrige was sent in to relieve him. Baldrige has what it takes to make a good pitcher, and has plenty of room for improvement.

In the second game the Firemen handed the Independent crew a 4-2 defeat, which was made possible when Berkley Laxson made a home run with two men on, to mark up three tallies. This game was much closer than the first, and both teams looked like veterans. Dr. Carter Ray, Fireman, did exceptionally well with his south paw. Summers of the Independent crew also did well at handling the pill.

The dope bucket sat right-side up thruout both games, but it will take several falls before the season gets completely underway, as the teams showed Tuesday night, there isn't a set-up team in the league.

Chambers, Gladys Fray, Clara Carothers, Bud Pollard, and Misses Frankie Franks, Ruby and Raby Burt and Myrle Moore, and to six visitors, who were Mesdames Ray Burt, Penn Hopson, Henry Franks, Will Herst, Effie Hartin, and Jane Franks.

The next meeting will be on April 16, with Mrs. Joe Blacklock as hostess.

Sunshine Club

The Sunshine Club met Tuesday, March 12, with Mrs. Walter Wittie. The afternoon was spent quilting, with six members present.

Delicious grape juice and cake was served.

On Thursday, March 28, the Club had an all day meeting with Mrs. Fred Dyer. Miss Martin was present and the day

was spent making foundation patterns with line members present.

The club meets Tuesday, April 9, with Mrs. Jack Tennison and daughter.

Whitson H. D. Club

Whitson H. D. Club met at the home of Mrs. J. C. Perriman Tuesday, March 26, to quilt a quilt the club had pieced. Mrs. Otto Fishgrobe assisted the hostess in serving a real nice lunch at noon.

The business meeting was held at 2 p. m. We accepted Carden's club invitation for April 10, and elected as the two delegates, Mrs. J. C. Perriman and Mrs. W. J. Ritchie. The following members were present, Mesdames J. C. Perriman, Otto Fishgrobe, Sam and A. C. Irvin, C. F. Jones, A. T. Nelson, Hugh Collins, Ruben Gipe, B. B. Naylor, Howard Naylor, Curtis Ritchie, Misses, Tullie and Marie Jone, Georgia Elsie Lynn; visitors Mrs. J. W. Hizer and Miss Jennie White of Batesville, Ark.

The next meeting will be Tuesday, April 9, at 2 p. m. at the home of Mrs. Otto Fishgrobe. All members are requested to be present. Miss Gladys Martin will be present.

Hood Springs H. D. Club

Two plans, the emergency and the long time plan were the dis-

ussion of the AAA program by the ladies of Hood Springs Home Demonstration Club in a meeting on March 28, with Mrs. Tom L. Robinson.

The emergency plan helps the unemployed to earn their living. This plan goes into effect at once. The long time plan is to help the farmer.

Mrs. Mac Parks, Mrs. Emmitt Phillips and Miss Otha Berry were appointed as the program committee.

Those present were Mesdames Havel Nolte, Eugene Nall, Frank R. Wilson, Emmitt Phillips, Lois Meeks, Walter C. Berry, Hubert H. Berry, Bud E. Berry and Tom L. Robinson.

The next meeting will be on April 9, with Mrs. Clarence Murray.

CARD OF THANKS

Words fail to express the sincere appreciation of the love and sympathy shown us by our many friends and neighbors in the illness and death of our darling son and brother. Especially do we thank those who came to our home with words of comfort and deeds of kindness

in this our darkest hour. Those who so ably and tenderly assisted in the last funeral rites we shall always love. We do appreciate so much the beautiful floral offerings which have a language far more eloquent than words. May Heaven bless you all is our prayer.

Church of Christ

Located at the corner of 10th and Saunders streets.

We invite you to attend the following services:

Bible study at 10 o'clock, and the Lord's Supper at 11:00.

Young People's Bible study at 6:30 every Lord's Day.

There is also a Bible class on Tuesday afternoon at 3 o'clock.

On Wednesday evening we have Bible study at 7:30.

On April 26 our annual meeting will begin, and continue through May fourth. Services will be held by Bro. Hines, who is now located at Sunset Church of Christ, Dallas. He is a good Bible scholar, and we feel sure you will enjoy his sermons.

Everybody is invited.

Methodist Church

Uppermost just now in the minds of all is the rapid approach of Easter.

I think it is totally a thing of profanity to fall in these sacred days of the holiday which are Holy days to fall in recognition of such.

You may capitalize on every phase of religion you choose but had not the Resurrection been a fact, we would have nothing.

A true Christian will recognize these days.

April 10 to 21. Passion Days in Worship at the Methodist Church.

Sunday 9:45 a. m., departmental study and worship.

At 10:40 we all assemble in a body to observe church school day.

At 7:30 p. m., "Does Gatesville Want Gospel Preaching?"

At 6:45 p. m., our Young people meet.

M. M. Chunn, Pastor.

Presbyterian Church

Next Sunday, April 7, begins a new church year. As we begin this new year, we have ambitions to surpass the previous year in our accomplishments. In order to do this, each member of the church must strive to be more faithful in attendance and effort. During the past six months

there has been an average of 29 per cent of the members present at the morning services, with even a smaller percentage attending the evening services. For the coming year our primary aim should be to increase our attendance. Let's begin on next Sunday morning, with an increased attendance.

The pastor will bring a message at 11 a. m. and 7:30 p. m. At the conclusion of the morning message, we will observe the Sacrament of the Lord's Supper. At this first service of the new year, let come in a spirit of prayer and reconsecration.

The officers of the church will meet on Monday night at 7:30. The Women's Auxiliary meets each Tuesday at 3:30 in the afternoon. On last Tuesday afternoon, the incoming officers of the year were installed by the pastor.

The public is most cordially invited to worship with us, we assure you a most hearty welcome.

James M. McLeaan, Pastor.

G'ville Grammar School

Assembly

The high school dramatic club directed by Miss Villa Holmes, presented a one-act play in assembly last Friday morning. The play is called "Thursday Evening." The characters were Joe Satterfield as Mr. Johns, Beery Chamlee as Mrs. Johns, Dorothy Culberson as Mr. John's mother, and Fred Byrom as Mrs. John's mother. The play was enjoyed thoroughly by the students. —Billy McBride.

Girl Scouts

Miss Holmes' troop of the girl scouts are going to the park and learn some wood signs and then have a picnic.

Miss Murray's troop of girl scouts have been working on their second class tests and they are going on a hike soon. Joyce Thomas has almost completed her second class test.

—Mary Jane Slone.

First Grade

Miss Holmes' first grade class has been reading about policemen and traffic signs. They have decided to make a little city on their sand table. In their city they will make the fire department, police station, and signs on the corners of the roads, telling which way to go. In this way they hope to learn a lesson on safety.

Miss Lockard's first grade class is going to take up a new unit of work. In this unit they will make a special study of birds and flowers.

—Wanda Bates.

Third Grade

The third grade is studying a unit of work on Spring. They also are learning songs of Spring. Some of the boys are learning bird calls. In geography they are studying Texas, and it is very interesting.

—Dorothy Ruth Henderson.

Personals

The first grade has enjoyed having several visitors this week. Some of the visitors were Mr. Williams, Mrs. S. L. Ashby, Mrs. A. A. Alford, Mrs. Ernest Blankenship, Mrs. C. E. Gandy, Mrs. E. D. Shelton, Mrs. Clyde Bailey, Mrs. Paul Martin, Mrs. J. E. Pruner, and Mrs. Marvin Fletcher.

Ernestine Bauman, who has been seriously ill with pneumonia, is reported as improving,

but is still unable to return to school.

Roy Lewis has recently enrolled in the fourth grade.

Dan Steward and Harry Straw, pupils in the fourth grade, have been absent for several days.

Ora Dell Smith has returned to school after being absent days because of illness.

Billy Fred Bently is a new pupil in the fifth grade.

Catherine Farrell was enrolled in the seventh grade. She came to us from Star. —Wanda Bates.

"MARY OF SCOTLAND"

No announcement in years has brought with it the thrill that has resulted when the English

Department at Baylor University gave out the news that Helen Hayes the New York sensation

in "Mary of Scotland" was coming to Waco and that Pauline Frederick and Philip Merivale would be with her, not as assistants but as co-stars.

As interesting and outstanding as the stars are, quite as important is the play. The actors do not overshadow the personality of the playwright, Maxwell Anderson the courageous young poet who dared bring back to the stage a subject that Shakespere himself might have chosen. Indeed many have considered the play Shaksperian in power.

Clayton Hamilton the noted dramatic critic on the morning after the premiere wrote: "In recent years we have not been burdened with an overplus of reasons to be proud of the

United States. But I think we may be proud this morning for I believe this country has given to the world a great and noble play."

Significantly he added, "It may be doubted that any member of the audience foresaw the privilege of being present at such a notable occasion."

Tickets are now on sale at Dr. A. J. Armstrong's office at Baylor University, Waco, for this play which is probably the most outstanding performance ever advertised for Texas. The date is April 12.

Spanish Newspaper

The Spanish II class plans to issue a newspaper which will be written in Spanish, some time next week. They have been working on it for about two weeks. The paper will consist mostly of news of county meet activities, happenings in different classes, society, advertisements, and humor. The staff of the paper is: editor-in-chief, Brack Curry; society editor, Rebecca Clemons; sports editor, James Hair; humor editor, Tom L. Robinson, Jr., and news editor, Maxwell Holloway. Each student in the class wrote an article for the paper.

—Ethel Diserens.

6 Senior Class Meeting

The Senior Class was called together for a meeting at activity period, Friday morning. Miss Villa Holmes, class sponsor, was not present but Supt. Williams met with the class and they discussed plans for ordering the graduation invitations.

They also discussed the gift which the class should leave to the high school, but no definite plans were made.

Typewriting Paper

The typewriting pupils are working on a mimeographed edition of a school paper as a project in connection with their regular class work. This edition will likely take the form of a small magazine and cover various phases of school activity. Harold Goolsby is the editor and Merle Hopson is assistant. The publication will be completed about the first of May, and will be sold to the students for a nominal amount to cover the cost of production. The Hornets' Nest and other organizations of the school will assist by submitting material for the project.

Sophomore Class Party

The Sophomore Class had an apron and overall party in the auditorium of the grammar school, last night, at 8 o'clock. Games were played and several notables were represented, such as Greta Garbo by Patsy Olsen, Zazu Pitts by Nell Routh, Mae West by Frances McCoy, Kate Smith by Harold Chamlee, Ben Bernie by John Colgin, Walter Winchell by Jack Hestflow, Bing Crosby by Francis Rutherford and Joe Penner by Joe Baker.

Refreshments were served to members of the class and several members of the faculty.

Mr. Thompson is sponsor of the Sophomore class.

MRS. J. A. (COON) POWELL

Mary Frances (Savell) Powell passed away at the home of her daughter, Mrs. Bertie Jones, at Midland, Texas, recently.

Mrs. Powell was born in Mississippi, June 10, 1861, but came to Coryell county with her parents when quiet young and most of her young life was spent in Coryell county, near Carden and Straws Mill. She was the oldest daughter of Mr. and Mrs. Jim Savell whose old home still stands near Carden.

At the age of 16 she was married to J. A. (Coon) Powell.

She has been a member of the Church of Christ since her 18th birthday. She is survived by four living children; Mrs. Bill Jones of Midland; Tom and Clabe, of near Plainview, and Ellis, address unknown. Three children preceded her in death, Addie of Halecenter, Jim of Midland and Samuel, who died while they lived in this county, and was buried in Gatesville.

Her husband also passed away some two years ago.

She leaves 15 grandchildren and 1 great grandchild, besides she leaves 3 sisters and 4 brothers, namely: Mrs. J. E. Houser, Hico, Texas; Mrs. M. Thompson, Mt. Calm, Texas; Mrs. Lydia McKinney, Ackerly, Texas; Frank Savell Dallas, John Savell, Waco, Andrew Savell, Ackerly and Joe Savell, address unknown.

She leaves two nieces in Coryell county, Mrs. L. M. Mayberry, Copperas Cove; Mrs. Alton Mayberry, Mound.

Her husband also leaves several relatives in Coryell, a brother and wife, Mr. and Mrs. Newt Powell of Ewing also 3 nieces, Mrs. Robert Hunt, Ewing, Mrs. Fred Mayberry and Mrs.

Frank Woodson, Gatesville. Mr. and Mrs. Powell spent most of their life farming and

ranching at their home near Plainview, after leaving Coryell county several years ago.

FOR EASTER

SWING into the fashion parade fully confident that your clothes are making the right impression. It doesn't always take new clothes to do this. Last year's outfit will do the job as well if you've had it cleaned and spruced up at a good cleaning shop. Bring your Spring clothes here; we'll show you what we mean.
