LIONS COMPLETE LOCAL CLUB ORGANIZATION

NEARLY 2200 GOVT. COTTON CONTRACTS SIGNED IN CORYELL

Four hundred and seventy-five applications for 1935 Cotton Reduction Contracts have been received in the county Agent's office on farms which were not under a reduction contract last year. There were seventeen hundred old cotton contracts which will still be in full force effect. Fifteen hundred and fifty of these are in Washington now for payment. Only one per cent of the continuation contracts submitted were returned to the County office for correction. County and Community committees will sign the remainder of the continuation cotton contracts and also the new contracts the early part of next week. It is expected that all contracts and applications will be submitted to the State Board of Review at College Station, Texas, by Thursday of next week. When the applications are approved new signers will be asked to sign the approved contract. To comply with the 1936 cotton contract and receive all payments cotton must be planted on contracted farms.

1935 Bankhead application forms for securing of tax-exemption tags for the 1935 crop are in the county agent's office now. The basis data from the reduction contracts will be transcribed to the Bankhead applications. This work is expected to be completed by the first of May, and all cotton farmers must sign an application for Tax-Exemption Tags whether they have signed a contract or not, provided they have planted cotton in 1935. All but about two hundred Cotton farms have signed reduction contracts in Coryell county. Those farmers who have tax-exemption certificates in their possession and not pooled should watch the papers for announcement as to when and how they may exchange for certificates which will be good for the 1935 crop.

The corn-hog contracts or rather applications for corn-hog contracts number 223 and are now being tabulated and will be

submitted to the State Board of Review next Wednesday. There were only 166 corn-hog contracts last year. The corn-hog contract is a one year contract only. The third payment for the 1934 Corn-Hog Program is due soon. Farmers will be notified as usual when their check arrives at the county agent's office.

The 51 farms under a wheat contract which contract ends this year will be measured both for wheat acreage and contracted acreage next week. Wheat farmers are asked to cooperate with the farm supervisor and aid him in the measuring of wheat acreage and rented acreage. The following telegram will be of interest to wheat growers in deciding upon the future wheat program. This telegram from Dr. C. W. Warburton, head of Extension Service in Washington, D. C. to Director O. B. Martin, of College Station, Texas is self-explanatory and reads as follows:

"Official adjustment administration press statement today announces wheat referendum May 25 STOP Statement outlines following features of possible future program to be considered by farmers in referendum STOP Fundamental features and principles present program with additional emphasis on inducements to shift land to grass in drought and dust storms areas STOP Voluntary contracts calling for adjustment to meet consumption needs and export possibilities during crop years 36 through 39 STOP Provision for minor adjustments on individual farms to take care of crop rotation and other proven farm practices STOP Amount of adjustment and rate and condition of benefit payments to be determined each year but adjustment not to involve reduction of more than 25 per cent individuals' base acreage STOP Base periods same as in present program STOP Local administration through county associations STOP Copy official statement follows."

31 Contractors Were Here Tues. to Consider Bidding on New Church

Tuesday morning at 10 o'clock the General Building committee met with thirty-one contractors and sub-contractors for consideration of bids on the new First Baptist Church and its different furnishings.

Bids were above the amounts in sight by the finance committee. An afternoon and night session followed at which reductions in materials and finish were discussed until considerable reduction was made. No change in the general plan or size of the proposed building is contemplated.

The lowest reliable bid was made by C. C. Ramsey.

After all day consideration the General Committee voted unanimously to present the matter of letting a contract on the lowest bid to the church in conference on Sunday, April 21 for its consideration. The letting of contract will be subject to the Finance Committee's recommendation if it should be favorably passed upon by the church.

Members of the First Baptist Church and their friends who feel a keen interest in the building program are urged to attend Sunday's services.

"BRIGHT AND EARLY"

A comedy in three acts will be presented by members of the Maple Dramatic Club at the night, April 19. This play was postponed once on account of illness in the community.

There will be a small admission charge of 10c to everyone and a quilt will be given in connection with the play.

The public is cordially invited to attend.

MRS. GEO. WEST'S CONDITION IS VERY SERIOUS

According to a report last night at press time, Mrs. George West, who was injured here Sunday, was very low in a Waco Hospital.

Yesterday morning Mrs. West gained consciousness, but later in the day her condition was very serious, and Waco physicians hold out little hope for recovery.

SCHOOL BOARD MEETS AND ELECTS TEACHERS

On last Tuesday afternoon the local School Board met and elected teachers for next year. Mr. H. S. Brannen of Richmond, Texas, was elected as an additional member to the faculty. His position will be in the capacity of athletics as well as administrative work.

After approximately three weeks of missionary work and interviewing various business men in this area by R. Roy Keaton, Lion's International Club Organizer, the organization of the Gatesville Lion's Club was completed with their initial Luncheon at a local cafe at noon Wednesday.

At a previous meeting earlier this week, Mr. Keaton explained all the various details, purposes and aims of the club and outlined the organization procedure. A nominating committee was appointed to nominate the officers of the club, consisting of Dr. K. R. Jones, chairman, P. D. Holt, C. E. Alvis Jr. This committee reported to the Wednesday meeting nominating Supt. Frank L. Williams as Secretary-Treasurer, Rev. M. M. Chunn 1st. Vice-President, C. E. Alvis, Jr., 2nd. Vice-President, Lewis Holmes 3rd. Vice-President, P. D. Holt, Tail Twister, and George Painter, Lion Tamer; all being unanimously chosen for the places so nominated. Floyd Zeigler, President, was the only officer elected during the first meeting.

Sponsored by the Hamilton Lion's Club, which is customary when a new club is organized, this club is to further civic activities and to help forward any and all projects in which the citizenry is interested.

Membership thus far includes A. C. Ament, C. E. Alvis, Jr., George Bean, Bill Bamburg,

Marcus M. Chunn, C. W. Ford, A. W. Gartman, L. S. Holmes, Dr. J. H. Hamilton, Pat Holt, Dr. K. R. Jones, W. Mat Jones, Chas. P. Mounce, R. H. Miller, Jno. T. Morgan, Pat. H. Olsen, George B. Painter, Fred G. Prewitt, Jno. P. Reesing, Olin E. Sydow, D. W. Sherrill, Frank L. Williams, C. H. Wallace, J. M. Witcher and Floyd Zeigler.

Additional committees suggested by the President and unannouncedly elected by the club were: Attendance, W. W. (Bill) Bamburg, Olin Sydow and J. M. Witcher; Constitution and By-Laws, Roger Milner, C. E. Alvis, Jr., and Rev. M. M. Chunn; Finance, Lewis Holmes, C. W. Ford and C. P. Mounce; Lion's Education, Charter Night, P. D. Holt, Frank L. Williams and C. W. Wallace; Membership, Pat Olsen, John Reesing and Dr. J. H. Hamilton; Publicity, Pat Holt, Mat Jones and A. W. Gartman.

Among the visiting Lions for the first meeting were Floyd Campbell, Jack Moore, "Huey" Gordon, President of the Hamilton Club, R. D. Foster and Robert Williams. At the Wednesday meeting, Rev. W. R. Beard, Hamilton Lion, came as a guest of Rev. Chunn and the club.

Directors, four in number, were nominated and were elected as follows: J. M. Witcher, Pat Olsen, John T. Morgan and Mat Jones.

MISS DORIS JONES TO PRESENT PROGRAM HERE

On Friday night, April 26th, Miss Doris Jones will present a program for the Presbyterian Church. Miss Jones was teacher of Public School Music in Gatesville a few years ago. The people of Gatesville remember Miss Jones for her lovely character and her exceptionally fine programs. Miss Jones has consented to come to Gatesville for Friday night, April 26, to present a program at a Silver Tea. The public is most cordially invited to be present and enjoy this fine program. The silver offering is to be used to help send the Presbyterian Young People to their summer conferences. The place will be announced next week. Watch this paper for the place, in next week's issue.

PLAY AT PEARL APRIL 20

The play "For Pete's Sake" will be presented by home talent Saturday night, April 20, at 8 o'clock. This play is full of surprises and comedy. It is a full two and a half hour play that you will enjoy. A small admission fee will be made.

BAPTIST MAKE PLEA FOR EGGS FOR ORPHANS

This week has been one of doing for others among the members of the First Baptist Church.

The women are sending quilts to the Baptist Hospital in Waco. The Church this week and Sunday is making its annual contribution of eggs to Buckner Orphan's Home, and the W. M. S. Educational Leader, Mrs. O. G. Gilder, is directing a caravan of the graduating class of the High School to Waco Saturday to the Field Day, and a large group of women will be present Friday at the annual W. M. U. meeting in Columbus Street Baptist Church, Waco.

BROWNING SCHOOL PICNIC

There will be an all-day picnic at the Browning school house, six miles south of Cooperas Cove, Saturday, April 20. A day of entertainment is promised all attending, as there will be ball games in the forenoon, free barbecue for all and a rodeo in the afternoon. The rodeo will be open to all riders and there will be a nice assortment of prizes.

MAYOR'S WARNING

It comes to my attention that stock are roaming at large at night—This is quite disagreeable to folk who are trying to grow flowers and keep symmetry about the premises. Also, the park is no pasture—I've told complainants to shoot these and discuss it later. I'm making this statement that you may avoid trouble by keeping your stock in the pen.

LIONS CLUB FOR GATESVILLE

Something was said about March coming in like a lamb and going out like a lion. This was delayed slightly. The Lion is now here. All of which means a Lion's Club has been going thru the process of organization for the past several weeks. This organization, tho local in character, is national and international in scope, since it is officially called the International Association of Lion's clubs.

Thru and by the assistance of a number of interested local citizens and R. Roy Keaton, Lion's Club Organizer, a club has been organized here this week. With an initial membership of 25 men in varied lines of business, and with Lionism ideals as a goal, this organization has as its objects the following: 1. To create and foster a spirit of "generous consideration" among the peoples of the world through a study of the problems of international relationships from the standpoint of business and professional ethics. 2. To promote the theory and practice of the principles of good government and good citizenship. 3. To take an active interest in the civic, commercial, social and moral welfare of the community. 4. To unite the members in the bonds of friendship, good fellowship and mutual understanding. 5. To provide a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted. 6. To encourage efficiency and promote high ethical standards in business and professions; provided that no club shall hold out as one of its objects financial benefits to its members.

By no means a closed organization, and not organized for the personal benefit of those members, this club requests and invites any and all suggestions from interested citizens. Since the "initial membership" means nothing, the way is always open for new members, and it is safe to say there are no "cliques" whose ideas are to be pushed to the forefront, but it is organized simply and purely for the benefit of each and every citizen thru the forwarding of interests particular to every citizen in this section, not only in Gatesville, but in the entire county. Folk, this is your organization, and the members, are only for the forwarding of ideas and programs that are desired by the "least of you" for the benefit of the "most of you." Let's give the Lions our undivided and unreserved support! They're you, they're yours—so, we say help the Lions roar!

WORK HARD—THINK HARD

It is now feared that there will be another wheat shortage, due to the dust storms which have caused damage in the mid-west comparable to that done by last year's drought.

Farmers producing other products likewise face new and difficult problems, which have been caused largely by the failure of the government's relief program to produce the results that were anticipated by the overly optimistic.

All of this emphasizes the fact that the American farmer, if he is to work his way out of depression, is going to have to work hard—and think hard. He cannot depend on outside agency for his economic salvation. The whims of nature, and the ancient laws of supply and demand cannot be controlled by fiat.

The farmer's best weapon lies in the agricultural cooperatives—cooperatives which are owned and controlled by their members, and which enlist the abilities and energies of thousands of producers in order to work toward a common goal. One farmer, faced with disorganized distributing machinery, profitless prices, and chaotic markets, is powerless—ten thousand farmers, joined together in one organization, can fight a winning battle.

White Hall Girl Wins In Junior Declamation At Waco District Meet

The many friends of Miss Rosa Lee Leonard of White Hall will be glad to learn that she was first place winner in the Junior Girls' Declamation contest held at Baylor University in Waco recently.

This is little Miss Rosa Lee's second year to try out for declamation and it is quite an honor for the young lady to have won two first places in Coryell County and to have won over contestants from eight counties at the district meet at Waco.

Miss Rosa Lee was trained by Mrs. Bythel Cooper, an efficient reading teacher of this city.

Miss Leonard is the daughter of Mr. and Mrs. R. L. Leonard of the White Hall community, and is to be congratulated upon her ability as a public speaker.

ANOTHER LUCKY BOY

Lew Welton Meeks, son of Mr. and Mrs. M. D. Meeks, is also of the number lucky enough to have seen nine living grandparents, all of whom are now living.

One great-grandmother, Mrs. T. W. Drew, of Normangee, Texas, died one month before his birth. His paternal grandparents include Mr. and Mrs. R. E. Meeks and Mrs. M. E. Halpain of Gatesville, and Mrs. M. E. Meeks of Hamilton. His maternal grandparents are Mr. and Mrs. C. J. Drew of Portales, N. Mex., Mr. and Mrs. J. A. Robinson of Wheelock, Texas, and Mr. T. W. Drew of Normangee, Texas.

EASTER NOVELTIES

THE best part of an Easter party for the children should be their fun and happiness in getting ready for it. There are so many things that they may make themselves for the occasion, that it would be a shame as well as an extravagance to spoil their pleasure by buying them ready-made.

To have on hand or may easily procure. Some gum drops, jelly string and several boxes of campfire marshmallows and a package of toothpicks are the main ingredients for an assortment of amusing and clever Easter novelties. A little practice will enable all but the very small children to turn out successful bunnies and chickens, while for older parties, Easter baskets and flower pots are in order as favors and place-cards.

In making the bunnies and chicks, one or two whole marshmallows are usually used for the body, half or quarter for the head or tail, with small or large snippings for the ears. Feet, tails and eyes are made from whole or cut gum drops.

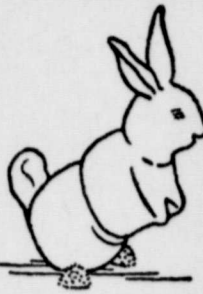

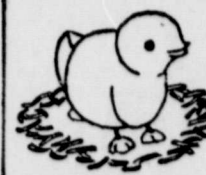

When working with marshmallows,

scissors in water before use. Just cut surfaces with constant wetting. If you do not want them to stick, wet toothpicks before inserting, and use them to make holes in which to insert eyes or other features. A certain amount of modelling must be done with the hands, a knack quickly learned with a little practice.

The basket is made from a hollowed-out marshmallow, whose sides are painted with fruit coloring, to resemble basketwork. The handle is made with a split jelly string. The cavity is filled with "canary" Easter eggs. The flower pot uses the marshmallow, tied with cellophane ribbon, as a base. Flowers and leaves are of gum drops, shaped by the warmth of one's hands. A little grated chocolate will simulate earth.

To attach these novelties to place cards, moisten the bottom slightly with water.

For a novel Easter hunt, wrap marshmallows in colored waxed paper, fastening the ends with a sticker, gently moulding to resemble eggs. These have the advantage over hard-cooked eggs of being cheaper, lighter in weight, more pleasing to eat, and best of all, something entirely new. The baskets may also be made at home.

EWING ELECTED ASSISTANT FOOTBALL COACH

SporTalk

By TEDDY

Tuesday night the Independent crew defeated the Round Table club 13-6. Joe Ricketts started in the box for the Bachelors, but was replaced after the second inning by Joe Powell, who later was knocked all over the lot, due to lack of support from his mates.

The Independent team has shown more improvement than any team in the league, and seems to keep improving. Tuesday night Summers pitched his best game of the season, and his mates were on at bat as well as playing a good game in the field.

The Firemen nosed out the Conoco club for the second time Tuesday night, 3-0. The Oilers have never been able to score on the Firemen, but are due to improve since B. G. Anderson and C. L. Kirby will be out regularly. Blanton pitched a good game, and got the only two hits his team made off of Carter Ray. The Firemen played another smooth game, getting several hits, and Roger Miller chalked up a home run.

Tonight the Oilers are scheduled to play the Independent crew. It will be a good game

as the Independent team is due a let down and the Oilers have two men back in their line-up.

We will take the Independent team for the first time this season.

In the second game the Firemen meet the Bachelors. The Firemen have a smooth working infield, and the Bachelors are not improving as they should, so we'll pick the Firemen.

Tonight

April 19:

PROGRAM AT BUSTER POSTPONED

Due to the illness of Mrs. Bob Painter and the death of Herman Dossey, the program that was to have been given on April 19th, at this place has been postponed until May 3. All plans for an enjoyable evening is assured to all who come. The musicians as before mentioned, will be present on Friday evening, May 3.

H. S. BRANNEN OF RICHMOND WAS ELECTED HEAD FOOTBALL COACH; COACHES HAVE NOT BEEN ASSIGNED DUTIES OTHER THAN ADMINISTRATIVE AND FOOTBALL WORK.

By TED HARRIS
News Sports Editor

At a recent School Board meeting Coach Maurice Ewing was elected assistant football coach, and Mr. H. S. Brannen of Richmond, Texas was elected head coach. Mr. Brannen comes with a record that should prove his capability of handling the local situation. Brannen has been at Richmond for the past five years, winning the district the past season. Some of the teams in his district are Bay City, Eagle Lake, El Campo, Sugarland, Rosenberg and Wharton. He is a graduate of Southwestern University, and was a four-year letterman.

This is no reflection on coach Ewing whatever in the opinion of the writer. Fans realizing the strength of the material Ewing had to work with the past two years can readily see that he made a wonderful improvement over his first season's work.

I commend the School Board on their action taken regarding the matter of keeping Ewing. He knows his material, and the two working together, will not have to spend a great deal of time figuring out what positions the men are most capable of playing. Omitting Ewing's coaching ability, there isn't a better man this side of the Mississippi River, borrow none.

The new Athletic Field that some day is hoped to be a reality, is being worked on. The be lighted, and will be located on the old cotton yard. With the two coaches working hand in hand with the ten lettermen that will be back and some green material coming up, Gatesville should have a better football team this year than they have developed the past two seasons.

Gatesville ranks high in population among the towns in its football district, and should be putting out teams that rank high for honors in the district, but due to some things being left undone, has failed to measure up to what she is capable of doing. Now is the time for local fans to get behind the football team for the coming Fall, and get in some rural students so Gatesville may be put on the map in athletics as well as in literature work.

Spring football training opened here Tuesday, and approximately thirty men answered Ewing's call, among them were ten lettermen of last year.

—Special price in photographs for Mothers' Day. We are going to make one 8x10 photo in nice folders and two 4x6 photos in nice folders for \$2.75 until Mothers' Day. Come in now and give us plenty time to get them. Special Mothers' Day Prices on glass frames. MAYES STUDIO & RADIO SHOP. 34-1tc

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our neighbors and many friends for the kindness shown

us during the sudden death of our dear father, W. E. Walker.

To the ladies and girls that did every things they could to help arrange the rooms, serve the food, and your sweet words of sympathy are dear to us. To the men and boys, you did your part wonderfully. And to the kind Ministers, Bro. George Siler of Moody, Bro. Fred Grubb of Purmeia and Bro. C. A. Morton of Gatesville, those words of truth and comfort shall linger in our hearts as a beautiful tribute. And for the beau-

tiful floral offering, we could see your love blooming in each flower. May God bless each of you and keep you as his own.

GREAT ROMANCE OF AIR WARRIORS IS BOOKED BY REGAL THEATRE

"Devil Dogs of the Air," a mighty domance of the flying marines, is scheduled at the Regal Theatre on Saturday night at 10:30, also showing Sunday and Monday.

The picture is based on a story

by John Monk Saunders dealing with the aviation corps of the U. S. Marines. It again brings together the inimitable trio who appeared in "Here Comes the Navy." James Cagney, Pat O'Brien and Frank McHugh. Margaret Lindsay has the leading feminine role.

Included in the supporting cast are 1,000 Marines who take part as extras or in bit parts.

There are any number of daredevil flying stunts, with planes crashing and men leaping from their blazing ships in parachutes. Spectacular maneuvers of the Marine Corps, with the U. S. S. Macon, as well as scores of airplanes in battle formation and a dozen warships participating, add to the many thrills in the picture.

Running through it all is a fascinating romance in which one pretty girl holds a whole corps of marines to heel.

Like its two famous predecessors, "Here Comes the Navy" and "Flirtation Walk," this picture was produced under a special arrangement with the U. S. Government, with marine officers acting as technical advisers to assure its accuracy in every detail.

James Cagney has the role of a fresh, conceited kid who is a natural born flyer, but who does not know what the word discipline means.

Jimmy gets himself in bad from the time he starts by flying over a corps during maneuvers and makes it worse by slapping an officer from his home town on the back. He is a boater, makes love to his friend's best girl, and is a general nuisance until one day there is a thrilling accident which brings a smashing climax to the story and opens the young recruit's eyes to what the service means.

Pat O'Brien has the role of a hard boiled Devil Dog officer who befriends Jimmy and then becomes disgusted with his swaggering egotism.

Margaret Lindsay is the girl for whose love Cagney and O'Brien fight a bitter battle.

New Football Field

By John R. Colgin

The old cotton yard grounds will be the site of the new, lighted football field which will be ready by next fall. This new home of the Hornets is just off the public square where it will easily be accessible to business men who wish to attend the games and not far from the GHS campus. The business men of the town and the Hornet's Club expect to have the lights ready to keep up with the modern football field. The local merchants of the city can also enjoy the football games which will be played at night, beginning next season. We expect to see a new modern football field next year and a winning team.

Labor is being furnished by the CWA.

Senior Class Meeting

By A. C. Bates

A very important senior class meeting was held last Wednesday afternoon, April 10, and many things of interest were discussed. In the absence of the class president, Miss Holmes, class sponsor, presided over the meeting.

Mrs. O. G. Gilder was present and extended to the seniors, in behalf of Baylor University, and the Baptist ladies of Gatesville, an invitation to be the guests of Baylor next Saturday, April 20, and attend a very interesting program planned for that date. Also she invited the class to a banquet to be given by the Baptist ladies in the High School gymnasium May 2.

The plans were made for the annual "Senior Day" and the date was set for April 26. It has not yet been definitely decided where the class will go, but several suggestions have been made.

Also at this meeting it was unanimously decided that caps and gowns will be used for commencement and measurements were taken.

Band Presents Program

By Marjorie Ayres

On Friday, April 12, the High School Band had charge of the program. Mr. Diserens, director, presented a very interesting and amusing program.

The first number was an overture entitled "The Iron Count" played by the entire band. Next was a number played by the band's bass quartet, which is composed of Jack Straw, Erle Powell, J. W. Clark, and Raymond Leonard, entitled "Bells of Saint Mary." The next number was an overture of Southern melodies, "The Southland," played by the entire band. The quartet then played "The World Is Waiting for the Sunrise." The last numbers were played by the German band, including two clarinets, Mr. Diserens and Marie Diserens; Earl Martin playing the bass horn; J. W. Clark, the trombone, and Erle Powell playing the trumpet.

Spanish Newspaper

By Fay Jones

The second year Spanish class edited a newspaper which was sold to all Spanish students for three cents, last week.

The paper was written entirely in Spanish, and contains

news of the County Meet, personals, and advertisements. The title of the paper was "La Boca," which means the mouth. The committee who named the paper consisted of Joe H. English and Albert Dickie.

The editors were Brack Curry, editor-in-chief, sports editor, James Hair; society editor, Rebecca Clemons; news editor, Maxwell Holloway; and humor editor, Tom Robinson Jr.

The paper contains five pages of news, advertisements, personals, society, and a crossword puzzle.

New Hornets' Nest Editors

By Josie Lee

In the heading of the Hornets' Nest this week you notice that several new editors have been added to the staff. Jack Hestilow is sports editor, John Colgin is humor editor, Ethel Diserens, society editor, A. C. Bates, class editor, and Fay Jones is club editor. These new editors will assist the editor-in-chief, Brack Curry, and the faculty sponsor, Miss Laura Pearson, in collecting, assembling, and writing the news. They will have charge of all news pertaining to their respective fields.

G. H. S. Hornets' Club

By Pat Holt

Several weeks ago George Painter of the Hornets' Club proposed a plan to the boys of Gatesville High whereby a students Hornets' Club might be organized. Dave Culberson was elected president and other officers will be elected at the next meeting. The purpose of this club is to boost athletics in Gatesville high school and to bring in material from the schools in other sections of the county that do not have football teams. The students club will cooperate closely with the regular Hornets' Club in doing this. Also sponsored by the Hornets' Club is the new football field with lights and bleachers now being erected on the old cotton yard, a part of the Raby Park. It is thought that the field will be ready for use by next fall when the football season starts.

Senior Play

Try-outs for the senior play, "Honor Bright," were held Monday, the cast was selected, and are now at work on its production. The play is to be given May 10, and all the seniors are looking forward to that date.

It has a large cast of nine boys and six girls. The cast includes: Margaret Gilder, Alice Earl Anderson, Dorothy Culberson, Beverly Chamlee, Mildred Morse, Lillie Mae Morris, Durward Taylor, Raymond Leonard, Edwin Prewitt, Emil Lee, A. C. Bates, Hazen Ward, Charles Ray Hinesley, J. W. Clark, and Joe Powell. Miss Holmes, senior sponsor, will direct the play.

—Kathleen Adams.

Hornet Sport Review

By Jack Hestilow

This is the debut of this column and we're hoping it is appreciated. Our purpose is to discuss the athletic side of school and to get more fans for our athletic teams.

Softball is underway and we believe that a team from GHS

should be in the league. There is plenty of material and a strong team could be formed. We have worked out a mythical team: c. Culberson; J. Ivy, 1st base; Williams, 2nd; Ewing, 3rd base; McLarty, ss; Hair, 2nd ss; Baldrige, L. F. Thompson; C. F. Moore, R. F. Thornton. Of course some of those mentioned have been signed up but there are enough softballers in GHS to make a strong team, and Grady Dickie would be an excellent manager. What are you going to do about it, Grady?

Spring football training is underway and a good many are coming out. The size of the candidates is probably discouraging to the coaches but they are putting the lads through their paces.

Assembly Program

The opening song for the Tuesday morning assembly program was "He Leadeth Me," which was followed by a prayer by the Rev. Chunn of this city. The remainder of the program was an address by the Rev. Beard of Hamilton. The talk proved to be very interesting and inspiring to the entire student body.

—Margaret Swindall.

Clubs

The VHE club is now studying etiquette. At the last meeting Mrs. Pinkney, their sponsor, read to them selections from books of etiquette.

At the last meeting of the Senior Dramatic club, of which Miss Holmes is sponsor, parts were read by different seniors to try out for the senior class

play, "Honor Bright."

The Junior Dramatic club is now working on a stunt, which will be presented stunt night. Miss Worthy is their sponsor.

—Fay Jones.

Seniors to Attend Field Day

Day at Baylor

The majority of seniors of Gatesville high school will motor to Waco Saturday, April 20, to attend a Field Day to be held at Baylor. The affair is sponsored by the Baptist ladies. The seniors will leave the Dan E. Graves Sunday School building about eight o'clock Saturday morning and will go both in private cars and the school buses. A schedule has been made out for the day consisting of a program at Waco Hall in the forenoon, a barbecue dinner at noon.

DUSTING COVERS
— OF —
TEXAS HISTORY

The schooner "Flash" of the Texas Navy, captained by Luke A. Fairlee, was the vessel that rescued Texas officials when Mexicans sighted them out of Galveston harbor. The "Flash" was a sturdy boat, and on it were President Burnet and his family, Vice President Lorenzo de Zavala and his family, and other cabinet members. The "Flash" was the first schooner into Galveston harbor when word came of the San Jacinto victory.

Odd, significant names were given the boats of the navy, which the provisional government had provided for in 1836. The "Invincible" was armed with eight guns; "Liberty" with four guns, and "Brutus" with eight guns. The "Flash" had only four. Two privateers, the "Tom Toby," named after the purchasing agent for Texas in New Orleans, and the "Terrible" were equipped with two guns each.

First to cruise along the Galveston coast and explore the land as far as the mouth of the Rio Grande was Captain Hawkin in his schooner "Independence," which sailed from New Orleans. He and his crew of 15 hearty men took to their boat and followed the coastline. They met a few boats from the States, and some from Mexico. Anchored at Galveston March 21, 1836, was a cargo of young Africans, brought over by Monroe Edwards to be slaves on Plantations.

Although the Texas navy was small, it did valuable work in carrying supplies to inland stations, and in destroying Mexicans commerce. Even though an infant country, a navy did not seem at all improper or improbable. It was more important after the Republic was established; however, Texans who celebrate the Centennial in 1936 will not forget that one hundred years ago there was a real Texas navy!

LIBERTY NEWS

Pecan Demonstration Budding

A class of instruction in pecan budding was held at the home of Powell Sutton April 9, which was a decided success. Besides the Liberty pecan fans, there were students from Purmela, Cow House, Evant, Ohio, Aleman, and West Point communities and schools. In addition to the work done in Mr. Sutton's orchard, three large trees were top-worked for Mr. George Griggs. The class was taught by Mr. White of Stephenville, and sponsored by the Liberty Women's Club. Quite an interest in better nut production is being manifested by the people of our locality. A number of trees were top-worked and were grafted on the Elam Bros. ranch. Mrs. Sutton conducted other interesting activities for the members and visitors, who incidentally were not interested in pecan work. A quilt was quilted and one pieced for the hostess. A delicious dinner was served to all members and visitors.

The next Club meeting will be with Mrs. Calhoun.

George B. Moore of Carlton was a visitor in Liberty community this week end.

Frankie Mae Blair entertained with a party Saturday night. She had as her guests five of her class mates from Gatesville. Frankie Mae is a charming hostess.

Kenneth Hedgpeth and Seth McCurdy were visitors in the home of Kenneth's parents, Mr. and Mrs. J. D. Hedgpeth, this week end.

Rev. Bennette preached an interesting sermon Sunday which was enjoyed by everyone who was present.

Mrs. Oletha Maxwell has gone for an extended visit to San Antonio. She will visit in the Rio Grande Valley, Corpus Christi and other points in south Texas.

ONLY IN NORGE DO YOU GET THE PLUS VALUE OF ROLLATOR REFRIGERATION

• The most important part of any refrigerator is its mechanism. Refrigeration itself depends upon the mechanism that makes the cold. • Part of the plus value in Norge is the plus cold-making power of the Rollator. It is able to make more cold than you'll ever need. Yet so simple is its construction, so smooth its operation that it uses hardly any current, is almost everlasting. • By actual test, the Rollator improves with use. • The extreme efficiency and dependableness of the Rollator is the basis of Norge economy—saving in both food and refrigeration. • Owners—those who know—say that Rollator Refrigeration enables them to save up to \$11 a month.

THE ROLLATOR
Smooth, easy, rolling power instead of hurried back-and-forth action. Result—more cold for the current used and a mechanism that actually improves with use. Only Norge has the Rollator.

We think we have fathomed Hitler's policy. He wants to get revenge on the Allies by letting them win another war.—Springfield (Ill.) Union.

TWENTY MILLION men, women and children may be on relief rolls, but latest figures from the bureau of labor statistics show the year's employment in the auto industry up 20.6 per cent from last year. Watchmaking is 24.2 per cent over 1934. Workers in the jewelry business have found 16.3 per cent more jobs in the last twelve months. Manufacture of vacuum cleaners and other electrical apparatus has given work to 14 per cent more

than a year ago. Radio continues to boom with a 6 per cent increase.

Stepping into the realm of AAA, employment in the butter business is off 8.9 per cent; in the slaughtering and meat packing industry it has dropped 8.7 per cent.

These figures are picked deliberately from a complete table to outline the extremes in luxuries and necessities. In between there are fairly average percentage gains—although some of the non-manufacturing and service industries—subject to NRA regulation—are complaining about current losses, as measured between the first two months of 1935.

THE STRESA CONFERENCE adjourned with seemingly complete accord between Italy, France, and England—the powers, with Russia included, most concerned with Germany's violation of the Versailles treaty and big army plans. Italy and England joined in approving the French memorandum to the League of Nations denouncing Germany's repudiation of Versailles. Of significance was the fact that the rearmament ambitions of Austria, Hungary, and Bulgaria—former allies of Germany—were approved while Germany's rearmament schemes were denounced. The three powers agreed to act in unison in regard to Germany's violation of the military clauses of the Versailles treaty, which ended the World War and restricted Germany's armed forces. The powers, including Italy and France, seemed reluctant to take armed measures against Germany in view of the present opposition to war among the people of Europe. Hitler will rearm. The nations have tacitly admitted his right to do so. But peace may be preserved because of the equilibrium thus established in Europe.

Although there has been much criticism of the NRA on the part of the press and big

business, small business is in favor of the act, it seems. Speaking before the Senate's N. R. A. inquiry committee, spokesmen of "little business" pled for extension of the Recovery laws and declared that the NRA had been their salvation. A petition from the Retail Code Authority, representing thousands of independent merchants, asked the Senate finance committee to continue the NRA as a protection against "big business."

PAUL MALLON, Washington news commentator, writes that Mr. Hoover is positively not a presidential possibility in 1936 but favors for the next Republican presidential nominee Ogden L. Mills, former Secretary of the Treasury. Mr. Mallon remarks that, although Mr. Mills is probably the most brilliant and capable man in the Republican party, he has no more chance than Mr. Hoover of getting the nomination.

Speaking of the 1936 election, the smartest Republican authority from the midwest says President Roosevelt would carry his section today. He thinks the President has lost ground but not enough. Incidentally his one-two-three pick for the Republican nomination is (1) Col. Frank Knox of Chicago, (2) Senator Arthur Vandenburg of Michigan, (3) Gov. Alfred Landon of Kansas.

IN MEMORY OF HERMAN DOSSEY

Another lamb has been called to its fold. To rest with his Maker, our Lord and God. In that heavenly place where we'll ne'er grow old. Where only the pure and righteous trod.

It is strange to us how one so young should so soon be taken away. But we know the Savior does nothing wrong. And we must prepare to meet him some day.

Weep not, dear parents wife and babe, For he has gained a far better place. Look to the one you know can save. And you, too, will be redeemed by Grace.

We know it is hard, dear sisters and brothers, To give one up you so dearly loved. But we rather have him with God than any other In the shining portals up there above.

Dear God knows every heartache and care And thought it best to call him home. Although it seems more than we can bear, We know he is with Jesus where no sorrows are known. —Blanche Dossey.

Faculty for 1935-36

With the addition of a few members, the faculty for the school will remain practically the same for the coming year, according to announcement by Mr. Williams. H. S. Brannen, of Richmond, Texas, has been selected as coach of the high school football team following the resignation of Mr. Ewing as coach. Mr. Ewing will return next year and will teach and coach in different fields. Mrs. C. C. Pinkney has resigned as teacher of home economics, after having been re-elected. An announcement of the full membership of the faculty will be made at a later date.
