## MOVED TO COLORADO

Mrs. Bertha Harry and son Merle and daughter, Ruth, who for a number of years resided in Friona, but who for the past three or four years have been living in Lubbock, where Miss Ruth graduated from the Lubbock High School last week, have moved to Granite, Colorado.

Merle has been in Colorado for the past few months, with his brother, Everett, who has been living at Salida since last fall, and who came to Texas to assist in moving their mother and sister to that state.

While enroute to their new home they stopped in Friona for a two-day visit with relatives and friends here before going on to their home in the mountains, where Merle has leased a tract of land and will begin growing fruits and vegetables, he plans to plant a crop of head lettuce for this season.

Mrs. Harry and family have many friends in Friona who wish them well in their new home. They were accompanied here by Mrs. Guyer, son of Mr. and Mrs. John A. Guyer, who goes to Salida to visit his brother, William Guyer, who also located there a few months ago.

## WILL LECTURE HERE SUNDAY

"Glimpses of the Holy Land," a lecture, will be given by Dr. Robert L. Butler, of Texaco-Farwell Methodist Church, at the Friona Methodist Church, at 8:30 p. m., June 2.

Dr. Butler has just recently returned from a tour of the East and is enthused with his learnings. His observations of political conditions in Egypt and Italy would give room for another lecture, and his visit to the ruins of Pompeii have resulted in another lecture. If you like this lecture we may be able to get him for another.

There will be no charge but we will observe our regular worship. The morning service is our regular hour to observe the Lord's Supper. You are invited to attend all of our services.

Patterns were made for Raglan sleeves and a pattern was also made by each member for a cowl neck. Several different style collars were cut. Charts showing how different kinds of skirts could be made were shown by our demonstrator.

A business meeting was held after the pattern school. Mrs. Jess Hinds gave the council report. The club voted to buy a table for the kitchen of the club house.

While at Gainesville, Mr. Truitt says they experienced some very heavy rains, which produced floods in some localities.

## FINISHED AT AMARILLO COLLEGE

Onway Frost, son of Mr. and Mrs. W. E. Frost, who has been a student in the Amarillo College during the past year, completed his college course there and returned home last Friday.

He will assist his father during the summer and plans to attend school again next year, probably at the University of Arkansas. Conway won distinction in Amarillo both as a student and an athlete and his friends here are proud of his success.

## Destruction In Wake of Panhandle Wind

—McCormick Co. photo

Winds of tornadic intensity Saturday night played havoc with property over a large area in the East Panhandle. Homes and buildings were seriously damaged or demolished, oil field and farm equipment was wrecked when strewn round. The picture in the upper left position shows the east side of the Groom Independent School. The bricks torn from the gaping aperture were scattered over the schoolyard. The top structure on the right shows the damage done the home of Mr. and Mrs. Bob Vaughn, at Panhandle. Mr. Vaughn is superintendent of schools at Panhandle. The timbers from the old lumber yard building (pictured middle right) were in splinters after the Saturday night storm. Lower right is shown a demolished implement shed three miles northwest of Groom. As much as five inches of rain fell during the storm that began shortly after 10:30 o'clock Saturday night.

Mr. and Mrs. E. H. McLellan, who for the past four months have been at Hot Springs, New Mexico, for the benefit of Mrs. McLellan's health, returned home the latter part of last week.

Mrs. McLellan says she feels greatly improved in health and that the time at the Springs was well spent. She was pleased to receive the Star each week while away, which aided her greatly in keeping posted on the happenings at Friona while she was away. Her many friends are pleased to note the great improvement in her health and she expresses her great pleasure at being at home again.

Mr. Rushing has many friends in Friona who were pleased to meet him again, he and Mrs. Rushing having lived here several years ago. He was engaged in the grocery business in Pampa for some time but was advised to give it up by his physician as the work was too confining for the good of his health.

## WILL GRADUATE JUNE

A preliminary list of candidates for degrees at the University of Texas, to be conferred at the annual June Commencement, Monday June 3, has been announced by the registrar's office.

Between six and seven hundred of those on the tentative list will complete their work on schedule and be ready for graduation. It is expected in the list of those who have filed their application for the degree of Bachelor of Arts, is seen the name of Helen Elizabeth Crawford, daughter of J. J. Crawford of this city.

Miss Crawford is a graduate of the Friona high school and during her high school course won many awards of distinction as a student.

## DIAMOND DUST

The Clovis Sunshiners took a class game from the Friona Cardinals last Sunday by a score of 5 to 2. It was a pitcher's battle up to the eighth inning with two out. Then by error and three hits Clovis scored three runs to take the lead and sew up the game.

The fine fielding by Williams kept the Clovis score down. Williams got the only extra base hit Friona was able to get off of Allen, Bell, Reamer, Riddle and Stratton did some fine slugging for the Sunshiners. Friona will play the Farwell Steers at Farwell next Sunday, June 2.

The box score of the last game will be in next week's issue of the Star.

## YOUNG PEOPLE PROGRAM

The young people of the Sixth Street Church of Christ will present a religious literary program at the church building on Friday evening at 8:00 o'clock, May 31.

This program will be of unusual interest and young people from the neighboring churches of Hereford, Bovina, Farwell, Lazbuddy and other near by towns are invited and are expected to be present and to take part in this program.

Minister, L. D. Cummings, of the local church, states that the church and Sunday school work is making progress and attracting more interest among the young people of the congregation and he is doing all he can to assist and encourage them and is looking forward to a season much greater activity in the church and Sunday school during the coming summer.

## TRUCK TURNS OVER

A traveling show with its accoutrements loads on a number of large trucks passed through Friona Sunday enroute to some town beyond Amarillo, and at a point a little over a mile east of Friona one of the trucks turned over for a reason not learned.

Some damage was sustained by truck and its contents and a woman riding in the truck was quite seriously if not fatally injured, being severely crushed to the extent that two or more of her ribs were broken and their ends thrust through the flesh but nothing further has been learned concerning her condition.

Mmes. R. H. Kinsley and L. G. Syngton were business visitors in Amarillo Wednesday.

## WILL BE SOME WHEAT HERE

In spite of the fact that it seemed that all the wheat in this territory had been ruined by the wind and dust storms of the past several weeks, it now appears that there will still be some wheat grown here if no looked for weather conditions arise.

There are a few farmers who still have prospects for a portion of their crops to weather the storm and make a fair yield and some of these said farmers are defending themselves against other weather conditions by providing themselves with hail insurance upon such portions of their crops as are still hopeful. However their number is small.

## FRIONA WEATHER

No moisture of any consequence has fallen over the Friona territory during the past week, although there has been some clouds and other indications of rain.

The days have been for the most part clear and quite cool for this time for the year. Indeed, for a few days a little fire in the house has not been amiss. Tuesday was an ideal day as to temperature, being neither too warm nor too cool, but Wednesday was much cooler again, the wind coming from the north. Another good shower to supplement the rain that fell two weeks ago, would be very acceptable.

## VARIETY STORE CHANGES MANAGERS

Mr. and Mrs. W. L. Stell arrived here Sunday with their household goods and located in one of F. S. Truitt's houses on Cleveland Avenue.

Mr. Stell, who was here about two years ago as manager of the St. Clair Variety store, will again assume that position, succeeding Mr. and Mrs. Nolan Dellis, who severed their connection with the store last week.

## NOTARIES PUBLIC

Those of our citizens, who have been serving this locality as Notaries Public during the past two years, have received notice of their reappointment for the coming two years.

Those who have thus far received their appointment are: M. A. Crum, A. D. Smith, Ester Noble, F. A. Spring, Orma White, Wright Williams and J. W. White.

## TO BECOME TRAINED NURSE

Miss Wayne New daughter of Mr. and Mrs. E. R. New, departed for Lubbock Wednesday where she will enter a training school preparatory to becoming a trained nurse.

Miss New graduated from the Friona High school with the 1934 class and has been doing library work for the school during the past term.

Shelby Jersig, of Bovina, was a business visitor here Tuesday evening.

A. H. Bock, of Amarillo, district representative of the State Farm Mutual Insurance Company, was a business visitor here Monday.

## A NEW MAIL ROUTE

Another Star Route, making four in all, has been established out of Friona, slated to begin operating on July 1st.

The establishment of this new route comes through the efforts and progressive enterprise of post master Sloan Osborn, who has been working on the job for the past few months with the success of his efforts coming with the establishing of the route about three weeks ago.

The new route will cover territory to the west, southwest and south of town, the west part of it covering territory never before served in any way with rural delivery, covering also a large group of patrons to the southwest of town. Then turning east at Bengers' Corner it passes through Homeland and splits the loop between the two ends of Route No. 1, and thence north to Friona, thus serving a large number of patrons that too far from either side of it to admit of service from it.

The establishing of this route fills a long felt want in aml services to the Friona territory, and while it is a grate addition to the convenience of the people whom it serves, it also adds to the prestige of Friona as a trading center and post master Osborn is deserving of commendation for his efforts and enterprise in securing its establishment.

## ATTEND BACCALAUREATE AT CANYON

Mayor F. W. Reeve and family, including Mrs. Reeve and the two daughters, the Misses Mary and Ruth who are at home, drove over to Canyon last Sunday and attended the baccalaureate service of the graduating class of the W. T. S. T. C.

Their son and brother, Glen Reeve, being a member of the class and will receive his bachelor's degree from that college this week.

## HOMELAND DEMONSTRATION CLUB

The Homeland Demonstration Club met Thursday afternoon, May 23, at the home of Mrs. E. G. Adams.

An illustrated lesson on the use of the "foundation pattern" in cutting dress sleeves and collars was given by the wardrobe demonstrator, Mrs. E. G. Adams.

The club voted to sell the "club quilt" at the next Trades Day in Friona.

Those present were: Mmes. T. A. O'Brien, E. B. Lipham, Valpeau Reneau, E. G. Adams, Mollie Helmer, John Thomas, A. H. Boatman, L. N. Ritter and Miss Lola Adams.

At the regular meeting on June 1, at the cafeteria of the Friona school the reporters and secretaries of the County Demonstration Clubs will have as guest speaker Mr. W. H. Graham of Farwell, Texas, editor of the State Line Tribune.

The next meeting of the Homeland Demonstration Club will be held Thursday, June 13th, in the home of Mrs. E. G. Adams. Each member is urged to bring hand-made articles such as quilts, crochet work, etc. for display. The club quilt will be quilted.

## ROAD WORK RESUMED

James Bragg and his assistant, who have charge of the road work in this precinct, have been busy this week with the county's road building machinery in repairing many of the roads near Friona.

Many of the harpits have become filled with the dirt carried by the winds and with the large grader they have been dragging this dirt out and with it forming a new and smoother surface for the roads. This also provides for better drainage in the event more rain should come in the near future.

## FARMERS ALL BUSY

The good rain of two weeks ago has placed sufficient moisture in the land to admit of persistent planting of the spring row crops and all local farmers are extremely busy in their fields getting the seed in the ground.

From all appearance the land is in perfect condition for tilling and it is believed the present supply of moisture will germinate the seed and give the young crops a good start.

## A CARD FROM "UNCLE ANDY"

A card was received at the Star office from "Uncle Andy" Wentworth last week, stating that he and Mrs. Wentworth had arrived at their destination at Cresco, Iowa, all safe and sound and had stoo the trip exceedingly well.

The card further stated that they had secured convenient and comfortable furnished rooms and that Mrs. Wentworth was feeling much better than when they left here. He sends his kind regards to his many Friona friends.

# THE ROMANS

## Had A Phrase For It

"CAVEAT EMPTOR." meaning "Let the buyer beware." This was not used as a bit of balm to ease the ancient conscience; nor, yet, was it placarded in the booths and stalls of the market-place. It was a piece of every-day knowledge, born of dear-bought experience.

A shopkeeper knew little about the source of his merchandise. This tunic he bought from a trader, who said it came from Byzantium. So he sold it as the latest Byzantian style. The trader told him the dye was pure Tyrian—it wouldn't fade. So he sold it as Tyrian dyed. But the buyer knew the responsibility was his own. If he guessed wrongly, or his judgment was poor, it was HIS hard luck.

Today, fortunately, there are safer guides than the blanket-warning to "let your eyes be your market."

These guides are the newspaper advertisements. In this newspaper, they are a catalog of the best values in town—signed by responsible firms. If the goods are not all that is claimed for them, their sponsors would need to "beware." For no business can thrive on a one-time sale, or on dissatisfied customers.

A signed advertisement is, in a way, like a promissory note. The advertiser has made a statement, and affixed his signature as a sign of good faith.

So, read the advertisements before you start out on a buying trip. Make this habit, and see how much you save . . . in time, in temper, in money, in shoe-leather.

Golden Text:—God is a Spirit; and they that worship him must worship in spirit and truth.—John 2:24.

### Introduction

The question of the weekly day of worship is one that in our day needs serious consideration. The devout men who founded our nation placed great emphasis upon it, but in our later days, it is common to use it merely as a day of recreation, or a day for doing tasks for which we did not find time and opportunity during the previous week.

Three words are used to describe the day, Sabbath, Sunday, Lord's Day.

The Seventh Day of Creation

"He rested on the seventh day."—Gen. 2:2. Here we have the origin of the weekly day of rest. The creation being finished, God rested on the seventh day, and hence forth hallowed it, because he himself had rested. The Hebrew word means literally "caused it to be holy." The weekly day of rest goes back therefore to the beginning of time. It is not a recent addition.

"Remember the Sabbath Day to keep it holy."—Exodus 20:8. When God gave to the Children of Israel, through Moses, the Ten Command-

ments, he included among them the commandment to observe the sabbath day, and again the reason is stated as being the act of God in setting it apart in commemoration of his own resting.

### "The Lord's Day."

The day we observe is not the Sabbath of the Old Testament, but a combination of that Sabbath and the Lord's Day of the first Christians. The beginning church, being made up mostly of Jews, naturally continued to observe the Sabbath, but rather loosely, because of their freedom from the law—in Christ. At the same time it became the custom for them to meet for devotions on first day of the week (Acts 20:7), the day of the resurrection. Hence "the Lord's Day;" which name we find in Revelation 1:10. By the end of the third century the Sabbath of Jesus' ideal and the Lord's Day of his earliest church had become blended into one. The first day of the week prevailed over the seventh but took up into itself the best that was in the seventh.

### A Day of Rest

The word Sabbath in Hebrew comes from a verb meaning "to desist," "to break off." It is then, primarily, a day of rest, a breaking off of the daily labors and a breaking away from the week-day concerns of life, for the refreshment and recuperation of body and mind. In this sense it is pre-Mosaic and has its counterparts in all civilizations and religions. There is always the example of God himself, set before us in the creation narrative. If that one day in seven was well for the creator it is surely well for the creature.

### A Day of Worship

Sabbath observance is worship in the sense that it is a consecration, offering of time to God. The weakening of the hold of this day upon mankind or its discarding in our civilization would be a terrible denial of God. Nothing becomes this day of God so well as his honoring in worship. Here the Christian tradition enters in. Christ's church took that Jewish day of rest and made it also a day of worship. He deserves our devotion at all times, but man is so thoughtless or careless in this respect that he needs to be reminded by a holy day, to be given a regular, set-time-apart for his vows to the Most High. This Christian Sabbath being the Lord's Day, it is through him and in his name that we worship God the Father Almighty.

### Joy in Worship Ps. 100:1-5

"Make a joyful noise unto Jehovah, all ye lands." "The original word signifies a glad shout, such as loyal subjects give when their king appears among them. In every land Jehovah's goodness is seen, therefore in every land should he be praised. Never will the world be in its proper condition till with one unanimous shout it adores the only God."—C. H. Spurgeon.

"Serve Jehovah with gladness." Only those who know and worship God can ever experience such abounding joy as is expressed in this Psalm. The human heart was made for joy; man has always sought joy, the fact that faith in and service of God results in such exclamations of praise as are here found is one of the many evidences of the reality and

soundness of a life devoted to God. "Come before his presence with singing." The first song in the Bible is that of Moses and the Israelites (Exodus 15:1-21), celebrating their deliverance from Egypt. Singing has never known such heights, and beauty, and spontaneity as in the Church of the redeemed of God.

### Worship With Thanksgiving v. 4

"Enter into his gates with thanksgiving." The gates here are those of the temple; the verse applies with equal force to Christians worshipping in Church. If every Sunday morning each believer would begin to think of those things for which he is most thankful, how glorious a spirit would prevail over our services of worship—"Give thanks unto him, and bless his name." We should give thanks always, because of what God is, because we know him and are known by him, and because he has made us, and we are his. If observance of the Lord's Day partook of such a spirit of joy and thanksgiving and spontaneous praise as bursts forth from the heart and lips of this psalmist, there would be no question about church attendance and about rightly observing the Sabbath.

### Obedience to Jesus in All Things Col. 3:17

"And whatsoever ye do, in word or in deed." Our being in Christ interpenetrates every part of our daily life: he is Lord of all we are and do. "Do all in the name of the Lord Jesus." In obedience to his authority, in dependence on his help, in the light of his will, and to the praise of his glory. "That name hallow, and ennobles all work. Nothing can be so small but this will make it great, nor so monotonous and tame but this will make it beautiful and fresh."—Alexander MacLaren. "Giving thanks to God the Father through him (Eph. 5:20)."

### The Value of Sabbath Observance

"We are not poorer, but richer, because we have, through many ages, rested from our labors one

## PAMPA READY FOR STAGING BIG PAGEANT

### Two Day Program Set For June 6 and 7

PAMPA, May 30.—The group of Taos pueblo Indians which entertained visitors at the Century of Progress, Chicago, will appear in the Pre-Centennial pageant here the evening of June 7, wearing the same elaborate, colorful costumes they wore at the World's Fair.

They will perform many tribal dances.

The Indians also will appear in the Pre-Centennial parade. They will take part in the last scene of the pageant in which they will "attack" a white settlement. They will be astride horses and are now practicing their blood-curdling yells to use when they swoop down on the settlement.

That day is not lost. While industry is suspended, while the plow lies idle in the furrow, while the Exchange is silent, while no smoke ascends from the factory, a progress is going on quite as important to the wealth of nations as any process which is performed on more busy days. Man, the machine of machines, is repairing and winding up, so that he returns to his labors on the Monday with clear intellect, with livelier spirits, with renewed corporal vigor."—Lord Haecaulay.

Welcome, delightful morn!  
Sweet day of sacred rest  
We hail thy kind return,  
Lord, make these moments blest.

Approximately 100 persons will participate in the last act. The Indian attack is based on an actual occurrence in the Panhandle. The pageant will be staged at Harvester park and one side of the bleachers will be transformed into a breakers country, showing cliffs, hills, trees, grass to form the background. The Indian scene will require 30 minutes for production.

The other acts of the pageant are as follows: The imprisonment of Stephen P. Austin, the father of Texas, in Mexico City; the return of Austin to Texas; the first shot of the Texas revolution, the boy soldiers of the revolution, Old Ben Milam, and origin of the Lone Star flag, all based on events that transpired in 1835.

The sixth scene will deal with Billy the Kid at Tascosa. Numerous horses, wagons, oxen, Mexican and "Texican" soldiers, settlers, will be used in the pageant.

The three battles will require approximately \$75 worth of ammunition.

Dick Hughes is general director of the pageant, which was written by Archer Fullingim, general chairman of the celebration.
