'Round These Parts

A. B. Jolly, Dallas County Agent tells 'em "the average agricultural graduate tries to get a government job, or goes to the city hunting work."

Jolly also said: "What we need on our farms are young men who will go out and dig in, attach themselves to the soil whence they sprang."

We've often wondered WHY agricultural college graduates did not do a little "practicing" instead of so much "preaching".

Stephenville, Clifton, Hico, Waco—all, nearly, of our neighboring cities have Young Democratic Clubs! Don't see why not here!

Also, don't see why there isn't a Jaycee organization here! They are at Hamilton, Waco, Stephenville, yea, thruout the state. All these towns have chambers of commerce, too.

Looks like Temple and Waco are trying to muscle in on another item that OUGHT to be publicized by the "locals" (unless it is a big error)—that's the "big ole" down in the southeastern part of Coryell.

Diversifying is supposed to apply to farm operation, but some of the most different diversifying to be found is in local stores. One grocery we know of sold Christmas cards, and now, we find a garage selling candy and razor blades. It takes all angles to make a living with taxes getting higher all time.

Photofantics, there's a big opportunity for you Saturday and Sunday in Marlin, when their annual Bluebonnet Photo Fiesta will be held. Experts will be there, they'll be to guide you to better pictures. Also, there'll be "subjects" for your snapping.

Today, the Lampasas Rodeo opens, and quite a delegation are scheduled to make the trek.

Yesterday, Dublinites, 65 strong "brought back the Old West" with street music, dancing, and a general good time shaking hands and passing out literature advertising their Rodeo which is April 26, 27 and 28.

A little inside on the Census locally, is that there is possibility that there will be 3500 of us here, whereas the 1930 census counted only 2601 of us.

Already a booster for Gatesville, is Paul Paulos, operator of Paul's Cafe, who says he already feels at home here.

TWO LITTLE "JOBS" PULLED HERE THIS WEEK

Dad's Stockyards Cafe suffered most, losing about \$10 worth of tobacco, candy, and other stock. Entrance was made, according to "Dad" by a back door, a refrigerator was then moved, and the prowl-ers got in and took the merchandise.

Exit was made in the same manner, but the refrigerator was not moved back. No cash was taken. It happened Sunday night. Coca-Cola Bottling Company was the second victim, and the "boys" only filled up on ice cream, drank a few bottles of Coca-Cola and rummaged around. The safe was not disturbed or the cash register. Entrance was made by breaking a window.

P. PIERCE BROOKS IS OUT FOR R.R. COMM.

Pierce Brooks, for several years prominent in Texas politics, today announced his candidacy for the Democratic nomination for Railroad Commissioner.

Brooks' announcement for the place now held by the veteran Lon A. Smith ends speculation which has been rife for months as to whether or not he would be a candidate for this office.

Two years ago Brooks polled more than 400,000 votes in a runoff campaign against one of the most popular men in Texas, Coke Stevenson, who only defeated him by a narrow margin. Brooks was in bed as the result of an accident for most of the runoff campaign.

Brooks for months has said that he had no intention this year of becoming a candidate for any office. He stressed the importance of remaining in private life, attending to his real estate business and "making a living for my wife and son."

FIRESTONE MEN GO TO DALLAS SALES MEETING

Wade Sadler and Garland Anderson, operators of Gatesville Auto Supply, the local Firestone store attended a sales meeting in Dallas this week, and were given tips and advice on spring and summer merchandising.

The "Mrses." also accompanied them on the trip looking over one of Texas' larger towns, Big D.

POAGE PUSHING \$195,290.00 COUNTY ROAD W.P.A. PROGRAM FOR CORYELL: APPROVED ALREADY IN TEXAS W.P.A. OFFICE

Information was received by telegram Thursday morning that an application for a county road program for Coryell County has been approved already in the state WPA office in San Antonio and is now being pushed in Washington.

This program would entail an outlay of \$195,290.00 in WPA funds and would be extremely beneficial to every citizen in Coryell County.

Congressman Poage's telegram reads as follows:

WASHINGTON, D. C.
APRIL 18, 1940

MAT JONES,
GATESVILLE, TEXAS
JUST ADVISED WPA HERE IN WASHINGTON HAS RECEIVED

CORYELL COUNTY APPLICATION FOR \$195,290.00 COUNTY ROAD PROGRAM PROJECT FROM STATE OFFICE. PROJECT HAS BEEN APPROVED AT SAN ANTONIO, MUST BE STUDIED, REVIEWED AND APPROVED HERE AND RECEIVE FINAL APPROVAL FROM PRESIDENT. AM URGING PROMPT AND FAVORABLE CONSIDERATION HERE. REGARDS.

W. R. POAGE, M. C.
According to County Judge Floyd Zeigler, this is a "blanket approval," which was worked up by the Commissioner's Court, and covers no specific roads. Each commissioner works up projects which must be approved by the state offices, and the above sum applies

on the "worked up" projects. Coryell county funds, match these appropriation from 30 per cent up, and must not be lower than 30 per cent.

This fund is for the fiscal year, and Judge Zeigler stated some \$25,000 in funds which could have been used during the last fiscal year are unused because there were no projects approved on which to apply them.

This \$25,000 will probably be "rubbed out" and the county will start the new fiscal year on the new amount under consideration.

At any rate, it seems entirely possible that there will be a considerable sum of money available for county projects during the next fiscal year.

TWO WRECKS: ONE MAN KILLED: RECORD THIS WEEK

R. Dean White, 28, of Leon Junction, was killed early Tuesday morning, when the truck he was driving crashed into a steel upright of a county bridge over the Leon river near Leon Junction.

White was returning from west Texas with a load of seed when the accident occurred, the right front wheel of the truck striking the steel framework of the bridge. After the truck had fallen thru into the water, the bridge also toppled over on the truck.

Funeral services were held yesterday from Scott's funeral home, and a full account of the services will be carried in Tuesday's issue of the News.

Shortly after the accident, a driver for Jones Fine Bread of Waco narrowly escaped another accident, since it is reported he drove within three feet of where the bridge was before he was able to stop. He was a new routeman, replacing Buster Goff, who was sick.

HEAD-ON COLLISION INJURIES ONE:

Monday night late, a head-on collision was reported on West Main street, and Jerome Southerland of Flat, received minor cuts and bruises. The other principal in the wreck was not learned.

PETITIONS BEING SIGNED FOR HOSPITAL

Petitions are being circulated in Coryell County this week to petition the Commissioner's Court for an election for a County owned Hospital.

This petition has been put out by a citizens' committee which met about ten days ago and worked out the necessary details of presenting the petition to the court.

Twenty petitions are being circulated in various sections of the county and a mid-week check up shows that many names are being signed to the petition.

The four drug stores and Floyd Murray's store have petitions available for all the interested parties who would like to joint the petition to the Commissioner's Court.

Parties who are circulating the petition are requested to turn them in not later than Saturday of this week so that they may be presented to the Commissioner's Court when they meet Monday.

BYRON LEAIRD JR. SHOPPED IN DALLAS MARKETS THIS WEEK

Byron Leaird Jr., accompanied by Mrs. Byron Leaird Jr., was a Dallas visitor this week, and placed orders to complete depleted stocks of spring merchandise, and summer specialties.

Styles and new items appearing at all times, makes it necessary for Gatesville merchants to spend considerable time in the wholesale centers, so Gatesville and Coryell county people will have the selection of what is newest and best, both, and prices that are right.

MOON RIVER RANCHO GOES "ON THE BOARDS" TONIGHT

Tonight, the Annual Senior Class Play goes "on the boards" before the footlights at the gym at 8 o'clock.

Billed as one of the best senior plays ever presented by the local thespians, "five laughs are guaranteed" but the guarantee wasn't listed. However, too, the publicity reads: "It's really hot and is filled with romance".

An extensive cast is used for the play, including J. B. Whigham, Maxine Dollins, Douglas Pollard, Vernis Wolfe, Charles Herrman, Melba Hardin, Virginia Brown, Leone Mann, Bill Williams, Marguerite Kelso and Nathan Wittie.

All persons who have not signed applications to participate in the 1940 Range Program at one of the many county meetings or in the County AAA office should file their applications prior to May 1st, 1940 in order to be eligible to participate in the 1940 Range Program. May 1st is definitely the final date for accepting Range Applications.

CRIMINAL CHARGES WILL BE FILED FOR FALSE REPORTS

"Beginning immediately we will file criminal charges against claimants who make false statements to secure unemployment compensation," J. W. Fain, District Supervisor Examiner said Thursday as he served notice of the tightened enforcement of the fraud provisions of the Texas Unemployment Compensation Act.

Executive Director Carpenter stated that the Texas Commission would be unceasing in its efforts to uncover cases of misrepresentation. He informed Fain that no exceptions were to be made and that charges would be filed in every instance.

The Supervisor advised claimants to report all their earnings while filing claims, to report any part-time or self-employment, to disclose receipt of Workman's Compensation insurance, old age benefits, old age assistance, wages in lieu of notice and vacation pay. Also they should reveal any fact having a bearing on their availability for work or their ability to work.

Notice will be given every unemployed individual claiming benefits of the provision of the Texas Act for filing of criminal charges in cases of misrepresentation or nondisclosure.

LEAGUE OF CLUBS RALLY HELD AT PEARL

The League of Clubs of Coryell County held its Spring meeting at Pearl on Wednesday, April 10, with the Pearl Club acting as hostess.

The meeting opened with the song, "America", and Prayer by Mrs. Harper; Greetings by Mrs. H.

C. Pogue of Pearl with Response by Mrs. H. B. Duncan of Harmon. Then the business meeting was held. The clubs answered the roll call with dues and 1c a member for each Club to pay project prizes. Seven clubs were present and two, Mountain and Union, did not have representatives. Mrs. Glenn Perryman of Harmon was elected president, Miss Bessie Whitt of Pearl, sec-treas. and Mrs. Watkins of Purlmela, reporter.

The projects were wooden novelties. They were judged and Priscilla was awarded first, Pidcoke second, and Topsey third.

Dinner was served picnic style in the gym of Pearl School.

Pearl entertained in the afternoon. Included on the program were a song, "Beautiful Texas", by a little six-year-old girl, Inez Freeman; two vocal numbers by La Wan Farmer, a pupil in Pearl School; and Miss Emma Scott gave an interesting talk on "Landscaping With Native Shrubs". The climax of the afternoon was a one-act play, "Be Home Before Midnight," presented by Pearl School pupils.

The Fall meeting will be held at Pidcoke on the second Wednesday in November with Pidcoke Club as hostess.—Reporter, Eva Durham.

OVER FOUR HUNDRED PEOPLE ATTEND HIGH DAVIS PICNIC-REUNION SAT.

The 13th of April—what a lucky number! Lucky day throughout if you were one of the four hundred and six persons who attended the High Davis picnic Saturday.

The usual routine of program was followed, but, if possible, with more enthusiasm than ever; Mr. Davis was perfect in his role as master of ceremonies. Games of various nature were enjoyed from nine o'clock in the morning until late afternoon.

An added feature of entertainment, this time, was the string band from Waco, the 1869 Coffee troupe, with Mr. and Mrs. Ball and others. Contests, prizes, oh, nothing was left out and all was thought of that went into the making of "TOPS" in picnics. Maybe tops isn't the correct adjective, but, anyway everyone whose privilege it was to attend the High Davis Annual in 1940 voted it to be superlative in its degree for clean entertainment of its kind.

With more people attending than ever before, it naturally called for more eats and they were there! The most food it has ever been our opportunity to see and partake of at one place and at the same time Reports coming from the picnickers ranged all the way from "full and happy" to just plain uncomfortable! Not calling names but one of our lovely friends from up Hamilton way admitted that he'd eaten enough for four men.

It would be most befitting here to mention the fact that Mrs. Childress Buford of Bay City brought the "Centerpiece" for the long table of food. This was a bouquet of cut flowers from her yard.

I failed to have all the names of visitors from the further-most points but will mention those I was able to obtain: Mr. and Mrs. Will McAda, their children and grandchildren of the extreme western part of our state; Mrs. McAda is a sister of Mrs. High Davis, Another sister present was Mrs. Mamie Evett of Waco. Mrs. Evett was accompanied by members of her family, who also live in Waco. Sisters of Mrs. Davis unable to attend were Mrs. Clemmie Dowler of Oklahoma and Mrs. Winnie

Morris of Corsicana.

Mr. Davis' brothers attending were, Wes of Turnersville, Wes of Oglesby and Dr. John of Seminole, Oklahoma. Dr. Davis was accompanied by his wife.

The children and grand children of Mr. and Mrs. High Davis were all present except Miss Olive Humes, a granddaughter, who is a nurse in Baylor Hospital, Dallas, and another granddaughter, Miss Christine Davis of Pancake, who being very intellectual minded, let County Meet interfere with her attending even such an important

event as Granddad's and "Mud-die's" picnic.

Mr. and Mrs. Burb Jones, Mr. and Mrs. Childress Buford of Bay City were in the list that appeared in the Guest Book from toward South Texas. Mr. and Mrs. Buford were accompanied by Mr. Will Vandiver and relatives and a young lady friend from Houston.

Then there were Mr. Bill Lemons, Mrs. Floyd Campbell and son, Perry and Jack Stribling all from Hamilton and numerous relatives and friends from all our neighboring towns and communities that went to make up the 406 and the largest crowd in attendance in its history of 15 years standing.

R. M. PHILLIPS JR. WINS HONOR AT DISTRICT MEET

R. M. Phillips Jr., student at Maple School, and son of Mr. and Mrs. R. M. Phillips of the Maple community, was awarded first place in Jr. Declamation at the District Meet held in Waco last week end.

This is a decided honor to this young man who is a real orator. He expects to go to Denton Saturday for the Regional Meet.

Others who won places in the District Meet were Harold Diserens of Gatesville, who won second place in Senior Boys Declamation, and Januel Hull of Antelope, who was awarded third place in Jr. Girls Declamation.

UNITY PRESBYTERIAN CHURCH

The pastor will preach at Unity Presbyterian Church, Turnersville, Sunday morning and nite. Hours of worship are 11 a. m. and 8 p. m.

Sunday School starts at 10:00, under the superintendency of Mr. John Hobin; and the young people will meet at the Methodist Church at 7:15.

HORNETS LEAVE FOR AUSTIN SATURDAY MORNING: TWO GAMES SCHEDULED

The Gatesville High School Hornets under the management of burly "Red" White will take a bus at 9:00 a. m. Saturday for Austin where they are scheduled to play two games, one in the afternoon and the other at night.

In their first clash which will take place about three p. m. Saturday the Hornets will take the field against the Texas University Freshmen. Schoolboy Rutherford will probably take the mound for the locals and after spending the past several weeks preparing for these games, Rutherford announces that he is in the "Pink of condition".

Saturday night the Hornets will get their first taste of night baseball when they are pitted against the slugging Austin High School nine. McBroom is scheduled to start the hurling duties for the locals with Wilkerson due to see service in this game.

Here's the lineup for the Hornets:

Perryman	CF
Wilkerson	SS
Bomar	LF
Richards	C
Barton	3B
White	RF
Newton	2B
Trammel	1B
McBroom	P
Rutherford	P

Jonesboro To Play Flat Team, Friday

The Flat Yellowjackets who are among the leaders in the Coryell County High School baseball race will meet the Jonesboro High School aggregation at Jonesboro Friday afternoon.

The Jonesboro Club is quite a "dark horse" in the schoolboy race and though comparatively little is known of their strength it is certain that they will endeavor to knock Holcomb, the Jackets ace hurler, out of the box. Thus far the Flat team is undefeated.

Ireland Loses To Turnersville 19-4

The Turnersville High School baseball nine who have suffered a couple of defeats this season, broke into the win column Tuesday afternoon at Turnersville by downing the Irish of Ireland by a score of 19-4.

This was Ireland's second defeat of the season also, as they lost their opening game to the Jonesboro High School Club.

Batteries were: Turnersville, Brasher and Southerland; Ireland, Lemmer and Squires.

Flat Defeats Pidcoke 12-0, Tuesday

The Flat Yellowjackets hammered out a 12-0 victory over the Pidcoke "Cokers" in a high school league game which was played on

the Pidcoke diamond Tuesday afternoon.

Holcomb, Flat pitcher, hurled his usual stellar game, allowing the Pidcoke lads only one hit, a triple by Wilkinson in the second stanza. Love of the Yellowjackets hit a rousing tripple and "Lefty" Geiselbrecht, Flat outfielder got a double and a single in two trips to the plate.

Wade Young pitched the last two innings for the Jackets and held the Pidcoke crew to a standstill. Three Pidcoke pitchers saw service on the mound during the game.

Here's a brief summary of the game:

	R	H	E
Pidcoke	0	1	5
Flat	12	10	3

Batteries: Holcomb, W. Young, Blackshear, Harper, Edmundson, Wood, Evetts and Evetts, Wood.

Boxing Tourney At Evant April 19

Friday night, April 19, there will be a boxing tournament at Evant and fighters from Gatesville, Evant, Pearl, Shive, Hamilton, and Oglesby will compete for fistic honors.

This show is being sponsored by the senior class of Evant High School and the general public is invited to be present. A. L. McFadden principal of the school will be in charge of the program.

Mound Tramples Blackfoot, 9-10

Sunday afternoon at Mound the Mound baseball team barely nosed out the Blackfoot Indians by a reported score of 10-9.

This was the first game on the Mound diamond this year and a large crowd turned out to see the teams perform.

Foy Wicker went the full route for the Mound club and though he was pounded for a flock of clean hits by the Indians he also struck out a long string of Blackfoot bat-

ters. Otis McBroom was in the box for the Indians.

No official reports were received on the other games that were played over the county, Sunday.

Baseball Managers To Meet Saturday

With the Coryell county baseball league due to swing into action in a few days, a meeting of the managers and all persons interested in the league, has been called for Saturday, April 20.

The meeting will be held in the News office at 3:00 p. m. and all teams are urged to be represented as the schedule and several important issues will have to be worked out before the opening of the season. Representatives from the following places are especially urged to be present: Mound, Pidcoke, Topsey, Blackfoot, White Hall, Pearl, Flat, Moshem, Plainview and Jonesboro.

Hornets To Lose Four Lettermen

The 18-year-old age rule which is due to take effect on September 1, 1940 will knock the props from under the 1940 Hornet Club as approximately four or five of the Hornet lettermen will be ineligible for another season.

Here are the players who will be eliminated if the rule is applied: Jan Jones, Bob Foster, Ray Ward and Fisher Culberson. The loss of these men will greatly handicap the Hornets chances for a successful season during the 1940 season, and more are likely to be ineligible after a check-up later in the season.

Six-Man Football Gaining Prominence

Small school "kid brother" to the eleven-man game, six-man football is due for still more growth in 1940. R. J. Kidd, athletic director of the University of Texas Interscholastic League predicted today.

It is played under much the same rules but has a smaller playing field and requires fewer men.

WHAT HAS GONE BEFORE:
George and Lennie, migratory ranch hands in the Salinas Valley in California, are on their way to a job near Soledad. George, small, alert and competent, is the guardian of Lennie, who is huge of build and enormously powerful, but has the mind of a child and is forever getting them both into scrapes. They dream of saving enough money to buy "some day" a little farm of their own; but the day is not in sight. George coaches the simple-minded Lennie to let him do all the talking when the new boss confronts them next morning, and if he gets into trouble he is to flee to the secluded spot near the river where they are spending the night, and wait for George to come.

Chapter Two

George and Lennie presented themselves at Ranch No. 3 early the next afternoon, and safely weathered the ordeal of giving an account of themselves to the hard-eyed ranch boss, Mr. Jackson — though not without arousing his suspicions when George refused to let Lennie do any of the talking. "Don't try to put anything over," growled Jackson. "I've seen wise guys before."

Candy, the lame and grizzled old man-of-all-work who had been a barley buck on the ranch until a threshing machine destroyed one of his hands, showed them to the bunkhouse. While George was eyeing with disgust the can of insect powder which his prede-

cessor had left on his bunk, a small, dark, hatchet-faced youth rode up and dismounted outside the bunkhouse door. He poked his head in and addressed Lennie. "You the new guys my ole man was lookin' for?"

"Yeah, we just come," replied George.

"Let the big guy talk!"

"Suppose he don't want to talk?" said George with asperity. "Him and me travel together, and I do the talkin'."

Curley swaggered up close to George. "You drawin' cards this hand?"

"I might," said George quietly. "Well, I'll see you get a chance to ante." He leaped into his saddle and galloped away.

This, Candy explained to them, was the boss's son — one of those tough little guys who hated big guys. In fact, he hated practically everybody; and since he was a professional prizefighter, he was usually on the lookout for some one to pick on.

"Seems to me he's worse lately," added Candy. "He got married a couple of months ago. Wife lives over in the boss's house. And Curley's worse ever since he got married. Like he's settin' on a ant hill."

"Maybe he's showin' off for his wife," George suggested.

"You jest wait till you see Curley's wife!"

She was pretty in a vacant-eyed, childish sort of way, with full, rouged lips and big wide-spaced eyes heavily made up. Her voice had a nasal, querulous timbre, almost like a whine. She wore a little cotton house dress, low and square-cut in the neck, and red mules festooned with bouquets of red ostrich feathers. She was Curley's wife of two months, the only woman on the ranch; and Curley's constant presumption was that Mae was guilty until proved innocent. In fact, he spent more time looking after and spying on her than he devoted to his job of helping his father. And it was worth a vicious beating for any of the ranch hands to be found alone with Mae, however innocently engaged — unless the said ranch hand happened to be one too strong

"Curley's married himself a pack o' trouble."

or too influential for Curley to dare attack.

When he found her in the barn fondling a little pup — one of a litter lately whelped by Slim's collie — Curley ordered her to give it back to Slim at once.

"No guy's givin' my wife presents. You're givin' that pup back."

"Oh, yeah?" She cuddled it defiantly.

"If you're not givin' it back, Slim's goin' to take it back."

"No he won't. Slim ain't afraid of you."

"No? We'll see whether he is or not! Wait'll he tastes the old one-two!"

Curley galloped off to the barley field, found Slim on top of his wagon, and imperiously summoned him to dismount. Slim, tall, slow-moving, judicious, was a jerkline skinner — the prince of the ranch, capable of driving as many as twenty mules with a single line to the leaders. His hands, large and lean, were as delicate in their action as those of a temple dancer. Slim's leathery face was ageless — he might be 35, he might be 50. His authority was so great that his word was taken on any subject, from politics to love.

Slim gave Curley little comfort when the hot-headed bantam warned him to "lay off my wife," and commanded him to take back the pup. Slim climbed back on his driver's seat and contemptuously flicked a fly off the rump of Curley's horse with his whip. Curley, seething, decided to vent his rage on the group of barley buckers who were looking on, Lennie and George among them. He regained control of his wildly rearing mount and spurred him directly into the group, making them dash madly out of his path.

"He was aimin' at Lennie," said

Candy when horse and rider had sped out of sight. It's like I told you. He hates big guys."

Slim gave cordial greeting to the two new men who were at work with him. "You guys travel together?" he asked George.

"Sure. We kinda look after each other. He ain't bright, but he's a wonderful worker."

"Ain't many guys travel around together," observed Slim. "I don't know why. Maybe everybody in the whole cockeyed world is scared of each other... Okay boys, let 'er buck!"

The two friends settled down to their task of loading the heavy bags of barley onto the truck. Candy lingering out of curiosity to see how good they were as "buckers", saw Mae's thin form approaching.

"There's Curley's wife I been tellin' you about," he announced.

George looked. "She's purty!"

"Yeah, purty... but looks to me like she's got the eye. Know what I think? I think Curley's married himself a pack o' trouble."

Mae, carrying her pup, came close, inspecting the two new men. She leaned against the wagon. "You're the new fellers that just come, ain't you?"

"Yeah!" burst out Lennie, starting toward her, fascinated by the puppy.

"Yeah!" said George sourly, seizing Lenny by the arm. He pulled him away, around to the tailboard of the wagon. Mae smiled bitterly and went back to the barn.

"Goah, she's purty!" cried Lennie.

"You listen to me, Lennie. Don't you even take a look at that dame!"

"I never done nothin', George."

"No, you never. But when she was standin' there, you wasn't lookin' the other way neither. You keep away from her — if she's poison, let Curley take the rap."

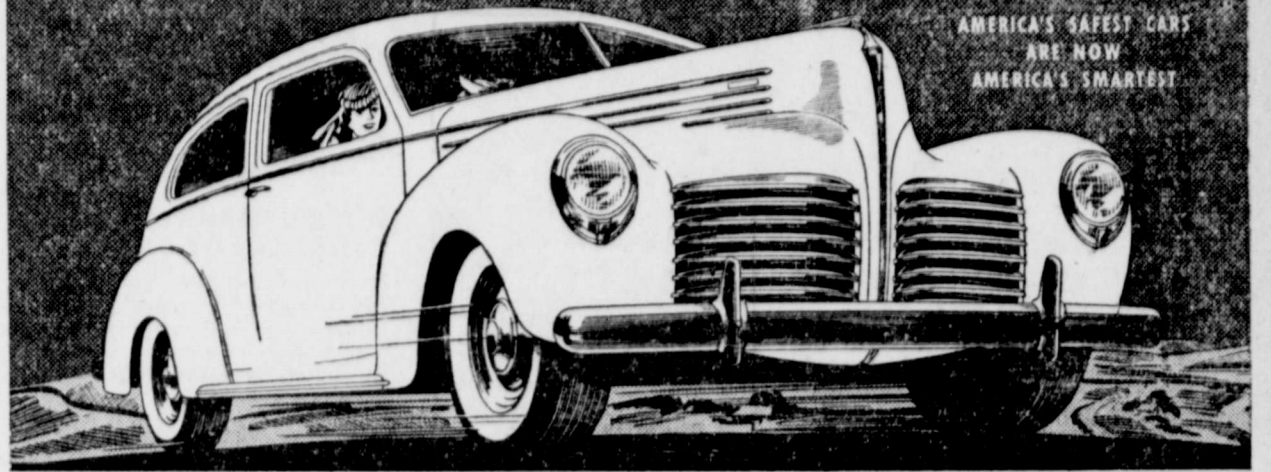

Lennie's eyes grew fearful.

"George, I don't like this place. This ain't no nice place."

"Listen, I don't like it here no better than you do. But we gotta keep it till we get a stake."

INTERESTING FACTS ABOUT BEER AND BREWING

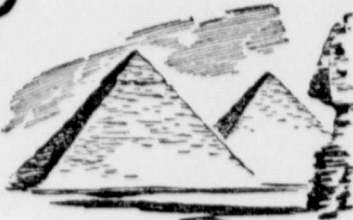

100 INDUSTRIES BENEFIT FROM BEER AND ALE

Did you know that the return of beer and ale brought increased business to more than 100 industries? It did. Services and materials were needed. New jobs were made for workers.

WHY BEER IS THE BEVERAGE OF MODERATION

Beer's alcoholic content is very low... lower than any other alcoholic beverage. That is why it is called "the beverage of moderation." You are not likely to get in trouble if you stick to beer.

OLDER THAN THE PYRAMIDS OF EGYPT

Beer has been brewed since the beginnings of recorded history in many parts of the world. It was known in ancient Egypt, in China, and the Euphrates valley.

NATURE MAKES BEER!

A simple natural process produces beer and ale from water, malted grain and hops. The brewer applies his skill to help give these beverages their fine taste.

BOUGHT BY BEER AND ALE: 25 BILLION POUNDS OF FARM PRODUCTS.

Steadily, year after year, the brewing industry gives American farmers a big order for farm products. That's a help farmers appreciate.

BEER'S TAXES—\$1,000,000 A DAY—COULD PAY FOR GRAND COULEE DAM IN 186 DAYS

Grand Coulee Dam on the Columbia river will be the most massive structure ever built by man. Beer's taxes—Federal, State and local—could quickly pay for it.

"CLEAN-UP OR CLOSE-UP"

A NEW PLAN TO PROTECT BEER RETAILING

One of the most interesting things about beer and ale is the brewing industry's program to keep retailing wholesome. This program is now in effect in a number of states. It is being extended. We want you to know about it. Write for booklet. United Brewers Industrial Foundation, 19 East 40th St., New York, N. Y.

Co-operation, unselfishness and organization means by which these vic improvements are required.
