Martin; Com. of General Land Office, Bob Armstrong-Jerry Sadler-Fred Williams; R.R. Com. Connie Lawson-Ben Ramsey; Court of Criminal Appeals, Truman Roberts-Earl W. Smith.

GRIM SCENE—Two men were killed and a boy critically injured when this car struck a tree at a high rate of speed near Mother Neff Park Saturday night. The car struck the tree broadside with the force of impact shearing off the engine and front wheels. Debris was scattered in a radius of 70 feet.

ALL SMILES...Dr. O.W. Lowrey and Johnny Arreaga are holding the telegram announcing the funding of a quarter million dollar recreation project at LTC Cottonwood Golf Camp. The Small Business Administration will supply \$150,000 while the Gatesville Savings and Loan will loan \$75,000 and the Gatesville Development Corp. will loan \$25,000.

SBA Approves \$150,000 Rec. Loan For LTC Golf Camp

Word came down Tuesday from Washington political heads that the Small Business Administration (SBA) had funded the quarter million dollar recreational facility at L.T.C.'s Cottonwood Golf Camp.

The telegram announcing the financial loan noted that "SBA" approved the Gatesville Development Corp. for \$150,000 to assist LTC in the operation of a sporting and recreational camp." The remainder of the \$250,000 was provided by the Gatesville Savings and Loan for \$75,000 and the Gatesville Development Corp. with \$25,000.

The Camp Cottonwood Golf Camp has been in the construction stages for nearly six months and is expected to be completed and ready for operation by mid-July.

LTC is headed by Dr. O.W. Lowrey, president; Cleo Woodard, vice president; David Shackelford, secretary; Johnny Arreaga, treasurer; Tom Williams and A.G. Patterson, directors.

The construction will move into the building stages in the next few weeks as plans for three duplex type cabins and the clubhouse are ready. LTC manager, Johnny Arreaga, explained that the cabins will be approximately 1500 square feet and will be living quarters for 16 golf camp boys and 2 counselors. Eight boys and one counselor will occupy each half of the duplex. Total capacity for the camp is set at 48 persons during a session.

The Clubhouse will include a pro shop, office, kitchen and dining hall to serve sixty people. Arreaga said "The Clubhouse will face LTC Lake and be located west of the lake on the hill side."

The Camp Cottonwood irrigation system was tested Monday with only minor leaks reported. The system will operate nine sprinklers at a time and throw water in a 100' radius. There are 156 sprinklers over the nine hole course, three at each green and one at each tee box with the remainder lining the fairways at 80 foot intervals.

Arreaga offered the following

explanation of Cottonwood Golf Camp. "Gatesville is so well located in Central Texas that we have 10 million people to draw from in a 200 mile radius. Most companies are having their annual meetings, seminars, and business schools at resorts now. Our facility will cater to this type of clientele, during the nine months the kids are not at the golf school. Families have more time for travel and recreation. We feel a short drive will offer them the outdoor recreation they seek."

Arreaga continued "at the present time there are 12 summer golf camps in the country. We feel that instead of being

the unlucky 13 we will be lucky 13."

Plans presently call for the first golf camp to begin July 11 and run through July 24.

Auto License Sales To Pick Up In Last Weeks

With only two weeks remaining to buy auto license tags, Tax-Assessor, Collector, Jack B. Whigham will open the office in the courthouse Saturdays from 8 a.m. to 12 noon. Whigham indicated that 7892 license plates had been issued already over the county. He noted that over 11,000 plates will be issued before the April 1 deadline.

With offices at Fort Hood, Evant, Oglesby, Copperas Cove and Gatesville a total of \$92-753.73 has been collected on license plates fees this year. Final receipts will reach over \$175,000.

County School Board Delays Action On Consolidation

The Coryell County School Board unanimously voted to defer decision on the proposed consolidation of the Mosheim School District with the Valley Mills School District at their Monday meeting.

The board listened to eight speakers during the open meeting, giving opposing views of the consolidation.

Will Be Coordinator
Elland Lovejoy has been appointed general coordinator of the centennial activities. Lovejoy, city manager for over 30 years, will work with the many groups on the week long celebration slated for early August.

James Smith, publisher of the Clifton Record and a member of the Clifton School Board asked the Coryell County Board to reject the proposed consolidation. At a meeting of the Bosque County School Board recently Smith was representing both his newspaper and the Clifton School Board and was asked to leave before completion of the meeting.

Following Smith, Gatesville School Superintendent L.C. McKemie asked the county board to defer action on the requested consolidation.

The Coryell Board then heard four speakers favoring approval of the consolidation of the two school systems. It was brought out in their testimony that the school kids at Mosheim had been attending Valley Mills High School for 20 years. Also the

present school kids had indicated that they preferred the Valley Mills School.

Ken Appleby Superintendent of the Clifton Schools asked the board to reject the measure and divide the district. Appleby suggested a division similar to the Turnersville division two years ago.

A suit in district court is pending in the decision. A group of 24 land owners in the Mosheim District asked the court to set aside the Bosque County School Board decision listing several points including the "secrete meeting" where news reporters were not allowed.

County School Superintendent W.H. Donaldson, indicated that the board felt the court action should be cleared before the Coryell Board made a final decision in the matter.

Two Die In Grinding One Car Crash At Mother Neff

Two men were killed and a youth critically injured Saturday night in a grim one car accident at Mother Neff State Park. The deaths marked the first and second fatalities recorded in Coryell County for 1970.

Earl Paul Robinson of De Soto, driver of the car, and Kenneth Earl Roach of Dallas, a passenger, were both apparently killed instantly when the car struck a large tree near the park entrance, said investigating DPS patrolman David Jund.

Critically injured in the crash was Steve Craig Robinson, 10 year old son of Mr. Robinson. The youth was thrown from the car onto the pavement. He was taken by Lee Ambulance to Scott and White Hospital in Temple where he required emergency surgery. He was listed in critical condition with severe head and internal injuries Tuesday by hospital officials.

Officers said the accident occurred at about 8:40 p.m. as the driver attempted to negotiate a curve at a high rate

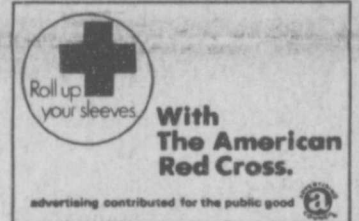

of speed. He lost control of the 1969 GTO, slid down the right bar ditch and struck the tree broadside. The force of the impact sheered off the front of the car and threw it 69 feet from the wreck site.

Roach, 47, was thrown from the car and lay by the tree. The driver died in the wreckage. He was taken by Lee ambulance to Lee Funeral Home in McGregor. Roach was taken by Erwin ambulance to Scott's Funeral Home in Gatesville.

Patrolman Jund said a group of McGregor youths reported seeing a car come around the curve at a high rate of speed and disappear. The youths rode in the park and a few minutes later came upon the boy in the road.

Funeral services for Robinson were held Tuesday morning at Lee Funeral Home in Moody. Burial was in Moody Cemetery.

Funeral services for Robinson were held Wednesday at 1 p.m. in Laurel Land Memorial Chapel in Dallas. Burial was in Laurel Land Memorial Park.

HORNET RELAYS SET FOR TWO DAY RUN

The third annual Hornet Relays are set for Friday and Saturday at McKemie Stadium with 36 teams expected to participate in two divisions.

The track meet has steadily improved over the three years to a point where both divisions will feature at least 17 teams. Division I includes class AA and AAA schools with Division two consisting of Class A and B schools.

The Hornets are set to take the title this season after a good showing at Taylor and improvement at Copperas Cove. In the first Hornet relays Taylor took the championship and in the second year Belton grabbed off the title.

Late entries in the meet are Stephenville, Lorena and Glenn Rose. Top contenders will be

Marlin, Belton, Gatesville, and Taylor.

On Friday preliminaries in both divisions will be conducted starting at 2 p.m. on field events and 2:30 on running events. Events run during the relays will include 44 yard relay, 120 yard High Hurdles, 880 yard run, 100 yard dash, 440 yard dash, 330 yard Intermediate hurdles, 220 yard dash, one mile run and one mile relay.

Saturday field events will get underway at 9:30 p.m. with semi-final running events to start at 10 a.m. Finals in all field events will follow the preliminaries immediately.

The finals of the track events will begin at 2 p.m. Saturday for completion at 4 p.m. Spectators will find the west

stands the optimism spot to view the relays. Finish line for most running events will be near the southwest corner of the track.

Field events will be conducted south of the stadium and west of the stadium.

Last Day For Signing

Friday, March 20th is the last day farmers will have to sign up on the Cotton, Feed Grain, or Wheat program for 1970. No payment will be made for either price support or diversion pay unless the farm is signed up. It is hoped that no farm will be left out that intended to go into the program by failing to sign up. The sign-up so far is about 100 farms under what was signed up in 1969.

Mail Delivery To Two States Halted

Local Postmaster, Hal Anderson, indicated Wednesday that a letter carrier strike in the New York and New Jersey areas.

Local Postmaster, Hal Anderson indicated Wednesday that there is a letter carrier strike in the New York and New Jersey areas.

Anderson noted that mail to the two states would be curtailed. He asked area residents to not mail to the two states until further notice.

Mail addressed to the two states will be held in the local post office until labor agreements can be reached.

Anderson said the only exception to the embargo would be military mail (APO and FPO addresses).

Local FFA Boys Take Laurels At San Angelo

Saturday March 14, the Gatesville High School Grass Judging team brought home some top laurels from a state meet in San Angelo.

The four boys, Billy Brown, Robert Forrest, Bill Shoal, and Bobby Herring with sponsor Robert Hopson, took third place trophy for team competition.

Brown, walk away high point individual winning a wrist watch. Forrest ranked 10th in individual competition.

Approximately twenty teams were in the judging competition. The teams represented the Future Farmers and 4-H Clubs.

Quiet Weekend For Sheriff's Department

Coryell County Sheriff's Department officers reported a quiet week in crime compared to recent weeks.

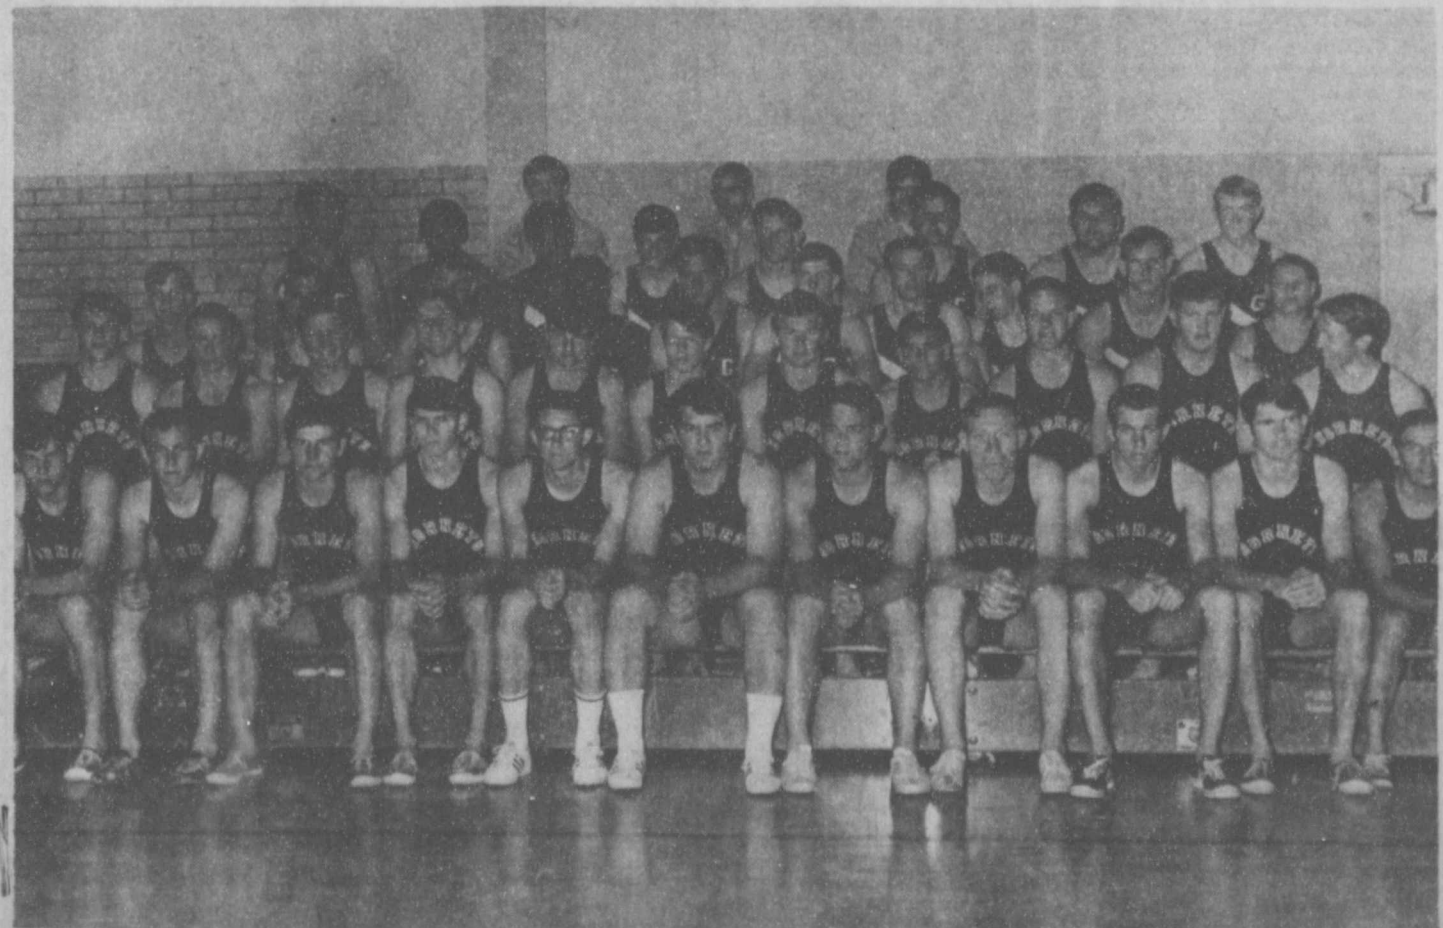

Sheriff Windy Cummings picked up a local man and charged him with aggravated assault this week. Tuesday, the man paid the \$63 fine for his offense.

Saturday, Sheriff's officers picked up a youth for shop lifting in a local store. The 14 year old was placed in the custody of his parents.

A Ft. Hood soldier was picked up Monday night by Sheriff Cummings for passing hot checks. The man was assessed 30 days in jail and fined \$5 plus costs.

HURLED 69 FEET—The front section of the auto was sheared from the car by the tremendous impact. The force hurled the engine hood and two front wheels 69 feet from the wreck site.

1970 Track Team

The Gatesville High School Track team is set to host the Third Annual Hornet Relays at McKemie Stadium Friday and Saturday. The 1970 Hornet Cinder team is pictured above. Tickets to the track meet will be \$1.00 for adults and \$3.50 for children.

RED CROSS COMMITTED TO HELPING FELLOW MAN

Recently a great deal of emphasis has been put on the word "commitment." It would almost seem that in the minds of many people a man's concern for his fellowman is a novel idea that came to being in the 1960's. This is not the case, however.

For more than 100 years, a major world organization the Red Cross has been a continuing practical example of the desire of mankind to help less fortunate people than himself. We in America can be proud of the heritage of the American Red Cross. Its history in aiding victims of disaster, in providing assistance to servicemen and their families, in teaching people from all walks of life the essentials of swimming, first aid, and home nursing, and other voluntary activities show that "commitment" is by no means a new word.

Many servicemen's families in the Gatesville-Copperas Cove area received service or assistance of some kind from the Coryell Chapter of the American Red Cross last year.

For example, last year, this Chapter gave financial assistance in the form of Loans and Grants amounting to \$9,894.21.

Service to Military families is this community's part of the nationwide Red Cross Services to the Armed Forces and is one of the principal activities supported by the Red Cross Fund Campaign now being carried on by the Coryell County Chapter. These services are the most important thing in

the world to the families of servicemen who receive them when a problem arises.

In addition to assisting families of active members of the armed forces, the Chapter also provides services for veterans and their dependents. This program is of growing importance at this time with the increasing number of events.

Almost every family has a member serving in the armed forces, or a neighbor, or a close friend. That serviceman will possibly need or may already have received some form of Red Cross Assistance. Our job is to be available 24 hours a day, seven days a week to render that assistance.

Several thousand trained Red Cross workers are stationed with units of the armed forces

throughout the world. Using an extensive and complicated communications system, the Red Cross is able to provide a vital service in helping servicemen and their families solve their problems.

"Roll up your sleeves and Help us Help!" They were asked to do, and that is exactly what the people here are doing. There must always be enough funds for Red Cross to continue its chartered responsibility to serve members of the armed forces and disaster victims.

We appreciate and depend on the support of our people. Many are increasing their contributions over what they gave last year to help provide the

BY MRS. B.A. SNODDY

"God is our refuge and strength, a very present help in trouble.....come, behold the works of the Lord, what desolations he hath made in the earth," Psalm 46:1 and 8.

We often write on the prophesies, concerning the day, in which we live, but this week we want to think about God, and his provision for us, in our time of need. I know there are people everywhere who need help. I need it, we all need it. If it isn't a problem of some kind, then we need to make a proper decision. The Bible teaches that "if any of you lack wisdom, let him ask of God, that giveth to all men, liberally and upbraideth not; And it shall be given him."

Lets look again at our scripture heading: "God is our refuge". The word "refuge" isn't used much any more, but it means a lot; it brings to our minds a place of sanctuary, a place of relief, a place of protection, a place of escape where you can get away from all that hampers you, and makes life difficult for us. To a child its mother is a refuge. Even after we become adults, where often great adversity, we often feel in our hearts "if I could only go to my mother." A mother, a wife, a husband, a friend can be a refuge and we all need a place to find strength; strong men, as well as children.

The story is written of a man who was a chemist in Canada; a very distinguished man, in his field, but he was nervous, full of fear, and in very poor health. Finally his illness came to the place where doctors had given up all hope for him. Having been reared in a home whose parents taught him the word of God, and who tried to instill in him a faith in God, as he lay in his bed, very ill, these snatches of scriptures began to come to his mind. One scripture that came to his mind was this: "God is our refuge and strength, a very present help in trouble." He began to reason with himself: I surely need a refuge; I surely need strength, and I need help in my trouble. Being at the end of medical aid, and all natural resources, he decided to turn it all over to God, and at that moment he detached himself, from himself and put himself into the hands of God without reservation.

He became the author of a book "Let Go, and Let God". And in it, he tells of his experience of being completely

separated from his nervous tension and he got well and arose from what the Drs. thought was his death bed. He became a dedicated christian, a Sunday School teacher, having one of the largest Sunday School classes in the Dominion of Candad; not only that, but started a class by mail and thousands of people had their lives changed by this one man, who believed the scripture that reads; God is our refuge and strength, a very present help in trouble.

The next word in our scripture heading is "strength". God is not only our refuge, but our strength. One sure thing in this life, is that we have to have strength we have to be strong. No getting away from it. You cannot go thru life, happily without being strong; if you aren't strong, life will crush you. We never know when we are going to need all the strength we can be capable of. We may have gotten by this far, but in all lives there comes a time when we just must be strong to stand up under it.

As the line of thought teaches that God is our refuge, he is also our strength. "A very present help in trouble." Some versions have it, "very present" and others "ever present." Both readings are sound. God isn't there just to be present, but He is there to help you, if you want Him. He tries to come in. All we have to say is "I open to you."

People struggle too much with their problems. You get His help by yielding, surrendering letting go. When you do, you find that God is with you, very present, ever present. "There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works as God did from his. Let us labor, therefore, to enter into that rest, lest any man fall, after the same example of unbelief....For we have not a high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin."

When I point my finger at you there are three fingers pointing back at me. So as I admonish you to trust God, for your refuge and strength, in your time of trouble, I also want to let go and let God, and to realize that the things we cannot handle that our God is our refuge and strength and a very present help in time of trouble.

Sunshine In Our Pocket

The old saying of putting some sunshine in the pocket seems that evident as this goes to the typewriter. All that brightness that came to section is in the cloud's pocket today. But the green is the same color at midnight as in the sunshine; come to think of it, look and see. Water is the same color in the dark also, you know. But if winter goes, spring will be here Saturday.

To all interested in the Weems-Cayce Reunion, one note might add zest in that the daughter of Mr. and Mrs. Bryan Hanks who is the Nancy Hanks we read of often these days, is to be home in Fort Worth the latter part of this week. She has never been privileged to be in Texas at times of the family reunion, in Gatesville, but she keeps up with all the Coryell County folks through the untiring efforts of her parents. She is speaking to some of the art group in Ft. Worth the 26th and 27th. Her devoted father, Bryan Hanks is a native of Gatesville.

Word came to Mrs. Milton Miller of the death of her brother, Claud Baker on last Monday evening. Funeral services was held at Robstown on Wednesday. She was unable to attend. One of her nephews, Harold Baker, spent Thursday night wither, enroute home to Greenville, after visiting his father, Rosa Baker of Corpus Christi following the services of his uncle. Mr. Claud Baker's home was at Driscoll. He underwent surgery some three weeks ago and was never able to be home afterward.

New occupants of the G.R. Gresham house, near the Evant Methodist Church is the former Patsy Ann Drennan and her family. Her serviceman husband, T. Sgt. Robert L. Reinhold is in Thailand. They have a son in school and a three year old daughter, both Scott and Teresa Ann are happy to be near their grandparents, Mr. and Mrs. Trey Drennan.

Mr. Marion Glover is due home any day after a few days stay in an Abilene hospital. He first entered Gatesville's hospital and then was transferred to be near the Glovers only child. The first Quarterly Confer-

FHA Sponsor MDA Drive

The Gatesville High School Future Homemakers of America are sponsoring a Muscular Dystrophy drive Monday night to collect money for the National Association.

Muscular dystrophy is a muscle destroying disease that disables its victims so weakening them that a common cold is dangerous. Though its chief victims are children, it can strike anyone.

There is no known cure as yet. But MDA supports world-wide research to find a solution to dystrophy and other disorders of the neuromuscular unit. Among them are the various types of myositic and such serious neurogenic conditions as amyotrophic lateral sclerosis infantile spinal atrophy and peroneal muscular atrophy. These conditions and others are covered by MDA's patient service program.

Early this week the House passed by an overwhelming majority a half billion dollar authorization for ocean shipping subsidies to American ship lines. Even with these subsidies there are very few American ships built and very few in operation, because it is almost impossible to operate these ships on American standards, even with these large subsidies, when they are faced with the competition of many foreign nations, however, most Americans recognize the need for providing help for American ships operated on American standards. I voted to help the American ships.

It seems rather strange that many of these same people would not recognize that it is just as important to maintain production of agricultural products by Americans as it is to provide foreign transportation by Americans. Farmers have to pay American prices for everything they buy, just as do American ship owners, and just as is the case with the ship owners, farmers cannot continue to pay these American prices for machinery, or an American wage scale for labor, and then sell their products at the level of the price of goods produced abroad, but a great many of our people and their Representatives seem to feel that somehow or other

agriculture is more able to withstand this price squeeze than are other industries.

I suppose that this feeling arises from the fact that farmers have so long contributed so much of their own capital and labor at sub-standard prices. For instance, very few farmers operating their own farms make more than a dollar an hour for their work and very few are able to get more than 3 or 4% on the capital they have invested. Actually, the average dairy farmer in Wisconsin has been netting only about 50¢ an hour for his own and his family's work. If we could ever get the public to understand these facts, I think we would have far less criticism of our farm programs. I was, therefore, pleased when some of our agricultural groups organized a National Educational Institute for Agriculture this week for the purpose of trying to present the farmer's story to city people.

I was pleased to see some of the "don't slap their hand" group getting real concerned over the recent bombings in New York City. I have no idea who engineered these cowardly and dastardly activities, but unless the police begin to track them down and the courts begin to hand out stiff penalties, no one's life is going to be secure. I believe that society's first obligation is to protect itself and its members.

CARD OF THANKS

Dear Friends, neighbors, relatives and ministers: Thanks for everything—the comforting words, prayers, food, flowers, and cards. I cannot express how much it means to me but God knows I love you all for sharing my sorrow in the passing away of my last surviving child, Mrs. J.C. (Dessie Huff) Griffith in Denison, Texas. This was all so sudden and we left for Waco and Denison as quickly as Frankie and Wayne could come for me, and a lot of you came after we (Mrs. Ida Bell Huff and we three) were gone. God bless you all.

Mrs. Clay Cheatham, March 4, Mrs. Clay Cheatham spent Sunday with Mr. and Mrs. Earl McKinney in Clifton and helped Mrs. Kate Turner, Gatesville observe her 88th birthday which was earlier in the week.

Emmet Dollins has returned home and has been real busy putting out fruit trees and shrubs planting potatoes and eagerly waiting for the ground to dry enough to plow his garden. However, he's expecting some leisure time as he has a boat anchored on the east side of his front yard.

Mrs. Hardy Rowe spent last week in Waco in the home of her son Walter Rowe and helped care for her granddaughter Kellie Lynn who had ear surgery. She visited with her mother Mrs. C.T. Brim and with Mr. and Mrs. Chauncey Ford in their home and with her other children, Mr. and Mrs. Dan Seward, and Mrs. Priscilla Martin. Hardy went for her Friday and they spent the night with Priscilla and children and returned home Saturday stopping to see Mr. and Mrs. Virgil Herring at Valley Mills.

A baby boy, Erwin Ray Jr., arrived Saturday March 14, in

the Goodall-Witcher Hospital to become a member of the Erwin Ray Dahl family whose mother will be remembered as Wynama Leach.

Mr. and Mrs. Sammie Leach Dallas, visited a while with his mother Mrs. Essie Leach, Friday and Mr. and Mrs. Cecil Moon, Ft. Worth spent the weekend with her.

Mrs. Della Jones, a sister-in-law of Mrs. Jim Epps, was buried in the Turnersville cemetery, Friday March 13 at 10 a.m.

Pop-callers in the home of Miss Laura Tharp this week have been Jay and Porter Hargis, Mrs. Glenda Williams, Mrs. Clay Cheatham, Mrs. Essie Leach and Peck and Annabelle.

Mrs. Annie Daniel Lee, Stillwell residence, Waco, gave a memorial to the Turnersville cemetery memorial fund for Alfred Daniel and Steele Daniel and Mr. and Mrs. E.A. Carren, Valley Mills, gave a donation to the Turnersville cemetery fund this week.

Reverend Mike Miller student from the Presbyterian Seminary, Austin, preached at the Presbyterian Church Sunday. Other than the local members attending were Mr. and Mrs. A.C. Spradley, Gatesville Mrs. Martin Clary, Cransfill Gap, and the methodists, Mr. and Mrs. Carl Davis, Mr. and Mrs. Cliff Worthy, and Clifford, Mr. and Mrs. Herman Fouse, Mr. and Mrs. Hubert Mayhew, Mr. and Mrs. Peck Tharp, Mrs.

Clay Cheatham, and Miss Laura Tharp.

Sunday afternoon was such a good time to wander from home and quite a few from Turnersville, did just that, and those getting caught at it were: Mr. and Mrs. Jim Epps took Miss Ellen Balch and Miss Mattie Cooper to a singing at Lane's Chapel and upon arrival, found no singing, so went on to Clifton, which was a new road to some of them and a beautiful drive. They went to the Sunset Home where they found the singing and visited with former residents of Turnersville, Mrs. Nannie Dollins, Bob McMinn, Roy Humes and Woody Rowe.

Others taking a little jaunt were Mr. and Mrs. Carl Davis Mr. and Mrs. Peck Tharp and Miss Laura Tharp who started out to visit Mr. and Mrs. A.B. Graham but found them gone, so took advantage of seeing new country and motored to Liberty, Ohio, Hamilton, The Hidden Valley Store, Hico, Iredell, Meridian, Clifton and then home. Highlights of the trip were flowering trees, full ponds and running creeks.

Card of Thanks

I want to take this time to express my sincere thanks to the Rotunda Staff, to the hospital nurses and Dr. Lowrey and to all who offered their kindness during the loss of my wife.

Your thoughtfulness and kindness is greatly appreciated. E.S. Winfield

Adams Have Guests

Mr. and Mrs. Bob Brooks Jr. of Waco were recent guests of Mrs. Ann Adams. Mrs. Brooks and Mrs. Adams were in Hamilton transacting business on Wednesday.

Mrs. Charlene Greer of Dallas is staying with Mr. and Mrs. Martin Adams and helping take care of Mrs. Adams sister, Mrs. Ruth Taylor. Mrs. Greer is a niece of Mrs. Adams and Mrs. Taylor. Visitors during the weekend in the Adams home were Mrs. Lester Pangel and Ruth Katherine Austin of Dallas.

Card of Thanks

I wish to express my appreciation for all the kind people who entered my life, in any way since my illness began in February. To all the staff of the Hamilton County General Hospital, goes my first thanks; to all my friends and family, who stood by while I recovered enough to get back to Evant goes my next thanks. To all who have sent in food, flowers, calls, and mail to me and my family, I am deeply grateful. The ladies who sat with me, when my family was unable to do so, shall always

Mrs. Stewart Gives Short Stories Talk

Mrs. Kelly Whitt was elected president of the Morris Federation for 1970-71 at the fine arts club's meeting Saturday afternoon in the Community room of the Guaranty Bank.

Other officials named to lead the organization are Miss Ruth Yongue, vice president, Mrs. T.L. Robinson, secretary; Mrs. O.A. Petsick, treasurer; Mrs. W.C. Bradley, reporter; Mrs. C.R. Byrom, historian; and Miss Ima Fellers, parliamentarian.

Highlighting the meeting was a talk on "Short Stories to Remember" by Mrs. Thomas G. Stewart. According to Mrs. Stewart, short stories are making a comeback into literary popularity because the average American has less time to read in this rushed age.

Mrs. Stewart picked three stories with different moods, a collection edited by Robert Linscott. She told the short stories: "Pigs Is Pigs" by Ellis Parker Butler, "Kazan" by Jim Curwood and "Scrawns" by Dorothy L. Sayers.

Sigma Rho Discusses Future Pledges

The Sigma Rho Chapter of Beta Sigma Phi met Thursday March 12, 1970 in the home of Dorris Reynolds. A business meeting was conducted by President Dorris Reynolds. There was a discussion of future pledges; this will be discussed again at a later date. There were nominations for next year's officers. A future money making project was discussed.

The pledges present were presented with their pins as they arrived too late for the ritual services.

An interesting program on Pleasures of Possession: hobbies and collections was presented by Ann Eubanks. Ann presented reasons for having hobbies and collections and then gave us some insight and pointers on collecting stamps.

An informative program on The Garden: Landscaping, was presented by Dixie Duke. Dixie told us of the principals and general types of landscaping—formal and informal.

Refreshments of chips, dips, cake and spiced tea were served from a table covered with a white tablecloth sprinkled with shamrocks and centered with a green St. Patrick Dog. The refreshments were served by hostess, Dorris Reynolds.

Members attending the meeting were Anne Byrom, Jeanne Cohagan, Dixie Duke, Ann Eubanks, Pat Jones, Becky Necessary, Dorris Reynolds, Nelda Wolfe, Barbara Huntley, Sue Bankhead, Janda Coward, Phyllis Harvey, Jo Lynn Jackson, and Evelyn Lovejoy.

Evant Juniors To Present Play

The Junior Class of Evant High School has set Friday March 20, as the date of their production of the three-act comedy, "Girls Will Be Girls" by Donald Payton.

What makes teen-age girls do the things they do? That's the question. What should be done about them? That's the problem. Betty Lou and Bernadine are a couple of questions and problems rolled into two. But gee, whiz, after all, girls will be girls.

The cast of characters are: David Pruden as Mr. Maxwell the head of the house, at least he thinks so. Sandra Conner as Mrs. Maxwell, the head of the house, at least she thinks so.

Anne Adams as Betty Lou, the 14 year old daughter. Deb-see PLAY page 5

Easter Bread Baking Tradition World-Wide

Most countries of the world observe feast days during spring; each has a religious origin. In these countries certain foods have become symbols of the holidays.

From Central and Eastern Europe have come a myriad of Easter breads and cakes. In Germany and Austria, Easter bread is baked in oblong loaves of braided yeast dough called Easter Stollen.

Golden bread which is similar to French toast is served in parts of Ireland at Easter. In England cheese tarts are a specialty. Pinettone, a delicate fruit bread, and Torta di Ricatta are two Italian Easter treats that we have come to

know in America. Other countries have contributed their favorites.

In these United States the wide variety of festive holiday breads enjoyed at Easter attests to our true melting-pot heritage. With modern adaptations of traditional recipes and an endless variety of ingredients, home bakers and commercial bakers can make holiday breads a delightful experience.

At one time any woman proud of her artistry in the kitchen scorned the use of purchased cake and bread mixes. But this has changed. The ready-mix field has blossomed to the extent that there is a seemingly endless array

of mixes so nearly perfect that many women claim they equal the finest "scratch" recipes.

Exhaustive experimentation by a number of mix manufacturers has added a moistness and flavor that early mixes did not have. Mixing time has also been cut to a fraction so that many delightful products can be hand-mixed in half a minute or so.

Teenagers have learned that they can prepare their own foods with mixes. Many mothers have encouraged the children to help with cooking by buying mixes just for them.

Regardless of their age, creative cooks like to add their own special touch to mixes, giving a certain satisfaction that allows one to say, "I made it myself."

Who knows? The whole idea of letting the children bake the muffins may be a subtle way of encouraging them to eat breakfast or any other meal where appetites seem to lag.

Cereals and grains are one of the group of 4 Basic Foods—a point for grown-ups to remember, too.

VISITS IN HOUSTON...Carl Eubanks visited in Houston March 8-15, with Mr. and Mrs. Harry Voss. Mrs. Voss is the former Miss Bobbie Eubanks of Gatesville. Mrs. Voss is secretary to Houston oil man, Frank Micheaux.

When Mrs. Eubanks returned to Gatesville Sunday she welcomed visitors to her own home. Sharing family news with the Eubanks family were Dr. and Mrs. H.J. Steakly of Colorado City and Mr. and Mrs. H.J. Steakly, Jr. of Waco. Dr. Steakly is a dentist in Colorado City.

A special treat was seeing little Michelle Steakly, daughter of Mr. and Mrs. H.J. Steakly, Jr. H.J. Jr., (Topper) is a student at Baylor University in Waco. Four generations were present to pass on new and old news of the family and its branches. The four generations are Mr. and Mrs. Eubanks, Mrs. Steakly Sr., Topper and Michelle.

EASTER EGG HUNT...If your child is a member of the First Baptist Church nursery, beginner or primary departments, he's in store for some easter fun a week early!

The youth coordinating committee is sponsoring an easter egg hunt in Raby Park Monday at 4 p.m. The group promises plenty of eggs, prizes, refreshments and fun to all who attend. Special prizes will be given to the lucky boy or girl who finds the most eggs.

The hunt sounds like a lot of fun, don't let your child miss it!

HOPE IT LOOKS LIKE SPRING...In case you good readers have forgotten, the first day of spring is Friday and with a little left over Irish luck from Saint Patrick's Day we might have a springlike day to mark that event.

The countryside was taking on that blooming springtime look until early this week when a late cold front cooled the mild weather to a dismal, rainy Monday.

The first of spring will herald mild days with spring fever following soon after to make each of us "care-less" and easy going. With the season will come those spring chores that the spring fever will capitalize the CHORE. Nevertheless, housewives will start the spring cleaning and garden work in flower and produce gardens.

Don't let the fever get you down, get out and enjoy the fun, sun and work that goes with spring!

PROUD PARENTS OF A BIG BOY... Mr. and Mrs. David Griffin of Route 4, Gatesville are the proud parents of a big healthy boy born Tuesday at 2:10 p.m. in Coryell Memorial Hospital.

The new arrival weighed in at a husky 10 pounds 10 ounces and measured 21 1/2 inches in length. The couple have not announced the name of their new son, but Dallas Cameron Griffin will probably be his "tag."

Proud grandparents are Rev. and Mrs. Pete Griffin and Mrs. Ponice Hightower, all of Gatesville. Equally as excited about the birth is Uncle and Aunt Mr. and Mrs. Harold Cook of Gatesville.

Congratulations to David and Sharon! It looks like GHS can look forward to some muscle in the 1988 football squad!

OLE, OLE OLE' HAPPY BIRTHDAY...All of the glamor excitement and just plain thrills of a mexican fiesta filled the air at the El Chaco Restaurant in Temple Saturday afternoon when young Brian Lee Brown celebrated his seventh birthday in a fiesta mood.

Following those festivities, the youngsters tried their hand at breaking a piñata on the patio. The fiesta friends included: Bobby Vidler, Joey McGlothlin, Bonnie Floyd, Beverly Floyd, Glenna Tilly, Ronnie Tilly, Wylanta Taylor, Russel Vandiver and Charlotte Harvey.

Hostess for the piñata party was Brian's mom, Mrs. Flavil Lee Brown of Gatesville. Brian and nine party guests enjoyed a Mexican dinner with all of the trimmings. After the delightful dinner, the group ate birthday cake and watched Brian open his gifts.

A special treat for the birthday boy was to see the restaurant's VIP sign say "Happy Birthday Brian." Mrs. Billy Taylor helped with the party.

Scout Fair To Be At Fort Hood March 21

Once, a year, in the Spring the Scouts like to show, their parents and the community what they have learned in many hours of work and dedication, by exhibiting their skills at the Scout fair.

This year the Scout Fair will take place at the 1st A.D. Sports Arena, Ft. Hood, March 21st from 2-8 p.m.

About 50 or more exhibits in all phases of Scouting, First Aid, camping, indian crafts, safety etc., will be displayed. Entertainment like snake milking, indian dancing, and a boxing champion will be provided at intervals during the Fair.

The 2nd A.D. Band will play selected pieces prior to the opening.

Lt. Gen. Beverly E. Powell honorary chairman will officially open the Fair at 2 p.m. by untying a square knot. Everyone is urged to attend this once a year event and learn all about Scouting.

bie Flippen as Bernadine, Betty Lou's best friend, Robert Lingle as Wilbur, the twelve year old son, Rodney Parrish as Hercules, Wilbur's bosom pal.

Judy Vise as Connie, the 17 year old daughter, Wayne Wright as Craig Moore, Connie's boyfriend, Terry Horton as Mr. Moore, Craig's father and chairman of the citizen's committee.

James Edwards as Del Marshall, a newspaper reporter, Jackie Calvert as Aunt Mary Mrs. Maxwell's aunt, Phyllis Adams as Miss Blayne, the editor of the love-lorn column in the local paper.

The play is to be held in the Evant gym, with curtains rising at 7:30 p.m. Friday. Tickets are \$1.00 for adults, 50¢ for school aged kids, and pre-schoolers get in free. There will be a clock radio given away at intermission. Chances for the radio and tickets for the play will be on sale at the gate.

IS YOUR CAR SAFETY READY?

It was two years before I had a garden full of poppies, larkspur, bachelor's buttons, and bells of Ireland and now I have too many! When I planted them in the spring they didn't develop enough to withstand the hot weather. Fall seeding remedied that problem but gave me a worse one.

Now they reseed themselves with abandon every year. And how I hate to pull up those sturdy little plants. Last year I just couldn't do it, and by midsummer the plants were too tall, too spindly and the flowers quite small.

This year I was determined to be ruthless and thinned resolutely. But I still couldn't throw them away, so all my friends were coaxed into taking boxes of plants for their gardens, people who stopped by for a few minutes found themselves leaving with large clumps of newspaper wrapped plants.

I had already transplanted to every vacant space in the yard which means that next year I will probably have twice as many healthy young volunteers to pull up. So if you find a box of plants on your doorstep some morning, please give them a home, they will reward you with a riot of color this year and enough plants for the neighborhood next year.

Hornets Capture Fifth At Cove Relays

The GHS Hornets took fifth in the Copperas Cove Relays last Saturday in the Hornets second outing of the season. The sunshiney day was ideal for an early spring track meet and Hornet cinder men put on a performance.

Coach Jack Moss and Track Coach James Christopher noted some areas of normal strength for the Hornets failed to produce points at Cove dropping the team to the fifth place finish.

Bellville lead the relays with 102 points followed by Belton with 90 points, Lockhart with 82 points; Lampasas with 78 points and the Hornets with 74 points.

The Hornets best event was the High Jump where Gary Kafer set a new school and a new

meet record of 6 foot 6 inches Willie Knox and Jim Saunders both jumped 5 foot 8 inches to give the Hornets additional points.

The Hornets Sprint Relay team finished third in 44.8 seconds for the 440 yards to give the team some valuable points. Chris Bone, Don Rogers, Troy Tatum and Larry Moore carried the baton for the sprint relay.

In the 100 yard dash Larry Moore picked up a third place finish and recorded his best time of the season in the preliminaries with a 10.2 second time.

Moore took sixth in the broad jump with 18 feet 9 3/4 inches. The Hornets picked up points in the Discus when Chris Bone hurled the discus 125.5 feet for fourth place.

The pole vault failed to produce points for the Hornets when Steve Palmer went out on 10 feet. Steve Brazier cleared 10 feet six inches and then passed to 11 feet 3 inches where he failed to clear the bar.

Coach Moss, has seen the district's best pole vaulters and this week Moss said, "Palmer is the district's best pole vaulter and he will get back on form."

Moss noted that "if" Palmer performance had been average the Hornets would have moved up the standings at Cove.

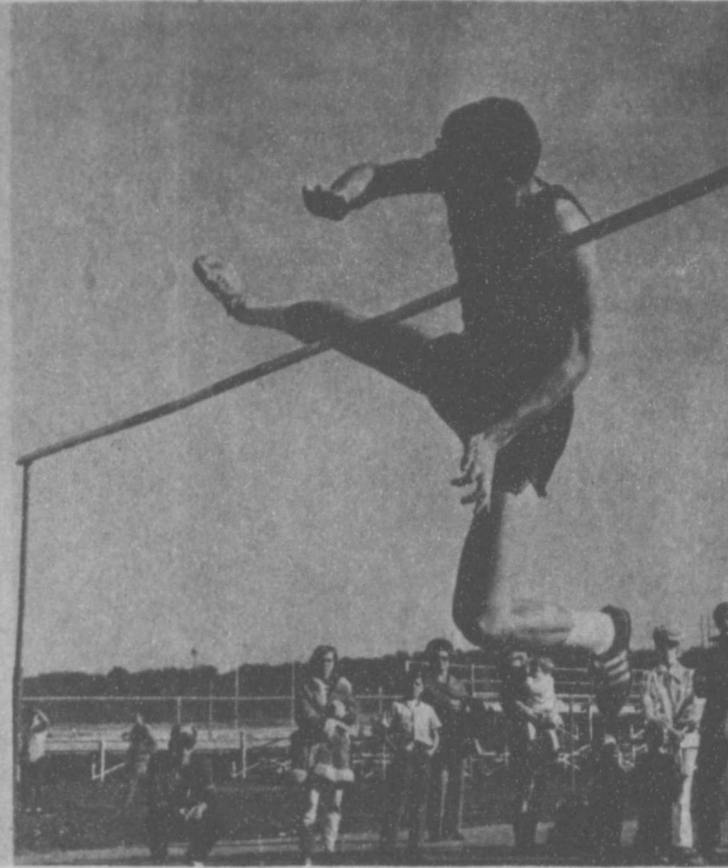

The Hornets failed to reach the finals in four events: the 220 yard dash; 440 yard dash; 880 yard dash, and shot put. The Hornets were unable to score points in the special 880 yard relay.

The over all view of the track meet at Copperas Cove shows almost three ring circus affair. Pictured here is Steve Brazier attempting the 11 foot 3 inch vault.

High jumper

The three pictures above simulate the jumping form of high jumper, Gary Kafer. AT Copperas Cove Kafer jumped 6 feet 6 inches to set a meet record and a new Hornet record. From right to left Kafer gives his initial jump and kick in the first frame. In the middle frame he begins his roll

over the standard with his head and leading hand. In the last frame on the left Kafer extends his trailing hand and clears his legs over the bar. From this position in the last frame Kafer rolls over and lands on his back.

Other success included a five performance by the milers; William Ayers, second with 4:55.7; Jerry Tippit, fourth with 5:09; and John Ellis fifth with 5:13.

In the hurdle events Mike Williams displayed some early season promise as he took fifth in the 33 yard intermediate hurdles with 43.3 second time. His time bested the school record of 43.8 by .5 of a second. Williams also ran a 15.8 second High Hurdle to pick up points for the Hornets.

Gary Kafer tied the old 330 yard intermediate hurdle record of 43.8 seconds to finish sixth in the event. Kafer managed sixth in the high hurdles but posted the second best time in the preliminaries with 15.4 seconds.

Local Families Enter Valley Mills Play Day

Friday night several families went to Valley Mills for a Play Day. Those winning ribbons were Terri and Beverly Bankhead. Randy Whittenburg brought home a First place trophy in Straight Away Barrels.

Saturday night several members went over to West to participate in a point show under the rules of the Central Texas Horseshow Association. Those winning in the all trophy show were Randy Whittenburg, Terri, Beverly and Billy Jack Bankhead.

Sunday afternoon Riding Club members met for a trailride. The riders rode from the rodeo arena to the Bankhead's gravel pit on the Old Strawmill Rd. Then the riders met back at the arena to practice holding posts. The club has been invited by the Temple Jr. College to hold posts Friday night, March 20, at the rodeo to be held in the Temple In-Door Arena.

Ping Pong Tournery Starts At Rec. Gym

The Parks and Recreation Department Ping Pong started Monday with 21 individuals battling back and forth for the championship in doubles and singles competition.

This is the first ping pong tournament for the P&R Department and entries had to be shut off after only three days. The little plastic ball will fly as players play a best two out of three series with all o-

ther players. P&R Dept. Director, Jerry Sullivan, noted that win-loss record at the end of the tournament will determine the winner.

One contestant noted recently that he was going to get to play as many games as the winner the way things were organized.

Players listed in the tournament are: Jack Poston, Jack Maxwell, Norris Sexton, Harvey Whaley, Billy P. Barton, Ray Sommerfeld, Jerry Bates, Bobby Hill, Bub Davis, George Wright, Jerry Sullivan, Cotton Davidson, Henry Brim, Charles Allen, Tom Kennedy, Charles Hollingsworth, Bob Bush, Joe Sasse, Mike Blanchard.

4-H Sales Lambs At Local Auction

Eight 4-H boys and girls sold forty-five Commercial lambs at the local auction Saturday March 14. A.D. Gartman of Gatesville graded the lambs before the sale.

Ribbons were furnished for the different grades by the Gatesville Chamber of Commerce.

Ronnie Hampton of Pearl 4-H fed eight lambs, six graded prime and two graded choice. Ronnie received \$28.80 per hundred.

Gary and Kathy Keeton of Pearl 4-H fed 19 lambs for the commercial lamb feeding program, eighteen graded prime and one choice. They received \$28.25 per hundred.

Dewayne and Sharon Devers of the Pearl 4-H Club fed eight lambs, 2 graded prime, 7 choice and 1 commercial. The lambs

brought an average of \$26.33 per hundred.

Joe Blakeley of Pearl 4-H had five lambs for the commercial lamb feeding program. Two of Blakeley's lambs graded prime, 2 choice and one graded commercial. Joe's lambs brought an average of \$26.47 per hundred.

Julie and Preston Tatum of Gatesville 4-H had 5 lambs for the Commercial Lamb Program. Their five lambs graded 2 prime, 2 choice, and one Commercial. They received an average of \$26.52 per hundred for their lambs.

This Commercial Lambs program has been sponsored by the Gatesville Chamber of Commerce for eighteen years said Don Callahan, County Agricultural Agent.

The program is designed for 4-H and FFA members to learn to feed commercial feeder, that would feed lambs for the market. The members keep accurate records of feed cost, Grazing cost and other expenses in the feeding and management of a lamb feeding operation.

FT. HOOD GOLFERS INVADE LOCAL COURSE TODAY

Fort Hood and Gatesville golfers will tee off at 1:00 p.m. today in the first round of a Home and Home tournament between the golfers. The 66 golfers will play dual matches according to handicaps to determine a team winner at the end of the day.

The locals will host the first round with the second round to be scheduled for Fort Hood sometime in April.

Players and their guests will be treated at a fish fry at the Country Club following the afternoon of golf.

Club Pro, David Shackelford said Tuesday that the tournament would be held despite the recent rains on the already soaked golf course.

Pairings for the day are as follows with two foursomes set for teeing off at each tie box. Shotgun start will be 1:00 p.m. No. 1-1 Gen. Beverly Powell-Cleo Woodard-Col. Lain-Johnny Jones. No. 2-1 Johnny Arreaga-Buddy Whitton-Ray Painter-Jack Sanchez. No. 3-1 Byron McClellan-Carl Gatske-Truman Davis-Jim King. No. 5-1 Tom Miller-Loren Fryar-Bob Thrasher-Ralph Barnette. No. 6-1 O.W. Out of Bounds

O. Gary Kafer is well on his way to becoming a top rated high jumper in the state with his 6 foot 6 inch jump at the Copperas Cove Relays last Saturday.

Kafer made his record breaking jump in the late afternoon just as the preliminaries were coming to a close. Kafer had competed in the 330 yard intermediate hurdles. Five minutes later Kafer was going over the high jump standard at 6'8".

One boy cleared six feet with Kafer but 6'2" was too high for the Bellville youth. The standard crept up 6'4", 6'5", and the spectators gathered to see who was still jumping. Six feet five brought a cheer as Kafer barely cleared the bar. "Up an inch."

Three Hornet coaches encouraged their jumper, "You can make it."

(Coaches sometimes seem to be at a loss when an athlete's form and performance goes beyond normal levels. Coaches joined with spectators in strictly cheering and watching as Kafer cleared 6 foot 6 inches on his second try.)

O. Track and field events seem to attract only a small group of spectators. It is a shame too, because track and field is probably the one place in team sports where the individual in each event carries the banner for his team alone.

HORNETTE TRACK TO ENNIS

The Gatesville Hornette track team will take their first crack at competition as they attend the Ennis Track Meet being held tomorrow.

The girl runners under the coaching of Gerald Poe will leave GHS early Friday so they will arrive for the preliminaries to be held that afternoon with finals Friday night.

Attending the meet will be Margo Veazy, Debbie Pruitt, June Chambers, Barbara Patterson, Tonya Price, Debra Cobb, Paula Petty, Carla Winters, Debbie Dickerman, Donna Bohne, Luana Dossey, Maria Willingham, Debbie Sims.
