ONLY RUBBLE REMAINS ---- Charred rubble and smouldering ashes were all that remained Saturday from an early morning fire which completely destroyed a dwelling at Mills and 16th Streets in Gatesville,

The single story frame house belonged to the Ollie Mayberry Estate. Gatesville Fire Chief Pat Patterson said the dwelling had been unaccoupied for 15 years.

The local fire department received the call at approximately 1:15 a.m., said Chief Patterson. When the city and county trucks arrived, the dwelling was completely destroyed. The two-truck, five man team, headed by Assistant Fire Chief Curtis Lipsey, extinguished the blaze in about 30-40 minutes, reported Chief Patterson. The cause of the early morning fire has not been determined.

One month prior to the Saturday morning blaze, the local firemen extinguished a grass fire at the same location.

# Bicycle-Pick Up Crash Injures **One Eight** Year Old

A bicycle-pickup accident narrowly averted serious injury to Marty Gordon, 8, son of Mrs. Betty Cummings of 118 Hillcrest Drive.

Police Chief Gene Goins reported the accident involved a 1961 Chevrolet pickup driven by Francis Lee Powell.

Goins said the accident occurred at 8:10 a.m. Friday at the intersection of Golf Course Road and Hillcrest Drive. Powell was traveling south on Golf Course Road when young Gordon rounded the corner headed along Golf Course Road, Goins said Gordon failed to make the corner and struck the rear end of the pickup about ten inches from the rear bumper.

Gordon was taken to Coryell Memorial Hospital by Erwin Amublance. He was treated and released with cuts and bruises on his head, arm and

# HORNETS LOSE OPENER

After five years of foot-ball peaceful co-existance between Gatesville and McGregor, Friday night the rivalry was re-opened with the Bull-dogs winning 30-20 in a hard fought contest.

The Hornets showed ear-season problems losing three fumbles and execution troubles at times. Mean-while, the relatively simple singlewing machine was in mid-season form with James Daniels leading the Bulldogs

McGregor opened the game's scoring when tailback Dainels picked out David Coo-

per on a 25 yard touchdown pass with 8' 25" remaining in the first quarter. McGregor's drive covered 66 yards in eleven plays for the score.

Daniels gained 34 yards in the opening drive. He also ran the extra point by giving the Bulldogs a 8 to 0 lead.

One of the Hornet fumbles

set the Bulldogs to work at the Hornet 37 yard line in the next series of downs. How-ever this time the Hornets held with the help of a 15 yard penalty and the Hornets

took over at the 20 yard line. On first down, a fumble was alertly picked up by the

Bulldogs. Four plays later Daniels scored from the one yard line. Daniels carried all four times on the second scoring drive. Again he crashed through the Hornet line for the two extra points.

The Hornets scored next on a 60-yard drive with Ronald Brown slashing across on a 16 yard run. The drive took 12 plays and the score came with 11:26 to play in

the second quarter.

Daniels again went to the air with 5:43 to play and found Eugene Wiethorn on a 49 yard pass and run for another Daniels picked touchdown.

his 12th point with a successful extra point try. With 5:08 remaining in the half, McGregor lead 24 to 6.

On the next series of downs the Hornets stalled and a fourth down penalty set the Hornets up with a first down at the McGregor 48 yard line.

Jim Saunders, Hornet quarterback, pitched wide to Brown on first down and the

speedy halfback picked up 16 yards. Next play was Saunders time and the shifty runner carved out a 25 yard run to the McGregor 7 yard line. With first-and-goal, Saunders gave Brown the call and the power runner blasted for six yards to the one yard line, Ray Ortega then smashed over for the Hornets' second score on second down with 3:11 left

to play in the half. Saunders picked up two extra points on a running play to narrow the McGregor lead to 24 to 14.

The Hornet defense then held off the Bulldogs' attack and went into halftime with a 24-14 score.

The two teams had played equally tough on defease but the offensive execution by McGregor was the difference in the first half.

The Hornets received the kick-off to start the third quarter with a new outlook and determination. On second down from the Hornet 32 yard

eight yards to set up an easy third-and-one play. Steve Palmer, Ortega and Brown, the "mini backfield" then each got the call on successive plays for 19 yards.

Saunders then kept the ball

on an option play and reached same type option play, Saunders turned up field and made a late pitch to Brown who raced, untouched, into the end zone for the Hornets' third touchdown.

The tide had turned and the Hornet defense reflected the new level of play as they stopped Daniels and Com-pany cold for the third quar-

Meanwhile, the Hornet of-fense moved into scoring position one more time in the third quarter behind an explosive 38 yard run by Palmer to inside the Bulldog 10 yard line. The Bulldogs stopped the drive which could have given the

The two boys were picked up this week because they were Hornets a lead. Midway in the fourth quarunder age at the time of the ter, the Hornets began another drive on their 18 yard line. A fumble at the Hornet 42 yard line set McGregor for

"icing-on-the-cake" score. Nine plays later Daniels scored from the five yard line to give the Bulldogs a 10 point lead.

The Hornets were unable to mount another threat.

A head-on collision is a definate possibility when Ray Ortega carries the ball. Above, Ortega takes dead aim at a Bulldog tackler on one of his fine runs. Ortega overran the Bulldog and gained an additional five yards on the above play.

# **Law Suit Looms**

# Special Meeting Call By School Board On Tax Question

sion of the school board for Tuesday night, September 15, 7:30 was placed on the bulletin board at the County Courthouse Friday and filed

at the County Clerk's office. The notice indicates that the special meeting is "To take under consideration emploving or not employing a tax appraisal firm for the equalization of tax values in the district."

The school board has been considering the tax valuation problem since late July when school board action interrupted the work of the 1970 Tax Equalization Board, An outcry for equalization of the school district's tax values has risen since that time with the threat of a law suit to en-

join the 1970 tax roll. Last Tuesday night at the school board's regular meeting, the board proposed a three year locally appraised program to Attorney Bob Cummings and asked Cummings to take the proposal to

his clients for a reaction. Cummings reported his clients' reaction to the pro-posal to Superintendent L. C. McKamie Friday morning asking McKamie to call a special meeting for Tuesday to head off the filing of an on Wednesday morning.

maintaining the fight for outside appraisal firms to be hired to equalize the 1971 tax roll.
The school board's pro-

exactly the same program that Clovis King had undertaken in 1970, which was overruled

The Tuesday, September 15 meeting will be held in the board room of the Gatesville

The situation has become more and more critical in recent days as the impact of such a law suit would stop \$650,000 in building funds and possibly cut off collection of

# **Collins Will Conduct Team Training Program**

The recently announced Industrial Team Training Program, sponsored by the Lone Star Gas Company for the Gatesville Chamber of Commerce, will be conducted by Bill Collins, Manager of the -company's Community Development Services.

Collins has many years of experience in the gas industry. He joined Lone Star in 1947 as an industrial engineer in the company's Denison, Texas office.

Subsequent assignments developed experience valuable in his current position. As an industrial engineer, he worked with local industry on gas utilization and air conditioning matters, As Assistant Director of Research and Development, Director of Marketing and Manager of Commercial Development, contact with local and national manufacturers provided an opportunity to gain knowledge

of their business outlook. Bill, a reserve officer in the U. S. Army, holds a degree in mechanical engineering from Texas A&M University. he is a registered professional engineer in Texas

and is a member of the American Society of Heating, Refrigeration and Air Conditioning Engineers. He currently holds memberships in the TexasIndustrial Development Council and the Engineers Club of Dallas and is a participant in Dallas County United Fund drives.

When he is not busy with these activities, Bill and his wife, Florine, like to load in their travel trailer and get away from the city life for some hunting and fishing or just to relax.

The Training program is

scheduled for the National Bank Civic Room September 28, October 5, 12 and 19.

The training program is based upon nine subject catagories: Education and Training, Financing, Labor, Public Relations, Resources and Services, Sites, Taxes, Transportation and Utilities. After each Team member

is schooled in fundamentals and has basic information, he may then begin building his own specialized file in his assigned subject category.

The Team is instructed in

methods proven to be effective in receiving and handling industrial prospects.

Included in the training

is a visit to the community by a smiluated industrial prospect and his inspecting party, he is in reality an experienced professional in the field of industrial development. To be of greatest value, a critique is held following this visit.

### ASCS Election Results Tuesday

The ASCS Community Committee Elections ended last Friday with all eligible ballots returned to the local ASCS office by 5:00 p,m.

The ballots are to be counted at a public meeting Tuesday, September 15, at the ASCS office with results to be made available at that time.

This Sunday

picked up two GSSB inmates

last week from the school and filed charges of burglary. The

two youths were under alledgedly involved in a January 1969 burglary of a grocery store-gas station at Mound.

Jim Saunders breaks open the Bulldog defense in the above picture, Saunders was one of Gatesville's bright spots as he consistantly worked his way through the Bulldog secondary for good gains. Saunders' quick thinking on the triple option is his trademark.

# A PROBLEM

# TAX EVALUATION

Gatesville's School System appears to be headed for a real financial setback this week with a group of local taxpayers planning to file a law suit Wednesday unless the Gatesville School Board makes a genuine effort to equalize taxes for

Ultimate responsibility for the events Tuesday night and Wednesday morning will be the Gatesville School Board's. Attempts to blame the taxpayers filing the suit are unfounded. Just as the 1970 Equalization Board has had to bear responsibility for the 1970 tax roll and all its inequalities, so the school board will have to bear the responsibility of what happens this week.

The collision course is set and as of Saturday, it appeared likely that the school would suffer a \$650,000 setback. It does not seem necessary to this writer that the taxpayers of the GSID should have to wait to have taxes equalized. Especially in light of the fact that over \$150,000 annually is leftuncollected due to underappraised property in the school dis-

We voted for a \$500,000 building program this year and everyone was happy. If instead we had voted to collect taxes equally, starting in 1971, in three years we would have collected \$450,000 in new taxes with no interest expense and no longterm obligation. I think we voted on the wrong thing now. Without the actual mathematic figures here, I would still estimate that interest on \$500,000 would be more than the

\$50,000 difference. A few people still have a "legal vote" to cast in the matter and I support their demands that the school undertake a complete district wide appraisal for 1971.

**EVANT** NEWS

by Cornelia Kreid

Rain Falls In "Buckets"

At last, the rain came, after the news letter went into the mail last week...it fell in buckets on the east side of Evant Community, by inches on the remainder of the area. From two to almost five inches was the figures and the dollar marks have not been estimated fully yet. Green grass is the "sight for sore eyes" this week and some gardening has already been done. Water

was out or very low in local streams but some are running still as result of the "soaker" of last week.

Mr. Truett Thompson has returned to January Care Home and is doing fairly well following a stay in Hamilton County General Hospital.

The members of the Bachelor family attending the reunion at the Donald Kennedy picnic grounds over last weekend is not available, but those acquainted around Evant included Mr. and Mrs. Hugh Bachelor, Odessa, Lynda Roberts and Brent, They also visited the mother of Mrs. Bachelor, Mrs. Earl Kennedy.

Mr. and Mrs. Bill Whitsell, Materie, Louisiana, left the Owen Lee home a few days after an extended visit with Mrs. Lee and with Mrs. Whitsell's father, who is a patient in the January Care

Mr. and Mrs. Conner Gholson spent part of the Labor Day weekend with his brother sister-in-law, Mr. and Mrs. Preston Gholson,

Mr. and Mrs. Woody Burney, Conway, Arkansas, were recent guests of Mr. and Mrs. W. Burney, Mr. and Mrs. Troy Drennan and Mrs. Wel-

don Burney.

Mrs. Truett Thompson
tells us of a delightful visit from one of her first grade classmates, Mrs. Bertha Rector Reindhardt, Dallas. Additional guests in the Thompson were their chil-Mr. and Mrs. Merle Hamilton and family, Big Spring, and Mr. and Mrs. Gerald Gibson and family, Groesbeck. The Gibsons stayed during part of Mr. Thompson's stay in the Hamilton hospital to be with them until he recovered from a re-cent illness. He is back in the January Care Home, again.

Mr. and Mrs. Vernon Mason had as guests their sonin-law and daughter, Rev. and Mrs. Irl Holt and daughter Janna over the first part of the week. The new addition in the family, Steven Irl, made his first visit to his grandparents. He weighed, at birth, 8 lbs. and 9 and 1/2 ounces. The Holt family live at Vernon. Additional guests in the

Mason home were Mr. and Mrs. Albert Mason, Fairy. Mrs. Mac Broyles had the following as guests over the last few days: Mr. and Mrs. Quince Davidson, Odessa, Mr. and Mrs. J. O. Davidson, Shreveport, La.; and Mr. and Mrs. Fexil Broyles, El Paso; and Mr. and Mrs. Brents Broyles of Dallas.

Among guests in the parsonage home of Rev. and Mrs. S. Ross Grace over Sunday were their children, Mr. and Mrs. Lindon Grace and Sherri of Brownwood; Mr. and Mrs. W. J. Boland, Neil, Chris and Machelle, Breckenridge; and Mr. Charles Morgan, De Leon. They attended the morning service of Evant Methodist Church,

Mr. A. C. Bertrand, a January Care Home patient, and the writer of this column's father, entered the Hamilton County General Hospital last Thursday. At the time of thi writing, he was showing some inprovement, but the cause of his prolonged temperature had not yet been determined, Members of his family visiting him and then going by the January Care Home to visit his wife were Mr. and Mrs. Wayne Bates and family, Ar-lington; Mr. and Mrs. Hays Miles, Midkiff; Mr. and Mrs. Joe A. Kreid and Bryan, Evant; and Mr. and Mrs. Austin Bertrand and Mr. and Mrs. Fred Grubb, Purmela.

Out of community guests of Mr. and Mrs. W. A. Pax were Mr. and Mrs. Don Adams and children Becky and Preston of Ft. Worth.

It seems I have an excuse in every pocket, but with illness in the family, a son in school and broilers in the garage, I run too fast to learn or write much news.

Guests in the home of Mrs. B. T. Arnold over the weekend were Mr. and Mrs. George Wolf Houston; Mr. and Mrs. Prentice Kellog, Waco; Mr. and Mrs. John Prude, Del Rio; and Mr. and Mrs. Cecil Owens, Lometa.

Mrs. Pauline Rogers is back on the job at January Care Home after a few days in Hamilton County General

# Margie Krempin And Don Jones Exchange Wedding Vows

pin and Don Weldon Jones exchanged nuptial vows Friday evening, September 11, in Saint John's Lutheran Church of Coryell City. Reverend Timothy Van Antwerp, pastor, officiated at the double ring

The bride is the daughter of Mr. and Mrs. Clyde Krempin of Coryell City. Parents of the groom are Mr. and Mrs. Weldon Jones of Gatesville.

holding fifteen crystal votiv cups formed the background cups and enhanced by foilage and white satin bows, formed the background for the nuptial party. The foreground was centered by a kneeling bench which was flanked by two golden tree candlelabra holding votive

cups, Mrs, Rubell Bohne of Coryell City provided nuptial or-gan music, and Mrs. Gus

MRS, DON WELDON JONES

Helms of Coryell City was soloist. She sang "O Per-fect Love" and "The Wedding Prayer."

the arm of her father, the bride wore a formal gown of white bonded crepe and white chantilly lace. The lace empire bodice was accented with seed pearls and sequins as the lace, wrist-length puff sleeves. A narrow white crepe band edged the Victorian neckline and marked the empire waistline. The A-line skirt was fashioned of bonded crepe. Her train was attached at the shoulders and fell in cathedral length. A white rosette accented with seed pearls and sequins held her shoulder length illusion She carried a bouquet of pink carnations and red roses cascading from atop a white Bible.

Miss Diane Thompson of Gatesville served as maid of honor. Her gown was fashioned in the empire silhouette of red bonded crepe and red lace. Her puffed lace sleeves were caught at the wrists with a red crepe cuff. Red crepe formed the A-line skirt, edged the Victorian neckline and defined the empire waistline. A bow of red crepe held her short veil of red tulle. She carried a single red rose with rose satin streamers.

Attending the groom as best man was Morris Scruggs Gatesville. Ushers Bobby McBroom of Gatesville, cousin of the groom, Peter Youl of Dal-las, and Robert Farrell of

Gatesville, cousin of the bride. For her daughter's wedding, Mrs. Krempin chose an A-line dress of red bonded knit accented with bone accessories. The mother of the groom wore an A-line dress of cream linen. black lace jacket and black accessories accented the outfit. Both mothers wore corsages of red roses.

The bride's parents were hosts at a reception in the fellowship hall following the ceremony. The bride's ta-ble, laid with a white lace cloth over red linen, was centered with an arrange-

ment of red and white roses in a milkglass basket. To one side stood a three-tier wedding cake topped with wedding bells. Red roses and a rose net skirt accented the

confection. Red fruit punch was ladled from a crystal punch bowl and rainbow mints and mixed nuts were also served. Hostesses at the bride's table were Ethel Gammel of McGregor and Mrs. Sharon Jeffcoat of Waco.

A white lace cloth drap-ed over red linen covered the groom's table. A chocolate cake topped with white icing and accented with chocolate bells was to one side of a milkglass vase holding red roses. To the opposite side of the groom's table sat a silver coffee service. Mints and nuts were also served at the groom's table by Faye Davis of McGregor. Other members of the houseparty were Carol Dumas, Mrs. Otto Reinhardt, Mrs. Fred Reinhardt and Mrs. Albert Rein-

The registry table held the bride's book and pen. Miss Alice Bahus pre-

For going away, the bride chose a red bonded crepe dress in an A-line silhouette. Beige accessories and the rose corsage from her bridal bouquet accented the outfit. Following a short wedding trip, the newlyweds will reside in Terrell.

The bride is a 1967 graduate of Gatesville High School and a 1969 graduate of Coryell Memorial Hospital School of Vocational Nursing. She is currently a graduate vo-cational nurse at the county hospital.

The bridegroom is a 1962 graduate of Gatesville High School. He is owner and operator of the Terrell Livestock Commission Company. A licensed mortician, the bridegroom studied at Baylor Hospital in Dallas.

# Jonesboro P-TA To Meet Tues.

After the business session there will be a social hour. All interested persons are urged to attend.

Miss Krempin Is Shower Honoree

Miss Margie Lee Krem-pin, bride-elect of Don Weldon Jones, was honored with a miscellaneous shower Sunday, September 6. The affair was held in the fellowship hall of St. John's Lutheran Church in Coryell City. Greeting guests in the re-

ceiving line were Mrs. Albert Reinhardt, a hostess; the honoree, Miss Krempin; Mrs. Clyde Krempin, mother of the honoree; and Mrs. Weldon Jones, the prospective groom's

Red tulle over red linen covered the refreshment table which was centered with red and white roses arranged in a milkglass basket. either side of the centerpiece stood 2 red candles in crystal candleholders. Red fruit punch, white cake squares with red rose decorations, nuts, and mints in a rainbow of colors, were offered to the guests by Miss Kylene Farrell of San Marcos and Mrs. Kenneth Brookshire of Waco. Appointments of crystal and milkglass were

used.
Miss Alice Bahus of Gatesville sat at a table covered with a white linen cloth and registered guests calling throughout the afternoon.

Hostesses for the prenuptial affair included Mesdames John Luning of Crawford, Paul Bahus of Gatesville and Earl Cole of Lancaster, aunts of the honoree. They were assisted by Mesdames Ira Mattiza, Melvin Jacobs, Henry Reinhardt, Ot-to Reinhardt, Rubell Bohne, Bill Schraeder, Curtis Gohlke, and Henry Massier, all of Coryell City, Alfred Reich, Loren Reuter and B. F. Englebrecht, all of Crawford, Minnie Farrell, Sidney Minnie Farrell, Sidney Thompson and Clyde Parker, all of Gatesville, Herbert Gaskamp of Moshiem and Mrs. Reinhardt.

# gatesville at a glance

by sally jund

ANNUAL PLEA TO CLUBS ... When September rolls around, Gatesville's youngsters are involved in GHS activities, football, church and social clubs. So are the members of the "older generation" involved in civic, church and social ac-

Each year in September, I try to boost the county as well as local organizations to send in the write-ups or information for their group to publish in the NEWS. My primary interest is in you ladies who report news for ladies' clubs in our area.

If your club or group has no reporter, assign the job to a member who will continuiously keep your group's meetings published. If you do have a reporter or reporting committee, urge their immediate response to meeting news to make your club news more timely and interesting. The size or type of your club do not matter; you club news is of interest to many ladies on our subscription list, Ladies who may be members of your group, who may wish to be members or who are simply interested in the social NEWS of their community, deserve to read about your club's ac-

Timeliness is the key work in club reporting. If your group schedules an activity that is not considered regular meeting, the NEWS wants to know BEFORE the event takes place in order to announce your activity. The activity does not need to be a banquet or such, just a special speaker who promises to be especially interesting. In fact, publicity before each regular meeting serves as an announcement to members that the group is to meet and provides details of

that meeting. The object of this newspaper is to report the news. With your help and consideration, we can inform and be informed on all club activities in our area. Make your organization one familiar to your fellow Coryell residents.

EANIE, MINI, MAXI, MOE ... For those of you who were wondering about the hemline question that has racked the brains of fashion designers around the globe, the McGregor-Gatesville football clash Friday night was a chance to see for yourself! At

least see the fashions wern by Coryell County residents. The ensembles worn by traveling Hornet fans reflected the diversity fashion of 1970. It is almost impossible to say what fashion ideas are IN and what looks are OUT, Fashion tastes have gone beyond the limits of IN and OUT to a flexible "comfort look" style.

Fashion authorities over the country have set the laws of IN and OUT aside for that varied look--mini, midi or maxi, Designers say the fashionable woman of 1970 wears what she likes and what she feels comfortable in and she is "with it," The Hornet fans wore outfits in every length--mini, midi, maxi. The pants-look is in for another year at Gatesville if the number of female football enthusiasts in pant-suits is any indication. At least for 1970 fashions in Gatesville, the lengths will be mini and just above and below the knee, say local

TWO YEARS TO CATCH UP ON...J. R. Owen of Athens spent a most pleasant Labor Day weekend catching up on two years of family news while visiting in the home of his niece, Mrs. C. J. Sims of Gatesville. Also visiting in the Sims home was W.R."Pop" Owen of Gatesville. Pop, as he is affectionately called by friends and loved ones, resides at the Rotunda Retirement and Convalescent Home.

The stay began on Saturday of Labor Day weekend and continued to the following Tuesday --- four days of family visits. Sunday, J. R. and Pop accompanied Mr. and Mrs. Hartie Owen to Commanche for an afternoon with brother Charlie Owen and

The visiting Athens resident, "Pop" and Mrs. Sims visited in Waco Monday with Mrs. Sims' daughter and family, Mr. and Mrs. Jimmy Rogers. Killeen was the destination Tuesday when J. R., Pop and Mrs. Sims visited in the home of Odell Mires and family,

Of course as every holiday does, the Labor Day visits passed and J. R. returned to Athens after a brief visit in McGregor with the Hartie Owen family.

### XXX

JONESBOROITES VISIT IN MUNDY...Mundy, Mundy, do you know where Mundy is? I know the Melvin Myers family of Jonesboro are familiar with the small north Texas town. The Myers family visited in Mundy recently with the Douglas Myers family.

Mundy, an agribusiness and petroleum center for two counties, has a population of 2,006 and is located in the southern part of Knox County.

STANLEY JONESES HAVE TWINS ... It looks like "keeping up with the Joneses" will be a bit tougher since the September Il birth of twin daughters to Mr. and Mrs. Stanley D. Jones of Gatesville.

The two new arrivals were born Friday afternoon in Coryell Memorial Hospital. The oldest twin, Holly Leigh, was born at 4:40 p.m. and the "baby" of the set, Heather LaRue,

was born at 5:15p.m. Holly Leigh begins her life the smaller of the twins at a dainty 5 pounds, 14 ounces and 18 inch length, Six-pound Heather LaRue measured 19 inches in length.

### Three New Teachers Join Junior High Staff

Mrs. Don Edwards is teaching health in the eighth grade, and English, social studies and science in the sixth and seventh grades. She came from Seguin, Texas where she was substitute teacher last

## Schools To Have 10 Days of Workshop

According to new regulations established by Texas Education Agency, there will be ten days of workshop throughout each year. The Gatesville Schools had five days at the beginning of this school year, and will have the other five later.

Two days of the five workshop days were sponsored by the Education Sorvice Center. Teachers could have a choice of workshops to attend.

The following were topics for section meetings: Math; Science; Social Studies; Language Arts (linguistics); Language Arts (reading); Kindergarten; Special Education; Aerospace Education; Art; Music; Utilization of Appraisal Data; Physical Education; P. ...edial Teaching; Utilization of Ed. Technology; Occupational Orient for Special Ed.; Humanizing Insturction: Questioning Strategies; Administrative Planyear. She has a B, S, and Master's Degree from North Texas State University in physical education. Mrs. Ed-wards is the mother of one daughter and two sons.

Mr. and Mrs. R. W. Ray came to Gatesville from Dawson, Texas. Mr. Ray was high school and junior high football coach. He also was basketball coach in high school, and taught science in two grades.
Mrs. Ray is a teachers'

aid in junior high. She was secretary to the superintendent at Dawson last year as well as drill team sponser. She was a teachers' aid in Gatesville Elementary School before her marriage.

### Office Helpers Announced

The following junior high students have been selected to be office helpers for this semester:

# **Oglesby Wins In Come From Behind Battle With Star**

Oglesby Tigers came from Behind to beat a big team from Star, 19 to 6.

The two teams played scoreless football for almost two quarters before Star posted a six point play on a

20 yard pass play. Rain had marked the first part of the game and the wet field slowed down the speedy six-man football action. In the first quarter both teams penetrated one time but failed to score. Star moved first to the one yard line without scoring. Next the Oglesby Tigers headed for "pay dirt" but stalled out at the ten yard

Star was forced to punt at the start of the second quarter and the Tigers began a drive from near mid field, Using a tight formation, the Tigers pounded out the yard-age to the one yard line and tried to pass for the touch-A Star defender stopped in front of would-be re ceiver Charles Vandiver and intercepted in the end zone. With the ball placed at the 15 yard line, following interception, Star went

right to work moving the ball on the ground and in the air to the Oglesby 20 yard line. From the spread formation a quick pass to the end zone gave Star their six points.

The first half was a defensive battle as the Ogles-by line held off the charge of the bigger Star team. Coach Gary Fox praised his defense for controling the game. Line-men Ricky Rhodes, Stanley Peveto and Charles Vandiver had the primary responsibilities on the Tiger defense. In the second half the defensive backfield played an important role with two key interceptions both by Mike Ro-

Coach Fox changed his offense to the spread formation at halftime. In a quick ser-ies of plays, Willie Leos fired a 20 yard touchdown pass to Stanley Everett to put the Tigers on the scoreboard, Everett started his first football game ever with a touchdown pass catch. Leos then threw a short pass to Mike Robinson for the extra point and a 7 to 6 lead.

Next step for the Tigers was to hold Star. Manuel

by Martin, Paul Young, Robert Wood and David Hold-

en, played hard but by half-

time the Dragons had scored two more touchdowns. The score at halftime was 24 to 8.

ed to be moving several times

during the game but fumbles

certain score.

The Eagle offense appear-

rest of the starting defense pulled together to shut out the Star scoring threat.

Late in the third quarter Leos again found a touchdown scoring combination with Peveto from 15 yards out. The extra point failed and the Tigers held a 13 to 6 lead.

In the fourth quarter with four minutes left, Joe Gurrero passed to Peveto and athe big center headed for the goal line. The touchdown pass and run covered 25 yards and gave the Tigers a comfortable lead, 19 to 6.

Next week the Oglesby Tigers face an ever improving Trinadad team at the Trinadad Homecoming. Coach Fox notes "my first year we beat them by 45 points. Lat year we won by eight points, and this year they are reportedly even better."

Fox's forces came through the Star battle with many bruises but no real injuries and will be ready for the trip to

# **Offense** Gives Top Show

With a convincing 26 to 6 victory, the Hornet B-Team opened the season displaying an effective offense to match a superb defense.

Coach Greg Feris said after the game, "Our question mark offense jellied with Gerald Weir asquarterback," Feris was high on Weir. When asked who played well Feris said, "My Quarter-back, Gerald Weir. He played a heck of a ballgame. He called a fine game and was in control all the time." Weir was in his first start at quarterback since junior high and with a sprained ankle, he still played an outstanding ball-

The B-teamers scored on their first possession after stopping Cameron and forcing punt. From mid-field the Hornets used two plays to get to the 30 yard line and then Weir handed off to Ricky Snoddy up the middle and Snoddy

scored on the play. Snoddy lead the offense in scoring with three touchdowns. The big fullback blasted his way down the field all night long.

In the second half, Weir had his team driving again and from he Cameron seven yard line, Weir found Mike Phillips at the goal line for a touchdown. Phillips made a spectacular catch of the pass and dove across the goal line for the score.

Coach Feris cited offen-sive standouts Bobby Jones, left halfback and David Marris, right halfback, for their outstanding play, Jones has established himself as one of the team's hard hitting players on offense and defense. Marris was dangerous on "counter plays" for the B-Team.

Defensively Feris noted the performance of his "front four" Don Jones, 170; Dean Patterson, 215; Jerry (Ollie) Gaston, 240; and Andy Massingill, 170 was great. The four men dumped the Cameron quarterback several times on pass plays and stopped all the Yoeman threats, Linebacker Darrell Harrington played well on defense for the B-Team.

as a close game. Last year the two teams tied and at 3:00 p.m. Friday, both teams will be out to settle the score, The Eagle offense will have to secure the ball tightly to have a chance.
