CHIEF YOEMAN O. W. HEFNER, JR.

Chief Yoeman Hefner Receives Commendation Medal Last Week

Chief Yoeman Omeier Wallace Hefner, Jr., son of Mr. and Mrs. O. W. Hefner Sr. of Hico, last week was awarded the Army Medal of Commendation. He received this honor for his outstanding performance of duties while serving with Headquarters Far East Command, Commander Wiltz Gardes, Jr., USN, Commander of Escort Squadron Three, made the presentation aboard the escort vessel USS George at San Diego, Calif.

While a member of the Far East Command's Intelligence Division, Chief Hefner screened and sum-

marized all incoming material.

Chief Hefner entered the Navy in 1929 and upon completion of recruit training reported to the aircraft carrier USS Lexington. On December 7, 1941, he was transferred to Submarine School, New London, Connecticut. Following his training there he served on the submarines Picuda and Pilotfish.

After World War II he saw duty with the Four Power Naval Commission in Rome, with United Nations in New York and at the Naval Air Station in Corpus Christi, Texas. Last April he reported for duty with Commander Escort Squadron Three.

Chief Hefner resides in San Diego with his wife Michela, whom he met and married while he was stationed in Rome.

Little League Will Play First Game Tonight

First game of the summer season will be played by Hico's Little Leaguers tonight (Friday) at the Hico High School Stadium.

Hamilton will furnish the opposition, and the game will start at 8:00 p. m., according to Sim Everett and Sherman Roberson, managers of the Little and Pony Leaguers.

A small admission fee (10 and 25 cents) will be charged this year in an effort to make the teams independent of all outside help.

Next week a complete schedule of the games to be played will be carried in this newspaper.

Father of Local Lady Passes Away Sunday At Stephenville

Aldis C. Stanford, 65, a retired farmer and resident of Stephenville for eight years, died Sunday at his home after a two-year illness.

Mr. Stanford was born in New Mexico and lived in Florence and Hico before moving to Stephenville. He was a Methodist and a member of the IOOF.

Survivors are his wife; two daughters, Mrs. William J. Donney of Fort Worth and Mrs. W. R. Hampton of Hico; three sons, O. W. and John D. Stanford of Stephenville and Tech. Sgt. Jack Stanford with the Air Force in Washington; two sisters, Mrs. Elyd Daniel and Mrs. Seth Green of Florence; a brother, Elmer J. Stanford of Olden; seven grandchildren and one great-grandchild.

Funeral services were held at 3:30 p. m. Monday in Oak Dale Methodist Church in Stephenville. Burial was in East Memorial Cemetery.

Among those from Hico who attended the funeral were Mr. and Mrs. W. R. Hampton and Mr. and Mrs. R. W. French, Bro. and Mrs. D. R. McCauley, Mrs. Tyrus King, Mrs. S. R. Shook, and Mr. and Mrs. Roy French.

Summer 4-H Club Camp to Be Held June 13 and 14 at Gap

The summer 4-H club camp for boys and girls of Hamilton and Bosque Counties will be held Monday and Tuesday, June 13 and 14 at the Que-Ann swimming pool near Cranfills Gap.

Registration begins at 9:30 on the 13th. A full schedule has been planned to include swimming, crafts, recreation and contests in horseshoe pitching, washers, calf tying, innetube swimming race, and soft ball. Ribbons will be given to winners. The night program will be given by the 4-H members and visitors are welcome.

Hico Defeats Tolar To Remain In BV League Lead

By LEON LEWIS

First, I want to apologize for reporting Dublin and Granbury tied for second place in last week's paper. Dublin is in second but Granbury in third as Tolar defeated them 5 to 2. However these two clubs are actually tied for second place now as Granbury won over Dublin 3 to 2 in Sunday's game. Dublin was weak on account of Wimpy Salyer and Wayne Theobald, the manager, both being absent from the game on account of illness in their families.

Scores in the other two ball games were Hico 15, Tolar 4, and Iredell 9 and Glen Rose 5.

Next Sunday finds Dublin at Hico, Iredell at Tolar, and Granbury at Glen Rose. Go see these games.

Team	GP	W	L	Pct.
Hico	8	7	1	.875
Dublin	8	5	3	.625
Granbury	8	5	3	.625
Iredell	9	4	5	.445
Glen Rose	8	2	6	.250
Tolar	7	1	6	.143

Graveside Services Held Here for Brady Resident, Mrs. Maggie Hill, 86

Graveside services were held Friday morning at Hico Cemetery for Mrs. Maggie Connolly Hill, 86, who died Wednesday in Brady, Rev. Charles Gilbert, pastor of First Baptist Church in Hamilton officiated.

A former Hico resident, Mrs. Hill was the daughter of the late Mr. and Mrs. William Connolly. She was born in Newton County, Missouri, Feb. 21, 1869, and was married Dec. 18, 1890, to John Henry Hill, who died in 1921.

Surviving are a son, Harry Hill of Brady; a daughter, Mrs. Dayle Byler of Brady; two sisters, Mrs. P. L. Maxwell of Hamilton and Mrs. Bertha Hale of Brady; three grandchildren and four great-grandchildren.

ERATH COUNTY SINGING CONVENTION MEETS SUNDAY

The Erath County Singing convention will be held Sunday, June 5, at 2 p. m. at the court house in Stephenville.

Elmo White president of the organization issues a cordial invitation for everyone to attend.

MRS. PITTMAN RESIGNS AS HOMEMAKING TEACHER

Mrs. Sammie Tate Pittman, teacher of homemaking at Hico High School the past two years, has resigned to accept a position in the Stephenville schools.

Subscribers' News and Views

It's always a pleasure to look over subscription records for the past weeks and meditate upon the excellent number of good friends the News Review is privileged to number among its list. Sometimes it appears that everyone who lives here or ever did live here exhibit a desire to keep up with local happenings through the home paper.

Since publication of a similar list a few weeks ago, a number of new subscribers have been included with the "old reliables" who never forget to tender their dues on time—or least pretty close to time.

"Do keep sending the Hico headache, can't do without it. I tried to pay, but no one at home" was the note we found from Mrs. J. T. Eubank upon returning from our coffee break last Friday. Armon did manage to give us her \$1.50, though later in the day.

"We are due only one more paper so thought we better get our renewal in", W. T. Morgan of Little River wrote along with a renewal check. Wish everyone was as prompt as Mr. Morgan, and kept up with their expiration date, but then the bookkeeper wouldn't have anything to do!

W. H. Elkins of Dallas wrote, "Sorry I overlooked it, but thanks for keeping the paper coming."

"We just couldn't get along without the Hico paper as we have to see what's going on around the old home town, thanks for keeping it coming" was the nice note received from Mr. and Mrs. Oliver Sowell of Brownfield, along with their renewal.

Mrs. E. M. Hoover stopped by the office a few days ago and

sent a gift subscription to her sister, Mrs. V. H. Heyroth of Cranfills Gap. More gift subs were sent to O. W. Hefner Jr. of San Diego from his parents, Mr. and Mrs. O. W. Hefner Sr.; Charles G. Lightly of Luther, Okla., also received a birthday gift of the NR from his parents, Mr. and Mrs. John G. Lightly. The Kenneth Graves in Seguin will receive the paper for another year from Mr. and Mrs. Wyson Graves, as will Velma Jaggars, recently employed in San Antonio, compliments of her father, L. A. Jaggars.

Mr. and Mrs. Harold Prater, now of San Antonio will also be surprised at receiving this weeks paper, a complimentary gift from Mr. and Mrs. J. C. Prater. Mrs. R. O. Deisher was sent a gift sub from her sister, Mrs. Mayme King. Mrs. Grady Hooper sent a gift sub to her sister, Mrs. Frank Falls of Fort Worth. Billy McKenzie also will receive the next 52 copies of the NR, compliments of his mother, Mrs. H. L. McKenzie.

"I've read the Hico paper ever since I was big enough to read I guess," commented G. E. Arnold of Rt. 3, while in the office renewing his subscription recently.

Mr. and Mrs. E. E. Trantham of Fort Worth stopped by the office recently while in Hico attending various cemetery workings at Honey Creek, and Fairy cemeteries. Mrs. Trantham said they had gotten out of town when she remembered their paper was due so they had to turn around and come back. We had a nice visit and hope they come to see us again soon.

"I can't get anyone to take my money," said Mrs. Edgar Bradley

when she came in last week. Above all of the clamor of the machines no one heard her when she came in and she had to attract our attention.

Mrs. B. Rabinowitz of Houston and Mrs. Terry Hulbert of Hopkins, Minn., had their papers renewed for them by their aunt, Miss Nannie Lawrence of Hillsboro while she was visiting in Hico with Mrs. Nettie Meador recently.

"Enclosed you find my renewal for another year. Glad to hear about the good rains you are having there. I was there two years ago and they needed something besides rain—more air coolers. I am still building California more school houses. Tell the Holfords hello, and good luck to you in the good old Hico paper." was the nice letter received from E. G. (June) Burkett of San Pedro, Calif.

"Hope you have as much pleasure in printing the news as we do in reading it—enclosed is \$2.00 for another year of the 'Good Old Hico News,'" wrote Jewell Faulk of Fontana, Calif., who signed herself an old Hicoite. Mrs. Faulk, it is subscribers like yourself that makes printing the paper a pleasure.

Lee Trantham, who is ninety years old, was in to pay his yearly dues for the paper this week. Mr. Trantham stated that he had been taking the paper for seventy of his ninety years.

Other new and renewal subscriptions are hereby gratefully acknowledged by the management, and we hope that the readers will derive pleasure from reading the weekly news.

Sale of Reunion Booths Is Begun By Hico Lions

Dates Set for Hico Reunion In August

Dates for the 69th Annual Old Settler's Reunion were announced this week, as being the first week in August, which will be August 3, 4, 5, and 6.

Weldon Pierce, manager, stated that a lot of inquiries had been received as to when the event would be held.

Pierce said that a lot of entertainment was being lined up for the four days, and a new carnival, Mrs. Shaffer's Shows of Dallas, would be featured on the midway.

Persons interested in securing concession rights, etc., should contact Pierce at once.

A booster trip to the neighboring towns has also been planned, and an effort will be made to have as many businessmen and other persons go along as possible.

The annual parade will be held as usual on the first day.

Iredell Grammar School Honor Students Receive Special Awards

Miss Ann Sadler, daughter of Mr. and Mrs. Hayden Sadler, was named valedictorian of the Eighth Grade class Wednesday evening at their commencement exercises. Ann has an average of 96 for the year work. She also is outstanding as a piano and voice student and sang for Senior Baccalaureate services last Sunday.

Miss Linda Lou Scott was named salutatorian of the class. She is the daughter of Mr. and Mrs. Cecil Scott. Linda has been outstanding in basketball and softball during the year. Her average for the year was 90.

A number of awards were presented Wednesday evening covering the chief activities of the school year. Jimmie McCroskey was awarded the Balfour medal for Scholarship, Loyalty and Achievement. Lawrence Jones and Patty Dunlap received the Babe Ruth Sportsmanship Awards and Nancy Strange McClure the All-Around Girl Award.

Miss Nicki Beth McAden received a medal for the highest average in the first seven grades of grade school for her average of 96, while Miss Joyce Barnhill won the medal for highest average in high school with 95.75 for the year. Letter "I" certificates were presented for the highest average in each grade. They were awarded to Suzann Main in the first grade, Darlene White in the second, Betty Ann McCroskey in the third, Diann Blue in the fourth grade, Jerrie Blakley in the fifth, Peggy Davis in the sixth, Nicki Beth McAden in the seventh, Barbara Umphres in the freshman class, Joyce Barnhill and Loretta Keith in the sophomore class and Maudane Litch in the junior class.

Perfect attendance certificates were awarded to Joan Martin, Patricia Cooper, Steve Wumbling, Quata Craig, Beattie Gatewood, Geary Oldham, Jimmie Bahringer, Jackie Flannery, Lonnie Hanshaw, Joe Martin, Jerry Weise, Peggy Davis, Tena Dunlap, Deloris Hanshaw, Maudane Litch and Bobbie Fillingim.

Miss Isabel Herndon Will Give Demonstration June 9 at CPS Office

Future Homemakers of are sponsoring Miss Isabel Herndon in a demonstration on "Frozen Foods" Thursday afternoon, June 9, at 2 o'clock in Community Public Service Company office. The public is invited to attend this demonstration.

Miss Herndon is Home Economist for Community Public Service Company in this area. She is one of the best demonstrators in this area and the group feels very fortunate in having her at this time.

In addition to the demonstration there will be a drawing for prizes. Refreshments will be served to the group after the meeting.

Interested Persons Asked to Reserve Booths Early

Display booths at the City Park during Hico's Annual Reunion were put on sale this week by Hico Lions Club.

Meeting in regular session Wednesday noon at Loudermilk Cafe with 17 members and two visitors present, new Lion President M. I. Knudson presided at the meeting.

This year the club will offer 28 booths to exhibitors and the new extension added in early Spring to the pavilion will provide the extra spaces. Last year only 20 spaces were available. The charge on these booths is very small compared to the benefits received from such displays.

Most of the Wednesday meeting was taken up with discussion on the sale of the booths, and before the club adjourned, 12 of the spaces had been sold. Lion Harold Walker was appointed to head the committee for selling of the remainder of the spaces, and any businessman who would like details on the rentals are urged to contact him as soon as possible.

Only other business at the meeting was a report by Lion Piestick on the Hamilton County Registered Beef Breeders Association tour staged Monday. Lion Piestick reported a very good tour by the group and some interesting farms and ranches were visited.

Directors of the Club held a short meeting after the regular session adjourned.

Dublin's Swimming Pool Opened Wednesday For 1955 Season

Dublin—(Sp.)—Dublin's municipal swimming pool was opened for the 1955 season Wednesday, at which time it was announced that a public swimming and free swimming instruction program similar to that conducted last year would be carried out.

Pool manager Joe Jackson, stated that the pool would be open to the public from 2 p. m. to 10 p. m. each day except Sunday, when hours are to be from 2 p. m. to 6 p. m. Admission prices will remain 25c for adults and 15c for children.

In addition to public swimming sessions, free instructions will be given to children of Dublin and surrounding towns. Instructions will be given by Jackson, a licensed Red Cross swimming instructor, and Miss Betsy Oliver, also a qualified Red Cross instructor in swimming and lifesaving.

Girls classes will be held Monday through Friday at 9 to 10 a. m. Classes for boys will be held from 10 a. m. to 11 a. m. Those completing work satisfactorily will be given certificates in the various divisions, including beginners, advanced and lifesaving work.

Only requirements for registrants for swimming instructions is that they present a health certificate from their medical doctor at time of registration. In order that out-of-town registrants may be accommodated, registrations will be held through Monday, June 6.

Dublin's Mayor M. Hoffman, council members and the pool management extend a cordial invitation to those in this area to take advantage of facilities of the swimming pool, one of the most modern in this section of the state.

ROBERTS FAMILY MOVE TO SAN ANGELO

Mr. and Mrs. Robert A. Roberts and sons, Durvis and Marlin moved Wednesday to San Angelo where they have recently purchased a new home. Their many friends in this area will miss them as they have been active in civic affairs, school and church activities.

REVIVAL MEETING AT DUFFAU CHURCH OF CHRIST

Wilbur Dennis of Hamilton will begin a Gospel Meeting at the Duffau Church of Christ June 6. The meeting will continue through June 11.

Services will begin at 8:00 o'clock each evening. Everyone has a cordial invitation to attend.

It Happened Here or Near

By E. E. DAWSON

What is so great as a noble soul? A noble soul went to rest last week and was laid beside her much-loved husband in the Carlton Cemetery. Kindred and many old-time friends called her affectionately "Aunt Mollie." Aunt Mollie was the wife of Rev. R. H. Gibson, a long-time resident of Hamilton County, a worker over a wide range of territory. There were several children and a home was to be maintained. In all those years of Brother Gibson's active ministry, Sister Gibson "kept the home fires burning" and gave care and training to the children. Thus the ministry of a faithful worker in the Christian field was extended over a wide area.

After a period of invalidism, the husband died some years ago, and his frail old mate has been wending her way toward the grave, and now she rests from her labors and her many good works go on bearing good fruit. This writer will miss her and her hand-clasp and neighborly inquiry as to our health and welfare. But we cannot weep that she has gone, for she had attained a very ripe age and longed to be at rest. Over in the Father's home she now enjoys her triumph and is located somewhere in her Christ-prepared quarters overlooking the river of life and the good fruit of the trees of life that grow on the streets of the New Jerusalem. Goodbye, Aunt Mollie! I'll be joining you ere long.

Last night about two o'clock I was awake and heard a mocking bird singing clear through his repertoire. The ornithologists tell us that the male mocking bird sings so at night while his mate sits on the nest, and that his purpose is to keep her cheered up during the long hours of darkness. I see him flitting about a tree beside the yard and occasionally bursting into song during the daytime. But it is at night that he does his best singing. It may be that during the daytime he takes his turn on the nest. Years ago in another part of the state this writer sat under the shade of a tree in the yard one hot summer day. Less than fifty feet away was a white-wing dove's nest. The mother dove was on the nest. She began to call.

There was no answer. She kept calling. Finally, from a poplar tree across the street came a single note: it was the male mate answering. Instantly the mother dove flew off the nest and over to the poplar tree, and what took place was a real drama and highly interesting. There was a great fluttering among the branches of the tree, and an angry tone occasionally. Finally, a much chastened male, with some feathers dangling, emerged from the poplar and flew directly to the nest in the weasatche tree. Shortly afterward, the female flew off for refreshment and recreation and perhaps entertainment. It would be a natural guess that the male mate did not try holding out on his lady any more.

The thunder storm last Thursday morning was the most violent this individual has seen in many a year. It was one of the stormiest nights of all time over a wide stretch of territory, and above a hundred persons lost their lives and around a thousand suffered injuries. It would be interesting to know how much power was operating in that part of the storm that passed over us. The electrical energy was incalculable. Why a generator a thousand feet tall could not generate such power. We let our imagination undertake to visualize the size of a generator big enough to put out such power. Let's just say it was a thousand feet tall and proportionately big in every other dimension, and that the attendants were men-like creatures as high as the generator. They would have feet bigger than a couple of box cars and hands that could toss a house like a man would a pebble. Say there were two of the creatures and they decided to have a little fun. They would plug in cables more than a foot in diameter and then hold the ends of the cables close enough together to make a short. The flash and the noise would not equal that we witnessed Wednesday morning, last week. Man is a mighty creature, but when it comes to creation of power his greatest accomplishments are puny beside the incalculable manifestations of nature. And creating and maintaining all this power is the God who sits above the clouds and controls things. I want to be on His side.

CITY OF DUBLIN
M. HOFFMAN, Mayor

FAIRY

By Mrs. Eunice Massengale

We have had several days of fair weather and farmers have been busy trying to save their grain. However, grain that had been wind-rowed is still too damp to be combined. And today, Tuesday, we have partly cloudy skies and the weatherman has predicted more showers for today.

Grass and weeds are growing so fast, it is really creating a lot of work for everyone.

We were so sorry to learn of the tragedy in Clifton Saturday afternoon which cost the lives of the son-in-law and grandson of Mr. Meeks of Clifton. Mr. Meeks drives the truck for Meeks Hatchery which picks up eggs through this and surrounding communities. Below is an account of the tragedy.

John Kelly Shipman, 27, died Sunday morning at Goodall-Witcher Hospital in Clifton of injuries suffered in a car-pickup collision, which also claimed the life of his eight-month-old son, John Kelly Jr. The accident occurred Saturday afternoon at the Clifton city limits on Farm Road 215. Mrs. Shipman and the driver of the truck, W. D. Barfield, about 55, of Clifton were injured in the collision. They were reported out of danger at Clifton Hospital. Mr. Shipman was employed as a Clifton grocery clerk. He is survived by his wife and parents, Mr. and Mrs. Paul Shipman of Cranfills Gap. Also two brothers, Fred Shipman of Plover and Perry Shipman of California, and four sisters, Mrs. Mary Holmes of Crawford, Mrs. Pauline Thompson of Lufkin, Mrs. Lillie Knacke of Hurst, and Mrs. John Hucabee of Hobbs, New Mexico. Double funeral services were held at the Cranfills Gap Church of Christ Monday afternoon at 4 o'clock with burial in the Cranfills Gap cemetery. We have been informed that the Senior Shipman family are former residents of near Fairy. Our heartfelt sympathy is extended to the bereaved wife, parents and other relatives in this awful time of sorrow.

F. L. Cox received the sad news Friday that his brother-in-law, Will Greer of Lorenzo had passed away. Mr. Greer formerly resided in the Fairy community and was the husband of the late Fannie Cox Greer, who passed away in November of 1921. He was also preceded in death by an infant daughter which passed away a few days prior to the death of

Mr. Greer. Mr. Greer, who was about 71 years of age is survived by his present wife and two daughters, Mrs. Millard Bowers, and Mrs. Floyd Blankenship, all of Lorenzo. Funeral services for Mr. Greer were held Sunday afternoon at Lorenzo with burial there. Mr. and Mrs. Cox were unable to attend. We extend deepest sympathy to all in this time of sorrow.

Mr. and Mrs. Edwin Seilheimer and family, Mr. and Mrs. Texie Dell Allison, all of Fort Worth and Mr. and Mrs. George Martel Stringer and family of Hico visited during the week end with their parents, Mr. and Mrs. Edd Allison. The Seilheimers also visited at Waco with her sister and family, Mr. and Mrs. Dellis Seago and Scherry.

Mr. and Mrs. Marvin Porterfield spent from Tuesday until Friday of last week in Houston where they visited with her parents, Mr. and Mrs. Lester Smith and daughters, and his sister and family, Mr. and Mrs. Robert Hurt and two daughters. Mrs. Porterfield's two sisters accompanied them home for a visit here with relatives. They also brought some things for their grandparents, Mr. and Mrs. Hovey of Hamilton, who had spent the winter in Houston with the Smiths.

The writer was in Dublin Monday afternoon where we accompanied our daughter, Mrs. D. E. Allison to a chiropractor in Stephenville, where each received treatment for back ailments. On our return home we stopped for a short visit with Mrs. A. R. Hoover in Dublin.

Mr. and Mrs. Harvey Little of Oklahoma City spent from Saturday until Tuesday visiting with his mother, Mrs. Brittle Little, and also his uncle, Mr. and Mrs. Sid Dickerson of near Hico and the Turner family of Carlton, relatives of Mrs. Harvey Little.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don visited after Sunday school at Lanham in the home of his sister, Mr. and Mrs. Raymond Jones and family. Walter Porterfield returned home the first of the week after a week's visit in Houston in the home of his daughter, Mr. and Mrs. Robert Hurt and daughters.

The writer visited Sunday afternoon at Iredell with Mrs. Lorena Wilson, a long time friend and former resident of near Fairy. We also planned a visit with Mrs. Myrtle Duncan, also of Iredell but learned she was in Marlin.

Miss Virginia Slater of Fort Worth spent the week end with her parents, Mr. and Mrs. Byrd Slater.

Mr. and Mrs. Darwin Hoover and little sons of Phoenix, Arizona and Mr. and Mrs. Ralph Spencer and little sons of Lubbock came in Saturday for a visit with their parents, Mr. and Mrs. E. M. Hoover. Other guests during the week end were another daughter, Miss Daphne Hoover of Abilene and Mrs. A. R. Hoover of Dublin. Mr. Spencer returned home the first of the week.

Our school came to a close last Thursday with a very large crowd present. Due to the heavy rain received early Thursday morning about four o'clock the attendance was good. A nice program was rendered in the forenoon with a delicious lunch with all the trimmings.

Mr. and Mrs. R. M. Springer of Miles were recent Fairy visitors and stated they were so dry in that area they hadn't planted cotton due to lack of moisture to bring it up. We have had so much rain here we were surprised to learn there was a place so dry even that near us.

We received word recently from our sister, Mrs. Myrtle Enger of Brady stating that our aunt, Mrs. Dock Newman also of Brady, had received a knee injury while varnishing some floors. Several pieces of shattered bone have been removed and it is feared she may be crippled for the remainder of her life. The Newmans formerly resided here on the old Coon place now owned by Mr. and Mrs. P. L. Cox. Mrs. Enger also stated they had received torrential rains and hail and that her garden had been completely destroyed by the hail.

We received an inch or more of rain about four a. m. last Thursday. The rain was accompanied by strong winds and some hail, but not enough to be of damaging effect. The wind damaged several TV antennae in this and surrounding communities.

Miss Wilma Grace Goyne went to Fort Worth Sunday where she will be employed during the summer months. She was accompanied by Mary Beth Ogle of Hico and Ruthie Kans of Clifton, who also plan to work.

Mr. and Mrs. Deward Allison of Dublin visited a while last Saturday night in the home of his parents, Mr. and Mrs. Edd Allison and her sister, Mr. and Mrs. Carl Ray Sellers and family. The writer also visited with them in the Sellers home.

Mr. and Mrs. Paul Little and family of Altus, Okla., visited a while Monday afternoon in the home of his grandmother, Mrs. Brittle Little.

Miss Marilyn Maroney of Austin spent the week end with Miss Wilma Grace and Lynda Goyne.

Mr. and Mrs. Orville Goodrich and Farrel Flowers of Fort Worth visited here Sunday with her uncle, W. E. Goyne and family and an aunt, Mr. and Mrs. O. E. Whitson. The Goyne family joined them for lunch Sunday with Mr. and Mrs. Whitson.

Mr. and Mrs. George Martel Stringer and family of Hico visited during the week end with their parents, Mr. and Mrs. Edd Allison. The Stringers also visited at Waco with her sister and family, Mr. and Mrs. Dellis Seago and Scherry.

Mr. and Mrs. Marvin Porterfield spent from Tuesday until Friday of last week in Houston where they visited with her parents, Mr. and Mrs. Lester Smith and daughters, and his sister and family, Mr. and Mrs. Robert Hurt and two daughters. Mrs. Porterfield's two sisters accompanied them home for a visit here with relatives. They also brought some things for their grandparents, Mr. and Mrs. Hovey of Hamilton, who had spent the winter in Houston with the Smiths.

The writer was in Dublin Monday afternoon where we accompanied our daughter, Mrs. D. E. Allison to a chiropractor in Stephenville, where each received treatment for back ailments. On our return home we stopped for a short visit with Mrs. A. R. Hoover in Dublin.

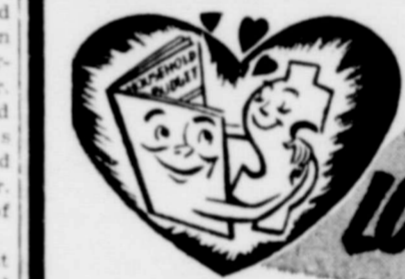

Mr. and Mrs. Harvey Little of Oklahoma City spent from Saturday until Tuesday visiting with his mother, Mrs. Brittle Little, and also his uncle, Mr. and Mrs. Sid Dickerson of near Hico and the Turner family of Carlton, relatives of Mrs. Harvey Little.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don visited after Sunday school at Lanham in the home of his sister, Mr. and Mrs. Raymond Jones and family. Walter Porterfield returned home the first of the week after a week's visit in Houston in the home of his daughter, Mr. and Mrs. Robert Hurt and daughters.

The writer visited Sunday afternoon at Iredell with Mrs. Lorena Wilson, a long time friend and former resident of near Fairy. We also planned a visit with Mrs. Myrtle Duncan, also of Iredell but learned she was in Marlin.

Miss Virginia Slater of Fort Worth spent the week end with her parents, Mr. and Mrs. Byrd Slater.

Mr. and Mrs. Darwin Hoover and little sons of Phoenix, Arizona and Mr. and Mrs. Ralph Spencer and little sons of Lubbock came in Saturday for a visit with their parents, Mr. and Mrs. E. M. Hoover. Other guests during the week end were another daughter, Miss Daphne Hoover of Abilene and Mrs. A. R. Hoover of Dublin. Mr. Spencer returned home the first of the week.

 Mrs. Fred Geye
MRS. R. H. GIBSON
 Funeral services were held in the Carlton Baptist Church Friday morning at 10 o'clock for Mrs. R. H. Gibson, who passed away Thursday morning in Dallas at the Baylor Hospital, at the age of 87. Her body was conveyed to the

Barrow-Rutledge Funeral Home in Hico Thursday by their ambulance, where it lay in state until the funeral services. The services were conducted by her pastor, Rev. Bill Campbell.

Mary L. Cauthen Gibson was born in Alabama June 23, 1868. The Gibson family had lived at Carlton for many years. Her husband, Rev. R. H. Gibson, preceded his wife in death 8 years ago. She is survived by her eleven children, five daughters and six sons, namely Mrs. Lou Kelley, Dallas, Mayme Wells, Austin, Vera McKenzie, Carlton, Mrs. Henry Strong, Temple, Mrs. Opal Blackwell, Girard, and Elmer and Ernest, Lubbock, Oscar and Connor Brooks, San Francisco, Truett, Corpus Christi, and Carroll Gibson of Fort Worth. All were present for the funeral except the two sons in California. Other survivors are one brother, J. C. Cauthen of Mt Pleasant, twenty-three grandchildren, twenty-eight great-grandchildren and two great-great-grandchildren, a host of other relatives and many many friends.

Patrons were John H. Clark and Clyde Lefevre of Cleburne, Otho Stuckey, Virgil Battershell, Fern Jordan and Robert Bowden, Barrow-Rutledge Funeral Directors of Hico were in charge of all the arrangements, with burial in the Carlton Cemetery.

Watt Sharp Sr., who has been a patient for several days in the Baylor Hospital in Dallas, underwent surgery Friday.

Mrs. Mary Mitchell of the Sunshine community moved recently to the Claud Williams residence which she had bought. She was surprised with a house warming Thursday afternoon. Attending were Meses O. P. Mercer, M. M. Robertson, Tull Thompson, K. R. Jenkins, Lilla Byrd, Milton Whitehead, Charley Bain, J. W. Barnett, G. H. Barnett, J. C. Moreland, A. L. Fisher, Faye Thetford, Edd Chambers, R. L. SHEDS DIRT... STAYS WHITE FOR YEARS!

DU PONT HOUSE PAINT
cleans itself!

For lasting whiteness and matchless brightness make certain your painter uses Du Pont House Paint. A unique blend of pigments and oils, it actually sheds dust and grime during every heavy rain! *It cleans itself!* Normally, this "Self-cleaning" process starts within a few months. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay this process.

So beautify your home with the paint that's made right to stay bright. Specify "Self-cleaning" Du Pont House Paint in Outside White or popular tints. Ask your Du Pont dealer or painter to tell you how the "Self-cleaning" process works in your area. And if the surface is bare wood or badly weathered paint, assure maximum adhesion of the finish coat by starting with a coat of Du Pont House Paint Primer.

Save the Surface and You Save All!

MAGNIFIED CROSS-SECTION SHOWS SELF-CLEANING PROCESS

- All paints collect dust and dirt during the first few months.
- With Du Pont House Paint, a fine white powder forms after a few months on surfaces exposed to sun and weather.
- Rain wash off this powder—and with it, much of the accumulated dirt and grime.
- Self-cleaning leaves surface clean and white... keeps it sparkling white for years. This cleaning process is gradual and does not adversely affect the long life of the paint.

Shoes are often the largest item of expense in the clothing budget. As the average child needs a new pair of shoes every four months. To get the best shoes for your clothing money, shop carefully. Take the child with you. Shoes vary according to style and children's feet grow rapidly. Both feet may not be the same size, so measure both and buy the shoe that fits the largest foot. Also, measure the feet both while standing and while sitting. A shoe has only one size while a foot really has two—width and without the weight of the body. Remember to try on both shoes. The toe cap of the shoe should be rounded, firm enough to hold the shoe away from the toes, yet not so stiff that you can't feel the ties through it. Each shoe should be one-half to 1 inch longer than the longest toe. Feel the shoe at its widest point to see if the largest point of the foot is under your fingers. There should be a one-fourth inch "pinch-up" of leather at the top of a shoe over the ball of the foot. The Shank should fit well into the arch of the foot and not gap out. The heel counter should fit snugly, but not grip the heel so tightly that it can't make a slight up and down movement. Careful selection of shoes for children will pay off in the long run. Much of the foot trouble developed in later life can be traced to ill-fitting shoes in childhood.

The calcium requirement is higher during adolescence than during any period of childhood. Milk and dairy foods provide three-fourths of the calcium in our food supply. Yet, many teenagers, especially girls, have low milk intakes. June is Dairy Month. Why not plan now to include more milk in family meals and beverages. Cheeses of all kinds can add real taste as well as important nutrients to sandwiches, cold plates, or salads during the hot weather ahead. Frosty milk drinks and ice cream provide lots of energy and food value for busy, growing teenagers.

Freezing is the simplest and quickest way to preserve food at home. It keeps natural color, fresh flavor, and food values of most fruits and vegetables better than other methods of food preservation. Five factors, a quality product, careful preparation, proper packaging, correct loading of freezer, and length of storage in freezer determine final quality and success in freezing the product. Proper methods and promptness in handling, chilling and freezing are necessary to retain quality. Moisture-vapor-proof packaging materials such as double cellophane bags, heavy aluminum foil, cellophane polyethylene and laminated locker paper will prevent drying out, preserve food value, flavor, color and texture. Milk cartons, ice cream cartons, or waxed paper are not moisture-vapor-proof and should not be used. Fruits and vegetables should be frozen and stored at 0 degrees F. or below. Foods not frozen within 24 hours may lose quality or even spoil. Frozen food will not retain quality indefinitely in storage. Storage time recommendations vary with kind of food, handling before freezing, packaging material used, and storage temperature. For more information on how to freeze and cook frozen foods, you might like to have the bulletin, "Frozen Foods", available at my office.

Beer was tapped for the big pay-off as the Senate rolled out a new tax bill—expected to pour \$108,000,000 in new money into the treasury in two years. On the 137th day of an overtime session, the Senate passed a many-changed version of the House tax bill. It left the last say to the House and hoped for a quick wind up. The bill is expected to produce \$62,000,000 during the next two years, for the general revenue fund. It carried a bookkeeping relocation feature which will give this fund \$3,000,000 more from current taxes. Thus it offered the House \$9,000,000 more than the \$6,000,000 required to unblock the record billion and a half dollar appropriation bill. It provides about \$44,000,000 in the biennium for highway purposes. Three round pennies will carry the brunt of the burden of the new tax structure—one cent more on gasoline and cigarettes and a new levy of a penny a bottle on beer. In this, the sixth main version of a money bill, the Senate swung back to the House's proposal of one cent on gasoline and cigarettes. But the Senate substituted One-half cent tart apple sauce 1 cup boiling water. Brown pork chops nicely on both sides. Season with salt and pepper. Cover closely and cook slowly about 45 minutes, or until thoroughly done. Fry the onion seasoned with curry powder. Add apple sauce and water. Simmer for minutes, pour over chops and serve.

a whopping \$16,000,000 a year additional tax on beer for the House's \$1,000,000 a year increase on beer and wine dealers' license fees. Final passage was voted 18 to 13. Stripped out of the Senate passed tax bill were House proposals for a levy on cigars, snuff and tobacco. Added was a token one-twentieth of a cent levy on "dedicated" natural gas—long-term exclusive contracts, payable by the long pipelines—and expected to produce \$2,000,000. Gas pipelines were put under the intangible assets tax. Dropped were Senate proposals for manufactured taxes and gross receipts taxes on department stores, hotels and motels. Rejected by the Senate was a gross receipts tax on the metals and chemicals industries. Sen. Grady Hazlewood, slender, graying member from Amarillo, emerged with the winning combination to unblock the long and confused Senate fight for new revenues. At Friday's session, Sen. Otis Lock of Lufkin, who termed himself the "coerced sponsor" of the tax measures, offered a new "in-between" plan which salvaged part of Governor Allan Shivers' original recommendations and made concessions to an obdurate House. Lock proposed a 1 1/2 cent increase on gasoline, halfway between the two cents the Governor wanted and the one cent the House voted; and 1 1/2 cents on cigarettes; along with a 25c per \$1,000 franchise tax levy on corporate stocks. It would bring in the needed \$6,000,000 to the general revenue fund, he said. But Senator Hazlewood came up with his substitute and it was favored 22 to 9, over the Lock plan. The final vote put both House and Senate on record for a one-cent increase in gasoline, making the entire bill more palatable for House concurrence. Beer industry leaders, who had successfully fought off a proposed \$1.50 per barrel increase in the House and also in Senate committee (which would have raised the total rate to \$3.50, or to 1c per bottle) suddenly found their industry saddled with a tax of \$5.30 a barrel—or an additional 1c per bottle tax.

Veterans Land. New batches of indictments against former Land Commissioner Bascom Giles were returned in Travis County. Five indictments charging theft linked B. R. Sheffield of Brady with Giles. Eight charges of forgery were made against Sheffield. Then five more indictments against Giles and Sheffield charged theft and conspiracy of theft. A court of inquiry on Land Office affairs droned on, questioning all employees of the land office. Giles' scheduled first trial at San Antonio, on a bribe charge, was postponed until August. Postponement was granted on an affidavit that a House member, Rep. Cecil Storey of Longview, had been employed as one of his lawyers. This was statutory grounds for postponement until 30 days after the end of a session. Both the trial judge and the district attorney criticized the law forcing such postponement. Rep. Dolph Briscoe Jr. of Uvalde author of a series of bills to clean up the veterans' land administration, immediately put in a bill to restrict employment of legislators. Briscoe's bill would limit the automatic postponement privilege to legislators hired within one week after a case or indictment was filed—or to cases where the legislator was the only attorney representing a defendant. Short Snorts. Governor Shivers vetoed a bill raising speed limits on all highways from 60 to 65 miles an hour and to 70 miles on four-lane divided highways. It would increase traffic deaths and accidents, he ruled. In all the turmoil of the tax deadlock the House took time out to pass a constitutional amendment resolution to create mosquito tax districts. A badly slashed Trinity River Authority bill passed the Senate. A feature was inserted to allow downriver users additional water above their old "normal flow" rights, without paying for it. Sen. William H. Shireman of Corpus Christi abandoned his bill requiring lobbyists to register. Opponents amended it until he said it affected public officials more than lobbyists.

Seriously disabled people who used to work in employment or self-employment covered by the Social Security law should get in touch with the Waco Social Security office by June 30 and find out about having their earnings record "frozen." Joe Clepp, Field Representative of the Waco Social Security District Office, announced this week. Mr. Clepp believes that many people in and around this area will be helped by the disability freeze provision in the 1954 Social Security amendments. This part of the law is designed to aid workers who become totally disabled after having worked for a certain number of years in employment or self-employment covered by Social Security. It provides that their social security rights will not decrease during the period of disability.

Many disabled people now getting retirement payments, Mr. Clepp pointed out, can qualify under this provision for a larger benefit amount as of July. If the disabled person dies after June 30, the disability can protect his family's right to survivors payments, but only if he had applied for it before his death. Active military service in the World War II and post-war periods and employment in the railroad industry may count toward the needed amount of work. Although the law does not provide for the payment of cash Social Security retirement benefits before the worker reaches 65, it is nevertheless important that a disabled individual get in touch promptly with the Social Security administration and establish the fact of his disability. The law provides that the worker's earnings record may be frozen during the period of his disability. When this is done, his social security rights are protected in two ways: 1. His right to benefits will not expire as time goes by, and 2. the amount of the payments he and

his family will get when he is 65, and the amount his family will get in case of his death will not be reduced.

Mr. and Mrs. W. B. Hardy and Mr. and Mrs. James D. Mitchell returned to Hico Sunday night from a two-week vacation in Yuma, Arizona and Southern California.

They were guests in the home of Mr. and Mrs. C. B. Hardy and children, and visited with Mr. and Mrs. Ollie Gamble and children.

Accompanied by Mr. and Mrs. C. B. Hardy, a trip up the coast took them by to see Mr. and Mrs. Ollie Shipp. Later they visited Mrs. Nellie Campbell and daughter in Lemon Grove, and on to Redlands, Calif. to see Mr. and Mrs. Den McCarty.

On returning to Yuma, Arizona, Mr. and Mrs. Ray Gamble, who were recently residents of Red River, N. M., met them.

A colorful and enjoyable trip took them through the Texas Canyon in New Mexico, the Oregon Mountains in California, the famous Capistrano Mission and the beautiful sea coast drive and ship docks in San Diego. Also a short trip into Old Mexico was enjoyed.

Bill Hardy was "taken for a boat ride" so to speak, by his nephew, C. B. Hardy Jr., where he learned that they use goldfish for bait and a fish hook that looks like it was accidentally bent but he brought one back to try on these Texas fish.

Mrs. Roberta Forgy Honored at Reception In Denton Sunday

Mrs. J. R. McMillan of Hico, Mrs. Ira Scudder of Graford, and Mrs. Roy Snider of Denton honored Mrs. Roberta Forgy on Sunday, May 29, from 2:30 until 4 o'clock at Virginia Carroll Lodge, Texas State College for Women, at Denton with a reception.

Refreshments of cake, pineapple squares, salted nuts, mint punch were served from a table laid with a white imported linen cloth and silver appointments. An arrangement of pink gladioli centered the table. Miss Imogene Harvey of Fort Worth and Miss Linda Scudder of Graford presided at the refreshment table.

Seventy guests called during the afternoon.

Mrs. Forgy will receive her degree from T.S.C.W. this month.

Janet Hooper and Deborah Pruett Audition For New York Critic

A recital at Froh Piano Studio in Dublin Tuesday evening was the last in a series of recitals presented by Mrs. Charles Froh and her students during the current term of study.

Participants in this week's recital were among those who took part in the auditions last Friday and Saturday in Froh Studio. Auditions were heard by Miss Elizabeth Newman of New York.

Janet Hooper, daughter of Mr. and Mrs. Grady Hooper, auditioned Saturday for Miss Newman, and Deborah Pruett, daughter of Mr. and Mrs. B. J. Pruett, was also heard by the national critic.

Penny Dunlop Has Party to Celebrate Her Third Birthday

Penny Dunlop was honored Friday, May 27, from 3 to 5, with a party given by her mother, Mrs. Milton Dunlop.

Favors of horns, bubble gum and suckers were given the little guest.

Refreshments of punch and cake were served. The cake carried out a circus motif, decorated as a miniature merry-go-round.

Those attending were Wayne Ross, Suzanne Patterson, Suzanne Lackey, Ronnie Hefner, Ronald Fellers, Nancy Davis, Cary Jacobs, Cherry D. Ramage, Linda and Dianne Jaggars, Linda Stone, Ellen Blair, Robbie Roberson, Alyce Churchill, Carolyn Wooton, Sherry Wolfe, Keith Reed, Jim and Jean Wolfe, Don and Brenda Rainwater, Diane Dunlop, Lounette Williams, Ann McClammy, Vickie Keller, Jack and Joe Dunlop of Clifton, Patsy Wooton, Mariletha Churchill, Jane Akin, Cathey Higinbotham, and Faye McFadden.

Father Finally Gets Attention!

For many years someone now and then expressed regret that Father's Day did not get the attention it deserved as a National holiday. Some cynics have gone as far as to say that it seemed as if about the only time Dad occupied the center of the stage was on Pay Day or when the bills came in each month.

Not so any more! The Beef Council making a strong bid for Dad and also to promote beef says: "There is one sure way of pleasing Dad at mealtime on Father's Day. Serve him a man's dinner, long on beef and short on budget."

In rejoinder the Poultry and Egg National Board calls upon the family to "give Dad the special occasion dish that is America's favorite and a favorite of the budget-wise housewife—serve Spring chicken broiled or fried on Father's Day."

All it took for the Old Man to get some attention was two of the principal meats of the country to meet in a battle for higher consumption of their product. Looks like Dad is at least going to be remembered at dinner table this time!

Cattle Open Unevenly At Fort Worth

Larger than usual numbers of cattle and calves (7,300 head) appeared at Fort Worth Monday. This was above expectations in view of the long Memorial Day holiday week end. Fed steers and yearlings were 50 cents or more lower. Cows and bulls sold steady, with very strong shippers and small packer demand helping cow prices. Slaughter calves were 50 cents or more lower, the plain and medium kind off most. Stocker and feeder cattle and calves were fully steady.

Prices included: Good and choice fed steers and yearlings \$18.00-22.00; common, plain and medium butcher cattle \$12.00-18.00. Fat cows \$10.50-14.00; canners and cutters, \$7.00-10.50. Bulls \$10.00-14.50. Good and choice slaughter calves \$16.00-20.50; common and medium \$12.00-15.50, and culls \$9.00-12.00. Stocker or steer calves of good and choice kinds \$18.00-22.00; steer yearlings \$21.00 down, and two-year-old feeders \$20.50 down, replacement cows \$8.00-12.50.

All Livestock Below Parity May 15th

The USDA market news office at Fort Worth reported late last week that effective parity at present is far above average prices now being received by farmers.

Beef cattle are now averaging \$16.30, while parity is \$21.30. Prices are 77 per cent of parity. Calves are selling at 74 per cent of parity. Farmers currently get an average of \$17.20 with parity figured at \$23.30. Hogs at 77 per cent of parity show a current return of \$16.40 against parity of \$21.30. Lambs at 78 per cent of parity show a return of \$18.20 against parity of \$23.30. Wool shows 79 per cent return, with prices averaged at 46.9 cents against effective parity of 59.2 cents per pound.

Sheep and Lambs Open Strongly.

Trade was active and prices fully steady to strong in the sheep barns at Fort Worth Monday. Shipper and order buyer demand was strong, and feeder classes were getting more active attention. Breeding age ewes were again in good demand.

Good and choice Spring lambs drew \$19.00-22.00, and cull, common and medium springers drew \$10.00-18.00. Feeder type Spring lambs were quotable at \$16.00 down. Old crop shorn fat lambs of good and choice grades sold from \$14.00-16.00; while cull, common and medium clipped lambs drew \$10.00-14.00. Feeder shorn lambs sold from \$11.00-13.50. Old wethers drew \$6 to \$10, and slaughter ewes \$4.00-5.00, a few higher. Breeding ewes drew \$6.00-12.00; old bucks sold around \$3.00-4.00.

The American Meat Institute takes note of the big movement of hogs to market at this season, which is contrary to the usual marketing pattern. This out-of-season heavy movement has held prices down in recent weeks. The Institute reports currently pork prices are from 13 to 31 per cent under this time a year ago. Average of all meats, veal, beef, lamb and pork are 13 per cent under a year ago.

Butcher hogs opened the week with a 25 to 50 cent gain at Fort Worth Monday. Top hogs sold at \$18.50, and less desirable grades \$17.00-18.25. Sows drew \$11.00-14.50.

LONG STAR Agriculture

JUNE DAIRY MONTH

The world's most nearly perfect food—milk—takes the spotlight of the nation's attention during June. Milk, which will be in abundant supply this month, can be rightfully called one of the most valuable products of the farm. It offers some 100 different nutrients—a long list of vitamins and minerals, fats, sugar and high quality protein. In addition, milk and its many products have great taste appeal for the American public.

June is traditionally observed as "Dairy Month." It is the time of peak milk production and this year it is expected to reach near record high levels. There will be plenty for customers to use liberally.

Milk is the basis for a whole family of dairy goods. Its family tree includes cream, buttermilk, evaporated and condensed milk products, nonfat dry milk solids, dry whole milk, ice cream, numberless varieties of cheese and butter. It has infinite variety and countless thousands of uses.

The nation's dairy industry has organized a mammoth celebration of June Dairy Month again this year. It is joined by the Texas

Texas In Review Offers Many Items of Interest On Weekly Program

Without county, state or federal aid, the citizens of Wichita Falls are making the banks of the Wichita River into an attractive park. This park will extend for two miles and will have grassed and shaded picnic areas.

How this work is being done will be featured next week on The Humble Company's TV program, Texas In Review.

Other features on the program include films of the Caprock Peace Officers Association meeting at Spur.

Monday, June 6, Texas in Review appears on KRLD-TV, Dallas, at 6:30 p. m.

On Tuesday the program can be seen on KCEN-TV, Temple, at 7:30 p. m.

CARD OF THANKS

We wish to express our heartfelt gratitude and appreciation to everyone who so kindly gave us assistance at the passing of our mother, and whose sympathy and many administrations of thoughtfulness since her passing has made our sorrow so much easier to bear. To our friends and neighbors for their kindness and the lovely floral offerings and food we are deeply appreciative. Especially do we thank Dr. W. F. Hafer and the nurses at the Hico Hospital for their faithfulness during our loved one's illness.
