HICO, TEXAS, JUNE 24, 1955.

NUMBER 7.

By E. V. M.

Two weeks in a row! Seems as though this thing might get to be a habit.

When this little ditty was started some two months ago, a promise was made that it would appear only periodically. Since that time it has been difficult to determine just what "periodically" means. One time a year, once a month, or every week.

So, if the readers can stand it, maybe we can.

It kinda reminds us of the old boy who got up to sing a song one night. He stepped up and said "I've had a lot of requests tonight... but I'm going to sing anyway!"

So... Two industrious young businessmen are Pat and Mike Lackey, twin sons of Mr. and Mrs. A. H. Lackey who recently moved here from Teague.

When school was out they went to work driving a tractor and this week they came by the office and are now in the corn business (roast 'n ears, that is). They requested that if we saw anyone wanting fresh ear corn to recommend them—and we do, highly.

Go-getters—these youngsters of today.

Don't ever give up hope. An example:

D. G. Lane was in the office last Saturday sporting a new pair of glasses which he had bought a few days before.

Mr. Lane stated that he had been to optometrists all over the state, and that they all told him the same thing—nothing they could do to improve his vision. However he went right on searching for someone who could help him to see better.

Finally he found what he was looking for and today, with his new specs, he can see as well as he could 30 years ago.

A plug for the dairy business in this section.

Dairying has become a big industry in our immediate trade territory, and the fact that the dairy farmers of Hico have played such an important role in the economy of our town during these years of dry weather, we feel that a "well done" is in order.

Poultry raising was once the big "money crop" in this area, but no more. Our own estimate would be that something like 30 per cent of all the money spent in Hico is derived from the dairy herds. Maybe we're all wet in placing the percentage so high but the figure won't miss far.

That leaves only 70 per cent to cattle, sheep, goats, hogs, and all phases of farming operations.

We have no way of verifying the above, but if anyone finds out let us know how far off our estimate might be.

The following article was published in the American Bankers Magazine, and gives the merchants who do not advertise a slant on business as well as the matter of building your town. It came to us by way of the Hearne Democrat, and we quote:

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half, or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a two-line space.

"A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertising. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town, but refuses to advertise his own, is not a valuable addition to any town. The life of a town depends on the live, wide-awake advertising business man."

That's what the man said.

Two Teachers Are Added To Hico School Faculty

Two teachers, Mrs. Hershel Davis, home economics instructor, and Mrs. Porter Willis, elementary school teacher, were added to the Hico school faculty last week.

Dublin Invites Hico Girls To Compete in Bathing Beauty Contest

Dublin, (Sp.)—Bathing beauties from half a dozen cities in this area will compete for honors and prizes in Dublin's second annual July Fourth celebration in a bathing beauty contest, a highlight of the day's program at the local Community Park.

The contest, along with a swim show and demonstration, will be unrolled in an evening's program. Prominent judges from Stephenville, Hamilton and Comanche will pick the three winners, who will receive attractive prizes.

Young ladies of Hico are invited to enter the contest. The bathing beauty contest committee requests that they send in their acceptances to Edwin L. Keller, Chamber of Commerce, Dublin, at their earliest convenience. Requirements are that they be of high school age and up to 21 years of age and unmarried.

Entrants are also requested to send along a photo, to be used in newspaper publicity, along with their name, age and measurements. They are also asked to report at the Dublin Swimming Pool not later than 6:30 p. m. on the night of July Fourth.

Preceding events of the day will include a band concert in the morning, a well known speaker, a baseball game which will match Hico and Dublin, member teams of the Bosque Valley League, and a popular string band in concert beginning at 5 p. m.

Last year's bathing beauty winners included Miss Elizabeth Haney, De Leon, Miss Linda Kiker, Greens Creek, and Miss Harlene Brown, Dublin.

Mrs. Davis, a graduate of Texas State College for Women, Denton, has taught the past four years at Huckabay and Lingleville. She will replace Mrs. Sammie Pittman, who will teach in Stephenville.

Mrs. Willis, wife of Hico's athletic coach, is a graduate of McMurry College, Abilene, and has previously taught at Turkey and O'Donnell.

The board accepted the resignation of Roy Reese, formerly of Fairfield, as assistant coach and grade school teacher. Reese plans to teach in Pasadena next year.

Two vacancies, both in elementary school, remain to be filled.

Reggie Ellis Will Attend 3-Week Twirling School at Denton

Miss Reggie Ellis, drum major of the Hico Tiger Band, will leave June 27 for a three-week work shop in twirling, drill techniques, and cheer leading. She is sponsored by the Hico Band Parents Club. The school is to be held at Texas State College for Women, Denton, and runs from June 27 to July 15.

The consultants in the school are: Miss Bess Richards, director of "The Lassos" Thomas Jefferson High School, San Antonio; Miss Gusie Nell Davis, director of "The Rangerettes," Kilgore Junior College; Miss Lillian Davidson, director of "The Blue Brigade," Tyler High School; Miss Louise Taylor, director of "The Starlettes," Wharton County Junior College; and Miss Mildred Stringer, director of "The Apache Belles," Tyler Junior College.

Laboratory sessions will include practice in the fundamental skills in drilling, baton twirling, cheer leading, card flashing, rope twirling, as well as practice in the organization and administration of drill teams.

This announcement was submitted by Edgar H. Bradley, Hico Band Director.

New Methodist Pastor, Rev. Morgan Garrett, Welcomed Here

Rev. Morgan Garrett, pastor of the First Methodist Church, was welcomed with his family to their new church home Sunday, when Bro. Garrett preached his first sermon to the local congregation.

Rev. Garrett, with Mrs. Garrett and their two daughters, Kathy, 11, and Betty, 9, moved here from Corsicana where he was pastor at the Central Methodist Church for a year.

He is a native of Stephenville, where he graduated from Stephenville High School, and attended Tarleton State College for two years. He is a graduate of Texas A & M where he received a degree in engineering. He received his degree of Theology at the school of Theology at Southern Methodist University.

He served during World War II as a pilot in the U. S. Air Force. Mrs. Garrett is a native of Port Arthur and attended business college there after her graduation from high school. She was employed by the local telephone company there before they were married. She is the former Miss Mildred Branch.

A reception will be held honoring the new pastor and his family Tuesday night at 8 o'clock at the church, given by the Couples Sunday School class. The entire congregation is invited to attend.

Hico Pastor Is Director At Boys' Camp

Rev. Joe B. Taylor, pastor of the Hico Baptist Church, is director of recreation at the Royal Ambassadors Camp for boys from 9 to 15 years of age at Lake Brownwood this week.

Hico boys attending the camp are Neal Ellis, R. B. McClure, Winston Churchhill, Sammy Tiner, Lloyd Dale Hyles, and Tommy and Jerry Cain.

Members of the Girls Auxiliary will hold their camp at Lake Brownwood next week, June 27, 28 and 29. Mrs. Taylor will accompany the Hico girls.

The Intermediate GA camp is scheduled June 29 through July 1 and the YWA camp July 4 and 5.

'Bridges At Toki-ri' Will Play at Hico Theatre This Week

The intensely human and highly suspenseful story of our fighting Naval jet flyers who so gallantly fought the recent Korean war, is the subject matter of Paramount's brand new Technicolor production, "The Bridges At Toki-ri," which will play at Hico Theatre Saturday midnight, Sunday and Monday.

Based on the James A. Michener best selling novel of the same title, the film stars William Holden, Grace Kelly, Fredric March and Mickey Rooney.

Filmed on location in Tokyo and off the Korean coast aboard the massive aircraft carriers that just a few scant months before were locked in deadly combat with the enemy, "The Bridges At Toki-ri" is a hard-hitting, searing document on modern warfare. Never before in the history of film-making have such startling scenes of aerial warfare been photographed.

In addition to the scenic excitement, the picture abounds with the taut and explosive drama of men in the midst of death and destruction. It is also the story of the fleet admiral, Fredric March's relationship with his men, particularly that with a young flying lieutenant, William Holden, whose family has just arrived in Tokyo from the states. It is Holden's duty to fly a mission regarded as the most dangerous of the entire campaign.

How these events are pictured on the more important canvas of the Korean war is the great story so magnificently related in "The Bridges At Toki-ri."

With its fine cast, its inspiring story based on the Korean War's most important novel, "The Bridges At Toki-ri" emerges as a highlight of the new cinema season. Its arrival is eagerly awaited.

PASTOR TEACHING STUDY COURSE AT GEORGETOWN

Rev. Morgan Garrett, new pastor of the Hico Methodist Church, is teaching a study course this week at the annual senior assembly of the Central Texas Conference for Methodist Youth at Southwestern University at Georgetown.

LEAVES FOR SCHOOLING

A2c Donald R. Davis who is stationed at Lake Charles AFB, La. in the 44th Field Maintenance Squadron, left Tuesday morning for Chanute Field AFB, Illinois, where he will take a 3-weeks schooling in Aerodynamic Weights and Balance.

HOME FROM ENGLAND

Lieutenant Jack T. Neel, his wife and two children, visited here this week with his parents, Mr. and Mrs. Paul Neel.

Jack returned last week from a 3-month tour of duty in England and was to report back to his home base at Salina, Kansas the latter part of the week.

ON WAY TO ALASKA

M-Sgt. Ernest C. Harris, wife and family visited last week in Hico in the home of her parents, Mr. and Mrs. John Collier.

They were en route from Keesler AFB, Mississippi, to Anchorage, Alaska, where the sergeant will be stationed for the next 3 years. He is a veteran of 11 years service with the Air Force.

Granbury Takes Lead in BV League With Win Over Hico

By LEON LEWIS

Well, things are changing fast in the last quarter of the season. Granbury edged into first place over Hico by one-half game, while Iredell defeated Dublin 4 to 2 at City Park in Dublin, and Glen Rose won a 5-1 victory over Tolar.

The Hico-Granbury score was 2-1. Percy Hough pitched all the way for Iredell, while Pendleton went 3 innings for Dublin and Salyer 6. For Hico it was Charley Stasey, and Gibson pitched for Granbury. Batteries for Glen Rose and Tolar were not reported. There was large crowds at all these games.

Next Sunday finds Hico at Iredell, Dublin at Glen Rose, and Granbury at Tolar. Go see these games.

Team	STANDING	GP	W	L	Pct.
Granbury	1	8	3	7	.727
Hico	10	7	3	7	.700
Dublin	10	6	4	6	.600
Iredell	12	6	6	5	.500

Lonnie Branam Resigns As Minister of Hico Church of Christ

Lonnie Branam has resigned as minister of the Hico Church of Christ to become minister of the Baird Church of Christ.

He will conduct his final services here Sunday, July 3, and his first services at Baird the following Sunday.

At Baird he will succeed Merle King, former minister of the local church, who is moving to Jackboro.

Mr. and Mrs. Branam, who have lived in Hico since September 1952 have two children, Mark and Elaine.

Rites Held For G. W. Kornegay

Funeral services were held in Hamilton Sunday for George W. Kornegay, 59, who died Saturday night at the McCloskey General Hospital, Temple, following a long illness. Rev. E. C. Carter was the officiating minister. Burial was in the old IOOF Cemetery.

A native of Hamilton County, Mr. Kornegay served in the U. S. Navy in World War I. He married Miss Ada Oglesby in 1921. She died in 1944 leaving four children. He married Mrs. Farris Barnett in 1946.

Surviving are the widow; one son, Oglesby Kornegay of Hamilton; three daughters, Mrs. Harold Jones of Hamilton, Mrs. Ray Sloan of Killeen and Mrs. C. C. Carleton of Lovington, N. M.; four grandchildren, three brothers and four sisters.

Among those from Hico who attended the funeral were Mr. and Mrs. Grady Hooper, Miss Florence Chenault, and Mrs. W. H. Green-slit.

VACATION WON FOR OUTSTANDING SALES

For his outstanding sales record, Weldon Pierce has been awarded a vacation at Rebecca Creek Ranch, 30 miles north of San Antonio, the last week in July, by Great American Health and Life Insurance Company. He will also attend the company's annual convention in San Antonio in July.

HOME FROM THREE WEEK VISIT IN GEORGIA

Mrs. M. I. Knudson and children, Butch, Steve and Susan, returned home Sunday after a three-week visit in the home of her parents, Mr. and Mrs. J. E. Holder and Betty of Camilla, Ga. Mrs. Holder accompanied her daughter and family home for a visit.

While in Camilla the Knudson family attended High School graduation exercises of Miss Betty Holder. Miss Holder was also united in marriage to Loyd Smithwick, also of Camilla, during the Knudson's visit in Ga.

Mrs. W. E. East, cashier for Community Public Service Company, spent one week of her vacation last week with her husband, who is employed in Waco.

AT CAMP THIS WEEK

Jerry Jones and Danny Reeves are attending Glen Lake Methodist Camp for Juniors in Glen Rose this week.

CORRECTION

In the Fairy Church of Christ advertisement on Page 6 of this issue, it stated that services would be held at 8 a. m. and 8 p. m. daily. This should have read 10:00 a. m. and 8 p. m.

Tonight, Friday, Hico's Little League ball team goes to Evant for a game with the Evant Little Leaguers. This will be the second game with the Evant club, and the local small fry will be out to avenge an earlier loss to this team.

While the Little Leaguers are playing away from home, the Pony League will take on the large boys from Evant at Hico Stadium. Game time is 8 o'clock.

A good representation from local people at these games will certainly be appreciated by the boys and their managers.

Last Friday night at the local playing field, Hico's Pony Leaguers won from the Hamilton Chicks in a game that was close all the way. The score was 5-4 in favor of Hico.

The Little League was defeated in their game with Durham of Hamilton by a score of 5-1 the same night.

In another game this week the Pony League was defeated by Magnolia of Hamilton.

Next Monday night, June 27, the little league meets Freeman of Hamilton at Hico, and the Pony League journeys to Hamilton to play the Chicks.

Thursday, June 30, the Little League plays the Herald News team at Hamilton.

Mrs. H. H. Simpson, 84, Laid to Rest Here Saturday Afternoon

Funeral services for Mrs. Laura L. Simpson, who passed away Friday, were held here at the Methodist Church Saturday afternoon at 5:00 o'clock, conducted by Rev. Morgan Garrett. Interment was in Hico Cemetery, under the direction of Barrow-Rutledge Funeral Home.

Mrs. Simpson, daughter of Joseph Ivy and Lucretia Roach, was born in Freestone County, Texas, August 11, 1870.

She was married to H. H. Simpson on December 26, 1889. Nine children were born to this union, eight of whom survive. Mr. Simpson preceded his wife in death in 1941, and one daughter, Grace, also preceded her in death.

Mrs. Simpson had been a shut-in for the past four years, but remained cheerful and alert always. No one knew the pain she suffered in recent months.

The beautiful floral offerings bore tribute to the high esteem in which she was held.

Surviving are the following children: Mrs. R. C. Calloway, Fort Worth; Mrs. W. M. Ross, Hico; Mrs. Jim B. Golden, Dallas; Mrs. Jahnne Denton, Houston; Hobson Simpson, Hobbs, N. M.; Joe A. Simpson, Hamlin, James P. Simpson, Waco, and Ernest Simpson, Carlsbad, N. M.

She is also survived by 26 grandchildren and 13 great-grandchildren. Grandsons acted as pallbearers.

Out of town relatives and friends who attended the services were Lott Shell and daughter Priscilla, Denton; Mrs. Mildred Rivers, and Miss Elaine Simpson, Killeen; Hob Simpson and sons, Wayne and Roy, Hobbs, N. M.; Don Ross, Silverton; Mr. and Mrs. Glenn Ross, and Alan, Seminole; Mr. and Mrs. Jack Moffett and family, Dallas; Mr. and Mrs. R. S. Calloway, Fort Worth; Mr. and Mrs. Jim Golden, Dallas; Mr. and Mrs. John Denton, Pasadena; Mr. and Mrs. J. P. Simpson and children, Max and Sue, Waco; Mrs. J. D. Seago and Sherry, Earlene Curb, and Mr. and Mrs. Ivey, all of Waco.

FOR YEARS!

MAGNIFIED CROSS-SECTION SHOWS SELF-CLEANING PROCESS

1. All paints collect dirt and dust during the first few months.

2. With Du Pont House Paint, a fine white powder forms after a few months on surfaces exposed to sun and weather.

3. rains wash off this powder—and with it, much of the accumulated dirt and grime.

4. Self-cleaning leaves surface clean and white . . . keeps it sparkling white for years! This cleaning process is gradual and does not adversely affect the long life of the paint.

DU PONT HOUSE PAINT
cleans itself!

Your house stays clean and bright when it's painted with Du Pont House Paint. Made of specially blended pigments and oils, this unique paint actually sheds dirt and dust with every heavy rain! Normally, the "Self-cleaning" starts within a few months. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay this process. Ask your Du Pont dealer or painter to tell you how the "Self-cleaning" process works in your area.

Keep your home looking beautiful years longer . . . insist on "Self-cleaning" Du Pont House Paint. It's available in Outside White or popular tints. And to insure maximum performance of the finish coat on bare wood or badly weathered paint, start with a coat of Du Pont House Paint Primer.

Avoid fading worries!

Get Du Pont "DULUX" Trim & Shutter Paint

Years ahead of ordinary trim paints, it's the special formula finish that—

- resists fading, mildew and discoloration.
- goes on easily, gives exceptional coverage.
- dries quickly to minimize damage by dust, dirt and insects.
- retains its sparkling gloss despite weathering and hard knocks.
- keeps shutters and trim bright and beautiful for years.
- comes in a wide range of colors: brown, black, blue, bright red, maroon and three shades of green.

Indoor plants can be used to enhance interior decoration in the same way as draperies, rugs and furniture in any room.

For this reason, they should be selected for appearance and lasting qualities.

They must be adaptable to the conditions which exist in modern day homes and buildings, such as fluorescent lighting, central heating and air conditioning.

They should be a part of the general scheme of interior decoration, and should harmonize in color, shape, size and texture with the setting in which they are placed.

The many varieties of philodendrons, peperomias, dieffenbachias, crotons, alocasias, caladiums, and bromeliads offer a wide range of plants that are easy to grow.

Many modern homes require focal points of live plants that have rich coloring. The croton is probably the leading colorful foliage plant of today.

These plants need a warm temperature (60 deg.), light and moisture. At temperatures below 50 degrees or in a dry atmosphere they will drop their lower leaves.

Light is needed to retain their high color. A location in a bright, east or south window is ideal for crotons. When used in plant boxes or interior plants or large tubs, humidity will be satisfactory.

When single plants are used in pots, it is well to place them in saucers filled with damp sand to maintain necessary moisture and humidity.

The fancy leaved caladium is another highly colored plant that lends itself well to interior decoration. Often called "Elephant Ears" the caladium is highly colored and interesting. It requires the same conditions as the croton to keep its high color.

Philodendrons are perhaps the most versatile foliage plants for use in interior decorations. Careful selection and placement of foliage plants will add pleasure and satisfaction to daily living.

Do you reach for something cold to drink on these hot summer afternoons? Good ice cold milk is your best choice, both flavor-wise and nutrition-wise. Be sure it's ice cold... but don't put ice cubes in it for that will dilute it and spoil the flavor. The easiest and the best way to make sure your milk is cold when you drink it is to use cold glasses. A glass of milk is refreshing any time during the day. Try drinking it when you stop to rest in the midst of your housework. It serves as a quick energy pick up, and is loaded with food nutrients. An 8 ounce glass of whole milk has 170 calories, and one-thirteenth of the needed daily caloric requirement, but is high in other food values. You get a third of your daily calcium requirement, more than one-fourth of the riboflavin, and more than one-sixth of the protein requirements. Milk is your best source of calcium, the mineral that keeps bones hard. Why not begin getting in the milk drinking habit at mealtime and between meals, too. Most people like plain milk at mealtime but for between meals try adding a scoop of ice cream or a little sweetened crushed fresh fruit. Whether you're enjoying plain milk, or a dressed up version you'll find milk tastes better these hot summer days when it's served in a frosty, cold glass.

Vat-dyed, pre-shrunk slip covers can be run safely through one cycle of the washing machine. Tumble them dry or hang them in the shade until they are slightly damp. Press the flounce and slip them on the chair to finish drying. They can then be shaped to fit as well as when new, and you'll save lots of ironing time. You may need to press with a medium hot iron along the most prominent seams.

CARLTON

By Mrs. Fred Geye

Mr. and Mrs. Duke Short and children of Childress came in Sunday for a visit with his sister, Mrs. Watt Sharp Jr. and family, and with his mother, Mrs. J. W. Short of Carlton, who is in the Hurley rest home in Hamilton.

Mrs. Rance Sowell has been a patient several days in the German Hospital. Her daughter, Mrs. S. W. Miller of Brownfield is visiting with her father here and with her mother at the hospital.

Ronny and Kenney Stidham of Fort Worth are visiting their grandmother, Mrs. Lorena Stidham.

The Church of Christ revival will begin at Carlton Friday night, June 24. Minister Price Bankhead of Franklin, formerly of Carlton, will do the preaching.

Mr. and Mrs. J. C. May of Stamford spent Sunday with her mother and sister, Mrs. J. B. Lowe and Marie.

Turnpike Bonds.

Biggest issue of "municipal" bonds in Texas history, was sold in Austin at an interest rate fractionally above 1.9 per cent.

Several investment groups joined in buying the \$38,500,000 revenue issue of the Texas Turnpike Authority—first of its kind in Texas—and re-offering them to the public.

The money will build Texas' first toll road, between Dallas and Fort Worth.

HIGHLIGHTS & SIDELIGHTS

By VERN SANFORD, Texas Press Association

A luncheon that didn't happen in the Governor's Mansion on Monday had statewide repercussions. It could affect the fate of Texas' Democratic delegates at the presidential convention next summer.

Democratic National Chairman Paul Butler completed a six-day speaking tour of Texas at Houston. It was billed as an effort to restore harmony between the liberal and conservative Texas Democrats.

Mrs. Hilda Weinert of Seguin, loyalist national committeewoman, joined in inviting Butler to Texas. But she boycotted his numerous banquet meetings because, she said, the loyalist Democratic Advisory Council's chairman, Judge Jim Sewell of Corsicana, took over, and froze out contacts with the conservatives.

Gov. Allan Shivers invited Chairman Butler to a luncheon with state officials at the Mansion, to be held June 20. Butler replied that his schedule was "too tight" but he'd be glad to see Governor Shivers in any city where he was billed to appear.

That angered liberalist John McKelvey of Electra, who had arranged the reconciliation conference of Shivers and Butler in Washington in May. He resigned from the Democratic Advisory Council.

Austin politicians were studying the effect of Butler's speaking tour. Some of them thought there had been considerable "double talk", as Butler's statements could be interpreted to suit any view.

At Waco late last week, Butler abandoned the "open door" theme of trying to lure back Democrats who had voted Republican in 1952. He invited the Democratic Advisory Council, his host on the tour, to "organize" the 6,000 Texas precincts with loyal leaders, for next year's showdown.

A significant feature of Butler's tour was that four prospective candidates for governor on the liberal ticket basked in the photog-

grapher's flash-bulb limelight.

At Dallas, Supreme Court Associate Justice Will Wilson appeared in his former home city as master of ceremonies at the Butler rally of over 1,000 liberalists.

John C. White, commissioner of Agriculture, sat at the head table. Ralph Yarborough of Austin, strongly rumored as ready for a third try as the governor candidate of the liberals, started out with Butler at Lubbock and showed up at nearly all his meetings.

And Senator Jimmy Phillips of Angleton showed up at a Waco rally for Butler.

Present also were several other Senators who aren't prospective candidates for governor—and half a dozen House members.

Butler's Houston appearance was before the state convention of the Young Democratic Clubs. Virtually all the potential candidates for governor on the liberal ticket showed up there too. White delivered the keynote address at the opening business session and Yarborough also spoke.

Land Office Flaws.

A 95-page audit documenting investigations of irregularities in the Veterans Land Board has been re-

ARE YOU AN ALCOHOLIC?

To answer this question, ask yourself the following questions and answer them as honestly as you can.

- Do you require a drink the next morning (Yes) (No)
Do you prefer to drink alone?
Do you lose time from work due to drinking?
Do you crave a drink at a definite time daily?
Has drinking made you irritable?
Has drinking changed your personality?
Does drinking make you restless?
Does drinking cause you to have difficulty in sleeping?
Has your drinking made you more impulsive?
Have you less self control since drinking?
Has your ambition decreased since drinking?
Do you drink for social ease or for self encouragement?
Do you show marked feeling of inadequacy when drinking?
Do you show marked dislikes, hatreds and resentment?
Does your jealousy, in general, increase since drinking?
Do you show marked meediness as a result of drinking?
Has your drinking made you more sensitive?
Are you harder to get along with since drinking?
Is drinking effecting your peace of mind?
Is drinking making your home life unhappy?
Is drinking clouding your reputation?
Have you ever had a complete loss of memory while, or after drinking?
Have you ever felt, when after drinking, an inability to concentrate?
Have you ever felt "remorse" after drinking?
Do you ever hide out drinks for future use?

If you have answered YES to any one of the test questions, there is definite warning that you may be an Alcoholic. If you have answered Yes to any two of the questions, the chances are you are an Alcoholic. If you answer YES to any three of the test questions, you are definitely an Alcoholic.

The above questions are used by the John Hopkins University Hospital in deciding whether a patient is Alcoholic or not.

leas by State Auditor C. H. Cave-

ness. Cavness emphasized throughout his report the need for additional field supervisors and investigators... who can check continually to prevent irregularities in the \$100,000,000 loan program.

The audit covered the period from Sept. 1, 1951 to Jan. 4, 1955 (the last day Bascom Giles was commissioner of the General Land Office and chairman of the Veterans Land Board).

Land Inquiry Shifts.

After winding up its sixth week of investigation before Justice of the Peace Travis Blakeslee in Austin, the court of inquiry into overall operations of the General Land Office moved to Corpus Christi.

Rain Boosts Crops.

Unusually favorable moisture conditions throughout Texas have brightened the crop outlook considerably, says the U. S. Department of Agriculture.

Feed crops have made good development, according to USDA reports. Corn prospects are especially promising. Cotton prospects are "very promising."

Rains in scattered areas of central, eastern and northern Texas interrupted the harvesting of commercial vegetables, tomatoes in Central Texas and onions in North Texas.

Defense Alert.

William L. McGill, director of the state's civil defense organization, reports Texas' 1955 "alert" successful and highly realistic.

Had it been the real thing, Civil

Defense Coordinator R. E. Dyart,

said there would have been no casualties in Fort Worth, but more than one-fourth of Houston's population would have been wiped out. Lubbock would have been a victim. El Paso would have been saved. Also Bergstrom Air Force Base near Austin.

High praise was given Nederland and its 5,000 citizens for moving "successfully and smoothly" in a mass evacuation.

Miss Peggy Ellis Complimented With Tea Last Week

Miss Peggy Jan Ellis, bride-elect of Doyle Edward O'Neal of De Leon, was complimented with a tea shower Thursday afternoon, June 16.

The shower was given in the home of Mrs. J. E. Wooten. Co-hostesses were Mrs. Ray Stipe, Mrs. R. B. Jackson, Mrs. R. B. McClure and Mrs. Milton Dunlop.

The guests were greeted at the door by the honoree, her mother, Mrs. Rex Ellis, Mrs. Loyd Cohen of De Leon, Mrs. Willard A. Tressler of Jennerstown, Pa., and Mrs. James Rainwater of Fort Worth.

The guests registered at the bride's book, presided over by Miss Margo Partain. Misses Georgia Holladay and Jean Rainwater served the punch from a crystal punch bowl. The table was covered with a lace tablecloth over mint green and centered with a lovely arrangement of yellow gladioli and roses, flanked with white tapers in crystal holders. A bride's bouquet of yellow rose buds festooned with white satin streamers also decorated the refreshment table.

Miss Ellis, daughter of Mr. and Mrs. Rex Ellis, and Mr. O'Neal will be married Saturday evening, June 25, at the First Baptist Church in Hico.

LETTERS from Readers

Dear Editor:

It has rained and our cows are grazing in the meadow. What a contrast to the desert-like conditions of the recent past. Our tensions are somewhat slackened. We now can think of the past while we plan for the future.

Mr. Jim Turnbow's write up in your paper interests us very much because his kinsmen and the other persons of whom he writes were contemporaries of our people, who came here 101 years ago. However none of our kinsmen are buried in the Turnbow Cemetery, we do take an interest in it because most of its occupants were closely associated with our kinsmen who are resting in other cemeteries of the county.

We personally knew Andrew, Houston, John, Bill and Joe Turnbow; also we knew the Keys, Maloney's, Moores, Salmons, Roses, Whisenants, Wileys, Branns, Loden's, Lowerys, Buchanans, Delishers, Parishs, Foxes, Mitchells, Caudles, Mathews, Loves, Roberts, and many others of the old timers.

This reminds me of Alexander when it was the metropolis of the country west of Waco. These people were the main props of the city when many persons wended their ways on ox wagons, on horseback, or even on foot from 100 miles north, south and west to meet the "Iron Horse" with its load of lumber and wire and coffee and sugar, and immigrants. These with the help and guidance of the people who now populate the cities of the dead, made our country what it is. When these people came here, this was a vertible wilderness where a few wandering Indians without culture (in our sense) let the country be just as it had been for millions of years. These people (our predecessors) changed the order to a civilized way where we live in air conditioned houses, eat what we like, ride comfortably (sometimes safely) in heated or air-conditioned cars, or in airplanes at supersonic speeds, or we sit and see and hear the doings around the wide world only minutes after they happen.

Mr. Turnbow and others are doing a great job of keeping their cemetery. We deeply respect every occupant of it that we know, however, none of our kinsmen are buried there, but they are sleeping in other places over the country. We know that these places are the last earthly homes for these benefactors of ours. We would, like others, respect their worthy ancestors to whom we all owe our present peace and security.

Thanks for the Turnbow example. (As far as we know, there isn't a better kept cemetery anywhere.) ROY DERRICK.

Ronnie Hefner Celebrates Sixth Birthday With Party

Ronnie Hefner was honored on his sixth birthday with a party Wednesday afternoon, June 22, given by his mother, Mrs. Donald Hefner at their home.

A western motif was carried out with the western-decorated cake and favors. Cake and punch were served the little guests. Tootsie rolls, bubble gum and miniature cowboys were given as favors to: Brenda Smith, Bud Hanzhaw, Barbara and Jerry Casey, Denna Meador, Diane and Penny Dunlop, Danny Jenkins, Nelly Don and Jim Wolfe, Jerry Williams, Stephanie Chandler, Linda and Diane Jaggars, Joe Frank Taylor and Carolyn Wooten.

Pink and Blue Shower Honors Mrs. Roberson

Mrs. Bob Hancock, Mrs. J. B. Woodard, Mrs. Bernell Jernigan, Mrs. R. E. Jackson and Mrs. R. E. McClure, members of the Home Makers Sunday School Class of First Baptist Church, were hostesses for a pink and blue shower Wednesday afternoon, June 22, in the Hancock home honoring Mrs. Clinton Loyd Roberson.

Miss Wanda Nell Roberson registered the guests and Mrs. P. W. Hamilton presided in the gift room. The tea table was covered with a white lace cloth and centered with a lovely arrangement of pink flowers and a tall stork surrounded by pink and blue streamers, carrying out the pink and blue chosen colors. Mrs. R. B. McClure and Mrs. R. E. Jackson served refreshments.

Seventy-five guests called or sent gifts during the afternoon.

We Buy Grain, Seed Cleaning Service, Markman's Feed & Hatchery, Meridian, Texas.

STUBBLEFIELD & TRAMMELL FAMILIES HOLD REUNION

The Stubblefield and Trammell families met for their first annual family reunion at the Lakeview Methodist Assembly at Elkhart, Texas on June 19. A picnic style dinner was enjoyed by 64 people, with others coming after dinner.

Mr. and Mrs. John Trammell of Hico and their daughter, Mr. and Mrs. Norman Gance of Ardmore, Okla., were present to meet and

renew acquaintances with relatives. Mr. Trammell had two brothers and one sister present. He had not seen one of the brothers in about fifteen years, and many happy thoughts were renewed. One sister was unable to attend.

Mr. W. A. Stubblefield, who now lives at Kemp, and who celebrated his ninetieth birthday last Thursday, was present, along with two of his daughters and one son. Mr. Stubblefield's only living brother was also present.

some Teen Vacation time tips

This summer, if teens will just remember to use the telephone sparingly everything will be fine. How? For example, watching TV and talking on the phone at the same time can stretch your conversation too long. So play it fair. Means better service for everyone—including you.

A WELL organized move is now under way in the Congress to make dairy products one of the so-called basic crops, subject to the same production controls as other basics in order to get mandatory 90% of parity price controls. It will be remembered that in the last Congress, it was a bloc of dairy representatives in House and Senate who moved over to support of the sliding scale of parity supports in the fight on the amendment to the 90% of parity bill. Then when the amendments came up to raise the dairy supports above the 75% of parity level set by Secretary of Agriculture Benson, enough votes from the "basic bloc" went against them in retaliation for their desertion of the farm bloc, so that the dairy bloc lost in their fight to raise their own supports above 75%. And this gave the dairy farmers the excuse they needed to vote for the sliding scale on the final vote which defeated the 90% parity support issue. Representative Lester Johnson, of Wisconsin has introduced a bill, H. R. 4390, which would make dairy products a basic crop and provides for a referendum on whether to eliminate "surplus" production of milk and butterfat for manufacturing uses in order to receive 90% of parity supports through the production payment method. If two-thirds of all dairymen voting agreed to cut production, supports would go into effect along with marketing quotas assigned to each farmer. If more than one-third of these voting rejected quotas, dairy products would be supported only at 90% of parity, which corresponds to provisions affecting other basics.

The makers of **Super-Refined No-Nox**, the clean-burning gasoline, now bring you a new super-refined motor oil...

New Gulfpride H.D. Select

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30. Lets you follow your car manufacturer's recommendation for each season.

...the **only** motor oil in the world **super-refined** by the Alchlor Process for modern high-compression engines.

Not a compromise, multi-viscosity oil that tries to be an "all-season," "three-grades-in-one" oil. Contains no artificial thickeners that break down in your engine and increase oil consumption.

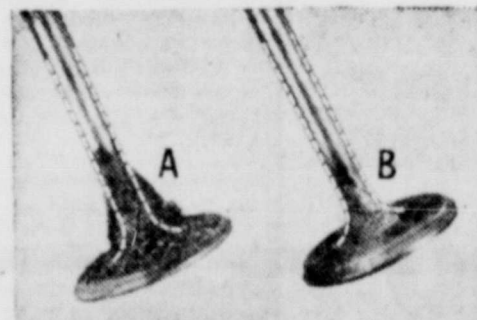

This completely new kind of motor oil—made possible by Gulf's exclusive Alchlor Process—is available in 3 grades to give you the finest protection, the best oil mileage for your make of car—in every season.

- **Controls carbon**—cause of knock, pre-ignition, valve failure and loss of power in high-compression engines.
- **Combats corrosive acids**, rust and deposits that build up on engine parts. Keeps hydraulic valve lifters quiet and free-acting.
- **Assures lower oil consumption** than the multi-viscosity "all-season" motor oils, because it has natural viscosity and contains no artificial thickeners that break down in your engine.
- **Provides the toughest protective film** ever developed in a motor oil... assures better engine protection for all cars under all driving conditions.

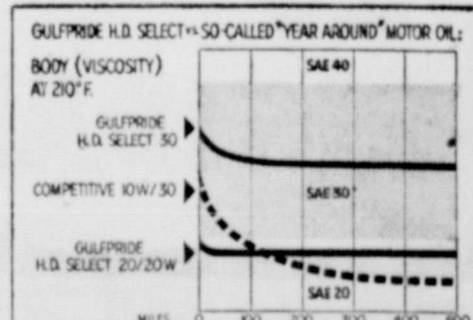

Now! For the ultimate in working octane performance and engine protection, always use Gulf's super-refined gas-oil team...

New Gulf No-Nox Gasoline
New Gulfpride H.D. Select Motor Oil

"Coked" valve "A" is from engine using a so-called "all-season," multi-grade oil. Coke-like carbon deposit is a cause of sluggish performance and ultimate valve failure. Clean valve "B" is from engine using new Gulfpride.

See how Gulfpride H.D. Select holds its "body" (viscosity). This new oil contains no artificial thickeners that break down under heat and pressure. But note how quickly a typical multi-viscosity 10W-30 oil starts to lose its body.

RE-ESTABLISHING TEXAS PASTURES

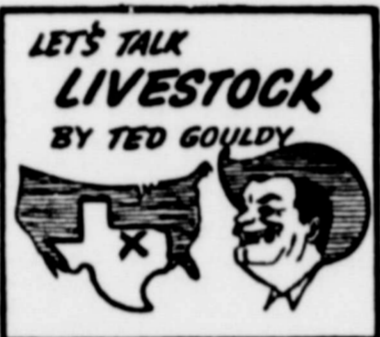

Drought-breaking rains in many parts of the state have focused attention on the need to restore vital pastureland ravaged by five years of burning dry weather. Many thousands of acres of rangeland, especially in West Texas, have been relegated to "second table" or even barren condition during the drought. Rainfall, alone, will not restore it to proper productivity without additional care. Landowners must take into consideration the makeup of the soil when they start seeding operations. Plenty of seed but too little lime and fertilizer may mean "poor luck" in establishing a good pasture. There are scores of reasons for poor stands and failures, including planting seed too deep or too shallow, lack of firmness of seed bed, use of poor quality or unadapted seed and competition by weeds. These are particularly true when a good legume-grass cover is attempted. Yet, the major cause appears to be a lack of plant nutrients. Some 4 million of our nation's farms are below even minimum standards on grass culture. The complacency shown by many growers in regard to regular and disastrous stand failures is costing them an extra \$50 million a year for seed, alone. Before seeding a field, it is to the farmer's advantage to get a complete soil analysis and determine what nutrients it may need to guarantee a good crop. On one Central Texas farm, proper fertilization meant the difference between 2,270 pounds of weed-free forage per acre as compared with a previous yield of 410 pounds containing 40 to 70 per cent weeds. Grassland farmers are urged to consult their county agents or write direct to the Texas Department of Agriculture, Austin, for soil sample information. Proper planning beforehand may mean the difference between success and failure in re-establishing pastures wiped out by the drought.

Sloum, Cresson rancher and member of the famous Sloum Bros. ranching operations southwest of Fort Worth. For three generations their ranch has been used to feed and pasture cattle and is one of Texas' best grass countries. Sloum is highly regarded among commercial cattle men and his selection was hailed as another very happy choice. Inquiries from Arkansas, Mississippi, Florida and Iowa have been received from potential buyers, and are heavy, including some from East Texas, North Texas, the plains area and from South Texas clear down to Beeville.

Sheep and Lambs, Open Fully Steady, Top \$22.50. Once again the marketing opened at Fort Worth Monday with over 10,000 sheep and lambs at hand and prices were fully steady to strong. Choice fat Spring lambs topped at \$22 and \$22.50, and some good clipped yearling lambs sold at \$16, with choice kinds quotable \$16 to \$17. Feeder Spring lambs at \$15.50 down, and old crop wether feeder lambs sold around \$12 to \$12.50. Yearling ewes were quotable around \$15, and stocker ewes continued very scarce and in very broad demand.

Something For The Figure Addicts! Somebody figured out that 2,606,000,000 hot dogs will be consumed this year between Memorial Day and Labor Day. This would be a string of hot dogs 246,780 miles long, or ten times the circumference of the earth. This averages 15.85 hot dogs per capita for over 164,000,000 population. Last year it was only 15.33 hot dogs per capita. Pass the mustard, willya!

CHURCH OF CHRIST CRANFILLS GAP, TEXAS Sunday— 10:00 a. m. Bible Study 11:00 a. m. Worship and Communion. 8:00 p. m. Evening Worship. Preaching by John S. Jordan.

Hogs Highest Since Last September!

Hog prices opened 25 to 50 cents higher at Fort Worth Monday and topped at \$21.25 to \$21.50, the best price here since September, 1954. Sows were steady at \$16 down.

Some Corn Belt markets reported as high as 40 to 50 per cent of their hog receipts were sows on Monday. Indicates the Corn Belt farmers are getting things squared away to devote more time to field work.

This may also indicate that fed cattle offerings will taper off a little at those points. Grainfed cattle have been under heavy pressure due to heavy movements to market since the first of the year. Prices on fed cattle are 20 per cent lower now than on January 1.

Cows and Slaughtering Calves Decline Sharply.

Shippers and independent packers, as well as the major packers, bore down on cow prices at Fort Worth in Monday's trade and prices were sharply lower. Slaughter calves also met sharply lower bids in most cases. It was the first serious break in prices on these classes in several weeks.

Fed steers and yearlings were scarce and steady. Two loads of good supplementally fed steers weighing 1,145 pounds from Roscoe Edwards of Ringgold, Texas, were on the market. These sold at \$21 and were one of the first shipments of these good pasture fattened steers from the North Texas area to show on the market this season.

Stocker trade continues to be active and steady to strong. Bulls were also fully steady to strong. Comparative prices included: good and choice fed steers and yearlings \$19.00-22.00; common and medium \$11.00-18.00; fat cows 10.00-13.50; canners and cutters \$6.00-11.00. Bulls \$10.00-14.50; slaughter calves \$10.00-19.50, a few to \$20.00 and better sparingly. Stocker steer calves \$22.50 down; steer yearlings \$21.50 down. Some older feeder steers \$19.50 downward. Stocker cows \$8.00-12.50.

Sloum and Idol to Judge Herefords.

Henry Elder, secretary of the Texas Hereford Association, reported that Jack Idol, manager of the League Ranch Estate, Benjamin, Texas, has accepted a judges post in the Hereford feeder calf sale to be held at Fort Worth June 30. Idol is widely known and has spent a lifetime producing good feeders and will be a popular choice to judge them. Third judge named was Furd

COUNTY AGENT REPORTS

By E. R. LAWRENCE

Last week we had our summer 4-H Club camp over at the swimming pool at Cranfills Gap. We had an even 100 for the two day affair. Of this number fourteen were adult leaders who helped make the camp a fine success. We sure do appreciate all the help these leaders gave and without them I just don't see how a camp could be run.

The following leaders are those who helped. Mrs. Walter Greenwade, Meridian; Mrs. Milton Linberg, Cranfills Gap; Mr. and Mrs. L. C. Howard, Meridian; Mrs. W. Wenzel, Clifton; Mrs. Garion Streater, Hamilton; Mrs. Buckingham, Walnut Springs; Mrs. E. B. Wilson, Pottsville; Mrs. R. D. Wilson, Pottsville; Mr. Alfred Marwitz, Pottsville; Mr. Otto Marwitz, Pottsville.

The ladies helped in getting the boys and girls fed, also in teaching them crafts. Getting one hundred people fed on a camp is a pretty big job but once those ladies got things organized, they really fed us, and how!

Otto Marwitz was in charge of all swimming activities and saw that everyone got to swim all they wanted to, and at the same time didn't get into any trouble in the water.

Alfred Marwitz was in charge of all the baseball contests and had games going from morning until night. This year at the camp most of the activities were placed on a contest basis and ribbons were given to winners. One interesting contest for the boys was a calf tying contest. Art Shahan, county agent in Bosque County, has a wooden calf made for practice work for calf tying. The calf is tied to a tree on a twenty foot rope. Boys have a starting point from which they take off from and as they cross the starting line

they are timed with a stop watch. They throw the calf and tie it just like they would a real calf. Some of the boys were able to do it a little better than six seconds. In crafts this year the boys and girls were taught how to make a "Buddy Burner." This thing is made from a one-pound coffee can and a five quart oil can. A roll of corrugated paper is cut and rolled up to fit into the coffee can then a pound or so of paraffin is melted and poured into it. A cover is made from the oil can by punching a few holes around the bottom edge and also around the top edge. After the burner is lighted the cover is placed over it. This is a pretty good thing for small boys and girls to use when they are out during cold weather and need a little heat. It can be used to do some cooking on, I believe everyone enjoyed the camp this year more than they have in the past.

The cotton crop has made quite a change during the past week or so for the good. Lots of crops have been damaged by wind and also the thrips. Field inspections indicate that in many places the thrip damage is getting lighter and cotton is making a better growth. I have not found any boll weevil signs yet, neither have I found any flea hoppers. When weeds begin to dry up the flea hopper is likely to move over into the cotton and from now on it should be watched closely.

The flea hopper works up in the top of the plant and knocks off the very small tender buds or squares. Field checks should be made at least once a week for this insect, as well as the boll weevil. On some crops it is a little late to be making early season applications of poison, but if conditions warrant, insecticides should be applied.

HICO, TEXAS

FAIRY

By Mrs. Eunice Massengale

We were sorry to learn of the passing of Mrs. Simpson of Hico, who formerly resided in this community. She was an aunt of Mr. Emmett Anderson and Mrs. Byrd Slater.

Also we were sorry to learn of the death of Mr. George Kornegay of Hamilton, who passed away Saturday in McCloskey Hospital in Temple. Mr. Kornegay had been ill for more than a year. Funeral services were held Sunday afternoon at Hamilton with burial there. We extend our deepest sympathy to his bereaved companion, daughters, son, and other relatives.

We have received more than two inches of rain since our last writing. Farm work has been at a standstill most of the past week. There is still some grain to combine and row crops need plowing. Corn and maize have grown so fast much of it is too high to be plowed even though the ground was dry enough.

Gardens are still thriving with an abundance of most everything. Seems the stalks of these beans are going to turn to beans them-

selves. Much has been canned and frozen the county over and we feel very thankful for an abundance of vegetables for our winter supply.

We have been informed that Dr. George Blackwell, ear, eye, nose and throat specialist of Gorman, has passed away recently. Many will be sorry to learn of his death.

Mr. and Mrs. Texie Dell Allison of Fort Worth and D. E. Allison of Dublin were Father's Day visitors with their parents, Mr. and Mrs. Edd Allison. Mr. and Mrs. Texie Allison also visited during the week end with her parents, Mr. and Mrs. Garlon Streater and family.

Mr. and Mrs. Frank Driver were in Dallas Sunday to attend a family reunion of the Driver families.

Mr. and Mrs. Carl Ray Sellers and Jimmie Don visited Sunday afternoon in the home of her sister and niece, Mr. and Mrs. D. E. Allison and Darrel and Mr. and Mrs. Wayne Pittman, all of Dublin. Carolyn Sellers, who had visited since Thursday with her cousins, Mr. and Mrs. Wayne Pittman, returned home with her parents.

Mrs. Emma Ogle visited last Sunday week in the home of her

brother, Mr. and Mrs. Bob Fort of the Boggy Community near Cranfills Gap.

The writer attended singing at Warrens Creek Baptist Church last Sunday afternoon, accompanying Mr. and Mrs. A. H. Sumnerford from Hamilton. On our return to Hamilton we visited a while with our dear friend, Mrs. Minnie McCarty. Sorry to report her suffering from the rash on her arm again. The rash will seem almost healed then break out again. She has suffered much the past few months and we do hope that something can be done to heal it entirely. She has been bedridden due to a broken hip and also a paralytic stroke she suffered some six or seven years ago. She resided in the Fairy community many years. She will have a birthday on July 1. We hope all of her friends will remember her on this day with a card and letter shower. You don't necessarily have to know her. We feel sure your card or letter would be appreciated. Do we ever stop to think and offer prayer for those less fortunate than ourselves? Many are discouraged by some illness, a shut-in or probably hospitalized and can only enjoy the beauty of the outside by what they can see from their window from their hospital bed. We could brighten their days and make the time seem shorter with words of love and encouragement. Let's not forget our fellowman in time of need. For God will surely bless us for every good deed.

Mr. and Mrs. Glenn Arrant spent the week end with their parents, Mr. and Mrs. Ted Arrant and Mr. and Mrs. W. E. Cunningham.

Mr. and Mrs. Benton Stalley visited a few hours Saturday afternoon in the home of her sister, Mrs. Emma Ogle. They were returning to their home in Dallas after attending the Texas Real Estate Association in San Antonio.

Mr. and Mrs. Scott Blakley and Lora Jane and her parents, Mr. and Mrs. J. L. McCoy and son Ernest were in Glen Rose Sunday to attend a family reunion of the McCoy families. All of the children of the J. L. McCoy family were present except Charlie of near Jackboro. Mr. J. L. McCoy's sisters and brothers were all present with the exception of one sister who was unable to attend due to illness of her husband, also one of Mrs. McCoy's sisters was unable to attend. There were forty-one present and all voted to make it an annual affair.

Mr. and Mrs. Willis McAdams of near Cranfills Gap visited Monday in the home of their son, Mr. and Mrs. R. W. McAdams and family and her father, Uncle Bob Parks.

Mrs. Gladys Cox received a letter recently from the former Ovie Greer, daughter of the late Will Greer, telling of the death of her father, who passed away recently. She stated that her father died in St. Paul, Minn., where he and his wife had gone for a visit with her relatives. He suffered a stroke while there and recovered sufficiently to be making plans for his return home when he suffered a fatal heart attack. He was 73 years old. He and his wife resided in a nice modern apartment built for them near the home of this daughter. She stated that she talked to her father by telephone a short time before his death. He asked that one of the two son-in-laws come to drive the car back for them. After receiving word of his death the two daughters, Ovie and Tava flew to St. Paul to make arrangements for the return of his body. His first wife was Fannie Cox, sister of P. L. Cox of Fairy.

Mrs. M. E. Parks and son Audie visited Sunday in the home of Mr. and Mrs. Elzie Lee Parks and baby and Mr. and Mrs. Milford Miller and Ronald of Fort Worth, son and daughter and families of Mrs. Parks.

We have just learned since reaching the post office that J. L. (Jude) Shields passed away Monday at 9 a. m. at McCloskey Hospital in Temple. Funeral services are to be held this afternoon (Tuesday) at the Barrow-Rutledge Funeral Chapel in Hico. A further obituary will be given in next weeks news. We extend sympathy to the bereaved relatives.

Mr. and Mrs. George Loden of Waco visited Monday night in the home of his sister, Mr. and Mrs. W. E. Goynes and Lynda.

Miss Lynda Goynes spent the week end in Fort Worth visiting her sister, Miss Wilma Grace. Wilma Grace visited home folks Saturday and she accompanied her home.

Mary Nell Jones, who is employed in Fort Worth spent the week end with her parents, Mr. and Mrs. Irvin Jones and Irvin Jr.

Mr. and Mrs. Chester Claywell of Mineral Wells came down Monday for a visit with old friends and neighbors. They visited Monday night with Mr. and Mrs. H. B. Brummett, and are visiting today, Tuesday, with Mr. and Mrs. Edd Allison.

Mrs. R. L. Miller is a patient in the Hico Hospital, suffering with a throat infection.

Mr. and Mrs. N. S. Sellers of Hamilton visited Tuesday in the home of their son, Mr. and Mrs. Carl Ray Sellers and family.

CARD OF THANKS

To all the friends who were so kind during the long shut-in period and illness and death of our mother, Mrs. H. H. Simpson, we wish to say, humbly and gratefully "Thank You" for every demonstration of your love and sympathy. Thank you for the prayers, the songs, the visits, beautiful food, for the services in sitting up through the days and nights, which all express love of Christ working through you.

Gratefully,
