Mission Rally Slated Saturday Night at Hamilton

A Mission Rally has been slated Saturday night at the First Baptist Church in Hamilton. Purpose of the rally will be for Missionaries who will take part in the county-wide Mission Revival slated March 27 through April 1, to get acquainted with each other.

The meeting will also serve as a get-acquainted period for all churches as well as the Missionaries, according to the local pastor, Rev. Geo. Harris.

Those planning to attend the rally from the Hico church will meet at the church at 6:45.

The schedule of speakers at the local church for the special week is as follows:

Sunday morning, Mr. Day, who will be staying in Hico in the home of Mr. and Mrs. Robert Jackson.

Sunday evening, Mr. Trulove. Monday, Mrs. Wade. Tuesday, Mr. Jackson. Wednesday, film showing. Thursday, Mr. Russell.

Athletic Banquet Set April 12

A tentative date of Tuesday, April 12, has been set for the Annual Athletic Banquet, sponsored each year by the Hico Civic Club.

Members of the committee in charge of arrangements are Ray Cheek, R. B. Jackson and O. C. Cook.

The committee has secured Bobby Conrad of Clifton as speaker for the occasion. Conrad was a member of the Texas A & M football team during college, and for the past two years has starred with the professional Chicago Cardinals. At present he is residing in his hometown of Clifton, where he is associated with an automobile agency.

The annual banquet honors all members of athletic teams at the local high school.

One Census Enumerator Will Be Assigned to Town of Hico

Thirteen enumerators will be assigned to take part in the census of Hamilton, part of Erath and part of Comanche Counties, according to Jess Reeves, Carlton, head of the 1960 census in this area.

One enumerator will be assigned to Hico.

An enumerator school will begin March 28 at the Parrish House in Hamilton, according to Mr. Reeves.

Anyone here interested in the position locally are urged to contact Mr. Reeves.

Classes 1949-1955 Will Hold Reunion Saturday, April 16

Members of the graduating classes 1949 through 1955 of Hico High School will hold their annual reunion Saturday night, April 16, at 7:30 p.m. in the Youth Center.

Mrs. Ralph Turner, secretary of the group, made the announcement, and urged all members of these classes to plan to attend.

Cub Scouts Den 1 and 2 Meet Thursday, Mar. 17

Cub Scouts, Den 1 and 2 met at the Den House on Thursday of last week for their regular meeting.

Billy Cooper and Wayne Ross completed their 12 achievements for their Wolfe Badges, and Billy Cooper also completed his 10 electives for his Gold Arrow.

Mrs. Ganske served refreshments to the Scouts, honoring her son, Bryan, on his 9th birthday.

Birthday cake and cold drinks were served to Wayne Baker, Billy Cooper, Russell Cryer, Wayne Ross, Joe Tooley, James Gosden, Bryan Ganske, and Den Mothers Mrs. James Cryer and Mrs. H. R. Baker, and assistant Den Mother Mrs. John Cooper.

Mr. and Mrs. Maron Lynch were in Dallas Sunday to visit with his niece, Mrs. Venniea Whitfield.

Funeral Services Held Sunday For Mickey Earl Land, 4

Funeral services were held last Sunday afternoon at 3:30 o'clock in the Duffau Baptist Church for Mickey Earl Land, 4, young son of Mr. and Mrs. Chester Land.

Rev. Royal Cotton of Dallas officiated, with burial made in the Hico Cemetery under the direction of Barrow-Rutledge Funeral Home.

Mickey was fatally injured Saturday morning while riding on a tractor with his father and a brother. A lever he was holding came loose, causing him to lose his balance. A rear wheel of the tractor passed over the boy before his father could stop. He died shortly after being brought to Hico Hospital.

The accident was the second tragedy to befall the family in seven years. The Land's only daughter, Charlene, was crushed to death in 1953 when a grain drill on which she was playing fell on her. She was eight years old at the time of death.

Survivors are the parents; two

Mrs. Will Hardy, Lifelong Resident, Buried Last Thursday

Funeral services were held last Thursday at 3 p.m. in the Barrow-Rutledge Funeral Chapel for Mrs. Laddie May Hardy, 73. Rev. George Harris, pastor of First Baptist Church, officiated, and burial was made in the Hico Cemetery.

Mrs. Hardy passed away at her home after a lengthy illness. She had been a resident of Hico for the past 65 years.

Survivors include her husband; one daughter, Mrs. J. D. Mitchell of Fort Worth; five sisters, Mrs. D. R. McCarty of Redland, Calif., Mrs. Nellie B. Campbell of Lemon Grove, Calif.; Mrs. Joe Wright of Edna, Mrs. Herman J. Cox of Breckenridge, and Mrs. C. B. Hardy of Yuma, Arizona; and two brothers, Ollie Gamble of Yuma, Arizona and Roy Gamble of Williams, Arizona.

Pallbearers were Orville Ogle, Fred J. Jaggars, Pete Keller, Sim Everett, Jack Malone and A. C. Mitchell.

Miss Quata Woods Presented Life P-TA Membership

Miss Quata Woods, principal of Obadiah Knight Elementary School, Dallas, was presented a life membership in the National P-TA Thursday evening of last week in the school auditorium.

Presentation of the award was made as a token of respect from the parents, teachers and children of the community in which she has served as teacher and principal since Sept. 1939. The award is the highest honor bestowed by the P-TA.

Preceding the program, Miss Woods was honored at a luncheon in the home of Mrs. F. G. Yarbrough. Seventeen former presidents of the P-TA were guests.

Miss Woods is a member of the Dallas Business and Professional Women's Club, the American Association of University Women, Texas State Teachers Association, the Texas and National Elementary Principals Association, and Dallas Administrators Club. She is a past president of the local group of the American Childhood Education.

Miss Woods is formerly from Hico.

Mrs. D. H. Burden and grandson, Ronnie Burden of Dallas visited Wednesday in the home of their mother and grandmother, Mrs. W. L. Malone.

Clairette Youth Awarded Graduate Research Grant

Lubbock, March 23.—Graduate research assistantships totaling more than \$10,000 have been awarded to five senior Texas Tech entomology majors by three universities.

Dr. Don W. Ashdown, who directs agricultural entomology courses at Tech, said the men have accepted research assistantships at Cornell University, the University of Wisconsin and Louisiana State University.

James Marshall of Clairette is listed among the five students who will receive the grants.

The son of Mr. and Mrs. Lee Marshall, he will receive a \$2,500 assistantship grant and tuition while working toward a Ph.D. degree in entomology.

Marshall has served four years in the U. S. Navy as a machinist's mate. He is a member of Alpha Zeta, agricultural honorary.

He is married to the former Deborah Pruett of Clairette, who will receive a bachelor's degree in history in May.

H. A. Leaverton Makes Statement To County Voters

In 1958 you nominated me for State Representative by an overwhelming majority of more than 4 to 1. I've tried to repay that confidence by giving my best efforts to your interests. I am not perfect; I have made mistakes; but I believe my overall accomplishments warrant my nomination for a second term.

Here I must be brief. I am a small stock farmer; my district is largely the same. Therefore, I supported the Farm Bureau Program. I favored a tax program in accord with ability to pay rather than one placing the burden on the family budget. I am a moderate and an advocate of economy. My liberal tendencies, if any, are in the interest of schools—so vital and essential to our children and the defense of our nation.

I was author of the bill that raised Tarleton State College to a four-year college. We secured a good appropriation for the Gatesville State School for Boys; in this appropriation was a real security building that will check the depredations of the more vicious boys. I cast my vote for the improvement of our colleges. I made a continuous effort to raise the standard of our public schools.

I gave support to our highways, but with checks on waste and extravagance when possible. I fought successfully a bill to take the money for our farm to market roads and build expressways in cities.

I actively supported every effort to put into effect the improvement of old age care, voted by the people. We reported out of the appropriation committee a resolution requesting the submission of the welfare program to the special session then in progress. The proposed Constitutional Amendment to give \$2000.00 State exemption on homesteads of people 65 years of age and over had my support.

Friends, my efforts in your behalf have been largely successful; I trust you will approve by giving me a second term.

Your Representative,
H. A. LEAVERTON.

ERATH JUDGE HAS HEART SURGERY

Erath County Judge Dale Harbin underwent heart surgery Monday morning in a Houston hospital, and is reported to be improving satisfactorily.

Judging Will Begin at 9:30 Friday Morning

The 13th Annual Hico Livestock Show will be held today, Friday, at the City Park, and indications are that the show will again draw a large number of entries.

Invitations have been mailed to prospective exhibitors and to all vocational agriculture chapters in this area; and Harold Walker, chapter advisor, stated this week that the entry list would probably top the 300 mark.

Several hundred dollars in prize money will be distributed to winners of the show, the amount being upped in nearly all divisions this year. Winners will also receive ribbons.

Prize money for the show, for the most part, has been earned by chapter members, the major portion being derived from the sale of advertising in the show premium book.

Judging schedule is follows:
Swine, 9:30 a.m.
Sheep, 1:30 p.m.
Goats, 10:30 a.m.
Dairy, 11:00 a.m.
Poultry, 1:30 p.m.
Beef Cattle, 3:00 p.m.
Dogs, 3:00 p.m.

The Texas A & M College judging team will judge livestock at this year's show. Sammy Skiles of Weatherford will judge the dairy classes, and Doyle Graves of Stephenville will judge poultry.

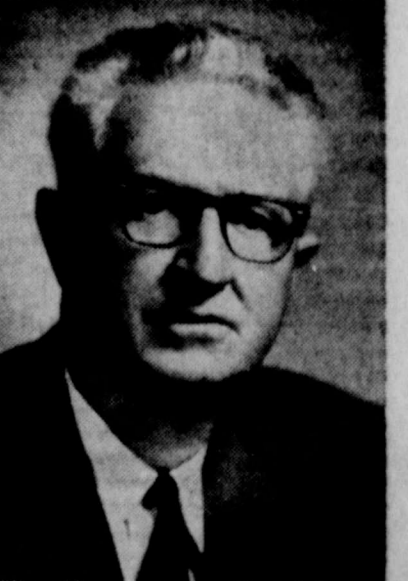

The A & M team has won the three major judging contests this past year, winning at the American Royal at Kansas City, the International at Chicago, and the Southwestern Exposition at Fort Worth.

Show officials stated that all entries must be in place by 9:30 a.m. Friday, and remain until released that afternoon. Entries may be made at the show grounds the day of the show.

An auction sale will be held immediately after the final judging event, with only local projects being offered for sale. Walker said this week that only a few fat barrows would be offered, and possibly one pen of capons.

Most businesses in Hico will close from 2 until 4:30 Friday afternoon in order that merchants and their employees may attend the show.

The local FFA Chapter will operate their concession stand at the show ground again this year, and will offer sandwiches, hot dogs, cold drinks and coffee to visitors.

SEEKS RE-ELECTION—Judge Robert G. Hughes, former Hicoan, is seeking re-election as Chief Justice of the Supreme Court of Texas. Judge Hughes was reared in Hico, finishing school here. Known here as "Runt", the now prominent state official was a quarterback on one of the best high school football teams of the era.

FAIRY

By MRS. EUNICE DANIEL

Our hearts go out in deepest sympathy to the Chester Land family and other relatives in the tragic death of their baby son, who died of injuries received when he fell from a tractor he was riding with his father and brother last Saturday. It will be remembered that the Lands lost their only daughter seven years ago when she was killed while playing on a grain drill near the home. We too have drunk the bitter cup of sorrow due to tragedy and can deeply sympathize. May they look to God for comfort and to the great beyond where there will be no tragedies or sorrows, but where they will all be re-united and sad partings will come no more.

We were sorry to learn of the passing of Grandma Walker, who died Sunday at the home of her son, George Walker of the Lanham community. Funeral services were held Monday afternoon at the Barrow Rutledge Funeral Chapel in Hico, with burial at Carlton.

Mr. and Mrs. Bob Sims of Midlothian and cousin, Mrs. Lavy Atwell of Hutchins visited last Sunday week in the home of their aunt, Mr. and Mrs. Leota Jones and other relatives.

Mr. and Mrs. Lloyd Bolstad and children, DeeAnn and Glenn of Laurel, Miss., came in Friday of last week for a visit in the home

of her parents, Mr. and Mrs. E. M. Hoover.

Mr. and Mrs. Ralph Spencer and sons, Don and Dickie of Lubbock visited from Friday until Sunday morning in the home of her parents, Mr. and Mrs. E. M. Hoover and to be with her sister and family, the Lloyd Bolstads.

Mr. and Mrs. E. L. Parks and two daughters of Fort Worth and Mr. and Mrs. Delbert Pack of Stephenville visited Sunday in the home of their mother and brother, Mrs. M. E. Parks and Audie.

Mr. and Mrs. Morton Jameson and family spent the week end in the home of her parents, Mr. and Mrs. L. V. Houser.

Mr. and Mrs. Claude Brunson of Hico visited Sunday in the home of their daughter, Mr. and Mrs. Herman Sills.

Mr. and Mrs. D. E. Allison of Dublin visited a while Sunday afternoon in the home of her sister, Mr. and Mrs. Carl Ray Sellers and family.

Mrs. Annie Newman and Mrs. Prentis Newman of near Duffau visited Saturday in the home of the former's daughter, Mr. and Mrs. E. M. Hoover.

The writer attended singing Sunday afternoon at Warrens Creek Baptist Church and visited after singing hours in the Roy Blansit home west of Hamilton, and at the Hamilton nursing home.

The regular fourth Sunday singing will be held at the Olin Baptist Church Sunday from 2 to 4 p.m. All have a cordial invitation to attend.

Mr. and Mrs. E. M. Hoover and the writer were business visitors in Stephenville last Friday.

Some farmers have been able to resume farm work. Much of the land is in need of plowing due to so much rain and weed and volunteer grain growth.

All have been enjoying the spring weather for the past few days and are in hopes it will continue pretty and warm for awhile. Nights are still cool.

The writer was at the W. L. Turner Suffolk sheep farm Monday near Gatesville to purchase stock.

We received a short letter from Mrs. Bell (Crow) Joiner of Fort Worth last week, accompanied by a check for \$5.00 for the Fairy Cemetery Association. Mrs. Joiner was reared near Fairy, her parents and many other relatives are buried here, and we appreciate her thoughtfulness with a donation.

We were informed Sunday by Auther Burden that the \$30.00 donation sent in recently by the O. J. Fords for the cemetery was for the Ford brothers, Nathan, Elbert and Ollie. They also are former residents of Fairy and their parents and other relatives are buried here. At the time Mr. Burden received the check he didn't receive the information that Nathan and Elbert had also contributed to the donation. We surely thank all for their thoughtfulness and words of praise and appreciation in the care of the cemetery.

We would like very much to build a combination lunch table with tool enclosure at the cemetery. This to be built of rock or cement. We would like to get this made soon if funds can be secured. Anyone wishing to make a donation for this project or donate rock or any usable materials will be highly appreciated. Just leave rock at the walnut tree at the west gate. You may carve your name or initials on one of the rocks if you so desire.

Mrs. Bob White of the Lanham community is a patient in the Hico Hospital following major surgery recently. They reside on the old Cornelius place. His sister and husband, Mr. and Mrs. Clint Crosby are caring for their three small children at this time.

Harlon Wood of Grand Prairie, son of Mr. and Mrs. Chester Wood, formerly of Fairy, returned home Monday following surgery at the Hico Hospital last week. We hope all will soon be fully recovered.

The writer visited Thursday afternoon of last week with Mrs. F. M. Holland of Duffau, and also visited a short while with Mrs. Dora Landes of near Duffau.

The Lanham Methodist Church is nearing completion. They expect to complete it this week. The members and those who have worked so faithful with the project are to be commended for their efforts and feel sure they will feel repayed many fold while enjoying the comfort and conven-

ience of this nice modern church in years to come.

Mr. J. L. McCoy is still a patient at the Hico Hospital. The following relatives were here Sunday to visit with him: Mr. and Mrs. Johnnie McCoy of Dallas, Mr. and Mrs. Loice McCoy and Mr. and Mrs. Gerald Licett of Fort Worth, and a brother, Walter McCoy of near Hico. All were luncheon guests in the home of their sister and niece, Mr. and Mrs. Scott Blakley of Fairy.

Miss Lera Jane Blakley of Fort Worth spent the week end with her parents, Mr. and Mrs. Scott Blakley.

Miss Anita New and her brother, Truett of Fort Worth visited during the week end with their parents, Leslie New, and Mrs. New who is still a patient at Hico Hospital following throat surgery. We did not learn whether Truett's family accompanied him.

Birthdates for April which we have are Mrs. Lloyd Bolstad, Lau-

rel, Miss. April 1; Mrs. McCob, Stephenville, April 12; Billy Worth, April 14; Mrs. W. Man, Dublin and Mrs. Tinkle, Hamilton, April 13.

There will be a program at the school day night, March 25. Festivities will be for the athletic fund.

We have had ruptured discs in the lower back since the dawn of time, but the condition is being publicized more today than ever before. They are pointed out with a hoarse whisper and viewed with awe. They are certainly expensive to have, that is usually they are.

Because public records must be kept and are usually most accurate, a National Association went into the Workmens Compensation files of fourteen states and weeded out all the ruptured disc cases to see just what methods were most effective. The figures were astounding. Back sprains and ruptured discs were corrected quicker and at less cost by corrective chiropractic adjustments than any of the several methods represented.

The following case record, taken from our files, demonstrates what can be done with ruptured discs: A young housewife whose cramping pains in her hip, thigh and calf had been diagnosed ruptured disc for which expensive surgery had been recommended, came to our clinic in search of relief. A complete spinal nerve analysis located injuries which had been previously overlooked and Chiropractic spinal xrays were suggested. We began corrective adjustments the following day and within a comparatively short time all pain symptoms had subsided and today this young mother does all her own housework and is active in various civic clubs with no discomfort from her ruptured disc.

SPRING FEVER

Do you have that "run down" feeling which isn't due to iron deficiency? Well, if you do, it isn't that at all. It is only getting springtime and laziness is slowly creeping up on you.

I have noticed at school that everyone feels more chipper lately but you just hate to get down and get to work on that geometry or biology. The weather is getting nice and you just hate to stay in that classroom when you could be down on the river, laying under shade trees, fishing. Well, don't give up now and go buy Geritol. Just hang on a little longer and school will be out and you can do what you want to. But remember, until that time comes, you still have to bring up the grades on that last report card.

The jackets are a new style this year, and everyone likes the change.

Mike Lowe received a basketball jacket also. Under Interscholastic League rules, participants in sports events may receive only one letter award a year, and other members of the basketball team had previously received jackets in football.)

Everyone was real proud of their jackets, and we want to wear them even if it is getting warmer.

Some of the band students purchased a jacket for themselves this year, which hasn't been done in years past. The ones who bought jackets were Sylvia Sherrard, Mary Adams, Kay Cheek, Suzanne Burden, Shirley Greathouse and Nita Dunnigan.

DUFFAU

By MRS. PASCAL BROWN

Mickey Earl Land, 4 year old son of Mr. and Mrs. Chester Land was killed Saturday, March 19, when he fell from a tractor at his home. He was rushed to the Hico Hospital where he died a short time later.

Funeral services for Mickey were held at 3:30 p.m. Sunday at the Duffau Baptist Church. Burial was in Hico Cemetery. Services were conducted by Bro. Royal Cotton of Dallas, assisted by Gale Hogg of Fort Worth.

Pallbearers were A. L. Land, W. C. Urwin, Frank Young and Billy Adams.

We pray God's richest blessing upon the family at this hour of sorrow.

Out of town relatives attending the services were Mr. and Mrs. D. E. Copper and family of Sweetwater; Mr. and Mrs. Raymond Mayhew and Tommy of Sweetwater; Mr. and Mrs. Clive Hale and family of Andrews; Mrs. Velma Woodard of Sweetwater; Mrs. Irene Gill and family of Sweetwater; Mr. and Mrs. Grady Hancock and family of Houston; Mr. and Mrs. Frank Young and Ronald of Sweetwater; Mrs. Dwayne Dawson and son of Houston; Mrs. J. E. Hancock of Sweetwater; Mrs. Grace Cavitt and Betty of Sweetwater; Mrs. Bertha King, and Nita of Hobbs, New Mexico; Mr. and Mrs. Dan King of Midland; Bro. and Mrs. Bill Hunt of Louis-

ed football, and drives a '55 red and white Dodge. He is a good math student when he works at it and does very well in other classes.

He seems to dislike English. This boy traveled with some classmates to New Orleans, La., last week. Some of his interests are playing pool and dragging, and getting into Mrs. Angell's hair during English class.

This good natured boy, as you probably know, is none other than JAMES (Jimmy) JORDAN.

Dinner guests in the home of Mrs. Willard Sellman Sunday were Messrs. Bill and Herman Williams, Dr. and Mrs. Willard Sellman Jr. and children, Lynn and Carla, Bill Miller, and Miss Susie Wood, all of Dallas.

Mr. and Mrs. Dan Robinson, Mike and Reta have been visiting with his mother, Mrs. W. S. Robinson of Walnut Springs, who is a patient in the Hico Hospital following surgery last Thursday.

NEW LOOK IN SUITS, JACKETS AND COAT DRESSES

New coat dresses add special versatility to spring wardrobes this year. New versions of the new two-in-one style are being shown in novelty solid and printed silks. Soft, full skirts, neat small collars, and low patch pockets are features. Waistlines are belted and sleeves are deep and wide usually ending at the elbow.

Worn as part of a costume, the full-skirted coat dress is paired with a slim dress in matching or contrasting fabric—colored coats over black dresses, pastel and black coats over white dresses, and coats in matching or blending fabrics and colors.

Short, jacket costumes dominate the suit picture this spring. A few longer jackets, about 23 or 24 in. are being shown. Many dresses feature contrasting tops in prints or solid colored silks, attached to slim skirts. The print is repeated in jacket linings. Big buttons and wider sleeves are important details on short jackets.

This year the Chanel box jacket is lengthened to just below the hipbone. Cardigan jackets are popular again. Contrasting pipings

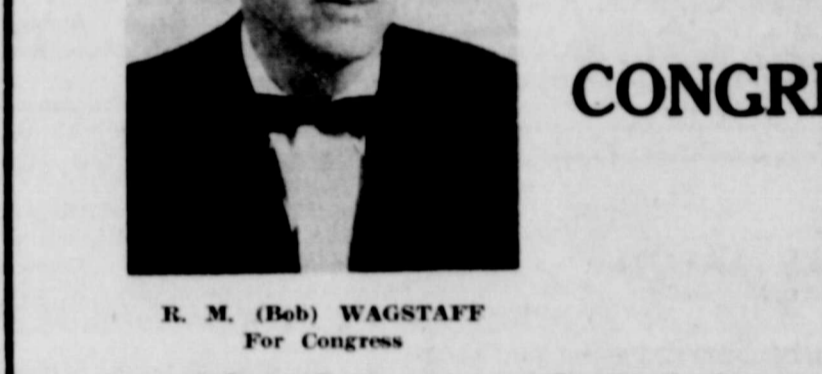

and in double-breasted styles, with piped pockets, and brass buttons are favorites this year.

NEW CLUES TO CLOTHING CARE

What kind of fiber? That's an important clue for consumers interested in the use and care of modern fabrics. It's a question that will be easier to answer now that the new Textile Fiber Products Identification Act is in effect. Now, each textile fiber product must carry a label which gives the generic (family) name and the percentages by weights of the fibers in the product.

We all recognize the natural fibers—cotton, linen, silk, and wool; however some of the man-made fibers have unfamiliar generic names. It is very important to learn these new names because they give an important clue to proper washing, drying and pressing temperatures and to spot removal.

Trade names also exist for many fibers. But when a manufacturer uses a trade name he must pair it with the generic names of fibers, so that you still have this important clue to clothing care.

COST OF A CAREER CONGRESSMAN

When Congressman Omar Burleson completes his fourteenth year in office, he will have drawn federal funds, as salary, in the amount of \$252,500.00.

In addition, he has had a stationary expense allowance of \$1,200 to \$1,800 per year; mileage for two trips each session from home to Washington at 20c per mile; expenses of an office in his district; clerk hire of over \$30,000.00 per year; airmail and special delivery stamps at \$400.00 per session; telephone and telegraph allowance; use of house recording studio; office equipment, automatic typewriter; addressing, recording and dictating machines, and his office is furnished. He will soon be eligible to move into the New House Office Building, whose rooms cost \$192,000.00 each, a 3-room suite for each Congressman costing \$576,000.00.

All expenses have been carefully taken care of by the government, so that the Congressman's salary is all his, subject only to the income tax and his deductions for Congressional Retirement Pension;

When he reaches age of 60 HIS CONGRESSIONAL RETIREMENT WILL BE ABOUT \$10,500 PER YEAR, to be paid to him annually during his lifetime.

But, Congress has been costing us more than the salary and expenses of the Congressman. That's just chicken feed! Here is what Congress has cost the people in the last 14 years—here is the real cost!

1. A public debt which has increased \$25,000,000,000.00 in the past 14 years, to the present fabulous amount of \$290,204,675,870.58.
2. Expenditures of \$834,316,000,000.00 in the past 14 years (In the entire 157 years before 1947, the U. S. Government spent only \$308,000,000,000.00!)
3. A dangerous situation in National Defense.
4. Fourteen years of fumbling with the farm problem, with the farmer's income now the lowest in 15 years, and with half the farmers driven off the farms in that period.
5. An inadequate Old Age Pension, while billions have been spent on the Pork Barrel Bills, which pass so easily through Congress each session.
6. Oil production in Texas down to 9 days per month, while 1,800,000 barrels of oil is imported daily.
7. A steady rise in the cost of living, continuous throughout the 14 year period, due to unbalanced budgets.

WHAT'S THE ANSWER? — RETIRE A LOT OF THESE CAREER CONGRESSMEN AND SEE WHAT HAPPENS!

District THDA Meeting Held Last Week At Stephenville

The District 8 Convention of the Texas Home Demonstration Association convened at noon Thursday, March 17, at Tarleton State College, and ended Friday noon. Dr. E. J. Howell, TSC president, welcomed the 250 club members.

Mrs. Marvin Rush of the Clairette Club, and Erath County Council Chairman, extended greetings. Mrs. L. M. Parker of Liberty Hill, vice-president, presided.

Guest speaker Thursday was Doyle Graves, TSC faculty member, and he told of his trip around the world, and his work with the people in Ceylon, showing slides of their people and country, which was greatly enjoyed by all.

L. B. Howard, manager of the Stephenville Chamber of Commerce, talked to the group also. Workshops in citizenship, civil defense, education, 4-H committee, health and safety, and recreation were conducted from 3 to 4:30.

The convention banquet was held in the TSC Cardinal Room at 6:30. The business session of the convention was held Friday, with Mrs. Parker presiding. Mrs. George Hackney of Greenville, state treasurer, gave a very inspiring talk. Mrs. W. A. Tate summarized the convention of District 8 in book form, which was one of the highlights to be long remembered by those attending.

Mrs. C. O. Bruce of Hillsboro was the only candidate for District vice-president for 1961, and she received all the 42 delegate votes.

The convention closed with the Erath County Council issuing an invitation for a return session in 1961.

Luncheon in McCullough Home is Courtesy of Mrs. Tom H. Wolfe

Mrs. H. E. McCullough and Mrs. Harry Hudson were hostesses for a luncheon in the home of Mrs. McCullough Thursday of last week, honoring Mrs. Tom Herbert Wolfe of RECEIFE, Brazil.

Colors of white and green, in the St. Patrick theme, were carried out in the decorations of the entertaining rooms. Tables were laid with white cloths and centered with arrangements of waxed hyacinths.

Present for the occasion were Mrs. May Bates, Mrs. H. V. Hedges, Mrs. W. F. Hafer, Mrs. Bob Herrin, Mrs. W. C. Howard, Mrs. Morse Ross, Mrs. Harold Walker, Mrs. M. I. Knudson, Mrs. Bill Stearman, Mrs. Odie Petsick, and Mrs. H. N. Wolfe, mother-in-law of the honoree.

Following games of bridge the hostesses presented Mrs. Wolfe a pair of porcelain figurines. Mrs. Ross was winner of high score and was presented a pair of hand blown flower vases. Mrs. Walker held second high and was presented a hand painted ash tray. A Mexican needle work basket was given to Mrs. Wolfe as winner of the bingo prize.

Weekend visitors in the home of Mr. and Mrs. W. W. Gleaton were Mr. and Mrs. Roy Abell and sons, Danny and David of Falls. Also visiting this week in the Gleaton home are Mr. and Mrs. H. C. McDermitt of Abilene.

Sharon Jones Honoree At Farewell Party

Members of the sixth grade class, assisted by their teacher, Mrs. O. H. Brummett, were hosts for a surprise party honoring their classmate, Miss Sharon Jones, on Wednesday afternoon of last week. Refreshments of cookies and cokes were served from a table laid with a lace cloth and centered with a floral arrangement made by Claudia Hafer and Judy Jameson.

A gift from the class was presented to Sharon by Dona Morgan and Linda Duncan. She is leaving Hico to make her home in Palo Alto, California.

SERGEANT VISITS

SFC. Arthur J. Dankers and family were visitors in the home of his mother, Mrs. Daisy Dankers, this week. The Sergeant, a veteran of nearly 18 years army service, has been at Fort MacArthur, Cal. for the past two years. On completion of a 20-day leave, he will be stationed at Bergstrom Air Force Base, Austin.

Yard Beautification Project Underway By Garden Club

The Hico Garden Club is constantly seeking ways and means of creating interest in making homes and surroundings more attractive. Grass, shrubs and flowers might be considered the foundation for more beautiful surroundings.

At the last meeting of the Club, a project was launched with the hope of creating public interest in having more attractive yards. A plaque will be placed on the lawn for one month, indicating the outstanding yard of the month.

Size of the yard or extensive plants will not be considered, but attractiveness, general neatness, and cleanliness will be judged.

Let's begin now, as spring comes on, to work and plan how we may improve our home premises, thus gaining the compliment of having the plaque placed on our lawn.

Contest begins April 1. Indications are that the project is being received with an unusual amount of interest.

Civic Committee.

Mrs. Stearman Hostess To Luncheon Club Members Wednesday

Mrs. Bill Stearman entertained members of the Wednesday Luncheon Club in her home last week.

I don't think spring will ever be as welcome as it has been this year. Have heard nothing but compliments since the sun peeked through those winter clouds.

This is the time of year we have the opportunity to enjoy and appreciate nature, as the shrubs, trees, bulbs, and grass begin to blossom out.

Garden and yard tools were really put to use this past week. Many spent the week end working in their yards and as soon as shop is closed for the working people, many hurrying home to change to sportswear and head for the yard, to work, or just plain enjoy being outdoors.

Also enjoying the new season are the school children, who rush home to change to more comfortable tags and out to enjoy an evening of fun.

Nice to say hello and visit with Jewel Ramage of Hooks, who was a visitor in the office last week. We learned that his wife, Elizabeth, has recently been elected president of the P.T.A., and that Jewel has been re-elected Sunday School Superintendent at their church. Congratulations to both.

Iris Eakins called in to renew her paper for another year, and she too is busy catching up on the yard and garden work.

PEAK ATTENDANCE REPORTED AT JEHOVAH ASSEMBLY

R. E. Goff of the Hamilton Congregation, returning from the three-day assembly of Jehovah's Witnesses in Temple, reports that a peak attendance of 706 heard Mr. R. L. Anderson of New York deliver the specially arranged discourse, "Finding Peace in a Troubled World."

The convention, organized by the Watchtower Bible and Tract Society of Brooklyn, and attended by Witnesses from 17 south-central Texas congregations, expressed appreciation for the helpfulness of the gathering. The assembly program was built around 23 Bible lectures, discussing subjects from the requirements for children's obedience to the responsibility of parents in discharging Christian duties.

SIX-PASSENGER CAR OR STATION SEDAN ...CORVAIR IS BOTH!

A wonderfully useful folding seat makes every Corvair two cars in one. Just one quick flip and you increase the luggage and parcel space to 28.9 cubic feet. And just as simply, you're back to comfortable six-passenger capacity. It's standard equipment . . . and extraordinarily practical.

Corvair does car-pool duty with the biggest and best of them. Going to work or school or out for the evening, you've got a genuine six-seater. As for carting around piles of stuff instead of people, just look at Corvair's station-sedan load space with the rear seat folded. And when that's full you can start on the trunk.

Corvair, you see, is no ordinary compact car. No others are so versatile, so ingeniously engineered—with independent suspension at all four wheels, an air-cooled rear engine that never needs water or antifreeze. You just can't compare anything else coming out these days with a Corvair. Drive one . . . soon.

For economical transportation—**corvair** BY CHEVROLET

I don't know just how old Hubert Viertel is, but some 32 or more years ago, his daddy started in the goat business. (I'm sure he is not 50). Hubert has worked with goats all his life, continually working to produce better stock. He has two children, boy and girl, and he is passing his knowledge on to them. Bettye and Bob both have registered flocks. I hope both of them will carry on the breeding program begun half a century ago by their grandfather.

Planting time is here, or is it? Sometimes planting is done a little too early, before the soil warms up, and plants do not get off to a good start. Agronomists say that corn should be planted when the soil temperature is from 60 to 65 degrees when checked on three successive mornings at 7 a.m. Cotton needs a temperature of 65 to 70 degrees. To check the temperature of the soil, a thermometer can be used by making an opening in the soil, three inches deep, placing the thermometer in the opening and leaving it there long enough to register. Corn 60 to 65 degrees on three successive mornings and cotton 65 to 70 degrees.

IT HAPPENED . . .

HERE OR NEAR

By E. E. DAWSON

By E. E. DAWSON
Hypocrites! A fellow said, "I don't go to church because there are so many hypocrites in the church." A hypocrite is one who poses as a Christian and is not really so. In other words, it is

faking religion; putting on a sham front in an effort to get something that is desirable.

In another day when men wore stiff-bosomed shirts, many had what came to be known as "hypocrites," a bosom that could be put over the front of the shirt to which a collar could be attached, thereby hiding a soiled shirt. In other words, they were sham fronts, and people called them "hypocrites" as a good descriptive name. That was a visible manifestation of what "hypocrite" in reality means: a sham appearance.

One is compelled to acknowledge that there are hypocrites in this world. And too many of them. And we all deplore the fact and earnestly wish it were not true. But to fall to do a duty or to take advantage of something good because there are some who make out they are what they are not, is not a manifestation of great intelligence. Why deprive oneself of something good because somebody else is doing wrong? After all there are not as many hypocrites as the fellow complained of. In more than fifty years of dealing with church members I found that the number of real hypocrites was comparatively small.

Jesus had twelve apostles. One was a hypocrite. The other eleven proved that they were genuine by what they did. They set a pattern for souls that has been followed all these centuries. The one hypocrite reaped a terrible reward for his falseness. Jesus knew he was a hypocrite but He knew the others were genuine. He let time manifest the difference between the real and the sham. Even so it is today that eventually the false soul shows what he is and gets his sordid recompense. Thus the Lord lets the hypocrites dwell in the churches amid the true men and women, and lets time reveal the false ones inevitably. Really we are taught a great lesson by the way Jesus allowed the hypocrite to be numbered with the apostles. One man's hypocrisy accentuated the genuineness of the other eleven and the manifestation remains forever.

The fellow who refuses to go to church and support the church seems willing to let a poor speci-

Farmer-Rancher Operation Requires Well-Designed Plan

By L. A. MILES

It can be said without much risk of contradiction that every successfully operated business is conducted according to a previously well-designed plan. All well-conceived plans are based on knowledge gained through practical operations and research. Some businesses are financially able to employ highly skilled technicians, equip laboratories, and spend large sums of money in research and development of new and better methods of procedure. Because of constant and often rapid change it is imperative for all businesses to keep abreast of the times in the development of new and better business practices.

Ranching and farming are businesses that to operate successfully require the use of a well-designed plan. The operator needs and must have a knowledge of the capabilities of his land in the production

men of mankind deprive him of the blessings and benefits of worship and service to be had in church life. And he lies down on a duty to stand up and be counted among the genuine souls of this world.

Men still marry in spite of the many manifestations of false-souled women. Women continue to pledge their troth to men and establish homes of goodness and stability in spite of the many men who go astray. Normal people do not close their hearts against conjugal love because of the marriage failures and the false wives and husbands. And the happy result of good homes and blessed boys and girls is ever to be seen. Men do not repudiate citizenship because of a few Benedict Arnolds. They try all the harder to give a good example of citizenship.

What would this country be without its churches and the agencies that the churches promote and support? It would be worse than the savage areas of Africa. It would be as bad as communist China. It would be a world of hopelessness. The soul who throws down his obligations and refuses to carry on is cowardly as he resorts to a way of life not found in any other realm because of its unreasonableness.

"Hypocrisy is the homage vice pays to virtue," asserts an ancient sage.

of cultivated crops and livestock products. It is a recognized fact that farms and ranches properly managed can be made to produce high yields of field crops and livestock products indefinitely. It is evident that poor management results in extremely lowered yields, even to the point where the land becomes practically non-productive.

Very few ranchers or farmers are financially able to carry on experiments and research required to give them information on just what plan of operation they should adopt to insure maximum returns on their investments. Yet, a well devised practical plan is of utmost importance if production is to be increased to the extent that one farm worker will be able to support 34 people. This is the number of people the experts predict each farm worker will have to support within the next ten years. If this task is accomplished it will require intelligent planning, using all the technical knowledge made available through agricultural experiment stations and research centers.

The State of Texas and the U.S. Department of Agriculture have spent millions on agricultural experiments and in research. All the information pertaining to soils has been made available to every rancher and farmer in the country through the Soil Conservation Service of the USDA, working with SCS districts.

The Soil Conservation Service maintains two offices in this district with competent personnel, highly trained in all phases of agriculture including farm planning. The planning is done to insure maximum protection of the land and increased productivity. The services of these people are offered to every rancher and farmer in the district.

Once each year the district board of supervisors with the assistance of the Soil Conservation Service personnel make plans for district operations and set worthy goals of accomplishment. This is essential for progress, but is worthless if not extended to the individual farm and ranch. This is where the farmer or rancher comes into the picture and becomes the star of the show in agriculture.

The practical application of all knowledge gained by experiment and research has to be made on

the land by the individual operator. This places him in position of making the final decisions. In order to make sound decisions and develop satisfactory plans of operation the rancher and farmer needs all the technical information they can get. The Soil Conservation Service personnel at both Hamilton and Gatesville are anxious to assist every rancher and farmer in the district with farm planning problems. They have the technical knowledge that will enable you to make better decisions in formulating a plan of operation that will apply to conditions on your farm or ranch, and surely planning is an item of major importance.

CARD OF THANKS

Our hearts overflow with sincere appreciation for all who expressed their love and sympathy in so many comforting ways during our recent sorrow. We are deeply grateful to all of you for your cards, letters, the food and flowers which brought comfort to us and lightened the burden of our grief. Our sincerest wish for you is, that in your dark hour of need, there may be those who will be as tender, kind and faithful to you, as you have been to us. May God bless each of you in our prayer.

FACING LIFE . . .

By REV. CHARLES BECTON

YOU CAN CONQUER—HATE

"He that hateth his brother is in darkness." I John 2:11.
Everyone recognizes the truth in this Bible passage. The man that hates his brother truly is in darkness. Hate not only brings harm and unhappiness to another, but it injures your soul in that you too are unhappy. You can conquer hate through forgiveness.

In the Bible no duty is so frequently placed upon us, as the duty of forgiveness. Jesus said that we are to love our enemies and pray for them that despitefully use us. Paul said, "If thine enemy hunger, feed him; if he thirst, give him to drink: for in so doing thou shalt heap coals of fire on his head. Be not overcome of evil, but overcome evil with good."

The Bible also has some beautiful illustrations showing forgiveness. Joseph, a man so cruelly wronged by his brothers, wept when he saw them for the first time in years. After his father's death, Joseph said to his brothers, "Fear not, for am I in the place of God? But as for you, ye thought evil against me; but God meant it until good."

Another classic example of forgiveness in the Bible is the story of Esau and Jacob. Jacob purchased Esau's birthright for a mess of pottage, and tricked his father into blessing him rather than Esau. After many years had passed they met again. The Bible says that Esau, the one that was wronged, "ran to meet Jacob, and embraced him, and fell on his neck, and kissed him." And they wept together.

Sometimes I hear people say, "I can forgive, but not forget." This is like stabbing a man in the back with a knife, breaking off the handle, and leaving the blade

in the man. The outward is gone, but the inward still there. The Bible tells "kind one to another, loved, forgiving one another, God for Christ's sake bless us." And how does God remember their sins? "I will forgive their iniquity, for everyone, for every night."
