HICO, TEXAS, OCTOBER 14, 1930.

NUMBER 24

## You Name It—We Had It

Just name it and residents of Hico will tell you they had it last Thursday night!

Excitement prevailed locally during the electrical storm, when a wreck occurred, the fire alarm sounded repeatedly, a pep rally was rained out, TV sets were knocked out, and some residents thought the fire alarm was warning of an approaching tornado.

The wreck occurred near the Polar Bear when a trailer truck jackknifed into a ditch and partially blocked highway 281. The truck skidded on wet pavement causing the mishap. No one was injured.

Lightning apparently ignited grass on the Stearman Ranch near Fairy, causing a fire which Hico firemen got under control before it caused heavy damage.

W. R. Hampton extinguished a smoldering fire at the home of Mrs. Jessie Richbourg when lightning hit the TV antenna and burned out the television set.

TV sets were also knocked out at the H. R. Baker, Cecil Segrest, A. B. Roberson and Wysong

Graves homes, and possibly others unreported.

Many thought the huge bonfire on school house hill was a building blazing, but the only damage created there was the dampening of local student's spirits for the pep rally and bonfire activities planned preceding the Hico-Meridian football game Friday night.

Petsick Insurance reported several claims in the rural area due to wind and water damage. R. L. Herrington made a claim for \$200 for damage to outbuildings on his ranch; the John Pitts' farm home suffered from \$100 to \$200 in damage due to water damage; and a \$100 claim was filed by A. D. Simons for damage to his home. Several minor rural claims were also reported.

Several became alarmed thinking that the frequent sounding of the fire alarm was the signal of a tornado warning. Residents were reminded that the signal for an approaching tornado is one long blast of the alarm.

## ★ DEER HUNTERS GET WARNING

Austin, Oct. 13.—The Texas Game and Fish Commission Saturday warned hunters against "headlighting" game, after two deer hunters in Comal County paid \$460 in fines for the offense.

The hunters were caught by the game warden with two bucks already skinned out, a headlight and two scope-equipped rifles. They lost the meat and their guns and equipment, the Commission said.

She was born October 24, 1870 in Limestone County, Texas, and had been a resident of Hico since 1888. She was a member of the Church of Christ.

Surviving are one daughter, Mrs. Jim Lane of Hico; two sons, Ivan Jacobs of Stephenville and Ernie Jacobs of Hico; two grandchildren and three great-grandchildren.

Palbearers were Sherman Roberson, J. C. Prater, Orville Ogle, Ollie Davis, S. B. Starnes and Willard Leach.

## Meridian Jolts Tigers 14-6 In First District Outing

Hico and Meridian squared off last Friday night at the local stadium in the first district game for both teams, and at the end the visitors proved superior, posting a 14-6 win over the Tigers.

The game was played on even terms for most of the contest, with Meridian having a slight edge in their running attack, and the Tigers gaining the edge in passing.

The Yellowjackets scored in the second and fourth periods, and limited the Tigers to a single counter in the third stanza to knot the victory. They led 8-0 at the half, and 8-6 going into the final period.

Turning point in the game came on the first series of downs by Meridian. With the Tigers bottling up every move, the locals received a 15-yard penalty which gave the Jackets the stamina to keep a drive going. However, the visitors didn't score on the drive, but they placed the locals so far in the hole that it eventually led to their first TD.

Hico stopped the drive and took over on their own 9 yard line. Gaining only three yards in two plays the Tigers elected to kick on third down, and a short punt

set the Jackets in scoring position at the Tiger 34. The Jackets used nine plays from the 34 to make the counter, with Kent Bass blasting over from the four. Rex Coffelt ran for the two-point conversion, and that was the difference in the game.

After the intermission the Tigers came to life and scored their lone touchdown shortly before the end of the third period. Taking a Meridian punt on the Jackets' 42, Neil Ellis made four yards to the 38, and on the next play Don Jernigan hit Ellis with a pass which netted 38 yards and a touchdown. Bobby Boone's attempt to tie the game failed, and the Jackets owned the ball game at that point 8-6.

On the first play of the final period, Coffelt iced the game for the Jackets when he rolled out to the right, and on a keeper play scampered 44 yards for a touchdown which chilled any hopes of a comeback by the locals.

Coffelt, McDowell and Bass were the big guns for the Jackets.

Robert Reed, Lee Blue, Mark McElroy, Mitchell Mayfield, Mike Lowe, Neil Ellis and Bobby Boone were defensive standouts for the Tigers.

## Thursday Rites Held For John B. Smart, 93 Longtime Area Resident

Funeral services were held Thursday morning, October 20, at 10 o'clock for John Pomeroy Smart, 93, who died Wednesday morning in Hico Hospital. Final rites were conducted by Rev. Tom Pratt of Hico, and Dr. D. D. Tidwell of Brownwood in Hico First Baptist Church. Interment was in Live Oak Cemetery near Blum.

Mr. Smart was born near Longview May 29, 1867, and moved to Dallas County with his parents in 1876, the family locating near Ferris in Ellis County in 1877. Smart moved to Johnson County in 1881, in time to see the Santa Fe railroad tracks laid near their farm.

He joined the Baptist Church in 1884 and had been a devout Christian, and had been very active in church work since.

Mr. Smart was married to Miss Gertrude Royce at Blum November 25, 1891. After their marriage they lived in Hill County until 1918, when they moved to Erath County where they lived near Bluff Dale and later at Duffau. He had been a resident of Hico since 1920.

Surviving are his widow, Mrs. Gertrude Smart of Hico; four daughters, Mrs. Nora Olson and Mrs. Frank Schiller, both of Fort Worth, Mrs. Clyde Jackson of Centerville, and Mrs. George Arnold of Hico; six sons, Gilbert of Fort Worth, John of Denton, Harrison of Bluff Dale, Emmett of Alexander, and Carl and Roy Smart, both of Astoria, Oregon; 17 grandchildren and 14 great-grandchildren.

Grandsons served as pallbearers.

### Native of Latvia to Speak Sunday at First Baptist Church

Charles W. Singer, a native of Latvia, will be featured speaker at the Sunday morning service of First Baptist Church, according to announcement this week by the pastor, Rev. Tom Pratt.

Singer, who is now a citizen of the United States, has resided in California the past ten years.

In making the announcement, Rev. Pratt said, "Singer now spends most of his time working with European refugees, working about five months of each year in foreign countries. He has lived under both Nazi and Communist occupation, and is certainly an interesting speaker."

Singer was also speaking in nearby schools Thursday and Friday, being at Hamilton and Evant Thursday and Hico and Dublin on Friday.

Everyone has been extended an invitation to attend the services Sunday morning.

### ATTENDING MEMPHIS STATE

Wilma DeShazo of Route 1, Iredell, is enrolled for the fall semester at Memphis State University, Memphis, Tenn. She is majoring in Education.

John C. Stevens, Assistant President of Abilene Christian College, will be the featured speaker at the second of three annual Hamilton County Teachers' Meetings, to be held October 24 at 7 p. m. in the Hico School Cafeteria.

Mr. Stevens is a graduate of Richland High School, and received his B.A. degree from Abilene Christian College. He received both his M.A. and Ph. D. degrees from the University of Arkansas, and during World War II attended the Chaplains School at Harvard University.

He served during World War II as a chaplain with the U. S. Army participating with an infantry regiment in European campaigns.

He joined the faculty of Abilene Christian in 1948, became Dean of Men in 1950, and Assistant President of the College in 1956.

### Iredell Church Will Observe 50th Year With Homecoming

Plans are being made for the observance of the 50th anniversary of the Iredell Methodist Church with a homecoming to be held Sunday, October 30.

Committees have been appointed and a program planned for the morning and afternoon. Rev. C. H. Cole, district superintendent, will bring the morning message.

Invitations have been sent to all former pastors and district superintendents, also all former members whose addresses are known.

The church history will be read in the afternoon when the visitors will be recognized.

An invitation has been extended to everyone to attend this occasion. A basket lunch will be served at noon.

### Tigers to Valley Mills Friday For Second District Game

The Hico Tigers will journey to Valley Mills Friday night for a district encounter with the high-flying Eagles.

Valley Mills, winners of 15 straight games, are picked as heavy favorites over the locals. Their closest game played thus far was against Class A Clifton, who the Eagles defeated 8-0. Other games played by the Eagles have been romps.

Hico will have to play their best game of the year to defeat the Eagles, and remain in contention for a slice of the district crown. The Tigers went down 14-6 in their first conference outing against Meridian last week, and a loss

to the Eagles would eliminate them from the race.

A rash of colds and wet weather has hampered Tiger drills this week, and several team members have been absent from school. Fieldon Haley, who suffered a dislocated ankle in the Gorman game, will be out of action this week after re-injuring the foot in last week's game. Other team members are expected to be able to play Friday night.

The Eagles will be without the services of three of their top backs, who were sidelined for disciplinary reasons.

Game time at Valley Mills will be at 7:30 p. m.

### On-the-Spot First Aid Credited With Saving Life

An electrical shock late Sunday afternoon was almost fatal to C. L. (Pete) Norwood, who came in contact with a high-voltage REEA line while attempting to extinguish a grass fire 14 miles north of Hico on the Rough Creek Ranch.

Norwood was with a group of local men, Fred Jaggars, Don Cody, and E. V. Meador, and John F. Ogle and son, Jim of McGregor, when the accident occurred.

The group, who were en route to their deer lease, the W. H. Hobgood place near the site of the accident, had stopped to extinguish a small grass fire on the Rough Creek. The ranch is owned by Major Long of Dallas, and managed by Mr. Potter, who resides about a mile from the scene of the near tragedy.

Not seeing the fallen line, which was about four and a half or five feet above the ground, Norwood came in contact with the 7200-volt power cable. Others in the group luckily did not touch the wire.

A Mr. Uptergrove, who resides about three miles from the scene happened by within minutes of the accident, and rushed to his home where he called a Barrow-Rutledge Funeral Home ambulance from Hico. He also called a neighbor and both men rushed back to the scene to aid in whatever manner possible.

Artificial respiration was quickly administered to the victim, and after about 20 minutes, Norwood showed signs of normal breathing. His body appeared lifeless when his companions first started administering aid.

The group happened upon the scene of the grass fire, and immediately stopped their car to fight the blaze. The fire was about four feet across a fence, and all five of the men cleared the fence to get at the center of the blaze. Norwood was the first to the line.

After coming in contact with the high-voltage line, Ogle and Jaggars removed Norwood from underneath the wire to a position where they could administer first aid. Cody and Meador continued to fight the blaze and by the time Mr. Uptergrove and his neighbor arrived, had the fire out.

In the meantime, Norwood had regained consciousness. After arrival of the ambulance, oxygen was administered the victim en route to the local hospital.

The group, who make weekly visits to their lease, which lies in the southeastern corner of Erath County, had seen a car with three men drive hurriedly away from the location where the fire had started. The group found several spent shotgun shells and a number of 22 target shells at the scene, indicating that the occupants of the late model car were involved in shooting the insulator away from the high-line pole, letting the line drop to the group setting the grass fire. The distance between the poles apparently let the line sag far enough to touch the ground, and then settled about five above ground level.

The group who sped away did not stop or return to the scene of the near fatal accident.

A description of the car was given to Hamilton County Sheriff Woody Young, who was attempting to locate its occupants at midweek.

Meanwhile, Norwood's condition progressed rapidly, and he was released from the hospital Tuesday.

### J. DRUID JONES BURNED IN BLAST

J. D. Jones escaped serious injury Tuesday afternoon when the bathroom heater he was working on exploded.

Mr. Jones theorized the heater had a gas leak and when he struck a match flames engulfed the room and ignited his clothing. He and Mrs. Jones extinguished the flames. He suffered painful burns but did not require hospitalization.

# FAIRY

By MRS. EUNICE RICHARDSON

A pall of sadness fell over this and surrounding communities when word was received of the death of Mr. J. L. McCoy, long-time resident of the Fairy community. Mr. McCoy passed away at the Hico Hospital last Thursday night, Oct. 13, at 11 p.m.

John Lamar McCoy was born in Alabama on Sept. 19, 1877. He was married to Miss Letha Strait on Sept. 24, 1899. To this union eight children were born, six sons and two daughters, namely, Loice and Johnny McCoy of Fort Worth, J. D. of Dallas, Charlie of Jermyn Ernest of Fairy and Edison, deceased. Edison was accidentally killed while on a deer hunt with his father and others on Nov. 16, 1945. The two daughters are Mrs. Laura Licett of Fort Worth and Mrs. Bessie Blakley of Fairy.

Mr. McCoy had lived in the Fairy community for the past 43 years, having resided at his present farm home for the past 39 years. They reared a family of fine boys and girls, who honored their parents on their 60th wedding anniversary with open house held at their home on Sept. 27, 1960.

Mr. McCoy had been in ill health for several years of a heart condition, but was able to be up and about most of the time until about two weeks prior to his death. He underwent surgery a few days prior to his death in an effort to prolong his life.

He had been a member of the Agee Baptist Church since coming to this community and had been faithful to the church, serving in different capacities.

Funeral services were held at the Agee Baptist Church Saturday afternoon, Oct. 15, with Rev. Bob Craig of Fort Worth, pastor, officiating. The song service was under the direction of W. N. Bridges of McGregor, with Mrs. Max Lam as piano accompanist, by request of her grandfather prior to his death.

Mr. McCoy is survived by his widow; six sons, and two daughters as named above; fifteen grandchildren; one brother, Walter McCoy of near Hico; three sisters, Mrs. Velma Young of Corsicana, Mrs. Litzzy Young of Vaughn, N. M. and Mrs. Ethel Burns of Lubbock; and many nieces, nephews and other relatives to mourn his passing.

Burial was in the Fairy Cemetery. Our deepest sympathy is extended to the bereaved wife, children and other relatives at this time of deep sorrow.

Glad to report Ted Arrant and

Audie Clark now at home following illness which hospitalized them at Hico several days.

Mr. and Mrs. Dellis Seago of Waco brought her parents, Mr. and Mrs. Ed Allison of Waco and Fairy to their home here for a few day's visit recently. The Seagos were on their way to Seattle, Washington to visit their daughter and husband, Mr. and Mrs. John Chapman. Mr. Chapman, who is in the service, was transferred there from Waco. Mr. and Mrs. Seago went by plane from Fort Worth. Mr. and Mrs. Allison were carried to Fort Worth Sunday to visit their daughter and family, Mr. and Mrs. Edwin Sellheimer until the return of the Seagos.

Mr. and Mrs. H. O. Richardson and Jerry visited Sunday afternoon in the home of her sister, Mr. and Mrs. Lawrence Adams of Hamilton.

Bro. Bill Nix of Huckabay filled an appointment at the Church of Christ Sunday and was a dinner guest of Mr. and Mrs. H. H. Wolfe. Visitors in the home of Mr. and Mrs. Carl Ray Sellers Sunday afternoon were his brothers and families, Mr. and Mrs. Dewey Sellers of near Hamilton, Mr. and Mrs. Frank Sellers and family of Hamilton, and her sister and family, Mr. and Mrs. D. E. Allison and daughter, Mrs. Wayne Pittman and Karen of Dublin.

Mrs. Ethel Burns of Lubbock is spending this week with her sister-in-law, Mrs. J. L. McCoy.

Visitors in the home of Mr. and Mrs. Frank Driver Sunday were Mr. and Mrs. Leota Jones and the writer. While there we were informed that Mrs. C. M. Broyles had entered the Clifton Hospital on Saturday. We wish for her a speedy recovery.

Mr. and Mrs. Milford Miller and Ronald of Fort Worth visited here during the week end with her mother, Mrs. M. E. Parks and Audie, and attended the McCoy funeral services.

Mr. and Mrs. E. L. Parks and two daughters of Fort Worth visited during the week end here in the home of his mother, Mrs. M. E. Parks and Audie.

We received about one and a half inches of rain Thursday night of last week and have received one and seven-tenths through Monday night and Tuesday morning.

Army worms have destroyed some of the grain, while some fields do not show any damage.

We received a donation of \$5 from Mr. and Mrs. B. L. Wright of Mart today, Tuesday for the Fairy Cemetery. We expect to have some work done at the cemetery as soon as the weather will

permit. There are several graves that need repair and the recent rains have started the Johnson grass on an upward trend.

Mr. and Mrs. W. N. Bridges of McGregor were here Saturday to attend funeral services for Mr. J. L. McCoy.

Mr. and Mrs. Marvin Porterfield and Billy Marvin and his father,

Walter Porterfield spent the week end at Houston visiting in the home of their sister and daughter, Mr. and Mrs. Bob Hurt and daughter, and Mrs. Porterfield's parents,

Mr. and Mrs. Lester Smith and family and other relatives. Mr. Walter Porterfield remained for a longer visit and expects to visit a son, Lawrence and family in Florida before returning to Hico.

A fire at the Robert place completely destroyed Monday of this week. The fire is still undetermined.

## SOPHOMORE HAYRIDE

On Oct. 4, the sophomore class had what was supposed to be a hayride. Everyone had a nice time, although the rain did try to put a damper on the activities.

Those attending were Kenneth Hester, Nita King and Lee Blue, Barbara Patterson and Danny Reeves, Jane Akin and Don Jernigan, Martha Paddock and Robert Reed, Anita Mayfield and Larry Erick, Judy Ogle and Rony Giesecke, Jay Dean Crow and Gary Brewster, Linda Jaggars and Tom Pratt, Dixie Lackey and Mike Lowe, Betty Hickson and Billy Powers, and Ruth Ann Martin and Harry Brown.

The success of the evening is credited to Mrs. Angell, sophomore sponsor, and the room mothers, Mrs. Sherrard, Mrs. Lackey and Mrs. Ogle.

## BONFIRE

Last Thursday the student body of Hico High held a bonfire and pep rally behind the stadium.

Due to the rain attendance was low, but a lot of noise was made anyway.

Several members of the football team, the coaches, and Mr. Doty made a short speech.

## FIRE PREVENTION WEEK

The sophomores did two skits, one depicting primitive man and his family. It illustrated fire hazards in early times. The other skit was based on the same thing but was presented during modern times.

Many attractive bulletin boards were constructed to remind the student body and other on-lookers to be mindful of fire and its dangers.

## SPOTLIGHT

Friday night, after recovering from the shock of almost being struck by lightning Thursday night, I ventured up School House Hill. Upon my arrival I found a wild football game going on. The Tigers growled and scratched till the final whistle, but the Yellow jackets seemed to have stung a little harder.

After the game I saw these couples roaming around: Joy L. and Charles T.; Linda H. and Lee F.; Linda P. and Harlon K.; Kay Y. and Billy B.; Sheila P. and Wayne W.; Betty H. and Billy C.; Fieldon H. and Nova W.; Anita

M. and Kenneth S.; Kathy H. and Buzzy H.; Nelda W. and Jimmy H.; Jane A. and Pat L.; Judy O. and Rony G.; Nita K. and Floyd D.

Oh, by the way, a certain little road out toward Glen Rose was just a little crowded Friday night wasn't it. At least three certain couples thought so.

Saturday night the "ole gang" was out again: Neil E. and Fay M.; Mitchell M. and Martha P.; Will Ann L. and Sam K.; Joy L. and Charles T.; Linda P. and Harlon K.; Linda H. and Lee F.; Kay Y. and Billy B.; Kathy H. and Buzzy H.; Fieldon H. and Nova W.; Bobby B. and Lynell W.; Betty H. and Billy C.; Royce A. and Betty H.; Nelda W. and Jimmy H.; Anita M. and Kenneth S.

Sunday night I spotted these couples: Kay Y. and Billy B.; Joy L. and Charles T.; Will Ann L. and Sam K.; Linda H. and Lee F.; Barbara R. and Mike L.; Kathy H. and Ronnie K.; Fieldon H. and Nova W.; Nelda W. and Jimmy H.; Nita K. and Floyd D.; Betty H. and Billy C.; Anita M. and Kenneth S.; Royce A. and Betty H.

TROPHY ANTELOPE—Ervin Moore of Iredell killed this trophy Antelope on a recent hunting trip to Gillette, Wyoming. He was in a party composed of Edgar Sadler of Dallas and Fain Hayes of Cleburne.

By VERN SANFORD

It's suicide—that's what it is! New Mexico has had 20 hunter casualties so far this year. Full reports are available on 15 of them.

Investigation by the New Mexico Department of Game and Fish shows that 11 of these 15 casualties were self-inflicted. What a shocking revelation!

All the time we're hunting we try to watch out for "the other fellow." This indicates we'd better be more watchful of our own actions.

It's really hard to believe that over half of the fatal shootings are self-inflicted. Makes one stop and think!

If you're interested in your own future, perhaps you'd better read further—because here's how those accidents occurred.

1. Weapon fell.
2. Weapon defective.
3. Removing loaded weapon from vehicle.
4. Discharged while being pulled from holster.
5. Climbing tree with loaded weapon.
6. Gun off safety.
7. Stepped on shell.
8. Tossed gun, which hit rock and discharged. (This one proved fatal.)

All of which prompts our neighbors to the west to remark that "accidents don't just happen—they are caused."

Discharging a firearm in a reckless manner in a hunting area, resulting in injury to another, has caused many a hunter in New Mexico to lose his hunting license for 10 years.

Such an incident, that results in a fatality in that state, is cause for revocation of hunting privileges—for life.

Texas' legislature would do well to adopt like penalties. The least that can be done is to rid the field of careless hunters.

Perhaps this is as good a time as any to repeat the 10 Commandments of Safety. Please, for your own good—read and repeat after me:

1. Treat every gun with the respect due a loaded gun. This is the cardinal rule of gun safety.
2. Guns carried into camp or home must always be unloaded, and taken down or have actions open; guns always should be encased until reaching shooting area.
3. Always be sure that the barrel and action are clear of obstruction.
4. Always carry your gun so that you can control the direction of the muzzle, even if you stumble. Keep the safety on until you are ready to shoot.
5. Be sure of your target before you pull the trigger.
6. Never point a gun at anything you do not want to shoot.
7. Unattended guns should be unloaded; guns and ammunition should be stored safely beyond reach of children and careless adults.
8. Never climb a tree or a fence with a loaded gun.
9. Never shoot at a flat, hard surface or the surface of water.
10. Do not mix gunpowder and alcohol.

We are told that more Texans hunt in New Mexico than New Mexicans hunt in their own state. If this be true, then it's highly possible that a number of those New Mexico casualties were Texans.

But, wherever you hunt—let's be more careful.

## IT'S THE LAW—

### Federal Trade Commission Frowns on False Advertising

Like some newspaper columns, newspaper advertising can be copyrighted.

In 1903 Justice Oliver W. Holmes declared that advertising could be owned and copyrighted even without having any special literary or artistic merit.

An author, business, or agency that puts work and skill into an ad can protect it as a rule with a "general notice of copyright."

One publisher made special road maps for an advertiser, and got them copyrighted; the court held that the advertiser couldn't sell these maps to a rival publisher.

In another case a clever picture ran in one ad. The court told a competitor he couldn't use the same picture for his ad.

You cannot copyright some things such as a list of names publicly available or an ad so common it lacks uniqueness.

Most ads are "owned" by the advertiser, not the newspaper or magazine.

Ads which are run to get business may also create property right in a "trade name" of great value to a business even without a copyright.

Besides, a business or product name itself may often be copyrighted. Now and then, unfortunately, a company name may become so well known that without proper protection it can lapse into the common language and lose its character as property.

It can be a crime for anyone to violate a copyright on purpose, and he may have to damages covering all. And then some.

False or misleading cause loss or suspension business licenses; the sometimes gets rough, uses the mail to advertise.

Of course ads aim to one's product—a fact we the public. Therefore, its, some "puffing" is a the Federal Trade Commission stops advertisers are false or misleading as to factual claims.

Coffee Time

CHATTER

By HELEN OGLE

Trying to get news and ad copy into the office and processed in the right manner can sometimes be a real job. For me, this has been one of those weeks, so if things are a bit jumbled, bear with me. Things weren't confusing enough for me, so I tried to confuse Faye Herrington with her ad copy Tuesday afternoon. My apologies Faye. Willa Dean Hefner said the rain was wonderful, but it meant having the laundry dried in town, so she took advantage of the extra time and studied the new patterns and materials. Verma Parks said she was glad to be back home, but thoroughly enjoyed the trip to Bermuda to visit her daughter. Think Steve enjoyed quite a few golf games also. Paul Neel called to say "Stop my ads, I'm sold out," and that just proves that the only way to sell something is to run an ad in the NR. Thanks, Paul. We definitely believe that. Sharon Howard was having all sorts of trouble and comments with her mother, June, over the purchase of her fifth pair of school shoes. That's lots of shoes Sharon, you must be stepping it off pretty fast. Pauline Burden was trying awfully hard to find a legal excuse to get to go home and spend the afternoon sewing. Would have been a nice way to spend the rainy afternoon.

Wayne Rutledge says we don't have to worry about wading out front now—we can just swim out. Nice to visit with Lena Hughes and discuss the variations in custard recipes. Lena says she's going to slow down, as she might be trying to crowd more into the day than she's supposed to. Does take more time to get all those things done these days, even if we hate to admit that we are getting older, doesn't it Lena. Ruth Weeks and Mattie Gamble were enjoying a nice friendly visit over a cup of coffee. Eva Edwards visiting with friends as she was shopping in town Tuesday. Mr. Davis says he's just a poor working man, and doesn't get to go fishing, so wants to know all the latest scoop on the sport. No scoop from me, I have to work also. It's been a long time since Jewel Russell stood behind the cash register, but she still fills the job as efficient as ever. Another clipping from the file this week reads: 'Taint what we have But what we give; 'Taint where we are, But how we live. 'Taint what we do, But how we do it— That makes this life Worth going through it.

# IT HAPPENED . . .

HERE OR NEAR

By F. E. DAWSON

A cartoon on the editorial page of the Star-Telegram early last week was one of the best in a long time. In the scene was Harry Truman making his San Antonio speech, and a mother leading her small son out of the building, and as she heads him toward the door the boy says, "Mamma, you always spank me when I say them words."

The words referred to by the small boy were favorites of Harry Truman, and one wonders if he does not use them before breakfast, all day, and after supper. What kind of words? Why, what are ordinarily denominated "cuss words." In his speech at San Antonio that wholly unworthy former president said that the farmer who did not vote Democratic "ought to go to hell." He is reported by a reporter to have later repeated the words at the LBJ Ranch with a broader application than farmers. And when later interviewed he asserted that he never took back anything he had said.

And during an interview he boasted of being a Baptist, and as such he was always free. This writer is a Baptist, one because of conviction, and with convictions. He is not the Harry Truman variety of Baptist. I feel that if Harry Truman were a typical Baptist I would resign my membership in the denomination and join some other where "cuss words" are not the principal terms in the speech of the representatives of such faith.

The reader may get the impression that the writer is not an admirer of Harry Truman, and that is exactly the truth. When that wholly un-American creature emerged on the American political scene from the jungle of Kansas City's most wicked and tyrannical political clique, I had no regard for him. And all that he has done and said since has confirmed that first estimate that I made of the mad man. One who gets his political training under personalities and organizations such as Harry Truman did, could never be relied upon to operate in a truly American manner. And now Harry Truman is reverting to that early training he got and opening his big mouth far too much. Imagine such a creature telling intelligent

Americans how to vote, and consigning to hell all who refuse to follow his advice!

One wonders how Mrs. Truman puts up with a creature such as she has for a husband. I have never read of anything unbecoming on the part of Mrs. Truman, and my sincere sympathies have gone out to the poor soul. And daughter Margaret showed herself to be an excellent person as she came into the inevitable limelight of the white house.

The pity is that a man of the Truman type should have any publicity at all. His blasphemous language is not pleasing to the majority of Americans. And as for Baptists I seriously doubt that you can find ten in Texas that has any confidence in or affection for foul mouthed Harry Truman. All who ever expressed themselves in my hearing have had the feeling that I have, that he in no sense represents Baptists, but terribly misrepresents them.

Old Harry! I hope I never hear another word from his unholy lips, until he develops a repentant mood and talks like a Christian ought.

If I were a candidate for any office I would not allow Harry Truman to make speeches for me lest he turn more folk against me than he induced to vote for me.

## New Navy Program Offers Opportunity for Education

High school seniors and graduates have only until November 15 to apply for the Navy's Reserve Officer Training Corps, Vice Adm. W. R. Smedberg, III, Chief of Naval Personnel, said this week. Applicants will take the nationwide competitive examination on Dec. 10 as the first step toward an appointment as midshipmen.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at a civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600 per year for four years. During the summers the student goes on interesting training cruises to many parts of the world. After completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's far-flung fleets.

High school seniors and graduates who have reached the 17th anniversary of birth and have not reached the 21st anniversary of birth on July 1, 1961, may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid physical exam early in 1961. From the number of qualified young men remaining in competition, at least 1600 will be selected to begin their

naval careers next September. The NROTC college training program is also open to enlisted men on active duty with the Navy and Marines. A separate quota is established for applicants within these services.

Application forms are available at high schools, Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D. C.
