HICO, TEXAS, FEBRUARY 24, 1961.

NUMBER 43.

6 TO 7 TIME SET FOR CAMPAIGN—

Heart Fund Drive Tonight

One long, loud blast of the fire alarm at 6 p.m. this Friday evening will be Hico residents' signal to again join in an hour-long worthy fund raising campaign for the 1961 Heart Fund. Calling at your door this evening will be mothers and ladies who have found homes here so receptive in previous years.

Captains and workers have been named as follows by Solicitation Chairman Mrs. Conda Salmon: Mrs. Barto Gamble, captain, Mrs. Ernie Jacobs, Mrs. H. L. McKenzie, Mrs. N. N. Akin, Mrs. Grady Barrow, and Mrs. Arthur Rutledge. Mrs. Morse Ross, captain, Mrs. Alvin Casey, Mrs. Sandy Ogle, and Mrs. Hester East.

Mrs. Glenn Higginbotham, captain, Mrs. Lilla Autrey, Mrs. Marvin Marshall, captain, Mrs. E. H. Randals, Mrs. James Cryer, Mrs. W. R. Hampton and Mrs. Willard Leach.

Mrs. Louis Chaney, captain, and Mrs. George Griffiths, Mrs. Odie Petsick, captain, Miss Thoma Rodgers, Mrs. Jerry Malone, and Mrs. Harry Hudson.

Mrs. Milton Dunlop, captain, and Mrs. Hershel Sherrard.

Captain in outlying district is Mrs. Norman Johnson.

General chairman of the drive in Hico is Harold Walker.

The drive will be conducted in the same manner as in the past, with workers calling on every home within the designated hours of 6 to 7 p.m. If anyone is inadvertently overlooked, they are urged to call City Hall, and a worker will pick up their contribution.

Members of Hico Civic Club, including Ray Cheek, Wayne Rutledge, H. R. Baker, and Conda Salmon will solicit the business district.

Research is Saving Lives. With Heart Fund dollars, the Heart Association has helped to produce these and other life-saving advances:

Heart Attack—Most victims now recover and three out of four return to work.

High Blood Pressure—Now can be controlled.

Stroke—Many cases can be treated effectively and invalidism reduced or prevented.

Rheumatic Fever—Now can be prevented, but heart disease is still the number 1 killer.

The Heart Association is directed by leading specialists, scientists and businessmen, and they use your Heart Fund contributions to speed and expand medical research; to inform your doctor about research advances, and to give you the latest heart-saving facts; to rehabilitate heart and stroke victims through new techniques; to help heart patients select productive jobs; and to wipe out rheumatic fever and rheumatic heart diseases with new prevention methods.

Mr. and Mrs. Tommy Jenkins of Hamilton visited with Mr. and Mrs. Jerry Lackey during the week end.

March 24th Set as Date for 14th Annual Stock Show

Date for Hico's 14th Annual Stock Show was announced last week as Friday, March 24.

The show, which is one of the most popular in this area among exhibitors, is sponsored by the Hico FFA Chapter, and will be held at City Park.

Almost 300 entries were exhibited last year, and officials are expecting that many or more for this year's production. Harold Waller, Chapter Advisor, is in charge of arrangements, and en-

tries may be submitted to either him or the local chapter. March 20 has been set as the deadline for entries without a penalty. Entries made the day of the show will be charged double fees.

Prize money in most classes will be the same as last year, with an increase in some divisions. One new class, Brown Swiss, has been added to the dairy division this year, which is expected to add interest among breeders of that particular animal.

Competent judges have been secured for the show.

Stock Show premium books are now being printed, and will be mailed to prospective exhibitors early next week.

Crawford Pastes Locals For Bi-District Crown

Hico cagers "hung 'em up" Wednesday morning following their defeat Tuesday night in bi-district play. Crawford was the giant-kill, pasting the locals 44-42 for the right to represent the two districts in regional play Friday and Saturday at Brownwood.

The game, played at neutral Clifton, was one of the most exciting of the year, with Hico in contention right up until the final buzzer. Trailing by ten points with three minutes and 46 seconds to play, Hico rallied to whittle away Crawford's lead until, with eight seconds left, they trailed by two points. One last desperate shot was missed by the locals as the bell sounded ending the game.

Hico, starting slow, couldn't match Crawford in the first period, with the Pirates jumping into a 9-2 lead midway of the initial stanza. The point spread eventually was the difference as the locals stayed close the other three periods. At the end of the first quarter, Hico trailed 11-15.

Crawford outscored the locals in the second quarter 10-9 to take a halftime lead of 25-20. The third quarter was almost a duplication of the second, with Crawford gaining a 10.8 margin for a 35-28 lead going into the final period. Only in the last frame did the locals outscore the Pirates, gaining a 14-9 margin.

Crawford led throughout the

game, with the locals tying the score only once, early in the second quarter.

In one of the best officiated games of the year, Hico was defeated mainly at the foul line, when they failed to cash in on 13 free pitches. Otherwise, the game was even for all practical purposes.

Mark McElroy led scorers with 17 points. Neil Ellis hit for 9, Don Jernigan pumped in seven, Harold Hathcock hit 5, and Mitchell Mayfield connected for four points.

Thus, by a margin of three points in two years, Hico has missed out on regional play. Fans will recall that last year Valley Mills ushered the locals to the sidelines by a one-point margin, and this year it was Crawford by a single two-pointer. However, Hico had a highly successful season, winning 18 games while losing six.

Two members of the starting team, Neil Ellis and Mitchell Mayfield, played their last game for the locals, both being seniors.

M. I. KNUDSON JR. WILL SHOW STOCK AT HOUSTON

M. I. Knudson Jr., Hico FFA Chapter member, will exhibit four breeding heifers in the Junior Division, and one steer in the Open Show of the 1961 Houston Fat Stock Show, Feb. 22 through Mar. 5.

Houston will have the largest steer show and the largest junior livestock show in the nation. It also boasts the largest amount of premium monies paid anywhere, more than \$160,000 to livestock alone.

Fairy Member Will Exhibit

Danny Haile, a member of the Fairy FFA, will exhibit a Short-horn scramble calf in the Junior Division at the Houston Show.

Visitors in the home of Mr. and Mrs. Jim D. Wright during the week end were Mr. and Mrs. Jess Wright of Dickson and Mrs. Joe Wright of Edna, Bill Wright of Fort Worth, Mr. and Mrs. Paul Smith and Mrs. Hudson Smith of Stephenville, Mr. and Mrs. Will Cozby and two granddaughters of DeLeon. They were all here to attend funeral services for Mrs. Rucker Wright.

City, School Election Deadline Next Week

Wednesday, March 1, is the final filing date for the April 1st school trustee election, and Wednesday noon of this week, only three names had been filed for places on the ballot.

Ray Cheek, Charles Golightly, and Coolidge Wade are the certified candidates through this week. Cheek is seeking re-election, while the others are running for the first time.

In the forthcoming city election, residents have until March 4 to file for places on the ballot.

Through Wednesday of this week only one name had been filed for the two places to be filled. Wayne Rutledge will seek the post he has held for four years. The other councilman at present, Alvin Casey, has not indicated whether or not he will seek re-election. He has served one full term, plus a year served when he was nominated to fill the unexpired term of D. E. Bulloch when he was elected mayor.

Four New Members Added to Civic Club Rolls This Week

Twenty-eight members and one guest were present for the regular luncheon of Hico Civic Club held Wednesday noon of this week. The guest was Byron Woolsey, district Scout representative from Waco.

Four new members were added to the rolls, bringing the total to date to 55. New members are Grady Hooper, Jimmie Ramage, J. C. Wright, and Maxine Cafe.

Mr. Woolsey presented the program for the day, showing a film of the 1960 Boy Scout Jamboree held at Colorado Springs.

Local Ladies Visit Cherokee Orphanage Once Each Month

Members of the Ladies Bible Class of the Hico Church of Christ visit the Cherokee Orphanage in Cherokee, Texas, on the third Thursday of each month and carry needed supplies and do volunteer work.

The orphanage for Latin American children was founded three years ago, and House Parents are Mr. and Mrs. Richard Garza, former Hico residents. Children of 6 to 14 years of age reside in the orphanage and assist with duties.

In January the Class sent school supplies and ladies attending last Thursday who carried fresh fruit and frozen meat to the orphanage were Mrs. Tom Betts, Mrs. Clifford Mackey, and Mrs. Wallace Edwards.

Rites Held Sunday for Mrs. Rucker Wright, Longtime Resident

Funeral services were held Sunday afternoon, February 19, at 2 p.m. in Barrow-Rutledge Funeral Chapel for Mrs. Etta Wright, Rev. Wheat, pastor of Littleville Baptist Church in Hamilton officiated, with burial in Hico Cemetery.

Mrs. Wright was born near Clifton in 1881, and was married to Rucker Wright in 1901 in Hico. She was a member of the Baptist Church, and the Eastern Star. Her husband preceded her in death in 1936.

Mrs. Wright passed away Saturday morning in a Hamilton rest home. She will be remembered by many friends in Hico as a faithful church worker, lodge worker, and good neighbor.

Survivors include five sisters and a host of nieces and nephews.

Palbearers were Allen Little, Billie Thompson, Fred Pendleton, Jack Thompson, Norman Thompson, and Alton Cozby.

Cub Scouts Entertained With Blue and Gold Banquet

Tuesday night, February 21, the Cub Scouts, Pack 92, held their Blue and Gold Banquet at the Baptist Church. This year marked the fifty-first anniversary of Scouting in America.

Frank Bonner was master of ceremony and introduced Fred Cooper, Cubmaster, Kenneth Southall, Assistant Cubmaster, Brother and Mrs. E. A. Willingham from the Church of Christ, Mr. Horace Ross, representing the Victory Class of First Methodist Church as Cub sponsors, and Mr. and Mrs. Byron Woolsey, District Scout Executive from Waco. All Den Mothers and committeemen were introduced.

Mr. Woolsey presented awards to Tommy Southall, Wolf Badge; Mike Robinson, Lion Badge and Gold Point; Bryan Ganske, Silver Point; James Gosdin, Silver Point; David Ashby, Bobcat Pin; Melvin Powers, Bobcat Pin.

Mr. Woolsey also presented the following three Den Mothers and the Cubmaster with training recognition neckerchiefs: Mrs. Fred Cooper, Mrs. H. R. Baker, and Mrs. James Cryer, and Fred Cooper.

Those present enjoyed a film of the 1960 Scout Jamboree held in Colorado Springs, which was shown by Mr. Woolsey.

The theme for Blue and Gold Banquet was "Genius Night." Each Cub and his dad were given a list of certain material to work with and used their imagination in making items that were judged. Winners were Mr. Horace Ross and son, Wayne Ross.

Seventeen Cubs and their families attended.

Committee in charge of food for the banquet were Mrs. Charles Golightly, Mrs. Ray Cheek, and Mrs. M. I. Knudson.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price.

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds

up to less sway, less bounce, less dip, less dive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voila, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

Pastor Submits Resignation

Our pastor, James T. Draper Jr., has submitted his resignation to the Iredell Baptist Church. He will serve with us through Sunday night, February 26. He is to go to Tyler to serve as pastor of the Temple Baptist Church there. We pledge our prayers to him and his family as they leave Iredell. I know you will want to be present next Sunday for his last services with us.

Let none of us forget that March 26 is still the 50th anniversary celebration for our church. We are lining up a fine program for that day and want to encourage all of our former members and friends to attend that day. There will be dinner served at the church and an afternoon service that day. Duncan Tidwell will preach in the morning service and preside at the day's affairs. John Condieff will preach at the afternoon service. We look forward to a wonderful day together. See you there!

Hair Styling Highlight Of South Hico H.D. Club Meeting

The South Hico Home Demonstration Club held its regular meeting February 16 at the home of Mrs. Fred Hyles.

The meeting was called to order by the president, Mrs. Marie Churchill. Roll call was answered by suggestions for a better home. For the opening, the Council Home Demonstration song was sung, and the county motto, county pledge, and the Texas Home Demonstration Association prayer, and the Pledge of Allegiance were repeated. There was a short business meeting.

Those present were Mrs. Byron Hawthorne, Mrs. R. L. Weaver, Mrs. Charlie Hyles, Mrs. Darell Simons, Mrs. C. J. Sikes, the president, Mrs. Marie Churchill, the hostess, Mrs. Fred Hyles, and one guest, Mrs. Gene Smith.

Concluding the meeting, those present went to the Modernistic Beauty Salon where they had their hair styled by a hair stylist from Brownwood, and were served refreshments of cookies, peaches and ice cream.

Mrs. Charlie Hyles will be hostess at the next meeting.

HAT-MAKING WORKSHOP

Plan early to attend the hat-making workshop to be held in Hamilton on March 27 and 28. This workshop will be given by a professional hat maker. Mrs. Vera Whitmire of Fort Worth will be giving a hat workshop those two days.

The first day will be devoted to working on straw hats, and the second day we will work on fabric hats. The price of the workshop will be \$7.50. For additional information and advanced registration, write the county home demonstration agent in Hamilton.

BUYING A NEW SPRING HAT?

Getting ready to buy a spring hat? Here are fashion tips on hats. There are no startling style changes this year but the doll hat is the newest look. There is an indication of trend toward a more ladylike elegance in styles featured in the shops.

Silhouettes vary from tall crown, rough textured straw clothes, broadbrimmed sailors, rolled Bretons, new looking sweeping cartwheels and profile framing rollers. The flipped up brims can be of any size, the upturn at any point. Sailors also lead the way in fashion.

For dress occasions you will find hats made of flowers, laces, organdy, tafeta and straws of many kinds.

The hat best suited for you will be determined by your hair shape, your features (big bones or delicate bones), your body build and height and the costume you plan to wear with it.

Always check your overall silhouette in a full length mirror.

In general, clothes are going to be younger and more feminine this spring. Achieve this new younger look by wearing your hat set back at just the right place.

CHOOSE LOADED CALORIE

Control your weight and stay healthy by choosing foods with "loaded" calories. Every food contains calories, the fuel needed to keep us moving, but some foods contain so many nutrients—vitamins, minerals, and protein—that every calorie is virtually "loaded."

Calories in meat, vegetables, fruits, milk, and whole grain or enriched cereals are loaded with important nutrients. That's why they are so important, even in reducing diets.

Foods that contain a lot of fat and/or sugar have less of the nutrients, but are high in calories. Excess calories can pile on pounds while your body is starving for some of the needed vitamins, minerals and proteins.

Learn to choose loaded calories. It can mean better health—an improvement in morale and appearance.

Family members may enjoy rating their eating habits. "Are You a Good Eater?" provides an easy check list. It lists the foods needed daily and describes some of the most common symptoms for food deficiencies. You can get a copy from your county home demonstration agent.

LONE STAR AGRICULTURE

WHAT PRICE BALANCED DIETS?

As a result of present-day food buying and eating habits, many experts on dietetics are convinced that this nation's livestock and the family pets have a better chance of getting a balanced diet than do many children.

This analysis was discussed recently by Agriculture Commissioner John C. White before a woman's club in San Antonio.

"We recoil in horror over the fact that millions of people in the Far East and Latin America are underfed," said Commissioner White. "But there are 25 million people in this country who are just as bad off from a health standpoint."

"America is well off so far as an abundance of food is concerned, but we are not properly selecting and using our foods to their best advantage. Instead, our food products are becoming victims of a fast-paced civilization.

"We have become a nation of the skipped breakfast, the quick lunch and the pre-cooked supper. The food industry has kept up with this demand. Their production methods are geared to this harassing cry for quick and easy meals. These time-savers often prove to be great robbers of nutrition from our meals—and they help deflate our pocket books as well."

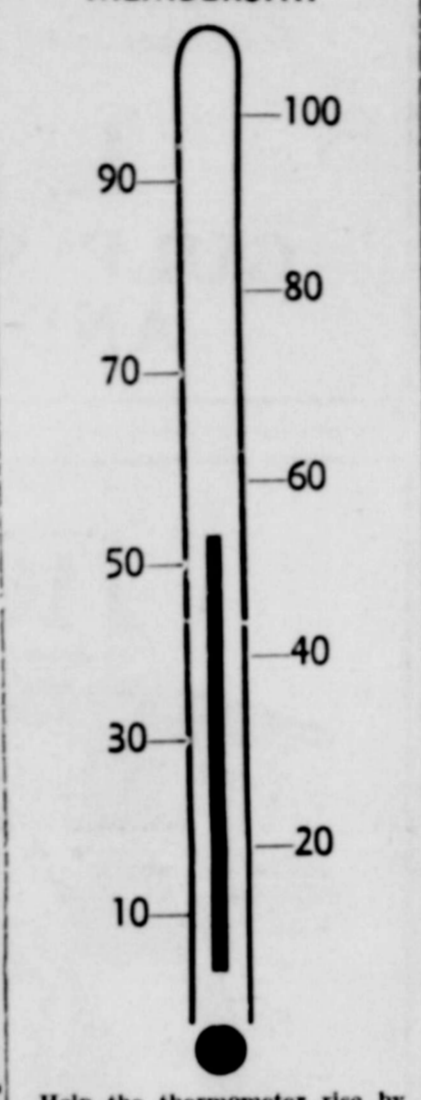

In the highly competitive race for the housewife's shopping dollar, White pointed out, food industry advertising concentrates on "easy preparation" and attractive packaging of food.

"Very little is said about the amount of health-giving properties of the product," he said. "As a matter of fact, many of these properties have been refined away in an effort to make it more appealing to the eye—and less nourishing to the stomach."

"When it comes to feeding livestock, the farmer knows that it isn't the fancy feed bag or even the taste of the feed that counts. He realizes that the importance of any food lies primarily in its nutritive value. The farmer's grasp of dietetics is often superior to that of the housewife."

A vast educational program might be part of the answer, Commissioner White suggested, to convince "the housewife that a proper balance should be maintained between fresh foods and staples and the highly refined processed products. Both processed and natural foods have a place on her table, but one should not be excluded entirely for the other."

Coffee Time CHATTER

By HELEN OGLE

Among the first duties to start the day off around a newspaper office, is to go through the daily mail, and it's always a pleasure when we receive a note or letter from our subscribers who have either been a resident of Hico or visited here, or now live here. Highlights from several letters received lately from your friends are as follows:

From Mrs. Lou Austin of Benton, Arkansas: "I was raised in Erath County near Hico, and I enjoy the Hico news very much."

"Thanks for letting me know my time was out, I just hadn't noticed so enclosed is another year's renewal. Sure don't want to miss the paper," says Mrs. C. L. Kinser of Route 6.

Mrs. John G. Jackson of Center-ville writes "We are enclosing a check for another year's subscription to the Hico News Review. Since we don't get letters from Hico, the News is the only contact we have with the place we learned to appreciate so much."

Along with a renewal, Orie R. Morrison of Stephenville says: "Sure do enjoy the paper. Keep it coming."

A former resident, who is way out West now is Carol Ross, who writes from Sierra Blanca saying to keep the paper coming that way, as she enjoys reading it every week.

Had a visitor? Been some place? Then call in your news items each week.

Along with personal regards, Vance Terrell of Stephenville mails another renewal for per he enjoys very much.

E. C. Shaffer of Dallas writes: "Recently I passed through your fair city while it was raining, but thought the Bosque River changed its course through the front yard. When I got back to Dallas a reminder card was mailed to me which read: 'Your subscription to The Hico News Review is about to expire—so no or no water, keep the home coming.'"

Glading you weren't in town last week, E. C., as your subscription wouldn't have changed, Graves says we need two more town—one for "News Review Creek" and the other for "Office Avenue."

Helen Swor (nee Helen Gage of Houston) wrote "We enjoy paper so much each week I even tell mother about what is going on in Hico. It pays to be formed! There has been a noticeable change in the during the past few years—'Home town' paper that one will be proud of."

A note from my neighbor on earth is water, and one-sixth the earth is land, so why should any gal arter, be able to some understand, that The Good meant for Man to Fish, times as much as he works! Think we'd better go to pre that.

'American Jazz' Topic of Review Club Program At February Meeting

The Hico Review Club met with Mrs. Louise Angell last Thursday afternoon. The hostess served cof- fee and heart-shaped cakes to the twenty members and one guest present. Mrs. Haisler was the guest.

Valentine decorations were used throughout the home.

During the business session, pre- sided over by the president, Miss Mettie Rodgers, the club voted to buy six dining room chairs for the homemaking cottage, and the homemaking girls will refinish them.

Mrs. Wayne Rutledge and Mrs. Bernell Jernigan were in charge of the program on "American Jazz." Mrs. Rutledge's definition of Jazz was: Jazz is a blend of West Afri- can primitive rhythms, gospel sing- ing, European classical music, voo- doo, ragtime, minstrelsy and the field cries of the deep south. She said further the mere survival of jazz demonstrates its vitality—a little careful listening should dem- onstrate its artistic merit.

The club especially enjoyed the playing of "jazzed-up" hymns.

Mrs. Jernigan told of outstand- ing jazz artists such as Jimmy Bol- den, Louis Armstrong, Duke El- ington, Morton and Benny Good man.

FAIRY

By MRS. EUNICE DANIEL

We were very sorry to learn of the death of Mrs. Rucker Wright, who had made her home at the Wilford rest home in Hamilton the past several years. We visited at the home last Sunday week and she was the last person we talked with as we were departing. She had attended church in town that morning. She suffered a stroke two days prior to her death from which she never regained consciousness. From all accounts she was a good patient of the home as she seemed to stay quiet busy embroidering, piecing quilts and reading her Bible. We will miss her and feel sure she will be greatly missed at the home. Our sympathy is extended to relatives who mourn her passing.

We have more of that rainy weather at this writing, Monday, but radio reports a clearing up by Tuesday afternoon.

While in Hico Saturday we were talking with Rufus Patterson who stated he thought we were needing some more rain as the mud in his lots was getting so heavy it was pulling his boots off. Well maybe this has helped the situation with Rufus, but we feel sure this rain wasn't welcomed by many. At this time, Tuesday morning, we have had six-tenths of an inch of rain.

Grain had begun to look much better after a few days of spring-like weather. Winter grass and clover is so pretty and green like spring. We just hope the most of our winter weather is over.

Marvin Porterfield and his brother-in-law visited last Friday at McCloskey Hospital in Temple with his cousin, Nona Brunson, who was carried there on Monday of last week suffering with a lung infection. They report his condi-

tion unchanged at that time. We hope he will soon be much improved and able to return home.

Mr. and Mrs. Olga Duncan have received word of the arrival of a new grandson, born to Mr. and Mrs. George Duncan of New York on Feb. 3. They have another son, age 12.

Mr. and Mrs. Ted Arrant are also grandparents of a new son, born to their son and wife, Mr. and Mrs. Garland Arrant at Harris Hospital in Fort Worth on Feb. 4. He weighed 8 pounds and one ounce and has been christened Mark Alan. Maternal grandmother is Mrs. Herman Munnerlyn of Hico. Mrs. Arrant is the former Miss Barbara Munnerlyn. The Arrants have three other children, Debra, Mike and Teddy Guy.

Mrs. Lillie Evans of Comanche visited Monday in the home of her sister, Mrs. and Mrs. Olga Duncan.

Mr. and Mrs. Carl Ray Sellers and family visited Sunday in the home of his mother, Mrs. N. S. Sellers of Hamilton, and also in the home of his brother, Mr. and Mrs. Dewey Sellers.

Mr. and Mrs. Jack Halle of Fort Worth visited during the week end with their parents, Mrs. Florence McKandless and Leroy and Mr. and Mrs. H. E. Sills.

Mr. and Mrs. Herman Sills honored their daughter, Mrs. Jack Halle with a birthday supper Saturday evening. Those present were the honoree and husband of Fort Worth, his mother and brother Mrs. Florence McKandless and Leroy of near Olin and Mr. and Mrs. Leslie New of Fairy.

Mr. and Mrs. Carl Ray Sellers, Carolyn, Jimmie and Janice spent last Saturday visiting in the home of her sister, Mr. and Mrs. D. E. Allison. Mr. Sellers was employed at the Allison home. While there, Mrs. Sellers, Carolyn and their niece and cousin, Mrs. Wayne Pittman shopped in Stephenville.

Mr. and Mrs. Willie Turner honored their son, Ray, with a birthday dinner Sunday. Those present for the weekend and happy occasion were Mr. and Mrs. Billy Turner and Curtis, Mr. and Mrs. Ray Botkins and Tammy, all of Kielen and Mr. and Mrs. Jackie Turner of Arlington. Also Mr. Turner's twin sister and husband, Mr. and Mrs. Vesta Hogan of Houston, and Ray and Berniece of the home.

Mrs. Max Lamb of Flat visited Saturday with her parents, Mr. and Mrs. Scott Bakley.

Mr. and Mrs. Scott Bakley, accompanied by her uncle, Mr. Walter McCoy of near Hico and her brother, Ernest McCoy of near Fairy visited their aunt and sister, Mrs. Velma Young of near Corsicana on Wednesday of last week. She has been ill.

We received a letter of explanation Monday from W. E. Goyne of Decker giving us the name of the lady who had spent the previous week end in their home. She was Miss Betty Helton, who had accompanied Mrs. Benny Dowdy who spent the week end with her parents. We had stated Mr. Dowdy also spent the week end but he was unable to come as he had to work. Both the Goynes' sons-in-law are named Benny hence they call Mr. Dowdy big Benn. Was just a case of mistaken identity with us at a distance. Instead it was Mr. and Mrs. Benny McDowell instead of

Mr. and Mrs. Benny Dowdy as we stated, who with Mrs. Benny Dowdy and Miss Helton spent the week end with Mr. and Mrs. Goyne and attended the Masonic program at the school gym honoring their father for his 50 years of membership in the Masonic Lodge. Thanks, Mr. Goyne, for your letter of information.

Mr. Frank Hanes and Mike spent Saturday at Dallas visiting in the home of their daughter and sister, Mr. and Mrs. Bobby Drew and Cynthia Ann. Mrs. Hanes, who had spent the past ten days visiting in the home, accompanied them home. She reported the Drews and their new baby to be doing fine.

Miss Anita New of Fort Worth spent the past week end with her parents, Mr. and Mrs. Leslie New. Bro. Bill Nix of Huckabay filled an appointment at the Church of Christ Sunday. He was accompanied from Hico by Mr. and Mrs. Claud Brunson. They were dinner guests in the home of the Brunson's daughter, Mr. and Mrs. Herman Sills.

Mr. and Mrs. Frank Hanes and Mike attended the funeral of Mr. W. C. Miles of Levita, held in Gatesville on Tuesday, Feb. 7. They met Jim Dunn of Lamson while there and enjoyed talking with him. He formerly resided in the Fairy community and was a relative of the Miles.

Miss Neil Wood of Arlington visited during the week end with her aunt and family, Mr. and

Mrs. Carl King.

Some have been ill of colds and bronchial virus, but glad to report most everyone about okay again.

H. H. Wolfe was reported on the sick list Sunday, and was unable to attend church.

Check with us on Nutrena Chick & Pullet Program

Pullets raised to 20 weeks for only \$1.21 each

That would be a real head start on eggs, wouldn't it? That's exactly how 195,000 birds—in 25 flocks—did last year on Nutrena's starting-growing program. \$1.21 cost included 42c per day-old chick, 74c for feed, 5c for vaccinations and insurance. All birds were fed complete Nutrena rations from day-old to 20 weeks. Of all chicks put down, including 4% "free" hatchery extras, only 7.6 per cent were removed . . . a remarkable record of birds housed when you consider removals included culls, cockerels and death losses from fire, storms, disease or other causes.

Why not go after rockbottom low cost per bird housed with your replacement pullets? Check with us now on a 1961 Nutrena starting growing program.

CLAIRETTE

By MRS. LUCILE MAYFIELD

Mr. and Mrs. Bill Head of Weatherford moved to Clairette last week. We welcome this fine couple back to their old home town. Mr. and Mrs. Head were both raised here in the community, and have been away several years. Mrs. Head is the daughter of Mrs. Susie Salmon of Hico. Mr. Head is the son of the late Mr.

and Mrs. Oscar Head. Hughie Carr is building a new carport at his home in town.

W. O. Sherrard has recently added a room to his home, and built a new storage room at the rear of his home.

Mrs. Reba Carter and Mrs. Arvy Dowdy spent Tuesday night in Fort Worth with Mrs. Carter's son, Billy and family.

Those attending the basketball game in Evant Friday night were Bobby Boone, Fieldon Haley Jr., Charlie Dowdy, Mrs. Etta White-side and Mr. and Mrs. Henry Mayfield. The Evant boys and girls won both games by a few points.

Dale Lewis of Stamford visited one day recently in the Herman Roberson home.

Mrs. Reba Carter left Sunday for Buchanan Dam where she will visit with her son, Mr. and Mrs. Don Carter and family.

This week is Brotherhood Week. Also National Cherry Week. Feb. 22 is the birthdate of our first president, George Washington.

Heart Sunday is February 26. Everyone enjoyed the warm sunny days the past week.

IT HAPPENED . . .

HERE OR NEAR

By E. E. DAWSON

There are folks in the world who think that only the older things are worthwhile. They sing the old-time hymns, want their minister to be of the old-fashioned type; they look with suspicion on all that does not bear the label of the yesterdays.

But the world does not halt its onward progress, and new things are appearing daily, which add to the welfare of humanity and ease many of the burdens mortals meet. For all these new things that minister to human welfare, this mortal gives devout thanks.

One of the innovations of the recent past is the idea of nursing homes. Most of them have originated in the last decade, and the urge for such institutions is spreading to almost every community. The first one that we heard of was at Evant, and the usual question when one heard of it was "What's a nursing home?"

But now Hico has one, and all of us are happy that it is here available for those who need the sort of care it affords. Mrs. W. R. Payne heads the Hico Nursing Home, and she and her husband live there. This writer visited it last week and was fascinated by what he saw and learned by the visit.

The building is centrally located and easily found, and at the present is adequate for the comfort and welfare of its patients. People will grow old in spite of their best intentions to stay young. In many cases the older person is left alone and their age means they have ailments. Maybe they have relatives, but often they do not have kindred who are near and situated so that they can minister to the aged needy ones. In most cases any hour a home has about all it can care for of its own, and an older person may impose a burden the family is not able to manage. Here is where the ministry of the nursing home comes to the aid of the home and of the needy older ones. And in saying "older ones" it is not meant that persons of less age can not find help there. But in the case of the older its care is the more urgent.

Hico Nursing Home has space for the accomodation of sixteen

patients. Two persons to the room are taken. The rooms are large enough for comfort and ease of the two occupants. Rest rooms are handy to each room and baths are provided. Stable, comfortable beds are provided. The occupants of every room have facilities for their visitors and a free and friendly atmosphere is present in the entire institution.

The meals are served in a spacious dining room, with tables where all may be near enough to each other or conversation and friendly contact. Within the same four walls is the kitchen with its pantries and space for food preparation. Dining room and kitchen are located in a space about fifteen by fifty feet. Next that hall is the reception room large enough for quite a company of people to enjoy social contact and enjoy the visits of friends.

Mr. and Mrs. Payne's quarters are adjoining the reception room, and the supply rooms.

The home welcomes the visits of the church people and workers of the community, and for that matter all the citizenry of Hico community. Mrs. Payne is a friendly soul and manifests her interest in the comfort and welfare of all needy persons who may enter the Home for its ministry. We did not get to meet Mr. Payne, as he was away at the time we visited.

I am happy to give my personal congratulations to the community for this recent addition to our worthy institutions.

RETURN FROM CARLSBAD

Mr. and Mrs. Jim Noonkester returned home Monday from Carlsbad, New Mexico, where they visited with three of his sisters, Mrs. Margarette Burris of Carlsbad, Mrs. May Jones of Fort Stockton, and Mrs. Olar Crawford of Santa Ana, Calif., whom he hadn't seen for 20 years. Two nieces, Mrs. Johnnie Dollman and Mrs. Bill Colewall were also visited by the Noonkesters. Mr. and Mrs. Noonkester lived at Carlsbad several years ago.

Mr and Mrs. Jeff Martin of Rails visited this past Sunday with Mr. and Mrs. W. W. Gleaton.

Hamilton-Coryell SCS District News

By GLENN RILEY

Martin Schrank, a district co-operator with the Hamilton-Coryell Soil Conservation District, is in the process of constructing terraces on his farm located five miles southeast of Hamilton.

The top terraces on this farm are diversion terraces that will protect a system of terraces on cropland below. Protection will be provided by reducing length of the slope and holding water on the land longer to increase amount of water that soaks into the soil. The terraces will be used as guide lines for contour farming.

All terraces will outlet on native grassland reducing erosion to a minimum. Outlets will not be overgrazed.

Highway 281 Association Adopts Broad Program

Becoming more aware of the mounting keen competition from other north-south highways, the U.S. Highway 281 Association of Texas has adopted a rather broad program to cope with the situation. Briefly, the program is as follows:

Create a permanent organization with a director in each town and community and a local committee of not less than three members representing a service organization and the American Legion.

Secure permanent memberships

other land does not reduce the need for other conservation practices such as Conservation Cropping System, Contour Farming and Cover Crops. It is only a part of the complete soil and water conservation plan that Schrank developed with the assistance of Claude Hoffman, Range Conservationist, with the Soil Conservation Service.

After these terraces are completed, they will be maintained by plowing them with a disk plow at least once each year.

LATE CLAIRETTE NEWS

Mr. and Mrs. Don Myers and children, Daria, Jerry and Terri returned to their home in Austin Sunday afternoon after spending several days with Mrs. Myers' grandparents, Mr. and Mrs. John Willis.

Mr. and Mrs. John Willis visited with Mrs. Garland Anglin and new daughter at the Hamilton Hospital Sunday afternoon.

Mrs. W. L. Teel and daughter, Marilyn of Azle spent Friday night in the home of her parents, Mr. and Mrs. Byron Hawthorne.

See us for Seed Potatoes and all kinds of bulk and package garden seeds. N. A. Leeth & Son.

in each town and community. Work closely with the American Legion to make U.S. Highway 281 a fitting memorial to those who gave so much for their country. U.S. Highway 281 is now the American Legion Memorial Highway, Mexico to Canada.

Improve public relations by setting up public relations clinics in each town and community for those coming in contact with the traveling public and urging adequate hotel, motel and tourist court accommodations and eating establishments.

Erect large directive signs at strategic points on Highway 281. Distribute Association and local promotional material.

Some 75,000 thousand Highway 281 informative folders have already been distributed by the Texas Association.

Continue to work diligently for further physical improvements on Highway 281.

Cooperate fully with the National Association and the other state associations. The ultimate goal of the Association is a four-lane trunk route from Mexico to Canada, with further extensions north into the heart of Canada and South into Mexico. There is concrete evidence that this goal is no pipe dream.

Every year stretches of four-lane highways are being built and Canada is studying the possibility of extending Highway 281 some 350 miles into the central part, the sportsman's paradise, and contact is being kept up to date with Mexican officials.

During the past ten years much good work has been accomplished by all the associations of Highway 281 and there is to be no let up in effort. The time will come when 281 will be one of the great trunk routes of the USA.
