HICO, TEXAS JULY 28, 1961.

NUMBER 13.

Plans Complete for Start Of 75th Annual Reunion

Hico's 75th Annual Old Settlers Reunion will get underway next Wednesday, August 2, with the traditional parade kicking off the four-day affair at 5:30 p.m.

Reunion Manager Billy Doty has proclaimed everything in readiness for the start of the Diamond Anniversary of the event.

Activities begin Wednesday night at 8:15 when the Miss Reunion Contest will be unveiled at City Park. The contest, which features 27 entries this year, has been divided into two divisions—Junior

and Seniors—and two winners and two runnersup will be crowned. Mrs. O. C. Cook, Mrs. Kenneth Southall, and Mrs. Billy Doty are in charge of arrangements for the contest.

Other entertainment Wednesday night will feature Johnny Duncan, popular young singing star from Dublin, who is now employed by the Hamilton radio station. Duncan has appeared in Hico on several occasions.

The Light Crust Doughboys of Fort Worth, popular radio entertainers, will be featured Thursday night. This program, as will all others, begins at 8:15.

Friday night, Curtis Trout and his band from Hamilton will entertain. The Troup organization proved a popular addition to the entertainment portion of the Reunion last year, and has been asked to return.

Saturday night will feature the traditional Old Fiddlers Contest, which annually draws a large number of contestants from over the state. Last year the contest drew 19 entries, and that many or more are expected to compete this year.

Also Saturday night drawings will be held for the several hundred dollars in merchandise which will be given away by merchants having display booths at the park. The same carnival attraction that played Hico last year will be back again for this year's celebration.

Doty stated that only minor details needed to be completed before the start of the celebration.

Kenneth Southall has been named parade marshal, and he will start placing entries around 5 p.m. Wednesday afternoon. The parade will form at the usual place, on north main street, and entries are urged to be in place before the 5:30 p.m. starting time.

Other information pertaining to the annual affair will be carried in the Tuesday publication of the News Review next week.

Miss Reunion Contestants are:

Motel Formal Opening Scheduled Saturday By New Owners

Mr. and Mrs. J. C. Robison will hold their formal opening of their new business, C. & C. Motel at 10 a.m. Saturday, July 29. Mr. and Mrs. Robison invites the public to attend from 10 a.m. until 5 p.m. when refreshments will be served and souvenirs will be given the children.

The Robisons purchased the 10-unit motel last week. The modern units have televisions, refrigerated air conditioning, all private baths, and double and single units are available.

The Robisons formerly operated a dairy farm near Hico for several years before selling their stock recently. They have one daughter, Robbie, who will be in the fifth grade in school this fall.

Winners Listed In Local Golf Tourney; One Play-Off Due

Chairman James Cryer listed winners in the City Golf Tournament, which has been in progress during July, this week.

One play-off is forthcoming, between Carroll Knudson and Ray Hastings of Cranfills Gap. The two tied for first place in the second flight. They will engage in an 18-hole play-off this weekend.

Winners in flights which have completed play are as follows:

Championship Flight: G. M. Rulard, first; Ray Cheek, second; Odie Petsick, third.

First Flight: Eddie Henry, first; E. V. Meador, second; Red Lackey, third.

Second Flight: Carroll Knudson and Ray Hastings, tie; Les Patterson, third.

Play in the third flight has not been completed, and winners of this division will be announced later.

Wednesday Rites Held For E. C. Allison, 77, Longtime Fairy Resident

Final rites were held Wednesday afternoon, July 26, at 2:30 p.m. in First Methodist Church for Edward C. Allison, 77. Rev. J. G. Reuter and Rev. Norman Purvis officiated, with burial in Fairy Cemetery.

Mr. Allison died Tuesday in Hico Hospital following a long illness. He was born in Comanche County February 4, 1884, and had lived in the Fairy community more than 60 years. He was a retired trucker. Mr. Allison had been a member of the Fairy Methodist Church for many years.

Surviving are his widow; five daughters, Mrs. J. D. Seago of Waco, Mrs. Guy C. Hartgraves of Bishop, Mrs. L. J. Patterson of Dallas, Mrs. Edwin Seilheimer of Fort Worth, and Mrs. George Stringer of Crane; three sons, D. E. Allison of Dublin, W. W. Allison of Baytown, and Texie D. Allison of De Leon; one brother, Hugh M. Allison of Hamilton; 19 grandchildren and four great-grandchildren.

Pallbearers were E. C. Parks, Hershel Richardson, Carl Ray Sellers, Garland Sreater, Cliff Tinkle, and E. M. Hoover.

Former Hico Pastor Dies In Dallas

A former pastor of Hico First Christian Church, Rev. William LeMay, died Sunday at his home in Dallas.

Rev. LeMay was pastor of the local church for ten years from 1944 through 1954.

Final rites were held Tuesday in Dallas. Mr. and Mrs. Paul attended the services.

LOCAL MAN SERVING ON OKINAWA

Fort Buckner, Okinawa—(Spl.) Army Specialist Four Frank E. Wooton, whose wife, Wanda, lives at Dublin, arrived on Okinawa July 9 and is now a member of the U.S. Army Military Police Group.

Specialist Wooton, assigned to the group at Fort Buckner, entered the Army in October 1958, completed basic training at Fort Carson, Colo., and was last stationed at Fort Leavenworth, Kansas.

The 24-year-old soldier, son of Mr. and Mrs. James R. Wooton of Hico, is a 1954 graduate of Dublin High School, and was employed at Conair, Fort Worth, before entering the Army.

ATTEND STATE FFA CONVENTION IN DALLAS

Harold Walker, local FFA Chapter Advisor, accompanied by Harry Brown and Bill Rutledge were in Dallas last week where they attended the State FFA Convention.

Mrs. Roy Harris and Melissa Reeves of Houston visited with Mrs. J. T. Appleby last week.

Clairette Now Served Thru Hico System

Thirty-four subscribers in the Clairette area are now being served through the Hico telephone system, according to Art Anderson of Stephenville, district manager. Mr. Anderson said he expected the number of customers in that area to reach 40 within the next few weeks.

Clairette had previously been served by a community system, and the people there are now enjoying the conveniences of dial telephones. The addition of the Clairette system is part of a long-range program by Gulf States to offer service to as many customers as possible in this area.

The new additions bring the total number of subscribers out of the Hico office to around 650.

Clairette residents have a direct line into Hico, and no toll fee is charged on calls coming here. Previously people in that area paid a small toll fee on calls to Hico. Their prefix is the same as Hico—SYeamore 6—and will be listed in the new Hico directories this fall.

Tenth Anniversary Observed by Bosque Water Association

The Bosque River Water and Sanitary Association met at Dublin Tuesday night of this week.

The Association had as guests, wives and families of members at the affair commemorating the tenth anniversary since the inception of the organization.

Fifty-three members now belong to the association, from Hico, Dublin, Stephenville, De Leon, Gorman, Hamilton, Morgan, Valley Mills, Meridian, Walnut Springs, Clifton, Granbury and Glen Rose.

Mr. and Mrs. W. R. Hampton and Mr. and Mrs. Edmond Hudson and Kenneth of Hico attended.

Citizen of the Week . . .

By DONALD HUGHES

On August 2 of this year, 27 local beauties will walk onto the stage of the park pavilion as candidates for the Miss Reunion titles. Their committeewoman for the second consecutive year will be a lady whom most of us have been acquainted with at various educational, social, or community affairs, Mrs. O. C. Cook.

Mrs. Cook has devoted her time and untiring efforts to numerous functions. She has served on P-TA committees and other school activities, directs the Methodist Church Choir, in the absence of Terry Randolph, is a member of the Review Club, and also attends the art class which was started by another local lady, Mrs. J. E. Lincoln. A gregarious person, she believes that she benefits from the social contacts that such activities offer.

Mrs. Cook teaches the third grade in the elementary school, a position she has held since coming to Hico with her husband, Mr. O. C. Cook, school superintendent, in 1950.

Mrs. Cook is the type teacher our schools need if our children are to benefit from their education. She has a keen interest in her work and, I believe, a certain pride in what she has accomplished. I wonder how many of us have

stopped to think of the, as she puts it, time, patience, and understanding it takes to teach our children. Teaching, in one respect, is like other fields of endeavor. A person must be interested in their work in order to attain their maximum potential. More specifically in teaching, as the children are subject to derive the most from this interest.

After graduating from Dublin High School in 1928, she entered college and received her bachelors degree in Education from North Texas in 1938. She suffered somewhat of a setback during the depression, however, undaunted she went on and taught school. She received a certificate which, at that time, allowed a person to do so without a degree. She feels that she benefited from this practical experience as it enabled her to better understand her studies. She received her Masters degree from Baylor in 1952.

Neither she nor her husband have any particular plans for retirement. They explained that they have been too busy with other duties to really give it much thought. They also feel that retirement is possibly out of the question as they have been teaching so long, that to quit would be too much of a let-down.

★ Early Paper Next Week

Next week's issue of the News Review will be published two days early—on Tuesday—in order to give last-minute publicity to the 75th Annual Old Settlers Reunion beginning Wednesday.

Correspondents, advertisers, and contributors are urged to have copy in the News Review office not later than Monday noon.

The publisher will appreciate cooperation on this early publication date.

Power Mower Accident Hospitalizes Local Man Monday Afternoon

Weaver Ballard was still a patient in Hico Hospital Wednesday following an accident with a power lawn mower Monday afternoon. Ballard's foot was severely lacerated while mowing when a blade came loose.

Following the accident he attempted to drive to the hospital for treatment. Driving toward the hospital Ballard fainted and his car ran into a post near the home of Mrs. Jessie Connally.

Richard Tooley witnessed the accident and immediately got into the stalled car and rushed Ballard to the hospital where he received emergency treatment.

TAKE 4 1/2 POINT LEAD

Blair's Bop Bank for Big Build-Up in Bowling Blast

By MORSE ROSS
League Secretary

Blair's amazing keglers short-changed the First National Bank's Moneychangers by a 4.0 count to take a 4 1/2 point lead in the Hico Mixed Bowling League. Steady games by all members of the team, consisting this week of Bill and Willard Leach, Jim Jameson and Louise Blair, did the trick. The Whiz Kids seem to be well on the way to winning the first league title.

Second place News Review Newshounds pounded out a 3-1 win over Judy's Beauties but lost ground to the Blair quartet. Judy's team put up a battle and rolled good enough to win over most teams but couldn't cope with the 1767 scratch pins that the News-hounds knocked down. Joyce LaBowe and Watt Ross paced their team with 486 and 500 pins respectively along with teammate Steve Parks' 189 game. Hershel Sherrard, with a 177-480 game and Pete Keller with a 207-474, starred for the Beauties.

Hico Motor's Darts took over third spot in the league by taking a 3.1 decision over Howard's luckless Pillrollers. Betty Knudson and Harold Walker starred for the Darts. This team is climbing steadily and may prove troublesome to the Whiz Kids this week.

Dunlop's Electricians advanced in their battle to get out of the league cellar by edging Wilson Cleaners 3-1. They are now only 2 points out of ninth place. Jean Dunlop and Don Drum bowled well to provide the needed edge over the Cleaners.

Salmon's Slipping Shoppers rolled their highest series of the season but could only manage a 2-2 draw with a determined Cheek Furniture team, and thereby slipped into fourth spot. Lookout cel-

Dr. Oscar N. Lackey, Ex-Professor, Buried Here Saturday

Funeral services were held at 3:30 p.m. Saturday, July 22 in the First Methodist Church for Dr. Oscar N. Lackey, 81. Rev. Norman Purvis officiated, with burial made in Hico Cemetery under the direction of Barrow-Rutledge Funeral Home.

A retired college professor, Dr. Lackey passed away at his home in Stephenville Thursday afternoon. A teacher of physical chemistry, he was born in Coryell County. He was a graduate of the University of Texas and received his doctorate from Duke University.

Dr. Lackey taught at a number of colleges, including Texas A&M and Arkansas State Teachers College at Conway. He moved to Stephenville from Conway when he retired three years ago.

Survivors include two sisters, Mrs. Deffie Nix of Glen Rose, and Mrs. F. S. Jones of Denver, Colo., and one brother, Alonzo Lackey of Hico.

Pallbearers were Sim Everett, Roy French, W. R. Hampton, Marvin Marshall, George Griffiths and George Christopher.

MISS REUNION REHEARSAL TUES.

Mrs. O. C. Cook, chairman of the Miss Reunion Contest, has called a rehearsal for Tuesday evening at 7:30 p.m. at City Park Pavilion.

All girls entered in the contest are urged to be present.

OLD TELEPHONE SYSTEM TO BE DISBANDED

The Gulf States Telephone Co. has installed telephones in all the homes that have been connected to the old system that served people in Clairette a number of years. Others will soon have a dial phone. My phone was installed Friday, so those who have news items that you want in the paper call SY 6-4785 during the week, and not later than early Monday morning

as it takes some time to prepare the news and get it in the mail before 9:30 a.m. Remember to call me in time if you know anything that's news to others.

METHODIST VACATION BIBLE SCHOOL DATES SET

The Methodist Vacation Bible School is scheduled to start Monday, July 31st and continue through August 4.

The closing program will be on the following Sunday night, Aug. 6. All children are invited to attend.

Brent Keller of Hico visited this past week with his grandparents, Mr. and Mrs. John Golightly, while his parents were on vacation in New Mexico and Colorado.

Hear football boys in Hico area are getting a notice to appear for practice sometime not far away. Some of our boys around Clairette will not be going back. Makes my eyes get misty with tears when I stop and think about it. We will miss seeing Mr. Barnett and others bringing boys home late from practice.

Three-tenths of an inch of rain fell here Sunday. Nine-tenths fell Saturday night.

Mr. and Mrs. B. J. Pruett returned home Friday from a trip to Itasca, New York where they visited their daughter, Mr. and Mrs. Jim Marshall. While there they went over into Capada, and spent two days on St. Lawrence River. Mrs. Pruett stated that New York was a beautiful state. They took the northern route, and returned home by the Southern route. She said they had no car trouble, and enjoyed a nice trip. Miss Rosemary Heffley of Stephenville accompanied them on the trip. She is a friend of Debbie's.

Mr. and Mrs. Cap McIntire of the old Salem community visited Monday night in the home of Mr. and Mrs. John Noland.

Mrs. Lucile Mayfield visited a while Wednesday afternoon with Mrs. Dorothy Reed and son at Hico. They attended the drawing in town.

Telephone service is being extended to several neighbors north of us who have not had service for several years. We hope all of them will have a telephone installed so they will have a better chance of getting their news each week to this reporter.

Mrs. Vada Noland lost her pet watch dog recently. The dog was

run over by a car while running after it. In a few days she got another dog which she had only a short time when it was run over and killed. We can sympathize with Mrs. Noland, after losing ours recently.

Mrs. Mary Eberhardt and baby from Eryan visited several days recently with Mr. and Mrs. R. W. Sherrard.

Laura Jean Dowdy of Lawton, Okla. is visiting her grandmother Mrs. Dulish Dowdy.

Bill Carter and Captain of Fort Worth came by the W. Z. Carters Friday and picked up a propeller in a helicopter.

J. J. Carter and son are spending two weeks with his brother, Don, at Buchanan Lake. They plan to visit here with his parents, Mr. and Mrs. W. Z. Carter for a month or so.

Mrs. Reba Carter and Mrs. Lucille Mayfield were in Hico Thursday night to attend the OES meeting.

We are sorry to learn that Mrs. Eddie Sherrard has not been feeling well the past few weeks.

Mr. and Mrs. Earl Austin and Mr. and Mrs. Gerald Perry of Benton, Arkansas visited last Monday with Mrs. Zena Havens.

A large crowd attended the singing Thursday night in the home of Mrs. Chance Sterling.

Prof. H. L. Self of Ames, Iowa arrived this weekend for a short visit with his mother, Mrs. H. K. Self. Mrs. Self plans to return home with him for a visit.

Several attended the merchant's drawing in Hico Wednesday afternoon.

Linda and David Noland of Weatherford spent a few days recently with their grandparents, Mr. and Mrs. John Noland, while their parents were at market buying merchandise for their store in Weatherford. They came for the children Tuesday night and spent the night with the Nolands.

Busy Bee Club members and families will have a picnic supper Thursday night, July 27 at the home of Eunice and Nola Lee.

Mr. and Mrs. Lee Marshall attended the Ship family reunion at Brownwood Sunday.

Mrs. Florine Wheeler and Richard of Killeen came Sunday for a visit with her mother, Mrs. Zena Havens. Richard remained to visit a few days with his grandmother.

Mrs. Brad Wood and children of San Antonio are spending a few days with her parents, Mr. and Mrs. A. Auvermann. Captain Wood and family will leave soon for England. They will join him soon in New York.

Lelon Wolfe and wife and son, Jimmy were here from Kermit visiting his parents, Mr. and Mrs. J. R. Wolfe and other relatives and friends. They also visited a few days in Fort Worth with the J. R. Hubbards.

Emmett Burks and Julian Havens went to Wichita, Kansas this week to move his father's things and take care of some business. His father, Ben Burks, passed away a few weeks ago.

Those enjoying a fish fry at the home of Mr. and Mrs. J. R. Wolfe Tuesday night were Mr. and Mrs. J. A. Walsworth of Pleasant Hill, Mr. and Mrs. L. H. Koonsman, Mr. and Mrs. C. F. Mayfield and Mrs. P. H. Mayfield of Stephenville, Mr. and Mrs. C. F. Burch of Hamilton, Mr. and Mrs. J. A. Currier and Janice of Selden, Mr. and Mrs. H. H. Koonsman and Tony, Mr. and Mrs. J. W. Scott and Belva Pendleton of Hico, and Mr. and Mrs. Lelon Wolfe and Jimmy of Kermit. This was a big catch from the Bosque River, and a happy time for these families.

HYPOCRITICAL HYMNS

The singing of a hymn should be a great experience for us. Someone has written some comparisons on the hymns we sing, printed in "Opinion Digest," July issue. Will pass on to you:

1. We sing "Sweet Hour of Prayer" and are content with 5-10 minutes a day.
2. We sing "Onward Christian Soldiers" and wait to be drafted into service.
3. We sing "Oh For a Thousand Tongues" and don't use the one we have.
4. We sing "There Shall be Showers of Blessing" but do not come when it's raining.
5. We sing "Blest Be the Tie That Binds" and let the least little offense sever it.
6. We sing "Serve the Lord with Gladness" and gripe about all we have to do.
7. We sing "We're Marching to Zion" but fall to march to Sunday School and church.
8. We sing "I Love to Tell the Story" and never mention it at all.
9. We sing "Cast Thy Burden on the Lord" and worry ourselves into a nervous breakdown.
10. We sing "The Whole Wide World for Jesus" and never invite our next door neighbors to church.
11. We sing "O The Day of Rest and Gladness" and wear ourselves out traveling, cutting grass, or play golf on Sunday.
12. We sing "Throw Out the Life Line" and content ourselves with throwing out a fishing line.

Enjoy garden glamour after sundown

with modern outdoor lighting

Sunset needn't put a curfew on your enjoyment of your garden's beauty. With outdoor lighting, you can add new glamour, an entirely different atmosphere after dark. Floodlights, placed in trees or on the house or garage, will help give unity to the entire scene, while special mushroom type reflectors can highlight the flower beds that are your special pride and joy. Colored lights can be utilized for unusual after-dark effects. Outdoor lighting equipment for yards and gardens is available in a variety of styles—

weatherproof, economical and easy to install. See your dealer or visit our office for suggestions.

IT HAPPENED . . .

HERE OR NEAR

By E. E. DAWSON

So you think you have a hard time! Well, all of us at times has had that feeling, and maybe with a bit of self-pity. After all, things in this world are all to be judged comparatively. How is our hard time as compared to what a lot of people in other places suffer? Only by reading can we see things in comparison, for most of us are shut up to a small area, a circle of a few miles. And even within that tiny circle we do not know how it is with other fellow mortals.

There came to be recently a book from the Christian Herald Family Bookshelf, of which I have been a member quite a few years. The volume is entitled "Let My Heart Be Broken." The author is Richard Gehman, a writer in his early forties, author of eight books and numerous magazine and newspaper articles of note. The author took off on a trip to Eastern Asia with one Dr. Bob Pierce who is head of an organization named World Vision, Inc., of Pasadena, California. They took along with them a well-known photographer, and on their wide-spread visit inspected numerous places in Japan, Korea, China, India and Formosa. In all those areas they visited activities that are assisted by World Vision and its head, Bob Pierce.

In this short article one cannot tell of things in all those strategic places. So we pick out a few to recount some of the conditions there, which makes one ashamed that he ever felt sorry for himself as he thought of his hard times.

One of the most amazing of the stories of that trip have to do

with what the party saw on their trip to Hong Kong, one of the most populous cities of the world, situated so close to Communist China that it is plagued with multitudes of refugees who are so poor they live little better than rats, and have such hardships that most of the children die. But in spite of the high mortality among those poverty-stricken mortals still a great population remains and is increasing many thousands every week. Two places the party visited at Hong Kong were the House-top Dwellers and the Boat People.

In order to house the tremendous population increase, great buildings were erected seven stories high in the form of the letter H. There are great numbers of these H buildings and on each floor are rooms eight by ten feet long and the legs of the H and at the cross of the H on each floor kitchens and dining rooms where the inhabitants get their scant food, furnished in part by World Vision. In those small rooms five persons have to live day and night with the very poorest of furnishings. Their clothing is rags that not always covers their nakedness.

On the top of those buildings, World Vision is assisting some great missionary souls to have schools that the children may not grow up in total ignorance. Somebody has to climb all those seven stories with buckets of water to afford those children drinking water. Sanitary equipment is almost totally absent.

In addition to the H buildings, the party visited the Boat People

Barbara's NOTES NEWS ONSENSE

By BARBARA RANDALS

I was in Meridian the other day and noticed posters for the Reunion were already up, yet I haven't seen any in Hico. I guess that is what is on everyone's mind now—what they will do at the Reunion.

I saw Lou Laminack for the first time in a long time the other day. She said Midland was great and the people, especially some, were very friendly. She is certainly looking forward to returning for another visit soon.

Vanetta Williams is a darling girl from Fort Worth who has been visiting the Boyd Lowrys. She will be a senior at Arlington Heights in Fort Worth next year and we discovered we had several mutual friends. She's really a nut and a lot of fun.

Mitchell Mayfield told me the

other day that he's working for a newspaper. I nearly flipped but then he said he was just working—not reporting.

Bobby Boone said the other day that he was heading for West Texas to work with his dad—and the sand fleas, and the hot sun, etc.

Mary Adams has finally decided to leave her creek, home and friends to see what Oklahoma is like this year. She probably will like it, especially those roads full of chug holes. I imagine the male population had better take notice and run for cover.

"California here I come" was Robert Reed's cry Tuesday night or rather Wednesday morning about 2:30 a.m. He has been threatening to go all summer but couldn't stand to get that far away from Fort Worth. Finally his mom summoned him so he went.

Tuesday was Barbara Patterson's birthday and she was certainly a forlorn figure all day. It seems that all her friends had other plans and seemed to have forgotten it was her birthday. About 8:00 she was sure surprised to hear the strains of "Happy Birthday" coming from her bedroom window and see her friends enter with a beautiful (and delicious) birthday cake. Let me assure you that those friends had had a rough time walking a mile up their road without being seen.

It seems the sun has been doing a good job of lightning people's hair or maybe it has had some help—right kids!

There is a beauty of a new car in town and, no, it's not a new boy in it, but our old friend Edwin Shannon with a new red Impala. There are bets that it won't last until it's paid for but Edwin says it will and a lot longer too.

Mrs. Cook's nieces have been visiting her about a week ago. One day I phoned there about four times but got no results so I asked mother to get my information for me. Boy, did she. So far all I know is that their names are Jolyne, Sherry and Elyse. They are from down south and they are teenagers. Mother sure was a lot of help. I knew nearly all that before I started. Whew! That's Moms for you!

I'm always in need of news so let me know what you know and we'll both be dumb. Be good.

Clairette H.D. Club Meets July 21 in Home of Mrs. Rush

Mrs. Marvin Rush was hostess to the Clairette Home Demonstration Club July 21 at her ranch home south of Clairette. This was the last meeting for the summer.

New officers have been elected for 1962 as follows: Mrs. Marvin Rush, president; Mrs. H. K. Self, vice president; Mrs. Chance Sterling, re-elected secretary-treasurer; Mrs. Frank Johnson, council delegate; Mrs. John Willis, reporter; and Mrs. George Loden, parliamentarian.

At the Friday meeting the club was called to order by Mrs. John Golightly. With Mrs. Loden at the piano the group sang the beautiful National H.D. Song, "Ever Onward." The group repeated the THDA prayer in unison.

Erath County Agent Miss Helen Ruth Flowers gave a very informative and interesting program on rugs and carpets in the home, showing many samples.

Council report was given by Mrs. Johnson. In the recreation contest Mrs. Johnson and Mrs. Golightly were presented gifts by the hostesses.

Mrs. Sterling was asked to write Mr. Harvey a letter of thanks for the nice job of cleaning and mowing the grounds at the Recreation Center. Mr. Harvey purchased the salvage portion of the gymnasium. He donated lumber to the club for repair on main building.

An all-day meeting will be held August 14, and everyone are asked to bring hammers and saws, and a covered dish.

Mrs. Rush served refreshments to Miss Flowers, Miss Jeanne Wood, Mrs. Golightly, Mrs. Sterling, Mrs. Wolfe, Mrs. Self, Mrs. Johnson, Mrs. Loden, Mrs. Auvermann, Mrs. Willis, and Mrs. Goyne of Fairy.

A NEWSPAPER WAS A RARITY IN MANY AMERICAN COMMUNITIES!

Then—a newspaper was a thing to be marveled at—for memories of the Press' fight for freedom were fresh in mind. Although newspapers are common in our country today, their existence should not be taken for granted. It is a wonderful fact that almost all of our modern communities have their own hometown newspapers, freely edited by members of their own communities—spreading the news, stimulating the business of the community, and keeping their readers informed of important events elsewhere. It is well to keep in mind that a free press and a free people are an unbeatable team.

Former Resident Married at Crane

Miss Mary Ann Bullard, daughter of Mr. and Mrs. George D. Bullard of Crane, and Jerry Lynn McCarty, son of J. O. McCarty of McCamey were united in marriage Saturday, July 15, at 7 p.m. in a lovely double ring ceremony in the bride's home in Crane.

The Bullards are former Hico residents. Given in marriage by her father the bride wore a chantilly lace sweetheart neckline and waltz length gown with full hooped skirt and adorned with a string of pearls, gift of the bridegroom, and bracelet length sleeves. Her shoulder length veil of illusion was fastened with a seed pearl tiara. She carried a white satin Bible on which lay her bridal bouquet of gamelia entwined with white satin streamers.

As Miss Carrie Lou Chaney played the wedding march, the bride entered on the arm of her father to stand before a beautiful setting draped in white satin, banked with emerald and circled about with plumosa. Long satin streamers connected a large sweetheart bow to tall baskets of white gladiolas which were flanked on either side.

Miss Kay Elizabeth Bullard, sister of the bride was her only attendant. She wore pale blue chiffon with softly draped bodice and full skirt, with white accessories.

Don McCarty of Odessa served as his brother's best man. The bride was reared in Crane and was a 1960 graduate of Crane High School and attended Waxahachie Junior College.

Mr. and Mrs. Donald Garth and children, Gary and Jim, of Lubbock were Sunday visitors in the home of Mrs. Jessie Richbourg and Mrs. J. A. Garth.

JULY 30TH DATE OF GOODLOE 50TH WEDDING ANNIVERSARY CELEBRATION

By MRS. R. F. MAHOOD

(Ed Note: Mrs. R. F. Mahood, long-time friend of Mr. and Mrs. S. E. Goodloe of Hico, who will observe their 50th wedding anniversary Sunday, submitted the following story about the Goodloes. Mrs. Mahood is publisher of "The West Texas Publisher," official magazine of The West Texas Press Association, of which the News Review is a member.)

Mr. and Mrs. S. E. Goodloe, who have been living at Hico since 1938, will celebrate their golden wedding anniversary at the Baker Hotel in Mineral Wells on July 30. The actual wedding date was August 2, but the celebration was changed to the previous weekend so more could attend.

The family and some of the other guests will go to the hotel on the night of July 29 and have an opportunity to visit together.

Sunday at 12:30 p.m. a family dinner will be held and a reception will be held on the roof garden of the hotel Sunday between 3 and 5 p.m.

Sons and daughters of the couple will be hosts for the affair. The daughters are Mrs. Sarah G. Tinel of Oklahoma City, Mrs. Otha Rice of Colorado City and Mrs. Ray Carlie of Stamford. The sons are Parker Goodloe of Stamford and E. D. Goodloe of Abilene.

Their families who plan to be with them for the night and to take part in the houseparty are Sammy Tiner, Mrs. Parker Goodloe, Roy, Kay and Ben; Mr. Otto Rice, Emma Lynn and Martha; Mrs. Kenneth Kendall, daughter of the E. D. Goodloes, of Levelland; Carl Carlie of Stamford, and his sisters, Mrs. Bill Gamble of Tulsa, Okla., and Mrs. Joe Lanier of Monahans, and families of the granddaughters.

A receiving line will be held with members of the immediate families joining Mr. and Mrs. Goodloe. Mrs. Goodloe will wear a beige lace dress.

Over 200 persons are expected from Hico, Baird, Abilene, Aspermont, Stephenville, Wichita Falls, Lawton, Okla., Dallas, Breckenridge, Levelland and other towns.

Some of the brothers and sisters of the couple and their families will be present. Mr. Goodloe has a brother, Bryan Goodloe of Aspermont, and sisters, Mrs. Marine West and Mrs. Addis Stanford of Stephenville.

Mrs. Goodloe is one of a family of 12 children, nine of whom are still living. They are Mrs. W. M. Montgomery of Dallas; Mrs. W. T. North, Mrs. Vida Smith and Mrs. T. N. Abbott of Aspermont; Mrs. J. C. Holley of Breckenridge; Mrs. Irene Pierson of Wichita Falls, and Mrs. Guy Aycock of Aspermont and Eugene Aycock of Levelland. A sister-in-law, Mrs. Fowler Aycock, whose husband died last year, plans to attend from Lawton, Okla., and a cousin, Mrs. Ralph South.

For the dinner hurricane lamps holding gold candles and greenery with a huge candle, decorated with wedding bells and a floral arrangement will grace the table.

For the reception, the table will be covered with white linen draped with satin and the same decorations will be transferred to the roof garden. A tiered wedding cake and gold punch will be served.

The granddaughters will help with houseparty details. Mrs. Gamble and Mrs. Lanier will serve the cake and punch. Mrs. Kendall will register the guests and Kay Goodloe, Emma Lynn and Martha Rice will assist.

Mrs. Goodloe is the former Emma Aycock. She was born in Callahan County August 3, 1887 and moved with her family to Buffalo Gap when she was very small. From there they moved to Sager-ton and on to Stonewall County in 1907.

Mr. Goodloe was born March 12, 1886, and reared in Williamson County near Briggs, living there until he was grown.

The couple met in 1910 in Stamford in the old Metropolitan Hotel, where both were working, and were married in 1911, a quiet home wedding, at Aspermont. For her wedding dress, Mrs. Goodloe had a white organdy trimmed with lace, ankle length, short sleeves and long gloves. The pastor of the Aspermont Baptist Church performed the ceremony.

Carrie Watts, Mrs. Goodloe's best girl friend, was there and later married Homer Dobbins. They now live at Spur. A cousin, Mrs. Lorena Pond of Stephenville and members of the family were present.

The couple lived in Corpus Christi for two and a half years and then moved back to Stonewall County where they reared their five children.

They ran a cafe and bakery shop for 16 years, farmed a little and had a dairy several years.

"My hardest years were when my children were small and I worked at the cafe to help my husband 18 hours a day. I'd go home at 11 or 12 o'clock at night and have to wash clothes for the children to wear the next day and iron them before going to work. We have had good years and bad ones, but after all I can say these 50 years have been happy ones."

They bought a farm at Hico in 1940 and love it.

"So well do I remember when we lived in Buffalo Gap. It would

FAIRY

By MRS. EUNICE DANIEL

A pall of sadness fell over this and surrounding communities as news was circulated of the untimely death of Nona Brunson, life-long resident of Fairy last Tuesday afternoon, who was found dead in his home by an uncle, Walter Porterfield about 6:30 p.m. He was thought to have been dead only a short while. Mr. Porterfield stated he heard him coughing shortly before 5. He had turning news, which was still own when he was found. Seeing Claud Lunsford's car at his home at noon we went up there to see Mr. Lunsford about working at the cemetery. Nona told us of a slight hemorrhage he had had the previous night and also stated he had got Mr. Lunsford to take him to Hico to get some cough medicine as he had been coughing so much during the past week. About our last words with Nona was him remarking if he could only get a good night's rest he thought he would feel better. We learned later from Mr. Lunsford that he had not slept at all Monday night prior to his death Tuesday. He had expressed fear of being alone to Mr. Lunsford and had asked him to spend Tuesday night with him.

Mr. Lunsford went home after working at the cemetery in the afternoon and came back to Nona's about dusk and was informed by Mr. Porterfield of his death. Nona had been in ill health for several years and friends had advised him to go to a doctor but he was a man who wanted to make his own way and he didn't feel financially able, and kept working until his strength failed him.

He spent about 11 weeks in the veterans hospital at Temple and Dallas this spring where he was informed he had lung cancer. He died of a lung hemorrhage.

Nona never gave up to stay in bed, although he did lay on his bed most of the time. He had walked to the store for a few things about 4:00 o'clock prior to his death.

Nona had been very unfortunate in his life. He was born on Oct. 21, 1907 to the late Mr. and Mrs. Clair Brunson. He was an only child and left without father or mother some 12 to 14 years ago. But he was a man of many friends and his friends stood by him and

helped him in so many ways. He was caretaker for the Fairy Cemetery for several years and one of the best we ever had and we have surely missed his help since he became ill. He assisted the writer to build the lunch table and tool chest which will be standing many years in memory of him. On August 23, 1909 Nona was baptized into the Fairy Methodist Church by Rev. Frank Honsucker. Some 14 years ago he was baptized into the Church of Christ at Fairy.

Funeral services were held on Wednesday, July 19, at 4:00 p.m. at the Fairy Church of Christ with Bro. L. J. Wood officiating. The floral offering was very beautiful.

Pallbearers were T. L. Betts, Noble Hallie, Leon Springer, T. R. Parks, E. M. Hoover and W. E. Goynes. Burial was in Fairy Cemetery with Barrow-Rutledge Funeral Home in charge.

Mr. Brunson was a cousin of Mrs. Herman Sills of Fairy and Marvin Porterfield. He is also survived by two uncles, Frank Simmons and Claud Brunson of Hico, two aunts, Mrs. Gladys Lynch of Hico and Mrs. Hallie Jameson of Whitney, and other relatives. Our sympathy is extended to those bereaved in his passing.

In Memory of Nona Brunson
He's gone and we're in grief,
How we long to see his pleasant smile and bright blue eyes
But we know he's found relief
In that land beyond the skies.
While here he suffered bodily pain
Far more than we even knew
For he bore his affliction as best he could
And seldom did complain
He was taken though young in life
But God knows best.
This life is full of strife
And now he's found rest
Weep not though from us he's been taken
He's at home in the sweet abode
And the Heavenly Father has not forsaken.
But he'll guide us along that road
Which leads to your friend and mine
In that sweet land above.

We have just received word that Mr. Ed Allison had passed away at 3 a.m. today (Tuesday). Funeral services were held Wednesday

day afternoon. We will give the obituary in next week's news. Our sympathy is extended to the relatives.

Mr. and Mrs. H. M. Derden and family of Cleburne visited a while Monday afternoon and night with her parents, Mr. and Mrs. Alga Duncan.

Mr. and Mrs. Weldon Parks of Fort Worth visited during the weekend with their parents, Mr. and Mrs. T. R. Parks and Mr. and Mrs. Robert Streater.

Mr. and Mrs. H. O. Richardson and Jerry, accompanied by Mr. and Mrs. Herman Sills were in Temple Sunday afternoon to visit Mrs. Sills' aunt and husband, Mr. and Mrs. Maron Lynch. Only the Sills visited Mrs. Lynch who is still critically ill. She knew them and called them by name. We hope all will soon be much better. They did not get to visit Mrs. Burns, who was also injured in the car wreck two weeks ago.

The writer and sister, Mrs. E. M. Hoover visited Sunday afternoon with our mother, Mrs. A. L. Newman in the Duffau community.

Mr. and Mrs. Wayne Pittman and Karen visited Sunday with her aunt, Mr. and Mrs. Carl Ray Sellers and family.

Last report from Raymond Driven of Texas City was that he was able to leave the hospital and return home.

Emmitt Baker and mother of Turnersville were here Wednesday of last week to attend funeral services for Nona Brunson. The Bakers were former neighbors of the Brunson family while they resided near Fairy.

The writer was a visitor in Corsicana last Thursday with her cousin, Mr. and Mrs. John Mann, whom she hadn't seen in 20 years.

Mr. and Mrs. Odie Pendleton, their daughter and children of Needles, Calif. stopped a few minutes at our home. Mrs. Pendleton is the former Miss Pearl Gardner of Fairy. Mr. Pendleton has relatives at Cranfills Gap whom they

were visiting. They had also visited in the home of Mr. and Mrs. Prentiss Newman and mother. Mr. Pendleton is also a relative of Mrs. Prentiss Newman. Nona Brunson lived in the old Wilson house where the Gardner family also resided for a time while here. The place is the former home of her maternal grandparents, Mr. and Mrs. J. M. Wilson. It will be remembered by many of the oldtimers that grandmother Wilson was found dead in her back yard early one misty morning in 1917 and was thought to have been lying there all night. She too lived alone. Mrs. Pendleton said she had stopped at the old home and was so sorry she didn't get there before Nona's death.

Mr. and Mrs. E. M. Hoover and the writer were business visitors in Fort Worth last Friday. While there we went to the Tarrant Savings & Loan and got our pass book straightened out on our cemetery endowment fund. We learned we have a little over \$7.00 interest built up, but a new ruling is now in effect which requires an even figure before the interest can be mailed. We have \$350.00 and will have to put in \$50.00 more to get interest mailed. This we hope to do soon. Work was started at the cemetery Tuesday afternoon. Carl Ray Sellers sprayed up a box of downpon, and Mr. Lunsford, Jerry Richardson and

this scribe have it about cleaned those of you who have not contributed this year, will you please do so? We need your help badly. Thanks to Mr. Asa Bullard of Hico Alga Duncan \$3.

for \$5 which he handed to Mrs. Frank Alga Duncan \$3.

Operation Heartbreak -

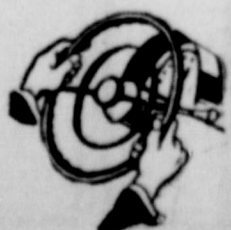

"What can I do to help?"

Hardened highway authorities choked as they read this desperate appeal in a grieving mother's letter. It was about a new plan to reduce traffic accidents she had just read in her newspaper. Her son, riding with a 15 year-old licensed driver, had been killed in 1952. In her anguish and sorrow and the aching void in her family circle, her first thought was for other mothers. She felt she must do something to save others from that endless heartbreak which strikes into some 40,000 homes every year.

"What can I do?" she pleaded. "As a citizen I feel that such a plan is most worthy of everyone's consideration. As a mother whose boy was one of 38,000 Americans who lost their lives, I will wholeheartedly enlist to recruit others—to put such a plan into effect."

Must other mothers and fathers be so tragically shocked into a life-saving crusade to stop this killing on the highways? Not if you do your part in the way you drive. And you can join community projects to make streets and highways safer, too. A citizenry sick and ashamed of this reckless, heedless, unnecessary killing could contribute much to saving thousands of lives.

Think safety—talk safety—drive safely!

Farm Safety Week Emphasizes Need for Year Round Practice

The week of July 23-29 has been designated Farm Safety Week to dramatize the need for year round observance of safety practices that can reduce the terrific accident toll among farm and ranch residents, according to Calvin Pigg, president of the Texas Farm and Ranch Safety Council.

President Kennedy has proclaimed the period National Farm Safety Week and Governor Daniel has designated it as Farm Safety Week in Texas. Many county judges in Texas are issuing similar proclamations, Pigg said. Theme of this year's observance is "Safety Is a Family Affair."

In his proclamation, President Kennedy called attention to the fact that more than a million farm residents are injured and thousands are killed each year in accidents, and that these accidents bring suffering and sorrow to farm families and inflict heavy economic losses upon both the farm community and the nation.

Governor Daniel's proclamation pointed out that a vigorous farm accident prevention education program will be conducted during this week by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service and the Texas Safety Association.

"I urge all Texas farm families to increase their vigilance against needless accidents and further encourage interested organizations and individuals to participate in this program," the Governor said in designating Farm Safety Week in Texas.

Selected for farm safety emphasis this year are two critical areas: rural highway and farm machinery safety. Motor vehicles claimed the lives of 5,300 farm residents in 1959, including 4,700 nonwork deaths.

Recent studies show that more than one out of ten fatal accidents to rural residents involve farm machinery other than tractors and motor vehicles. About 1,000 persons are killed each year in farm accidents, one-third of which occur on public roads.

The president of the Texas Farm and Ranch Safety Council notes that a different phase of farm and home safety will be emphasized during the week: Sunday, reverence for life; Monday, safety begins at home; Tuesday, agricultural chemicals; Wednesday, prevent falls; Thursday, highway safety; Friday, farm machinery; and Saturday, recreation safety. Pigg said the failure of rural

people to observe safety in their daily living is a chief contributor to their safety record. He said this record includes a disabling injury accident every 32 seconds and a death every 45 minutes to farm residents of the nation.

The Council president said that even though farming activity hits a high mark at this time of year, a greater share of farm accidents occurs during the crop cultivating and harvest season.

"The rush of the season causes most of us to short-cut and relax our usual guard in the operation of farm tractors and equipment and in handling livestock," he continued. "Recklessness can be the farmer's greatest enemy in the days ahead. No crop is worth the maiming or death of a Texas farm resident."

Condition of Grasslands Prompts Herd Increase

By A. L. MILES

Hamilton-Coryell SCS District

Range conditions are unusually good for this time of year. Normally July is a dry month and by the last of the month grass has stopped growing and is being used up by livestock. That is not true this year. Some of the early maturing grasses look as if they will make a second seed crop. All other desirable perennial grasses promise an abundance of seed if not grazed off.

In all areas the good seed crop is badly needed either for harvest or for reseeding where stands have been reduced by over-grazing.

Right now many ranchers are tempted to increase the numbers of livestock on ranges to use up

the extra growth of grass. There are at least two good reasons for not increasing herds.

First is that livestock prices are strong and most economists believe prices will be substantially lower in the fall. In the second place the grass on the ground now and left for winter grazing will, in all probability, result in a much greater return than could be realized by over-stocking now with high-priced livestock to be sold later on a weaker market.

No doubt the greatest single item of costs in any ranching operation is the winter feed bill. The opportunity to materially reduce next winter's feed bill is on the ground now, but will be lost if ranges are over-stocked. All ranchers know they can afford to buy the needed concentrates, cottonseed cake, etc. if they have sufficient winter grazing. They also know they can not buy both concentrates and hay and make any money.

It is very likely it will be more profitable to leave a substantial amount of the grass that is on the ground now for winter forage than it would be to graze it off with high priced cattle that may sell in the fall at much lower prices.

If in doubt about reasonable stocking rates and carrying capacity of ranges consult technicians at Hamilton or Gatesville Soil Conservation Service offices.

WASHINGTON —

As It Looks From Here

By OMAR BURELSON, M.C. 17th District, Texas

Washington, D.C.—Dilemmas of one sort or another are not uncommon in Washington. Sometimes it comes in the choice between the lesser of two evils. When the lesser of evils is exceedingly dangerous, the dilemma is compounded.

The economic thinkers and planners in the Kennedy Administration are giving study to the effect a crisis over Berlin may have on our economy.

The fact that a shooting war might possibly develop over Berlin will, in itself, have an effect. Should a shooting war develop, there is no question that an impact on our economy would occur as it has always occurred during wartime.

Obviously this proposition must be based on the proposition that nuclear weapons will not be resorted to in any conflict. Should nuclear weapons be employed, then it probably would make no difference. It is a poor assumption that nuclear weapons will not be resorted to, but also creates a dilemma in thinking that the Western powers can win against the Soviet Union by the use of conventional arms and conventional manpower.

Assume for a minute that should war occur, atomic weapons would not be used and that the Western powers would attempt to match the manpower of the Communists. These seemingly are the circumstances on which the economic thinkers in the Administration will proceed to plan to meet an emergency. As a result, it is expected they will come up with policies for selective controls all the way to total economic mobilization. This would probably include methods of preventing price rises, a method of rationing and control of wages.

Out of such planning could emerge another dilemma of a long-range nature. Since economic planners will have their proposals on the drawing board, and since some of them are advocates of a "planned economy" in the first place, it will provide an excuse to further regiment, whether a crisis over Berlin occurs or not.

There is no question but that consideration must be given to the eventuality of war, of whatever nature, but once the planners have their blueprints prepared, they might not need an emergency to put them into effect.

Some such plans would require action by the Congress, while other findings might be administratively enacted.

Many of us feel that there is

far too much control of our economic life at the present, without adding more. Should armed conflict occur over Berlin, extreme measures will be needed and time will be of the essence, even on the assumption that nuclear weapons are not employed. At the same time our Nation should have deep concern that we not embark upon a controlled economy in haste and out of unfounded fears. Calmness and careful judgment must be exercised, even as it must be recognized that the possibility of war exists.

CARD OF THANKS

I want to thank my many friends for their interest in my recovery, which was shown by the cards, flowers, visits and other acts of kindness during my illness and stay in the hospital. Especially do I thank the doctors and entire hospital staff, the WMU and Love Classes of First Baptist Church. Mrs. Florence Blackburn Mr. and Mrs. Jerry Gage, Waco 13-1c.

CARD OF THANKS

We can in no measure express the deep heartfelt gratitude and appreciation for all the thoughtful and loving acts and deeds extended to us during the recent illness in our family. So may we say a gracious "Thank You" to each and everyone. May the Lord's richest blessings come your way for such kindness. Sincerely, The Ed H. Blum Family. 13-1c.

Perfection is Not a Matter of Price

The perfection of detail which distinguishes every funeral we conduct cannot be measured in dollars and is not reflected in our prices, which are never higher—and often less—than elsewhere.
