Mrs. M. E. Parks underwent minor surgery at Hico Hospital Saturday morning. She returned home Sunday. We hope she will soon be feeling much better.

Jerry Richardson and the writer have been working some at the cemetery during the past week. The vacant corners have been mowed and part of the north portion, and the following lots have been worked: Oscar Lackey and Pittman, Abel, J. W. Burden, Walter Blakley, James Ward, Barbee and Jones, Bert Wright, Ed Allison, Walter Whitson, Richardson and Allison, J. L. McCoy, Tinkle, W. J. Hutton, H. S. Pitts, Leslie Arrant and Lester Grisham lot. Others will be worked as needed.

Our sincere thanks to Oran Willeford who made repairs and gave the cemetery power mower a cleanup job, donating the cost, \$5.00 to the cemetery. Also thanks to Wallace Pittman of Temple who stopped at our home Monday and left a \$5 donation for the care of his mother's and other relatives lot. He praised the condition of the lot and cemetery in general. Weeds and grass are growing fast and with the good rains we've had it keeps us keeping on to keep them down. Also our thanks to the children of the late Mr. and Mrs. J. J. Leeth who made up a donation of \$24.65 for the cemetery at the family reunion last Sunday week. We think there is no

better way to remember our deceased loved ones at a time like this than to give a memorial fund to help in the care of their last resting place. Also Mrs. Lucille Battershell of Hico called us Monday inquiring of our proper mailing address as she wished to send a donation to the cemetery. We advised she could just turn the donation in at the Hico Bank. Mr. and Mrs. Milton Clark and girls of Fort Worth spent the weekend visiting with his parents, Mr. and Mrs. O. J. Clark. Mr. and Mrs. W. E. Goyne of DeSota spent the weekend at their home here. They had some visitors Saturday but sorry we did not get the names of those present.

## Company Changes By CPS Announced

Community Public Service Company directors elected R. L. Bowen chairman of the company's board, and chief executive officer, and named N. R. Parsons to succeed Bowen as Community's president and general manager at the regular meeting of the board.

Parsons was also elected a board member at the annual meeting of

stockholders held the same day. C. L. Cooke, formerly assistant secretary and assistant treasurer, was elected vice-president and treasurer, and Edwin W. Young was named assistant secretary and assistant treasurer.

Bowen moves to chairmanship of the board and the position of chief executive officer after serving as president and general manager since 1935.

He began his career with the company's predecessor in 1921 and worked his way up through the ranks, serving the utility in various capacities in both Texas and

New Mexico. In 1929 he was made general manager of the predecessor company and a little later, vice-president. Soon after the firm was reorganized as Community Public Service Company in 1935, he was elected its president and general manager.

A pioneer in the field of aviation, Bowen has held his private pilot's license since 1929, is a former Wing Commander of the Texas Wing of Civil Air Patrol, which he helped to organize, and belongs to many national and state aeronautics associations. He is a Mason, a Shriner and a Baptist and is active in Chamber of Commerce work.

Parsons, Community's new president and general manager, has been with the company since 1926, soon after he received his degree of Bachelor of Business Administration from the University of Texas. He has been treasurer since 1935 and a vice-president since 1938.

Cooke, who has been with the utility firm for 35 years, has served as assistant treasurer since 1944 and assistant secretary since 1950. The new assistant secretary and assistant treasurer, Young, has

been a member of the company's general accounting staff since 1946 and since 1950 as chief accountant.

Other officers of Community Public Service Company are E. J. Stout, vice-president and assistant secretary; M. L. Waugh, vice-president and manager of the company's largest operating division; and Bennett L. Smith, vice-president, secretary and general manager.

All company officers live in the Worth, where the utility maintains its general offices, except Waugh, who makes his home in Temple City, headquarters for CPS South-east Division.

## CHATTER

By HELEN OGLE

Politics, pro and con, were still the main subject of conversation in town this week and though the pot isn't exactly boiling anymore, it will continue to simmer through June 2.

I can't help but wonder about Pa and Ma Ramage after seeing furniture parked on the porch this week. Apparently Ma is in trouble for killing Pa's votes last Saturday and there may be some changes in order.

Finally heard from an ole' fishing buddy, Houston Davis, and he says he has only caught eatin' fish, and not any of those braggin kind.

Florence Blackburn was a bit disappointed in missing a trip to Waco all because the invitation arrived three days late.

Nice to say hello to Bill Elkins of Dallas who was in town this week greeting and chatting with friends.

With a week filled with civic and social activities, Mary Bonner has to prepare the menu ahead and that means baking at least 8 pies and doubling the roll recipe. Only trouble, this week everything was so good it didn't make out for the entire week!

It is not only nice but good to see Mayor Edar Sulloch back in town to greet friends after a lengthy rest at home.

Gen Horton was anxious to get home and try the new wonder weedz bar on the lawn, which is supposed to cure those spring pests known as weeds.

Ladies aren't the only ones to don new spring bonnets, as Ollie Davis was complimenting Grady Hooper's new straw hat, and for a small fee, would have talked him out of it.

And there's Bunnie Alexander who is looking forward to eating all the peanuts she can consume one of these days. By the way Bunnie, those onions sure are good and the bean crop should be ready soon.

I understand Paul Neel has sufficient circumstantial evidence and is filing suit against a certain party in town who may have RRS letters in his name plate.

And Vada Fails says that vacationing is nice, but just the opposite when both wrists are broken.

Pouring cereal into the coffee cup and finding the coffee pot in the ice box are early morning stunts for Mrs. Johansson and Louise Blair.

Lena Hughes is always busy working, but she always finds time to pamper the roses and remember friends with bouquets.

And there's Wayne Rutledge who is always in a hurry to get to work and I just wonder if he'd miss his schedule if he lost his cigar.

Mrs. Royce Hall is not only eating green beans every meal but may be mailing several packages for gifts in order to clear out last year's supply.

Watt Ross doesn't need a gun rack, but may be in need of a trophy rack if he preserves those honors received in golfing and bowling.

"I'd like to pay my dues for more news from Hico, since I'm an ex and enjoy reading every line of the paper each week," commented Mrs. Dellis Seago of Waco.

Off to press we go, and remember, old-timers recall when a fellow wondered where his next dollar was coming from, instead of where it had gone.

Recent visitors in the home of Mrs. Mollie Harvey were Mrs. Marie Magee, and Mrs. Ted Jones of Dublin.

## HAWAIIAN THEME CARRIED OUT AT ANNUAL JUNIOR-SENIOR BANQUET

Saturday May 5, the school cafeteria and Bluebonnet Country Club were the scene of a Hawaiian motif for the Junior-Senior Banquet and Prom. The cafeteria was beautifully decorated with hanging ivy and artificial flowers. The Hawaiian atmosphere was accentuated by a grass hut and native under coconut palm trees.

Throughout the meal of shrimp, baked potatoes, asparagus, poppy

seed rolls, fruit salad, iced tea and ice cream, Hawaiian music was played. The girls that served wore mu-mus. Banquet favors were straw hats and leis.

Mr. A. A. Chandler, former high school principal, now of Dimmitt, was guest speaker for the occasion. His topic was "Golden Dreams vs. Pipe Dreams."

Don Jernigan, junior class president was master of ceremonies. Speeches were made by Harold Hathcock, Mr. Barnett, Danny Reeves and Margaret Warren. The will and prophecy was given by Robert Reed and Judy Ogle.

Following the banquet everyone went to the Country Club where dancing and refreshments were enjoyed. Ivy and flowers were entwined in a picket fence and hung throughout the room, and palm trees surrounded the juke box.

## GARDEN CLUB NOTES

Everyone seems to be looking forward to the Annual Garden Club Flower Show, to be held Saturday, May 12 at 2 p.m. in the Community Public Service building.

Theme of this year's show is "Texas, Our Texas." The public is cordially invited to attend.

At this time we want to express our deepest appreciation to Mr. Harold Walker and his ag boys for constructing our new club plaque to be used each month indicating the most attractive and well-kept yard. This is quite a task for the committee as we have so much interest in Hico in making our home surroundings more attractive. It is a treat to drive by the home of Mrs. Lucille McCullough and see the gorgeous pansies in bloom, as well as many other early flowers.

By MRS. LUCILE MAYFIELD

A large crowd attended the annual cemetery working here Saturday from different sections of the state. The quilt made by the Busy Bee Club to raise funds for the cemetery netted \$202.50. Other donations came for the treasurer also. Mrs. Ray Stipe of Hico held the lucky ticket for the quilt. Our club mother Mrs. Bonnie Alexander, pieced the quilt. Members and others quilted it. This quilt makes the 11th one the Club members have made to raise money for the cemetery. The old committee, Mrs. Frank Johnson, Mrs. Artie Thompson and Mrs. Henry Mayfield, were re-elected to serve another year. We say thanks for all donations.

The cemetery working, held the first Saturday of May each year usually brings many old timers back to their old home. We are happy to see them each year.

I don't have a list of all who attended, but among those who we saw were Mrs. Nora Reago; Reed of Waco, Mrs. Linnie Thompson and Mr. and Mrs. Brooks Stewart of Colorado City, Mrs. Jessie Lee of Denver City, Mrs. Lester Regor and Mrs. Frankie Dupree of Cleburne, Raymond Clark of Dallas, and Mrs. Ola Gollightly of DeLeon.

Those attending the certain family reunion at Glen Rose May 5 and 6 were Mr. and Mrs. W. Z. Carter, Mrs. Frank Johnson and Mrs. Ola Gollightly. The family changed their reunion date so it wouldn't conflict with the cemetery working.

Barton Head of San Juan visited his brothers, Bill and Deward Head, and his only sister, Mrs. Velma Gage, during the weekend, and attended the cemetery working Saturday.

Mr. and Mrs. J. O. Noland spent Sunday in Weatherford with their children.

Mrs. J. R. Wolfe has returned home after a week's visit at Kermit with her son, Leland and family, getting acquainted with a new grandson.

Mr. and Mrs. R. Lee Roberson of Kermit were in Clairette visiting, and on business during last week. They spent the week in Hico visiting her mother, Mrs. O. E. Meador who fell a few days ago and broke three ribs. Mrs. Meador is a patient in Hico Hospital. She has been there several days.

Buster Roberson of Hico, son of Mr. and Mrs. Heerman Roberson was a patient in Hico Hospital part of last week. He was able to go home Sunday.

Mr. and Mrs. Denard Dowdy of Lockhart visited his mother, Mrs. Dulish Dowdy last weekend. Mrs. Nora Dowdy and Bessie of Dallas, and Mr. and Mrs. Truman Loden and family of Waco visited Charlie Dowdy and attended the cemetery working. Other visitors were Kyle Dowdy and Connie of Denison.

The Community Center was the scene of the Stewart family reunion Saturday and Sunday, 27 were present.

Little Cindy Lee, infant daughter of Mr. and Mrs. Bill Christian was reported ill this past week. A thought for the day: If we could make our hands move as quickly as our tongue, what wonders we could work.

The Stewart family made a donation to the cemetery at their reunion. We wish to thank them.

DUFFAU

By MRS. PASCAL BROWN

Mrs. Festel Elkins was in Fort Worth this week to attend funeral services for her grandson.

To the Hico News Review:

The past 100 years has brought many obvious changes to our country and its people. Less than 100 years ago there were no roads, no railroads, no telephones, and no conveniences such as we have here today. Schools were rare and very inefficient, while hospitals were unknown here. Law and order was hap-hazard, and as a consequence life and property were very insecure. Outlaws were a menace to the country for many years after the Civil War. The machines that revolutionized our country were unknown less than 100 years ago.

Somebody, in cooperation with others, changed this dark picture very much. Roads, railroads, automobiles, telephones, radios, TV, jet airplanes, and many other great improvements (too numerous to mention) have become common-places to us all, while in the meantime law and order today is a reality here where everybody has an opportunity to go to school or college or both, which means any and everybody has access to culture. We as a consequence have acquired a degree of culture that did not exist here back in the nineteenth century.

Will Elkins, the grand old man of Duffau, has been here through all the turmoil and changes toward stability and security. For me and you and everybody else. Nobody, in our opinion, has done more to bring about this change from almost chaos to relative stability and security than Will Elkins.

Mr. Elkins plowed new land with an ox team and traveled uncharted roads, but he was always striving for something better. He bought and operated the first riding plow used in this country. Also he bought and used one of the first buggies in this section. He is now dead at the age of 97 years. We justly mourn the passing of one of the most brilliant flowers of our country's past. We would be ungrateful if we did not.

Roy Derrick.

James Gerald Reed, 9-month-old who passed away Saturday following a life-time illness. Our heartfelt sympathy goes to the bereaved family.

Mr. A. B. Naul of Fort Worth and Mr. and Mrs. Aron Naul and children of Carrollton spent the weekend with Mrs. Naul, Freddie and Linda.

Bro. Marvin Porterfield of Fairy preached at the Church of Christ Sunday, and was a dinner guest in the home of Mr. and Mrs. Marvin Solsbery, Alan and Dennis.

Linda Naul spent Sunday with Kathy Power at Hico.

Mr. and Mrs. H. M. Killion of Hico visited at the home of Mr. and Mrs. Paschal Brown and family Sunday.

Mrs. F. M. Holland was in Hico Hospital for a check-up during the weekend. We hope she is feeling better soon.

Don't forget the Duffau Cemetery working Saturday, May 12. Bring a basket lunch and tools to work with and spend the day. Everyone is invited to attend. Mowing and other work has been done the past week and some trees planted which adds to the appearance of the cemetery. Donations are appreciated to help with this work.

Harry Brown spent Friday night with Mike Lowe of Idalou, who was spending the weekend at their home in Hico.

Mr. and Mrs. Elmer Giesecke of Stephenville visited with Mr. and Mrs. Lee King and children Sunday.

Mr. and Mrs. Melbourne Giesecke and Recie visited her aunt, Mr. and Mrs. Edg Koonman at Iredell Sunday afternoon.

Visitors in the home of Mr. and Mrs. Earl Shaffer and family on Sunday were Mr. and Mrs. Hamp Rucker of Hico and Mr. Uproove of Walnut Springs.

Mr. and Mrs. Mel Giesecke and Recie visited Friday afternoon in Stephenville with Mr. and Mrs. Marshall Rogers and family.

THIS WEEK IN AUSTIN—

Highlights and Sidelights

Employment Hits New High Unusually mild weather caused employment in the State to reach a record high for February. Texas Employment Commission announced 3,346,900 job holders that month as compared to 3,330,100 in January and 3,312,300 for February of 1961.

Warm weather was favorable for construction workers, agricultural employees and other outdoor workers, and helped reduce the number of unemployed from 239,000 in January to 220,000 in February.

900 to 189,900. The commission predicts an even better employment picture by mid-April, if prospective manpower needs reported by employers hold true.

Council Defends System "How do you deal with the extremely aggressive, hostile student?" asked Dr. James A. Turman when the Texas Youth Council conferred with members of the Texas Citizens Committee of the National Council on Crime and Delinquency.

Youth Council's executive director referred to criticism from the committee's vice chairman, Mrs. Edmund P. Williams of Corpus Christi, who earlier had called the barbed wire fence around Gatesville's Mountain View school "the only one of its type outside Nazi Germany."

Dr. Turman said two such security units in California are fenced. He joined council chairman Robert W. Kneebone in in-

forming the committee that Gatesville inmates include 387 boys who have committed serious crimes—45 convicted on murder charges.

The citizens committee proposed a statewide study of community services for delinquent children, which the Youth Council said it would welcome. However, it already has retained a prominent authority, Dr. Austin McCormick, to survey the five detention institutions it oversees.

State Archives Open Invaluable historical documents which tell the story of Texas' history have finally found a safe and permanent home. For more than a century they have been placed and misplaced in various temporary quarters.

Now they are housed in the \$2,500,000 State Library and Archives Building adjacent to the State Capitol. Prior to the April 10 dedication researchers and il-

brarians had been collecting and classifying the precious documents in a quonset hut in North Austin.

Gov. Price Daniel, whose hobby as a Texas historian is almost an avocation, started urging the Legislature to approve an archives building in 1957. Appropriately he made the dedicatory address at the opening ceremony.

PUBLISHED WEEKLY BY THE STUDENTS OF HICO HIGH SCHOOL

**JUNIOR HIGH NEWS**  
Well, we're back to tell some more good old news for this week. To start off with, it seems that one of our fellow classmates has just had kittens, rather her cat has. Right Linda D. Hey, who were those cute naive girls running around in Hico Saturday night? Have any ideas.

**To My Hico Friends and Neighbors:**  
My wife and I thank you for past favors and especially for your loyal support in our recent race for County Judge. My qualifications and record and the qualifications and record of my opponent were fully presented. A majority of the voters selected my opponent as their choice. That's what elections are for. No one should complain and we assure you we do not and are mad at no one. Thanks again!  
**H. A. LEAVERTON.**

Glenda O., Claudia H., Dianne J., Francis L., Judy J., Pat B., Linda D., and Kay T.  
Who was that cute cowboy riding that big brown horse Saturday afternoon? Could it have been our own Mike T?  
It seems that someone had a little trouble down on main street Sunday. Have any ideas who it could have been Roy L.? Well, like I always say "you just can't trust those men drivers."  
Charles P., were you lost down town Sunday? You just couldn't seem to make up your mind what to do or what to say. Oh yes, did you ever find that car you were looking for?  
It seems you just hardly ever see Pat B. any more unless she is driving a 1936 black Dodge. Wonder whose it could be.  
That was a real wild hair-do you had Saturday night at the banquet, Judy J. But it was just a little too tempting to someone, wasn't it?

**Kay T.** I sure do hope that you enjoyed yourself Saturday night. I guess you will charge that Chuckburger to a Mikburger now.

**INTRAMURAL TRACK MEET**  
The fifth annual Intramural Track Meet was reeled off at the local stadium Monday afternoon at 12 o'clock. Every student in Hico High School was encouraged to participate and try to win laurels for his perspective class. When the dust had cleared the Sophomores had defeated the Freshmen 118½ to 81½ points. The Juniors embarrassed the Seniors by a close score of 107-93. The points were determined by giving 5, 3, 2, 1 for 1, 2, 3 and 4th places.  
In all eight records were broken in the all-afternoon session. The Junior girls 360 yard relay team, consisting of Janell Ogle, Anita Mayfield, Jane Akin and Barbara Randals, ran the oval in 51.7 seconds. The Freshmen boys 360 yard relay team whizzed to a record of 42.1 seconds. The Juniors added another record when the 360 yard mixed relay team of Anita Mayfield, Janell Ogle, Don Jernigan and Larry Erick clocked a 46 second flat time. Mark McElroy broke his own record with a fine 11.8 in the 100 yard low hurdles. Janell Ogle soared over the bar at 4 feet even and broke a 5 year old record in the high jump. The Erick boys, Charles and Larry, both broke the record in the 720 yard run with a clocking of 1:53.8 for the two laps.  
Two Sophomores, Mike Flowers and Mildred Petsick sped to a 19.8 time in the 50 yard 3-legged race. Bonnie Leopard broke the 75 yard dash record for the girls with a 10.4 time.
