FOOTBALL SWEETHEART—Miss Sylvia Sherrard, daughter of Mr. and Mrs. H. W. Sherrard and Senior student at Hico High School, was crowned Football Sweetheart in ceremonies during halftime at the Hico-Evant game last week. She is shown here with Tiger Captains Don Jernigan, left, and Larry Erick. Runnersup for the title were Miss Patsy Wootton and Miss Kay Jackson.

Hico Ends Grid Season With 10-12 Win Over Evant

Hico and Evant wrapped up another football campaign last Friday night at the local stadium, with the host Tigers showing the way into fourth place in the district chase. The score was 30-12.

Hico finished third in the five-team loop, and Cranfills Gap occupies the cellar.

While Hico and Evant were going at it here, the Valley Mills boys showed that they were still in the class of the district year in year out by up-setting the favorites, Meridian, 14-6.

The game Friday night gave Hico a good 6-4 record for the year. The Tigers registered a victory over Stephenville B. Perrin, 14-6, Gorman, Cranfills Gap, Evant, while losing to Early, Brownwood, Blanket, Meridian and Valley Mills.

The Tigers scored in every period to post their second district victory. Sophomores scored all the touchdowns, with End Charles Erick collecting two and Alan Salsbery the other two.

The Sophs teamed up for the first counter in the initial period, with Salsbery passing 20 yards to Erick for the TD. In the second period Salsbery scooted 45 yards for his first marker of the season, making the score 15-0 before Evant marked. The Elks used two plays late in the second quarter to score their first TD, cutting the Tiger margin to 15-0 at halftime.

The Tigers took the second half kickoff and went 55 yards in five plays for the third counter of the game. Salsbery got the last 23 yards on an end sweep.

Guests visiting in the home of Mrs. Charles Dayton and children this past weekend were brother, Donald Reed and sister-in-law, Laurence Petrie Tom Holt, all of Holland.

Former Hico Teacher Survives Typhoon Karen On Guam Island

Many people who were concerned about the safety of Mrs. Louise Angell following the devastating typhoon Karen that hit Guam Island in the Pacific will be happy to learn that she escaped without any serious injuries.

Mrs. Angell, who taught in the local school system before accepting a position to teach on Guam, wrote the following card to Mr. and Mrs. O. C. Cook this past week:

"Dear Friends: I have survived Typhoon Karen with no actual damage of any kind. My car—out in the open—survived too, without any damage. This was quite miraculous for the damage to the island is terrific. I don't believe any of us have really waked up from shock.

"Our apartment building withstood the storm successfully. The other two suffered great damage; one woman was blown out of her upstairs apt. along with the walls and all of her furniture.

"The schools are nearly all damaged. Business houses and private homes are in many cases just a pile of lumber. The natives say this is the worst typhoon that ever struck Guam. Those who were here during the Jap invasion say the Japanese caused less damage than Karen."

MISS WHITAKER ELECTED VP OF SIGMA ALPHA SIGMA AT MARY HARDIN-BAYLOR

Miss Pat Whitaker, daughter of Mr. and Mrs. J. R. Whitaker of Route 3, has recently been elected and installed as vice-president of Sigma Alpha Sigma, business sorority at Mary Hardin-Baylor College, Belton.

Miss Whitaker is a junior business education major.

Former Resident Buried at Plainview

Funeral services were held in Plainview Monday, November 19 for Herman Driver, former Fairy and Hico resident. Mr. Driver passed away at his home Saturday after suffering a heart attack.

He was the son of the late Mr. and Mrs. Giles Driver of the Dry Fork community.

NEW RESIDENT

Mrs. Mark Waldrop moved to Hico this past week from Victoria where she has been a resident and partner in the Waldrop-Wren Lumber Co. for the past five years.

She sold her interest in the firm to her nephew, Paul Wren, and is residing in her duplex residence at present.

Mrs. John Aiton of Dallas spent last Thursday and Friday in the home of Mr. and Mrs. R. E. Bass.

Art Show Draws Many Exhibitors and Spectators

More than 100 works of art were featured last week in an exhibit in the First National Bank building, sponsored by members of Hico Review Club, who were observing annual National Art Week. The Club, with cooperation of the Hico Art Club, displayed oil, water color and charcoal pictures, hand-painted China by members of the local China painting class, petite point pillows and pictures, and hooked rugs. All items were the work of residents of Hico or this area. Several of the works had won awards in previous showings.

Also included in the exhibit was the extensive and valuable coin collection of Ellis Randaal. The collection, started by the late E. H. Randaal Sr., and enlarged during recent years by his son, contains many rare and ancient gold

and silver pieces and paper notes in various denominations, all of historical interest.

Artists whose work was displayed included the following: Mrs. Bob Hughes, Mrs. Lucille McCutrough, Mrs. Rilla Rodgers, Mrs. Bertha Lincoln, Ellene and Beverly Gannaway, Mrs. Sid Whitman of Stephenville, Mrs. Lillie Fairley, Mrs. W. F. Hafer, Baylis Purvis, Connie Bulloch, Vicki Keller, Mrs. H. V. Hedges, Barbara Randaal, Miss Patterson, Mrs. Callie Harris and Mrs. Jane Francis of Lampasas, Mrs. Paul Neel, Mrs. O. C. Cook, Mrs. Grady Hooper, Mrs. Hord Randaal, Mrs. Fellers and Mrs. Verduco.

Mrs. Hord Randaal and Mrs. J. E. Lincoln arranged the show.

Approximately 150 visitors, a number of whom were from out of town, signed the register.

Members of the Review Club expressed their thanks to First National Bank personnel for the use of the new building, and for providing an appropriate setting for the show.

REPORTS OF HOLIDAY VISITORS WANTED

During the Thanksgiving holidays many residents will have guests or go visiting. They are urged to please drop a card to the News Review early next week, or call in an account of your visitors, parties, or visits.

Cooperation will be appreciated by the publisher.

DEER HUNTERS REPORT VARIED DEGREE OF SUCCESS IN OPENER

Opening of the deer season in this area, for the most part, got off to a grand start last Friday morning, with the majority of the deer killed in this area smaller than in past seasons.

Through Tuesday afternoon a lady nimrod, Mrs. Bill Boyd, had all the more heartier men folk badly beat in size. Mrs. Boyd, hunting on their ranch five miles south of town, brought in a huge 147-pound 8-point buck Friday afternoon. The heavy-horned deer is the largest to be checked in at the local locker plant in several years, and possibly in history. While she was checking in the largest deer, husband Bill was at his lease in Llano County having considerable luck. Hunting with Sid Collie and Jim Brannan of Fort Worth, he bagged a 4-point buck opening day. Collie and Brannan also killed their bucks.

Mr. and Mrs. D. C. Hyles were in Menard County opening day hunting with her parents, and both brought home bucks. Again it was the story of woman beating man, with Mrs. Hyles shading D. C. five points to four.

Closer to home, Jerry Lackey and Fred Jaggars both killed bucks the second day. Lackey's carried a 6-point spread and Jaggars' a 7-point rack.

Out on the mountain in southern Erath County, Orville Ogle and Bobby Needham were the only ones of their party of six to bag a buck. They killed 4- and 6-point bucks respectively the first day.

Youngest hunter to kill deer, as reported to the News Review, was Donald Ray Martin of Fort Worth, grandson of Mrs. Claytia Martin of Hico, who killed his limit, an 8-pointer and a spike. His father, Ray Martin, brought down a 4-pointer, and Cal Stockton, hunting with the Martins, checked in a 6-point buck.

Montye Ogie bagged a 9-point buck Sunday afternoon south of town, and Jess Smith brought in his buck Monday morning from Erath County.

Schoolboy Butch Knudson bagged a doe deer Sunday morning hunting on his grandfather's place in Bosque County.

November's Trades Day drawing, slated this Saturday, will wind up the monthly schedule of the give-away, with a stepped-up program featuring four drawings in December.

The drawing Saturday will feature \$70.00 in cash, with the money distributed in \$40, \$20 and \$10 amounts. Drawing time is 4 p.m.

Children will again be featured in the give-away program this year when a lucky ticket holder will receive a new bicycle. School children in grades one through 13 are eligible, and may register at any of the participating merchants for a chance. No consideration is involved in the registration.

The program is a climax of the Trades Day which started in September with a monthly drawing. Approximately 47 merchants have contributed to the fund each month to build up the present surplus.

Schedule of the prize money to be given away is as follows: Saturday, Dec. 8: \$40 first, \$30 second, third and fourth \$10 each. Saturday, Dec. 15: \$40 first, \$30 second, and third and fourth \$10 each.

HERE'S WHY owners praise the all-electric HEAT PUMP

for year 'round comfort... HEATING AND COOLING

- 1 The flameless safety of the all-electric heat pump gives peace-of-mind heating in winter . . . high capacity cooling in summer.
- 2 One compact installation—one utility service instead of two or three. And the heat pump takes up no usable floor space.
- 3 Dependable as an electric refrigerator, which itself is a type of heat pump. Clean as electric light, too.
- 4 Fully automatic. Heats or cools, as required for your comfort, with one setting of the thermostat. Filters and dehumidifies as well.
- 5 The cost to buy and install the single heat pump system is about the same as for separate heating and cooling systems.
- 6 The all-electric heat pump is in step with the trend to automatic living, helps maintain the value of your property.

Those who wish to write or send cards to Artie, mail them to A. L. Thompson, Ward 12-A, Room 135, VA Hospital, Temple.

Rev. A. L. Cronk and L. W. Hoffpour were in Temple Friday to visit Artie Thompson.

Those attending the Thanksgiving supper for World War I veterans and wives and widows last Tuesday night in Stephenville were Mr. and Mrs. Henry Mayfield, W. O. Sherrard, Charlie Dowdy and Mrs. Etta Whiteside. Mr. and Mrs. John Alexander of Stephenville visited with Mrs.

Zena Havens Sunday afternoon. Mail boxes are a valuable item to those that live on rural routes. Trucks and trailers should watch and not drive too close to the boxes. Evidently someone drove too close to my box last Friday night and knocked the box off into a ditch. I discovered it Saturday morning as I went to mail a letter. The box was wet and dirty and had to be cleaned and put back on the post. Mail boxes are inspected each year and are supposed to be kept in good condition and most everyone wants their box ket in good shape. A few weeks ago all boxes on country roads on my route on the left side of the road were notified to move them to the right side. My mail box is my post office.

Mr. and Mrs. Jess Pruett visited relatives in West Texas and Humble City, New Mexico the first of last week.

Glen Collum and son of Brownfield and Bill Collum of Mingus visited Sunday in the Jess Pruett home.

Mr. and Mrs. J. R. Wolfe visited Curtis Burch in the Stephenville Hospital during the past week. Mr. Burch underwent surgery there last week and is reported doing fine.

Getting all these letters printed and mailed out and paying for the postage will take some money. It is good to know that the banks of the county believe in the screw-

worm control program enough to finance the letters. To bear this expense the Hamilton National Bank, First National Bank of Hico, Perry National Bank, First

National Bank of Evant and Herald News have made nice donations for the costs. The stockholders of the county thank each of these businesses.

CHRYSLER

INTRODUCING THE 1963 DODGE

The low-price field is about the last place a traditionalist would expect to find Dodge. The Dodge name has been associated with the medium-price boys since Hector was a pup. But the fact remains: the '63 Dodge is priced down with good old cars "F" and "C". Now, you can stay with a low price and get a lot more car. The name proves it: Dodge! You get the comfort Dodge is famous for. You get a smooth torsion-bar ride; experts call it best in the business. You get a V8 loaded for bear. (Or, the famous gas-saving 6 with the muscle of conventional V8's.) If that isn't enough to turn the other two green with envy, how's this for a clincher? Every 1963 Dodge is backed by a revolutionary new 5-year/50,000 mile warranty.*

*Your authorized Dodge dealer's warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair without charge for required parts or labor for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (including manual clutch); torque converter, drive shaft, universal joints (excluding dust covers); rear axle and differential; and rear wheel bearings—provided the vehicle has been serviced at reasonable intervals according to the Dodge Certified Car Care schedule.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

In the near future, an effort will be made to reach everyone in the county and give them an opportunity to contribute to the state-wide screwworm control program.

Dr. C. B. Cathey is chairman of the County Screwworm Control program and he says the state committee would like for Hamilton County to reach its potential goal of some \$20,000. So far the county has contributed just about \$10,000.

A short while back Cathey had a meeting of his county planning committee and the group suggested the county be worked by letter. Members of the committee are Harold Walker, Hico; Reuben Smith, Hamilton; James Mayben, Pottsville; Martin Schrank, Aleman; Jeff Perry, Hamilton; Dr. Cathey, Hamilton, chairman, and E. R. Lawrence.

According to Dr. Cathey producers who contributed the first time were told they would not be asked to contribute again, and this is true. In the letter going to those who have contributed will be a letter of thanks, also a membership card stating they are members of the Southwest Team for Eradication of the Screwworm. However should one wish to make a second contribution they may. A self-addressed envelope will be enclosed also for one to mail their contribution back to the committee secretary, Jeff Perry. To those who have not contributed to this good cause, the planning committee and others would like to urge you to mail in a contribution.

SENIOR MAGAZINE DRIVE

The Seniors have been very busy selling magazines for the past two weeks. Several students will receive stuffed animals for the selling of our special offer magazines.

All of the Seniors worked hard and many of them will receive special citations in salesmanship.

We were divided into teams of which were the Ja-Ha's and the Di-Do's. The Di-Do's won. The Ja-Ha's will have to treat the winners to some kind of party later on.

Ruth Ann Martin sold the most subscriptions, with a total of \$70.90. We were really proud of her.

Total sales for the drive was \$518.34.

SPOTLIGHT

After winning the homecoming game Friday night our Hico Tigers were really on the prowl. It took my spotlight a little while

to get warmed up but when it did, we really saw the couples.

Those couples I saw were Barbara P. and Jimmy D.; Jane A. and Don J.; Weidon O. and Joy E.; Butch K. and Patsy W.; Mike F. and Barbara R.; Harry B. and Judy O.; Bonnie W. and Mitchell M.; Larry E. and Joan M.; Charles E. and Linda C.; Anita M. and Marcus G.; Christine B. and Herman M.; Ronnie M. and Judy J.; Jerry C. and Carol C.; Sharon H. and Bill R.; Pat Y. and Elizabeth B.; Linda B. and Tommy D.; Charles O. and Pat B.

Saturday night was a cold one and it seemed to scare off some of our couples. I guess the boys were so enthused about all the deer that they didn't have time for the other dear! Those few couples I saw were Dixie L. and Montye O.; Mildred P. and Floyd D.; Barbara P. and Jimmy D.; Sharon H. and Bill R.; Charles O. and Pat B.; Elizabeth B. and Pat Y.; Freddie N. and Juanita M.

Anita M. and Marcus G.; Patsy W. and Butch K.; Bonnie W. and Mitchell M.; Jane A. and Don J.; Harry B. and Judy O.; Linda D. and Stuart M.; Joan M. and Bud S.

Sunday afternoon was nearly as dark as Sunday night so I just used my spotlight all day. Those I saw were Charles O. and Pat R.; Bonnie W. and Mitchell M.; Don J. and Jane A.; Barbara P. and Jimmy D.; Harry B. and Judy O.; Pat L. and Elizabeth B.

WHO'S WHO

This week's star in the limelight is a Junior. She has very dark complexion, is about 5 feet three inches tall and has dark hair and eyes. She was a great player in the girl's football game and plays basketball very well. Her only trouble is that she doesn't have any will-power when it comes to boys. Not too long ago she had a great desire to see this boy who was visiting in one of

our churches. Since she wasn't dressed appropriately for the occasion she climbed into a window and peeped through a crack at him. She stayed in one position for a long time and people wondered why she had a crick in her neck the next day at school. Also that same night she happened to go to the wrong house and the woman who lived there thought she was crazy, but the truth of the matter is that she is very crazy!

Not many people know about the little story I just told but they do know that not many people can get into trouble like she can. Our bright and shining star is Bonnie Lepard.

SENIOR NEWS

News, news, news! We're full of it this week.

The goose hunters have come home and MP is happy again.

Barbara P. is looking rather unhappy this week. Might be because J.D. is gone for awhile.

D.L. is just the opposite of B.P. because she is tickled pink over the fact that M.O. shot a big, big deer (that's the way she tells it, anyway!)

We're all very proud of S.S. because she is the football sweetheart. However we weren't sure she wasn't going to fall down coming off the field.

Sue L. is back at school again. The cast on her arm is so full of names she may have to get another one!

H.B. got J.O. a mum for the homecoming game. Boy was she proud of it!

B.R. went to Coleman this last weekend. She said she had a good time but she sure was anxious to get home. Wonder why?

This morning we heard some great news. Mag P. sold a magazine. Everyone was so shocked!

J.A. has a skinned nose. Seems that D.J. threw a basketball to her at the wrong time. Are you sure that was a basketball Don?

Freddie N. doesn't know the difference between special delivery mail and general delivery mail but you're learning, aren't you Fred.

JUNIOR NEWS

The reason we beat Evant was that two great Juniors, Bill R. and Herman M. made very eloquent speeches at the bonfire Thursday night which inspired the whole Tiger team.

Hey Bill R. do you ever get the feeling you're been watched by four eyes?

Pat W. must have really been nervous Friday night because if I'm not mistaken she forgot to change her sneakers for heels.

At first we thought Joy E. had stolen Marcus G. from Anita M. but it was only Weidon O. Joy always said Marcus was cute!

Jerry C. may have to fly south for the winter because it's so cold here. Seems a cold spell came in Friday night.

The Juniors have been selecting plays and Julia A. has found just the part she wants to try out for. It is the part of a young and attractive girl in "Winter Dust."

Butch K. has been trying to convince Mrs. Pratt that a person with a club foot has a wooden leg. It was rather drafty in typing last Wednesday, wasn't it Mike F.? Don't you wish you had had your jacket to sit on?

We discovered what Herman M. and Morris S. have in common. It's Mr. Barnett's history class. Or is it. Ask Herman about it next time you see him.

If you missed the Junior news last week it's because we decided to practice the old saying, "No news is good news."

SOPHOMORE NEWS

Believe it or not, a bit of talent has been discovered in the Sophomore class. We are proud to present a poem composed by a future great poet, Jim Grimes:

HICO HIGH

Like a wave, a mighty city
Surging 'round our feet.

Guide it, train it, teach it wisdom
Hico High, Sweet!

Forward, forward Hico High,
Time and tide may fall—

But our hearts will love thee ever
Hico High, Hail!

We heard that a fellow Sophomore went hunting last Friday but we're not sure which he hunted,

deer or dear. Inform us correctly A.S.

Monday morning an antique was found in the Sophomore class. It was a century old picture and a very familiar face was on it. Mrs. Brummett, that was a very pretty hair-do you had back then! No, we're just joking. If anyone wants to see a pretty Miss, look at a picture of Mrs. Brummett when she was in grade school.

The roll call in history class is usually answered with a "here" or a "present" from the students. But S.A.H. has thought of a brand new word to answer with.

We have discovered a new Dr. Zorba in the Sophomore class. Some days after dinner L.C. even has the hair style to accompany this title.

L.P., what time is it? You seem to have a different type of answer for this age-old question. Especially when you're talking to L.J.

Well, bye for this week. Everyone have a happy weekend.

FRESHMAN NEWS

A few girls in the Freshman class are getting a bad case of weak knees. The only cure they have been able to find is to scotch-tape pieces of paper around

their knees for support.

Instead of throwing kisses or throwing desk tops.

We have a hero in our class. Judy J. is the only Fish to get a job in basketball.

Seems Frances L. has been keeping late hours these past weeks. In fact she is so sleepy she can't resist the temptation to snooze in English.

Glenda O. has finally after many observations, come to the conclusion that all her attempts to gain a certain boy friend have been in vain.

Has Linda D. taken up with Iredell? After that date Saturday she is betraying Hico.

Come to think of it, Charles Hafer, you have betrayed dear Hico too. (Think back about two weeks ago and you will remember).

Our locker room reporter has just told us that Lynn M. has repeat it in the paper but I'm sure Lynn will be happy to tell you away her little sister since she keeps interrupting her and other certain party.

THANKSGIVING

Commemorating the first harvest celebration of the Pilgrims, we give thanks for the blessing of living in this country today, and take this opportunity to express our deep appreciation for the loyalty of our friends.

HICO MOTOR CO.

LET'S ALL GIVE THANKS . . .

. . . LET US BE EVER THANKFUL

A hearty turkey dinner, with friends and loved ones around us—these are the traditions of Thanksgiving. Since that first Pilgrim Feast, Americans have had much to be thankful for, in their whole way of life, with its God-given abundance and hard-won freedom. As we prepare to observe Thanksgiving 1962, we join all Americans in heartfelt thanks for the great blessings bestowed upon this Nation—and we extend to you and yours our sincere wishes for a happy holiday.

We are thankful for the privilege of serving you. We're thankful, too, to be part of this progressive community, as we join our neighbors to give thanks today for the abundance and security that is our common heritage.

First National Bank Scene of Regular Review Club Meeting

The Hico Review Club met on November 15 in the Community Room of First National Bank. Mrs. Ellis Randals presided at the serving table which was laid with a lace cloth and centered with a lovely flower arrangement.

Subject for the study was "Literature." Mrs. Marvin Marshall discussed Best Books vs. Best Sellers. She reminded the group that some one has said that a book becomes a best seller because the novelist captures the idea in the air at the time and puts it into words. Just being a best seller does not make a book one of the best books.

A good book must be easy to read, have at least one unforgettable main character, must have the ability to transport the reader to the time and action of the story, must be larger than life in that it does not portray one boy's life but all boy's lives, and must be re-readable so as to give pleasure many times. A good book is chosen for its impact on life as "Uncle Tom's Cabin" in the United States, or Dicken's novels for what they did for the working classes in Britain. Some one has said to read one hour a day on a good book will make a person educated, civilized and cultured.

Hostesses at the meeting were Mrs. Lusk Randals, Mrs. Ellis Randals, and the Art Committee, Mrs. J. E. Lincoln and Mrs. Hord Randals.

Mrs. Paul Hamilton will speak on "Portraits of the Mondonna" at the next meeting on November 29 in the home of Mrs. Morse Ross.

By MRS. EUNICE DANIEL

We were very sorry to learn of the passing of Rev. Ernest Rippey of Stephenville who died last week. Funeral services were held Friday afternoon at 2 o'clock at the Washington Street Baptist Church of which he had served as pastor for several years. Sorry we were unable to attend. Rev. Rippey was well known over the adjoining counties as he served as pastor of a number of churches in various counties. He was 63 years of age. Our sympathy is extended to his family and others who mourn his passing.

A very light mist fell early Saturday morning, but not enough to do any benefit. Stock ponds are becoming low again. However the weather man has predicted rain for Monday and we have rainy weather at this time.

Mr. and Mrs. Leon Springer of Fort Rock are the happy parents of a little daughter, who made her arrival at a San Angelo hospital on Friday, November 9 at 7 a.m., weighing seven pounds. She has been christened Penny Mahale and has a small sister, Chae, and three brothers, Randy, Van and Kyle.

Mr. and Mrs. Buddy Yarbrough of Fort Worth have announced the arrival of a son, born Nov. 4 in Harris Hospital. He weighed 7 pounds and has been christened Jeffrey Kyle. He has a small sister, Terri, and his grandparents are Mr. and Mrs. Lyle B. Henderson and Mrs. Toleta Yarbrough of Dublin, and paternal great-grand-

parents are Mr. and Mrs. Charlie Yarbrough of Dublin. The Charlie Yarbroughs and their son, the late Delmer Yarbrough were former residents of the Fairy community.

Mrs. J. T. Jackson, Mrs. L. V. Houser, Mrs. Marvin Porterfield, Mrs. J. T. Leonard and Mrs. W. P. Brummett were hostesses for a pink and blue shower honoring Mrs. Jamie Sills at the homemaking room last Wednesday at 3 p.m. The refreshment table was covered with a white linen cloth and an arrangement of small pink and blue flowers was at either end of the table. The white punch service centered the table, and nursery napkins were at one end of the table. Delicious fruit punch and cookies were served to the guests as they arrived. Mrs. Houser presided at the registry. After serving hour several nursery games were played, after which Mrs. Sills opened the many nice and useful gifts from the white linen covered gift table and passed them to the guests for inspection.

Mr. and Mrs. Ray Turner of Killeen spent the weekend with their parents, Mr. and Mrs. Willie Turner and Bernice and Mr. and Mrs. Carl Ray Sellers, Janice and Jimmie.

Our boys played their last football game of the season last Thursday night at Meridian where they played Morgan. It was a good game with our boys winning 40-32.

Clifton visited a while Saturday afternoon in the home of Mrs. M. E. Parks and Audie.

Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice were business visitors in Waco Saturday.

At this time of Thanksgiving let us not forget to be thankful for the many blessings of life. The late H. R. Brummett always included these words in his prayers: "Let us be thankful that everything is as well as what it is," though a small child when we first heard him pray. We have never forgotten those words and how much thought they really contain. If we would only stop and feel thankful for things as they are. They can always be much worse. Many times we have passed on those words to others in hopes that they too would benefit from them as we have.

Mr. and Mrs. James Shelton of Keller spent the weekend with her parents, Mr. and Mrs. Justin Bullard and family.

Mrs. J. J. Jones Jr. has been making various trips to the Dublin Hospital to visit her father, Mr. Courtney who suffered a paralytic stroke last Friday. Mr. Courtney had a small flock of chickens which he attended to each morning. Last Friday he failed to return to the house as usual and his daughter, who lives with him became alarmed and went to check on him. She found him at 11 a.m. unconscious in the well house. He was rushed to the hospital. We hope by now he is improved and will soon be able to be released.

Mr. and Mrs. Truett Turner and two sons of Fort Worth visited during the weekend with her parents, Mr. and Mrs. T. R. Parks. Mrs. Parks accompanied them

home and will do some shopping while there.

Mr. and Mrs. Bobby Drew and Cynthia of Richardson spent the weekend with her parents, Mr. and Mrs. Frank Hanes and Mike, Mr. and Mrs. Virgil Parker, Mr. and Mrs. Edwin Guinn and Sammy and their daughter and family. Mr. and Mrs. Durwood Brooks and two children attended open house last Sunday honoring their parents and grandparents. Mr. and Mrs. W. A. Guinn of Iredell on their 50th wedding anniversary.

Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice visited awhile Sunday night in the home of his mother, Mrs. N. S. Sellers of Hamilton, and also his sister and family. Mr. and Mrs. Charles Wilson and two children of Houston. The Wilson's children have been with relatives at Lanham and Hamilton the past few days while they were on a deer hunt near Fredericksburg. They bagged their limit. They plan to return home Tuesday.

Jamie Sills, who has been doing farm and ranch work near Muleshoe during the past week spent the weekend with his wife and little son, J. C., and his parents, Mr. and Mrs. Herman Sills. They plan to move there in the near future.

Mrs. Edna King of Hico visited a few days last week with her son, Mr. and Mrs. Carl King.

Mr. and Mrs. Weldon Parks of Fort Worth visited during the weekend with their parents, Mr. and Mrs. T. R. Parks and Mr. and Mrs. Robert Streater.

Shirley Dickens of Midland spent the weekend in the home of Mr. and Mrs. H. O. Pearey and Neal.

Mr. and Mrs. Scott Blakley and his brother, J. E. Blakley visited Sunday in San Antonio in the home of Mr. and Mrs. Billy D. Blakley.

Johnny Jones of Lanham visited Sunday in the home of Jimmy Don Sellers.

Funeral services for Bud Edison were held November 7 at 10:30 a.m. at the Corley Funeral Chapel in Corsicana. Bud died of injuries received in a car accident Nov. 2. He was 23 years old and the son of Mr. and Mrs. Rheut Edison of Corsicana and a nephew of Mrs. Punch Oglesby of Lanham. He resided with the Oglesbys quite a bit and was well known here. Burial services were held at Oakwood Cemetery at Hamilton at 2 p.m. Wednesday. Deepest sympathy is extended to those bereaved by his passing.

Hunters Urged to Be Extra Cautious During Season

By DON ALLISON

Hamilton-Coryell SCD
Hunting season has started and the time for being careful can never be kept before us enough. This season of the year always brings the hurry, hurry out in hunters when they should be taking it a little slower and not abuse privileges to hunt and camp on landowner's property. Also the time is here when "unloaded" guns kill not game but people. Be at your best and observe all signs, and laws that are enforced for your protection.

Posted, No Trespassing, Keep Out.

Those are three signs becoming as popular as highway bill boards. Drive down one of our country roads and just observe these signs on fence posts, gate posts, and trees. They are nailed up everywhere.

What do these signs mean? Yes, they mean just what they say—Keep out. This is private property and the state laws of Texas provide that an owner has the right to post his property against poachers or people who tend to destroy. He is required by law to place warning signs, then he may prosecute for trespassing on private property and could collect damages.

This is one meaning of the signs. What is the other? It means that through carelessness some one has lost a friend and a place to hunt, fish and picnic. Most of the time it is blamed on city folks who drive out Sunday afternoon for an outing. We are going to carry that old junk the garbage man won't pick up and throw it away.

If you are this type, just stop and think. How much would you

appreciate your neighbor bringing his rubbish over and depositing it on the corner of your lawn? That is what you are doing when you dispose of any form of garbage by depositing it on another's property. The owner paid money for that property just like you and every other property owner. As you leave on your outing, drive by the city dump and leave your junk, then drive out and enjoy the beauty of the country.

Shooting mail boxes and fence posts is illegal. Carrying a loaded gun in an automobile, shooting from an automobile, shooting across highways are prohibited by law in the state of Texas. Mail box shooting is a Federal offense. These laws are written and are enforced for the protection of

your property as well as your neighbors. Help keep the Hamilton-Coryell Soil Conservation District clean and attractive by observing a few of the courtesies to the landowner.

THANKSGIVING STILL MEANS THANKS

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. They were beset by problems—economic, political, big and small—but they found time, once each year to thank God and thank each other for all the good things they enjoyed.

Thanksgiving

A time to be grateful—to count our blessings to take increased devotion to a way of life that is meaningful.

Thanksgiving is a day for family gatherings about the festive board—a day for turkey and fixings and pumpkin pie. But above all, Thanksgiving is a day to stop and think about a lot of things that we take for granted the rest of the year. Such things as the blessings of abundance, far beyond the fondest dreams of our forefathers, who so courageously wrested a foothold in a New World. Such things as the blessings of freedom—for us not a distant hope, but an ever-present reality.

On Thanksgiving Day, let us humbly bow our heads in sincere prayers of gratitude to Almighty God for all that we have, all that we are, all that we can hope to be.
