VOLUME LXXVIII

HERE IN HICO

By E. V. M.

Success of the drive being conducted the past six weeks here to secure sufficient funds for the erection of a memorial to pioneer citizens of Old Hico should rightfully be credited to Miss Mettie Rodgers.

Fund drives of any nature must have the cooperation of many people and organizations, but they must also have one person to do the so-called "leg work."

In this instance, Miss Mettie took charge, and with a little encouragement from those who also believed in the program, successfully "tied the loose ends," and in general, was the person most instrumental in assuring that the memorial will be erected.

Thus, a worthy project, one which everyone will eventually be proud of, is near a reality, and we personally offer our thanks to Mettie for her untiring efforts.

Reunion time is fast approaching, and businesses and individuals should begin planning for their parade entries, beauty contest entries, booth decorations, etc. July 11—first day of the celebration—is only three and a half weeks away, and this year's production should prove to be as successful as those in the past.

After nearly two years of struggling, members of the Texas Press have finally proven a point and had the sales tax lifted from subscription rates.

After Monday of this week, it is no longer necessary to collect the tax on newspaper subscriptions, thank heavens!

Contention of the Texas Press Association, a leader in the move to get the tax lifted, was that a subscription constituted the sale of not one, but 52 individual items for less than 5 cents each in most cases, thus being exempt from the tax. After much work and effort on the part of the association, the state ruled recently in favor of the newspapers.

Thus, your subscription to the News Review will cost only \$2.50 in this area instead of the \$2.55 charge prior to July 1.

Other reports have been received from farmers and ranchers in this area of their discovery of empty boxes on their land which were used to drop sterile flies by the Southwest Animal Health Foundation to combat the screw-worm.

And information received recently by Harold Walker shows Hamilton County, the southern portion of Erath County, and parts of Bosque and Comanche counties to be in the drop area.

We still haven't received any official word on confirmed cases in this area, other than in Comanche County where four cases of screw-worms were discovered last week. The program is apparently doing the job that it was meant to do, with comparative figures more than substantiating this.

According to figures just released by the Foundation, 480 samples were confirmed screw-worm cases in the state from April 28 through June 1, as compared to 7,013 confirmed cases for the same period last year.

These figures should give indication of the effectiveness of the program, and confirm the belief that it is a good, sound project.

MISSOURI VISITORS

Mr. and Mrs. Bud Higginbotham and children of Kansas City, Mo., visited here last week in the home of his parents, Mr. and Mrs. Clarence Higginbotham.

SOCIAL SECURITY OFFICER TO BE HERE TUESDAY

A representative of the Temple Social Security office will be in Hico at the City Hall at 10 a.m. Tuesday, July 9.

Persons who wish to apply for social security benefits or wish to obtain information about the program should contact the representative.

LANDMARK RAZED—One of Hico's oldest landmarks, First Baptist Church, is in process of being razed to make way for a new, modern building. This shot of the demolition

work shows the steeple and bell tower just before being torn down. The church was constructed in 1886, making it one of the oldest buildings in Hico.

Two Fairy Men Injured in Farm Mishaps

Separate accidents last week near Fairy hospitalized two men, who were reported to be in an improved condition at Hico Hospital early this week.

W. E. Cunningham was injured seriously last Wednesday afternoon when a plow passed over his body, inflicting face and head wounds and a broken rib. Twenty-five stitches were required to close the lacerations. The accident occurred when Mr. Cunningham attempted to free a plow from a large rock in the field where he was plowing.

The Cunninghams reside about nine miles south of Hico in the Fairy community.

Horace Rowe, who lives about five miles east of Fairy suffered a severe foot laceration late Saturday afternoon as he was chopping wood at his place.

He was rushed to Hico Hospital where he received treatment and blood transfusions. Mr. Rowe was reported in an improved condition early this week.

Three Shut-Outs Featured in Weekly Bowling League

Three shut-outs were featured in Hico Mixed Bowling League last week, as the race for the top spot became more entangled.

Nine teams are within eight points of the top spot in one of the most even league races to date. Salmon's Shoppers and Hico Motor Darts are on top after seven weeks of play.

Cheek Furniture led the onslaught last week, dropping Wilson Cleaners 8-0. Other shut-outs were registered by Blair's Whiz Kids, who hopped Parks' Orphans 8-0, and First National Tellers who laid it on Judy's Beauties 8-0. News Review Newshounds dropped the leaders, Salmon's 6-2, and Hico Motors downed F-W Ranch by a like count.

Scoring wasn't as good as in previous weeks, with only three 500-plus series rolled. Odie Petsick again registered the top series, a 544, followed by Watt Ross 518, Buck Meador 509, Glenn Ross 493, and George Kilgo 481.

Louise Blair headed the list for the women, rolling a 472. She was

Two From Hico Area Undergoing Training at ROTC Camp, Ft. Sill

Cadet Charles D. Barnett, San Houston State Teachers College, son of Mr. and Mrs. R. V. Barnett of Hico, and Cadet A. Nolan Pike, Tarleton State College, son of Mr. and Mrs. Albert Pike of Iredell, are two of 1891 Reserve Officer Training Corps cadets attending the General Military Science ROTC Camp at Fort Sill, Oklahoma, to become future army officers.

The cadets began their intensive training June 17, and for the next six weeks will learn how to become an expert firer with the M1 Rifle on the Train-fire Range at Fort Sill.

The ROTC program in college is designed to permit progressive evaluation of college students and to insure selection of those best qualified for commissions. It produces 15,000 officers annually and is the primary source of officers for the active army and its components of reserves and national guard.

The camp is scheduled to close July 26.

Mr. and Mrs. Raymond Lowe of Idalou were weekend visitors in Hico with friends.

Parade Prize Money Listed For Reunion

Prize money for the 77th Annual Old Settlers Reunion Parade was given this week by Manager Jas. Cryer and Parade Marshal Tommy Pierce.

A total of \$150.00 in cash will be distributed among winners in the July 31st feature, which will be held at 5:30 p.m., kicking off the annual celebration.

Broken down, the prize money will be distributed as follows:

- Best Decorated Float, \$60.00.
- Second Place Float, \$30.00.
- Best Decorated Car, \$20.00.
- Second Decorated Car, \$10.00.
- Best Bicycle or Motor Scooter, \$10.00.
- Best Comic, \$10.00.
- Best Horse & Rider, \$10.00.

Cryer said that the Pony Express Race has been tentatively set up for 6:30 p.m. on July 31, or immediately after the parade. An attempt is being made to get as many riding clubs as possible to participate in the race.

ATTENDING SUMMER CAMP AT FT. HOOD

Jerry Stringer, Wayne Warren, Ronnie Koonsman, Milton Lowery, Jimmy Herrington, Pat Lackey and Steve Ogle left Sunday with the Stephenville National Guard Unit for Fort Hood where they will participate in two weeks of active Army duty.

MOVE TO HICO

Mr. and Mrs. Bobby Wagner and three children moved to Hico last week. Mrs. Wagner is the former Pat Jordan. They have sold their furniture store that they operated the past five years in Denver City. The Wagners will have two children in school here this year, Cynthia, who will be in the second grade, and Don who will be in the fourth grade.

County Historical Committee Met Here Saturday, June 15th

Saturday afternoon, June 15, the Hamilton County Historical Survey Committee met in First National Bank at Hico.

Committee members present were Mrs. M. Brents Witty, Miss Mettie Rodgers, Miss Winnie Hampton, Cecil James, Art Oates and Wayne Durham.

Visitors present were Misses Oran Jo Pool and Jessie Miller Pool, daughters of the late Judge J. B. Pool and wife.

Saturday, September 21, will be the next meeting date for the committee.

Blanks for headstone markers may be obtained at these locations: Hamilton National Bank, Perry National Bank, Hico First National Bank, and Wayne Durham's office in Hamilton.

Following the meeting in Hico members of the committee and the visitors visited at the home of Mr. and Mrs. M. I. Knudson, Old-time residents of the county will remember this substantial rock house as being the former home of the Barbee family. Mr. Knudson has enlarged the original home with stone gleaned from the former Stinnett home. The stone for the two houses was the product of the same rock masons. The Knudsons have modernized the house to the extent that daily living within its walls is made delightfully easy, but they have preserved the best features of the old home.

From the home, the committee journeyed to the Barbee family cemetery, where several generations of the Barbee family have been laid to rest. One headstone bears the date 1864. The rock fence enclosing the yard is especially interesting and well preserved.

The group also visited the spot where the citizens of Hico are next preparing to erect a marker commemorating the location of Old Hico.

If any citizen of Hamilton County knows of any unmarked creek 28 or river crossing within the county that he would like to see named, please contact the committee. —Co. Historical Committee.

COL. JOHN J. HAVENS

Col. John Havens Assigned To Traffic Management

Washington, D.C.—Major General Rush B. Lincoln, Jr., Commander of the Defense Traffic Management Service (DTMS), has announced the appointment of Lt. Col. John L. Havens, USAF, as Chief of Industry Services Branch, Household Goods Division, DTMS. In addition to his outstanding wartime service as a command pilot, Colonel Havens has more than 15 years of experience in the transportation field.

Before joining DTMS, Colonel Havens was Movement Control Officer for three years at Headquarters, 16th Air Force, at Torrejon Air Force in Spain. He is a native of Clairette, where his mother, Mrs. I. B. Havens, now resides.

During World War II, Colonel Havens flew 56 combat missions in B-24 bombers as a member of General Clair Chennault's 14th Air Force in the China Theater. He received the Order of the Purple Heart for wounds sustained on Hainan Island in the South China Sea. Other decorations include Distinguished Flying Cross, Air Medal, Army Commendation Medal, Air Force Commendation Medal, Philippine Liberation Ribbon, Philippine Independence Ribbon, Presidential Unit Citation, and Philippine Republic Presidential Unit Citation.

Colonel Havens served for 3

years (1948 to 1951) in Headquarters, Strategic Air Command. He was Port Commander and Military Sea Transport Service representative for the Navy at Southampton, England, from 1953 to 1955, and was Air Force Personnel Movement Control Officer at Brooklyn Army Terminal from 1956 to 1959.

Col. Havens has Federal Aviation Agency Instructor, Instrument, and Commercial Pilot ratings. For a change of pace between his tours of active military service, he operated a flying school and charter service at El Paso International Airport. He has completed courses at Air Force Transportation Officer School in 1948 and at Air Command and Staff College in 1956.

\$68,000 to Be Spent in County for New Farm to Market Road

The Texas Highway Commission this week approved the expenditure of \$68,000 for construction of new Farm to Market Road mileage in Hamilton County as part of the 1963 FM Road Program, announced District Engineer J. H. Aiken of Waco.

The District Engineer said 6.1 miles in this county will be involved. The work will be under the supervision of Leighton F. Cannon, Senior Resident Engineer at Hamilton.

The work authorized in Hamilton County is part of the new \$24 million FM Road Construction Program just announced by the Texas Highway Commission.

The Farm to Market Program is a yearly road-building undertaking of the Highway Department under which statute specifies that \$23 million annually shall be spent for new FM construction. The 1963 program is financed for some \$24.1 million, more than a million dollars in excess of the basic statutory requirement.

New farm roads will be built in a total of 172 counties throughout the state, the total mileage being approximately 1,060. Of the new roads added to the highway system by this program, 69 percent are school bus routes and 65 percent are mail routes.

Texas now has a designated Farm to Market Road System of well over 36,000 miles including the new program, most of these miles having been built since 1949 under an expanded farm road building program.

\$252.50 In Till For Old Hico Memorial

Contributions totaling \$252.50 have been received the past week for Old Hico Memorial Foundation, making a grand total received to date \$252.50, which should be a sufficient amount to complete the monument and purchase the plaque.

Work was started this week by Leland Johnson on construction of the monument. Site of the marker is near Honey Creek, on land donated by Mr. and Mrs. M. J. Taylor.

Latest contributors were: Mrs. Clinton Ritchey (Martha Porter), Metairie, La.; Loraine and Lucille Segrest, Dallas, in memory of Mr. and Mrs. R. B. Segrest; O. C. Cook, Sonny Warren; and Mr. and Mrs. Brooks Hall.

Miss Mettie Rodgers, who has been in charge of the project, and who is a member of the County Historical Society, said this week that if more funds were received than necessary, a directional marker would be erected with excess money.

Two Hico FFA Chapter Members to Attend State Meet

Two members of Hico Future Farmers of America Chapter will attend the State FFA Convention in Lubbock July 17-19, according to Charles Erick, president of the local chapter. The three-day meeting of representatives of over 900 chapters throughout the state will include the awarding of advanced degrees, scholarships and awards to outstanding members of the organization.

Members of the Hico Chapter who will attend the convention are Ronnie Partain, son of Mr. and Mrs. J. D. Partain, and James Crews, son of Mr. and Mrs. Carr of Clairette.

Partain has been selected by chapter members as delegate of the Hico Chapter, and Crews is an alternate.

Among the important business to be transacted at the convention will be the election of a state president from the ten state officer nominees from the ten areas of the state. Voting delegates to the National FFA Convention in Kansas City in October will also be elected. In addition, delegates will elect a sweetheart from the ten area candidates.

Nearly 800 members from the 38,000 membership of the organization will receive the state's highest award, the Lone Star Farmer Degree. The membership will confer Honorary Degrees on adults who have contributed in an outstanding way to the accomplishments of the organization.

Harold Walker, Vocational Agriculture Teacher, will accompany the local delegates to the Lubbock convention.

Three Hico Teachers Attend Workshop at Howard Payne College

Eighty-five public school teachers and trainees participated in a two-week workshop in Materials and Techniques for Teaching the New Mathematics, which closed last Friday at Howard Payne College.

"The workshop was a part of a program," explained Dr. John L. Beard, associate professor of education at HPC and workshop director, "to help public school mathematics teachers to update and bring their teaching in line with studies and recommendations mainly since 1958 by a study committee of the National Council of Teachers of Mathematics."

Enrolled in the workshop from Hico Public Schools were Frank Bonner, Jimmie Ramage, and Mrs. O. C. Cook.

AWARDED SCHOLARSHIP

Harry Brown, 1963 graduate of Hico High School and son of Mr. and Mrs. Paschal Brown was recently chosen by the scholarship board at Tarleton State College to be awarded a term grant for the fall of 1963.

'The Birds' and 'Jumbo' Showing During Week At Hico Theatre

"How do you do. This is Alfred Hitchcock. There is something very unique about my latest picture, The Birds, and I want to tell you about it. I have, through the years, made a good many films whose aim was to provide shock and suspense. In all of these the danger which the viewer came to fear was man-made and therefore subject to all of man's limitations. In making The Birds, however, I have discovered a new source of terror. As senseless as it is, a battle between one man and another is understandable. But the threat in The Birds is incomprehensible and therefore even more terrifying. What will the birds do? Where will they strike? Why? Don't come to me for the answer. See the birds at Hico Theatre on Saturday night and Sunday matinee."

Billy Rose's "Jumbo" is the Thursday, Friday and Saturday matinee feature at Hico Theatre. "Jumbo" is billed as the braviest, sassiest, loveliest, laughingest three-ring circus ever set to music.

Doris Day stars as the singing circus queen; Stephen Boyd as the handsome young man on the flying trapeze. Hilarious Jimmy Durante, atomic Martha Raye, and "Jumbo", the elephant himself also star.

many Carlton friends as "Reasley Creek Moore" as the Moore family lived many years on Reasley Creek before moving to Gustine. Funeral services were held at 2 o'clock Wednesday in Dublin. Bro. Isham conducted the service. He leaves his wife, two daughters, Mrs. Johnnie Mae Boyd of Gustine and Mrs. Bonnie Bell Miller of New Home; three sons, Battle Moore of Gustine, Megee Moore of Durant, Okla., and George Roy Moore of Dallas; 17 grandchildren, 12 great-grandchildren; 3 sisters, Mrs. Callie Stephens of Lamesa, Mrs. Kate Glibreath of Oakland, Calif., and Mrs. Ima Rambo of Petersburg; three brothers, Roy and Springer of Dublin and Cecil Moore of Comanche. Three daughters, Mrs. Annetta Caudle Davis, Mrs. Joyce Lynn Fullingim and Mrs. Mary O'Lena Turney preceded him in death, and are buried in the Carlton Cemetery. Grandsons served as pallbearers.

REV. RICKENBAKER TO RETURN TO SOUTH CAROLINA

FAIRY

By MRS. EUNICE DANIEL

We still have unsettled weather conditions and received .7 inch rain about 3 a.m. Sunday morning and also one inch fell about the previous Thursday.

Tragedy came near striking this community last week, when in this community last week, E. (Bogue) Cunningham was driving near his home late Wednesday. He ran into a good-sized rock and stopped and undertook to plow off the rock but use a hand lever on the tractor instead of easing off of it it started up more rapidly than he expected, knocking him down in the path of the plow. The wheel of the plow passed over his chest, breaking a rib, and the disc of the plow passed over his head and cutting his face and head sufficient to require some 25 stitches. He managed to get up and get back on the tractor and drive it to the house, parking it in its usual place before going to the house. His wife quickly drove to the Roy Blakley home nearby and made arrangements for them to see to their things, and drove her husband to the Hico Hospital where at this time, Sunday afternoon, he is reported to be in danger. Mr. Cunningham is 57 years of age, but appears much younger.

Late Saturday afternoon, Howard Rowe who lives about five miles east of Fairy on the Rowe place was chopping wood and cut an artery in one of his feet. His

wife rushed him to the Hico Hospital, but he was in a weakened condition from loss of blood since the tourniquet which they had placed on the limb was not placed high enough. But since they live off the highway a mile or so, had she not been able to drive the car he would have probably lost his life before she could have notified neighbors on foot. The Rowses have no children and there should be at least two persons in every family who drive a car, more especially in rural areas.

Mr. and Mrs. Willie Turner and Bernice were visiting relatives at Killeen Friday when they received word that his sister, Mrs. Nora Pruitt of Houston had been stung by fire ants and was in a very serious condition. They returned home and made arrangements to go to Houston where they remained until Sunday night. The sister, who is 63 years of age, is in a Houston hospital where she is under the care of five doctors. College Station labs are also making an extensive search in hopes of finding something to kill the poison in her system. Places are forming over her body and face which appear to be rotting out. She was stung on the ankle while mowing her yard. We wish for all the above accident victims a complete recovery.

Mr. and Mrs. Maurice Fields spent the weekend in Fort Worth visiting in the home of their son, Mr. and Mrs. Frank Fields and Mrs. Anderson of Waco, mother of Mrs. Maurice Fields and Bennett and Lynn Fields of Houston, children of Mr. and Mrs. John Fields are visiting this week in the home of Mr. and Mrs. Maurice Fields.

Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice spent from Friday until Saturday in the home of their daughter and sister, Mr. and Mrs. Ray Turner at Killeen. We received a beautiful card today, Monday, from our granddaughter and husband, Mr. and Mrs. Ray Turner of Killeen, who

were spending the weekend in San Antonio in observance of their first wedding anniversary. She stated the card didn't do justice to the beautiful scenery there and wished we too could see it.

Mr. and Mrs. Weldon Parks of Fort Worth spent the weekend with their parents, Mr. and Mrs. T. R. Parks and Mr. and Mrs. Robert Streater.

Mr. and Mrs. Glenn Arrant of Fort Worth spent the weekend with their parents, Mr. and Mrs. Ted Arrant and Mr. and Mrs. W. E. Cunningham at Hico Hospital.

Mr. and Mrs. Bob Frederick of Venus ais visited during the weekend with her parents, the W. E. Cunninghams, and Mrs. Frederick remained for a few days to visit and help out during her father's hospitalization. Another daughter and family, Mr. and Mrs. Walter Prinz and children of Fort Worth have also visited her parents since Mr. Cunningham's injury last Wednesday afternoon.

Mr. and Mrs. Raymond Driver of Texas City spent the weekend with their parents, Mr. and Mrs. Frank Driver at Clifton and Mrs. M. E. Parks and Audie. Other visitors in the Parks home Sunday were two other daughters and families, Mr. and Mrs. Delbert Pack and two recently adopted sons of Stephenville and Mr. and Mrs. J. T. Leonard and Melody.

Debra Arrant of Dallas, daughter of Mr. and Mrs. Garland Arrant, is visiting this week in the home of her grandparents, Mr. and Mrs. Ted Arrant.

We were glad to learn Monday that Mr. and Mrs. T. R. Parks have had a telephone installed at their home.

Mrs. Dimple Gordon and daughter, Mrs. Larry Gardner and children are visiting here a few days in the home of her father, J. H. Davis and Mrs. Davis, and the Winfred Gardners, while Mrs. Gordon is having dental work done at Hamilton.

Mrs. Albert Mason returned from Temple recently and learned while going through the Scott and White Clinic that her illness was due to a diabetic condition, but glad to report her doing as well as usual at this time.

Mr. and Mrs. D. E. Allison and friends, Mr. and Mrs. Henderson

minutes, we could avoid all of this. We just hope all who reads this will follow our motto, "Do unto others as you'd have them do unto you", and when you hear receivers coming down, finish your message at once and release the line so that others may use their telephones for necessary calls.

We are sorry that we are now unable to call and collect news items as in the past, due to nine members now being on our party line, which of course is too many unless a system can be set up to cut conversations down, as it seems some can carry on a conversation 30 to 45 minutes. We have had parties tell us they try to call us to report news but get a busy signal when they try. So we trust all telephone subscribers will consider others who need to use their phone and cut down unnecessary conversations or else we may have a ruling slapped on us as in other areas, of being cut off after five minutes.

Work was completed at the cemetery last Friday. Due to one inch of rain at mid-week we were delayed with the work. We expect to spray some lots this week, and should you find a slight growth on your lot, you may know it has probably been sprayed and awaiting the outcome. Due to so much rain the past month it has taken considerably more hoeing on the lots and we are going to try the spray on all lots under care which do not have flowers on them, in an effort to cut down on the expense of upkeep. We need your financial help on the upkeep of the grounds in general and appreciate a donation of \$5.00 made for this purpose by Mr. Frank Hanes last week. As we have stated in the past most of the money we receive is for care of individual lots and this isn't sufficient to take care of the main grounds.

We also look after the Fairy Cemetery and need our telephone many times to call a hand and let them know when we will be coming to work. Instead, it's usually quicker to get in our car and go see that party in person, which makes it very inconvenient for us when, if we could have the use of our phone for just a few

Our thanks to those who helped out at the Hico Cemetery. Two of those workers have parents buried at Fairy and others brothers and sisters and we too would appreciate their help here at any time. It was certainly nice of them to help out on such a hot day and we trust they will be duly rewarded.

Miss Cleon Gardner of Fort Worth spent the weekend with her parents, Mr. and Mrs. Winfred Gardner. Her brother, Larry returned home with her for a visit.

Fairy Baptist Church Set Revival Services July 7-14

The Fairy Baptist Church is extending an invitation to people of this area to attend revival services, beginning Sunday, July 7 and continuing through July 14.

REV. ROBERT L. CARGILL
Fairy Revival Leader.

Services will begin with Sunday School at 10 a.m. and conclude with the evening worship on July 14. Morning worship is at 11 a.m. on Sunday mornings; Training Union at 7 p.m., followed by evangelistic service at 7:45 on Sunday evening.

Morning services during the week will be held Monday through Friday at 10 a.m. and evening services will be Monday through Saturday at 8 p.m., preceded by prayer service.

Pastor of the Fairy Baptist Church, Rev. Val B. Nance Jr., will lead the congregation in the song service. Miss Doran Gwen Willeford, will accompany the congregation as it sings.

Evangelist for these services is Rev. Robert L. Cargill, pastor of First Baptist Church of Hollis, Oklahoma. A native of Oklahoma, Rev. Cargill received his A.B. degree from Oklahoma Baptist University with a secondary teaching certificate in 1951. He was included in Who's Who in America.

can Colleges and Universities, and was a member of the Sigma Tau Delta honorary English Fraternity. He received the bachelor of Divinity Degree from Southwestern Seminary in January of 1955.

He was an Associational Missionary in Oklahoma in 1948, and organized the First Baptist Church at Blackburn, Oklahoma, where he was pastor for three and a half years. During the last year as pastor, the Church was fourth in per-capita baptisms among Baptists in Oklahoma.

Among his pastorates have been Northwest Baptist Church in Dallas, 1952-1955. Under his leadership the church doubled its membership, completed an educational building, and built a nice parsonage. From 1955-57 he was pastor of Midway Baptist Church, Wichita, Kansas, where the offerings tripled and the membership doubled under his leadership.

He was pastor of First Baptist Church in Tonkawa from 1958 to 1961. During that time the church built a new educational building and increased giving and membership.

Rev. Cargill has been pastor of First Baptist Church in Hollis, Okla. for the past 18 months. During this time, the church has completed a chapel, set new records in baptism and in giving. The church has already baptized 75 this year.

A cordial invitation has been extended by the Fairy Church membership to everyone in this area to hear this outstanding minister.

Coffee Time CHATTER

By HELEN OGLE

And suddenly it's July which means half of the year has passed us by; sales tax reports are due; Reunion plans are in the making; summer sales are in progress; and it won't be long 'til school starts; and only 24 weeks 'til Christmas! All these things were brought to my mind this week when I called on Gladys Litch, so don't blame me—nor her—it's just that time flies so fast.

James Cryer was out early this week talking plans and displaying signs for the annual Reunion.

Ada Woodard was in town early to do some shopping, as was Harry Hudson who ordered a pair of blue jeans.

Louise Blair was buried in work trying to get out monthly statements while Lucille Slaughter was busy selling appliances.

O. C. Cook wanting to hear the real version of my big fish story, but said that he DID believe me.

Odts Petsick was wondering what to do with a half bushel of peaches that had been left by a nice friend.

Teen Sutton wondering what to do about the flies and how to stop the water from dripping from the day for Galveston to undergo a physical examination and treatment at John Sealey Hospital.

Mrs. Nannie Pendleton of Cranfills Gap is visiting with her daughter, Mrs. Printis Newman.

upstairs bath, clear downstairs the newly remodeled one.

Vernon Chew said things were really blatin' around at Goat Center.

"There goes that walkie-talkie," said Helen Polk, as I hurried down the street.

Jim Jameson says the high price of sugar isn't bothering him near as much as the low price of gas.

After having a summer sale and then some added specials, Gladys Burden wonders what people would be in need of besides more specials.

Woody Wilson called to say he didn't know anything and hadn't heard any news.

"My wife may be resigned and retired," says Sim Everett, "but I'm sure doing a lot of chicken and tater frying."

After receiving a pack of B&B Durham, Ma Ramage says she will either take up chewing or smoking (the roll your on kind).

After receiving a new typewriter, Robert Jackson has discovered that it isn't the machine that mispells all those words.

And off to press with an early issue with this reminder. The bigger the summer vacation... the harder the fall!

ENJOY VACATION
Mr. and Mrs. V. H. Jenkins and Danny have returned from a week's vacation trip which took them to West Texas, New Mexico, Colorado, Wyoming, Nebraska, Kansas and Oklahoma.

THIS WEEK IN AUSTIN— Highlights and Sidelights

By VERN SANFORD
Texas Press Association

Creation of many new lakes in Texas has resulted in a money problem for the State Highway Commission.

Commission chairman Herb Petry Jr. of Carrizo Springs expounded on the situation when a Nacogdoches delegation headed by Carl Monk and County Judge F. L. Harris came to Austin to ask for a farm-to-market road from Nacogdoches to McGee Bend Reservoir, now 99 percent complete.

Petry said cities and lakes are draining heavily on state road funds. He pointed out that the State Highway Department worked up a plan for access roads to McGee Bend in 1959. This work has been proceeding in cooperation with the surrounding coun-

ties. But there was no new Nacogdoches County road in the plan.

State Highway Engineer D. C. Greer stated that the farm-to-market road law specifically authorizes use of that money for building roads to recreation areas.

Petry said some people call these fish-to-market roads.

Vacation
Gov. John Connally and his family took off for the family ranch at Floresville for a brief vacation.

So far his vacation has been interrupted twice for speeches in Austin and Dallas.

Connally also took along a pile of work to do. He has many appointments to state boards, commissions and courts to make. He gathered up a file of letters containing recommendations. These will help him decide whom to name to the two new Courts of

Civil Appeals (at Corpus Christi and Tyler), to the new Parks and Wildlife Commission, and to many other state boards.

He also obtained an opinion from Atty. Gen. Waggoner Carr, saying that the six new justices he will name need not live in the districts at the time of their appointments. Only requirement is that they move into the district before they take oath of office.

Insurance Up
Recommendations for higher auto insurance rates have been made to the State Board of Insurance, by insurance companies and the Board's own staff.

Losses under current rates prompt a general statewide increase averaging 8.6 percent. But there are variations.

Farmers and ranchers, who have chalked up a good non-accident record, will get substantial cuts. They will range from 20 to 30 percent, in various parts of the state.

Their bill zoomed through the House. But it was killed in the Senate.

It would prohibit state officials (and legislators) from having extensive business holdings in areas they regulate—or legislate.

urance. Statistics show that where there are more cars there are more accidents.

State is divided into 26 rating territories. Drivers living in safer areas will pay less for their insurance.

Board will announce its decision soon and new rates will take effect on August 1.

Ethics
Three representatives who piloted a tough code of ethics bill thru the House of Representatives still are trying.

Reps. James E. Nugent of Kerrville, Robert C. Eckhardt of Houston and Travis Peeler of Corpus Christi presently are seeking help from the Attorney General in drafting a new version for the next session of the Legislature.

Later on they hope to talk with Governor Connally about it.

Their bill zoomed through the House. But it was killed in the Senate.

A NEWSPAPER WAS A RARITY IN MANY AMERICAN COMMUNITIES!

Then—a newspaper was a thing to be marveled at—for memories of the Press' fight for freedom were fresh in mind. Although newspapers are common in our country today, their existence should not be taken for granted. It is a wonderful fact that almost all of our modern communities have their own hometown newspapers, freely edited by members of their own communities—spreading the news, stimulating the business of the community, and keeping their readers informed of important events elsewhere. It is well to keep in mind that a free press and a free people are an unbeatable team.

LAURA JEAN HOBBS, AIR FORCE LIEUTENANT WED IN ABILENE RITES

Laura Jean Hobbs and 2nd Lt. William Lee McCutcheon pledged marriage vows in an early evening ceremony Saturday at the First Presbyterian Church in Abilene.

The bride is the daughter of Mr. and Mrs. Frank J. Hobbs of Abilene, and a granddaughter of Mr. and Mrs. D. F. McCarty Sr. of Hico. She is her grandmother's namesake.

Mr. and Mrs. William B. McCutcheon of Austin are parents of the bridegroom.

The Rev. Francis Benton, pastor, read the double ring rites. Nuptial music was presented by Robert Winn, organist, and Carl Best, vocalist.

The bride's father gave her in marriage. Her sister-in-law, Mrs. John F. Hobbs of Dallas, was matron of honor.

Arnold Reynolds of Austin was best man. John Hobbs of Dallas, brother of the bride, and John Stowe seated wedding guests.

The bride wore an original gown of nylon organza over taffeta with bouffant skirt of embroidered tulle extending to chapel train length. A white satin pillbox held her waistline veil of illusion. She carried a bouquet of stephanotis centered with an orchid on a white Bible.

The matron of honor wore a dress of pale yellow nylon over taffeta fashioned with scoop neckline and three-quarter sleeves accented with short white gloves. Her headdress was of miniature daisies. She carried a cascade of Marconi daisies.

A garden reception at the home of the bride's uncle and aunt, Mr. and Mrs. D. F. McCarty Jr., followed the wedding.

After July 4 the couple will be at home at Chanute Field, Ill., where the bridegroom is stationed with the U.S. Air Force.

The bride is a graduate of Abilene High School and received a bachelor of arts degree from Trinity University. During the past year she was a teacher in San Antonio Public Schools.

The bridegroom is a graduate of Austin High School and of Seagraves Institute and received the bachelor of science degree from Trinity University.

Starlite Inn was scene of the rehearsal dinner for which the bridegroom's parents were hosts.

MRS. BILLY H. JACKSON

IREDELL RITES SOLEMNIZED FOR MISS STRONG AND MR. JACKSON

Miss Carroll Jan Strong, daughter of Mr. and Mrs. B. F. Strong of Iredell, became the bride of Mr. Billy Howard Jackson, son of Mr. and Mrs. W. H. Jackson of Fort Worth, in a lovely candlelight ceremony solemnized Saturday, June 22 at 8 p.m. in the sanctuary of Iredell Baptist Church.

Rev. Carl Williams performed the double-ring ceremony beneath an arch of English Ivy, flanked by burning white tapers in branch-like and spiral candelabra. Regal baskets of yellow gladioli and gypsophelia amid palms banked with white calladiums completed the bridal setting.

Mrs. Wayne Dunean of Stephenville presented a prelude of traditional nuptial selections and accompanied Miss Dolores Terrell of Houston, aunt of the bride, as she sang "I Love You Truly," and "I Could Tell You."

The bride, escorted to the altar and given in marriage by her father, wore an original gown of navy French organza re-embroidered lace, studded with tiny seed pearls along the scoop neckline and front of the semi-bell skirt. The streamer back bow swooped from a draped midriff into a chapel train. Her French silk illusion veil fell from a tier of beaded organza overlaid with seed pearls. She carried a cascade arrangement of stephanotis centered by Talisman rose buds and a white Bible. She wore a Cameo necklace of her great-grandmother.

Miss Linda Jane Harris of Plainview was maid of honor. She wore a street-length dress of yellow organza over taffeta fashioned with a scoop neckline and bell skirt. Bridesmaids were Miss Joni Con of Stephenville and Miss Charlene Jackson of Fort Worth, sister of the bridegroom.

Deborah Hutton, cousin of the bride, was junior bridesmaid. They wore identical dresses of the green organza over taffeta. Their headpieces were silk organza roses covered with circular tulle veils. They carried colonial bouquets of Talisman rose buds. Terri Lee Jackson, sister of the bridegroom, was flower girl, and Vance Hutton and Charles La Cross, cousins of the bride, lighted the candles.

Elly W. Remington of Meridian was best man. Groomsmen were Bill Sandlin of Lubbock, Jerry Moran of Weatherford, and Earl and Terrell Strong, brother of the bride, of Iredell.

For her daughter's wedding Mrs. Strong chose a dress of aqua silk organza with matching coat and accessories. Mrs. Jackson, the bridegroom's mother, wore a dress of pink. Their corsages were of peonies and gladioli florettes.

Immediately following the ceremony the bride's parents entertained with a reception in fellowship hall.

The bride's table was laid with a floor-length cloth of ivory organza, embroidered and appliqued in white, centered by an arrangement of Talisman roses, gypsophelia and leather leaf fern, cresting double wedding rings of silver. Crystal and silver appointments completed the table setting.

Mrs. Charles La Cross of Houston, assisted by Miss Quata Craig

served the five-tiered wedding cake, decorated with yellow rose buds and white swans topped by the traditional bride and groom. Miss Janie Wellborn ladeled punch and Mrs. Marcus Bakke, Jr., of Waco registered the guests.

For going away, the bride chose a sheath of beige silk shantung, with printed three-quarter length coat and beige accessories. Her orchid corsage was from her bridal bouquet.

After a short wedding trip to Bandera, the couple will be at home in Lubbock.

Out of town guests included Mr. and Mrs. Robert Jones, Mr. and Mrs. Jewel C. Jones and Mrs. Julius Jones of Austin; Mr. and Mrs. Bill Terrell, Mr. and Mrs. Charles La Cross and Miss Dolores Terrell of Houston; Mrs. James Williams of Sulphur Springs; Mrs. Willard Tressler of Jennerstown, Pa.; Mrs. J. C. Farmer of Stephenville; Mr. and Mrs. Frank Mingus, Mr. and Mrs. Doyle O'Neal of Hico; Mr. and Mrs. W. F. Fuller of Fort Worth; Mr. and Mrs. J. D. Faris of Copperas Cove; and Mr. and Mrs. H. D. Lee of Meridian.

Regular WMU Meeting Held June 25th

The Women's Missionary Union met June 25 at 9:30 a.m. for their regular service program. Mrs. Fred Jaggars conducted the study, "What Is Royal Service?"

The group met again July 2 at 9:30. A panel discussion was presented by six of the ladies on "City Missions."

Present for the meetings were Mrs. Jaggars, Mrs. Grover Renfro, Mrs. Dora Pendleton, Mrs. H. L. McKenzie, Mrs. W. C. Urwin, Mrs. L. C. Cook, Mrs. Willie Bullard, Mrs. Mae Russell, Mrs. Marion Lanch, and Mrs. Jessie Edwards.

Little Robbie McDowell of Fort Worth has been visiting his grandparents, the W. E. Goynes at Fairy. He was there two weeks during which time he celebrated his fifth birthday. He was very happy with a big cake to share with friends, Delia and Britta Sue Willeford, who came with presents.

BOY FOR WESTLEYS

Mr. and Mrs. Hayden Westley of Huntsville have announced the arrival of a son, born June 29 in Huntsville Memorial Hospital. Steven Charles weighed seven pounds and four ounces. His mother is the former Valorie McFadden of Hico. Grandparents are A. W. McFadden of Clifton and Mr. and Mrs. Charles Westley, also of Clifton. Great-grandparents are Mrs. Ida McFadden of Clifton, Mrs. Myrtle Humphries of Dallas, Mrs. Pauline Westley of Clifton, and Mr. and Mrs. Ras Gaston of Cranfills Gap.

NAME OMITTED IN HOSTESS LIST

The name of Mrs. Hans Wuemling was inadvertently omitted from the list of hostesses of the Donald Tolliver shower held June 22 at the Fairy Home Economics Cottage.

WASHINGTON—

As It Looks From Here

By OMAR BURLESON, M.C.
17th District, Texas

Washington, D.C.—Discussed in this column last week was the "Public Accommodation" theory as embodied in the President's proposal on Civil Rights.

History has strange ways of repeating itself. Historical researchers now show that this issue has been around since 1863. In this year the Commonwealth of Massachusetts passed the first state law abridging the right of businessmen to discriminate against customers for whatever reasons they saw fit.

In 1875 the Congress passed a strong Equal Accommodation clause applying to "inns, public conveyances on land or water, theaters and other places of public amusement." Violations were subject to fines up to \$1,000, a year in prison or both.

The measure was declared unconstitutional by the Supreme Court in 1883.

Following this action, in 1884 the States of Connecticut, Iowa, New Jersey and Ohio passed their own laws on Equal Access to Public Places. The following year the states of Colorado, Illinois, Indiana, Michigan, Minnesota, Nebraska and Rhode Island passed similar laws. In 1897 Pennsylvania, Washington, Wisconsin and California went along. Several other states had adopted similar laws even prior to the 1875 Federal Federal Act that was later overturned by the Supreme Court.

Thus, over the years, 36 states and numerous cities have enacted laws against discrimination in places of public accommodation. In a negative sort of way, the action of the Supreme Court in holding such laws unconstitutional spirited these states into taking action in guaranteeing access to public facilities, including businesses of a private nature.

As the spirit of reconstruction following the Civil War gradually ebbed, State Laws in most places became dead letters. By their nature they seemingly were either forgotten or ignored as being impractical of enforcement. (There are a great many laws on the statute books of various states treated similarly.)

Almost three-quarters of a century has passed before another resurgence of this theory emerges with the force of the present Administration behind it. No doubt, of course, the Supreme Court's 1954 school decision lent impetus to this new interest to "equal rights," including the doctrine of "public accommodations."

But just a year prior to the 1954 Supreme Court Decision, the state of Oregon passed such a law, followed by Montana, New Mexico, Vermont, Maine, Idaho, Alaska, New Hampshire, North Dakota, Maryland, Wyoming and South Dakota. Last week, by Executive Order, the Governor of Kentucky added his state to the list. In all, there are now 31 states including the District of Columbia, with such Statutes in force.

Some states have more sweeping intent of the law than others. The

Fantastic new \$300,000 Log Flume ride at Six Flags unveiled Tuesday, lives up to all advance expectations. Named the Aserradero it is the only one of its kind in the world. The faces of the passengers aboard this eight foot hollowed out log reflect the thrilling climax down a 44-foot incline at speeds exceeding 10 feet per second into a trough filled with swirling rapids.

CLAIRETTE

By MRS. LUCILE MAYFIELD

A pink and blue shower was given in the home of Mrs. Les Dowdy Wednesday afternoon honoring Mrs. Travis Griffin, who lives south of Alexander on the Joe Clark ranch. Mrs. Griffin is the former Darlene Head of Clairette, daughter of Mr. and Mrs. Deward Head. She received many nice and useful gifts. Nineteen ladies attended the shower. Mr. and Mrs. Herman Roberson had a family get-together Sunday at their home. All of their children were home for the first time in sometime. They were Mr. and Mrs. Wesley Roberson and three children of Everman, Mr. and Mrs. Wayne Garner and 3 girls of Selden, Mr. and Mrs. Buster Roberson and son and Mr. and Mrs. Franklin Roberson and two children of Hico, and Mr. and Mrs. Sherman Reed and sons of Clairette. IT'S THE LAW—

Declaration of Independence Expresses Basic Belief

What do we mean when we say that in the United States we have a "government of law" and not a "government of men?"

The early American colonists had their fill of government by men, and the Declaration of Independence, signed 187 years ago, set out their complaints against that type of government and revealed their belief in a principle which we now accept as basic to our American way of life.

The indictments set out in the document against King George III of Great Britain charged him with numerous violations of that principle. Among the complaints enumerated are the following:

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has obstructed the administration of justice, by refusing his assent for laws establishing judicial powers.

He has made judges dependent upon his will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has refused his assent to laws, the most wholesome and necessary for the public good.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation; for depriving us, in many cases, of the benefits of trial by jury; for transporting us beyond seas to be tried for pretended offenses; for taking away our charters, abolishing our most valuable laws, and altering fundamentally the forms of our governments; for suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

Our forefathers who subscribed to the principles of the Declaration of Independence were willing to fight for their beliefs. The Revolutionary War followed, dragging through weary years of suffering and suspense. Each of us takes pride in their eventual triumph over gigantic obstacles.

In 1787, when the framers of our Constitution met at Independence Hall in Philadelphia where the Declaration of Independence had been signed 11 years previously, they set to work to create a system of checks and balances in government which was to perpetuate the fundamental theory mentioned in the preamble of the earlier document:

"We hold these truths to be self-evident; That all men are created equal; that they are endowed with certain unalienable rights; that among these are life, liberty and the pursuit of happiness.

"That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed."

Some five years later, the first ten amendments to our Constitution were adopted at one time, specifically detailing various basic civil rights stemming from the underlying theory of the Declaration of Independence.

Our courts day by day guard these rights for us.

Liquor Fines

People still keep violating the liquor laws.

Liquor Administrator Coke Stevenson Jr. reports that his agents filed 743 cases last month. There were 738 convictions, with 18 jail terms, for violations. Fines came to \$46,172 during the month.

The Lubbock district, mainly dry was as usual the location of the largest number of cases among the 15 enforcement districts.

Rains on the Range

Ranchers got some breaks in some parts of the state, reports the U.S. Dept. of Agriculture.

Summer range and pasture feed prospects continued on the up-grade in the northwest part of Texas. Prospects also were improved by rains in the central and southeastern parts of the state. There ranchers had been culling herds, and sales had been heavy until the rains came.

Sales Up

Retail sales in Texas improved a bit in May, after a slump in April.

May sales were 4 percent above April, and one percent above May 1945.
