JOHN G. HASKINS
New Football Coach

John G. Haskins Hired As Head Football Coach By Trustees

John G. Haskins, who has been assistant coach at DeLeon High School the past four years, has been employed by Hico Schools as head football coach for the coming year.

Mr. Haskins, 26 years old, is married and has three children, a five and a half, three and a half and two.

He will take over duties of head coach, and will be assisted by Jack Barnett and David Anderson. Mr. Barnett is also high school principal, and Mr. Anderson will be in charge of Junior High athletics.

Born in Martins Mill, Texas, Mr. Haskins graduated from Borger High School in 1955. He was in the top one-fourth of the 225-student class, and lettered two years in football, two years in track, and one year in baseball.

He graduated from Howard Payne College in 1959 with a major in Business Administration and a minor in mathematics. He received a master of education degree from Howard Payne in 1962.

While at Howard Payne, Mr. Haskins lettered four years in varsity football, playing quarterback for the Yellowjackets, and also lettered two years in baseball.

During his four years at DeLeon he was varsity backfield coach, team coach, track coach, and boys and girls basketball coach. DeLeon won one championship in District 8 2A.

Mr. Haskins and his family will move to Hico just as soon as housing is available.

Faculty Almost Complete.

YOUTH CENTER OPEN MONDAY NIGHT

The Hico Youth Center will be open Monday evening, July 22, from 8 to 11 p.m. Mrs. Lucille Slaughter will be sponsor for the evening.

15 Entered in Miss Reunion Contest; Deadline Monday

Plans for the 77th Annual Hico Old Settlers Reunion are rapidly taking form, according to James Cryer, Reunion Manager.

The parade, which will begin at 5:30 p.m., July 31, will open the four-day event. That night will feature the Miss Reunion contest. This event has been divided into two groups, a senior and junior division. Contestants will be judged on poise, personality and beauty. Mrs. Bruce Slaughter, chairman of the contest, listed the following entrants and sponsors, at mid-week:

Junior Division

Barbara Casey, sponsored by Modernistic Beauty Salon.

Linda Cronk, sponsored by Hillcrest Home.

Carolyn Wooton, sponsored by Hillcrest Home.

With the hiring of Mr. Haskins, only one teaching position is left to be filled in the local schools.

That of high school English teacher. The position is expected to be filled within the next week or so.

Old Hico Memorial Near Finish

Work on the Old Hico Memorial has been almost completed, and as soon as the plaque is received, the project will be finished.

Funds for the memorial, which were secured on a voluntary contribution basis, are more than sufficient, and Miss Mettie Rodgers, who has been in charge of the project expressed her appreciation to each and everyone who has had a part in making the project a reality.

Latest contributions for the memorial came from: Mrs. Sylvia Day, Escondido, Calif.; A Friend; Mrs. Nora Needham, Hico; Loyd Needham, Hico; Willie Needham, Hico; Mrs. Daisy Thompson Dank-

Iredell Baptist Church Revival Scheduled July 22 thru July 28

Approximately \$800 Needed To Complete Rural Fire Truck

Hico's new Rural Fire Truck has been put into service, with only a few minor details lacking in having the truck completely finished.

The fund drive was started last February, and total contributed at mid-week was \$3,762.33.

Cost of the new truck when fully equipped is expected to be in the neighborhood of \$4,500.00. Subtracting the total of contributions from anticipated cost, approximately \$800.00 is still needed with which to pay off present in-

debtedness and to add other needed equipment.

Donors the past few weeks have been:

T. C. Edmondson, \$2.00
J. D. Nix, \$5.00
Mignon Anderson, \$5.00
Mrs. H. H. Tracey, Fort Stockton, in memory of H. F. Sellers, \$5.00
Mr. and Mrs. Norman Johnson, \$5.00
Mr. and Mrs. R. W. Smith, \$10.00
Mel Giesecke, \$1.00

Two Hicoans Killed in South Texas Accident

A car-truck collision early Wednesday morning in South Texas took the lives of two Hico residents.

Killed in the accident were Charles Paddock, 15, son of Mr. and Mrs. Charlie Paddock of Hico, and C. B. Youngblood, 54, also of Hico.

According to State Highway Patrolman Charles Goff, the accident occurred three miles south of Falfurrias at 7 a.m. Wednesday. Falfurrias is located between Alice and McAllen in the Valley. The Patrolman said that the 1960 model Ford driven by Paddock was traveling south and was in collision with a truck headed north on

Highway 281. The truck driver, from San Antonio, was uninjured.

Young Paddock accompanied Mr. Youngblood to Alice Tuesday, going along to drive for him. Youngblood was injured several weeks ago in an accident near Alice, his former home.

No other details were available to the News Review Wednesday afternoon.

Paddock, an outstanding athlete in Hico High School last year, would have been a sophomore this year. He was a member of the football, track and basketball teams last year as a freshman, and was one of the more promising athletes being counted on this

coming year. Charles was extremely popular among classmates and teachers alike.

Mr. Youngblood and his wife moved to Hico about six weeks ago from Alice. They were former residents here.

Funeral services for the victims were pending Wednesday afternoon.

Young Paddock is survived by his parents; two sisters, Martha and Judy of the home; a brother, Billy Paddock of Nevada; and a host of other relatives.

Mr. Youngblood is survived by his wife, and other relatives.

Complete obituaries will be given in next week's paper.

Duffau Baptist Church Revival Services Set Next Week

Revival services have been slated at Duffau Baptist Church, beginning July 22 and continuing through July 28.

Services will be conducted daily by the pastor, Rev. John Miller, at 7:30 p.m. Sonny Koonsman of Selden will be song evangelist.

Everyone has been issued a cordial invitation to attend the services.

FUNERAL SERVICES HELD THURSDAY AT STEPHENVILLE FOR WILL WRIGHT

Funeral services were held Thursday, July 18, at 2 p.m. in Stephenville for Will Wright. Burial was made in the Carlton Cemetery.

Mr. Wright is a brother of Ben Wright and G. C. Wright, both of Hico.

Miss Beverly Polk of Waco is visiting here this week in the home of her grandmother, Mrs. Helen Polk. She is the daughter of Mr. and Mrs. Currie Polk.

E. R. Lawrence, Co. Agent, Resigns Post Effective July 31

E. R. (Ralph) Lawrence, Hamilton County Agricultural Agent for the past 18 years, has submitted his resignation from that post, and his successor has been named.

The announcement of Mr. Lawrence's retirement was made by R. G. Burwell, District 8 Agricultural Agent for the Texas Extension Service, at the regular monthly meeting of Hamilton County Commissioners Court Monday, July 8th.

Mr. Burwell also introduced De Marquis Gordon of Waco as Mr. Lawrence's successor to the post. The court then went on record as accepting Mr. Lawrence's resignation and hiring the newly appointed agent for the county. Lawrence has been county agent here since 1945.

A county agent's salary is paid partly by the extension service, and partly by the county which he serves.

Mr. Lawrence is currently on

vacation, and was not at the court meeting. His resignation becomes effective July 31, and Mr. Gordon is due to begin his duties here August 20.

Gordon is currently assistant agent of McLennan County and resides in Waco. He and his wife have one child—Hamilton Herald-News.

New Butcher At Sherrard's

Bob Zeigle, formerly of Dallas, has been employed as butcher at Sherrard's Grocery & Market. Mr. Zeigle has 14 years experience as a butcher. He replaces Sherman Roberson who retired recently after 13 years with the store.

Revival Services at Iredell Church of Christ Slated July 22-28

Bro. Ray Crook, formerly of Iredell but now of Madras, Idaho, will lead revival services beginning July 22 at Iredell Church of Christ. The services, which will be held daily at 8 p.m., will continue through July 28.

Members of the congregation have extended an invitation to area people to attend the services.

NEW ADDITION PLANNED

Mrs. Payne, owner of Hico Nursing Home, has revealed plans to build additional rooms and accommodations at the home.

Ground-Breaking Ceremonies Set For New Baptist Church

Sunday morning July 21, will be the formal ceremony for ground-breaking for the new building of First Baptist Church. The church was chartered in the 1880's. The old frame building, which has just been dismantled, was a landmark in Hico.

The congregation of First Baptist is building a \$60,000 sanctuary and Sunday School plant.

During the summer months the

membership has been meeting in the local elementary school building.

Participating in the services Sunday will be the entire congregation who will leave the school, form a cavalcade of cars and gather at the old church site for the formal ceremony. Every organization of the church will be represented at the ceremony as the chairmen of various groups in the church will turn a spadeful of earth. This will symbolize the usefulness of the building to the entire congregation.

Those participating will be Dr. W. L. Hendricks, representing the ministry of the church; Richmond Herrington, representing the deacons; Bernell Jernigan, representing the Sunday school; Luther Burden, representing the Training Union; Mrs. Grover Renfro, representing the Woman's Missionary Society; Fred J. Jaggars, representing the Brotherhood; Miss Jane Akin, president of the church Youth Council; Robert Jackson, church moderator; and Buford Wooton, representing the building committee.

The ceremony will take place at approximately 11:30 a.m.

CIVIC CLUB MEETS NEXT WEDNESDAY

Hico Civic Club will meet next Wednesday, July 24, at Koffee Kup Cafe. The organization is currently observing a summer meeting schedule of alternate Wednesdays, and all members are urged to be present.

Emphasis Placed on Farm Safety Week, July 21-27

Farming is a dangerous job. So dangerous that nation-wide attention is being focused on the problem by declaring July 21 through 27 National Farm Safety Week.

The hazards of the farm are many and varied. Not only does the farmer face daily risks in the operation of complex machinery, manipulation of heavy loads and handling farm animals; the farm home is also especially vulnerable to accidents.

Fires are a greater hazard on the farm than in the city, causing some 3,000 of the 15,000 farm deaths recorded in this country each year. Farm fires occur at the rate of 300 per day, and most can be traced to defective heating units, flammable roofing materials, overloaded electrical wires and lack of protection from lightning.

Other accidents inside the home take the lives of some 4,000 farm residents each year.

Because farmers are often separated by many miles from the nearest facilities of aid in event of accidents, special precautionary measures are always indicated. Emergency first aid equipment and training in first aid are vital for farm families. Fire extinguishers should be in good working order and in convenient locations in all buildings on the farm.

The great hazard of accumulated odds and ends is especially evident on the farm. Inflammable debris should be sought out and eliminated regularly. In so doing, buildings in need of repairs can be better detected and chance of accidents thus reduced.

Farm machinery is the big killer. If there is a starting

place for farm safety, it begins here. Machinery should be kept in good repair. Farm machinery at its best entails some danger in operation. Inexperience and carelessness are the big culprits, and only those who know how to operate the equipment and realize as well the dangers involved should be given this responsibility.

Farm safety is not accomplished in a week. The purpose of National Farm Safety Week is to call attention to the great need for full caution needed for those who live and work on farms. It is an excellent time for all rural residents of Texas to make a safety inventory of their homes, facilities, and habits. And it's a good starting point for safety on the farm to be practiced the year around.

Salmon's Carry Big Lead Into Second Half Bowling Action

First half action in Hico Mixed Bowling League closed out last week with Salmon's Shoppers taking a giant lead into second half play.

The Shoppers dropped Hico Motors 8-0 last Wednesday night to take an 8-point lead. They were tied with the Darts going into the night's action.

In other action F-W Ranch opened Blair's 6-2, the News Review dropped First National 6-2, Orphans pinned Check Kingpins 6-2, and Judy's Beauties beat Wilson Cleaners split 4-4. Ray Cheek led the men bowlers to the second consecutive week with an identical 539 series that put him on top last week. He was followed by Steve Parks with a 487, Buck Meador 517, Glenn Ross 487, and Harold Walker 487. Mary Scott topped the scoring for the ladies with a 478 series.

followed by Pat Ross 474, Judy Keller 422, June Roberson 411, Marlene Kilgo and Shirley Ross, 405.

Top averages at the close of first half play included Odis Petsick 178, Morse Ross 173, Steve Parks 172, Von Scott 168 and Glenn Ross 165. On the ladies' side, Pat Ross has the top average, a 159, followed by Joyce Putty 151, Mary Scott and Ruth Salmon, 143, and Bettye Knudson 141.

The Standings:

Salmon Shoppers	50	22
Hico Motors	42	20
F-W Ranch	40	32
News Review	39	35
Wilson Cleaners	39	33
Parks' Orphans	34	28
Blair's Whiz Kids	34	38
Check Kingpins	32	40
First National Tellers	28	44
Judy's Beauties	24	48

As It Looks From Here

By OMAR BURLISON, M.C.
17th District, Texas

To people in the small Caribbean Island he is familiarly known as old, blind Blake. The title of his favorite Calypso song is "Never Mind the Noise in the Market Place But Beware of the Price of Fish."

It is a story in song of the plight of a poor people, but it also carries sound advice. In the open markets, peddlers try to outshout one another in extolling the virtue of their produce. The loudest voice is supposed to attract the most customers, but the fish belonging to the loudest voice may be highest in price.

While attention is demanded by the score of issues facing the Congress and our Government, the so-called balance of payments continues to be a most serious problem. It is complicated and not easily understood, although the facts are fairly clear.

The United States sells more to foreign countries than it buys. In years past this figure has run from four and a half billion to 6 billion dollars. There continues to be a comfortable margin of income, rather than outgo, insofar as trade itself is concerned, but foreign aid military spending and private investment abroad reverse the situation.

The U.S. Commerce Department reports that the outflow of United States capital during the first three months of this year was at the annual rate of \$3,800,000,000. In other words, at this rate it would be near to the deficit in 1960 and 1961, which averaged out about \$4 billion each year. The 1962 deficit was held to a little more than \$2 billion, or almost half of the two preceding years.

What does this mean? It simply means that with gold reserves being reduced to near the required amount to support our currency, should all foreign nations holding obligations against our reserve demand payment in gold, it would be a serious threat to the stability of the dollar. Most foreign nations demand that a part of their request for payment be made in gold. Whereas, at the present time our gold reserves are something over \$15 billion in theory we could be called upon to produce more than \$25 billion in gold. It would be something like a "run" on a bank when every depositor wanted his money at the same time.

There is little on no danger of such a thing occurring in the immediate future, but the seriousness of the situation is in the long run. Should governments and dealers in goods and commodities lose confidence in the value of the dollar, serious consequences could result. The dollar remains the strongest currency in the world, simply because of the confidence in it.

Strange as it may sound, some nations which we have helped most in the postwar period, having credits in this country, are those who threaten the greatest demand. While these nations actually owe us money, and are meeting their obligations, at the same time show disposition to demand a considerable portion of payments in gold.

Since World War II, we have helped the economy of some of these nations who now compete with us and, in addition, have furnished military assistance for their protection and that of the free world. These expenditures overseas, coupled with incentives given to private businesses in the United States to invest abroad, continue to aggravate the problem in the balance of payments.

For this reason there should be a retrenchment of expenditures overseas and a demand on other nations that they assume a greater responsibility. While noises are loud on so many issues now demanding attention of the Congress and the Nation, we certainly need to heed "the price of the fish."

It's a treat to beat the heat with
ELECTRIC air conditioning

Summertime living at home is much more enjoyable when everyone is cool and comfortable with electric air conditioning. You sleep better, eat better, feel better because electric air conditioning not only cools the air, it filters and dehumidifies it, too. And it has the capacity to chill even torrid Southwest summer weather. Best of all, the cost of electric air conditioning equipment is lower today than ever before. FAIRY

By MRS. EUNICE DANIEL

We were very sorry to learn of the passing of Elmo Heyroth of Walnut Springs, Mr. Heyroth passed away Friday at home following a lengthy illness. He operated a feed and grain business in Walnut Springs before his health became impaired. He was 73, and is survived by his two daughters and one son, Mrs. J. D. Gregory and Mrs. Joseph Isbell both of Midland and Robert E. Heyroth of Mount. Also one sister, Mrs. Patricia Oglesby of the Lanham community below Fairy and two nephews, Lewis Heyroth of Lanham and Vernie Heyroth of near Ft. Worth. Mr. Heyroth formerly resided at Iredell and Meridian. Funeral services were held at the Baptist Church in Walnut Springs Sunday afternoon at 3 o'clock. Burial was in Iredell Cemetery. So sorry we did not learn of his death until our sister, Mrs. E. M. Hoover called us Monday when she read the account in the Star-Telegram. The Hoovers and ourselves had planned to attend his funeral but both failed to get the Hico News broadcast Saturday when we learned it was announced. We had learned on Friday that he was very low. Our deepest sympathy is extended to those bereaved in his passing.

We received about six-tenths of an inch of rain at our home Sunday. However amounts varied over the community with from one half to one and a half inches received at some points. It was badly needed as grasslands and some hay crops were firing up.

Mr. and Mrs. Tommy McCoy of Fort Worth visited last Sunday in the home of his aunt, Mr. and Mrs. Scott Blakley.

The writer attended singing at Lund Valley Baptist Church Sunday and learned today, Monday, that they received nearly two inches of rain around 4:30 Sunday. Singing was dismissed a little early in order that those attending might get home before the rain.

Mr. and Mrs. Truett Turner and Bobby of Fort Worth spent most of last week visiting in the home of her parents, Mr. and Mrs. T. R. Parks, while Mr. Turner and Bobby were doing interior decorating work to most of the home. Bobby remained for a longer visit.

Mr. and Mrs. Willie Turner had the following children and families home during the weekend: Mr. and Mrs. Ray Botkin, Tammy and Patsy Ann, Mr. and Mrs. Billy Turner, Kurtis and Rhonda, and Mr. and Mrs. Ray Turner, all of Killeen, and Miss Bernice of the home.

Mr. and Mrs. Ray Turner also visited with her parents, Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice.

Mr. and Mrs. E. M. Hoover enjoyed a visit from all of their children and families last week with the exception of a son-in-law Ralph Spencer who was unable to be here. Those present were Mrs. Lloyd Bolstad, D'Ann and Glenn of Houston, Mrs. Ralph Spencer, Don and Dickie of Lubbock and Mr. and Mrs. Darwin Hoover, Charles D. and Jameson of Daly City, Calif. Mr. Bolstad had spent the past weekend here when he brought his wife and children up, and returned for them Saturday. The Darwin Hoovers left for home by train from Stephenville Saturday night. Mrs. Spencer and boys had visited a few days during the week.

Mr. and Mrs. Glenn Arrant and children of Fort Worth visited during the weekend with their parents, Mr. and Mrs. Ted Arrant and Mr. and Mrs. W. E. Cunningham.

The two eldest daughters of Mr. and Mrs. Morton Jameson of Fort Worth are visiting with their grandparents, Mr. and Mrs. L. V. Houser and assisting their grandfather with farm work.

Mrs. Carl Ray Sellers spent Thursday of last week in the home of her daughter, Mr. and Mrs. Ray Turner at Killeen. Mrs. Turner, who had the mumps, was doing fine and expected to go back to work at the bank there by this mid-week.

A repair and paint job has been started at the former A. J. Miller place, recently purchased by the Doziers of Stephenville. We understand a family from Stephenville will be moving there soon, who will have two children in Fairy school. Wish it were possible to see more of these good vacant farm dwellings occupied.

The writer visited awhile Saturday afternoon with Mrs. Blanch Holland and Mrs. Lee King and daughters of Duffau.

Mr. and Mrs. Marvin Porterfield of Sanger visited at their home here and with her sister and family, Mr. and Mrs. J. A. Edwards and children last Thursday.

Mr. and Mrs. Truett New of Fort Worth visited Saturday in the home of his parents, Mr. and Mrs. Leslie New. Their two little daughters, Sherry and Rita, who had spent last week here returned home with their parents.

Mr. and Mrs. G. Rivers of Salisbury, N.C. returned home last Thursday following a ten-day visit in the home of her parents, Mr. and Mrs. J. W. Abel and Bill. Their son, Jimmy, remained to spend the rest of the summer with his grandparents.

Mr. and Mrs. Bill McCoy of Dallas visited Sunday with his parents, Mr. and Mrs. Ernest McCoy. Bill is employed by Collins Radio Corporation.

The Baptist revival closed Sunday night with three additions to the church. Rev. Robert L. Carrigill of Hollis, Okla. was the evangelist for the services, with the pastor, Rev. Val Nance as song director. Miss Doren Gwen Wilford was pianist. Baptismal services were held at the Cranfills Gap Baptist Church Sunday afternoon. Candidates were Mike Hanes, James Gleason and Randy Gardner. Best wishes to these young boys.

The former Ann Hutton and three small children of El Paso have been visiting in the home of her grandparents, Mr. and Mrs. Roy Blakley.

Mr. and Mrs. H. O. Richardson and Jerry visited Sunday in the home of her sister, Mr. and Mrs. Lawrence Adams at Hamilton. They reported some rain and strong wind late Sunday.

Mr. and Mrs. George Stringer of Crane are the happy parents of a daughter born to them July 11. Mrs. Stringer is the former Peggy Allison of Fairy.

Mrs. Don Barnett and baby daughter, and her sister, Miss Sandra Gardner of Fairy visited Mrs. Barnett's husband at Fort Hill, Okla. last week. Mrs. Barnett and baby are visiting this week in Fort Worth with her sister, Miss Cleen Gardner.

Ricky Haile and James Gleason spent last Friday night with Mike Hanes. Mr. Hanes carried the boys to Fort Hood on Saturday for the program. It was thought some 5000 people attended.

Mr. and Mrs. Willie Turner and Bernice accompanied his sister and husband, Mr. and Mrs. Andrew Powell of Gatesville on a vacation trip to Carlsbad Caverns and other points of interest last week. They returned home Friday reporting a wonderful time.

Mrs. H. H. Hanes of Jonesboro visited Sunday and Monday in the home of her son, Mr. and Mrs. Frank Hanes and Mike.

Rev. and Mrs. Val Nance and baby spent Saturday night in the home of Mr. and Mrs. C. C. Parks. All cemetery lots under care were sprayed last week and if weather permits we plan to get all gone over again this week as this is necessary to get any growth that was missed the first time.

Our sincere thanks to Hobert Proffitt for a \$5 donation turned in at the Hico bank for the cemetery. Also to Mrs. Ernest McCoy and sister, Mrs. Dick Jones of Hamilton for \$2 they wanted to donate to the gate fund. The gate had been paid for, but the fund will pay back what we had to check out of the cemetery fund to complete the purchase price.

Mrs. J. D. McCoy of Fort Worth visited Saturday in the home of Mr. and Mrs. Scott Blakley. Her mother-in-law, Mrs. J. L. McCoy who has been visiting in Fort Worth and Dallas the past month returned with her.

Mr. and Mrs. Dickie Grueber and little son of El Paso and her small brother, Richard Hutton of Eunice, New Mexico visited awhile Saturday night in the home of her uncle, Mr. and Mrs. Scott Blakley. Mrs. Grueber is the former Ann Hutton. Richard has been visiting his grandparents, Mr. and Mrs. Roy Blakley this summer.

Mr. and Mrs. Burris of Brady visited at the Fairy Cemetery last Thursday and while there handed me \$2 on the care of his parent's lot. We thank him so much.

Rev. John Blansit and John Fulbright, employees of Riley Gardner of Hamilton were at the cemetery Tuesday morning setting a marker at the grave of the infant child of the Eldon Sorleys of Cranfills Gap. While here Mr. Blansit and Mr. Fulbright put the Spencer marker back on the base. It was pushed off the base at the time of the Stella Wilson funeral. We were at the cemetery and thought we might get them to raise it with the crane, but they did it by hand and it only took a few minutes. We thank them so much for this favor.

Again we would like to remind those who come in from time to time to work their lots to please bring a container or use the basket at the tree west of the gate for disposing of trash, and put it at the nearest dump pile. It cost \$1 an hour to get this cleaned up and we surely do not have funds for that purpose. We would appreciate this consideration. Thanks to those of you who don't leave a cleanup job for us.

Riding Club Round-up

By BECKY WOLFE

Arena fun this past Tuesday was interrupted for a while by a sudden and short-lived summer shower. Junior McElroy was overheard saying he didn't mind the rain for himself, but he sure didn't want his hat to get wet.

Thursday evening with Cutting the featured attraction we had a nice crowd of spectators and 20 cutters. The past few weeks we've noticed some young ladies trying their hand at cutting. Linda Jaggers, Sherry Weathers and Janis Shepherd were certainly the prettiest cutters Thursday night and each of them did well. Garland Parker provided an extra bit of entertainment with a bucking bronc, although he didn't actually plan it that way!

The wind and dust Saturday didn't seem to keep many people at home and we had an exceptionally enthusiastic crowd. Tony Mayfield drew a round of applause as he led the grand entry, followed by all the evening's performers. Barrel racing was the first event and Sheree Williamson with 16.3 seconds placed first, followed by Janis Shepherd with 17.3. Mike Sutton and Howard Sruder ran the barrels for the first time Saturday evening. We hope to see more and more youngsters participating in the arena activities.

Walter Weathers and Horton Koonsman made a great team during the calf roping. Generally the ropers did very well during the evening even though we had some gusty wind for a while.

Janis Shepherd won the pole bending with 17.3 seconds, followed by Lee Anne Shepherd for second with 21.3. As usual the calf roping had many many entrants. Danny Jenkins literally "bit the dust" as his calf pitched him off. Edmond Horton rode a dark gray brahma which is fast becoming known as one of the roughest calves to ride. A few boys broke calves for the club again. Tony Mayfield and Robert Steele, as well as Leon McMillan made wonderful rides on their calves. Leon is the son of Jesse McMillan of Dublin, who joined the club Saturday. We hope to see them at the arena often, along with all our regular participants and spectators.

Remember, the next Kid's Night is this Friday, July 19 and any parent wishing his child to take part must be a member of Hico

Riding Club. The yearly dues of \$10 enable the member and his family to enjoy all the club activities for the year. A few club officers who may be contacted regarding membership are Buck Shepherd, Charles Tolliver and Jerry Lackey. Let's all get out and enjoy the arena this week and root for the youngsters on Kid's Night.

Any non-member who wishes to enter his child may do so by paying 25c per event, or if he wishes to enter more than four events, he may pay \$1.00 and be eligible to participate in all events.

Weekend guests in the home of Mr. and Mrs. George Griffiths was her sister and family, Mr. and Mrs. J. D. McCormick and children, and Miss Judy Griffiths, all of Dallas.

Rev. Clifford Herrington of Hearne was a visitor this week in the home of his parents, Mr. and Mrs. R. A. Herrington Sr., and other relatives.

Robert Goulet, singing star of Broadway and television, comes to the Dallas Summer Musicals on July 22 for two weeks of performances in "Robert Goulet In Person." Carol Lawrence will co-star and the hilarious Weire Brothers will be featured.

Highlights and Sidelights

By VERN SANFORD
Texas Press Association
A growing toll of accidents on city streets and freeways, heavier damage claims, and an act of the Legislature all have combined to cause insured motorists in Texas a double-dip premium increase during the next five months.

600 per person and \$20,000 per accident. Present law requires \$5,000-\$10,000. So those now carrying minimum insurance will pay an average of \$4 more after January 1.

ASCS Incentive Payments Made By County Office

Incentive payments on wool, unshorn lambs, and mohair, were made July 3. This is the 8th year this program has been in effect. Legislation in 1961 established this program to cover marketing through March 1966. For the first time since the beginning of the program, an incentive on mohair was paid.

WOOL: For the 1961 marketing year (paid in July 1962) a total wool incentive payment of \$134,912.29 was paid to 711 applicants, representing 714,933 pounds. The rate of incentive payment was 44.5 percent, or \$44.50 per \$100.00.

For the 1962 marketing year (paid in July 1963) a total wool incentive payment of \$96,393.64 was paid to 683 applicants, representing 728,300 pounds, or \$359,457.14 net proceeds, minus adjustments for unshorn lambs purchased. The rate of incentive payment was 30.0 percent or \$30.00 per \$100.00 worth of wool sold.

UNSHORN LAMBS: For the 1961 marketing year a total unshorn lamb incentive payment of \$7,663.73 was made to 325 applicants, representing 1,050,485 lbs. The rate of incentive payment was 76c CWT. The promotion fund deduction was based on 5c CWT sold.

For the 1962 marketing year a total unshorn lamb incentive payment of \$6,943.65 was made to 332 applicants, representing 1,335,249 pounds of live weight sold. The rate of incentive payment on unshorn lambs was 57c per CWT. The promotion fund deduction was based on 5c CWT sold.

Producers of this county, this year, paid into a promotion fund to help sell wool and lamb products \$7,950.23.

MOHAIR: A total in mohair incentive payments of \$13,636.67 was made to 213 applicants, representing 524,467 pounds sold. The incentive payment rate was \$3.60 per \$100.00 worth of mohair sold. There is no promotion deduction on mohair.

Import duty is collected on wool, unshorn lambs, and mohair. There has been enough import duty money collected to pay for this incentive program for the past eight years.

The above information was submitted by S. E. Cloninger, office manager for Hamilton County ASCS.

Annual Peanut Growers Meet Set Aug. 16 in Stephenville

The annual meeting of the Southwestern Peanut Growers Association will be held August 16 at Stephenville. As has been the custom for several years, the meeting will be conducted in the Agriculture Auditorium on the campus of Tarleton State College.

This year's program will follow the theme of research which proved so popular last year with the capacity crowd which was present. Staff members from Texas A&M College and Oklahoma State University will present the very latest findings in important production phases such as disease control, weed control, insect control, varieties and fertilization and harvesting and curing. In addition the peanut outlook will be reviewed covering the whole realm of marketing.

Following the lunch hour a panel will be formed to answer growers' questions regarding production problems. It is felt that this type program gives the grower the rare opportunity to direct his questions to those in the best positions to provide answers. Better education of growers and handlers is one of the best ways of building a better peanut industry. Many express the belief that last year's meeting which stressed improved curing techniques made a major contribution to improved quality of peanuts. Last year SWPGA worked closely with the Southwestern Sheller's Association and research and extension branches of Oklahoma State and A&M in the effort to make known the latest recommended practices in harvesting and curing peanuts.

A committee on harvesting and curing practices was selected from the staff members of the two colleges. This committee, through a series of meetings, prepared its recommendations which were presented as a part of the 1962 Annual Meeting. In addition the report was distributed to all peanut buyers and handlers in the Southwest. The meeting this year, therefore, is a continuation of the effort to bring about better yields and quality of peanuts produced in the Southwest.

Lunch will be served at noon, compliments of Southwestern Peanut Grower's Association. Tarleton College officials have assured the Association of the same courteous and efficient hospitality this year as has characterized the college in the past.

Farm Safety Week Proclaimed By Erath County Judge

County Judge Lanelle Harbin of Stephenville has officially proclaimed July 21-27 as "Farm Safety Week in Erath County," according to Chester Martin, president of Erath County Farm Bureau.

President Kennedy and Gov. Connally have previously designated that week on national and state levels as a period to call attention to worthwhile safety practices that can reduce disabling injuries and death.

The county farm leader said that farm accidents have been reduced in the past few years; however farmers cannot afford to let down their guard against accidents. He emphasized that farming remains one of the most hazardous occupations in America today.

In her official proclamation, County Judge Harbin said "All the citizens of Erath County are concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities."

Throughout this special week, a statewide farm accident prevention and educational program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, Texas Safety Association, and the Erath County Farm Bureau, with the theme, "Inspection Plus Correction Equals Protection."

County Farm Bureaus are becoming increasingly active in safety work. President Martin said. This is evidenced by County Farm Bureaus cooperating with Texas Farm Bureau Safety Department in sponsoring and conducting safety education demonstrations in high schools all over the state as well as participating in fire extinguisher and auto safety seat belt projects.

Mrs. Jim Lovell visited during the past week in Gatesville in the homes of Mrs. Rauchingburg and Miss Burns.

Mrs. Lucille Doye of Waco and Mrs. Alleen Dunigan of San Antonio were recent visitors in Hico. They were here to be with their mother, who is in the hospital, and visited with their aunt, Mrs. Bunnie Alexander.

Summer Coolers

Happy surprise! Both the frosty summer drinks and the cool fruit-filled salad are penny-wise and calorie-wise besides being deliciously cooling. What makes them that way? A no-calorie sweetener which flatters the other flavors, and is a boon to weight-watching. Current market prices make this the economy sweetener as well. All of which means that it's possible to luxuriate in wonderful eating and feel smugly virtuous at the same time. Here's how it's done:

Fruit Medley Salad: Sprinkle 1 envelope (1 tablespoon) unflavored gelatin over 1/2 cup water in saucepan. Cook over low heat, stirring constantly, until gelatin is dissolved. Remove from heat. Add 1/2 cup water, 1/2 cup unsweetened orange juice, 1/4 teaspoon liquid Sweet*10 and 1/2 teaspoon salt. Chill until thickened, but not set. Stir in 2 cups cut fresh fruit (oranges, strawberries, bananas, grapes, pears, peaches or melon balls). Turn into 3-cup mold or individual molds. Chill until firm. Makes six 1/2-cup servings.

Lemon-Lime Sparkle: Freeze 1 pint bottle (2 cups) sugar free lemon-lime carbonated beverage in ice cube tray. Combine 1 quart cold water, 1 pint chilled sugar free lemon-lime carbonated beverage, 1 tablespoon liquid Sweet*10 and 1 package lemon-lime flavored beverage powder. Serve with frozen carbonated beverage ice cubes.

Note: Other flavors of beverage powder may be substituted.
