Welcome Visitors, to the 77th Annual Old Settlers Reunion!

Hico's Annual Reunion this week comes to another milestone, the 77th. Before the turn the century, Hico Pioneers celebrated their first Reunion, the beginning of many more and steadby growing celebrations, until the institution has eached its present peak.

This year, as is the custom, we celebrate with with the annual reunion of pioneer citizens, forer citizens and friends in special observance, there-

by strengthening the moral bulwarks for future

Lest the perspective of the years be blurred by recollection of wars, drouth, and economic readjustments of the last few years, it is well to pause now and note that Hico citizens have met emergencies and have always come forth to carry on an undaunted fight to make their home town, their State and their Nation more and more finer places for homes and families.

Through past years of Hico's Annual Reunions there have been many trying times, with hardships and sacrifices as terrible, and responsibilities as great as any of the present generation faces. But always, as it will be now, Hico has survived to march on into better and more peaceful days . . . to eras of building and new growth.

Today-right now-is the time for all Hico citizens to review the history of our town and resolve to take a more active part in its future

development. Let's all hail the observance of Hico's 77th Annual Reunion as an opportunity to renew civic pride in our town; civic pride, the nature of which will afford an inspiration to future citizens of Hico in the years to come.

Let's all of us here in our home town and community take pains to greet our visitors and convince them what a good town Hico is!

Welcome to the Reunion!

There is no occasion that should have a greater recognition than the Reunion — a time when we all should come together in joy and prayerful thought for good things that have been brought our way.

Hico — as has all sections of Hamilton County — has made great strides in past years — Agriculture has prospered — Businesses have grown — our schools and churches have gained strength - and our homes have become more beautiful and more liveable year after year. The lovely new homes which have been built and those now being constructed make Hico and this area an increasingly attractive place to live.

POUR ON THE FUN THIS SUMMER enjoy

and ICE CREAM

Dr Pepper and your favorite ice cream - that's all it takes. Put several scoops of ice cream or sherbet in a tall glass - add Dr Pepper - enjoy! It's the BEST soft drink-ice cream combination of all. Why? - because Dr Pepper is not a cola or a root beer, but a distinctively different blend of many fruit flavors. Serve it often, frosty cold or as a Frosty Pep. It's different... I like it!

We look to the future with you and gladly accept its challenges to continue to provide you with the most modern service available.
