Ten FHS Band Students Get All-Region Ratings

The eminent British historian, Arnold Toynbee, visited the United States in 1967. One of his observations concerning the world's greatest free nation was this:

"Of 22 civilizations that appear in history, 19 collapsed when they reached the moral state the United States is in now. These nineteen civilizations died from within. There were no bands playing, no flags waving. It happened in the quiet, in the dark, when no one was aware."

He states that the average of the world's great civilizations has been 200 years and all those nations progressed through this sequence:

From bondage to spiritual faith, from spiritual faith to courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency, from complacency to apathy, from apathy to dependency, from dependency to bondage. . . .

This is not a nation of stupid people. We have these examples before us. We believe that there is hope for our nation and that hope extends from the grass roots of the country . . . from small country towns like, Friona, Texas.

There may be plenty of apathy running rampant in the large cities, but in the suburbs and small towns, people still believe they are their brothers keeper. And there are more and more people moving out of the large cities every day.

There has yet to be an occasion in Friona where the townspeople didn't arise to the need of the situation.

For instance, last year when a Spanish family fell into bad circumstances with the father in jail and the mother in the hospital, volunteers in the community took the small children from the family into their homes and cared for them for several weeks.

Twice each day, housewives from in and around the Friona area give an hour or two of their time to assisting with patterning exercises for some of Friona's handicapped children.

Last Sunday afternoon a Friona group was out for an afternoon drive around the countryside, when they happened upon a smashed pick-up truck and a young man by the side of the road bleeding from a head wound. The people got the young man to the hospital, notified his relatives and stayed around to be of help until his condition was pronounced okay.

City Hall had closed for Thanksgiving vacation, when the Ellises sewer decided to do a back-up. Plumbers were all out of town. Two city employees took off from their vacation time and spent a cold afternoon digging tree roots out of our line.

There are many many acts of kindness, charity and mercy enacted every day in a small town like Friona. Many of these deeds go unnoticed by the public, because the doers are not banner wavers or publicity seekers, as compared to those who loot, burn, riot and destroy.

It's high time that we in the communications professions began to give "equal time" to the doers of good. The doers of evil have been getting far too much of their share of the publicity.

An article in the current issue of the Reader's Digest gives hope to our floundering nation. It tells about an organization calling itself The Fish. It was born in England of the conviction that one of the prime causes of our time's malaise has been the rapid decline of old-fashioned neighborliness . . . of caring about others.

"Love thy neighbor" is the slogan of the group and it takes in such menial services as baby-sitting in a broken home, preparing meals and doing housework for the suddenly ill, calming the upset, helping those with serious problems to reach the proper welfare authorities.

It's true that our nation has been in a moral decline for a number of years. But we believe that as long as there are Christian people who wish to express their love and concern for those round about them, that we will have a free and flourishing country.

Ten members of the Friona High School band rated places in the all-region band, and three were named alternates. In addition, two Junior High students took places on the Junior High all-region band, and another was alternate.

In high school competition, the following students rated places: Kathy Horton, trombone; Amelia Sims, bass clarinet; Bob Thomas, cornet; Shirley Schueler, alto clarinet (first chair) and Wayne Schueler, bassoon.

Also, Risa Howell, French horn; Janet Mingus, flute; Shirley Johnson, flute (first chair); Donna Parr, oboe; and Connie Stone, clarinet. Rex Talley, Cynthia Wiseman and Fran Dodd placed as alternates.

The auditions were held in Hale Center the past Saturday.

Willis Giddens is band director.

In tryouts held at Lubbock on January 18, Holly Welch, on the cornet and Gary Mingus on the trombone (first chair) were named to the all-region band. David Hardgrove is an alternate. Charles Faulkner is Junior high band director.

These students will take part in the all-region band activities in Lubbock, beginning with the first rehearsal on Thursday night, January 30.

The program ends with a public concert on Saturday night, February 1, at the new Lubbock Estacado High School. Clinicians for the all-region bands will be Donald Baird and Dr. Gary Garner, both directors of West Texas State University bands.

Bovina Teacher Directs County's Spelling Bee

Mrs. Rita Mast of the Bovina Junior High School is the 1969 Spelling Bee Director for Parmer County. Sometime before April 1, the Parmer County Bee will be held and the champion will go to Amarillo on April 19, 1969, for the annual regional elimination for the National Spelling Bee.

Last year, Glenda Sublett, daughter of Mr. and Mrs. Bill Moss of Farwell was the Parmer County champion. The champion was a seventh grader in the Farwell Junior High School.

The 1969 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. Mr. L. J. (Jack) Edmondson, West Texas State University Director of Public Services, will be Bee Director for the Golden Spread. Again there will be a unique secondary contest--the Junior Spelling Bee, open to contestants from the 6th and lower grades.

Estelle Embry was the County Junior Champion for 1968, and her parents were Mr. and Mrs. Floyd Embry of Farwell. She was a fourth grader in the Farwell Elementary School.

First place winner in the Golden Spread Bee will go to Washington to participate in the National Spelling Bee, scheduled for June 2nd through June 7, 1969. The Washington trip includes several sightseeing trips and entertainment, the annual Bee banquet and presentation of awards. The Golden Spread winner will also receive a traveling plaque, carrying the names of all Regional winners since 1949, to be placed in his (her) school.

Other outstanding prizes for top contestants include a Zenith portable television set, a 24 volume set of Encyclopaedia Britannica, several copies of the Lincoln Library, a Britannica World Atlas, and cash prizes.

Each County Champion receives an engraved plaque and gold pin. Each County Junior Champion is given a trophy and a silver pin during the intermission at the Regional Bee (but there is no regional contest between the Juniors; they are merely guests of the Globe-News for the annual Spelling Bee luncheon to be held at the Amarillo Country Club).

In the school contests, each winner receives a Paper-Mate pen, inscribed "School Champion".

NEW LEADERS. . . . Alton Farr, right, was elevated to the position of "Boss Lion" at the last meeting of the Friona Lions Club, replacing Gen. Ross Ayers, whose appointment as adjutant general caused him to resign the post. On the left is Willis Giddens, who was named secretary to replace Jerry Isbell.

AYERS RESIGNS

Farr Elevated To Lions Presidency

Alton Farr was elevated to the position of Boss Lion of the Friona Lions Club at the club's last meeting, to replace Gen. Ross Ayers, who resigned the position due to his appointment to the state adjutant general's position.

Farr had been serving as first vice president in the club, and has previously served the club as secretary, and as a director. Farr had formerly served as president of the Lions Club at Paducah, a Lion for 28 years. Farr attended the 1954 International Convention held at New York City.

Willis Giddens had been elevated to the position of club secretary at the previous club meeting. Giddens replaces Jerry Isbell, who is moving from Friona.

A motion was passed to send a story and clipping about former Boss Lion Ayers' appointment to the "Lion" Magazine, in hopes that the international publication will carry some mention of the appointment.

Club sweetheart Linda Carson was presented with matching necklace and earrings. "Old Monarch" awards were presented to Frank Spring, based on 25 years of membership; Pudge Kendrick, Dan Ethridge and Granville McFarland 20 years each; Dr. Paul Spring, 15 years and Dr. Lee Spring, 10 years.

Miss Carson, along with Pat Roberts, presented the entertainment for the evening. Miss Roberts was accompanied by Jo Witten as she presented her talent act from the Maize Queen contest, "I Want To Be Loved By You." Miss Carson did a pantomime to "Trouble", from the "Music Man," and played some piano numbers.

C-C Tickets

Go Slowly

Friona Chamber of Commerce president Charles Allen announced this week that Ralph Roden and D. C. Herring are chairmen of ticket sales to the annual Chamber banquet on February 10.

Ticket sales for the annual affair have started slowly, it was learned. For the 1968 banquet, a total of \$1,054 in tickets were sold, and the officials hope to at least equal this amount for 1969.

Speaker for the banquet is to be humorist Leonard Passmore of Austin.

ALL-REGION BAND MEMBERS. . . . Shown are the Friona High School and Junior High School Band students who received all-regional ratings at recent contests. Seated are Shirley Johnson, Janet Mingus, Connie Stone, Kathy Horton, Risa Howell, Shirley Schueler, Amelia Sims, Fran Dodd (alternate). Standing are Cynthia Wiseman (alternate), Holly Welch, Gary Mingus, David Hardgrove (alternate), Bobby Thomas, Wayne Schueler and Rex Talley (alternate). Holly Welch, Gary Mingus and David Hardgrove are members of the junior high band. Not present was Donna Jo Parr.

IN FRIONA

Jr. Livestock Show Set February 14-15

The 13th. annual Parmer County Junior Livestock Show is scheduled February 13, 14 and 15 at the Friona Bus Barn.

This year's show for the first time is under the sponsorship of the Young Farmers. The stock show has been sponsored by the Friona Lions Club for several years, and the Young Farmers have assisted in recent years.

Dwain Menefee is show superintendent. In charge of other divisions are Walter Hughes, steers and Delbert Garner, assistant; Larry Fairchild, swine, and Joe Fowler, assistant. Otho Whitefield is superintendent of the sheep division.

February 10 is the deadline for turning in entry blanks to the Friona High School FFA office.

Weigh-in for swine and sheep will be from 2-6 p.m. Thursday, February 13. Weigh-in for steers will be from 5-5:30 p.m. Friday, February 14, and 7-8 a.m. Saturday, February 15. Showing of swine begins at

8 a.m. Friday, February 14. The sheep show begins at 2 p.m. Friday. Steer judging begins at 9 a.m. Saturday, February 15.

Trophies for the grand champions will be given by Parmer County Farm Bureau. Showmanship awards will be presented by the Friona Star.

AT KANSAS CITY

Murphree Off To Flying Start In 440-Yard Dash

Danny Murphree, living up to his senior "super-star" billing, clocked a 50.6 in the 440-yard dash Saturday night in Kansas City, Mo., for third place in the NAA Indoor Championships, adding another honor to his growing list of accomplishments.

The "Friona Flash" was given an unofficial time of 49.7 after the event--which he ran with the pain of burst blisters--but the official time was recorded at 50.6. Murphree ran a 50.1 in the prelims Friday night.

Last spring, Murphree clocked a 46.8 in the 400-meter event (approximately 434 yards) in the NAA Outdoor Championships in Albuquerque. That time was good enough for fifth place and set a school record. Earlier, he had clocked a 47.2 in the 440-yard dash

for another school mark and his time Friday night also established a Wayland standard for indoor events.

Murphree also shares the school's mile and 440-relay records as the teams have posted times of 3:13.5 and 41.4, respectively.

"This was an outstanding performance, considering the condition of Danny's feet," commented track coach Bill Hardage. "Several of the runners in the finals competed in or tried out for the Olympics. After starting off with a performance of this type, at this time of the year, Danny will definitely be considered one of the top quartermilers in the nation," Hardage added.

Murphree, a 1965 graduate of Friona High School, is the son of Mr. and Mrs. Curtis Murphree of Route 2.

Multiple Deadline Is Approaching On Friday

Friona area residents face a multi-faceted deadline on Friday of this week.

January 31 is the final day for getting their voting registration for 1969 voting.

It also is the final day for paying city, school, county and state taxes for 1969 without penalty.

HONORED. . . . Orville Houser, right, was honored with a certificate in token of his 15 years of service to the Friona Federal Credit Union. Loyd Lovel, (center) Lubbock, addresses the annual meeting, and Ray Landrum, left, was re-elected president of the board.

D-E STUDENT. . . . Tommy Mars, right, a senior at Friona High School, is saluted this week as the "student of the week" in the school's Distributive Education class. Mars is shown with his employer, R. L. Duke of Duke's Shop.

Plane Rider Might Have The Right Idea

By the time you read this Mrs. George C. Silbert will be vacationing in Florida. We hope. Otherwise the courts of this country are going to be wrestling with the biggest legal whing-ding since the Supreme Court donned its sombre robes.

Mrs. Silbert is a housewife who lives in Great Neck on New York's Long Island. Vacations come few and far between for her, and she takes it pretty seriously, this business of getting away for some peace and quiet and sun. She has reserved space on an airline for her 2-year-old son and herself and they're off to Florida—or were as we went to press.

But after booking passage, Mr. Silbert bought and paid for a public notice in a New York newspaper which reads as follows:

"I am planning a Florida vacation this winter. If the plane on which I travel does not take me directly to Florida, but instead, takes me outside the territory of the United States, I shall sue the airline for \$1 million and the United States Government for \$1 million."

End of advertisement. And that is a public notice which should serve as a caution flag for any pirates who may be contemplating a free trip to Castroland. Mrs. Silbert has specified the airline, the flight and the date. And the tone of the public notice suggests that she means business.

The thought of being hijacked "strikes fear in your heart," she said. "I just think it's time that somebody did something."

We doubt very much that any alert hijacker is going to jeopardize life and limb by boarding Mrs. Silbert's plane. Nor can we imagine the bearded one wishing to have her as an overnight guest in Havana. We have a hunch that the airline personnel will scrutinize the other passengers rather more carefully than usual, and it wouldn't surprise us to learn that some FBI or Secret Service men took the flight down to Fort Lauderdale on the same plane.

Castro has been banking a tidy profit from sales of food and fuel to hijacked airliners. He obviously enjoys greatly the embarrassment each incident causes Uncle Sam. But Mrs. Silbert is something else.

May her tribe increase.

Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--FEBRUARY 1, 1929

The second annual Friona Poultry Show is scheduled in Friona this weekend, with a good list of prizes being offered to the exhibitors of winning individuals and pens.

35 YEARS AGO--FEBRUARY 2, 1939

There will be a meeting of the Parmer County Singing Convention on Sunday afternoon at Bovina. Boxes were placed in City Drug and Friona State Bank for contributions to the president's birthday fund to send money to the Warm Springs, Ga. hospital.

30 YEARS AGO--FEBRUARY 3, 1939

The play, "Rosetime," which was sponsored by the Friona Junior Woman's Club last Thursday was well rendered. O. L. Lange and Mrs. W. L. Edelman played the parts of "Pa and Ma Perkins."

Fourteen cars of cattle were shipped from Friona last Saturday, which is one of the largest one-day shipments of the season. Among those who shipped cattle were Clyde Seamands, Bert Chitwood and G. B. Buske.

The WPA workers of Parmer County are now engaged in improving the road leading north from the northeast corner of Friona, the improvement to extend north one mile thence east to the Friona cemetery.

25 YEARS AGO--JANUARY 28, 1944

County Judge Lee Thompson of Farwell was a Friona visitor Tuesday afternoon. Ralph Taylor, who is a Seabee cook, and had been stationed in Alaska, and the Aleutian Islands for the past year or more, and who is now home on leave, favored us with a visit last week.

Mr. and Mrs. L. F. Lillard left the latter part of last week for San Angelo, where they plan to spend a few weeks with Sgt. and Mrs. Harold M. Lillard and their first grandson. Following their visit in San Angelo, Mr. and Mrs. Lillard plan to drive on into Old Mexico to spend some time before returning.

15 YEARS AGO--JANUARY 28, 1944

Sale of the Sears Grain Company at Black was announced this week, with purchasers being a corporation of local farmers, establishing the Tri-County Elevator, with J. R. "Pete" Braxton as manager.

Joe Reeve and Frankie Spring were awarded the Webelos badge and were welcomed into the Boy Scouts by Scoutmaster Steve Bavousett, and by the Scout patrol leaders with Billy Zachary as spokesman.

10 YEARS AGO--JANUARY 29, 1959

Friona Chamber of Commerce banquet has been set for February 24, with Jack Lacey, manager of the Amarillo Chamber of Commerce, as the speaker.

Friona High School's concert band will appear over Cotton John's Farm and Home Show on Channel 4 Saturday. Two routines by twirlers Nancy Outland, Sue Baxter, Mary Jane Grubbs and Pamela Sue Roden will be featured by the band. Attendance records of students in the Friona schools are extremely pleasing, according to superintendent Dillie Kelley. Statistics gathered by Kelley show that an average of 1,071 students in the system for the third six-weeks, with an average daily attendance of 1,013.

5 YEARS AGO--JANUARY 30, 1964

Coach Don Light, already honored as class AA Coach of the Year by the Lubbock Avalanche-Journal, is to receive another award Sunday. Light has been chosen as the Panhandle "Coach of the Year" for the Panhandle Sports Hall of Fame.

ASSIST. . . Lowery Harper, in white, seems to be getting a boost from the Dimmitt defender as he went up for a layup shot in this shot from Tuesday's game. The powerful Bobcats, hoping for a shot at the state crown, downed the Chiefs, 70-42 to run their season record to 23-1.

Friona Hosts 8th Grade Basketball Tournament

Friona is hosting an eighth-grade basketball tournament this weekend for both boys and girls teams.

Boys teams from Hereford, LaPlata, Olton, Bovina, Muleshoe, Springlake, Morton, Dimmitt and Friona will compete. Girls teams will be from Tulla, Olton, Bovina, Muleshoe, Springlake, Canyon and Dimmitt.

Friona's eighth grade girls will meet Tulla in their first game Thursday at 6:30 p.m. The boys will play LaPlata of Hereford directly following, at 7:45 p.m.

Play gets underway at 1:30 p.m. Thursday with Muleshoe vs. Springlake (girls); Next comes Muleshoe vs. Springlake (boys) 2:45 p.m.; Olton vs. Bovina (girls), 4 p.m.; Olton vs. Bovina (boys) 5:15 p.m.

Two first-round games are scheduled for Friday, Canyon vs. Dimmitt girls at 1:30 p.m.

Men Invited To Play Volleyball

Volleyball for men "over 40" is once again being held at Friona High School at 8 p.m. on Wednesdays.

Men over 40, or who feel over 40 and want to get some exercise, are invited to come out to the Friona High School gymnasium each Wednesday.

Tube On Display

One of the original 1895 X-ray tubes developed in that year by Roentgen is on display at the Harold Warp Pioneer Village, Minden, Nebraska. Roentgen invented an electric light tube that omitted short invisible X-rays that penetrated solids at varying degrees, depending on intensity; it was one of the pioneering advancements in medical history.

UNDERGROUND DISTRIBUTION SYSTEMS

A large number of our college students have been home for the annual "between semesters" break. Having these fine young people in our community for a few days is always a pleasure. Visiting with them is a stimulating experience and some of their enthusiasm seems to rub off on those of us who have let ourselves become stale.

All of us should be proud of our younger citizens who are interested in securing more education. Many of them are doing so under conditions which are difficult. Yet, in spite of discouragements, they have courage to keep their eyes on the goals they have set for themselves.

Friona is most fortunate to have a large number of our college graduates come back to live among us and work with us for the betterment of our community.

One of our readers clipped the following poem for me to read. Hope you enjoy it.

Stairway of Prayer

When my heart is heavy
With pain and grief,
I have a haven
Where I find relief.

I go to my Master
Via the stairway of prayer,
And I find Him waiting
To comfort me there.

He's never too busy
To listen to me,
And He understands
What I cannot see.

Alone with my Master
In a quiet secret place,
I feel the assurance
Of His love and grace.

He lifts all the burdens
That I cannot bear
And comforts my heart
Via the stairway of prayer.

Several ex-Frionans were in town this past weekend for the Janet Rushing-Lynn Phipps wedding. Bill and Mary Sheeham came down from Dumas and the Dave McReynolds family came from Stratford.

It seems like Bill keeps busy with his law practice. Mary Margaret and Kathleen are both attending Baylor University, Waco. The boys, John and Jack, have acquired a dog. Mary, who is teaching English in the Dumas school system, said, "We've sent two Sheehans to college and added a "she hound" to our family.

She went on to explain that the dog joined the family "for free," since he was a gift, but the backyard fence, tag shots and other things which city dogs must have come with a price tag.

Dave, who is a former editor of the Friona Star, and Shirley apparently have long range plans for a "family operated newspaper." Since Dave has been publisher and editor of the Stratford Star, Shirley has assisted him in the capacities of society editor, justwriter operator, bookkeeper and ad maker.

In a recent edition of the Star there were several action shots made at basketball games by David Franklin, who is a seventh grader. Now, when Tommy, Pam and Emily get a little bit older, routine jobs will probably be assigned to them.

Incidentally, the Stratford Star has recently moved into its own new building. Right now Dave and Shirley are enjoying having a building which was designed and constructed specifically for an offset newspaper. Changes are being made so rapidly in every line of business that what is exactly right today is out-of-date all too soon.

Two of our classroom teachers in Friona High are to be commended for the fine job they are doing in teaching our students the forensics arts. A large number of high school students from area high schools were here for an invitational tournament last week.

Friona students made fine showings in every department and all of us are proud of their talents and the training they have had. Much of the credit for success in this department should go

Friona 4H Club Has Guest Speakers

Gary Stone, president, conducted the business meeting of the Monday evening meeting of Friona 4-H Club. Members then repeated the club pledge in unison.

A report on control of lice was given by Ross Middleton. Ronny McNutt, Farmer County Agent, gave an informative talk about the coming livestock show. Deadlines for entering pigs and lambs were discussed and the need for more stock to be entered in the show was stressed by McNutt. Plans were made for showing a film relating to drugs.

Nelson Lewis, who was a guest, displayed his arrowhead collection and related some of his experiences in collecting different species. He emphasized the importance of hobbies for young people. His arrowhead collection dates back about 50 years and comes from South Carolina, North Carolina, Virginia and Texas. He also showed an Indian skeleton and a shark's tooth.

to Miss Joy Morton and Wayne Hodgson. Both of these teachers do a lot of hard work and put in a lot of hours assisting our children in developing their talents.

Congratulations teachers and students from the entire Friona Star staff.

As far as I know, there were no Frionans at the inaugural of President Richard M. Nixon Monday. However, Friona was represented in a round about way. Margaret McFarland, who is a native of our town, was in the parade. She is the daughter of Robert H. (Shine) and Elsie McFarland, who live near Tucumcari.

Miss McFarland, who is a student at Hardin-Simmons University in Abilene, was a member of the college's band who rode horseback in the parade. Shine and Elsie moved from the McFarland farm west of town to a New Mexico ranch several years ago.

I'm hoping Mrs. J.B. McFarland, who is Margaret's paternal grandmother, at least got to see the horses in the parade. Too bad there wasn't a close-up for all the friends and relatives to identify.

Daniel Zamorano Buried Here

Wednesday

Funeral services for Daniel Zamorano, son of Mr. and Mrs. Max R. Zamorano Sr., Friona, were conducted from Sixth Street Church of Christ at 10:00 a.m. Wednesday. Abel Ortiz Hereford, and Carlos Escamilla, Earth, officiated.

Daniel, who was born June 2, 1953 at San Angelo, died at Farmer County Community Hospital at 10:20 p.m. Monday, following a long illness.

Survivors, other than the parents, include three brothers, Max Jr., Dimmitt, Reuben, Austin, and Arthur, San Antonio; and one grandmother, Josefina Gomez, Amarillo.

Palbearers were George Perez, Daniel Perez, Joe Perez and George Olver.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

We wish to thank all relatives and friends for visits, cards, letters, flowers and telephone calls for and about our loved one, Nat Jones, who was a patient in Farmer County Community Hospital in Friona for one week. Each one helped to make his stay much more pleasant. Special thanks to Dr. Paul Spring and Dr. Robert Alexander and to each nurse who worked so faithfully until the last. Thanks also for the beautiful floral offerings; and to those who brought food and helped us in so many thoughtful ways. Your cards, letters and loving ways of comfort have helped us more than words can express. May God's richest blessings be upon each of you.

MBP Directors Meet In Friona

Missouri Beef Packers, Incorporated, Board of Directors held their January Board Meeting on January 18 at the Friona Division. Before the meeting, Dave LaFleur, Manager of the Friona Texas Division, gave the Directors a tour of the plant.

Melvin Rolf, Chairman of the Board, stated that the Directors were very pleased with the progress of the new plant and are happy to play a part in agricultural expansion of the Panhandle area.

Buchanan Services

Read Here

Funeral services for Marion B. Buchanan, who moved to Farmer County from Hale County in 1921, were conducted from Friona United Methodist Church at 2 p.m. Tuesday, Rev. James Price, pastor, was the officiating minister. He was assisted by Rev. Paul Mohr, pastor of United Congregational Church.

Buchanan, who was born in Dallas County, Texas, December 16, 1889, died at Farmer County Community Hospital at 2 a.m. Monday following a long illness.

He was a member of Friona United Methodist Church and the Bovina Masonic Lodge.

Survivors include his wife, Opal; one brother, J. D. Buchanan, Plainview; one sister, Mrs. Edgar Ramey, Dimmitt; one daughter-in-law, Mrs. Joe Buchanan; and three grandchildren, Chief, Mike and Lisa Buchanan.

Pallbearers were James B. Collier, David Patterson, Wayne A. Jones, Homer Lindeman, Doug Stephenson and Joe Fallwell. Masonic graveside services were conducted.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

MISSION PATH. . . Shown is the "corridor" to be flown by Strategic Air Command B-52 and B-58 jets during their practice bombing missions beginning next Wednesday. Friona, along with Eunice, N.M., is a simulated target.

Fourteen Names Added To Census

Fourteen names were added to the list of prospective first graders in Friona schools for 1969-70 as a result of the list of names published in last week's Friona Star.

Those children added were Barron Acy, Norma Barlow, Mark Blackerby, Sylvia Cadena, Jackie Love, Tim McIntosh, Jimmy Mcnefee, Mary Osborn, Palmira Lynn Perez, Juan Rios, Timothy Robbins, Tamara Smith, James Valverde and Eluida Zamanon.

Names which have not been published as yet should be turned in to Superintendent of Schools Alton Farr's office by Friday, January 31.

The additional names brought the number of six-year olds on the census to 112.

Big Success

The Beef Cattle Meeting sponsored by the Parmer County Livestock Committee and Parmer County Extension Service was very successful. This meeting was held in the Bovina High School Auditorium on January 23 and a total of 115 people attended.

Pampa. Whaley has been using the cattle futures for the past few years and is well informed on the subject. Several interesting and usable facts on how to use this marketing tool was presented by Whaley.

Dr. Lowell Schake, Extension Service Livestock Specialist, presented information on the latest research conducted on feeding. Dr. Schake discussed and showed the results of a feeding trial conducted at Tulla in which 450 steers were involved. The results of the performance of these steers were presented. Steers in this test received grain sorghum that was processed in the following method; (1) steam flaked (2) whole reconstituted and steam flaked and (3) ground reconstituted. Results indicated that in this trial the whole reconstituted method of preparation resulted in approximately a 7 percent savings in feed over the other two methods.

"Cattle Future Trading" was discussed by Foster Whaley Gray County Agent from

Dr. R. O. Dull, Supervisory Meat Inspector, Consumers & Marketing Service USDA, some of the major reasons why carcasses are condemned at the packing plant.

Some of the reasons for condemnation discussed by Dr. Dull were (1) respiratory problems (2) internal parasite damage (3) improper use of antibiotics (4) improper handling and various other reasons. Dr. Dull emphasized that producers and feedlot people should re-evaluate their methods and procedures of handling and treating cattle in order to present a more desirable product.

The last topic discussed was "The Need For Cattle Feeding in the 1970's". Bill Stalls, Head Cattle buyer for Missouri Beef Packers, filled in for Gene Frye, President of Missouri Beef Packers, who was the original speaker for this sub-

ENGLISHMAN TOURS... Keith Grunder, right, whose home is near London, inspects beef carcasses at Missouri Beef Packers as he was shown around the cattle feeding and packing installations by Friona Mayor W. L. Edelson, left, last Thursday. Grunder and his father are in the cattle-feeding business in England. He was brought to Friona by Steve Taylor during his private tour of the area.

English Cattleman Makes Tour Of Area Operations

Keith Grunder, a cattle-raiser from England, visited the Friona area last Thursday as a part of his tour of American feeding and packing installations.

While in Friona, Grunder was hosted by Mayor W. L. Edelson and City Manager Jake Outland. He was given a tour of Missouri Beef Packers, Hi-Plains Feed Yard and Friona Feed Yard.

In Harefield, England, a suburb of London, Grunder and his father are primarily in the hog-raising business. They raise around 8,000 hogs a year, and also feed some 200 cattle. The business is known as L. J. Grunder & Sons.

Grunder was particularly interested in the cattle industry in our section, stating that he hoped to be able to expand that part of his business in the

future. "We have a lot of problems in feeding in England, just as you do here. For one thing, we mostly grow small grains, which isn't as conducive to fattening cattle. Also, we continue to run out of room," said the British resident.

Grunder was brought to Friona by Steve Taylor of Amarillo, a cattleman. Taylor spent the week showing the Britisher spots of interest on the High Plains, relating to cattle. He got to see some good examples of American cattle during the livestock show in Amarillo.

ject. Frye was recuperating from a recent illness.

Stalls indicated that the cattle feeding future in this area is very bright for the next 10 years. Three major reasons are responsible for this bright future according to Stalls. These reasons are: (1) excellent climate or weather (2) abundant grain supply and (3) accessibility to supply of cattle.

Cattle Feeding Career Program to Start --

Texas A&M University's Animal Science Department will start a new program this spring which will prepare students for careers in the expanding cattle feeding industry. It will be the first of its kind in the United States.

Dr. O. D. Butler, head of the animal science department, said the project will train graduates to manage large commercial feedlots, or service this growing industry as feed company representatives, consultants or in other roles. This new program will start with the 1969 semester.

Students will receive at least 1 1/2 years intensive training beyond the B. S. level in nutrition, beef production, marketing, accounting and financial management together with engineering courses to prepare them for mechanized feedlots.

Also emphasized will be animal health disease prevention, grain chemistry and environmental control.

Butler said a unique approach will be a "workstudy" requirement, with the student spending at least one semester working in commercial feedlots. Here, he will get the feel of management and the problems involved.

Telephone Co-op Annual Meeting Is Feb. 6

The 15th Annual meeting of the West Texas Rural Telephone Cooperative, Inc. is scheduled to be held Thursday, February 6, in the Community Center in Hereford at 7:30 p.m.

On the agenda will be the election of directors for the exchanges of Frio and Oklahoma Lane, also with various reports from the officers of the cooperative. A proposed change in the by-laws will also be presented to the membership.

All members of the cooperative are invited to attend their Annual Meeting. Door prizes will be awarded.

The board of the cooperative now consists of James Dixon, Farmer exchange; James Ensor, Oklahoma Lane; Keith Brock, Hub; Edwin Morrison, Sr., Westway; V. J. Owens, Dawn; Jimmie Cockerham, Tharp; and George Olson, Frio exchange.

CUTICLE CARE

Nails should be manicured at least twice weekly to keep them in top shape. You needn't trim cuticles each time, but when you do, rub a little antiseptic first aid cream into them after removal. This treatment helps prevent skin irritation and possible infection.

What price Electricity...and progress?

When you stop and think about it, it's a real bargain!

A MESSAGE FROM ROY TOLK, PRESIDENT SOUTHWESTERN PUBLIC SERVICE COMPANY

I'm sure the figures on the right will surprise you as much as they did me. Being in the electric industry, I knew that manufacturers, as well as the consumers in our Company were doing a significant job in holding down costs in spite of the run-away inflation we've all been experiencing... but no one had previously published the appliance cost comparisons.

In our own Company, by careful handling and attention to costs, coupled with advances in technology and prudent investment in plant and equipment, we have not only stayed ahead of your electricity needs but have been able to reduce the average cost per kilowatt hour of the electricity used in your home.

In 1948 the average cost of your electricity was 3.89 CENTS per kilowatt hour and today it has dropped to 2.74 CENTS, a reduction of 29.56 PERCENT. Certainly most of us have larger bills today because we use electricity for so many labor saving chores as well as comforts and

conveniences. But, without the dedicated efforts of our employees in holding our costs down, your dollar cost would be way, way up. In fact, the current CONSUMER PRICE INDEX, the measure of how much we all spend as a group on the things we buy, indicated that we're paying 1/2 again as much for most things today as we were paying in 1948. Yet, the average kilowatt hour cost of electricity that you buy from us for your family's use is down 29.56%.

This coming year to keep you fully supplied with electric power and to keep electric service as efficient and economical as possible, we shall invest nearly 16 million dollars in required new equipment.

You may rest assured that your electric service will continue to be modern, dependable and brought to you at the lowest possible price. Reddy Kilowatt, and his fellow workers will see to it.

Despite inflation, the electric industry has kept costs low...

How about these price differences over the past 20 years?

■ A DISPOSER

was \$119.50 in '48, now it's \$78.50 and there have been over 100 external and internal improvements made.

■ A DISHWASHER

costing \$339.95 in '48 is \$299.95 now and it offers more cycles, better styling, more setting space.

■ AN AIR CONDITIONER

at \$425 in '48 averages \$175 today and it looks better, works better, and is cheaper to operate.

■ ELECTRIC DRYERS

at \$299 in '48 now range from \$249 to \$299 with electronic dampness controls, many cycles, end-of-cycle signals, permanent press controls — and some models for as little as \$100.

■ A REFRIGERATOR-FREEZER

in '48 at a cost of \$31 per cubic foot is now \$22 per cubic foot and you get no-frost, thinwall insulation, ice-makers, decorator fronts and colors.

■ AN ELECTRIC RANGE

which was \$343 in '48 is \$350 today. And that's with all the modern sophisticated controls and self-cleaning thrown in for good measure.

Connie Whaley Named Tomorrow's Homemaker

Connie Whaley has been named 1969 Betty Crocker Homemaker of Tomorrow for Friona High School on the basis of her score in a written knowledge and attitude test on homemaking given to senior girls here in December.

Miss Whaley's achievement has made her eligible for state and national scholarships. She has also been awarded a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow.

A Texas Homemaker of Tomorrow and runner-up will be selected from the winners of the schools in the state. The winner will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopedia Britannica by Encyclopaedia Britannica, Inc. The runner-up will earn a \$500 educational grant.

The state winner will compete in the All-American Homemaker of Tomorrow contest. The All-American winner will have her scholarship increased to \$5,000.

Miss Whaley, who is a senior in Friona High School is the daughter of Mr. and Mrs. Watson Whaley.

Historical Association

Elects 1969-70 Officers

Officers for 1969-70 were elected at last week's meeting of the Farmer County Historical Association.

Clyde Goodwine was named president; Windburn Hardage is vice-president; and Mrs. Joe Jesko is secretary-treasurer. Mrs. Doyle Cummings, Hugh Moseley, Mrs. C. W. Dixon and Mrs. Ralph Wilson were

named to a special committee for membership and publicity. Anyone wishing to join the association is encouraged to contact Mrs. Jesko at Lazb-die, 965-2793. Membership dues are \$5 per year.

The meeting was held Saturday night in the Court House in Farwell.

Scouts Study Basket Making

Girl Scout Troop 166 met Monday afternoon at Girl Scout House. The scouts began work on their hospitality badges and made baskets.

Refreshments were served by Anna Castillo and Melissa Patterson.

Those present were Linda Anthony, Anna Castillo, Kema Dawson, Sandra Deckard, Shir-

ley Esquivel, Vickie Florez, Rhonda Lindstrom, Melissa Patterson, Janice Peak, Jackie Rando Sami Rector, Orallo Ramirez, Karen Young, Maurice Royal, Debra Davis and Linda Duke.

Leaders Mrs. Alton Peak and Romalee Rector were also present.

HANDY LIGHT-REFLECTOR—If you don't have a large white cardboard that will reflect the sun's rays to provide "fill-in" light for a photo of your trophy fish or game, try using aluminum foil. Carry along a roll of foil for this purpose. Have your partner hold the foil so that light reflected from it will brighten the subject of your photo. The same foil that mama uses to wrap fish in will do the job fine.

Scouts Begin Work On Conservation Badges

Thirteen members of Girl Scout Troop 24 met Tuesday afternoon at Girl Scout House for the beginning session of work for conservation badges.

Glen Phillips of the local Soil Conservation Service office, was the guest speaker. He explained aerial photos and the use of a planimeter for measuring acres in a plot of ground on aerial maps. When using this instrument on a 4" scale, you go around the bound-

ary four times and on an 8" scale you go around once. He also emphasized the importance of conserving soil, irrigation water and other natural resources. Use of terraces in water conservation was explained.

Mrs. Ralph Wilson and Mrs. Bob Reithmayer, leaders, were also present.

Refreshments were served by Teresa Bingham and Carol Morgan, hostesses.

John Kirk Matlock

Visits Grandparents

Spec./4 John Kirk Matlock, who has been serving in the United States Army, has been visiting his paternal grandparents, Mr. and Mrs. E.D. Matlock. Kirk, who is a 1967 graduate of Friona High School, attended Wayland Baptist College, Plainview, before entering the service.

He is currently on leave from

the 82nd Military Police Company of the 2nd Airborne Division. He is the son of Mr. and Mrs. Thomas Matlock of Munday, Texas.

Matlock has been stationed at Fort Bragg, North Carolina, but will report to Fort Lewis, Washington, for a new assignment at the end of his present leave.

Sessions Begin This Evening

A meeting of all women and high school girls in the Friona area who are interested in playing volleyball for fun and exercise has been scheduled for 6:30 p.m. today (Thursday), in the grade school gymnasium. Mrs. Jimmy Maynard,

spokesman for the group, encourages women of all ages to be present. Regularly scheduled practice sessions will be set up. "Newcomers are especially urged to attend," says Mrs. Maynard.

Mrs. Bill Carthel Hosts Club Meeting

The Black Study Club met Thursday afternoon in the home of Mrs. Bill Carthel. Mrs. Helen Fangman directed the opening exercise, which was a question and answer game designed to enlighten members upon habits peculiar to human beings.

Mrs. Aubrey Rhodes was the guest speaker. She presented a report on her study at Valley Forge, Pennsylvania, last summer. She was the winner of a Freedom Foundation Award.

Roll call was answered with new discoveries in medicine, science, farming and industry. Letters of cheer were written to H.V. Rocky, a patient at M. D. Anderson Cancer Clinic, Houston.

Refreshments of party sandwiches, salad, wafers, cold drinks and coffee were served.

Members present included Mesdames J.R. Braxton, Roscoe Ivie, Johnny Mars, Fangman, Clyde Hays, Cliff Allmon, Ethel Bengner, Glynn Hamilton and Gene Welch.

Beauticians Present Rhea Club Program

A program on proper care of hair, skin and nails was given by Lavonda Hawkins and Sandra Ware, Bovina, at the Monday evening meeting of Rhea Home Demonstration Club in the home of Mrs. Herman Crissom. Models for a skin care demonstration were Rhonda Bauer and Mrs. C. G. Drager.

During a brief business session plans were made for a called meeting in the home of Mrs. Gene Hamilton Monday evening, February 3. At this time letters will be drafted to state representatives concerning the present public school issue and to an organization which is working toward elimination of objectionable television programs and literature on news stands.

A friendship apron was made for Mrs. Cricket Taylor, former Farmer County Home Demonstration agent who recently retired.

Others attending were Mesdames Floyd Schueler, C. G. Drager, F. T. Schlenker, Franklin Bauer, Gene Hamilton, Herbert Schueler, Shirley Smith, Herman Schueler, Norbert Schueler, Joe Allen, Jack Patterson, Walter Schueler and Elmo Dean, members.

Also Mrs. Doris Moore and Debra, Vickie Schueler, Rhonda Bauer and Mrs. Bill Brandt, who were guests of the club at the meeting.

The next regular meeting of this club will be Monday, February 10 in the home of Mrs. Franklin Bauer.

PREVENT WRINKLED CLOTHES

Remove clothes from the dryer when tumbling stops to reduce wrinkles, the National I.P.Gas Association advises. Overloading the clothes dryer also tends to increase wrinkling and lengthens drying time.

Mr. and Mrs. Lonnie McFarland, Pierre, South Dakota, are visiting in the home of his mother, Mrs. J. B. McFarland and other relatives and friends. The McFarlands are former Friona residents.

Other guests in the McFarland home Tuesday were Mr. and Mrs. Claude Osborn, Mr. and Mrs. Sloan Osborn, Mr. and Mrs. Roy Clements, Mr. and Mrs. George Taylor and Mr. and Mrs. Granville McFarland all of Friona.

Also Mrs. Roy Lee Jones, Lovington, New Mexico; Mr. and Mrs. Robert H. McFarland, Tucumcari; Lora Mae McFarland, Clovis; and Kelly McFarland

and Caroline Harvey, who are students at New Mexico State College, Las Cruces.

Robert J. Saiz

On Mission

SP/4 Robert J. Saiz, son of Mr. and Mrs. Joe R. Saiz, Friona, is on a 90 day special mission to Frankfurt, Germany. He is a former student of Friona High School and is serving in the United States Army. Upon completion of this special mission, he will be stationed in Germany.

ENGAGEMENT ANNOUNCED . . . Mr. and Mrs. Douglas Frye, 1210 Maple, Friona, have announced the engagement and approaching marriage of their daughter, Cheryl Jean, to John Franke, son of Mr. and Mrs. Landus Franke, Slaton, Texas. The couple will exchange wedding vows at 7:30 p.m. Saturday, April 5, at First Baptist Church, Friona. Invitations are not being mailed locally, but friends of the couple are invited to attend.

Ten Attend Class Party

Mrs. Johnny Mars and Mrs. Grady Dodd accompanied members of Senior I girls Sunday School class of First Baptist Church to a Mexican dinner party at El Monterrey, Clovis, Friday evening. After dinner the group attended a movie then returned to the home of Mr. and Mrs. Dave Thompson for refreshments. Bobi Odom was a guest. Class members attending included Fran Dodd, Vicki Beck, Vicki Mings, Debbie Carter, Maxine Broyles and Georgia Hodges.

your inquiring mind

CHECK THE FOLLOWING QUESTIONS THAT YOU MAY HAVE ASKED YOURSELF:

- () Can there be more to life than eating, sleeping, studying, working and playing?
- () What is the purpose of my life?
- () What is prayer for? Does it really work?
- () Does God really exist? Can I know Him personally?

If you checked any of these questions, you're the kind of person who "knows" that life should be more than just living. You have an inquiring mind — one that wants to know what life is all about.

You've asked yourself some pretty important questions. Now follow through. Come to church regularly, and get the answers from God.
