MAIZE DAYS

Celebration Fund To Be 'In Black'

Have you ever wondered how Winifred and Andy Hurst conduct themselves when they attend a Texas Tech-Texas A&M football game?

Andy, you know, is a Texas A&M grad, while Winifred was a loyal Red Raider as a college student.

Well, if you guessed that it takes some restraint on the part of each one while this particular game is being played, you're about right.

"Mostly, we just sit quietly," was the way Winifred put it when curiosity finally got the best of us and we asked her this week.

The situation is further complicated, in that Winifred attended several Aggie games with Andy during their courtship days. Andy, in turn, took some courses at Texas Tech. So, he generally is for the Raiders about nine times during the year, and that makes a strange situation.

But that doesn't keep the two from attending the Tech-Aggie contest, as they did the past week. We had always had visions of Winifred jumping up when Tech scored, and Andy urging the Aggies on, to the bewilderment of those sitting adjacent to them at the game.

But, after all, they have to live with each other the other 364 days each year, so that apparently takes care of that myth.

While on the subject of the Tech-Aggie game, we would direct your attention to a notice penned by our friend Jim Dixon, on Page 4 (the classified page) of this issue. It is the result of a little friendly wager between Dixon and ye editor.

Most of the time, we say "Classified ads get results." In connection with Dixon's notice, however, we'll have to say "Results get classified ads."

Coaches of the two major institutions in this area, Texas Tech and West Texas State, have been much in the news this week, as a result of controversial statements they made to their respective booster clubs.

The job of coaching football is bad enough at best (Right, Bob Owen?), without this type of outside help. We think both men are fine coaches, and hope that these statements, apparently made in the "heat of battle" will not lessen their support.

When things start going against you, many things are often said that wouldn't be said otherwise. We'd guess that this is the case in both instances.

Carlton Stowers tells the story about the high school football game where the coach huddled with his quarterback, who was about to go back in the game as his team took over the ball deep in their own territory, in a tight ball game. "Just run one play and punt," the coach told the player.

The quarterback called his own number on the first play, found himself in the open and sprinted to the other team's 10-yard line before being forced out of bounds. On the next play, he dutifully dropped back, took the snap, and practically punted the ball out of the stadium.

The coach was beside himself. When he got the quarterback back on the bench he demanded "What in the world were you thinking about?"

Whereupon the quarterback, who must have been smarter than he sounds, said "I was thinking: I must have the dumbest coach in the world!"

It appears that Maize Days for 1971 will finish in the black, as far as the Chamber of Commerce is concerned.

Peggy Bryant, Chamber secretary, told the monthly board of directors meeting on Tuesday that all of the expenses had been paid, with the exception of one or two small bills. The Maize Days expenses are a little ahead of the income, but the receipts from the shave permits, sold by Lions Club members, has not been turned in to the Chamber as yet.

The shave permits usually add \$600 to \$700 to the Maize Days fund.

Chamber president Ralph Shirley said apparently the 15th annual celebration was a success, considering the weather.

Several clubs had their fund-raising projects hampered by wet weather. However, Shirley said that approximately the regular number of people went through the barbecue line, which came on a rainy, misty day.

In other business, the directors discussed the chamber's financial statement. Shirley said that with the present funds, plus what is expected from the shave permit sales, the organization should make it into December without being in a bind.

The need to hire a manager without too long a lapse was discussed, with one applicant having been received. However, due to the financial plight of the chamber, the necessity of waiting until after

the first of the year was evident.

Board member Steve Messenger repeated a suggestion that the Chamber adopt a budget for its year, finding out how much money it needs to carry out its work, and proceed from there.

Miscellaneous business included discussion of feasibility of a new industry for Friona, an inquiry from a party in Chicago interested in purchasing Radio Station KNNN, and the mention of a special meeting to be hosted by the Amarillo Chamber of Commerce on Saturday. Members of the Friona Chamber plan to attend this meeting.

The secretary's hours were changed from 8 a.m. to 5 p.m. daily to 9 to 5.

HARVEST STARTS. . . The maize harvest was attempting to get started in the Friona area this week, although most fields were still much too moist. Harvest was expected to pick up during the next week, although the consensus is that much of the grain will not be to the proper moisture level until after a frost.

Civil Defense Man To Speak Locally

Twenty thousand accident victims die unnecessarily each year as a direct result of inadequate emergency care and at least another 25,000 are permanently disabled from the same cause. These are the alarming statistics released after a national study. Communities can do something about it, and many are.

R.A. Koonce, Field Consultant with the Division of Civil Defense and Traffic Safety of the Texas State Department of Health, will present a program at the meeting of the Friona Volunteer Fire Department on November 4 at 7:30 p.m.

Koonce will encourage community awareness and concern toward the life-death importance of well-co-ordinated Local Emergency Medical Services.

A film will be shown which dramatically illustrates how a small town save the need for better emergency care and worked to fulfill that need. This film and Koonce's comments can help you decide what needs to be done and how to do it. The film is entitled "Before the Emergency."

This program can help you act before "your" emergency.

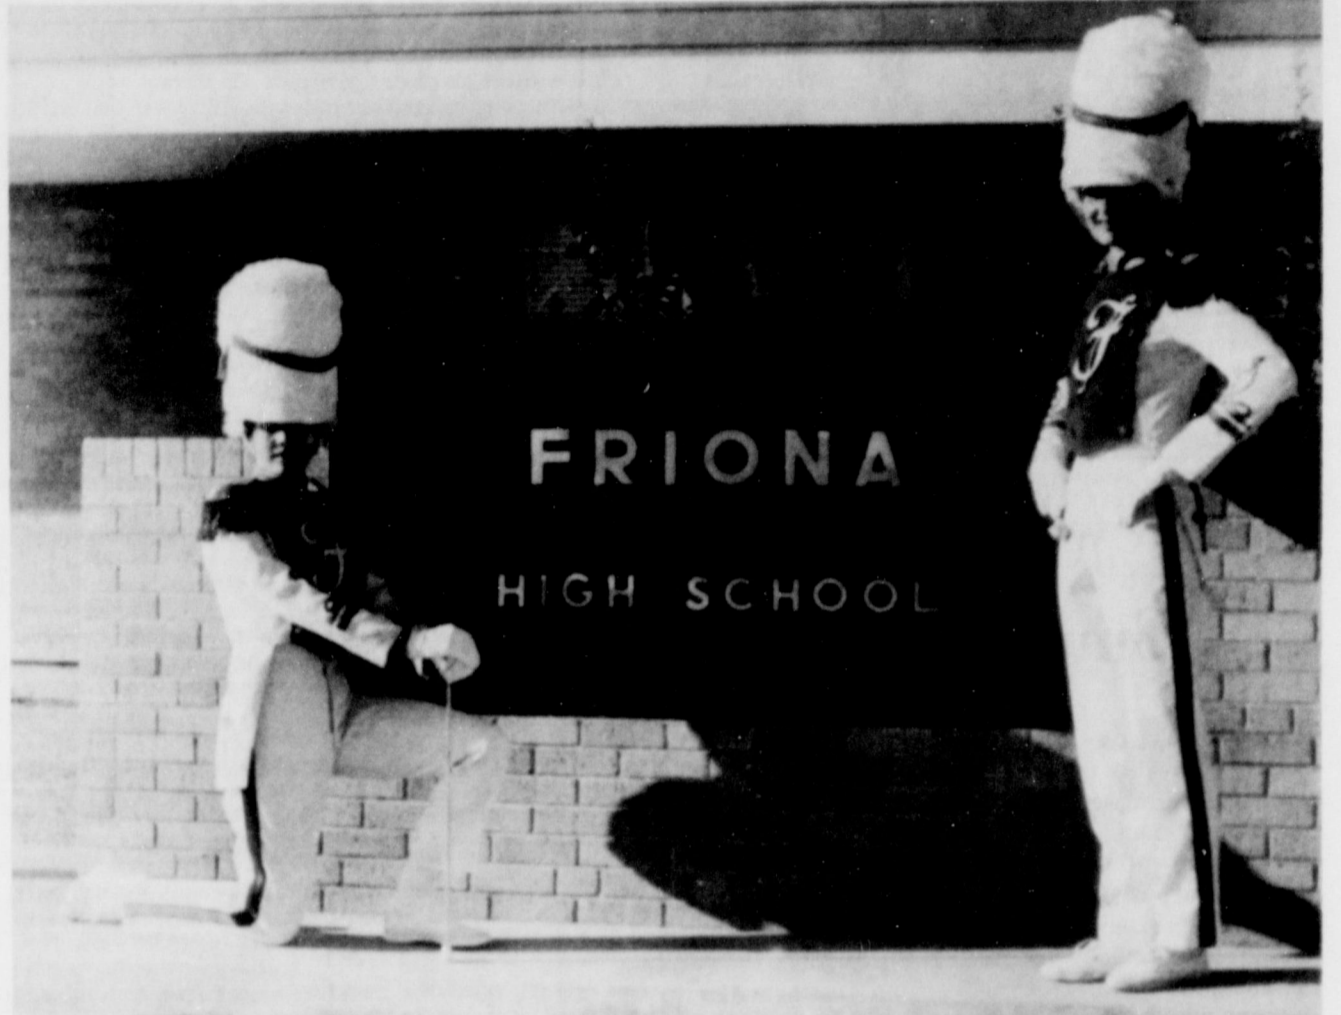

Parmer Getting Direct Dialing

West Texas Rural Telephone Cooperative was busy this week installing Direct Distance Dialing for the Parmer Exchange.

Because of the change-over, telephone service may be disrupted somewhat, says Vernon Innon, manager of the Cooperative.

An announcement on the completion of the service is expected next week.

DDD for the city of Friona, to be installed by General Telephone Company of the Southwest, will be accomplished around the first of December.

LEAD THE BAND. . . Teresa Ingram, left, and Kathy Horton, are the drum majors for the Friona High School band this season. Miss Ingram is the daughter of Mr. and Mrs. W.S. Ingram, and Miss Horton, who is also Friona's reigning Maize Queen, is the daughter of Mr. and Mrs. H.H. Horton, Jr. The two will be leading the FHS Band when it performs at Littlefield Friday night.

Chiefs Have Tough Task This Friday

Having felt the sting of two straight district losses in games that could have gone either way, Friona's Chiefs attempt to break their skid Friday when they go to Littlefield.

However, breaking a skid against the Wildcats may be like trying to beat the Baltimore Orioles three times in a row—it will be tough.

Littlefield, pre-season district choice in many quarters, was upset by Olton, 13-7, last week, and they will likewise be looking to rebound—being in the thick of the district race.

The Lamb County team has posted a season record of 3-2, but has allowed five opponents just 25 points, while scoring

129 points themselves. Their leader is Ralph Funk, a hard-running fullback who leads district scorers with 13 touchdowns for 78 points—more points than the Chiefs have scored altogether (72).

The Wildcats also have returning Danny Estrada and a host of other players who suffered through last year's 1-9 season.

Friona now has a 2-2-1 season, and will be trying to keep from falling behind in the "loser" column.

The Chiefs' center, Willie Bailey, suffered a rib injury in the hard-hitting district contest, and has been taking it easy this week. The team's spirit remains high.

Game time Friday is 7:30 p.m. at Wildcat Stadium.

Homecoming Game For Lazbuddie Friday

Friday night has been designated as Homecoming Game for the Lazbuddie Longhorns, who will be seeking their fourth victory of the season when they host New Home.

Three Lazbuddie High School girls have been nominated for Homecoming Queen. Candidates are Melanie Davison, Rhonda Treider and Debbie Engelking. The game begins at 8 p.m.

In addition, a member of the Longhorn varsity team will be chosen as Football Hero. Candidates for this award are Jimmy Noland, Loy Dale Clark and Arthur Graves.

The coronation of the queen and hero will be held at half-time of the game.

Coach Buddy Brock says that this week's opponent started off slowly, but has been improving each week. "They are probably the largest team we have played to date," Brock said. He said that the Leopards run a single-wing offense with unusual formations.

Two members of the team were nursing injuries this week. Mark Barnes has been out with a broken finger, and star halfback Arthur Graves had a sore knee as the week started.

Last week the Longhorns bopped Texico, 52-0, as Graves scored four times. Graves scored on runs of five, nine and 90 yards, and on a fumble recovery in the end zone.

The scoring rampage should have put Graves into the scoring leadership for class B players, as he had been in second place prior to last Friday.

Upset Bug Bites Grid Contestants

In a week beset by upsets, only seven contestants scored as high as 10 points in the Friona Star's football contest.

From this list came the top three weekly prize winners. Dianne Morgan captured first place on the basis of her tie-breaker prediction, missing the Friona-District score by just three points. Myrna Royal took second place, missing the score by four points, and two contestants tied for third.

Tying were Albert Johnson and Cammie Waggoner, and they split the third-place money. Cammie's father, Charles, had been the first-place winner the week before.

The other three contestants correctly picking 10 games were John Frazier, Charles Hamilton and Dale Gober.

The Texas-Oklahoma game caused perhaps the most misery for contestants, as many were not prepared for the 48-27 Sooner upset. Others often missed were Olton over Littlefield, Farwell over Happy, Muleshoe over Portales and Texas Arlington over West Texas.

Another weekly contest appears on Page 6 this week, as the contest reaches the midpoint in the race for the Cotton Bowl tickets.

With his score of ten, John Frazier took a three-point lead in the standings.

See the list of the top contestants elsewhere in this issue.

S-WCD Holding Election Today

The Parmer County Soil and Water Conservation District is holding an election at 10 a.m. Thursday at the Hub Cafe, for the purpose of electing a director for Zone 3.

A.L. Black has served the zone as director since 1948, but is retiring.

Anyone who is 21, owns land in Zone 3 and lives in Parmer County is eligible to vote. Farmers are urged to take part in Thursday's election.

SCHOOL VISITORS. . . Mr. and Mrs. Bill Nichols, left, and Mr. and Mrs. Gene Wright were among the many visitors to the "Back to School Night" here Monday evening. Mrs. Baker Duggins, right, was one of the host teachers. Mrs. Wright is a room mother. The observance was for grades 1-4.

VERY BECOMING. . . Troy White, who plays Cornelius Hackel in the Thespian production of "Matchmaker," tries on a woman's hat, much to the amusement of (left to right) Ann Hurst, Annette Reznik and Carl Evans. The production is scheduled for next Monday and Tuesday evenings at the High School Auditorium. (See Story, P. 11; Other picture P. 5)

AN EDITORIAL

New Law Fights "Smut" In Mail

Rudy Johnson, in a report for THE NEW YORK TIMES, revealed that over 500,000 people have asked the U.S. postal service to protect them from receiving smut in the mail.

They are authorized by a seven-month-old law which enabled the postal service to establish last Feb. 1 a standing list of citizens who do not wish to receive what is described as sexually oriented advertisements.

The penalty for a dealer who mails such matter to anyone who has been on the list for 30 days is a \$5,000 fine and five years in prison. Postal officials say that the new procedure places the burden on smut mailers to make sure that they are not violating the law by sending their material to someone on the list.

Dealers can purchase the list for \$5,000. By the end of August, five mailers reportedly have bought the list, which has mushroomed from about 6,000 names, shortly after it was established, to 500,000 the first week of September.

The reference list, Johnson reports, continues to grow at the rate of several thousand names a week. Local post offices have blue and white forms that are fed into a computer and allow for the names of children in a family as well as adults to be listed.

This new law promises to be the most effective way of curbing the flow of pornography in the mails. It is being enthusiastically endorsed by civic, educational and church leaders throughout America. The new law manifests America's moral health, despite all the assaults on it by unscrupulous and immoral money-makers, peddlers of pornography.

Pause and Reflect

By Nelson Lewis

He stood on the front porch and screamed, "Fire! Fire!" The fact that he spoke no English and was clad in the Armenian version of "B.V.D.'s" did nothing to lessen the terror in his voice.

Behind him, smoke poured from several windows on the second floor of the barrack type building. Inside, dozens of his friends scrambled for clothing and personal possessions while others jumped from windows and doors.

When the fire fighters arrived the World War One building was too far gone so they concentrated on rescuing the tenants.

Due to the bravery of the firemen, no lives were lost; however it was a harrowing experience for the nine year old boy who lived across the street.

One hundred years ago Chicago suffered one of the most disastrous fires in American history.

The city fire department fought like demons but they had just come from another big fire on the opposite side of town and men and equipment were about used up.

While Chicago burned a small town in Wisconsin lost half of its population due to a monstrous fire.

Our plains have also suffered the "Red Death" and many is the tale of race and rescue relating to prairie fires.

Those of us who have lived in wooded areas or who have visited recently in northern New Mexico know the awesome price of forest fires.

As this is written the big blaze in California is barely under control.

There is something very wrong with west coast conservation: they are either washing away or burning up.

The proposed atomic test in the far northwest may dislodge the entire coastal area.

Witnessing a really big fire is a never-to-be-forgotten spectacle.

A peaceful green mountainside can in less than thirty minutes become a wilderness of blackened sticks and smoldering logs.

When the inside of a huge building is gutted, the high brick walls fall with the crash of a thousand thunders and sparks and ashes erupt over many city blocks.

When I remember the above scenes I am truly thankful for our Volunteer Fire Department.

I wonder sometime if the average citizen appreciates fully the time and effort these men spend on our behalf.

They draw no pay, they scramble like mad for every bit of equipment, they study and practice and they do it all because they possess the rare qualities of civic pride and brotherly love.

Rest assured that if we call them they will respond and at the risk of bodily injury, even death, will perform as professionals.

Suppose they need us sometime? Will we respond in like manner? Let's hope so, because there is no more distressing sound than the cry of "Fire! Fire!"

WHITE SALMON, WASH., ENTERPRISE: "Whether our authorities like it or not--when will our legislators and governors listen to the pleas of the people. New taxes are not the answer. Less bureaucracy in state and national government. Less departments and especially less commissions and appointive offices. Right now the taxpayer wonders where the next payment will come from. Such treatment is the cause of all our troubles. When you force people to the limit, nothing is left but bankruptcy or rebellion. The people have a right to call a halt to waste--and departmental padding, waste and senseless departments is not the answer. The people do not desire more services--not in many a category of government."

Local Entries Place At PPK Zone Contest

Three of Friona's entries in the zone competition of Ford Motor Company's "Punt, Pass & Kick" contest placed in the contest, held at Roswell last Saturday.

Edward Castillo was second in the 12-year old division. David Barnett was third in the 13-year old division, and Darcy Renner was third in the 10-year old group.

Barnett has quite a record in the PPK contests, having won his age division four consecutive years, since he was nine. He placed third in the contest the first time he entered, at eight.

In the zone contests, young Barnett has achieved three second places and a third.

Complete results of the local contest were as follows:

- 8-year-olds: 1. Leon Evans; 2. Jimmy Norwood; 3. Nelson Jackson.
- 9-year-olds: 1. Jerry Harrelson; 2. Kirk Frye; 3. Lance Broadhurst.
- 10-year-olds: 1. Darcy Renner; 2. Robbin Roberts; 3. Toby Strickland.
- 11-year-olds: 1. Cipi Aragon; 2. Curt Miller; 3. John Carson.
- 12-year-olds: 1. Edward Castillo; 2. Clint Mears; 3. Cliff McLellan.
- 13-year-olds: 1. David Barnett; 2. Leslie Broadhurst; 3. Keith Martin.

P, P & K WINNERS. . . The top 18 winners in Friona's Punt, Pass and Kick competition are shown above; First, second and third place winners in each division are as follows: Leon Evans, Jimmy Norwood and Nelson Jackson (8); Jerry Harrelson, Kirk Frye and Lance Broadhurst (9); Darcy Renner, Robbin Roberts and Toby Strickland (10); Cipi Aragon, Curt Miller and John Carson (11); Edward Castillo, Clint Mears and Cliff McLellan (12); David Barnett, Leslie Broadhurst, and Keith Martin (13).

From Around The Country

PHILLIPS, WISC., BEE: "Couldn't help but notice. . . as all of the credentials for the political candidates started arriving in the office, how many of them are listed as having a B.S. degree. Now we are sure that these designate Bachelor of Science. We are also sure that to some people listening to some of the candidates the letters B.S. have a different connotation."

According to "Seventy Six," a publication of the Union Oil Company of California: "More than half the volume of the world's ocean shipping is petroleum."

Ex-Frionans Visit Locally

Recent visitors in the home of Mrs. A.A. Crow have been Mr. and Mrs. Charles Gray and son, Bobby of Albia, Iowa. The Grays are former residents of Friona and Mrs. Gray is Mrs. Crow's daughter.

Other guests in the Crow home have been Mr. and Mrs. James Crow of Amarillo. He is Mrs. Crow's grandson.

Cotton Producers Can Protect Payment Yield

By Prentice L. Mills
County ASCS Exe. Director
This message is for all cotton producers; and especially the farm operators.

The farm operator is the person who can do the most to maintain a farm's cotton program yield. As the yield for each farm is established on the basis of actual production of cotton from the farm, it behooves the farm operator to make certain that the yield records for the farm are correct. As the operator of a cotton farm, there are two very important things for you to remember to do. These are:
1. When you carry your cotton to your gin, make certain that the ginmer knows which farm it came from. Look at your account sheet and make certain that it shows your name (operator), the name of owner of the farm and be certain that the ASCS Farm Number is shown on the ginmer's account sheet for that farm.
Do not allow your ginmer to list cotton for more than one farm on one account sheet. As soon as all the cotton from one of your farms has been ginned and marketed, bring your settlement sheets (or copies of them) to the ASCS office in order for us to record the necessary information. We will keep these documents in the farm file.

2. If the cotton yield for your farm is below average due to adverse weather (wind, hail, rain & etc.) or other circumstances beyond your control, you (the farm operator) should report this to the ASCS Office and also report to us just what you did in attempting to produce a normal crop of cotton on the farm.

The County Committee has the authority to adjust the cotton yield on your farm and they are eager to help you as much as they are permitted to by law; however, they cannot help you unless you furnish them with the information (facts) they need to work with.
One thing more: If the acreage of cotton you harvest from a farm is different from that you reported earlier. Be sure and let us know about this.
Any person having any question as to the procedure for protecting their cotton yield, should contact their local ASCS Office.

STORING FRESH FRUITS--
When you store fresh fruits, Extension foods and nutrition specialists remind homemakers that the temperature and humidity are very important. Poke a few small holes in a plastic bag to provide ventilation and to let out some of the moisture which accumulates.

DIMMITT WINS, 16-14

Chiefs Miss Upset By Only Two Feet

"Two feet too low, with two seconds to go."

That was the result of the Friona Chiefs' last-gasp desperation drive against Dimmitt last Friday, culminating in the pressurized field goal attempt by Bobby Drake, which missed by an eye-lash giving Friona a 17-16 win.

As it was, Friona, which had led for much of the game, had to settle for a 16-14 loss, and fell to a season standing of 2-2-1, and were virtually eliminated from the district race with a 0-2 record.

It was a thrill-packed ball game from start to finish. Friona grabbed an early lead on a play that Dimmitt and Friona fans alike will be talking about for a long time.

Dimmitt was forced to punt after reaching their 47, and the short punt was allowed to roll to the Friona 35, where a Bobcat player touched it. However, before the play could be blown dead, Johnny Bandy ran in, scooped up the ball, and raced down the right sideline, 65 yards.

Bandy kept looking over his shoulder to see if the plays were in order, and was rewarded when the officials threw up their hands, signifying "Touchdown."

Bobby Drake came in to take on the PAT, and the bewildered Bobcats found themselves trailing, 7-0 with seven minutes gone in the game.

Late in the quarter the Chiefs drove to the Dimmitt 29, but on fourth down were back to the 30. Drake tried a 47-yard field goal, which was low.

Dimmitt threatened in the second quarter. Speedy Daniel Frierson broke around the right end and romped 40 yards from his own nine to midfield, where he was finally caught from behind. The 'Cats then drove to the Friona 29, where on fourth down Willie Bailey made a good defensive play Frierson to kill the drive.

The halftime score remained at 7-0 with the surprising Chiefs on top.

Whatever Coach Brown L. Smith told the Bobcats at the half really fired them up, as the team came out and drove 67 yards following the kickoff for the tying touchdown. But, Dimmitt wasn't satisfied for a tie. Frierson ran for two points, and the 'Cats were ahead, 8-7, with only 3:30 off the clock.

Friona didn't relish losing the lead. The Chiefs came back with their finest drive of the season, marching 77 yards, sparked by the running of Bill Bailey, who personally gained 60 of the yards, 43 of them on one sprint to the Dimmitt 15.

Bandy got the touchdown, on a rollout around right end. He had a blocker out with him, but could have walked in, as Dimmitt had stacked up the middle. Drake's second kick

made it 14-8, and there was 6:22 left in the third.

Dimmitt made the scoring drives three-for-three in the quarter, responding with a 70-yard, 12-play drive capped by Frierson's six-yard scamper. That tied the score at 14-14, and the 'Cats again went for two. A pass play did it, with a great catch making it Dimmitt 16, Friona 14 with 2:37 left in the action-packed quarter.

It seemed that Friona was destined to answer the challenge once again, as the team quickly drove to the Dimmitt five. However, a fumble put the Chiefs back at the nine, and on fourth down Drake tried a field goal which hit the upright and bounced away.

OFFENSE ROLLS

Bees-Frosh Combine To Whack Owls, 26-6

Friona High School's freshmen combined with the B-team last Thursday, and the combined team downed Hale Center's B-team, 28-6 in a game at Chieftain Field.

The Friona team drove for the lead touchdown the second time they had the ball, and never trailed in the contest. Members of each squad saw considerable action. In fact, freshman Clay Bandy scored two of Friona's four touchdowns.

After fumbling the ball the first time they had it, Friona got busy and drove 62 yards the next time, to grab the lead. B-teamer Danny Waggoner ran 27 yards to the Hale Center 25, and on the next play, Clay Bandy swept and went the distance to score. Friona's try for two points failed, but the Chiefs had a 6-0 lead thanks to the four-play drive, with 7:26 left in the first quarter.

Friona took the ball at their own six after a punt and began a sustained, 94-yard drive that spanned two quarters and took 24 plays. Several backs saw action during the drive, paced by Danny and Eddie Waggoner, Bandy and Randall Snyder.

Waggoner ran 13 yards for a TD which was called back by a motion penalty. A few minutes later, the team was in jeopardy of the long drive bogging down, but on fourth and seven from the 10, Snyder raced around right end to score. Waggoner ran across for two points and it was Friona, 14-0 with 6:07 left in the half.

Late in the second quarter, Hale Center mounted a serious drive. The Owls had a first down at the Friona 17, but Friona's defense held and took over. There were only 17 seconds left in the half, but there was time for two touchdowns.

Early in the final quarter, the team was back in business, after a recovered fumble. They drove to the Dimmitt 21, but a holding penalty erased a sprint by Bailey to the 10, but on fourth down Drake tried another three-pointer which was a mite short.

Dimmitt used up valuable time in the late stages of the game, but a determined Friona defense turned the ball over to Friona, with 3:32 left on the clock at the Chieftain 25.

Friona reeled off 13 plays in the latter stages and appeared determined to pull the game out. Bailey gave the team two first downs with inspired runs as Friona crossed into Bobcat territory.

Dimmitt got uneasy as the

Chiefs reached the 22 when Bandy got the needed two yards on a keeper play with 38 seconds left. However, time was becoming more and more a factor.

The team had used its last time out with 43 seconds left, prior to Bandy's first down plunge, so was operating out of desperation.

Bailey tried the off-tackle slant that had gained him 141 yards during the night, but the hole closed. On second down, with the clock running out, Drake came in and the team lined up for the do-or-die try. The ball was spotted at the 30, which meant a 40-yard attempt at a field goal.

Drake's boot was true, but missed the crossbar by only a couple of feet. Dimmitt's fans cheered, and Friona fans groaned. It was a bitter pill to swallow after such a superb performance by the underdog Chieftains. They deserved a better fate.

Friona came up with their biggest total in the yards rushing category for the season—243 yards. Dimmitt led in total yards, 319-257, and the first downs were tied at 15-all.

Thanks to Bandy's head-up 65-yard punt return for the Chiefs' go-ahead touchdown, the team had a return average of 31.5 yards, by far their best of the season, on four kick returns.

FRIERSON GAINS... Daniel Frierson, speedy Dimmitt halfback, is shown making a gain against Friona last week, although James Sims (10), dives in to slow him down. Coming up to help are Mike Royal (42) and Bill Bailey (35). Dimmitt held on for a 16-14 win.

TOUGH DISTRICT

Olton Is Surprise In District Race

By Don Henry

Special to the Friona Star

Floydada, yes; but Olton, too?

This was foreseen as a year of cutthroat tactics in District 3-AA with practically every team capable of beating the leader. First few weeks supported this theory, and Floydada maintained its role as favorite.

Olton's start wasn't strong, and the Mustangs appeared out of any championship consideration—even before district started. But check the standings now, just two games into the championship run, and the two teams with unbeaten marks are Floydada (the favorite) and Olton (the very longshot).

The cutthroat theory continues, with six of the eight teams still in contention. Only Friona and Morton, with two losses each, appear out of the picture. Both are capable of helping decide the eventual district playoff representative, however.

District 3-AA got into its present state thanks to Lockney's 14-0 win over Abernathy, Olton's 13-7 shocker of Littlefield, Dimmitt's 16-14 squaker over Friona and Floydada's 30-0 shutout of Morton.

Behind the co-leaders, Abernathy, Lockney, Dimmitt and Littlefield await with 1-1 marks and in easy striking distance. The striking could come this week, as Olton ventures to Abernathy, Dimmitt goes to Morton, Littlefield goes to Friona and the defending champ Whirlwinds battle Lockney in Floydada.

And, depending on the results, the league could be even tighter or some of the contenders could start slipping away. Last week's chief league-tighteners were won by Olton and Lockney. Abernathy went

into the Longhorn game unbeaten for the year, but the Antelopes were without No. 1 quarterback, Dave Davenport, who had been hurt the previous week.

Abernathy drove within field goal distance early, but the effort was short, and in the second quarter, Lockney quarterback Tony Ford ran a four-yard keeper for a score. In the third period, halfback Cleo McGee sprinted seven yards for the other TD, and Lockney, loser to Littlefield in its 3-AA opener, was back on the championship path.

With two extra points separated Dimmitt and Friona as the Bobcats came from behind in the third period. After Johnny Bandy had scored twice—once on a 70-yard punt return—Bobcat Daniel Frierson found the goal from five yards away for a 14-all tie. The difference proved to be a Jerry Matthews to David Nino pass for two extra points.

Floydada got 14 points in the first quarter against Morton and sailed to its fourth win of the year against one-loss, Jim Kunkel rushed for 139 yards and scored twice for the winning Whirlwinds.

The shocker came at Olton and coach Ray Kinnison gives credit to his defense. Olton lost its first three games, but "I guess they just kinda made up their minds to play football the other night," said Coach Kinnison.

"We kept thinking all along we were playing pretty good, but we didn't get a break. Nothing to get enthusiastic about. We were playing close but couldn't win. But we beat Friona, then this was one of those rivalry things, and of course, the kids knew coach (Jerry) Blakely (coach at Olton two years before moving to Littlefield this fall).

"But against Littlefield,

they kicked to us, and we drove down to the 40 and kicked to them at the 8. They had to punt back and I think they still needed eight yards for a first. We threw a screen pass on the next series (Steve Stockdale to Keith Workman for 38 yards), and scored and from there, the defense kinda took charge.

"It was our best game by far. Thirteen points is not enough to get excited about—we're not killing anybody. But we had a 70-yard drive, first time we've put together a long drive this year.

"But, now, we have to play Abernathy, and I know they will be tough; they've shown that."

Apparently, the entire league is tough.

Hereford Team Stops Seventh Graders, 14-0

Friona's seventh grade Braves dropped a 14-0 decision to Hereford LaPlata in a game here last Tuesday.

The Braves took the opening kickoff, and drove from their own 21 to the Hereford 15, where LaPlata stopped the determined drive with a pass interception and prevented Friona from taking the lead.

During that drive, Jerry Martin ran for a 22-yard gain and Leslie Broadhurst had individual gains of nine, 16, and five yards. His 16-yard gain came on a big third-down play from the 49.

On second down from the LaPlata 25, Keith Martin's pass was intercepted at the 15. It was to be Friona's main scoring threat of the game.

In the second quarter, LaPlata recovered a Friona fumble at the 33, and went for a touchdown in five plays. A two-point conversion try failed, and it was 6-0 favoring the Hereford team.

With time running out in the half, LaPlata covered 43 yards for another TD, and ran for two points for a 14-0 halftime lead.

Friona never could mount an attack in the second half. LaPlata, meanwhile, had one long run to the Friona three to end in a lost fumble. Another time, the visitors had a 20-yard touchdown called back for a penalty, and the score remained 14-0.

Girl Scouts Report

Girl Scout Troop 66 met at Girl Scout House Monday afternoon. The flag ceremony was conducted by Cindy Braliff, Angella Sims and Joanna Merritt.

The cloverleaf was chosen for the troop crest. Shae Dodson was elected scribe, Rosa Garza was elected treasurer and Sandra Romas was elected reporter.

Refreshments were served by Kathy Petchinsky, Bobbit Blankenship and Teresa Cortez.

Troop 211 met Wednesday afternoon at Girl Scout House. During the business session Janice Bandy was elected president. Other officers elected were Glenda Reeve, vice-president and reporter; Kay Cochran, treasurer; and Beverly Bailey, secretary.

Others present were Jeanie Bandy, Becky Branum, Jan Young, Carolyn Gore, LaQuita Graham, Karene Hart, Joy Mann, Linda Martin and Jana Robertson.

Leaders present were Mrs. W.M. Massie and Mrs. Mickey Wilson.

Following the election of officers, plans were made for the coming year and refreshments were served.

Girl Scouts of Troop 311 have been very busy this new scouting year. At the first meeting officers were elected as follows: Pamela Lindley, president; Peggy Martinez, vice-president; Lisa Edelson, secretary; Eugenia Nelson, co-treasurer and Debbie Cole; Myrna Phipps, song leader; Rhonda Webster, reporter; Nell Fulks and Cammie Waggoner, patrol leaders.

Plans were formulated for the year which includes completing challenge preps of social dependability. Also the troop plans to complete the Home Nurse Badge which Mrs. Floyd Reeve, R.N. will teach.

Troop members self-examined themselves on how well they rated as friends to

the community, school, home and troop. They also answered a questionnaire on how they plan to help their community and the Scout Troop this year and what they expected to gain from scouting.

Recently, Mrs. Dean Blackburn, an Avon representative and beautician, presented a lesson on good grooming.

Friday night, October 8, the girls and leaders enjoyed a cookout and overnight at the Girl Scout House. Highlights of this event were the "hamburger" cookout, a round table discussion by the fire side on a teenagers problems and a Scouts Own entitled "I Am Glad I Live In The United States of America."

Girls and adults who are members of Troop 311 extend a cordial invitation to eighth grade girls to join our troop this year. Members of the troop are: Debra Cole, Lisa Edelson, Nell Fulks, Pamela Lindley, Peggy Martinez, Leesa Mercer, Eugenia Nelson, Myrna Phipps, Iris Stephenson, Cammie Waggoner, Rhonda Webster, D'Aun Wilson, Debra Dorrell and Nita Mershaw.

Also leaders: Mrs. Watson Whaley, Mrs. M.L. Martinez and Mrs. Lester Cole. Louise Whaley, a senior girl scout, is an assistant leader.

Handwriting Analystist Presents Club Program

Guest speaker at the Thursday evening meeting of New Horizons Junior Study Club in Federated Club House was Ray Walker from the Institute of Scientific Suggestion at Amarillo.

Following a talk entitled, "Getting To Know Me," by Walker, he analyzed the handwriting of each person present.

The program was opened with "Glad Tidings," by Mrs. Valton Howard. Then roll call was answered with "My Analyst Told Me." Mrs. Jerry Wike read "The Indispensable Man," and directed repetition of the club collect.

During the business session, which was presided over by Mrs. Dale Houlette, plans were made for the club to sponsor a Halloween carnival. One new member, Mrs. Wayne Johnson, was accepted into the membership. Names for secret grandmothers were assigned members and plans were made for sending a greeting box to the Whiteface Grilstown resident, which the club sponsors.

Hostesses were Mrs. Kenneth Ferguson and Mrs. Jimmy Bynum.

Refreshments of ice box cake, coffee and hot spiced tea were served to the spec-

State President To Be At AAUW Membership Tea

State president of the American Association of University Women, Mrs. William C. Pool of San Marcos, will be the honor guest at a membership tea of the newly-formed Hereford branch Oct. 17 in Pioneer Gas Flame Room.

Mrs. Pool is chairman of the mathematics department of San Marcos Academy and has been active in the AAUW since 1947. She will assist the new branch in enrolling members and starting its program of study and activity.

Mrs. Pool is also a member of the League of Women Voters and Delta Kappa Gamma. She is married to Professor William C. Pool, Texas Historian and author. The Pools have one daughter, Mrs. Henry Krause of Seguin, Texas.

The Hereford branch of the organization will be accepting members from all over the Panhandle area. Women who hold a bachelor's degree from an accredited college or university are invited to the tea in Hereford and are eligible to become members in the 79-year-old organization.

The purpose of the group is to offer women an opportunity to continue in intellectual growth through study and to better fulfill their responsibilities to society.

If anyone cannot attend the tea but would like further in-

formation regarding membership, they are asked to contact Mrs. S. D. Darling in Hereford at 364-4883.

Housekeeping Hints Featured On Program

A Phyllis Diller type program entitled "Tips On Housekeeping," was presented by Mrs. H.K. Kendrick, special guest at the Thursday afternoon meeting of Friona Young Homemakers in Friona High School cafeteria.

The devotional was presented by Mrs. Larry Dyess. Refreshments of purple fruit punch and frosted gingerbread were served by the hostesses, Mrs. Calvin Dozier and Mrs. Dale Smith.

Halloween decorations were used and the centerpiece on the serving table was a red cabbage face.

One new member, Mrs. Rex Wells, and ten other members were present.

Other special guests were Mrs. Mike Orrick, Mrs. Tim Herring and Mrs. David Lee Carson.

Take Time To Wander Is Club Meeting Theme

Mr. and Mrs. Frank A. Spring presented a travelogue of recent travels entitled "Scandinavia As We Saw It," at the Tuesday evening meeting of Modern Study Club at Federated Club House.

Theme of the meeting was "Take Time To Wander." Mrs. George A. Jones directed the invocation.

"Far Away Places," by Joan Whitney was presented by Lisa Taylor, soloist.

Guests were Mr. and Mrs.

Terrell Christian, Claude, Texas, Mrs. Wana Brewer, Lois Norwood, Mrs. Herschel Johnson, Mrs. Henry Lewis and Mrs. D.C. Herring.

Also Charles Allen, Andy Hurst, Dan Ethridge and Dalton Caffey.

Twenty-three members were present.

Refreshments of cake and punch were served by the hostesses, Mrs. Wesley Foster and Mrs. Sloan Osborn.

Sincerely Yours

By Rev. Albert Lindley

Isn't it funny (I don't know that it is laughing funny, it's just an expression I use) that things can come and go in our little private world set aside for "knowledge" with some things sticking with us and some not? (See, that wasn't really funny)

But is this so? Why do we retain some things and not others? Why does some knowledge pull us into action and reaction and other stuff simply doesn't even move us...? I don't really intend to slip in any deep dark Freudian thought here, just an observation.

Talking with some friends of the clergy (yes we are) the other day, I mentioned that about the only thing I could remember from my two years of college French was how to order french fried potatoes, roast beef and red wine. (Now that isn't something to admit to a bunch of preachers... and one quiered as to what deep, deep compulsion would cause me to remember that. I don't know, I just did...)

I remember an Old Testament professor that I once had who acted like he had come out of the Old Testament itself, age and thought. Consequently, I didn't really get too excited over it all and to this day I fail to really see or feel the excitement that it should have for us, because it is our heritage and contains stories about our forefathers in the Faith.

That is, I didn't think so much about it until I heard a man just this past week who had such enthusiasm with his presentation about a phase of the Old Testament literature that I actually felt more excitement than I had ever felt before. Someone like that could have caused me to even major in the study of the Old Testament.

Be that, that it may, it wasn't that way but I am finding interest now and Abe, Ike and Jake (Abraham, Isaac and Jacob) would be pleased with my increased concern and study.

Isn't that funny? (There I go again.) What I mean is, isn't it great the way people with enthusiasm can actually get a following?

a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

BIRTHDAY HIGHLIGHT. . . . Otis Massey was honored on his 81st birthday last Sunday with a conference telephone call linking up all eight of his children and two sisters-in-law, stretching from Washington State to Texas. Shown with Massey are his two Friona daughters, Geneva Williams (center) and Elizabeth Ferguson.

Conference Call Is Birthday Highlight

Otis Massey, 511 Woodland, observed his eighty-first birthday with a small dinner party in his home Sunday.

The highlight of the day began about 3:30 p.m. when a conference pre-arranged by General Telephone included all eight of his living children, one sister, and two sisters-in-law who are scattered from Olympia, Washington to Midlothian, Texas.

Children participating in the conference were Stanley Massey, who lives in Bellflower, California; Wayne Massey, whose home is in Olympia, Washington; Marvin Massey of Blunt, South Dakota; Russell Massey, Amarillo; Geneva Williams and Elizabeth Ferguson, Friona; Frances Baze, Dallas; Betty Young, Hereford; Beulah Munden, Cleburn, Texas; and Flora and Mary Price, Midlothian, Texas.

Massey, who was born at Midlothian in Ellis County, Texas, in 1890, was married to Beulah Elizabeth Price there in 1912. Thirteen years later the couple moved to Parmer County with their seven children. Three of their ten children were born here.

Mr. and Mrs. Massey continued to farm until the children were all grown and had all graduated from Friona High School. Then on January 13, 1958 they moved to the present home. This was the 45th anniversary of the establishment of their first home.

The couple observed their Golden Wedding Anniversary December 22, 1962 and Mrs. Massey died in July of the following year.

Since the death of his wife, Massey has lived alone at 511 Woodland and spends his leisure time visiting and playing dominoes with neighbors and friends.

Two sons, Edward and Gordon, are deceased. Massey has 23 grandchildren and 22 great-grandchildren.

Dinner guests were Mr. and Mrs. V.M. Ferguson and Doris and Mr. and Mrs. Sam Williams. Afternoon callers were Mr. and Mrs. Fred Ferguson and son and Mrs. Ira Holt and Reba.

Thespians Schedule Play Presentation

What Does The Bible Say?

When the apostle Paul went to the city of Corinth, he announced, "I determined not to know anything among you, save Jesus Christ, and him crucified" (1 Cor. 2:2). The historian, Luke, records that, when Paul preached in Corinth "many of the Corinthians hearing, believed and were baptized" (Acts 18:8). In this same manner did all obedient believers respond to apostolic preaching. (Read and compare Acts 8:5-13; 18:39; 16:30-34). Jesus promised, "He that believeth and is baptized shall be saved" (Mark 16:16) and He added the saved to the church (Acts 2:47). Hence, the baptized believers in Corinth constituted the church in Corinth and were so addressed (1 Cor. 12). And today, anywhere and any time that people believe in Jesus Christ as the Son of God, turn to him in repentance and are baptized for the remission of their sins, they are saved by Christ and added by Him to the church—His body (Eph. 5:23). Ecumenical mergers of denominations into larger denominations do not restore the New Testament church. But when men follow the New Testament examples of teaching and obedience, the one church of the Lord may be established in our time and in any place. Questions invited. Address "What Does The Bible Say?" Box 515, Friona.
