

by Bill Ellis

## A 50.5% INCREASE

# Totals Peg Friona Count At 3,064

We disagree with the slant taken by the Associated Press last week when the preliminary population figures were announced for the state of Texas.

When the state's preliminary total of 10,986,293 was announced by the census people, the AP slanted its entire story about how the state's "growth rate" had decreased during the past ten years, and quotes from various officials as to how disappointed they were that the total was not more.

What the story never did point out—and it ran for 25 inches in length—was that the preliminary figure shows an increase in Texas' population of 1,406,616 over the 1960 total.

It would seem to us that as a news-gathering agency, if the Associated Press had to slant the story or give reactions, they could have at least given the positive side of the news—also—the fact that our state has grown by 1,406,616 people during the past 10 years.

In fact, we wonder if it isn't a sign of progress that our state's growth rate slipped downward, rather than a sharp upturn during the past ten years.

Ecologists have been preaching birth control and controlled population for a number of years. Perhaps we in Texas are doing a better job at this than state Chamber officials realized.

At least we're not spawning the over-crowded cities such as the New Yorks and the Chicagos. We've grown nicely, and still have room to grow.

We would think that the state Chamber of Commerce leaders could find solace in the fact that Texas continues to gain newcomers at the rate of approximately 400 per day—something the AP didn't take time to figure out, being too busy crying crocodile tears over the fact that the total didn't match what Chamber officials across the state thought it should have.

Texas will be one of the few states in the Southwest to show a sizeable growth, a fact that the AP story did finally bring out in the 19th paragraph—for those hardy souls who waded through all the gloom to that point.

It seems to us that state Chamber of Commerce leaders, who apparently have outdone themselves in convincing everyone that we're larger than we in fact are, did the state a dis-service in their defeatist quotes, which were carried across a wide section of the country, and naturally were spotlighted.

In a time when they should have had something good to say, none of them did.

About the only good comment about the population total came from Governor Preston Smith, and we do commend the Associated Press for including it. Smith said, "Many will be unhappy with the preliminary figures, but we have reached a point in our state where sheer numbers alone do not always mean progress."

"We must continue to go forward with programs and plans to make Texas a better place in which to live," the governor said.

Looks like our number one Chamber of Commerce man is occupying the governor's mansion. Power to him. We're glad to see someone with the good sense to reflect optimism over achievements which need not be belittled because they missed the plateau set by the professional goal-makers.

The same thing is true for the totals announced for the city of Friona. While many of us would like to have seen the figure higher, we're quick to point out that a 50 per cent gain in population is one heck of a lot better than a decrease.

Friona's preliminary census total for 1970 was divulged last week, and the total showed a 50.5 per cent growth from 1960 to 1970.

The preliminary total, which was given to Star publisher Bill Ellis by Percy Millard, regional census director, stood at 3,064. This is an increase of 1,029 over the corresponding figure in 1960, which was 2,035.

The preliminary total does not include the residents in the two recently-annexed areas of the city which had not been included as city residents, nor the 36 persons forwarded to census officials as "missed" by enumerators.

When the revised totals are announced, Friona's population should top the 3,200 mark.

All of the state figures have been forwarded to national census headquarters in Jeffersonville, Indiana, where they will be checked for such things as addition errors.

In the meantime, local leaders have been given an additional week to find still other persons who believe they were

missed by census enumerators. These persons should contact the Friona Star, Friona Chamber of Commerce, or City Hall by Thursday, July 2, and fill out a special form.

All area residents, whether in the city or outside, who believe they were missed, are urged to make themselves known to one of the above places.

Other figures released by the regional census chief included 1,425 for Bovina; and 1,170 for Farwell. Bovina's total represents a 38.5 per cent growth from its figure of 1,032 in 1960, and Farwell's is a gain of 16 per cent from 1,009 ten years ago.

Parmer County's preliminary total, 10,374 was announced by the Amarillo district office in May.

While the total announced for Friona is somewhat below what local Chamber of Commerce officials had hoped for, it nevertheless shows good steady growth in the city, at a time when cities the same size throughout the state and nation are

losing population. Friona's population has almost tripled since 1950, when it stood at 1196.

Not included in the city's total are an estimated 200 persons (Continued on Page 5)

## Speaker Announced

Bob Mills, public relations director for Pioneer Natural Gas Company, has been named speaker for Friona's annual July 4 patriotic observance.

Mills will speak at the 8 p.m. program at Chieftain Field on Saturday, July 4. A former president of the Amarillo Chamber of Commerce, Mills has been actively engaged in speaking on the topic of Americanism in recent months.

The speaker has also been active in recent years on the Amarillo Chamber's sports committee, which was instrumental in securing a professional ice hockey team for Amarillo for next season.

Also on the program will be patriotic readings and songs, details to be announced next week.

The program will be climaxed at dusk by a fireworks display.

Other things on the agenda for July 4 include a free breakfast beginning at 7:30 a.m. at the high school cafeteria. This is under the sponsorship of the Friona Lions Club. Pancakes, bacon, sausage and coffee will be served.

A swimming contest is on the schedule beginning at 9:30 a.m. at Friona's Dive-in Swimming Pool. The Friona Noon Lions are sponsoring this event.

This is the second annual July 4 celebration in Friona. Co-sponsoring the event with the Chamber of Commerce is the Parmer County Historical Society.

## New Feature Begins Today

A new feature begins in the Star this week, in conjunction with the Star's weekly church schedule.

Written by Albert Lindley, pastor of Friona's United Methodist Church, the series is designed to give Star readers some thought-provoking ideas.

We invite you to read the first installment, which can be found on page 11 this week.

## Mrs. Spring Passes Away

Mrs. F.L. Spring, Parmer County pioneer, passed away Wednesday morning.

Survivors include sons Edward, Frank, Paul and Lee of Friona, and daughters, Mrs. M. H. Sylvester of Anton, and Mary Spring of Amarillo.

Funeral services were pending for Mrs. Spring at press time.

## Credit Union Tells Extension Of Field

Announcement was made this week by the Friona, Texas, Federal Credit Union that its field of membership now includes all of Parmer County.

At the same time, officials of the credit union announced a 4.8 per cent dividend on savings accounts held with FTFCU, to be compounded June 30. On that date the credit union will pay a total of \$6,789.62 in dividends to its members.

The Friona, Texas Federal Credit Union was created in 1954, and serves the people of the area through savings and loans. Since it was founded, the credit union has paid back \$95,025.64 in dividends to its shareholders.

Legislation was signed on March 10 placing credit unions under a newly-created National Credit Union Administration. Up to that time, credit unions were under the Bureau of Federal Credit Unions, under the Health, Education and Welfare Department.

M. Ray Landrum, president of FTFCU, says he believes the re-organization will strengthen credit unions the nation over.

Other members of the FTFCU's board of directors include Bill Teel, Geneva Williams, Edward White, Jr., Richard Collard, Dale Houlette and C.C. Scates.

The loan committee is composed of Ralph Roden, chairman, Leonard Coffey and Alvin K. Gaines.

Geneva Williams is treasurer and office manager. The office is located at 523 Main Street in Friona.

## Asks Names Of Servicemen

Ralph Taylor, commander of Friona American Legion Post #206, has requested that relatives of Friona area servicemen turn their names in to him, so that they may be recognized at the local July 4 celebration. Taylor is especially interested in securing names of men serving overseas, in Southeast Asia. Names may be called to Taylor at his barber shop, 247-2872.

## Lions Sponsor Law And Order Support

Friona's two Lions Clubs, following the lead of others in the area, are backing a drive to support the president, governor and local law officials in their efforts to quell violence and maintain law and order.

The Friona Lions are sponsoring an ad on page 6 of this issue which contains statements favoring law and order that local readers may clip, sign, and mail in to Mayor R.L. Fleming.

The statements received locally will be forwarded to Governor Preston Smith, who in turn will forward them to President Nixon. Frionans favoring law and order are urged to sign the forms and mail or bring them to City Hall.

## Leaders Disappointed At Preliminary Total

Various civic leaders expressed their disappointment over the preliminary census figures announced, including Chamber president Steve Messenger, City Manager Jake Outland and Charles Allen, vice president, Friona State Bank.

They had expected the city's 1970 population to be "at least" 3600, and most were fully expecting it to be over 4,000.

"I just believe we've grown more than that since 1960. We've seen entire streets and subdivisions go in since that time. That figure just can't be right," stated Allen, who said he personally thought the population would be around 4,250.

City Manager Outland said he thought the population would have been 3800 or 3850, based on utility connections.

CHANGING THE GUARD... Friona's two Lions Clubs featured officer installation during the past two weeks. In the top photo, Boss Lion Raymond Cook of the Friona Noon Lions is shown passing the gavel to new president Don Spring, and at the bottom, Alton Farr enacts the turning over of the reins to Dale Smith, in the evening club. Actually, the officer installation for the latter club will be held Thursday night, June 25.

WORKSHOP PRODUCTION... A sampling of scenes from "The Collection," a production which climaxed Friona's summer drama workshop were caught by the Star's camera last Thursday evening. At the top, Isidore Cordova, Glenn Hill and Vickie Mingsus are shown in a scene from "Romancers." Bill Wooley is shown doing his number from "Hello, Dolly." In the center panel, Jo Witten sings "You'll Never Walk Alone" to Holly Stevenson, from "Carousel." Lee Witten is shown in his skit from "Matchmaker." At the bottom, Phillip Duggins and Troy Messenger do a song and dance from "The Fantastics." Rita Beene sings the title song from "Hello, Dolly."

## TOP HONOR

# Star Claims Coveted State Press Award

The Friona Star won the coveted "General Excellence" award in statewide newspaper contests, it was announced last weekend at the state press convention in Houston.

This award, which has been the local newspaper's goal for the past 15 years, had always managed to elude the Star's editors and publishers, although the newspaper has won its share of awards otherwise.

"This is sort of like the state basketball crown was for Friona in girls basketball. It seemed like we could win everything up to the state General Excellence award, and still miss that one," said Star publisher Bill Ellis this week.

The local newspaper won a similar award in the Panhandle Press Association, a regional contest, earlier this year. It had also won the excellence plaque in the West Texas Press Assn., another regional contest, five times in the past ten years—or every time it was eligible

to win it. But the top state award had eluded its grasp until this year.

"We appreciate all of our subscribers and advertisers who contribute greatly to whatever success we have accomplished," Ellis said. "We would not be able to accomplish our goals without the wholehearted support of the people of Friona, and we have always had this," he added.

The "general excellence" award was presented to the Star on the basis of the local newspaper scoring more points in its division, for papers published in cities of 2,000 to 5,000 population, than any of the other 28 newspapers which entered in that division.

The Star received 100 points for first place in the "news pictures" division, for which it received another plaque, and another 75 points in the "appearance" division, for a second place.

The first-place plaque in "News pictures," which cannot be won in consecutive years, has been claimed by the Star in its division in the state contest four times in the past 10 years.

Another Parmer County newspaper, the Bovina Blade, received a plaque for winning the "news features" contest in the division for towns of less than 2,000 population.

Speaking well for West Texas, the "general excellence" winner for cities of 5,000 to 8,000 population was the Lamb County Leader-News of Littlefield. It, like the Star, is printed at Southwest Offset, in Hereford.

The West Texas area also claimed the state's top prize in the division for daily newspapers in towns of less than 15,000 population, as the Levelland Sun-News captured the award. The publisher of the Sun-News, Al Gardner, was killed recently when his light plane crashed on a return trip from Austin in stormy weather.

## Temperatures

Date	Hi	Low
July 17	100	65
July 18	103	66
July 19	99	66
July 20	92	61
July 21	92	60
July 22	81	55
July 23	85	58

Moisture: trace on July 20; .25 on July 22.

Admissions:  
Everett L. Gee, Friona; Patsy W. Rust, Friona; Guy Wilkins, Friona; Mike Beauchamp, Bovina; Penny Kay Durr, Friona; Mary Alvarado, Friona; Seferino Leal, Jr., Friona; Johnny Woodson, Friona; Deward Adams, Dimmitt; Lorenzo Herrera, Bovina; Annie Scott, Friona; Alpha Baker, Friona; George McKinney, Bovina; Ermine Mendoza, Hereford; Bertie W. Word, Hereford; Phillip Chambers, Friona; Johnny Hernandez, Bovina; Robert Zetsche, Friona; Lillie Mae Hearn, Friona; and Esther DeLa Cruz, Friona.

Dismissals:  
Everett L. Gee, Haute Curry, Esther DeLaCruz, Guy Wilkins, Mike Beauchamp, Patsy W. Rust, Seferino Leal, Jr., Deward Adams, Mrs. Leo Barrels and baby, Eric Rushing, Penny Kay Durr, Lillian Wheeler, Annie Scott, Johnny Woodson, Tim Thompson, Mary Alvarado, Ermine Mendoza, Phillip Chambers, Lorenzo Herrera, Alpha Baker and Lillie M. Hearn.

Patients in Hospital:  
Mrs. Juan DeLa Cruz and baby, Johnny Hernandez, Mabel Jones, William F. Lorenz, George McKinney.

## Pause and Reflect

By Nelson Lewis

"A cat may look on a King."

John Heywood (1497-1580) Granted that philosopher Heywood's remark was true in 1546 then it may not be amiss for a small town newspaperman to train his sights on a few of the "kingly" characters that sit in high places in this year of 1970.

Perhaps it is meet to follow the first adage with a second--the one about being "given an inch and taking a mile."

That, in this scribe's opinion, exactly describes the most recent fiasco spawned by the supposedly "Supreme Court."

To inform the world that young Americans may by virtue of a personal dislike for warfare be exempted from military service is to give the greatest possible aid and comfort to our foes.

The broadcasting of such information will counteract any slight advantage gained in the hum-drum Paris peace talks and will doubtless set off a day of rejoicing in Handl.

For many years the American people have worried, wondered, and wept as their once proud nation slipped farther and farther into the limbo of forgotten civilizations.

The aged weep with remorse.

The youthful face the future with confusion.

Two hundred million Americans look far afield to determine why we are torn apart at home and despised abroad.

Perhaps we have looked in the wrong places.

Perhaps we need to examine more closely our courts and our government officials at all levels.

Perhaps we need to remind them that nothing can be politically right if it is morally wrong!

Saturday's mail brought a piece of information that will bear further study and investigation.

The "Liberty Lobby" evidently a publishing company in Washington, D.C., is warning the general public of the dangers inherent in our Senators ratifying the "Genocide Treaty."

This treaty is the brainchild of the United Nations and was adopted by them on December 9, 1948.

The word "genocide" is defined as a "killing people" and comes from two Latin words "gens"-people and "caedere"-to kill.

In international law it refers to the crime of destroying, or conspiring to destroy, a national, ethnic, racial, or religious group.

Hitler's attempted extermination of the Jews is a good example.

The slaughter of thousands of South Vietnamese by the communists civilians is another.

According to the circular we received if our senators ratify the treaty and thereby make all of us subject to its terms, then anyone from President Nixon down to the lowest citizen can be arrested and taken out of the United States and tried by an International Tribunal.

The accused would be assumed guilty until he could be proved innocent--a complete reversal of our American method, and he would not have the protection of our constitutional law or bill of rights.

As stated above the question requires much more study and research than we are able to perform.

We mention it here for two reasons.

One--it seems a prime time for all of us to write our senators and ask for a full explanation.

Two--this column wishes to thank the person who sent in this information and all other readers who flatter us with your confidence in the effectiveness of a "grassroots" column in a small town newspaper.

After all, isn't that what Democracy is all about?

Just in--The Supreme Court has done it again!  
Now they say a six-man jury is just as effective as a 12-man jury.

In other words, a six-cylinder engine will run just as smoothly as a twelve-cylinder one.

## Chamber Rates Roses

Undoubtedly one of the best things to happen for Friona young people (and young adults) in several years was the summer drama workshop which concluded last week with the public performance at Friona High School.

It was unbelievable, the amount of progress which was made in the workshop in the short two-week period. It speaks well for Don (DeL) Lewis, local product who returned to direct the workshop activities.

The Chamber of Commerce is to be commended on sponsoring this activity, for it was well-accepted, and gave Friona young people something which will benefit them for some time to come.

We would hope that the drama workshop will become an annual affair. With this type of start, it would appear that it could blossom into quite a program.

## Flashbacks

...from the files of the Friona Star

40 YEARS AGO--JUNE 27, 1930

Friona can now boast of at least one resident aviator in the person of R.W. Parr, who has recently purchased an airplane of the Eagle Rock make. Mr. Parr keeps his plane in the hanger at Hereford except on occasions when he has it out for excursions or for practice. He graduated from a school of aviation in Chicago, and plans to give flying instructions upon securing his government license.

35 YEARS AGO--JUNE 28, 1935

P.W.A. workers were busy part of last week and early this week tearing out the old board sidewalk in front of J.J. Horton's store, and replacing it with a new smooth concrete sidewalk. The work is to continue on the west side of Main Street across Block No. 63 (the 600 block of Main Street).

25 YEARS AGO--JUNE 22, 1945

Rev. Clayton Day, 25 year old, recently accepted a call to the pastorate of the First Baptist Church in Friona. Although a young man, the new pastor is most favorably mentioned as an earnest and forceful preacher, speaking with the courage of his convictions. Following their arrival here on Wednesday, Rev. and Mrs. Day will be at home to the people of Friona and the community in the Baptist parsonage.

20 YEARS AGO--JUNE 23, 1950

Observers who have noted the trend in counties throughout the country to have a census count somewhat under the population estimates were not too surprised at the weekend release of Parmer population figures. Totals were 1196 for Friona, an increase of 396 since the last census. Bovina's total was 610, and Farwell was slightly over 500. Total population for Parmer County is 5,771.

15 YEARS AGO--JUNE 24, 1955

The new addition to Friona Wheat Growers' elevator, now under construction, is expected to be completed by the first of September, according to Arthur Drake, Wheat Growers manager. The elevator, having a million bushel capacity, will be composed of twenty-eight 30,000 bushel tanks and the star bins connecting the tanks.

10 YEARS AGO--JUNE 23, 1960

Construction of a brand new super market was announced this week as necessary papers were signed and the contractor started plans to begin work immediately for a new building to house White's Supermarket plus space for two more businesses, an automatic laundry and a ladies ready-to-wear shop. The new building will be built on the corner of Washington and Ninth Street in Friona, facing south.

5 YEARS AGO--JUNE 24, 1965

Bill Sheehan, who has practiced law in Friona ever since he graduated from law school 15 years ago, this week announced that he is leaving his practice in Friona and will move to Dumas.

## WHITE'S AUTO STORE

AUTHORIZED DEALER  
Friona, Texas

TO OUR FRIENDS AND CUSTOMERS:

In the light of all that has been said and written, we wish to express again our sincere thanks, that you have been so kind and understanding, in spite of our mistakes and our shortcomings.

We realize that we are not always right, that we do not always have the lowest prices, that we are not always the most prompt, and that we are not always the friendliest, but we try. Our Lord was the only perfect man, and the rest of us trust in His grace.

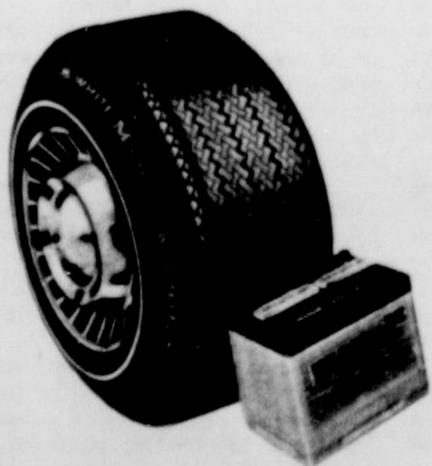

Believe us when we say we love and appreciate every one of you, and we are not offended if you go out of town occasionally to shop; maybe that will inspire us to do better. Besides, we have gone out of town at times ourselves.

You have been good to us. We don't know why, but you have. We try to do better all the time, and ask for your patience.

Sincerely,

Leland & Jo Hutson

## Flags To Line Route To Texas Production

Five miles of flags will line the streets of Canyon this summer whenever the "Texas" musical drama is playing. They will lead travelers to the door of the box office which is in Canyon, and then will salute them on the drive from the city to the Amphitheatre in the nearby Palo Duro Canyon State Park, there, the great lights reveal the "Texas" musical drama which plays nightly except Sundays from June 26 through August 31.

These flags will herald the fifth season of Paul Green's musical drama "Texas." This is a spectacular blend of music and dance, drama and sound played by a cast of seventy-five people. Their stage is at the base of a 600 foot cliff. Their story is the strains and celebrations of the settling of this area and their songs are the calls of the early western days.

Each night the bugle rivets the attention of the audience on the lone rider who bears his flag to the top of the high cliff.

Each night the thunder and lightning of a great storm crackle through the audience. And each night the actors tell of the land and its grip on them until people go away and say "So that's the way it was!" The directors of the produc-

tion, William and Margaret Moore of West Texas State University have announced that rehearsals began on May 31 this year. Members of the cast work eight hours a day before the opening for almost a month. They not only must learn the show but must condition themselves since they work in such a large area in the canyon. The theatre seats 1500. Barbecue dinner, free parking, souvenirs and drinks are available. And the drive to the theatre is a breath-taking experience.

"Texas" is one of six great historical outdoor shows written by Paul Green and playing this summer. The new one is "Trumpet In The Land", a story of the Moravians which opens for the first time this summer in Dover, Ohio. Another is the "Cross and Sword" in St. Augustine, Florida which is entering its 6th season. The "Stephen Foster Story" in Bardonia, Kentucky is opening for the 11th time. The "Common Glory" in Williamsburg, Virginia is telling the story of Jamestown for the 23rd summer, and the original "Lost Colony" is entering its 30th season.

It is wise to make reservations in advance, especially on week-ends. Write to "Texas", Box 268, Canyon, Texas, 79015, or telephone 806-655-2182.

### FOR SUMMER

## Electric Company Head Promises No Blackouts

"Don't hold back. Use all the electric power you want whenever and wherever you want in the 45,000 square miles that we serve. There is no electric power shortage in this part of the country," Roy Tolk, president of the Southwestern Public Service Company, said today.

The statement of the electric company president was made as a result of frequent articles in national magazines and other media which leave the implication that the whole nation faces a power shortage not only this year but "in the decade ahead", as one publication put it.

"At the end of last year, when we announced our plans to invest \$25,000,000 in new plant and equipment this year, I said, 'there'll be no blackouts in our service area in 1970.' That still goes. I'll add at this time that there won't be any in the future, either, as long as we have the right to plan our own future without outside interference. We have a responsibility to meet the electric service needs of this area and we have done

the planning required to carry out that responsibility," Tolk continued.

Southwestern Public Service Company has generating capability reserves that are 18% greater than the peak load which has been predicted for 1970.

"That's like saying you have \$118 put aside to pay a \$100 bill that you owe," Tolk pointed out.

Adequate reserves are normally considered to be generating capability that is equal to the largest single operating unit on your system. Southwestern's reserve capability for 1970 exceeds that margin of safety by nearly 100,000 kilowatts.

Southwestern is already looking down the line at its next 500,000 kilowatts of electric generating capability. At the present time, a 210,000 kilowatt unit, the first in a new facility southeast of Lubbock, is under construction and is scheduled to go into service in mid-1971. Projected units of 289,000 kilowatts of capability are in the planning stage for 1973 and beyond.

### SALT SCOOP

Hi! My name is Rosanne, and about once a month I am going to pass along to you some thoughts about that comfy old shoe that we all just take for granted: salt.

It is no accident that the term "salary" grows out of the word "salt." And salt can make your salary grow, since the white gold in that familiar blue package costs only half a penny or so an ounce. You just have to know how to use it in many handy ways.

Soaked in or rubbed on, salt can be refreshing. Chicago 60606 ing, make you healthier, even relieve tension. It can help preserve the glow of beauty's moment, yet lend a hand in cleaning and household chores the next. There are so many uses for salt that it sometimes is called the "fifth element." (Remember the others? Air, earth, fire and water.)

I will be telling you about salt's many uses later, but meanwhile, if you would like a brand new, handy little booklet that gives a lot of household hints with salt, just clip this article and the name of your newspaper and send them to me marked "Salty Solutions."

Do you know why we must have salt to stay alive? Our blood contains about the same concentration of salt as seawater does. Some doctors, though, restrict salt intake in a few of their patients to help relieve certain special medical problems. If you are in this group, there is a new salt substitute on the market that is tastier than most. Just watch for the little umbrella girl.

Direct mail for Rosanne to Morton Salt Co., 110 N. Wacker Drive, Chicago 60606

**CENSUS TOTALS**  
(Cont. from Page 1)

who live adjacent to the city but are not annexed to the city. Also, college students and military personnel were not counted in their home towns this year, and this could account for another 200 persons locally.

But the preliminary 1970 census figure means that for the first time in history, Parmer County has a city in the "urban" category, which means those of over 2,500 population. Never before has the county had any of its total listed in this column, but for 1970, the final total for Friona will be listed as "urban."

The 1970 census actually puts Friona into the "city" class for the first time officially, as a city is considered by the Census Bureau as those places with more than 2,500 population.

The three incorporated places in Parmer County showed a preliminary count of 5,659 in 1970, a gain of 1,589 and 39 per cent over the 1960 count of 4,070 for the three places.

This left a total of 4,715 residents of the county living other than in one of the incorporated places, and also marks the first time for the "town" population to be more than that in the "country" in Parmer County.

Using the preliminary figures 54.6 per cent of the county's residents live in town, and 45.4 per cent live in the country.

(Gemini, May 22-June 22)

Intelligent, quick-witted and lively, Geminians are "jacks-of-all-trades," but especially the trades which mean plenty of movement both of mind and body.

In love, those born under the sign are coolly affectionate, very expressive but rarely deeply held. They are joyful when they get the chance to experiment and explore, ask questions and make connections. Job-wise, they often work in the communications field, where they can gather and connect facts.

Traditionally they enjoy travel and frequently send flowers from places they visit. As FTD florists are easily accessible and can have flowers delivered anywhere in the world, Geminians jump at the chance to do so.

Among the signs germane to Gemini are its flower, the yellow chrysanthemum, its birthstone, aquamarine, and the main trait of those born under it, versatility.

To read or listen to the national news you'd think nobody has any electric power...

**BUT WE HAVE... AND YOU HAVE**

No power shortage worries here! We've plenty of extra electricity to supply the homes, industries, businesses and agri-industries everywhere in the 45,000 square miles we serve. Think you can get a new industry for your town? Go ahead... no worry about power shortages. Think you want a new electric air conditioner for your home or business? Go ahead... buy it... we've got the power ready to serve you! Yes, we've got all the power you need right now... and, we're planning for the future, too! Short term or long term... if your plans require electricity... you've got it!

PLENTY OF EXTRA ELECTRICITY HERE • USE IT AND ENJOY IT!!

### At Home In Parmer County

By Janice Miller  
County HD Agent

The "Dirty Dozen" of household equipment have been singled out by the Public Health Service.

These are classified as such because of the frequent home accidents they cause. The Public Health Service has released figures in approximate numbers for each that cause injuries during the year.

Leading the list is home machinery, such as power saws, electric drills and the like. These are responsible for 125,000 injuries a year. Heating devices such as furnace grates and space heaters are also responsible for approximately 125,000 injuries.

Power mowers, cooking stoves and clothes wringers are each responsible for 80,000 injuries. Others in the "Dirty Dozen" list include incinerators, 50,000 injuries; glass doors, 40,000 injuries; appliance cords, 35,000; sockets and extensions, 30,000; gas burners, 10,000 and

sun lamps causing another 10,000 injuries a year.

Try this sauce over peas, carrots, green beans or meat loaf.

**ONION AND CELERY SAUCE**  
Melt 1 tablespoon margarine in a saucepan.

Cook 1/2 cup finely chopped onion or celery in fat until tender.

Stir in 1 tablespoon flour  
1/4 teaspoon salt  
Slowly blend in  
1 cup milk

Cook over low heat stirring constantly until thickened. Add 1 teaspoon Worcestershire sauce if you like. Yields 1 cup sauce.

For a delicious fruit salad cooler, serve Honey Cream Dressing. To prepare one pint of this dressing blend 1/4 cup honey and 1/4 cup grapefruit juice into one pint sour cream. Chill and serve over your favorite fruit salad.

### On The Farm In Parmer County

MACK HEALD  
County Agent

In driving over the county it appears that the wheat harvest is about half through. The rain over the weekend slowed everyone down for at least one day, but if the weather cooperates throughout the week most of the harvest will be completed by June 27.

Greenbug and corn leaf aphids are still present in grain sorghum. They are spotted throughout the county and should be watched, so as to prevent a wide scale outbreak. Most of the milo is really coming out

of the cold days it experienced the first week of June.

The cotton that survived the sand should make it until another "disaster" hits it. Some fields have poor looking stands, but with the continued hot weather we had last week I'm hoping this situation will improve. It seems that everything has hit the cotton this year, from seedling disease and cold shock to thrip and sand blasting. It is a wonder that the cotton looks this good!

Please cut out on dotted line.

TO: The President, The Governor, The Mayor

I consider it a blessing, an honor and a privilege to live in the United States of America. I pledge to loyally support the President, the Governor, the Mayor, the Police Department, and all other officials in their actions designed to quell violence, promote peace and bring about the freedom, concord and unity for which our nation was founded and which stands as a bulwark in a world threatened by oppression.

I voluntarily affix my signature to this paper as proof of my allegiance.

Signed \_\_\_\_\_

After signing, send to your Mayor, who will forward to your Governor, who will forward to your President. You may mail or deliver this pledge to City Hall, or you may enclose it with your water, light, telephone bill, or any other correspondence with the city.

President

TO: The President, The Governor, The Mayor

I consider it a blessing, an honor and a privilege to live in the United States of America. I pledge to loyally support the President, the Governor, the Mayor, the Police Department, and all other officials in their actions designed to quell violence, promote peace and bring about the freedom, concord and unity for which our nation was founded and which stands as a bulwark in a world threatened by oppression.

I voluntarily affix my signature to this paper as proof of my allegiance.

Signed \_\_\_\_\_

After signing, send to your Mayor, who will forward to your Governor, who will forward to your President. You may mail or deliver this pledge to City Hall, or you may enclose it with your water, light, telephone bill, or any other correspondence with the city.

**HI-PLAINS**

**No-Hit Victim Scores 6-3 Win In Sr. Game**

Most times a baseball team is embarrassed when they don't get any hits in a game. However, Hi-Plains Feed Yard had this happen to them in the Friona-Bovina-Farwell Senior Little League last week and it didn't bother them a bit.

For the Feeders were still able to score six runs, and downed the league-leading, Sherley Grain team of Bovina, 6-3. It was Hi-Plains' second win in a row after snapping a seven-game losing streak.

James Sims, Hi-Plains pitcher, allowed just one hit for the winners. The game, shortened to four innings by the time rule, was one of the league's lowest scoring affairs of the season.

Hi-Plains scored their run with the help of bases on balls. In the second inning they took a 2-0 lead on walks to Rex Minshew, Sims, James Perea and an error on a ball hit by Kevin Wiseman.

The Feeders came back for three in the fourth on consecutive walks to Minshew, Mike Martin, Terry Thompson, and Wiseman.

The win left Hi-Plains standing at 3-7 for the season.

Benger Air Park missed an opportunity to gain ground on the Sherley team when they lost to them, 14-2 at Bovina last Tuesday.

Sherley erupted for four runs in the first and five in the second for an early 9-1 lead, and Benger never could get back in the ball game. Their only threats were in the first and fifth inning when they scored one run each inning. Johnny Bandy doubled in the fifth and scored the run.

The loss left Benger standing at 5-4 for the season. Their game against the Helton Oilers on Saturday was rained out.

Hi-Plains 021 3-6 0  
 Sherley Grn. 003 0-3 1  
 Minshew, 1-1-0; Martin, 2-1-0; Thompson, 2-1-0; Wiseman, 1-2-0; Sims, 1-1-0; Clark, 2-0-0; Gabehart, 2-0-0; Perea, 1-0-0; McCall, 1-0-0.

Benger Air Park 100 010-2  
 Sherley Grain 450 05x-14

**HAS 16 HITS**

**Friona Nine Blanks Kress Team, 11-0**

The Friona Tigers rampaged to their second win of the season in as many starts Sunday, whitewashing Kress, 11-0 in a three-hitter by Jackie Morgan and S.D. Baize.

The Tigers will be at home again this Sunday, when they host the team from Dimmitt. The game will begin at 2 p.m. at the Catholic Church diamond. Friona downed Dimmitt at Dimmitt two weeks ago, 11-7.

Friona again had on its hitting shoes in the game last Sunday, banging out 16 hits. Ramiro (Sapo) Montelongo, who is batting .778 after two games, again led the team with four hits, three singles and a double.

The Tigers jumped on Kress' starting pitcher for six runs in the second inning. Sam Perez stroked a bases-loaded double, clearing the sacks. Montelongo plated Perez with a single, and Mario Castillo added a double to score Montelongo.

Friona added two in the fourth on Montelongo's single and a triple by S.D. Baize. Two more scored in the sixth when Baize doubled and Ricky Royal singled and worked around for the score.

Morgan gave up only one hit through six innings, and Baize finished up. Baize and Lupe Ruiz each had three hits, as Friona had at least one hit in every inning except the third.

Missouri Beef Packers sponsors the Friona team.

**Some Wheat Yields Soar**

Some irrigated wheat yields are indicating that the 1970 crop may approach as near a "bumper" crop as the area has had in many years.

T.L. Burleson reported this week that a 43-acre patch on the Bernice Massey place yielded 82 bushels per acre. Jerry Brown said to have a yield of 72 bushels on his place. Tom Whaley had a 65 bushel yield. Others reported 60 bushel yields.

Growers say now if we could only get the price of wheat up. Market price this week in Friona was \$1.25 per bushel.

The wheat harvest was progressing nicely by mid-week, with little interruption from the weather. Elevator officials said if it stayed clear, the crop would be finished in a short time. Officials said there also were some low yields.

SWIPES THIRD... Ricky Royal is shown stealing third in this action photo from the game here Sunday in which Friona blanked Kress, 11-0. The Kress third baseman awaits the throw, which arrived a second late.

**LITTLE LEAGUE**

**Tasty Cream Retains Pee-Wee League Lead**

Tasty Cream retained its lead in the Pee Wee League last week without playing a game. The Tasties stand 4-1 for the season. Monsanto Ag Center, which had been in a virtual tie for the lead, suffered a 15-1 loss to Hi-Pro Feeds, and those two teams were tied for second at the week's end with a 4-2 record.

Ethridge-Spring kept in the league race by besting the B-J Bees, 16-6. Both of those teams stand at 3-3 and are just a game and one-half behind the league leaders.

In the Intermediate League, Star-Hurst scored its first win of the season, a 10-5 decision over Friona Feed Yard. Only team in either league without a win is Farmer County Implement, which stands at 0-5.

Ethridge-Spring used a five-run second and an eight-run third to topple the B-J Bees. Jeffrey Peak had three doubles and a single to lead Ethridge-Spring, and Park Weatherly, had a pair of hits.

Hi-Pro had three big innings in their romp over once-beaten Monsanto. Terry Wilcox had a triple in a five-run third and then socked a double to highlight a five-run fourth inning.

Monsanto bounced back with a 16-5 win over Ethridge-Spring. An 11-run first inning did it for Monsanto. David Porter had two hits in the inning, Jody Lewellen and Randy Patterson had doubles.

Star-Hurst banged out 11 hits, three by Dale Cleveland, in taking their first win of the season. Cleveland's homer helped the team to a 3-1 first inning lead, and he socked a double in the team's four-run fourth which gave the team a 10-4 lead.

Friona State Bank rolled to its fourth win of the season

without a loss, dropping Reeve Chevrolet, 10-2. However, the bankers had to rally for eight runs in the fifth and sixth innings to snap a 2-2 tie.

The Bank slammed out nine hits in the last two innings, scoring four in each, to assure the win.

On Thursday, Friona Feed Yard avenged their defeat earlier in the week by edging Star-Hurst, 4-3 in one of the better games of the year.

Kevin Welch's leadoff double in the fifth inning resulted in the winning run.

Friona State Bank's fifth win of the season again was a come-from-behind job, as they edged Reeve, 6-5 in another cliff-hanger. Reeve had taken a 4-1 lead in the fourth and seemed enroute to handing the bankers their first loss of the season, but their opponents struck for five runs in their last two times at bat for the win.

## Morning Brunch Is Courtesy For Bride

Mrs. J.T. Gee, Mrs. Bill Bailey and Mrs. Declmae Beene were hostesses at a brunch in the Gee home at 10:30 a.m. Saturday, June 13. Connie Schlenker, who became the bride of Joe Bob Johnson that evening was the honoree.

kie Clark, Mrs. Billy Sifford and Mrs. T.F. Rodgers, Lubbock.

## Seven Attend Workshop

Grapefruit baskets filled with grapes, cherries, strawberries and sprigs of mint were served with ham and chicken pin wheels, hot rolls, jellies and preserves. The centerpiece was of pink roses and carnations.

Seven officers of the Dawn and Dusk Chapters of Future Homemakers of America of Friona High School attended a two day workshop on the Texas Tech University Campus in Lubbock Thursday and Friday.

After brunch rice bags were made.

The workshop began with a general session in the coliseum at 10:00 a.m. Thursday. Group sessions for different aspects of the FHA program were conducted in the afternoon at the same place. The Friday sessions were conducted in the Student Union Building.

Others attending were Mrs. Herschel Johnson and Mrs. Carl Schlenker, mothers of the bridal couple and Mrs. Floyd Schlenker, grandmother of the honoree.

Those making the trip were Cindy Barnett, Glenda Deaton, Susan Floyd, Nancy Martinez, Janice Milner, Carol Reeve and Debra Wily. They were accompanied by Mrs. Glenn Floyd and Mrs. Fay Reeve. The group returned to Friona Friday afternoon.

SUMMER READERS. . . These five youngsters were among the first in the Friona Public Library's Summer Reading Program to capture the "Green Dragon" by reading twelve books. Kneeling left to right are Darrell Mason, who was the first reader on the honor roll, Becky Norwood and Burk Vestal. On the back row is Sharla Duggins and Tera Simpson.

## Luncheon Honors Monte And Jan Welch

A luncheon in the home of Mrs. Bearl Dean Broyles in the Hub Community at noon Tuesday was a courtesy for Monte and Jan Welch. Co-hostesses was Mrs. Jimmy Mabry.

The tables were covered with green linen cloths and centered with bouquets of roses tied with pink ribbons. Places were marked with white miniature baskets with white wedding bells tied onto the handles with pink ribbons.

served by the hostesses, who presented the honoree with recipe boxes and inspirational books.

Guests, who were asked to bring favorite recipes were Mrs. Nelson Welch and Mrs. Louis Welch, mothers of the honorees; Mrs. Dewayne Bishop and Gay and Holly Welch, sisters of the honorees.

Also Mesdames V.R. Wilcox, Clyde Woodard, Yale Canfield, Wayne Wallace, Sterling Graham, Ross Miller and Eugene Bandy.

The honorees, who are cousins, will be married in separate ceremonies at different times Saturday.

## Freemans Return From Vacation

Deputy and Mrs. Garland Freeman returned home Wednesday after spending about ten days vacationing and visiting relatives. In Winters they were guests in the home of Mr. and Mrs. Lawrence Chapman, Mrs. Chapman and Mrs. Freeman are sisters.

From Winters they went to Houston sightseeing and visiting relatives and friends. Then en route home they visited in the home of Mr. and Mrs. Guy Andrews at Mexia and in Austin before getting back to San Angelo where they were guests in the home of Mr. and Mrs. Chester Campbell and family. Mrs. Andrews and Freeman are brother and sister and Mrs. Campbell and Mrs. Freeman are sisters.

## G. L. Mingus' Services Set

Funeral services for G.L. (Shorty) Mingus, who died at his home about 7:00 a.m. Tuesday, will be conducted from First Baptist Church at 2:30 p.m. Friday. Rev. Joe Hub Collier, Oklahoma City, will be the officiating minister. He will be assisted by Rev. Broadhurst.

G. L. MINGUS

Mingus, who was born in Cedar County, Missouri, February 12, 1898, died at his home following an apparent heart attack. He moved to the Friona area from Arnett, Oklahoma in 1926. He was a retired farmer.

Survivors, include his wife, Ethel, two daughters, Mrs. Elsie Allen and Mrs. Mildred Agee, both of Friona; three sons, Lloyd, Glen and Ernest, all of Friona; one brother, Carl Mingus, Porterville, California.

Wright Williams, Sam Williams, Ralph Roden, J.B. Buske and Marc Houser.

Burial will be in Friona Cemetery under the direction of Claborn Funeral Home.

### NEW COLOR FOR MEN

Fashion authorities used to bemoan the lack of color in the male wardrobe. Now men can be decked out in the most brilliant plumage, especially when it comes to sportswear. For example, the company which makes Levi's pants lists in its current catalogue such hues as caramel, tropical green and paprika. They offer plaids, stripes and hounds-tooth patterns, and fabrics run the gamut from poplin to corduroy with gabardine and flannel in between. One wild print called Aquarius is made in Zodiac Blue, Occult Green and Horoscope Red.

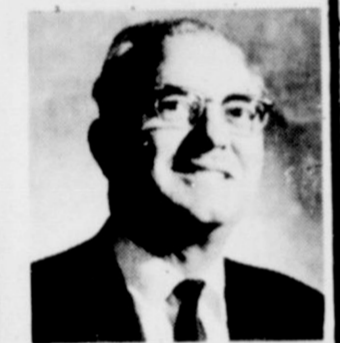

## MOST UNIQUE USEFUL GIFT! TWISTY KEY KEYS

This ingenious creation of an aerospace firm makes the perfect low-cost gift for men, women, teenagers. Outlasts more costly key holders by years. No links to loosen . . . no chains to break . . . no more lost keys. In-venting patented "twist-lock" opens easy-stays closed in pocket or purse. Smart gold finish. Unconditionally guaranteed. In beautiful gift box.

\* \$1.00 each  
\* Strength of a steel ring  
\* Flexibility of a chain

## Rayburn Collier Buried Recently

Funeral services for Rayburn (Static) Collier, 54, of Artesia, New Mexico, were conducted at First Presbyterian Church there at 3 p.m., Friday, June 12.

Collier died June 10 following a heart attack.

Survivors include his wife, Jim, a son, James Ray, who is a student at Oklahoma University, Norman; his mother, Mrs. Carrie Collier, Ringling, Oklahoma; and two brothers, D.C. Collier of Artesia and Rev. Joe Hubb Collier of Tulsa.

Frionans attending the funeral were Mr. and Mrs. Joe Collier, Mr. and Mrs. David Moseley, Mr. and Mrs. Jack Moseley and Mr. and Mrs. James Boyle.

Mr. and Mrs. Hugh Moseley, Farwell also attended.

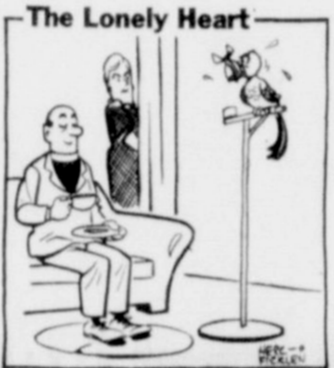

## Mike Taylor Attends Boys State Conclave

The thirtieth annual American Legion Boys State sponsored by the Department of Texas was held on the Campus of the University of Texas last week with 785 high school boys from all parts of Texas, and two from Mexico, taking part.

Among those registering were Mike Taylor of Friona and Gene Sheets of Farwell, who were sponsored by local American Legion Posts.

Following registration, each citizen was assigned to one of two political parties--the Nationalist or Federalist. Each citizen then functions as a member of his party he attends its precinct, county and state conventions and votes in its primary.

In Boys State, the American Legion provides the type of program where the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing."

## Rep. Price To Judge Essays

Congressman Bob Price has agreed to judge the essays in the contest sponsored by New Horizons Junior Study Club, it was announced this week.

The essays, which were to be written on the topic of "Americanism," were sponsored in conjunction with Friona's Fourth of July observance. Winners will be announced the evening of July 4 at the formal program.

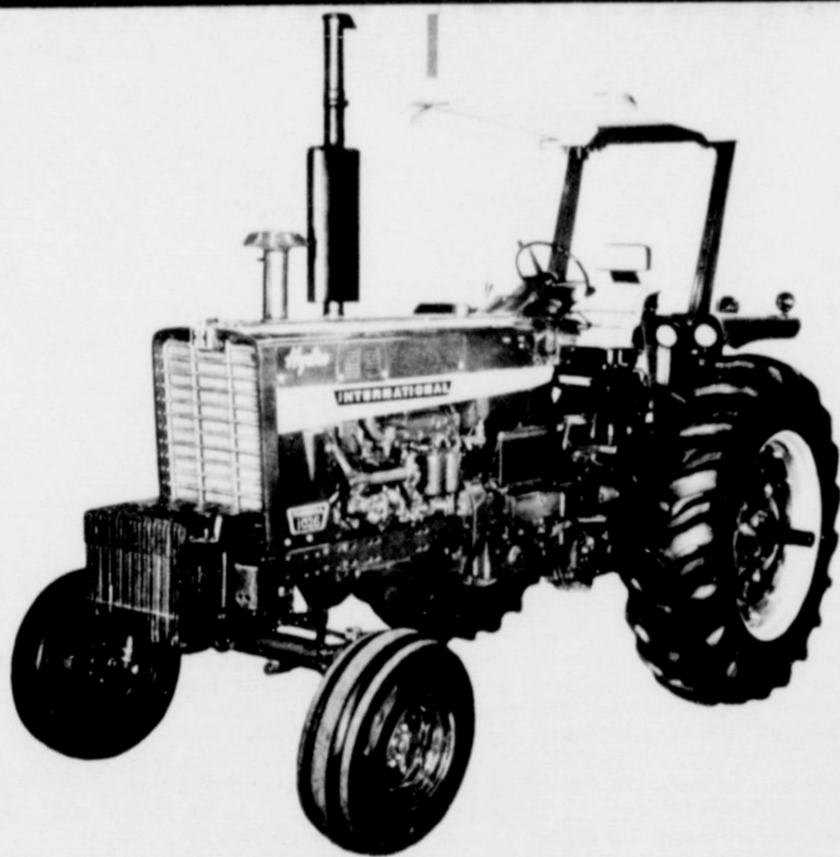

## Club Drives For Bells On July 4 Here

The Progressive Study Club is sponsoring a drive to get everyone in Friona who owns a bell, be it a church bell, a hand bell or what have you, to ring them at 1 p.m. CDT, on the Fourth of July.

This is part of a nationwide program which was begun in 1962 by historian Eric Sloan. More details on the bell-ringing will be announced next week. Meantime, residents are urged to be searching out their bells, so they may be ready for the event.

# LOOK!

## It's The Big 112 HP Tractor With Hydro- Static Drive

1. Infinite speeds at full power from 0 to 20 mph. The right ground speed for all field conditions. Speeds can be changed instantly "on-the-go" under load or with no load.
2. Post. Hydrostatic Drive makes it easy to get the right speed and power for every job. You can do more work in greater comfort.
3. No clutch or pressure plate. Increased maneuverability because no clutching or shifting is required.

4. One-lever control and anything between. The ability to maintain full engine horsepower at any speed the operator selects.
5. Accurate speedometer and separate tachometer.
6. Boosts your Production up to 20%.
7. 407 Turbo Diesel Engine. Big 6-cylinder turbo work power--real IH "no-quilt" lugging coupled with the many operating advantages of Hydrostatic Drive.

## What's right about America?

Today, the surest means of a book becoming a best seller is for the author to highlight and denounce bitterly the faults of this country. The same can be said of television and the movies, which prefer in these modern days to depict the seamy side of life in America.

But there's hope. As I have moved across this state, I have sensed that our people are growing weary of gloom. It's becoming easier to strike up a conversation on what's right about America.

I always suggest that there are a lot more level heads in this country than we are sometimes led to believe. There are a lot more decent, law-abiding citizens than there are criminals and cheats and sharks. There are a lot more young people in the "now" generation who want to improve America than the handful of radicals who want to burn it to ashes and start all over.

I can understand why the "majority" has broken its "silence." There's a growing impatience with agitation and controversy. But I feel we should continue to approach our nation's problems with a cool head and an open mind.

I've listened to the voices of dissent. I think I know what they're asking of their government.

One thing they want is confidence. They want the assurance that their public officials have the courage to meet the issues of the 1970s with imagination and integrity, and not with some form of "old politics" that thrashes around with problems but never quite locates the workable solutions.

It was my desire to answer this urgent need that prompted me in January to seek the office of United States Senator.

Paid for by Bentsen for Senator  
Com. John Mobley, Chrm.

MRS. JOE BOB JOHNSON

### Connie Schlenker Becomes Bride Of Joe Bob Johnson

In a double ring ceremony at the United Methodist Church at 7:00 p.m. Saturday June 13, Connie Lynn Schlenker, daughter of Mr. and Mrs. Carl R. Schlenker, became the bride of Joe Bob Johnson, son of Mr. and Mrs. Herschel Johnson. Rev. Otto Kretzmann, pastor of the Lutheran Church, read the vows before an altar arrangement centered with a basket of white gladiolas and pink carnations. A candle arch flanked by greenery and spiral candelabras, holding pink tapers completed the setting. Family pews were marked with satin ribbon entwined with ivy.

Mrs. H.K. Kendrick, organist played traditional wedding selections and marches. She accompanied Kathy McLean, vocalist, as she sang, "Oh, Perfect Love," "Wither Thou Goest," and "The Lord's Prayer."

Carleen Schlenker, sister of the bride was maid of honor. Bridesmaids were Judy Phipps, Mary Aigaki, Olton, and Kay Johnson, sister of the groom. Jackie Clark, Lubbock, served as best man. Groomsman and ushers were Ronnie Brookfield; James Schlenker, brother of the bride; George Rushing; and Floyd Schlenker, another brother of the bride.

Candlelighters were Carla Beth Bauer and Kenny Sifford, cousins of the bride. Pam Spring, Bovina, cousin of the bride, was flower girl and Cole

Fulks, Friona was ring bearer. Special guests were grandparents of the couple, Herman Schueler, Mrs. F.T. Schlenker and Mr. and Mrs. David Moseley.

The maid of honor wore a formal gown of pale pink sheer dotted swiss over matching slipper satin designed with a wedding ring collar, empire waistline, brief puff sleeves, and a matching bow in the back. Her headpiece was pale pink velvet tubing loops and long streamers with pink sweetheart roses. She carried a colonial bouquet of pink carnations and baby's breath tied with white tulle and long pink satin streamers.

The bridesmaids and flower girl wore gowns and headpieces identical to the one worn by the maid of honor and carried identical bouquets. The candlelighter also wore an identical gown and wore a corsage of white carnations.

As the bride was escorted and presented in marriage by her father, she wore a formal gown of sheer silk organza and Chantilly lace over bridal satin, styled with a wedding ring collar and long Camelot sleeves. Lace motifs were scattered over the A-line skirt which was finished at the hem with a wide band of matching lace. The matching chapel length mantilla veil was finished with a wide band of lace.

She carried a bouquet of pink bridal roses set in white tulle and baby's breath entwined with ivy. For something old, she wore a gold-link necklace with

CONNIE STONE. . . Mr. and Mrs. Travis Stone of the Black Community have announced the engagement of their daughter, Connie, to Bryan Jameson, son of Mr. and Mrs. Earl Jameson, Friona. The couple plans to exchange wedding vows at 6:00 p.m., Saturday, August 1, at Calvary Baptist Church. Invitations are not being mailed locally, but friends are being invited to attend.

A ruby set which had once belonged to her maternal great-grandmother. For something new she wore her wedding gown. For something borrowed she carried a linen handkerchief with handembroidered pink roses belonging to her aunt Mrs. Franklin Bauer. For something blue she wore the traditional blue garter presented to her by the maid of honor.

For her daughter's wedding, Mrs. Schlenker chose a blue and white knit two piece suit, white accessories and a pink orchid corsage. Mrs. Johnson, mother of the groom, wore a pink silk dress with jeweled buttons, white accessories and a pink orchid corsage.

The serving table for the reception was covered with a pink cloth under a white Quaker lace cloth and centered with a memory candle and the bride's bouquet. A three-tiered wedding cake and crystal appointments completed the table. Cake, nuts, and mints were served by Mrs. Tommy Barrow, Canyon; Mrs. Wayne Pace, Denver City, and Mary Short, Canyon.

Guests were registered by Mrs. James Schlenker and Mrs. Larry Johnson, Amarillo. Others in the houseparty were Mesdames Bill Brandt, Vernon Roberts, Grover Goggans and Florian Jarecki.

For a wedding trip to Colorado, Mrs. Johnson wore a three piece blue and white dacron suit, white accessories and a pink rose corsage.

The couple is at home in Friona where he is employed in farming.

Mr. and Mrs. Johnson honored the couple and attendants with a rehearsal dinner in the Parmer House Restaurant Friday evening. Tables were decorated with pink candles and a basket of pink roses and baby's breath.

Other courtesies extended were a brunch Saturday morning in the home of Mrs. J.T. Gee. Other hostesses were Decima Beene and Bill Bailey. Members of the bridal party were hostesses for a lingerie shower held in the dressing room before the ceremony.

For her wedding the bride chose a white street length

MRS. JERRY STEED

### Howell-Steed Vows Read In Anton Church

In a double ring ceremony at First Baptist Church in Anton, at 7:00 p.m. Friday, June 12, Risa Howell became the bride of Jerry Clee Steed. The vows were read by Rev. O.J. Peters.

Parents of the couple are Mr. and Mrs. N.H. Steed Jr. of Morton, and Mr. and Mrs. Charles Howell, Drumright, Oklahoma, former Friona residents.

For her wedding the bride chose a white street length

MRS. ROCKY SHANE STEELMAN

### Connie Fallwell Weds Rocky Shane Steelman

In a double ring ceremony at First Baptist Church at 8 p.m. Monday, June 8, Connie Louise Fallwell became the bride of Rocky Shane Steelman. The wedding vows were read by Rev. Charles Broadhurst, pastor.

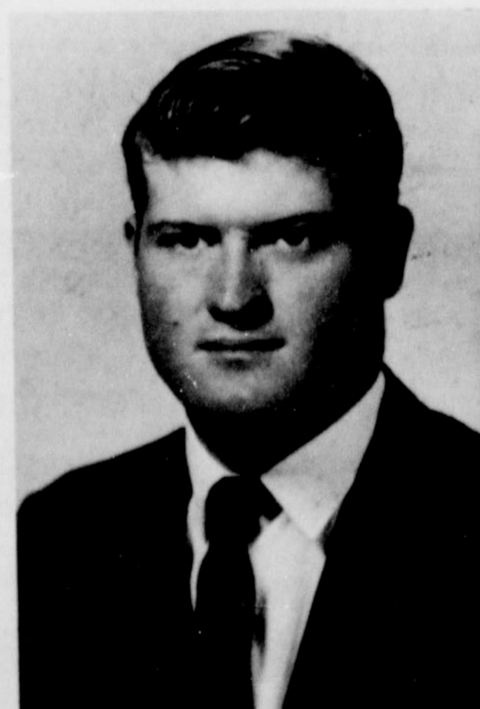

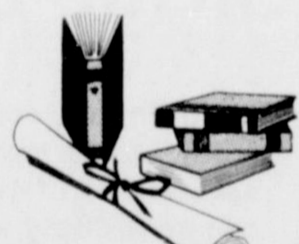

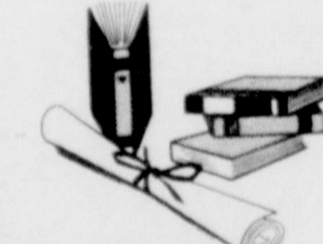

Parents of the couple are Mr. and Mrs. Artis Fallwell of Friona and Carroll Steelman, Bovina.

Traditional wedding selections were played by Gail O'Brien, pianist.

Linda Perkins was the maid of honor. She wore a pink dress and a corsage of white carnations.

Donnie Meason of the Hub Community was the best man. The bride wore a street length dress of white lace. It was designed with a scoop neckline, long full sleeves which were gathered onto wide cuffs and an A-line skirt. She carried a bouquet of white stephanotis.

Following a wedding trip, Mr. and Mrs. Steelman are at home at 905 Prospect. He is employed by Dale Widner. For travel Mrs. Steelman wore a three piece suit of beige and gold and a yellow orchid corsage.

TWO FRIONANS LISTED ON ROLL. . . Linda Outland, a senior art student, and Martha Martin, a senior elementary education major, were listed on the Dean's Honor Roll at Texas Tech University, Lubbock, for the spring semester. Miss Outland, who is a 1966 graduate of Friona High School and the daughter of City Manager and Mrs. A.L. Outland, maintained a grade point average of 3.13. Miss Martin, daughter of Mr. and Mrs. Clarence Martin and a 1967 graduate of Friona High School, is an elementary education major. She maintained a grade point average of 3.63 for the semester.

REEVE MAKES DEAN'S LIST. . . David Reeve, who was a sophomore pre-med major at McMurry College, Abilene, qualified for a place on the Dean's List by making a grade point average of 3.5 or above during the spring semester and ranked among the top 10% of his class in academic performance. Reeve, who is a 1968 graduate of Friona High School and the son of Mrs. Fay Reeve and the late Hadley Reeve, is an employee of Parmer County Community Hospital this summer. He plans to return to McMurry this fall.

TWO LISTED ON DEAN'S ROLL. . . Two Friona High School graduates, Becky Coffey Weatherly and James E. Sides, were listed on the second semester Honor Roll at West Texas State University. Mrs. Weatherly, who is the daughter of Mr. and Mrs. Leonard Coffey, was a sophomore math education major and carried a 2.9 average. Sides, whose parents are Mr. and Mrs. Billy B. Sides, is a junior physical education major. His average is 2.6.

## Local School Nurse Enrolled In Workshop

About sixty school nurses from eleven states are attending a five day conference on the University of Colorado campus at Boulder considering changes which have occurred in their practices during the past two years.

These nurses have been engaged in a two year professional self-evaluation process. The review workshop was requested by the enrollees in two previous sessions who desire to evaluate changes which have occurred in themselves and their professional practices, why the changes came about,

and what further changes they would like to see.

One of the participants is Mrs. Tommie Mercer, 1603 West 10th Street, Friona. Other Texas residents taking part in the program are from La-Marque, Lubbock, Westlaco and Houston.

Other states having representatives are Colorado, Kansas, Nebraska, New Mexico, Arizona, Utah, Oregon, Missouri, Iowa and Minnesota.

Mrs. Mercer, local school nurse, expects to return home this weekend.

## Shirley White Is On Honor Roll

Shirley Jean White, daughter of Mr. and Mrs. Ray White, Friona, has been named to the Dean's Honor Roll at Wayland Baptist College with a 3.66 average for the spring semester.

Miss White, a 1967 graduate of Friona High School, was graduated from Wayland during spring commencement ceremonies. She received the bach-

elor of arts degree in biology and a minor in English.

At Wayland, Miss White served as vice-president of the Biology Club, and Baptist Student Union publicity vice-president. She was also a member of Sigma Tau Delta and Alpha Chi.

Miss White plans to enter the teaching profession.

COOKING CLASS GRADES... The "Food Fun For Juniors" cooking class sponsored by Deaf Smith Electric Co-operative held a graduation party for the mothers last Friday afternoon. Several members of the class are shown here sharing punch and delicacies which the girls made in class. Graduation certificates were handed out by Sloan Osborn. Terry Byerly was instructor for the class.

## Miscellaneous Shower Fetes Margaret Wilson

A miscellaneous bridal shower in the home of Mrs. Glenn Floyd, 1301 Columbia from 7 to 9 p.m. Friday, was a courtesy for Margaret Wilson, who became the bride of Charles Kuntz of Dimmitt Sunday afternoon.

The serving table, which was covered with a white hand crocheted cloth, was centered with

## Lents Are Guests In Johnson Home

Chaplain and Mrs. Peter Lent, Craig, Ruthie and Janice were houseguests last week in the home of Mr. and Mrs. Herschel Johnson and Kay.

The Lents have returned to the states following a three year stay in Heidelberg, Germany where he was chaplain of Mark Twain Chapel.

He will be chaplain at Fort Leavenworth, Kansas, after July 15.

The Lents are driving from New York to California.

## Lodge To Hold Open Installation

Plans have been completed for open installation of officers of Friona Masonic Lodge No. 1332. The ceremony will begin at 8 p.m. Saturday, June 27, at Masonic Hall, Seventh and Ashland.

All members of the lodge are being invited to attend and to bring their families with them.

In 1889, a gasoline-powered automobile made the 900-mile trip from Kokomo, Indiana, to New York without an axle failure—a notable achievement at that time. The car was equipped with one of the first axles of tough, strong nickel steel.

## Colliers Renew Local Friendships

Rev. and Mrs. Joe Hubb Collier of Tulsa, Oklahoma, have been visiting Friona relatives and friends. Monday evening Mr. and Mrs. David Moseley hosted an outdoor supper honoring the visitors.

Others present were Mr. and Mrs. Joe Collier, Mr. and Mrs. James Boyle, Mr. and Mrs. Charles Allen and Mr. and Mrs. Herschel Johnson and Kay, Mrs. Inez Wheeler, all of Friona, and Mr. and Mrs. Hugh Moseley and David of Farwell.

Later callers included Mr. and Mrs. Claude Osborn, Mrs. Sloan Osborn and Mrs. J.B. McFarland.

## Visit Here

Mrs. Jeannette Taylor and daughter, Etsy, of Philadelphia, Pennsylvania, are visiting in the homes of Mrs. Mabelle Hartwell and other relatives here.

Mrs. Taylor is Mrs. Hartwell's daughter.

## Local Rainbow Group Attends Assembly

Eight Frionans attended the Grand Assembly of Texas Order of the Rainbow for Girls at Dallas Memorial Auditorium June 15 through 17. Theme of the assembly was "Love and Happiness."

The motto was "Love is the key to happiness," the flower was a red rose and the colors were red and gold.

Those attending from Friona were Jenisu Fallwell, grand representative from California to Texas; Fran Dodd, member of the grand choir, Veva Welch, Jayn Massie, Barbara Allmon, Terry Bingham, Mrs. Lillian McLellan and Mrs. Grady Dodd.

Judy Bellegante, Burney, California, who is the grand representative from Texas to California, stayed with the Friona group.

Jayn Massie, Fran Dodd, Judy Bellegante, Jenisu Fallwell and Mrs. Grady Dodd at-

tended the Grand Cross of Color breakfast at the Statler-Hilton Tuesday morning and took their vows Tuesday evening at a closed meeting.

Jenisu Fallwell attended the grand officers luncheon; Fran Dodd attended the grand choir luncheon and Mrs. McLellan attended the mother advisor's luncheon on Tuesday.

The entire group visited Six Flags Over Texas Monday.

## Dedication Is Postponed

Due to the illness of Bishop DeFalco, it has been necessary to postpone the dedication planned for St. Teresa's Catholic Church parish hall. The open house and dedication, which were scheduled for Sunday, will be re-scheduled later.

## Candlelight Ceremony Installs Club Officers

Following a noon luncheon at Federated Women's Club recently Mrs. Joe Moyer presided over a formal candlelight ceremony during which officers for the coming year were installed. Featured in the ceremony was a five pointed star depicting the importance of fulfilling duties of the different offices.

Mrs. Ethel Bengler was installed president. Others installed were Mrs. Bessie Boatman, vice president; Mrs. David Moseley, secretary-reporter; Mrs. Mabelle Hartwell, treasurer; and Mrs. M.B. Buchanan, parliamentarian.

During a brief business session, which was presided over by Mrs. E.S. White Sr., Mrs. M.B. Buchanan was elected parliamentarian.

A memorial service for Mrs. Edith Lillard, a former club member, was presented by Mrs. Moyer. She was assisted by Mrs. O.T. Patterson, pianist; Mrs. Bessie Boatman, Mrs. O. L. Lange, Mrs. C.W. Dixon, Mrs. Mabelle Hartwell and Mrs. Malinda Schlenker.

Outgoing officers were hostesses for the luncheon.

8 to 10 p.m.

## Sincerely Yours

BY REV. ALBERT LINDLEY

I suppose that in the beginning I should tell you something about myself and try to give some early explanation as to why I think I can dare write an article for this spot each week.

Honestly, I'm not sure I can. There has been an adventuring spirit in my background but it is possible that I let it get out of hand when this opportunity came along.

We'll spend this time together with you reading my thoughts and then thinking about them and then seriously wondering yourself, what it really meant, and quite frankly, it might not mean a thing. . . . But you'll never know until you read it because I very often don't say anything worthwhile until the last sentence. I'm sorry, but that's the way it turns out. . . . It takes me that long to think of something.

I must explain that I honestly feel that our old world is going through terrible times and I don't try to belittle the situation—however, I may make fun of it. We need some of that ever so often. I think that life is good and worth while and it is not meant to simply waste away in a state of hopelessness.

We do have hope—and religion is not made up of a list of "no-no's"—it can also bring joy and happiness and enjoyment—and that will be the basic idea for my attempts at whatever it is here that I am attempting.

The Broadway Show of "Guys and Dolls" (that sure dated me) had a line in it where the Salvation Army Captain, on a cold, snowy windy night, said of a cup of coffee he was drinking, "Hum-m-m boy, that's so good I wonder it isn't a sin, too." Well, all good things are not sin and we will be enjoying the happiness of life and spread some fun around—we may even have a good word to think about. . . .

Other than the little weekly article that I have in our Church paper, this will be a new "wrinkle" for me—that of writing for a paper and trying to make it worth your

reading.

Probably it would be good to lay some ground rules—so,

First of all—Don't always think something worth while will be in this weekly article. . . . Babe Ruth didn't hit a home run every time he got to bat and also he happened to be the "strike out King" as well. . . .

Secondly, we need to know that I joke and jest and use big words and get personal—personal for me and personal for you—so you will have to be on your toes. . . . or you may think I'm getting on yours. . . . and I may be. . . .

Thirdly, you probably need to have some assurance that this is well founded with proper statistics—computerized data—factual info and pure truth. . . . We. . . . I. . . . I think I could safely say that most of the time you will be safe to assume that I'm on the right tract—but then again—well, work it out for yourself. . . . I have to. . . .

But you know—that's the way life is and we have to work it out too. . . .

There are some certainties and some not-so-certainties and we bungle our way through it all trying to find some workable solution—and often enough, what we find probably suits us more than it does God and we go right on with it because it's what we want. . . .

The real problem with this, is that we are often willing to sell ourselves short. (Gee, I don't want to sound like I'm preaching.) But then, I guess that's part of it too, we really don't want to take the chance that God just might not be pleased with us. . . . WOW! That does smart!

That really isn't a very happy note to leave on with this first shot but I said in the beginning—or was it someone else?—our personal answers to the problems are not always the right ones—so again, we need to be thoughtful and careful and work it out for ourselves and—good luck!

I've recently learned that the Floyds are not the only Frionans who have been befriended by the Rocket Motel in Post. Sometime ago Dr. and Mrs. Alexander and children were traveling in that direction and were overnight guests at the Rocket. When they reached home, they discovered they had left one of the children's pillows in the room.

Sarah wrote the motel about the pillow which had been left and a few days later received it in the mail.

Since then a relative of the Claborns died in Post. The management of the Rocket sent word to the family that anyone who came in to spend the night would be welcome to be a guest there. One out-of-town relative, unaware of the motel's hospitality, registered for the night. Before check-out time the next day, some employee had learned of the relationship and there was no charge for the stay.

Some of the most interesting things occur as weddings are being planned and before festivities are over. The past two weekends will probably long be remembered locally as "one of those weekends we had so many weddings."

One man was heard to remark, "My wife attended a wedding last night, another one this afternoon, and as soon as she comes by we are going to another one this evening. I needed some rest, so had to miss one."

It isn't often that we have three weddings the same weekend when the brides and bridegrooms are all "locally grown." Such was the case that weekend. Phyllis Renner and Gary Murphree were married on Friday evening; Cheryl Neill and Gene Weatherly were married Saturday afternoon and Connie Schlenker and Joe Bob Johnson were married later the same day.

The last two were just a matter of hours apart. Some of the same people were involved in both weddings, so it was difficult for the bride to make plans to avoid any conflicts. However, everything was so well planned and scheduled that there were no real problems.

One young man was an attendant at both weddings, but he had time to complete his duties at the first one before going to the second one.

One of the girls in the Neill-Weatherly reception arrived in Amarillo by plane just two hours before the ceremony was to begin. Her parents met her at the air port and were able to get to the wedding on time, but in the hurry and excitement the young lady became so confused that she wore ear rings which did not match. Maybe no one observed her closely enough to notice and since she wasn't aware of it, she didn't suffer from embarrassment.

Wouldn't it be nice if none of us discovered such things until the functions we are attending were all over? Generally, we think about forgetting to do something right in the middle of whatever activity we are engaged in and miss some of the enjoyment of worrying about something we can't do anything about.

Phyllis Renner wore an heirloom ring which had been worn by her mother in her wedding twenty years before. The ring, which originally belonged to Betty's great-grandmother, was more than 100 years old and was brought from Arkansas by the present owner, who is an aunt of the bride.

A person would just have to witness the Welch family activities Friday and Saturday to believe one family could attend so many functions in such a short time with such a minimum of confusion. The weather cooperated beautifully for the first ceremony. Monte, who is Nelson's and Lorraine's youngest daughter, became the bride of Sandy Bailey in an outdoor ceremony at 10:30 a.m.

The tall trees provided shade for the guests, the bunk house type storage house was just right for the organ, the house and fence kept the gentle breeze from interfering and everything seemed "just right."

Petunias bloomed in the planter to add color. The only thing which failed to cooperate was the geraniums. The plants were beautiful, but it looked like they forgot to bloom.

The noon barbecue was held in the same yard and hosted by Nelson and Lorraine and Louis and Marnie Lou. An added attraction was organ and violin music by Eva Miller and Dalton Teague, who is one of Lorraine's brothers-in-law.

In the evening the backyard of the Louis Welch country home was very pretty, but the weather caused some anxious moments. No rain fell, but the clouds were nearby. Soor after Jan, the oldest daughter in that family, became the bride of Lenney Petree of Hereford, raindrops began to fall.

One guest at the wedding, Mrs. Jeannette Taylor of Philadelphia, remarked, "I'm so glad I could be here at this time. Last week I attended the wedding of another cousin, Connie Schlenker, then was able to be here for Jan's."

Then Sunday afternoon Margaret Wilson and Charles Kuntz of Dimmitt were married. If anyone answered the question, "Where have you been?" with "To a wedding," the next question was "which one?"

Much favorable comment was heard about the Thursday presentations by the Summer Drama Workshop group. So many people said, "I just didn't think it could be done in Friona."

Really, we have so very much talent in Friona. Anything that can be done anywhere can be done right here with local talent if it is properly developed and used.

Friday evening of this week another season of "Texas" will begin in Palo Duro Park. Starting time will be 8:30 p.m. CIST and there will be a performance each evening, except Sunday, through August 31.

This kind of production doesn't seem to ever get old. As it gets better publicized, more and more people from other sections of the United States plan vacations to include a trip through the Panhandle just to see the current "Texas."

While visiting briefly with Bill Sheehan of Dumas one evening last week, I learned that his and Mary's oldest daughter, Mary Margaret, is currently touring Europe and was scheduled to be in Moscow that night.
