

TWO OPEN LETTERS

IMPORTANT TO MARRIED WOMEN

Mrs. Mary Dimmick of Washington tells how Lydia E. Pinkham's Vegetable Compound Made Her Well.

It is with great pleasure we publish the following letters, as they convincingly prove the claim we have so many times made in our columns that Mrs.

Pinkham, of Lynn, Mass., is fully qualified to give helpful advice on all gynecological problems. Read Mrs. Dimmick's letters.

Dear Mrs. Dimmick:— I have been a sufferer for the past eight years with a trouble which first originated from painful periods—the pains were excruciating, with inflammation and ulceration of the female organs. The doctor says I must have an operation or I cannot live. I do not want to submit to an operation if I can possibly avoid it. Please help me—Mrs. Mary Dimmick, Washington, D. C.

Dear Mrs. Dimmick:— You will remember my condition when I last wrote you, and that the doctor said I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now entirely well. As my case was so serious it seems a miracle that I am cured. I know that I owe not only my health but my life to Lydia E. Pinkham's Vegetable Compound and to your advice. I can walk miles without an ache or a pain, and I wish every suffering woman would read this letter and know what you can do for them.—Mrs. Mary Dimmick, 506 and East Capitol Streets, Washington, D. C.

How easy it was for Mrs. Dimmick to write to Mrs. Pinkham at Lynn, Mass., and how little it cost her—two-cent stamp. Yet how valuable was the reply! As Mrs. Dimmick says—it saved her life! Mrs. Pinkham has on file thousands of just such letters as the above, and offers sifting women helpful advice.

MISS KEARNEY

GLOBE TROTTER

Woman Lecturer Has Visited
Many Countries

Miss Bell Kearney, who will speak here on March 20 at the Taylor Street Presbyterian church, is a member of an old conservative family of Mississippi and is a lecturer known all over the country.

Miss Kearney has recently made a tour around the world, speaking, studying sociological conditions and contributing articles for a syndicate of newspapers. While in Germany she took a course in political economy, addressed the International Congress of Women during its great sessions in Berlin, and was the recipient of hospitality from many prominent persons, among whom was Prince Von Bulow, the successor of Bismarck. On Miss Kearney's visit to Russia an interview was granted with the Grand Duchess Serge, sister of the empress, and a cordial reception was given her by Count Leo Tolstoy on his estate at Yasnyaya Polyana. In Holland Miss Kearney was admitted to the historic audience chamber to witness the opening of parliament by Queen Wilhelmina. At The Hague she was welcomed in the home of Dr. A. Kuyper, who was then prime minister of The Netherlands, and was entertained by three countesses, granddaughters of Holland's most famous patriot, Count Von Hogendorp. In Belgium she was invited on an special occasion in Antwerp in honor of the presence of King Leopold.

In Miss Kearney's travels she has been admitted to every class of society, from that of the nobility of Europe and consular and ministerial realms in all countries, down to the family of a Turkish Effendi in the Lebanon mountains and the mud hut existence of groups of Bedouin Arabs upon the deserts of the land of the Pharaohs.

Miss Kearney favors a constitutional amendment prohibiting the manufacture or sale of liquors in Texas; she also favors a bill by the national congress prohibiting the manufacture or sale of liquors in the territories or the District of Columbia, and prohibiting the transporting of liquors from one state to another.

If all the players who threatened to jump to the outlawed had done so the circuit of black-listed players could very easily be increased to twelve clubs, sixteen men to a team.

MAY ADD STORIES

Reynolds Building May Be Enlarged
When Owner Returns

The fact that every room in the Reynolds buildings at the corner of Eighth and Houston streets, is filled, has again started a discussion of the advisability of adding two floors to the building, making it seven floors in height. At the time the building was built the owners, George Reynolds and W. D. Reynolds, considered a seven-story building and finally decided on five floors, making the foundation strong enough for the addition of the extra floors when wanted.

The matter has been made at all on until George Reynolds returns the latter part of the week from Cuba, where he has been for the past few weeks.

Report of the finance committee appointed by Judge Mike E. Smith to examine the reports of county officers has been filed, all accounts being found correct. Members of the committee were T. T. D. Andrews, P. R. Wallace and M. C. Cameron.

The report, which is for the fiscal year ending November 30, in part is:

Sheriff
John T. Honea, sheriff, collected fees amounting to \$10,047.97, and the expenses of his office were \$9,805. This office also earned fees in addition to the above amounting to \$6,814.88.

County Clerk
R. L. Rogers, county clerk. The report of this office shows fees earned and collected amounting to \$16,779.40 and his maximum compensation of \$2,500 allowed by law. He left the excess fees of his office \$1,826.64, one-fourth of which being retained by him, left \$1,369.98 belonging to Tarrant county, which amount has been paid into the treasury of said county, as attested by receipt of treasurer. In addition thereto he has collected excess fees for the fiscal year amounting to \$61.56, which amount has been paid to the treasurer. We find said report correct, fees earned and not collected, \$1,826.64.

District Clerk
John A. Martin, district clerk, reports that fees of his office earned and collected for the fiscal year amounted to \$7,251.75. The expense of his office for said year, as shown in said report, amounted to \$4,801.65, to which add his maximum compensation of \$2,500, making the total expense of the office, including said maximum compensation, \$7,301.65, leaving a deficit in his office for the fiscal year of \$49.90.

We also find from the report that he collected during the fiscal year of 1905 a sum sufficient from the delinquent fees of 1904 to make good the deficit of his said office for 1904, and leave an excess due Tarrant county of \$300.04, which amount has been paid to the county treasurer. In addition to his said office he has collected fees account of W. D. McVean, former district clerk, amounting to \$1,166.62. Deducting one-fourth of said amount, he has paid to the county treasurer, \$874.88, and leave an excess due Tarrant county from the account of W. D. McVean of \$787.48.

Tax Assessor
W. L. Stewart, tax assessor, reports total fees collected \$6,781.05. The expenses of his office were \$4,174.15; maximum compensation to him, \$2,500. He has collected for said year an excess of \$1,286.90, which amount he has paid to the county treasurer. Tax Collector
J. W. Walker, tax collector, reports fees collected for the fiscal year, 1905, \$2,456.66. Amount paid deputies, \$3,732.55, together with his maximum compensation allowed by law, \$2,500. Total, \$6,232.25 which, deducted from amount of fees collected leaves excess \$1,184.41, which was paid to the county treasurer.

County Attorney
Jeff D. McLean, county attorney, reports fees collected for the fiscal year ending 1905, \$8,413.70. He reports amount paid his deputies and other expenses of his office including his maximum compensation of \$2,500, total, \$1,581.81, which was paid to the county treasurer.

County Judge
R. F. Milam, county judge, reports for the fiscal year ending Nov. 30, 1905: Fees earned and collected, \$2,806.80. Delinquent fees for 1904 collected in 1905, \$1,851. After deducting his maximum compensation of \$2,500, leaving \$1,657.90 which added to fees earned and collected during 1905 makes a total of \$5,472.70. After deducting his maximum compensation of \$2,500, leaving \$2,972.70, three-fourths of which being due to the county amounting to \$2,229.52 he has paid to the county treasurer. He has also paid to the treasurer as shown by receipts \$138.81, being three-fourths of the per cent fees deducted as above by him for collecting delinquent fees of 1904, he having treated same as other fees of his office.

Ex-County Attorney
O. S. Lattimore, ex-county attorney—There has been collected of delinquent fees due said ex-county attorney since his report of fees of office which was dated Feb. 13, 1905, and which report at that time included all amounts which he had collected up to Feb. 1, 1905, by M. We have examined all vouchers and payments made by the county commissioners' court for the year 1905, also claim docket for said commissioners' court as required by law, together with their monthly reports, and beg to state that we find same has been conducted in a business-like manner. We find the commissioners' court has redeemed \$48,000 of the court house bonds and \$4,000 of the road and bridge bonds since Feb. 1, 1905, and has ordered the redemption of \$1,000 of the outstanding road and bridge bonds to take effect April 10, next.

NEEDLESS ALARM

Here's a poor man coughing away his lungs—at least so his relatives think.

It's cough, cough; hack, hack, hack; all day and sometimes all night. "Must be consumption," think the alarmed ones.

Any course, there is always a possibility that they may be right. But in most cases, they're wrong; because Dyspepsia is so much more common than Consumption.

And Dyspepsia causes chronic Cough, just like Consumption.

The dyspeptic cough, it is well to remember, can be quickly cured by Stuart's Dyspepsia Tablets.

No need to be alarmed about it unless you make up your mind to neglect it.

Then, indeed, you must look out for danger; for the Dyspeptic Cough often grows into a Consumptive Cough if neglected by the constant lung irritation which it causes.

So the best way is to waste no time, but begin at once the use of these famous Stuart's Tablets, the timely use of which has saved many a sick person from ending in a consumptive's grave.

Remember, however, if you please, that Stuart's Dyspepsia Tablets will positively NOT cure Consumption, but prevent it.

Of course, they can always be depended on to cure all the other symptoms of Indigestion.

They are a universal cure, for one universal disease.

They cure nothing else; but what they do, they do thoroughly and well.

Stuart's Dyspepsia Tablets are the result of the most thorough investigation into the inside causes and the cure, of Indigestion, that has ever been attempted.

They have solved a problem, the answer to which a hundred thousand physicians in America are today groping for in vain.

The cure for the most severe, long-continued chronic, complicated cases of Indigestion that can be found. They are far ahead of the most modern medicinal practices, because the most successful physicians of the day in the cure of diseases of the digestive organs, are using Stuart's Dyspepsia Tablets as a basis for their success.

They stoop to Stuart's to conquer. And Stuart's lift them up, out of the rut.

If, therefore, you are a victim of this dread disease, which counts its victims by the millions, brace up and take heart, for you cannot fail to cure your trouble, if you will only put your faith in this great remedy, Stuart's Dyspepsia Tablets.

They are positively, frankly, truly, a sure and permanent relief.

Try them.

FRUIT TREES

ARE UNINJURED

Official Report of Frost Made to Bureau

D. S. Landis, weather observer here, submitted a report to the head of the weather bureau Wednesday which will show that the recent cold wave here on Monday did not damage the fruit trees in this vicinity. His report will show that the damage to the peaches and other fruit trees in the vicinity of Fort Worth will not amount to 2 per cent and will probably be less than that.

In making out this report Observer Landis has gone to the extent of inquiring of every one who owns any considerable number of fruit trees and all have reported that their trees were not injured.

Mr. Landis described the frost as what is known as a "black frost," stating that it did not settle on the ground in a white layer.

Makes a Difference

Dwellers in apartment houses sometimes seem to forget that conversation in the entrance halls may be overheard by other tenants. This was the greeting which the belated husband received at
