One Per Cent City Tax Begins Today

Last Saturday night at Jones Stadium in Lubbock there were two attractions for fans attending the Texas Tech vs University of Texas ball game.

One, of course, was the game. And a fine game it was, even though the Longhorns won over our favorite team.

Then, there was the press box filled with more dignitaries than you usually have for a Texas Tech football game. We've had Governor Preston Smith there before, but it's still a treat to have the band play "Texas, Our Texas" in his honor, after the "Star Spangled Banner."

This particular Saturday, though, Lyndon Johnson, the former president of the United States, was among those in the "red carpet" section of the press box.

Our season tickets are right near the press box, and we were fortunate in being able to see LBJ from about 25 yards during half-time. The former chief executive came up next to the window and waved to the fans below.

It was fortunate for the Tech and Longhorn bands that their part of the halftime show had concluded, because Lyndon and Preston and the others in their party pretty well stole the spotlight for a time. There were more people in our area looking back at the press box than there were watching the field.

Even after the game resumed, and word has spread among the stands that LBJ was in the press box, someone would stand and say, "There he is! I see him!" Then everyone in the vicinity would turn for another look, those having binoculars focusing them on the press box, rather than the playing field.

LBJ was quoted as telling someone in the press box at halftime "I got Tech two touchdowns, but Preston was in charge of the kicking." (The Raiders rallied for two second-quarter TDs, but missed one of the kicks to trail, 14-13 at halftime.)

The Friona-Muleshoe football series is beginning to make us feel like Al Capp's Joe Bzpluk, the guy that the dark cloud follows around.

While we were in college, we did some broadcasting on Friday nights for station KMUL in Muleshoe.

In 1958, Muleshoe came to Friona with an unbeaten and a high-scoring team. However, that night the underdog Chiefs rose up to tie the Mules and completely stymie its touted offense. The next year at Muleshoe, Friona won, 24-12 at Muleshoe's homecoming.

Since we got out of college and located in Friona, the Chieftains have played Muleshoe six times, but have lost all six games.

Seems like we can't get on the winning side in this particular game. Maybe next year.

One of the proposed constitutional amendments to face Texas voters in the Nov. 3 general election is beginning to stir up some controversy, although there hasn't been much said about it.

We refer to the proposed amendment number two, the "open saloon" proposition. Opponents to the amendment say it is a plot to "pollute our communities with taverns, increased crime and social corruption."

Urging a heavy turnout at the polls on election day, the "Capitol Beacon" pointed out that 41 per cent of the "wet" votes cast in a 1968 Democratic primary referendum on liquor by the drink came from just seven cities. A fourth came from Dallas and Houston alone.

Although "dry" sentiments prevail in over two-thirds of the state's area, this vast rural region makes up only a third of the overall vote, it is pointed out.

The Club House Council ladies of Olton will serve a turkey supper and all the trimmings prior to the Friona-Olton football game in the Olton School Cafeteria, 5:00-7:30 p.m.

Prices are \$1.75 for adults, and children 12 and under, 75¢.

Business places in the city of Friona will begin collecting the one-cent city sales tax on all purchases starting Thursday, October 1.

City Manager Jake Outland this week reminded merchants that the city sales tax will be collected on everything that currently is taxable. Merchants

will simply add the extra penny to each \$1 purchase.

Sales tax charts showing the exact breakdown of the 4.25 per cent tax have been printed by Walt's Quality Printing. The chart is also reproduced in this issue of the Star.

Merchants, on their quarterly tax reports to the state comptroller will send the additional one per cent in with their report. After computation, the comptroller will mail a check to the city for its share of the tax.

The first payment to the city of Friona for such taxes will be made on about February 1. It is now known how much revenue will go to the city from the tax, but city officials are conservatively depending upon at least \$6,000 per quarter for the fiscal year 1970-71.

The city sales tax was approved by Friona voters, 363-155 on April 4 of this year.

It was the second time the sales tax question had been voted on. The measure was narrowly defeated in 1968.

Most of the larger cities in the State of Texas have passed the city sales tax since the Texas legislature passed a bill in 1967 enabling the residents of cities to vote on such a matter.

The acceptance of the penny sales tax as an additional means of securing revenue for cities rapidly spread to the smaller cities. Neighboring Muleshoe has been collecting the tax since 1968.

After Friona approved the tax, Hereford, and Dimmitt followed suit within a week in city elections. Friona's negative vote in 1968 came on the heels of a similar vote in Hereford. At that time, Amarillo did not have the tax. Amarillo has since approved the city sales tax, being one of the last cities its size to do so.

Richard Fortenberry

VIETNAM CASUALTY

Fortenberry Rites Scheduled Thursday

Funeral services for Army Sp. 4 Richard Fortenberry, 24, will be held Thursday at 3 p. m. at First Baptist Church. He is the son of Mr. and Mrs. Paul Fortenberry.

Fortenberry became the city's third Vietnam casualty when he was killed last Thursday in a helicopter accident in Vietnam.

A graduate of Friona High School, Fortenberry also had attended South Plains College at Levelland, Oklahoma Military Academy at Claremore and West Texas State University, Canyon.

He enlisted in the Army late in 1969 and was assigned to the helicopter service of the First Cavalry Division. He had been in Vietnam since May.

Other survivors besides the parents are a sister, Paula, who is a junior student at Texas Tech; a brother, Don, who is a senior at Friona High School, and a grandmother, Mrs. Richard Vernon of Happy.

Burial will be at Friona Cemetery under the direction of Claborn Funeral Home.

School will be dismissed in Friona at 2:30 Thursday for the funeral, and buses will run at that time.

Killed earlier in Vietnam was Freddie Williams, son of Mr. and Mrs. T.A. Williams, who also was reared in Friona. The city's first casualty was Eddie Blanco, who lived in Friona for a short time.

Star Begins Vol. 46; Presents Old Material

With this issue, the Friona Star begins its 46th year of publication. Actually, the Star observed its 45th anniversary on July 31, but for some reason or other, the numbering sequence on the issues has for several years reached its "year end" at the end of September.

As we reached a milestone, we thought, it would be interesting to present something historical in this issue. Six old ads are re-printed on page nine, by companies still in business in Friona.

The ad copy, showing the inimitable style of the Star's founder, J.W. (Uncle John) White, is still relevant to the present day, in most cases. Some of the ads are presented in their original type styles.

In addition, the editorial cartoon on Page 9 and a re-print of a Friona High School news column on Page 9 are given for our readers' enjoyment.

Four-Way Tie Evolves In Football Contest

A four-way tie in the overall standings evolved in the Friona Star's annual Football Contest after the third week--and three of those tied are Mabrys.

Randy and Laverne Mabry, and Frank Truitt all scored 11 last week, to join Walt Mabry at the top of the standings. Walt Mabry won the first week's contest, and has been at the top or tied for the lead ever since.

Eleven was the top score last week, with Pilo Castillo taking the weekly prize of \$5.00

by missing the Muleshoe-Friona score by only one point. He was the only one of the eight contestants scoring 11 to pick the Mules over the Chiefs.

Frank Truitt claimed second place money. He missed the tie-breaker by 13 points. Julian Lopez of Hereford was third. He missed the score by 17 points.

Others scoring 11 were Harry Watkins, Jim Dixon and Tim Elmore.

Contestants were shooting at a best possible score of 13, as one of the games, Lockney vs Idalou, ended in a tie. It's the first tie game in the 45 games picked for the contest this fall.

Another weekly contest appears on page 6 of this issue. Contestants are reminded not to drop out of the contest, as there are still a possible 126 points to be scored during the season, so a few points at this stage do not always make much difference. Many contestants are not listed on the contest page, because of space limitations. This does not mean they are out of the running, however.

AUTUMN IS HERE... Fall weather has arrived in Friona, bringing the annual chore of raking leaves. Esther Smith, daughter of Mr. and Mrs. Ralph Smith, 612 Woodland, takes time out from her raking to stroke her pet kitten, Midnight.

Dog Wasn't Ready For Pickup Trade

There's a dog in Friona who wasn't ready to trade pickups when his master was.

Johnny Tannahill traded pickups at Friona Motors about a week or so ago. The Tannahills live only five blocks away from Friona Motors on Grand Street.

It seems that "Bear," Tannahill's German Shepherd, had a hard time adjusting to the trade. He would go down to the Ford Agency and get in the bed of the old pickup, until retrieved.

Apparently Bear didn't consider he went with the trade, because he has adjusted to the new pickup now, Tannahill says. Perhaps he was just irked because he wasn't consulted ahead of time.

AT OLTON

District Play Starts Friday

Having felt the sting of defeat for the first time this season, the Friona Chieftains plunge into district play on Friday when they face the Olton Mustangs.

This game begins the 7:30 starting time, which will be observed for the rest of the season.

Olton, which has posted wins over Tulla, Muleshoe and Tahoka, is described by Coach Bob Owens as "practically the same team they had last year."

Owens hastened to add that the Mustangs, who relied heavily on passes a year ago have added a potent ground attack to their repertoire, so that they appear to be doubly tough this time around.

The only comparative score which can be used is against Muleshoe. Olton edged the Mules 20-14 a week before Muleshoe trimmed Friona, 20-7. However, Friona scouts reported at the time that Olton was lucky to have beaten Muleshoe.

The Mustangs are led by tailback Keith Workman, who is the leading scorer among class AA players on the South Plains. In addition, they have a returning all-district guard, Gary Durham, who is doubly tough this year.

Then, of course, there is quarterback Steve Stockdale, whose passing as a sophomore

kept the Mustangs in the thick of the district race. In games to date however, Stockdale has not had to rely on the pass as much as last year, according to reports.

Coach Owen said the Chieftains seem to have taken their loss in stride, and seemed ready to bear down and get back on the winning track this week.

The team received a boost when tackle and tri-captain James Weatherly got the okay from his doctor on Monday to rejoin the team. Weatherly

has been out of action since hurting a knee in the Farwell game. He will see limited action if any on Friday, and will be slowly worked back into the starting lineup.

Olton is a team which has been a nemesis to Friona in recent years. The Mustangs have had the best success against Friona of any of the other district teams. Friona has won only three games in the last eight meetings, and this should be added incentive for the Chieftains.

Those Wanting To Make Trip Need To Register

The Friona Chamber of Commerce and Agriculture this week reminded any local residents who might be interested in making the trip to Austin on October 13 for the Governor's Conference on Industrial Expansion, but has not informed the Chamber, to do so at once and secure registration cards.

As of Tuesday, some 25 local people had registered with the Chamber and indicated their intentions of going to the Conference.

Missouri Beef Packers' 1969 expansion program, which was entered as the local Chamber of

Commerce entry in the statewide expansion contest, is due to be one of six award recipients in the conference.

The Chamber has chartered a plane to make the round trip to Austin on October 13. It hopes to keep the cost per seat for the trip at around \$35.00. This will depend on the number going, etc.

Chamber officials hope for a plane load of 44 people to go and represent Friona at the conference.

Other winners are from Clear Lake, San Antonio, Lubbock, Kilgore, and Laredo.

PARENTS WELCOMED... Back to school nights were observed in Friona's elementary school this week. Mrs. Phil Montoya, a first-grade mother, is shown being served refreshments by Mrs. Lee Spring. The teacher, Mrs. Mary Merrill, looks on.

PLAY CAST... Members of the play cast from "Chalk Garden" to be presented by the Friona Theatrical Troupe, are shown above at dress rehearsal. Standing, left to right, Sally Kendrick, Steve Stone, Vicki Beck and Davy Hill. Seated are Ann Hurst, Debra Wyly and Holly Stephenson.

Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--OCTOBER 3, 1930

J.C. Wilkison this week sold the Wilkison Chevrolet Company to J.W. Magness, owner of the Chevrolet agency at Farwell. It is reported that Mr. Magness has leased the Parr Building recently vacated by the Friona Motor Company, and will move the business into it. Mr. Wilkison will continue his business as representative of the Magnolia Petroleum Company here.

35 YEARS AGO--OCTOBER 4, 1935

Quite a goodly number of Friona people attended the picture show at Hereford during Sunday, Monday and Tuesday, to witness the Will Rogers picture, "Steamboat Round The Bend."

Mr. Loomis, manager and owner of the Allerita Loomis Players, a tent comedy show of considerable fame for its clean and interesting entertainment, was in Friona Tuesday making arrangements for a six-night program here next week.

25 YEARS AGO--SEPTEMBER 28, 1945

On Monday the Friona Locker Company opened its doors for business and in the afternoon at least four hogs were slaughtered and placed in the cooling room, preparatory to processing and conversion into bacon, cured hams and sausage, etc. The operative work of the company is in charge of Wilmet Crow, one of the proprietors of the business, and he is ably assisted by A.L. Talley and T.B. Whitfield.

20 YEARS AGO--SEPTEMBER 28, 1950

Friona city commissioners and mayor met Tuesday and unanimously framed ordinances setting the city tax rate at \$1.25 representing a twenty-five cent increase over the previous levy. This action followed on the heels of increased agitation for a paving program for Friona, heretofore blocked by lack of sufficient credit earned by the city under its old tax structure. Mayor Bainum pointed that even with the tax increase, the city's tax rate is still considerably under the average for towns the size of Friona across the state.

15 YEARS AGO--SEPTEMBER 30, 1955

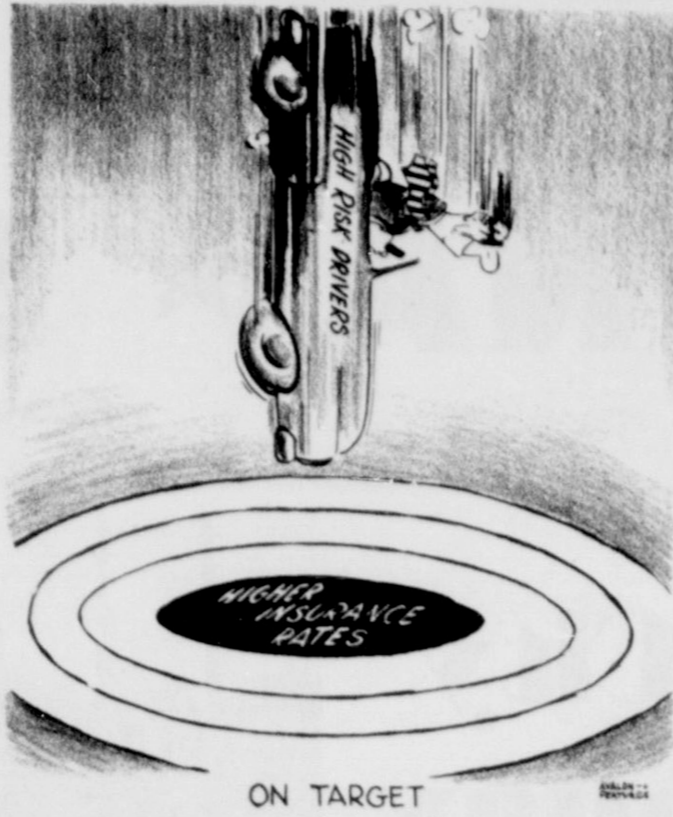

The opening of the new Sixth Street Church of Christ building will be held on Sunday, October 2. A program for the day has been planned. The formal opening services will be held at 3 p.m. There will be three guest speakers, Stanley Lockhart, minister of the Church of Christ at Levelland, and former pastor of the local church; Doyle Chapin, minister of the Vega Church of Christ, and Bob Wear, minister of the Canyon Church of Christ.

10 YEARS AGO--SEPTEMBER 29, 1960

The Friona City Council, meeting in a special session Monday afternoon at the City Hall, spent about three hours discussing a budget under which the city of Friona will operate during the tax year, October 1, 1960 to September 30, 1961. This is the first year that the city has operated under a budget set up on a tax year; as previous budgets were based on calendar years. The budget just ended was based on a nine-month period.

5 YEARS AGO--SEPTEMBER 30, 1965

The enrollment in Friona Public Schools is up almost nine per cent over last year. It was revealed this week by Superintendent Alton Farr. Current enrollment was listed the past week at 1367, which was an increase of 111 students over the 1256 total at the end of the 1964-65 school year.

ELK POINT, S. D., LEADER-COURIER: "We exchange papers with many of the papers in the surrounding area. After reading them for a time you discover that most small communities have about the same problems and the same goals. They are all searching for new industry, more people and better facilities. On the other hand most of them are trying to lower taxes and get grants from the federal government. They succeed or fail in all of the projects in varying degrees generally because of circumstances beyond their control. Basically most of these communities are about the same. The thing that makes them different is that one is your hometown. Boost your community, it helps everyone."

WALTHAM, MASS., NEWS-TRIBUNE: "Up in New Haven, Conn., Yale University has come into quite a bit of money, Confederate money, and Yale is delighted. Thanks to a gift of some 9,000 notes and other once-negotiable C.S.A. paper, Yale now has one of the largest and most valuable collections of Confederate currency in the world, worth something like \$100,000 on today's booming collector's market. You don't have to look far for the ironic point. What with the dollar continuing to lose its battle with inflation, saving Confederate money turns out to have been a good idea after all."

EARTH, TEXAS, NEWS-SUN: "Certainly everyone is entitled to their own ideas and this, generally is a healthy condition. However, when these ideas break into society to create the ruination of property, then it is time to put on the brakes."

Lions To Host Dist. Governor

Jack Riley of McLean, who is District Governor of District 21-1 of Lions International will make his official visit to the Friona Lions Club on Thursday, October 8.

Riley will present the program to the Lions that night.

LETTERS TO EDITOR

Mr. Bill Ellis:

Will you please send my Friona Star to this address: P.O. Box 138 W.T. Station Canyon, Texas 79015. I believe there is an extra charge for out of county, but am not sure how much. Am enclosing one dollar until I learn just how much it is.

I plan to be in Canyon for some time.

Thank You,
Mrs. Ruby Wood

Dear Mr. Ellis:

I am deeply grateful for your favorable consideration of the public service ads on our Texas Travel Trails submitted to you early this spring.

The space which you have so generously given them has already begun to produce requests from your valued family of readers for the Trails pamphlets. As they follow them into undiscovered corners of their state I feel that they, too, will

appreciate your having made it possible for them to acquire the guides.

Your splendid cooperation is invaluable in helping build a more vibrant Texas tourist industry.

Most gratefully,
Frank Hildebrand

All that's new for 1971- from Oldsmobile!

Toronado. The Unmistakable One takes on grand new proportions. It is a full five inches longer, and every inch adds to its elegance. Even its trunk is more spacious this year. The new interiors are roomier and far

more sumptuous. The front floor is flat from door to door, with no hump to get in the way.

Toronado's unique front drive and the totally new ride system deliver greater smoothness, improved traction and sure handling.

Add a responsive Olds Rocket 455 V-8, power steering, power front disc brakes, Turbo Hydra-matic—all standard on the front drive Toronado.

Delta 88. Warmest welcome ever to the big-car world. Power steering is standard. So are power front

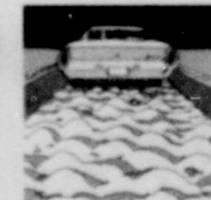

disc brakes. And an impressive 124-inch wheelbase. It's all topped off with Delta

88's remarkable new "G-Ride" System.

The "G-Ride" System. An Olds exclusive—a combination of advances in chassis

suspension, steering and all-new Super-shocks. You ride smoother, corner bet-

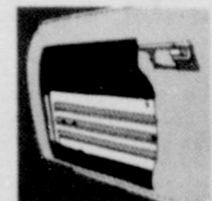

ter, are less affected by stiff crosswinds. It's featured in every 1971 Olds Delta 88.

Pollution fighters. Every Olds engine is designed to cut emissions, run efficiently on no-lead, low-lead or regular fuel.

Double comfort. New Flo-Thru Ventilation features both upper and lower outlets for greater control, better air circulation.

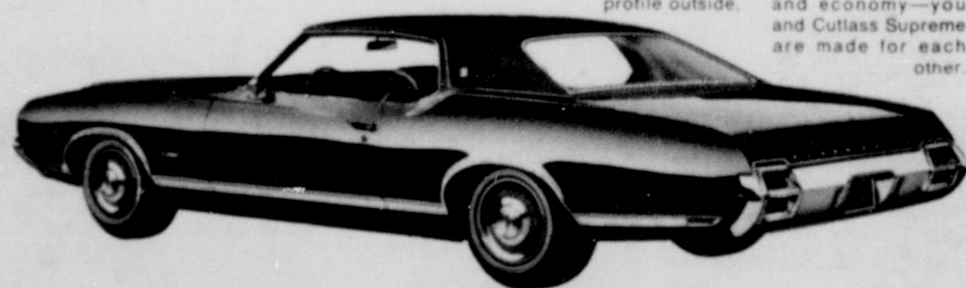

Solid security. Side-guard beams are welded into the doors for protection. One of many Olds safety features for 1971.

Cutlass Supreme. Oldsmobile's "little limousine" places all-out elegance within

the reach of nearly every new car buyer! And does it so beautifully—with a classic profile outside.

deep comfort and luxurious appointments inside. If you're longing for elegance—and economy—you and Cutlass Supreme are made for each other.

Services Conducted For C. M. Howe

Funeral services for Clarence M. Howe Jr., who had been associated with Allen's Jewelry since July 1, were conducted from N.S. Griggs Pioneer Chapel at 2 p.m. Tuesday.

Howe, who was 50, was former Amarillo resident. He was killed about 9:40 p.m. Sunday when his car went off the road and overturned on Highway 60 near the Johnny Mars residence.

C.M. HOWE

He was born in Colorado Springs and moved to Amarillo with his parents, Mr. and Mrs. Clarence M. Howe Sr., 1213 Kentucky Avenue, as a child. He was a graduate of Amarillo High School and a veteran of World War II.

Survivors, besides his parents, are two sons, David Howe of Dallas and Danny Howe of Amarillo; one daughter, Mrs.

Sue Montgomery, 1912 Aspen, Amarillo; one brother, Russell Howe, 1007 Bonham; and one grandchild.

Proclamation

WHEREAS, this nation is presently engaged in the protection of Life, Liberty, and Freedom for all people, and

WHEREAS, our sons are called to duty in foreign lands to extend said rights of Liberty and Freedom, and

WHEREAS, Specialist Fourth Class James Richard Fortenberry, son of Mr. and Mrs. J. Paul Fortenberry, 1201 Virginia Avenue, Friona, Texas, has made the supreme sacrifice and given his life on duty in Vietnam, and

WHEREAS, it is appropriate that observance be made for this son and family,

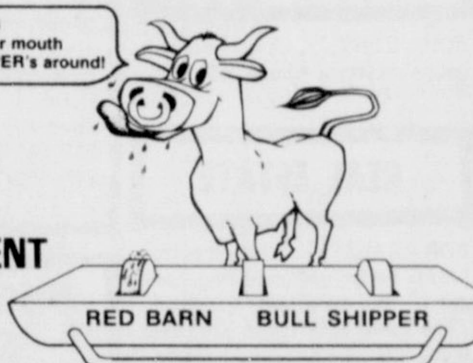

NOW, THEREFORE, I PROCLAIM that the week of September 28, 1970 be observed by all residents of Friona, Texas in respect of James Richard Fortenberry, and that Flags within the city be flown at half-mast during the said period until after the funeral.

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat - you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

STREAK SNAPPED

Chiefs Met Aroused Team At Muleshoe

You could tell from the start of the game that Muleshoe wanted to snap its 15-game losing streak.

The Mules were playing as though their very lives depended upon the outcome. And the outcome was a 20-7 win for Muleshoe, handing Friona its first loss of the season, and getting the Mules into the win column for the first time since the seventh game of the 1968 season.

Muleshoe scored on their first play from scrimmage, on a play the Chiefs were supposed to be watching for, and the Mules never were to trail in their streak-snapping contest.

In fact, Muleshoe unleashed a pair of hard-charging backs that should deal misery on several other opponents before the 1970 season ends.

Halfback Bobby Hayes, the 165-pound Negro speedster, was the offensive star for the Mules.

Hayes took a pitchout and circled left end and won the footrace to the Friona goal on Muleshoe's first play. It was a 55-yard scoring play, coming after a wind-caught Friona punt netted only 17 yards.

Donny Wheat, Hayes' running-mate at halfback, ran across for two points, and the in-

spired Mules had an 8-0 lead after only 117 seconds had ticked off the clock.

Friona was going against the stiff (and cold) north breeze in the first quarter, and it dealt them misery. On the team's second possession, Mike Royal gave Friona its only first down of the first half, but then had another kick which was caught in the wind and netted only eight yards to the Friona 40.

This gave Muleshoe excellent field position, but on their first play from scrimmage, they fumbled the ball back to Friona.

The Chiefs couldn't stand prosperity, though, and four plays later found the team lining up for its third punt of the game. This one carried to the Muleshoe 42, and the Mules set sail toward their second touchdown of the night.

With Hayes and Wheat alternating with the ball, the Mules could not be stopped. Wheat almost broke all the way from the Friona 37, but Mike Taylor and Wesley Clark saved the TD.

However, it just postponed the inevitable. After the teams swapped ends of the field for the second quarter, Muleshoe set up a first and goal just inside the Friona 10.

The Chiefs braced for some good defense and caused Muleshoe to call a time out when they faced fourth and goal from the two.

Wheat then took the ball on the halfback option, and lobbed a wobbly left-handed pass which Hayes somehow managed to catch while on his knees in the end zone.

Another pass attempt failed on the point try, but Muleshoe led, 14-0 with 8:18 left in the half.

The Chiefs were evidently shaken finding themselves two touchdowns behind. On third down, quarterback Fortenberry pitched out, but the intended receiver wasn't there, and a Muleshoe defender wrestled the ball away from Fortenberry, who attempted to recover.

Muleshoe apparently had its third touchdown when Hayes broke 23 yards, but a holding penalty kept the Mules from grabbing a three-touchdown lead.

The Chiefs then dug in and took over on their 31-yard line, and the half ended with Muleshoe leading, 14-0.

Friona came out fired up for the second half. The Chiefs held and forced Muleshoe into its first (and only) punt of the game. Then, Wesley Clark began to assert himself.

From the Muleshoe 46, Clark took a pitchout and skirted right end. The speedy halfback almost went all the way, but Hayes saved a touchdown when he forced Clark out of bounds at the Muleshoe 11.

The Chiefs were not to be denied, however, and three plays later Donnie Lewellen raced across from the five to get Friona on the scoreboard and back in the ball game. Bobby Drake's kick made the score 14-7, and Friona fans felt better with 5:42 left in the third frame.

Muleshoe then mounted a drive which carried from their own 30 to the Friona 25 before the Mules' quarterback fumbled a snap from center and Friona grabbed the ball. This was early in the final period.

Clark again circled end for 26 yards and a first down at the Muleshoe 45. He got into the secondary, but never could break out of the heavy traffic to go all the way.

However, the drive broke down when Fortenberry couldn't find a receiver open and was tackled for a six-yard loss on a third down play. The Chiefs elected to punt into the wind again, from the Muleshoe 48, and that was to be the last time they would be across mid-field in the game.

Just needing to hold onto the ball and eat up the clock, the Mules went one better. The Wheat-Hayes tandem ground out 77 yards of a 78-yard touchdown drive. Quarterback Mike Riley got that other yard—a keeper play for the TD that clinched the win.

Hayes was stopped short on a running try for points, but it was 20-7 with just 1:17 showing on the clock.

Making it even easier, the Mules made an interception of a pass with less than a minute to play, and ran out the clock.

The Mules racked up 314 yards, and held Friona to a season low of 127.

Although Muleshoe was sporting a losing streak, the win was the Mules' sixth in a row over Friona, dating back to 1960. The teams had not met during the preceding four years. Muleshoe holds a lead in the all-time series of 13-6-1.

Lazbuddie Has Open Date; May Need Rest

The Lazbuddie Longhorns have an open date this week, and if you ask any of their first three opponents they'll probably say it is to give their backfield men a rest.

The Longhorns, who were supposed to be "building" this year, and did indeed field an all-new backfield, have been ringing up the scoreboard at a point-per-minute pace, and the backs must be getting tired from all of that running.

The "building" game must have been the season opener against Hart. Lazbuddie scored only 38 points in that one, as the new players were getting accustomed to one another.

However, the team rang the bell with 64 points in a 64-6 win over Tatum, N.M. and kept up the pace by blasting rival Bovina, 54-0 last week.

In the process of racking up a 52-point scoring average, Coach Pat Casey's Longhorns have

Friona Teams Stand 7-3

Three of Friona's football teams were idle during the past week, and the other two teams, the varsity and freshmen, each lost their first game of the year.

Even at that, Friona teams are sporting a 7-3 overall won-loss record for ten encounters. The B-Team and Eighth Grade are unbeaten.

Longhorn Stampede

By Mike Casey

The Lazbuddie Longhorns gave the Bovina Mustangs a taste of "Longhorn Power" Friday night in a football game played at Lazbuddie.

The Mustangs trotted onto the field with an air of confidence about them left that same field about two and a half hours later wondering what went wrong.

Lazbuddie who thoroughly remembered last year's 32-26 heartbreaking defeat gave the Mustangs a thrashing to remember as they rang up 54 points to 0 for Bovina.

The first quarter was scoreless but in the next period of play Arthur Graves punted to Bovina's Jim Harris. Harris fielded the ball just in front of the goal line and then took a step backward and kneeled down into the end zone for what he thought was a touchback.

But since he fielded the ball in front of the goal line and then stepped back it became a safety and two points for the 'Horns. As a result of the safety, Bovina then kicked off to the 'Horns. Charles Lee grabbed the boot and promptly returned it 42 yards for a touchdown. Mark Barnes ran for the two-point conversion and the score stood 10-0 at the end of the first half.

NOW STAND 2-1

Freshman Chiefs In First Season Loss

Friona High School's freshman football team suffered its first loss of the season at Boys Ranch last Thursday, to the Boys Ranch "B" Team, 21-0.

The Freshman Chieftains, who had won their first two games of the season, were outclassed by the Ranchers, and only once had a serious scoring drive going.

After a scoreless first quarter, Boys Ranch drove 59 yards for the go-ahead touchdown in the second quarter, for a 7-0 lead. Before the half ended, Boys Ranch scored again on a pass play, and again added the point, for a 14-0 halftime lead.

The Ranchers again scored and converted in the third quarter, to stretch their lead.

minutes later. In the last stanza, Lazbuddie exploded for 32 points. Lee scored from 2 yards away and Mark Barnes later crossed the goal line from 1 yard away. Mike Casey added the two-point conversion.

Lee scored again in the final quarter. This time he weaved in and out of Bovina defenders for a 26 yard TD. Mike Casey was the next Longhorn to hit paydirt. This run was from 6 yards out. Charles Lee scored the 'Horns last TD, and his fourth of the night on a 15-yard sweep.

Statistic-wise, Lazbuddie had 20 first downs as compared to eight for Bovina. Lazbuddie gained 389 yards total offense, all of that coming on the ground. Bovina could muster only 32 yards passing and 50 yards overland. Lazbuddie's record now stands at 3-0. The 'Horns' second victory of the year came the week before the Bovina game when Tatum, N.M. came to Lazbuddie and was defeated 64-6. In that game Lazbuddie ran for 281 yards and threw for 263 yards for a total offense of 544 yards.

Mark Barnes rushed for 143 yards and Arthur Graves for 116 yards.

The Longhorns have an open date this Friday but October 9 they will host the Texico Wolverines for the 1970 Homecoming. Game time will be 8:00 p.m.

WESLEY GAINS. . . Wesley Clark (40), Friona halfback, is shown making a nice gain in the Muleshoe game. Clark has been Friona's leading ground-gainer in each of the last two games. Shown coming up in the background is Muleshoe's star, Bobby Hayes, who scored two of the Mules' touchdowns.

At Home In Parmer County

Aromatic seeds from around the world have invaded the spice shelf. Poppy, caraway, sesame, anise and fennel, five aromatic seeds, are called baking seeds because they add flavor plus a crunchy texture to breads, cakes and cookies.

Buttered snap beans take on a new flavor when showered with toasted sesame seeds.

Baked potatoes make a tasty side dish when seasoned with toasted poppy seeds. Scrape the pulp from the potatoes, season and add butter and a little hot milk plus toasted poppy seeds. Put back into the shell and brown in the oven.

Apple pie becomes a second-

helping tempter when fennel seed is sprinkled over the sliced apples before sealing with the top crust.

MULLED APPLE JUICE tastes good on these cool evenings.

1 quart apple juice
1 teaspoon whole allspice
1 teaspoon whole cloves
2 stick cinnamon
6 thin lemon slices, if desired

Combine ingredients, except lemon slices, in a saucepan. Simmer covered for 20 minutes. Remove spices. Serve hot with lemon slices, if desired. Makes six servings of about 2/3 cup each.

Japan Is First Billion-Dollar Offshore Customer For Farmers

Parmer County residents are well aware that U.S.-Japanese trade is extensive. Louis Welch, Chairman of the Parmer County Agricultural Stabilization and Conservation (ASC) Committee, commented recently.

"Almost everyone recognizes that Americans are important customers of Japanese goods. I wonder how many of us realize that the Japanese are major customers for American goods, especially for American farm commodities.

"In fact, Japan imports more U.S. agricultural products than any other country in the world -- a record \$1.1 billion worth during the 1970 fiscal year," Welch said.

He pointed out that (feed grains, soybeans, wheat, cotton) are important farm crops in Parmer County and that exports of these farm products to Japan have gone up dramatically in recent years.

More than six million tons of feed grains were shipped to Japan last fiscal year--just about one-third of U.S. Feed Grain exports. Soybean exports to Japan had a 251 million dollar value, and wheat exports \$136 million. Japan is our best cotton customer, taking one-fourth of its cotton from the U.S. and Japan bought \$50 million worth of tobacco from the U.S. during the last fiscal year.

The ASC Committee Chairman reported that Secretary of Agriculture, Clifford M. Hardin recently took note of the American-Japanese trade story, calling it unprecedented. Secretary Hardin also said: "The Japanese economy has paralleled that nation's growth in trade. In the years between 1960 and 1965, Japanese shipments in world trade more than doubled. By 1969, they had almost doubled again, reaching \$16 billion. Shipments to the United States increased in those nine years by more than four times--\$4.9 billion.

"The Japanese householder's disposable income has more than tripled since 1960. His de-

mand for meat, milk and eggs -- a good 'horseback' measure of consumer prosperity--has increased by more than four times in 15 years.

"He is diversifying his eating habits as his income goes up. For example, per person consumption of wheat flour in this traditionally rice-eating society has increased by 30 percent in a decade-and-a-half.

"Ten years ago, Japan's agricultural imports from the U.S. were \$440 million. In the fiscal year just past, they were more than twice as great--nearly \$1.1 billion.

"But the agricultural exports are only one aspect of a beneficial trading relationship that can be summarized very simply: In terms of total exports, the United States is Japan's best customer, and Japan is the United States' best off-shore customer.

"As you might expect, two-thirds of the U.S. shipments to Japan last year were raw materials, mineral fuels, and foodstuffs, while 90 percent of Japan's shipments to the U.S. were manufactured goods.

"This is the basis of beneficial world trade--an exchange of goods based primarily on production efficiency.

It is this principle that led Japan to look to efficient producers on the broad farmlands for the feed grains needed to satisfy its people's rising demand for livestock products.

"As a result, imported feed grains have triggered a rapid

expansion of Japanese livestock production. This has brought Japanese consumers more meat and poultry at better prices; it has opened opportunities for Japanese farmers for new and profitable livestock enterprises; it has meant an important and expanding feed grain market for world agriculture.

"Almost the whole range of U.S. farm commodities finds Japan a leading customer.

"Japan wants, needs, and can afford these products, and the U.S. can supply them in any system of international trade in which price, quality and availability are the primary factors.

"In a world of competition, export expansion means salesmanship and service as well as price, quality and availability. The producers and marketers of the major U.S. agricultural products have understood this, and they support some 68 private trade organizations formed in cooperation with the Department of Agriculture. This is, of course, a mutual effort--with many strong Japanese organizations bringing to it their special knowledge, their special abilities."

In closing, Agriculture Secretary Hardin gave special recognition to the trade organizations for the three commodities which last year accounted for two-thirds of total U.S. agricultural exports to Japan--feed grains, soybeans, and wheat.

On The Farm In Parmer County

MACK HEALD
County Agent

Harvest time is coming about again in the Panhandle area, and from the looks of everything a good grain crop is in store. I hope the same holds true for the cotton crop in Parmer County.

Charles Ray of Friona seems to be wasting no time by getting the first bale in. I hope we can stall off an early freeze so this late cotton will have a chance

to mature and develop. If this should happen, the chances are that more cotton will be ginned than in the last few years.

The soybean referendum was conducted Saturday, with approximately twenty people voting. The outcome in Texas has not yet been announced, but we should hear of the results soon.

Bookmobile To Make Schedule

The High Plains Bookmobile will make its regular stops in the Friona area this week.

Stops are slated on Thursday in Oklahoma Lane from 9-10 a.m.; Rhea, 11:30-12; Friona Elementary School, 1-1:30 p.m.

Friday, stops are at Hub, 8:45-9:45 a.m.; White's Elevator, 10-11 a.m.; Lazbuddie,

12 noon-1 p.m. and Clay's Corner, 1:15-2:15.

On Saturday, the Bookmobile comes to Friona from 1-4 p.m. at the City Park.

Heap Big News From Chieftain Camp Grounds

Chiefs go on warpath at Canyon Friday night. Rememberum adage, "Chieftains fight, never die," even though nearly scalped by Whitefaces. But played heap good game with Dumas last week. Perhaps wearum new uniforms of red, white, and blue—be big help to morale if wearum.

Football warriors deckum out in fancy white man jackets. One side tan suede color of sand on desert, other side white wool with red letter.

Many papooses wear long faces since Wednesday, because they gettum six weeks grades. But optimistic Chiefs say, "Never mindum, only got five more times to worry about grades now."

Hate to mention, but Squaws forcum way into Sun. They join Chiefs Friday night, Oct. 19 and everybody go on warpath at Oklahoma Lane on "puttum-ball-through-hoop" court. Have heap big hopes they open season with a bang.

Coming Student Council Election causum many pow-wows on reservation. White man's

ways stealed in and now votum on pieces of paper called ballots. "Name Same As Father Class" puttum in orders for rings. Have bloodred stone, they hopeum. Also tradum wampum with white man for chest-decorations and neck-chokers. Thinkum hot stuff now.

All injuns gonna lettum down hair, wearum war paint, and ridum brooms come Hallowe-en Carnival night, Oct. 27.

Me gottum go now and smokum pipe before havum nicotine fit.

Girl Scout Leaders Have All Day Meeting

Seventeen adult leaders of Girl Scout Troops in Friona met at Girl Scout House Monday for an all day meeting. Mrs. Watson Whaley, neighborhood chairman, presided over the business meeting.

Mrs. Ronald Smiley read the treasurer's report. Mrs. W.F. Bandy, troop organizer, reported that ten troops are meeting regularly in Girl Scout House and one is meeting in Friona United Methodist Church.

Plans are being made for the formation of two new troops, which will meet at one of the school buildings. At the present time forty-three women are working as leaders and assistant leaders.

Mrs. Bandy also made a detailed report on funds received from the United Fund Drive.

Mrs. Grady Nelson, Brownie troop consultant recently attended a service training meeting in Lubbock and made a re-

port of the meeting.

A calendar of events was presented by Mrs. Walter Langley, who came to Friona to direct a training course, and Mrs. Whaley.

An area meeting has been planned for Thursday, October 1 and Thursday, October 8. These sessions are for Girl Scouts workers from Friona, Farwell, Bovina and Muleshoe, and will be conducted at First Christian Church in Muleshoe.

The next neighborhood meeting will be Monday, October 26 and will be an arts and crafts workshop. The meeting will begin at 9:30 a.m. in Girl Scout House and will be dismissed at 2:30 p.m. Articles suitable for gift giving will be made.

Troop camp reports by Mrs. W.M. Masie and Mrs. Ronald Smiley, and a Scouts Own, directed by Mrs. Langley, completed the day's program.

Lodge Gives To OPI Fund

Friona Rebekah Lodge #308 this week contributed \$200 to Friona's chapter of Opportunity Plan, Inc., an organization which assists students in going to college.

Richard Collard, chairman of the local OPI board, said this brought the total funds contributed to \$2,257.84, and a good portion of the money is loaned out. Four students are being helped at the present time.

Groups or individuals who are interested are urged to contribute to the fund.

Other members of the local

committee are Tom Jarboe, Glenn Reeve, Jr., Cecil Maddox and Ethel Ruth Spring.

Scholarship Fund

Memorial Started

A Richard Fortenberry Memorial Scholarship Fund has been started by the First Baptist Church.

Friends of the Fortenberry family desiring to contribute to the fund may do so, in care of the church.

Friona Four Wheelers View Change Of Colors

Eleven families of the Friona Four Wheelers, Jeep Club, and their guests spent the weekend in the Red River, New Mexico area following trails and viewing the change of colors.

Sunday morning church services were conducted on the mountain south of Red River with Rev. Albert Lindley, pastor of Friona United Methodist Church, as director. Special music was presented by children in the group. Logs, which had been cut and stacked, were used for pews. Fifty-two persons were present.

Club members, their guests and other Frionans in the area were the families of Albert Lindley, Dee Clark, Clyde Fields, James Cunningham, Rudolph Renner Jr., Walter Cunningham, Billy Dean Baxter, John Fred White, Dale Christie, Richard Sims, George Zetsche and A.W. Anthony Jr.

Also Dwan Menefee, Lewis Gore, Estis Bass, Ted Tucker, Bob Riethmayer and W.B. Buske.

Homemakers Postpone Meet

Mrs. Roy O'Brian, president of Friona Young Homemakers, has announced that the regularly scheduled meeting of the club has been postponed in respect to the memory of Richard Fortenberry.

The meeting will be held at 4:00 p.m. Thursday, October 8 in the Friona High School Cafeteria.

Ray Walker, a handwriting expert from Amarillo, will present the program on "How Taking Dope Can Affect the Personality and Handwriting." All who are interested in hearing this program are invited to attend by Mrs. O'Brian.

She also wants to remind everyone that there are containers for contributions for "Toys for Tots" in the lobby of Friona State Bank and in the Friona High School office.

"Let's all clean out our closets and contribute old toys to this worthy cause," is Mrs. O'Brian's admonition.

Date Set For Sausage Dinner

Members of St. Teresa's Ladies Society have announced that a German Sausage Dinner will be served from 11:30 a.m. to 2:30 p.m., October 11, in St. Teresa's Parish Hall.

Tickets are being sold by members or may be purchased at the door.

The public is invited to attend by Mrs. James Ball, spokesman for the group.

Rub Out Rubella Clinic Date Set

A number of local nurses attended a workshop at the home of Mrs. Lee Spring Friday afternoon.

Darrell Morris of the Texas State Department of Health demonstrated proper use of a pressure in giving Rubella vaccine. This workshop was held to prepare for a "Rub Out Rubella" clinic, which will be conducted here October 15.

The clinic, which is sponsored jointly by Texas State De-

partment of Health and the Progressive Study Club, will be held in the grade school auditorium. Nurses, present, besides the hostess, were Mrs. Robert Alexander, Mrs. Paul Spring, Mrs. Jim Johnston, Mrs. Tom Pruett, Mrs. Franklin Bauer and Mrs. Billy Joe Mercer. Also present was Mrs. M.C. Osborn.

February 28, 1854 marked the date of the organization of the Republican Party.

Sincerely Yours

BY REV. ALBERT LINDLEY

One of those very wonderful and exciting opportunities came along this past week-end and due to the plans that were made and the assistance of some very fine people, I was privileged to accompany the "Friona Jeep Club" to Red River, N.M., for their special week-end 'color watching' trip--boy, it was great.

We didn't feel that the colors were as vivid and striking as in times past but all in all--the fellowship, the sharing, the time in the mountains and all--it was one fine week-end.

I suppose that a 'week-end' could be our topic for this time what with riding the 'jeeps' up to Goose Lake (someone wondered how the 'goose ever found it) and on several other trails we took, but the real value of such a trip is the fellowship of it all. . . .

There were the ever-to-be-remembered snow-ball fights (yes, already) being rolled in the snow and the wonderful setting that was chosen for our Sunday morning worship service.

This was an outstanding time in my personal experience and I must admit I probably preached just a little harder, especially after being threatened with a ducking in the river if it wasn't a good one--but God knew what he was doing with the creation of the altar we used for our worship service. (After the trip they took to get to the location, I wasn't particularly concerned about anyone getting up and leaving--and another thing, I don't remember the time when I saw the front row--yes, the FRONT ROW, fill up first. Someone suggested that it was because a person's 'person' was more exposed to the sun by being on the front row--but I choose to believe they were just excited about the preaching. . . .)

How very, very difficult it is to be in such a setting and to think of the situation of the world at this present time. Almost all that we were experiencing in that brief time (we had to leave) was in direct opposition to what we read about in the news and see on T.V., the events of the day.

Our experience was one of care and concern, of fellowship, of a sense of accepting each other for who we were and as a brother and sister in God's family--it was the opening of one's self to the loveliness of God's created world and the experience of breathing and seeing and feeling that world with a friend. Can you think of a better experience?

But--however we might have desired to be like Peter who, you remember, on the mountain of Transfiguration, wanted to just stop right there and build an altar and stay--we needed to come back to our responsibilities and carry on with them--but I dare say, we will approach them with a clearer understanding and a brighter degree of acceptance, than we ever did before. A trip like that can clear out alot of cob-webs.

Now before I get in datch with my preacher friends who may read this as a "come-on" for leaving for the week-ends, and making weekly trips to the mountains, let me hasten to assure you all that occasional trips are great, but continued menus of the same dish would soon become dull--and I will even say this--attack the concerns of your church, whatever it may be, and we have room for all of them, with the freshness and clarity that is characteristic of the mountains, and I dare say it will be a new experience and a new 'happening.'

Jesus came down from the mountains of Transfiguration and got about the business of his Father's work and concern--which becomes a good recipe for all of us.

I'll just bet--er--wager--(I wish they had another word for that) I'll just know you'll be a better churchman for it all and you can't get that close to God without coming away with a little more of him with you. . . .

Girls State Delegate

Is Guest On Program

Ginger Murphree, local delegate to Bluebonnet Girls State, was a guest at the Wednesday afternoon meeting of Friona Woman's Club at Federated Club House. Miss Murphree, who was accompanied to the meeting by Mrs. Sam Williams, presented a report of her trip to Girls State.

Eighteen members answered roll call during a brief business session, which was presided over by Mrs. Bessie Boatman,

vice-president. A panel discussion, "Re-assigning values in the generation gap" was directed by Mrs. Clyde Hays. She was assisted by Mrs. C.W. Dixon and Mrs. Ellis Tanum.

"Educational trends or changes in public schools," was the theme of Mrs. Davis Moseley's part on the program. Mrs. O.T. Patterson, pianist, presented "Old Black Joe."

Refreshments were served to the two guests and eighteen members by Mrs. Lillian McLellan and Mrs. V.R. Jordan, hostesses.

Timothy Roots

Born Thursday

Rev. and Mrs. L.C. Roots III, Summerfield, became parents of a baby boy at 7:00 a.m. Thursday, September 24 at Parmer County Community Hospital.

He weighed 8 lbs. 13 ozs. and was named Timothy Logan. He has two sisters, Ruthetta and Rachel.

Grandparents are Mr. and Mrs. L.C. Roots Jr., Brownfield, and Mr. and Mrs. G.H. Brock, Friona.

Mrs. L.C. Roots, Sr., Phoenix, Arizona, is the paternal great-grandmother.

Luncheon Honors

Swiss Visitors

Mrs. Herschel Johnson and daughter, Kay were hostesses at a luncheon in their home from 1:00 to 3:00 p.m. Saturday.

Guests of honor were Mr. and Mrs. Blaise Thonney, Basel, Switzerland. Mrs. Thonney, the former Eve Braunschweiger, was Friona's foreign exchange student during the school year 1962-63. She and her husband have been guests in the home of her American parents, Mr. and Mrs. Ernest Osborn.

Others present for the luncheon were Mrs. Dwight O'Brian, Mrs. Joe Reeve, Mrs. Robbie Osborn, Mrs. Ted White, Mrs. Larrie Upton, Mrs. Phil Phillips, Mrs. Ernest Osborn and Mrs. Frank Truitt.

Also Patti Jones, Betsy Frye and Mary Knight.

It's A Boy

For Colliers

Mr. and Mrs. Mike Collier of Dallas became parents of a baby boy at Methodist Hospital there at 12:52 a.m. Sunday, September 20. He was named Jason Scott and weighed 7 lbs. 9-1/2 ozs.

Jason has an older sister, Dawn, who is three. His grandparents are Mr. and Mrs. Jack Collier, Dallas, and Mr. and Mrs. Ralph Taylor, Friona.

Mr. and Mrs. E.E. Taylor and Mr. and Mrs. E.H. Lewis, Friona, are the great-grandparents.

Rummage Sales

Slated To Begin

The annual Parmer County Community Hospital Auxiliary sponsored rummage sales will begin Friday, October 2 in the building formerly occupied by Nunn Lumber Company at the corner of Tenth and Main.

Sales will be held each of the five weekends in October. Time of the Friday sales will be from 1 to 5 p.m. and on Saturdays the sales will be from 1 to 6 p.m.

Finance committee members will be at the building all day Thursday, October 1. Anyone having items to donate may take them that day.

All proceeds from the sales will be used for re-furnishing the hospital waiting room.

The Library Corner

Don't forget our new policy, which will go into effect Thursday, October 1. Over due fines will be 5¢ a day instead of 2¢ and reference books can be checked out for only two days with an overdue fine of 25¢ per day.

We have four sets of encyclopedias on our reference shelves. They are World Book, Britannica, New Standard and American People's. We also have a two volume set of "The American Presidents," and a volume book of summaries of the literary classics.

Story Hour on Thursday mornings for pre-school age children has been so well received that we have added a new group of three year olds. Now we have four groups with a reader for each group.

Football fans may now want to read Jerry Kramer's "Farewell to Football," and "I Can't Wait Until Tomorrow Because I Get Better Looking Every Day," by Joe Namath.

Women who are attending Bible classes and women's fellowship meetings at the different churches may be interested in some of our new books, "Psychology In The Psalms," "Religions Around The World," and "Star In The East."

History students, who need additional information on colonial history, should inquire at the library. Several new books have been ordered from

Amarillo and should be on the shelves by the time you are reading this.

For fun reading, try Alfred Hitchcock's "A Month of Mystery."

Son Born To

Larry Milligans

Mr. and Mrs. Larry Milligan, 1813 Lyndon Drive, Fort Worth, became parents of a baby boy at 6:25 p.m. Friday, September 18, at Harris General Hospital. He was named Neal Cassidy and weighed 7 lbs. He is the first child for the couple.

Grandparents are Mr. and Mrs. L.A. Milligan and Mr. and Mrs. E.S. White Sr., all of Friona.

Mrs. Nellie Whitehead, Lexington, Oklahoma, is the great-grandmother.

Luci Rodriguez Is FNC Praxey

During the business meeting of the Future Nurses Club of Friona High School in the meeting room of Parmer County Community Hospital Wednesday afternoon, Luci Rodriguez was elected president.

Other officers elected were Lou Whaley, vice-president; Carolyn Murphree, secretary; Kathy King, historian; Cinda Johnson, chaplain and Donna Lewellen, reporter.
