Head Coach James Alexander reported a total of 30 boys reported for the opening of football practice sessions here Monday of this week and he stated that he expected a few more to report for duty during the week.

He said that it was too early to tell about this season's prospects and that he would not know until after the boys had worked out long enough to get rid of tired, aching muscles.

The boys are working out twice daily from 8:15 to 10:00 in the mornings and from 5:00 to 7:00 in the evenings.

Alexander stated that he felt sure that the Buffalo line would measure up well in conference play this season but that he was not prepared to make any predictions on the backfield. The team suffered a real loss when it was announced this week that Jerry Foster, a stellar back, would not be able to play football again because of a head injury.

The squad consists of 18 sophomores and freshmen, four juniors and 10 seniors.

R. A. Underwood, of the R. A. Underwood & Co., Inc., investment securities firm of Dallas, was here last week and stated that it was his opinion that the project could be financed and asked that his firm be given an opportunity if the city decided to carry out the proposed plan. Since city officials of Rising Star have stated positively that they are not interested, the project rests squarely with this city and engineering will be carried out on a one-city basis.

# 250 EX-STUDENTS ATTEND PIONEER SCHOOL REUNION; LUBBOCK MAN NEW PRESIDENT

Approximately 250 ex-students of the Pioneer school during the '30s and '90s met under the tabernacle of the Baptist Church in Pioneer Thursday morning of last week where they thoroughly enjoyed renewing acquaintances and reminiscing.

W. T. (Dub) McClure, rancher of this area and president of the organization, presided over the day's festivities which included a bountiful barbecue dinner with all the trimmings at noon, served by members of the Pioneer Home Demonstration Club.

Highlight of the morning was an address by Dallas Scarbrough, noted attorney of Abilene and a former student of the school. Scarbrough said most of their forebearers came from other states and had fought in the Confederate Army. None of them, he remarked, had brought anything. "We grew up with the

idea that all men were equal and we were all fair to one another," he said.

Scarborough said the South long paid tribute to the North in freight rates on commodities produced, but when Roosevelt took office many discriminations were abolished.

"I voted thrice for Franklin D. and am proud of it and make no apologies," he remarked. Truman was a different sort of character, he said. "I respect Eisenhower, though I have never had any trouble voting for a Democrat," he continued.

Scarborough also paid tribute to ex-students of Pioneer schools who died during the past year. They were Sam Browning, Sweetwater; Mrs. Ella Brooks Royal, Moran; Mann Nix, Cisco; and B. W. Webb, Burkett. He requested another to read the obituary and tribute to his own sister, Mrs. Gettrude Dill.

wife of Dr. Dill of Rising Star. Underwood Elected President. Ben Marshall of Pioneer was elected vice-president and W. D. Smith of Cross Plains was named secretary-treasurer, succeeding Ace Hickman, Baird rancher who had a big part in the success of this year's meeting.

The oldest pioneers recognized were Mr. and Mrs. Bob Westerman of Christoval. Westerman is 88, his wife 82. Lee W. McClure, San Diego, Calif., came the farthest to attend the reunion. He is a brother of W. T. McClure. The man with the longest continuous residence, on the ground, was Will Phillips, Pioneer, there for 65 years.

Her speech concerned the movement for all youth of different churches to unite in one group for spiritual purposes as well as recreation and good-will activities for the home town and elsewhere.

**Betah H. Freeland, Jr., Weds Miss Omega Mabra In Fort Worth Recently**

Betah H. Freeland, Jr., son of Mr. and Mrs. B. H. Freeland, Sr., of Baird, formerly of Cross Plains, was married to Miss Omega Ann Mabra at the home of the bride's close friends, Mr. and Mrs. J. H. Woods in Fort Worth recently. The bride is the daughter of Mr. and Mrs. Mike Mabra of Pittsburg, Calif.

The bride wore a strel length dress of pink Italian embossed cotton designed with a full skirt and a high buttoned pleated collar. Her accessories were white and she wore a corsage of white carnations.

Mr. R. L. Blissett of Fort Worth was her sister's only attendant. Franklin D. Freeland of San Diego, Calif., was best man.

The bride and groom will reside in Graham until fall when they will both return to Lubbock where he will finish his schooling at Texas Tech.

Fort Worth—Most observers on the market at Fort Worth are of the view that there is a strong probability that more cattle will be fattened in Texas during the next six to eight months than for a comparable period in several years.

Many of the cattle will be grain-fed and many others will be carried on grain pastures with probably some supplemental feeding. Already reports are coming in of the movement of sizeable numbers of "what pasture" type calves and yearlings into the winter wheat grazing areas of the Texas Plains and Panhandle.

Conditions have been made quite promising in some sections that have received heavy showers recently. The shower activity has been continuing and while the benefits are not general, there has been enough aid to breed some optimism. Optimism is the commodity that cattlemen thrive on.

Another factor that portends big feeding operations are the big feed crops that are going to be made in section of the West Texas Plains. In some sections conditions are reported the best in years. Storage is at a premium and there are plenty of cattle around. This means lots of cattle will likely be fed in the Plains and Panhandle.

We are told that the "nubbin" corn produced in many parts of the Eastern third of Texas, will also be fed to cattle. This corn was of too poor quality to be salable, and when ground with cob, shuck and all and stepped up with some protein and some urea to increase the digestibility, it will put pounds on cattle.

On Monday's market, prices were strong, spots higher and calves were 50 cents and more higher than last week's close.

In the hog yards, the top was \$23.50 and sows sold for \$14 to \$18.50.

80 YEARS AND FOUR GENERATIONS—J. A. Atwood, 2509 33rd St., Lubbock, seated second from left, celebrated his 80th birthday Thursday with a family reunion and birthday dinner in the home of his daughter and son-in-law, Mr. and Mrs. J. W. Reid. Seated with him, left to right, are his brothers and a sister, Gene Atwood of Abilene; Mrs. W. E. Jones, 3306 Ave. N. Lubbock; and Claude Atwood of Clyde. The four generations at the celebration included Atwood; his daughter, Mrs. Reid, standing left, holding his great-grandson, Worren Odom, 2; and his granddaughter, Mrs. Vernon L. Odom, Lubbock, standing right, holding his only other great-grandchild, David Odom, 2 months old.

### J. A. Atwood, Former Resident, Observes 80th Birthday At Lubbock

J. A. Atwood of Lubbock observed his 80th birthday Thursday, Aug. 19, with reminiscences that included stories of his father's friend, Kit Carson, and his own presence at Sam Bass' death at Round Rock. Atwood says he saw the posse go in after Bass, but didn't see the actual killing because he ran. There

was some speculation that he was celebrating his 80th birthday because he did run.

Atwood was born in Round Rock, Williamson County, the son of Mr. and Mrs. W. P. Atwood. He came to Lubbock in 1926 from Cross Plains where he lived for several years.

Now a retired farmer and a deacon in the First Baptist Church, he celebrated Thursday with a family reunion and birthday dinner in the home of a daughter and son-in-law,

Mr. and Mrs. J. W. Reid, 2505 33rd St., Lubbock.

Among the guests were his only grandchild, Mrs. Vernon Odom, and her two children, Warren 2, and David 2 months old, of 2603 44th St., Lubbock. Also present were his sister, Mrs. W. E. Jones, 3306 Ave. N. Lubbock, and two brothers, Gene of Abilene and Claude of Clyde.

Two other sisters, Mrs. Chess Barr of Cross Plains, and Mrs. Lee Straley of Oplin, were unable to attend. Mrs. Barr could not be at the celebration because she was busy with another celebration — her 50th wedding anniversary. There was not a death among Atwood's eight brothers and sisters until he was 77 years old.

Others attending the dinner were Atwood's wife, Mrs. Gene Atwood; Mrs. Claude Atwood; W. E. Jones; Winson Atwood, a nephew; Vernon L. Odom; and Miss Ruby Atwood, a daughter.

Miss Francoise McMillan of Lubbock is spending this week with her cousin, Miss Billie Helen McMillan.

Mr. and Mrs. Lester Barr and Mrs. E. H. Oliver and son, Doyle, returned home from Waco Wednesday night of last week after spending several days at the bedside of Mrs. Clark Wilson, who was seriously ill, but improved Wednesday. Mrs. Wilson is Mrs. Barr's mother and a sister of Mrs. Oliver.

# WARNING!

## TEXAS FARMERS-RANCHERS WARNED OF CIO LABOR PLANS

AUSTIN, Tex., Farmers and ranchers of Texas were warned this week that the CIO plans to organize the farm workers of Texas if its candidate wins the Governor's race.

This warning came from Governor Allan Shivers who charged that the backers of his opponents "want to turn the state government over to the same bunch that is trying to wreck Port Arthur."

"One of the first things they would do is put one of their red-hot organizers from Port Arthur in as labor commissioner. Then every time a farmer or rancher wanted to hire someone he would have to go through the CIO."

Governor Shivers said there was no doubt in his mind that the aim of the CIO after the job of organizing industry in Port Arthur and along the Gulf Coast is finished is to begin organizing farm labor in all parts of Texas.

"You can imagine what will happen

when the CIO starts dictating how many laborers are needed to plow ten acres of land, refusing to allow a man to work more than thirty-five hours a week during the harvesting season and telling how much a farmer can charge for his crop," he said.

The Shivers administration, the Governor said, has worked hard to help preserve and protect the rights of the working man.

"But as long as I am Governor, the professional labor bosses who have been sent to Texas from the East — specifically those in the CIO and its Political Action Committee — are not going to run our State Government," Shivers promised.

Shivers said the average working man in Texas appreciated good government and that they were not going to let CIO bosses and professional organizers from the East do their thinking — and voting — for them.

# PAUL BRASHEAR

## For State Representative, 76th Dist.

Paul Brashear was born in the Atwell Community in 1917, the son of Mr. and Mrs. G. T. Brashear, pioneer residents of that community. He was reared on a farm there and graduated from Cross Plains High School. He is a brother of Robert Brashear of this city.

After graduation from school here, he was, for a time, employed in the hardware department of the local Higginbotham Bros. & Co. store. After working at other employment in private industry for several years which included work in defense plants in the early years of the war, he went in Civil Service employment in 1944, and for seven years, with time out while he served with the U. S. Engineers, he served as technician with the Soil Conservation Service, being stationed with work units at Rising Star, Iowa Park and San Saba. He left the service in 1952 to enter private business and since that time he and his wife have operated

a floral shop in Cisco.

He married the former Lena Helen Ray of Scranton and they have two children.

Brashear is well qualified for the legislative post. Along with his varied experience in business and government work, he has served as an employee in the State Legislature during two regular terms and the last special session. He served both as a committee clerk and as assistant sergeant-at-arms.

Let's give him an opportunity to serve us in this important place, not just because he is a "home-town boy" but because he is qualified and is pledged to work for a sound legislative program for our district and the state as a whole.

Go to the polls Saturday and cast your vote for PAUL BRASHEAR for State Representative of the 76th District, comprising Callahan, Eastland and Shackelford Counties!
