

"A Rose by any other name would (be) as sweet..."

On the last day of her life, Rose Lange remarked to her daughter "Isn't this the nicest little town?"

This was typical of how this Great Lady loved Friona, and how she had held her hometown uppermost in her mind for over 50 years.

Whether instilled through her many years of club work, or simply from a matter of feeling the personal need to be of service, Rose had a deep, underlying feeling for her hometown, and those who knew her had this feeling for Rose.

In recent years, with her own health failing, Rose mentioned to us on several occasions how badly Friona needed a nursing home.

"I would be the home's first customer," Rose had said. She undoubtedly would have, failing health or no, because Rose supported the things she believed in.

Another thing that Rose would never let us forget was that she believed that Friona should be the county seat of Parmer County. She often joked that she would steal the records, if need be. But if she had to be jailed, she wanted it to be here in Friona.

Yes, we all miss Rose Lange's wit, her chipper smile and the encouragement she would lend whenever such was needed.

But haven't we all been blessed just by knowing Rose? And if Friona is a "nice little town," (which it is), then it was helped to be so by Our Rose. How fortunate for Friona that she came our way.

Friona's 1-2 Punch

MR. TOUCHDOWN... Louis Lee, left, and James Bartlett hold a game ball. The brand is "Wilson TD," and that is appropriate, since Lee and Bartlett have scored 13 touchdowns between them. Although both have missed games due to injuries, Bartlett is the leading scorer among District 3-AA players with 50 points, and Lee, who has played less than half of the time, is still sixth with 34 points. Two other Chiefs are in the top ten for scoring: Mario Pera is eighth with 20 points, and Johnny Bandy tenth with 18.

7:30 STARTING TIME

Olton Visits For District Opener

The always-tough Olton Mustangs visit Friona on Friday for the opening District 3-AA game of 1972. Starting Friday, game time will be 7:30 p.m. through the remainder of the season.

Although the Chiefs have enjoyed a fine season to date, winning five games and averaging 33 points in those wins; the next four games are the only ones that count toward championship play.

And Coach Bob Owen was reminding his Chiefs this week that Olton, although only sporting a 2-4 record, has during the past six or seven years proved to be the hardest team for Friona to beat.

In fact, Olton has won the last five consecutive games played between the two schools, and with a two-game 1972 winning streak would like nothing better than to make it six in a row against Friona.

However, the 1972 Chiefs have done a fair job of revising the record book to date this season, and perhaps the "Olton tradition" can be another that can be reversed.

Only last week the team had to break from tradition in order to claim a win over longtime foe Dalhart, which had not been beaten by Friona since 1958. In the season opener, the team

aimed a rare third consecutive win over rival Farwell.

The Chiefs were sources of both good news and bad at the beginning of the week. Halfback Louis Lee, who saw action for the first time in three weeks against Dalhart, and sprinted for a 73-yard touchdown during his brief appearance, was pronounced "fit" by Coach Owen.

"Louis was just a little tired after the Dalhart game. But the knee and leg continue to improve, and he should be available for even more duty this week," the Chiefin gridmaster said.

Owen dispelled the idea that Lee was limping while on his 73-yard touchdown jaunt. "Louis has an odd running style. He was just a little out of shape," Owen explained.

The bad news centered on the fact that three members of the squad were ill at the beginning of the week, and this appeared definitely a threat to weaken the team on Friday. Mario and James Pera, starting fullback and guard, were out of school the first of the week with a possible virus. Even if they recovered, Owen speculated that they would be weak.

Starting center Willie Bailey was nursing a sore throat that bordered on strep throat.

"We don't have the depth to lose these kind of players. Especially with Olton beginning to come around. We're going to need an all-out effort," the Chiefin head coach said.

Olton won last year's game, 23-13. The Chief's last win over an Olton team was a 24-8

decision in a game here in 1966 in which Ted Renner filled in for the regular quarterback Johnny Barker, and called a near-perfect game.

The Mustangs are led by all-district prospect Keith Workman, a 200-pound workhorse

who is a starter for the third season.

Olton snapped its losing streak two weeks ago with a 26-23 cliff-hanger win over Abernathy of District 4-AA, and then topped Idalou of the same district, 27-21 last Friday.

Credit Union Sets Open House Sunday

Plans for the formal Open House of Friona Texas Federal Credit Union in the new location at the corner of Sixth and Euclid have been finalized.

October 15-22 is International Credit Union Week. This week marks the 23rd anniversary of the credit union with credit unions for safe investments, financial counselling and equitable loans.

Beginning October 1 prime time on a television network was contracted for and spot ads will be heard during the World Series and later during National Football Games.

During recent weeks one new employee, Don Segovia, who is a graduate of Texas Tech University, Lubbock, has been added to the staff. This addition brings the staff to four. The other three are Mrs. Sam Williams, Mrs. Ray White and Mrs. Jimmy Maynard.

Currently serving as officers of this organization are M. Ray Landrum, president; Bill Teel, vice-president; Mrs. Sam Williams, treasurer; Charles So-

ales, Edward White, Dale Houlette and Jerry Broward.

Ralph Roden, Alvin Gaines and Leonard Coffey are serving on the loan committee.

Open House will be held from 2 to 5 p.m. Sunday, October 22.

The October newsletter contained a coupon, which may be clipped for registration for a 2001 portable 8 track stereo tape player with AM-FM radio. Registration slips are also available at the office. You do not have to be present to win.

Mrs. Williams says, "We cordially invite everyone in Parmer County and the surrounding area to attend. We would especially like for all members to be present to see our new facilities."

She further states, "This progress has been made possible by the full cooperation of our membership. Our credit union is a valuable asset to Parmer County and we encourage all residents of the county to attend the Open House and learn more about credit union work."

PROJECT CHECK... Linda Griffin, representing Progressive Study Club, presents Dr. Paul Spring a check for \$298.81 representing the proceeds of the club's money doll project during Malze Days. The hospital plans to use the money to purchase additional bed chairs for patient rooms. "We really appreciate the support of our community, without which it would be impossible for the hospital to operate," Dr. Spring said.

COUNCIL BUSINESS

New Vehicles Bought For City Of Friona

Purchasing two new vehicles for the City of Friona amounted to the major items of business on the City Council's monthly agenda last Monday.

Friona Motors was awarded the bid for a new pickup-truck for the city's wastewater department, on a low bid of \$2,485.00. The council later voted to purchase a new automobile for the city manager's use from Reeve Chevrolet-Olds.

Reeve's bid of \$3,154 exchange, for a 1972 Malibu was accepted by the council. The manager's current car is a 1964 model.

In other business, the council heard a presentation by Herb Evans, District Soil Conservationist, on factors to consider in its thinking toward a new site for a sanitary landfill for the city. Evans had a slide presentation on how the city of Big Spring solved its dump ground needs.

The council heard a request from Raymond Jones to consider the installation of a block of deep sewer main on the northern edge of the city, and volunteered to pay for the half of the block which serves existing customers, if Jones would pay for the other half.

Tommy Jones discussed a

problem involved when the north water tower overflows, causing water to flow onto his farmland. Mayor R.L. Fleming suggested that a ditch could be dug along the backside of Jones' property, to allow the water to be channeled into a runoff pattern when this happened in the future.

City Manager Jake Outland reported that a letter from the Texas Municipal League indicated that the city should be in line to receive some money from the recently-enacted federal revenue sharing plan.

Absentee Vote Starts For General Election

Absentee voting for the November 7 general election began in the County Clerk's office in Farwell on Wednesday, according to Clerk Bonnie Warren.

Mrs. Warren said that the special voting period will continue through November 3, and urged those who planned to be gone on election day to come by at their earliest convenience and cast an absentee ballot.

FOR WEEK

Ron Smiley Named Top Grid Expert

Ronald Dean Smiley, Gene Ezell and Morris Garza survived the round of upsets last week to take the top three spots in the FrionaStar's weekly football predicting contest.

The three were the only ones among the 187 contestants entering the sixth week who got as

many as 13 of the 16 contest games correct.

Smiley gained the weekly first prize of \$5.00, by being the only one of the top three to correctly pick Friona to beat Dalhart. His score prediction was 19-3, favoring the Chiefs. Ezell took second place, on his tie-breaker

score of 13-12, favoring Dalhart, and Garza had to settle for third, since he predicted Dalhart, 21-13.

Fourteen contestants correctly picked 12 games, which was a good score for the week. They were S.D. Balze, Edward Castillo, F.G. Crofford, Alan Hamilton, Jerry Mabry, Mike Martin, Jessie Morales, Maurice Mabry, Joy Morton, Ann Nichols, Jimmy T. Taylor, John White, Mrs. Teddy White and Laverne White.

In the race for grand prize, Judge Barker remains atop the list, clinging to a one-point lead. Barker scored a ten for the week, and now has a score of 73. Winifred Hurst, with an 11, moved into a first-place tie with Andreea Wilkins.

Duane Balze, Alan Hamilton and Gary Renner are tied at 71. S.D. Balze, Danny Balze, Jerry Hinkle, Benny Pryor and C.H. Veazey are next at 70.

New Jaycee Chapter Sets Charter Date

The newly re-organized Friona Jaycee chapter has met all requirements to obtain a charter with the state and national Jaycee organization.

Tentative filing date has been set as October 24. The club has twenty members signed up, which was the minimum they were seeking in order to apply for a charter. However, all men of the area who are between the ages of 21 and 35 may join by October 24 and become charter members.

Club meetings are every Tuesday night at Friona State Bank's Community Room, at 7:30 p.m.

Presently on the list to be charter members are the following: Albert Cuppell, president; Glen C. Stevens, vice president; Don Segovia, secretary; Bill Peak, treasurer; Les Fithen, Paul Galyon, Roy Hadley, Milton Carlton, Kenneth Baker, Mike Fallwell, Charlie Bell, Charles Short,

Jim Counts, Richard Francis, Sid Gonzales, Glenn Goggans, James Finley, Wayne Taylor, Gary Hicks, and Don Gatlin.

Purpose and objective of the Jaycees (or Junior Chamber of Commerce) is to improve and aid the community and create public interest in problem areas, with the goal of eliminating problems through planned projects.

United Fund Goal Nears Halfway Mark

A total of \$2,500 had been deposited as of Tuesday for the Friona Area United Fund drive for 1972. This figure was something less than half of the 1972 goal of \$5800.00.

Chairman Cecil Maddox said the workers had done an exceptional job to date in making their contacts on the drive.

Maddox said that some phases of the drive had been completed. For example, he reported that Wesley Foster, who was in charge of Main Street businesses, turned in over \$1,000 toward the drive.

Other portions of the drive, including results of the advance campaign to some of the larger businesses and industries, had not been turned in, Maddox said.

A good part of the Highway 60 business drive was yet to be made, and Maddox said he had not received all of the proceeds from the school drive, along with several of the rural areas.

Maddox said his first impression was that the 1972 goal of \$5800 might not be reached, but urged zone chairman and rural chairman to complete their drives and turn in their proceeds.

The chairman also asked that those who had not been contacted but wished to have a part in the United Fund drive to please contact him and he would come by for the check.

Some Schedule Monday Holiday

Some Friona businesses plan to close on Monday in observance of Veterans Day, according to a Chamber of Commerce survey.

Those closing will include Friona State Bank, Southwestern Public Service Company, Production Credit Assn., the post office, and Chamber of Commerce office.

OPEN HOUSE HOSTS... Employees of Friona, Texas Federal Credit Union pose in their new building, which will be shown to the public Sunday afternoon between the hours of 2 and 5 p.m. Left to right are Wanda White, Don Segovia, Geneva Williams and Barbara Maynard. In the foreground is the tape player AM-FM radio which will be the door prize.

NEW AUTO... City Manager Jake Outland poses alongside the 1972 Chevrolet Malibu which the city purchased last week as the administrative vehicle for the City of Friona.

LETTERS TO EDITOR

Mr. Bill Ellis
Editor, Friona Star
Friona, Texas 79035

Dear Mr. Ellis:
This reply is slow in reaching you because I am slow in receiving hometown news, but after reading your comments on the Queen Contest situation and more specific, P.A. systems in general, I was moved to write this reply. As somewhat of an authority on the subjects in question, I would like to clarify to the readers just what the situation is.

The High School P.A. system was not, is not, nor ever will be a good system for that building. The problem lies not within the operator but in the equipment he has to operate. No amount of money spent on that system will ever provide the sound quality you are asking for; it just was not designed for that purpose.

P.A. Systems are already on the market that are fool proof. Easy to operate, and fairly economical. I could name for you 10 or 12 name brands of systems to suit any and every need, both permanent and portable.

If the men who invented such apparatus got rich, it is only because people just like you finally got tired of hassling with inadequate equipment, came to the realization that you get what you pay for, and did something about it.

The choice is yours to make. Before you buy, consult several experts, purchase the system that serves all your needs--regardless of the cost--and worry no more about the problem or continue as you are and wait 45 minutes for the beginning of a program trying to work miracles.

Sincerely,
Rex Talley

Dear Bill,
The Progressive Study Club appreciates the space you allotted for the feature article about the Antique Show & Sale. The response this year was better than last. The proceeds from the show are going toward the construction of the show-barn--a local project--so it was interesting to observe that more out-of-town people visited the show than local people.

We appreciate your cooperation.

Sincerely,
Nancy Edelman
President Progressive Study Club

Dear Editor:
We just returned from a trip, on Thursday to the old Dorsey Historical Mansion at Chico, New Mexico, operated by Mrs. K. E. Deaton.

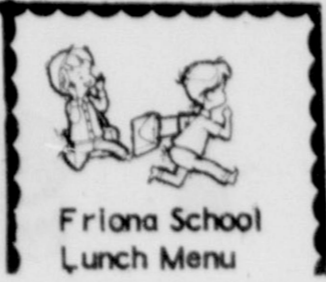

The weather was mild and the trees were showing off their pretty fall colors. Mrs. Deaton greeted us with a welcome and a good visit followed.

Mrs. Deaton is still taking tours through the old Mansion, but does not serve coffee and pie. Her youngest daughter, Veronica and family come on weekends, whenever possible and help her with the tours, as they live in Amarillo.

Mrs. Deaton would appreciate any people coming from the Friona area as so many are her good friends. She is hoping to sell in the near future and while she is still there, would be a good time to go.

It is only a three hour drive up to the place, located at the foothills of a Mesa 25 miles East of Springer, New Mexico.

Pause and Reflect

By Nelson Lewis

We have no desire to add to the volumes being written and spoken concerning the merits or demerits of any particular political candidates.

Our interest is, and has always been, toward the preservation of a United States dedicated to a better life for all Americans.

The Watergate affair, grain sales, and other controversial questions are important, however they sometimes take on the odor and hue of "Red Herring" whose sole purpose is to direct public attention away from really vital issues.

One of the most critical problems facing us today is the maintenance of worthwhile schools.

Anyone who strikes a blow against education is not only robbing the taxpayer but is also guilty of undermining the future of our children.

On Thursday, October 12th, an antibussing bill was killed in Congress.

Despite a House vote of 282 to 102 in favor of a more reasonable approach toward desegregation the Senate defeated the bill 49 to 35.

A recent poll shows 84% of Americans--black and white--opposed to bussing solely for racial balance.

Senator Robert P. Griffin (R-Mich.) said, "If ever there was a case where Congress was not responsive to the people, this is it!"

Friday, we made a late night phone call to Washington and asked for a box score of the voting. Before daylight Saturday we had the information.

We will not bore you with the complete list of names--pro or con. It's on file if anyone wants to see it.

How many of these names can you recognize as being in favor of "strict gun control," and massive "give away" programs?

In favor of bussing--
Javits--Kennedy--Mansfield--Muskie--Pastore--Bayh--Boggs--Brooke--Church--Cooper--Fulbright--Hartke--Percy--Rubinoff--Taft--Tunney.

Those opposed to bussing--
Benson--Buckley--Harry Byrd--Robert Byrd--Dole--Dominick--Eastland--Ervin--Fannin--Griffin--Goldwater--Jackson--Proxmire--Talmadge--Thurman--Tower.

Remember these names; they will crop up again on other issues, and no one need be surprised when these same Senators vote against the wishes of their constituents.

There are too many Senators and Congressmen who are content to let Bureaucrats run the country while they are fighting partisan battles for re-election.

Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--OCTOBER 21, 1932
During the past ten days or two weeks, cotton has been rolling in to the Friona Gin in a fairly steady stream, to the extent that at least 150 bales will have been ginned by the close of this week. C.S. Waddell, manager of the gin, reports that the crop this season will make an average of one-half a bale or better to the acre. Cotton picking is affording employment to many Friona people who were unemployed.

30 YEARS AGO--OCTOBER 16, 1942
Since the armed forces have claimed practically all the eligible young men from this territory, many positions have been taken over by women. Our entire force of rural mail carriers is now composed of ladies. Our local bank is wholly in charge of ladies. Our local drug store is now served by two ladies, where a few months ago, all the employees were men. Another lady, Mrs. Wright Williams, is in charge of Uncle Sam's rationing business at Friona.

20 YEARS AGO--OCTOBER 16, 1952
Something most unusual in the "Trade at Home" campaign idea is being launched in the Star this week--that of a page message in which twelve merchants of the town cooperate in sponsoring. Beside the advertisement of each firm is a caricature of the firm manager drawn by Hut Hutson, Amarillo cartoonist.

Mr. Tom Jarboe, sixth grade teacher for the second year in the local schools, left Tuesday for induction into the Armed Forces at Fort Sill, Oklahoma. Mrs. Jarboe accompanied him.

10 YEARS AGO--OCTOBER 18, 1962
Grain sorghum farmers in Parmer County were all but winding up what had been termed one of the fastest and smoothest grain harvests in the county's history before rains early Wednesday brought an end to the ideal weather which has blessed the season for more than a week.

C.D. Nolan of the Lazbuddie community, delivered the first bale of cotton ever to be ginned at the Friona Farmers Co-op Gin on Tuesday of this week. The bale weighed 475 pounds.

WELCOME TO FRIONA

This week our newcomers are Mr. and Mrs. Don Gatlin and family. Don has recently opened a printing, office supply and gift shop in Friona, in partnership with his brother, Carroll. The children are Donna, two and Steve, four. Mrs. Gatlin's sister, Shirley is staying with them while her husband is in the service. The Gatlins live at 801 W. 5th and are Baptists.

Sincerely Yours

By Rev. Albert Lindley

I've gotta try something. . . .
I don't want the "Fire House Gang" to think ill of me--I understand they think I will be a prime individual for the Bar-B-Que at Maize Days next year. (I'm not sure if they want me to arrange it all or if they plan to put me on the spit to bar-b-que. . . .)

You will remember a few weeks back, I was trying to describe a situation in this very spot in the paper, that had all of the appearances of a real mess and I laughingly referred to the Maize Days Bar-B-Que. . . .get that? . . .laughingly.

I was standing around waiting for my part on the program just before the "feed" that day and at that moment things did look messed up. . . .BUT they opened an extra table for two more lines and it came off better and quicker than I had seen it in my four years, so this is "flowers" for the "Fire-Boys."

Now, did I do it? Did I get off the hook? That's what I needed to try to do.

I appreciate those boys and all that they have to do--are required to do--and do simply on their own. (I'm still trying to get off the hook.) But what I say is true.

You know, I have the feeling that many of our problems come from the simple fact that we often fail to express our appreciation for the many things that we take so for granted in the make-up of a community.

Oh, maybe we don't have alot of problems because we fail to express our appreciation and concern but just think how much better it would all be if we did take the time to say to someone. . . ."Thanks."

There are those who are paid for their jobs and also those who are volunteers.

Would I dare mention some of them? I know I'll miss a few but these should be the recipients of some of our appreciation for what they do for the rest of us. . . .think it over.

By all means, let's begin with our Volunteer Fire Department--our City Officials--our School Officials--our Teachers--And don't forget the two gentlemen who guard the safety school crossing lanes--and of course, our City Patrolmen and all areas of stages of Law Enforcement--Our Community Clubs--our Churches--our Library--our U.S. Government Offices--our State Offices--the Utility Companies--boy, the list can go on and on--the Friona Star and the newsboy--see how it goes? Have you said a word of appreciation lately to any of these? A word of kindness can soften the hardened heart--It can enrich the sourest day--it can be encouragement for a moment of we akness or frustration. . . .it can make your day. . . .and someone else's. . . .Try it. You'll like it.

**On The Farm
In Parmer County
MACK HEALD
County Agent**

The crop harvest in Parmer County is in full swing with nearly all crops being harvested or about to be harvested. Corn harvest is well along throughout the county with some yields of over 12,000 pounds per acre being reported. Grain corn amounts to about 32,800 acres for 1972, which is a sizeable income for the county. About 4,700 acres of ensilage corn has been harvested with many good yields seen throughout the county. The milo harvest is in full swing with approximately 148,800 acres to be cut. From all indications the yields should be very good throughout the county. Parmer County dropped to second place in milo yield in 1971, but may very well regain the number one status this year. Part of the reason for the drop was a decrease in acreage combined with a decrease in yield.

Speaking of grain sorghum, an interesting milo fertilizer demonstration will soon be harvested on the Chandler Brothers farm east of Farwell on U.S. Highway 84. This demonstration is conducted by the Extension Service and sponsored by the Texas Plant Food Institute. It involves several rates of nitrogen and phosphorus throughout the field. The rates used are 140-0-0, 140-40-0, 140-80-0, 200-40-0, and 200-80-0. Check plots without any fertilizer are also seen in the field. If time permits, try to see this demonstration before it is harvested. Later in the year I will give the results of these plots.

Some cotton fields really look good at this time. A few warm days should help it along considerably. Approximately 37,000 acres will be harvested this year. Soybeans, castors, peanuts, later summer vegetables and sugarbeets look good at this time. The sugar content on the beets is 15% or higher in many instances. This will certainly be welcome after the last few "low sugar" years. Many soybean yields are hitting the scales at over 60 bushels per acre. Overall the crop outlook is very good for this year. Considering a rough start in some parts of the country.

At State Meet**

Leroy Johnson and Dick Rockey, Parmer County Soil and Water Conservation District

Directors and Herb Evans conservationist, are attending the state association meeting of Soil and Water Conservation Districts in Houston this week.

**Grissom Is
Re-Elected To
SCS Board**

The Parmer County Soil and Water Conservation District held an election October 10. The election was for a director in zone 4; Farwell area.

Leon Grissom was re-elected as district director. Leon is currently serving as chairman of the board of directors.

Leon's re-election was for a five year term.
The Soil Conservation District meets monthly and promotes conservation in Parmer County, reviews conservation plans, and sets conservation priorities.

A city or town is the reflection of its newspaper. Good, wide-awake aggressive towns most always have a good newspaper. And vice versa.

CVAE Class Officers Told

Officers were selected this week for the 1972-73 school year by the Coordinated Vocational Academic Education chapter (CVAE) on building trades.

Those elected were Alberto Rodriguez, president; Mario Carrasco, vice president; Ernest Mills, secretary; Luis Rodriguez, treasurer; George Saiz, reporter; Danny Bentley, parliamentarian; Raul Brailiff, sergeant-at-arms, and Ron Cain, advisor.

This is the second year for a CVAE class on building trades to be held locally.

Kay Renner Wins Medalist Honors

Kay Renner won medalist honors with a four-over-par 78 in the annual High Plains Ladies Golf Association Tournament here last Wednesday at the Friona Country Club.

Judy Mobley, Clovis, had the low net score for the field with 63.

There were seven area towns represented in the tournament, which ended the schedule of local tournaments at Friona Country Club.

CHIEFS ROMP, 35-0

Friday The 13th Is Unlucky For Wolves

No black cats crossed the path of the Dalhart Wolves last Friday (the 13th)—it was the Big Red Machine, and that proved to be the most unlucky thing to have happened to Dalhart this football season.

Before the night was over, Friona romped for the second straight week to its most impressive offensive showing, and the defense was spectacular. Net result was a 35-0 win by the Chieftains, which sent the team into district play with an impressive 5-1 season record.

The Chieftains scored in every quarter, and never allowed Dalhart past their 32-yard line, so tenacious was the Chieftain defense. Chieftain defenders caught Dalhart backs for losses ten times totalling 45 yards.

The defense sparked the team to its first scores, and turned the ball over to the offense several times during the game. Two straight defensive gems, by Kevin Wiseman and Mike Martin early in the game thwarted a Dalhart drive which had moved to the Friona 42 following the opening kickoff. Friona couldn't move and returned the ball on a punt, but the defense gave the ball back, recovering a Dalhart fumble.

The Chiefs moved to the Dalhart 15, but stalled. On fourth down, Wiseman booted a 32-yard field goal that just cleared the crossbar, giving Friona a 3-0 lead with 3:11 left in the opening period.

over following a punt on their own 26-yard line. Louis Lee, who progressed sufficiently to see action on Friday, made a first down to the 38.

From here, Bartlett thrilled the near-capacity crowd with a 62-yard scoring sprint. The speedy halfback found himself in the secondary and outraced his defenders to the goal. Wiseman missed the kick, giving Friona a 9-0 lead with 15 seconds left in the first quarter.

The next time Friona got the ball, the team drove 80 yards in only eight plays to add to its lead. Bartlett broke on a 47-yard run, almost going all the way again. This gave Bartlett a total of 109 yards on two consecutive carries.

After Lee gave the team a first down with an eight-yard run to the 19, a five-yard penalty stalled things. However, on third down, Johnny Bandy hit Ted King with a strike in the end zone, and Friona's lead was 15-0 with 4:33 gone in the second period. Wiseman's kick was wide.

Later in the quarter, Friona recovered an errant Dalhart lateral at the Wolfpack 43. Bartlett burst for 18 yards, and after a two-yard thrust by Lee, Bartlett took a pitchout around right end and scampered 23 yards for his second touchdown. The kick again failed, and the halftime score was Friona 21, Dalhart 0.

Whatever hopes Dalhart had for a comeback were soon dashed in the third quarter. On the first play from scrimmage,

Lee took a handoff and, bad knee and all, outraced defenders 73 yards to score. Wiseman's kick again was off, but Friona's lead became 27-0 with only 1:31 gone in the second half.

Friona had another drive killed at the Dalhart 27, which killed most of the third quarter. On Dalhart's second play after holding, Friona recovered a fumble and was back in business on the 23.

A five-yard offside penalty threatened to spoil this threat, but on fourth down, after King told Bandy he was open in the end zone on the previous play, Bandy passed it, and King made a great catch with a defender practically around his neck.

The team elected to go for two points this time, and Bandy tossed an easy one to Bartlett, and achieved the final score of 35-0.

The reserves played a major part of the fourth quarter, and the second bunch almost drove in for a TD, after holding Dalhart and starting on their own 36.

Clay Bandy ran 20 yards on a keeper for a first down, and then passed 11 yards to Scott Lillard for another. A pass interference penalty against Dalhart set the team up on the Wolf nine, first and goal, but four

plays found the ball only on the eight, and Dalhart took over.

Dalhart picked up a pair of first downs against the reserves, using some subs of their own, but on the game's final play, their quarterback was nailed for a ten-yard loss; more or less an appropriate play to wind up the game.

The win was the first for a Friona team over Dalhart since the 1958 Chieftains under Colie Huffman scored a 13-6 win, which was the team's first conference win in the AA classification. It also broke a streak of five consecutive wins by Dalhart, although the series was being resumed for the first time since 1965.

Bartlett's 178 net yards (160 of which was gained in the first half), gave him the eyebrow-raising total of 393 yards for two games. Unbelievably, both Bartlett and Lee, who entered the game with healthy averages of 7.7 and 5.9 yards-per-carry for the season, raised their season marks to 8.6 and 7.4 respectively.

Lee gained 114 yards in only four carries (6.3 per try), seeing his first action since being hurt early in the loss to Muleshoe, a game Bartlett also missed, and the team's only loss.

9th Grade Whitewashes Dimmitt 11

The Freshman Chieftains scored a 14-0 win over the Dimmitt Freshmen in a game played here last Thursday. The win was the team's second over Dimmitt this season, and made the team's record 3-2-1.

Friona scored its touchdowns late in the second and fourth periods. The first one came with 4:29 left in the half, when Davy Carthel raced in to score from the Dimmitt 19. Carthel also carried for two points, giving Friona an 8-0 halftime lead.

In the third quarter, Dimmitt drove from its own 46 to the Friona two, but the Freshmen rose up to stop the threat, after Dimmitt had a first and goal at the five.

Richard Bermea got the team out of the hole with an amazing 66-yard punt, all the way to the Dimmitt 25. Forcing a Dimmitt punt, the Freshmen drove from Dimmitt's 30 for a score in five plays.

Carthel got the score again. Kent Miller ran for an apparent two-pointer, but a penalty erased the score, and Friona had to be content with a 14-0 lead with only 2:14 left in the game, and this turned out to be all of the scoring.

B-Team Adds Muleshoe B's Scalp

Friona's B-Chiefs, undefeated and untied, and losers of only one game since the sophomore members began to play as a team in the seventh grade, added another scalp to their collection last week, when a tough Muleshoe team visited Friona.

It was the team's hardest game of the 1972 season, but when the smoke had cleared, Friona claimed a 14-0 win over the Muleshoe B team, which had a former member of the Friona class, Eddie Waggoner, in its backfield.

Friona turned two fumble recoveries into touchdowns, and made them stand up for the win, which ran the team's record to 5-0. Four of the wins have been shutouts.

On the first play of the second quarter, Kevin Welch recovered a Muleshoe fumble. Weldon Peace gave the team first downs at the Muleshoe 35, and again to the 13. From there, Kevin Welch carried in for the touchdown, and Henry Graves ran for two points and Friona led, 8-0.

The B-Chiefs threatened another score before halftime, when Sammy McNeely and Henry Hernandez blocked a punt on the Muleshoe eight. However, the Muleshoe defense held

and took over on the four. In the second half, Friona recovered another fumble, and drove to the Muleshoe four, only to lose the ball on downs. On Muleshoe's second play, though, Friona recovered at the 18, and was back in business.

This time, Peace threw a pass to Gene Strickland, good for ten yards and a touchdown. Welch was stopped short on the point try, but the 14-0 lead was to be sufficient.

The Muleshoe team was held to only three first downs by the B-Chiefs.

Morton Pulls Upset To Get First Win

Doug Reed doesn't know until yet exactly what happened on that game-ending extra point try. But, no matter, what happened on the play prior to that is what was important, and it will stick in his mind for the rest of his life.

The last play with time left on the clock was a 65-yard interception return for a touchdown by Morton's Jimmy Harvey, and it capped off a stunning 27-20 upset of previously undefeated and state-ranked Muleshoe. And the game highlighted the week for District 3-AA teams who begin picking a district champ this weekend.

Class AAA Muleshoe had come to Morton with an unspoiled record, had beaten every other 3-AA team this fall and was a solid choice to make Morton its sixth victim of the season.

But, on the second play from scrimmage, tailback Larry Thompson sped 42 yards to score, and the upset was underway. Morton trailed 13-7 at the half--Muleshoe scoring three seconds before intermission--but Morton pulled into a 21-20 lead midway of the final quarter when Harvey went over from the two and Jerry Silhan booted the untiing point.

The Mules went to the air, especially as the clock wound down, and Morton touched or came close to interceptions on four straight plays. Finally, on the game's final play and three seconds showing on the clock, Harvey picked off the desperation shot at his 35 and sprinted all the way.

"Well," said coach Reed, "all the kids on the bench picked me up (on their shoulders) and started across the field. That's what the crowd on the field was about. And I was on the Muleshoe side of the field talking to Fred (Hedgecoke, the Muleshoe coach) when they kicked the point. And, honestly, I don't know what happened. There was a penalty or some-

More and more people are wising up to the low cost of electric heat

More SPS customers switched to electric heat last year because they found out, through a free estimate, they could operate an electric heating system for little more than they were spending already. Do you think they made a wise decision? Ask any of them. They're our most convincing salesmen. And, ask us for an operating cost estimate. It's free. It's accurate. It's a real eye-opener.

Manager Lee Hicks at Bovina Feeders

FORMULA CITED

Bovina Feeders Strives To Satisfy Customers

Bovina Feeders is the newest feeding establishment in the immediate area, having opened in December of 1969.

When it opened, Bovina Feeders had a capacity to feed 10,000 head of cattle. It has grown to a present capacity of 22,000 head, and this week started construction on pen space for an additional 8,000 head, which would bring the capacity to 30,000 head.

Lee Hicks, who was born in Hereford, is manager of Bovina Feeders. Hicks spent four years in the U.S. Navy, attended North Texas State University, and then spent ten years in feedlot management in California.

Hicks was with the Wardlaw Cattle Company of Fresno, Calif., for four years, and then was with Frick Cattle Company in Bakersfield and Bane Cattle Co. in Sanger.

Returning to this part of the country, Hicks was manager of the Far-Tex Feed Yard and was vice-president of Agri-Basic Corp., a holding company, prior to taking the position with Bovina Feeders.

Earl Howell is cattle foreman at Bovina Feeders. J.B. Douglas is office manager and Joe Dupose is in charge of the milling division. The company has some 20 employees.

Stockholders of Bovina Feeders include D.C. Herring, Louis Welch, Bob Wilson, Leon Grissom, Elvin Wilson, Ralph Shelton, Ralph Wilson, Wendol Christian, Troy Christian, Tom Caldwell, James Mabry, Loyd Shackelford, Lee Hicks, Dolph Moten

and the Woody Fleming estate. Bovina Feeders feels that it is the company's first obligation to feed cattle for farmers and ranchers in the Panhandle area.

"We strive to have the reputation of caring about how we treat the customers of our area," Hicks says.

In addition to feeding for customers from the High Plains area, Bovina Feeders also has customers in New Mexico, Arizona, California and Illinois.

Hicks takes pride in the clean type of operation that he manages. "We invite the public to visit us at any time. We are proud of our feedyard, and are glad to have people come by for a visit," he says.

Hicks says it is important that the cattle industry stay on a sound, solid footing. People who invest in feeding that do not have experience in feeding need to let qualified people take care of their investment, he points out.

Bovina Feeders employs a consulting veterinarian, Dr. E.E. Kraus of Clovis. The company also has a nutritionist, who is Gary Frame of Fresno, California.

Feedlot Management Magazine recently did a complete picture-story feature on Bovina Feeders' animal health program.

In the article, Hicks says "The best way to keep a customer satisfied is to make sure his cattle stay healthy, achieve good gains and are marketed efficiently."

By following a special health care

program, Hicks has lowered the death rate to .41 per cent last year at Bovina Feeders, and says it now is running at only .13 per cent.

Hicks credits this enviable record to the rigorous health program he has set up with Dr. Kraus. "We have an operations manual that standardizes all procedures. Copies of the manual are kept in the self-contained hospital stations where the animals are treated," Hicks explains.

The consulting nutritionist, Gary Frame, is president of Nutri-Systems in Fresno. He consults for various operations from California to Texas. He has found that meticulous records, such as those kept by Hicks' operations are of vital importance when he arrives at the feedyard.

"Another thing I watch for is cleanliness," Frame said in the magazine article. "Since it is usually associated with good animal health and over-all efficiency. Having worked with many feedlots, I think that Bovina Feeders and one other lot in the Panhandle have the cleanest feedmills I've ever seen." Hicks says that the clean mill helps to improve the morale of his employees, and without morale you don't get efficiency.

The feedlot has been operating at 100 per cent capacity and maintains a high level of occupancy throughout the year.

In addition to his work at the feedyard, Hicks also serves on the board of directors of the Texas Cattle Feeders Association.

Cotton Research Has New Product Process

Cotton Incorporated researchers have achieved a major breakthrough in their quest for flame retardant clothing.

Pure cotton garments made from woven or knit fabrics treated with a newly perfected process will surpass the recently imposed federal flame retardance standard for children's sleepwear.

The process—bearing the Cotton Incorporated registered trademark "Fire-Stop Cotton"—makes 100 per cent cotton garments virtually fireproof, with no significant loss in strength and no appreciable change in the feel of the fabric. The flame retardant properties persist beyond the 50 home launderings required by government regulations.

"Fire-Stop Cotton" was unveiled at a news conference held here by officials of Cotton Incorporated, the research, sales and marketing company of America's cotton growers, and United Merchants and Manufacturers, Inc., the nation's third largest textile company.

The process was perfected by United Merchants scientists, working in cooperation with Cotton Incorporated, which carries out research financed by cotton growers through their dollar-per-bale program.

J. Dukes Wooters Jr., Cotton Incorporated's president and chief executive officer, said "Fire-Stop Cotton" works better, costs less, and retains more of cotton's natural comfort than any other flame retardance treatment that can bring children's sleepwear up to the federal standard.

Lawrence Marx, executive vice president of the United Merchants Ameritex division, said his company is already into production of treated cloth. He

said equipment and know-how will be licensed to other manufacturers immediately.

The process will work on any pure cotton fabric, Marx said—woven or knit. Research so far has perfected commercial application to cotton flannelette, cotton terry, broadcloth, print cloth, and brushed knits, the fabrics used most extensively in making children's sleepwear through size 14.

In a demonstration filmed for newsmen, Dr. Leonard Smith, Cotton Incorporated's manager of flammability research, showed that fabrics treated with "Fire-Stop Cotton" resist determined efforts to ignite them. The scientist used ordinary stick matches—and a blowtorch.

Smith said evaluations of children's sleepwear garments after they had undergone the federally prescribed flame test show that they consistently exceeded the required flame retardance performance. In fact, he added, tests indicate that the more a treated garment is washed, the better it performs.

STATION GOING UP. . . Friona's new fire station is taking shape just east of the old station and city hall. Delton Lewellen is contractor on the job, and expects to have the steel building completed in a fairly short time.

Friona Postmaster To Attend I.R.S. Meeting

Mr. Wright Williams, Postmaster of Friona will attend a special seminar sponsored by the Internal Revenue Service (I.R.S.). The meeting will take place in Room 620, Herring Plaza, at 317 E. Third Street on Wednesday, October 25 at 1:00 p.m.

These statewide meetings are being held by the I.R.S. with postmasters in a joint effort to better serve taxpayers who will need tax forms, schedules, tax publications, etc. Topics to be covered will include what forms will be needed, how best to arrange the forms to make them more accessible to the public, and how to make emergency requests for forms and publications.

Mr. Williams will also have an opportunity to discuss other problems concerning tax forms and schedules with responsible I.R.S. officials.

Local Group At Breakfast

A delegation from Friona attended the weekly Chamber of Commerce breakfast in Amarillo Tuesday morning. Maize Queen Carolyn Murphree was special guest.

Accompanying Miss Murphree to the meeting were Chamber board members Wendell Gresham, Floyd Reeve and Carol Gatlin.

The delegation left Friona at 5:30 a.m. for the breakfast, and reported a good time, and good recognition for Friona.

LWML Holds

Monthly Bible Study

The Immanuel L.W.M.L. (Rhea) met October 12 at the Parish Hall for their monthly meeting and Bible study. Bonnie Brandt opened the meeting with a short devotion followed by prayer and led the Bible study with the theme "Grow We Must" from the guide "Grow Up Christian."

Lorna Schueler was our voting delegate to the District Convention held in July at Amarillo. She asked that all members read their September-October District News for the Convention report. She also reported the Navajo Lutheran Mission gifts from the High Plains Zone were delivered to Albuquerque, New Mexico. This is one of the 1972 projects for the local society.

Club Program Features Political Discussion

Highlight of the Tuesday evening meeting of Progressive Study Club at Federated Club House was a panel discussion, during which the platforms of several of our political candidates, both Republican and Democrat, were reviewed. Purpose of the discussion was to enlighten voters prior to the November 7 election.

Those on the panel were Mrs. Hollis Horton Jr., Mrs. Norman Kothman, Mrs. Darrell Simpson and Mrs. J.C. Beck. This was followed by a political quiz by Mrs. Jack Hamli, who directed several questions to each member.

Mrs. Hamli, who was program chairman, introduced a guest, Verne Blair, local guitarist, who presented a medley of songs.

During the business session, which was presided over by Mrs. James V. Edelman, a Money Doll report was given by Mrs. Mickey Griffin. The \$325, which the project netted, will be donated to the hospital. Mrs. Earl Drake held the lucky ticket.

A report on the Antique Show, which was also held in conjunction with Maize Days, indicated that interest in this project is growing and that the show was

well attended. The meditation was presented by Mrs. Steve Bavousett.

Refreshments of cookies and punch were served by the hostesses, Mrs. Raymond Auburg and Mrs. Mickey Griffin.

Two guests, Mrs. Bill Loafman and Mrs. Les Fithen, and the following members: Mesdames Norman Kothman, J.C. Beck, Jimmy Mabry, Clarence Monroe, Darrell Simpson, Lee Spring, Jack Hamli, Dale Cary, Hollis Horton Jr., James V. Edelman, M.C. Osborn and Steve Bavousett were present.

The Library Corner

BY MRS. BILL ELLIS

That spooky time of year known as Halloween is just around the corner. For a change of pace you might want to read up on the subject of Halloween and tell your kids some stories when that bewitching night rolls around. The fine-art of story telling has almost disappeared from the scene, what with tele-

viewing and organized activities taking up most of our children's time.

We have some interesting books in the Library on the subjects of "things that go bump in the night." Read up on some of these ahead of time and then tell the stories to the children in your own words.

Friona generally gets its first real cold spell on Halloween night. So build a fire in the fireplace, turn off the lights, gather round a big bowl of popcorn and SCARE THE BRITCHES OFF 'EM!

Here are some of the books we have available in the adult section: "The Devil In Massachusetts" by Starkey, "The Encyclopedia of Witchcraft and Demonology" by Robbins, "Witchcraft at Salem" by Hansen, and "Famous Ghosts, Phantoms and Poltergeists for the Millions" by Tackaberry.

In the Junior section we have: "Hibernian Nights" by MacManus, and "Witches, Witches, Witches" by Hoke.

And in Junior Fiction we have: "The Legend of Sleepy Hollow" by Irving, "13 Goblins" by Spicer and "The Witch of Blackbird Pond" by Speare.

Mrs. Morris Deaton Is Social Hostess

The Thursday evening social of the Faith Sunday School class of Calvary Baptist Church, which was held in the home of Mrs. Morris Deaton, 1306 Euclid, was hosted by Mrs. Deaton.

During the business session plans were made for renovation of the church nursery and nursery classrooms. Members of the Faith class plan to completely re-decorate the rooms, install carpet and furnish toys

and other necessities. Those attending were Mesdames Ira Holt, Curtis Parker, Dean Shipp, Teddy Osborn, Jimmy Reed, Rufus Martin, C.H. Veazey, Shirley Hawkins and Deaton.

Refreshments of brownies, punch and coffee were served by the hostess.

The November meeting, which will be highlighted by presentation of yearbooks, will be held in the home of Mrs. Ira Holt.

VICKIE DIANE PAYNE, . . . Mr. and Mrs. John O. Payne, 2824 35th Street, Lubbock, have announced the engagement and approaching marriage of their daughter, Vickie Diane, to Gerald Douglas Cannon, son of Mr. and Mrs. J.W. Cannon, Floydada. The couple plan to exchange wedding vows in Fort Memorial Chapel of First Baptist Church, Lubbock, at 7:30 p.m., Saturday, January 6. Miss Payne is a 1969 graduate of Canyon High School and is a junior medical technology major at Texas Tech University. She is employed at the Tech Computer Center. Her fiancé, who is a 1969 graduate of Floydada High School, is a senior advertising major at Tech and is employed at Globe Shopping City in Lubbock.

JOANNE JENNINGS, . . . Mr. and Mrs. Elvie T. Jennings of Friona have announced the engagement and approaching marriage of their daughter, JoAnne, to Jimmy Ray Campbell, son of Mr. and Mrs. Clayton Rawls, 1100 West 57th Street, Odessa, Texas. The couple plan to exchange wedding vows at 8:00 p.m. Friday, January 12 at the Congregational Church of Friona. Miss Jennings is a graduate of Friona High School and Dallas Fashion Merchandising College. She is now employed by Blackburn Bros. of Amarillo as Junior Sportswear Buyer. Her fiancé, a graduate of Odessa Ector High School and West Texas State University is presently employed as a football coach for West Texas State University. Wedding invitations are not being mailed locally, but friends of the couple are invited to attend.

Rhea HD Club Has Family Program

Rhea Home Demonstration Club met October 9 at the Rhea Parish Hall. A baby shower for Mrs. Jerry Carlton was held by the hostesses, Cecelia and Martha Schueler and Mutzi Zieschang. The business meeting followed the shower. Rollcall was answered with "Current Family Project."

Rural Homemaker's Day in Amarillo October 26 was discussed. The theme will be "Home Beautiful." Mrs. Herbert Schueler and Mrs. Walter Dittmar plan to attend this meeting.

The annual fall county Home Demonstration Club Luncheon to be held in November at the Parish Hall was discussed. It was decided to use a Mexican-

Spanish theme and serve Mexican food. Decorating, and entertainment committees were appointed.

It was decided to have a community Halloween party at the Parish Hall Tuesday, October 31 at 7 p.m. Other details to be planned at the next meeting.

Cake, mints and punch were served to the following: Pat Widner, Gay Taylor, Martha and Cecelia Schueler, Malinda Schlenker, Helen Potts, Ona Patterson, Laquita Garner, Sarah Dean, Mutzi Zieschang, Liz Carlton, Mrs. A.L. Carlton and daughters, Debbie and Donnette of Friona.

The next meeting will be held at Mrs. Shirley Smith's October 23 at 8 p.m.

Public Affairs Is Meeting Theme

Public Affairs was the theme of the Wednesday afternoon meeting of Friona Woman's Club. The opening prayer was directed by Mrs. C.A. Turner, following a silent prayer in memory of Mrs. O.F. Lange, longtime member of the club and also a past president.

Debbie Bengel, who was a delegate to the United Nations Youth Pilgrimage for Friona L.O.O.F. She showed slides of her trip and presented a report on it. Roll call was answered with an answer to the question, "What can I do to help build peace?"

The American Creed was repeated in unison with Mrs. T.E. Wood leading. Patriotic music was arranged

by Mrs. Joe Moyer. A joint club house committee report was given by Mrs. Lillian McLellan.

Club members were reminded by Mrs. David Moseley of the club's Harvest Day luncheon honoring all past presidents, which will be held October 25.

Refreshments were served by Mrs. Opal Buchanan, Mrs. Ed Boggs and Mrs. G.E. Reed. Mrs. Gene Zachary, Noble Grand of the local Rebekah Lodge, was also a special guest.

What Shall I Wear?

By Rev. Duane E. Kirchner
Immanuel & Redeemer Lutheran Churches

Matthew 22:11, 12 "When the king came in to look at the guests, he saw there a man who had no wedding garment; and he said to him, "Friend, how did you get in here without a wedding garment?"

Invited? Yes, you have an invitation in your hand and maybe you're already thinking, "What will I wear?" You also have an invitation to be a member of God's people--because God has extended His invitation to everyone, including you. Not only has God invited you to live with Him now and eternally but He has also given you the proper dress to wear--a wedding garment.

In the parable a man didn't put on the wedding garment. Apparently he felt an invitation was enough. The wedding garment that God has given us is the victorious death of Jesus in that He conquered sin on Easter morning by rising from the grave.

You and I can wear that wedding garment. But first we must realize we are sinners and that we need God's grace to receive Life with Him. The Holy Spirit gives us faith which then accepts the gifts of God; and faith trusts in the wear-ability of the garment. We need that garment of faith "to get in."

Gracious Father, I thank you for the gift of Jesus Christ because in His victory over sin I was given the garment needed to give me Life with God. Give me also the gift of faith so that I can wear your garment always. In Jesus' Name. Amen.

TOM LEWELLEN

County Commissioner
Precinct 1

AN OPEN LETTER TO ALL CITIZENS OF PARMER COUNTY, TEXAS:

Dear Folks:

For the past 11 years I have been Commissioner of Precinct No. 1 and have served as such Commissioner on the Commissioner's Court of Parmer County, Texas. I am the Democratic Party Candidate for that office in this year's general election. In view of some recent political advertisements by my opponent for that office, I desire to convey this to you:

I have always voted on matters coming before the Court as I honestly felt was best for the citizens of Parmer County, and those in the Precinct I serve. I have nothing to hide in regard to how I have voted or how I have conducted myself in regard to my duties in my position as Commissioner for the past 11 years. I welcome any of your reviewing my record as such Commissioner, most of which is a matter of public record, in the Minutes of the Commissioner's Court of Parmer County, Texas, on file at the County Courthouse. If any of you have any questions about anything I have done as County Commissioner, I shall be glad to discuss same with you.

I earnestly desire to be re-elected as County Commissioner of Precinct No. 1 of Parmer County, Texas, and humbly solicit the votes of the voters of that precinct and the influence of all citizens of Parmer County to that end. If elected, I pledge that I will continue to do the best job I know how to do as such Commissioner.

Thank you,

TOM LEWELLEN
