Garrett Quitting After 10 Years On Soil Body

A meeting of farm and ranchland owners of the Central Colorado Soil Conservation District will be held in the City Hall at Cross Plains Tuesday night of next week.

Purpose of the gathering is to elect a supervisor to replace C. M. Garrett, whose tenure is expiring. He has served two terms of five years each on the directorate of the organization and in addition has been secretary.

Meeting time has been set for 7:30 p.m.

A film depicting soil conservation and its benefits will be shown by D. C. Cox, head of the local work unit of the Soil Conservation Service.

Officials of the Central Colorado Soil Conservation District are laudatory in expressing appreciation for the service rendered by Mr. Garrett.

"He has been a devoted work-

er," said Eldon Knox, president of the CCSD.

Paul Whitton Heads 11 County School Seminar

Paul Whitton, Cross Plains superintendent, will head a series of studies by public school executives from 11 counties.

First of a series of regular monthly meetings was held in Abilene last week with 40 school superintendents attending from Area 7-B.

"Preparation Programs For School Administrators," "Implementation of the Curriculum Recommendations" and "Teaching Americanism in the Public Schools" are three of the topics to be discussed.

Future meetings are to be held the third Wednesday after noon each month at 2:00 p.m. during the school year.

Consultant for the first series of meetings was R. E. Harris of the Texas Education Agency.

In future meetings, principals and other school personnel will be invited to attend.

Counties in this area include Callahan, Eastland, Fisher, Haskell, Jones, Knox, Nolan, Shackelford, Stephens, Stonewall and Taylor.

Week End Rains Net Over 2 Inches Here

Rainfall in Cross Plains over the week end yielded 2.20 inches of moisture, bringing the total precipitation for the year to 12.86 inches.

Intermittent showers Saturday dumped 1.15 inches, then a slow, steady drizzle which fell throughout most of Monday netted another 1.05 inches. The two rains were all received here during the month of September and by coincidence, marked the third 30-day period during 1960 that the total has been exactly 2.20. Others months with identical moisture measurements were February and July.

While the past week's precipitation did much to quench the thirst of arid pastures, stock ponds and lakes remain precariously low. Farmers and ranchers point out hard rains are needed to run water and replenish supplies.

LUBBOCK COLLEGE WILL HEAR LOCAL MINISTER
Bill Nicks, minister of the Cross Plains Church of Christ, will give a report on his recent missionary work in Nigeria, Africa, Tuesday morning during the Fourth Annual Lubbock Christian College Lectureship, which begins Sunday, Oct. 2.

Also appearing on the program will be Cline Paden of Lubbock, formerly a missionary to Italy and Denmark.

E. E. THATE IS TO DRILL SHALLOW VENTURE HERE
E. E. Thate has staked a 700-foot cable tool oil venture on the Alvie R. Cavanaugh fee, six miles southwest of Cross Plains.

Drillsite is 151 feet from the north and 452 feet from the east lines of Block 42, Comal County School Lands.

State To Spend \$540,000 Here

The Texas Highway Commission Tuesday earmarked \$540,000 for road construction in the immediate vicinity of Cross Plains.

Two jobs were approved, calling for a total of 7.4 miles of pavement. Both projects are a part of new construction for State Highway 206, from Coleman, through Cross Plains to Cisco.

The first project calls for the building of the highway from a point one mile south of Cross Plains to the Brown County line, where it would intersect with pavement now being built. Funds of \$273,000 were allocated by the commission for this project, covering a distance of three miles.

Also approved at Tuesday's hearing was a project calling for 4.4 miles of new highway from Cross Plains to the Eastland County line. Earmarked for this job was \$267,000.

The two sectors proposed on State 206 are parts of a proposed highway from Coleman to Cisco, via Burkett and Cross Plains. The highway already has been constructed from Coleman to Burkett. The road, when completed, will also cross a corner of Brown County and will be in Eastland County from the Eastland-Callahan County line to Cisco.

Although these jobs are on the approved list their time of completion depends upon surveys, plans, acquisition of right-of-way and other factors.

Highway Commission approval means that the Commission will set aside money for these projects during the two-year period and that money will be available when the projects are ready to be built.

NEEB AND KIRK SET DEEP WILDCAT TEST

Harry Neeb and Arnold Kirk of Abilene will drill a 4,200 foot rotary oil test on the Frank Windham acreage, 20 miles west of Cross Plains.

The venture is presently the only deep test scheduled in this county.

Location spots 660 feet from the north and 2,045 feet from the east lines of Section 144, Block 2, GH&H Survey of Callahan County.

McGowen Will Show New Ford Saturday

New 1961 model Fords will be exhibited in Cross Plains Saturday by McGowen Motors.

Howard McGowen, head of the local concern, said yesterday that he hoped to have several of the various body styles to be offered in the Ford line this year.

Don Watkins

'Open House' Event At Humble Station

Don Watkins, Cross Plains High School graduate with the Class of 1958, Tuesday morning became Humble dealer and operator of the company service station at the intersection of Main Street and Highway 36 here. He succeeds Sam Balkum, who operated the business five years and four months.

Watkins, son of Mr. and Mrs. Jack Watkins, recently completed a course of instruction at a Humble training station. He will keep the business open 16 hours daily.

Watkins has scheduled an open house at the station Saturday, at which time a set of juice tumblers is to be given free to every lady entering the driveway.

Paul Smith Now In Mexico City Office

Rev. Paul Smith, eldest son of Mr. and Mrs. W. M. Smith of Cross Plains, who has been doing missionary work among Indian tribes of Mexico, has recently published a book entitled "My Indian Friends."

The volume contains more than 90 photographs and gives an introduction to cultures and customs of 15 Indian tribes.

Copies of the book are available at \$3.75 by writing Wycliffe Bible Translators, Box 1960, Santa Ana, California.

The Rev. Mr. Smith has recently been assigned to work in Mexico City in the publications department of Wycliffe Bible Translators. His present address is 9 Poniente 1310, Puebla, Pue., Mexico.

MONTY NEEB SELECTED STAGE BAND PRESIDENT

Monty Neeb was chosen president of Cross Plains High School Stage Band at a meeting of musicians composing the group Tuesday night.

Other officers elected are: Paul Whitton, Jr., vice-president; Carol Ann Needham, secretary; and Brenda Pennell, reporter.

Soldiers Back To Duty After Leave

J. L. Cearley and Phil Harris, who have been furloughing with their families here after finishing basic army training at Fort Ord, Calif., will leave Thursday for new stations.

J. L. reports to Fort Belvoir, Va., eight miles outside Washington, D. C., where he will enter engineering and refrigeration school. Phil goes to Indianapolis, Ind., where he will enter stenographic school at Fort Harris.

Both youths are graduates of Cross Plains High School with the class of 1960.

Mr. and Mrs. Frank Stevenson of Abilene and Mr. and Mrs. Jack Fargay and family of Sweetwater visited in the Dale Bishop home Sunday.

Local JP Knows Both Sides Of Law; Fines Here Average \$881 Monthly

Few jurists have a better understanding of the problems of law enforcement than does J. M. (Jim) McMillan, local Justice of the Peace.

A veteran peace officer in his own right, and having served as a corporation court judge, county official, and prior tenures as Justice of the Peace, "Mr. Mc" as he is widely known, dispenses justice in an atmosphere of dignity and stern respect for the statutes. He averages hearing about three cases every two days.

For the first eight months of this year, fines collected through his court totaled \$7,049.50. Heaviest month for fine collection this year was June.

"There's no explainable reason for it so being, things just happen that way," he said.

Fine collections by months have been: January \$917, February \$199, March \$240.50, April \$1,096, May \$996, June \$1,589, July \$1,174.75, and August \$836.15. The monthly average of fines here thus far this year has been \$881.18.

Ordinary fines run between \$16.50 and \$40.50, a well-kept

J. M. McMillan

set of records shows.

McMillan's first law-enforcement job was as City Marshal here in the early 1920's, during the rip-roaring days of the oil boom. He served as Deputy Sheriff under G. H. Corn, C. E. Bray and Everett (Ev) Hughes. Old-timers recall this town was considered tough in those days,

Peanuts To Bring In \$131,250 This Year

The new peanut crop which began moving to market in Cross Plains Wednesday, will gross approximately \$131,250.00, estimated B. D. (Bye) Montgomery, local buyer, yesterday.

First load of new nuts was brought in by Gwyn Childers last Wednesday. Two Atwell farmers were close behind, however. They were Nathan Foster and Charnel Hutchins.

Montgomery told The Review yesterday that the average test for this year's crop is near 55 per cent of sound-mature-nuts. Average price per ton is \$187.50. Approximately 700 tons are expected to be marketed in

Cross Plains from the current crop.

Consensus among peanut producers yesterday was that week end rains did negligible, if any, damage to unharvested nuts. Some were of the opinion that the moisture might improve the quality.

The field from which the first load of peanuts came this year averaged 20 bushels per acre. Montgomery estimated this might be slightly better than the over-all aggregate.

"I believe they'll go between 15 and 20 bushels per acre," he said.

Legal Battle Develops Over Theater Building

The old Plains Theatre in Cross Plains is back in the news.

Although closed for the past several years, the theater broke into public attention again Friday as a focus of a flurry of legal activity, including a restraining order.

The State of Texas, City of Cross Plains, Callahan County and Cross Plains Independent School District filed tax suits against R. L. Vaught of Abilene, who formerly owned and operated the theater.

The political sub-divisions halted demolition of the building, asking payment of \$699.68 delinquent taxes, plus penalties and interest.

Vaught says he sold the thea-

ter building to C. W. Floyd and W. W. Hereford. Floyd and Hereford were having the building torn down and selling the materials.

Deputy Sheriff Byron Richardson served their work foreman with a restraining order Friday, stopping the wrecking of the theater building, pending a hearing on request for injunction before District Judge J. R. Black in 42nd District Court at Abilene Tuesday afternoon.

At the hearing Tuesday afternoon, Judge Black issued a temporary injunction.

Vaught told The Review in a telephone conversation late Tuesday that he had written to Hereford, and that the taxes would be paid.

August Bond Sales In County \$27,513

Savings Bond sales in Texas increased 15 per cent in August over the same period of 1959. This report was made today by Howard Farmer, Chairman of Callahan County Savings Bonds Committee.

"August saving bond sales in our county were \$27,513. Sales for the first eight months totaled \$146,534 which was 69.8 per cent of our county's 1960 goal," Farmer reported.

Texas bond sales for the first eight months of the year total \$105,607,518 which represents 63.8 per cent of the state goal.

"The role of the savings bond program in light of world conditions cannot be over-emphasized. Buying of savings bonds is a tangible way that each American can demonstrate his patriotic support of our great nation," Farmer said in announcing the sales for his county.

Junior High Teams Play 2 Games Here

A double-header football game played here Tuesday night between junior high school of Eastland and Cross Plains, resulted in a win for the visitors in the "A" squad clash and a six-all tie in the "B" encounter.

In the "A" squad game, Eastland scored once in each quarter and added two extra points after touchdown for a 28-0 triumph.

The local youths were unable to master an offensive threat, racking up only 16 yards from scrimmage throughout the fray. Eastland, on the other hand, rolled to 219 yards rushing. First downs favored the visitors 11-0.

Cross Plains "B" squadders jumped off to an early lead on a 40-yard, around end scamper by Jimmy Brown for a touchdown. Eastland came back in the second half and knotted the count on a 25-yard gained by Mike Siebert. There was no more scoring for the night and the game ended in a 6-6 tie.

Mrs. Macon Freeman of Coleman visited here in the home of her mother the first part of the week.

Miss Sharon Gilmore, student in Hardin-Simmons University at Abilene, spent the week end in Cottonwood and Cross Plains.

'B' Stringers Dump Early Reserve Team

Coach Don Wiggins' "B" string football team won their second game in as many starts here Thursday night of last week, dumping their counterparts from Early High School in Brownwood, 20-16.

Jerry Payne tallied two TDs for the locals, and Bobby Hutchins counted the other. A two-point conversion was added by Max Howell on a thrust through the line.

Both the Early touchdowns were scored in the second half. The Buffalo "B" stringers go to Santa Anna Thursday night of this week.

Buffs Clip Wildcats 18-8 Saturday On Comeback

Cross Plains Buffaloes overcame a two-point deficit at Rising Star Saturday night and clipped the Wildcats, 18-8.

The victory was the Buffs sixth consecutive win over the Wildcats and the Rising Star school homecoming. The win also evened Cross Plains' season record at 2-2, and completed a sweep of games with District 7-B non-conference foes.

With only 30 seconds remaining in the initial period, Left Halfback Alvin Hutchins took a pitch-out and circled left end from five yards out for the first Buff TD.

But Rising Star was not to be denied as they clawed back just over a minute later for their only counter of the night. The Wildcats were successful on the conversion where the Buffaloes failed, and held a two-point lead until late in the second canto.

With one minute remaining in the first half, the Buffs took the lead for keeps. Right Halfback John Baird skirted right end 22 yards and the Buffs scored tally. Baird's scoring run came immediately after a clipping nullified part of a 69-yard pass and run play that crossed the goal line, but to no avail.

Cross Plains got an insurance TD early in the fourth stanza after battling about on even terms with the hosts during the third quarter.

Buffs Score First. Halfback John Baird recovered a Wildcat fumble on the Rising Star 29 and set up the first Cross Plains TD. Five plays later Hutchins scampered five yards around his left end for the tally. Hutchins hit paydirt with only 30 seconds left in the first quarter. A pass from Quarterback Doug Dallas to Hutchins fell incomplete on the conversion try.

Wildcat Take Lead. Rising Star then countered in blitzkrieg fashion for their tally. A minute and 10 seconds and five plays after the Buffs scored, Wildcat Quarterback Johnny Jones squirted 20 yards for the Cat TD. A pass from the arm of Jones to Left End Larry Harding was complete for the two points and the Wildcats were out front, 8-6.

Buffs Regain Lead. In seven plays the Buffaloes stormed back to grab the lead.

Key play in the drive was a 47-yard pass and run play from Dallas to Hutchins which saw the latter outrun Rising Star defenders to cross the goal, but a clipping penalty on the seven yard line pushed the pigskin back to the Rising Star 22.

Baird then circled left end for the touchdown with one minute left on the clock. A pass fell incomplete on the conversion try. Intermission score read 12-8 for the Buffs.

In the third period, action slowed and neither team threatened. But late in the third quarter Guard Rex Tackett and Safety James Harris collaborated on a Wildcat fumble to give the Buffs possession on the Wildcat 35. Five plays later Cross Plains had their final tally.

Dallas sneaked into the end zone from one yard out. Key play of the drive was a 31-yard pass from Baird to Right End Jerry Fleming who caught the ball on the five and tripped while trying to back pedal into the end zone. Again the two-point try was fruitless and the final score read 18-8.

Rising Star managed to move to the Cross Plains 36 on their series of downs after receiving the kick-off. As the game ended, the Buffs had penetrated to the Wildcat 19.

Alvin Hutchins was the Buffs leading ground-gainer with 68 yards on 19 carries for a 3.6 yard average. But John Baird was tops in the average column with a 6.4 yard average with 58 yards on nine tries. Fullback Jay Wilcoxon was second with a

4.3 average, netting 60 yards on 14 assignments.

Buffs Have Open Date. The Buffaloes will rest this week end. Friday, Oct. 7, they will host their third Class AA non-conference foe, the Ranger Bulldogs.

HERE! '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more. . . the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

PHILOSOPHER FINDS NEW PROBLEM TO PONDER; CASTRO'S CHICKEN FEATHERS

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou has a problem this week which is beyond us.

Dear editor:

If you want to confuse me and the average Congressman or foreign affairs expert, ask us what ought to be done about the foreign situation, but there's one question about foreign affairs that while maybe a Congressman can answer, I don't mind saying I can't. It has me completely stumped, buffaloed, floored. And until I get an answer, I have little hope for any truly international understanding among the peoples of the earth.

The question is: What were Fidel Castro's men doing scattering chicken feathers around in their hotel rooms in New York when they were there last week for a United Nations meeting?

As I understand from what I could read about it in the papers, these Castro men brought along their own electric hot plates and freezers and supplies and cooked their own meals in their rooms, but what I want to know is did they go into the hotel carrying live chickens?

I do not understand the lack

of enterprise of American newspaper reporters operating in the big-time, that would leave this question dangling. Just to say that Castro's men scattered chicken feathers around their hotel rooms in New York because they were cooking their own meals, without going into more details, is another example of the world's having to get along on half-truths when it comes to the international situation.

Now I ain't no international expert. I'm not sure there are any, but I know that if you bring along your own freezer full of food, you're not likely to have live chickens in it, not for long, and I can't imagine any nation so backward its governmental leaders would try to quick-freeze chickens with the feathers on. Be the awfulest mess you ever saw. And you mean to say Castro, with all those American refineries, banks, sugar fields and cattle ranches in his hands, ordered live chickens instead of dressed ones sent up to his hotel room, just to save a two-bit dressing charge?

Now we may not be able to figure out what to do about Castro's taking over all the American property he can find in Cuba, about his lining up with Khrushchev, about how often he launders his fatigues jacket, but I'm going to be bitterly disappointed in the big-time reporters, columnists and television newscasters if one of them doesn't find out more about those chicken feathers.

Yours faithfully,
J. A.

Alton E. Hornsby and family attended the homecoming of Baird High School students in that city Saturday.

Burkett

By MRS. MERRELL BURKETT

Mr. and Mrs. Dalton Gould accompanied his brother and wife, Mr. and Mrs. Oscar Gould of Coleman and their mother, Mrs. J. J. Gould of Cross Plains to San Angelo last Thursday where the latter underwent a physical checkup. Since their return home she has moved from Cross Plains to Coleman where she is making her home on West 2nd Street.

According to latest news on the condition of Raymond Jennings, he is resting very well and will be able to have his family in to visit him by this week end. He was taken to Veterans Hospital at Big Spring last week suffering from blood clots in his legs.

Mrs. Clyde Brown and her mother, Mrs. W. C. Casey of Coleman attended the McCulloch reunion at the home of Mr. and Mrs. Pete Murrell at Doole Sunday.

Mr. and Mrs. Eddie Torbet of Abilene attended services at Church of Christ Sunday where he did the preaching.

Mr. and Mrs. E. G. Key and daughter, El Wanda, Jerry Diehl and Butch Jennings spent Saturday in Fort Worth.

Miss Kathryn Cravens left Sunday for her home in New York after spending the summer at her Phantom Hill home here. She accompanied her brother-in-law, W. M. Newton, as far as Washington, D. C., where he is visiting his son, Wayne Newton and daughter and husband, Mr. and Mrs. Dick Klarfield and family.

Mrs. Bullard of Coleman, mother of Vernon Bullard and Mrs. Arlie Thate, has moved to the Kathryn Cravens rent house here.

Mr. and Mrs. Junior Herring and son, David Lenn, of Coleman have moved to the S. T. Burkett rent house here.

Mr. and Mrs. Andrew Walker and family of Cross Plains spent Sunday with his parents, Mr. and Mrs. M. A. Walker.

Miss Esther Byers of Shreveport, La., is visiting her parents, Mr. and Mrs. W. M. Byers this week.

Visitors in the home of Mrs. A. E. Brown Sunday were Mr. and Mrs. Deel Edgington and Tonnie of Cross Plains. Mr. and Mrs. Tye Brown and boys of Coleman and Mr. and Mrs. Harry Lee Koenig of Eden.

CUB SCOUT DEN 3 HAS MEETING ON THURSDAY

Cub Scout Den 3 met in the basement of the First Methodist Church Thursday afternoon with Mrs. Wanda Merryman as den mother. Mike Fritchlee was elected denner, Billy Strength, keeper of the buckskin, and O. B. Byrd, Jr., assistant buckskin-keeper.

Achievements were checked and the Cub Scout Promise and Law of the Pack were repeated. After a discussion period, refreshments provided by Mrs. Merryman were served to: O. B. Byrd, Jr., Robert Merrill, Billy Strength, Mike Fritchlee, David Merryman and visitors, Larry Franke, Johnny Cowan, Tommy Merryman and assistant den mother, Mrs. Clay Kinnard. Mrs. Kinnard, who is assigned to another den, is assisting temporarily, due to the shortage of adult leaders.

After several games were played the meeting was dismissed.

METHODIST WOMEN HOLD 20TH ANNIVERSARY MEET

Women's Society of Christian Service of the Methodist Church met in the parsonage Monday to observe their 20th anniversary. Prior to 1940 the organization had been known as the Women's Missionary Society.

Mrs. Fred Tunnell presided and Mrs. I. N. Riley presented the highlights of the work of the Society in Africa, assisted by Mrs. Austin Payne and Mrs. Blanche Fortune. Mrs. E. K. Coppinger reported on the work being done among American Indians as a home mission.

Mrs. Doyle Burchfield gave an interesting account of the worship center which included the emblem of the W. S. C. S., a lighted candle and the Holy Bible.

Mrs. Ida Graves, one of the oldest charter members, gave a brief and interesting history of the local society.

Mrs. John Harper read a list of names of the charter members, both living and deceased, followed by a talk by Rev. John Harper in which he honored our early members. He stressed the need for faith and trust in God today as was needed in early days.

After the benediction, refreshments of punch and cookies were served to Meses. Payne, Burchfield, V. C. Walker, Coppinger, Fortune, Iva Riggs, Harper, Riley, Tunnell, Graves and Parker Baum.

A Tribute To Our Flag

"Three cheers for the Red, White and Blue." When we sing those stirring words at home, at school, as a parade passes, or whatever the occasion, let's pay MORE than merely lip service to the Grand Old Flag! Poems have been written for Old Glory. Statesmen have eulogized its immortality. Soldiers on battlefields throughout the world have died for it. It flies majestically night and day over the white House. It is the blessed Flag of Freedom and stands for ALL the things we hold dearest. Honor the Flag that is the signature of our country and fly it proudly in your heart!

CUB SCOUT PACK HOLDS MEETING HERE TUESDAY

Cub Scouts of Cross Plains met at the American Legion Hall here Tuesday night of this week for their first Pack meeting of the new Scout year. Meeting was called to order by Packmaster D. C. Jones, who led in the pledge of allegiance to the flag.

After a discussion period during which ways and means of getting more interest among parents, awards were presented to Jack Tunnell, Jr. Miss Betty Browning gave a very interesting talk on "The Importance of Scouting" in which she outlined the founding of the Scout program. A movie taken by Jack Tunnell, Sr., at the "Dad and Lad" camp last summer was enjoyed.

Business discussed at the meeting included ways and means of raising money for the Cub Scout program. It was voted to hold a bake sale at a later date.

An archery set was donated to the Pack by Clay Kinnard and hay for the targets was donated by Beryl Lusk. Plans were made for a Pack hike to be

staged Saturday, Oct. 8. All boys of Cub age and interested parents are invited to take part in this hike and are asked to meet at the Methodist Church at 3:00 p.m.

BISHOP CHEVROLET COMPANY

We Are Not Having A FIRE SALE

We have decided that the merchandise in our store was too badly damaged to sell to the people of this community at any price. It has all been sold to a salvage company and has been removed from our store.

Our stock was almost totally destroyed and there was extensive damage to our building and fixtures which it will take time to repair or replace. It is our aim to start this work as soon as possible and to have our store back in condition as soon as we possibly can.

REGARDING YOUR Prescriptions

Our Prescription Files were in metal cabinets and were not damaged. We still have all of the Prescriptions this store has filled intact. We can take care of them for you as we are purchasing new merchandise each day.

We are not open for business but if you need medications which you have been having filled with us, come by or call us and we will make every effort to take care of them for you. When our store is reopened, it will be with an entire stock of new merchandise. There will not be any merchandise in here which was in the fire.

FOR and AGAINST

for CHRIST-against COMMUNISM
BY BILLY JAMES HARGIS, D.D.
FOUNDER CHRISTIAN CRUSADE

WE ARE NOT ATTACKING THE CHURCHES!

When their activities are exposed, left-wing clergymen who are misusing church organizations and publications to promote communist objectives usually attempt to throw a smoke cloud of confusion over the issue. One of their clever techniques is to divert attention from themselves and their pro-communist activities by branding all exposures of the facts as "attacks on the churches."

"... I have been a member of this Committee... for the past 8 years. Every time we have inquired into the attempts of Communists or Communist-fronters to worm their way into the churches, the committee has been bitterly attacked and charged with... opposing churches... The committee has tried to show why the church and religion are the focal point of assault by the Communists. The Committee has uncovered the techniques used by the Communist apparatus to infiltrate and destroy the church. It has done this so that the church could be fully aware of the Communist offensive against it; so that church leaders could understand that our religious institutions are in the front line of this battle; so that with this knowledge the church would be better enabled to foresee and combat this indirect, subtle, and diabolical attack upon it... instead of bitterly resenting this committee, these good people should join hand in hand with us... to better understand the nature of the Communist techniques and objectives in so far as religion and the church are concerned..."

We are not attacking the churches, but are trying to defend Christians from the most dangerous enemy they ever faced. It is misuse of the churches for evil causes which we attack. When we expose the evil potentialities in the use of the churches by pro-Red China clergymen to push the cause of that satanic regime, we are not attacking the churches. We are trying to protect the churches.

The House Un-American Activities Committee has published a great deal of documented information regarding the communist conspiracy's plan of action for misusing the churches, the methods by which this plan (or plot) has been put into action, and communist front or party line activities by clergymen. This Committee has also been subjected to the lying accusation that they are attacking the churches. During the hearing on the Air Force Manual controversy on February 25, 1960 Congressman Gordon Scherer set the record straight on these attacks with a statement which we quote in part:

Branding exposures of the communist attack on the churches from within as "attacks on the churches" aids only the communist conspiracy.

TOD NEWTON CAPTURES MAN WANTED BY FBI

A 26-year-old California man identified by FBI agents as Billy Dean Coughron of Venice, Cal., was arraigned in Abilene Tuesday of this week on a charge of interstate transportation of a stolen vehicle. He was taken to Abilene by a FBI agent from Baird where he was arrested at a roadblock Tuesday morning, after failing to pay for a tank of gasoline at a Cisco service station.

Tod Newton, Callahan County Deputy Sheriff, of Baird, and son of Mrs. Tod Newton, Sr. of this city, made the arrest.

The 1960 Comet, driven by Coughron, was reportedly stolen at Corpus Christi on or about Sept. 13, and driven to California, then driven back to Texas.
