## Visiting Speakers Come 20 New Lakes Seen To Church Here Sunday

Visiting speakers will fill the pulpit at the First Methodist Church here at both services Sunday in the absence of the pastor, Rev. Charles J. McAfee, who is attending a visual aid training program in Arkansas.

Speaker for morning worship will be Ray Stokes of Fort Worth, a former World War II war correspondent, who is lay leader for his district and executive director of a Methodist retirement home.

Filling the pulpit Sunday night will be Johnny Johnson, president of the McMurry College Alumni Association. He is the son of a Methodist pastor and himself a licensed minister. He is presently engaged in public relations and student work at McMurry.

The evening service will begin at seven o'clock.

#### TWO WELLS ADDED AS WATER DEMAND SOARS

Two more water wells were placed in production this week, bringing to 18 the number now supplying the City of Cross

Highest water use of the year was Monday of last week, when 170,000 gallons were required to meet demands. Pumpings for the past seven days amounted to 1,055,000 gallons.

# In Cross Cut Section

From 12 to 20 flood prevention lakes will be built in the Cross Cut area within the next two years, predicted E. J. Hughes, Brownwood soil conservationist, at a meeting in Cross Plains last Wednesday at

"The project will begin at the mouth of Turkey Creek and encompass land from south of Cross Plains to Owens," he declared.

Hughes made the statement at a gathering of soil conservation leaders, hosted by John D. Isenhower of Putnam, at Odom's Restaurant here. Present at the noon session were representatives from Lower Clearfork Soil Conservation District, Central Colorado Soil Conservation District, Turkey Creek Water Control District and Brown-Mills Soil Conservation District.

### Mrs. Ed Bush, 80, Dies Sunday Night

#### COTTONWOOD MUSICAL SET FRIDAY NIGHT AT 8

A regular monthly musical program will be held in the Community Center at Cottonwood Friday night.

# **Exhibition Building**

### Great People, Great Job

(AN EDITORIAL)

It should be a newspaper's purpose to commend as well as criticize. The good deserves attention as much as the bad.

A drive to raise \$15,000 by public subscription to build an exhibition barn here to serve as permanent home for Callahan County Junior Livestock Show has been over-subscribed. It was a project long-needed but one which many felt impossible to finance.

While people of the Cross Plains area supported the undertaking enthusiastically, local gifts alone would not have reached the goal. Contributions from 112 persons who reside beyond the confines of this trade area totaled \$6,898, and represent 44% of the entire amount raised.

There's credit enough for all, though, and every person and firm which had a part is to be commended for a deep interest in youth of this area, who will no longer have to brave January blizzards and exhibit their prized animals to sparse and shivering crowds.

The cooperation of one community with another, as was repeatedly evidenced in this undertaking, demonstartes a bond of neighborliness worthy of emulation

Congratulations to members of the E. I. Vestal family who gave the land, and the 301 donors who made the new exhibition barn a reality. FFA and 4-H Club boys and girls will profit by your largess for many years to come. You have left enviable footprints in the sands of time.

A contract has been signed for construction of a livestock exhibition barn to be built on a seven acre tract one mile north of Cross Plains, to house Callahan County Junior Livestock Show, held each January.

The naked building will cost \$13, 998. It will be of blue sheet metal, with a white roof and four large red doors. Dimensions will be 60 by 140 feet.

Contract was signed last Wednesday night after selection had been made by a committee composed of Tommie Harris, O. B. Edmondson, Morris Odom, Deel Edington and Paul Lutzenberger. It will be built by a San Angelo concern, which is said to have shaved the cost by more than \$2,000 if permitted to schedule construction at a time convenient for steel workers. It must, however, be completed by Dec. 1.

A larger building was chosen than forst planned, upping costs

"With a growing show anything smaller would have shortly proved indequate," said Edmondson.

With about \$15,700 in cash and labor pledged, there will be ample money from public subscription to pay for the structure and possibly a water well to be drilled on the grounds. Additional funds will be required, however, for fencing and rest rooms. No plan has been worked out to meet this cost if additional gifts are not received.

# Presbyterian Congregation To Worship At Brownwood Lake Sunday Morning

Members of the congregation of the First United Presbyterian Church of Cross Plains will hold Sabbath morning services at Sandy Beach Park, on the Joe Weedon Ranch on Brownwood Lake Sunday. Basket luncheon will be spread at noon.

A motorcade of worshipers will leave the church at 9:45 and arrive at the lake in time for Sunday School.

The Sunday morning sermon at 11 will be delivered by Chas. F. Hemphill of Albany, prominent Presbyterian layman and a former longtime member of the local

Persons unable to join in the motorcade are urged to meet the group for either Sunday School or the regular worship service.

"All visitors are welcome," said Mrs. Fonia Worthy, a member of the Presbyterian

# Jones Boys, Lad & Dad, Set Baseball Record

The Jones boys - D. C. and Rickey, father and son - are graduating from Little League baseball but they're leaving behind some challenging records for others to shoot at.

D. C., who managed the championship Buffs during the season just ended, has had three city champions during his four years of team direction. During that span his squads won 56 games while losing 16.

The son, Rickey, is also leaving his mark on LL record books. He is now the winningest pitcher ever to take the mound for pint-sized players here. During the season just closed he won seven games while losing none and posted 92 strikeouts to exceed Jim Freeman's mark set in 1961. Rickey walked only five men and gave up but 11 hits. Included were two successive no-hit performances.

The Jones boys were with the Buffs, which finished regular season play undefeated. rolling up 18 victories and landing six players on the allstar aggregation which goes to the district tournament at Baird Thursday, meeting the host-town in first-round play at 8 p.m.

"I feel we've got a good chance to go all the way,'

Mr. and Mrs. Roy Arrowood, sponsors of this year's championship team and who had three grandsons on the squad, were honored guests last Thursday night at a victory celebration picnic at Cis-

co Lake. Players presented Manager Jones with monogrammed luggage and remembered Assistant-Manager Darrel Wyatt with a banlon sport shirt.

Youths cited for special recognition at the gathering were four who are rounding out eligibility. They are: Donny Wilson, Danny McGowen, Robert Merrill and Rickey Jones. Each was given an autographed baseball. Bobby Adair was cited as the rookie of the year, Donny Wilson was hailed as the base-stealing champ, having swiped 45, and Rickey Jones with an average of .717 was acclaimed batting champion. Homerun leader was Robert Merrill.

Invitations to all boys who had played on Jones' teams during the past four years were extended to Thursday night's function. Other guests included League President J. T. Myers, Mrs. Myers and son; Johnny Adair, who will succeed Jones as manager of the Buffs and parents of players. Fried chicken was served.

Following victory ceremo-

diversions which included swimming, skating, minature golf and other recreational pastimes.

"Before bowing out of the local LL picture," said Man-

ager Jones vesterday." I'd like to publicly thank every boy and parent with whom I've been privileged to work. It has been one of the richest experiences of my life.

You'd think it

We baby your car. We carefully check every little detail to make sure it's in tip-top, A-1 condition. Why, you'd almost think your car belonged to us! There's good reason for us to be so fussy and painstaking. We want to do a better job than the "other fellow" down the street-because it's a good way to compete for your business. It's the competition between independent businessmen like us-that benefits you-the motorist. Thanks to our American freedom, you find each oil company doing its part to bring you better and better products at lowest possible prices. So bring your ear to us for service. You can be sure it will get the kind of service we'd give our own car.

lemon candy. The much-

Dear Friends:

If you have just a moment to read this letter, we would like to point out a few things of importance to you as a farmer or rancher.

There is always need for caution, but, now perhaps more than ever is there need for every farmer and stockman to review his financial program. Adequate time to repay and low cost in interest are such vital factors. They're almost a "must" to a successful operation.

The Federal Land Bank features both long terms and low interest cost. Any Land Bank loan may be paid in part or in full at any time without penalty and the interest rate is the lowest possible. In addition, the related loan closing costs are even lower now than they were during the depression years.

If you're planning to expand your operations, construct or remodel buildings, build fences, clear timber land, or refinance existing debts on your property, we solicit the opportunity of explaining the advantages of a Land Bank loan with you at no obligation on your part.

We will give prompt attention to any request, and assure you our service is most confidential.

# **County Hikes Tax**

Callahan County Commissioners Court has completed its tenure as a board of equalization with estimates that \$1,250,000 taxable renditions will be added

County Judge Byron Richardson said Tuesday night that last year's total of \$11,976,000 would likely be increased to \$13,226.

Exact total will not be known until work is completed in the office of Tax Assessor-Collector Albert Lovell," Richardson said, however, this total seems approximately correct.'

### Clark Family Holds Week End Reunion

take it from your Higginbotham man...

"you'll use less paint with Jones-Blair ... because you need to paint less often!

A Higginbotham man knows paint inside and out. He knows building materials, too . . . and is always able to give you sound advice on all your building and remodeling problems. When it comes to paint, he always recommends the right paint for the right job. For the Southwest climate he recommends Jones-Blair Paints because they're designed for the rugged Southwestern conditions and offer the most in long life, protection

There is a Jones-Blair Paint specifically made for every painting job.

Sundial 100% Pure House Paint and Permanent Trim Colors are exceptionally sunfast, formulated to give maximum resistance to fading . . . resist cracking and peeling, are mildew-protected and gas and fume-proof. Colors stay bright and fresh...longerl In all the popular Southwestern colors.

BARN and ROOF PAINT per gallon depending on surface. In

FOR BARNS AND ROOFS!

### FOR MACHINERY AND IMPLEMENTS!

Jones-Blair Machinery and Implement Enamel is recommended for use on wood or metal surfaces, indoors or out. Made to withstand water, oils, grease and ordinary engine temperature. Resists dirt and grease. Easily cleaned. Comes in 14 colors.

Jones-Blair Tuff-Kote gives years of

protection under any conditions . . . at

less cost. Covers 400 to 600 square feet

red, gray, green, brown and black.

Visit your Higginbotham Bros. store soon - and talk with one of our paint experts. He can recommend the right paint and tell you the best method to apply it.
