drove into Baird to get coffee and doughnuts for the lawmen. They were met there by an oilfield pumper who reported having given a ride into town to two youths, whom he thought

might be suspicious. Richardson and Taylor located the pair in a Baird cafe and took them into custody.

Investigation revealed that they had slugged the manager of a Pennsylvania detention home, stolen his automobile and fled. In Alabama a pair of license plates was snitched from another car and wired to the vehicle stolen in Pennsylvania. Found in the car were cigarettes, cigars, chewing gum and a hat almost full of coins. A sack in the trunk compartment contained another cache of nickels, dimes and quarters, believed to have been taken from vending machines robbed by the quartet. No guns or lethal weapons were reported. among the loot.

The youths admitted having assulted the manager of a detention home at Altoona, Pa., and having fled south and west immediately thereafter.

CROSS PLAINS REVIEW

Mission of Ysleta by E. M. Schiwetz

THE MISSION OF YSLETA The Church that changed sides!

When the Indians revolted against Spanish rule in 1681-2 in the upper Rio Grande Valley in New Mexico, refugees sought safety at the mission at El Paso del Norte (now Juarez). One group settled on the Mexican river bank and named its community Ysleta del Sur (South). This settlement was established in 1681 and a mission was completed the following year on a small island in the Rio Grande.

The Rio Grande changed its course and the site is now in Texas. Ysleta and its mission are generally given the distinction of being the oldest permanent settlement in Texas . . . truly a church that changed sides!

CHOOSE THE SIDE OF FREEDOM ... with U.S. Savings Bonds!

Thus, Ysleta del Sur, the refuge of the oppressed, became the earliest of settlements to identify itself with a brave, new land of freedom.

Today, millions of Americans choose the side of freedom and they do something about it - by purchasing U.S. Savings Bonds.

Every dollar you invest in Savings Bonds gives Uncle Sam exactly that much help in the vital task of safeguarding liberty for yourself and your family. Buy Savings Bonds at your bank or on the payroll savings plan where you work.

Keep Freedom in Your Future with **U.S. SAVINGS BONDS**
