2nd, 4th CPML Posts Decision For Finale

Cross Plains Truck Stop bowling team continued its winning habit in a big way Thursday night by blanking Mayes Flower Shop 4-0 although the former had wrapped up the championship of Cross Plains Mixed League last week.

Only undecided position in the first division left in question for tonight's (Thursday) action is second place. George Hutchins Mobil retained its three-game advantage with a 3-1 victory over Johnston Truck & Supply, and D. C. Lee Gulf, other contender, clipped Sisters Cafe by the same margin.

In tonight's finale, leadership of the second bracket is at stake. Presently Mayes Flowers and Johnston Truck are deadlocked for the post.

Truck Stop team and its members hogged honors at last week's meeting. The champ five compiled the top team series of 2,361 pins by posting the top three team games of 866, 803 and 792.

Wayne Graves, Truck Stop, captured first and a share of the second best two individual games with a 222 and 196 respectively. Johnston's Charles Waggoner also posted a 196. In series competition Graves was tops with a 597 total, an average of 199. Gulf's Benny Glover was a distant second with a 492 aggregate, a mean of 164. Another Truck Stop mate, Wilburn Weiss, was third with a 484, an average of 161.

Mobil and the second high team total with 2,147 pins, and Gulf was third with 2,134 pins.

For the finals Truck Stop meets Gulf, Mobil takes on Mayes, and Johnston plays Sisters.

Former Resident's Paintings Seen At Monahans Recently

Some 40 paintings by a Monahans artist, a former Cross Plains resident, was recently displayed in the Sandhills Park museum in that West Texas city.

The artist is Mrs. W. R. Waldroup, the former Helen Plumlee, daughter of Mrs. Zola Plumlee of this city.

Mrs. Waldroup, who graduated from high school here and left about 12 years ago, has exhibited her paintings in many regional and state shows. It was said of her, "all works are original in both concepts and technique." Pictures range in size from three by four inches to just under three by four feet, and the work is in oil, water-color and mixed media. Varied subject matter concerning still life and landscapes adds more variety.

After receiving her degree from Abilene Christian College and leaving Cross Plains, Mrs. Waldroup taught school at Merkel for two years. She was later employed by an oil firm in Midland.

A favorite of viewers of the exhibit was entitled "Lonely," one of a group painted in Texas Hill Country. It is of an old home, now deserted, in Kerr County. Many of her paintings are of scenes in the immediate Monahans area, one of which is a log cabin in that city. One viewer said of the picture, "I'd love to spend a vacation there."

Another of her outstanding works is "Sunrise — From My Window," inspired by the scene from her kitchen window "over

her second cup of coffee and usually the morning paper."

Mrs. Waldroup is an active civic and social worker, and last year was named outstanding clubwoman of the Tau Lambda Study Club.

The couple has two daughters, Susan and Laura. Mr. Waldroup is district superintendent for Humble.

She has studied art in West Texas and last summer studied at the Hill Country Arts Foundation at Ingram under Maude Folmar, and the eminent Buck Schweitz.

Mission of Ysleta by E. M. Schiwezt

THE MISSION OF YSLETA

The Church that changed sides!

When the Indians revolted against Spanish rule in 1681-2 in the upper Rio Grande Valley in New Mexico, refugees sought safety at the mission at El Paso del Norte (now Juarez). One group settled on the Mexican river bank and named its community Ysleta del Sur (South). This settlement was established in 1681 and a mission was completed the following year on a small island in the Rio Grande.

The Rio Grande changed its course and the site is now in Texas. Ysleta and its mission are generally given the distinction of being the oldest permanent settlement in Texas . . . truly a church that changed sides!

CHOOSE THE SIDE OF FREEDOM...with U. S. Savings Bonds!

Thus, Ysleta del Sur, the refuge of the oppressed, became the earliest of settlements to identify itself with a brave, new land of freedom.

Today, millions of Americans choose the side of freedom and they do something about it — by purchasing U.S. Savings Bonds.

Every dollar you invest in Savings Bonds gives Uncle Sam exactly that much help in the vital task of safeguarding liberty for yourself and your family. Buy Savings Bonds at your bank or on the payroll savings plan where you work.
