FIFTY-EIGHTH YEAR

Grain Crops Given New Edge By Week End Rain

Rains which began fall-
ing in the Cross Plains area
last Thursday night and
continued through the
afternoon, yielding
benefits of much-needed
moisture to the crops.

Communities near here
received a slightly greater
amount of rain than the
Pioneer with a total
of 2.90 inches in this
vicinity. The moisture
was especially helpful
to grain farmers, as
the crops were beginning to

show blue spots, indicating that
the crop was suffering from the
prolonged dry spell. It was gener-
ally believed here late Tues-
day that wheat and oats are now
assured of average or better
yields if not later damaged by
hail.

The 2.90 inches of rain re-
ceived over the week end
brought the aggregate in Cross
Plains for April to 3.83 and that
recorded thus far this year to
5.22 inches. This, however, is
still below normal for the first
four months of the year.

Week end rainfall reports
from other communities near
here included the following:
Cross Cut, 2.63. Atwell 3.00, Cot-
tonwood 3.10, Rowden 4.00, Pio-
neer 4.50.

Rare Type Cattle Rustling Reported

A second occurrence of what
officers call an odd kind of
cattle rustling is reported in
the Cross Cut area.

Last week a calf belonging to
Charlie Howard Edington was
butchered in a pasture. Then
two days later a similar event
was discovered at the place
owned by Mrs. Dolphus Prater,
southeast of Cross Cut.

Officers are investigating and
are said to have at least one
strong clue.

Farmers Cautioned About Wheat Land

Wheat farmers who have
signed to participate in the 1966
program and have excess acre-
age planted to the crop have
until May 1 to do one of three
things. (1) They may dispose of
of the excess acreage. (2) They
may notify the County ASCS
office. (3) Pay the cost for
checking the disposition, when
required.

Failure to take proper action
will violate the wheat agree-
ment and forfeit payment from
the federal government.

Clean-Up Campaign Now Underway Here

City trucks are hauling trash
and rubbish from homes within
the corporate limits this week
as an inducement for coopera-
tion in a city-wide clean-up pro-
gram.

"Should inclement weather
prevent successful completion
of the campaign," said Mayor
Doyle Burchfield, "it will be
continued into next week."

Two Local Students Are Third At Denton

Two students from surround-
ing communities carried Cross
Plains High School colors into
the Region II-A University In-
terscholastic League Literary
meet at Denton last Saturday.

Both garnered third places
for the local school.
Larry Smith, son of Mr. and
Mrs. Jack Arledge of Cross Cut,
won the number three spot in
Extemporaneous Speaking, and
Peggy Erwin, daughter of Mr.
and Mrs. W. R. Erwin of Sabano,
claimed a white ribbon in
Poetry Interpretation.

Another Senior Citizen Tells Thrills Of Flying

Airplane transportation may

his time at Irving, near Dallas,

Largest and best parade in
history is being planned to
usher in Little League Baseball
season here Tuesday afternoon
at 5 o'clock.

N. L. (Razz) Dillard, league
president, announced yesterday
that although entries and partic-
ipants are yet incomplete,
the event promises to be the
largest procession ever here
in connection with the annual
baseball opening.

Congressman To Attend
Congressman Omar Burlison
of Anson will head the parade
and officially open the season
by throwing out the first ball
in elaborate pre-game cere-
monies. "He will not be able to
attend the games due to a pre-
vious engagement," said Dil-
lard yesterday.

Bill Black, Little League Dis-
trict Administrator, of Brecken-
ridge, will also be here for the
opening festivities.

The parade is scheduled to
form at Farm & Ranch Supply
on South Main Street, and order
of march calls for the proces-
sional to move northward along
Main Street ending at the Little
League Park in the Edgewood
Addition.

Already slated to appear are
Cross Plains Buffalo Band, rid-
ing clubs of Cross Plains and
Rising Star, fire trucks and city
vehicles as well as the four
Little League teams, two minor
league squads, representatives
of the three teenage clubs, and
local baseball officials. Dillard
stressed that all merchants,
clubs and organizations in Cross
Plains and this area, are invited
to participate in the parade.

Highway Patrolman Bill Vine-
yard and Deputy Sheriff How-
ard Cox will clear the way for
parade followed by Cong. Bur-
lison in an open car.

Opening Ceremonies
Pre-game festivities will be-
gin immediately after termina-
tion of the parade at the base-
ball field.

Mayor Doyle Burchfield will
herald Little League opening
and introduce Cong. Burlison.
Six past presidents of Cross
Plains Little League will be in-
troduced and presented appre-
ciation plaques by Mayor Bur-
chfield. The six span eight years,
beginning in 1958 when the
local organization became affil-
iated with Little League, Inc.

Honorees and years served as
president are: Minister H. Mc-
Donald of Rising Star, 1958-60,
Edwin Baum of this city, 1961,
Johnny Adair of Ranger, 1962,
J. T. Myers of Coleman, 1963,
M. E. Roth of Odessa, 1964, and
Bill Button of Merkel, 1965.

Work Day Slated
Merlin Franke, grounds com-

mittee chairman, announced
that a work day will be held at
the park Saturday afternoon.
He said, "We will need mowers,
hoes, rakes and small hand
tools to get the field in shape
for Tuesday's opening." Work
will begin shortly after noon,
about 1 o'clock.

Mrs. Gerald Bowden, head
concessionaire, invites the pub-
lic to eat with the Little League
opening night. She promises a
fresh and complete stock of
snacks and drinks.

Scheduled Released
Opening game will pit the
Buffs against the Kilowatts.
Second tilt of the double head-
er will see the Cats going
against the Scouts. "Rainy weath-
er has cut practice sessions
to a minimum," bemoaned one
team manager.

ule was released Tuesday. First
half of the programmed games
follow.

All-Sports Banquet Carded On May 13

Annual All-Sports Banquet
honoring Cross Plains High
School athletes will be held
May 13, according to H. N. Wil-
son, acting president of the
Cross Plains Athletic Booster
Club, sponsoring organization.

The yearly fete, which honors
all high school athletes, will
begin at 7:30 p.m. Friday, May 13.
An outstanding area personality
is being sought to make the
principal address.

"All members of the Athletic
Booster Club are eligible and
urged to attend," according to
James Hickman, club secretary.
He added that others may attend
by paying the annual \$5 dues.

Lee Cards Region Win; Next - Austin

Four Cross Plains High School
entries in the Region 2 Relays
at Denton last Friday not only
faced competitors from 15 other
schools, but encountered the
worst the weather had to offer
during the annual event.

Junior Lee was the only local
competitor to "weather the
storm," winning the right to
compete in the state champion-
ship relays to be held at Aus-
tin May 7. His winning time
in the mile run was 4:46.7 —
on a track where water was
standing as much as three
inches deep in spots, according
to local persons making the
trip to Denton. Similar torren-
tial rains canceled track and
field events in other parts of
the state.

All Cross Plains entrants is-
sued strong challenges in the
preliminary races but were un-
able to cope with the water-

soaked track during the after-
noon record races.

Jim Brown recorded a fourth
place finish in the 120-yard high
hurdles and ran fifth in the
189-yard lows. Bo Strickland
finished fifth in both the 100
yard dash and the 220, and
a mile relay team composed of
Bo Strickland, Jerry Strickland,
Jerry Watson and Brown tied
for sixth.

The Buffalo squad accumu-
lated 21 points for eighth place.
Goldthwaite won the meet.

Lee, who will be Cross
Plains' lone representative in
the State Class A relays, will be
making his second trip to the
capitol city for this event, hav-
ing been a strong contender for
the mile run title last year. He
will probably enter at least one
practice meet before the big
race at the University of Texas'
Longhorn Track in Austin, Coach
Jack Gray said Monday.

Buffalo Band Competes In Brownwood Contests

Cross Plains High School Band
will compete in the regional con-
cert and sight reading contest
Friday, April 29, in Brownwood
senior high school auditorium.

Cross Plains is the only band
from all classes in this region
which owns the sweepstakes
trophy. Only four bands are
eligible this year. They are:
Cross Plains, Eastland, Brady
and Stephenville. These bands
were winners in the marching
contest held in November.

Fifteen bands are competing
in Class A: Santa Anna, Gold-
thwaite, De Leon, Menard, Glen
Rose, Baird, Marble Falls, Al-
bany, Junction, Eastland, Bur-
net, Clyde, Eldorado, Ranger,
and Cross Plains. Cross Plains
band is scheduled to play at
4:30 p.m.

"Cross Plains will be entering
the finest concert band we've
had and we hope to make a
winning appearance," said di-
rector Wayne McDonald.

Maintenance Money Now Needed For Belle Plain Cemetery Grounds

Mrs. Naomi Heyser of Baird,
secretary-treasurer of Belle
Plain Cemetery Association, re-
minds that the annual drive
for funds to maintain the bur-
ial plot is now underway. She
asks that contributions be
mailed to her at 725 Race

Street in Baird or mailed to the
First National Bank of Baird
for deposit to the cemetery as-
sociation.

Belle Plain Cemetery is one
of Callahan County's oldest. It
is located 10 miles south of

FOUL WEATHER FRIENDS

Wonderful in fair weather, too. When the weather is foul, as it is so often in winter, an automatic washer and flameless electric dryer guarantee a constant supply of fresh-smelling, fluffy-dry clothes. With your own automatic electric laundry, you just pop the family wash in the washer, set the dial and go about your other chores. Drying clothes is no problem either—pop them in—set the dial—then do some other little chore for the family, you have been "putting off." So remember, in fair weather or foul, your best friends are an automatic washer and flameless electric dryer.

Several Visitors Enjoy Pioneer Game Meeting

By Mrs. Delma Dean

Visitors at the game night at Pioneer Club House Thursday night were M. P. Wilcoxon, Mr. and Mrs. Clarence Casey, Mr. and Mrs. Truitt Dawkins and a nephew and Mr. and Mrs. Gus Brandon, all of Sabanno, Mrs. Clarence Bush and Eula Fore of Cross Plains and Jake and Estelle Huntington of Brownwood. We appreciate our visitors and want them to come back. May 5 is our next family and game night and that afternoon is our regular club day. We plan to quilt a quilt for Laverne Hutton. All members are urged to be there and visitors are always welcome.

We had received a little more than three inches of rain here by Monday morning. That, plus the inch we received a week ago, amounts to a good rain. The farmers will really be busy when the ground gets dry enough to start plowing.

Glen Chapman, his wife and two boys of Denver City spent the week end with her parents, Mr. and Mrs. Lynn Daniels.

Pete and Jean Fore visited at the Rest home in Rising Star with Uncle Ben and Aunt Fannie Marshall Sunday night.

Mr. and Mrs. Claude Schooler of O'Donnell, Mrs. Inez Ratliff and Billie Jean White spent Saturday night with Ethel Brown. Our sympathy goes out to the Sterling White children over the loss of their father, who was buried in Pioneer Cemetery Saturday afternoon.

Bob and Edna Hodnett visited Ethel Brown Sunday afternoon.

Ethel visited Mrs. Ed Henderson Thursday afternoon and she and her daughter-in-law, Lou Brown, made a business trip to Brownwood Saturday.

Mr. and Mrs. Pete Stover went to Ennis to see her brother and family, the B. W. Robertses, Sunday. They were accompanied by her mother, Mrs. Della Roberts, and Janice Lee of Rising Star.

Susan Tonne and Cheri Kanady of San Angelo and Nancy Arledge of Cross Cut spent Saturday night with Susan and Nancy's grandparents, Mr. and Mrs. Lonnie Gray. Guest for dinner Sunday in the Gray home were Mr. and Mrs. Jack Arledge, Mr. and Mrs. Emil Ringhoffer and Mr. and Mrs. Edwin Schaefer and children, John and Mary.

Mr. and Mrs. William Gibson and daughter, Marsha, spent the week end with his parents, Mr. and Mrs. W. R. Gibson.

Darwin Pittman and family of Odessa visited his sister and family, Mr. and Mrs. Donald Stover, Reggie and Vickie, and also with his parents in Cross Plains, Mr. and Mrs. Irwin Pittman and son, over the week end.

O. B. Shirley and wife of Cisco visited Pat and Nora Shirley Sunday.

Pat Shirley made a business trip to Eastland Monday, accompanied by Delma Dean.

Family Gathering Is Marred By Mishap

A family gathering was marred by accident last week end.

Kinsmen of Mrs. Clyde D. Sims gathered at her cabin on Brownwood Lake for a visit. Mr. and Mrs. Bert Dickens and three sons of Houston drove into Brownwood for a quick visit to an Army surplus store. Mrs. Dickens and her youngest son, Joel, 3, were in the parked auto, when it was crashed into by an automobile coming down the street. The child's leg was broken and the mother's chin lacerated. Both received severe bruises and were taken to Brownwood Memorial Hospital. They were able to return to their home in Houston over the week end.

Others who had come here for the week end included: Mr. and Mrs. M. B. Winchester and daughter, Debra, of Andrews, Mr. and Mrs. O. H. Sherrill of Odessa and Mr. and Mrs. O. H. Sherrill, Jr. of Midland.

Biggest news in this area is the good rain we have received. The pastures are green and the stock water supply has been replenished.

Mrs. Sterling Odom was hostess for the quilting at the community center Thursday. Seven ladies were present and all reported an enjoyable day together.

Visitors with Mr. and Mrs. B. Crow last week were Mrs. Dale Gibbs, Gray and Roger of Abilene, Frank Crow of Baird, Oran Bains and Sue, N. V. Gibbs, and Mrs. John Adair.

Sterling Odom and Mrs. Tommie Harris received word recently that their brother, Russell Odom, was seriously ill. They went to be with him at Lewisville Thursday and he was reportedly improved when they left for home that afternoon.

Mr. and Mrs. Clarence Smedley and Owen of Abilene, Mr. and Mrs. Earl Blakley of Baird and Mr. and Mrs. Jack Smith and Gary of Putnam were recent visitors with Mr. and Mrs. George Blakely.

News Of Former Residents

W. N. (Noel) Black, former long-time resident of the Atwell community, has moved from Clyde to Baird and now resides at 242 East 6th Street in the county seat.

"I have never seen a better small town newspaper than the Review," the well known man says in a postcard received Tuesday.

It is Harold Freeman who recently moved from Mathis to Snyder, and not Franz Free-

man, his brother, as in the news columns. Harold and Cliff Baird other former local residents recently visited here and reported it Franz's name used when it should be Harold.

An Open Letter To The People Of Callahan County

In recent weeks I have tried, with all the time available to me, to contact as many people of this county as possible in regard to my present campaign for reelection to a second term as County Judge.

I am impressed by the manifestations of good citizenship by our citizens as evidenced by their interest in political issues and the affairs of their government.

The best way to have good government is to have interested individuals who make an effort to find out what is going on in their government and people who acquaint themselves with the candidates and what they stand for. I want to emphasize that we as elected officials are representatives of and directly responsible to the people and during my first term I have attempted to follow the will of the people. Each decision made has been based on what was considered to be best for Callahan County.

Many Changes In Laws

When I took office, I was familiar with many of the responsibilities of being County Judge and I have tried to keep abreast of the many new and changing laws regarding probate, juvenile, criminal, civil and administrative procedures; also I have found many small but important decisions which must be constantly made. I feel my first term has made me better qualified to serve you. At all times I can say with humility that I have tried with all my power and ability to do what I felt in my heart was the right thing to do. I can only pledge to continue to serve you as best I can.

Expenditures Cut Over \$100,000

During my first term in which I have been privileged to serve you as your County Judge, income to the County has decreased by approximately \$60,000 per year, due largely to a decrease in county oil evaluation. While other expenses such as social security, postage and equipment has increased, the expenditures of the county have been cut by over \$100,000. The criminal case load has increased from 112 in 1962 to 211 in 1965. Approximately 27 miles of Farm to Market Road has been built where the state average is only 4 miles per year. Indebtedness of Callahan County has decreased from \$152,000 when I took office to only \$60,000 as of this time.

Duties at the courthouse do not allow me the time needed to contact every citizen of the county, although, I would like with all my heart to do so. To those of you I am unable to meet and talk with before the forthcoming election, I hope you will consider this as a personal solicitation of your vote and influence.

Richardson Thanks People Of Callahan County

I wish to thank each of you for the privilege of having served as your County Judge for one term and promise that if reelected I will rededicate myself to working untriflingly for the best interest of all of our people at all times.

Sincerely,

Byron Richardson

Candidate For A Second Term As Callahan County Judge

Truck Stop, Sisters Quints Clash For Second In CPML

Cross Plains Truck Stop and Sisters Cafe will clash Thursday, tonight, to decide second place in Cross Plains Mixed League in the season finale.

The two bowling teams have been deadlocked for the past two weeks, and will go into the last night of the 30-week schedule seeking the runner-up spot behind D. C. Lee Gulf who wrapped up the championship three weeks ago. Odom's Cafe is still a threat to the claim of third place in the loop. Odom's takes on George Hutchins Mobil in the finale and with a 4-0 victory can claim the number three spot barring a 2-2 split between the two current second place teams. Should a tie occur, three possibilities of deciding the final standings exist. They are a sudden death, one game, playoff, a three-game series to be played later, or placings by total pins. Gulf and Souder's Grocery rounds out the final night's action.

Last week Truck Stop was defeated 3-1 by Odom's and Sisters fell to Gulf by the same score. Souder's felled Mobil 4-0.

Individually Gulf's J. P. McCord posted the high game of 212 and was followed by Exa McCord of Souder's with a 204. Third high game went to Souder's Wayne McDonald with a 196. Series competition showed Odom's Paul Wright high with 525 pins. He was followed by Gulf's Jim Gilmore with a 501 aggregate and Odom's Jack Morris with a 493.

In team competition Souder's grabbed the first two high team games with a 1,041 and 1,014 totals and the high series laurel with a 2,981 total. Odom's claimed the runner-up team series banner with 2,896 pins and Truck Stop was third with 2,824 maples. Gulf had the third

high team game of 1,013. Team awards will be presented to known team winners following play tonight. Individual trophies, however, will be awarded at a league tournament to be held the following week. Entry into the tourney will be accepted through tonight.

Standings through 29 weeks of play were released as follows.

	W	L	Pct.
Gulf	75	41	.647
Truck Stop	62	54	.534
Sisters	62	54	.534
Odom's	59½	56½	.513
Mobil	52	64	.448
Souder's	37½	78½	.323

Mr. and Mrs. J. P. McCord left Saturday for Dallas to visit with their son, Mr. and Mrs. Carl McCord and family, then Sunday were to attend the golden wedding anniversary of Mrs. McCord's aunt, Mr. and Mrs. J. B. Morgan, at Greenville. En route home they visited their other son, Mr. and Mrs. Charles McCord and family, at Tyler before returning home middle of the week.

Mr. and Mrs. Earl Green of Waco visited in the home of her brother and family, Mr. and Mrs. Howard McGowen, here last week end.
