REVOLVING CHARGE ACCOUNT PLAN

ANNOUNCEMENT

PUBLIC

Kizer Telephone Company, serving Cross Plains, Rising Star, May and surrounding areas has been merged with Continental Telephone Co., based in St. Louis, Mo., as a means of keeping abreast of rapidly improving telephone facilities and to offer local subscribers the advantages of most modern equipment as rapidly as possible.

There will be no change in personnel or policies presently employed by the Kizer Telephone Company, Inc., however, association with the larger corporation affords employees opportunities for advancement, hitherto limited in the smaller organizational set-up.

Continental Telephone Company operates in 38 states and foreign countries, serves 825,000 stations, and recently incorporated into its business structure its own cable company.

It is our belief that best interests of our customers and the areas involved will be better served by the recent merger.
