## Bufs Capture LL Lead With Rallies Last Week

Bufs team claimed undisputed first place in Cross Plains Little League standings last week with two come-from-behind victories.

The leaders had to rally twice Tuesday of last week in pushing the Cats from a share of the league's top position, 9-8. It was the Bufs first win in about two years over the defending champion Cats. Thursday the Kilowatts threatened to force a three-way tie, but Bufs rallied from a four-run deficit and won 1-5 in a four-inning second game.

Kilowatts posted win number one over the Scouts 7-5 in the nightcap Tuesday. Cats got back on the winning trail in the opener Thursday 12-11, but it took a four-run outburst in the sixth to overcome Scouts who tallied 19 runs in the top of the frame.

Local Little Leaguers have apparently adopted a policy of hitting at least one home run per playing night. That was kept intact last week.

The circuit blast Tuesday was delivered by Bruce Johnson in the initial game. He powered a one-two pitch over the left field fence driving in three runs with his score the deciding tally in the Cat-Bufs first place duel. Johnson also contributed two doubles and a single in four appearances at the plate.

Cats' Donny Dillard also poled one out of the park in first game Thursday. His two-run clout cut the Scout lead to one run, but Rex Mayes singled home the tying and winning runs two hitters later.

Rodney Renfro, Scout ace righthander, earned the top hurling rating last week although he failed to figure in a decision. He twirled five and one-third innings in two appearances, and allowed no runs and only two hits. In three frames against the Kilowatts Tuesday, he pitched perfect ball striking out all nine batters. He whiffed seven, all possible, in his two and one-third innings against the Cats Thursday.

Cat moundsman Tony Golson almost countered Renfro's feat Thursday. He started for the Cats and went three full innings allowing no score. He, however, fanned just one, walked one and hit one batter. Near perfect fielding backed Golson in his effort.

Standings table with columns W, L, Pct. for Bufs, Cats, Kilowatts, Scouts.
