Miss Caroline Brown of Rising Star became the bride of Mike Pruet of Cross Plains in an impressive double ring ceremony, solemnized Sunday afternoon at 3 o'clock in the First Baptist Church at Rising Star with the Rev. Roger Butler, local pastor, officiating.

The bride, given in marriage by her father, wore a floor-length gown of candlelight satin. The dress, made by the bride, had an Empire bodice and long fitted sleeves of chantilly lace with a sprinkling of tiny seed pearls. Satin buttons closed the back of the dress and the long sleeves which came to a point below the wrist. A Watteau sweep-train attached at the shoulders featured appliqued chantilly lace accented with seed pearls.

She carried a cascade bouquet of white roses centered with a white orchid. The bouquet was attached to a Bible covered with satin and lace from her dress material, and the Bible was one her father carried during World War II. The three-tiered ballarina length veil of bridal illusion was attached to a tiara of lace, pearls and crystals.

The bride's attendants were: Miss Marcia Lee of Rising Star, maid of honor; Mrs. Tommy Alford of Huntsville, matron of honor; Miss Julia Watkins of Rising Star and Miss Pam McEntire of Waxahachie, bridesmaids.

Attending the groom was his

father, John Pruet, who served as best man. Groomsmen were Bobby McMillan and Eddy Don Edmondson, both of Cross Plains, and Bill Grimes of Athens.

Don't Fuss When SS Is Wrong; Read This

Editor's Note: This is the first of a series of six articles, telling of safeguards against wrong decisions in the social security program, prepared for the Cross Plains Review by R. R. Tuley, Jr., Social Security district manager.

When an occasional social security claim for retirement, survivor, or disability benefits is denied, is that always the final word? No, for the claimant who feels such action was wrong certainly doesn't have to just sit back and fuss to himself and his friends about how bad an error was made.

Decisions made by one group of persons about another person may not always be completely correct. For that reason, Congress wisely provided ways for the disappointed claimant to pursue his claim further than the initial decision.

If a claimant feels that any part of the decision made on his claim is in error, he may request formal reconsideration within six months of the date on his denial letter. He may present new evidence, or he may just ask for a closer look at the evidence already submitted. This reconsideration action is taken by an entirely different group of people than the ones who made the first decision. Next week's article will show how further action may be taken by the claimant.

News Of Former Residents

R. E. Duncan, who was reared in Cross Plains, recently completed his 25th year with the Shell Oil Company.

Mr. Duncan, who was called "Lonesome" by classmates at Cross Plains High School, where he was an outstanding athlete, is a lease operator for Shell at Quanah. He started with the company as a roustabout in the Gulf Coast area. He obtained military leave of absence in 1943 but returned with the firm in 1945. From 1945-57 he held various field assignments. In 1957 he became lease operator for the Midland area's former Big Spring production unit, transferring to the "Midland Area" production unit in 1962.

He is a brother of Mrs. A. O. Harris and Mrs. Dick Montgomery, both of Cross Plains.

If the Review is an interesting newspaper much of the credit should go to people like Barbara Swinney of Amarillo, daughter of Mr. and Mrs. Merwin Garrett.

Barbara noted an item in the Amarillo newspaper one morning last week, which showed a picture of Fred Davis, of this city, combining grain on the high plains and took time to mail the clipping to her little home town newspaper. Such a favor is always appreciated.

Many former residents of the Cross Plains area send helpful news tips from time to time, for which the publisher is always grateful.

Minnie E. Shirley, 5345 Acuna Street, San Diego, Calif., sends in her subscription renewal to the Review, and says: "I still like to read about my friends and news from the old home town."

Mrs. Gary Ervin Garner

Jacqueline Ben Lacy Weds Gary Ervin Garner In Dallas

Miss Jacqueline Ben Lacy and Gary Ervin Garner were recently united in marriage at the Cockrell Hill Church of Christ in Dallas.

The bride is the daughter of Mr. and Mrs. Harlon M. Lacy, former well-known Cross Plains residents who now live in Dallas. The groom is the son of Mr. and Mrs. Floyd T. Garner.

W. B. Cox of Daingerfield officiated at the ceremony, and Mr. Lacy gave his daughter in marriage.

Miss Donna Emerson attended the bride as maid of honor and Gary Covert was best man. Other attendants were Miss Barbara Foster, Mrs. Bill Spain,

The bride wore a gown of crepe and lace and an illusion veil caught to a coil of roses. She carried orchids and stephanotis.

Graduates of Sunset High School, Mr. and Mrs. Garner attended Arlington State College. Mr. Garner also is a former student at North Texas State University and East Texas State College.

After honeymooning in Corpus Christi, they will make their home in Oak Cliff.

IS OUR FACE RED? WRONG PHOTO NAME

The above picture of Mrs. Gary Ervin Garner, the former Jacqueline Ben Lacy, was erroneously published in last week's Review bearing the name of another girl, who is soon to marry another man. The mistake was one of those things which should never have happened, and one for which the Review staff extends apologies to all concerned.

Scouts, Kilowatts Upset LL Leaders; Buffs Gain Game

Upsets spiced Cross Plains Little League action last week as the two second division teams arose to punish the two top clubs.

The Scouts, who had been the floor mat unit from opening day, knocked off the second and first place Cats and Buffs. Kilowatts were threatened with the cellar position, but after the Scouts opening game win over the Buffs Thursday, generated enough power to shock the Cats. The win retained a share of third place with the Scouts and broke a five game losing streak.

Buff's, although only breaking even during the week, padded lead the team owns by a game. Cats, however, lost a game on the top place Buffs, and the defending champions face the final two weeks play two games behind. The two losses also placed in jeopardy a strong hold on the runner-up spot the Felines had clawed out in previous weeks.

Title Contention

Each team has a mathematical chance to claim the league crown, but a helping hand at the right time will be needed by any of the three challengers. Cats pose the most serious threat to the Buffs visions of being champions. Buffs will face the second place Felines twice more before the season's end, and if the Cats should win both, could tie for the title if pace is kept with the leaders in the two other contests. Either one of the third position teams, Kilowatts and Scouts, could claim a tie, but only an outside chance prevails.

Loser of the Kilo-Scout conflict which was slated Tuesday will be eliminated, and so will the winner, if the Buffs conquer the Cats.

Buff's Club Kilos

Kilowatt pitching short-circuited in the opener Tuesday of last week, as the Buffs pounded two Kilos hurlers for 20 hits and 23 runs. The eventual loser opened the game with four runs in the first, but fell behind 9-5 in the home half. Kilowatts scored four more in the second, however, 13 Buffs crossed the plate in the fourth. The game ended one-half inning later with the Buffs on top 23-9.

Eddie Koenig was the loser in two-thirds of an inning, and Lynn Koenig finished. Jerry Fortune picked up the victory in two and one-third innings, and Jerry Lewis got the save in two and two-thirds frames.

Scouts Red Hot

Scouts began the best week of the season for them Tuesday with a 10-5 triumph over the Cats. Visiting Cats tallied one in the first inning, but Scouts bounced back with six in the home half. Scouts opened the gap to 10-4 in the fourth and claimed victory number four. Cat starter Tony Golson was the loser in one-third inning, and Roger Crawford finished. Scout Rodney Renfro was the winner in going the route.

Scouts wrapped up the victorious week with a 12-3 decision of the Buffs in the opening game Thursday. Buffs tried another of their late-inning rallies in the last of the sixth. The leaders tallied four runs in the frame, but could not overcome the 12-4 deficit.

Rodney Renfro connected for the only home run of the week in the fifth.

Scout hurler Ricky Potter recorded his first win of the season in going the full six innings. Ricky Kirkham was the loser in four frames, and he was followed by Calvin Corley and Jerry Lewis who pitched an inning each.

Kilos End Losses

Kilowatts found the winning combination in the nightcap Thursday, and broke a five game losing string 8-4 over the slumping Cats.

Due to the length of the first game and a time factor which stipulates that no inning will start after 10 p.m., the game was only three and one-half innings long. Kilowatts claimed a 6-0 advantage in the first two stanzas before Cats crossed the plate with a single run in the third. Kilowatts bounced back for two more in the third, and Cats tallied three in the top of the fourth.

Golson was again the loser in starting and pitching two and two-thirds frames. Buddy Dillard got the final out. Eddie Koenig was credited with the win in the four frames.

Jones Hurls Shutout Game

Two wins and one loss in the last three innings has earned the Cross Plains Chiefs at least a tie for second place in the Tri-County Senior Teenage Baseball League.

Cross Plains defeated De Leon 9-1 Thursday, and blanked Comanche 6-0 Monday night, both before home fans. Bangs nipped the Chiefs 4-3 in eight innings in Brown County Saturday night.

The victory Monday night moved the Chiefs into a tie with Comanche for second, both with 5-3 records. A three-way deadlock could be possible, if De Leon, winless in seven outings, upset Bangs, leader with a 5-2 mark, in their game Monday. Results were not known here Tuesday at noon.

Protest Not Allowed

A protest by Comanche against Bangs in an earlier games this year, was not allowed by the protest board of the league in a meeting in Cross Plains Friday night. At that time Cross Plains, Bangs and Comanche shared the league top spot with 4-2 marks.

Chiefs Score Nine

De Leon fell victim to a new scoring mark for the Chiefs Thursday, 9-2. Previous game high score for the locals was three.

Cross Plains jumped to a 4-0 lead before De Leon tallied one in the fourth. Center fielder Gary Fomby highlighted a four-run sixth inning for the Chiefs with a three-run homer.

Ricky Jones was the winning pitcher in going the route. He struck out 17, walked only two, and allowed two runs on two hits.

Tempers Flare

Chiefs almost went on the warpath at the game's end Saturday at Bangs which the latter won 4-3 in eight innings. The controversy concerned the play at the plate on the game-ending run.

W. D. Smith enjoyed a visit over the week end by his two daughters, Willie and Lina.

Cross Plains took a two-run

edge in the first as Jones doubled home Joe Pope, aboard on an error, and Jim Freeman who had singled. Bangs knotted the score in the fourth. David McGowen scored, after walking, on Freeman's double following Popes single.

Pope absorbed the loss in going the distance although he whiffed a dozen batters. He walked only three and allowed six hits.

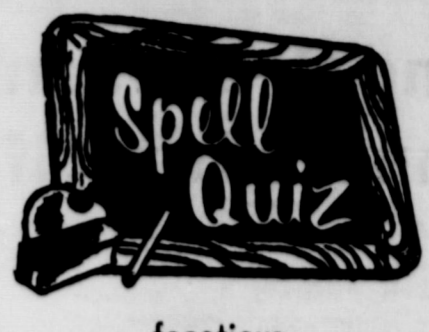

Gain Revenge

Chiefs evened two defeats at the hands of Comanche Monday night 6-0.

Jones hurled the two-hit shutout and raised his loop record to 3-1. He fanned 17 and issued no bases on balls. The Chief ace right-hander helped his own cause with a two-run circuit blast in the third innng. It was the first home run off Comanche pitching in three years.

Three runs in the second, and one in the fourth netted Chiefs their six tallies.

Manager D. C. Jones announced Monday night that the Chiefs, sponsored by the Dairy Bar and Pancake Truck Stop, have only two more home dates scheduled. De Leon will be here Saturday, and Bangs comes here Monday. Both will be played at Illingworth Field beginning at 7:30 p.m.
