## Secretary Of State Explains Proposed Constitutional Amendments

Newspaper readers throughout Texas soon will be seeing long columns of type about important issues as Secretary of State John Hill begins to advertise the six proposed constitutional amendments to be voted on November 11.

Fourteen additional amendments will be on the 1968 ballot.

Eight of the 20 amendments are of interest mainly to special groups (eg: legislators or state employees). Eight others would provide local governments with new powers or duties. Only four of the group directly affect most Texans.

Amendments to be voted on this year will appear on the ballot in this order:

No. 1, House Joint Resolution 3, to permit counties to put all tax money in a single general fund rather than dividing income in specified amounts among separate funds for earmarked purposes as is now required.

No. 2, HJR 37, allowing cities and other governmental units within hospital districts to levy taxes for participation in men-

tal retardation community centers.

No. 3, HJR 17, reviving the veterans land program and authorizing a total of \$400,000,000 in bonds to finance continued purchase of farm and ranch land by veterans, including those who have served in Southeast Asia during present hostilities.

No. 4, HJR 6, authorizing counties to pay medical, county and hospital bills of doctor law enforcement officers injured in line of duty.

No. 5, HJR 12, authorizing a \$75,000,000 state revenue bond issue for development of state parks and recreational areas. Bonds are expected to be financed by a small admission fee.

No. 6, HJR 27, permitting state officers and employees to hold non-elective positions under the state or U.S. governments where there is no conflict of interest and where the state might benefit.

That's all for '67. Top interest in these amendments doubtless will center on the park bond proposal and the veterans land amendment.

Hospital mental health and

mental retardation groups will emphasize the importance of Amendment No. 2 to the new community center approach of treating mental patients close to home.

Calling the 1967 election for Veterans Day and a Saturday, undoubtedly, was to assure a

large voter turn-out for the land fund amendment. A substantial campaign to urge its passage already is taking form.

Gov. John Connally is the principal backer of the parks bond issue. Last December he unveiled a 10-year plan for acquiring and developing 150,960 acres of recreational lands and historical sites. This would more than triple present state park acreage and open a variety of new facilities for outdoor recreation.

Only opposition to the amendment to date has been based on the \$1 a car park-entry fee, initially proposed by Connally to finance the vast program; and scattered complaints that facilities included in the governor's master plan do not adequately serve some areas of the state.

He is expected to spearhead an intensive fall campaign — supported by parks, recreational and outdoor groups — to put over the bond issue.

The veterans land amendment would add another \$200,000,000 to state bonds previously authorized and through which 35,300 veterans have purchased farm

and ranch properties at low interest rates spread over a 40-year pay period.

This amendment would raise the amount which could be borrowed under the program from \$7,500 to \$10,900. The program was initiated in 1949. Additional bonds were approved by voters in 1951 and 1956. Amendments to enlarge the bond authorization were rejected at elections in 1963 and 1965. Opposition came mainly from Dallas and Houston.

Proponents emphasize that, while thousands of veterans have benefitted from the program, it has cost the state no money and actually has turned a profit of \$2,500,000 a year while providing an expanded land market.

Opposition has adopted the argument that it is not the function of the state government to engage in the loan business and that veterans have had plenty of time to participate. Some also contend that "cheap money" invites purchases of land not needed and which will not be put to productive use.

Amendment No. 2 specifies that the legislature, in providing

for creation of hospital districts, does not have to require that the districts assume full responsibility for community mental health and retardation centers and services. It would permit cities and counties to levy taxes and issue bonds for such services. Subdivisions within existing districts would be authorized to do so unless statutes creating the districts expressly prohibit.

An attorney general's opinion held that the constitution does not allow political subdivisions within the boundary of a hospital district to levy taxes for medical and hospital service. Under that ruling, cities and counties located in such districts were restricted from participating in establishment of community health centers. Therefore, only hospital districts could establish such centers, a key part of the mental health program.

## Chiefs Go For Diadem In Brownwood Games

Cross Plains Chiefs will get first taste of Senior Teenage post-season tournament play this week end at Camp Bowie Field at Brownwood.

Not only will it be the first such venture for the Chiefs, but it also will be the first time in history that Cross Plains has been represented in such an event.

### Opponent Unknown

A meeting of managers of the four teams, Merv Daniels, tournament director, and Foster Rhodes, vice-president of Texas Senior Teenage Baseball, both of Brownwood, was slated for 8 p.m. Tuesday in Brownwood to draw for time and opposition in the tourney. D. C. Jones, Chief manager, and Jim Freeman, assistant manager and team captain, were to represent Cross Plains.

Two games will be played Thursday and Friday, first beginning at 6 p.m. and the second about 8 o'clock in the double elimination affair. Consolation contest will be played at 9:30 a.m. Saturday morning and championship tilt is slated for 7:30 p.m.

Cross Plains will play each of the first two nights. Two wins would put locals in the championship clash, but a loss could drop the Chiefs into the consolation bracket.

Entered other than Cross

Plains, are a team each from Brownwood and Coleman and either Clyde or Ranger.

Cross Plains got the District 6 tournament berth by winning the Inner-City Senior Teenage League with a 9-3 record against Comanche, Bangs and De Leon.

### Chief Roster

A 17-player-strong unit will carry the Cross Plains banner into the week end affair. Chiefs reinforced the pitching corps for the tournament with the acquisition of three hurlers from the other three teams in the league.

Regular Chiefs are: 18-year-olds, Jim Freeman, Gary Fomby, Joe Pope, Billy Lee, Joe Pierce and Randy Walker; 17-year-olds, Sammy Balkum, Bo Barr and David McGowen; 16-year-olds, Robert Merrill, Dennis Purvis, Vern Webb and Ricky Jones. Don Wilson is carried on the team roster although he has not seen action since early in the season because of an eye injury.

Pitcher-catchers added to the team are Mike Lockwood and Clyde Weaver of Comanche and Travis Halford of Bangs.

### Possible Starters

Jones released his probable starting line-up this week for the first game Thursday. Getting the nod are: (listed in batting order) Joe Pope, second base, Jim Freeman, right field, Joe Pierce, short stop, Gary Fomby, center field, Randy Walker, first base, Ricky Jones, third base, Bo Barr, left field, Mike Lockwood, catcher and Clyde Weaver, pitcher.

It was noted that Freeman, regular Chief catcher, was listed in right field because of a slight injury to his leg suffered last week.

### Chief Statistics

Jones owns the best pitching record of the three regular Chief hurlers. He won five while losing one game. In 39 innings he allowed 10 runs on 12 hits with seven walks. He struck out 31 batters.

Pope also worked 39 innings and compiled a 3-2 record. He was touched for 13 runs, 20 hits, and issued 15 free passes while fanning 48. Barr worked only nine innings on the mound, but did not allow a hit, although one run was scored off him. He struck out 13 and walked seven earning a 1-0 mark.

Pope is the leading hitter. In 30 plate appearances he has hit safely 12 times, nine singles and three doubles, for a .400 average. He leads the Chiefs in runs scored with 10. Pierce, in 17 at bats, is hitting at a .375 clip.

Purvis has three hits in nine trips for a .330 average. Following are: Freeman, 9 for 32, .280; Barr, 5 for 20, .250; Fomby, 6 for 26, .240; Balkum, 7 for 28, .240; Webb, 1 for 6, .160; Jones, 5 for 32, .157; McGowen, 2 for 17, .109; Walker, 4 for 29, .103; Lee, 2 for 20, .100; Merrill, 1 for 18, .065.

# Local Little League Stars Grab Consolation Trophy

Cross Plains Little League All-Stars bounced back from a crushing defeat to claim the consolation trophy of District 26 Little League Tournament by defeating Cisco All-Stars 8-3 Friday night.

Weatherford's elite squad bombed three Cross Plains pitchers for 20 runs in the tourney opener Wednesday of last week at Wright Little League Field in Eastland. Cross Plains was held hitless in the six inning affair.

A big third inning Friday gave Cross Plains a 6-0 advantage in the consolation game and provided the locals with third spot in the four-team meet.

Coleman clipped Weatherford in District 26 finals, and advanced to another tournament which is being played in Breckenridge. So complete was the mastery

of Cross Plains by Weatherford ace pitcher Kenneth Mooney that only three local runners got on base. Cross Plains did not get a hit and 10 batters struck out.

Second baseman Roger Crawford was the first Cross Plains batter to reach base. He drew a base on balls with one out in the second inning, but he was stranded there. Pitcher Eddie Koenig, earned a walk in the third, but was erased on a force play when right fielder Eddie Wyatt reached base on a fielder's choice.

The home team Weatherford aggregation wasted no time in gaining the upper hand with two runs in the first inning. Opponents added to the tally in each inning spiced with an eight-run outburst in the fourth frame. Weatherford bats boomed for

16 hits, four of which were the circuit variety, and faulty Cross Plains fielding helped Weatherford build the big score.

Eddie Koenig took the mound loss in working three innings. Tony Golson, who was originally an alternate but was placed on the regular team when one regular dropped off the roster, went to the hill for one-third of an inning in the fourth. He was relieved by Lynn Koenig who hurled the last inning and two-thirds.

**Grab Consolation**  
Cross Plains rebounded Friday in the consolation tilt with a 12-hit attack to dump Cisco 8-3.

Rodney Renfro, who hurled Cross Plains past Clyde, 5-3, in the Area III playoff July 21, got the mound win. He duplicated Weatherford pitcher's feat in not

giving up a hit, although he walked four batsmen. Errors afield accounted for Cisco's run in the fourth, and three free passes and two defensive miscues allowed the foes two in the top of the sixth.

The ace right-hander fanned 13 Cisco batters. Renfro tallied Cross Plains' first run in the second inning. He singled and came home on Crawford's double which followed a walk to right fielder Eddie Koenig.

Cross Plains scored five runs in the home half of the third. First five hitters, Wyatt, Jerry Lewis, Buddy Dillard, Donnie Dillard and Renfro, singled. Jerry Fortune sacrificed and Lynn Koenig walked. Two more runs came in the fourth on singles by Buddy Dillard, Donnie Dillard and Renfro, and Jackie

Thomas walked. Bases were again loaded in the fifth when Lynn Koenig and Wyatt walked and Lewis singled. However, the next three batters failed to drive a run home.

**All-Star Roster**  
The 1967 All-Stars were the most successful in the past several years. Only in 1963 did they do better. That year the local unit claimed runner-up in a district tournament.

Cross Plains All-Stars, managed by Lester Wyatt and coached by Edwin Weiss, are: Brad Bowden, Roger Crawford, Buddy Dillard, Donnie Dillard, Jerry Fortune, Tony Golson, Bruce Johnson, Eddie Koenig, Lynn Koenig, Jerry Lewis, Ricky Potter, Rodney Renfro, Jackie Thomas and Eddie Wyatt. Alternates included Calvin Corley, Rex Mayes and Roy Merrill.

Emphasis is placed on economic, moral and social aspects of the American society that were envisioned by our forefathers in the Constitution and Bill of Rights, he added.

## Former Local Woman Killed As Car Crashes Into House

A 25-year-old Cisco man was charged with two counts of murder without malice after the car he was driving crashed through a house Friday at 1:40 a.m., killing a man and a former Cross Plains woman.

The mishap occurred about a mile south of Cisco.

Killed instantly were Ella Lavener Walker, 19, daughter of Mr. and Mrs. John W. Dillard of Rising Star, former longtime Cross Plains residents, and George L. Scott, 26, a Cisco

laborer. Mrs. Walker's 18-month-old daughter, Bobbie Jo, was injured in the accident, but is now at the home of her great-grandmother, Mrs. Ella Dillard, in Cross Plains.

Highway patrolmen who investigated the accident said that a car driven by Paul Exline, a Cisco bulldozer operator, failed to negotiate a turn and crashed through the three-room frame house. The car knocked down two guard posts before crashing through two rooms of the house and stopping against another au-

to in a garage near by.

Firemen worked about 40 minutes in removing the bodies from wreckage.

Scott moved to Cisco from Coleman about a week ago. He was working for John Conger, who owned the house where he was living.

Funeral for Mrs. Walker was held from the First Baptist Church in Cross Plains Sunday at 2 p.m. with the Rev. Roger Butler, pastor, officiating. Burial was in Pioneer Cemetery under direction of Higginbotham Funeral Home.

Born Ella Lavener Dillard in Baird, June 24, 1948, the deceased woman married Bobby Lee Walker in Abilene May 5, 1966. She was a member of the Baptist Church. She is survived by her husband, who now lives in Jackson, Calif., the infant daughter, Bobbie Jo, both parents, two brothers, Watson and Jimmy Dillard of Rising Star; four sisters, Darlene, Bertha, Neva and Nita Dillard, all of Rising Star; the paternal grandmother, Mrs. Ella Dillard of Cross Plains, and a number of other kinsmen.

## Farm Bureau Will Choose Queen At Baird On Friday

A new Callahan County Farm Bureau Queen will be crowned Friday night at Baird.

Although only four contestants had entered in the two divisions at noon Tuesday, plans were underway to accommodate a large crowd of farm bureau members at the salad supper which will precede the beauty pageant.

Master of ceremonies James Paul Shanks of Baird will call the session to order at 7:30 p.m. in the Baird High School Cafeteria. Queen contest will follow the supper.

Three girls, ages 16 through 22, will vie for the senior title. They are Judy Cottle, daughter of Mr. and Mrs. James Cottle of Moran, Diane McCowen, daughter of Mr. and Mrs. Paul McCowen of Cross Plains, and Roberta Scott, daughter of Mr. and Mrs. W. E. Scott of Oplin.

Miss Norma Jean Franke, reigning FB Queen and daughter of Mr. and Mrs. Merlin Franke of Cross Plains, will crown the victor who will participate in a district revue in Abilene Aug. 19.

Anita Rock, daughter of Mr. and Mrs. Claude Rock of Eula,

was the only contestant in the junior division for girls ages 13 through 15. County secretary, Mrs. L. T. Harris said one other girl had expressed interest in the contest, however.

Mrs. Harris stressed that each contestant must be a member of a farm bureau family, and have a father or brother actively engaged in agriculture.

Mrs. Lowell Johnson of Oplin, chairman of the Young People's Committee, is in charge of the affair. She is assisted by John D. Montgomery of Cross Plains, Mrs. Bill Henry of Baird, Mrs. Claude Rock of Eula, Mrs. C. Lee Smith of Clyde and Mrs. L. B. Jones of Moran.

Queen aspirants will rehearse in the Baird cafeteria Thursday at 7:30 p.m.
