## New Industry Here Does \$425,000 Business

Cross Plains' newest industry, an egg processing plant operated by the Garrett-Lane Corporation, has developed sales which now exceed \$425,000 annually.

The firm, which opened on North Main Street here July 7, presently employs 12 people fulltime, and has two more parttime workers. Annual payroll is more than \$41,000.

Nine shifts weekly are worked, six daytime tours and three at night, in handling the 30,000 dozen eggs which Garrett-Lane process-

es and moves to retail outlets every seven days.

Last week the Cross Plains corporation contracted to supply seven more large chain stores in the area north of Abilene. Already the local firm was the largest egg supplier of Abilene and held contract for Dyess Air Force Base. Other major outlets include Wichita Falls, Coleman, Brownwood, Rising Star and Cross Plains, as well as a route northward to Seymour.

The more than third-of-a-million eggs handled here

weekly are placed in a machine, which first washes and dries the shells, and then moves along in a production line to where they are candled, weighed and sorted and finally placed into shock-free cartons. They are then refrigerated in vaults at the plant and in specially-equipped trucks until delivered to retailers.

All of the eggs processed here come from farms individually owned by Harold Garrett of Cross Plains, who is president of the corporation, and Doyle Lane, of San

Angelo, who is vice-president. Together the two men have 75,000 hens. Mrs. Harold Garrett is secretary-treasurer of the corporation.

In addition to Mr. and Mrs. Garrett, both of whom work at the local plant, others employed there are: Mrs. Bill Dillard, supervisor of the grading plant; Mrs. Dale Crawford, Mrs. Edwin Weiss, Mrs. J. B. Riffe, Jr., Mrs. Orville Holland, Mrs. Fred Davis, Mrs. Lilly May Brannon, Jim Hargrove, Bill Lee, Don Taylor, Lancy Calhoun, Benny Free and Max Evans.

## Wolf Pack Thinned By Man Liking Challenge

N. G. (Gib) Wilcoxon is not a government trapper, however, he knows enough about capturing predatory animals to conduct a school on the subject.

## Lord's Acre-Hour Program Saturday

Annual Lord's Acre-Hour Festival of the First Methodist Church in Cross Plains is scheduled Saturday night.

Festivities open with the serving of Thanksgiving dinner in the church basement at 5 p.m. and continuing two hours. It will be followed by an auction sale, starting at 7 p.m., for which O. B. Edmondson will serve as auctioneer.

"We promise a good time for all and invite the public to attend," said the Rev. Lloyd Coker, pastor, yesterday.

## MRS. M. E. HOWELL IS HOME FROM HOSPITAL

Mrs. M. E. Howell returned home Monday at noon from the Santa Anna Hospital and is believed recuperating satisfactorily after having recently suffered a heart attack. Her daughter, Mrs. E. D. Penn of Midland, is here with her mother and father.

He is a man who likes a challenge, particularly one that other men have been unable to meet. Anytime he hears of wolves or other predators destroying a rancher's property he becomes uncommonly interested. If the rancher is unable to cope with the situation himself, or if there is no government trapper available, Gib is usually the man called upon.

Some time ago word reached him that wolves were killing goats from herds owned by Raymond DeBusk, Roger Watson, Ivan Clark and Tommy Connelly, all between Cross Plains and Burkett. Gib took his traps and moved into the infested area. In recent weeks he has caught seven gray timber wolves and all but eliminated a pack that was preying on livestock in that area. Some of the wolves killed were females about to bear new litters.

Largest wolf trapped this year is that shown in the accompanying picture, which Wilcoxon caught the night of Oct. 5, two miles northeast of Burkett. It weighed 65 pounds and mohair in its teeth showed that it had been slaughtering goats.

Wilcoxon works for no fixed fee, however, grateful ranchers usually reward him well for his work.

## "Tell Us, Dad, About Your Shooting During The War"

It may be difficult for L. D. Koenig to make his twin sons, Eddie and Lynn, believe that he was a gunnery expert during World War II.

The father took the boys deer hunting on opening day of the season, but not until he had first cautioned them well about safety and how necessary it was to remain alert, ready to shoot the moment a buck appeared within range.

The dad stationed one son in a tree and was taking the other to another vantage point. Unexpectedly they sighted a large buck grazing toward them.

L. D. pushed his son down in the high grass and remained hidden himself, barely able to watch the oncoming target. Finally the buck was within 50 yards and no obstructions in the line-of-sight. The boy watched admiringly as his dad slowly raised on one knee and took dead aim. As the father pulled the trigger there was a snap, indicating no explosion of ammunition. It was enough, though, to send the deer racing off across a distant hill.

Examination revealed that L. D. had been so engrossed with instructions to his sons that he'd failed to load his own gun.

# Buff's Strickland Gallops 92 Yards To Top Wildcats 12-6

A 92-yard kickoff return by senior Tailback Jerry Strickland lifted Cross Plains Buffaloes to a 12-6 conquest of the visiting Rising Star Wildcats Friday night. It was the season finale for both teams.

The Buffalo triumph marked the end of a six-year Rising Star win streak, and placed the Herd in third place in District 9-A.

**Turn Tables**  
In years past Cross Plains had dominated statistics and Rising Star had won the game. This year, however, Rising Star had an edge in the figures, but Cross Plains triumphed.

**Wildcats Counter**  
Rising Star took the ensuing kickoff and mounted the best drive of the night. The march covered 60 yards, using six minutes and 38 seconds of the second quarter and took 15 plays. Junior Wingback Dalton Hughes circled right end for the last seven yards and the touchdown with 34 seconds remaining in the first half.

**Buff's Score**  
However, the drive again bogged down at the Wildcat 17, but as the teams swapped ends of the field at the quarter, a Rising Star punt went high into a stout wind and netted only eight yards. From the visitors' 42 Buffaloes began the first scoring drive of the night. After two plays netted little, a

personal foul shoved the ball to the Wildcat 25. Quarterback Ricky Jones got 11 yards on third down for a first at the eight. A five-yard penalty moved the ball back to the 13, but a pass from Jones to Right End James McMillan put the oval on the four. From that point Fullback Vernon Johnson spurred the final four yards through a hole opened by Right Tackle David Merryman and Right Guard Delbert Turner. Jones rolled out to pass for a two-point conversion, but no receivers were clear, and he was dumped.

**Strickland Romps**  
That set the stage for Strickland's sparkling runback. The Buffalo tailback touched the ball upfield, but had to chase it back to the eight. By that time a Wildcat was on top of him, but Wingback Randy Montgomery wiped him out with a block. Strickland then stunted and eluded another defender before turning on the speed down the sideline in front of wildly-joyous Cross Plains fans. Strickland broke into the clear, opened up, and simply outran a trio of pursu-

ing Wildcats. With 20 seconds left in the first half, the game was over so far as scoring was concerned.

A scoreless second half was begun with a mild threat by Rising Star in the third quarter, and early in the fourth period Cross Plains pushed just inside the visitors' 30 yard line.

The fourth quarter saw Rising Star gradually push Cross Plains deeper into Buffalo territory, and a punt by Montgomery gave Rising Star control on the Herd 44 with 30 seconds remaining. The longest half minute to local fans this season then unfolded as Rising Star desperately began a determined goalward push.

With a matter of only a few seconds left, Rising Star faced third down and 25 in their own territory. Quarterback Dick Clarke then hit Left End Ronald Hunt with a 24-yard pass, and as tempers flared, Cross Plains drew a 15-yard personal foul penalty. Three seconds remained on the clock, and the Wildcats had the ball on the Bison 20. Wildcat Dick Clarke faded to pass, then ran around right end where a host of Buffaloes bounced him out of bounds at the seven as the clock signaled a Herd victory.

# Supper Dates Noted For Burkett Section

By Mrs. Merrel Burkett

The Burkett Baptist Church will sponsor a community Thanksgiving Supper Wednesday evening, Nov. 22, at 7:00 p.m. at the community center. Everyone is invited to attend and bring a salad and sweet or vegetable and meat. The host church will furnish bread, plates, cups, and drinks. A program is being planned.

Everyone is invited to attend the regular community supper this Saturday night. Bring two covered dishes and enjoy the food and fun together. Entertainment has been planned as visiting musicians will include Misses Seamour of Trickham and Blair of Bangs who played and sang last month at the supper. "Minnie Pearl" Bludworth and her daughter and granddaughter will be on hand along with the Burkett Play Boys, so you can see that if you miss this supper you will miss out on the fun.

The committee in charge of the supper will be Mr. and Mrs. R. V. Watson chairmen, Mr. and Mrs. Jack DeBusk, Mr. and Mrs. L. D. Evans, Mr. and Mrs. D. L. McKinney, Mr. and Mrs. R. P. Barnett, Mrs. Ava Bell Oliver, Mrs. J. E. Burkett and Mr. and Mrs. Billy H. Brown.

Mr. and Mrs. Willie Henderson and Mr. and Mrs. Colie Thate went to Ardmore, Okla., Wednesday of last week and returned home Thursday. Mrs. Lela Knight accompanied them as far as Petrolia and visited overnight with her daughter and her husband, Mr. and Mrs. Bill Holland.

R. E. Neff was hospitalized a few days last week in Coleman after undergoing medication and care he was able to return home where he is recuperating.

Deer hunting got off to a good start around Burkett. Alvin Hutchins, local grocerman and butcher, reports that he processed 13 and a great number of hunters took care of their own.

Mrs. Elvin Hutchins of Weatherford, daughter of Mr. and Mrs. R. E. Jennings, was honored with a pink and blue shower in the home of Mrs. Alvin Hutchins Tuesday evening of last week. Since Mrs. Hutchins was not able to be present, the two future grandmothers accepted the honor of representing her at the shower and opened the many lovely gifts. Refreshments of cake, coffee and hot chocolate were served to about 35 guests.

## 1967 Herd Posts Best Record In 11 Seasons

(The football season just completed by Cross Plains High School cannot be considered spectacular on the yardstick gauging such things. But it produced a luster the likes of which has not adorned the purple and gold spangles in 11 years.)

The final sparkle was illuminated last Friday when the Thundering Herd earned a 12-6 verdict over Rising Star. The triumph shattered a six-year jinx the Wildcats to the east had held over the Bison. Buffaloes had not skinned a Wildcat since 1960, and for the past two years it seemed fate hand intended Buffs to lose. Last Friday, however, Buffs made their own destiny earning their sixth win against a spirited Wildcat eleven.

It was no "pennant winning" season, but it was the most successful in terms of wins and losses local fans have followed in 11 years. The six wins came over Clyde 32-14, Baird 24-18, Gorman 8-6, Bangs 16-15, Early 32-6 and Rising Star 12-6. The four losses were to Eastland 21-12, Hamilton 58-12,

Goldthwaite, District Pions, 34-6 and San League runners-up, 4-0.

The 6-4 mark ever since Buffaloes triced 9-A in 1956 with ord, and claimed third the '67 9-A crown.

Head Coach Les Coffey, first season at the helm, said this was real proud of all the especially the seniors. "They did a job all season, and provided fine leadership. Buffs have made a call on the high school iron. They are Jerrold, Randy Montgomery and Johnson and Trog Barr, ends; and Albeo, tackle. "They all that they hated to lead on said, and he indicated the feeling was mutual. They praised the Buffs that they set an example that everyone can be proud of. "They did a lot of things that they accomplished together."

### Ben's Grid Picks

By Benny Glover

Team each from A and AA district last week end. Victors pre-ferred playoff games. Another week of play before be-

8-AA winners, Friday at 8 p.m. in Comanche.

In District 17-B May goes to Gorman and Hico hosts Blanket but both these games amount to little since Bangs has already wrapped up the title.

Last week this column managed eight correct guesses in 11 attempts, but week before last Gorman fell to Blooming Grove. Therefore the week's tabulation fell to eight of 12 and a .667 percentage. Season-wise 91 predictions have come true in 117 filings for a mean of .778.

Four games are on tap this week end. Projected winners in bold type.

**Blanket at Hico:** Tigers end surprising season with fairly easy win, 22-6.

**May at Gorman:** Despondent Panthers could be in for a surprise as May seems improved and stronger. Gorman rates nod, 20-14.

**Granbury vs. Brady at Comanche:** It could be a tie, but Brady has played under pressure all season and is used to it. Bulldogs by a point, 20-19.

**Ranger vs. Goldthwaite at Brownwood:** Sympathy lies with 9-A Eagles, and Eagles beat Santa Anna more than Ranger did. Ranger is extra tough in the clinches and rates slight nod, 14-10.

## News Of Former Residents

Lotief, who ran a dry goods store in Cross Plains some 30 years ago, recently stopped by for a visit with him. Lotief was en route to San Angelo to see his son, who is a Catholic priest.

Lotief served in the state legislature during the 1930's, and Dodson was in the capitol city during those years as a close observer of Texas politics. Lotief, who lost his wife last year, sold his store in Rotan and now lives in Dallas.

"Dod" enclosed a \$1 bill in his letter and said, "This is to buy coffee for some of my old friends in Cross Plains."

## Summer Jobs Open Rep. Burleson Says

Congressman Omar Burleson announces that the Civil Service Commission is now receiving applications for competitive examinations, which may lead to summer employment. It was felt that a number of persons, particularly young people, in the Cross Plains area might be interested.

Those interested may apply to take the written test on or before three filing dates — Dec. 8, 1967, Jan. 5 and Feb. 1, 1968. Burleson stresses that no applications received after Feb. 1, 1968, can be accepted.

The Congressman noted that last year's eligibles, including those who were selected for a summer job, must take this new examination. This will provide an equal chance for all applicants to compete for one of these short-term non-career jobs.

Congressman Burleson pointed out that one significant change in this year's program will permit applicants to be considered for Post Office seasonal assistant jobs, which, in prior years, were filled by taking a special examination.

Any application forms needed to apply for jobs described in Civil Service Commission Announcement No. 414 may be obtained from college placement offices, most post offices, and Civil Service Interagency Boards.

Copies of Announcement No. 414, entitled "Summer Jobs in Federal Agencies," which provides complete information about summer job opportunities in Federal Agencies is currently available on request through Congressman Burleson's Washington office, located in Room 2369 Rayburn House Office Building, Washington, D. C. 20515, or at the Congressman's district office, 2101 Federal Building, Abilene, Texas 79601.
